Arrest Affidavit Report

Case Report # 2026-00114215

NARRATIVE

On Thursday, October 22, 2026 at approximately 1453 hours I responded to 5555 20th Street (Walmart) in reference to a shoplifting.

Upon my arrival I made contact with Sara Ingo the loss prevention officer for the Walmart location. Sara Ingo provided the following written statement; I, Sara Ingo, Asset Protection for Walmart witnessed our associate, Fabiola Morantus, purposely Skip-scan/neglect to account for items at the self-checkout registers, and exit the store (passing all points of sale) on several dates.

On July 31st, 2026, Morantus approaches register 29 and begins scanning her items. The associate will then skip-scan the two mangos in her selection. Skip-scanning occurs when the individual purposely misses an item in order to pay less at the end of the transaction, resulting in a loss for Walmart. CCTV shows that the associate places the two mangos over the scanner but then bags the items without confirming that they were rung up onto the transaction. Morantus will then complete the transaction by paying for what was rung up and then exits out of Grocery Doors, passing all points of sale, at approximately 22:04hrs. This event is a total loss of \$2.54.

On August 1st, 2026, Morantus approaches register 25 and begins scanning her items. Subject will then skip-scan the one plantain and 2 cucumbers in her selection. CCTV shows that the associate manually selects a quantity of 3 for the number of plantains in her possession, however, the associate has and bags a total of 4 plantains. Additionally, the associate places 2 cucumbers over the scanner but does not confirm that they were rung up onto the transaction before bagging these items. Morantus will then complete the transaction by paying for what was rung up and then will exit out of Grocery Doors, passing all points of sale, at approximately 22:01hrs. This event is a total loss of \$2.04.

On August 2nd, 2026, Morantus approaches register 30 and begins scanning her items. Subject will then skip-scan the one Fresh Yam Root (\$1.77 per pound) and 3 Malanga roots (\$3.98 per pound) in her selection. CCTV shows that the associate places the Fresh Yam Root over the scanner but does not confirm that it was rung up onto the transaction before bagging this item. Additionally, Subject will scan her selected Malanga roots, however, has another associate come over to void off the item. Subject then repeats the pattern of placing the item over the scanner and bagging said item into a Walmart bag without actually ringing it up onto the transaction. Subject will then complete the transaction by paying for what was rung up and then will exit the store out of Grocery Doors, passing all points of sale, at approximately 19:47hrs. The total loss for this event is \$9.09.

On August 4th, 2026, before approaching the register, the associate and an unknown female begin checking the prices of the 2 selected pairs of pants near apparel. The associate and other female then approach register 23 and Morantus begins scanning the first pair of jeans. Morantus will then combine the two jeans together and bag them as one, making no attempt to ring up the second pair of jeans. This action is considered "Stacking". Stacking occurs when an individual places two items together, only ringing up and accounting for one item onto the register and then bagging both items. The associate then pays and hands the bag off to the other female. At this time, they will then separate, with the unknown female exiting Grocery Doors (passing all points of sale) with the Walmart bag of merchandise at approximately

13:05:45hrs, and Morantus heading back into the store. The total loss for this event is \$16.98.

On August 25th, 2026, Morantus approaches register 23 and begins scanning her items. the associate will then skip-scan a 2lb bag of fries and the second mango in her selection. CCTV shows that the associate places the bag of fries over the scanner but does not confirm that they were rung up onto the transaction before bagging these items. Additionally, at approximately 21:54:15, the associate will scan one mango and confirm the quantity on the screen as one, then places her two mangos into a Walmart bag without accounting for the second one. No actions were taken to fix/undo these mistakes. Subject will then complete the transaction by paying for what was rung up and then will exit out of Grocery Doors, passing all points of sale, at approximately 22:02hrs. The total loss for this event is \$4.24.

On August 26th, 2026, Morantus approaches register 27 and begins scanning her items. Subject will then skip-scan the 1 Yam Root (\$1.77 per pound) and 2 Malanga Roots (\$3.98 per pound) in her selection. CCTV shows that after the associate scans the Yam root, she will then select the button "Cancel" on the screen instead of "Confirm". Additionally, the associate repeats this pattern again when she places the two Malanga Roots over the scanner. She will then place these items into a Walmart bag without ringing them up onto the transaction. Morantus will then complete the transaction by paying for what was rung up correctly and then will exit out of Grocery Doors, passing all points of sale, at approximately 22:10hrs. The total loss for this event is \$8.73.

On September 5th, 2026, Morantus approaches register 25 and begins scanning items. The associate is then seen on CCTV combining both the yellow and red shirts together and scanning them as one. This action is considered "Stacking". Stacking occurs when an individual places two items together, only ringing up and accounting for one item onto the register and then bagging both items. The associate then pays for what was correctly scanned and then exits out Grocery Doors, passing all points of sale, at approximately 22:01hrs. The total loss for this event is \$5.98.

On September 16th, 2026, Morantus approaches register 25 and begins scanning her items. Subject will then skip-scan 1 pair of grey pants (\$7.98) and 1 red fleece top (\$7.98) in her selection. CCTV shows that the associate places the grey pants over the scanner but does not confirm that it was rung up onto the transaction before bagging this item. Additionally, Subject will attempt to place the red fleece top over the scanner to ring it up, however, is unsuccessful after multiple attempts. Subject then decides to place this item into a Walmart bag despite the fact that it did not ring up onto the register and continues into the pay screen. Once subject clicks into the pay screen, she completes the transaction by paying for what was correctly rung up and then will exit the store out of Grocery Doors, passing all points of sale, at approximately 22:06hrs. The total loss for this event is \$15.96.

On September 18th, 2026, Morantus approaches register 27 and begins scanning her items. she will then only account for one plum onto the transaction, however places 3 plums into a Walmart bag. Subject makes no attempt to fix/undo this mistake, completes the transaction, and exits out Grocery doors passing all points of sale with unpaid merchandise. The total loss for this event is \$2.48.

October 5th, 2026, Morantus approaches register 27 and begins scanning her items. she will then only account for 2

cucumbers onto the transaction, however places 3 cucumbers into a Walmart bag. Subject makes no attempt to fix/undo this mistake and continues scanning items. Subject will later place a bag of a produce items into a Walmart bag yet makes no attempt to ring them up onto the transaction. due to the quality of CCTV, I am unable to determine this exact produce item, therefore, will not charge this item against the associate. Subject will exit out Grocery doors passing all points of sale with unpaid merchandise. The total loss for this event is \$0.74.

On October 7th, 2026, Morantus approaches register 27 and begins scanning her items. Subject will then only account for 1 container of Onion powder onto the transaction, however, places 2 containers of Onion powder into a Walmart bag. Subject makes no attempt to fix this mistake and continues scanning items. Subject will then exit out Grocery doors passing all points of sale with the unscanned and unpaid merchandise.

The total amount for all 11 events is \$69.86. As an employee for Walmart, it is the associate's responsibility to make sure all of their items are properly rung up and paid for at the self-checkout. Walmart wishes to Prosecute Fabiola Morantus for all events.

I reviewed the in-store surveillance video of the incident and concur with the statement provided by Sara Ingo.

I read Fabiola Morantus her Miranda Warning from a preprinted agency issued card. Due to Fabiola not being able to speak fluent English a Creole translator was used. The translator was Judson Lewis another employee for Walmart. Fabiola Morantus acknowledged their Miranda warning by stating "yes".

Fabiola advised that due to her working two jobs she was tired and failed to scan some of the items. Fabiola also advised that she attempted to scan some of the items and was aware that the items did not scan properly and she placed the items into the bags anyway.

The items were photographed and returned to Walmart for proper disposal.

Sara Ingo provided me with a copy of the photo of the items, a copy of the receipt for the items and a written statement of the incident.

Fabiola was placed into hand restraints and transported to the Indian River County Jail for further processing in the violation of F.S.S. 812.014 Theft.

This incident was recorded on my agency issued Body Worn Camera (BWC).

This case is Cleared by arrest closed.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 10/22/2026, at approximately 1535 hours, I was dispatched to _____ in reference to a trespassing. While enroute, Sebastian Communications advised a female that was trespassed was sitting outside the front door of this residence.

Upon arrival, I observed the female, later identified to be Mary James, standing next to the front door of the residence. Sebastian Communications confirmed Mary was trespassed from the residence.

It should be noted in Sebastian Police Department case number 26-1721, Mary was very clearly warned she was trespassed from the property, and should she return, she would be arrested. I made contact with Mary, placed her into mechanical restraints, which were double locked and checked for proper fit.

Based on the totality of circumstances, I find there is sufficient probable cause to charge Mary for being in violation of FSS 810.09(2)(a): TRESSPASSING

Mary was transported to the Indian River County Jail without incident.

Case Report # 2026-00114277

NARRATIVE

On 10/22/2026 at approximately 1635 hours, I Deputy Austin Binner responded to assist Deputy Thomas Rollando near the 400 block of 27th Avenue Vero Beach, FL due to an unresponsive driver in a Black Chevy Suburban. Prior to my arrival, Deputy Rollando advised me to park my patrol car in front of the Black Suburban due to the driver's status and the vehicle still in drive.

Upon arrival, I parked my Agency Marked Patrol Vehicle in front of the Black Suburban to restrict it from rolling forward for the safety of Deputies on scene, and the other motorists in the area. Once I felt that my vehicle had positive contact with the Black Suburban, I exited my vehicle to assist Deputy Rollando.

Deputy Rollando briefly advised me that the driver of the vehicle, was unresponsive but breathing on his own power. I attempted to open both the front driver door and front passenger door in attempt to place the vehicle in park or render medical aid to the driver. I observed the driver as the sole occupant of the vehicle, and was in control of the vehicle at the time of my interaction (FL tag attached 72EZZW). At this point in time, I was unsure if the driver was having a medical emergency or potentially overdosing. Due to the vehicle being locked, I began to knock on the front driver window to see if he was alert. After multiple attempts with no response from the driver, I began to force entry through the front driver window with a window punch attached to my key ring.

I forced entry into the driver's vehicle due to him not responding, and the potential that the driver may be having a medical emergency. As the window broke, the driver became alert. The driver was hesitant to open the door, so I reached into the vehicle to unlock it. I identified myself as law enforcement to the driver, and instructed him to exit the vehicle multiple times. The driver of the vehicle refused to exit the vehicle. While the driver continuously refused to exit the vehicle, I observed an open bottle of Michelob Ultra in the center console cup holder, and in immediate reach of the driver.

The driver attempted to place the vehicle into park but was unable to. I physically climbed into the front seat to place the vehicle in park, and assist the driver out of the driver seat. As the driver exited the vehicle, and due to my close proximity of the driver the odor of drinking alcohol omitting from his breath. While speaking with the driver, he had slurred speech, red bloodshot eyes, appeared to be disoriented, and was unsteady on his feet.

Due to my observations of the driver, I placed the driver into custody. I asked the driver if he had a driver's license, and he advised yes it was in his back right pocket. The driver identified himself as, Edgar Montes Vazquez from his Colorado issued driver's license (CO DL# 172641003). Once identified, I read the Edgar his Miranda Rights from an agency issued card, and he stated he understood his rights and agreed to speak with me.

Edgar stated that he had one beer prior to leaving work. I asked Edgar if he was willing to complete SFST's at the County Jail due to the high amount of traffic in the area and that it was not safe. Edgar agreed to my question, and he was transported to the Indian River County Jail for further investigation.

While at Indian River County Jail, Edgar agreed to complete SFST's. Prior to SFST's Edgar advised he has no injuries, does and does not wear contacts, and that he is not diabetic. It shall be known that I asked Edgar if he understood directions multiple times prior to him attempting each SFST with a response of yes. Additionally, I

had asked Edgar if he spoke fluent English and he advised yes.

During the Horizontal Gaze Nystagmus, Edgar had lack of pursuit in both eyes, and Nystagmus prior to 45 degrees. Additionally, Edgar was unsteady on his feet and moved his head multiple times.

During the Walk and Turn, Edgar was unable to follow instructions while instructions were administered. Edgar attempted the Walk and Turn twice, with the second time he had began without instructions being completed. Edgar did not verbally count while completing the exercise after speaking 4. Edgar was unable to perform multiple heel to toe steps, and stepped off the line multiple times.

During the One Leg Stand, Edgar was unable to keep his balance. Edgar had to reset approximately four to five times. Edgar did not verbally count out loud, and at one point he had stopped performing the One Leg Stand.

Once completing the exercises, Edgar advised he no longer wanted to consent to any further investigation. Corrections Deputy Johnny Greene completed a BAC refusal with Edgar.

While completing paperwork in reference to my arrest affidavit, I was advised by Corrections Deputies that fingerprints for Edgar had a positive identification to an Edgar Urban with the following demographic information: White Male DOB 11/11/1974 5'3" tall, 121 lbs, brown hair and lack eyes with a birthplace of Mexico (FBI No. 257920VB0). I asked Edgar his identity a second time, and he advised it was what is displayed on his Colorado Driver's License. A second fingerprint inquiry was run with the same results of the above-described individual mentioned above Edgar Urban.

Due to showing multiple indicators of alcohol impairment during my interaction with Edgar on scene, and while administering SFTS's at Indian River County Jail I find Edgar in violation of FSS 316.193.1a; FSS 316.1939.1d; and FSS 901.36.1. Edgar is charged with the following:

- 1 Ct FSS 316.193.1a- Dui Influence of Alcohol (^{500 ARB 10/22} ~~\$1,000~~ Bond) (Citation# ANHCFVE)
1 Ct FSS 316.1939.1d- Refusal to Submit DUI Testing (\$ 500 Bond) (Citation# ANHCFWE)
1 Ct FSS 901.36.1- FALSE ID GIVEN TO LEO (\$ 500 Bond).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/22/2026**, at **19:29** (Specifically include facts constituting cause for arrest.)

On October 22, 2026 at 1929 hours I Officer Dietrich, responded to Riverside Caf 3351 Bridge Plaza Drive, to assist fellow officers with a drunk male (identified as Noah Beckstead). Upon arrival I made contact with Officer Hernandez who had already detained Beckstead for trespassing.

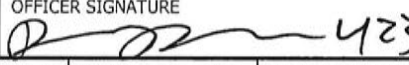

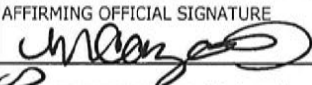

Officer Hernandez advised Beckstead had just been previously removed and formally issued a trespass warning by law enforcement. Beckstead was trespassed per the request of the manager of the establishment complaining of him causing a disturbance inside of the establishment. Officer Hernandez advised an employee had told her that the defendant might have urinated in the parking lot next to a vehicle Beckstead was observed getting into.

While approaching the establishment I was able to observe a puddle of what appeared to be urine next to the vehicle Beckstead was standing at. The puddle was photographed and documented.

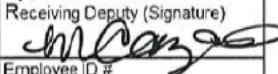

Upon talking with Steven Citowitz (manager of Riverside Caf) he advised Beckstead had been at the establishment since 1430 hours today and had consumed multiple alcoholic beverages. Citowitz also advised Beckstead caused a disturbance by becoming argumentative and flirtatious with the waitress and causing them to feel uncomfortable. Citowitz had asked Beckstead to leave the property, Beckstead refused resulting in Citowitz calling law enforcement. Citowitz advised after Beckstead spoke to law enforcement he observed him in the parking lot. Citowitz observed Beckstead take his penis out of his pants and proceeded to urinate in the public parking lot.

After completing the investigation Beckstead was placed under arrest and transported to Indian River County Jail.

Beckstead was charged with the following 856.011 disorderly intoxication, 800.03(1A) exposure of sexual organs 1st offense, and 810.02(3C) trespass occupied structure unarmed.

Arrest Affidavit Report

Case Report # 2026-00114330

NARRATIVE

On October 22nd, 2026, at approximately 1921 hours, I responded to the intersection of 26th Street and 82nd Avenue, Vero Beach, Florida, in reference to a crash.

Upon arrival, I made contact with Deputy A. Consalo, ID# 5940, who stated he was stationary, off the roadway, at the intersection. At that time, Deputy Consalo observed a gray Chevy Equinox (bearing OG tag KVIJ2804) run the stop sign on 26th Street and enter the middle of the intersections on 82nd Avenue. The vehicle came to a stop in the middle of the roadway, then accelerated and struck multiple roadway signs.

Deputy Consalo spoke with the driver, and sole occupant, Eric Davis, who he identified by his Florida-issued driver's license. Deputy Consalo stated Davis told him he had "not a lot" to drink. He subsequently conducted his crash report, and advised Davis that I was now conducting a DUI investigation.

Davis appeared slow and lethargic. I could also detect the odor of an alcoholic beverage coming from within the vehicle, as well. Deputy Consalo and I then requested Davis exit the vehicle multiple times; however, Davis appeared extremely confused and would not exit the vehicle. Deputy Consalo and I then opened the driver's door and assisted Davis out of the vehicle.

While exiting the vehicle, Davis was extremely unsteady on his feet – he was unable to stand up without swaying and was taking steps forward and backward to keep from falling over. Additionally, Davis had slurred speech and was cursing at Deputy Consalo. As Davis was speaking, the odor of an alcoholic beverage grew stronger. David also had to lean against his vehicle due to his unsteadiness.

I then requested Davis complete Standardized Field Sobriety Exercises (SFSE's) and he stated he would. During the medical questionnaire, Davis stated he does not take any medications, does not have any medical issues, and does not take insulin.

The first exercise was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions for the exercise and Davis stated he understood and did not have any questions. During the exercise, I instructed Davis to look at finger and follow it with his eyes only; however, Davis looked at my finger and said "one" then looked at me. I again instructed him to follow my finger, but he again he said "one" and stared at me. I attempted to complete the exercise with Davis, but due to his lack of cooperation, I was unable to complete the exercise. Also, during the exercise, Davis had to lean against his vehicle.

The next exercise was the Walk and Turn (WAT) exercise. While explaining the instructions for the exercise, Davis was unable to keep his balance and attempted to begin the exercise before being instructed to do so. After I finished explaining the instructions and demonstrating the exercise, Davis stated he did not have any questions. During the exercise, Davis missed heel-to-toe, stepped off line, took the wrong number of steps, stopped prior to finishing the exercise, made an incorrect turn, and used his arms for balance.

The third exercise was the One Leg Stand (OLS) exercise. I explained the instructions for the exercise and demonstrated it, and Davis stated he understood and did not have any questions. During the exercise, Davis put his foot down, swayed, and

used his arms for balance. He also swapped back and forth between which foot he was using.

The fourth exercise was the Fingertip-to-Nose exercise. I explained the instructions for the exercise and Davis stated he understood and did not have any questions. During the exercise, Davis missed touching his finger to his nose. Additionally, when I instructed him to use his right hand, he used his left, then used his right.

Based on my observations, Davis was placed under arrest for DUI. He was placed into handcuffs that were checked for proper fit and double locked. He was transported to the Indian River County Jail, without incident. After arriving at the jail, Davis was still seated in my backseat and spontaneously uttered, "I didn't do anything, I just drank..."

After arriving at the jail, booking staff requested Davis provide a breath sample; however, he refused. Davis was read Implied Consent and again he refused.

An NCIC/FCIC query revealed Davis' license was revoked for one year in January 2026 for DUI. It also revealed Davis was notified of the revocation in court.

Davis was issued four citations for DUI with property damage (citation #: ANHCFZE), DUI refusal (citation #: ANUORFE), running the stop sign (citation #: ANUORGE), and driving while license suspended with knowledge (citation #: ANUORHE).

It should also be noted, Davis was adjudicated guilty for DUI in November 2025 in Ohio.

Arrest Affidavit Report

Case Report # 2026-00114406

NARRATIVE

On Thursday, October 22, 2026, at approximately 2220 hours, I, Deputy M. Neill #6317 conducted a traffic stop near Interstate 95 Mile Marker 151 Northbound, Vero Beach, Indian River County, Florida.

While conducting traffic enforcement, I observed a white BMW pass by me proceeding northbound on Interstate 95. As the vehicle passed by me, I observed it to have very dark tint. The tint was so dark, that I could not observe in to the vehicle even with a spot light.

After conducting the traffic stop, I approached the vehicle on the passenger side. I identified myself and informed the driver the reason for the stop. I used my tint meter on the front passenger window to measure the tint. The front passenger window had a window tint that measured 15% light transmittal. While at the vehicle, I could smell the odor of burnt marijuana emitting from the vehicle. Additionally, I could see small pieces of a green leaf material on the front passenger seat, consistent with being marijuana shake.

Upon asking the driver for his driver's license, he stated that he was not in possession of it. When asked if it was suspended, he advised that it may be. He further went on to state that he may owe traffic citations, which would be why his license was suspended. The driver, later identified as Mr. Loveridde Lee, he stated he had a picture of his license on his phone. He presented a photo of his Florida ID card.

After running Mr. Lee in FCIC/NCIC, he shows to have only an active Florida ID card. His license has been suspended since 11/28/2022, and has the following suspensions on his license:

On 09/19/2022 Mr. Lee was charged with Driving While License suspended with knowledge. On 10/14/2024 Mr. Lee surrendered her driver's license for a state issued ID card.

Once another unit arrived on scene, I had Mr. Lee exit the vehicle. After exiting the vehicle, he was placed under arrest. He was secured in handcuff restraints which were double locked and checked for proper fit.

While completing an inventory of the vehicle, I observed a heat-sealed plastic package in the center console area, near the gear shifter. Within the heat-sealed package was a green leafy substance, consistent with marijuana. The

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00114412****NARRATIVE**

On Thursday, October 22nd, 2026, at approximately 2300 hours, I was dispatched to the area of the Grand Harbor neighborhood off Indian River Blvd for a suspicious person. The caller advised he observed two Hispanic males trying to get into the gated community and he was in the area with his hazards on. While en-route I observed a gray sedan parked on the side of the road in the area of 4500 Indian River Blvd with its hazards on. I made contact the driver and sole occupant of the vehicle Elias Issac Medrano Velasquez who stated he was waiting for two of his friends.

I asked him for his information and he provided me with his passport, I ran his information and was advised he had an active warrant out of the Indian River Sheriff's office for failing to appear with the original charge of driving without a valid license, reference court case number 312023CT005118.

I advised him Elias he was under arrest, he was handcuffed and transported to the Indian River County jail where he was turned over to jail staff.
