The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/07/2026** , at **08:55** (Specifically include facts constituting cause for arrest.)

On 10/07/2026 at about 0758 hours, I was working as a Detective for the Sebastian Police Department of Indian River County, Florida. I was wearing my department issued uniform shirt that has a badge over my left chest that states "DETECTIVE CITY OF SEBASTIAN POLICE", "POLICIE DETECTIVE" clearly printed on both sleeves and "PIZZUTI" over my right chest, complete with department issued uniform pants and gun belt. I was driving in my department issued vehicle (Unit 89) complete with emergency lights and siren, eastbound on Sebastian Boulevard approaching Sebastian River Drive. I observed a silver Chevy Camaro pulling out of Sebastian River Landing (community) set to travel eastbound on Sebastian Boulevard. As the vehicle exited the development the tires were spinning causing audible screeching and smoke on the roadway. The vehicle then rapidly accelerated to my visual estimation of approximately 90 MPH in a 45 MPH zone. I accelerated my un-marked issued Sebastian Police Vehicle (unit 89) in an attempt to catch up to the vehicle and activated my emergency lights and siren. As the vehicle approached the north county library (approximately 4,500 feet of travel) it slowed to about 40 MPH.

At this point I was able to see the attached license plate of FL/97DTAX. I informed SPD dispatch and Sergeant Richard of the Sebastian Police Department of the observed reckless driving, my attempting to conduct a traffic stop and current location of Sebastian Boulevard and Roseland Road. I then observed the vehicle make a U-turn utilizing the left turn lane on the eastbound travel of Sebastian Boulevard, through an illuminated red arrow traffic control device at the intersection and begin traveling westbound on Sebastian Boulevard.

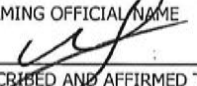

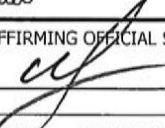

As the vehicle made the U-turn I was able to observe the driver and sole occupant to be a white, blonde, female wearing a black tee shirt and black bandanna or hat. The vehicle maintained a speed of about 40 MPH as it now traveled westbound on Sebastian Boulevard in the number one lane (left lane of travel) and I requested additional (marked) units respond. The supervisor at the time, Sergeant Richard, was aware and in communication with me via two-way radio for vehicle and pedestrian traffic, speeds, direction and location. As we approached the intersection of Sebastian River Lane the vehicle made a southbound turn into the Sebastian River Landing community. As we approached the gate it automatically opened indicating to me the driver was a resident. As I updated Sergeant Richard we were in the community he requested via two-way radio I attempt to end the pursuit. As I began to position my vehicle for a PIT maneuver by accelerating to the passenger rear quarter panel, the vehicle rapidly accelerated again spinning the tires of the vehicle reaching speeds of an estimated 60 MPH in a residential 25 MPH zone.

The vehicle came to a stop in the driveway of 235 Stoney Point Drive (2.30 Miles total distance traveled with emergency lights and sirens activated). I exited my vehicle with emergency lights still illuminated. I drew my department issued Glock 45 and the subject exited the vehicle without being directed, screaming obscenities at me. The white female was later identified as Dana Petersen, the registered owner of the vehicle. Peterson then began to walk towards my vehicle and I instructed her to stop and place her hands in the air. She then screamed she was unarmed, lifted her shirt exposing her torso and bare breasts, spinning so I could see her back. Petersen then stopped at the rear trunk of her vehicle. I holstered my Glock 45 and utilized a standard arm bar take down to guide her to the ground. As soon as initial physical contact was made, Petersen attempted to pull away from me to get back to the open driver side door of the vehicle. Once on the ground she continued to roll and try and break my grasp. I was able to pin her and hold her in place until assisting officers arrived on scene and successfully detained Petersen by handcuffing, double locking and checking the tightness at about 0804 hours.

I placed Petersen under arrest at 0804 for violation of FSS 316.1935(2) Flee and Elude with lights and siren, FSS 843.02 Resist without violence and FSS 316.192(1)a - Reckless Driving.

She was transported and ultimately booked into the Indian River County Jail by Officer A. Acosta #419.

Arrest Affidavit Report

Case Report # 2026-00108073

NARRATIVE

On Wednesday, October 7th 2026 at approximately 1850hrs, I Deputy Finkle responded to [REDACTED] for a disturbance.

Prior to my arrival, I was informed the caller, Kerry Seal advised she was staying at the above residence and a [REDACTED] was intoxicated and had been attempting to put his hands on her and had armed herself with a baseball bat. Kerry also advised over [REDACTED] that [REDACTED] was pacing back and forth and she was unable to get away, as well as the incident had been physical.

Upon my arrival, Deputy Consalo was standing on the balcony walkway with Kerry. I entered the residence and located [REDACTED] sitting in the living room in a chair. I immediately observed his blue in color shirt had a severely stretched out neck and the top left of his shirt was ripped. I introduced myself and asked [REDACTED] what was going on.

Mark advised that he met Kerry a few months ago at the beach and advised she was homeless. He stated they had gotten to talking and he [REDACTED]

I asked what occurred this evening to which he advised they had a conversation this morning and he made a comment to her about how he did not like watching football anymore at his age and advised that she would understand in about 20 years how you tend to stop enjoying certain things. He advised the conversation did not become physical or violent but that they just had a disagreement.

[REDACTED] then advised they began having a conversation this evening that ended up becoming another disagreement but could not elaborate as to what exactly the conversation was about. He informed me that he told Kerry he believed it was [REDACTED] that he told her it did not have to be this evening but the following day.

He then advised Kerry became upset and cursed at him. He then proceeded to begin [REDACTED] at which time Kerry picked up a baseball bat and lunged at him with it, however he advised she was too close and he was able to grab it and take it away from her. He then advised she armed herself with another baseball bat which is when she [REDACTED]

[REDACTED] stated that they have never been physical with each other and have never had any type of fight or confrontation since [REDACTED]. He stated the incident stemmed from him telling her she [REDACTED] denied putting his hands on her this evening, nor ever before. He stated he only grabbed the baseball bat to get it out of her hands. I asked him if he felt like she was going to strike him with it to which he stated he did not because she was not far enough way

before he grabbed it from her hands.

I then spoke with Deputy Consalo and Deputy Apollon regarding Kerry's story as they spoke to her. I was informed that Kerry's story was inconsistent regarding when she armed herself with a bat. I was informed that she stated the incident occurred after [REDACTED] was verbally aggressive with her calling her names. She then advised that after telling her she [REDACTED]

I was informed that she advised she armed herself with the bat prior to approaching [REDACTED] and then changed her story to arming herself after she approached [REDACTED] but she could not explain when she armed herself with the bat. Deputy Apollon also advised her inconsistent story. I was informed that she advised [REDACTED] was upset because she does not say I love you to him as often and other relationship type comments, yet Deputy Apollon advised Kerry denied any romantical relationship with [REDACTED] was informed that Kerry stated [REDACTED] lunged at her at which time she tried to swing that bat at him but he took it.

I advised Deputy Consalo and Deputy Apollon to go speak to [REDACTED] as I spoke to Kerry to confirm or dispel her prior statements. I approached her and introduced myself. I asked her to explain what happened this evening. Kerry stated she was sitting on the couch watching a movie when [REDACTED] came into the living room and started yelling and calling her names. She advised [REDACTED] was drinking in his room before coming into the living the room at which time she advised she ignored the things he was saying.

Kerry stated he then sat there and continued drinking over a long period of time at which time [REDACTED] told her to [REDACTED]. She stated [REDACTED] then goes into the bathroom and begins getting her stuff and telling her he was going to thro her stuff into the street. Kerry then advised she followed him in there at tha [REDACTED] told her [REDACTED]

Kerry stated [REDACTED] then lunged at her at which time she picked up the baseball bat and defended herself. She then began stuttering her words trying to speak before stated he was bigger than her that they struggled as he tried to take the bat from her. She stated he took her to the ground and eventually took the bat from her at which time she grabbed another bat. She then stopped talking and stood there with her arms crossed.

I asked Kerry at what point in time did she arm herself with the bat, if it was before or after following him into the bathroom to which she could not answer and began fumbling her words. She then advised she did not know, that he lunged at her and "was going to put his hands on me" to put her out, which is why she grabbed that bat. Due to her statement, she did not state [REDACTED] physically touched her, only apparently lunged at her and she believed he was going to touch her to get her out of the residence.

NARRATIVE (Continuation)

I asked if Kerry swung the bat at [REDACTED] to which she stated she tried but could not. She then appeared to start becoming frustrated with my questions as she began speaking in a raised tone and stated it happened so fast, she could not even defend herself with the bat. I found her statement contradicted her previous statement that she armed herself after [REDACTED] allegedly lunged at her, making me believe by her statements that she had already armed herself prior to confronting [REDACTED]

Kerry then advised again that [REDACTED] put her to the ground and that she began kicking him while laying on her back. Kerry advised [REDACTED]

[REDACTED] when asked how they met, she paused for a noticeably long time before stated they met at the beach a few months ago. She then affirmed she was homeless prior and sleeping around the park. During her responses, it appeared as if she was hesitant to answer these questions.

I then asked Kerry to explain what the argument started over to which she again, paused for a long period of time before advising it wasn't an argument and that she did not start an argument. Her responses seems standoffish to me and not confident in the statements she was saying. She advised he was drunk and just yelling at her to which I asked what he was yelling at, prompting her to instruct me to go ask him myself.

I asked if this has ever happened before to which she stated yes and that she had to leave the other day because he was like this. I informed her I do not know what "like this" means as from my perspective he was being respectful, calm and cooperating so I asked her to elaborate. Kerry then brought up that he was yelling even while she was on the phone with [REDACTED] I asked what he was saying to which she advised he was calling her names and pacing around before becoming "super calm" once he found out Law Enforcement was on the way.

Deputy Consalo then approached us and asked Kerry why a hole was in the wall, that [REDACTED] had no idea how it got there. Kerry's response was that it probably happened when he tried to take her down. Kerry was then asked why [REDACTED] shin was split open to which she stated she was defending herself by kicking him when she was on the ground.

I asked if she had shoes on while kicking him due to seeing a small amount of dry blood on the side of her big toe to which she stated no and that the blood was probably from that moment. Due to the information gathered by both subjects, I placed Kerry into custody for aggravated assault, domestic violence.

I find probable cause for F.S.S- 784.021.1a- Agg assault with a deadly weapon without intent to kill.
