Arrest Affidavit Report

Case Report # 2026-00095037

NARRATIVE

On September 4, 2026, at approximately 0034 hours, I conducted a traffic stop at the 1000 block of 19th Avenue SW.

I was parked in a stationary position facing East on Oslo Road with my vehicles radar device active. As the vehicle approached my stationary position, I estimated the speed to be well over the posted 45 miles per hour speed limit. I observed my vehicle's radar locked the vehicle at 63 miles per hour in a 45 miles per hour zone. I caught up to the vehicle and conducted a traffic stop at the 1000 block of 19th Avenue SW.

As I approached the vehicle, I noticed it was occupied with three individuals including the driver. I noticed none of the occupants were wearing their seatbelts. I then introduced myself, explained the reason for the traffic stop, and asked for the driver later identified as Jermaine Durrell Ellis's credentials. Ellis stated he did not have his license on him because they were just out getting food. When asked for any documentation, Ellis could not provide any as there was none in the vehicle. the back seat passenger quickly interjected and stated "oh the registration is at the house remember" as Ellis agreed.

Due to the driver not having any form of documentation, I asked if he was the registered owner of the vehicle, he stated yes. I ran a query and asked Dispatch to also run a query of the attached Florida license plate 54YEF49. The tag returned "no tag assigned", dispatch also stated the tag is not assigned to a vehicle.

I made contact with Ellis once again, I asked him why the vehicles tag was not assigned to a vehicle. Ellis did not reply but the passenger later identified as Whitney D. Allen, stated they were in a car accident and just recently purchased this vehicle but have not had the chance to register it. Upon running a Query through Dispatch of all occupants, Ellis did not have a driver's license in the state of Florida and was never issued one. Ellis did have a license in the state of New Jersey, but it was not valid. I removed Ellis from the vehicle, asked him if he had a valid Florida driver's license, he stated no. I then asked if he had a license in New Jersey, he stated yes but it expired. When asked about the tag, he stated it was the tag on the previous vehicle he owned. Ellis was informed he also did not have insurance on the vehicle which he nodded he knew.

I then informed Ellis he is in violation of the following:

1. F.S.S. 322.03(1) No valid drivers license never issued - Citation# ANHB6FE.
2. F.S.S. 320.02(1) operating without motor vehicle registration – Citation# ANHB6GE.
3. F.S.S. 324.221(2) failure of owner/operator to maintain required insurance – Citation# ANHB6HE.
4. F.S.S. 320.261 attaching unassigned tag/registration decal – Citation# ANHB6IE.

Arrest Affidavit Report

Case Report # 2026-00095046

NARRATIVE

On 9/4/2026 at approximately 0208 hours, I was driving West on South Carolina Ave in Fellsmere, when I observed a Black Hyundai Vennue bearing Florida Tag# 32DPFZ in front of me travelling West. I observed the vehicle cross left of center contrary to F.S.S. 316.081. As the vehicle approached the intersection of 138th Avenue, the vehicle crossed left of center again, and stopped at the stop sign in the Eastbound lane. It should be noted there was no visible hazards in the roadway the vehicle needed to avoid. I initiated a traffic stop on the vehicle after it completed a Northbound turn in the area of 138th Avenue and South Carolina Avenue.

I made contact with the driver and asked if he was lost. He stated he wasn't, and just left his cousin's house from Fellsmere. I asked him for his driver's license, and he initially handed me an international ID card. The driver was eventually able to provide me with his Florida driver's license, and was identified as Wesley Tummings. While speaking with Wesley, I could smell a strong odor associated with the consumption of alcoholic beverages emitting from his person.

As I interacted with Wesley, I observed several physical signs of impairment: Wesley's speech was slurred while speaking with me. He had watery eyes. He displayed poor fine motor control of his hands when he was unable to retrieve his license on my first request fumbling through his wallet.

I became concerned Wesley was impaired beyond his normal faculties by alcoholic beverages or chemical or controlled substances.

To dispel my concerns, I asked Wesley if he would participate in a series of standardized field sobriety exercises, to which he agreed. I asked Wesley if he had any medical issues, and he said no. When Wesley exited his vehicle, he used the steering wheel and the side of his vehicle to pull himself out of the seat.

All field sobriety exercises were explained and demonstrated proficiently prior to him beginning each exercise and I confirmed Wesley understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed at an estimated 30-degree angle. Vertical Gaze Nystagmus was not observed. It should be noted during the duration of the exercise I had to tell Wesley numerous times to keep his head still.

NARRATIVE (Continuation)

- 2.) WALK AND TURN - A straight line on the roadway was used for the exercise. While performing the exercise, Wesley was unable to maintain balance during the instruction phase. During the exercise, Wesley stepped off the line, used his arms to balance, was unable to take heel to toe steps while walking, and took the wrong number of steps during the exercise.
- 3.) ONE LEG STAND - While performing the exercise, Wesley used his arms for balance raising them for the duration of the test, swayed side to side during the duration of the test, and put his raised foot down more than three times.

Overall, Wesley performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on 9/4/2026, Wesley was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

Wesley was arrested for DUI at 0232 hours and was advised of the charge. I took Wesley into custody without incident and transported him to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff Solomon advised me that Wesley agreed to provide a breath sample. At the conclusion of the test, the breath sample showed Wesley had a breath alcohol concentration (BrAC) of 0.149 grams per 210 liters of breath and 0.151 grams per 210 liters of breath.

Based upon my investigation, I charged Wesley with the following:

F.S.S. 316.193(4) DUI WITH B.A.C. OF 0.15 OR HIGHER BOND- \$1,000.00

Case Report # 2026-00095235

NARRATIVE

On Friday September 4th, 2026 at approximately 1442 hours, I responded to The BP gas station at 2000 9th Street SW in reference to a trespassing call.

Upon arrival I made contact with Cpl. Portocarrero who advised that our helicopter had spotted a small SUV on the property of 800 20th Avenue SW that is posted no trespassing and belongs to the Indian River County School Board. The helicopter stayed on scene and watched the vehicle exit the property until it was encountered by Cpl. Portocarrero. The vehicle pulled into the BP gas station located at 20th Avenue and 9th Street SW. The driver of the vehicle exited and flagged down Cpl. Portocarro and when he made contact with the vehicles driver he was identified as Corey Smith by his FL DL. Upon asking him why he was in the property that has posted no trespassing signs he advised he was looking for his dog. During his interaction he saw gardening sheers in the driver's side floor board. Cpl Portocarro then walked around to the rear of the vehicle and could see in plain view stalks of saw palmetto bush in the back of Smith's vehicle. When Cpl Portocarro asked him about the stalks, he advised that he had a permit to which he provided to Cpl. Portocarro via agency email. The addresses on the permit were not for the address that Smith was seen trespassing on.

I then made contact with Smith who was detained in the back of Cpl. Portocarro's marked agency vehicle. Upon making contact with Smith, I read him Miranda Warnings from a Miranda Warnings card. After reading the warnings to Smith he advised that he understood and said he would speak to me. At this point I began asking him what was going on and he advised his dog had run away from him and that's why he was on the property where the helicopter first saw him. I then asked him about the saw palmetto berries that were found in his vehicle and where he had gotten them. He advised that his friend Adam Gilbert provided him with the saw palmetto berries. I then asked him about his permit and the addresses on the permit one being the Salvation Army located at 2655 5th Street SW. I asked him if he had permission to pick on that property and he advised that he received written permission from a Major Phillips.

I was advised by Sgt. Rodriguez that he had made contact with Major Phillip Irish at the Salvation Army. Irish advised that he has never given anyone any permission to pick saw palmetto berries on that property. I then made contact with Zachary Zorn who is a compliance specialist with the Division of Plant Industry. He provided me with a copy of the written letter Smith provided to the State during his permit application. Upon sending a copy of that written letter to Irish he advised he never wrote that letter and any communication like that would be put on an official Salvation Army Letter head. He also verified that the writing was not his and that was not his signature.

While he was putting the phone into airplane mode he advised that the phone opened to a police scanner app monitoring Indian River County Dispatch.

From my experience working multiple saw palmetto berry seasons it is not typical for a legal harvester to talk the stalks from the property. The stalks are usually left at the property and only the berries are taken.

STRANGER										

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law.
On **09/04/2026** at **19:49** (Specifically include facts constituting cause for arrest.)

On 9/4/26 at approximately 1949 hours, I, Officer W. Brumley responded to 2296 US1 (7-Eleven) in reference to a shoplifting.

Upon arrival, I made contact with the store clerk, who stated while he was dealing with customers a black female, later identified as Taneisha Cole (defendant), walked in and went into the bathroom then walked over to the cold produce section in the store. The defendant then put something in her shorts and walked out of the store. The clerk described the female to be wearing white striped shirt with blue shorts.

I reviewed in store footage and observed a black female in a white shirt, blue shorts and grey shoes. The defendant went to the cold produce section of the store, pick up a packet of hard boiled eggs. At the same time she also picked up another item to ask the clerk a question about it, put that item back, put the packet of hard boiled eggs in her shorts and walked out of the store, passing all points of sale, leaving northbound from the business.

The item taken from the store is as follows:

- HardCookedPeeledEggs 2ct

Total value taken is \$1.99

While boling the area, Ofc Z. Dominguez located the above mentioned female. While on my way to him, he attempted to identify the black female and she provided him the name of Tiffany Clark.

Post miranda she declined ever taking any items from 7-Eleven or putting anything in her pants. She stated she only went to the bathroom at the 7-Eleven then left. When Ofc Z. Dominguez advised me no information was coming back for the female, I asked her what her name was, she advised me her name is Taneisha Cole. VBPD communications advised her information came back under the name Taneisha Cole.

Based on the totality of the circumstances, I placed the defendant under arrest for violation of FSS. 812.014(3A) Petit Theft and 901.36(1) False ID to LEO.

The defendant was transported to the Indian River County Jail without incident. While at the jail she stated she gave the name of Tiffany Clark because she did not want to give her real name.

This event was captured on my BWC and uploaded to Evidence Library.

Case Report # 2026-00095344

NARRATIVE

On September 4, 2026, at approximately 1948 hours, Corporal Chamberlin and I were dispatched to 5555 20th Street, Vero Beach, Fla, 32966, in reference to a shoplifting.

The caller who was later identified as Ellis Ceceliee advised the Public Safety Dispatch Section (PSD) that a female attempted to shoplift two items then fled on foot into the parking lot.

I arrived on scene and made contact with Ellis. Ellis informed me the suspect who was later identified as Chalista Benjamin, ran from her in the parking lot, but, left her vehicle behind. I approached the vehicle and observed a Walmart bag in the passenger seat filled with items, however, the vehicle was empty. I moved my vehicle and parked it directly behind the suspect vehicle in case Chalista returned to retrieve her car.

I proceeded inside the Walmart Loss Prevention office and made contact with Scottie Ingo another Walmart Asset Protection Officer.

Scottie informed me that Chalista proceeded in the store, and obtained a label for socks. Chalista then obtained pink Bungee Sneakers and proceeded to the checkout. Chalista scanned the sock label instead of the Sneaker label which allowed her to only pay \$2.00 for the sneakers instead of the actual price of \$14.98. Chalista placed the Sneakers into a Walmart bag and proceeded to the door passing all further points of sale. Scottie then informed me they stopped Chalista and brought her into the Loss Prevention office. They attempted to ID to issue a trespass warning at which point Chalista fled the office and ran towards the Murphy Gas Station.

Scottie then provided me video footage which depicted what she previously stated. Scottie then provided me two receipts which displayed the prices as follows.

- Bungee Sneakers: \$14.98
- Socks \$2.00

Scottie and Ellis stated they wished to prosecute for the charges and have Chalista trespassed from the store location.

While proceeding back to my vehicle Corporal Ballester informed me via radio that he made contact with Chalista's son. He got Chalista to come back to original scene.

I advised Chalista of her constitutionally protected rights in the form of a Miranda Warning at which point she waived her right and wished to speak with me. Chalista stated she did swap the tags because

she was struggling financially. Chalista also stated she ran from Loss Prevention because she was scared.

I placed Chalista in hand restraints ensuring they were double locked and safety checked.

I transported Chalista to the Indian River County Jail where she was turned over to booking staff without further incident.

Based on the totality of the circumstances Chalista did and knowingly violate Florida State Statute 812.015 as Chalista knowingly swapped the tags to lower the price of the original item.

Arrest Affidavit Report

Case Report # 2026-00095368

NARRATIVE

On Friday, 09/04/2026, at approximately 2143, I was conducting marked uniformed patrol in the area of 3200 45TH Street, Vero Beach, Florida 32967, when I observed a white male wearing tan clothing, who I immediately recognized as Thomas Blake Young from previous law enforcement interactions, sitting outside of Smith's Groceries (3206 45th Street, Vero Beach, Florida 3297) front door with an open container of alcohol.

On 08/17/2026, I issued Young a trespass after warning for Smith's Groceries, which he signed and received a copy of (IRCSO Case#2026-88217). I made contact with Young in front of the store and advised him he was trespassing per the notice I had previously provided him. Young stated the store clerk told him he could be at the property and that he was an employee of the establishment. I ran Young through NCIC/FCIC as-well as LERMS and confirmed that his trespass warning was still in effect. After confirming that the trespass warning was still in effect, I went inside to make contact with the store clerk. The clerk stated that he did not give Young permission to be on the property, that he was aware of Young being trespassed from the property and wanted to pursue charges for the trespassing. Additionally, I seized the open container of alcohol and disposed of its contents.

Based on the totality of the circumstances in this investigation, Thomas Blake Young was taken into custody for a violation of the following offenses:

- F.S.S. 810.08(2)(a) – Trespass, structure or conveyance.
- County Ordinance 300.07(1) – Possess or Consume Alcohol in public.

Young was transported to the Indian River County Jail without further incident.

On Friday, September 4, 2026, at 2315 hours, I was dispatched to [REDACTED] for a disturbance. The caller advised a male was chasing a female and possible choking her.

Upon arrival Erman Hinton was walking towards the road from [REDACTED] towards deputies. I recognized him from a previous incident involving [REDACTED] Wanda Hinton.

Once Erman was detained I observed [REDACTED] laying on her left side next to the front door of [REDACTED]. I made contact with [REDACTED] who was crying and conscious, an ambulance was requested on her behalf. [REDACTED] stated the following in substance: She was asleep on the couch, Erman come out from the bed room and started yelling at her again and calling her names. She tried to ignore him but he stood over her and punched her with a closed fist multiple times in the face. She got up and ran out of the house after he took her cell phone away. She ran to the neighbor's house yelling for help. Erman followed he out of the house and caught up to her at the [REDACTED]. She grabbed onto the porch overhang support pole and held on while yelling for help. Erman was grabbing onto her trying to pry her off the pole and take her back to their house located at [REDACTED].

Arrest Affidavit Report

Case Report # 2026-00095383

NARRATIVE

On Friday, September 5th 2026 at approximately 2302 hours I was dispatched to 2150 88th Avenue, Vero Beach in reference to a suspicious vehicle.

Upon approach of the driver side of the vehicle, I made contact with the passenger and sole occupant of the vehicle, Alexis Agner. Upon looking into the driver side window, and glass smoking device commonly referred to as a "bong" could be observed sitting on the cupholder attached to the dash of the vehicle. Based on my training and experience, this glass smoking device is commonly used in consuming a multitude of illegal substances. I asked Alexis to step out of the vehicle and opened the door of the vehicle to retrieve the glass smoking device for further testing. Upon closer inspection of the glass smoking device, a white powdery substance and yellow residue could be observed inside of the smoking area of the device.

Using an agency issued field testing kit, this unknown substance was tested for methamphetamine and it tested positive.

In a post-Miranda interview Alexis advised the following in summary:

She initially denied having knowledge or ownership of the glass smoking device. When confronted with the fact that the smoking device was sitting on top of a cup holder a foot away from her, she began to change her story. She continued to admit that she had used the glass smoking device approximately 20-30 minutes prior to my contact with her. When I asked her what she smoked, she stated it was something her friend bought from the gas station and it came inside of a clear container. She had gotten the unknown substance from the "driver" of the vehicle, Richard Johnston, who was currently not on scene during my initial contact. When I advised Alexis the residue inside of the glass smoking device tested positive for methamphetamine, she claimed to have no knowledge that she was consuming the substance.

While on scene, Richard Johnston walked up during my investigation and asked what was going on. When asked about the glass smoking device inside of the vehicle, he claimed to have no knowledge of the drug paraphernalia and advised it must have been Alexis's because it was not his.

Alexis was placed under arrest and transported to Indian River County Jail without incident.

Case Report # 2026-00095401

NARRATIVE

On Saturday, September 5th 2026 at approximately 0015hrs, I conducted a traffic stop on a vehicle in the area of the 900blk of 6th PI in Vero Beach Florida, resulting in the discovery of suspected cocaine.

At approximately 0010hrs, I was in the area of area of Speak Easy Club bar (760 8th Ct) patrolling the area. While sitting with my lights off facing east, I observed a silver in color Kia sedan (FL-SNLE26) begin driving through the parking lot of Speak Easy Club. The parking lot consists of stops signs leaving the parking lot as well and stop signs entering 8th Ct.

I observed the Kia sedan fail to come to a complete stop before exiting the parking lot. This vehicle has been seen entering and leaving the establishment parking lot multiple times a night, as well as information obtained that illegal sale of narcotics was happening at this location. Once the vehicle left, I informed a Deputy who was on U.S 1 northbound so I could continue observing the establishment.

Once I was unable to reach the Deputy due him being on a separate traffic stop, I began north on 8th Ct and sat at the entrance incase the Kia sedan came back like I have observed in the past. A few moments later, I observed the same Kia sedan approaching my location, traveling westbound on 8th St. The vehicle passed by me at which time I made a U-turn to initiate a traffic stop for the previous violation of failing to stop at the stop sign.

The Kia sedan turned left, going south on Old Dixie Hwy and as I was catching up, the vehicle made a right turn onto 6th PI as I simultaneously initiated a traffic stop utilizing my emergency equipment. The vehicle slowly pulled off onto the right shoulder.

Due to my observation of that vehicle constantly going to and from the bar at all hours of the night and early morning that I had received complaints of drug transactions happening, I requested a narcotic K9 response as I approached the vehicle. I approached the front passenger window and observed a single occupant male driver and immediately smelt the odor of an alcoholic beverage emitting from inside the vehicle. I introduced myself, and requested the driver's documentation.

I ascertained as to where he was coming from to which he advised he was leaving Taco Bell. I asked if he had gone anywhere before to which he paused momentarily and affirmed he was at Speak Easy Club shooting pool. I informed him the reason for the stop and requested his driver's license again after he did not provide it the first time. I then inquired about Mr. Brown's alcohol consumption to which he advised he only had half a drink due to getting over being sick. Once I had other units on location, I instructed the driver, identified by his Florida License as Winston Brown (FL-B319229490000) to exit the vehicle.

I then entered my patrol vehicle and began filling out a warning for the stop. As I worked on the warning, K9 Deputy S. Wolf #5786 arrived on location and conducted a free air scan on the vehicle upon my

request. As I continued filling out the warning, I was Informed his K9 gave a positive alert on the vehicle, giving probable cause to search the vehicle and Mr. Brown. I began searching the front passenger area as K9 Deputy Wolf started on the front driver area. As we began, I observed K9 Deputy Wolf retrieve a small clear baggie with white crystalline substance from in-between the front driver seat and center console, which I immediately recognized to be suspected cocaine from my training and experience.

I also observed a plastic cup on the front passenger seat that smelt strongly of an alcoholic beverage. I informed an assisting Deputy to place Mr. Brown into wrist restraints at which time he did and Informed Mr. Brown of his constitutional rights under Miranda. While on-scene, I also observed the rear tires of the Kia sedan to be smooth and having a lack of tire tread, making the vehicle unsafe to be operated especially in rainy conditions.

I completed a search of the vehicle and of Mr. Brown with nothing else located. I made contact with Mr. Brown and confirmed he understood his rights to which he stated he did. He advised he did not know the suspected cocaine was in the vehicle, yet he consistently is the sole operator of it. He also advised he gives numerous people rides and recently had swapped vehicles.

Mr. Brown did not provide omission to the drugs located inside the vehicle; however, he was in constructive possession of the drugs as he was the sole occupant, driver and located in a place most commonly hidden by drivers from my experience, as well as being directly located beside him. I field tested the suspected cocaine twice which tested positive both times for cocaine. I informed Mr. Brown he was under arrest and transported him to the Indian River County Jail where I find probable cause for:

F.S.S- 893.13- Possession of a controlled substance.

Case Report # 2026-00095406

NARRATIVE

On September 5th, 2026, at approximately 0029 hours, I was patrolling the 5700 block of State Road 60 when my License Plate Reader (LPR) alerted to a gray Kia Forte bearing Florida tag 14TGTK. The alert indicated that the registered owner had a suspended driver's license.

I conducted a query through D.A.V.I.D. to verify the alert. The query confirmed that the registered owner's driver's license had been suspended on June 15th, 2026. It also revealed that the vehicle's registration had been suspended for failure to maintain financial responsibility.

I conducted a traffic stop on the vehicle and made contact with the registered owner and sole occupant, Ghia Lyn Chambers. Upon contact with law enforcement, Chambers was visibly shaking.

While speaking with Chambers, I detected a strong odor of marijuana coming from inside the vehicle. I asked Chambers whether there was any marijuana in the vehicle. Chambers stated that there was and retrieved a clear plastic bag containing loose marijuana from the driver's-side door. Chambers also stated that she did not possess a valid medical marijuana card which I confirmed through the Indian River County Public Safety Dispatch.

I asked Chambers to exit the vehicle and escorted her to the front of my patrol vehicle. When asked, Chambers informed me that she did not have insurance on the vehicle and had allowed the policy to lapse because she could no longer afford it following the deaths of her mother, father, and brother. An additional query through D.A.V.I.D. confirmed that the vehicle's insurance had been canceled.

During the investigation, I learned that Chambers had been arrested on or about July 19th, 2026, for the following offenses:

1. High-speed or wanton fleeing, in violation of F.S.S. 316.1935 (3)(a).
2. Willful and wanton reckless driving, in violation of F.S.S. 316.192(2)(a).
3. Driving while license suspended, in violation of F.S.S. 322.34(10)(a) and 322.34(2).
4. Possession of 20 grams or less of cannabis, in violation of F.S.S. 893.13(6)(b).

A search of the Indian River County Clerk of the Circuit Court's online records revealed that case number 312026CF000760AXXXVB remained open and reflected the charges listed above.

Based on the totality of the circumstances, I placed Chambers under arrest and transported her to the Indian River County Jail for the following offenses:

1. Possession of 20 grams or less of cannabis, in violation of F.S.S. 893.13(6)(b).
2. Failure of the vehicle owner to maintain required insurance, in violation of F.S.S. 324.221(2).

VICTIM PERSON

MARSY'S LAW

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **09/05/2026**, at **06:19** (Specifically include facts constituting cause for arrest.)

On September 4th, 2026, at approximately 2225 hours, Officers from the Sebastian Police Department were dispatched to [REDACTED] in reference to a physical disturbance involving a weapon. While enroute, dispatch advised that a male had been hit in the head with a baseball bat and was bleeding and unconscious. Dispatch advised that the suspect may still be on scene.

Officer Barton and Officer Labarge were first on scene. Contact was made with two female subjects and a male subject lying on the floor, bleeding from his head. Officer Barton began to render aid to the subject while Ofc. Labarge conducted a sweep of the residence. I observed the male to have lacerations to his head, and his arm was bent in an unnatural position. The subject was identified through his Florida Driver's License as [REDACTED]

EMS arrived on scene and began to evaluate [REDACTED] determining that he needed to be flown by helicopter to [REDACTED] was transported by IRCFR Rescue # 8.

The complainant was identified as Dianne Strassner. The other female who was located in the home was identified as [REDACTED]. I started to ask [REDACTED] and Dianne who did this to [REDACTED] stated that the suspect was [REDACTED] identified through his Florida Driver's License as Daniel Fontanez. [REDACTED] that she was over visiting [REDACTED] when Daniel pounded on the front door. [REDACTED] opened the door, and Daniel began hitting [REDACTED] in the face with a weapon she described as a bat. [REDACTED] stated that she tried to get Daniel to stop in the process of hitting [REDACTED] Daniel hit [REDACTED] as well.

Dispatch received [REDACTED] call from a caller saying that Daniel was knocking at the front door of their residence located at [REDACTED]

Officers went to [REDACTED] and Daniel was located and detained.

The following is a summary of [REDACTED] statement: she and [REDACTED] were sitting in the back living room [REDACTED] talking, and they heard a knock at the front door. [REDACTED] got up and went to answer the front door. [REDACTED] heard some commotion going on, so she got up to see what was going on. When [REDACTED] got to the main front living room, she said that she saw Daniel, standing over [REDACTED] who was lying on the ground. As Daniel was standing over [REDACTED] Daniel was striking [REDACTED] all over his body with what [REDACTED] stated was a bat. As Daniel was striking [REDACTED] with the bat, Daniel was saying to [REDACTED] "I am going to kill you". When [REDACTED] confronted Daniel, his focus then shifted towards her and off of [REDACTED]

Daniel then struck [REDACTED] on the left side of her head on her left ear. [REDACTED] stated that her left forearm was also struck with something [REDACTED] was unsure what Daniel struck her with. [REDACTED] could not tell me if Daniel struck her with his hand or an object.

It should be noted that [REDACTED] left earring was located on the living room floor. [REDACTED] still had an earring in her right ear. This would be consistent with [REDACTED] being hit in the left ear by Daniel.

[REDACTED] stated that when Daniel struck her, he also stated to her that he was going to kill her. [REDACTED] said that Dianne opened her bedroom door, and when she did this, [REDACTED] went into her room in fear that Daniel was going to hit her more.

[REDACTED] When [REDACTED] was asked why Daniel would come to [REDACTED], she stated that Daniel was [REDACTED] stated that she thinks [REDACTED] has been talking to Daniel and telling him when she goes over to see [REDACTED] stated that [REDACTED] Due to the conflicting statements about [REDACTED] Daniel, [REDACTED]

I then spoke with Dianne, and she stated in summary: she was in her bed sleeping, and she heard loud noises and screaming coming from the living room. She opened her door to see what was going on. When she opened her door and came out, she saw someone hitting someone with a long stick.

When she asked what was going on, she saw an individual run out the front door holding a bat. She said that [REDACTED] was lying on the ground, all curled up, with blood all over him and on the floor. He was moaning and rolling on the floor.

A domestic violence packet was completed with [REDACTED] Photos were taken of [REDACTED] injuries, and she denied needing EMS.

I Detective Adam Dean responded to [REDACTED] FL at approximately 2313 hrs to assume the investigation. Upon my arrival I was briefed by Officer's Labarge and Barton. I assisted in documenting the crime scene with photographs. The following is a summary of my observations at [REDACTED] I observed newer damage to the exterior of the front door. Consistent with being struck. Approximately 25 feet into the residence near the sliding glass door there was a large pool of blood on the floor. There also appeared to be blood spatter on the west wall of the living room approximately 10 feet from the large pool of blood soaked into the carpet. I observed what appeared to be dried blood on [REDACTED] right shoe. Additionally, she indicated pain in the area of her left ear and left arm after being struck by Daniel.

Arrest Affidavit Report

Case Report # 2026-00095427

NARRATIVE

On Saturday, at approximately 0345, I was conducting uniformed traffic enforcement in the area of 4200 Old Dixie Highway, Vero Beach, Florida 32967, when I observed a white golf-cart run the redlight at 4100 Old Dixie Highway, with no headlights on, travelling north-bound on the roadway. I conducted a traffic stop on the golf-cart at 4200 Old Dixie Highway, Vero Beach, Florida 32967, based on probable cause of a violation of F.S.S. 316.075(1)(C)(1) – Fail to stop a steady red signal, and F.S.S. 316.217(1)(A) – Operate a vehicle without headlights at night.

I made contact with the driver of the golf-cart, Johnny B Walker Smith, and immediately smelled the odor of an alcoholic beverage, as-well as observed his eyes to be bloodshot and glossy. I requested Smith's driver's license and registration for the golf-cart, which he responded stating he did not have a valid driver's license. When speaking with Smith, his speech was extremely slow and slurred. Smith stated he did not know that he needed a driver's license and registration for the golf-cart in order to operate it on a public roadway. Smith's passenger, identified as Dershiya Monee' Ingram, was also extremely intoxicated and unable to maintain her balance even while sitting down. I asked Smith how much he had consumed to drink, to which he responded that he had two alcoholic drinks. Smith then stated he consumed a red-bull to try to keep him awake and functional enough to drive his golf-cart to Wawa to get some food to sober up his passenger. Based on these statements and observations, I asked Smith if he wanted to voluntarily participate in field sobriety exercises, to which he agreed to do.

Smith stated he has [REDACTED] when asked about any medical issues. Smith did not advise of any medications that he takes and stated that he does not have issues with walking, standing or turning.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes. During the exercise, I observed a lack of smooth pursuit in both eyes, I observed distinct and sustained Nystagmus at maximum deviation in both eyes, I observed Nystagmus prior to 45 degrees in both eyes. Smith had 6/6 clues of impairment during this exercise.

The second exercise I demonstrated and explained was the Walk and Turn exercise. During the instructional phase Smith was unable to maintain the starting position. I had to instruct Smith several times to get back into the proper starting position before he was able to begin. While maintain the starting position Smith continued to lose balance. After providing the instructions and demonstration I asked Smith if he understood the exercise and its instructions, to which he stated he did. During the exercise Smith stepped off the line, did not take the proper number of steps, did not take heel to toe steps, did not conduct a turn, did not complete 9 steps back after taking the incorrect number of steps forward and

utilized his arms to maintain balance. During this exercise Smith had 7 out of the 8 clues that indicate impairment.

For the third exercise, based on Smith's statements of a [REDACTED] preventing him from properly balancing himself on one leg, I conducted a modified exercise to accommodate [REDACTED]. For the third exercise, I instructed Smith on the finger to nose exercise. I had to explain the instructions to Smith several times. During the exercise, Smith used his right finger when I called for his left finger, did not properly touch the tip of his nose with his finger, continuously swayed during the exercise, and did not return his finger back down to his side after touching the tip of his nose.

While conducting the field sobriety exercises, Deputy McPeck and Deputy Ciofalo located an open bottle of Don Julio Tequila just under the driver seat in plain view. The bottle had 1/3 of its contents remaining. I conducted a search incident to arrest on Smith's person and located a small baggie of green leafy substance, which based on training and experience, I immediately recognized as Marijuana.

Further inquiry into Smith's identity through the Indian River County Sheriff's Office Public Safety Dispatch revealed that his license was suspended as of 07/03/2023. Inquiry into Smith's golf-cart also revealed that it is not a registered vehicle.

Based on the totality of the circumstances, I placed Johnny B Walker Smith under arrest for a violation of the following offenses:

- F.S.S. 316.193.3c1 – DUI Damage to property or person
- F.S.S. 322.34.10b1 – Driving while license suspended/revoked
- F.S.S. 893.13.6b – Possession of Marijuana not more than 20 grams.

Smith was transported to the Indian River County Jail without further incident. While at the County Jail Smith was asked to provide a lawful sample of his breath, to which he complied. His first breath sample was 0.088 g/210L of breath and his second breath sample was 0.087 g/210L of breath.

While at the Indian River County Jail I had a criminal history queried into Smith which revealed multiple prior arrests for driving while suspended/revoked habitual traffic offender. Below are prior convictions related to those offenses:

Arrest Affidavit Report

Case Report # 2026-00095427

NARRATIVE

On Saturday, 09/05/2026, I was notified by Deputy Portocarrero via email that he responded out to Jerry's Towing (610 Old Dixie Highway, Vero Beach, FL) in regards to a golf-cart that was towed stemming from my DUI arrest (IRCSO Case#2026-95427).

Edwin Casey Gates, an employee of Jerry's towing, was moving the golf-cart around on their tow lot when she lifted up the front seat of the golf-cart. As she lifted the front seat, on the driver's side of the golf-cart, a Iver Johnson Armory (A R.) 22 caliber semiautomatic pistol (Serial # AE40003) fell out from underneath the driver's seat cushion. Deputy Portocarrero queried the firearm through the Indian River County Sheriff's Office Public Safety Dispatch to verify that it was not stolen.

The driver of the golf-cart, Johnny B Walker Smith, was still in-custody at the Indian River County Jail. During the booking process, I conducted a query into Smith's criminal history which revealed several felony convictions, with previous possession of concealed firearm charges. While speaking with Smith, he advised me that he had just met his passenger at Player's Pool Lounge (4066 Old Dixie Highway, Vero Beach, FL 32960) and that she had just got onto his golf-cart to get food because she was highly intoxicated. While on patrol I was positioned near the parking lot of Player's Pool Lounge and had observed both occupants get onto the golf-cart without interacting with the driver seat cushion. Smith was the only person with actual physical control over the driver side of the golf-cart.

I put in a request for the Indian River County Sheriff's Office Crime Scene to process the firearm for fingerprints and DNA. Please see Deputy Portocarrero supplement for more information.

Based on the totality of the circumstances during this investigation, probable cause exists for a violation of the following offense:

- F.S.S. 790.23.1a – Possession of a weapon/ammunition by convicted felon.

Most recent felony convictions for Smith:

- 08/18/2023 Convicted Guilty Driving while license revoked habitual offender JY
- 08/23/2024 Convicted Guilty Driving while license suspended habitual offender

Vero Beach, Florida 32960**Arrest Affidavit Report**

Case Report # 2026-00095449

NARRATIVE

On September 5th, 2026, at 0703 hours, I responded to [REDACTED] in reference to a disturbance. Dispatch advised that a male wearing an olive-green jacket and khaki pants on a bike just "slammed me (the caller) in the face".

Upon arrival, I made contact with the caller [REDACTED] who advised that there has been an ongoing issue with a vagrant male that is harassing the neighborhood by writing hieroglyphics in the dirt road way outside his house. [REDACTED] felt as if the writings in the dirt were demonic and raised concern.

The harassing male was further identified as Dan Bratches who was still on scene.

[REDACTED] advised the following in summary:

[REDACTED] stated he was leaving his house to get his morning coffee when he observed the hieroglyphics in the dirt road outside his house. [REDACTED] then observed Dan riding his e-bike at Roseland Road/128th Court travelling towards his house.

Being that [REDACTED] was originally driving to get his cup of coffee, he got into his truck and drove towards Roseland Road. [REDACTED] pulled over to the west side of the road outside the residence [REDACTED] as he waited for Dan to approach his vehicle to question why he was writing hieroglyphics in the dirt road outside his house. [REDACTED] pointed out to where he turned off to the side of the road which I observed tire tracks that would corroborate his statement.

[REDACTED] stated that Dan then sped up his bike while directing his e-bike towards [REDACTED] and intentionally ran [REDACTED] over with his e-bike. [REDACTED] stated the front wheel went in between his legs and the handle bars struck him in the stomach and belly button. I observed fresh open wounds on [REDACTED] stomach that would align with his statement. After being struck by the Dan on the e-bike, Dan then punched [REDACTED] in the face on [REDACTED] right side jaw area. [REDACTED] advised that the punch was not hard enough to cause injury. I observed no significant injury that would prove [REDACTED] being punched in the face by Dan.

[REDACTED] advised that he did not approach Dan in an aggressive manner and wanted to question him on his past strange activity in the neighborhood. [REDACTED] then showed me other markings on the ground which he stated is where Dan's bike's handlebars fell on the dirt road after he was struck. The punctured dirt marks were perpendicular to where [REDACTED] truck was on the east side of the road establishing where the altercation took place.

I made contact with Dan who advised the following:

Dan was riding his bike north on 128th Court when [REDACTED] aggressively backed out of his driveway and started to drive head on towards Dan. Dan braked his e-bike and [REDACTED] parked his car directly in front of Dan in the middle of the road way to where the both of them were stopped head on at each other. [REDACTED] got out of the truck then approached Dan while waving his arms around, getting in his face, and Dan pushed [REDACTED] back because he felt threatened.

Dan advised that there was no other physical contact and there was no instance during the altercation where Dan struck

[REDACTED] with his e-bike.

The tire marks in the roadway did not align with Dan's statement as there were tire marks on the side of the road rather than in the middle of the street, corroborating [REDACTED] statement of vehicle position. Dan advised that there were tire marks causing dirt kick up that proved [REDACTED] aggressive driving pattern; however, the tire marks Dan was referencing were south of the location to where the altercation took place.

Due to [REDACTED] physical injuries and statements aligning with the dirt tracks on the road, probable cause was developed for Dan in regard to violation of FSS 784.03 Battery as Dan intentionally drove out of his way to strike [REDACTED] with his e-bike causing physical injury to [REDACTED] stomach.

Dan was taken into custody and transported to the Indian River County Jail without further incident.

Pictures of the injuries were attached to Axon.

Body worn camera activated.

Arrest Affidavit Report

Case Report # 2026-00095673

NARRATIVE

On Saturday, 09/05/2026, at approximately 1915, I was conducting marked uniformed patrol in the area of 3300 45th street, Vero Beach, Florida 32967, when I observed a yellow golf-cart with a black-male driver turn southbound on 33rd Avenue. Based on previous law enforcement interaction (IRCSO Case# 2026-90244), I immediately recognized the driver, Simeon Jimell Drisdome, who does not have a valid driver's license.

A traffic stop was conducted at 3300 43rd street, Vero Beach, Florida 32967, based on probable cause for a violation of F.S.S. 322.34.2b – Driving while licensed suspended/revoked 2nd subsequent offense. I made contact with Drisdome who immediately stated that he was going to jail. I asked Drisdome if he knew why I stopped him, to which he stated he was aware from our previous interactions. I asked Drisdome for his information, to which he responded that I knew him and produced his Florida's driver's license. A query into his license from the Indian River County Sheriff's Office verified that his license was still suspended as of 10/14/2020. While speaking with Drisdome, Deputy Cnosalo observed an open container of alcohol on the floorboard of the golf-cart, just below the driver's seat.

Drisdome was informed of his Miranda rights, which he acknowledged he understood and voluntarily waived to speak with me. Drisdome stated it was dark liquor that he had just poured and that he barely had taken a sip from the cup. I did not observe any indicators of impairment that would lead me to believe Drisdome was driving under the influence.

I had previously arrested Drisdome on 08/22/2026 for driving under the influence, driving while license suspended/revoked 1st conviction, and resist officer without violence. This case is still active in court and is set for a hearing on 9/22/2026.

Based on the totality of the circumstances, I placed Simeon Jimell Drisdome under arrest for the following offenses:

- F.S.S. 322.34.2b – Driving while licensed suspended/revoked 2nd subsequent offense.
- F.S.S. 320.02.1 – Fail to register motor vehicle.
- County Ordinance 300.07(2) – Possession of open container in a motor vehicle.

Drisdome was transported to the Indian River County Jail without further incident.

Case Report # 2026-00095674

NARRATIVE

On Saturday September 5, 2026 at approximately 1909 hours, a subject was observed on an Indian River County Sheriff Office owned camera inside the North County Conservation area located in the area of 7800 130th street. In the photograph, the subject appeared to be in possession of a bag filled with saw palmetto berries.

Lt. Clark responded to the area and located the subject, Francis Ostrowski who he found to be in possession of a bag filled with saw palmetto berries. Lt. Clark then asked Ostrowski if he possessed a permit to harvest palmetto berries, to which he stated no. Sgt. Flores then transported Ostrowski to the Indian River County Jail.

Once at the jail, I read Ostrowski his Miranda Rights from my agency issued Miranda card to which he stated he understood. I asked Ostrowski what he was doing in the conservation area at which point he stated he was harvesting palmetto berries. When asked if he had a permit or permission to harvest palmetto berries, he advised he did not.

Based on the information provided, there is probable cause to arrest Ostrowski for fss. 581.185 harvest endangered plant without a permit.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

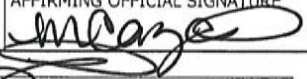

On 9/5/26 at approximately 2137 hours, I Ofc. Kriegner responded to Dom's Bar (1436 Old Dixie Highway) in reference to an intoxicated driver on the property.

Upon arrival, I spoke with a bar employee, Nickolas Amicarelli, who stated a female had been escorted out of the bar and had gotten into a lime green Kia (FL tag#30EEQZ.) He stated the female was served alcohol inside the bar and was heavily intoxicated. He showed me a photograph of the vehicle's license plate and a photograph of the female who he identified as the driver. He stated she had driven to the east side of the bar.

I located the vehicle, idling, on the east side of the building. I observed the female (identified as Raysa Puentes Carbal) sitting in the driver's seat. I observed Raysa to have severe slurred speech, there was a strong odor of an alcoholic beverage emanating from the vehicle, her eyes were heavy and almost closed, and she had vomited on herself. I asked Raysa to exit the vehicle and if she consented to Standard Field Sobriety Exercises to determine her level of impairment. Once Raysa exited the vehicle, she was unable to maintain balance and had to be assisted with staying upright, several times, and there was a strong odor of an alcoholic beverage emanating from her breath. She stated she didn't know if she wished to submit to Field Sobriety Exercises and had to be asked several times if she consented before an answer was received. She stated no.

Based on my observations, Raysa was placed under arrest for FSS316.193 DUI and transported to the Indian River County Jail without incident.

Once I arrived at the jail, Raysa refused to submit to a Breath Alcohol Test post implied consent and was also charged for FSS 316.1939 Refusal to Submit to Breathalyzer Test.

Arrest Affidavit Report

Case Report # 2026-00095711

**NARRATIVE**

On September 5th, 2026, at approximately 2147 hours, I was patrolling westbound in the 8400 block of State Road 60 in Vero Beach, Florida, when I observed a silver Ford Edge bearing Florida tag 39DRLN exit the Sunoco gas station located at 8418 20th Street and enter the far-left westbound lane. The driver of a vehicle already traveling in that lane was forced to slow significantly to avoid a collision.

As I continued westbound, I observed the Ford Edge swerving within its lane and traveling on the white lane-dividing lines. I conducted a traffic stop and made contact with the driver and sole occupant, identified as Desiderio Lopez Gutierrez.

I asked Gutierrez to provide his driver's license, proof of insurance, and vehicle registration. Gutierrez did not provide any of the requested documents and stated that he was attempting to get his license back.

While speaking with Gutierrez, I detected a strong odor of an unknown alcoholic beverage emanating from inside the vehicle. Gutierrez exhibited delayed responses to my questions and requests. His eyes were bloodshot, his eyelids were droopy, and his speech was heavily slurred, making several of his statements difficult to understand. While I attempted to obtain any other form of identification from him, Gutierrez repeatedly discussed why he was in possession of his friend's vehicle instead of complying with my request.

Gutierrez eventually provided a Guatemalan identification card. He stated that he had a Social Security number and previously possessed a Florida driver's license, however, he was unable to show proof of any of this information. An initial query conducted through Indian River County Public Safety Dispatch did not return a valid Florida driver's license for Gutierrez.

Based on Gutierrez's driving pattern, the odor of an alcoholic beverage, his delayed responses, bloodshot eyes, droopy eyelids, and heavily slurred speech, I became concerned that he was impaired by alcoholic beverages, chemical substances, or controlled substances to the extent that his normal faculties were impaired.

To dispel my concerns, I asked Gutierrez whether he would participate in a series of field sobriety exercises, and he agreed. Before beginning the exercises, I asked Gutierrez a series of medical questions to determine whether he could safely participate. Gutierrez stated that he had no physical defects, was not sick or injured, did not have epilepsy, and did not wear contact lenses or glasses.

Each exercise was explained and demonstrated before Gutierrez attempted it. Before each exercise began, Gutierrez stated that he understood the instructions and had no questions.

The following exercises were performed:

1. HORIZONTAL GAZE NYSTAGMUS

Resting nystagmus was observed. Gutierrez's pupils appeared equal in size. Gutierrez had difficulty tracking the stimulus with his eyes because he repeatedly moved his head, despite being instructed several times to keep his head still and follow the stimulus with his eyes only.

**NARRATIVE (Continuation)**

Distinct and sustained nystagmus at maximum deviation was observed in both eyes. The onset of nystagmus prior to 45 degrees was observed at an estimated 30-degree angle. Vertical gaze nystagmus was not observed. Gutierrez repeatedly moved his head and looked directly at me instead of following the stimulus with his eyes, which affected the administration of the exercise.

2. WALK-AND-TURN

A solid white lane line was used for this exercise. Gutierrez stated that he had no orthopedic issues and preferred to perform the exercise while wearing his boots. The instructions were provided twice, and Gutierrez stated on both occasions that he understood them.

Gutierrez began walking westbound and failed to touch heel-to-toe on every step. He stepped off the line several times and continued walking until reaching 17 steps. I instructed him to stop to prevent him from continuing toward the middle of the intersection. Gutierrez turned around and walked eastbound until reaching 19 steps, at which point he stopped. He failed to touch heel-to-toe on every step.

3. ONE-LEG STAND

After receiving the instructions and stating that he understood them, Gutierrez began performing the walk-and-turn exercise instead of the one-leg-stand exercise. As he walked westbound, I again asked whether he understood my instructions. Gutierrez stated that he did. He continued walking while intermittently raising his right foot in a marching motion.

After Gutierrez stopped, I asked whether he wanted to repeat the exercise or believed he had completed it satisfactorily. Gutierrez stated that he knew he had not performed well and wanted to try again. I repeated the instructions and demonstration. Gutierrez stated that he understood and had no questions. During his second attempt, Gutierrez again performed the walk-and-turn exercise instead of the one-leg-stand exercise.

4. FINGER-TO-NOSE

I explained and demonstrated the exercise to Gutierrez. He stated that he understood the instructions and had no questions.

When instructed to touch the tip of his nose with his left index finger, Gutierrez kept his eyes open, turned his head to the right, and did not touch his nose. I asked whether he understood the instructions, and he stated that he did. When again instructed to touch his nose with his left index finger, Gutierrez turned his head to the left and did not use his finger to touch his nose. Gutierrez repeated similar actions after each subsequent instruction.

Overall, Gutierrez performed poorly on the field sobriety exercises.

Based on my investigation, I determined that probable cause existed to believe Gutierrez drove and was in actual physical control of a motor vehicle while under the influence of alcoholic beverages, chemical substances, or controlled substances to the extent that his normal faculties were impaired.

I took Gutierrez into custody without incident and transported him to the Indian River County Jail for booking. After arriving at the jail, I was informed that Gutierrez refused to provide a breath sample.

While at the jail, I obtained additional identifying information for Gutierrez from booking deputies and records associated with his prior arrests. A query through D.A.V.I.D. revealed that Gutierrez's Florida driver's license was revoked on June 3rd, 2021. The query also showed a habitual traffic offender sanction, with notice provided on March 14th, 2024, under citation/case number AHMT00E. The following entries were also located:

At the conclusion of my investigation, I determined that probable cause existed to charge Desiderio Lopez Gutierrez with the following offenses:

1. F.S.S. 316.193(1)(a)—Driving Under the Influence.
2. F.S.S. 316.1939(1)—Refusal to Submit to Breath or Urine Testing.
3. F.S.S. 322.34(5)—Driving While License Revoked as a Habitual Traffic Offender.

D.A.V.I.D. also listed Gutierrez's citizenship status as nonimmigrant. Based on my training and experience as a Designated Immigration Officer assigned to the 287(g) Task Force Unit, I know that a nonimmigrant is a foreign national authorized to enter the United States temporarily for a specific purpose and subject to the conditions of that authorized stay.

Based on this information, I contacted the Immigration and Customs Enforcement (ICE) Stuart Office and informed Officer Guillen of the circumstances of this case. At the conclusion of Officer Guillen's investigation, I was informed that an immigration detainer would be placed on Gutierrez.

Nothing further to report.

Case Report # 2026-00095743

NARRATIVE

On September 6th, 2026, at 0048 hours, Detective Seldes advised Public Safety Dispatch (PSD) that he observed a Hispanic male jump over the wooden fence attached to the rear of the closed business El Torito. Upon my arrival, I climbed onto a table and observed the same Hispanic male subject standing behind the fence. I ordered the male subject to drop all his belongings onto the ground prior to climbing back over the fence. It should be noted that the male subject was wearing a backpack at the time of contact. The male subject complied with my verbal commands and climbed back over the fence where he was detained without incident. Once detained, I advised the male subject of his Miranda Rights, too which he expressed his understanding and agreed to speak with me.

Post Miranda, the subject identified himself as Alexis Ramirez, the son of the business owner of El Torito. Ramirez advised he climbed the fence because he had to defecate and the doors to the business were locked. Ramirez provided his mother's phone number (the business owner), where I successfully made contact via phone. While speaking with Ramirez's mother, she advised Ramirez was allowed on the property. After confirming Ramirez had permission to be on the property, I directed my attention to the suspected marijuana joint Ramirez possessed resting above his left ear. Ramirez confirmed the blunt contained marijuana and advised he had a medical marijuana license; however, it was expired.

After removing the joint from Ramirez's ear, I began searching the backpack Ramirez was previously wearing at the time of my initial contact. In one of the top exterior pockets of the backpack, I located a glass smoking pipe with an unknown white residue inside. I questioned Ramirez what substance he smoked with the aforementioned pipe and he advised methamphetamine. I utilized an agency issued field drug test kit and field tested a white colored substance from the bubble portion of the glass pipe, resulting in a positive test result for the presence of methamphetamine. I then utilized an agency issued drug test kit to test the green leafy substance from the blunt Ramirez possessed above his ear. The test resulted in a positive presence of marijuana.

Through my investigation, I found Alexis Ramirez to be in violation of;

- FSS 893.13, possession of a controlled substance (reference citation #ANUOYPE)
- FSS 893.13(6)(B), possession of marijuana not more than 20g (reference citation # ANUOYQE)
- FSS 893.147, possession of drug paraphernalia

Arrest Affidavit Report

Case Report # 2026-00095757

NARRATIVE

On September 6, 2026, at approximately 0232 hours, Corporal Chamberlain and I were radioed on the Talk around channel in reference to a high rate of speed white SUV. I observed a white vehicle bearing Florida license plate 18CJMP traveling Westbound near 8418 State Road 60, at a visually estimated speed of 63 MPH in a posted 45 MPH zone. I utilized my Stalker DSR 2x which confirmed a speed of 60 MPH in the posted 45 MPH zone. As the vehicle turned southbound on 90th Avenue it swerved around a semi-truck conducting a turn into the Travel center.

Based on the vehicles actions I conducted a traffic stop. I made contact with the driver who was identified by his Florida Driver License as Bobby Wayne Walkup. As Bobby looked towards me, I observed his eyes to be bloodshot. While speaking with Bobby, I detected an odor of an unknown alcoholic beverage emanating from his breath, I also observed Bobby's speech to be slurred.

I returned towards my patrol vehicle and ran Bobby's driver license through the Public Safety Dispatch Section. It was discovered that Bobby had a suspended driver license due to a financial responsibility obligation.

We instructed Bobby to exit the vehicle. Bobby stepped out and faced me. I asked Bobby if he would be willing to complete a series of Standard Field Sobriety Exercises to dispel my belief he was operating under the influence of drugs or alcohol. It should be noted that same odor of an unknown alcoholic beverage followed Bobby as he exited the vehicle. Bobby agreed to complete these exercises.

Before beginning the exercises, Bobby informed me he did wear glasses, was taking [REDACTED] and was not a diabetic. Prior to the exercises I observed Bobby walking in a consistent state around the traffic stop, at no point in time did Bobby make any comments about his ankle hurting or make any comments about his ability to walk or stand for long periods of time.

HORIZONTAL GAZE NYSTAGMUS

Bobby's eyes were checked and they displayed equal tracking and his pupils were equal sizes. Bobby was instructed to follow the stimulus with his eyes only, keeping his head still. After stating he understood the instructions, Bobby attempted this exercises. No resting Nystagmus was observed. During this exercise Bobby moved his head slightly at times to follow the stimulus.

The results of this exercise displayed 5 of the 6 possible clues.

- A lack of smooth pursuit in the right eye
- A distinct and sustained nystagmus in the right eye at maximum deviation
- A distinct and sustained nystagmus in the left eye at maximum deviation
- Nystagmus onset prior to 45 degrees in the right eye

WALK AND TURN

I began to provide instructions to Bobby regarding the walk and turn exercise, however, Bobby became argumentative and stated that we [Deputies] could not even preform it sober. At this point in time Corporal Chamberlain took over and began to provide instructions to Bobby. Corporal Chamberlain provided the following supplemental report:

"On Sunday, September 6, 2026 at approximately 0232 hours, D/S Trainee C. Dyess, conducted a traffic stop on a white BMW bearing Florida Registration 18CJMP (Vin 5UX23EM06P9N95738).

The white SUV passed by us on a foot patrol in the 8200 block of State Route 60 at an extremely high rate of speed, which through my regular patrol of this area I knew to be inconsistent with normal traffic. I informed my trainee to get to the patrol vehicle and attempt to overtake the vehicle; Deputy C. Dyess and I ran to our patrol vehicle where we then attempted to catch up to the vehicle, at one point reaching speeds of over 80 miles per hour, which I knew by the automated activation of our in-car axon camera, which activates at 80 miles per hour. We were eventually able to catch the vehicle, as it was forced to slow behind a turning semi-truck.

Refer to Deputy C. Dyess' case report for further information regarding all traffic violations.

I approached the passenger side of the vehicle where upon all windows being rolled down, I smelled the

strong odor of an intoxicating beverage emanating from the vehicle.

I observed Deputy C. Dyess conduct Horizontal Gaze Nystagmus. Refer to his report for further information regarding this exercise. I observed Mr. Walkup to sway while standing during this exercise.

I then demonstrated and explained the Walk and Turn exercise. During this exercise, Mr. Walkup brought up an injury from what he claimed was a recent injury. Mr. Walkup further argued over whether or not he had informed us of this, which I did not recall him doing. In order to allow Mr. Walk up to provide us with documentation of the injury, he showed me pictures of his foot on his phone, dated from May 26, 2026 and early June. During my first attempt to have Mr. Walkup complete the Walk and Turn, Mr. Walkup failed to maintain the instructional position and swayed while standing. Mr. Walkup then, after showing me the pictures, participated in the exercise. Mr. Walkup informed me that he understood the exercise.

During the execution of the Walk and Turn, Mr. Walkup failed to maintain the instructional position (1 clue) by stepping out and raising his arm. During his first pass, he conducted eight steps for an improper number of steps (1 clue); raised his arms for balance (1 clue), made an improper turn (1 clue), then proceeded to make an additional improper turn, use his arms for balance, and begin a third pass, contrary to instruction. During this additional pass, Mr. Walkup raised his arms for balance, stepped off line, and came to a stop where he then asked "Do I turn around?". I then informed Mr. Walkup that I had demonstrated and explained the exercise and he had informed me he understood both times.

I then proceeded to conduct the One-Leg stand exercise. I demonstrated and explained this exercise. Mr. Walkup affirmed he understood this exercise.

During the One-Leg Stand, Mr. Walkup balanced on what he claimed was his injured foot. I observed Mr. Walkup to utilize his arms for balance, contrary to instruction (1 clue) and sway while standing (1 clue).

I then conducted the Modified Rhomberg exercise, Mr. Walkup affirmed he would be able to conduct this exercise and would be able to estimate the passage of thirty (30) seconds. During this I observed slight eyelid tremors. I rounded Mr. Walkup's backside where I leaned in to confirm the odor of alcoholic beverage was emanating from his person; which it was. Mr. Walkup informed me that 30 seconds had elapsed at approximately 40 seconds, which I resumed for a fraction of a second to confirm Mr. Walkup was done.

Two individuals had responded to my traffic stop from an Uber which dropped them off nearby. These individuals remained near the driver's door of the white BMW, which had not yet been searched, and one male had his hands out of my view. Further of note, the individual who spoke to me smelled strongly of the odor of an alcoholic beverage. In an effort to prevent any interference from either party, and in order to

prevent them from accessing any evidence and or weapons contained within the vehicle, I ordered both individuals to leave the scene of my traffic stop or step back 25 feet.

As I returned to Mr. Walkup, Cpl. A. Ballester was conducting alternative exercises. Mr. Walkup was placed under arrest, where he informed me he would not consent to a breath test.

Once at the Indian River County Sheriff's Office Jail Complex, Mr. Walkup again refused a lawful test of his breath, where he was then read Implied Consent. Mr. Walkup again refused a lawful test of his breath.

It should be noted, Mr. Walkup informed me numerous times I should find "Real crime". I informed Mr. Walkup that it was unfortunate that individuals being killed by drunk drivers was not a real crime.

Refer to Cpl. Ballester's supplement and Deputy C. Dyess' case report for further information.

My body worn camera was ACTIVE."

End of Supplement.

Corporal Ballester performed another exercise and provided the following in a supplemental report:

On September 6th, 2026, at approximately 0232 hours, I responded to Americana Road and 90th Avenue in Vero Beach, Florida, to assist with a DUI investigation.

While on scene, I assisted Corporal J. Chamberlain and Deputy C. Dyess with the investigation by instructing Deputy Dyess on how to administer the finger-to-nose field sobriety exercise. I explained and demonstrated the exercise to the defendant, Bobby Wayne Walkup, which he stated he understood the instructions and had no questions.

During the exercise, Walkup touched his nose, rather than the tip of his nose, with an area of his finger other than the fingertip. Throughout the exercise, Walkup also failed to return his arms to his side as instructed.

At the conclusion of the investigation, Deputy Dyess took custody of Walkup and transported him to the Indian River County Jail. I remained on scene until Charlie's Towing arrived and took possession of the vehicle.

This concludes my involvement in this case. The incident was captured on my body worn camera.

End of supplement.

Based on the clues exhibited I placed Bobby under arrest for driving under the influence. Bobby became agitated and began to tell myself and Corporal Chamberlain that we should not be "Cops".

I transported Bobby to the Indian River County Jail where he was turned over to booking staff where they administered the states test. Bobby refused to provide a breath sample. Booking staff read Bobby his implied consent where he again refused to provide a sample.

Based on the facts, Bobby did and knowingly violate Florida State Statute 316.193 as he knowingly operated a motor vehicle while under the influence of drugs or alcohol and Florida State Statute 316.1939 as he knowingly refused a lawful request of his breath.

Arrest Affidavit Report

Case Report # 2026-00095958

NARRATIVE

On Sunday, September 6th 2026 at approximately 1914hrs, I Deputy Finkle responded to [REDACTED] for a disturbance.

Prior to my arrival, I was informed the caller [REDACTED] advised she was punched in the face by [REDACTED] Dahmir White (FL-W617907771000) and that she armed herself with a sword. I was also informed that Dahmir had fled the residence and [REDACTED] discarded the sword outside.

Upon my arrival, Deputy Apollon #5999 located Dahmir in the roadway so I continued to the residence to speak with [REDACTED] met with her underneath her car port of the residence where I observed her to be visibly upset and shaken up. Upon asking her what happened, she advised Dahmir and his 12yo friend arrived at the house and began banging on the door that she had locked while she slept.

Upon unlocking it, the two began a verbal argument with each other in the living room. [REDACTED] advised that during the argument, Dahmir grabbed her by the collar of her shirt with his right hand, forcing it downward toward the ground. As she began falling toward where he was pulling her, she advised he intentionally thrust upward, striking her in the left side of the face.

I observed her left cheek area to be slightly red and her shirt collar to appear stretched out. She also showed me bruising on her right forearm that she claimed was from Dahmir on a previous day. Upon being battered, the verbal confrontation escalated at which time Isabella advised Dahmir picked up a double-sided wrench and threw it at her, striking her in the back of the head as she ducked. Due to being battered twice, she advised she retreated to her room and armed herself with a metal sword to protect herself.

She then entered the living room where the verbal confrontation continued. [REDACTED] advised Dahmir threatened to go retrieve a pole gun, causing her to be in even more fear for her safety at which time she advanced toward him to get him to leave the residence, causing Dahmir to run outside where he was later located. [REDACTED] stated that their 12yo neighbor, [REDACTED] witnessed the incident.

I located [REDACTED] in the vicinity and began speaking to him. He initially advised he and Dahmir were in the house when [REDACTED] came out with the sword. I informed [REDACTED] of the importance of being honest and then began asking him about specific events that [REDACTED] had stated. [REDACTED] then remembered and affirmed they had arrived to the residence and banged on the door. He also advised once inside, he witnessed Dahmir grab [REDACTED] shirt and yank her toward the ground. He advised he did not see him strike her but that shortly after that, she retreated to her room and armed herself with the sword.

I then began speaking to Dahmir who claimed he was inside watching tiktok when [REDACTED] came after

him with a sword. I informed him there was more to the story to which he advised there was not. I then I informed him of specific events to which he all the sudden began to remember some information. He advised he did grab her shirt before she armed herself with the sword but then changed his story to grabbing her after she armed herself. His story was very inconsistent and he did not advise of certain things that occurred without me specific questioning him.

Due to the totality of the situation, I find probable cause that Dahmir did and intentionally touch or strike [REDACTED] under F.S.S- 784.03.1a1[2560].

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00095964****NARRATIVE**

On September 6th, 2026, at approximately 1931 hours, I was driving west on 4th St. near the 2700 block, where I observed a 2021 black Nissan Altima bearing Florida registration Z0EPAP1 driving directly in front of me. I noted the vehicle had heavy window tint, where I could not see into the sedan. I attempted to move my agency vehicle to the side to look through the driver's side windows both front and back; however, I observed dark tint as well. I could not see the operator of the motor vehicle. Due to this, I conducted a traffic stop in the 3600 block of 8th St.

I approached the driver, who was identified as Isaiah Jean-Baptiste. Upon approach to the vehicle, Isaiah had his back driver's side window up, where I could not see through it. Due to the officer safety risk, I asked him to roll the window down, which he did so. I requested his license, registration, and proof of insurance. I conducted a window tint read with a meter of Isaiah's back driver's side window, which resulted in 14 percent and the front driver's window being 12 percent. These both are in violation of tint law. While Isaiah was gathering his documents, I asked him if there were any drugs, guns, and or bombs in the vehicle, which he stated no. While speaking with Isaiah I noted a fresh smell of marijuana emitting from the vehicle. I asked him about this, where he stated he has his medical marijuana card. I asked him to produce this, which he stated he did not have it on him. While speaking with Isaiah, I noted he appeared nervous. Due to the odor of marijuana, along with the nervousness, and the dark window tint, I asked him to step out of the vehicle for my safety.

Isaiah questioned why he had to step out, and what my cause was. I explained to him multiple times to exit the vehicle. He continued to question me, where I explained if he does not step out, I would forcefully remove him. At this point, Isaiah was exhibiting clear signs of nervousness and now failing to comply with lawful commands. He ultimately complied after I threatened to physically remove him.

Isaiah was issued instructions to go to my front bumper, where I asked for consent to pat him down, which he granted. I discovered no weapons on his person. K9 Deputy B. McKay arrived on scene to assist. Deputy McKay noted a bulge in Isaiah jeans, near his pubic area. Due to this, I asked him for consent to search his person, which he granted me. This discovered no additional findings.

I asked Isaiah for consent to search his vehicle, which he declined. Due to such, Deputy McKay utilized his K9 partner to conduct a free air sniff of the vehicle. The K9 sniff resulted in a positive alert. I pointed out Isaiah's nervousness to him, which he acknowledged and stated he did not like the police due to negative interactions. I explained the K9 was going to sniff his vehicle, and asked again if there was narcotics within his vehicle, which he stated no. At this time, he began to stare at the vehicle, appeared to look past me, and his nervousness increased drastically.

NARRATIVE (Continuation)

While the K9 was sniffing the car, I was calling in Isaiah's driver's license to IRCSO Dispatch. It should be noted, at this time, there were only two deputies on scene. As such, I could not leave Isaiah's side to return to my vehicle to review his license information on my computer. During the time I was standing with Isaiah he began to ask if he could call his mother. Additionally, he began to bounce his leg, looking off in the distance past me, and taking small steps forwards and backwards. From my training and experience I believed these behaviors to be pre-flight indicators. Due to my observations, I believed Isaiah was going to flee from the traffic stop on foot. Due to this, I handcuffed Isaiah (double locked/checked for fit), and hung-up his phone call with his mother. Isaiah was placed in the rear of my agency vehicle. I read Isaiah his Miranda Rights line by line, which he stated he understood. He ultimately refused to speak with law enforcement.

A search of the vehicle conducted by Deputy McKay and I. Within the center console was a Glock 23 pistol (.40 cal. Serial No. NKB244). The firearm had a magazine loaded into it with 10 rounds of .40 caliber ammunition. The firearm was located directly next to Isaiah in the center console. Located under the front passenger seat was a dry sealed brick of marijuana. This was later weighed which resulted in 487.61 grams. Within the trunk of the Nissan was a large amount of marijuana, THC vapes, and narcotic distribution paraphernalia. The following items were located in the trunk:

- A plastic bin which contained the following:
 - 2 boxes of sandwich baggies
 - Gray scale
 - Rolling tray
 - 7 bags of prepackaged marijuana weighing all about 36 grams, besides one which weighed 16.95 grams
 - A large plastic baggie with green leafy consistent with marijuana which was tied into a knot, later weighed to be 40.01 grams
 - A mason jar of marijuana, which was later weighed to be 226.77 grams
- A red Door Dash food delivery bag full of pre-packaged THC vapes and other items

- A black box labeled Luigi which contained the following:
 - 23 THC vapes which ranged from 87.99 THC percentage to 91.44%

It should be noted this is summary of the items located in Isaiah's vehicle, the full detailed items seized will be listed below.

IRCSO dispatched advised Isaiah does have a valid medical marijuana card, however, there were no valid orders from any doctors. Therefore, he was not allowed to possess any marijuana, unless prescribed. IRCSO also advised the firearm was not stolen.

The aforementioned items were photographed on scene, and uploaded to Evidence.com. Additionally, all the aforementioned items were seized and transported to IRCSO Crime Scene by myself.

Isaiah was informed he was placed under arrest, which he responded with something to the effect of "no shit" to.

Isaiah was informed his vehicle was going to be seized by IRCSO, where he was read aloud the Notice of Seizure and Adversarial Preliminary Hearing Form. He refused to sign this. Isaiah was issued a copy of this form within his property at IRCSO Jail.

A rotation wrecker was called to tow the Nissan, which was towed to the IRCSO Crime Scene lot.

I transported all the items seized from Isaiah's vehicle to IRCSO Crime Scene. Deputy McKay and I conducted an inventory which resulted in the following items being seized:

- A Glock 23 .40 cal. Pistol bearing Serial No. NKB244.
- A marijuana shrink-wrapped brick, with a total package weight of 487.61 grams
- A mason jar with marijuana, total package weight of 226.77 grams.
- A large plastic bag tied into a knot, containing marijuana, with a total package weight of 40.01 grams.
- A box of 34 individually boxed Exotic Edition High Coastal THC Vapes, which were labeled with 92.1% THC concentrate

- A large graphic sealable bag labeled with Choco Taco. This bag had a strong odor of marijuana emitting from inside it, which indicated to me it was full of product at one point.

From my prior training and experience as a narcotics detective, I know the aforementioned sandwich baggies, graphic baggies, and scales to be used commonly in the possession of illegal substances with the criminal intent to distribute it. Additionally, the large amount of product discovered in this investigation is unusual for a user amount of marijuana. Also, the products discovered in relation to the THC vapes, all appeared to be manufactured by a company, packaged individually, and advertised for individual sale. These items were not removed from their individual boxes, and were found inside larger boxes, which contained the small boxes for singular possession. It appeared as though the packaging method was consistent with something seen in cigarette cartons, where you open the carton and then have the individually packaged cigarette boxes.

It should be noted, the marijuana in the mason jar was filed tested which resulted in a presumptive positive for marijuana and heroin. This was photographed and uploaded to Evidence.com.

Isaiah was issued 3 total citations at IRC SO Jail. One for the possession of marijuana over 20 grams (ANUP9SE), one for the possession of THC (ANUP9UE), and one for the window tint violation (ANUP9TE).

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00096017****NARRATIVE**

On Sunday, September 6, 2026, at approximately 2340 hours, Deputy Yerian and I were on a directed patrol in the area of 25th avenue and 42nd place when we heard what sounded like a woman screaming in the woods near 2610 42nd street. As we approached the area, I observed a male later identified as Michael Sailor standing in front of the address. As we rounded the corner, I observed he had an item in both his hands, he turned around brought his hands to his waist and threw a shiny object onto the ground next to him. He was detained and, in the area, where he threw the item I found a burnt glass stem with a copper filter, that through my training and experience is consistent with smoking crack cocaine. A field test showed a presumptive positive for cocaine. Mr. sailor made the spontaneous utterance that he does smoke but that he was throwing rocks at the racoons and the pipe was not his, yet he pointed to where the glass smoking device was located when he pointed to where he said the rocks were. The female at the residence didn't want to talk to law enforcement but did say she was fine. He was advised he was under arrest and transported to the jail where he was turned over to jail staff.

Based on the above Michael Sailor did use or possess with intent to use a Glass stem smoking device, drug paraphernalia, for injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance, contrary to Florida Statute 893.147(1)(b). (1 DEG MISD)

Arrest Affidavit Report

Case Report # 2026-00096030

NARRATIVE

On Monday, September 7, 2026, at 0109 hours, I assisted FWC Officer Barghouthy with a traffic stop at the 110000 block US Highway 1. Upon my arrival, I made contact with FWC Officer Barghouthy who advised; while on routine patrol, he observed a red in color pickup truck towing a trailer & boat at the intersection of CR512 & US Highway 1. The vehicle was headed South bound on US Highway 1 with its hazards on. As he got closer to the vehicle, he observed that the trailer did not have a license plate affixed. FWC Officer Barghouthy initiated a traffic stop at Indian River Drive and US Highway 1. The vehicle finally pulled over in front of 10901 US Highway 1.

FWC Officer Barghouthy advised prior to my arrival, he discovered the license plate attached to the suspect vehicle, FL/ DL38QW, was registered to a trailer belonging the front seat passenger, Juan Mendoza's wife. FWC Officer Barghouthy also advised that after speaking with the driver, Aaron Dean, he learned that the trailer and boat that they were towing were recently purchased by Mendoza, and had not yet had the title transferred, or new registration assigned. Additionally, the pickup truck Dean was driving, was not registered, nor had the title been transferred from the previous owner. Sebastian Police K9 Officer Revis, walked his K9 partner around the exterior of the vehicle prior to my arrival, resulting in a positive alert. FWC and SPD officers searched the interior compartments of the suspect vehicle and located a clear plastic bag containing suspected loose marijuana, as well as 2 partially smoked suspected marijuana cigarettes.

After learning of FWC Officer Barghouthy's findings, I separated both subjects and interviewed Dean first. I advised Dean of his Miranda Rights, too which he expressed his understanding and agreed to speak with me. Post Miranda, Dean advised Mendoza and him had just went and purchased the aforementioned boat and trailer from a male in Fellsmere, and took the boat out on the water for a test drive. Dean advised that he drove the suspect vehicle due to Mendoza not possessing a valid driver's license. Additionally, he advised that he smoked marijuana earlier in the day and expressed ownership of the two partially smoked marijuana cigarettes that were located in the vehicle, as well as additional marijuana cigarettes that were located in the tackle box locating in the boat.

Through my investigation, I found Aaron Dean to be in violation of;

- FSS 320.02(1) Operating without / no motor vehicle registration (2 counts, reference citation #ANU0YTE & #ANU0YUE
- FSS 893.13(6)(b) Possession of marijuana not more than 20g (reference citation #ANU0YVE)

Case Report # 2026-00096030

NARRATIVE

On Monday, September 7, 2026, at 0109 hours, I assisted FWC Officer Barghouthy with a traffic stop at the 110000 block US Highway 1. Upon my arrival, I made contact with FWC Officer Barghouthy who advised; while on routine patrol, he observed a red in color pickup truck towing a trailer & boat at the intersection of CR512 & US Highway 1. The vehicle was headed South bound on US Highway 1 with its hazards on. As he got closer to the vehicle, he observed that the trailer did not have a license plate affixed. FWC Officer Barghouthy initiated a traffic stop at Indian River Drive and US Highway 1. The vehicle finally pulled over in front of 10901 US Highway 1.

FWC Officer Barghouthy advised prior to my arrival, he discovered the license plate attached to the suspect vehicle, FL/ DL38QW, was registered to a trailer belonging the front seat passenger, Juan Mendoza's wife. FWC Officer Barghouthy also advised that after speaking with the driver, Aaron Dean, he learned that the trailer and boat that they were towing were recently purchased by Mendoza, and had not yet had the title transferred, or new registration assigned. Additionally, the pickup truck Dean was driving, was not registered, nor had the title been transferred from the previous owner. Sebastian Police K9 Officer Revis, walked his K9 partner around the exterior of the vehicle prior to my arrival, resulting in a positive alert. FWC and SPD officers searched the interior compartments of the suspect vehicle and located a clear plastic bag containing suspected loose marijuana, as well as 2 partially smoked suspected marijuana cigarettes.

After learning of FWC Officer Barghouthy's findings, I separated both subjects and interviewed Dean first. I advised Dean of his Miranda Rights, too which he expressed his understanding and agreed to speak with me. Post Miranda, Dean advised Mendoza and him had just went and purchased the aforementioned boat and trailer from a male in Fellsmere, and took the boat out on the water for a test drive. Dean advised that he drove the suspect vehicle due to Mendoza not possessing a valid driver's license. Additionally, he advised that he smoked marijuana earlier in the day and expressed ownership of the two partially smoked marijuana cigarettes that were located in the vehicle, as well as additional marijuana cigarettes that were located in the tackle box locating in the boat.

After speaking with Dean, I went and made contact with Mendoza, and advised him of his Miranda Rights. Post Miranda, Mendoza expressed his understanding of his rights and agreed to speak with me. I questioned Mendoza if he was aware that the aforementioned license plate that was attached to the truck, belonged on a trailer registered to his wife, Sarah Mendoza. Mendoza expressed knowledge and advised he attached the trailer tag to the pickup so Dean and him could drive the truck to purchase the boat.

Through my investigation, I found Juan Mendoza to be in violation of;

Case Report # 2026-00096044

NARRATIVE

On Monday, 09/07/2026, at approximately 0315, I was conducting marked uniformed patrol in the area of 2700 45th street, Vero Beach, Florida 32967, when I observed a black male wearing a blue striped shirt and black shorts riding a bicycle east-bound on 45th street with no lights on the front or rear of the bicycle, building probable cause for a violation of Florida Statue State 316.2065 – Riding bicycle with no/improper lights.

I conducted a traffic stop on 2800 45th street and made contact with the operator, Franklin Reed Junior. Reed stated he had issues with his bicycle light and attempt to turn on the front light, which did not work, and the rear lights on his bicycle where improperly mounted, causing them not to function. Reed produced a Florida identification card, which I queried through the Indian River County Sheriff's Office Public Safety Dispatch. Dispatch advised me that Reed had an active warrant for failure to pay child support.

Due to the active warrant, I took Franklin Reed Junior into custody. I asked Reed if he had anything on him that I need to be aware of, which he responded that he had a "stem" (a street term commonly used to describe a glass pipe used to smoke crack). A search incident to arrest located a glass pipe with burnt residue, which based on my training and experience, I immediately recognized as a pipe used to smoke crack-cocaine. Using cobalt (a chemical that reacts to the presence of crack-cocaine and changes color to a bright blue) I field tested the glass pipe, which upon contact with the pipe, the cobalt immediately turned blue, indicating a field presumptive positive test for crack-cocaine.

In addition to his warrant, Franklin Reed Junior was placed under arrest for a violation of the following offense:

- F.S.S. 893.147.1 – Possession of drug paraphernalia

Reed was transported to the Indian River County Jail without further incident.

Case Report # 2026-00096046

NARRATIVE

On Sunday, September 7th at approximately 0329hrs, I Deputy Finkle conducted a bicycle traffic stop in the area of the 800blk of 20th Ave in Vero Beach Florida.

While stationary facing 20th Ave, I observed two bicycles traveling north on 20th Ave. The male on the lead bicycle had a properly functioning front mounted light and rear mounted red light. The female bicyclist in the rear did not have a front mounted light operated nor a rear mounted light illuminated. I initiated a traffic stop at the aforementioned location. Upon speaking with male about a stolen bicycle and affirming he was not in possession of it, I informed him he could leave the stop which he did.

I then made contact with the female and explained the violations. I requested her license to which she advised she was from Virginia and has been in Florida for less than a year. She provided her VA license number (T66308579) at which time I identified her as Dante Chandler. While speaking with her, I observed a strong odor of marijuana emitting from her person. I asked if she had a medical marijuana license which she stated she did not.

I then asked her how much marijuana she had on her to which she advised she may have some in a grinder in her backpack she was currently wearing. I asked her to remove the backpack as I was going to conduct a probable cause search to which she was very reluctant and asked if I had a warrant. I explained probable cause to her at which time she began trying to reach in her bag. I collected the bag and placed it on the hood of my vehicle.

I informed her that I would give her one opportunity to be honest about what was in the bag at which time she informed me there may be baggies of "Ice", which is commonly used on the street to describe methamphetamine. I began a search of the bag and upon opening the side pocket, I located a blue circular pouch. Once opened I observed a clear plastic baggie with a white in color crystalline substance that I immediately recognized to be methamphetamine. I asked Dante if it was the ice baggie to which she stated it was.

I then opened the big zipper of the bag and located medium sized black and pink bag with two zippers. Inside the bag I observed what appeared to be the rubber from a bicycle handle. Upon looking in the hole of the handle, I located a clear cellophane baggie that had a crystalline rock like item in it that I also immediately recognized as a methamphetamine rock. I held it up in the air at which time Dante looked at it and immediately looked down. I asked her if the bag was hers to which she stated yes. I then located a black THC vape with THC oil in it. I asked if it was THC to which she advised she believed so. I also located another clear plastic baggie with a white in color crystalline substance in the black and purple bag along with a clear glass smoking device with burnt residue, from my experience commonly used to smoke

and ingest methamphetamine.

I informed Dante of her constitutionally protected rights under Miranda and she stated she understood them. She admitted to the information stated above. Due to her cooperation during the investigation, I allowed a Deputy who was assisting me to allow her the opportunity to work with our narcotics unit at which time she refused to answer.

I field tested the rock like substance and obtained an immediate positive for methamphetamine. Dante was placed under arrest at which time I transported her to the Indian River County Jail where she was turned over to Jail staff.

I find probable cause for two counts of F.S.S 893.13- Possession of a controlled substance.

Arrest Affidavit Report

Case Report # 2026-00096048

NARRATIVE

On Monday, September 7, 2026, at approximately 0346 hours, I was in the area of Old Dixie Hwy and 41st street when I observed a white sedan bearing FL registration NPRN39, pull out of 4076 Old Dixie Hwy Players pool lounge without any lights on. I got behind the vehicle as it crossed US Hwy 1, I observed as the vehicle accelerated it crossed the center yellow line. I activated my emergency equipment and conducted a traffic stop based on the lights and crossing the line. I approached the passenger side of the vehicle and when the window rolled down, I could smell the odor of an alcoholic beverage coming from the car. The driver and registered owner of the vehicle Esau Scott admitted he had a few drinks earlier in the night along with some marijuana and ecstasy around 1900 hours on September 6th 2026. I asked him out of the car and if he would be willing to consent to standardized field exercises, to which he agreed.

The following exercises were conducted on a flat level asphalt surface with a visible straight white line. Mr. Scott was wearing a t-shirt, shorts, and basketball shoes.

Horizontal Gaze nystagmus- I instructed him to stand with his feet together and his hands by his side. I held my pen approximately 12-15 inches away from his face slightly above eye level. His pupils were of equal size, tracked equally and he did not have resting gaze nystagmus. I observed a lack of smooth pursuit in both eyes. I did not observe either a distinct and sustained nystagmus at maximum deviation or the onset of nystagmus prior to 45 degrees. I did have to instruct him multiple times to stop moving his head and look at my pen.

Walk and turn – I instructed him to stand in the starting position and remain in that position until I instruct him to start the exercise. I demonstrated and explained the starting position and the exercise as followed: The starting position is his left foot on the line and his right foot in front of his left in a heel-to-toe manner with his hands down by his side. When I tell him to start he is to take nine heel-to-toe steps along the line, on his ninth step he is to leave his lead foot on the line and with his back foot take a series of short steps to turn around, then take nine heel-to-toe steps back along the same line. During the exercise he is to look down at his feet, count his steps out loud, keeps his arms down by his side, and once he starts the exercise he is not to stop until the exercise is complete. 1) He stopped standing in the starting position as instructed. 2) he started the exercise before being instructed to do so. 3) He missed heel-to-toe by more than ½ inch on almost every step. 4) He used his arms for balance by lifting his arms more than 6 inches away from his side. 5) he stepped off the line. 6) He stopped walking just prior to the turn. 7) he conducted an improper turn by just shuffle stepping to turn around. Totalling 7 out of the 8 possible clues.

One leg stand – I instructed him stand with his feet together and his hands by his side. I instructed and

demonstrated the exercise as followed: He is to lift the leg of his choice approximately 6 inches off the ground with the bottom of his foot parallel to the ground. He is to look down at his raised foot and count in the manner of one-thousand-one, one-thousand-two, one-thousand-three, and so on until instructed to stop. During the exercise he is to look down at his raised foot, count in the manner explained, keep his arms down by his side, and keep both legs straight and locked out. 1) he used his arms for balance by lifting them more then 6 inches away from his body. 2) He swayed to the point he lost his balance. 3) he hopped by lifting his foot completely off the ground. 4 He put his raised foot down on the ground. Totaling 4 out of the 4 possible clues.

Modified Romberg – I instructed him to stand with his feet together and his arms by his side. I instructed the exercise as followed: he is to tilt his head back and close his eyes then imagine 30 seconds, when he feels 30 seconds has passed, he is to tilt his head forward, open his eyes and say stop. He stopped the exercise at approximately 27 seconds. I observed he had eye lid tremors along with major muscle group tremors both consistent with marijuana use.

I advised him he was under arrest for driving under the influence, he was placed in handcuffs behind the back. During the search incident to arrest in his pocket I located a red triangular pill with no markings on it that was seized. In his socks were multiple pressed pills that Mr. Scott admitted were MDMA (3,4-methylenedioxymethamphetamine) after being advised of his constitutional rights via a Miranda warning.

He was transported to the jail where he provided a breath sample that showed a reading of .09 grams per 210 liters of breath.

I weighed the pressed pills found in Mr. Scott's sock alone and they have a weight of 11.44 grams. I field tested them as well and the test kit showed a presumptive positive for MDMA.

Based on the above Mr. Scott did drive or was in actual physical control of a vehicle, while under the influence of alcoholic beverages or chemical substances as set forth in Florida Statute 877.111, or a controlled substance as set forth in Chapter 893 or any combination thereof, and was affected to the extent that his or her normal faculties were impaired; or while having a blood alcohol level of .08 or more grams of alcohol per 100 milliliters of blood or breath alcohol level of .08 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1). (MISD)

Mr. Scott was unlawfully and knowingly in actually constructive possession of more than 10 grams of (3,4-methylenedioxymethamphetamine) a controlled substance described in section 893.03(1)(a) or (1) (b), or any combination thereof, or any mixture containing any such substance, contrary to Florida

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **09/08/2026**, at **01:44** (Specifically include facts constituting cause for arrest.)

On September 8, 2026, at approximately 2310 hours, I was driving southbound on the 1600 block of Barber Street when I observed a 2012 Gray Ford Fusion bearing a Florida tag(CV95GX) traveling with the license plate which was poorly lit. I conducted the traffic stop at Breakwater Terrace/ Barber Street, and upon running the license plate number through ELVIS, I discovered that the registered owner of the vehicle, Javius M Rackard, had an invalid license and a seize tag order.

I made contact with the driver, Javius, who stated that he was driving home from work at 7/11 and that he had knowledge that his license was suspended. Javius stated that his license was suspended recently because his insurance had lapsed. Javius stated that he intended to purchase insurance for his vehicle with his upcoming paycheck. Javius handed me his driver's license (R601-906-96-100-0), which was confirmed by communications to be invalid. Communications advised that Javius's driver's license was suspended on August 3, 2026.

Upon my request, Javius stepped out of the vehicle, and I conducted a pat-down for weapons so I could continue investigating my traffic stop. Javius was handcuffed (which was checked for proper fit) and searched for contraband and weapons.

Javius was arrested for driving while his license was suspended, revoked, or canceled with knowledge.

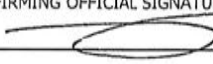

UTC - #A01M5DE (DWLS-operating a vehicle with a suspended, revoked, or canceled license.)

Javius's license plate and driver's license were seized.

Javius was transported to Indian River County Jail without further incident.

This report was cleared by arrest.

Case Report # 2026-00096014

NARRATIVE

On September 7th, 2026, at approximately 2306 hours, I was patrolling near the intersection of 90th Avenue and 20th Street in Vero Beach, Florida, when I observed a black Chevrolet Impala bearing Florida tag LE425K turn south onto 90th Avenue. The vehicle had an inoperable headlight and no functioning tag lights. I then conducted a traffic stop and made contact with the driver and registered owner [REDACTED]

It should be noted that later in the investigation, I asked [REDACTED] to turn on the vehicle's exterior lights. I confirmed and documented with my body-worn camera that one headlight and both tag lights were inoperable.

Corporal J. Chamberlain and Deputy C. Dyes arrived as backup and assisted with the investigation.

Upon contacting [REDACTED] observed that she was crying and shaking profusely. [REDACTED] reported that [REDACTED] Joseph Manees, had battered her at his residence, located at 9455 King Palm Drive, Lot 267, Sebastian, Florida. [REDACTED] stated that she and Manees [REDACTED]

[REDACTED] stated that on September 6th, 2026, between approximately 1800 and 1900 hours, she and Manees became involved in a verbal argument while the children were asleep inside the residence. During the argument, Manees accused [REDACTED] of cheating on him. [REDACTED] stated that while she was seated in a chair outside the residence, Manees approached her from behind, grabbed her by the hair, and pulled her to the ground. Manees then grabbed [REDACTED] by both arms and shook her while yelling at her.

A records check through the Indian River County Public Safety Dispatch revealed that Manees was the restrained party in an active final Chapter 39 injunction protecting the following child:

1. [REDACTED]

The injunction contained the following relevant conditions:

CONDITION 01 – The subject is restrained from assaulting, threatening, abusing, harassing, following, interfering with, or stalking the protected person and/or the child of the protected person.

CONDITION 04 – The subject is required to stay away from the residence, property, school, or place of employment of the protected person or other family or household member.

While speaking with [REDACTED], I observed two minor children [REDACTED] (DOB: 12/20/2021) and [REDACTED] (DOB: 07/24/2025), in the rear seat of the vehicle. Neither child appeared to be properly restrained. [REDACTED] was lying on her back in her child safety seat and appeared to be sliding toward the floorboard. The safety belt was positioned across her neck and chest and appeared loose. Corporal Chamberlain and Deputy Dyes also observed open beer containers inside the vehicle and detected a faint odor of an unknown alcoholic beverage. Throughout the investigation, a box of closed beer cans was located inside of the vehicle.

During the investigation, I learned that [REDACTED] driver's license had been suspended on August 13th, 2026 for

financial responsibility. [REDACTED] initially denied knowing that her license was suspended.

Betty Perkins, [REDACTED] later arrived on scene. Perkins provided a sworn statement that [REDACTED] vehicle had previously been covered under Perkins' insurance policy. Perkins stated that several months earlier, she informed [REDACTED] that she needed to obtain her own insurance because Perkins intended to cancel the policy covering [REDACTED] vehicle. Perkins subsequently canceled the policy.

I informed [REDACTED] of Perkins' statement. [REDACTED] then admitted that she had known for approximately one month that the vehicle was uninsured and that her driver's license was suspended. [REDACTED] stated that she received written notice at her residence, located at [REDACTED] which stated that she would need to pay approximately \$200 to \$300 and provide proof of insurance to reinstate her driver's license. [REDACTED] stated that she had been unable to obtain insurance because the companies she contacted quoted her between \$600 and \$800. [REDACTED] stated that she intended to address the matter sometime the following week.

Corporal Chamberlain Investigation Report

On Sunday, September 6, 2026 at approximately 2303 hours I responded to a traffic stop in the approximate area of 1700 90th Avenue, Vero Beach, Florida 32966.

Upon my arrival I met with Cpl. A. Ballester who informed me of several issues regarding the driver, vehicle, and further informed me that the driver was alleging an act of Battery Dating Violence/Domestic Violence.

I spoke with the driver [REDACTED] who informed me in effect that she was at [REDACTED] Joseph Maness, house with her children, [REDACTED] whom was later discovered to be the respondent of a Chapter 39 Injunction prohibiting any and all contact with both children. This injunction was discovered to have stemmed from an incident which occurred in July of 2026 regarding another instance of domestic/dating violence with [REDACTED] being the victim.

While at the residence, [REDACTED] was reportedly grabbed by the hair, punched in the back of the head, grabbed by the arm, and either was pushed or fell down stairs during the altercation. [REDACTED] person had a scratch on her arm which I could not prove or disprove occurred during the incident, a bruise which appeared older based on the yellow discoloration, distinct redness to her left fifth digit on her foot (pinky toe).

[REDACTED] originally stated [REDACTED] with in the vehicle or nearby when this incident occurred, which she later contradicted by stating the children were with [REDACTED] Betty Perkins. Ms. Perkins was on the phone throughout this encounter at various times.

I conducted a FLOCK search of [REDACTED] license plate where I noted numerous instances of the vehicle being captured Southbound in the area of County Road 512 and 108th Avenue, which is near Joseph's residence. This was exported to a PDF and saved on Cpl. A. Ballester's laptop.

Arrest Affidavit Report

Case Report # 2026-00096014

NARRATIVE (Continuation)

While investigating this incident, I discovered the Chapter 39 injunction, with Mr. Joseph Maness being the respondent. As our conversation progressed, Ms. Perkins arrived on scene.

While speaking with Ms. Perkins, I asked if at any point today she had custody of [REDACTED] to which she replied she had not. It is noteworthy Ms. Perkins was sworn to her testimony under penalty of perjury.

I then confronted [REDACTED] regarding her conflicting statements where I swore her to her statement under penalty of perjury, informing her lying during a sworn statement would be a criminal offense. [REDACTED] then informed me that the children were, in fact, present at Joseph's residence.

I informed Cpl. A. Ballester of my findings.

Consent was obtained to search [REDACTED] vehicle, where an open bottle of Cinnamon Whiskey (Fireball) was located directly next to the driver's seat, along with a 12 pack of beer, 3 of which were missing. 1 empty can was located, still cool to the touch.

I requested Cpl. R. Thomas and D/S Trainee S. Lopez-Acosta respond to Mr. Joseph Maness' place of residence to interview him and canvass for witnesses or cameras which would capture any and all instances of the children's presence. Please refer to their supplement for their findings.

I informed [REDACTED] of her constitutionally protected rights in the form of a Miranda Warning. [REDACTED] acknowledged her rights. I requested [REDACTED] recount her day, to which she informed me of the following in substance:

[REDACTED] had taken the children to Joseph's residence every day after picking them up from school/daycare, and had stayed the weekend at Joseph's residence. She informed me that she had made up a bed for [REDACTED] in Joseph's residence, which was substantiated by the presence of a pillow and blanket within [REDACTED] car. [REDACTED] affirmed she was the only who drove her vehicle, all images captured via FLOCK cameras would have been instances of her driving. It is noteworthy [REDACTED] affirmed she received notice of her license being suspended on or about 08/13/2026.

[REDACTED] then recounted the act of Dating /Domestic violence which transpired this evening. [REDACTED] account of events was consistent with her story from earlier.

[REDACTED] informed me she drank some of the fireball and approximately 2 beers.

NARRATIVE (Continuation)

████ informed me the children were present when this photo was taken despite not being visible. █████ informed me that she had Joseph saved in her phone as Gabe A due to a jealousy issue; I was allowed to review text messages which depicted numerous texts between Joseph and █████

Based upon the facts and circumstances known to me at this time, I find probable cause for a violation of an injunction (chapter 39), as █████ intentionally and willfully, with flagrant disregard for █████ welfare, took them to the residence of an individual which is prohibited from being near the children.

It is also noteworthy that █████ failed to properly secure either car seat. █████ was only buckled across the chest, which led to her laying effectively flat where the shoulder straps and chest guard were extremely close to her throat. Both seats were improperly secured to the backseat, she admitted to consuming alcoholic beverages before traveling with █████ in this manner.

I spoke with the Florida Department of Children and Families who advised me they will begin removal proceedings to ensure the children's welfare. While speaking with their supervisor, she provided me with two phone numbers for individuals listed on the safety plan, Amy and Tiffany. Amy was unable to come retrieve the children. Tiffany was contacted, who responded to the scene and took custody of the children for the remainder of the night.

Deputy Dyes Investigation Report

On September 7 2026, at approximately 2306, Corporal Chamberlain and I responded to assist Corporal Ballester with a traffic stop.

I arrived and made contact with █████. She had her children █████ who will be herein referred to as █████. We observed █████ sitting in a child seat with a seat restraint strung across him. Corporal Ballester requested █████ step out of the vehicle to speak with us. █████ lepped to the rear of her vehicle and was extremely emotional. █████ informed me she was in an altercation with █████ who she identified as Joseph Maness. █████ stated the argument started after her, Joseph █████ had dinner. It began over her possibly cheating. Joseph became aggravated and pulled her by the hair, hit her in the back of the neck, grabbed her arm, and pushed her down the stairs. I observed no visible injuries to her neck, however, I did observe fresh redness on her left pinky toe and fresh scratches on her arm. I was unable to determine if the scratches were related to the battery. █████ declined medical attention.

I inquired further about the children and their role within the argument. █████ stated the children remained outside in the truck [Joseph's Aunts truck] while they █████ and Joseph were arguing.

████ consented to a search of her vehicle. Within the vehicle we located an open fireball container, a twelve pack of beer with cans missing, and a beer can that was crushed. It should be noted the crushed beer can still had condensation on the outside. Also, in the vehicle we discovered a vast number of roaches. While searching the

vehicle I observed the child restraint seats were not properly installed.

Upon a second interview [REDACTED] initially lied and stated the children were with [REDACTED] Betty Perkins. Betty arrived and confirmed that the children were not in her custody. [REDACTED] then swore to tell the truth. At that point [REDACTED] admitted the children were with her and Joseph.

Within the text messages it showed Joseph who was labeled as "Gabriel A", inform [REDACTED] not to drive as she was not in good shape, had a suspended license, and no insurance on the vehicle.

Through a post Miranda interview [REDACTED] stated that she did know her license was suspended [REDACTED] further informed us she knew the Chapter 39 injunction was active and Joseph was not supposed to be in contact with the children [REDACTED] confirmed she was at the residence with the children every day after school for the past week. Flock Safety records confirmed this. Below are the list of dates and times [REDACTED] vehicle was captured on Flock in the location of where Joseph lives. It should be noted [REDACTED] confirmed she is the only one who drives the vehicle and has no other reason to be in the area where Joseph lives.

- 09/02/2026 at 1919 hours
- 09/03/2026 at 1902 hours

I had no further involvement in this case.

and if he could explain what they were arguing about. Mr. Maness stated the following in substance: She showed up at his residence and started drinking on the front porch. He did not do anything to her and they only had a verbal argument. He left the residence for about one and half hours because he did not want to be there with her as the argument escalated. When he came back, she was gone. The kids were not there, and he had not seen them. He was aware of the injunction and knows he can't be around the kids. He did not want to go back to jail. He continued to deny the kids had been there at all, due to the fact he would be in violation of the injunction.

I made contact with Caitlin and Devin Morris, who lived beside Mr. Maness on lot 272. They stated the following in substance: Saturday night, they heard [REDACTED] and Mr. Maness screaming at each other, at one point they heard a loud noise and everything went quiet. They both mentioned seeing the kids at the residence multiple times. The last time they saw the kids was on Tuesday September 1st. They described the [REDACTED] Caitlin remembered the [REDACTED] and on at least two occasions, he came over and hugged her.

The next-door neighbor on lot 274, identified as Robert Ellendorf, stated the following in substance: He heard what he believed were kids in the next-door trailer [REDACTED] was also seen going to her car on several mornings with [REDACTED] was typically outside at approximately 0800 hours, taking the child to her car.

All information gathered during my investigation was relayed to Corporal Ballester, who later advised he had established probable cause for Joseph's arrest. He requested I take Joseph into custody on his behalf.

Joseph Maness was then arrested and transported to the Indian River County jail without incident.

My agency body worn camera was active.

This concludes my involvement in this case.

Based on the totality of the circumstances, I find probable cause to charge Joseph Maness, with the following.

1. Battery touch or strike (domestic violence), consistent with F.S.S. 784.03.1a1.
2. Violation of injunction, consistent with F.S.S. 784.047.
