On November 19, 2025, at approximately 1430 hours, I had the victim, Kerrisa Vellequette come in for an interview reference a violation of pre-trial release. This case is linked to a Domestic Violence battery by strangulation case under case #25-120461/court # 2025 CF 001289 A.

Craig Taylor was arrested for this charge on November 10, 2025 and attended first appearance on November 11, 2025 where he was provided the following stipulations:

- "The Defendant will refrain from any contact of any type, direct or indirect with the victim. Not be within 500 Feet of the victim's or other named person's residence, even if the defendant and the victim share the residence. Not be within 500 feet of the victim's or other named person's vehicle, place of employment, or a specified place frequented regularly by such person. This section includes any other conditions per F.S. 903.047 Kerrisa Vellequette".
- "The Defendant may contact the arresting agency and make arrangements to return to the property one time, only with law enforcement, to retrieve personal belongings."

These were fully explained to the defendant and signed by the judge.

Kerrisa came in and provided a statement with the following information:

Kerrisa stated Craig has actively been [REDACTED]

[REDACTED] Kerrisa stated the night of the battery by strangulation [REDACTED] due to being scared, [REDACTED] one of her friends told her Craig was at the residence.

Kerrisa said she thought he was not allowed to be there and was confused as to why he returned. Kerrisa has been trying to contact me since November 14, 2025, in reference to this, due to other cases I was unable to meet with her until November 19, 2025. Kerrisa stated she believes Craig knew he was not supposed to be there because he only shows up to the residence after 2000 hours. The office staff at the apartments are aware he is not supposed to be there as well. Kerrisa also works at the same place as Craig and knows his work schedule stating he works from 0400 hours until 1600 hours.

Due to them working at the same place of employment, Piper Aircraft and within the pre-trial release it stating, Craig is not to be within 500 feet of the named persons (Kerrisa) place of employment this is also a violation. Kerrisa has also stated due to being in fear for her safety she has not gone back to work ever since he was released

I called over to Piper (772-567-4361) and spoke to Kevin Casper who works in management. Mr. Casper stated Craig has been attending work every scheduled day, 11/12, 11/13, 11/14, 11/17, 11/18, and 11/19. Craig was provided the first appearance pretrial release stipulations on 11/11/2025, and went back to work at the same place Kerrisa works the following day, without letting management know or working this out with the anyone when provided the stipulations for pre-trial.

It should be noted, Kerrisa reported feeling fearful to attend work due to Craig's presence there. She also stated she was

NARRATIVE (Continuation)

too fearful to return to her permanent residence for the same reason. Kerrisa advised she would do "anything" to get away from Craig and clearly conveyed the seriousness of her fear.

I made contact with Deputy Binner around 1600 hours and made him aware of what was going on, asking if he could check the residence around 2130 hours. Deputy Binner called me around that time stating he was out with the suspect at the [REDACTED] Deputy Binner stated when he arrived, he knocked on the door to the residence and Craig Taylor came to the door. Deputy Binner was asking some more questions as to Kerrisa's residency. I got Kerrisa on the phone who stated she wants to be living their full time and would have returned during the day but she was scared Craig would return and didn't know how to handle it safely. She spent one night at her fathers with full intentions of returning to the residence the following day, but once she was notified Craig was there, she was terrified. Kerrisa clarified stating she does not have anywhere else to stay, this is her permanent residence, stating it was never agreed upon for him to stay there.

Due to the totality of circumstances - including the bond conditions clearly stating Craig Taylor is not to be within 500 feet of the victim's residence, nor within 500 feet of the victim's place of employment - and it being explained Craig Taylor is only allowed a one-time pickup to retrieve personal belongings, Craig not calling law enforcement to be there and him being inside the residence upon Deputy Binner's arrival. This coupled with the fact that Craig Taylor continued to appear at the victim's workplace and permanent residence without obtaining any modification from the court, it was determined that Craig Taylor was in violation of his pretrial release conditions.

Deputy Binner took Craig Taylor into custody for violation of F.S.S. 741.29.6 pretrial release condition violation for domestic violence (no bond), and transported to the county jail without incident.

Case Report # 2025-00124994

NARRATIVE

On Wednesday, November 19, 2025 at approximately 2355 hours, Cpl. Kramer, ID# 6247, and I responded to [REDACTED] in reference to a disturbance.

Upon arrival, a man later identified as Henry Anlius was standing outside the residence. When I asked Mr. Anilius about what happened tonight, he stated that a woman ran out of his house crying. While attempting to confirm Mr. Anilius' name and date of birth, Deputy A. Consalo, ID# 5940, advised he found the victim, later identified as Laure Marie Saint-Jean, approximately 200 feet down the street, east of the residence, in the road. Deputy Consalo advised to detain Mr. Anlius after finding injuries on Ms. Saint-Jean. The injuries were initially described as a laceration on the arm and a bruise on the collar bone area.

I then contacted Indian River County Sheriff's Office dispatch to connect to a Haitian Creole translator. I utilized the translator to read Mr. Anilius his Miranda Rights. During a post-Miranda interview, Mr. Anilius advised he did nothing to Ms. Saint-Jean, denying all allegations of cutting Ms. Saint-Jean with a knife or causing bruises to her collar bone area. Mr. Anilius stated he told Ms. Saint-Jean she needed to leave and that he was going to call law enforcement. He stated Ms. Saint-Jean then left the apartment on foot with her child.

Mr. Anilius initially stated he knew nothing about a knife or how Ms. Saint-Jean was injured; however, as we continued to speak with Mr. Anilius, he eventually stated Ms. Saint-Jean had a knife but he did not know what she did with it. He also stated when she left the residence, she did not have any injuries and any injuries she had now, were self-inflicted.

Deputy Consalo was in contact with Ms. Saint-Jean, on the north side of [REDACTED]. Deputy Consalo stated the female had torn clothing, marks and scratches, as well as a laceration on her left arm. The female advised she [REDACTED] from Mr. Anilius and he attacked her and cut her with a knife. She then fled the apartment on foot with her 5-year-old daughter. Ms. Saint-Jean stated Mr. Anilius came into the bedroom forcefully because he was upset that she was in the home. During that time, he grabbed a knife with a black handle and a long blade (approximately 8" in length) and cut her with it. She then ran out of the home with her child and [REDACTED]. Ms. Saint-Jean was subsequently transported to Cleveland Clinic Indian River Hospital for medical treatment. Photographs of Ms. Saint-Jean's wounds revealed Ms. Saint-Jean had a laceration on her left forearm that was actively bleeding. She also had what appeared to be fingermarks along her collarbone.

A search warrant was obtained for the residence, located at [REDACTED] by Detective Crawford, ID# 6010. After Detective Crawford explained the search warrant, Mr. Anilius stated he did have a knife and it was in his office. Subsequently, during a search of the home, a knife with a black handle and a long blade was discovered in a dresser drawer in Mr. Anilius' room. There were no other knives located in the rest of the home.

Based on the statements provided and evidence collected, Mr. Anilius was placed under arrest pursuant to F.S.S. 784.045.1a2[4134] Aggravated battery / Person Uses A Deadly Weapon. He was placed into handcuffs that were checked for proper fit and double-locked. Mr. Anilius was transported to the Indian River County Jail, without incident.

NARRATIVE

On Thursday, November 20, 2025, I was working at 5555 20th Street (Walmart). While observing the self-checkout we noticed a male skipping item's that were in his cart, and hiding them.

Luis Cofles-Duque later identified While sitting in LP office, the store manager OBY helped translate due to a langue barrier. OBY read him his Miranda rights, and stated that he understood his rights and wished to speak with me. He stated that "he wanted to be honest and he fucked up".

API Nathan stated the following:

"11/20/25I, API Nathan Toliver, observed the subject now known to me as luis cofles-duque at the self-checkout register with a large cart of merchandise. During his transaction he began ringing up and bagging cheaper merchandise and placing it on top of more expensive items that he never removed from the cart or made any attempt to scan.

Additionally, he skip-scanned several candy items by scanning one and moving several into the bagging area.

Once the transaction was finished, he exited the store through the grocery doors where I approached him and identified myself as Walmart loss prevention. I requested he return inside to the loss prevention office to recover the stolen merchandise and he did without incident. The value of the stolen merchandise \$162.88.

Walmart wishes to trespass and prosecute the subject for this offense. End Statement."

There were 20 miscellaneous items not scanned, and totaling \$162.88.

While running Mr. Cofles-Duque with dispatch I was informed that he has an outstanding warrant with St. Lucie County.

Mr. Cofles-Duque was then placed into custody and transported to the Indian River County Jail without further incident.

This is cleared by arrest.

Arrest Affidavit Report**Case Report # 2025-00125268****NARRATIVE**

On Saturday, November 20th, 2025, I, Deputy C. Greeley, responded [REDACTED] in reference to disturbance.

Upon arrival, I spoke with the witness Dakota Durgin. He explained his roommate, Shahin Ahmed was struck by his girlfriend, Ashley Bowman. He explained moments prior, Ashley and Shahin were in a verbal argument. While they were seated inside the residence, seat on a couch. Ashley took one of Dakota's crutches and struck Shahin on the lower leg multiple times.

I then spoke with Shahin. He explained Ashley does not reside there, however, they have been in a romantic relationship. Ashley has been trespassed, but he has since been inviting her back. Today, Ashley began to argue with him regarding her leaving the residence. Ashley would not comply, threw food, and the struck him in the lower leg.

I then spoke with Ashley. When I made contact with Ashley she was seated within the residence on the couch. She stated there was an argument and she admitted she threw a hamburger. Then while Shahin was seated across from her, she took Dakota's crutch and jabbed Shahin in the leg. She explained she was trying to get his attention because of the argument.

Shahin had a small irritation mark to his lower leg cooperating his statement.

Based on my investigation, Ashley was subsequently arrested for F.S.S. 784.03 Battery.

NARRATIVE**INDIAN RIVER COUNTY SHERIFF'S OFFICE****Traffic Arrest****2025-125296****D/S L. Nieves #5717**

On November 20, 2025 at approximately 1737 hours, I was traveling southbound in the 6300 block of 66th Avenue, when I observed a white Ford pick up truck, traveling northbound in the inside lane. The vehicle's driver window was down and, I observed a male driver wearing a green shirt and the vehicle's interior to be gray. I observed the driver's seatbelt upright behind him and, not across his chest.

I made a u-turn activated my emergency lights and sirens and conducted a traffic stop on the vehicle. I made contact with the driver and asked him to provide me with hid driver license, vehicle registration and proof of insurance. The driver informed me that he did not have a driver's license and provided me with his Mexico consular identification card and was identified as Jose Alfredo Rocha Vargas. Vargas advised that he's been living in Florida for approximately 33 years and did not have a Florida drivers license. He then advised that he had one but, it had expired years ago and he has been unable to renew it due to his immigration statues.

A record check on D.A.V.I.D. showed that Vargas Florida driver license had been expired since 08/23/2027.

Vargas was transported to Indian River County Jail for booking.

Arrest Affidavit Report

Case Report # 2025-00125297

NARRATIVE

On November 20, 2025, at 1659 hours, Detective Daugherty was traveling westbound on State Road 60 (20th Street) in an agency issued unmarked vehicle. The vehicle traveling directly in front of Detective Daugherty was a black Honda Civic bearing Florida license plate 63DVMQ.

A query of the license plate was run through FCIC/NCIC, which showed a registered owner of Enrique Jardon Dorantes, born July 15, 1987. There was no Florida drivers's license for Dorantes. Detective Daugherty also ran the license plate through the Florida DHSMV website, which showed the same registered owner. There was no picture, driver's license or social security number listed for Dorantes.

A traffic stop was conducted on the vehicle. Upon making contact, Dorantes was identified as the driver of the vehicle via two Mexican identifications. A passenger was in the vehicle, who provided a Guatemalan identification. He was identified as Mariano Pop Sis, born February 9, 2001. Neither occupant could provide any form of legal documentation from the United States.

Due to a language barrier, Sergeant Avila and Corporal Ballester arrived on scene to assist with translation. During their conversation, neither Dorantes nor Pop Sis could provide any legal documentation to Corporal Ballester.

Based on Dorantes never having been issued an identification or driver's license, he was placed under arrest.

Pop Sis was also detained by Corporal Ballester, who transported both parties to the jail.

Dorantes was issued a citation for driving without a valid driver's license under citation number AIHAYZE.

Arrest Affidavit Report

Case Report # 2025-00125308

NARRATIVE

On November 20th, 2025, at approximately 1716 hours, IRCSO dispatch received two calls regarding a disturbance at [REDACTED]. The calling parties were identified as Travis Evans and Cecilia Critton. I am familiar with both of these parties. They are in a substantial dating relationship which is sexually intimate, and Cecilia is currently pregnant with Travis's child. I know this due to a prior call for service on November 7th, 2025, where Cecilia and Travis informed me of the pregnancy together. I also know them to reside together at [REDACTED].

Other units arrived on scene prior to me. I arrived at around 1746 hours. I spoke with Travis. He explained he called the Sheriff's Office due to a verbal disturbance. He explained an argument started over his clothes which were inside the residence, and his wish to leave the house with the clothes. He stated he called law enforcement first to protect himself against false claims. He explained he observed Cecilia outside the residence scratching her neck area with something, which he believed to be a fork. He could not provide a quality description of this, nor a location of this item to investigating deputies.

I spoke with Cecilia. She explained an argument started [REDACTED] due to Travis's cell phone volume being on low. She explained the argument continued because Travis wanted to leave with his clothes. She explained he bought Travis these items, thus she stated to him this was a civil issue and he was not allowed to take the clothes. It should be noted, Travis clothes has been an on-going issue which Cecilia consistently asks deputies about during interactions.

She explained Travis pushed her down to the bed within the master bedroom. She explained she fell in the middle of the bed, horizontally across the mattress. She stated he got on top of her, where he took both hands and proceeded to press on her neck. She stated she was choked by him. She stated this lasted for approximately 5-10 seconds, where Travis would readjust his hands. I observed scratches and redness around her neck consistent with her description of the incident. The redness appeared to be small fresh scratches in the area of the base of her neck and clavicle. These were photographed by D/S Greeley and uploaded to Axon. She explained while she was being "choked" she needed to gasp for air. Therefore, Cecilia advised her normal airway was impeded during the incident.

Cecilia explained she is approximately 5-6 months pregnant. She stated Travis is aware of this, which I know from prior interactions that he is aware of this.

Travis was ultimately placed into handcuffed (double locked/checked for fit) and transported to IRCSO Jail. During the transport, Travis explained he called law enforcement first for his protection. He also stated Cecilia was going to drop the charges. Travis provided deputies with a written statement, which stated he the aforementioned information, regarding wanting to leave the residence after a verbal

Arrest Affidavit Report

Case Report # 2025-00125429

NARRATIVE

On Thursday, November 20, 2025, at approximately 2130 hours, I was serving Jillian Russell with active Martin County warrant 243277CT, reference violation of probation.

While Russell was being booked in the jail, Deputy Cazares #5932 located (1) blue in color pill, stamped [REDACTED] inside Russell's bra. An orange syringe cap also fell out of her bra. Per Drugs.com the pill was identified as [REDACTED]

Russell was informed prior to entering the jail, if she had any contraband on her person, she would face a criminal charge. Russell stated she did not have any contraband in her possession. The narcotic was not in a prescription container.

The pill was collected and submitted into crime scene.

Russell was charged with possession of a controlled substance without a prescription and introduction of contraband into a detention facility.

A hold order was placed due to the active warrant.

This case is cleared by arrest.

Arrest Affidavit ReportCase Report # **2025-00125459****NARRATIVE**

On November 20, 2025, at approximately 2201 hours, while in the area of 2600 45th Street, I observed a white 2007 Chrysler van bearing a Florida license plate of Y945RL driving west bound on 45th Street. While behind the vehicle, I observed two out of the three brake lights were not functioning.

Based on the traffic violation above, I conducted a traffic stop on the vehicle. Contact was made with the driver, later identified as John Roberts. John was informed of the stop and he understood. Det. L. Bennett was also on scene and stood by the passenger door.

During the stop, Det. L. Bennett informed me it appeared John had something in his right hand. I looked at John's right hand, which was balled in a tight fist, and I observed what looked like a plastic bag in his hand. I asked John what was in his hand and he never answered the question. John kept moving his hand that he would not open so I told him to get out of the vehicle. John stayed in the vehicle so I grabbed his arm and he complied and exited the vehicle.

As John exited the vehicle, I tried to grab his right arm and he was actively resisting me from grabbing his arm. John was told to put his hands behind his back, but he refused. At this time, I had a grip of one of John's arms and Det. L. Bennett had a grip of his other arm. Both Det. L. Bennett and I tried to put John's arms behind his back, but he kept tensing and trying to pull away. John was told to stop resisting and he kept saying he was not. It should be noted that John also used his arms to push off of the vehicle that he was operating, actively resisting, while Det. L. Bennett and I were actively attempting to detain him. I eventually conducted a single leg take down on John and he was escorted to the ground. John continued resisting on the ground and Det L. Bennett and I were able to finally get control of John's arms and he was arrested. During this time, I was driving an agency-issued marked patrol vehicle with my red and blue emergency lights activated. I was also wearing an agency-issued vest with a 5-pointed gold star that says "Indian River County Sheriff's Office." Underneath the star it says "Deputy" and "SHERIFF" written on the back of my vest.

Once John was arrested, I was able to take the items out of his hand that he would not let go. Inside his hand were three separate baggies. In two bags, there were white rock-like substances consistent with crack-cocaine and inside the third bag there was a green-leaf like substance that was consistent with marijuana. Field tests of the rock-like substances were conducted, which yielded positive results for the presence of cocaine. One bag contained 2.3 grams gross weight of crack-cocaine, the other contained 1.8 grams gross weight of crack-cocaine, and the third contained 3.3 grams gross weight of marijuana.

Contact was made with John and he was verbally advised his Miranda Rights, which he understood and waived them. Post Miranda, John advised the following verbally:

John said the items inside the bags in his hand were crack-cocaine and marijuana. John advised he smokes marijuana and laces it with the crack-cocaine. John said he was resisting because he was nervous and thought he

could get away.

Based on the information above. I found probable cause John was in violation of two separate counts of F.S.S 893.13.6A; possession of cocaine and one count of F.S.S 843.02 resisting a law enforcement officer without violence. John was issued a written warning for the traffic violation mentioned before. John was arrested and was later transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2025-00125467

NARRATIVE

On Thursday, November 20th, 2025, at approximately 2230 hours, Sergeant Avila and I were patrolling the 1200 block of US Highway 1, Vero Beach, Florida, when I observed a white Mazda bearing Florida tag 33EIVP traveling southbound with no headlights or break lights activated.

I attempted to conduct a traffic stop by activating my red and blue emergency lights as we turned east on 12th Street and US Highway 1. The vehicle failed to stop immediately and continued eastbound, passing multiple safe and well-lit areas to stop, including the Wawa entrance at 12th Street and 7th Court and a roadway entrance on 7th Avenue and 12th Street.

The vehicle eventually came to a stop at the red light at 6th Avenue and 12th Street. The driver initially appeared as if he was going to turn northbound on 6th Avenue but changed direction and turned southbound, ultimately coming to a complete stop just south of the intersection.

I conducted a driver-side approach and made contact with the driver and registered owner, Jadan Carlos Lugo. As I stood at the driver-side window, I immediately detected a strong, fresh odor of unburnt marijuana emitting from the interior of the vehicle. The odor was concentrated at the driver's window, consistent with recently handled or freshly cannabis. The odor was distinct and readily identifiable to me based on my training and experience in narcotics investigations, including prior encounters with both fresh and burnt cannabis odor during traffic stops.

While speaking with Lugo, I observed on the driver's floorboard a large crystal smoking device commonly used to smoke marijuana. I also observed loose green leafy residue consistent with marijuana scattered on the center console and passenger-side compartment. I asked Lugo if he possessed a medical marijuana card. He stated he did not.

I instructed Lugo to exit the vehicle. Lugo refused and instead began shifting his hands toward the center console, manipulating his cell phone, and repeatedly looking down toward the console area. I gave multiple clear and loud verbal commands to leave his phone in the center console and exit the vehicle. Lugo continued to ignore the commands and directed his attention down toward the console.

Based on my training and experience, Lugo's actions were indicative of someone searching for or attempting to access a weapon, especially given his refusal to comply and repeated movements toward an area not in plain view. Due to these officer-safety concerns and Lugo's continued resisting behavior, I took hold of his arm, removed him from the vehicle, and secured him against the driver-side door where he was placed in handcuffs.

Once detained, Lugo was escorted to the front of my patrol vehicle where I conducted a probable-cause search of the vehicle based on the odor of fresh marijuana, visible marijuana residue, and observed drug paraphernalia. Inside the center console, I located a small clear plastic bag containing fresh marijuana, which I estimated to weigh less than 20 grams based on my training and experience. On the passenger-side floorboard, I located a metal rolling tray containing marijuana residue and a crystal pipe containing water and both green and black burnt residue, consistent with very recent marijuana use.

NARRATIVE (Continuation)

As I was conducting the search of the vehicle, I heard Lugo speaking with Sergeant Avila. Moments later, I observed Sergeant Avila escorting Lugo to the back of my patrol car, during which, I observed Lugo tensing his arms and pulling away as he was being escorted. I assisted Sergeant Avila in securing Lugo in the rear seat. Please review Sergeant Avila's supplement to this case for further information.

I conducted a check through the Indian River County Public Safety Dispatch which confirmed Lugo did not possess a medical marijuana card.

Based on the totality of the circumstances, I transported Lugo to the Indian River County Jail for the following charges:

1. Possession of Drug Paraphernalia, consistent with F.S.S. 893.147.1b.
2. Resisting without violence, consistent with F.S.S. 843.02.

Arrest Affidavit Report

Case Report # 2025-00125486

NARRATIVE

On 11/20/25 at approximately 2345 hours, Deps. Castano, Orehostky, Ferrer, and I responded to the Ocean Breeze Inn (3384 Ocean Dr) in reference to a warrant search. Christopher Stokes had an active warrant for his arrest for violation of pre-trial release related to an active flee and elude case. He was on GPS monitoring through pre-trial services and was pinging at the location.

I confirmed that Stokes was staying in room 235 and we made multiple announcements at the front door of the hotel room without response. Dep. Orehostky used a keycard to open the door at which point Stokes and a female, later identified as Brittney Forbes Cartwright, were standing behind the door. Stokes removed the security latch from the hotel room door and opened the door. Stokes exited and Dep. Castano and Orehostky were in the process of securing him in handcuffs and affect a lawful arrest. The female was still standing in the doorway within arms reach of Dep. Orehostky at which time I told her three times to either go back into the room or close the door. She responded "no, I'm going to watch." Dep. Orehostky had to turn his back to the female to affect the arrest and control Stokes, whos left hand was concealed behind the hotel room door. I stepped into the threshold and told her to get back and attempted to close the door and she braced the door to keep it open. I pushed her back away from the door and closed it.

Deputies secured Stokes, conducted a search of his person, and he was walked downstairs to the parking lot to wait for a transport unit.

Forbes Cartwright then walked down to the parking lot from the hotel room and I placed her under arrest for resisting arrest without violence.

Both subjects were transported to the county jail by Dep. Brasheers.
