Arrest Affidavit Report

Case Report # **2026-00109274**

NARRATIVE

On Saturday, October 10th, 2026, at approximately 1552 hours, I responded to the Indian River County Jail, 4055 41st Avenue, Vero Beach, FL, regarding a disturbance between two inmates. (Statements are paraphrased)

Upon arrival, I met with Corrections Sgt. Rolle, who told me an incident occurred on October 9th at around 2158 hours. Sgt. Rolle showed me jail surveillance video of [redacted] which captures the dayroom and the top and bottom cells. The victim [redacted] is in the shower and unclothed at 2153 hours. at 2154 hours, Paige is seen on video walking from the bottom of the stairs and in the direction on the shower. While walking, Paige is seen moving somewhat slow and staring at the shower room. [redacted] exits the shower at 2158 hours and walks upstairs to his [redacted] Paige begins to go up the stairs as well after [redacted] and follows behind him into his cell. The two appear to converse with one another, where I see Paige get closer to [redacted] place his right hand over [redacted] left shoulder and then the two of them move further into a corner behind the bunks. This position did not give a full view of their interactions; however, I could still see Paige with his right arms wrapped around [redacted] shoulder and quickly after, I saw what I described as a quick "forward and backwards" hand motion from Paige. Sgt. Rolle reported to me that this was Paige's attempt to grab [redacted] genital area. I then can see what appears to be Paige rubbing the top of [redacted] head and a subsequent handshake.

I spoke to [redacted] in a separate cell, where he described the incident to me, which aligned with what I observed in the surveillance video [redacted] said Paige placed his hand over his shoulder and said "I've been watching you in the shower, your thing big as hell", which was followed by Paige reaching his left hand towards [redacted] genital area in an attempt to grab it [redacted] quickly swatted Paige's hand away. Paige also patted [redacted] head and gave him a handshake. [redacted] gave him a handshake because he was trying to get him out of his cell. [redacted] said that Paige did not have permission to touch him.

I spoke to Paige away from other inmates in a post Miranda interview. Paige told me since him and [redacted] are both about to get sent to prison, he approached him and placed his arm around [redacted] shoulder to tell him to keep his head up. When I asked Paige about his left arm's motion, he denied trying to grab [redacted] genital area and said he talks with his hands, which is what it could have been.

As a result of my investigation, I determined [redacted] statement was consistent with the video footage of what occurred. I charged [redacted] with violation of FSS 784.081 Battery on a Detained Person.

Arrest Affidavit Report

Case Report # **2026-00109049**

NARRATIVE

On 10/9/2026 at 2357 hours, I responded to the area of 28th Ct and 45th St, which is a location within Indian River County, after a reported Disturbance.

Upon arrival, investigation revealed that Anthanette Mckissing and Brandon Ross, hereafter referred to as the Defendant, had an altercation that resulted in their [redacted]

In addition to the above mentioned investigation, the Defendant did have an active warrant for VOP with an original charge of Petit Theft. With this information, I along with assisting Deputies, relocated to 4716-Unit A 28th Ct to make contact with the Defendant. As we attempted contact, a search warrant was sought to recover any evidence related to possible child abuse.

Count 1:

Beginning at approximately 0115 hours, Deputies announced their presence in an effort to take the Defendant into custody. Deputies were lawfully present, were at the location to serve an arrest warrant as well as conduct an investigation into child abuse, Sheriff's Office presence was clearly announced multiple times, and the Defendant refused to exit the residence until approximately three hours later.

Based on the above stated facts, there is probable cause to believe the Defendant committed Resisting without Violence, which is a violation of FSS 843.02.

Count 2:

On 10/10/2026 at 0429, I served Brandon Ross with an active Indian RIver County Warrant (Warrant Number 120252074) in reference to court case 2025MM002074A01.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **10/10/2026**, at **10:15** (Specifically include facts constituting cause for arrest.)

On October 10, 2026, at approximately 0853 hours, I, Ofc. Thelisme, was dispatched to 3143 Ocean Drive (Cravings) in reference to a trespassing subject. Upon arrival,

I observed the subject, later identified as Christopher Lee Altemus, sitting in the outdoor customer seating area of the business.

I made contact with the complainant, Mary Walker, the owner of Cravings, who stated that Altemus had previously been trespassed from the property during the spring of 2026 and was not allowed to return. Walker stated that she wished to pursue criminal charges against Altemus.

A records check through VBPD Communications confirmed that Altemus had previously been issued a trespass warning from Cravings on May 8, 2026, under VBPD case number 050826-54, by Ofc. Amburgey (438).

Based on my observation of Altemus sitting in the outdoor customer seating area belonging to Cravings, along with the confirmed prior trespass warning issued on May 8, 2026, I determined that probable cause existed to believe Altemus knowingly entered or remained on the property after being warned not to return, in violation of F.S.S. 810.09(1)(a)1., Trespass on Property Other Than a Structure or Conveyance.

Altemus was reissued a trespass warning from Cravings, effective October 10, 2026.

Altemus was placed under arrest and transported to the Indian River County Jail without further incident.

This incident was captured on BWC..

NARRATIVE

On Saturday, October 10, 2026, at approximately 1945 hours, I responded to 1500 76th Drive SW, Vero Beach, Florida, in reference to a reckless driver whom had backed into a bush line, and spoken with the caller. The caller advised the male appeared highly intoxicated, and provided the vehicle description of a silver in color Dodge pickup truck bearing Florida tag#: JU456T.

Deputy Edgar advised he had visual of the pickup truck traveling east on 15th Lane SW. Deputy Edgar conducted a traffic stop on the vehicle, at which point he made contact with the driver whom was identified by his Florida driver's license as Brett Akerlind.

I arrived at the aforementioned location, and made contact with Deputy Edgar and Akerlind. As Deputy Edgar and I interacted with Akerlind, I observed several physical signs of impairment: Heavy odor of an alcoholic beverage emitting from his breath, glassy-watery eyes, slurred speech, swaying, and inability to multitask. I became concerned Akerlind was impaired beyond his normal faculties by alcoholic beverages or chemical or controlled substances.

Deputy Edgar informed me he had requested Akerlind submit to field sobriety exercises to which he initially refused. Deputy Edgar stated he provided Akerlind with his taylor warning, and still Akerlind refused to participate. Akerlind was detained, at which time he stated he would submit to field sobriety exercises.

I asked Akerlind a series of medical questions to ensure he could participate in field sobriety exercises. Akerlind stated that he had no physical defects, was not sick or injured, did not have epilepsy or diabetes, did not wear contacts or glasses.

All field sobriety exercises were explained and demonstrated proficiently prior to Akerlind beginning each exercise and I confirmed he understood the instructions prior to the start of each exercise.

The following exercises were performed:

1.) HORIZONTAL GAZE NYSTAGMUS – Deputy Edgar administered this exercise with me observing behind him. No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed in both eyes. Vertical Gaze Nystagmus was not observed.

2.) WALK AND TURN - A painted parking line was used for the exercise. When asked, Akerlind agreed with me that the line was straight, flat, and clear of debris. Akerlind was unable to maintain the starting position and continuously stumbled unable to maintain his balance. Akerlind did not count his steps aloud missed heel to toe, then stopped the exercise and was unable to continue.

NARRATIVE (Continuation)

3.) ONE LEG STAND – Akerlind chose his left foot for this exercise. Akerlind got to 1001 almost fell over and stopped the exercise. He was reminded to continue to exercise and displayed the following: swaying, used arms to balance, put foot down, did not look at raised foot. Akerlind continued to place his foot down, he got to 1010 stopped the exercise and stated, "I think I'm pretty good at that." Akerlind kept his foot down for approxiamelty 12 seconds of the 30 second time from after stating he was good.

Overall, Akerlind performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on Saturday, October 10, 2026, Akerlind was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

Akerlind was arrested for DUI at 2010 hours and was advised of the charge. Deputy Edgar took Akerlind into custody without incident and transported him to the Indian River County Jail for booking.

After arriving at the jail, Deputy Edgar advised me that Akerlind refused to provide a breath sample.

Based upon my investigation, I charged Akerlind with the following:

F.S.S. 316.193.1- DUI, Citation#: ANHCE2E

F.S.S. 316.1939.1.E- Refusal to Submit to Testing, Citation#: ANHCE4E.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00109330**

NARRATIVE

On October 10, 2026, Detective Doval observed a two-door Pontiac bearing Florida tag BM11KA traveling north in the 500 block of 20th Avenue Southwest. Detective Doval estimated the vehicle's speed to be approximately 50 mph, whereas the posted speed limit in that area is 35 mph. I subsequently got behind the vehicle at 4th Street and Old Dixie Highway and observed it come to a stop passing the stop bar at the intersection.

Based on the infractions, I activated my emergency lights at the intersection to conduct a traffic stop. The vehicle continued traveling for two blocks before finally stopping at 2nd Street and Old Dixie Highway. I made contact with the driver, who was later identified by his passport as Ricardo Gabriel Mazariegos De Leon. During our interaction, Ricardo admitted that he was nervous and stated that his driver's license was suspended. K-9 Handler W. Shaw verified that Ricardo's Florida driver's license was indeed suspended.

I later used DAVID and confirmed that Ricardo license has been revoked since 6/14/2021. I determined that Ricardo violated FSS 322.34.2a - driving while license suspended.

Ricardo was transported to the Indian River County Jail without incident.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00109369**

NARRATIVE

On Saturday, October 10, 2026 at approximately 2239 hours, I responded to a traffic stop conducted by Detective D. Magill (6298) at the Cumberland Farms located at 2700 9th Avenue in Vero Beach, Florida.

Detective Magill conducted a traffic stop on a red Cadillac (FL / CZ47LX) after observing the vehicle being operated without any tag lights. During the investigation, Deputies on scene observed multiple indicators of impairment, including the odor of an alcoholic beverage emitting from the driver's mouth and an open contained of alcohol in the vehicle. I responded to the scene and conducted a criminal investigation into Driving under the influence.

Upon my arrival, I observed a female later identified as Ms. Brenna Youst (Arrestee) seated on the ground behind her vehicle. Brenna was restrained in handcuffs. From the onset of the investigation, Brenna was emotional and angry. Brenna was assisted to her feet removed from handcuffs and advised of her rights in accordance with Miranda v. Arizona.

While speaking with Brenna, I could smell the distinct odor of an alcoholic beverage emitting from her breath, her eyes were watery and glassy, and she stood with an uneasy gait.

Brenna stated she wanted a lawyer, and it was explained that she was not entitled to a lawyer at this time, however she could speak with one at the conclusion of the investigation.

I explained my concern for her ability to operate her motor vehicle, and I requested she complete Standardized Filed Sobriety Exercises (SFSE's). Brenna agreed and I began by questioning her pertinent medical history. Brenna stated she had multiple medical conditions; however, she was not able to accurately describe all the conditions she claimed to have. She also could not accurately describe the medications she was currently prescribed to take. I asked about any recent surgeries and she declined any orthopedic surgeries. Brenna stated she last took her prescription medication this morning as prescribed. Brenna stated she consumed "1 sip" of her "Beat Box" that was located by deputies inside her vehicle. She stated this was approximately 1 hour prior to our interaction.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Brenna who stated she understood. Brenna's pupils were of approximate equal size and tracked simultaneously. I did not observe resting nystagmus. I observed the following validated clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees (30). I did not observe vertical gaze nystagmus.

The second exercise I administered was the walk and turn (WAT) exercise. I explained and demonstrated the exercise to Brenna who stated she understood and did not have any questions. During the instructional phase, Brenna failed to maintain the starting position. During the walking phase, I observed

the following validated clues of impairment: Missed heel to toe, incorrect number of steps (7/9), used arms for balance, and incorrect turn. Brenna began this exercise on the incorrect foot and DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS). Exercise. I explained and demonstrated the exercise to Brenna who stated she understood and did not have any questions. Brenna began the exercise prior to being instructed. I provided the instructions to Brenna a second time. She raised her right foot off the ground and I observed the following validated clues of impairment: Put foot down, used arms to balance, and sway. Brenna became frustrated and DID NOT complete this exercise to standard.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise to Brenna who stated she understood and did not have any questions. Brenna made the following attempts:

L1: Pad
R2: Missed - Cheek
L3: 1st Knuckle
R4: Pad
R5: Pad
L6: Pad

The fifth exercise I administered was the Modified Romberg Balance (MR-B) exercise. I explained and demonstrated the exercise to Brenna who stated she understood and did not have any questions. Brenna tilted her head back after 40 seconds she stopped the exercise, outside the allotted +/- 5 second variance of 30 seconds.

Based on the above indicators of impairment, Brenna was placed under arrest for Driving under the influence and transported to the Indian River County Jail Complex.

Upon arrival, Brenna was searched and a twenty-minute observation period was initiated by corrections staff. After the expiration of her observation period, Brenna was requested to provide a sample of her breath to determine its alcohol content. Brenna initially refused and was advised of Implied Consent by Deputy N. Rentas (6001). Brenna was requested a second time to provide a sample of her breath and complied. Brenna provided the following lawful samples of her breath: .204 g/210L and .211 g/210L.

Brenna was ultimately charged with Driving under the influence with a BrAC above 0.15% (ANHCD1E) and provided a UTC for possession of on open alcoholic beverage in a motor vehicle – Driver (ANUPHKE).

Arrest Affidavit Report

Case Report # **2026-00109677**

NARRATIVE

On Monday, October 12, 2026, at approximately 0010 hours, I was traveling southbound on Old Dixie Highway SW in the 700 block when I observed a vehicle traveling northbound. The vehicle kept getting closer and closer to my vehicle. The vehicle got so close to my vehicle, I had to conduct an evasive action and veered off of the road to avoid a collision. The vehicle was a white Ford F-150. The vehicle kept traveling north on Old Dixie Highway SW. As the vehicle drove past me, I observed in my driver's side outside mirror the driver's side of the white Ford F-150 to be half in my lane of travel. It should be known that the area where this occurred is a double solid yellow line area due to a curve in the road and that I was driving my marked agency patrol vehicle.

I conducted a U-Turn to attempt a traffic stop. The vehicle turned westbound onto 5th Street SW and accelerated. Due to the distance from me to the vehicle, I attempted to catch up to the vehicle to attempt a traffic stop. The vehicle then turned off their headlights and I activated my emergency lights and siren. The vehicle did not stop and kept traveling through a neighborhood. The vehicle turned into a residence located at 240 6th Drive SW. I waited for more units to arrive on scene and once that occurred, a felony stop was conducted and the occupants were called out. A driver and passenger exited the vehicle and were taken into custody.

D/S Estrella conducted the interview due to a language barrier. I was advised that Belisario Mendez Cruz, the driver, rights were read and that he understood them. Cruz advised that he was traveling from Fort Pierce. Cruz advised that originally, he was the passenger in the vehicle. Cruz advised that his friend, later identified as Armando Osoria was to intoxicated to drive and requested Cruz to drive. Cruz advised that he would. Cruz advised that he has never drove a truck before and that is why he almost hit me. Cruz was asked why he did not stop and if he saw my emergency lights. Cruz advised that he observed my emergency lights and that he did not stop due to him trying to wake up Osorio, who was in the passenger seat. Cruz advised that he does not have any driver's license and that he is an illegal alien. Cruz advised that he came to America two years ago.

VICTIM TO SUBJECT RELATIONSHIP

RELATIONSHIP UNKNOWN

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/12/2026** , at **01:53** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On October 12th, 2026, at approximately 0153 hours, I, Ofc. Z. Dominguez, conducted a traffic stop on a silver Lexus (FL Tag #FIYP30), in the parking lot of 2296 US1 (7/11), in reference to a left headlight violation.

Upon approach, I observed two front seat occupants and a baby in the rear car seat. I then spoke with the driver, identified as Alberto Colione Cruz. I introduced myself as a law enforcement officer for the City of Vero Beach Police Department, and advised Cruz that his left headlight was out. I then asked Cruz for his drivers license, registration, and proof of insurance. Cruz provided me with his drivers license, and was ran through VBPD Communications. I was then advised by VBPD Communications that Cruz's drivers license wasn't valid.

I then spoke with the passenger of the vehicle, Alana Cirone. I asked Cirone if she possessed a valid drivers license, to which she said yes. It should be noted that Cirone also said that she was on probation during our interaction. Upon running Cirone's drivers license through VBPD Communications, I was informed that she had a warrant out of Martin County Sheriff's Office (#24623CFA) for Felony VOP.

I then returned to the vehicle and asked both adults to step out of the vehicle. Cirone was placed in handcuffs and hit confirmation was sent.

On scene, Cirone was able to call a friend (Morgan), who later responded to the scene to take over childcare duties for the baby.

Cruz was issued a UTC (#AO918WE) for DWLS, in violation of F.S.S. 322.34(2). Cruz was also issued a traffic warning (#W119375) for the headlight, in violation of F.S.S. 316.220.

Hit confirmation was recieved, and Cirone was placed under arrest for Felony Violation of Probation, in violation of F.S.S. 948.06. Cirone was then transported to the Indian River County Jail for booking, $1000 bond.

This incident was captured by my department issued Body Worn Camera (BWC) and uploaded to VBPD Evidence Library.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00109903**

NARRATIVE

On Monday, October 12, 2026 at approximately 1231 hours, I responded to [redacted] in reference to a runaway juvenile.

Upon arrival, I met with the complainant Carlie Moltime. Moltime advised that [redacted] had run away from home during the weekend. Moltime advised [redacted] runaway due [redacted] probation officer's decision to add a GPS ankle monitor as part of her probationary conditions. [redacted] continuously violates [redacted] curfew and conditions of [redacted] probation, according to Moltime.

Moltime initially stated [redacted] went missing at approximately 0100 hours the night between Friday, October 9, 2026 and Saturday, October 10, 2026. Moltime further explain that [redacted] continuously ignores the conditions of [redacted] probation and should be home within normal hours. [redacted] continuously absconds from the residence at all times of the night. This information was alarming since [redacted] and being out that time of night could be detrimental to [redacted] well-being. After much deliberation it was further determined that [redacted] could have absconded the following evening. Between Saturday and Sunday, though this could not be fully confirmed. Moltime has an expansive Ring camera system within the interior and exterior of the residence. Even with the system in place Moltime was unable to pinpoint the exact day, hour, or location of [redacted] exit from the residence.

Moltime signed a missing/runaway affidavit attesting that [redacted] had absconded from her care. A BOLO was deiminated through dispatch:

Once the BOLO was given in an effort to locate [redacted] and [redacted] was entered into NCIC as a habitual runaway. The Criminal Investigations Division (CID) was contacted by Sergeant Fricke to informed them of the incident. CID advised to provided an internal email to informed them of the incident so a follow up could be conducted on their part.

[redacted] does have cellphone but it was reported to be Wi-Fi dependent and could not be pinged due to no provider service. No exact location was known by Moltime on where [redacted] could be located at the time of this report. No suspicious or concerning factors were reported and it is believed that [redacted] merely absconded to avoid the GPS device placement.

Upon finalizing the NCIC entry and the appropriate procedures for reporting [redacted] in an effort to recover [redacted] I began inquiring with Moltime about the significant lapse in time she took to report [redacted] as missing/runaway. I afford Moltime the opportunity to explain the incident and dispel my belief that [redacted] continuous absconding was merely rebellious acts and not a neglect on her part. I read Moltime her Miranda Warnings of Constitutional Rights, she acknowledged understanding them and agreed to speak to me.

Moltime failed to provide a plausible explanation to [redacted] constant and repeated conduct that could reasonably be expected to result in, serious physical injury or mental injury, or a substantial risk of death to [redacted] Affirmed by her statements that Moltime is unable to control or deter [redacted] from continuously leaving the residence at all hours of the night. Unable to provide or know where her daughter was currently located or who she

could be accompanied with. Moltime showed a disregard in caring or wanting to properly care for [redacted] Moltime advised that she wishes and has requested that the Department of Children and Families (DCF) remove [redacted] rom her care. DCF according to Moltime has refused to do so and feels they obligate [redacted] care to her. Moltime openly and freely stated that she no longer wants care of [redacted] and prefers she be placed in a group home.

The mere fact that Moltime took a substantial amount of time to report [redacted] as absconded and her lack of attempting to locate [redacted] owed a disregard to properly care fo [redacted] Moltime at no point during our interaction stated making an effort to locate Gordon and remained at the residence the entirety of the weekend. Moltime merely relied on the fact law enforcement would enter her as missing and would return [redacted] o her care. Moltime stated that [redacted] return would be against her wishes and as previously mentioned would wan [redacted] under DCF's care.

I was personally involved in a previous incident (case #2026-14049) where Moltime was taken into custody for a similar incident, were she showed similarly disregard for [redacted] well-being and neglected to provide proper care for [redacted]

Due to the previously mentioned set of events and lack of plausible explanations Moltime was taken into custody for violating Florida State Statue:

- F.S.S. 827.03 (2)(d) Child Neglect w/o great bodily harm

Moltime was transported to the Indian River County Jail, where she was charged and turned over to jail staff for further processing.

DCF was contacted and advised of the incident. DCF intake operator Atavia ID #535 advised they would conduct an investigation on the matter.

The incident was captured on my Axon body-worn camera.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 09/28/2026 , at 06:00 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

Did commit the offense of AGGRAVATED ANIMAL CRUELTY and in support thereof please refer to the Arrest Warrant and Associated Affidavit herewith.

==========

On Friday, October 9, 2026, Indian River County Animal Control Sergeant E. Hummell contacted me and advised that a warrant had been obtained for the arrest of the Defendant, Rene R. Martin ("Defendant"), for Animal Cruelty and provided me with a copy of the warrant. See IRC Case No.: A26-082163 / SA Case ID No.: 2026-31-000703.

On 10/12/26 I, Ofc. Gonzalez (471), along with my trainee, Ofc. Neary (425), went to the Defendant's residence located at 1680 29th Avenue in an attempt to make contact with the Defendant.

Upon arrival, I made contact with a male who was positively identified as Rene Robert Martin by his Florida driver's license through dispatch who advised that there was in fact and active warrant for the Defendant's arrest. After confirming said warrant, I placed the Defendant under arrest and informed him accordingly and then transported him to the Indian River County Jail without incident.

Once at the jail, the Defendant was turned over to the custody and control of the corrections deputies on duty.

All interactions were recorded with the use of my body-worn camera and subsequently uploaded to a secure server.

NARRATIVE

On Monday, October 12, 2026, at approximately 1647 hours, I responded to [redacted] in reference to a disturbance.

Upon arrival, I made contact with the victim, [redacted] who stated she was involved in a physical altercation with [redacted] William Monroe.

[redacted] stated William has been bringing strangers [redacted] and has been getting into trouble around town. [redacted] said she was having a conversation with William about his decisions, and how he needs to follow their rules if he is going to [redacted]

[redacted] stated the argument started to get heated to the point she felt [redacted] was necessary to diffuse the situation [redacted] stated she told William she was calling law enforcement, and went to grab [redacted] phone, when William pried the phone from her hands after she had already grasped onto it, taking the phone from her possession, while also prohibiting her from [redacted] stated she was able to locate her cellphone within the home and [redacted] stated William fled the home running on foot when the call was made.

[redacted] had no complaint of injury and nothing was visible.

[redacted] stated William is on felony probation for a charge that stemmed out of Brevard County for Aggravated Assault with a Deadly Weapon. This information was confirmed via IRCSO Public Safety Dispatch.

According t[redacted]

Deputies began to BOLO the area for William, when he eventually returned to the residence on his own. William was taken into custody without incident.

William was advised of his Miranda Rights which he stated he understood and was willing to speak. William denied prying the phone from [redacted] hands, and stated he got to the phone before she could and took it.

Significant bruising was observed to both of William's eyes, that he stated he sustained last night during a fight with a stranger at a gas station.

William was brought to Cleveland Clinic Indian River Hospital for medical clearance, then to the Indian River County Jail on charges of Robbery by Sudden Snatching, Hinder Communication [redacted] and

Arrest Affidavit Report

Case Report # **2026-00110006**

NARRATIVE

On October 12th, 2026, at approximately 1928 hours, I responded to the report of a disturbance at [redacted] The calling party was identified as [redacted] as Avni Crowe and [redacted], were physically fighting. Aniya explained her mother, identified as Lazengia Harris, was now involved in the fight. It should be noted, all of these parties are [redacted]

Deputy Lopez-Acosta was first to arrive. I arrived shortly after him. I observed him to be standing outside speaking with Avni. Avni was highly emotional, crying with visible tears, and talking very loudly. She quickly exclaimed she was hit in the face with a Stanley cup and was bleeding. I asked if she needed an ambulance, which she declined.

I then began speaking with [redacted] explained Avni was over at the apartment today. [redacted] explained Avni does not reside at the apartment, and was having a supervised visit with her child, identified as Mahogany Galloway (10-month-old female). She explained Avni was asked to leave the residence multiple times due to a disturbance which was beginning. She explained Avni did not leave and began to make demands to say goodbye to her child, as Mahogany resides at this residence. She stated the disturbance turned physical where a mirror was thrown, and subsequently a water bottle. [redacted] explained there was blood and glass everywhere in the apartment, due to this I went inside in an attempt to make contact with Lazengia [redacted]

Cpl. R. Thomas arrived on scene, where I went inside to speak with Lazengia. Present with Lazengia was Aniya, her 14-year-old daughter, [redacted] Lazengia explained Avni was at the residence doing a supervised visit with her child, Mahogany. She explained Avni began to act out, where she requested her to leave the apartment multiple times. She explained Avni does not live at the apartment, nor does she have any claim to the residence. She explained Avni is specifically not on the lease because she does not pay any bills, nor live there. Despite the multiple requested to leave, Avni did not leave the residence.

Lazengia explained towards the end of the visit, Avni began to act out over a dispute regarding her child. She explained the argument and disturbance that ensued took place in the living room of the apartment. She explained Avni began to yell and be disrespectful toward herself and Aniya. Lazengia stated Avni was screaming that she wished her mother, (Lazengia) and her 14-year-old sister (Aniya) would die. She explained because of this disrespectful behavior, [redacted] took Avni's backpack of items, and threw them down the stairs and began to yell at her to leave. Lazengia stated as a result of this, she put herself between [redacted] and Avni to attempt to stop them fighting. However, she explained Avni made an active attempt to jump around her and a physical altercation broke out between the two.

NARRATIVE (Continuation)

Lazengia explained during the fight, she was struck unintentionally, where she broke her right hand's middle finger nail. She requested EMS for this injury. They ultimately arrived and provided minimum paitent contact.

Lazengia explained during the argument Avni was attempting to throw items, such as a standing vertical mirror. Aniya explained due to the fight, she grabbed the two babies which were present in the living room, one being Mahogany, and the second being Jahan Onias (20-month-old male). She explained while moving to a secondary room in the apartment to escape the fight, she observed Avni throw a mirror toward [redacted]. She explained her mother was standing between the two, where it appeared Avni was attempting to get by her. I asked both Lazengia and Aniya who they believed the primary aggressor was, which they stated they believed Avni was.

While inside the apartment I observed the following. I observed a white vertical mirror, which was thrown on the floor in the living room, directly next to a baby's playpen. At the base of the interior stairs, I noted at the base of the stairs, a backpack, and 2 Stanley cups, one color orange and one blue/green.

I went to re-interview [redacted] explained a similar story to the above. [redacted]xplained Avni was causing a disturbance in the residence, where she was wishing death upon her mother and her 14-year-old sister. She explained during the disturbance, she observed Avni throw a mirror toward her. [redacted]ltimately showed me the mirrors location, which was directly at the top of the stairs behind a pile of stacked items. She explained the mirror being throw at her scared her for her life, as she believed Avni was trying to kill her. She explained in self-defense, she grabbed a nearby orange Stanley cup and threw it at Avni. She explained Avni still was refusing to leave the apartment, and attempting to fight her and strike her. [redacted] did not have any visible injuries; however, she did report her hair was pulled.

I then conducted an interview with Avni. Avni was read her Miranda rights, where she agreed to speak with me. She explained she was present for a visit with her child. As such, she explained a disturbance broke out of her child possibly eating food of the floor. Due to this, she grabbed Mahogany, and attempted to take her from Aniya. However, Aniya stated her belief the child was not safe with Avni. Due to this Avni admits to yelling, screaming, and wishing death upon the parties inside the residence. She explained her siste[redacted] picked up her belongings and threw them down the stairs. She specifically stated Areanna threw a green Stanley cup near her. However, she could not specifically elaborate if this item was thrown near her and or at her. She stated it scared her, so she picked up a nearby bag and swung it at[redacted] She explained a physical disturbance broke out, where she stated her mother (Lazengia) and[redacted] began to come out her. She explained her mother attempted to separate the two, where Avni got a hold of [redacted] and pulled her hair in an effort to defend herself. She explained at

some point during the altercation, [redacted] threw the orange Stanley at her, which struck her in the lip. I observed she had a swollen lip, with what appeared to be dried blood. At this point in the investigation, it had been almost an hour since law enforcement's arrival on scene. I also questioned if she threw a mirror toward [redacted] which she admitted she was attempting to throw items in self-defense.

At the conclusion of the investigation, it was determined there was probable caused for Avni to be the primary aggressor in the incident. This was determined due to her own admission for wishing death upon her family members, and the 3 witness statements stating she acted with physical violence first. Additionally, despite being issued multiple verbal warnings, Avni refused to leave the apartment, therefore she was trespassing in an occupied structure. Due to this, Avni was placed under arrest where she was handcuffed (double locked/checked for fit).

It should be noted, all statements from the witnesses were sworn to under the penalties of perjury.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00110039**

NARRATIVE

On Monday, October 12, 2026, at approximately 2110 hours, I, Deputy Apollon, conducted a traffic stop on a white Dodge Ram pickup truck bearing Florida registration DQ30MD in the 1400 block of 27th Avenue, Vero Beach, Indian River County, Florida.

Upon approaching the vehicle, I made contact with the driver and registered owner, identified as Steven Sabdue. I informed Steven that the reason for the traffic stop was his failure to come to a complete stop at the posted stop sign located at the south entrance of Cumberland Farms, 880 27th Avenue SW, Vero Beach, Florida.

While I was issuing Steven a written warning for the traffic violation, K92 advised the vehicle was clear to be searched.

During a subsequent search of the vehicle, one suspected crack cocaine pipe was located on the passenger-side floorboard. The vehicle also contained two female passengers, identified as Sharon Tesci and Ariel. When questioned regarding ownership of the pipe, neither female claimed ownership.

Due to the presence of two female passengers, the Vero Beach Police Department was contacted to request a female officer to conduct searches of both subjects.

Upon arrival, a female officer with the Vero Beach Police Department conducted a search of Sharon Tesci's person. During the search, the officer located a small package containing a suspected controlled substance concealed inside the right side of Sharon's bra.

The suspected substance was subsequently field-tested by Deputy Finkle for the presence of methamphetamine.

When questioned regarding the substance, Sharon denied ownership and stated that the substance belonged to Ariel. Sharon further stated that Ariel had given her the substance to hold due to the traffic stop.

Ariel denied Sharon's allegation and stated that if Sharon was attempting to place blame on her, law enforcement should check the bed of the pickup truck, specifically a bag containing bread, where additional drugs could be located.

A subsequent search of the truck bed was conducted. During the search, Deputy Finkle located two suspected methamphetamine pipes concealed inside a package of hot dog buns.

Following the investigation, Sharon Tesci was taken into custody and transported to the Indian River County Jail without incident.

Sharon Tesci was charge with following: Possession of a Controlled Substance (Methamphetamine), pursuant to

Arrest Affidavit Report

Case Report # **2026-00110052**

NARRATIVE

On Monday, October 12, 2026 at approximately 2237 hours I was dispatched to 8800 20th Street, Vero Beach (Redroof inn) in reference to a physical disturbance.

Upon arrival, I made contact with the victim, [redacted] who advised the following in summary:

He was inside of his room when he began to hear a female and male causing a commotion on the balcony outside of his hotel room. [redacted] proceeded to walk outside of the room and take a seat in a chair just outside of his room to see what the commotion outside was in reference to. This is when a female, later identified as Ciara Torres, began to walks towards him and as she was walking past him, she began to apologize to him for all of the noise she was making outside. Ciara continues to leave, and shortly after another subject, later identified as Kawaski Stoudmire, Ciara's boyfriend, approached him. Kawaski started an altercation wit[redacted]over him talking to his girlfriend. [redacted] roceeds to claim he did not initiate the conversation with Ciara, and the two continue to argue for a short time. During this verbal argument [redacted] made the statement "go check your bitch", this comment offended Kawaski and prompted him to punch [redacted] n the face. [redacted] described Kawaski as a black male, wearing a black T-shirt, camouflage shorts, a black beanie, and gold chain. It should be noted that no observable injuries could be seen on [redacted] face from the punch.

Red roof employee, Jessie Armfield was on scene and able to provide camera footage of the incident that occurred, and on video the following could be observed:

[redacted] and Kawaski can be observed on video in a verbal altercation outside of their hotel rooms on the second-floor balcony. The two can be seen involved in a verbal altercation, for a short period of time when suddenly Kawaski makes a punching motion with his right fist. In the video, it is unclear if Kawaski struck [redacted] or if he missed the punch. Both [redacted] and Kawaski had ample time and opportunity for either one of them to deescalate the verbal altercation, however neither party can be seen making any attempt to on video.

Kawaski was located in near proximity to the location of the incident based on the clothing description provided by [redacted] t 2311 hours. Kawaski was detained, and in a post-Miranda interview advised the following about the incident:

Him and his girlfriend, Ciara was involved in a verbal argument, Ciara continued to walk off towards [redacted] oom, where he saw [redacted] alking to Ciara. Kawaski confronted [redacted] about speaking with his girlfriend, and [redacted] continued to call Ciara a "bitch" and "pussy" to Kawaski's face. Kawaski became angry over [redacted] comments about his girlfriend and proceeded to punch him in the face for disrespecting his girlfriend. After punching [redacted] n the face, he went for a walk and when he came back to the Redroof, he was approached by law enforcement.

Kawaski's girlfriend, Ciara Torres advised her and Kawaski were involved in a verbal altercation on the balcony of the Redroof, however it was not physical. No observable injuries could be seen on her body to suggest otherwise. Ciara declined to speak further about the incident between [redacted] and Kawaski, and had no other comment to add.

Kawaski was placed under arrest and transported to Indian River County Jail without incident.

MARSY'S LAW

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 10/09/2026, at 09:56 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On Friday, October 9, 2026, I responded to [redacted] in reference to a possible disturbance. Sebastian Police Communications advised that they had received several [redacted] from the address within a short period. During the first [redacted] a female could be heard screaming, "Get off of me" and "Give me my phone," while sounding distressed. Shortly afterward, Sebastian Police Communications received a [redacted] from a neighbor who reported hearing the disturbance. While the neighbor was on the phone with Communications, the female from the initia[redacted] was able to escape, get to the neighbor on the phone and advise that her phone had just been taken from her.

Upon arrival, I observed a female walking outside who appeared to be in obvious distress. As I approached her, I observed that she was crying and appeared visibly upset. While the female, later identified as [redacted] was speaking with other officers, the suspect walked outside from the above listed address. I then made contact with the suspect, who was later identified as Jarvis Johnson. I asked Jarvis if anything had occurred today that would result in law enforcement being contacted. Jarvis stated he had been sleeping whe[redacted] woke him up and accused him of deleting files from her cell phone. Jarvis stated he did not know what she was referring to, which caused [redacted] to become increasingly upset. According to Jarvis, the two eventually began yelling at each other and made verbal statements about calling law enforcement on one another. During the argument, [redacted] wanted to leave, but Jarvis told her not to because of her emotional state. Jarvis also told [redacted] that he wanted his cell phone back and that she was not permitted to use the truck. Jarvis stated these comments further upset [redacted] who then began contacting several family members. Jarvis overheard part of a phone conversation in which someone instructed [redacted] Jarvis also stated he heard [redacted] say she was going to [redacted] Jarvis told me he responded by saying, "There is no reason to [redacted] Jarvis subsequently admitted to grabbing the cell phone from [redacted] and removing it from her grip. He also stated he ended the phone call because he believed [redacted] was speaking with her father.

I then made contact with [redacted] who provided the following statement. [redacted] stated she woke up and noticed several files were missing from her cell phone. Believing Jarvis had deleted the files, she woke him up to question him about it. [redacted] stated Jarvis became angry and claimed he did not know what she was talking about. The two then became involved in a verbal argument concerning the cell phone, the vehicle, and how [redacted] At some point during the argument, [redacted] began contacting family members to arrange transportation, as she intended to [redacted] During one of the phone calls [redacted] was instructed t[redacted] because of Jarvis's actions. [redacted] told Jarvis she was going to contact law enforcement, at which point he reached for her cell phone. [redacted] stated Jarvis removed the phone from her hands and placed it in an unknown location. [redacted] then fled to a neighbor's residence, where she contacted law enforcement.

Based on the statements provided by both parties, I believe Jarvis knew or reasonably should have known that [redacted] was attempting to contact law enforcement when he grabbed the cell phone from her. By taking the phone, Jarvis prevented [redacted] from contacting law enforcement and admitted to terminating an active phone call that he believed was with [redacted] after hearing [redacted] state she intended to [redacted]

Based on the totality of the circumstances, Jarvis is being charged with hindering communication with law enforcement.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/09/2026** , at **15:43** (Specifically include facts constituting cause for arrest.)

On Friday, October 9, 2026, the Sebastian Police Department received notification that a warrant had become active for Lukeylas Close, the suspect in Sebastian Police case 26-1697. See warrant 2026-1102 for further information.

Sergeant Bruckner responded to 152 Englar Drive in an attempt to locate Lukeylas, while I also responded to the location. Prior to my arrival, Sergeant Bruckner made contact with Lukeylas, positively identified him, and detained him.

After confirming the warrant was still active via Sebastian Police Communications, I advised Lukeylas that he was under arrest in reference to a prior incident, to which he understood and knew what incident I was talking about.

Lukeylas was then transported to the Indian River County Jail without incident.

It shall be noted during transport, Lukeylas began talking about this case. He then, without being asked any questions, admitted the crime of written threats to do harm. He expressed it was an accident and meant to send the word "milk," instead of "kill."

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/09/2026** , at **16:38** (Specifically include facts constituting cause for arrest.)

On October 9, 2026, at approximately 1638 hours, I, Ofc. Mathews, responded to 1470 Old Dixie Highway in reference to a warrant.

On scene, I made contact with Vonessa Tyella Tyler. A records check through VBPD Communications revealed Tyler had an active Indian River County warrant (# 312023CF001333AXXXXX) and an active Indian River County warrant for the original offense of credit card fraud.

Confirmation for the above-mentioned warrants was received, and Tyler was placed under arrest without further incident. Tyler was subsequently transported to the Indian River County Jail.

This incident was captured on BWC.

NARRATIVE

On October 09, 2026, at 20:20 hours, IRCSO deputies were dispatched to Starbucks at 6280 20th St in Indian River County in reference to a Suspicious Person. The complainant, Lindsey Morgan Powell, is a Starbucks employee. She advised Dispatch that an adult white male was riding a store-issued-scooter and causing a disturbance. The male allegedly threw his coffee and garbage into a bush on the property.

The complainant advised the subject's direction of travel. Deputies located the male in the nearby Best Buy parking lot at 6156 20th St. I arrived on scene at 20:29 hours. We identified the male, Paul M. Deschryver, by his veteran credentials and Florida driver license. Paul was belligerent and undiplomatic. I noticed that Paul was sitting on an Amigo motorized shopping cart. Paul acknowledged that the cart was not his, adding that he took the cart from either Sam's Club or Walmart nearby. I phoned Walmart (5555 20th St) and spoke to the shift-manager, Yolanda Denise Masses. I advised her of the stolen Amigo electric cart. Yolanda informed me that Walmart would press charges and would like the cart returned.

The specific motorized cart that Paul was riding was an Amigo Value Shopper XL (SN: AMI0304942). Although I was unable to determine the exact price/value of the cart, the average price is approximately $3,467 depending on the configuration. Paul stated that he was going to the hospital. He clearly had no legitimate reason for taking the cart from Walmart, and he made no attempt to return it.

Based on my investigation, it was determined that Paul M. Deschryver knowingly and unlawfully took the Amigo motorized cart from Walmart at 5555 20th St. By doing so, Paul deprived Walmart of their property that he was not entitled to. Therefore, I placed him under arrest for Third-Degree Grand Theft, F.S.S. 812.014 (2)(c)(1).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On , at (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On Friday, October 9, 2026, at approximately 2201 hours, I Ofc. P. Flores #484, and other assisting officers received a call about a reckless vehicle, description of a red kia sedan with one flat tire and one headlight out, heading towards Indian River Drive East coming towards the beach.

Assisting Officers and I heard a vehicle approaching the intersection GreyTwig Road and Mockingbird Drive. The approaching vehicle matched the description of the vehicle in question. Officers and I subsequently contacted the driver. Upon approaching the vehicle, I observed a white male exit from the driver's seat. I confirmed the male was the sole occupant and operator of the vehicle. The driver was identified as Joshua Daniel Lezniewicz through his Florida driver's license.

Upon making contact with the Defendant, I immediately detected a strong odor of an alcoholic beverage emitting from his breath and person as he spoke, additionally, I observed that the defendant's eyes were red and glassy.

Based on my observations, I asked the defendant if he would be willing to perform in the Standardized Filed Sobriety Exercises (SFSE) to further assess his conditions. The Defendant verbally agreed to participate.

I then administered the Field Sobriety Exercises (FSE'S).

ONE LEG STAND (OLS) The instructions were explained to the Defendant who stated that he understood them.

I observed the following: Noticeable swaying; Trouble maintaining balance; Improper count, paused at six, and continued to count at three, and could not continue the count and was told to stop.

The area was well lit, and the ground was level and free of debris. An approximately 12 ft. line was used for the walk and turn.

WALK AND TURN (WAT) The instructions were explained to the Defendant who stated that he understood them.

I observed the following indicators: Noticeable sway; Inability to maintain balance counting at nine at first and returning the defendant would pause to maintain his balance; counted to ten, Improper turn other than as instructed.

HGN (Horizontal Gaze Nystagmus)
The instructions were explained to the Defendant who stated that he understood them.

I observed the following: Back and forth sway; Equal tracking and pupil size (both eyes), Lack of smooth pursuit (both eyes); Distinct and sustained nystagmus at maximum deviation (Both eyes); and Onset of nystagmus prior to 45 degrees (Both eyes).

Following the administration of the Field Sobriety exercise, the Defendant was placed into custody, I advised the Defendant of his Miranda warning rights. The Defendant acknowledge his rights and agreed to speak with me.

During the course of the investigation, it was noted that the Defendant had caused property damage to an AT&T utility pole.

During the post-Miranda interview, I asked the Defendant whether he had consumed any alcoholic beverages prior to operating the vehicle. The Defendant admitted to consuming approximately three four Loko Alcoholic beverages at approximately 2100 hours. The Defendant further explained that, following his consumption of alcohol, he traveled to the IG Center to support his children, who were participating in a tournament. The Defendant stated that he traveled to Costa d'Este Beach Resort & Spa, where he met with several other parents associated with the tournament. The Defendant advised that, as the night progressed, he realized it was getting late and decided to drive home. The Defendant further stated that he became aware that his vehicle's front left tire was flat; however, he believed he would be able to drive the vehicle home and address the tire issue upon his arrival.

Based on the totality of circumstances, including my personal observations of the Defendant physical indicators of impairment, his performances during the administration of the Field Sobriety exercise, his admission to consuming the alcoholic beverages prior to operating a vehicle, and the documented property damages. The defendant was charged with DUI property damage.

The Defendant was transported to the Indian River County Jail. I was advised by breath test operator D/S N. Rentas the Defendant refused to provide a breath sample. The Defendant was read implied consent at 2221 hours and refused the breath test.

I find probable cause to arrest the Defendant under DUI property damages and DUI Refusal.

Based on the totality of circumstances, the Defendant was charged with and issued DUI citation # AFVKL9E and DUI Refusal #AFVKLAE.

My body worn camera was uploaded to a secure server.

Photographs of the scene were taken from the property damages, tire tracks and were uploaded to a secure server.

The Defendant was then turned over to the custody and control of detention personnel.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

Arrest Affidavit Report

Case Report # **2026-00109016**

NARRATIVE

On October 9th, 2026, at approximately 2114 hours, I responded to [redacted] in reference to a theft.

Upon arrival, I made contact with [redacted] who stated [redacted] Frederic Wild, broke into her bedroom and stole four of her Milwaukee drills and three Milwaukee batteries. [redacted] explained she left the residence yesterday after a disturbance with Wild (approximately 1730 hours), and when she returned today, her door was unlocked, and room had been gone through and the drills and batteries were missing.

While speaking with [redacted] it appeared someone put all of her clothing and miscellaneous items on her bed. [redacted] further stated she locked her bedroom door yesterday and the only other person with a key is Wild. When she arrived home today, Wild got in his gold Ford F150 (bearing FL tag CP88GD) and left the area.

[redacted]stated Wild does not have permission to enter her room or take any of her items. She further advised she has never allowed Wild into her room and keeps it locked at all times so no one will enter.

[redacted]tated she was unsure of the cost for the Milwaukee drills or the batteries. A search revealed an approximate cost for a Milwaukee drill is $150 (approximately $600 for all four drills), and the approximate cost for a Milwaukee battery is $200 (approximately $600 for the three batteries).

At approximately 2204 hours, Lieutenant R. Sunkel, ID# 4590, stated he located Wild's truck parked at 470 Amethyst Drive, Vero Beach. Contact was subsequently made with Wild and he was detained. I read Wild his Miranda Rights and Wild stated he did not wish to speak with us.

Wild was placed under arrest for the offenses of burglary and grand theft. He was transported to the Indian River County Jail, without incident.

Case Report # **2026-00109043**

NARRATIVE

On Friday, October 09. 2026 at approximately 2327 hours, I observed a suspicious vehicle (FL / 71BIXN) in the parking lot of Cumberland Farms located at 1690 US Highway 1 in Vero Beach, Florida.

The Indian River Sheriff's Communications division broadcasted a BOLO for a reckless driver and provided the description of a silver Kia Soul traveling North on US Highway 1. The BOLO described the driver as a white female, possibly in her 50's, wearing a baseball cap.

I located a vehicle matching the description provided above in the parking lot of Cumberland Farms. As K9 Deputy C. Scott (6283) and I made contact, the driver, later identified as Ms. Vanessa Gilman (Arrestee) exited from the driver's seat of the vehicle. I observed the vehicles front tire was deflated. Vanessa was on the phone with AAA attempting to arrange a tow truck. Vanessa was emotional and started to cry. I observed her eyes were watery and glassy and there was a prominent odor of alcohol emitting from her breath. Vanessa had difficulty standing and stumbled several times. When asked, Vanessa stated she had only consumed two (2) beers.

Based on the above indicators, I had reason to believe she was the subject of the BOLO and that she was intoxicated. I explained my concern for her ability to operate her motor vehicle and requested that she complete Standardized Field Sobriety Exercises (SFSE's) to which she agreed.

I began by asking her questions about her medical history. Vanessa did not provide any responses that would have led me to believe she would have difficulty performing any of the exercises. Vanessa denied consuming any prescription medications.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Vanessa who stated she understood. I did not observe resting nystagmus. Her pupils were of approximately equal size and tracked simultaneously. I observed the following validated clues of impairment: Lack of smooth pursuit, Distinct and sustained nystagmus at maximum deviation and onset of nystagmus prior to 45 degrees (40). I did not observe vertical gaze nystagmus (VGN). Vanessa had an orbital way while completing this exercise and had to be reminded multiple times not to move her head.

The second exercise I administered was the walk and turn (WAT) exercise. I explained and demonstrated the exercise to Vanessa who stated she understood. During the instructional phase, I observed the following validated clues of impairment: Vanessa was prompted into the starting position and began the exercise twice (2) before being instructed and Vanessa also failed to maintain the starting position as instructed. During the walking phase, I observed the following validated clues of impairment: Vanessa used her arms to balance, failed to touch heel to toe, incorrect number of steps, and improper turn. Vanessa DID NOT complete this exercise to standard.

NARRATIVE (Continuation)

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise to Vanessa who stated she understood. Vanessa raised her foot off the ground and I observed the following validated clues of impairment: Put foot down, used arms for balance, swayed and hopped while completing this exercise. Vanessa DID NOT complete this exercise to standard. Vanessa then claimed she was interrupted by an unknown male that drove by and distracted her. Vanessa was offered another opportunity to complete this exercise. I observed the following validated indicators of impairment in the second attempt: Put foot down, used arms for balance, swayed and hopped. Vanessa DID NOT complete this exercise to standard.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise to Vanessa who stated she understood the instructions. I observed the following clues of impairment:

L1: Pad
R2: Pad
L3: Pad
R4: Pad
R5: Pad
L6: Pad

Based on the above indicators of impairment, Vanessa was placed under arrest for Driving under the influence and transported to the Indian River County Jail. During an inventory search of Vanessa's vehicle, I located an opened bottle of Seagrams Vodka. This bottle was approximately half full and located within reach of Vanessa's driver' seat.

Upon arrival to the Jail, Vanessa was searched and a twenty (20) minute observation period was started. After the expiration of the observation period, Vanessa was requested to provide a sample of her breath by Deputy N. Rentas (6001). Vanessa refused and was advised of implied consent by Deputy Rentas. Vanessa was requested a second time to provide a sample of her breath and again willfully refused.

A query of D.A.V.I.D. revealed Vanessa has a prior DUI conviction on November 14, 2017 (A71TQWE).

Vanessa was ultimately charged with DUI – 2nd Offense (ANHCCSE) and Refusal to Submit to DUI testing (ANUPHIE). Vanessa was also issued a citation for Driver - Possession of an open alcoholic beverage container (ANUHPJE). Vanessa was processed and held on a total bond of $1,250.

Arrest Affidavit Report

Case Report # **2026-00109435**

NARRATIVE

On October 11, 2026, at approximately 0331 hours, I responded to the Indian River County Jail, 4055 41st Avenue, Vero Beach, Florida, 32960, in reference to a past disturbance between inmates.

Upon arrival, I met with Deputy Q. Williams, who showed me video footage of the altercations. One female inmate, later identified as [redacted], is seen sitting on top of a staircase in the common area of the pod. She walks down the staircase and begins exchanging words with another female inmate, later identified as Erin Fitzgerald, in her cell. Erin eventually exits her cell, and the two are apparently having a heated conversation. Erin pushes [redacted] against the wall by her neck, and let's go of [redacted] begins pointing at Erin, and Erin smacks [redacted] hand away. Erin then goes back inside her cell.

I met wit[redacted]who stated the following: [redacted] corroborated the version of events I witnessed in the video footage. She explained she argued with Erin several times throughout the night due to a dispute over candy won from a card game. [redacted] believed the last piece of candy Erin gave her was grape flavored and not root beer flavored as she desired.

I met with Erin who stated the following in a post-Miranda interview: She corroborated [redacted] reason why the argument started. She told me [redacted] started waving her finger in her face and her finger brushed against Erin's nose, which prompted Erin to push [redacted] I explained to Erin I watched the camera footage already, and saw she pushed [redacted] before she got close to Erin while waving her finger in Erin's face. I did not see [redacted] finger touch Erin either. Erin just nodded her head and did not try to claim she was touched first any further.

Based on these circumstances, I found probable cause to charge Erin with battery on a detained person in accordance with FSS 784.082.3.

NARRATIVE

On October 11, 2026, at 01:10 hours, I Deputy D. Coon #6379 observed a dark-colored SUV stopped at the intersection of 20th St and 78th Ave in Indian River County. The vehicle, gray 2025 Volkswagen Taos, FL Tag: 69DMCG), was stopped in the left turning lane with its hazard lights flashing. There was no traffic control sign or signal. I assumed the vehicle may be disabled, so stopped behind the vehicle to assist.

I made contact with the driver (sole occupant), Hallie Ann Harold, and I identified her by her driver license. Initially, Hallie attempted to hand me a Visa credit card. She stated that she was lost; she was in town for a Karate tournament and was en route to her Airbnb. Hallie was driving westbound on 20th St (SR60), but she was en route to 366 34th Ct SW. She was heading in the wrong direction. I asked Hallie why she did not use her cellphone's GPS directions, and she could not explain. She was confused. Hallie appeared drowsy and her speech was slow at times. Her eyes were watery, and I detected a slight odor of alcohol beverage on her breath. She denied drinking alcohol and insisted that she was okay to drive. During the later part of this conversation, I was being summoned to intercept another vehicle that was reportedly driven erratically. However, I elected to remain on scene with Hallie as I suspected that she was too impaired to drive. I asked her to step out of the vehicle and she agreed.

Interview:

Hallie's last meal was approximately between 06:30 - 08:30 the previous day. She stated that she was tired from competing in a Karate tournament. I inquired again why she did not use her phone's GPS, and she replied, "Because I'm single". Hallie stated that she is not diagnosed with any medical conditions and has no physical disabilities. She takes no medication and consumes no drugs. This included not consuming any cannabis products. Hallie works as a veterinarian technician, and she worked two days ago. Again, she insisted that she was okay to drive and had not consumed alcohol. Hallie agreed to perform standardized field sobriety exercises.

HGN: 6/6 Clues Observed

We remained on the flat pavement of the left turning lane. I had Hallie face me, parallel with vehicle traffic on 20th St. My front emergency strobes were turned OFF, and there was no noticeable wind. Hallie removed her eyeglasses. I did not observe any resting nystagmus or obvious signs of an eye injury. Both pupils were of equal size, and contracted equally when exposed to my flashlight. I gave Hallie clear instructions and a demonstration for the HGN screening. Both of her eyes tracked equally.

NARRATIVE (Continuation)

Hallie moved her head frequently, so I had to repeatedly prompt her to focus on the tip of my right index finger as it moved 12-15" in front of her face. While checking for Lack of Smooth Pursuit, I observed one clue in each eye as they both failed to smoothly track my moving fingertip (clues 1 & 2). I observed one clue in each eye for Distinct and Sustained Nystagmus at Maximum Deviation as each eyeball would twitch at the outside corner of his corresponding eye socket (clues 3 & 4). I then observed one additional clue in each eye as there was an Onset of Nystagmus prior to 45 degrees (clues 5 & 6). I did observe slight Vertical Nystagmus, which could indicate a high level of impairment.

Walk & Turn: 5/8 Clues Observed

We remained in the well-lit turning lane. The pavement was flat, level, and dry. We used the wide/bold yellow lane marker that contrasted well against the pavement. Street lights and my headlights illuminated the area. There was no noticeable wind. I gave Hallie the option of putting her shoes ON, and she declined. I gave Hallie thorough instructions and a detailed demonstration of the Walk & Turn. Hallie acknowledged her understanding of the instructions and had no questions. Hallie could not maintain the starting position; she separated her feet and used her arms for balance (clue 1). She paused on step five of her first pass and step four of her second pass (clue 2). Hallie failed to make heel-to-toe contact on several steps of both passes (clue 3). Despite my instructions and demonstration, Hallie used her arms for balance throughout the exercise (clue 4). She performed an improper turn by not using a small series of steps as instructed/demonstrated (clue 5).

One Leg Stand: 2/4 Clues Observed

We remained in the same pavement area, and the wind remained unnoticeable. The option of putting her shoes ON was given again, which she declined. I gave Hallie thorough instructions and a detailed demonstration of the One Leg Stand. Hallie acknowledged her understanding of the instructions and had no questions. Despite this, she began the exercise with incorrect form and had to start over. Hallie chose to lift her right foot. She put that foot back down on the ground two times (clue 1). Hallie could not keep her balance, swaying slightly and using her arms for balance at the end of the exercise (clue 2).

Arrest:

Based on the Hallie's performance during the SFSEs and my other observations, I believed that she was impaired to the extent that her normal faculties were affected. Thus, Hallie was placed under arrest

NARRATIVE

On Saturday, October 10, 2026 at approximately 0205 hours, I conducted a traffic stop on a white Dodge Ram (FL / BV51EF) at the 7-11 located at 210 Highlands Drive in Vero Beach, Florida.

I observed the above vehicle traveling South on US Highway 1, turn West onto Highlands drive and travel into the oncoming lanes of traffic. The vehicle appeared to be puling into the gas station on the corner, but then continued to drive westbound. I notified K9 Deputy C. Scott (6283) of the vehicle and turned around. The vehicle had pulled into the gas station at the 7-11 above.

I pulled in behind the vehicle and activated my red and blue cruise lights. As the driver exited the vehicle, I observed he had a bottle of Corona beer in his hand. He noticed me, then stuffed the bottle back into the vehicle. I instructed the driver come to the hood of my patrol vehicle. I identified the driver as Mr. Brian Ramirez (Arrestee) by the Florida Commercial Driver's license (Class A) he provided me.

While speaking with Brian, I could smell the distinct odor of an alcoholic beverage emitting from his breath, his eyes were watery and glassy, and he stood with an uneasy gait. Brian had a fixed gaze and had difficulty listening to my instructions.

I explained my concern for his ability to operate his motor vehicle, and I requested he complete Standardized Filed Sobriety Exercises (SFSE's). Brian agreed and I began by questioning his pertinent medical history. Brian stated that he was in overall good health, citing his medical clearance for his commercial driver's license.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Brian who stated he understood. Brian's pupils were of approximate equal size and tracked simultaneously. I did not observe resting nystagmus. I observed the following validated clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees (35). I did not observe vertical gaze nystagmus.

The second exercise I administered was the walk and turn (WAT) exercise. I explained and demonstrated the exercise to Brian who stated he understood and did not have any questions. During the instructional phase, Brian had difficulty standing in the prescribed position and ultimately failed to maintain the starting position. Brian made a comment and stated, "Can a normal person do this?" During the walking phase, I observed the following validated clues of impairment: Brian took stow steps and raised his arms. He then stopped walking and asked to complete a second attempt. ON his second attempt, he took an incorrect number of steps (8) and raised his arms. He then removed his shoes, completed an improper turn and turned to me and questioned "Turn?" I prompted him to follow the instructions and he took three steps before almost falling. Brian was able to prevent himself falling by reaching to the ground to support

himself. Brian then made a third attempt. Brians steps were slow and unsteady. Brian DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS). Exercise. I explained and demonstrated the exercise to Brian who stated he understood and did not have any questions. While explaining the instructions, Brian raised his foot off the ground and was instructed back into the starting position. Brian began the exercise by raising his left foot off the ground and I observed the following validated clues of impairment: Used arms to balance, sway, and hopped. Brian had to be prompted to straighten his leg, look at his raised foot and count aloud. Once Brian began to count, he counted in the following order, 1000, 2000, 3000, 6000, 4000. Brian DID NOT complete this exercise to standard.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise to Brian who stated he understood and did not have any questions. Brian made the following attempts:

L1: Smashed - Pad
R2: Outside right nostril
L3: Missed – upper lip
R4: Pad
R5: Pad
L6: Missed – upper lip

The fifth exercise I administered was the Modified Romberg Balance (MR-B) exercise. I explained and demonstrated the exercise to Brian who stated he understood and did not have any questions. Brian tilted his head back after 31 seconds he stopped the exercise. During this exercise, I observed eyelid tremors in both Brian's eyes.

Based on the above indicators of impairment, Brian was placed under arrest for Driving under the influence and transported to the Indian River County Jail Complex.

Upon arrival, Brian was searched and a twenty-minute observation period was initiated by corrections staff. After the expiration of his observation period, Brian was requested to provide a sample of his breath to determine its alcohol content. Brian was initially hesitant and requested to speak with a lawyer. He was advised he needed to make a decision and was still hesitant. Brian was advised of Implied Consent for commercial motor vehicle by Deputy N. Rentas (6001). Brian was requested a second time to provide a sample of his breath and ultimately complied. Brian provided the following lawful samples of his breath: 0.172 g/210L, 0.195 g/210L, and 0.189 g/210L.
Brian was ultimately charged with Driving under the influence with a BrAC above 0.15% (ANHCDCE) and provided a UTC for possession of on open alcoholic beverage in a motor vehicle – Driver (ANUPHLEA).

Arrest Affidavit Report

Case Report # **2026-00109426**

NARRATIVE

On 10/11/2026 at 0355 hours, I responded to 4495 US Highway 1, which is a location within Indian River County, in reference to a Shoplifting.

Upon arrival, I met the complainant Nicole landioro who I met at the front door to the business. She immediately pointed to the Defendant, later identified as Trent J. Pavella, and stated that he stole some items. After detaining the Defendant, D/S Mimms stood by with him while I reviewed video surveillance footage of the incident.

I physically observed video surveillance footage of the Defendant selecting several food items from the shelves and motion toward his pocket area. As the Defendants hands and pockets were not visible due to the camera angle, the camera did capture him exiting the aisle with empty hands after clearly selecting items off of the shelf. The Defendant then purchases an item that was not concealed and went to the deli area of the store with other friends.

Upon reviewing the footage and receiving confirmation from Management that they wished to pursue charges, the Defendant was placed under arrest.

Search incident to arrest revealed the Defendant to be in possession of the following items:
Lil Debbie Birthday Cake ($2.29 in value)
Lil Debbie Donut Sticks ($2.29 in value)
Lil Debbie Glazed Honey Bun ($2.29 in value)

Based on the above stated facts, there is probable cause to believe the Defendant committed Retail Theft, which is a violation of FSS 812.015.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/11/2026**, at **20:11** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I Ofc. P. Flores #484, on Sunday, October 11, 2026, at 1809 hours, responded to the 1581 Old Dixie Hwy, business Pur Health and Wellness, in reference to a suspicious person.

Upon arrival, I made contact with the complainant, who advised that a female, later identified as Rachel O'Toole had arrived at the business seeking admission to their program. The complainant stated that upon the Defendant arrival, she was in possession of an acholic beverage, began exhibiting aggressive and confrontational behavior toward staff members. During this incident, the Defendant reportedly became verbally aggressive and made repeat threats towards staff stating" I'll knock you the fuck out mother fucker" on multiple occasions.

Due to the Defendant behavior and threatening statements, the complainant advised her that she was no longer eligible for admission into the program and was instructed to leave the property. The complainant further stated that staff informed the Defendant that Law enforcement official would be contacted if her behavior continued. In response, the Defendant reportedly expressed no concern regarding law enforcement involvement and told staff members to contact the police.

I made contact with the Defendant and obtained her name and date of birth. A records inquiry was conducted through NCIC/FCIC, which revealed an active warrant (262193MMA) out of Martin County, Florida. The warrant was confirmed as active, and the Defendant was placed under arrest for the outstanding warrant.

The defendant was also charged with disorderly intoxication due to her reported behavior at the business.

The defendant was then transported to the Indian River County, Jail, where she was then turned over to custody and control of detention personnel.

The foregoing occurred in the city limits of Vero Beach, in Indian River County, Florida.

Arrest Affidavit Report

Case Report # **2026-00109614**

NARRATIVE

On October 11, 2026, at 18:47 hours, I Deputy D. Coon #6379 responded to [redacted] in reference to a Domestic Disturbance. The complainant, [redacted] informed dispatch that [redacted] was acting emotionally disturbed. She allegedly kicked the dog and scratched [redacted]

Upon arrival, I spoke to [redacted] 63-year-old Rhonda Lois Kaufman. Rhonda was visibly upset and emotional. She stated that she has [redacted] from prior occurrences with [redacted] Rhonda claims that [redacted] deliberately baits her into emotional episodes so [redacted] can [redacted] on her. She denied cutting herself and being suicidal. She denied kicking the dog or striking [redacted] I observed no injuries or marks on Rhonda. She declined my offer to take her to the hospital for a medical/psychiatric evaluation.

I then spoke to [redacted] stated that Rhonda has [redacted] and has been emotional unstable for the last three years. Tonight, [redacted] was watching television in [redacted] Rhonda was changing a light bulb in the bathroom and became frustrated. She then directed her frustration on [redacted] and insulted [redacted] Rhonda went into the kitchen. [redacted] then saw her chasing [redacted] and trying to kick it. Rhonda then kicked the kitchen garbage can down towards the dog. [redacted] then began video recording her behavior on [redacted] cellphone. [redacted] told Rhonda that [redacted] was going to call the police. Rhonda advanced toward [redacted] and tried to grab [redacted] She struck [redacted] in the neck and left-bicep, trying to knock [redacted] phone out of [redacted] hand and prevent [redacted] from calling police. Rhonda aggressively began tugging on [redacted] t-shirt. [redacted] distanced [redacted] from Rhonda. [redacted] also claimed that the incident was partially captured on [redacted] security camera. [redacted] denied striking or touching Rhonda. I photographed [redacted] and observed red marks to [redacted] left bicep and the left side of [redacted] neck. [redacted] declined medical treatment.

Rhonda allowed deputies to review the home security video from the corresponding app on her cellphone. In the video, Rhonda can be seen in their kitchen. She is aggressively kicking or kicking-at [redacted] dog. [redacted] then enters the kitchen and pulls out [redacted] phone; [redacted] appears to be recording Rhonda. Rhonda explodes. She pushes the garbage can over and kicks-at [redacted] Rhonda then pulls out her phone to record [redacted] enters the kitchen and they clearly become argumentative. Rhonda then lunges forward and strikes [redacted] on the left arm/shoulder with her right hand/phone. [redacted] backs up slightly and begins manipulating [redacted] phone, likely phoning police. Rhonda advances on [redacted] and grasps [redacted] left forearm. [redacted] moves [redacted] cellphone to [redacted] right hand and doesn't engage Rhonda. Rhonda then aggressively grabs [redacted] shirt collar with both hands, tugging on it. She releases [redacted] momentarily, but then then she slaps [redacted] left shoulder with her right hand. She grabs [redacted] left forearm again. [redacted] begins to retreat into the living room. Rhonda follows and strikes [redacted] repeatedly in the back with her right hand. The struggle continues in the living room with Rhonda continuously grasping [redacted] t-shirt, eventually wrapping her hands around [redacted] head/neck. She stops her attack briefly, but then she

resumes slapping [redacted] on [redacted] arms and torso. [redacted] retreats deeper into the living room. Rhonda reenters the kitchen and retrieves a kitchen knife from a drawer. She approaches [redacted] in the living room, who is speaking to dispatch on the phone. Rhonda eventually puts the kitchen knife back in the drawer, and no further physical contact is made. There is no audio heard in the video.

Based on my investigation, it was determined that a domestic battery had occurred. There is probable cause that Rhonda not only battered [redacted] but she deliberately attempted to prevent [redacted] from phoning police. Therefore, I placed her under arrest for the following:

- Battery on Person 65 years of Age or Older (Domestic Violence), F.S.S. 784.08 (2)(c)
- Tampering with a Victim, F.S.S. 914.22 (1)(e)

Case Report # **2026-00109668**

NARRATIVE

On Sunday, October 11, 2026 at approximately 2330 hours, I responded to The Speakeasy Club located at 760 8th Court in Vero Beach, Florida in reference to a disturbance.

While in the parking lot speaking with Deputy C. Moon (6015), an older model Chevrolet pick-up with mis-matched panels and loud exhaust pulled into the area, and parked on the grass. A male exited from the driver side wearing a white shirt, light colored shorts, and no shoes. A passenger opened the passenger door, and stumbled out of the passenger side. He was wearing a light blue shirt. The driver walked up to the door of the Speakeasy Club, realized it was closed and waked back to the truck. As he walked, he stumbled and he had a blank stare on his face. The male in the white shirt entered the driver seat and the male in the blue shirt re-entered into the passenger seat. The truck then proceeded to leave the area.

Based on my training and experience as a Drug Recognition Expert, and my observations of the individual, I believed the individual may have been impaired. Before I could make contact with the subjects, the truck left the area toward the intersection of 8th Court and 8th Street. Based on the noise of the trucks exhaust, the truck was rapidly accelerating towards the intersection. As I approached the intersection, the truck had already reached the intersection of 8th Street and Old Dixie Highway and was turning North. As I turned North onto Old Dixie Highway, I activated my in-car camera in an attempt to capture a traffic pattern. I observed the vehicle traveling North and turn West onto 9th Street. I activated my Lights and Siren. I observed the truck "blackout" by turning off its headlights in an attempt to confuse me. The truck then turned North onto 10th Court.

The driver parked the truck in the grass at the corner of 9th Square and 10th Terrace. As I came around the corner, I observed the male in the white shirt and light-colored shorts walking away from the driver's side door area of the truck. The passenger wearing blue was walking away from the passenger side of the truck.

The driver was walking into the cul-de-sac of 10th Terrace when I instructed him to come back to my patrol vehicle. The male slowly walked back and instructed him to place his hands on my hood. He immediately said "I'm not doing nothin wrong." I asked him for his driver's license and he stated, "I don't have a driver's license, I wasn't driving."

While speaking with the male, His speech was slurred and he had difficulty forming complete sentences using proper words. I could smell the overwhelming odor of an alcoholic beverage emitting from his breath. His eyes were watery and glassy and his behavior was confrontational. He was uncooperative and resisted my efforts to identify him. I placed the male in mechanical restraints.

His wallet was located on his person in his front right pocket, his Florida Driver's license was located

inside. The male was identified as Mr. Bryan Mesa (Arrestee) a resident of St. Lucie County.

Bryan stated "I did nothing wrong; I was walking down the side of the road; I don't know whose truck that is." Bryan then demanded "I would like to do all my courses that I am able to do because I'm a legal citizen. I am able to do my courses, so give me my courses...I wanna do the whole thing." Bryan the again denied being impaired and denied driving. When I stated I observed him get into his vehicle, Bryan stated "that's not my vehicle." I told Bryan he had lied to me as Deputy Moon queried Bryans' information over Channel 2. He then stated "I don't, that's not mine... that's my wallet but not my ID." The license depicted a clear photograph of Bryan. When Deputy Moon asked is he was Bryan Mesa, he the stated "that is my ID, I don't know how you got my wallet but...?"

I explained to Bryan he was under arrest for resisting and he became confrontation and demanded a supervisor. Bryan the stated "I was never droven anything." They key to the vehicle was located laying on the driver's seat.

Bryan was secured in my patrol vehicle. Bryan continued to be confrontational, hostile, and belligerent. Bryan demanded to speak with a supervisor and Sgt. P Daugherty (5979) attempted to speak with him on scene. While screaming at Sgt. Daugherty through my window, I continued to smell the distinct odor of an alcoholic beverage emitting from his breath.

Bryan was belligerent and demanded a DUI test. Bryan was transported to the Indian River County Jail Complex. Upon arrival, Bryan was uncooperative corrections staff. Bryan was searched and a twenty-minute observation period was initiated by corrections staff. After the expiration of the observation period, Bryan was taken into the DUI processing room. I offered Bryan the opportunity to complete Standardized Field Sobriety Exercises, he was uncooperative and spoke over me, demanding a lawyer. I provided Bryan with a waring in accordance with Taylor v. State and advised that his refusal could be used against him in criminal court. Bryan refused. Bryan was then asked to provide a sample of his breath to determine its alcohol content. Bryan refused and yelled over Deputy Hiss. Hiss advised Bryan of Implied Consent and he still refused.

Bryan was ultimately charged with Fleeing and Eluding (ANUPHME), Driving under the influence (ANHCE6E), Refusal to Submit to DUI testing (AOCEXRE), and resisting without violence (AOCEXSEA). Bryan was held on a NO BOND status.
