Arrest Affidavit Report

Case Report # 2026-00091746

NARRATIVE

On Wednesday, August 26, 2026 at approximately 2117 I was flagged down by McDonalds (5875 20th Street, Vero Beach, Florida 32966) in reference to a theft which occurred at or around 2042 hours.

I walked back to the manager's desk where I spoke with Ms. Christina Valesquez, an employee of the establishment. She advised me of the following during a recorded statement:

She noticed a homeless male come in, collect a pre-paid order, and leave without having authorization. She affirmed that the business wished to prosecute should the male be located. She provided me with a print out of a receipt for the order:

1. 6 Double Cheeseburgers \$16.74
2. Deluxe McCrispy Meal \$7.99
3. 1 M MngPine Rfrsh \$2.20
4. 1 M French fries \$3.19

For a total amount of \$30.12 pre-tax, \$32.23 after tax.

Ms. Valesquez showed me CCTV footage which clearly depicted a black male with shoulder length hair, wearing a blue shirt and dark jeans, come toward the counter, collect the items, and quickly leave the store. Given that this male was readily identifiable by his physical features (approximately 5'10" and 180 Pounds) coupled with his hair, I set about to locate the male. I originally did not intend to arrest the male upon locating him, but to positively identify him to write a warrant for his arrest; as the business' general manager would not be able to provide me with the video footage until a later date.

I then went to each nearby homeless encampment under 2026-00091751 to identify this male. Upon leaving the last camp, I went to a nearby 7/11 at 176 43rd Avenue, Vero Beach. I spoke with the clerk inside who stated a male matching that description frequented the Laundromat directly north (Flamingo Laundromat, 4226 20th Street.)

Immediately upon approaching the south side, I observed a black male with shoulder length hair sitting next to what I recognized to be that same blue shirt; apparently asleep. I approached the male where I could see some kind of a bulge in the blue shirt. I woke the male up where I began to speak with him.

I questioned if he knew why I would be speaking with him, to which he stated no. I then informed him that McDonald's had called regarding a theft, to which he began to apologize and began a rouse regarding another black male that looked like him which he was with, who stole from McDonald's. I informed the male, now identified by Florida Identification Card as Mr. Terry Sherma Fields, that he was not under arrest. I positioned

myself away from his property and in a manner which left him free to leave and terminate the encounter at any point. Further, I positioned myself with my back toward a wall, which opened the entirety of the parking lot to Mr. Fields.

I requested consent to search Mr. Field's which he initially granted, but then quickly rescinded after patting his pocket. Mr. Field's then immediately confessed to stealing the food from McDonald's, stating he would go talk to them. I then informed Mr. Field's of his constitutionally protected rights in the form of a Miranda Warning.

I then requested Mr. Fields inform me of the nights events from start to finish after he acknowledged his rights. Mr. Fields again confessed to stealing the items from McDonald's, stating he was hungry and that he had given some of the food away to other individuals to "bless them".

I then challenged Mr. Fields, questioning why he didn't want to be searched, I directly asked Mr. Fields if he had a "pipe" – a common street term referring to a glass device commonly used to consume illegal drugs such as methamphetamine or crack-cocaine. Mr. Field's then informed me he had a meth pipe. I then asked where it was, asking if it was in his pocket, to which he stated yes.

I detained Mr. Fields in handcuffs and conducted a search of his person where I recovered the pipe. Inside this pipe was a still wet, brown and black substance, consistent with illegal drugs which had been smoked from the pipe. Mr. Fields then informed me he had "just found it" around the corner, however, he admitted he knew the pipe was used to smoke methamphetamine and that the item was considered paraphernalia. This pipe tested field presumptive positive for the presence of methamphetamine.

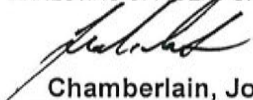

I then conducted a search of the property near him, which I had seen him reach in to. As I lifted the blue shirt, several McDonald's fries fell to the seat next to him; followed by a McCrispy Deluxe. I then asked Mr. Fields what items he took from McDonalds, which he recounted in detail, describing the items on the receipt, which I compared.

A search of Mr. Fields backpack revealed a tube, containing a red and white liquid substance with a white granular substance sunken to the bottom, consistent with dissolved methamphetamine, amphetamines, pills, or other controlled substances. I conducted a total of two field tests for methamphetamine, which did not test positive. I then conducted a multi-drug test, which yielded a field presumptive positive test for the presence of Amphetamines. This test was repeated, which also tested field presumptive positive for Amphetamines. An additional test for Fentanyl was conducted which appeared to also result positive. This vial was collected, along with the pipe, and submitted to evidence.

Mr. Fields then began reciting fantastical stories which, summarized, include: The Sheriff's Office had specifically

sent him to a house to collect evidence of methamphetamine manufacturing, which is where he got the vial of liquid amphetamines. Then, he began informing me he was helping McDonalds investigate theft as several orders had gone missing, and that he was helping with all manner of investigations.

Mr. Fields was placed under arrest and transported to the Indian River County Sheriff's Office Jail Complex on charges of Possession of a Controlled Substances without a prescription, possession of drug paraphernalia, and theft. Once at the jail, Mr. Fields affirmed he had no active prescriptions for any medications.

Upon my arrival and completion of my arrest narrative, an oncoming nightshift manager contradicted the manager that I spoke to, as the night manager stated she did not wish to prosecute. The individual I spoke to stated that McDonald's did wish to prosecute. I will follow up with their general manager at a later time to confirm their appearance in court for victim testimony. It should be noted that the order was paid for by a customer, meaning that McDonald's was the lawful custodian, but the owner had not yet arrived to take possession of their property. In effecting this theft, Mr. Fields deprived the rightful owner of the benefit thereto; and McDonalds would not have had the legal authority to allow Mr. Fields to take possession of the items.

My body worn camera was ACTIVE.

Arrest Affidavit Report

Case Report # 2026-00091802

NARRATIVE

On Thursday, August 27th 2026 at approximately 0209hrs, I Deputy Finkle conducted a traffic stop on a vehicle in the area of the 1100blk of 7th Ct in Vero Beach FL.

While driving through the WAWA parking lot located at 1180 U.S 1, I in-car license plate reader alerted to a license plate (QSJ-T27) for a revoked registered owner and seize tag order. I conducted a DAVID query on the registration which returned to a black in color Honda pick-up which the registration was affixed too.

The registered owner, Charles Blaha (B400063820160) was showed an active suspension with two prior driving on a suspended license charge. I parked across the street from WAWA and as I was affirming the above information, I observed the black in color Honda pickup begin to exit the WAWA parking lot onto U.S 1 northbound with the high beams activated. The vehicle the approached the red light at U.S 1 and 12th St and crossed over the stop bar and into the pedestrian crosswalk as it stopped to turn east on 12th St.

I initiated a traffic stop on the vehicle utilizing my emergency equipment. Upon approaching the driver window, I confirmed the driver as Mr. Blaha by his DAVID photo. I informed him the reason for the stop and asked for his driver's license. Mr. Blaha advised he did not have it on him at which time I inquired if he was suspended to which he stated maybe.

He then affirmed he knew he was suspended and had prior citations for the same. I could the odor of marijuana emitting from the vehicle and asked Mr. Blaha if he had a medical marijuana license to which he stated he did not. He then advised he had a personal amount inside the vehicle. I requested he exit the vehicle and upon doing so, Mr. Blaha admitted to smoking marijuana approximately two hours prior, at which time I conducted standardized field sobriety exercises that were performed satisfactory.

I then confirmed Mr. Blaha's driver's status by providing his name and date of birth to Public Safety Dispatch. Upon confirmation, I took him into custody for F.S.S 322.34 (2)(B) knowingly drive while license is suspended, 2nd or subsequent.

Once secured in my patrol vehicle, I conducted a probable cause search of the vehicle and located a glass smoking device with burnt marijuana residue, along with a clear glass jar with marijuana. I seized the marijuana for destruction and seized the vehicle's tag due to the seize tag order.

Arrest Affidavit Report

Case Report # 2026-00091811

NARRATIVE

On Thursday, 08/27/2026, at approximately 0329, I was conducting marked uniformed patrol in the area of Cumberland Farms (4490 US Highway One, Vero Beach, Florida 32967) when I observed a white male wearing a bright orange shirt and khaki pants on the north side of the building. The male, upon sight of law enforcement, started walking eastbound along the building out of my sight. I went inside and asked the store clerk if they knew about the male, to which I was told by the store clerk he told the male to stop sleeping on the property and to leave before the manager arrives.

I walked back outside and to the north-side of the building, where I saw the male walking eastbound off the property. Based on previous law enforcement contact (IRCSO Case#2026-88217) I immediately recognized the male as Thomas Blake Young and based on previous law enforcement interaction I was aware of a trespass after warning being issued to Young from the Indian River County Sheriff's Office, building probable cause for a potential violation of Florida State Statute 810.08(2)(a) – Trespass structure or conveyance.

I detained Young based on my probable cause and queried his information through the Indian River County Sheriff's Office Public Safety Dispatch. Dispatch confirmed that Young did have an active trespass warning from Cumberland Farms (IRCSO Case#2025-76413). While speaking with Young he stated that he was aware he was trespassed from the business but still goes to Cumberland Farms to conduct business. I asked Young if he purchased anything from Cumberland Farms tonight, to which he stated he did not, but was given permission to be at the store by the store clerk. I went back inside the store and asked the only employee working at the time of this incident if he allowed Young on the property, to which the employee stated he did not allow Young on the property and Young that he needed to leave the business before his manager arrived.

Based on the totality of the circumstances, I placed Thomas Blake Young under arrest for the following offenses:

- F.S.S. 810.08(2)(a) – Trespass structure or conveyance.

Young was transported to the Indian River County Jail without further incident.

Arrest Affidavit Report

Case Report # 2026-00091803

NARRATIVE

On August 27th, 2026, at approximately 0209 hours, Deputy S. Lopez and I responded to the 7-Eleven located in the 7400 block of State Road 60, Vero Beach, Florida, regarding a disturbance in progress.

Upon arrival, I made contact with Satiqua Bell, who stated that she had been involved in a verbal argument that escalated into a physical altercation with [REDACTED] Victoria Williams.

[REDACTED] stated that she moved to Vero Beach approximately one month ago. Before moving, [REDACTED] moved to Vero approximately a month ago. During my interview with [REDACTED] I observed that her T-shirt was ripped, which appeared consistent with her involvement in a physical altercation.

[REDACTED] stated that the argument began after she grabbed Williams' cellular phone while they were seated inside their vehicle. [REDACTED] further stated that Williams struck her first.

We then made contact with Williams, who confirmed that she and [REDACTED] had been involved in an altercation. Williams stated that she "overdid it" because they had just arrived from Miami and [REDACTED] had not fed her.

I contacted the caller, Payton Mykiti (7-Eleven Clerk), who provided us with a copy of the surveillance footage. Upon reviewing the footage, I observed Williams and [REDACTED] exit their vehicle. Williams then approached [REDACTED] grabbed her by the shirt, and forcefully pulled her around and against the vehicle. Williams struck [REDACTED] during the encounter, at which point [REDACTED] began defending herself.

The altercation continued onto the ground, where Williams positioned herself on top of [REDACTED] and prevented [REDACTED] from getting away. [REDACTED] was observed attempting to disengage and walk away from Williams several times. However, Williams repeatedly followed [REDACTED] and positioned herself in [REDACTED] path, preventing her from leaving.

[REDACTED] then walked toward the entrance of the gas station. Williams followed her and again positioned herself in front of [REDACTED] preventing [REDACTED] from entering the store. As they walked back toward their vehicle, Williams grabbed [REDACTED] by the shirt and forced her into the driver's seat, and placed herself in front of [REDACTED] preventing her from exiting the vehicle. Williams was also observed striking [REDACTED] several times with her elbow. Williams continued following [REDACTED] around the gas station and repeatedly blocked her attempts to walk away.

I reinterviewed [REDACTED] and asked whether she had pleaded with Williams to release her while Williams was holding her on the ground. [REDACTED] stated that she asked Williams to let her go, but Williams refused.

Williams was then advised of her Miranda rights. Williams stated that she understood her rights and agreed to speak with us. Williams confirmed that she committed the actions depicted in the surveillance footage. Williams stated that she held [REDACTED] on the ground because she was attempting to retrieve her cellular phone from [REDACTED]

Based on the totality of the circumstances, I determined that probable cause existed to arrest Williams. Williams intentionally struck [REDACTED] against her will and forcibly restrained [REDACTED] without lawful authority, after [REDACTED] repeatedly attempted to disengage and leave. Williams was taken into custody and transported to the Indian River County Jail

Arrest Affidavit ReportCase Report # **2026-00091892****NARRATIVE**

On August 27, 2026, at approximately 0756 hours, I was in the area of 20th Avenue Southwest and 10th Street Southwest conducting routine patrol. I observed a red 2001 Buick LeSabre that bore a Florida license plate of CI27CA driving north on 20th Avenue.

I conducted an FCIC/NCIC check of the license plate of the vehicle revealed the registered owner of the vehicle was Reynold L Rolle and his license had been suspended as of July 27, 2026. A check of Reynold's driver license via the Driver and Vehicle Information Database revealed Reynold was a black male with a beard.

I was able to see the driver of the vehicle, which matched the general description of Reynold. The vehicle made a turn to go west onto 10th Street Southwest and a traffic stop was initiated. It should also be noted, I did not see the driver utilize the vehicle's left turn signal when it turned.

I approached the driver of the vehicle and informed him of the reason why I stopped him. The driver identified himself as Reynold L. Rolle. I explained to Reynold his license was suspended and he informed me that was his father and he was Reynold Jr.

I informed Reynold Jr. he resembled the photograph of Reynold Sr. I observed and asked him to provide a driver's license or any other form of identification to verify his identity but he said he did not have any form of identification on his person. Reynold Jr. was only able to provide a date of birth of 01/31/1988. I checked D.A.V.I.D for a photograph of Reynold Jr. but the check revealed Reynold Jr. was issued a non-licensed identification number from the Department of Motor Vehicles.

I asked Reynold Jr. if he was issued a United States driver's license and he said he had not. I asked Reynold Jr. how long he has lived in Florida and he replied ten years. I then asked Reynold Jr. if he works and he said yes and that he does roofing. Reynold Jr. told me he only has a Bahamian driver's license.

An FCIC/NCIC check of Reynold Jr.'s information was conducted by Teletype. The check confirmed Reynold Jr. has never been issued a Florida license, or a license from any state in the United States. The check also revealed at this time, there was no photograph or anything else that could verify Reynold Jr.'s identity.

Based on the information above, I found probable cause Reynold Jr. was in violation of F.S.S 322.03(1); no valid driver's license issued/never had one. Due to not being able to confirmed Reynold Jr.'s identity, he was arrested and later transported to the Indian River County Jail without incident. At the jail, Reynold Jr.'s identity was confirmed via Rapid I.D. Reynold Jr. was issued citation #ANHBK3E.

NARRATIVE

On August 27, 2026 at approximately 1015 hours, I responded to [REDACTED] Vero Beach in reference to a residential burglary.

A neighbor advised they seen two males and a female enter her neighbor's residence through the back sliding glass door.

Upon arrival, I approached the residence, and two subjects came walking towards me from the front door. I made contact with Sharon Fradette, Eric Rogolino. Sharon was holding a blue folder in her hand; Eric was holding a screw driver in his hand. When asked what residence they came from, they advised [REDACTED] Sharon advised she owns the residence in question along with another subject [REDACTED] She claimed she was told by deputies she could enter the residence by any means necessary due to being half owner of the home.

Upon further questioning, Sharon stated she lived in the residence with [REDACTED] until they started to get into verbal altercations with each other. She stated she left the residence and moved into 103 Royal Oak Drive #205, Vero Beach back in March of 2026 following a disturbance. Sharon and Eric went into the home today through the back door with the intent to remove the deadbolt from the front door as she didn't have keys to the residence any longer because [REDACTED] changed the locks after she moved out in March. Sharon and [REDACTED]

[REDACTED] Sandra stated she took care of [REDACTED] because he is [REDACTED] and couldn't work anymore. They have been friends for approximately 15 years.

I spoke with [REDACTED] who arrived on scene moments later, he stated Sharon moved out roughly 3 months ago and took all her possessions with her at that time. He did acknowledge she is half owner of the residence but does not have access to the home as he changed the locks and he pays the bills to the residence.

Corporal Barcaro advised me that while speaking with Sharon, she observed a white prescription box in her hand underneath the blue folder originally observed by myself. She asked who it belonged too, she advised it was hers. When asked to see the item, Sharon stated "it belongs to [REDACTED], and I took it to use as leverage against him". Corporal Barcaro handed me a new in [REDACTED]

At this time, I detained Sharon in physical hand restraints, she was read Miranda Warning to which she waived her rights. I asked her where she got the medication from, and she stated she took it from [REDACTED] bedroom with the intent to use it as leverage against him to sell the house.

Sharon is being charged with one count of grand theft of a controlled substance for willfully and intentionally taking the controlled substance from Joseph's residence with the intent to use it to extort [REDACTED] at a later date.

Arrest Affidavit Report

Case Report # 2026-00092040

NARRATIVE

On Thursday, August 27, 2026 at approximately 12:23 pm I observed the defendant Andrez Mendez driving a pickup truck with cut stalks that contained protected Saw Palmetto berries. The berries were in plain sight in the back of the pickup truck with a garbage can and tree cutters.

I conducted a traffic stop on the pickup truck Florida tag cq39gp to speak with the driver in reference to the protected berries. The driver only spoke Spanish, so I contacted Deputy Macias to translate and ask for the permit needed to harvest or transport the berries.

Deputy Macias told me the defendant did not have a permit. Deputy Macias told me the defendant said he cut the berries at a friend's house but did not know the address. I detained the defendant and placed him in my patrol vehicle.

The defendant had a cutting tool in his truck along with other items such as bags and trash can. The berries were seized and weighed approximately 150lbs worth \$255.00.

After researching the defendant in our local computer system, I learned he has been arrested in 2024 for this same behavior. 2024-89587

The berries were seized and the defendant was transported to the county jail per Florida state statute, A person that harvests saw palmetto berries without first obtaining the landowner's written permission to harvest as required by subsection (2) or a permit as required by s. 581.189 commits a felony of the third degree.

NARRATIVE

On Thursday, August 27, 2026, at approximately 2117 hours I responded to the Sheriffs office parking lot for a miscellaneous.

Upon arrival I observed two males standing in the parking lot near the office doors. I made contact with Alexis Guadalupe Parga who admitted he drove his friend to the office from Fellsmere to turn him in because he is violating his probation. I identified Alexis by his Florida license, he was showing suspended as of July 16th 2026, and had not been made aware.

While speaking with Alexis I could smell a strong odor of an alcoholic beverage coming from him that grew stronger as he spoke. His speech was slurred and slowed. He was unsteady on his feet at times, his eyes were glassy and bloodshot, yet he denied consuming alcohol.

I asked if he would be willing to conduct field sobriety exams and he agreed. He didn't have any medical conditions that would cause him to not be able to conduct the exercises.

Horizontal gaze nystagmus: I had him stand with his feet together and his hands down by his side. I held my pen approximately 12-15 inches away from his face slightly above eye level. He did not have resting gaze nystagmus, his pupils were of equal size, and his pupils tracked equally. I observed a lack of smooth pursuit in both eyes. He showed a distinct and sustained nystagmus at maximum deviation in both eyes when he would actually look at my pen. He showed the onset of nystagmus prior to 45 degrees in both eyes. Totaling 6 out of the 6 possible clues.

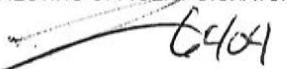

Walk and turn: I used a solid visible line in the parking lot. I instructed him I was going to have him stand in the starting position and not start the exercise until I instruct him to do so. I instructed him to place his left foot on the line and place his right in a heel-to-toe manner with his hands down by his side. I demonstrated the starting position. Once he got into the starting position, He lost his balance and stooped standing in the starting position. As I was continuing to explain the exercise, he became upset and asked why he needed to do these exercises. I explained it to him and stated he no longer wanted to continue. I only was able to observe 1 clue of the 8 possible clues.

One leg stand: refused

I was advised he was on camera pulling into the sheriff's office parking lot. I observed the camera footage where I observed a silver Chevrolet pickup truck bearing Florida registration of E58FF, turn off 41st street onto 41st avenue, left into the north entrance of the parking lot, then into a parking spot in front of the office. I observed after a few moments Alexis exit the driver's seat of the truck walk around the vehicle after putting something in the bed of the truck. He and his friend walked to the front door of

the office.

I spoke with Alexis once again and read him his constitutional right via a Miranda warning, He advised he understood his rights. I asked if ha had consumed any alcoholic beverages since arriving at the sheriff's office to which he stated he had not.

He was placed under arrest for the suspicion of driving under the influence of alcohol and driving while license suspended.

While at the jail Alexis refused to submit to chemical testing, He was read the refusal form and still refused.

Based on the above Alexis did drive or was in actual physical control of a vehicle, while under the influence of alcoholic beverages or chemical substances as set forth in Florida Statute 877.111, or a controlled substance as set forth in Chapter 893 or any combination thereof, and was affected to the extent that his or her normal faculties were impaired; or while having a blood alcohol level of .08 or more grams of alcohol per 100 milliliters of blood or breath alcohol level of .08 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1). (MISD).

Alexis did refuse to submit to a chemical or physical test of his or her breath, urine, or blood, as described in s. 316.1932, and Alexis had been placed under lawful arrest by a law enforcement officer with probable cause to believe Alexis was driving or in actual physical control of a vehicle while under the influence of alcoholic beverages, chemical substances, or controlled substances and Alexis was informed of all the consequences for refusing to submit contained within s. 316.1939, contrary to Florida Statute 316.1939(1). Case Report # 2026-00092199

NARRATIVE

On Thursday, 08/27/2026, at approximately 2117, I was dispatched to the Indian River County Sheriff's Office (4055 41st Avenue, Vero Beach, Florida 32960) in reference to a miscellaneous incident.

The Indian River County Sheriff's Office Public Safety Dispatch advised me that two male subjects pulled into the parking lot of the Sheriff's office and appeared extremely intoxicated. The two individuals stumbled out of a grey Chevrolet Colorado bearing Florida tag #E58FF, where unable to maintain their balance, stumbled over several times and upon picking up the non-emergency phone had slurred speech and incoherent statements.

Upon arrival I made contact with Adolfo Hernandez, who was sitting on the bench in front of the lobby of the Sheriff's Office. Hernandez stated he is on probation for DUI and violated his probation by consuming alcohol. Hernandez had a strong odor of alcohol emitting from his person, had extremely slurred and incoherent speech, his eyes were watery and glassy, and when Hernandez attempted to stand, he would repeatedly lose balance and stumble. During my interaction with Hernandez, I discovered that he got into a disturbance with his family in Fellsmere (Fellsmere Police Department Case#2026-7425) where his family had him vacate their property due to his erratic behavior stemming from alcohol intoxication.

Sergeant Lee emailed me a copy of the probation sheet for Hernandez (Indian River Court Case# 2026MM000635). The probation sheet listed condition 8 which is checked off for the condition of "Do not use ANY Alcoholic beverages".

The driver was investigated by Deputy McPeck for suspicion of driving under the influence and was subsequently arrested after the investigation was concluded. Based on this information, I conducted an administrative search of the vehicle for the purposes of towing the vehicle. During the administrative search I located two Corona 12 packs, several open containers, an empty beer bottle in the passenger side door, spilled beer on the passenger floorboard of the vehicle and an empty beer bottle on the floor outside of the passenger door. It should be noted that Hernandez was in the passenger seat of the vehicle as observed on camera from the Indian River County Sheriff's Office Public Safety Dispatch. There was no other occupant on the passenger side of the vehicle and the driver did not have direct access to this area of the vehicle.

Based on the totality of the circumstances I found probable cause for a violation of Hernandez's probation. Adolfo Hernandez was taken into custody and booked into the Indian River County Jail on the following violations:

- F.S.S. 948.06 – Probation Violation (Misdemeanor)

Arrest Affidavit Report

Case Report # 2026-00092251

NARRATIVE

On August 28th, 2026, at approximately 0136 hours, I was located at Wawa at 1180 U.S. Highway 1, Vero Beach. Deputy Finkle and I were notified via the Wawa Manager, Amanda Phillips, that a male identified as Joseph Benton was trespassing in the store. She pointed to Joseph, who was walking into the store, where he emerged from the alcohol section with a can of beer. Amanda reported he was served a trespass warning and was told as recently as of August 27th, 2026, that he was not allowed on the property. She stated this was an on-going issue where Joseph refused to comply with the trespass warning.

Due to the information, I approached Joseph. I asked him if he was trespassing which he stated no. Joseph was advised to put his hands behind his back, where I grabbed his left arm. As I grabbed his arm, he moved his hands upwards away from me, activating muscular resistance. Deputy Finkle instructed him to stop resisting, and to put his hands behind his back. I had to actively push his left arm behind his back to overcome his attempt to pull away. Joseph was ultimately handcuffed.

Joseph was escorted out of the store. I asked him to sit on a flower pot, where I gathered his name and date of birth. Joseph's information was radioed into IRC SO Dispatch. They advised he had an active trespass warning on file reference IRC SO Case Number 2025-33536. I reviewed the report, which stated Joseph was served a TAW on April 1st, 2025, by Deputy Ballester and Deputy M. Hatton. It states per Deputy Hatton: Joseph was informed "he was no longer allowed to return to the premises or it would result in arrest."

Deputy Finkle provided Joseph his Miranda rights, where Joseph stated he was told approximately 3 months ago to not return to this Wawa location. It should be noted, Joseph was highly intoxicated due to alcohol, where it is believed he urinated himself in excess, causing an overwhelming smell of urine.

Joseph was advised he was placed under arrest and transported to IRC SO Jail.

The incident was recorded via Axon camera.

This case is CLEARED BY ARREST CLOSED.
