Arrest Affidavit Report

Case Report # 2025-00028630

NARRATIVE

On Wednesday, March 19th 2025, at 0831 hours, while on routine patrol in the 7400 block of 20th Street, I observed a blue Nissan Maxima bearing FL/CC96UD driving faster than other vehicles on the roadway. I visually estimated the vehicle to be driving 55mph in a posted 45mph area. Upon activation of my stalker dual DSR 2x radar in moving, same lane mode. I observed a visual readout of 56mph, paired with a clear and consistent audio Doppler tone.

I inquired the aforementioned license plate through E-Cite. I observed the vehicle to have a tag that was expired more than 6 months. The tag currently has a financial responsibilities suspension and a seize tag order. I activated my emergency lights to conduct a traffic stop.

approached on the passenger side. I contacted the driver, Aston McEwan, who advised he did not have his license with him. McEwan did not have the registration or proof of insurance, advising the vehicle belongs to his mother. I asked McEwan if he had a valid license, he advised he did not know. Inside of the vehicle, I observed a small amount of marijuana. I asked McEwan if he has recently smoked marijuana in the vehicle. He advised he has not. I asked McEwan if he has a medical marijuana card. He does not.

returned to my marked Indian River County Sheriff's Office Patrol vehicle and inquired McEwan through the Driver and Vehicle Information Database (DAVID). Through his DAVID driver history, I observed numerous suspensions. I removed McEwan from his vehicle and placed him into handcuffs. On the driver seat of the vehicle, I observed a Florida ID card. This ID card bearing M223-975-07-600-0. It is McEwan's ID card. The issue date for the ID card was 11/06/2024. On the DAVID driver history, I confirmed that on 11/06/2024, McEwan's driver's license was cancelled and notice was provided the same day. I asked McEwan if he knew that his drivers license was suspended. He advised he lost his physical license and returned to Florida to receive a replacement. He further advised he knew that he was given an ID card, not a drivers license. But he was not aware that he was not allowed to drive.

Since the notice was provided in person, there have been four more suspensions added into McEwan's DAVID driver history. McEwan advised that he has been "hotshot trucking" around the country since the suspension.

Based on the information above, I found Aston McEwan to be in violation of F.S.S. 322.34(2)(a) Driving with a suspended icense with knowledge. It should be noted that McEwan has two previous DWLS charges. McEwan was transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2025-00028715

NARRATIVE

On Wednesday, 3/19/2025, at approximately 1123 hours I responded to 4005 43rd Avenue, in reference to a female subject wanting to turn herself in.

made contact with a female who identified herself as Catalina Cohane, by providing me with her Florida Driver's license.

ran her driver's license number through dispatch who advised that Cohane had an active arrest warrant out of Indian River County for violation of F.S. 316.193(1) DUI. I placed Cohane into handcuffs and then into the back seat of my patrol vehicle. I transported Cohane to the Indian River County Jail where she was served with said active warrant.

The bond on the warrant was set for \$1,000.00.

End of report.
