Arrest Affidavit ReportCase Report # **2026-00096712****NARRATIVE**

On Wednesday, September 9, 2026, at approximately 0104 hours, I responded to the area of 1st Street SW and 27th Avenue SW in reference to BOLOing for a maroon in color Cadillac DeVille sedan operated by Rogelio Menendez Jr. Menendez Jr. was involved in a disturbance at 5 32nd Avenue where he broke out a window after a verbal disagreement with his girlfriend.

As I was responding to the location of the disturbance, I was traveling Northbound on 27th Avenue approaching 1st Street SW when I observed the aforementioned Cadillac pull into the Amco gas station located at 310 27th Avenue SW. The vehicle traveled southbound through the parking lot into a grass field and come to a rest facing westbound. I then made contact with the driver and sole occupant, which was Menendez Jr. While speaking with, Menendez Jr. I observed him to have slow and slurred speech and I could smell a strong odor of an alcoholic beverage emitting from his person as he spoke. I asked Menendez Jr. if he was intoxicated to which he confirmed he was. Menendez Jr. proceeded to inform me of his actions that took place at the location of the disturbance. Menendez Jr. stated he broke out a window at the residence and as a result he had several lacerations to both hands right bicep to include a large laceration on inside of his right bicep. Due to Menendez Jr.'s injuries I requested Indian River County Fire Rescue to respond to the Amco to assess his injuries. While waiting on Fire Rescue to respond, I observed the Cadillac sedan was not bearing a tag. When Menendez was questioned about not having registration for the vehicle, he stated he just bought the vehicle a few days ago and was unable to get the vehicle registered due to the holiday weekend.

Deputy Estrella arrived on scene and read Menendez Jr. his Miranda Warnings to which he stated he understood and wished to speak with Deputy Estrella. Deputy Estrella asked Menendez Jr. if he had been drinking to which he stated he had. Menendez Jr. stated he went to the address off of 32nd Avenue to retrieve a license plate from another vehicle to attach to his Cadillac sedan so he could drive home. Menendez Jr. continued to state that his girlfriend refused to give him the license plate and at that time he proceeded to bust out a window. It should be noted that the residence of 32nd Avenue refused to cooperate with law enforcement in reference to the broken window. Menendez Jr. asked Deputy Estrella if he could exit his vehicle due to be hot inside of his vehicle. When Menendez Jr. exited his vehicle, he was observed to be uneasy on his feet as we walked to the rear of his vehicle to wait for Fire Rescue to arrive.

Menendez Jr. admitted to drinking 3 "Super Sipz" alcoholic beverages since approximately 7 pm. It should be noted that "Super Sipz" are 500 ml cartons containing 12% ABV. Once Fire Rescue arrived on scene, they assessed Menendez Jr.'s injuries and stated he needed to possibly receive stitches for the laceration to his right bicep. At that time, Menendez Jr. was escorted to the ambulance to be treated. Once in the ambulance Menendez Jr was advised he needed to go to the hospital and as a result he was placed in mechanical hand restraints and detained in the rear of my patrol vehicle. I then transported to Indian River Cleveland Clinic for medical treatment. Once medically cleared by doctors, Menendez Jr. was transported to the Indian River County Jail.

NARRATIVE (Continuation)

Once at the jail, I requested Menendez Jr. to participate in Standardized Field Sobriety Exercises to which he stated he would. The first exercise I explained was Horizontal Gaze Nystagmus. During this exercise Menendez Jr. displayed difficulties following instructions and failed to keep his head still. I observed Menendez Jr. to have a lack of smooth pursuit in both eyes, maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes.

The next exercise I explained and demonstrated was the walk and turn. Menendez Jr. stated he wanted to participate in this exercise but informed me that he has an [REDACTED] and was weary about being able to walk in a straight line. Ultimately Menendez Jr. refused to do this exercise.

The next exercise I explained and demonstrated was the one leg stand. Menendez Jr. stated he understood the exercise and wished to participate. Menendez Jr. chose to lift his right leg for this exercise. During this exercise Menendez Jr. failed to keep his hands down by his side, he dropped his foot after one second and stopped doing the exercise after he counted "one thousand ten."

I began to explain the final exercise, the finger to nose, while explaining this exercise Menendez Jr. stated he no longer wished to participate in SFSE's.

Deputy J. Hiss # 5730 then requested Menendez Jr. to submit to a chemical breath test to determine the alcohol content to which Menendez Jr. agreed. Menendez Jr. provided two breath samples of 0.131 and 0.130.

Based on the aforementioned facts Menendez Jr. is found to be in violation of the following:

F.S.S. 316. - DUI – Bond \$500 – Citation # ANHCAYE

On Wednesday September 9th, 2026 at approximately 1457 hours stemming from an active call for service that Anthony Judon was involved in. Public safety dispatch advised that he has an active misdemeanor warrant. After speaking with the complainant, she advised Judon was wearing a black shirt and jeans with a hat. Deputy P. Newman advised he made contact with Judon at the intersection of 44th Street and 28th Ave, and informed him that he had an active warrant, upon hearing this Anthony fled on foot southbound through backyards. Judon then ran westbound towards 30th Ave. I saw Judon running along a ditch behind 4350 40th Ave. Judon began crossing the ditch. Myself and Corporal T. Kramer positioned in front of the building in attempt to catch him coming out of the wood line. I saw Judon exit the wood line and identified myself and instructed him to stop. Judon looked at me and started running again. I was able to close distance on him and instructed him again to stop and get on to the ground. Judon complied after numerous verbal orders.

Judon Fled from Deputy Newman, Corporal Kramer and myself he also refused to follow verbal commands, based on these factors I determined probable cause existed for the following charge:

Resisting Arrest Without Violence F.S.S 843.02

Judon was taken into custody and transported to IRC Jail without incident.

Case Report # 2026-00096926

NARRATIVE

On Wednesday, September 9, 2026 at approximately 1444 hours I responded to 6574 33rd Street (Premier Landscape Solutions) in reference to a disturbance.

Upon my arrival I made contact with Daesy Yadira Soto Castano [REDACTED] for [REDACTED]. Daesy advised that [REDACTED] ent Jerron Perry to take a blower and blow of the sidewalk in a side-to-side motion. After a few minutes [REDACTED] went to check on Jerron and the other workers to ensure that the crew was working at a good pace. While speaking with the crew, [REDACTED] observed Jerron blowing the sidewalk in a different pattern. [REDACTED] approached Jerron and a verbal argument began. [REDACTED] advised that Jerron said "Fuck you" to him and Jerron stepped towards him. [REDACTED] advised that Jerron pushed him and he went back and then stood still. Jerron once again approached him and then punched him on the right side of his face. [REDACTED] advised that he got onto the mower and left the area. [REDACTED] advised that the punch caused an injury on the inside of his cheek.

[REDACTED] provided a written statement of the incident. It should be noted that the statement was written by Daesy with [REDACTED] assistance due to [REDACTED] not knowing [REDACTED].

I spoke with Steven Mithcem who advised that he witnessed the incident between [REDACTED] and Jerron. Steven provided a written statement that states the following; I saw the two of them argue and push each other. Then [REDACTED] male attempted to leave area on mower. Black male then came up behind him and swung on [REDACTED] male. [REDACTED] male continued to leave.

Upon making contact with Jerron I advised him that I was conducting an investigation and that he was the main suspect. I read Jerron his Miranda Warning from a preprinted agency issued card. Jerron advised that he understood his rights and agreed to speak to me about the incident.

I spoke with Jerron Perry who advised that he and [REDACTED] got into an argument on the jobsite. Jerron advised that while he was working [REDACTED] approached him in an aggressive manner. While speaking with [REDACTED] he "got into his face" and shoulder charged him. Jerron stated that [REDACTED] said "fuck you" to him and shoulder checked him. Jerron stated that [REDACTED] was approximately a foot away from him the whole incident. Jerron advised that he was in fear of his well being and he "mushed" [REDACTED] with his forearm on his face. Jerron stated that he did not use a fist but used his forearm. When [REDACTED] got onto the mower he caused the mower to "catwalk" and Jerron advised that he believed that [REDACTED] was going to hit him with the mower so he swung his arm stating that [REDACTED] was swinging at him also. Jerron advised that his coworker Keon saw the incident. Jerron advised that Keon is like a little brother to him and that he has known him for a while.

I spoke with Keon Brunson who advised that he observed Jerron and [REDACTED] get into an argument on the jobsite. Keon advised that [REDACTED] and Jerron were arguing and that Jerron got into [REDACTED] face and touched faces. Jerron pushed [REDACTED] back away from him and punched him in the face with a fist. Keon advised that he saw his fist and not his forearm. Keon advised that [REDACTED] got onto the mower and made it pop up and almost hit Jerron. Keon advised that he has only known Jerron for about a month but has heard of him through social media.

Arrest Affidavit Report

Case Report # 2026-00096983

NARRATIVE

On Wednesday, September 9, 2026 at approximately, 1717 hours, I responded to 213 16th Street SW, Vero Beach, FL in reference to a trespassing call for service.

Upon Arrival, I made contact with the suspect, Trinity James Williams, in the driveway area of the residence. As soon as I walked up Williams stated "I'm trespassing, I have a trespass warning." I asked him for his identification and he provided a Florida issued photo ID card.

I gave dispatch the ID number listed and they advised Williams was trespassed from the property. Williams was trespass on March 1st, 2016 (case #2016-36543), upon the request of the victim, [REDACTED] Dispatch advised the trespass after warning (TAW) was not expired and still valid.

As I confirmed all the above-mentioned information, Williams and I walked over to the front of my patrol vehicle that was parked on the street. Williams suddenly began yelling at two subjects who were standing across the street. Williams became so belligerent and aggressive that it prompted me to interject and demand for him to stop. Williams briefly ceased his actions but suddenly once again began screaming obscenities at the subjects. Due to his disruptive and belligerent behavior. I had to raise my voice and aggressively ordered him to stop his continued disorderly behavior. It was later discovered that the two subjects were [REDACTED]

I then made contact with [REDACTED] advised that Williams arrived at the residence uninvited and began consuming alcoholic beverages at a table she keeps in the driveway [REDACTED] told Williams to leave her property but he refused. [REDACTED] reported when she requested Williams to leave, he stated "I'm not leaving, I'm going to sit here. Drink my beers and wait for the police."

[REDACTED] advised she had several surveillance videos of Williams on the property prior to my arrival. She was provided a community request link via Axon app to her cellphone to upload the surveillance footage.

Let it be noted that as I walked up to the front door of the residence to make contact with [REDACTED] observed said beers. I observed four green beer bottles. Three were completely consumed and on had about a quarter inch left. Williams' eyes were red bloodshot, he slurred his speech and his belligerent behavior were indicative of someone intoxicated. Williams' aggressive and belligerent behavior continued from the time he was taken into custody. Up until we nearly arrived at the Indian River County Jail.

[REDACTED] did express the wish to prosecute Williams for the trespass violation and swore to her video recorded statement.

[REDACTED] was taken into custody and transported to the IRC jail and turned over to staff for further processing. At the jail Williams was charged for violating Florida State Statues:

- F.S.S. 810.08 Trespass after warning

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On September 9, 2026, I responded to 850 Barber Street in reference to a reported disturbance.

Upon arrival, I observed Officer Martinez #426 already on scene. Officer Keizer #443 and I subsequently arrived and made contact with the caller, Brandi Marie Armington. Brandi was identified by her FL DL.

Brandi advised that her husband, Jamison Richard Armington, identified by his FL DL, was intoxicated and that a verbal altercation had occurred between them. Brandi stated that she was attempting to prevent Jamison from leaving the residence to get pizza because she believed he was intoxicated. Brandi advised that a verbal dispute began during the incident. While officers were speaking with Jamison, he became increasingly irate and began yelling. Jamison repeatedly advanced toward Officer Martinez and refused to follow verbal instructions. Jamison was instructed several times to sit down but failed to comply.

Jamison then walked toward me and the other officers while holding his fist in a clenched position and continuing to advance.

Due to Jamison's actions and failure to comply with officers' commands, he was placed in handcuffs and restrained.

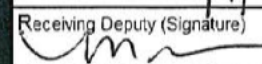

Jamison was subsequently transported to the county jail and was charged with 843.02 Obstruction without violence.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00097052****NARRATIVE**

On September 9th, 2026, at approximately 2044 hours, I responded to assist Deputy N. Finkle in reference to a traffic stop on a bike.

Deputy Finkle and I were monitoring northbound traffic on Old Dixie highway in the 1000 block. We both observed a male, later identified as Rodney Adams, riding a bike northbound on the northbound side of Old Dixie Highway's side walk, without a rear light activated on his bike. I observed Rodney to wave to the Sheriff's Office vehicles, one time by raising his hand directly above his body, and raising a peace sign. He then proceeded to lower his right hand down to his waistband/pocket area and move it to the right of him as if he was throwing something from his person/pocket. Rodney then continued to bike northbound and raise his hand back up toward the sky and raise a peace sign, as if he was waving at us. Due to the light violation, Deputy Finkle initiated a traffic stop.

As Deputy Finkle spoke with Rodney, I checked the area of the grass he was biking by for contraband. I know through my experience at IRCSO that Rodney is a known drug user, through street tips. As such, I believed he possibly disposed of narcotic related paraphernalia. I did not locate any such items in the field. It should be noted, it was dark at the time, thus I was only relying on my flash light to illuminate the aforementioned area.

However, I walked up to Rodney and asked him what he threw. Rodney stated he did not throw anything. While speaking with Rodney I noticed a blue BIC pen body sticking out of a front compartment on a backpack. It should be noted, I did not observe an ink well, nor a cap/but-cap end of the pen. Therefore, I believed to be a narcotic related paraphernalia. The backpack was hanging from his bike handle bars.

I know from prior training, experience, and prior arrests as an IRCSO Deputy that a BIC pen's empty body is a common method for smoking narcotics. Additionally, I observed what appeared to be a finite amount of white powdery substance inside the pen, which I asked Rodney about this. Rodney explained it was just a pen, and began to get very loud and defensive. I explained I knew he smokes methamphetamine, which he stated he cannot use a pen to smoke methamphetamine. I explained I know it to be used a straw to inhale the smoke burnt off of tin-foil.

I asked Rodney to remove the pen to show me it was simply a pen. He removed the pen from the backpack, where I noted there was no point to write with, and the pen was hallowed out. Therefore, I requested the item from Rodney which he handed to me. I inspected it with my flash-light, where ultimately took a field test cocaine wipe to it. The wipe turned blue resulting in a presumptive positive for cocaine. This item was seized for evidence, photographs were taken of the field test and uploaded to

I returned to Rodney and showed him my finding on the wipe. He began to scream and yell that IRCSSO was harassing him. He began to scream his has anxiety and started screaming for Deputy Finkle and I to not touch him.

Deputy Finkle and I told Rodney approximately 4-5 times to step off the bike, where he refused to comply with our lawful commands. We explained we would not touch him if he complied, which he then stepped of the bike. However, as we closed into to touch the bag, Rodney moved himself in towards the bag and went to grab it. As such, I grabbed Rodney's arm and attempted to put it behind his back. He activated his muscles, as I felt resistance putting his arm behind his back. I explained to his to turn around, which he failed to do so. Ultimately, I conducted an arm-bar takedown, while issuing commands, where Deputy Finkle and I attempted to grab Rodney's arms. He moved them to the front of his body, where I handcuffed his left wrist. We then had to grab his hands and force them to the rear of his body, where he was handcuffed.

He began to exclaim he was concerned about our interaction because he has stuff on him. Rodney explained he had points/fentanyl. Rodney was ultimately read his Miranda rights by myself, where he explained he knowingly had possession of fentanyl and methamphetamine. He explained his girlfriend had fatally overdosed last week and his intent was to hold onto the narcotics to give them back to the dealer.

A search of Rodney's backpack resulted in the following items:

- One small baggie, with clear crystal-like substance (1.0 gram). This resulted in a presumptive positive for methamphetamine.
- One broken purple glass pipe, with white residue. From training and experience I recognize this to be a broken methamphetamine pipe where the bowl part had been broken off
- 2 needles in a pink balloon
- 1 needle with approximately 3.5 ml of clear liquid inside. This was later field tested which resulted in a presumptive positive for methamphetamine.
- One small baggie containing five (5) individually packaged white rock like substances (1.0 gram). One of these items was field tested which resulted in a presumptive positive for fentanyl

Arrest Affidavit Report

Case Report # 2026-00097071

NARRATIVE

On September 9, 2026, at approximately 2229, Corporal Chamberlain and I observed a red in color scooter traveling westbound on State Road 60 with no working rear lights. As I got behind the vehicle, I observed no affixed tag on the rear of the scooter as required by Florida State Statute, in addition I observed the scooter bypass the solid white stop bar, which caused the driver to stop in the cross walk.

While waiting at the light I observed the driver who was later identified as Roger Hvidt, look behind him twice where I was immediately sitting. As the light turned green, I activated my lights and sirens. Roger looked startled and began to pull over. Roger stopped on the side walk. As I approached Roger, I observed a large kitchen knife affixed to the rear of the bike, for officer safety I instructed Roger to place the kick stand down and step off the bike.

As Roger stepped off the bike he began to consistently move around. Roger informed me I "Scared him" when I activated my lights and sirens. Roger stated to me he purchased the scooter from someone in Miami, but was never given a title which caused him to not register the vehicle. Roger informed me the scooter was approximately 150CCs. Roger provided me an Oklahoma Driver License which was valid, however, it lacked a motorcycle endorsement. I conducted an FCIC/NCIC search both through the Public Safety Dispatch Section and my agency issued laptop where we both located no record of the Scooter ever being insured. FCIC/NCIC records also confirmed Roger did not have a motorcycle endorsement.

Roger was very talkative and made consistent movements throughout the interaction. Roger appeared to fall asleep and lean multiple times then became hyperactive. Roger's eyes were bloodshot and glossy. Roger was very jittery throughout the stop.

Roger was placed under arrest for operating a motor vehicle without registration and operating a motorcycle without the required endorsement. After Roger was handcuffed, he began to walk towards my patrol vehicle. While walking Roger began to stumble forward on a flat surface. Roger continued to sway and stumble when walking. Based on the totality of the circumstances I elected to conduct a DUI investigation at the Indian River County Jail.

While enroute to the jail Roger continued to make abnormal movements in the back of my patrol vehicle. Roger would lay on the door, constantly move his hands around his back, and constantly move side to side. This is important as Roger later indicated he was tired.

Roger was transported to the Indian River County Jail where he was brought to the DUI room.

I read Roger his Constitutional Rights in the form of a Miranda Warning where he stated "I think I might need a lawyer."

NARRATIVE (Continuation)

Roger did consent to Standardized Field Sobriety Exercises. Roger informed me he was not a diabetic, had no problems walking or standing. When I asked Roger if there were anything wrong with his eyes, he advised me he had [REDACTED] Roger further informed me he had problems with [REDACTED] however, it did not stop him from walking or standing.

Horizontal Gaze Nystagmus

Roger was informed to place his feet together and keep his arms by his side. Roger was informed to follow the stimulus with his eyes and his eyes only. Roger indicated he understood the instructions. Rogers eyes were checked for equal pupil size and equal tracking. While checking his eyes I observed pinpoint pupils and the same bloodshot glossy eyes as I observed before. Based on my training and experience these are common with an individual under the influence of controlled substance. As I began to conduct the exercise Roger moved his head multiple times. I re instructed Roger to stop moving his head and to follow the stimulus with his eyes only. Roger indicated he understood. I attempted to conduct the exercise again, however, Roger moved his feet, arms, and head. Roger then informed me he was always inattentive in school and could not keep focus. Due to Roger's continued deviation of the instructions provided I elected to continue to the next exercise.

Walk and Turn

I had Roger moved to the end of the line. While demonstrating the exercise I provided Roger instructions. Roger was instructed to place his left foot on the line and place his right foot in front of it keeping it heel to toe. Roger placed his foot in the position instructed. I further instructed Roger to keep his hands by his side. Roger did this then began to walk prior to me instructing him to do so. Roger got to the fifth step before I stopped him. Roger was instructed again on how to complete the exercise. Roger got into the starting position then stepped off the line again. I asked Roger if he was willing to complete the exercise to which he responded, "yes." Roger then stated unprompted that he was not drunk and will submit to a breath test. I attempted to provide Roger the instructions again, yet he still did not follow the instructions provided. Due to this Corporal Chamberlain began to provide instructions. Roger then complied with the instructions. Roger stated he understood the instructions provided to him and was instructed to begin the exercise. Roger stepped off the line multiple times, began counting the first three

steps as "3", completed an improper turn, asked for instructions while walking, and used his arms for balance.

One Leg Stand

Roger was provided instructions on the One Leg stand. After providing the instructions I demonstrated the exercise. Roger stated he understood the instructions and was instructed to begin the exercise. Roger lifted his foot and immediately put it down, then proceeded to state he was tired and we were using that against him. As stated, earlier Roger was very hyperactive in the vehicle and on the initial traffic stop. Roger then attempted to lift his foot again, but immediately put it down. Roger did this a third time before 30 seconds elapsed.

Modified Romberg Exercise

I observed as Corporal Chamberlain instructed Roger on this exercise. Roger stated he understood the instructions provided to him. Roger was instructed to begin. Roger tilted his head back and remained silent. Roger tilted his head forward after 17.70 seconds elapsed. Roger stated he estimated 30 seconds elapsed by counting in his head.

Roger was turned back over to booking staff where he completed a breath test. I was informed the breath test indicated Roger had no alcohol content on his breath.

I met with Roger off camera and asked if he would submit to a Drug Recognition Expert evaluation which he denied. I then requested Roger submit to a urine test to which he also refused.

I then took Roger back to the DUI room. On camera once again asked if Roger would submit to a Drug Recognition Expert evaluation, which he denied. I asked again if he would submit to a urine test which he also denied.

Roger was read implied consent twice due to Roger not understanding implied consent the first time. After reading implied consent Roger was asked again if he would submit to a urine test, which he refused.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **09/06/2026**, at **19:24** (Specifically Include facts constituting cause for arrest.)

On Sunday, September 6, 2026, at approximately 1924 hours, I responded to 239 Stony Point Dr, Sebastian, FL 32958, regarding a hit-and-run.

Upon arrival, I made contact with the complainant, identified through her Florida Driver's License as Caitlyn Keeler. Caitlyn's vehicle, a red Dodge Challenger bearing Florida Tag KNT7, was parked outside the residence at 239 Stony Point Dr. Caitlyn advised that she heard a loud noise outside. When she came out to see what it was, she observed damage along the entire driver's side of the vehicle. I observed damage to the Challenger consistent with Caitlyn's statement.

Corporal Sanchez #406 met with neighbors at 237 Stony Point Dr and obtained video footage from an exterior Security camera of the incident (Refer to Cpl. Sanchez's supplement for further). I reviewed the footage and observed a grey pickup truck pulling a grey TNT Landscaping Services trailer. At approximately 1605 hours (Video shows 1505 due to the system clock not being updated), the pickup truck pulling a gray TNT Landscaping trailer is seen turning the corner and hitting the red Challenger, moving the vehicle from its parked location. A white male wearing a straw hat is seen exiting the truck and inspecting both vehicles before getting back into the truck and continuing out of the community gate, leaving the area. Due to the camera's angle and distance, we were unable to positively identify the driver from the footage.

I spoke with the registered owner of the Challenger, Peter, and he advised me that he wished to pursue charges for leaving the scene with property damage.

On Monday, September 7, 2026, at approximately 1811 hours, a subject identified by his Florida Identification card as William Palmer arrived at the Sebastian Police Department Lobby and advised that he was an employee of TNT landscaping and involved in a hit and run. Corporal Keskinen #410 met with William in the lobby for a statement. Cpl. Keskinen's statement is as follows: "Palmer stated the following in summary: Palmer stated he was made aware of an incident the day prior where a parked car got hit, possibly an accident, and stated he may have been involved. Palmer stated he was moving the work truck (Palmer stated it was the TNT (Landscaping company) truck) and it hit a parked car. Palmer stated he thought the fender was just falling off of the trailer due to past damaged and was unaware it struck a car. Palmer was insisting he was at the lobby trying to make things right. Palmer stated the incident occurred near the back gate of Sebastian River Landing."

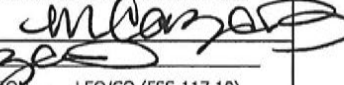

On Wednesday, September 9, 2026, at approximately 1822 hours, I contacted William on the phone number he provided to Corporal Keskinen. William stated he did not wish to speak with me regarding the incident unless he had a lawyer present.

At approximately 2302 hours, I responded to William's residence at 111 Elena Dr, Sebastian, FL 32958. In the driveway, I observed a grey ram 1500 bearing Florida license plate FDZK89. The vehicle matched the description of the truck involved in the hit and run. Officers met with William Palmer and identified him through his Florida Identification card. William advised me that he was just on his way to turn himself in at the Police Department. At this time, due to William's statements made when interviewed by Cpl. Keskinen and the vehicle being in William's Driveway I had probable cause to place William under arrest for leaving the scene with property damage. William was placed into mechanical restraints and placed into the back of my patrol vehicle. While enroute to the jail William advised me that he could not believe I arrested him for a traffic issue and stated that hit and run was a traffic issue not a misdemeanor.

I then searched William on DAVID and found that his license had been suspended since September 18, 2023. A search of William's Driver transaction showed that William applied for a Florida Identification card May 1, 2024 after his license had been suspended.

William admitted to operating the motor vehicle involved in the incident during the time and the area the incident took place. William advised that he did not know that he had hit a vehicle, however video footage shows the driver exit the vehicle to inspect damage. William left the scene of the accident after the incident occurred without notifying the owner or exchanging information. William was requested a Florida Identification card approximately 8 months after his Driver's License had been suspended.

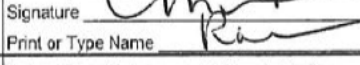

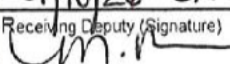

Due to these facts, statements, and circumstances I find probable cause for William to have committed the crimes of Leaving the Scene with property Damage (FSS 316.01(1)) and Drivng with license suspended with knowledge (322.34(2A)).

Arrest Affidavit Report

Case Report # 2026-00097076

NARRATIVE

On Wednesday, 09/09/2026, at approximately 2318, I was conducting marked uniformed patrol in the area of 2600 43rd street, Vero Beach, Florida 32967, when I observed a gold Toyota Minivan bearing Florida tag DQ77MM travelling east-bound on 43rd street with only one tail-light operational. While attempting to catch up to the minivan, the minivan slowed down and did not come to a complete stop at a stop sign located at 2500 43rd street. I conducted a traffic stop on the minivan based on a violation of Florida State Statutes 316.221(1) – Tail lights none/improper and 316.123(2)(A) ran stop sign.

While attempting to conduct a traffic stop on the minivan, it immediately sped up and the passenger door swung open, with the passenger, identified as Diamond Alexis Cason, attempting to jump out of the minivan while it was still moving. I gave verbal commands to Cason to stay inside of the vehicle. Cason then made a movement with her left-hand indicative of throwing an object on the ground. When approaching Cason I observed a broken glass pipe, which based on my training and experience, I immediately recognized as a crack-pipe, at the base of the passenger side door just below Cason's feet. Cason denied ownership of the glass pipe, however stated that the driver, Julian Irene Best, was attempting to buy crack-cocaine prior to getting into the vehicle with her.

I advised Cason of her Miranda rights, which she voluntarily waived and agreed to speak with me. Cason stated she attempted to exit the vehicle when she saw law enforcement behind the vehicle because she did not want anything to do with the traffic stop. Cason advised the glass pipe was in the vehicle and did not know where it came from. Cason then stated the purse inside the vehicle on the passenger side did not belong to her and continued to try to dissociate herself from the vehicle.

I spoke with Best who stated Cason was extremely nervous when law enforcement got behind her vehicle. Cason attempted to jump out of the vehicle at 2500 43rd street to avoid law enforcement, however Cason was unsuccessful because Best sped up when she saw Cason behaving weirdly. Best stated the purse on the passenger side did not belong to her and it was property of Cason. Best stated she does not take any illicit substances because she gets drug tested 3 times a week from the Department of Children and Family services. Best was extremely concerned when Cason jumped out of the vehicle once she pulled over for law enforcement and noted that this was not normal behavior for Cason. Cason stated to Best that she had something on her that she did not want to get caught with, which is why she wanted to immediately exit the vehicle when law enforcement started to follow the vehicle.

Corporal Thomas and Deputy Acosta utilized cobalt (a chemical designed to turn blue on contact with crack-cocaine) to field test the glass pipe, which upon contact with the cobalt, it immediately turned blue, indicating a presumptive field test positive for the presence of crack-cocaine.

NARRATIVE (Continuation)

The lights and sirens on my marked uniformed patrol vehicle where activated, Best had stopped her vehicle on the side of the road and I had given verbal commands to Cason at the time she was seen making movements of throwing something. Cason was detained for an investigation into traffic offenses at the time when she concealed and attempted to destroy the glass pipe with crack-cocaine residue.

Based on the totality of the circumstances, Diamond Alexis Cason was placed under arrest for the following offenses:

Case Report # 2026-00097083

NARRATIVE

On Wednesday, September 2026 at approximately 2334hrs, I Deputy Finkle took Lane Ward (FL-W208743835000) into custody on an outstanding warrant.

I conducted a traffic stop on a vehicle at the above date and time in the area of the 500blk of Old Dixie Hwy. During my encounter, I collected Mr. Lanes personal information as he was a passenger, not wearing a seat belt. Upon running his information on channel 2, I was informed he had an active warrant for failure to appear (warrant number BW202611403) which I confirmed as well. I instructed him out of the vehicle and placed him into custody. I then transported him to the Indian River Sheriff's Office where he was turned over to Jail staff without incident.
