Arrest Affidavit Report

Case Report # 2025-00106369

NARRATIVE

On October 2, 2025, at approximately 0015 hours, I was approached by the Wawa manager, Anna Johnson, when I arrived at the store, located at 4495 US Highway 1, Vero Beach, Florida.

Anna stated the following in summary; Just prior to my arrival a skinny black female entered the store and stole two (2) Hershey's Cookies & Cream XL's, valued at \$10.38.

I asked Anne to view the cameras. I observed the following; A skinny black female with a backpack, who I know to be Scherell Hargrove, enters Wawa at 2348 hours. Scherell walks over to the candy Isle and takes two candy bars from the shelf. Scherell walks back to the fountain drinks and fills a cup with ice. She leaves the cup of ice on the counter and walks towards the bathroom carrying the candy bars in her hand, with her backpack slung across her chest.

Scherell enters the bathroom at 2351 hour, with the candy bars clearly visible in her hand. Less than ten (10) seconds later, at 2351 hours, Scherell exits the bathroom with no candy bars in her hand. Scherell takes her cup of ice and walks to the register. Scherell asks how much for the ice, which she was told that she could have the cup of ice.

Scherell walks to the second register, then asks the Wawa employee for a bag. She is handed the bag and asks if she could take some ketchup packets. She was told she could have some ketchup packets. Scherell puts the cup of ice, along with the ketchup packets in the bag and begins to exit Wawa.

As Scherell walks towards the door, the two (2) candy bars fall out of her backpack. She quickly picks them up, puts them back inside the backpack, and exits Wawa at 2353 hours, passing all points of sale without paying for the candy bars.

After watching the video, I went to the women's bathroom and checked all the garbage cans, to ensure the candy bars were not placed in the trash.

I searched the area for Scherell, but was met with negative results. I did come into contact with several people who knew her, and told them I was looking for her.

At approximately 0301 hours, I was dispatched back to Wawa for a disturbance. When I arrived, staff informed me that Scherell had re-entered the store and began yelling at the employee's for contacting law enforcement, in reference to her stealing the candy bars.

I began searching the area, and ultimately found Scherell hiding behind the residence, located at 4271 25th Avenue, Vero Beach, Florida. I took Scherell into custody without issue. Scherell kept repeating that she put the candy bars back, and did not steal them. I told Scherell that I would take her back to Wawa, and view the video again.

After viewing the video, a second time, nothing changed from the first. I informed her that she was under arrest.

At the Indian River County Jail, I asked if they could run a criminal history on Scherell to determine if she had prior convictions for petit theft. Scherell has had multiple convictions for petit theft, and her last conviction for petit theft, was felony petit theft, reference case # 312021CF001489A.

Based on Scherell's criminal history, I charged her with felony petit theft.

Arrest Affidavit Report

Case Report # 2025-00106656

NARRATIVE

On October 2nd, 2025, at approximately 1604 hours, I responded to 1822 94th Drive (Tommy Hilfiger) in reference to retail theft.

Upon arrival, I made contact with a manager for Tommy Hilfiger, Dennis Rivera-Rivera, who advised the following, paraphrased: 2 females and 2 males entered Tommy Hilfiger and took products. Specifically, 2 females entered the store with empty bags. They began to fill these bags with products with the help of the suspect, Elys Aguilar-Reyes. The females, Delfina Aguilar-Aguilera and Yesika Aguilar-Aguilera, entered the dressing rooms of the store while Elys helped bring them different products. Elys is also depicted on in-store cameras carrying out these actions.

It should be noted prior to leaving the store, the group left some bags of miscellaneous clothing items behind for which the tags of the products were torn off. Dennis believes this is due to the group thinking they were caught and ditching them.

Elys was met by Corporal M. Szott in the parking lot of the store where he was detained. Deputy C. Portocarrero read Elys his Miranda Warnings to which he acknowledged understanding his rights and consented to speak with him. Elys admitted to Deputy Portocarrero that he was handing the women items in concert with their effort to pass all points of sale and deprive Tommy Hilfiger of their merchandise.

Merchandise was discovered in the vehicle all parties arrived in, including from other stores. All merchandise was recovered by Tommy Hilfigure and ascertained to be \$972.11 in total monetary value.

Due to the aforementioned, I find probable cause to charge Elys Aguilar-Reyes with Retail Theft \$750 Dollars or More (Coordinate with Others pursuant to F.S.S. 812.015(8)(a)).

Arrest Affidavit Report

Case Report # 2025-00106656

NARRATIVE

On Thursday, October 2, 2025 at approximately 1610 hours, Deputy Mark Hubbard and I responded to the Tommy Hilfiger located at 1822 94th Drive, Vero Beach, Florida in reference to a retail theft in progress.

Upon arrival, I made contact with Corporal Szott who had stopped the suspect vehicle near the business. Cpl. Szott advised that he observed two subjects later identified as, Delfina Lucinda Aguilar Aguilera and Elys Roney Aguilar Reyes, coming out of the store with a brown paper shopping bag with a Nike logo. They then got into the vehicle and began driving around the parking and he conducted a traffic stop. Cpl. Szott showed me the photograph on initial contact and I confirmed it was the two individuals occupying the vehicle. The photograph was uploaded to the Axon evidence site.

On contact with Elys and Delfina I inquired about the reason they were in the area. Delfina explained that they were at the Outlets shopping, had just left Tommy Hilfiger and were heading to another business. Elys confirmed Delfina's statements by stating a similar set of events. Prior to my arrival dispatch had informed all deputies responding that the store suspected four individuals involved in the retail theft. I inquired with both Delfina and Elys where the other two subject were located and they informed they were still inside the store shopping. During this conversation a third subject identified as, Jose Velasquez, was walking near the entrance of the business towards our location.

Once all three subjects were present, I informed them that the reason for our contact was that the store believed a retail theft had occurred. Both Delfina and Elys adamantly denied the allegations, that this was a mis-understanding and that they had purchased items and receipt. I was handed a receipt that displayed approximately three items were purchased. I explained that if this was a mis-understanding that we could go to the store and clear everything up. They agreed and we returned to Tommy Hilfiger.

Once at Tommy Hilfiger, I walked inside and was informed that the fourth subject identified as, Yesika Margoth Aguilar Aguilera, was currently at the register purchasing an item. Once the transaction was finalized, I asked the cashier what Yesika had purchased. The cashier informed me that she purchased only purse.

I made contact with Yesika and inquired about her purchase. Yesika confirmed that she was only purchasing the purse. During this conversation the store staff began finding several clothing items with missing tags, tags that had been altered to keep them from setting the security alarm off and several items missing from their packaging. Due to this information, I asked Yesika if she had other items on her person that she had not paid for and belonged to the store. Yesika advised that she did not. To avoid disrupting business, I had Yesika step aside and explained the reason for my contact. Yesika was adamant that she was merely shopping and only purchased the purse. I then noticed that Yesika's was in possession of a blue draw string bag and a purse. I asked if she would consent to show me the contents, and she agreed. The purse contained no store items but had a pair of scissors inside. Yesika then removed the items from the blue bag. As she removed them a blue Tommy Hilfiger beach-style bag was inside. When she took the item out, I noticed the bag had a sales tag on it. The tag had been tampered with to disable its security feature. Due to this observation, I read Yesika her Miranda Warnings of Constitutional Rights. Yesika

acknowledged understanding them and agreed to speak to me. I inquired about the beach bag and Yesika advised she had purchased it approximately 20 days ago on a previous trip. Yesika further informed that herself, Delfina and Jose were on a vacation trip to the United States from Honduras. They were here on tourist visas to visit family and do some shopping. I asked Yesika that if she had purchased the bag previously, why did she bring it into the store with the tags still attached. Yesika could not give me a plausible reason and began stating that she brought it with her with tags attached so she would have more room for items she might purchase on this trip. It was later determined that Yesika had not previously been to the United States, and her statement was untruthful.

During this time, staff located and provided me with numerous removed clothing tags. I also observed Yesika in possession of scissors, which she claimed she carried to trim her hair.

Due to the tags being discovered, I requested Delfina and Elys submit to a consensual search of the vehicle. Due to the fact they had been previously occupying it, to affirm no items were inside that belonged to Tommy Hilfiger. Both Elys who was the driver of the vehicle and Delfina who was the rear passenger consented to a search. Deputy Scott Burke went with Delfina and Elys, to the vehicle. See Deputy Burke's supplement report for further details.

At the conclusion of the consensual search of the vehicle approximately 24 items were recovered that had their tags altered or removed and belonged to the store. The items were turned over the store and itemized to calculate the value taken. The items recovered were valued at approximately \$891.49. A copy of the itemized receipt was provided and attached to this report for evidence.

After the recovery, I went to the backroom where the surveillance system was located and began reviewing video footage.

Upon review, I observed Yesika, Delfina, Elys and Jose walking around the store. Each individual selected items from different racks and displays. They were seen handing items to each other and then walking to the dressing room. In the dressing room area, I observed them going into individual dressing rooms, walking out and handing items to Delfina. Delfina then placed them into a blue shopping bag. Once all the items were handed to Delfina she entered the dressing and came out holding both the blue bag and the brown paper bag.

During the review I was also able to observe Yesika select the blue beach bag, put it around her shoulder and walk to the dressing room. Yesika also had the blue draw string bag around her shoulder as she entered the dressing room. After some time Yesika was observed walking out of the dressing room without the blue beach bag and the blue draw string bag that was previously flat, appeared bulky. Let it be noted that upon initial contact the blue beach bag was discovered inside the blue draw string bag.

Furthermore, the review of the surveillance footage displayed that all four individuals worked in conjunction to select, conceal and remove the items belonging to Tommy Hilfiger. Their efforts allowed Yesika and Elys to pass all points of sale without an attempt to pay for the items.

Due to the observation on the surveillance footage, I placed Yesika into custody and escorted her to my patrol

vehicle. Deputy Burke coordinated with Cpl. Szott outside of the business to take custody of the other individuals involved.

Once outside of the business I began interviewing the suspects. I began with Delfina, I read her Miranda Warnings. Delfina acknowledge understanding them and agreed to speak to me. Delfina post Miranda admitted to committing the retail theft. That she removed the items without paying and brought them to the vehicle. Delfina further informed me that she was the only person responsible for the retail theft and that the others had no knowledge of the theft.

I then made contact with Elys, I read him his Miranda Warnings, he acknowledged understanding them and agreed to speak to me. Elys initially denied knowing that a retail theft had occurred and believed that Delfina had purchased the items since they went to the register and legitimately purchased what he believed were three items. I inquired about the brown paper shopping bag that the items were discovered in. Elys informed that Delfina had brought the bag inside and that it was empty. I then confronted Elys with the fact that that Delfina walked in with an empty bag, only observed her purchase three items, and then they walked out with a full bag of items. Elys then admitted that he in fact knowing that a retail theft had occurred. That himself and Delfina walked out of the store without paying for the rest of the items. Elys further informed that they were "family" and he did not know how to explain why they committed the retail theft.

I finally spoke with Jose, I read him his Miranda Warnings, he acknowledged understanding them and invoked his rights. No further questioning or contact was made with Jose.

During an inventory search of the vehicle prior to towing, Cpl. Szott discovered that several other items belonging to the business Ann Taylor, located at 1850 94th Drive, were in the vehicle. The business is located adjacent from Tommy Hilfiger. Cpl. Szott went to Ann Taylor and made contact with staff. The staff came to where we were located and confirmed that the merchandise did belong to them. Cpl. Szott returned to the business and conducted an inventory of the store with staff. At the conclusion of the inventory Cpl. Szott reported that staff found several hangers inside a dressing room at the store. Staff confirmed that prior to allowing Delfina entry into the dressing room they had cleaned it, due to it being in a state of disarray. Cpl. Szott advised that staff reported seeing Delfina come into the store with Jose. She selected several clothing items and went to the dressing room. Delfina then left the store without purchasing anything raising their suspicion. The staff advised Cpl. Szott that Delfina had walked in with the same brown paper Nike bag and walked out with it in tow. Staff realized that Jose continually interacted with them. He asked questions regarding items they did not sell and believed that he was distracting them while Delfina committed the retail theft. Once Delfina exited the dressing room herself and Jose left the store passing all points of sale without an attempt to pay for the items. Cpl. Szott reported that an itemization of the items recovered was valued at approximately \$1,446.42. See Cpl. Szott's supplemental report for further details.

During the investigation it was discovered that Delfina is Jose's mother, Yesika is Delfina's sister and Elys is Delfina and Yesika's cousin.

Arrest Affidavit Report

Case Report # 2025-00106656

NARRATIVE

On Thursday, October 2, 2025 at approximately 1610 hours, Deputy Mark Hubbard and I responded to the Tommy Hilfiger located at 1822 94th Drive, Vero Beach, Florida in reference to a retail theft in progress.

Upon arrival, I made contact with Corporal Szott who had stopped the suspect vehicle near the business. Cpl. Szott advised that he observed two subjects later identified as, Delfina Lucinda Aguilar Aguilera and Elys Roney Aguilar Reyes, coming out of the store with a brown paper shopping bag with a Nike logo. They then got into the vehicle and began driving around the parking and he conducted a traffic stop. Cpl. Szott showed me the photograph on initial contact and I confirmed it was the two individuals occupying the vehicle. The photograph was uploaded to the Axon evidence site.

On contact with Elys and Delfina I inquired about the reason they were in the area. Delfina explained that they were at the Outlets shopping, had just left Tommy Hilfiger and were heading to another business. Elys confirmed Delfina's statements by stating a similar set of events. Prior to my arrival dispatch had informed all deputies responding that the store suspected four individuals involved in the retail theft. I inquired with both Delfina and Elys where the other two subject were located and they informed they were still inside the store shopping. During this conversation a third subject identified as, Jose Velasquez, was walking near the entrance of the business towards our location.

Once all three subjects were present, I informed them that the reason for our contact was that the store believed a retail theft had occurred. Both Delfina and Elys adamantly denied the allegations, that this was a mis-understanding and that they had purchased items and receipt. I was handed a receipt that displayed approximately three items were purchased. I explained that if this was a mis-understanding that we could go to the store and clear everything up. They agreed and we returned to Tommy Hilfiger.

Once at Tommy Hilfiger, I walked inside and was informed that the fourth subject identified as, Yesika Margoth Aguilar Aguilera, was currently at the register purchasing an item. Once the transaction was finalized, I asked the cashier what Yesika had purchased. The cashier informed me that she purchased only purse.

I made contact with Yesika and inquired about her purchase. Yesika confirmed that she was only purchasing the purse. During this conversation the store staff began finding several clothing items with missing tags, tags that had been altered to keep them from setting the security alarm off and several items missing from their packaging. Due to this information, I asked Yesika if she had other items on her person that she had not paid for and belonged to the store. Yesika advised that she did not. To avoid disrupting business, I had Yesika step aside and explained the reason for my contact. Yesika was adamant that she was merely shopping and only purchased the purse. I then noticed that Yesika's was in possession of a blue draw string bag and a purse. I asked if she would consent to show me the contents, and she agreed. The purse contained no store items but had a pair of scissors inside. Yesika then removed the items from the blue bag. As she removed them a blue Tommy Hilfiger beach-style bag was inside. When she took the item out, I noticed the bag had a sales tag on it. The tag had been tampered with to disable its security feature. Due to this observation, I read Yesika her Miranda Warnings of Constitutional Rights. Yesika

acknowledged understanding them and agreed to speak to me. I inquired about the beach bag and Yesika advised she had purchased it approximately 20 days ago on a previous trip. Yesika further informed that herself, Delfina and Jose were on a vacation trip to the United States from Honduras. They were here on tourist visas to visit family and do some shopping. I asked Yesika that if she had purchased the bag previously, why did she bring it into the store with the tags still attached. Yesika could not give me a plausible reason and began stating that she brought it with her with tags attached so she would have more room for items she might purchase on this trip. It was later determined that Yesika had not previously been to the United States, and her statement was untruthful.

During this time, staff located and provided me with numerous removed clothing tags. I also observed Yesika in possession of scissors, which she claimed she carried to trim her hair.

Due to the tags being discovered, I requested Delfina and Elys submit to a consensual search of the vehicle. Due to the fact they had been previously occupying it, to affirm no items were inside that belonged to Tommy Hilfiger. Both Elys who was the driver of the vehicle and Delfina who was the rear passenger consented to a search. Deputy Scott Burke went with Delfina and Elys, to the vehicle. See Deputy Burke's supplement report for further details.

At the conclusion of the consensual search of the vehicle approximately 24 items were recovered that had their tags altered or removed and belonged to the store. The items were turned over the store and itemized to calculate the value taken. The items recovered were valued at approximately \$891.49. A copy of the itemized receipt was provided and attached to this report for evidence.

After the recovery, I went to the backroom where the surveillance system was located and began reviewing video footage.

Upon review, I observed Yesika, Delfina, Elys and Jose walking around the store. Each individual selected items from different racks and displays. They were seen handing items to each other and then walking to the dressing room. In the dressing room area, I observed them going into individual dressing rooms, walking out and handing items to Delfina. Delfina then placed them into a blue shopping bag. Once all the items were handed to Delfina she entered the dressing and came out holding both the blue bag and the brown paper bag.

During the review I was also able to observe Yesika select the blue beach bag, put it around her shoulder and walk to the dressing room. Yesika also had the blue draw string bag around her shoulder as she entered the dressing room. After some time Yesika was observed walking out of the dressing room without the blue beach bag and the blue draw string bag that was previously flat, appeared bulky. Let it be noted that upon initial contact the blue beach bag was discovered inside the blue draw string bag.

Furthermore, the review of the surveillance footage displayed that all four individuals worked in conjunction to select, conceal and remove the items belonging to Tommy Hilfiger. Their efforts allowed Yesika and Elys to pass all points of sale without an attempt to pay for the items.

Due to the observation on the surveillance footage, I placed Yesika into custody and escorted her to my patrol

vehicle. Deputy Burke coordinated with Cpl. Szott outside of the business to take custody of the other individuals involved.

Once outside of the business I began interviewing the suspects. I began with Delfina, I read her Miranda Warnings. Delfina acknowledge understanding them and agreed to speak to me. Delfina post Miranda admitted to committing the retail theft. That she removed the items without paying and brought them to the vehicle. Delfina further informed me that she was the only person responsible for the retail theft and that the others had no knowledge of the theft.

I then made contact with Elys, I read him his Miranda Warnings, he acknowledged understanding them and agreed to speak to me. Elys initially denied knowing that a retail theft had occurred and believed that Delfina had purchased the items since they went to the register and legitimately purchased what he believed were three items. I inquired about the brown paper shopping bag that the items were discovered in. Elys informed that Delfina had brought the bag inside and that it was empty. I then confronted Elys with the fact that that Delfina walked in with an empty bag, only observed her purchase three items, and then they walked out with a full bag of items. Elys then admitted that he in fact knowing that a retail theft had occurred. That himself and Delfina walked out of the store without paying for the rest of the items. Elys further informed that they were "family" and he did not know how to explain why they committed the retail theft.

I finally spoke with Jose, I read him his Miranda Warnings, he acknowledged understanding them and invoked his rights. No further questioning or contact was made with Jose.

During an inventory search of the vehicle prior to towing, Cpl. Szott discovered that several other items belonging to the business Ann Taylor, located at 1850 94th Drive, were in the vehicle. The business is located adjacent from Tommy Hilfiger. Cpl. Szott went to Ann Taylor and made contact with staff. The staff came to where we were located and confirmed that the merchandise did belong to them. Cpl. Szott returned to the business and conducted an inventory of the store with staff. At the conclusion of the inventory Cpl. Szott reported that staff found several hangers inside a dressing room at the store. Staff confirmed that prior to allowing Delfina entry into the dressing room they had cleaned it, due to it being in a state of disarray. Cpl. Szott advised that staff reported seeing Delfina come into the store with Jose. She selected several clothing items and went to the dressing room. Delfina then left the store without purchasing anything raising their suspicion. The staff advised Cpl. Szott that Delfina had walked in with the same brown paper Nike bag and walked out with it in tow. Staff realized that Jose continually interacted with them. He asked questions regarding items they did not sell and believed that he was distracting them while Delfina committed the retail theft. Once Delfina exited the dressing room herself and Jose left the store passing all points of sale without an attempt to pay for the items. Cpl. Szott reported that an itemization of the items recovered was valued at approximately \$1,446.42. See Cpl. Szott's supplemental report for further details.

During the investigation it was discovered that Delfina is Jose's mother, Yesika is Delfina's sister and Elys is Delfina and Yesika's cousin.

Case Report # 2025-00106698

NARRATIVE

On October 2, 2025, at approximately 1943 hours, I arrived at 5900 20th Street, in reference to assisting D/S D. Estrella-Angeles with a DUI investigation. Upon my arrival, D/S D. Estrella-Angeles advised the following to me:

"On October 2, 2025, at approximately 1857 hours, I responded to 5900 20th Street, Vero Beach, Florida, in reference to a suspicious person.

Upon my arrival, EMS was on scene and required law enforcement. EMS personnel advised when they arrived that Maureen Clarke, was the sole occupant in the driver seat in actual physical control of the vehicle.

Maureen was read Miranda rights which she waived. Upon speaking with Maureen, she stated that she bought a 12 pack of beer Heineken, and is not sure how many she drank. Maureen also stated that she drove to the parking lot but was unsure if she was going to return some items.

As I interacted further with Clarke, I observed several physical signs of impairment: Clarke had glossy watery eyes, slurred speech and emitted impurities of an alcoholic beverage.

I became concerned Clarke was impaired beyond her normal faculties by alcoholic beverages or chemical or controlled substances.

To dispel my concerns, I asked Clarke if she would participate in a series of standardized field sobriety exercises, to which she agreed. I asked Clarke a series of medical questions to ensure she could participate in field sobriety exercises. Clarke stated that she had no physical defects, was not sick or injured, did not have epilepsy or diabetes, did not wear contacts or glasses.

All field sobriety exercises were explained and demonstrated proficiently prior to Clarke beginning each exercise and I confirmed she understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was not observed because Clarke could not keep her head straight. Vertical Gaze Nystagmus was not observed.
- 2.) WALK AND TURN - A straight painted line was used for the exercise. When asked, Clarke agreed with me that the line was straight and flat. Clarke did not follow instructions, started before I explained the instructions, took 11 steps each direction, lifted her hands over six inches from her side, did not take heel to toe steps, could not maintain her balance, and did not count out loud.
- 3.) ONE LEG STAND - Clarke started the count multiple times, placed her foot down multiple times did not look at the tip of her toe, was unsteady on her feet, her arms were over six inches from her side.

NARRATIVE (Continuation)

Overall, Clarke performed poorly on all field sobriety exercises.”

While on scene, I checked the inside of Maureen’s vehicle and observed three empty glass bottles of Heineken on the passenger seat in plain view. I also observed an open bottle of Heineken that was completely full in the cup holder in between the front driver and passenger seat. There was a Heineken beer box on the floorboard of the front passenger seat that had another empty glass Heineken bottle in it. There was also throw up on the front driver side door.

Based on the information above, I found probable cause Maureen was in violation of F.S.S 316.193, DUI. Maureen was arrested and later transported to the Indian River County Jail without incident. While at the jail, Deputy Solomon completed the observation period and Maureen agreed to provide a sample of her breath for the intoxilyzer test. The breath results Maureen provided were .147 and .154. Maureen was issued a citation (citation #AJ8SYME) for the DUI.

**Arrest Affidavit Report****Case Report # 2025-00106733****NARRATIVE**

On 10/02/2025 at approximately 2047 hours, I Deputy Austin Binner responded to the immediate area of College Ln (16th Street) and 66th Avenue in reference to a possible drunk driver.

The complainant advised Indian River County Dispatch that a Silver in color Mazada hatchback SUV was unable to maintain it's lane of travel, and turning the headlights of the vehicle on and off. The complainant advised the vehicle in question was travelling North on 66th Avenue near College Lane. Dispatch requested the complainant to activate their hazard lights on their vehicle to help assist to locate the Silver Mazda.

While travelling Southbound near the 1700 block of 66th Avenue, I observed the suspects' vehicle travelling North on 66th Avenue unable to maintain its lane of travel, and flashing the headlights. Directly behind the Silver Mazda was the complainant's vehicle with its hazard lights flashing. The complainant's vehicle remained behind the Silver Mazda prior to a traffic stop.

I began to follow behind the vehicle at approximately the 2600 block of 66th Avenue in my marked patrol vehicle. While travelling behind the Silver Mazda I observed the vehicle travelling North in the left lane near the median, and bearing FL tag DU93GC. While behind the Silver Mazda I observed the vehicle crossing the lane marker to the right of the vehicle continuing into the right lane, and then correcting itself to slowly cross back into the left lane. The Silver Mazda continued this driving pattern until I attempted a traffic stop.

I activated my emergency lights to conduct a traffic stop at the 3300 block of 66th Avenue. The Silver Mazda continued to slowly drive North on 66th Avenue where it completed a left turn onto 33rd Street. Prior to coming to a complete stop the Silver Mazda drove off the right shoulder of the road and over the curb. Prior to my approach to the vehicle the driver, stuck their hand out the driver window holding an electronic transmitter (similar to a Florida Sun Pass).

During my initial contact with the driver of the Silver Mazda the order of alcoholic beverage was emitting from the driver, the driver had glassy watery eyes, and seemed to be confused or lost. The driver, later identified as Linda Ross, advised she was travelling home.

I requested Linda to present her driver's license numerous times. Upon initial request, Linda fumbled to grab her purse located on the passenger seat, and began to rummage through the bag. I had questioned numerous times, where Linda was coming from prior to our interaction. Linda had ignored my question and continued to rummage in her purse to present her driver's license.

When I requested Linda out of the vehicle, she blankly stared at me as if she did not know what I had said to her. I repeated myself, and Linda then began to open the door to remove herself from the Silver Mazda.

Once out of the vehicle, Linda was unable to stand on her own power, and braced herself on the side of her vehicle while being spoken too.

I explained to Linda I suspect she was impaired from consuming alcoholic beverages due to physical appearance, and the

odor of an alcoholic beverage emitting from her breath. I had asked Linda if she consented to roadside SFSE's which she had refused. I advised Linda that I was placing her under custodial arrest due to the above listed physical attributes.

During a inventory search of Linda's vehicle a yellow in color liquid was located under the front driver seat in a water bottle. The liquid inside of the water bottle had the odor of drinking alcohol emitting from it.

While at the Indian River County Jail, Linda was read implied consent and she had refused to submit to any BAC testing.

Linda was charged with the following:

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00106763****NARRATIVE**

On 10/2/2025, I responded to a rolling domestic disturbance that St. Lucie County Sheriff's Office was behind, and entering Indian River County. The vehicle was a Black Ford bearing Florida Tag# NAWT42. A traffic stop was initiated by St. Lucie County Deputy Barrett #392 in the area of 26th Court and 16th Street SW. Deputy Guertin #205 stated she saw the driver, Jacob Donzella 11/24/1994, in physical control of the vehicle prior to Deputy Barrett initiating a traffic stop.

While speaking with Jacob and the other occupant of the vehicle, multiple deputies on scene and myself could smell an odor consistent with the smell of alcohol consumption emitting from Jacob's breath and person. It should also be noted Jacob had [REDACTED]. During their investigation St. Lucie County determined they had probable cause for Jacob's arrest for Domestic Battery, and asked if we would handle the driving under the influence of alcohol investigation (DUI).

Due to the road conditions and probable cause already established for Jacob's arrest, it was determined Jacob would be transported to the Indian River County Jail to complete the dui investigation. I placed Jacob in mechanical wrist restraints and escorted him to my patrol vehicle. Jacob was transported to the jail without incident. Jacob was processed by jail staff and taken to a secure area to perform the dui investigation.

FTD. Moon took over and instructed Jacob a dui investigation was beginning.

The first exercise conducted was the horizontal gaze nystagmus. FTD. Moon observed Jacob to have a lack of smooth pursuit in both eyes, maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes. Jacob was unable to keep his head still and had to be reminded to keep his head still during the duration of the exercise.

The second exercise FTD. Moon explained and demonstrated was the walk and turn. While performing this exercise, Jacob started the exercise early, and was unable to keep his balance while listening to instructions in the instruction phase of the test.

The third exercise explained and demonstrated was the one-leg stand. While performing this exercise, Jacob did not express any of the cues, however failed to maintain his foot 6 inches off the ground for the duration of the exercise.

The final exercise explained and demonstrated was the finger-to-nose. While performing this exercise Jacob had to be told that once he touched his nose, he needed to place his hand back to his side. He did not keep his eyes closed during the duration of the test, and failed to properly touch the tip of his finger to the tip of his nose each time he was asked.

Once the exercises were completed D/S Solomom #5815 requested Jacob to submit a lawful breath sample to determine his breath alcohol content to which he stated he would. The results were .175 BrAC and .187 BrAC.

Based on the above facts, Jacob was found to be in violation of F.S.S 316.193.4 – DUI -0.15 or higher or with person under 18 in the vehicle.
