Arrest Affidavit ReportCase Report # **2025-00118143****NARRATIVE**

On Saturday, November 1st, 2025 at approximately 0803 hours, I responded to 4055 41st Street (Indian River County Sheriff's Office) in reference to a past occurred indecent act.

As I arrived on the scene, I spoke with Sergeant P. Loiseau who advised that an inmate identified as, James Timothy Brown, was stroking his penis lightly to the sight of a nurse, identified as Tammy Vasquez Green, that was performing her daily duties. Sergeant P. Loiseau was able to show me video footage of the incident and on the video, I observed James sitting on a bench/table close in proximity of Nurse Green and her cart. James sat at the bench and pulled his pants halfway down intentionally exposing his penis to Nurse Green, James then stared at Nurse Green until she looked at him and then he smiled at her and continued to stroke his penis and gaining an erection while doing this action.

I interviewed Nurse Green, and she advised that she was looking into James's direction and noticed his penis was outside of his pants and did not think it was intentional. She then looked a second time and saw James smile at her, at this time she then realized that he was trying to entice her for her attention.

I attempted to interview James and he immediately stated "Oh... naw naw, I don't wanna talk", James then walked back to his cell block.

Based on the statements given and video footage seen, James is in violation of Florida State Statute 800.09.2a (Committing sex act in presence of correctional facility employee) by intentionally making eye contact with Nurse Green and masturbating in front of her.

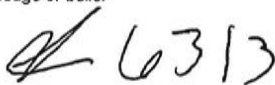

James was informed of the charges being filed against him

This incident was captured on my agency issued Axon 4 body camera.

This case is cleared by arrest closed.

The preceding is true to the best of my knowledge or belief

AGENCY CASE #: 2025002072

REPORT DATE: 10/31/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **10/31/2025** , at **11:05** (Specifically include facts constituting cause for arrest.)

On 10/31/25, at approximately 1105 hour, I ofc Carino conducted a traffic stop on a vehicle traveling east bound on 17th Street Vero Beach FL 32960, for displaying an expired tag.

I made contact with the driver, identified as Hugh Scholtes later identified by a FL drivers license, While speaking with Mr. Scholtes, I requested consent to search the vehicle. The driver verbally provided consent, which was acknowledged.

During the search of the vehicle, I located a black beanie with an American flag emblem on it inside the center console. Inside the beanie, I located a plastic bag containing approximately 3.5 blue pills stamped 3927 on one side and TEVA on the other side. A search of pills with this description revealed them to be Diazepam, which would require a prescription.

Upon reading the driver Maranda and showing him the black beanie found inside the center console of his vehicle, he stated he owned a hat similar to that. I asked Mr. Scholtes if he had any prescriptions or was taking any medication at this time to which he responded he is currently not prescribed any medication or taking any medication.

The driver was then placed into custody without incident.

The suspected narcotics were collected, packaged, and submitted into evidence for testing. The suspect was then transported to the Indian River County jail where he is being held with no bond.

Mr. Scholtes was issued a citation (ALZPGFE) for FFS 893.13(6a) POSSESS CONTROLLED SUBSTANCE W/O PRESCRIPTION

This incident was captured on my agency issued BWC.

Arrest Affidavit Report

Case Report # 2025-00117667

NARRATIVE

On Friday, October 31, 2025, at approximately 0218 hours, I responded to the area of 1400 6th Court, Vero Beach, Florida in reference to a suspicious incident. Communications advised that the complainant observed individuals going into her neighbor's residence who did not reside there. The complainant also stated that three or four individuals ran from the residence, and left in a dark in color SUV southbound on 6th Avenue. Complainant also stated her neighbor is a female who is in the process of moving out and has not seen her for weeks until the morning of October 30, 2025.

Deputy Cox and I were travelling north from 12th Street to the location when we observed a dark blue Chevrolet Suburban exit the neighborhood southbound before making an eastbound turn onto 12th Street. Due to the information provided to us at that time, and the vehicle matching the description provided to us by the complainant leaving the neighborhood, Deputy Cox and I made a U-turn and proceeded behind the vehicle.

As I got behind the Blue Chevrolet Suburban bearing Florida Tag#: EYUT85 at the intersection of Indian River Boulevard and 12th Street, the vehicle made an abrupt change in direction from the far-right lane to straddling the middle and right lanes. The vehicle stopped past the stop bar and was in the intersection. I ran the vehicle's Florida tag#: EYUT85 through F/NCIC, and noticed that the tag attached to the Blue Chevrolet Suburban did not belong on that vehicle. The registration came back to a 2015 white in color Isuzu box truck.

Due to the fact the vehicle was leaving the location of the incident, matched the description provided by the complainant, made the abrupt change in direction, and the registration attached to the vehicle was not to that vehicle, I initiated a traffic stop at the [REDACTED]

As I activated the emergency lights to my agency issued marked patrol vehicle, the vehicle went from the middle lane into the left lane, proceeded through the solid red arrow, and proceeded north onto Indian River Boulevard. I activated the sirens on my patrol vehicle at which point the vehicle began increasing speed, and made a left turn into [REDACTED]. The vehicle continued to drive through the parking lot before coming to a stop near the 1300 block of 12th Manor, at which point the sole male occupant fled from the driver seat northbound towards a fence line.

The driver who I identified as Cody Curtis from previous interactions, attempted to jump over a privacy fence to further evade arrest. Cody was unsuccessful in jumping over the fence, continued running, before again attempting to jump the fence. After Cody was unsuccessful in jumping the fence, I activated my agency issued taser 10, and fired two probs striking Cody in the upper back and right belt line. I was able to obtain Neuro-Muscular incapacitation (NMI). After the successful taser deployment,

Cody was taken into custody. It should be noted it was later discovered that as Cody was attempted to flee from the vehicle, the Chevrolet Suburban he was operating struck a parked motor vehicle causing minor damage to the front driver side headlight.

I was wearing my agency issued patrol uniform clearly identifying me as a Deputy for the Indian River County Sheriff's Office, I was also conducted my lawful duties there within.

Deputy Cox placed Cody into handcuffs, and escorted him back to my patrol vehicle. Deputy Cox searched Cody's person, advised him of his Miranda rights at which point Cody stated he was willing to speak with us, and placed him into the back passenger seat of my agency issued patrol vehicle.

It should also be noted that as Deputy Cox searched Cody's person a glass pipe with white residue, commonly utilized to smoke narcotics, was located on Cody's person.

Upon further investigation, Cody claims that he has permission from the tenant, Cassandra, to be at the residence located at 1485 6th Court. No written proof was able to be obtained to corroborate this statement, and all attempts to contact Cassandra were unsuccessful. It is unknown at this current time whether or not Cody had permission to be inside of the residence; however, he did state that he left the residence prior to our initial contact at the [REDACTED] Cody also stated post-Miranda, that the Suburban he was driving belongs to "Sid" stating he was unwilling to provide his actual name. It was discovered that the 2026 Chevrolet Suburban was unregistered, and it was also confirmed that the attached registration did not belong on that vehicle.

It should be noted that throughout my interaction with Cody I observed a strong odor of an Alcoholic beverage emitting from his person, his eyes were watery, and had a slight slur to his speech. This led me to believe that Cody was operating the vehicle under the influence of an Alcoholic beverage. Located inside the passenger side floor board was a large mostly empty bottle of Sutter wine which was still cold to the touch, further raising my suspicion that Cody was operating the vehicle while impaired. Due to the circumstances previously mentioned I decided that it was implausible, and unsafe to conduct roadside field sobriety exercises on scene due to Cody's repeated attempts to flee from Law Enforcement. Cody did state that he had been drinking, and was drunk post-Miranda while he was in the back seat of my patrol car.

All attempts to locate the owner of the vehicle, and the registration were unsuccessful; however, contact was made with a representative of Dyer Chevrolet who advised they had recently had a purchase order for the vehicle; however, the vehicle has not been delivered to the buyer. Further investigation in this

matter will be conducted.

It should be noted as I ran Cody through Communications, they advised that his Florida driver's license was most recently suspended indefinitely on 12/12/2022 for failure to pay court financial obligations. On 07/17/2014 Cody was found guilty of Driving which license suspended out of Indian River County, Citation#: A12EEVP, and again on 01/10/2017 out of Indian River County, Citation#: A669HIE. It should be noted that Cody has not had his license reinstated at any point since his initial suspension on 03/07/2017 out of Indian River County, Citation#: A669HIE.

A search of the vehicle was conducted and a white powdery substance was located in the cupholder, along with copper charboi on the driver seat. I utilized an agency issued narcotics field kit, which tested presumptive positive for cocaine.

Upon my arrival at the Indian River County Jail, Cody was provided the opportunity to dispel my concerns that he was operating the motor vehicle impaired beyond his normal faculties by alcoholic beverages or chemical or controlled substances.

I asked Cody if he would participate in a series of standardized field sobriety exercises, to which he agreed. I asked Cody a series of medical questions to ensure he could participate in field sobriety exercises. Cody stated that he had no physical defects, was not sick or injured, did not have epilepsy or diabetes, did not wear contacts or glasses.

All field sobriety exercises were explained and demonstrated proficiently prior to Cody beginning each exercise, and I confirmed he understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed. Vertical Gaze Nystagmus was present. It should be noted that Cody was instructed numerous times to follow the stimulus with his eyes, and to not anticipate the location.
- 2.) WALK AND TURN - A straight line of duct tape was used for the exercise. When asked, Cody agreed with me that the line was straight and flat. Cody began this exercise prior to being instructed to do so, and was unable to maintain his balance utilizing his arms to balance. Cody

missed heel to toe on occasion stepping on his other toe, and swayed slightly.

3.) ONE LEG STAND – For this exercise, Cody chose his right foot. At 1002 Cody utilized his arm to balance himself, when he got to 1006, he skipped to 1008 then went back to 1007.

Overall, Cody performed poorly on the HGN/VGN, and clues were exhibited through the remainder of the exercises.

Based upon my investigation, probable cause exists that on Friday, October 31, 2025, Cody was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

Cody agreed to provide a breath sample to Deputy Solomon. At the conclusion of the test, the breath sample showed Cody had a breath alcohol concentration (BrAC) of 0.029 grams per 210 liters of breath and 0.028 grams per 210 liters of breath. Due to my observations during the field sobriety exercises, and the time delay from time of arrest and the time the breath sample was provided, I requested that Cody provide a Urine sample after advising him of his implied consent. Cody stated he refused to provide a urine sample despite being advised that failure to comply will result in a refusal.

Due to the aforementioned facts and circumstances, I find probable cause to charge Cody Curtis with the following:

Count 1: F.S.S 322.34.2.C- Knowingly Driving while license suspended, cancelled, or revoked (3rd or subsequent offense), Citation#: AM2MH6E.

Arrest Affidavit Report

Case Report # 2025-00118032

NARRATIVE

On October 31, 2025, at approximately 2113 hours, I observed a silver Mercedes bearing Florida tag 88CGAK, with dark tinted windows, exit the parking lot of the Red Roof Inn, Located at 8800 20th Street, Vero Beach, Florida.

I followed the vehicle, but due to the traffic in front of me I was unable to conduct a traffic stop. When the vehicle made a left hand turn onto 90th Avenue, from 20th Street, and began to head south, I informed K9 Deputy McKay that the vehicle was headed his way, and due to the tint, I was unable to make out the driver.

K9 Deputy McKay informed me that he had eyes on the vehicle. K9 Deputy McKay conducted a traffic stop on the aforementioned vehicle at 3 Avocet Way, Vero Beach, Florida, for violation of Florida State Statute 316.2953.

As K9 Deputy McKay approached the vehicle, I arrived on scene. When K9 Deputy McKay asked the driver, later identified as Christopher Beckwith for his required documents, he informed K9 Deputy McKay he did not have his Florida Drivers license on him, and provided a credit card with his name. I took the credit card to my vehicle to issue Christopher a written warning for tint violation, which was measured at 2%, with K9 Deputy McKay's agency window tint meter.

While I was conducting NCIC/ FCIC checks of Christopher, K9 Deputy McKay asked Christopher and the passenger, later identified as Tahni Graham, to exit so he could utilize his K9 partner "Tobi" to conduct a free air sniff of the vehicle. K9 Deputy McKay informed me that "Tobi" alerted to the vehicle for odors he was trained to detect.

I began my probable cause search of the vehicle at the driver's compartment. I immediately noticed a rocky crystal-like substance on the driver's seat, where Christopher was sitting. I retrieved the substance and brought it to my vehicle to conduct a field test. I first conducted a field test for methamphetamine, which was met with negative results. I then conducted a field test for MDPV with an agency drug test kit, which yielded a positive result. I placed the MDPV inside an evidence bag, and returned to the vehicle to continue my search.

As I walked by K9 Deputy McKay, he informed me that Christopher informed him that there was fentanyl in the vehicle.

I opened the center consul and noticed several items of drug paraphernalia, and a multi-color container with a gray and white powdery substance. I secured the multi-color container with a gray and white powdery substance and returned to my patrol vehicle to conduct a field test. The aforementioned gray and white powdery substance field tested positive for fentanyl with an agency issue drug test kit.

I returned to the vehicle and began to search the passenger-side front compartment. Located in Tahni purse was a small bag of gray and white powdery substance, and a syringe. Under Tahni's seat was a bag with several more syringes. I removed the aforementioned items from Tahni's purse, along with several glass smoking pipes and brought them to my vehicle to field test. The gray and white powdery substance field tested positive for fentanyl with an agency drug test kit. I secured all items in evidence bags in my vehicle.

I continued my search of the vehicle and located drug paraphernalia in the trunk consistent with smoking cocaine base, "crack." On the back seat I located a black "fanny bag" and inside I located Christopher's wallet with his Florida Driver's license, and an orange pill, which I identified on drugs.com by the manufactures imprint "G AMP XR 30mg," as Amphetamine. I secured all items of evidence in my patrol vehicle.

I approached Christopher, and Tahni, I read them there Miranda rights from my agency Miranda card. Both stated they

understood their rights and wished to speak with me.

I spoke to Tahni first, who advised they went to Walmart to buy dog food, but Christopher forgot his wallet, so they were returning home to get it. Just prior to getting home they pulled into the parking lot of the Red Roof Inn to smoke fentanyl. I informed Tahni that I located a small bag of fentanyl in her purse. I asked Tahni how long she had been using, which she informed me about six months. I asked Tahni what she did for a living, and she advised she was a nurse.

I spoke with Christopher, who informed me that the gray and white powdery substance was fentanyl, I asked Christopher what the crystal-like substance was on his seat, he advised it was methamphetamine. I informed him after testing it, it was MDPV. I asked Christopher if there was anything else inside the vehicle, he informed me there was possibly cocaine base "crack" inside a rolled-up cigarette pack.

I checked the front compartment again, I was unable to locate the cocaine base, but I did locate a crystal-like substance on the center consul by the cigarette lighter. The field test, yielded a positive result for methamphetamine.

Christopher and Tahni were secured in handcuff restraints and checked for proper fit.

All items of evidence were turned over to K9 Deputy McKay, who transported them to crime scene and placed them into evidence.

Christopher and Tahni were secured in my patrol car and transported to the Indian River County Jail without issue.

Christopher was charged with possession of fentanyl, possession of MDPV, possession of methamphetamine, and possession of drug paraphernalia. Christopher was also given a written warning for the tint violation.

Tahni was charged with possession of fentanyl, and possession of drug paraphernalia.

This investigation was captured on my agency body worn camera

This investigation is cleared by the arrest of Christopher and Tahni.

Case Report # 2025-00118055

NARRATIVE

On October 31, 2025 at approximately 22:52 hours, I responded to [REDACTED] in reference to a physical disturbance call for service.

Upon my arrival, I spoke to the victim, Mariah Skye Rice who stated she was in a verbal and physical altercation with her husband, David Andres Rice.

Mariah stated they went out to a Halloween party where David consumed alcoholic beverages. Mariah stated when they arrived back to [REDACTED] she saw on David's Instagram that a female individual who David has known for a long time followed him on Instagram and he accepted the follow request. Mariah stated she asked David about this and they got into a verbal argument with one another. Mariah stated at one point during the heated argument, David took his hand and put it around her neck to choke her while he yelled at her. Mariah stated that she could breathe the whole time, but the altercation scared her.

Mariah had a visible red mark on the right side of her neck. Mariah stated the mark she sustained was from David being physical during the altercation. Mariah stated she did not need medical attention on scene.

Mariah originally stated that David was no longer at the residence, but after some questioning, she finally stated that he was inside [REDACTED]. Myself and deputy B. McKay entered the [REDACTED] and went upstairs to find David. We saw David come out of [REDACTED] and we identified ourselves as law enforcement. David was compliant and placed into handcuffs and detained.

David was questioned outside away from Mariah. David stated that he was out with Mariah and when they [REDACTED] a verbal altercation occurred inside of [REDACTED]. David stated the argument was over a female individual that followed him on Instagram and he accepted the friend request. David stated he has known this female friend for quite some time and that is why he accepted the friend request. David stated it was just a verbal argument and he never put his hands on Mariah.

When asked how Mariah got the red marks on the right side of her neck, David stated it was not from him and he doesn't know.

Due to the Domestic situation and clear visible red marks of Mariah's neck, I found probable cause for Battery/Domestic Violence. David was placed into custody and set in my marked agency issued patrol vehicle.

Mariah stated she and David have three children together and they were inside [REDACTED] during the altercation. The children inside were [REDACTED].

Photos of Mariah's injury were taken and uploaded to Axon Evidence.

Mariah was given her rights and remedies brochure packet with resources.

This entire altercation was captured on my agency issued Axon body worn camera.

The preceding is true to the best of my knowledge or belief

AGENCY CASE #: 2025002078

REPORT DATE: 11/01/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **11/01/2025**, at **02:46** (Specifically include facts constituting cause for arrest.)

On **11/01/2025** at **2046** hours, I conducted a traffic stop at **2296 US Hwy 1**, on a silver Van bearing FI tag #CP66GD for failing to stop at a stop bar in the 2400 block of US Hwy 1.

Upon my approach, I observed the driver moving around in the vehicle and then I heard something drop in the door jam. I made contact with the driver who was identified as William Mccellan (defendant). Mccellan advised me that he does not have a Florida license and that his Michigan license has been expired for 4-5 years.

Mccellan was removed from the vehicle and placed under arrest for operating a motor vehicle with no Florida license. While placing him into custody, I observed a black small tin container in the door jam of the driver door. This container would have been consistent with the noise I heard dropping on my approach. It should also be noted, this container is commonly used in the concealment and transportation of illegal narcotics.

I questioned Mccellan what he thought was in the container and he stated "speed". Speed is commonly a slang term for methamphetamine.

Due to these statements, I conducted a search of the container and located a white crystal substance. A field test was conducted of the substance and it had a positive reaction to the presence of methamphetamine.

I advised Mccellan of his Miranda Rights to which he stated he understood and did not wish to speak with me.

A records check via VBPD dispatch revealed Mccellan did not have a Florida drivers license and has an ID card only.

Mccellan was subsequently placed under arrest for F.S.S 893.13(6A) possession of methamphetamine & F.S.S 322.03 no Florida license.

A field test was conducted and had a positive reaction to the presence of cocaine.

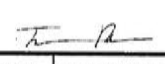

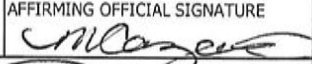

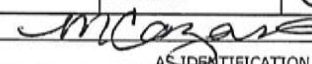

Bowling was placed under arrest for F.S.S 893.13 (6A) possession of cocaine.

Bowling was advised his Miranda Rights to which he stated he understood and agreed to speak with me.

Bowling stated that he knew the cocaine was in his possession but claimed it was not his and he was just "holding" it.

The narcotics were placed into evidence at VBPD.

NARRATIVE

On 11/1/2025 at 1100 hours I was dispatched to [REDACTED] in reference to an indecent act. The victim, Julie Sharkey-Villars [REDACTED] and advised that the defendant pulled down his shorts and exposed himself to her after she pulled up to this residence. Julie stated that she arrived to this address to pick up her friend and as she exited her vehicle, the defendant [REDACTED] started calling her vulgar names. Julie stated that she told him to stop and get back inside his house. The defendant went inside quickly then came back out and started calling her more names and told her to "suck my dick you whore" and then pulled down his shorts exposing his penis.

Julie yelled to him that she was calling law enforcement and he went back inside his residence. Julie stated that the defendant has a history of acting this way and has exposed himself to other people in the neighborhood.

I made contact with the defendant at [REDACTED] The defendant did not know why law enforcement was at his house and he said he did not speak with anyone outside today. The defendant was advised he was being placed under arrest for exposing himself in the backyard and was handcuffed, searched and placed into the back of my patrol vehicle.

The defendant was transported to the county jail without further incident.

The incident was captured on my AXON BWC.

REPORT DATE: 11/01/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 11/01/2025, at 19:31 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On Friday, October 31, 2025, I responded to Cumberland Farms, located at 957 Sebastian Boulevard, in reference to a hit-and-run incident.

Upon arrival, I made contact with Jason Hunsicker, a witness who was identified via his Florida Driver License. Jason stated that he was standing near the sidewalk when he observed a red pickup truck back into another vehicle. He advised that the truck struck a white car that was parked at pump 10, where the owner was outside fueling her vehicle. According to Jason, the rear bumper of the truck made contact with the front grille area of the white car. Jason further stated that the male driver exited the truck, inspected the damage, then reentered his vehicle and left the area, traveling south on Barber Street.

I then made contact with the owner of the white vehicle, identified via her Florida Driver License as Amy Silberling. Amy stated that she was outside leaning against her car, pumping gas, when she suddenly felt an impact. When she looked up, she observed a red pickup truck against the front of her vehicle. Amy stated she spoke briefly with the male driver, who exited his vehicle and looked at the damage. When Amy asked if he had insurance, the driver replied that he did. Amy advised that the male then got back into his truck and left the area without providing any further information.

I reviewed the store's surveillance footage, which was consistent with both Jason's and Amy's statements. The video shows a red Ford F-150 backing into Amy's vehicle before leaving the parking lot. The vehicle can be described as a red Ford F-150 with tools in the truck bed, no bed cover, and chrome rain guards on the windows. The truck bed also appeared to have spilled white paint or similar markings in the bed. The male driver was wearing jeans, a dark-colored shirt, a gray hat, and had visible tattoos on his left arm.

On Saturday, November 1, 2025, through investigative means, the driver and vehicle involved were identified. The driver was identified as Shawn Reeves, via vehicle registration information. The vehicle was a 2016 Ford F-150 bearing Florida tag KI034Z.

Shawn was later located inside a storage unit at 10901 U.S. Highway 1, Sebastian, FL 32958. Attempts were made to contact Shawn by knocking on the unit door and calling his phone, with negative results. Shawn subsequently contacted the Sebastian Police Department and spoke with Corporal Keskinen. While on the phone, Shawn stated that he was not at the location, advised that he had cameras, and claimed he had recently left in an Uber. While still on the phone, I could hear other officers knocking on the door and announcing their presence as law enforcement.

Shawn then agreed to speak with me over the phone regarding the above-mentioned incident. During the conversation, Shawn confirmed he was present at the scene of the crash and that he was driving the same vehicle. Shawn denied any knowledge of a collision but admitted he parked in the same area and spoke to the female driver of the other car, claiming the conversation was about selling puppies. After being advised that he was seen on surveillance footage making contact with another vehicle, Shawn refused to answer further questions and accused me of lying. When I asked to meet in person to complete the accident investigation, Shawn ended the phone call.

Due to having knowledge that Shawn was inside the storage unit, officers remained on scene. At approximately 1400 hours, Officer Barton observed Shawn briefly exit the storage unit and look in the direction of his patrol vehicle. Officer Barton activated his emergency lights and siren while approaching. Mr. Reeves immediately reentered the storage unit and locked the door. Additional units from the Sebastian Police Department and the Indian River County Sheriff's Office arrived and established a perimeter. Due to Mr. Reeves barricading himself behind a locked door, the Sebastian Police Department SRT Team was requested to respond.

Upon arrival, SRT members gave multiple verbal commands for Mr. Reeves to exit the unit. Mr. Reeves refused to comply and remained inside. After the unit's door was opened, Mr. Reeves briefly stepped outside but failed to follow commands to get down on his knees, resulting in officers using minimal force to gain compliance. Mr. Reeves refused to follow direct orders from a total of five police officers. Mr. Reeves was subsequently detained by SRT personnel. Once handcuffed, he became compliant and was escorted to a safe location to be searched.

Upon making contact with Mr. Reeves, I observed that he was wearing clothing consistent with that seen in the surveillance footage. Additionally, he was in possession of the same vehicle matching the description captured on camera.

Mr. Reeves was placed under arrest for Leaving the Scene of an Accident with Property Damage and Five Counts of Resisting an Officer Without Violence.

Mr. Reeves was transported to the Indian River County Jail without incident.

Mr. Reeves is currently out on bond for an unrelated felony case within this county, case number 2025CS000934.

Arrest Affidavit Report

Case Report # 2025-00118305

NARRATIVE

On Saturday, November 1, 2025, at approximately 1851 hours, I was traveling northbound on Barber Street towards County Road 512. As I approached the intersection, I was positioned in the westbound turn lane. I got the green arrow to make a left hand turn onto CR 512.

As I began to make my turn, I observed a vehicle stopped at the southbound red light on Barber Street. As I began to turn, a black Nissan four door (bearing Florida tag KX702W) traveling southbound on Barber Street. The Nissan passed the stopped vehicle on the right, crossing the solid white line, driving into the bike lane, and off the roadway. It then turned into the far-left lane and passed my marked patrol vehicle.

I then conducted a traffic stop on the Nissan for improper right turn. I approached the vehicle and made contact with the driver, Mr. Jorge Mercado (Arrestee). I requested his driver license, registration, and proof of insurance. He handed me the registration for the vehicle and stopped looking for other items. I again requested his driver license and he informed me he was working on getting one. I asked him to clarify what he meant and he informed me he has never had a Florida driver license and was working on getting one.

I collected his name and date of birth and ran his information through dispatch. They informed me Mr. Mercado has never had a valid driver license in the state of Florida. I then placed Mr. Mercado under arrest and transported him to the Indian River County Jail. While at the jail, his finger prints were run and showed he was arrested multiple other times for driving without a license. The following are a list of the previous charges for driving without a license, along with the citation number and disposition:

10/21/2023 – Guilty (AFSQNPE)

04/27/2022 – Guilty (AEERTEE)

08/08/2021 – Guilty (A8NZNOE)

06/18/2021 – Guilty (AEERRDE)

This investigation was captured on body worn camera.

Arrest Affidavit Report

Case Report # 2025-00118387

NARRATIVE

On November 2, 2025, at approximately 0038 hours, I was on patrol in the area of 12th Street and US1 when I observed a black SUV bearing Florida tag FIZP39 traveling southbound on US1 with no lights on. As I followed the vehicle it began to swerve touching the lane dividing line on its passenger side several times. The vehicle continuously sped up and slowed down as well. I conducted a traffic stop on the vehicle in 400-block area of US1 and it failed to come to a stop until the 900-block area of US1. While I followed the vehicle with lights and sirens engaged, it continued its pattern of failing to maintain a lane, and suddenly braking.

I made contact with the driver, identified as Desroy Damion Tomlinson. Upon contact, I detected a strong odor of an alcoholic beverage emanating from his breath as he spoke. I observed that his eyes were bloodshot and glassy. I asked Desroy for his license, and he stated he left it at home. Desroy's speech was heavily slurred and difficult to understand. When I first introduced myself, his speech was so slurred I was not sure if he was speaking English. I asked Desroy if he had anything to drink tonight, and he stated he had one beer a little while ago.

Based on my observations of his driving and upon making contact with him, I believed Desroy was impaired beyond his normal faculties by alcoholic beverages or controlled substances. I decided to provide Desroy a chance to dispel my concerns about his impairment.

I asked Desroy a series of medical questions to ensure he could participate in the field sobriety exercises. Desroy stated that he had no physical defects and did not have epilepsy, diabetes, did not take insulin, or suffer from seizures. All field sobriety exercises were explained and demonstrated prior to Desroy beginning each exercise, and I confirmed he understood the instructions before starting each exercise.

The following exercises were performed:

- **HORIZONTAL GAZE NYSTAGMUS:** No resting nystagmus was observed. Equal pupil size and equal tracking were noted in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation and the onset of nystagmus prior to 45 degrees were observed in both eyes. Desroy swayed while standing, and moved his head on several occasions.
- **WALK AND TURN:** A straight line was used for the exercise. Desroy was unable to keep his balance in the starting positions while I demonstrated the exercise, and began to take steps forwards without being told to begin. On the first nine steps, Desroy missed heel to toe on several steps and did not walk heel to toe. Desroy turned improperly by spinning around and lost his balance. On the second nine steps, Desroy again missed heel to toe and stepped off the line.
- **ONE LEG STAND:** Desroy lifted his right foot, he swayed while balancing, and used his arms to balance. Desroy continued counting 7,8,9 and never made it past 9 during the 30 seconds I timed him.

Overall, Desroy performed poorly on all field sobriety exercises. Based on my investigation, probable cause exists that on November, 2025, Desroy was in actual physical control of a motor vehicle while under the influence of

alcoholic beverages and/or a chemical or controlled substance and was impaired beyond his normal faculties, incapable of operating a vehicle safely. Desroy was arrested for DUI at 0058 hours. After completing the field sobriety exercises with Desroy, Deputy Sheriff T. Shuren advised me that Desroy agreed to provide a breath sample. The breath sample showed Desroy had a breath alcohol concentration (BrAC) of .158 grams per 210 liters of breath and .159 grams per 210 liters of breath. Based on the above, I charged Desroy with the following: F.S.S. 316.193(4) – DUI (.15 or above).

MARSY'S LAW?**ORIGINAL****AGENCY CASE #: 25-1969****REPORT DATE: 11/02/2025 TYPE: ARREST AFFIDAVIT**

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **11/02/2025**, at **01:13** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On November 2nd, 2025, at approximately 0021 hours, Officer Venegas and I observed a black 2011 Chevrolet Silverado bearing Florida tag CN68AY leaving the parking lot of 957 Sebastian Boulevard (Cumberland Farms). Upon observing the vehicle leaving, Officer Venegas and I observed the window tint to be extremely dark, leaving us being unable to view inside the vehicle. Upon getting behind the vehicle, we were also unable to see through the back window as well. Based on the extremely dark window tint, I conducted a traffic stop on the vehicle in 1000 block of Barber Street.

Officer Venegas and I made contact with driver and sole occupant of the vehicle. Officer Venegas advised the driver the reason for the stop and utilized his agency issued tint meter to confirm it was in violation of Florida State Statue (FSS). Upon doing so, Officer Venegas advised the driver his front passenger side window only had a light transmittance of approximately 6 percent in the visible light range. Upon confirming the window tint to be in violation of FSS 316.2953, Officer Venegas requested the male's driver's license, registration and proof of insurance. The male was identified by his Florida driver's license as Dustin Howell. Dustin was able to provide me all of his documents upon request. While making contact with Dustin, Officer Venegas requested Dustin's consent to conduct a search of the vehicle, to which he declined.

Dustin was removed from the vehicle and stood by in front of my patrol vehicle while I continued my traffic stop. Due to Dustin stating he was armed with a knife in his pocket prior to exiting the vehicle, Corporal Singh conducted a pat down for additional weapons once out of the vehicle. During the course of my traffic stop, K9 Deputy Le of The Indian River County Sheriff's Office arrived on scene and deployed his K9 partner Knox to conduct a free air sniff of Dustin's vehicle. Upon doing so, Deputy Le advised Officer Venegas his K9 partner Knox alerted to the odor of narcotics emanating from Dustin's vehicle. This all occurred while I was completing a Uniform Traffic Citation (UTC) for violation of FSS 316.2953, to be issued to Dustin.

Based on Deputy Le's K9 partner Knox alerting to the odor of narcotics emanating from Dustin's vehicle, a probable cause search for narcotics was conducted. Upon completing the UTC, I assisted Deputy Le in the search of Dustin's vehicle. While doing so, Deputy Le advised he located a small container resembling a grenade explosive inside of the center console. Upon opening this container, Deputy Le located multiple pills in different shapes and colors. Also inside of this container was a small plastic baggie which contained a small amount of white powder residue and two additional blue in color pills. Due to locating this, Officer Venegas and Corporal Singh attempted to place Dustin in mechanical restraints for the remainder of the investigation.

Upon Officer Venegas and Corporal Singh attempting to place Dustin in mechanical restraints, Dustin immediately began to tense and move his body forward, away from where he was initially standing when Officer Venegas and Corporal Singh attempted to detain him. Based on observing what appeared to be Dustin attempting to defeat efforts to be placed into handcuffs as well as hearing Officer Venegas and Corporal Singh giving Dustin multiple to commands to stop resisting which he continued to not comply with, I assisted by grabbing Dustin's left arm and attempting to place it behind his back. While doing so, I could feel Dustin tensing his arm up, continuing to attempt to defeat efforts of officers placing him into custody. Finally, Corporal Singh and I were able to place Dustin's hands behind his back while Officer Venegas placed him in mechanical restraints. Once in mechanical restraints, Dustin was placed in the backseat of my patrol vehicle.

Officer Venegas and I removed the contents located inside of the grenade shaped container. The following is what was located:

Plastic baggie containing white powdery substance along with two, oval shaped pills containing the imprint "B 972 10." The white powdery substance located in this baggie was field tested utilizing an agency issued field test kit, which came back positive for the presence of cocaine hydrochloride. According to Drugs.com, the two pills located in this baggie as well were identified as Amphetamine and Dextroamphetamine, a prescription only Schedule 2 controlled substance under the Controlled Substance Act (CSA).

Three whole rectangular shaped white pills containing the imprint "G 372 2." Officer Venegas advised he was able to identify these pills as Alprazolam based on his training and experience. This was confirmed via Drugs.com, which advised Alprazolam is a prescription only Schedule 4 controlled substance under the CSA.

Half of yellow rectangular shaped pill containing partial imprint "R 0 3." Upon conducting a query of this pill via Drugs.com, it was confirmed this pill was also an Alprazolam.

One whole circular shaped blue pill containing the imprint "TEVA 3927." Upon conducting a query of this pill via Drugs.com, the pill was identified as Diazepam. According to Drugs.com, Diazepam is a prescription only Schedule 4 controlled substance under the CSA. Another half of this same pill containing part of the same imprint was also located.

Officer Venegas advised Dustin of Miranda Rights which he understood. Post Miranda, Dustin stated to Officer Venegas that everything in his truck belonged to him. Dustin stated to Officer Venegas he knew the grenade container was inside his truck, however he did not know he left those items inside of it. Dustin informed Officer Venegas he was not currently prescribed any medication. Dustin also stated to Officer Venegas he used cocaine a couple days ago. Dustin ultimately admitted to Officer Venegas he had taken some of those pills which were located inside of the grenade container, however he did not know they were currently there.

Based on the totality of circumstances which include what was located in Dustin's truck after conducting a probable cause

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00118410****NARRATIVE**

On 11-02-2025, at approximately 0213 hours, I, Deputy M. Mangel #5949, responded after the Indian River County Sheriff's Office Communications Center received a report of a black Mazda bearing Florida tag CQ19VJ leaving 53 Sonrise Place in Fellsmere, Florida, with the driver possibly intoxicated and operating the vehicle with a flat tire. While patrolling the area of County Road 512 near the Interstate-95 overpass, I observed a black vehicle traveling eastbound drift into my lane before abruptly correcting its course. As the vehicle passed, I heard a loud metallic scraping noise consistent with a vehicle being operated on a rim due to a flat tire.

I located the vehicle stopped at the intersection of County Road 512 and the Interstate 95 Fellsmere exit ramp. When the light turned green, I observed the vehicle proceed forward, crossing over the solid white line with the passenger-side tires, indicating a failure to maintain lane. I initiated a traffic stop, and the vehicle continued slowly before ultimately stopping at the RaceTrac located at 9490 108th Avenue, Fellsmere, Florida.

Upon stopping, the driver immediately exited the vehicle. He appeared agitated and displayed indicators of impairment, including watery and glassy eyes, a flushed facial complexion, unsteady posture, argumentative behavior, and the strong odor of an alcoholic beverage emanating from his breath. The driver was identified as Dean Bartley (DOB: 04-21-1993). Mr. Bartley's demeanor was confrontational at times, and he spoke with exaggerated confidence, interrupted frequently, and had difficulty following simple instructions, all behaviors consistent with impaired judgment and diminished divided-attention capabilities associated with alcohol impairment. Mr. Bartley admitted to consuming alcohol approximately five hours prior.

Mr. Bartley agreed to participate in Standardized Field Sobriety Tests and stated he was missing one toe on each foot and could not perform the One-Leg-Stand. He repeatedly requested a breath test prior to arrest and claimed familiarity with the DUI investigation process, stating "I know how this works" and commenting that I was "going to arrest him like Vero Beach Police." Each exercise was explained and demonstrated, and he acknowledged understanding prior to beginning.

During the Horizontal Gaze Nystagmus test, I observed lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation, and onset prior to 45 degrees. He swayed front-to-back and side-to-side and repeatedly stared past the stimulus, requiring multiple reminders to follow it.

During the Walk-and-Turn test, he could not maintain the starting position, stepped out of position several times, walked slowly as if balancing on a tightrope, and struggled to maintain balance.

During the Finger-to-Nose test, he missed the tip of his nose and instead touched the bridge or top of his nose while swaying noticeably. During the Modified Romberg test, he estimated 30 seconds at 36 seconds and demonstrated approximately a two-inch circular sway, requiring repeated instruction.

Based on the totality of circumstances, including the driving behavior, physical indicators of impairment, and performance on standardized field sobriety exercises, Mr. Bartley was placed under arrest for DUI. He was transported to the Indian River County Jail where he provided two lawful breath samples, which registered 0.190 g/210L BrAC and 0.184 g/210L BrAC.

Arrest Affidavit Report

Case Report # 2025-00118570

NARRATIVE

On Sunday, November 02, 2025 at 4:29 PM, I responded to the area of the Sebastian Inlet and Highway A1A. The caller, Shane Diggins advised he was southbound behind a white Chevrolet Silverado (Florida registration KS967N) and was watching the Silverado swerve on and off the shoulder, speeding, almost striking other vehicles and the passenger side door was opened. The driver of the Silverado later identified as Daniel Isaac Maher then drove onto the shoulder of the roadway at approximately the 13200 block of Highway A1A. Shane also pulled over onto the shoulder behind the Silverado and maintained visual of it until law enforcement arrived on scene. Shane stated Daniel exited from the driver's seat and the passenger exited from the front passenger seat. Both would enter and exit the Silverado multiple times before the arrival of law enforcement.

Indian River Shores Public Safety Officer Harman Harmanjit was the first law enforcement officer to arrive on scene and stated he observed Daniel once again exit from the driver's seat. I arrived on scene and first met with Officer Harmanjit. He would tell me Daniel admitted to consuming alcohol.

I then made contact with Shane whom was standing outside of the Silverado on the sidewalk. My first observations, I noticed Daniel had difficulty standing upright. Daniel's eyes were had redness and were glassy. As Daniel spoke, I could smell a strong odor of an alcoholic beverage emitting from his breath. Daniel's speech was slurred as he spoke to me. Daniel was asked if he had consumed any alcoholic beverages, to which he stated "one beer".

Based on my observations I believed Daniel was under the influence of alcohol. I asked Daniel if he would be willing to perform a series of standardized roadside exercises, he said he would.

I began with the Horizontal Gaze Nystagmus. Daniel lacked smooth pursuit; I also observed the distinct nystagmus at maximum deviation in both eyes. Finally, I observed the onset of nystagmus prior to 45 degrees. During the exercise Daniel's body had an orbital sway.

The second exercise I explained and demonstrated to Daniel was the walk and turn. Daniel had difficulty remaining in the instructed starting position while explaining the exercise. Daniel was asked if he understood my instructions and he stated he did. Daniel then performed the exercise. While performing the exercise, Daniel failed touch heel-to-toe on steps 1, 2, 3, 4, 5, 6 and 8 on the forward. Daniel also took 12 steps instead of the nine as instructed. Daniel stepped off of the line several times as well. Daniel performed an incorrect turn. On the return, Daniel missed heel-to-toe on steps 1, 5, 6, and 7. Daniel took 14 steps on the return. Daniel again stepped off of the line several times. Daniel raised him arms from his sides throughout the entire exercise for balance. Daniel did not count out loud each step throughout the exercise.

The final exercise I explained and demonstrated to Daniel was the one leg stand. Daniel was asked if he understood my instructions and he stated he did. Daniel then performed the exercise. While performing the exercise, Daniel failed to count in the manner instructed, he swayed from side to side, began hopping at times, had his foot lower than the instructed distance from the ground and raised his arms from his sides to regain his balance.

After observing Daniel's performance on the above listed exercises. I determined that Daniel was under the influence and should not be driving. At this time, I placed Daniel under arrest and transported him to the Indian River County Jail for booking. Once at the jail, we were met by Corrections Deputy Cazares #5932, who requested Daniel to submit to a chemical breath test to determine his breath alcohol content. Daniel took the breath test to determine his blood alcohol content / BAC. The test results showed .217 and .228.

Case Report # 2025-00118613

NARRATIVE

On Sunday, November 2, 2025, at approximately 1916 hours, I responded to [REDACTED] in reference to a disturbance.

Upon arrival I met with Alexis Teague (victim) who stated the following in substance: She arrived at home with her daughter, when Mr. Mario Bonner (arrestee) who is the father of her daughter arrived and they started to have a verbal argument over child custody and him seeing the child. Both parties continued to yell at one another, During the argument Mr. Bonner raised his shirt, she observed a firearm in his waist band and she then proceeded to take her child inside. Bonner then followed her inside the residence to attempt to get a hug and kiss from the child. She yelled at him to leave the residence multiple times, because she didn't want the firearm around the child. Ms. Teague stated her mother Ms. Chiquita Chambliss was also yelling at Bonner to leave the residence that he was not invited and not welcome. Ms. Teague couldn't describe the firearm with detail but was positive she saw a firearm in his waistband of his pants. Ms. Teague stated Bonner then left the residence and she heard a bang outside and upon checking out the noise she observed her front windshield busted on the passenger side of her white Chevrolet sedan, which she stated it wasn't like upon arriving home earlier.

Deputy Consalo interviewed Ms. Chambliss and provided me with the following information: She and her daughter arrived home when they were taking her granddaughter out of the vehicle. Mr. Bonner arrived and a verbal argument erupted between them and Mr. Bonner, which continued inside the residence. During the course of the argument Ms. Chambliss said Mr. Bonner raised his shirt and she saw he was carrying a firearm in his waistband but was unable to provide further description. Ms. Chambliss demanded Mr. Bonner leave her residence, which after more yelling he finally left. Ms. Chambliss did not see Mr. Bonner break the windshield on Ms. Teague's car.

Deputies made contact with Mr. Bonner via telephone, which he agreed to come back to the scene. Upon Mr. Bonner's arrival deputies detained him in handcuffs and Deputy Consalo read Mr. Bonner his Miranda Rights, which Mr. Bonner stated he understood and wanted to speak with deputies about the incident.

Mr. Bonner stated the following in substance post Miranda: He arrived at the residence to see his daughter, who he shares custody with Ms. Teague. He wanted to give his daughter a hug and kiss due to not seeing her all week. Ms. Teague refused to allow him to see his daughter which sparked and argument between them. Mr. Bonner followed them inside the residence where the argument continued between all of them. Ms. Teague was upset because she accused him of cheating on her. Bonner further stated they asked him to leave the residence and he was really upset and upon leaving the residence he had his phone in his hand and used it to mash the windshield of Ms. Teague's car. Arrest Affidavit Report

Case Report # 2025-00118650

NARRATIVE

On November 2nd, 2025, at 2126 hours, I responded to 4315 27th Avenue in reference to a search. Upon my arrival, I located Andrew Coffee and served him with active Indian River County Warrants #WR20251153, #BW20241382, #BW20241378, and #RP20241378.

Shortly after completing the booking paperwork and leaving the jail, IRCSO booking deputies contacted me and advised they located a small plastic bag of suspected drugs on the ground of the Sally port, near where my patrol vehicle was previously parked. I responded back to the IRCJ and met with Sgt. Jenkins #2275 in the supervisors' office to review security camera footage. Upon reviewing the camera footage, I observed corrections Deputy Canales #6127 searching Coffee's right side waist band, whenever a small plastic bag falls to the ground.

I collected the plastic bag, weighing in at 0.14g, and field drug tested the white powdery substance, resulting in a positive test result for 2C (commonly referred to as "pink cocaine"). Through my investigation, I found Andrew Coffee to be in violation of;

- FSS 893.13 (possession of a controlled substance, reference citation #AM2N4KE)

**MARSY'S LAW?****ORIGINAL****AGENCY CASE #:** 2025002090**REPORT DATE:** 11/03/2025 **TYPE:** ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **11/02/2025**, at **22:20**
(Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 11/02/2025, at approximately 22:20 hours, I was patrolling near the intersection of 10th Avenue and 20th Street. Directly in front of my patrol vehicle, I observed a white Ford truck traveling northbound in the 1900 block of 10th Avenue. The truck was driving erratically, and I witnessed the driver merge lanes to travel northbound in the southbound lane of travel. The truck eventually corrected itself and returned to the northbound lane as the driver reached the traffic light located at 20th Street. This light had a steady green light, and I monitored the truck as the driver remained stationary at the green light for a long period of time. I then circled around to position myself behind the truck. The truck finally began to move from a dead stop as the light cycled from yellow to red. I cleared the intersection and positioned myself behind the truck as we continued northbound. The truck then activated its hazard lights and pulled over into a parking lot located off 20th Place and 10th Avenue. I found the entirety unusual and activated my emergency lights as I stepped out with the driver in this parking lot.

I approached the truck (FL tag #06FBPS) and made contact with the sole occupant, Gabriel Milton. I advised Mr. Milton that I observed his unusual driving pattern along with the moving violations. Mr. Milton told me that he is new to the area and claimed that he was confused while he was driving. Mr. Milton advised me that he had just left Riverside Cafe, and that he was trying to get back home. Mr. Milton denied consent to search his vehicle but stated that I may search him. I had Mr. Milton step out of the vehicle to perform the search of his person and later obtain the insurance and registration for his vehicle.

Mr. Milton exited his vehicle and walked with me to the tailgate of his truck. While speaking with Mr. Milton, I detected a strong odor of an alcoholic beverage emanating from his breath. I also noted that Mr. Milton had bloodshot glassy eyes, with heavily slurred speech. While conducting this traffic investigation, Mr. Milton grew more uneasy, and he struggled to focus on the specific questions I was asking him. Mr. Milton was placed into handcuffs and advised of his Miranda Warning. Post-Miranda, I explained to Mr. Milton that I was concerned that he was under the influence of alcohol, and I asked him if he would be willing to perform standardized field sobriety exercises to determine if he was able to safely operate a motor vehicle. Mr. Milton refused. I provided Mr. Milton with additional opportunities to perform the exercises to dispel my suspicions, and Mr. Milton repeatedly refused. While conducting a records check on Mr. Milton, I discovered that he had two previous arrests for driving under the influence of alcohol and refusing to submit to testing. The first offense originated out of Palm Beach County from 2016 (reference Citation/Case #8151XGT- DUI Refusal), and the second offense originated out of Broward County from 2018 (reference Citation/Case #: A765LLE- DUI Refusal).

At 23:10 hours, based upon the totality of my observations, Mr. Milton was placed under arrest and transported him to the Indian River County Jail. Once at the jail, I performed a twenty-minute observation period on Mr. Milton. I then walked Mr. Milton into the intoxilyzer room. Corrections Deputy M. Rodriguez was present with me when I requested Mr. Milton to provide a sample of his breath to determine its alcohol content. Mr. Milton refused to provide a sample. I subsequently read Mr. Milton implied consent and offered him a second opportunity to provide a sample of his breath. Mr. Milton again stated that he refused.

Mr. Milton was charged in violation of FSS 316.193 (1) for driving under the influence of alcohol, and violation of FSS 316.1939(1)(e) for a subsequent refusal to submit to testing. I issued Mr. Milton FL UTC (#AFVKJVE) for the offenses. Mr. Milton was then turned over to the Indian River County Jail.
