MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-004031

REPORT DATE: 07/17/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 07/17/2026, at 00:50 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 07/17/2026, at approximately 00:50 hours, I observed a white Maserati sedan (FL tag #PINEGUY) traveling westbound in the 3200 block of SR60. The Maserati was traveling at an unlawful speed, which I paced with my patrol vehicle. I estimated that the Maserati was traveling approximately 58 MPH in a 45 MPH zone. I also observed a secondary violation of very dark window tint on all four windows of the Maserati, which restricted any view into the vehicle. I then conducted an inquiry on the tag and was advised that the registered owner had a business purpose only restriction.

I initiated a traffic stop on the vehicle for these violations in the 4200 block of 16th Street. The Maserati continued to roll slowly for a while before stopping within a residential complex that the vehicle was registered to. I approached and made contact with the two occupants. I explained to the driver the reasons for the stop, and I requested his license along with the paperwork for the vehicle. I then observed that the front passenger was concealing his right hand behind his right leg, with his arm flared by the door. I asked the passenger to keep his hands visible, and I observed the passenger release his grasp on an unknown object as he presented his hand open and rested it on top of his leg. I asked the passenger if he had his ID card and he advised me that he did not. The driver then provided me with his license and the paperwork for the vehicle. I asked the driver about his business purpose restriction, and he claimed that he did not know anything about it. I then observed that the restriction was clearly listed on his license. While addressing the restriction, I noticed that the driver and the passenger had increasing glances at one another, and the driver would lick his lips and perform a deep exhale.

As a backup officer was responding to the scene, I explained to the driver that I would have him exit the vehicle and speak with him at my patrol car. The driver stated he didn't want to get out of the car. I told the driver that he wasn't in trouble, and I explained how I was providing him with a lawful order. I advised him that there wasn't a need to escalate this, and I warned him that he would be disobeying a lawful command if he refused to exit the vehicle. The driver made a comment that he would "get arrested" if he got out, and he again stated that he didn't wish to exit the vehicle. After another warning, the driver finally complied with exiting the vehicle as my backup arrived on the scene.

I then approached the passenger, with the intention of addressing and identifying the unknown item that was concealed near his leg. As I approached the passenger side, the passenger stepped out of the vehicle before I reached the rear passenger door. This was unusual, and I recognized that the passenger was trying to isolate himself from the vehicle. I then walked him to the front of my patrol vehicle, and I noted that the passenger had a strong odor of alcohol emanating from his person. The passenger was defensive to a request to obtain his name and date of birth in lieu of his ID card. I then walked back to the vehicle and observed an opened green "Buzz Ball" cocktail beverage resting on the passenger seat, close to the passenger door where I observed the passenger concealing something. I then advised the passenger that because of the open container, I needed him to identify himself. The passenger refused and tried to deny the alcoholic beverage. The passenger was warned again that he needed to identify himself, and he refused to do so. I asked passenger if he was willfully refusing, and after a subsequent refusal I then placed the passenger in handcuffs. A cell phone was removed from his possession before being placed in the back of my patrol vehicle. This cell phone had a white powder substance smeared on the phone, and from my training and experience I suspected that this was related to drug usage. I then walked back to the vehicle and observed that in the same area where the passenger was concealing his hand, there was white powder residue on the passenger door panel. A chemical field test yielded a weak positive reaction to the presence of Cocaine. I had an increased suspicion that during the slow stop of the vehicle, the occupants may have tampered with powder cocaine. I was unable to locate any additional residue or paraphernalia inside the vehicle to establish possession.

After being placed in the patrol vehicle, the passenger admitted that he possessed an ID card on the back of his phone. A Michigan ID card was recovered from the phone case of the cell phone with powder smear marks on the screen. The passenger was subsequently identified as Jerney M. Hester Jr. (B/M DOB: 12/30/1995) by his Michigan ID card. An inquiry revealed that Mr. Hester had two warrants originating from Michigan and Indiana. These arrest warrants were non-extraditable. While speaking to Mr. Hester, he denies ever congesting or possessing Cocaine. I noted that Mr. Hester had mucus dripping from his nose, which I suspected could be a reaction from snorting. Utilizing a flashlight, I was unable to observe any residue on his nostrils. The driver also denies any knowledge of drug usage.

Mr. Hester was advised that he was under arrest for obstructing/resisting a law enforcement officer in violation of FSS 843.02. I then transported Mr. Hester to the Indian River County Jail for booking and processing. Mr. Hester was also issued a citation for possession of an open container of alcohol in a motor vehicle.

Arrest Affidavit Report

Case Report # 2026-00076306

NARRATIVE

On Friday, July 17, 2026 at approximately 0328 hours I conducted a traffic stop in the area of the 2700 Block of 43rd Avenue, Vero Beach, Florida 32960.

I observed a white pick up truck to swerve significantly, from one side of the roadway crossing the line to the other side, also crossing the line. I further observed this white pick up truck to have a light hanging down over the license plate, resulting in an inability to clearly read the license plate. Regarding this, I had to make a guess on the middle character of the license plate, I determined the license to be Florida Registration# CK00YG (Vin# 1GCHK24U06E208364.) Further, a faint blinking light was visible on the right-side tail light. In addition to the traffic infractions, I was concerned the driver may be ill, injured, or impaired.

I conducted a traffic stop on the vehicle with a final stop in the approximate area of 2700 43rd Avenue.

The driver, later identified by name and date of birth as Mr. Perry Lee Hardee, immediately began saying something out of the driver's window and looking around. I approached the passenger side of the vehicle where I immediately observed Mr. Hardee to be exhibiting indicators of criminal activity and possible impairment. Mr. Hardee was reaching around the entirety of the vehicle, routinely attempting to reach under the seat, fumbling with his pockets, his hands were shaking, and he was speaking very quickly.

I requested Mr. Hardee's driver's license, registration, and insurance. Mr. Hardee immediately began stating he couldn't find his wallet and continued to reach under the seat. Out of a serious officer safety concern, I requested another unit. Mr. Hardee never produced a wallet, or his driver's license. Mr. Hardee's movements were inconsistent with a sober, safe, and law abiding driver of those which I have observed during the course of my law enforcement career. Mr. Hardee's reaching under the seat elevated my concern to the point where I was not comfortable leaving him alone with the vehicle. At one point, his left hand was out of sight, necessitating me to place my hand on my service weapon in anticipation he may be beginning to reach for a weapon.

Directly next to Mr. Hardee was a roll of clear baggies which are commonly used in the sale, possession, and consumption of controlled substances. These items were later seen on my body worn camera as well.

Due to Mr. Hardee's extreme nervousness, his reaching around within the vehicle on a secluded area of the road, and his constant shifting within the vehicle; I deceived Mr. Hardee by asking him to keep looking around the interior of his vehicle where I then rounded the tail of his vehicle and ordered him to step out.

Once he was at my patrol vehicle I conducted a brief terry frisk of the area where he was seated within the vehicle looking for any immediately accessible weapons while I conducted my traffic stop.

Mr. Hardee gave conflicting statements around his course of travel, his possession of the vehicle and his location, stating at one point he believed he was on Old Dixie Hwy, which was approximately 40 streets east of our current

location. It is noteworthy during this entire interaction I believed Mr. Hardee to be attempting to conceal or destroy evidence, or reach of a weapon on or about his person. Mr. Hardee was ordered to leave his hands on the hood of my vehicle which he failed to do again.

Deputy Sheriff J. Yerian requested consent to search Mr. Hardee's vehicle, which was granted.

I conducted an FCIC/NCIC query of Mr. Hardee where I observed a wanted person hit. Dispatch advised that Mr. Hardee was showing actively wanted out of Bradford County, Florida. I requested Dispatch send a hit confirmation. While waiting for the HIT confirmation, I then requested consent to search Mr. Hardee based on the above factors, which he granted. Immediately upon searching his left front pocket – the pocket he had been reaching in to, I discovered a small baggie which fell to the ground. This bag was a tied, clear, bag similar to those within the vehicle and similar to those which I have observed during previous arrests for controlled substances.

I observed an off-white, powdery substance within the bag. Mr. Hardee was immediately placed in to handcuffs, searched, and placed in to the rear of my patrol vehicle.

Deputy Yerian advised me he had discovered a credit card bearing Mr. Hardee's full name with a white powdery substance across the surface. This substance appeared to be cocaine or crack cocaine which had been crushed for snorting – a common method for consuming this type of substance, as well as methamphetamine.

Mr. Hardee was informed of his Constitutionally protected rights in the form of a Miranda warning. Mr. Hardee acknowledged his rights.

Mr. Hardee informed me of the following in substance:

At first, he claimed not to know what substance I had recovered. Mr. Hardee then stated he uses methamphetamine and believes that's what the substance is. Mr. Hardee then affirmed the same substance which was on the card, was the substance which I recovered from his pocket. Mr. Hardee then informed me that he received this substance, thinking it was methamphetamine, after completing vehicle repairs for his friend. Mr. Hardee informed me he was on probation.

I conducted a field test of the substance in the bag and that which was on Mr. Hardee's credit card. Both substances yielded a field presumptive positive test for cocaine/crack cocaine.

I confirmed with dispatch via radio that Mr. Hardee was on felony probation through 12/30/2027.

I confirmed through Florida Department of Corrections Offender Search that Mr. Hardee was on probation with a scheduled termination date of 12/30/2027.

NARRATIVE (Continuation)

As Mr. Hardee has now violated a standard condition of probation "Live without violating any law. A conviction in a court of law is not necessary for such a violation of law to constitute a violation of probation, community control, or any other form of court-ordered supervision." I subsequently placed an additional charge of Violation of Probation, Felony offense.

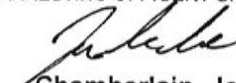

Once at the jail, I weighed the field test positive crack-cocaine. The substance weighed. 0.50grams, in packaging.

My body worn camera was active.

Arrest Affidavit Report

Case Report # 2026-00076682

NARRATIVE

On July 17, 2026, at 18:39 hours, I Deputy D. Coon #6379 conducted a security check of the Indian River Square shopping plaza at 5970 20th St in Indian River County. While driving through the parking lot, I recognized a pedestrian (Christopher Lee Altemus) walking east under the storefront overhang of Dollar Tree department store. I stepped out with Christopher and formally identified him by his Ohio ID card.

Christopher Lee Altemus is a homeless drifter that arrived in Vero Beach months ago from Ohio. He habitually wanders through commercial districts and loiters at/near various retail centers. The Indian River County Sheriff's Office (IRCSO) has had numerous encounters with Christopher, mostly consisting of trespassing occurrences. Recently, Christopher was loitering in the Indian River Square shopping plaza on July 14, 2026 (Case: 2026-00075343). After stepping out with him that night and determining that he had no legitimate purpose for loitering, I issued him a trespass warning based on the current blanket trespass agreement with the property owner.

Indian River Square shopping plaza is owned and managed by Kite Realty Group in Indianapolis, IN. They are listed with the Indian River County Property Appraiser as *KRG Indian River LLC*. The plaza includes several shops and a large parking lot. Kite Realty Group updated their blanket trespass agreement with the IRCSO on 07/01/2025 and pre-authorized 24-hours enforcement (Case # 2025-00070206) with an emphasis on homeless activities.

Based on the violation of the trespass warning, I placed Christopher Lee Altemus under arrest for Trespass After Warning, F.S.S. 810.09 (1)(a)(1).

Arrest Affidavit Report

Case Report # 2026-00076716

NARRATIVE

On July 17, 2026, at 20:55 hours, I Deputy D. Coon #6379 responded to Walmart at 5555 20th St in Indian River County in reference to a Shoplifting call. The complainant, Sara Rene Ingo (AKA "Scottie"), is an Asset Protection Investigator at this Walmart shopping center.

Upon arrival, I met with Scottie in the Loss Prevention office. There, Scottie explained that a minor shoplifting incident occurred earlier today. An adult white female had "stacked" two items through the self-checkout scanner. "Stacking" is a theft technique where a consumer will stack two items together but only scans the universal product code (UPC) for one item. The concept involves concealing one item against the other so that only one item gets scanned. The item in this particular incident was a small package of ham, which only had a retail cost of approximately \$5. Due to the low retail cost amount and the parameters of Walmart's theft policy, Scottie did not confront or attempt to detain the consumer. Instead, Scottie covertly followed the subject out of the store and maintained visual contact. Scottie photographed the subject's vehicle that she drove away, capturing the license plate too. Scottie researched the transaction history for the Walmart Pay account that was used to complete the transaction during this theft. Walmart Pay is a smart phone mobile application that lets customers pay for their items wirelessly at the checkout isle. Consumers add a method of payment (credit/debit card) to the Walmart Pay app, which is used to pay for each transaction at the checkout scanner. Scottie determined that the Walmart Pay app and associated credit card was linked to a "Hallee Dewees". A review of Hallee Dewee's transaction history allowed Scottie to discover three prior occurrences of retail theft at this Walmart. This was done by reviewing the corresponding CCTV footage for each of these three self-checkout transactions. Scottie completed and signed three typed incident statements that document each theft occurrence. Scottie printed a copy of transaction receipts for each incident, and he included an itemized list of items that were stolen on each occasion.

JUNE 19TH, 2026

I, Sara Ingo, Asset Protection for Walmart witnessed on CCTV an unknown female, to which I believe to be Hallee Dewees (obtained through our Walmart Database), Shoplift on June 19th, 2026. Subject entered through General Merchandise doors at approximately 13:08hrs. Upon entry, subject goes to Grocery Doors to obtain a shopping cart. Subject then heads down grocery action alley and then into apparel. Subject makes selection of two pairs of shorts and then heads towards the General merchandise side of the store. Subject then makes selection of a DREO Fan (\$104.00), string lights, and a Thermacell Repellent (\$38.97). Subject later approaches register 7 at approximately 13:32hrs. Subject then uses the hand scanner to ring up her items. Subject never attempts to ring up the DREO Fan or the Thermacell repellent in her shopping cart. Subject then pays for the items she did scan and

There was no attempt to pay for the selected flowers. The total loss for this event equals \$187.88. Walmart wishes to trespass and prosecute Dewees.

Walmart reported the following items stolen:

3 – Hanging Flowers (Lawn & Garden) – \$14.97 each (\$44.91 total)

1 – Thermacell Mosquito Repellent Rechargeable E65X with Fast-Charging Dock and 36-Hour Refill (Sporting Goods) - \$38.97

1 – DREO 8-inch Pedestal Fan, 2D Oscillation, Grey, DWPF24 (Hardware) - \$104.00

Total retail amount - \$187.88

JUNE 28TH, 2026

I, Sara Ingo, Asset Protection for Walmart witnessed on CCTV an unknown female, to which I believe to be Hallee Dewees (obtained through our Walmart Database), commit Self-checkout Fraud on June 28th, 2026. Subject entered through Grocery doors at approximately 14:22hrs. Upon entry, makes selections of her items and approaches Register 29 at 14:38hrs. Subject begins scanning items, however, two items (Jimmy dean pancakes sausages and Baby Puff snacks) did not ring up on the transaction. Additionally, Subject made no attempt to pay for The Luvs diapers (\$18.97) and the Folgers box of coffee (\$15.18), which both remained inside the shopping cart throughout the entire transaction. Subject then completes payment of the items that were scanned and then exits out Grocery doors, bypassing all points of sale. Walmart will only be prosecuting Dewees for the Luvs diapers and the Folgers box of coffee, as there was no attempt or intent to scan these items. The total loss for this event equals \$34.15.

Walmart reported the following items stolen:

1 – Luvs Platinum Protection Baby Diapers, Size 5, 72-Count (Infant Consumable Hardlines) - \$18.97

1 - Folger Columbian Coffee (Grocery Dry Goods) - \$15.18

Total retail amount – \$34.15

2026. Subject entered through General Merchandise doors at approximately 17:33hrs. Upon entry, subject makes selections of her items and approaches Register 6 at 17:46hrs. Subject begins scanning items, however, does not attempt/show intention of ringing up the Bed comforter (\$19.27) onto the transaction. Additionally, subject stacks together two clothing items, only scanning one and then bags both items. Subject then completes payment of the items that were scanned and then exits out General Merchandise doors, bypassing all points of sale. Walmart will only be prosecuting Dewees for Bed Comforter, as the Grey clothing item cost is undetermined at this time. The total loss for this event is \$19.27.

Walmart reported the following item stolen:

1 - Mainstay All-Season Comforter (BEDDING) - \$19.27

Total retail amount - \$19.27

I reviewed the CCTV footage for each corresponding incident, and I concur with Scottie's allegations for each shoplifting occurrence. An electronic Axon evidence link was provided to Scottie, and he uploaded sixteen CCTV videos to evidence.com. Each shoplifting occurrence is captured with the subject entering Walmart, neglecting to scan various items at self-checkout, and passing the last point of sale before departing with unpaid-for items.

Modus Operandi

On each occasion, the subject approaches the self-checkout scanner and begins scanning items from her shopping cart. She scans items one at a time and then places those bagged items in a gray Walmart shopping bag. Instead of leaving the bagged items on the bagging platform, she immediately moves the bagged items back into the shopping cart with unscanned items. Some of the larger unscanned items are too large to fit into a standard Walmart shopping bag. This scanning sequence likely causes confusion to the average onlooker or Walmart employee, who may not be able to easily detect that unbagged items were never scanned. However, Scottie has seen this clever tactic before and was able to readily recognize it during his CCTV review.

Using the Florida license plate number (LE425K) that Scottie captured today, I queried FLHSMV records. The tag is assigned to a blue 2016 Chevrolet Impala, which matches the vehicle in Scottie's photograph. The sole registered owner is Hallee Jean Dewees of 1426 25th Ct SW in Vero Beach. Furthermore, her FLHSMV photo matches the subject in Walmart's CCTV footage. At 22:27 hours on

NARRATIVE (Continuation)

07/17/2026, I conducted an interview with Hallee Jean Dewees at her home. I identified her by her FLHSMV photo, and she confirmed her identity. I read Miranda rights to Hallee. She acknowledged her understanding of her rights and agreed to speak with me. She began to cry hysterically before I could commence the interview. I played the CCTV camera footage of the June 19th incident, and Hallee acknowledged that she did not pay for the DREO 8-inch Pedestal Fan or the Thermacell Mosquito Repellent. I played the CCTV camera footage of the June 28th incident, and Hallee acknowledged that she did not pay for the Luvs Platinum Protection Baby Diapers. I concluded my interview and placed Hallee under arrest.

Based on my investigation, which includes the testimony of Asset Protection Investigator Sara Rene Ingo (AKA "Scottie") and the corresponding CCTV footage, there is probable cause that Hallee Jean Dewees did commit one count of Retail Theft, F.S.S. 812.015 on each of the following dates: 06/19/2026, 06/28/2026, and 07/06/2026. Walmart wishes to press charges against Hallee Jean Dewees for the three total counts of Retail Theft.

Case Report # 2026-00076739

NARRATIVE

On Friday, July 17, 2026, at approximately 2313 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the 1000 block of 20th Avenue SW, Vero Beach, Indian River County, Florida.

Prior to the traffic stop, I observed a red and black moped drive to the BP gas station located at 1999 9th Street SW. The vehicle did not have a tag attached to the moped. After the moped left the gas station, I conducted traffic stop on the vehicle.

During the traffic stop, I made contact with the driver, Mr. Robert Valentine. He identified himself by his name and date of birth. When asked for his license, Mr. Valentine stated that he did not have a license and that his license is suspended due to child support reasons.

I quired Mr. Valentine through FCIC/NCIC and confirmed that he did not have a valid license. He has the following suspensions on his license:

Mr. Valentine was secured in handcuff restraints that were checked for proper fit and double locked. He was then secured in my patrol vehicle.

Mr. Valentine advised that the moped belonged to his neighbor, and provided her address. Using DAVID, I was able to confirm the moped as being registered with Florida tag MYDG06. The tag is expired as of 09/26/2025.

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00076745****NARRATIVE**

On Friday, July 17, 2026, at approximately 2353 hours, I initiated a miscellaneous call after observing a subject riding a modified electric moped.

Upon making contact with a black male, the sole occupant of the motor vehicle, I began inquiring about the modified moped. It was determined that the moped traveled up to speeds of 50 mph. I observed the vehicle to be unregistered therefore I began to inform the subject that the vehicle needed to be registered in order to operate on the road way. The male continuously stated it was not his moped. I then requested his identification and the male stated that he did not have a Florida ID and that he was from Pittsburg, Pennsylvania. I proceeded to ask the male if he had any identification from Pennsylvania to which he stated no that he was from Jamaica and he was just in Florida to work. I asked the subject if he had any form of identification on him to which he stated no.

I then requested the male to give me his name and date of birth, the male responded and stated his name was "Dwaind Rudolph" with a date of birth of February 3, 1978. A query of this name was ran through the Indian River County Sheriff's Office Public Safety Dispatch and was returned with no record found. I then requested the male to spell his name again to which he stated his first name was "Dwinde" with the same last name. I ran the second name the subject gave me through the Indian River County Sheriff's Office Public Safety Dispatch and was returned with no record found.

At this time, I requested the subject to provide me with his finger prints in attempts to identify him through "Rapid ID" the subject continuously refused and began to make phone calls to have someone bring his Jamaican passport to the scene. After several attempts to get the subject to provide his finger print and the subject continuously refusing, Deputy Cox and I instructed the individual to get off the moped, and he refused. Deputy Cox grabbed the subject by his right wrist and informed the subject that he was under arrest. At that time, I grabbed the subject by his left wrist and instructed him again to get off the moped, which he refused again. The subject began to physically tense up and was actively preventing deputies from removing him from the moped. Deputy Cox and I then physically escorted the subject off the moped and on to the ground in attempts to detain him in mechanical hand restraints. While the subject was on the ground he continued to physically tense up and refused to comply with the lawful commands of Deputy Cox and I.

Once the subject was successfully detained in mechanical hand restraints, a search of the subject was conducted by Lt. Clark. While Lt. Clark was searching the subject, another individual arrived on scene with the subjects Jamaican ID. Upon looking at the identification provided to me, it was determined that the subjects name was Herbert Andrew Afflick and not either of the names previously provided. It should be noted that Lt. Clark located a clear plastic baggie of a green leaf substance, known to me through training and experience to be marijuana, in the subjects right front pocket. The baggie weighted a total of 1.59 grams (see Lt. Clark's supplement for further.)

I then ran a query of the name Herbert Andrew Afflick through the Indian River County Sheriff's Office Public Safety Dispatch and it was determined that Afflick has a suspended license out of Massachusetts, however is

Case Report # 2026-00076779

NARRATIVE

On Saturday, July 18, 2026 at approximately 0327 hours, I conducted a traffic enforcement stop of a grey Chevrolet Silverado (FL / R8FJP) near the intersection of US Highway 1 and Highlands Dr SE in Vero Beach, FL.

While traveling North on US Highway 1 near Vista Royale Place, I observed a dark colored truck traveling South on US Highway 1 at a high rate of speed. I visually estimated the trucks speed at 68 miles per hour and activated my installed in-car radar. Using the forward antennae in the opposite direction, I captured the truck at 70 miles per hour in a posted 45 mile per hour zone.

I turned my patrol vehicle around and continued to follow the vehicle. I switched my radar to the same direction using my forward antennae. The vehicle approached Deputy Henry (6339) in his marked patrol vehicle and traveled behind him while maintain a speed of approximately 70 miles per hour.

Deputy Henry turned off West onto Oslo Road and the truck rapidly accelerated, which was evident by his modified exhaust. I captured the vehicles top speed of 103 miles per hour.

I activated my emergency lights and siren and the vehicle yielded in the intersection of Highlands Drive SE and US Highway 1.

I approached the driver's window and ordered the driver, later identified as Mr. Pablo Calderon (Arrestee) to turn his truck off and exit the vehicle. Pablo was immediately placed in handcuffs and secured in my patrol vehicle.

I advised Pablo of his right in accordance with Miranda v. Arizona, which he acknowledged. Pablo stated he had traveled to Gifford to drop off his girlfriend and was headed to Fort Pierce. He attempted to justify his speed based on being late for work.

Pablo was ultimately charged with Dangerous Excessive Speed – 100 MPH or more (ANUOM2E). Pablo was also issued a citation for Driver not belted (ANUOM3E).

Pablo was booked into the Indian River County Jail Complex and held on a total bond of \$150.00.

Case Report # 2026-00076810

NARRATIVE

On Saturday, July 18th, 2026, at approximately 0723 hours, I responded to [REDACTED] in reference to a stolen vehicle investigation. (Statements are paraphrased)

Upon arrival, I spoke to [REDACTED] who was asking to report [REDACTED] vehicle as stolen. I gathered the vehicle was [REDACTED] red 2016 Hyundai Santa Fe, which was confirmed to be registered to [REDACTED] said [REDACTED] suspected that the male who took [REDACTED] vehicle from [REDACTED] was a male by the name of Jeremy Warren and that it could be in Fort Pierce, which is there area he lives. Jeremy is [REDACTED] whom [REDACTED] said on the day prior (7/18/2026), [REDACTED] was in Fort Pierce and that at some point [REDACTED] shared an argument with him. They both returned back to [REDACTED] residence at [REDACTED] somewhere around 0200 and 0300 hours. [REDACTED] fell asleep on [REDACTED] couch then woke up and [REDACTED] realized [REDACTED] vehicle was no longer at the residence. [REDACTED] confirmed that in no way was Jeremy allowed to drive or possess [REDACTED] vehicle. A search in FCIC/NCIC and DAVID (Driver and Vehicle Information Database) showed [REDACTED] as the only registrant. I had [REDACTED] sign a stolen vehicle affidavit on scene.

Running the vehicle in Flock Safety LPRs, it was showing the vehicle hitting in the Fort Pierce/St. Lucie County area between 0620 hours and 0737 hours. The vehicle then began to get picked up on cameras heading back towards the [REDACTED] location. At around 0758, the Hyundai began pulling back towards the residence while deputies were still present. Due to it being reported as stolen, a felony traffic stop was conducted. The driver, who I was able to positively identify was Jeremy Warren, exited the vehicle. He was then taken into custody, where a safety debrief was conducted to ensure there was no weapons or harm/risk to deputies or other individuals in the vehicle. Jeremy said he had a firearm in the center console of the vehicle.

After the vehicle was secured, no other occupants were located in the vehicle. Deputy Harvey asked [REDACTED] for consent to search the vehicle, which [REDACTED] granted. Inside of the center console, Deputy Harvey located a fully loaded black Sig Sauer P320.

In a post Miranda interview, Jeremy admitted to taking the Hyundai around 0700 hours and that he told [REDACTED] he was taking it. He said he told [REDACTED] he was going to Cumberland Farms to purchase medicine. I asked him if he had any proof that he was given permission and he said he did not. It is important to note that the vehicle began hitting on Flock Cameras at 0601 hours. it is also important to recall the vehicle was tracked via Flock in Fort Pierce; however, Jeremy at first said he took the vehicle to Fort pierce then began to deny going to Fort Pierce.

I re-approached [REDACTED] who again denied he was ever given permission to take [REDACTED] vehicle and showed me [REDACTED] call log of [REDACTED] calling Jeremy several times at around 0710 hours.

I asked IRCISO PSD to run a criminal history check on Jeremy, which came back with five felony convictions. The first was Burglary of an Unoccupied Structure Unarmed out of St. Lucie County with an

Case Report # 2026-00076879

NARRATIVE

On July 18, 2026 at approximately 1220 hours, I responded to [REDACTED] in reference to a disturbance.

Upon my arrival, I met with [REDACTED] who stated the following in summary: Josny and [REDACTED] had a fight just prior to [REDACTED]. They were both yelling at each other. [REDACTED] admits [REDACTED] got up close to him when he grabbed and choked [REDACTED] with both hands tight around [REDACTED] throat. [REDACTED] arm and neck hurt but feels ok at the current moment.

I observed discoloration on [REDACTED] neck, along with redness and bruising on [REDACTED] right forearm.

I called for EMS to the scene for medical evaluation. [REDACTED] denied EMS transport to the hospital.

I then interviewed Josny Frenel, who stated the following in summary:

Josny started yelling at [REDACTED] over the conditions of the house. He was cursing [REDACTED] that the house is disgusting and he's the only one taking care of the kids. [REDACTED] kept coming up to him; he was trying to get away, and slapped him. He then grabbed [REDACTED] to get [REDACTED] off of him, pushed [REDACTED] off and that was all that happened. He is not injured.

Josny told me there is video footage of the event and showed me. I observed the following on the system home tablet: [REDACTED] was walking up to Josny; the two of them were yelling. [REDACTED] kept getting up close to him, and he kept pushing [REDACTED] off. It appears [REDACTED] attempts to hit/slap Josny in the head (NOTE: it is unknown if physical contact was made on the video). Josny deflected the hit, grabbed [REDACTED] by the throat, and slammed [REDACTED] head down on the kitchen table. He held both hands around [REDACTED] throat for approximately 4 seconds before he let go. The two of them continued yelling at each other.

Based on my investigation, video footage, and statements, probable cause exists to charge Josny with Battery - Domestic Violence w/ Strangulation.

Arrest Affidavit Report

Case Report # 2026-00076879

NARRATIVE

On July 18, 2026 at aproximately 1220 hours, I responded to [REDACTED] in reference to a disturbance.

Upon my arrival, I met with [REDACTED] who stated the following in summary:
Josny and [REDACTED] had a fight just prior to [REDACTED]. They were both yelling at each other. [REDACTED] admits [REDACTED] got up close to him when he grabbed and choked [REDACTED] with both hands tight around [REDACTED] throat. While this was happening, [REDACTED] could not breathe normally and was gasping and struggling. [REDACTED] arm and neck hurt but feels ok at the current moment.

I observed discoloration on [REDACTED] neck, along with redness and bruising on [REDACTED] right forearm.

I called for EMS to the scene for medical evaliation. [REDACTED] denied EMS transport to the hospital.

I then interviewed Josny Frenel who stated the following in summary:

Josny started yelling at [REDACTED] over the conditions of the house. He was cursing at [REDACTED] that the house is disgusting and he's the only one taking care of the kids. [REDACTED] kept coming up to him; he was trying to get away, and [REDACTED] slapped him. He then grabbed [REDACTED] to get [REDACTED] off of him, pushed [REDACTED] off and that was all that happened. He is not injured.

Josny told me there is video footage of the event and showed me. I observed the following on the system home tablet:

[REDACTED] was walking up to Josny; the two of them were yelling. [REDACTED] kept getting up close to him, and he kept pushing [REDACTED] off. It appears [REDACTED] attempts to hit/slap Josny in the head (NOTE: it is unknown if physical contact was made on the video). Josny deflected the hit, grabbed [REDACTED] by the throat, and slammed [REDACTED] head down on the kitchen table. He held both hands around [REDACTED] throat for aproximately 4 seconds before he let go. The two of them continued yelling at each other.

Based on my investigation, video footage, and statements, probable cause exists to charge Josny with Battery - Domestic Violence w/ Strangulation, since he grabbed [REDACTED] throat and squeezed hard, impeding [REDACTED] ability to breathe normally and causing [REDACTED] to gasp for air.

The preceding is true to the best of my knowledge or belief

MARSY'S LAW?**ORIGINAL****AGENCY CASE #: 26-1257****REPORT DATE: 07/18/2026 TYPE: ARREST AFFIDAVIT**

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/18/2026** , at **21:19** (Specifically Include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On July 18, 2026, at approximately 1828 hours, I was in the area of U.S. Highway 1 and Main Street, Sebastian, Florida 32958. I heard the Indian River County Sheriff's Department Dispatch Center advise via their radio channel that they received a FLOCK alert for a white Chevy Malibu bearing Florida registration plate FEKE68 at the intersection of U.S. Highway 1 and Jackson Street, southbound. They advised the registered owner had several warrants for his arrest.

Officer Smith and I both began to canvass the area for the vehicle. During the canvass, Officer Smith observed a vehicle matching the description turn off of U.S. Highway 1 and onto Main Street, westbound. Officer Smith and I began to attempt to catch up to the vehicle. While attempting to get behind the vehicle, I ran the Florida registration plate provided by the Indian River County Sheriff's Department through the Sebastian Police Department's Dispatch Center. The Sebastian Police Department's Dispatch Center advised they male registered owner's Florida-issued driver's license was suspended and there was a size tag order on the vehicle's registration plate. The dispatch center also advised the male registered owner, Henry Allyn Haigh IV, had two active warrants for his arrest. The dispatch center advised the first active warrant was for failure to appear for petty theft issued by Collier County Sheriff's Department (Warrant number #25MM001682A) and the second was for failure to register as a sexual offender issued by Lee County Sheriff's Department (Warrant number #2026065021).

Officer Smith was able to catch the vehicle as it turned off of Main Street onto Fleming Street. Officer Smith was able to confirm the registration plate was FEKE68. As we approached the intersection of Fleming Street and Lake Drive, Officer Smith activated his emergency lights and siren, conducting a traffic stop on the vehicle. Upon attempting to conduct a traffic stop on the vehicle, it made a left-hand turn onto Lake Drive and began to slow roll, not stopping. The vehicle then made a right-hand turn onto Saunders Street. The vehicle then began to slow roll again but then applied its brakes and stopped.

Once the vehicle made a complete stop, Officer Smith gave the driver commands to place his hands outside the vehicle's open driver's side window. The male placed one of his hands out the window but then returned it into the vehicle. Officer Smith again advised the male to place both of his hands outside the vehicle. The male again only placed one hand out the window. Officer Smith told the male to place his other hand outside the window. The male told Officer Smith he was trying to make a phone call.

Officer Smith approached the driver's side of the vehicle as I approached the passenger side. As I approached, I observed the driver to be a white male, and he was the sole occupant of the vehicle. Officer Smith was able to identify the driver to be the registered owner, Henry Allyn Haigh IV, of the vehicle by the male's Florida-issued driver's license photograph.

I then heard Officer Smith advise Henry to exit the vehicle, but Henry told Officer Smith he was trying to make a phone call. Officer Smith again advised Henry to exit the vehicle, but Henry again ignored Officer Smith's lawful command to exit the vehicle and stated he knew what was happening and he was making a phone call. At this time, I moved over to the driver's side of the vehicle where Officer Smith was. Officer Smith gave Henry several more verbal commands to exit the vehicle, but Henry still would not comply. Officer Smith then had to reach into the open window into the inside of the vehicle and unlock the door. Upon unlocking and opening the driver's side door, Officer Smith again commanded Henry to exit the vehicle. Henry still refused. At this time, Officer Smith took physical control of one of Henry's arms, and I took physical control of the other. Officer Smith again verbally commanded Henry to exit the vehicle. At this time, Henry complied and exited the vehicle. Once out of the vehicle and both Officer Smith and I still having physical control of Henry's arms, we attempted to place Henry's hands behind his back. Henry resisted and attempted to pull his arms away from me. Officer Smith and I placed Henry against his vehicle and placed him into mechanical hand restraints.

Once Henry was detained, the Sebastian Police Department sent for confirmation of the warrants.

Officer Smith and I began to walk Henry to my patrol vehicle. As we walked with Henry, I observed him to be very unsteady on his feet, needing an officer to catch him several times to prevent him from falling. I also observed a strong odor of alcoholic beverages emitting from Henry's breath as he spoke. I observed Henry's eyes to be extremely watery. While walking to my patrol vehicle, Henry asked why he was stopped. Henry was advised he had several active warrants and his driver's license was suspended. Henry stated this was all a mistake and this matter was already dealt with in Michigan. When asked what he meant by that, Henry stated he had this license fixed in Michigan.

During a search of Henry's person prior to placing him in the rear of my patrol vehicle, I located a wallet in his rear right pocket. Inside the wallet was Henry's Michigan-issued driver's license. I observed the corner to be cut on the driver's license. After running Henry's Michigan driver's license through the dispatch center, it was discovered to be canceled.

Once Henry was in the rear of my patrol vehicle, I read him his Miranda warning. Henry stated he understood his rights. I asked Henry why his license was suspended; Henry stated it was because he was unable to pay for his insurance. Henry stated he did not have his physical Florida-issued driver's license due to losing it. When asked again about his driver's license issued by Michigan, Henry stated it was also invalid. When asked about his warrants, Henry stated he was released from being a sexual offender in 2021.

MARSY'S LAW?

AGENCY CASE #: 26-1260

REPORT DATE: 07/18/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/18/2026** at **19:26** (Specifically include facts constituting cause for arrest.)

On July 18th, 2026, at approximately 1907 hours, I observed a 2012 gray Chevrolet Equinox bearing Florida tag CF750W traveling south on Indian River Drive from Sebastian Boulevard. Upon conducting a query of the vehicle's tag via law enforcement database ELVIS, I learned the vehicle's registration to be expired as of March 29th, 2026. Due to this, I conducted a traffic stop on the vehicle in the 400 block of Indian River Drive. While I was walking up to the vehicle, I observed the male passenger to watch me as I walked up to the vehicle while moving around.

Contact was made with the driver, identified by her Florida driver's license as Katie Scott and the front seat passenger, identified by name and date of birth as Antwan James. Also in the backseat of the vehicle was Katie's 11-year-old daughter, Maleeya Verdi. I advised Katie the reason for the stop to which she stated she knew her registration to be expired. I requested Katie's documents for the vehicle at this time. While Katie began searching for these documents, I observed an unused Naloxone (Narcan) package in the glove box. When asked about it, she stated she keeps it incase she see's someone in the street who needs it. Katie was able to provide me with her registration however not her insurance. During this initial interaction with Katie, I asked for her consent to search the vehicle which she granted.

Upon completing a written warning and returning Katie's documents back, I began the search of the vehicle. It should be noted, prior to beginning the search, Katie offered to show me how to open the trunk of the vehicle so it can be searched.

During the search of the vehicle, I located a small amount of a crystal-like substance on the driver side floor board, which is where Katie was seated. The substance was identified as possibly being crystal methamphetamine. An agency issued field test kit for methamphetamine was utilized for the substance. The crystal-like substance ultimately tested positive for the presence of methamphetamine. Maleeya was separated from her mother and Katie was subsequently placed in mechanical restraints at this time along with Antwan. No other contraband was located in the vehicle during the search.

Katie was advised of her Miranda Rights at this time which she understood. Post Miranda, Katie stated she gave a ride to a friend a few days ago who uses drugs. According to Katie, this friend left a cigarette pack in the vehicle which contained drugs and she later confronted him about. However, as previously mentioned, the suspect crystal methamphetamine was located on the driver side floorboard. It was also not located next to any cigarette pack nor inside one. When I told Katie this, she stated she usually drives with her windows down. That is still not consistent with how the suspect crystal methamphetamine could have ended up on the driver seat floorboard in front of where Katie was seated.

Based on the totality of circumstances and the facts mentioned above, I found probable cause to place Katie under arrest for violation of FSS 893.13(6A) POSSESSION OF CONTROLLED SUBSTANCE.

Katie was transported to the Indian River County Jail without incident.

REPORT DATE: 07/18/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/18/2026** at **23:18** (Specifically include facts constituting cause for arrest.)

On 07/18/2026 at 2318 hours, I responded to [REDACTED] on a disturbance call. VBPd dispatch advised they heard a lot of screaming in the background and that a woman was on the floor. Upon arrival I observed several people in the parking area of a town home complex yelling and screaming at each other. A [REDACTED] came running towards officers yelling that [REDACTED] hit [REDACTED]. I also observed an adult black female later identified as Alasyia Jamea Coney (07/14/89) in only her bra and underwear yelling that she was going to get [REDACTED].

An adult black male later identified as: Darren Coney (04-29-85) was trying to control Coney and to get her to go inside their house, but she continued to pursue contact with [REDACTED]. Coney was yelling hysterically about fighting [REDACTED] and would not listen to officers or Darren Cone. I attempted multiple times to de-escalate Coney and obtain what caused the issue. Coney was very loudly yelling repeatedly that she would not have disrespect, that [REDACTED] won't run on her, and that she was going to "tear that ass up".

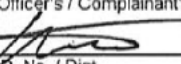

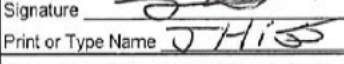

[REDACTED] told officers on scene that issue started after [REDACTED] heard [REDACTED] who is seven months old crying, and that [REDACTED] tried telling [REDACTED] (Coney) about it by banging on her bedroom door. [REDACTED] advised [REDACTED] did not answer door [REDACTED] continued to bang on the door when Coney came out and attacked [REDACTED]. [REDACTED] stated Coney chased [REDACTED] around the kitchen and tackled [REDACTED]. [REDACTED] advised [REDACTED] called [REDACTED] on her cell phone and was told to [REDACTED]. It should be noted that [REDACTED] advised officers that Coney did punch [REDACTED] outside the house, near the driveway. Coney told officers she was fighting with [REDACTED] but that they did not hit each other. [REDACTED] later identified as [REDACTED] was on scene and advised that she witnessed Coney punch [REDACTED] outside the residence. While speaking with Coney I did not observe any marks, cuts, or bruises on her person. Officers speaking with [REDACTED] advised they did not see any marks, cuts, or bruises on [REDACTED] person.

It should be noted that [REDACTED] refused all paperwork associated with the domestic violence packet and no longer wished to provide any further information to law enforcement.

Due to Coney's continued erratic behavior, hysterical screaming including that she was going to discipline [REDACTED] once law enforcement leaves, and the victim and witness verbal statements I placed Coney under arrest for domestic battery FSS 784.03. Coney was transported to Indian River County Jail. All forms and booking procedures were completed.

Arrest Affidavit Report**Case Report # 2026-00077052****NARRATIVE**

Beginning on July 18th 2026 and continuing into the early morning hours of July 19th I responded to 6226 5th St Vero Beach in reference to a noise disturbance.

The initial call for service (CFS# 2026-00077025) was placed at 7/18 at 2223 Hours. A neighbor reported there was loud disruptive music coming from 6226 5th St. When I arrived, I could immediately hear loud music coming from the residence while still standing in the roadway. I observed a male standing in the garage of 6226 5th St. In the garage there was a big screen television playing music videos. I made contact with the man and identified him as Donald Clark. I informed Clark his music was causing a disturbance, and affecting the peace and quiet of persons in the area. Clark was also informed of the County Noise Ordinance and how it takes effect at 2200 Hours. Clark seemed apologetic at the time of this initial interaction and stated he would turn the music off.

At 2300 Hours a second call for service (CFS# 2026-00077031) was placed regarding the same home. The caller stated there was loud music coming from the residence again and also stated this had been an ongoing issue. When I responded to the area, I parked my patrol vehicle near the intersection of 63rd Ave and 5th St approximately 475 Feet from the residence in question. From the intersection I could again hear loud music. As I approached the residence, I again observed Clark standing in his garage playing loud music videos through his television. I again made contact with Clark and informed him if he would continue to ignore verbal warnings to stop, we would take enforcement action against him. Clark again stated he understood and turned off the music.

On July 19th at 0008 Hours a third call for service (CFS# 2026-00077052) was placed involving Clark playing loud music. When I arrived, I again parked my vehicle 475 Feet from his residence and again could hear the loud music from the road. Clark was again observed standing in his driveway while a music video played from the television mounted in his garage.

Due to Clark continuing to disrupt the peace and quiet of the persons in the area, despite multiple directives to stop, probable cause exists to charge him under the following:

F.S.S 877.03 Breach of Peace; disorderly conduct

Case Report # 2026-00077065

NARRATIVE

On Sunday, July 19, 2026, at approximately 0132 hours, I, Deputy M. Neill #6317 conducted a traffic stop near 11th Street and Commerce Ave, Vero Beach, Indian River County, Florida.

Prior to the traffic stop, I was sitting near the intersection of 12th Street and Old Dixie Highway. While sitting at the intersection, I observed a silver Ford Ranger traveling northbound behind me. I could see through my mirror that the vehicle did not have any headlights on.

After turning around, I got behind the vehicle as it was turning on to Commerce Avenue. Once I got closer, I observed that the vehicle also did not have a tag attached to the vehicle. I activated my blue emergency lights and conducted a traffic stop.

Upon speaking to the driver, I explained the reason for the stop. The driver, later identified as Ms. Kathryn Morgan, presented her Florida ID card. I asked if Ms. Morgan had a drivers license, and she stated no. I asked her if the vehicle was registered. She stated that it was, she just did not have the tag for the vehicle at the moment. I then asked if she had insurance on the vehicle. She stated that she did not.

Upon running Ms. Morgan in FCIC/NCIC, I found that she had the following suspensions:

Ms. Morgan was labeled a Habitual Traffic Offender as of 10/07/2021 for a period of five years (60 months). Ms. Morgan is still within that five year mark as of todays date.

Ms. Morgan was asked to step out of the vehicle. Once out of the vehicle, she was placed under arrest.

Ms. Morgan was transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2026-00077070

NARRATIVE

On Sunday, July 19, 2026 at approximately 0239 hours, I responded to the intersection of 10th Avenue and 4th Street in Vero Beach in reference to a traffic enforcement stop.

Deputy D. Robinson (4458) stopped a white Harley Davidson motorcycle after it passed his patrol vehicle crossing over the double yellow lines into the oncoming lanes of traffic. While speaking with the driver, Deputy Robinson stated the driver disclosed he had a firearm in his pocket and that he had consumed alcohol while at Dom's Bar. Deputy Robinson requested routine back-up.

Upon my arrival, the driver, identified as Mr. Dusty Klock (Arrestee) by his Florida Driver's license was seated upon the bike. I removed the weapon from his coat pocket and safely secured it in my patrol vehicle. During a pat down of Dusty, he was also carrying a pocket knife in his front left pocket, and a pair of metallic knuckles in his back right pocket.

While standing in close proximity to Dusty, I could smell the distinct odor of an alcoholic beverage emitting from his breath. Deputy Robinson conducted a modified version of Horizontal Gaze Nystagmus (HGN). While standing behind him, I could see Dusty's eye vividly bounce from side to side.

I explained my concern for his ability to operate a motor vehicle and requested that he complete Standard Field Sobriety Exercises (SFSE's), which he agreed. I began by questioning Dusty about his medical history. Dusty stated he is diagnosed with [REDACTED]

[REDACTED] Dusty denied any other medical conditions and stated he did not take any other prescriptions. Dusty also denied consuming any illegal narcotics and claimed he only had 1 single Jack and Coke beverage.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the exercise to Dusty who stated he understood the instructions. Dusty's pupils were of approximate equal size (Dilated) and tracked simultaneously. I observed the following validated clues of impairment: Lack of smooth pursuit, Distinct and sustained nystagmus at maximum deviation, and angle of onset prior to 45 degrees (40 degrees). During this exercise, Dusty had a visible sway and had to be reminded to follow the stimulus with his eyes.

The second exercise I administered was the Walk and Turn (WAT) exercise. I instructed Dusty into the starting position; I then explained and demonstrated the exercise to Dusty who stated he understood the instructions. During the instruction phase: I did not observe any clues of impairment. During the walking phase, I observed the following validated clues of impairment: Used arms for balance, missed heel to toe, incorrect number of steps, stepped offline and improper turn. Dusty took 29 steps before he stated "I lost

count!" I asked Dusty if he remembered and understood the instructions I provided. He stated he did and confirmed "nine steps." Dusty then began the return walk and again took 35 steps before I instructed him to stop. Dusty did not count loud as instructed. Dusty DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I instructed Dusty into the starting position; I then explained and demonstrated the exercise to Dusty who stated he understood the instructions. Dusty elected to remove his shoes before attempting this exercise. During this exercise, I observed the following validated clues of impairment: Put foot down, used arms for balance and hopped. Dusty failed to count aloud as instructed. Dusty DID NOT complete this exercise to standard.

The fourth exercise I administered was the Modified Romberg Balance exercise. I instructed Dusty into the starting position; I then explained and demonstrated the exercise to Dusty who stated he understood the instructions. Dusty counted to "30 seconds" in the real time of 27 seconds, which was within the allotted +/- 5 seconds allotted variance. During this exercise, Dusty had a visible orbital sway. When I asked Dusty how long he counted for he stated: "thirty, thirty seconds?" I then asked if he remembered what I told him to count to he stated thirty seconds.

The fifth exercise I administered was the Finger to Nose (FTN) exercise. I instructed Dusty into the starting position; I then explained and demonstrated the exercise to Dusty who stated he understood the instructions. I vividly explained the difference between the tip, pad and sides of his finger and the tip of his nose. I observed the following attempts:

- L1 – Tip – Tip of Nose
- R2 – Pad – Tip of Nose
- L3 – Tip - Tip of Nose
- R4 – Pad - Tip of Nose
- R5 – Pad - Tip of Nose
- L6 – Tip - Tip of Nose

Based on the statements of driving behaviors, observed indicators of impairment, and statements, Dusty was placed under arrest for Driving under the influence (DUI).

During a probable cause search of Dusty's Wallet, Deputy A. Henry (6339) located a folded \$1 dollar bill that contained a white powdery substance. This substance was field tested using liquid Cobalt Thiocyanate. The cobalt was applied to a sterile cotton tipped applicator and touched to the white powder. The result was a positive reaction resulting a positive blue color on the tip of the applicator and dollar bill.

Dusty was transported to the Indian River County Jail Complex. Upon arrival and after a twenty-minute

observation period, Dusty was asked to provide a sample of his breath to determine its alcoholic content. Dusty provided the following samples of his breath: 0.048 g/210L and 0.039 g/210L. Due to a level of observed impairment inconsistent with the provided breath samples, I requested a Urine sample from Dusty to determine the presence of chemical or controlled substances. Dusty agreed and was provided a sterile cup from a sealed Urine specimen kit (Lot# 100585). Dusty verified the bottle was empty and did not contain anything inside. Dusty was unable to initially provide a sample and was advised of implied consent. After drinking water, Dusty provided an adequate sample which was collected and sealed.

Dusty was ultimately charged with Possession of Cocaine (ANUOM7E), Driving under the influence (ANUOM6E), and Possession of drug paraphernalia. Dusty was also issued the following citation: Improper passing (ANUOM8E).

Dusty was booked into the Indian River County Jail complex and held on a NO BOND status.

REPORT DATE: 07/19/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 07/19/2026, at 04:36 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 7/19/2026 at approximately 0115 hours, I was driving East on Main Street near Bob Circle within the City Limits of Sebastian Florida when I observed a gray Kia Sedan (Later found to have Florida Tag 14TGTK) traveling West at a high rate of speed. I visually estimated the vehicle's speed at 55 mph in a posted 30 mph residential zone. I activated my vehicle's front radar antenna in opposite direction moving mode, which provided a target speed of 53 mph for that vehicle. My patrol speed was consistent with my vehicle's speedometer and this was the only vehicle traveling West on the residential roadway.

I conducted a U-Turn and began trying to catch up to the vehicle. As I was accelerating catching up to the vehicle, I observed the vehicle to still be speeding, and accelerating, within the 100 Block of Main Street. I then observed the vehicle turn South onto Fleming Street at a visually estimated speed of 45-50 mph. After making the turn, I regained visual of the taillights of the vehicle, which was still the only vehicle on the roadway. I began trying to accelerate to catch up to the vehicle, reaching speeds of 84 mph and was still unable to gain distance on the vehicle. I have been speed measurement certified for approximately four years and estimated the vehicle's speed to be approximately 100mph at this point. Due to having knowledge of the city, I observed the vehicle approaching the intersection of Fleming Street and Lake Drive with it having a known four way stop sign. I did not observe the vehicle make any attempt to stop at the intersection. At this point, it was evident the vehicle was traveling with a willful wanton disregard for the safety of person or property. I then activated my emergency lights and siren on my marked patrol vehicle and continued trying to catch up to the Kia. After activating my lights and siren, and only after activating my emergency lights, I observed the vehicle's taillights to illuminate, indicating knowledge of Police Presence. I observed the vehicle continue to drive South on Fleming Street approaching Vodelle Avenue, another two-way stop intersection indicated by a stop sign. I observed the vehicle make no attempt to stop at the intersection and continue South on Fleming Street approaching Sebastian Boulevard. I briefly lost visual of the vehicle after it made the turn and I approached the intersection, which had stopped vehicle's due to a solid red light at the intersection. I regained visual of the Kia's taillights, still traveling South on Fleming Street. I cleared the intersection and continued south. I then observed the vehicle to be crashed and abandoned with the driver door open facing East at the wood line near Wave Street. I immediately heard branches breaking in the immediate wooded area next to the vehicle. I relayed the information that at least one occupant fled from the vehicle, which was just fleeing from law enforcement.

A perimeter was set up in the area along with a drone and a Police K9, which led to the apprehension of two subjects in the woods. One was the registered owner, Ghia Lynn Chambers, and the other was her friend, Chase Claunch. Both subjects were located in the woods with several scratches on their arms, legs, and feet, consistent with running into the woods with the intention of fleeing from law enforcement.

Chambers was read her Miranda Warning by Officer Hatton which she stated she understood her rights. Chambers waived her right to an attorney and provided a statement to me. Chambers initially disclosed to Officer Hatton she was driving the aforementioned vehicle during the incident. I then asked her why. Chambers stated "I saw the cop and I got scared". Chambers further was asked again why she was running from Police to which she stated "I know that my license, I am pretty sure my license is suspended." Chambers was asked if there was drugs inside the vehicle which she responded stating "There is some weed in there. There is about 3.5 grams." Chambers later clarified the marijuana inside the vehicle was hers. Chambers stated she thought she was automatically going to jail because her license was suspended. Chambers then stated "I also don't have insurance on my car." Chambers also admitted to going "A little too fast" when she first saw my patrol vehicle and cited her not knowing the speed limit due to her not being from here. Chambers stated she did smoke marijuana just prior to getting inside the vehicle.

According to ELVIS and DAVID databases, there was no insurance on file for Chambers' vehicle, further affirming the fact she was operating uninsured. Chambers driver license was found to have three suspensions.

As I was standing several feet away from Chambers' vehicle, there was a strong odor of both burnt and fresh marijuana. Neither Chambers nor Claunch have a valid medical marijuana card, which was verified through Sebastian Dispatch. A search of the vehicle yielded in numerous burnt marijuana "Joints" located in the tray under the radio near the center console area of the vehicle. There were 8 bags in the center console which contained small amounts of marijuana. The bags were labeled with designs and logos as containing the specific strand and flavor of the marijuana it contained. The total amount of marijuana was significantly less than 20 grams. The marijuana was tested using a preliminary field test kit which can distinguish between low and high THC. The marijuana field tested positive for the presence of high THC.

Chambers was arrested and charged with the following crimes:
 F.S. 316.1935 (3)(a) Aggravated Fleeing and Eluding
 F.S. 316.192 (1)(a) Reckless Driving
 F.S. 322.34 (2)(a) Driving While License Suspended with Knowledge
 F.S. 893.13 (6)(b) Possession of Marijuana Under 20 Grams

Chambers was transported to the IRC Jail without incident.

Case Report # 2026-00077231

NARRATIVE

On Sunday, July 19, 2026, at approximately 1829 hours, I performed a traffic stop on a silver, Nissan Altima in the 10300 block of US Highway 1 in Sebastian, Florida.

I was traveling southbound on US Highway 1 when I observed a silver, Nissan Altima bearing FL temporary tag EBQ8288, driving northbound at a high rate of speed. I visually estimated the vehicle to be traveling at 70 mph in a 50 mph posted zone. I activated my vehicle-mounted Stalker DSR 2X radar's front antenna, which indicated the vehicle was moving at 71 mph. This was corroborated with a corresponding audio doppler tone. I then affected a traffic stop on the vehicle in the 10300 block of US Highway 1.

The driver, identified by his FL ID card as Jeremy Jerome Killings DOB 03/08/1988, was accompanied in the front passenger seat by his eight-year-old son, Jacob Killings. It should be noted that neither the driver nor the juvenile passenger were wearing seatbelts. I asked why Killings was driving so fast in these wet conditions. He stated he was taking his son to his son's mother's house in Palm Bay. When I asked for Killings' driver's license, registration, and insurance, he handed me his FL ID card. I asked why Killings was driving a vehicle without a valid driver's license, to which he stated, "I had to get my son to his mom's".

I queried Jeremy Killings' information through Indian River County Public Safety Dispatch and the FL Driver and Vehicle Information Database (DAVID). I discovered Killings had a license that had been most recently suspended since 05/27/2025. He was found to have eight active suspensions out of Indian River County and the State of FL for delinquent child support, failure to pay CT financial obligation, failure to pay traffic fine/penalty, and criminal failure to pay. Additionally, court records indicated Killings had been charged and adjudicated guilty for Operating a Motor Vehicle while DL Suspended/Cancelled/Revoked in five previous cases, all in Indian River County, listed below:

Based on my investigation and the aforementioned information, Jeremy Jerome Killings was placed under arrest and transported to the Indian River County Jail where he was charged with the following:

1 Count- Knowingly DWLSR (3rd or Subsequent Conviction), F.S.S. 322.34(2)(C), UTC# ANHBRFE - Felony, No bond.
