**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00073348****NARRATIVE**

On July 10, 2026, at approximately 0558 hours, I arrived in the area of U.S Highway 1 and Highland Drive, in reference to a vehicle that was parked in the middle of the roadway with an unresponsive driver. Upon my arrival, Vero Beach Police Department's Officer Covarrubias #450 was parked behind the vehicle with his agency issued marked patrol vehicle's emergency red and blue lights activated.

Officer Covarrubias advised me he had been parked behind the vehicle for a couple of minutes and the driver was unresponsive with the car running. I observed the vehicle, which was a silver 2022 Hyundai Elantra that bore a Florida license plate of SFQU43. I parked my agency issued marked patrol vehicle directly in front of the Elantra and activated the emergency red and blue lights. I instructed Officer Covarrubias to pull up directly behind the Elantra, which he did.

I then approached the front driver door of the vehicle and observed the driver, later identified as Dylan Harley, unresponsive and sitting in the driver seat of the vehicle. I saw Dylan's foot was on the brake of the vehicle, the vehicle was still in drive and running, and the key fob was on the driver side where the control panel for the windows were.

I then knocked on the window and door of the vehicle three times. On the third time, Dylan began looking around and seemed confused. I immediately stated "Sheriff's Office" and told Dylan to keep his foot on the brake pedal and to put the vehicle in park. At this point Dylan had not responded to any of my commands and was looking around. I knocked on the door of the vehicle once more and told Dylan to put the vehicle in park again.

Dylan still refused to listen to my commands, so I told him to roll his window down. Dylan did not roll his window down, so I told him to roll his window down again. Dylan still did not roll his window down, so I knocked on his door again and told him to roll down the window once more. At this time as well, Officer Covarrubias was at the front passenger window of the vehicle and was knocking on the front passenger window and yelling to get Dylan's attention and telling Dylan to put the vehicle in park.

During this time, Dylan was still looking around and refused to listen to commands. I told Dylan in a very loud manner that this was a traffic stop at this point and he needed to roll the window down or else I would break his window. Dylan still did not roll the window down so I knocked on the window once more and told him to step out of the vehicle twice. Dylan just stayed in his vehicle and looked straight ahead so I said "Sheriff's Office, step out of the car" once more. Dylan still did not listen to commands.

D/S D. Moore later arrived on scene of the traffic stop and knocked on the window too and told Dylan to roll the window down. I then said once more I'm going to break the window and began to reach for a tool and Dylan rolled the window down. Once Dylan's window was rolled down D/S D. Moore told Dylan to open the door of the vehicle and I told Dylan to open the door and get out of the vehicle.

Dylan then mumbled something in response and his speech was slurred. I could smell the odor of an alcoholic

beverage emitting from Dylan's breath. Dylan then began rolling the window back up. I told Dylan he was going to be arrested and grabbed onto the window and was able to keep the window from rolling back up. I tried to open the car door but the door was locked. I was able to reach into the vehicle and unlock the car. I opened the car door and told Dylan to get out of the car. Dylan had his seat belt on and was mumbling "you have no right to" and he was not making any effort to get out of the vehicle. Dylan took his foot off the brake pedal and his vehicle moved at a slow rate of speed and the front of his vehicle bumped the rear of my agency issued marked patrol vehicle.

At this point, I entered the vehicle and took Dylan's seat belt off for him. As I was taking off Dylan's seat belt, I told him three times to get out of the vehicle as he continued saying "you have no right to". I then grabbed Dylan's left arm and removed him from the vehicle and redirected him towards the ground and Dylan kept saying "what the fuck". Dylan was immediately placed into handcuffs. Dylan asked why he was getting arrested and he was told he should have stepped out of the vehicle when he was ordered to and he said no one told him to do that.

Once Dylan was handcuffed, Officer Covarrubias was able to get Dylan's vehicle into park. Dylan asked if he could stand up and he was told no. Dylan then rolled to his side, stood up, and was moving away from where he was laying down, therefore, he was redirected back to the ground. Dylan became belligerent at this time and was asking why he was stopped in the first place. Dylan was then placed into D/S D. Moore's agency issued vehicle.

At this point, D/S D. Moore informed me he was speaking with Dylan and he could smell the strong odor of an alcoholic beverage emitting from his breath as Dylan spoke. D/S D. Moore informed me he attempted to verbally advise Dylan of his Miranda Rights, but Dylan said he did not understand them.

I later went back to D/S D. Moore's vehicle and attempted to speak to Dylan. I rolled down the window and tried to speak with Dylan but he became upset and questioned everything that just occurred. While speaking with Dylan, I noticed his eyes were glossy and slightly red.

Dylan then requested to make a phone call and when I opened my car door to place him in the vehicle, he did not get into the vehicle so I had to place him in my vehicle. As I tried putting the seat belt on Dylan, he was trying to sit up and tensed his body and D/S D. Moore told Dylan to stop tensing and restricting me from putting on his seatbelt. Due to Dylan actively resisting numerous commands and him being belligerent, I did not feel it was appropriate to attempt to conduct standardized field exercises with Dylan at this time.

Dylan was later transported to the Indian River County Jail. During the transport, Dylan was continuing to be belligerent. Dylan called me things such as "faggot and bitch" and he kept trying to antagonize me. Once at the jail, I asked Dylan if he would complete standardized field exercises and he refused. The jail staff asked Dylan if he would complete a breath analysis due to there being a suspicion of him being under the influence and operating a motor vehicle on a public roadway and he refused as well. Dylan then became belligerent with the jail staff.

D/S D. Moore remained on scene of the traffic stop and completed a vehicle inventory of Dylan's vehicle since it

was being towed. D/S D. Moore located a box of Surfside vodka mixed teas in the vehicle. The box of teas was open and a couple were missing.

NARRATIVE

On 10 July 2026, at approximately 0810 hours, Corporal Portocarrero and I received a call from [REDACTED]. The Public Safety Dispatch section (PSD) advised us [REDACTED] called and stated "Stop" "No you stop" and abruptly hung up the call. Moments later PSD was able to get [REDACTED] back on the line to establish a disturbance was occurring. The [REDACTED] was noticeable upset over the phone and was quoted saying "Get out."

We arrived at the location and made contact with the [REDACTED]. [REDACTED] stated that a male (Later identified as Horace Phillips) made entry into [REDACTED] home uninvited to argue about the [REDACTED]. [REDACTED] stated she had [REDACTED] on speed dial for when he entered. Upon Horace entering [REDACTED] however, the phone was taken from [REDACTED] hands and thrown approximately 2 feet away. [REDACTED] was able to [REDACTED]. While on the secondary call [REDACTED] stated Horace was leaving the residence in his vehicle. [REDACTED] went on to state Horace has an active lease at the residence and still has personal items inside the home. [REDACTED] also advised me Horace stays at his mother's house on 421 10th CT.

I completed a domestic violence lethality assessment where I found [REDACTED] to not be in a lethal situation. [REDACTED] was provided with a Victims Rights and remedies pamphlet.

We proceeded to the last known location and made contact with his brother Trey Phillips who stated he was at work. We were able to make contact via phone with Horace who stated he would come speak to deputies at his mother's house.

Upon Horace's arrival I provided a Miranda warning at which point he stated he understood his rights and was willing to speak with deputies regarding the incident that took place. Horace stated that nothing was physical. Horace stated he did know [REDACTED] upon entering the residence. Horace also stated he took the phone because he "Just wanted to talk."

Based on the facts above I found probable cause that Horace Phillips did and knowingly violate Florida State Statute 914.22(e); by admitting he removed the phone from [REDACTED] hands as [REDACTED] was

NARRATIVE

On Friday, July 10, 2026, at approximately 1017 hours, I responded to [REDACTED] in reference to a disturbance that just occurred.

Upon arrival, I made contact with the victims [REDACTED] stated, Jessica McCraine, arrived at [REDACTED] residence at 0700 hours this morning. [REDACTED] said [REDACTED] has been helping McCraine as she has been suffering from homelessness, and [REDACTED]

[REDACTED] stated McCraine began to yell at another house guest, [REDACTED] to get out of her house. [REDACTED] stated [REDACTED] has every right to be in the home, and asked McCraine to leave [REDACTED] residence.

[REDACTED] stated [REDACTED] tried to separate McCraine from [REDACTED] when she hit and pushed [REDACTED] chest.

[REDACTED] said McCraine left on foot, walking towards State Road 60.

I observed a minor abrasion on [REDACTED] head that was bleeding. I also observed redness on [REDACTED] left chest area.

Contact was made with McCraine in the wooded area near the residence. McCraine was advised of her Miranda Rights to which she stated she understood and was willing to speak to me.

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-003625

REPORT DATE: 07/10/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/10/2026**, at **12:17** (Specifically include facts constituting cause for arrest.)

On **07/10/26** I, **Ofcr. S. Gonzalez (471)**, was traveling east on 20th Street, approaching 20th Avenue, when I observed the Defendant traveling in a black pickup truck in the center lane to my left.

What drew my attention to the Defendant was that he was not wearing his seatbelt. The Defendant was wearing an orange long-sleeve t-shirt, and I further noted that no seatbelt harness was contrasting against it.

I initiated a traffic stop by activating the emergency lights on my fully marked police vehicle. The Defendant then turned onto northbound 16th Street and pulled into the parking lot at the rear of ABC Printing, located at 1547 20th Street in the City of Vero Beach.

I exited my police vehicle, approached the Defendant's vehicle on the driver's side, and noted upon making contact that he was the sole occupant and driver of the vehicle.

I asked the Defendant for his license and registration, to which the Defendant stated that he wanted to be honest and informed me that he did not have a license because it was suspended. He was unable to tell me how many suspensions he had or the nature of them.

The Defendant provided me with a State of Florida-issued identification card, with which I positively identified the Defendant.

Upon conducting a driver's license check, I discovered that the Defendant's license was suspended as follows:

Based on the foregoing, as well as the Defendant's admission to knowingly operating a motor vehicle upon a road/highway of this state, I placed the Defendant under arrest and informed him accordingly.

The foregoing occurred within the City of Vero Beach, Indian River County, Florida. The stop was recorded with the use of my body-worn and in-car video cameras, the footage of which was subsequently uploaded to a secure server.

The Defendant was issued UTC no. AMZ983E for the seat belt violation and criminal UTC no. AMZ984E for knowingly driving while license suspended.

Arrest Affidavit Report

Case Report # 2026-00073696

NARRATIVE

On Friday, 07/10/2026, at approximately 1959, I was dispatched to 1885 58th Avenue, Vero Beach, Florida 32966 (Home Depot), in reference to a shoplifting investigation.

The caller advised the Indian River County Sheriff's Office [REDACTED] that a white female with purple hair and a yellow tank top was concealing items from the store inside a black handbag (later identified as Jasmine Marie Sartin). Upon arrival I positioned myself at the main entrance waiting for Sartin to exit the store. I was later notified that Home Depot's lost prevention had confronted Sartin when she attempted to exit and that Sartin was currently inside the loss prevention office.

I made contact with Sartin inside the store walking towards the exit and escorted her back to the loss prevention office. Loss prevention agent Regina Melendez advised me that she recovered all the property that was taken, the total amount of the property was \$90.93. Sartin provided me with an itemized receipt and was emailed an Axon Capture link for the security camera footage.

I advised Sartin of her Miranda rights, which she voluntarily waived and agreed to speak with me. Sartin stated that she made arrangements with another male (who she refused to name) that if she stole select items and brought it back to him that he would give her the money for them. Sartin stated she had no intention of paying for the items that she concealed in her bag. Sartin advised me that she shoplifts for people and gets paid for the items in order to make money and survive because she is currently homeless.

During the course of this investigation, Sartin concealed merchandize from the store with the intent to temporarily or permanently deprive the store of the merchandize and its procedures. Sartin had bypassed all points of sale without any intention of paying for the concealed items.

Based on the totality of the circumstances, I placed Jasmine Marie Sartin under arrest for the following offenses:

- F.S.S. 812.015 – Misdemeanor Retail Theft.

Sartin was transported to the Indian River County Jail without further incident.

Arrest Affidavit ReportCase Report # **2026-00073692****NARRATIVE**

On Friday, July 10th 2026 at approximately 1944 hours Corporal Thomas and I were dispatched to Walmart at 5555 20th Ave Vero Beach FL 32966 for a disturbance and a possible shoplifting. Dispatch advised that the suspect was in a silver Mercedes parked in a handicap spot in row 8.

Upon arrival Loss prevention was on the side walk pointing to the vehicle where, I located the silver Mercedes bearing FL tag of LJSE18 parked in a Handicap spot row 8. I made contact with the driver Cheryl and passenger Venice. Cheryl stated that she was upset the loss prevention associate had accused her of stealing some chicken. Loss prevention walked out and met with us in the parking lot and provided a receipt for all the unpaid merchandise.

Corporal Thomas and I went inside to see the cart with the unpaid merchandise and review the camera footage. I watched the self-checkout camera where I witnessed Cheryl and Venice, walk up to the self-checkout. I observed the self-checkout show the error screen and not the normal screen when scanning items. Cheryl was putting items near the scanner but not over the scanner. It should be noted, even if the items were placed over the scanner, they would not have scanned due to the displayed error screen. Additionally, due to the error screen displayed, there would not have been any audible feedback from the machine confirming the items scanned appropriately. A sales associate walked up and showed her that she had only scanned 3 items and nothing else. Neither Cheryl or Venice rescanned any of the items. Venice swiped her card then entered what appeared to be a single \$1 bill. They took the cart with the unpaid merchandise and proceeded to walk out of the store passed all points of sale. Loss prevention met them at the exit and confronted them about the discrepancies. Cheryl and Venice left the cart of unpaid items then left the store. The loss prevention associate showed me the receipt for the items that were not paid for that totaled \$125.43. A community link was sent to the loss prevention associate to preserve the video surveillance footage.

The Walmart loss prevention associate advised the wanted to pursue charges on Cheryl only and wanted both Cheryl and Venice trespassed from Wal-Mart at 5555 20th Ave Vero Beach, FL 32966. I filled out trespass orders for both Cheryl and Venice and provided them their copies.

I walked back outside and talked to Cheryl who made the statements that Venice had paid \$33. I advised her the items in the cart that were unpaid totaled \$125.43. I advised Cheryl she was under arrest for petit retail theft and placed her in handcuffs behind the back, they were checked for fitment and doble locked.

Arrest Affidavit Report

Case Report # 2026-00073714

NARRATIVE

On July 10th, 2026, at approximately 2119 hours, I responded to Walmart, located at 5555 20th Street, Vero Beach, Florida, in reference to a shoplifting incident.

Upon arrival, I made contact with loss prevention employee Sara Ingo, who provided the following information in substance:

Aidita Cristina Gonzalez Ayoroa was observed on surveillance video at a self-checkout register with a shopping cart containing numerous food items, as well as a large fan and a large tent located on and underneath the shopping cart. Ayoroa appeared to be scanning items; however, what drew the attention of the asset protection team was that she made no attempt to scan the large items located underneath the shopping cart. Additionally, she did not move the items she appeared to have scanned from the shopping cart onto the checkout area, making it difficult to verify whether those items had actually been scanned.

Furthermore, a self-checkout associate assisted Ayoroa several times with items that were not properly scanned. During the process, the associate identified and corrected multiple items that had not been scanned. After Ayoroa completed her transaction and passed all points of sale, she was stopped by the asset protection team at the exit and escorted to the loss prevention office. There, asset protection personnel recovered twenty-five items from her possession that had not been purchased, which totaled to \$300.96.

I then advised Ayoroa of her Miranda rights, which she stated she understood and agreed to waive. Ayoroa stated that she had scanned the items and believed everything had been paid for. She further stated that she was confused because she kept receiving "declined" alerts on her phone while attempting to complete the transaction. When asked to show me the alerts, I observed several notifications indicating declined transactions from Walmart, as well as one completed transaction in the approximate amount of \$30 that had been deducted from her bank account.

Based on the totality of the circumstances, I took Ayoroa into custody and transported her to the Indian River County Jail without incident for the following charge:

1. Shoplifting/Retail Theft, in violation of Florida Statute 812.015.

REPORT DATE: 07/11/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/10/2026** , at **23:07** (Specifically include facts constituting cause for arrest.)

On 7/10/26 at approximately 2307 hours, I, Officer W. Brumley responded to 1506 14th Ct in reference to a disturbance.

Upon arrival, I made contact with the complainant, identified as Ricardo Jimenez, who stated a hispanic male, later identified as Jose Hernandez, was not supposed to be on the property and hit the complainant. The complainant then stated he did not wish to press charges and knows the males uncle lives in a another part of the house.

It should be noted this was all translated through Cpl Dominguez due to no one being able to speak english.

We made contact with the male's uncle, identified as Lorenzo Ramirez (defendant), to confirm he was allowed to stay with him on his side of the house. After logging Lorenzo's information with VBPD communication, they advised he had an active warrant out of Indian River County. Warrant# 202302651. At 2348 the defendant was detained pending a hit confirmation. At 2352 hours the hit was confirmed.

The defendant was then placed under arrest for violation of FSS. 843.15B Failure To Appear and transported to the Indian River County Jail without incident.

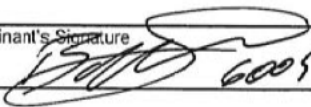

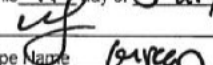

This incident was capture on my BWC and uploaded to Evidence Library.

Arrest Affidavit Report

Case Report # 2026-00073831

NARRATIVE

On July 11th, 2026, at 0443 hours, I responded to [REDACTED] in reference to a domestic violence incident.

Upon arrival, I made contact with the caller [REDACTED] who informed me that earlier in the day [REDACTED] had been involved in a verbal argument with [REDACTED] Constantino Vicente Jr. [REDACTED] stated that during the argument, Constantino was holding [REDACTED] in his arms when he punched a wall, causing the child to become upset and cry.

[REDACTED] stated that later in the evening, after exiting the bathroom, the verbal argument continued. [REDACTED] advised that [REDACTED] was lying in bed with [REDACTED] when Constantino entered the room and attempted to pick up the one-year-old child from the bed. [REDACTED] told him it would be best to allow the child to remain in bed and sleep. According to [REDACTED] Constantino became upset and struck [REDACTED] on the right side of [REDACTED] face. As a result [REDACTED] sustained redness and slight swelling around [REDACTED] right eye, as well as a small laceration to the interior of [REDACTED] lip, which was also slightly swollen.

Corporal J. Chamberlain interviewed Constantino, who denied ever placing his hands on [REDACTED]. Please refer to his supplement for additional information.

Based on the totality of the circumstances, including [REDACTED] sworn statement, the visible injuries observed, and the corroborating evidence obtained during the investigation, probable cause was established to believe Constantino committed the offense of Battery (Domestic Violence), in violation of F.S.S. 784.03(1)(a)1.

Constantino was subsequently taken into custody and transported to the Indian River County Jail without incident.

A query through the Indian River County Public Safety Dispatch confirmed that Constantino was actively on probation at the time of his arrest. Further investigation revealed that the Florida Department of Corrections (FDC) had placed Constantino on probation on July 10th, 2024, for Habitual Traffic Offender, under Case Number 2401904.

Due to Constantino committing a new law violation while on active probation, probable cause was established for a Violation of Probation (VOP). Constantino was charged with the following. Violation of Felony Probation, consistent with F.S.S. 948.06.

Arrest Affidavit Report

Case Report # 2026-00074159

NARRATIVE

On Saturday, July 11th 2026 at approximately 2215hrs, I Deputy Finkle and Cpl. Chamberlain responded to the area of the 6200th block of 20th Street to assist Deputy A. Ballester #6009 on a traffic stop.

Prior to my arrival, I observed over channel 1 that Deputy Ballester was assigned to a reckless driving complaint called in by a Witness, Mary. I then heard over channel 1 that Deputy Ballester located the vehicle and called out that it was swerving before conducting a traffic stop.

Once I arrived on location, I became primary for the traffic stop and approached the front passenger door jamb of a dark in color Toyota SUV bearing Florida registration (CL99ML) (VIN-JTLKT324X64085341). I observed the driver and sole occupant of the vehicle whom I identified as Wayne Powell (FL-P400893774630) by his Florida driver's license.

I was immediately met by a strong odor of an alcoholic beverage emitting from the vehicle. I observed Mr. Powell to have blood shot, glossy eyes and a dazed facial appearance. I began speaking to Mr. Powell and introduced myself. When informed that he was stopped due him swerving and driving behavior, Mr. Powell stated he was a little nervous, began pointing at his glove box and fumbling his words with no ability to facilitate a coherent sentence.

Mr. Powell's speech appeared slurred at which time I instructed him to turn the vehicle off and step out. Mr. Powell began asking about turning his vehicle on which again did not make sense. Once he was out of the vehicle, I positioned him on the sidewalk and continued speaking with him. I asked him what was the reasoning for his driving behavior to which he stated he lives in his car and just got a job. He then began advising his vehicle just had a new alternator on it and finishes his sentence with "And I had a drink, I'm sorry" as he put his hands over his head.

I then clarified with him that he had a drink and when asked what he drank, he stated he had vodka. When asked what kind of vodka his response was incoherent. He then advised the vodka was in the car and pointed in the direction of his vehicle.

Mr. Powell advised he was drinking the vodka while he was at his job approximately 1 hour from the time of conversation with me. Mr. Powell advised he was staying at and on his way to the Red Roof Inn as he pointed west on 20th St. Cpl. Chamberlain repositioned my patrol vehicle at which time I instructed Mr. Powell to walk to the front if it.

Once we were repositioned in-front of my patrol vehicle with the front emergency lights de-activated, I informed Mr. Powell of my suspicions of his impairment. Throughout the investigation thus far, Mr.

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00074159****NARRATIVE (Continuation)**

Powell had a strong odor of an alcoholic beverage emitting from his person that grew increasingly stronger as he spoke. I then asked Mr. Powell if he would be willing to conduct Standardized Field Sobriety Exercises to which he consented. I then began my pre-exercise questions.

Mr. Powell advised he was shot in his head twice, but was never diagnosed with a Traumatic brain injury, Concussion or head trauma otherwise. He advised his highest level of education is 8th grade and he does not wear contacts or glasses. Mr. Powell did advise that he has trouble seeing small objects. Mr. Powell stated he did not have any physical disabilities or injuries that would prevent him from walking, standing, turning or balancing. He also advised he is not diabetic, epileptic, dyslexic or color blind. I then began administering the Exercises.

HORIZONTAL GAZE NYSTAGMUS; I instructed him into the testing position, feet together, hands down by his side. Utilizing a black pen with a black tip, I asked if he could see it to which he stated yes. I then had him touch it with his finger. I advised that I would be moving it side to side, across his face and he is to follow it with his eyes only, keeping his head still. He stated he understood the instructions. I placed the stimulus approximately 12-15 inches from his face, slightly above eye level. I first checked for signs of head injuries or brain trauma. He had equal pupil size in both eyes, equal tracking in both eyes and did not have resting nystagmus. I then conducted the exercise which showed a lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes and onset of nystagmus prior to 45 degrees. I had to remind him to keep following the stimulus with his eyes due to him looking away from it during the exercise.

6 of 6 clues observed.

I then conducted Vertical Gaze Nystagmus which showed a positive indication in both eyes which can be an indicator of high blood alcohol content for that person.

WALK AND TURN; Mr. Powell was wearing slides/flip flops that he advised he was comfortable conducting the exercises in. Utilizing the white fog line that was flat and debris free with Mr. Powell agreeing as well, I explained to him the starting position for the Exercise. I advised once I instruct him, he is to place his left foot on the line, right foot directly in front, heel to toe. I then instructed him to keep his arms by his side and to not start the Exercise until instructed to do so. I informed him to remain in that position. Mr. Powell attempted to enter the starting position but immediately flailed his arms, lost balance and fell to his right. He continued to have difficulties getting into and maintaining the starting position. I had to instruct him multiple times back into it.

Once he was able to maintain the starting positioned, I then instructed him to take 9 heel to toe steps

down the white line. Once he reached his 9th step, he is to keep his lead foot on the ground and take a series of small steps until turned around. He was to then take 9 more heel to toe steps back down the line. I instructed him to look down at his feet, count each step out loud, keep his hands by his side, touch heel to toe each step and once he begins the exercise, he is not to stop until the exercise is complete. I then informed him I was going to demonstrate the exercise to which I did. I reiterated the instructions again at which time he stated he understood all of the instructions and had no questions to which I instructed him he could begin.

Clues: 5 of 8

Instruction Phase:

-Fell out of the starting position prior to starting multiple times

Walking Phase:

Mr. Powell began the exercise by taking only 4 steps before losing his balance and stopping. Within that attempt at the exercise, Mr. Powell showed 5 clues listed below:

- Stepped offline
- Used arms for balance
- Incorrect number of steps (4)
- Stopped walking
- Missed heel to toe

Mr. Powell then attempted to restart the exercise to which he only conducted 5 steps before losing his balance and stopping completely. He advised he had knee pain, was scared and stated numerous time he was going to "fail" even after being informed it was not a pass or fail exercise. Upon his 3rd attempt at conducting the exercise and stopping almost immediately, I had him move on to the one leg stand.

ONE LEG STAND; I then advised the next Exercise was going to be the one leg stand. I instructed him into the testing position which consisted of placing his feet together and hands down by his side. I informed him that when told to begin, he is to pick either foot of his choosing and raise it approximately 6 inches off the ground, keeping his foot parallel to the ground. He is then going to look down at his

raised foot and count out loud in a manner of one thousand one, one thousand two, one thousand three and so on until told to stop. I instructed that he is to keep both legs straight, look down at his raised foot and keep his arms by his sides the entire Exercise. I demonstrated the test for him to which he advised he understood the instructions and did not have any questions. I then utilized a 30 second timer and instructed him to begin.

Clues:

3 of 4

Mr. Powell began by raising his right foot slightly, raised both arms from his side and placed his foot down at the approximate 5 second mark of the exercise. He began complaining about his knee to which he attempted to start the exercise again. Mr. Powell again raised both arms, kept both knees bent and placed his foot down a few seconds into the exercise at which time the 30 seconds had elapsed.

-Put foot down

-used arms for balance

-swayed

I then conducted the finger to nose dexterity exercise. Upon providing the instructions and informing Mr. Powell he could begin; he missed his nose completely by touching the bridge of his nose. He then conducted the exercise incorrect the remainder of the it by missing his nose with the tip of his finger each time.

Due to all of the indicators present, I placed Mr. Powell in custody for operating a motor vehicle while impaired. Upon an inventory of the vehicle, an opened, half empty bottle of vodka was located. I then transported him to the Indian River County Jail where Deputy M. Rodriguez conducted intoxilyzer 8000, ultimately showing me the printed certificate of analysis showing a .0244 and .0232 Grams per 210 liters of breath.

Mr. Powell was subsequently charged with the following offense:

F.S.S- 316.193.4 DUI with a BAC over .15

Arrest Affidavit Report

Case Report # 2026-00074170

NARRATIVE

On July 11, 2026, at 2250 hours, while traveling East Bound on County Road 512 towards US Highway 1, which was failing to maintain a lane.

The vehicle in question was a black Dodge Ram bearing Florida Tag DQ86MM. While traveling East bound on County Road 512, I observed the vehicle swerving failing to maintain it's lane. The vehicle continued over the railroad tracks and continued to swerve out of the lane. The vehicle then made a right-hand turn onto US Highway 1, where it again swerves out of the lane.

Based on my observations, I proceeded to conduct a traffic stop on the above vehicle at Indian River Blvd and US Highway 1. The vehicle came to a stop and I approached the vehicle from the passenger side window.

I knocked on the front passenger door and observed the driver and sole occupant of the vehicle, lower the front driver side window and then closed it. I knocked on the passenger side window and the driver lowered the rear passenger side window and then closed it. The driver then lowered the front passenger side window and a strong odor of an alcoholic beverage emitted from the vehicle.

The driver, a female subject, began looking around her vehicle and appeared to have slow motor skills. She gave me her driver's license and began to explain she swerved due to trying to lower the vehicle's radio down (the sound). The female began talking about what she was currently going through and she would repeat herself and slur at times. Based on my observations, the driver was asked to step out of the vehicle.

The driver was identified as Alexandra Boucher.

Once Alexandra stepped out of the vehicle, she walked like she was off balance. Alexandra was asked if she had anything to drink tonight and advised she had one drink at Earl's tonight.

Alexandra stated she had no issues doing field sobriety exercises, but did advise she had bad knees. Based on Alexandra's comments of having bad knees, she was asked to perform modified exercises.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed a lack of smooth pursuit in both eyes, distinct and sustained Nystagmus at maximum deviation in both eyes, and Nystagmus prior to 45 degrees in both eyes. Vertical gaze Nystagmus (VGN) was not observed. During this exercise, Alexandra had to be reminded to follow the stimulus with only her eyes as she began to move her head and she swayed from side to side.

Alexandra had difficulty keeping her balance and she began to fall over to her right-hand side. Due to this an officer was asked to stand behind her in case Alexandra fell.

The second exercise demonstrated and explained was the Finger to Nose exercise. During this exercise Alexandra forgot to return her hands down to her side and had to be reminded. As she continued, she had a slow reaction

returning her hand down to her side or would miss touching the tip of her nose.

The third exercise demonstrated and explained was the Modified Romberg Balance exercise. During Alexandra's first attempt she made it to 30 seconds before she opened her eyes, bent forwards and grabbed a hold of her legs. Alexandra then closed her eyes and stood there with her eye closed of an additional minute before stating she could not do it anymore.

Based on the totality of the circumstances, Alexandra was placed under arrest and transported to Indian River County Jail for DUI.

Once at the jail, Alexandra provided two lawful breath samples to booking staff. Her first breath sample was 0.060 and her second breath sample was 0.063

Based on Alexandra's actions combined with the two breath samples, Alexandra level of intoxication did not match that of the breath samples. Due to this a Drug Recognition Expert was contacted. Alexandra was asked if she would provide a urine sample to which she stated she would. She also stated she wish to write a list of all the medication she is currently on. A urine sample was collected from Alexandra.

Drug Recognition Expert Deputy Hackett arrived on scene and did a drug influence evaluation. Deputy Hackett stated Alexandra was impaired by a CNS Depressant and was unable to operate a motor vehicle safely.

REPORT DATE: 07/12/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **07/11/2026** , at **23:11** (Specifically include facts constituting cause for arrest.)

I assisted with a disturbance that took place at Jaycee Park (4100 Ocean Drive) in reference to a male that left his girlfriend at the beach and left in a silver Nissan Sentra which contained her personal documents. The girlfriend was identified as Rachel Otolé (B/F DOB: 09/15/1997). Ofc. Kriegner was on scene making contact with Otolé and advised over the radio that her boyfriend's name was Gabriel Johnson (W/M DOB: 11/26/1997) and his last known direction of travel was south bound on SR-A1A.

I then began driving east bound over the Merrill Barber Bridge when I observed a silver Nissan Sentra traveling westbound over the bridge. I conducted a U-Turn heading west bound and eventually began traveling behind the Nissan when it made a right turn and headed northbound on Indian River Boulevard. While behind the Nissan, I observed the vehicle fail to maintain its lane of travel multiple times, press on the brakes several times [it illuminated the rear tail lights], and continuously change its lane of travel. Upon conducting a query search of the vehicle's Florida license plate on ELVIS, it displayed the registered owner to be a Gabriel Johnson (B/M DOB: 11/26/1997).

Based on these observations and confirmation that the vehicle was registered to the male involved in the disturbance, I conducted a traffic stop on the silver Nissan (FL tag # 61ELIV) at the 4000 block of Indian River Boulevard.

Upon exiting my patrol vehicle, the driver immediately opened the front driver side door and exited the vehicle. I then told the driver to remain in the vehicle and made my approach from the driver side. While speaking with the driver, he verbally identified himself as Gabriel Johnson and stated he did not want to go to jail. Johnson stated he was recently released from detox and knew he had issues with his drivers license. Johnson provided me with a Massachusetts drivers license which I provided to dispatch. Johnson then forgot he had provided me with his Massachusetts license and stated he had lost it. Johnson also stated he was not from Florida and then continued stating he did not want to get in trouble and requested to park his vehicle across the street.

In speaking with Johnson, I noticed he had red and watery eyes, I smelled a moderate odor of an alcoholic beverage emanating from his person, and his speech was slurred. Johnson declined to answer whether he had consumed any alcoholic beverages stating, "I'm not going to admit to anything." However, he voluntarily requested to perform the Standardized Field Sobriety Exercises.

I asked the Johnson if he had any illnesses, pain, or disabilities to which he denied. Johnson stated he took [REDACTED] and stated he was unsure whether he should be consuming alcohol while on the medication. Johnson mentioned he uses glasses however he did not have them with him.

I then began the Standard Field Sobriety Exercises. Each exercise was demonstrated and explained to Johnson prior to having him perform them and he stated that he understood them. Johnson was given the option to keep his shoes on or remove them for the exercises. Johnson kept his shoes on.

The results of the field sobriety exercises are as follows:

HGN (Horizontal Gaze Nystagmus)

- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes)
- Slight head movement

WALK AND TURN

- Did not remain in starting position during instruction phase
- Began exercise prior to being instructed
- Interrupted during instruction phase
- Did not count as instructed
- Used arms for balance at the beginning
- Missed some heel-to-toe
- Stopped while walking

ONE LEG STAND (Right Leg)

- Began exercise prior to being instructed

Based on the foregoing, I placed the Gabriel Johnson under arrest at 2337 hours, for Driving Under the Influence (DUI) and informed him accordingly.

Johnson was placed in the Indian River County Jail Intox Room under video surveillance. After an approximate 20 minute observation period (observation began at 0001 hours on 07/12/2026), I asked Johnson if he would provide a sample of his breath for the purpose of determining its alcohol content to which he agreed. At approximately 0035 hours, Johnson provided the first sample which read 0.122 g/210L but the instrument then detected an RFI at approximately 0035 hours. The two samples were conducted again based on this detection.

At approximately 0041 hours, Johnson provided a sample of 0.116 g/210L and another sample at 0044 hours of 0.115 g/210L.

I then read Johnson his Miranda Warning from a prepared text. Johnson stated he understood and declined to speak with me.

REPORT DATE: 07/12/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **07/11/2026** , at **00:27** (Specifically include facts constituting cause for arrest.)

On July 11th, 2026, at approximately 2125 hours, I responded to [REDACTED] in reference to a disturbance.

Upon my arrival, other officers were already on scene. I made contact with a [REDACTED] who was identified as [REDACTED] [REDACTED] stated in summary that today [REDACTED] who was identified as Dean Stevens, came home after fishing extremely intoxicated. [REDACTED] said Dean started to break things. [REDACTED] then asked Dean to stop. [REDACTED] asked Dean to go to his room for the night. [REDACTED] said that [REDACTED] went to give Dean a hug to try and console him, but he "bowed up". [REDACTED] demonstrated what "bowed up" means. [REDACTED] had fists clenched, arms stiffened, and chest popped out in a fighting stance. [REDACTED] stated that Dean then came from behind [REDACTED] and put [REDACTED] into a rear chokehold, described as his hand coming across the front, triangulating around [REDACTED] neck, placing his forearm and bicep on opposite sides of [REDACTED] neck when tightening the forearm and bicep, creating pressure, depleting blood and oxygen to [REDACTED] brain, causing [REDACTED] to lose consciousness.

It should be noted that [REDACTED] did have red marks on [REDACTED] neck, which is consistent with [REDACTED] neck being squeezed by Dean's arm. [REDACTED] also had blood all over [REDACTED] person, which [REDACTED] stated was [REDACTED] blood.

When [REDACTED] regained consciousness, [REDACTED] went into the laundry room, and [REDACTED] mother came in there to make sure [REDACTED] was ok.

Ofc. Barton stated that during his interview with [REDACTED] [REDACTED] stated in summary that [REDACTED] Dean had come home intoxicated and was verbally combative to [REDACTED] went into [REDACTED] room and heard noises in the living room, where [REDACTED] came out and saw [REDACTED] on the ground crying, and [REDACTED] neck had red marks. Dean then grabbed [REDACTED] by the arm and told [REDACTED] that he was going to "fuck up" [REDACTED] [REDACTED] stated that Dean then started getting into an altercation with [REDACTED] and the two exchanged multiple punches.

Both males left the scene before officers arrived. [REDACTED] provided both written and verbal sworn statements which stated the following: While in the backyard, Dean approached [REDACTED] in an aggressive manner and yelled "You want some?". Dean then began to swing a [REDACTED] with closed fist. [REDACTED] began to defend [REDACTED] by returning punches. The two continued the physical altercation until one of [REDACTED] defensive punches landed on Dean's face, causing Dean to fall unconscious. [REDACTED] did not engage Dean further and walked away. Upon Dean regaining consciousness, he got up and chased after [REDACTED]. Upon reaching [REDACTED] Dean again began to swing closed fist punches at [REDACTED] and [REDACTED] again punched back, defending [REDACTED]. During this, the two fell to the ground where the physical altercation continued. Again, one of [REDACTED] punches rendered Dean unconscious. At this [REDACTED] again walked away from Dean. Upon waking, Dean again chased after [REDACTED] who was now trying to pack up [REDACTED] belongings to leave the residence. Dean again swung at [REDACTED] again defended. During this, [REDACTED] got in between the two; breaking up the fight. [REDACTED] again walked away. While [REDACTED] was in a back bedroom, Dean again approached him. [REDACTED] backed away from Dean, trying to get away from him. At the doorway between the bedroom and bathroom, Dean began to swing at [REDACTED] again defended. [REDACTED] threw Dean to the floor, with [REDACTED] landing on top of him. The fight continued until Dean again fell unconscious from one of [REDACTED] defensive punches. Again [REDACTED] got up and walked away. As [REDACTED] was packing [REDACTED] belongings into [REDACTED] truck, Dean again awoke and tried to confront [REDACTED]. This was prevented by [REDACTED] blocking Dean's access to [REDACTED] [REDACTED] was able to use this opportunity to get into [REDACTED] truck and drive away before another physical altercation ensued.

It was determined that all of [REDACTED] actions were considered justified self-defense.

During the investigation, it was learned that [REDACTED] had recorded video of this incident. One of the small video clips, shows Dean aggressively approaching [REDACTED] while inside the residence. Dean is observed swing closed fists at [REDACTED] causing [REDACTED] to punch back, defending himself.

After looking for Dean, he was then located at Orlando Health Emergency Room. Dean was read his rights, to which he stated he understood. When Dean was asked about what happened, he stated that he did nothing and that he was beaten up. Dean said he did not put his hands on anyone.

Due to the statements that were made, Dean was placed under arrest for 1 count FSS 784.041 Domestic Battery by Strangulation, 1 count FSS 784.03 (1A1) Domestic Battery, and 1 count FSS 784.03 (1A1) Battery. Dean was placed in mechanical restraints, which were checked for fit and double-locked. Dean was then transported to Indian River County Jail without further incident.

Arrest Affidavit Report

Case Report # 2026-00074326

NARRATIVE

On Sunday, July 12, 2026, at approximately 0950 hours, Corporal Portocarrero and I was dispatched by the Public Safety Dispatch Section (PSD) to the intersection of 65th Street and Preserve Way in reference to a disturbance involving two males. PSD advised the victim who was later identified as [REDACTED] had blood running down [REDACTED] face. PSD advised the caller verbally stated brass knuckles were used.

I responded to the scene and met with the caller who was identified by his Florida Driver License as Michael Joseph. Michael stated he was leaving the dump and observed [REDACTED] fall. This caused Michael to deviate from his initial destination. Michael further stated he saw another black male who was later identified as Brenard Jennings enter a truck towing a "white enclosed trailer with green lettering", Jennings drove into the neighborhood. Michael stated he yelled from the window to [REDACTED] and asked if he was ok. [REDACTED] Michael complied and notified the PSD and stayed on scene until Deputies arrived.

I arrived and observed [REDACTED] being loaded into the ambulance by the Indian River County Fire Rescue. [REDACTED] was transported to Cleveland Clinic.

After getting a description from Michael deputies began canvassing the last known location for the vehicle. Deputies located the vehicle at 4319 Largo Circle and observed the Jennings to be the only individual present and sole occupant of the vehicle. Jennings stopped working and made contact with me. I advised Jennings of his Miranda Constitutional Rights to which he acknowledged and waived his right to a lawyer. I asked Jennings what occurred, he stated "it started because [REDACTED] slammed the door." I further inquired further about the incident multiple times to which he stated "Whatever [REDACTED] said." Jennings was asked if he knew [REDACTED] to which he replied "yeah and I'm 72." Jennings was also asked if he used a weapon specifically brass knuckles to which he stated "No." Jennings did advise us that he was on Federal Probation. I continued to attempt to get a statement from Jennings however he was uncooperative about answering my questions. Jennings refused to answer anymore more questions. I placed Jennings in hand restraints and ensured they were double locked and safety checked.

Jennings was placed into my patrol car where I provided the option of wearing a seat restraint which he refused.

Due to Jennings' arrest an inventory for valuables was completed prior to the tow of his lawn maintenance truck and trailer. I located a Tow Smart trailer hitch in the front passenger seat and observed a fresh red substance which I know to be consistent with blood on bottom metal portion. I took pictures of the item via the Axon app and subsequently uploaded it to evidence.com. I placed the item into a brown paper bag and secured it in my vehicle where it was later placed into evidence for processing.

NARRATIVE (Continuation)

Jennings was transported to the Indian River County Jail.

Based on the facts and circumstances I believe Brenard Jennings did and knowingly violate Florida State Statute (FSS) 784.045 by intentionally and knowingly using a blunt object to strike [REDACTED] in the face causing bodily harm and FSS 784.08 because Jennings verbally stated under post Miranda Warning when asked if he knew [REDACTED] "yeah and I'm 72."

My Axon Body Worn Camera and Fleet 3 Camera in unit 2110 were activated during this incident.

This case is closed. Cleared by arrest.

AGENCY CASE #: 26-003787

REPORT DATE: 07/12/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **07/12/2026**, at **19:36** (Specifically include facts constituting cause for arrest.)

On 07/12/2026, at approximately 19:36 hours, VBPD Officers responded to [REDACTED] in reference to a resident who was exhibiting a knife and a handgun while threatening to hurt the caller. The caller, [REDACTED] (V1), described the suspect as a white male with a black shirt and brown pants. V1 also mentioned that the suspect resided in apartment 8.

Upon arrival contact was made with the [REDACTED] who were outside on the patio/sidewalk of the complex. I observed that the suspect (later identified as the defendant, Mr. Johnson) was sitting down on a lawn chair with a military "KA-BAR" knife in his hand. Cpl. Dominguez (ID 498) established communication with Mr. Johnson and had him place the knife down. Mr. Johnson was then moved away from the knife and asked to sit down. I then made contact with V1, who advised me that [REDACTED] called law enforcement and that he also [REDACTED]

V1 told me that [REDACTED] had just returned home and Mr. Johnson was outside. V1 stated that they had a normal conversation, which turned hostile as Mr. Johnson became angry with V1 for unknown reasons. V1 advised me that part of the argument involved a dispute about referring to their country, and the military service of the [REDACTED]. V1 told me that Mr. Johnson made derogatory comments towards [REDACTED], and Mr. Johnson accused V1 of causing issues with Mr. Johnson's girlfriend. According to V1, Mr. Johnson escalated things by brandishing weapons. V1 advised me that Mr. Johnson was armed with his knife, and that Mr. Johnson then retrieved what looked like a firearm from inside of his apartment (Apt 8). V1 told me that the firearm was a beige /brown handgun with a laser light attached. V1 added that Mr. Johnson made threats to hurt [REDACTED] while he was in possession of these weapons. V1 clarified that Mr. Johnson never directly pointed the firearm at [REDACTED] but Mr. Johnson did point the gun straight out and fired the gun to intimidate V1. V1 recognized that the firearm wasn't a real handgun, but was some form of a compressed air BB gun. In regard to the knife, V1 stated that Mr. Johnson made the threat to "kill [REDACTED] while he had the knife in his hands. V1 stated that Mr. Johnson never swung or pointed the knife at [REDACTED]

I then spoke with Mr. Johnson to obtain his account. When asked what happened, Mr. Johnson did not provide a lot of details; except that he did have an argument with V1. Mr. Johnson advised me that he did possess his military knife, which he was sharpening inside of his apartment at the time that this incident occurred. Mr. Johnson told me that V1 was instigating things with him, and that V1 inappropriately referred to the country in a negative way. Mr. Johnson said that V1's comments made him upset and he made comments back towards V1. Mr. Johnson also detailed a past incident where V1 caused an issue with Mr. Johnson's girlfriend, but I verified with Mr. Johnson that this female was not involved in today's incident because she was currently located in another state. Post-Miranda, Mr. Johnson was confronted with the allegations of assault. Mr. Johnson admitted that he has a compressed air handgun but denied the involvement of any firearms. Mr. Johnson also stated that he did not point the handgun nor the knife at V1. When asked if he pointed the gun anywhere else, Mr. Johnson did admit to "emptying" the CO2 cartridge by firing the handgun in a different direction.

Mr. Johnson stated the compressed air handgun was in his apartment, and he gave me authorization to retrieve it. I announced myself at the doorway of the apartment and opened the ajar door. I immediately observed a beige/tan handgun lying on the dining room table, within reach from the doorway. Upon closer inspection, this handgun was identified as a "Bryna SD" compressed air gun. I observed that there was a laser/light attached to the railing of the handgun, and the magazine was removed from the magwell of the firearm. At first glance, the compressed air gun strongly resembles a real handgun with a laser/light attachment. I then recovered the knife from the lawn chair and table located outside of Mr. Johnson's apartment. The knife had a black blade (approximately 6 inches long), with a brown handle.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **07/12/2026**, at **19:36** (Specifically include facts constituting cause for arrest.)

While speaking to V1 [REDACTED] advised me that he believed that Mr. Johnson was intoxicated and suffering a mental episode. V1 expressed that [REDACTED] wanted Mr. Johnson to receive help, and [REDACTED] advised me that [REDACTED] was also fearful of retaliation from Mr. Johnson if law enforcement did not intervene. V1 completed a written statement form. There were no independent witnesses at the scene that observed what occurred. The complex also did not have any surveillance cameras that captured the area where the incident occurred.

Based on the facts above, there is evidence that Mr. Johnson possessed a large knife in his hand at the time that he made threats to harm V1. During this altercation, Mr. Johnson also retrieved an air compressed handgun and inappropriately displayed it during the altercation. Mr. Johnson's actions invoked a credible sense of fear of harm to V1 with a deadly weapon. Mr. Johnson's actions were in violation of FSS 784.021(1a).

At 20:29 hours, I placed Mr. Johnson under arrest for aggravated assault with a deadly weapon (without intent to kill). At the time of his arrest, Mr. Johnson informed me that he does [REDACTED] from his military service.

Case Report # 2026-00074481

NARRATIVE

On July 12th, 2026, at approximately 2058 hours, I was located in the 600 block of 27th Ave. SW., Vero Beach. I observed two people, later identified as Curtis Chupik and Catherine Willis, riding bike northbound without proper lighting on their bikes. The two were riding right next to one another. I noted Catherine's bike did not have a front white light nor a rear red light. Curtis also had a light infraction. Due to this, I conducted a traffic stop on both parties.

I began speaking with both parties. Both were informed the reason for the stop, where they acknowledged they did not have proper lighting. Curtis was asked to go to the front of my agency vehicle, which he did so.

I then began speaking with Catherine where I asked her for her personal information. It should be noted, I am familiar with Catherine from multiple interactions. I know her to be a frequent narcotic user, per her own prior admissions. I know her to reside at 230 28th Rd. SW. This residence is known to IRC SO Deputies as a flop house for drug users, addicts, and criminal behavior. I have personally responded to an overdoes at this residence within the past 6 months.

I began speaking with Catherine. I noted in the basket of her bike was a large spindle of copper wire. I asked her this about this, which she stated she is aware it is worth money. She stated her "friend" on 20th Ave. had it. It was not clear how she came by this item. She explained Dean Owle was planning on stripping it and selling it. I know from training and experience; wires are commonly stolen from construction job locations. These stolen wires are then stripped and scrapped. This is a common tactic which narcotic users/addicts deploy to make money, due to an inability to hold steady employment. Due to Catherine's inability to prove lawful ownership this item was seized for safe keeping and later submitted to IRC SO Crime Scene.

I then began speaking with her regarding her drug use. I asked her if she had used recently, which she stated no to using crack cocaine. She stated she had used methamphetamine recently however, within the past day or so. I asked if she had anything illegal on her, which she stated no. I asked her for consent to search which she stated no, however, began to empty her pockets and open her plastic bags which were on her bike. She also took off and dropped her heavy puffer winter jacket, which she was wearing. It should be noted, the weather at the time of the stop was approximately 85 degrees and humid.

While in the process of doing this of dropping her belongings/opening her pockets, she dropped a cut blue straw. This appeared to fall out of her right pant pocket. Catherine identified this as a straw, and I pointed out it was cut. I know from my training and experience, cut straws are commonly used in the

use of illegal narcotics. They are used as methods to snort crushed up narcotics, and or used to inhale smoke caused by burning an illegal narcotic. I confiscated the straw.

I told Catherine I know what the straw is used for, which she acknowledged it was used for illegal drugs. I then read Catherine her Miranda warnings line by line. She stated she understood each line. In the conversation that ensued after, I asked Catherine if I would discover anything else illegal during a search of her belongings, which she stated yes. I asked her what I would find, however, Catherine was somewhat quiet. She appeared to be scared of what was going to happen. A search of winter jacket which she was wearing resulted in multiple illegal findings.

Within the pocket on the exterior of the coat, I discovered a plastic shopping bag, containing rolled up paper towels with two folded pieces of tin foil. There was a small yellow lighter with this as well. Within the tin foil, I observed a white/tan-ish powder which appeared to very fine in nature. The substance was weighed in the tin foil, which resulted in .7 grams. I swabbed the powder with a sterile cotton swab to be field tested. The field tested resulted in a positive field test for fentanyl. These findings were photographed. The second piece of tin foil appeared to be burnt, as if it was used to burn illegal narcotics on it, and inhale the smoke. This finding coupled with the cut straw bolstered my belief that the straw was drug paraphernalia. Additionally observed was a very small brown piece of brown substance. This appeared to be similar to a broken piece of marijuana wax. I questioned Catherine about this, where she stated this was the residue left over from smoking the substance which field tested positive for fentanyl. All the aforementioned items were seized. It should be noted, during the entire interaction, Catherine was not handcuffed. She was seated on the ground where her mobility was limited due to a foot injury.

Catherine was searched by Officer Rodriguez from Vero Beach Police Department. This resulted in no additional findings. Catherine was handcuffed (double locked/checked for fit) and transported to Cleveland Clinic pursuant a medical clearance. She was later transported to IRCSO Jail.

Case Report # 2026-00074526

NARRATIVE

On July 13th, 2026, at approximately 2316 hours, Corporal Thomas and I were dispatched to 5555 20th Street, Vero Beach, Florida, 32966 for a shoplifting in progress.

Prior to my arrival, the communication center advised there were 2 suspects involved. One being a white female with blonde hair wearing a black sweatshirt and the second was a white male was wearing a black hat and black shirt and had stolen approximately \$62 worth of merchandise. The female later identified as Monica Barton had left the scene and the male later identified as Donovan Lucas, was with loss prevention.

Upon arrival, I observed Donovan walking out of the store in my direction at a very brisk pace. It should be noted, I was operating a marked patrol vehicle with clearly displayed logos and markings of the Indian River County Sheriff's Office. Additionally, Corporal Thomas and I were dressed in our agency issued uniform, with patches and badges clearly displayed. As soon as Donovan saw me, he immediately turned and started walking in the opposite direction. He attempted to get into a black SUV that didn't belong to him. Once he realized the car was not there for him, he turned around and started walking away. I called out for him to stop multiple times, he didn't comply. As I got close to him, he turned towards me and started walking backwards with his hands up. I went to detain him in handcuffs, he started to turn away from me. I grabbed him, placed both his arms behind his back. When I did, he tensed up and tried to pull his arms apart and bring them to his front, but was unsuccessful. He was placed in handcuffs; they were checked for fitment and double locked without any further incident.

We got the information for Monica and advised responding units to check the area for her. I brought him to my patrol car where I read him his Miranda rights due to him being detained and not free to leave. He consented to me going into his back pocket to retrieve his wallet and identification. Donovan stated the following in substance: He admitted to seeing me but didn't think I was talking to him. After they had checked out and had passed all points of sale, loss prevention told them they missed a few items. He went with loss prevention to the office. He offered to pay for the items but decided to walk out. He left the store and came in contact with me at the exit.

I asked him what wasn't scanned, he listed the vacuum, some makeup items, batteries, and oranges. He wasn't sure if there was anything else because Monica was the one who was scanning the items.

He consented for me to search his person, in his left front pocket I found a pack of Duracell AA batteries. When I pulled them out of his pocket he said, "oh shit." He later admitted that he didn't pay for that pack of batteries and they came from inside Wal-Mart.

In his right front pocket, I located a black wallet, in that wallet I found folded up tinfoil with burnt residue, which I recognized to be consistent with the use of illegal drugs. I asked him what was on the tin foil, he admitted it was Heroin or maybe Fentanyl. In his wallet I located two (2) 50-dollar bills, which were later

found to be counterfeit currency. In his backpack I located a cut straw with residue, and a burnt glass smoking device with residue. Donovan admitted the straw was used to inhale the illegal drugs from the tin foil.

I brought Donovan into the loss prevention office where I watched the camera footage of Donovan and Monica at the self-checkout. I observed Donovan move the vacuum from one side of the self-checkout to the other without being scanned. Monica dropped something on the floor by the vacuum, and Donovan picked both items up and placed them into the cart. Monica placed a bag of three oranges onto the scale and selected one as the total amount. Monica moved the following items without being scanned into the cart: 1 pack of AA batteries, 1 salon perfect press on nails, 1 KISS my lash but better fake eyelashes, 1 Billie RZRbl (makeup). The total for all the items is \$64.32.

Loss prevention was provided with a community link through Axon for the camera footage They requested Donovan be trespassed, and a trespass warning was completed.

Based on the above, it was determined that Donovan did knowingly obtain or use, or endeavor to obtain or use merchandise of a value of \$65.32, which was the property of Wal-Mart, or any other person not the defendant, with the intent to permanently or temporarily deprive Wal-Mart or any other person not the defendant(s) of the property or benefit therefrom or to appropriate the property to the use of Donovan or to the use of any person not entitled thereto and the said Donovan having previously been convicted of Theft on November 15th 2024, in Hillsborough County, Florida and on January 16th 2026, in Indian River County, Florida, contrary to Florida Statute 812.014(1) and (3)(c). (3 DEG FEL)

Donovan did use or possess with intent to use tinfoil with heroin residue, a glass smoking device with residue, a cut straw with residue, which are drug paraphernalia, for injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance, contrary to Florida Statute 893.147(1)(b). (1 DEG MISD)

Donovan did resist, obstruct or oppose Deputy J. McPeck, a law enforcement officer of the Indian River County Sheriff's Office, in the execution of a legal process or in the lawful execution of a legal duty, without offering or doing violence to the person of such officer, contrary to Florida Statute 843.02.
