NARRATIVE

On Wednesday, November 4, 2026, at approximately 0025 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of 41st Street and Old Dixie Highway, Vero Beach, Indian River County, Florida.

After making the left turn from 41st Street on to Old Dixie Highway to proceed northbound, I observed a smaller sedan traveling southbound at a high rate of speed. I estimated the vehicles speed to be approximately 55MPH in the posted 35MPH speed zone. My in-car radar confirmed the vehicles speed at 57MPH.

I turned around and initiated a traffic stop on the vehicle. I spoke with the driver and sole occupant of the vehicle, who was later identified as Mr. Ethan Dingess by his Florida Drivers License. Mr. Dingess stated he was heading home. After confirming and looking at his address on his license, I observed that he was heading the wrong way. Mr. Dingess confirmed that he was heading the wrong way and stated he got confused and was driving this way to go back to US 1. While speaking to Mr. Dingess, I observed that he had glassy / watery eyes, and the odor of an alcoholic beverage emitting from his breath. As Mr. Dingess was gathering his insurance and documents, he appeared to have slow movements.

I then requested Mr. Dingess to exit the vehicle due to the clues of impairment observed. Mr. Dingess exited his vehicle and went back to my patrol vehicle. After exiting the vehicle, I noticed a vape pen on the floor by the door, on the driver's side of the vehicle. There I briefly questioned him about where he was coming from and going to. Mr. Dingess stated that he was coming from the Boiler and going home. He confirmed that he has had two draft beers at the Boiler, with the last beer being approximately one hour ago.

I requested that Mr. Dingess perform Standardized Field Sobriety Exercises (SFSE's). He agreed. They go as follows:

Horizontal Gaze Nystagmus (6/6): Mr. Dingess had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and nystagmus onset prior to a 45-degree angle in both eyes. He did not have a resting nystagmus. He did have equal tracking and equal pupil size. Mr. Dingess had to be informed multiples to stop moving his head during the exercise. He also exhibited an orbitual sway in his stance.

Walk and Turn (5/8): Mr. Dingess failed to remain in the starting stance during the instructional stage, missed touching heel to toe on multiple steps, used his arms for balance, stepped off line, and took too many steps on his second count of 9 steps.

One Leg Stand (0/4): Mr. Dingess did not show any clues during this exercise. Mr. Dingess also did not lift his leg six inches as instructed to do so at the beginning.

After SFSE's, I advised Mr. Dingess of his Miranda Rights. He advised he understood his rights and was willing to speak to me. Mr. Dingess stated he started work today at approximately 1600 hours in Stuart. He went to the moose lodge to speak to potential clients as Mr. Dingess sells Medicare. He had one beer at the moose lodge. After getting

NARRATIVE (Continuation)

off work at approximately 2000 hours, Mr. Dingess made his way to the Boiler bar and continued to drink. He had two draft beers there. He left approximately an hour and a half ago and started to go home. After taking Indian River Drive to the north, and then west to 53rd Avenue, he approached Old Dixie Highway. He advised he made a left to go south on Old Dixie Highway because he had to use the bathroom, eventually pulling over instead of going home. After using the bathroom on the side of the road, Mr. Dingess proceeded southbound until he was pulled over.

I went and conducted another look in to the vehicle. I observed the same vape pen on the floor. It had a brown substance within it, appearing to be THC extract. Additionally, I observed a Gatorade bottle with a brown liquid within it.

I questioned Mr. Dingess on the items. Mr. Dingess advised that he believed the Gatorade bottle was left over from a friend dipping, and it was a spit cup. Mr. Dingess advised he was unaware of vapes within his vehicle, and denied using marijuana products.

I asked that Mr. Dingess open his mouth so I could observe his oral cavity. His mouth appeared to be dry. There did not appear to be a substance within his mouth. Nothing was observed under UV light. Mr. Dingess confirmed that he had dry mouth currently.

Based on the clues observed, as well as my training and experience as a certified Drug Recognition Expert, I believed that Mr. Dingess is not able to safely operate a motor vehicle and under the influence of some type of drug or substance. Mr. Dingess was placed under arrest and secured in handcuff restraints. His handcuffs were checked for proper fit and double locked.

After being secured in the vehicle, I called for a rotation tow to pick up the vehicle. I then conducted a search of the vehicle. The vape pen had a thick brown substance within it, consistent with being THC extract. I was unable to remove any of the pen to gain access to the cartridge to test the substance within it. The Gatorade bottle contained a brown liquid, consistent with some type of whiskey. Within the center console I located a bag with branding and logos identifying that it was cannabis. On the back of this product, it stated this product is a scheduled I controlled substance. Within this packing was approximately one gram of a green leafy substance, consistent with being marijuana. The substance was field tested and provided a positive alert for having the presence of THC.

I then went and spoke with Mr. Dingess again. He advised that the brown liquid was bourbon, and not crown (whiskey) as I originally suspected. He stated he purchased the vape pen and marijuana at a convenance store near Oslo Road, believing it was a Delta 8 produced, not a Delta 9 product.

Mr. Dingess was transported to the Indian River County Jail.

While at the jail, Deputy J. Hiss requested Mr. Dingess provide two valid breath samples. Mr. Dingess provided two

NARRATIVE

On Wednesday, November 4, 2026, at approximately 0146 hours, Corporal Hackett and I responded to 4541 33rd Avenue, Vero Beach, Florida, in reference to a disturbance.

Upon arrival, I made contact with [redacted] who stated the following in substance:

She was a [redacted] and was preparing to leave for the evening. She advised she had been receiving phone calls and text messages throughout the day from [redacted] Kaylinn Mcgriff [redacted]

She advised, Kaylinn had been sending her threatening messages, including statements indicating that Kaylinn knew her whereabouts and the message, "Bitch, I got you."

She was walking toward her vehicle, she observed Kaylinn outside [redacted] Upon seeing Kaylinn, she began running down the street in an attempt to get away from her. Kaylinn pursued her on foot and eventually caught up with her. Once Kaylinn made contact with her, Kaylinn grabbed her by the hair, pulled on her shirt, and struck her in the head with what [redacted] believed to be a metal pipe.

I observed a deep, bleeding laceration on the right side of [redacted] forehead, which was consistent with her account of being struck in the head with a hard, metal object. She was unable to identify the object used to strike her but recalled feeling something hard and metallic make contact with her head.

After realizing she was bleeding, she remained away from the residence and contacted law enforcement. She specifically denied touching or striking Kaylinn at any point during the incident.

[redacted] provided video footage depicting Kaylinn following her while holding an metal object. The footage also captured the sound of Kaylinn striking the metal object against a hard surface. Kaylinn was wearing the same clothing I observed upon arriving at the scene, consisting of a red shirt and black shorts.

[redacted] was transported by Indian River County Fire Rescue Unit #12 to Cleveland Clinic for medical treatment.

I then made contact with Kaylinn, who stated the following in substance:

She was inside her residence, lying in bed in her bedroom, when she heard a loud banging noise outside her bedroom window. She described the noise as sounding as though someone was attempting to break into her room.

She alleged [redacted] had been tampering with the window air-conditioning unit and banging on her bedroom window. She and [redacted] had been arguing prior to the incident and alleged [redacted] was attempting to enter her

bedroom through the window.

Kaylinn admitted she retrieved a metal broom that was nearby and struck [redacted] in the head with it because she believed [redacted] was attempting to put her head through the window.

She further stated she walked outside and began recording [redacted] as she walked northbound along the roadway. She acknowledged she and [redacted] were exchanging words during this interaction. I reviewed the video footage provided by Kaylinn.

It should be noted that Kaylinn did not provide any video footage depicting [redacted] striking her bedroom window, tampering with the window air-conditioning unit, or attempting to enter the residence. Kaylinn demonstrated the bedroom window being moved which she alleged [redacted] had attempted to enter; however, I was unable to independently corroborate her allegation which showed [redacted] had been at that location or attempted to enter the residence.

I made contact with a third-party witness who was present inside the residence during the incident. The witness stated the following in substance:

The witness stated she was lying in a bedroom when she heard banging noises coming from Kaylinn's bedroom window. She advised she was initially unsure who was making the noise. The witness further stated that Kaylinn and [redacted]

The witness stated when she exited the bedroom to determine what was happening, she observed Kaylinn and [redacted] arguing outside the residence.

The witness provided video footage depicting [redacted] standing in the middle of the roadway while arguing with Kaylinn. Upon reviewing this footage, I did not observe [redacted] holding or possessing any weapons or objects that could be used as weapons.

Following my investigation and review of the statements and available video evidence, I made contact with Kaylinn again. I advised Kaylinn of her constitutional rights using an agency-issued Miranda warning card. Kaylinn stated she understood her rights and agreed to speak with me.

I asked Kaylinn whether she had been holding any weapons or objects during the altercation with [redacted] She initially denied having anything in her hands but stated she could not remember whether she had been holding anything at the time.

Corporal Hackett then allowed Kaylinn to review the video footage previously provided by [redacted] The footage

showed Kaylinn holding an object resembling a metal instrument while walking toward [redacted] as she was attempting to walk away.

After reviewing the footage, Kaylinn was placed under arrest. Her handcuffs were checked for proper fit and double-locked. She was secured in the rear seat of my marked patrol vehicle and transported to the county jail without incident.

It should also be noted that Kaylinn's interaction with [redacted] constituted a violation of her pretrial release conditions requiring her to refrain from criminal activity and any contact direct or indirect. The associated case/reference number is 2026-00106401.

[redacted] completed a Domestic Violence Victim Packet and was provided with a Domestic Violence Rights and Remedies pamphlet. She also completed a Lethality Assessment and scored within the high-risk category. Corporal Thomas advised [redacted] that her assessment indicated she could potentially be in a life-threatening situation based on her score. A deputy supervisor was notified of the assessment results, and the Victim Services Unit (VSU) was contacted.

Based on the totality of the circumstances, including [redacted] statement, the physical injury I personally observed, the video footage showing Kaylinn pursuing [redacted] while holding a metal object, and Kaylinn's own admission that she struck [redacted] in the head with a metal broom, I established probable cause to believe Kaylinn committed Aggravated Battery with deadly weapon – Domestic Violence, in violation of Florida Statute 784.045(1)(a)2 and violation of pre-trial release 741.29(B).

Case Report # **2026-00119618**

NARRATIVE

On Wednesday, November 4, 2026, at approximately 1822 hours, I, Deputy M. Neill #6317 responded to 4535 56th Avenue, Vero Beach, Indian River County, Florida, in reference to civil call.

I responded to this address in reference to a civil call / missing person (2026-119605). While walking up to the call, I observed a black female drive by in a grey Honda as I was walking up to this address to handle the call. As the female drove by, I heard her state "I'm so fucked up right now". With not knowing the female or anything about her, I did not take any action or force her to stop, based on the lack of reasonable suspicion.

While handling the missing person call, Deputy McPeek and I had out patrol vehicles parked in the roadway. We had left enough room for traffic to drive around our vehicles if need be. At approximately 1845 hours, the female in the Honda returned to the same street. The vehicle stood stationary behind our patrol vehicles. After a few minutes, I provided the female time to drive around our vehicles. After not moving, I went and made contact with the female. While speaking to her, I noticed she had watery eyes, a very slurred speech, and the odor of an alcoholic beverage emitting from her breath. The female was then identified as Ms. Tyonna Alford. While attempting to locate her driver's license, Ms. Alford had trouble locating her driver's license.

I had Ms. Alford exit the vehicle. While doing so, she was unsteady on her feet and used the vehicle for balance multiples times. Ms. Alford admitted to consuming one glass of wine earlier in the day, but stated it was sometime this morning. Ms. Alford also mentioned that she left [redacted] at home alone. She advised that she had an [redacted] at home watching them, but advised the [redacted] and was concerned about getting back to them. The other [redacted] At the time, no other units were available to respond to the residence to check on the children as I conducted the DUI investigation.

Ms. Alford originally did not want to do Standardized Field Sobriety Exercises (SFSE's). She was advised provided a warning consistent with State v Taylor (1995), explaining that if she refuses to do SFSE's, it may be used against her. Ms. Alford then agreed to perform SFSE's. They go as follows:

Horizontal Gaze Nystagmus (6/6): Ms. Alford had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and an onset prior to a 45 degree angle in both eyes. She did not have resting nystagmus. Both pupils were equal in size and had equal tracking. Ms. Alford moved her head during the exercise and had a large sway in her stance. No vertical gaze nystagmus was observed.

Walk and Turn (5/8): Ms. Alford was unable to maintain the instructional stance, and attempted to start prior to the instructions being provided. She missed touching heel to toe on multiple steps, used her arms for balance, and took too many steps on both down and back.

One Leg Stand (2/4): Ms. Alford used her arms for balance and was unable to put her foot in the air for more than a second or two.

NARRATIVE (Continuation)

Based on the clues of impairment I observed, as well as my training and experience as a certified Drug Recognition Expert, I believed that Ms. Alford is impaired beyond her normal faculties and unable to safely operate a motor vehicle. She was placed under arrest for DUI. She was secured in handcuff restraints that were checked for proper fit and double locked.

We then walked down to her residence to check on [redacted] Once we got to the front door of her residence, I observed a chair in front of her front door. Next to the chair was a pack of cigarettes, three open beer cans of Miller High Life and a half empty pint of vodka. I made contact with Ms. Alfords [redacted] I insured that everyone was still doing well within the residence and informed them that Ms. Alford was going to jail. I then secured Ms. Alford in my patrol vehicle.

I went back and spoke with [redacted] I had [redacted] retrieve Ms. Alfords vehicle and bring it home, as she was three houses away from her residence. Prior to [redacted] taking the vehicle, I conducted a search of the vehicle. On the passenger seat, I located a black plastic bag. Within the bag was a cold four pack of beer, and some candy.

[redacted] confirmed that [redacted] and is home with [redacted] advised that [redacted] has [redacted] confirmed that [redacted] does stuff on [redacted] own, but has [redacted] in certain situations [redacted] then started to cry and state "please don't take [redacted] away". [redacted] confirmed that no other family members are around the area.

I questioned [redacted] about their home environment, as Ms. Alford made a statement earlier about them struggling to have money for food, and that someone purchased them food earlier today. [redacted] advised that they do have food at the home, and had dinner tonight.

I then spoke with Ms. Alford to address [redacted] and if the [redacted] would be okay staying with [redacted] Ms. Alford stated that she did not believe that [redacted] would be able to take care of the [redacted] due to [redacted] She advised that Ms. Alford [redacted] Ms. Alford has never had [redacted] watch [redacted] alone before. When asked if [redacted] would be comfortable to watch the [redacted] Ms. Alford made a slurred statement of " I mean I be more comf, I mean CPS can come get them". I then clarified if she wanted me to have DCF (Department of Children and Families) watch her kids, she stated "Oh well, they're not. They've told me they couldn't even do nothing for me".

Based on Ms. Alfords statements about her not believing [redacted] would be able to supervise [redacted] I contacted DCF about the issue and requested an immediate response. Call taker Cherrye #056 advised they would accept the case and send out a case worker immediately.

Deputy McPeek stood by at the residence. I then transported Ms. Alford to the Indian River County Jail. After being

turned over to booking deputies, I left and returned back to the residence.

While Ms. Alford was at the jail, booking deputies requested that Ms. Alford submit to a lawful sample of her breath to determine its alcohol content. Ms. Alford refused to provide a breath sample. Ms. Alford was advised of implied consent and again refused.

After getting back to the residence I made contact with DCF case worker Emily Dunn. DCF Dunn asked to go inside the residence with [redacted] to see the inside of the residence. While inside the residence, we noticed old food scattered everywhere, possible urine stains on the kitchen floor, limited furniture, spoiled food, and an unidentifiable smell within the residence. [redacted] each had a bed, and there were some food items within the residence consistent of bread, peanut butter, and other items in the refrigerator. In the sink was standing water, that was dirty and had a yellow substance with bubbles on the top of it. There were numerous dirty dishes around that had a thick layer of old food on them.

She spoke with [redacted] about the incident.

While speaking to the [redacted] they advised Ms. Alford drove them to school today, believing that they had school. After finding out they did not have school, they returned home. Ms. Alford then started to consume alcohol throughout the day. [redacted] described that Ms. Alford started to appear "dizzy" and was falling down. They had to assist Ms. Alford with getting up after falling.

DCF Dunn then spoke with [redacted] about the incident. [redacted] advised that Ms. Alford is going through a midlife crisis. [redacted] could not specify how many, but stated Ms. Alford drank a lot today. After returning with [redacted] after she was supposed to drop them off, she came back home and dropped [redacted] off. She then left to go get some food. Ms. Alford left and purchased more alcohol [redacted] informed DCF Dunn that Ms. Alford has been drinking for most of the day, and that [redacted] believed that she was under the influence of alcohol starting at around 1500 hours today. After DCF Dunn asked why the house was so dirty, [redacted] advised that they do clean the house, but have not recently. This was due to a lack of trash bags and cleaning supplies within the residence.

DCF Dunn advised that she would allow [redacted] to watch the [redacted] tonight, but would be back in the morning with the anticipation of removing the children due to the lack of supervision and living conditions of the residence.

Per DAVID, Ms. Alford has one prior DUI in 2018 out of St. Lucie County.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following v...

On , at (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 11/04/26, I, Ofc. Neary (425), responded to [redacted] in reference to a disturbance.

Upon arrival, I made contact with the Defendent, identified as Karla Torres. Torres stated that [redacted] identified as [redacted] got into a physical altercation.

Upon interviewing, Torres stated that [redacted] and her got into a verbal argument. During the argument, she began searching for her keys at which point, she forcefully grabbed [redacted] by the shirt and began to rip the neck area of the shirt in an attempt to retrieve her keys. She stated that [redacted] then slapped her across the left side of her face. Torres further explained that after being slapped, she grabbed [redacted] and began dragging him toward the ground. She stated that the altercation then moved to the balcony outside [redacted] where both parties fell into an outdoor cushioned seating area. According to Torres [redacted] then got up and left the residence.

I photographed the left side of Torres' face. The photographs did not reveal any visible signs of injury or physical markings consistent with her reported allegation of being slapped.

[redacted] was located near 39th Ave., where another responding unit had him detained. I read [redacted] his Miranda warnings, after which he stated that he wished to speak with me.

[redacted] acknowledged that he had been involved in an argument with [redacted] but denied slapping her. He stated that during the argument, Torres grabbed him by his shirt and began grabbing and striking him. [redacted] explained that he only placed his hands on Torres' wrists in an attempt to stop her from grabbing and hitting him.

I photographed [redacted] shirt, which was torn, as well as scratch marks observed on his arm. These observations were consistent with portions of his account of the altercation. [redacted] further stated that after Torres eventually stopped, he went into his son's bedroom before leaving the residence on foot.

Based on the statements provided by both parties, the physical evidence observed and documented, and the totality of the circumstances, I determined that Torres was the primary aggressor in this incident. Subsequently, Torres was placed under arrest for Battery (Domestic Violence), in violation of F.S.S. 784.03, involving a person defined as a domestic partner pursuant to F.S. 741.28.

Torres was transported to the Indian River County Jail without incident.

All interviews and statements obtained during this investigation were recorded on my department-issued body-worn camera and subsequently uploaded to a secure department server.
