Arrest Affidavit Report

Case Report # 2026-00067689

NARRATIVE

On Friday, June 26, 2026 at approximately 0049 hours, I conducted a traffic enforcement stop on a silver Nissan Rogue SUV (FL / GZDQ97).

While conducting stationary traffic enforcement at the intersection of 8th Street and 8th Court, I observed the above vehicle approach the intersection. It stopped at the stop sign and sat for an extended amount of time before activating its blinker and turning East onto 8th street. I proceeded to follow the vehicle, and as it proceeded through the intersection, had difficulty driving within a single lane.

The vehicle turned into Pemberly Palms apartment complex and again stopped at the stop sign for an extended amount of time. When I activated my emergency lights, the vehicle turned out of the lane of travel and parked perpendicular to the parking stalls.

I approached the vehicle and observed a blonde female in the driver's seat. The female struggled for several minutes to open the window before finally giving up and opening the driver's door. I identified the female as Fiona Keane (Arrestee) by the Florida driver's license she provided me. Ms. Keane took several minutes to locate her registration and insurance information. When I asked Ms. Keane how much alcohol she consumed she initially told me "2 beers." She then changed her story and stated that she lied to me, stating she had consumed "a warm up drink" to ease her social anxiety before going to the bar.

While speaking with Ms. Keane, I could smell the overwhelming odor of an alcoholic beverage. Her speech was heavily slurred and her eyes were watery and glassy. I instructed Ms. Keane to exit the vehicle, she turned her feet out and then asked, "You're gonna fuck me over, aren't you?"

I questioned Ms. Keane about her medical history and received no alarming responses. I explained my concern for her ability to operate a motor vehicle and requested that she complete Standard Field Sobriety Exercises (SFSE's) which she agreed.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the exercise to Ms. Keane who stated she understood the instructions. I observed Ms. Keane's pupils were of approximately equal size and tracked simultaneously. I observed the following validated clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and angle of onset prior to 45 degrees (30 degrees). Ms. Keane had difficulty following instructions, had an orbital sway, failed to maintain the instructed position, and had to be reminded no to move her head.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the instructions twice for Ms. Keane who stated she understood the instructions. During the Instructional phase, I observed the following validated clues of impairment: Ms. Keane failed to maintain the starting position and started before being prompted to do so. During the walking phase, I observed

the following validated clues of impairment: failed to maintain heel to toe, incorrect number of steps (13 / 12), used arms, and stepped offline. Ms. Keane DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the instructions twice for Ms. Keane who stated she understood the instructions. During this exercise, I observed the following validated clues of impairment: Put foot down, used arms for balance, and swayed. During this exercise, Ms. Keane lost her balance and fell to the ground.

Base on the performance of the above exercises, her driving pattern, and the indicators observed during the roadside contact, I established probable cause to place Ms. Keane under arrest for Driving Under the Influence.

Ms. Keane was transported to the Indian River County Jail Complex (IRCJC) where she was requested to provide a sample of her breath to determine its alcohol content. After a twenty-minute deprivation period, Ms. Keane was offered an opportunity to provide a sample of her breath and she refused. Deputy Hiss advised her of implied consent and she willfully refused to provide a sample.

A query of D.A.V.I.D. revealed Ms. Keane has a prior DUI conviction from Alaska which was adjudicated guilty on May 30, 2012.

Ms. Keane was ultimately charged with Driving Under the Influence (ANHCBE), and Refusal to Submit to DUI testing (ANUOLPE).

Ms. Keane was booked into the Indian River County Jail complex and held on a total bond of \$1,250.00

Arrest Affidavit Report

Case Report # 2026-00067672

NARRATIVE

On June 25th, 2026, at approximately 2347 hours, I was traveling southbound on US Highway 1 near Schumann Drive, Sebastian, Florida.

At that time, I witnessed a red Audi SUV (bearing FL tag 21GCQH) make a right hand turn from Schumann Drive onto southbound US Highway 1. The red Audi did not have any tail lights illuminated and was also unable to maintain a single lane.

Based on my observations, I conducted a traffic stop on the vehicle in the area of 9200 US Highway 1, Sebastian. I subsequently made contact with the driver, and sole occupant, Ms. Maddalena Jaschek. While speaking with Ms. Jaschek, I observed that she had droopy eyelids, glassy, watery eyes, and slurred speech.

After Deputy Lang, ID# 6136, arrived on scene, I requested Ms. Jaschek exit the vehicle. Ms. Jaschek advised she was not going to exit her vehicle. I then instructed Ms. Jaschek to exit the vehicle and she stated no and that she wanted to call a lawyer. I then advised Ms. Jaschek that I was going to remove her from the vehicle and she continued to state she did not want to exit the vehicle. I subsequently opened Ms. Jaschek's door and removed her seatbelt. Deputy Lang and I then removed Ms. Jaschek from the driver's seat.

I then requested Ms. Jaschek perform Standardized Field Sobriety Exercises (SFSE's), and she stated she would perform them. During the medical questionnaire, Ms. Jaschek explained she does not take any medications, but she stated she received an [REDACTED] earlier in the day.

The first exercise was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions for the exercise, and Ms. Jaschek stated she understood. During the exercise, Ms. Jaschek was swaying; however, I did not observe any clues.

The next exercise, was the Walk and Turn (WAT) exercise. After I explained the instructions and demonstrated the exercise, Ms. Jaschek stated she understood the exercise and did not have any questions. During the instructions, Ms. Jaschek was unable to maintain her balance. During the exercise, Ms. Jaschek made stepped off line, took the wrong number of steps, missed heel-to-toe, used her arms for balance, and made an incorrect turn.

The third exercise was the One Leg Stand (OLS) exercise. I explained the instructions and demonstrated it for Ms. Jaschek. Ms. Jaschek then stated she could not perform the exercise.

The fourth exercise was the Modified Romberg Balance exercise. I explained the instructions for Ms. Jaschek and she stated she understood and did not have any questions. During the exercise, Ms. Jaschek estimated 30 seconds had elapsed after approximately 14 seconds.

Based on my observations, Ms. Jaschek was placed under arrest for the offense of DUI. She was placed into handcuffs that were checked for proper fit and double-locked. Ms. Jaschek was eventually transported to the Indian River County jail.

After arriving at the jail, booking staff requested Ms. Jaschek provide a breath sample. Ms. Jaschek provided two breath

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-1135

REPORT DATE: 06/26/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **06/26/2026**, at **03:24** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On June 26, 2026, at approximately 0106 hours, I was at the intersection of Sebastian Boulevard eastbound and U.S. Highway 1, Sebastian, Florida 32958. While waiting for the eastbound light to turn green, I observed a white transit van driving northbound on U.S. Highway 1 approaching the light. I observed the white transit van to be on the left-hand side of the road. Upon the van approaching the intersection, I observed the van conduct a U-turn. Due to my knowledge of the intersection, I knew there were several "No U-turn" signs at the intersection. I knew these signs to advise the northbound traffic not to make a U-turn at the intersection and begin to drive south on U.S. Highway 1.

Upon the van making the illegal U-turn and beginning to drive southbound on U.S. Highway 1, I also observed the van to not have any white lights illuminating the registration plate, making the plate unreadable, only had one functioning taillight (the passenger side taillight), and when the brakes were applied, I observed the driver's side taillight to be broken.

I then activated my emergency lights and conducted a traffic stop on the van. The van exited off of U.S. Highway 1 and pulled into the parking lot of 617 U.S. Highway 1 (The on-the-Fly Gas Station). I observed the van to be bearing a Florida-issued registration plate PYTV17. Upon the vehicle making a complete stop, I approached the passenger side of the vehicle. Upon approaching the passenger side front door, I observed a white male in the front driver's seat and a black male in the front passenger seat. I observed the two males to be the only occupants inside the vehicle. I observed the black male in the front passenger seat not wearing his seat belt. I requested the white male's driver's license, the vehicle's current proof of registration, and current proof of insurance. I observed the white male to let out a deep breath. Then the white male stated, "Sir, I do not have a license." While I began asking the white male to clarify, he handed me a Florida-issued Identification card.

At this time, I requested the black male's identification due to him not wearing a seat belt. The black male also provided me with a Florida-issued Identification card. At this time, Corporal Keskinen #410, Officer Wilkinson #419, and Officer Venegas #420 arrived at the scene.

While the other officers began to speak with the driver of the van, I provided both males' identification cards to the Sebastian Police Department's dispatch center. I identified the white male driver as Durk Shawn Bearden (FL DL# B635177800481). The dispatch center advised that Durk's driver's license was suspended indefinitely. I identified the black male as Rashon Lamir Hart (FL DL# H228199254000). The Dispatch Center advised Rashon had an active warrant out of Indian River County, Florida (Indian River County warrant number #2026651), for driving while license suspended, habitual offender.

Corporal Keskinen and Officer Wilkinson requested Durk to exit the vehicle. Durk complied. Durk was placed under arrest for driving while his license was suspended with knowledge. Officer Venegas and I requested Rashon to exit the vehicle. Rashon complied and exited the vehicle. I detained Rashon and placed him into mechanical hand restraints, which were checked for proper fit and ensured to be double locked. I then requested the dispatch center to send for confirmation.

The dispatch center advised that confirmation was received. At this time, Rashon was placed under arrest.

I transported both males to the Indian River County jail without incident.

Case Report # 2026-00067639

NARRATIVE

On Thursday, June 25, 2026, at approximately 2052 hours, I, Deputy M. Neill #6317 responded to 2542 12th Square SW, Vero Beach, Indian River County, Florida, in reference to disturbance that occurred at the Beverage Mart located at 735 27th Avenue SW, Vero Beach, Indian River County, Florida.

Upon my arrival I made contact with Ms. Kayla Goodin and Mr. Damian Vogel. Both reside and are in a relationship with each other. Both provided the following statement: At approximately 2045 hours, Mr. Vogel and Ms. Goodin parked their vehicle at Caps Pizza so that Mr. Vogel could go to the store. Mr. Vogel walked to the store on foot so that he could return a vape that he purchased there. While speaking to an employee, a white male in a Toyota truck became upset and agitated that it was taking so long. The male got out and became physical with Mr. Vogel, by pushing him. Ms. Goodin observed this from the vehicle she was sitting in. She got out and approached on foot, asking what was going on and attempting to explain to the male that Mr. Vogel is a disabled person since he has [REDACTED]. The male was still irate and yelling. Ms. Goodin went to the back of the male's vehicle, using her phone to record, so that she could obtain the license plate to report the incident to law enforcement. After getting to the rear of the vehicle, the male approaches her and snatches the phone out of her hand. The male then quickly got in to his vehicle with the phone.

Mr. Vogel observed this and was standing in front of the subject's vehicle, attempting to prevent him from driving away since he had just taken Ms. Goodin's phone. Ms. Goodin then reached in to the vehicle in attempts to get her phone back. During this time, a struggle ensued over the phone. The suspect would not relinquish the phone. Ms. Goodin advised that she used a pair of tweezers to stab the suspect with, in efforts to get her phone back. This effort did not work. The male then started to punch Ms. Goodin in the head. After Ms. Goodin was able to get her phone back, the male started to accelerate and push Mr. Vogel backwards with his vehicle, as he was still standing in front of it. Mr. Vogel advised he was in fear for his safety based on the actions the suspect made using his vehicle to purposely hit him. The male then left the scene.

The phone that was stolen is a black iPhone 17 valued at \$1600.

Mr. Vogel had blood on his right forearm. This is believed to be blood from the suspect as after washing his arm, there was no scratches or wounds.

Ms. Goodin had a knot on the back of her head, that was not visible and could only be felt by hand. She also had dried blood on her shirt.

I was able to review the video's that Ms. Goodin was able to take. There are three videos in total. The first video shows her walking around the Toyota truck to get the license plate. In the video, you can identify the truck as its bearing Florida tag 85CJIE. The second video is from within a vehicle (this was later determined to be the suspect vehicle based on video surveillance). During the second video, you can hear Ms. Goodin say "give me my phone back" and a struggle ensues over the phone. This video is only a few seconds long. The third video is of the male subject in the truck as he is driving away. The Florida 85CJIE is again captured in this video.

NARRATIVE (Continuation)

Using FCIC/NCIC, Deputy Edgar was able to obtain the owners information. The owner of the truck is Mr. Paul Markay. Deputy Edgar was able to show me a photo of the registered owner. Based on the video Ms. Goodin provided and the drivers license photo of Mr. Markay, they appear to be the same subject.

Deputy Edgar then responded to the Beverage Mart in efforts to get video surveillance of the incident. Only some of the video surveillance was available. The following was observed on video surveillance:

Mr. Markay is seen approaching Mr. Vogel at the window for the convenience store. Mr. Markay approaches the male and gets very close to his person, nearly body checking him. The next video is of the drive through bay. The video starts after the confrontation has begun already. You see Mr. Markay in his vehicle. Ms. Goodin is heard screaming "give me back my phone, he has my phone". She then reaches in to the vehicle to retrieve her phone from Mr. Markay. A struggle is seen between the two subjects. Mr. Markay is seen on camera punching Ms. Goodin in the back of the head multiple times. Ms. Goodin then exits the vehicle with her phone. Mr. Vogel is standing at the front of the vehicle during this incident. Mr. Vogel then goes to the driver's side window to address Mr. Markay hitting Ms. Goodin. Mr. Markay then slaps the left side of Mr. Vogel, resulting in his glasses flying off his face. Mr. Markay drives forward, towards the end of the drive through. During this time, Ms. Goodin is taking a video of Mr. Markay and his vehicle. Mr. Markay stops his vehicle, gets out, and charges towards Mr. Vogel. He pushes Mr. Vogel forcibly. He then turns towards Ms. Goodin and pushes her as well. Mr. Vogel and Ms. Goodin are seen backing up, attempting to separate themselves from Mr. Markay. He is seen walking towards them, flailing his arms at them. The video then cuts off.

The Indian River County Real Time Crime Center (RTCC) was able to make a photo lineup that included Mr. Markay so that it could be presented to Mr. Vogel and Ms. Goodin. Sergeant Daugherty retrieved the photo lineups from RTCC and delivered them to me. Sergeant Le presented both photo line ups as an independent administrator. Mr. Vogel was able to identify Mr. Markay as the suspect. Ms. Goodin did not select Mr. Markay as the suspect.

While investigating the incident, Detective Magill was conducting surveillance near Mr. Markay's residence. He confirmed that Mr. Markay's vehicle was at the residence.

I responded to the area of Mr. Markay's residence. Detective Magill and I parked our vehicles near 21st Street SW and 42nd Court SW. Mr. Markay's residence was at the most southern end of 42nd Court SW, which is a dead-end street. While waiting for other units to arrive to approach the residence, Detective Magill and I observed Mr. Markay's vehicle leaving the area. As Detective Magill was in an unmarked vehicle, he followed Mr. Markay's vehicle as I followed at a distance. While following the vehicle, Detective Magill and I observed the vehicle fail to maintain its lane multiple times, weaving to the right and left. The vehicle was observed crossing the double yellow line at least twice within a mile of driving.

A high-risk traffic stop was conducted based on the vehicle being used in a crime as well as the driving pattern. The

driver stopped the vehicle near 14th Street and 43rd Avenue. The driver, who was later identified as Mr. Markay, was called out of the vehicle. Mr. Markay was taken in to custody without incident. Detective Magill and Deputy Ruiz could smell the odor of an alcoholic beverage emitting from Mr. Markay as they were securing him in handcuffs.

Sergeant Le, Detective Magill, and I cleared the vehicle. No one else was located within the vehicle.

I then spoke with Mr. Markay. He was advised of his Miranda Rights. Mr. Markay advised that he understood his rights and was willing to answer some questions, depending on the question. Mr. Markay confirmed that he was involved in an incident at the Beverage Mart including a male and his girlfriend. He advised the two of them were "up to no good", and were "not good people". He advised that he was "protecting the people" at the convenience store from these two people. While speaking to the male and the female, they both attacked him and pushed him. Mr. Markay advised that the female bit him, which is why he has an injury on his left arm. Mr. Markay was unable to provide an explanation as to how Ms. Goodin's phone took a video from within his vehicle if he did not have her phone. He was unable to provide an explanation for this.

Mr. Markay had a laceration on his left forearm. He had a scratch on his right arm as well.

Mr. Markay confirmed that he has consumed some alcohol earlier today. He would not specify how much beer he consumed today. He confirmed that he had not had any alcohol prior to the incident at the Beverage Mart.

While speaking to Mr. Markay, he had a slur in his speech, made incomplete sentences, was unsteady on his feet, had watery eyes, and the odor of an alcoholic beverage emitting from his breath.

Mr. Markay's vehicle was towed by Nettles Towing.

I transported Mr. Markay to the Indian River County Jail. Upon arriving at the jail, the nurse inspected the wound on Mr. Markay's arm. She elected that it likely needed stitches and would require medical clearance. Mr. Markay was then transported to the Cleveland Clinic Hospital. Mr. Markay denied medical treatment and was medically cleared. He was then transported back to the jail.

After reviewing the video surveillance, Mr. Markay is wearing the same t-shirt and shorts that he was wearing during the incident. He no longer is wearing the camo hat or the white sneakers.

While at the jail, Mr. Markay performed Standardized Field Sobriety Exercises. They go as follows:

Horizontal Gaze Nystagmus (6/6): Mr. Markay had a Lack of smooth pursuit, Distinct and sustained nystagmus at maximum deviation, and Onset of nystagmus prior to a 45-degree angle in both eyes. He did not have a resting

nystagmus. He had equal pupil size and equal tracking in both eyes.

Walk and Turn (4/8): Mr. Markay did not touch heel to toe on multiple steps, stepped off line, used his arms for balance, and took the incorrect number of steps. The incorrect number of steps was due to him starting the exercise, then falling offline, and then restarting the exercise completely over again without being informed to do so.

One leg stand (2/4): Mr. Markay swayed while balancing himself and used his arms for balance.

Based on my training and experience, I believe Mr. Markay was in actual physical control of a motor vehicle where his normal faculties were impaired. Deputy J. Hiss then requested that Mr. Markay submit to a lawful test of his breath. Mr. Markay provided two breath samples of 0.176 and 0.174.

Based on the above statements, video surveillance, and evidence, I believe there is probable cause to arrest Mr. Paul Markay for the offense of Robbery by Sudden Snatching without a weapon, pursuant to FSS 812.131.2b, Two Counts of Battery, pursuant to FSS 784.03.1a1, and Driving Under the Influence 0.15 or Greater, pursuant to FSS 316.193.4

NARRATIVE

On 06/26/2026 at approximately 1029hrs, I Deputy Finkle and FTD Cpl. Baumann were dispatched to the address of 7955 95th Ave for a wanted person.

Once on location, I made contact with a female at one the out-buildings on the property who confirmed Kameron Stanely, who had two outstanding warrants was inside the building. I made contact at the door at which time Kameron exited the building where he was identified by his Florida drivers license.

I informed him he had active warrants (#3WB2007975FR and #3WB2023372FR), which were confirmed through FCIC/NCIC and took him into custody without incident. I then transported him to Indian River County Jail where he was turned over to Jail staff without incident.

BWC active and uploaded to Axon.

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-002857

REPORT DATE: 06/26/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **06/26/2026** at **20:46** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I responded to 1901 US-1 (BP Gas Station) in reference to a male who had been previously trespassed by Ofc.Kriegner on 06/26/2026 (CFS #26-002853). The complainant, Muhammed Azeem, who is the store clerk, advised the male had returned to the property.

Ofc.Kriegner arrived on scene first and advised that the male was on the property, standing on the north corner of the store, violating the trespass previously filed. The male was identified as Benjamin Daum (W/M DOB:10/28/1983). The information was provided to dispatch which they confirmed Daum had an active trespass on file for the aforementioned location.

Ofc.Kriegner placed Daum in handcuffs and on my arrival I observed Daum actively resisting Ofc.Kriegner as she attempted to conduct a search of his person. Daum was observed pulling his body away, tensing up his arms, and yelling profanities. At that time, I assisted Ofc.Kriegner in physically holding Daum against the patrol vehicle so she could continue with the search. Daum was then guided to the rear of my patrol vehicle. It should be noted that while standing in close proximity to Daum, I smelled a strong odor of an alcoholic beverage emanating from his person and noticed his speech to be slurred while he spoke.

Daum was then ordered to sit inside the vehicle where he stated "no" and continued to verbally and physically resist. Daum then partially sat on the rear seat where he proceeded to lift his legs up and kick my right hip area. Daum's foot made contact with my gun holster, which caused minor discomfort and caused me to lose balance and step back. Daum was eventually guided inside where he proceeded to spit, kick the window, and bang his head against the partition of my vehicle. Daum continued to curse and stated the following to me: "wait till we get there I'm gonna kick you right in your shit bitch."

Daum was placed under arrest for Trespassing F.S.S. 810.08(1), Battery on LEO F.S.S. 784.07(2b), Threats to LEO F.S.S. 836.12(2)(a) and two counts of Resisting without Violence F.S.S. 843.02.

Daum was transported to the Indian River County Jail for booking and processing and to be held on NO BOND.

The body worn camera footage and in car footage is available on evidence library.

Arrest Affidavit Report

Case Report # 2026-00068048

NARRATIVE

On Friday, June 26th, 2026 at approximately 2124 hours I was traveling westbound on 16th Street from Old Dixie Hwy. I was behind a silver 2017 Toyota Yaris bearing FL Tag #02BHPP. I visually estimated the vehicle to be traveling at approximately 40 mph in a posted 30 mph zone. I activated the front antenna of my Stalker DSR 2X radar unit and received a speed of 40 mph. As we approached the 1400 block of 16th Street the Toyota swerved over the fog line nearly striking a curb and swerving back into its lane of travel.

I conducted a traffic stop on the vehicle in the parking lot across from Vero Beach High School, 1707 16th Street. I made a driver's side approach and made contact with the driver and sole occupant of the vehicle, Heather Dawn Stockwell. I informed Heather for the reason for the traffic stop. While speaking with Heather I could smell the strong odor of an alcoholic beverage emitting from the vehicle. Heather's speech was slurred as she spoke. Heather stated that she was coming from Filthy's Bar and that she was a bartender there. She advised that her shift started at 1700 hours. I asked Heather if her shift was only four hours long (the time of this question was at 2126 hours), and she responded by stating that she had worked 6-7 hours. I asked Heather if she consumed any drinks while she was working, she stated that she consumed two white claw alcoholic beverages.

Once an additional unit arrived on scene, I requested Heather exit the vehicle. When Heather exited the vehicle, I observed her to have an orbital sway. While speaking with Heather outside and away from the vehicle I could smell the odor of an alcoholic beverage emitting from her breath as she spoke. I observed her to have bloodshot and watery eyes. I asked Heather if she was a diabetic or epileptic and she stated that she was not. I requested Heather submit to the standardized field sobriety exercises, and she verbally stated that she would.

After positioning my patrol vehicle for the exercises, I again asked Heather if she was a diabetic or epileptic and she stated that she was not. Heather stated that she does not use and prescription medications, has no physical defects, and does not wear glasses or contacts.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes.

-During her first attempt I observed a lack of smooth pursuit in both eyes, I observed distinct and sustained Nystagmus at maximum deviation in both eyes, and I observed Nystagmus prior to 45 degrees in both eyes. I observed vertical gaze Nystagmus (VGN) in both eyes.

The second exercise I demonstrated and explained was the Walk and Turn exercise. During the instructional phase she had difficulty maintaining her balance and attempted to begin without being told to do so.

-During her first set of steps she took 18 instead of the 9 instructed. She did not maintain her arms to her sides, she used her arms for balance, she stopped while walking, and did not count any steps out loud as instructed. During her second set of steps, she took 16 instead of the 9 instructed. She did not maintain her arms to her sides, she used her arms for balance, she stopped while walking, and did not count any steps out loud as instructed. On her final step she almost fell over.

NARRATIVE (Continuation)

Based upon my observations of her performance I chose to skip the One Leg Stand exercise out of concern for her safety and not wanting her to fall over.

The third exercise I demonstrated and explained was the Finger to Nose exercise, I gave the following sequence:

Left- Struck under left nostril.

Right- Struck under tip of nose.

Left- Struck bridge of nose with pad of finger.

Right- Struck with pad of finger.

Right- Struck under right nostril, searched, then touched the tip.

Left- Struck under tip / right nostril.

This exercise stopped briefly due to Heather staggering and swaying and losing her footing.

Based upon the totality of the evidence Heather was taken into custody for violation of FSS 316.193(1)(a) – DUI.

A query through D.A.V.I.D. revealed that on 12/07/2018 Heather was adjudicated guilty for DUI in reference to CASE/CITATION #6579XEU in Martin County.

Heather was transported to the Indian River County Jail for booking. At the county jail Heather was asked to provide a lawful breath sample by booking staff and she refused. She was read implied consent and again refused. Heather was additionally charged with violation of FSS 316.1939(1)(E) - Refusal to Submit BAL Testing.

Arrest Affidavit Report

Case Report # 2026-00068060

NARRATIVE

On Friday, June 26, 2026, at 2234 hours, I conducted a traffic stop on a white Dodge Charger bearing FL/ 3071YQ, at the 3100 block of 45th Street for violating FSS 316.123(2)(A). As I approached the vehicle, it should be noted that I was met with an overwhelming odor burnt marijuana. As I made contact with the driver and sole occupant, I asked the male subject, later identified as Jadis R. Williams, why it took him so long to pull over. Williams responded by expressing that he was trying to call his mother, due to him knowing he did not possess a valid driver's license. After learning Williams did not possess a valid driver's license, I requested that he exit the vehicle, too which he complied.

After Williams was out of the vehicle, I requested Public Safety Dispatch to run him through FCIC/NCIC databases. PSD returned back advising that Williams' Florida issued driver's license was previously suspended on 06/23/2025, and indefinitely canceled on 07/25/2025. In addition to Williams' driver's licenses status, PSD advised Williams was on probation or supervised release for burglary of an unoccupied structure; from 05/30/2025 - 09/29/2028. After confirming Williams' probationary status, I detained Williams and placed him in the rear passenger compartment of my agency issued patrol vehicle.

After securing Williams, I requested K9 Deputy Shaw to walk his K9 partner around the suspect vehicle. K9 Deputy Shaw utilized is K9 partner, resulting in a positive alert. K9 Deputy Shaw and myself then searched the interior compartments of the suspect vehicle. I located a bright red color e-cigarette containing suspected synthetic THC oil on the driver's seat floorboard. K9 Deputy Shaw located a clear plastic bag stuffed between the center console and front passenger seat containing 3.47g of suspected loose marijuana.

After locating and collected both suspected controlled substances, I went and made contact with Williams and advised him of his Miranda Rights; too which he expressed his understanding and agreed to speak with me. Post Miranda, Williams expressed he purchased the "cart" (cart is common terminology for THC vape pens) from a dispensary, but denied ownership and knowledge of the bagged suspect marijuana between the seat next to him. It should be noted that the suspect vehicle did not have any insurance attached nor Williams was unable to provide me with any documentation for the vehicle. An agency issued field drug test kit was utilized to test the suspected narcotics. Both collected substances revealed positive test results.

Through my investigation, I found Jadis Rondarius Williams to be in violation of;

- FSS 893.13(6)(b), possession of marijuana not more than 20g (citation # ANHBE2E)
- FSS 893.131(a)(2), possession of synthetic cannabinoids (citation # ANHBE3E)

NARRATIVE

On Friday, June 26th, 2026 at approximately 2340 hours I was traveling northbound on US Highway 1 in the inside (left) lane of travel. I was just south of the intersection of S. Indian River Drive when I observed a white 2021 Hyundai Elantra bearing FL Tag #XLU291 traveling southbound in the northbound lanes of travel approaching my patrol vehicle head on. I activated my emergency lights and conducted a traffic stop on the Hyundai.

I made contact with the driver and sole occupant of the vehicle Kristy Ann Kralovich. Kristy stated that she just moved here and was unfamiliar with the roadways. I could smell the strong odor of an alcoholic beverage emitting from inside of the vehicle. While Kristy was speaking her speech was slurred. Kristy appeared to have urinated on the front of her shorts. Kristy had bloodshot and watery eyes. Kristy stated that she was leaving her friends residence and was driving home. Kristy initially denied consuming any alcoholic beverages.

I requested Kristy exit her vehicle so that we could move to a safer location. When Kristy exited the vehicle, she was unable to maintain her balance swaying from side to side. She immediately stated that she has [redacted] which is why she appears to be swaying. Kristy appeared to have urinated on both sides of her shorts. I asked Kristy if she was able to operate a motor vehicle and she stated, "Oh my god of course". While outside of the vehicle I again asked Kristy if she consumed any alcoholic beverages, she again stated that she has not. I informed her that I could smell the odor of an alcoholic beverage emitting from her, she then advised that she had a single corona beer earlier in the evening. I asked Kristy if she would be willing to submit to the standardized field sobriety exercises, she immediately stated that I would fail her because of her [redacted] and that she could not do walking exercises. I informed Kristy that I could do the exercises from the seated position. I asked Kristy if she had any other medical conditions beside [redacted] and she stated that she does not. I asked Kristy what [redacted]

[redacted] Kristy agreed to submit to the exercises.

I instructed Kristy to walk to the front of my patrol vehicle. While walking Kristy was unsteady and had difficulty maintaining her balance. Kristy made a comment that she peed her pants because of her [redacted] and drinking too much water. I asked Kristy if she was a diabetic or epileptic, she stated that she was not. Kristy advised that she was not wearing any contacts. Kristy advised that she has not taken any other medications besides her [redacted] which she takes in the morning.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus.

-During her first attempt I observed a lack of smooth pursuit in both eyes, distinct and sustained Nystagmus at maximum deviation in both eyes, and Nystagmus prior to 45 degrees in both eyes. I did not observe vertical gaze Nystagmus (VGN). She had to be reminded of the instructions several times and she had difficulty maintaining her balance and remaining still.

The second exercise I demonstrated and explained was the Modified Romberg Balance exercise. After I completed explaining this exercise, she attempted to do the Walk and Turn exercise, despite me never demonstrating that exercise or making any mention of her walking. I instructed her to remain seated on the hood of the patrol vehicle and to follow

-During her first attempt she estimated the passage of 30 seconds in approximately 25 seconds. She had eyelid tremors and an orbital sway.

The third exercise I demonstrated and explained was the Finger to Nose exercise, I gave the following sequence:

- Left- Struck the bridge of her nose with the pad of her finger.
- Right- Struck the bridge of her nose with the pad of her finger.
- Left- Struck the bridge of her nose with the pad of her finger.
- Right- Struck the bridge of her nose with the pad of her finger.
- Right- Struck under the tip of her nose.
- Left- Struck the bridge of her nose with the pad of her finger.

Based upon the totality of the evidence Kristy was taken into custody for violation of FSS 316.193(1)(a) – DUI. She was transported to the Indian River County Jail for booking.

A query through D.A.V.I.D. revealed that on 02/07/2008 Kristy was adjudicated guilty for DUI in reference to CITATION # 0000 in New Jersey.

At the county jail Kristy provide two lawful breath samples to booking staff. Her first breath sample was 0.117 and her second breath sample was 0.116.

Case Report # 2026-00068100

NARRATIVE

On Saturday, June 27th, 2025, at approximately 0147 hours, I was conducting speed enforcement around the 11800 block of State Road 60. While traveling westbound, I observed a dark in color Acura SUV traveling eastbound at a high rate of speed. I estimated the vehicle's speed to be approximately 100 miles per hour; my calibrated Stalker DSR 2X radar indicated a speed of 104 miles per hour, with a clear and consistent Doppler tone. It is important to note that the posted speed limit for eastbound traffic is 65 miles per hour. As the vehicle passed me, it was in the right lane and dangerously approached another vehicle in the same lane, and made an improper lane change without signaling, to avoid a collision with the other vehicle. I initiated a traffic stop near the 9500 block of State Road 60. Upon making contact with the driver, who was identified through Florida driver's License as Joseph Jefferson Nguyen Dovich, I instructed him to exit the vehicle and explained the reason for the traffic stop. I advised him that he was being detained for traveling 39 miles per hour over the posted speed limit. The driver was subsequently handcuffed and placed in the rear of my patrol vehicle.

Based on the facts and observations Dovich is violation of FSS. 316.1922.(1)(B) Dangerous Excessive Speeding – 100mph or more. Dovich was transported to the Indian River County Jail without issue.

Arrest Affidavit Report

Case Report # 2026-00068144

NARRATIVE

On June 27, 2026, at 0634 hours, I was patrolling the area of Interstate 95 and State Road 60 when I observed a gold Volkswagen bearing Florida tag 07BRYW with dark window tint that prevented me from seeing inside the vehicle.

I conducted a traffic stop and made contact with the driver, later identified as Octavio Enrique Ubeda Chavarria. I informed Chavarria of the reason for the stop and requested his driver's license, registration, and proof of insurance. Chavarria stated that he did not possess a driver's license. To clarify, I asked whether he did not have a driver's license in his possession or if he had never been issued one. Chavarria advised that he had not been issued a United States driver's license.

Chavarria was taken into custody and transported to the Indian River County Jail for the following charge:

- No Valid Driver License, Never Issued, in violation of F.S. 322.03(1).

MARSHY'S LAW?

ORIGINAL

AGENCY CASE #: 26-002889

REPORT DATE: 06/27/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 06/27/26 at 1444 hours, officers were dispatched to 7-Eleven convenience store at 1976 43rd Avenue referencing a suspicious person call. While en route, VBPD dispatch advised the male suspect was wearing a black wig, white t-shirt, and tan pants. Upon arrival, officers made contact a store employee, Christine Schlitt, who stated the suspect male had left prior to our arrival, but that incident was recorded on store surveillance.

Schlitt advised the suspect, later identified as Joseph Barcus, tried using a fake 100 dollar bill to pay for a 32oz Big Gulp drink valued at \$1.79. Schlitt advised she told Barcus the bill was fake, but Barcus told her that the bill had a serial number and that it was real. Schlitt told Barcus that they would not accept the bill and Barcus told her that he guesses the drink was for free and then and left the store with the drink. Schlitt stated Barcus left without paying for the drink was very verbally aggressive while doing so.

I made contact with Barcus at his residence (1423 39th Avenue). Barcus stated he was at 7-Eleven and that he did nothing wrong. Barcus denied using a fake \$100 dollar bill and when asked where the bill was he stated that he threw it away. Barcus also stated that he took a big gulp drink and did walk past the last point of sale, but threw it in the trash can outside the store. Barcus advised he was wearing a black wig, but that is because it is his style and was not meant to trick the employee who he stated he knows well. While standing outside his residence, I observed fake \$100 bills lying on the back porch table, which were clearly marked "For Motion Picture Use Only."

With information received from store employees including watching surveillance video, it was determined that Barcus had violated FSS 831.09, uttering forged bills, and FSS 812.014, petit theft. Barcus was then placed under arrest and transported to Indian River County Jail where he is being held with no bond.

AGENCY CASE #: 26-1140

REPORT DATE: 06/27/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **06/27/2026** at **19:53** (Specifically include facts constituting cause for arrest.)

On June 27th, 2026, at approximately 1737 hours, I was dispatched to 297 Englar Drive, Sebastian, Florida, in reference to a disturbance.

Other officers were already on scene. I made contact with the witness, who was identified as Chase Lehman. Chase prior to officers arriving on scene and stated that he saw a black pickup truck with a male and female located inside, involved in a disturbance. I made contact with Chase, who stated in summary that he saw a female and a child get out of the truck. The female was getting stuff out of the passenger side of the truck as the male started to move the truck. The male physically shoved the female out of the way and removed the car seat from the truck. Chase stated that the male also threw a wine bottle in the woods. Once the female and child walked into the stormwater park, the male followed, and Chase stated he could no longer see them as his view was blocked by cars.

It should be noted that a wine bottle was recovered in the woods, which corroborates the statement that Chase gave to officers about the incident.

Other officers who were on scene advised me that the male who was identified as Cole Blackburn was denying that anything had taken place today. Cole did state that he and Amanda have been

I then made contact with the female who was identified as Amanda Carey. Amanda was being very uncooperative and was denying that anything had taken place today. It should be noted that while speaking with Amanda, she had very visible bruising on multiple parts of her body. I was able to capture photos of Amanda.

Due to the witness statement that was provided by Chase, Cole was placed under arrest for FSS Battery 784.03, domestic violence. Cole was placed in mechanical restraints, which were checked for fit and double locked. Cole was then searched and placed in the back of my patrol vehicle. Cole was then transported to the Indian River County Jail without further incident.

PROBABLE CAUSE STATEMENT

Case Report # 2026-00068348

NARRATIVE

On June 27, 2026 at approximately 1833 hours, I, Deputy Gadacz responded to the area of 12th Street and US Highway 1, in reference to a stolen vehicle BOLO.

I observed the stolen black 2013 Lincoln bearing Florida tag (QGSA84), traveling Northbound on US Highway 1. I activated my patrol vehicles emergency lights and conducted a traffic stop at the intersection of US Highway 1 and 19th Place. The vehicle came to a complete stop in the McDonald's parking lot. The driver who was later identified as Kasandra Marie Seymour, attempted to exit the vehicle. I advised Seymour to stay inside of the vehicle. I made contact with Seymour at the driver's window and asked Seymour for her driver's license. Seymour advised she did not have her driver's license on her and to arrest her because she said she knew the vehicle was stolen. I had Seymour step out of the vehicle and detained her. Seymour was searched and placed in the back seat of my patrol vehicle. At that time, Seymour provided her name and date of birth. I read Seymour her Miranda Warning and Seymour advised she wished to remain silent.

I checked Seymour's through Driver and Vehicle Information Database (DAVID), and found that Seymour had her license suspended February 17, 2025. I went through Seymour's driving history and found she had been issued a citation (AL6QFUE), on June 1, 2025, for driving while suspended, in St. Lucie County. I issued Seymour Citation (ANHBNGE), for Knowing Driving While License Suspended or Revoked.

DRIVE WHILE D/L CANCELED, SUSPENDED OR REVOKED ... the said Kasandra Marie Seymour having previously been convicted of driving while license canceled, suspended or revoked on July 2, 2025, in St. Lucie County, Florida and Kasandra Marie Seymour knew of such cancellation, suspension or revocation.

Kasandra Marie Seymour was placed under and charged with Knowingly Driving While License Suspended/Revoked, F.S.S. 322.34(2)(b).

Case Report # 2026-00068352

NARRATIVE

On Saturday June 27, 2026, at approximately 1856 hours, I responded to [REDACTED] in reference to a disturbance.

Upon my arrival, I made contact with Joshua Coll who was walking away from the residence.

I asked Coll to inform me on what's going on and he began to explain himself in a loud manner to which it was very hard to understand. Coll was placed in the back of the agency vehicle due to his aggressive behavior to prevent further issues.

I made contact with Mary Reinemann who stated the following in substance: Her and Coll were discussing about child pick up. It was Coll turn to take possession of their three kids Juliet, Athena, and Genevieve Coll. She told Coll that he was able to pick up the girls but a time and date was not planned. Few hours later Coll shows up to the residence uninvited and approaches the front door to make contact with Mary. She answered the door to talk with Coll but an argument began. Mary shut the door in Coll face and he began to knock in an aggressive manner. Coll made his way around the house breaking the threshold of the garage by entering and making his way into the laundry room. Mary came out the main part of the house that's connected to the laundry room and met Coll in the hallway. Mary and her mother Theresa began yelling at Coll to get out of the house. Coll began pushing Mary away keeping her from removing him from the house and blocking the door with his foot. Mary stated Coll continued to forcibly push her stating he wanted his kids. She stated once Coll realized the kids heard what was going on and was unable to get inside the residence, he removed himself from the door walking back to his vehicle.

Mary mother, Theresa stated she did not want Coll on her property due to Coll aggressive behavior.

A witness who did not want to be identified stated that Coll started from the front door, walking towards the garage and entering, making his way through the laundry room when trying to get through the second laundry door that leads further inside the residence before Mary was able to stop him.

I spoke with Mary daughter Athena who stated she heard both grandma and mom say get out of my house.

Based on my investigation with all involved statements I placed Coll in custody.

Coll will be charged with the following:

Case Report # **2026-00068389**

NARRATIVE

On Saturday, June 27th, 2026 at approximately 2138 hours I was traveling westbound on 16th Street from Old Dixie Hwy. I observed a white 2014 Buick Encore bearing FL Tag #3181J traveling westbound in front of my patrol vehicle.

I observed the Buick drive over the center lane divider. I visually estimated the vehicle to be traveling at approximately 40 mph in a posted 30 mph zone. I activated the front antenna of my Stalker DSR 2X radar unit and received a speed of 39 mph. I observed the vehicle drive over the fog line two times between the 1600 block and 2800 block of 16th Street. I conducted a traffic stop on the vehicle at the 2800 block of 16th Street.

I made a driver's side approach and made contact with the driver and sole occupant of the vehicle, Jackelene Jean Sarbu. While speaking with Sarbu I could smell the strong odor of an alcoholic beverage emitting from the vehicle. Sarbu had bloodshot and watery eyes. I informed Sarbu for the reason for the traffic stop, she stated, "I was jamming". I asked Sarbu if she was feeling okay and she stated that she was and was upset over being informed that she was losing her job. I asked Sarbu if she was driving home from work, she stated she was coming from Filthy's Bar. I asked Sarbu if she had anything to drink while she was there, she stated yes. Then advised that she for sure had approximately three beers and was there for approximately 3-4 hours.

I stepped back to my patrol vehicle to conduct a query on her driver's license and request an additional unit. Once a second unit arrived, I requested her to exit her vehicle. I observed her smoking a cigarette. I requested that she exit the vehicle and to put out the cigarette. I asked Sarbu if she was a diabetic or epileptic and she stated that she was not. I asked Sarbu if she took any prescription medications today, and she stated that [REDACTED]. I asked her if she felt that she was safe to be driving, she stated yes but that she had a few beers. Despite having just smoked a cigerrate I could smell the odor of an alcoholic beverage emitting from her breath as she spoke. I asked Sarbu if she would allow me to take a look at her eyes voluntarily, she agreed. I asked Sarbu if she had any physical defects, and she stated that she did not. While attempting to check for Horizontal Gaze Nystagmus (HGN), Sarbu would sway from side to side and had difficulty following the stimulus. She stated several times, "you know I have been drinking".

I formally requested Sarbu submit to the standardized field sobriety exercises. I explained to Sarbu that they were voluntarily. She stated that she would submit to the exercises. I asked Sarbu if there were any other prescription medications that she was taking because she mentioned that [REDACTED].

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes.

-During her first attempt I observed a lack of smooth pursuit in both eyes, distinct and sustained Nystagmus at maximum deviation in both eyes, and Nystagmus prior to 45 degrees in both eyes. I did not observe vertical gaze Nystagmus (VGN). During this exercise she had to be reminded to follow the stimulus several times and she swayed from side to side.

The second exercise I demonstrated and explained was the Walk and Turn exercise. While demonstrating the starting

position Sarbu had difficulty maintaining her balance and was not able to safely remain in that position. After staggering she would repeat, "you know". Out of concern that she would fall over if I attempted the walking exercises based upon my observations, I did not allow her to attempt the walk and turn or one leg stand exercise.

The third exercise I demonstrated and explained was the Finger to Nose exercise, I gave the following sequence:

Left- Struck with pad and held.

Right- Correct

Left- Struck with pad.

Left- Struck with pad.

Sarbu was unable to put herself into the proper position for this exercise due to a complaint of an issue with her neck.

Based upon the totality of the evidence Sarbu was taken into custody for violation of FSS 316.193(1)(a) – DUI. She was transported to the Indian River County Jail for booking.

At the county jail Sarbu provided two lawful breath samples. Her first breath sample was 0.151 and her second breath sample was 0.147. Sarbu was charged with violation of FSS 316.193(4) – DUI 0.15 OR HIGHER.

Case Report # **2026-00068399**

NARRATIVE

On Saturday, June 27, 2026, at approximately 2311 hours, I responded to the location at 4300 12th Street regarding a welfare check. The caller reported observing an elderly white male limping toward a bicycle that was lying on the ground just east of 43rd Avenue on 12th Street. Deputy Gadacz made contact with the individual at 3980 12th Street (House of Worship). Upon my arrival, I engaged with the individual, who identified himself as William Kay. I immediately detected a strong odor of an alcoholic beverage emanating from his breath during our interaction. Mr. Kay admitted to riding the bicycle prior to our arrival, which caused him to fall off. He was riding a dark blue bicycle equipped with a black milk crate, used to carry a four-pack of beer that was visible inside. Several open containers were also observed within the basket. During the interaction, the following observations were made regarding Mr. Kay:

- Bloodshot eyes
- Watery eyes
- Slurred speech

I inquired whether Mr. Kay was willing to participate in Field Sobriety Exercises. He declined. I informed him that, in the absence of participation, I would base my judgment on my observations. I provided him with an additional opportunity to perform the exercises, but he continued to refuse. Consequently, I placed Mr. Kay into hand restraints. During the process of custody, he tensed his arms and attempted to pull free. We successfully restrained him, and as we proceeded to my patrol vehicle, Mr. Kay began to resist further by moving his feet harder into the ground to cause resistance. When asked if he was going to resist, he responded, "Yah damn right I am." I then escorted Mr. Kay, with my left hand underhooking his right arm and my right hand holding his face away from me. Upon reaching my marked patrol vehicle, I issued multiple commands for him to widen his stance. He attempted to kick me; I then redirected him to the ground. Mr. Kay was secured in the rear of the patrol vehicle and transported to Indian River County Jail.

Upon arrival at the jail, I offered Mr. Kay an additional opportunity to complete Field Sobriety Exercises. He agreed to do so.

When questioned, Mr. Kay admitted to consuming two beers between 1300 and 1430 hours. Prior to beginning the exercises, I inquired if he had any medical conditions, to which he replied he did not.

HORIZONTAL GAZE NYSTAGMUS EXERCISE

Prior to attempting this exercise, Mr. William Kay indicated he did not have any medical problems that would have prevented him from performing the exercise. It was determined that he was not wearing contacts. His eyes were checked and they displayed equal tracking and his pupils were equal sizes. Mr. William Kay was instructed to follow the stimulus with his eyes only, keeping his head still. After stating that he understood the instructions, Mr. William Kay attempted this exercise. No resting nystagmus was observed. It was noted that Mr. William Kay is color blind.

The results of this exercise displayed 6 of the 6 possible clues.

- A lack of smooth pursuit in the left eye
- A lack of smooth pursuit in the right eye
- A distinct and sustained nystagmus in the left eye at maximum deviation

The preceding is true to the best of my knowledge or belief

- An onset of nystagmus in the left eye prior to 45 degrees.
- An onset of nystagmus in the right eye prior to 45 degrees.

WALK AND TURN EXERCISE

Prior to attempting this exercise, Mr. William Kay indicated he did not have any medical problems that would have prevented him from performing the exercise. Mr. William Kay was instructed to put his left foot on the line and his right foot in front of it with his right heel touching the toe of his left foot. He was instructed to stand in this manner with his hands to his sides until the exercise instructions were completed and the exercise demonstrated. Mr. William Kay was instructed not to begin the exercise until told to start. He was instructed to take nine steps along the line in a heel-to-toe manner. After the ninth step he was to stop and turn around keeping his lead foot on the ground, taking several small steps with the other foot to turn around. After turning around he was to take nine steps in a heel-to-toe manner back along the line, in the direction he had come from. Mr. William Kay was further instructed to watch his feet at all times while walking, keep his arms down to his side, and to count his steps out loud. After the exercise was demonstrated Mr. William Kay stated that he understood the instructions and was instructed to begin the exercise.

The results of this exercise displayed 8 of the 8 possible clues.

He was unable to perform the exercise due to his safety, during this exercise he stated that he would "fail" the task. He stumbled several times to the point where he almost fell into a metal door so I forfeited the task for him.

ONE LEG STAND EXERCISE

Prior to attempting this exercise, Mr. William Kay indicated he did not have any medical problems that would have prevented him from performing the exercise. Mr. William Kay was instructed to stand with his feet together and arms at his sides during the exercise. Mr. William Kay was asked not to begin the exercise until instructed. He was instructed to raise the leg of his choice by approximately 6 inches off the ground. While holding that position,

he was to keep his leg straight and count out loud starting at one thousand one (one thousand one, one thousand two, one thousand three, ...) and so forth until instructed to stop (after 30 seconds). The exercise was demonstrated to Mr. William Kay.

He was unable to perform the exercise due to his safety, during this exercise he stumbled several times to the point where he almost fell into a metal door so I forfeited the task for him.

Deputy Conalez attempted to administer the states test and it was reported to me that Mr. William Kay refused to provide his breath and after being implied consent he still refused to provide his breath. Based on the clues, all of my observations and statements made by Mr. William Kay, Mr. William Kay was placed under arrest for violating FSS. 316.193 (1)(A) (Driving Under the Influence), FSS. 316.1939 (1)(E) (Refuse to Submit to BAC Test and two (2) counts FSS. 843.02 (Resisting Officer Without Violence)

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 06/28/2026, I was conducting traffic enforcement in the 1600 block of U.S. Highway 1 when I observed a vehicle traveling southbound at a high rate of speed. I activated my in-car radar (Golden Eagle XE40232) and received a reading of the vehicle to be traveling 52mph in a posted 35 mph zone.

I initiated a traffic stop at that time near 1000 block of U.S. Highway on Florida Tag bearing BM90JV. I made contact with the driver who provided me with her Florida Driver's License. The female stated she didn't realize she was speeding. The female was identified as Tia Michelle Grills (FL DL: G642-813-84-640-0)

Once running the driver's license through Sebastian Police Dispatch, they stated Tia had 2 active warrants out of Indian River County for Leaving the scene with property and failure to renew registration Total Bond \$2000. (Warrant Number: 202608378)

At that time, Tia was placed in metal restraint devices which were checked for tightness and double locked. The warrant was confirmed as hit through dispatch. Tia was then transported to Indian River County Jail.

This incident is cleared by arrest.

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On _____, at _____ (Specifically include facts constituting cause for arrest.)

On June 28, 2026, at approximately 0146 hours I responded to the area 925 Bougainvillea Lane in reference to a disturbance.

Upon arrival I met with Cpl. Dominguez who told me a male had started a verbal altercation with his ex-girlfriend, Charlyene McKeliver, in the street in front of the above address. The male, identified as Nicholas Adkins, had tracked McKeliver's location to a bar where he found her with another male. According to McKeliver, Adkins became angry and tried to force McKeliver into his vehicle. McKeliver told me he was jealous and yelling at her but did not physically harm her. Adkins was repeatedly yelling "Get in" to McKeliver and threw a drink across the street when she would not enter the vehicle.

When Cpl. Dominguez arrived on scene, he attempted to make contact with Adkins who was causing a disturbance in the middle of the road, yelling and attracting people from local establishments to view the incident. Cpl. Dominguez described his behavior as aggressive. Adkins ignored the lawful commands to stay out of the vehicle and Adkins was detained. Cpl. Dominguez was walking Adkins to his patrol vehicle when Adkins began actively resisting. According to Cpl. Dominguez, Adkins was pulling away by trying to twist his arm out of Cpl. Dominguez's grip. As he was trying to pull away, Cpl. Dominguez took Adkins to the ground to maintain control. Adkins continued to yell and swear about the situation. This occurred in the middle of Ocean Drive with several witnesses, who were patrons of nearby establishments.

One witness, Frank Raymond, corroborated Cpl. Dominguez statement and provided video footage of the initial incident. Raymond described seeing Adkins trying to get McKeliver into his car, parked on Ocean Drive, while McKeliver was refusing to get into the vehicle. Raymond was also witness to Adkins resisting Cpl. Dominguez after being detained.

Adkins was taken into custody and charged under FSS:

- 843.02- Obstruction without Violence
- 877.03- Disorderly Conduct

Arrest Affidavit Report

Case Report # 2026-00068530

NARRATIVE

On Sunday, June 28, 2026 at approximately 1317 hours I responded to 1885 58th Avenue (Home Depot) in reference to a shoplifting.

Upon my arrival I made contact with Regina Melendez to Asset Protection agent for the Home Depot location who advised that a black male suspect later identified as Anthony Clark entered the Home Depot location at approximately at 1251 hours through the Garden Center entrance. Clark was wearing a black backpack, black shirt, black shoes, black shorts and a black hat. The male suspect (Clark) walked throughout the store and selected two items from the display shelves. The male suspect (Clark) walked to another part of the store and concealed the items into the backpack. The male suspect (Clark) then exited the store through the garden center entry/exit. Regina advised that she physically observed Clark select the items and conceal the items inside the backpack and exit the store passing all points of sale without attempting to pay for the items that were concealed. The items are described as an AX1500 WIFI home system \$109.99 and a Milwaukee Strip, grip and punch set \$89.99 with a total value of \$199.96 for both items.

Regina advised that the male suspect (Clark) arrived to the store on a bicycle and after reviewing the in-store surveillance video it could be seen that a white female rode a bike to the suspects bike and rode away with the suspect's bike.

I reviewed the in-store surveillance video of the incident and concur with the statement provided by Melendez.

The male suspect is described as a black male approximately 5'6", approximately 190 pounds with facial hair and wearing a black hat, black shirt, black shorts, black shoes and carrying a black back pack.

The white female is described as wearing a red shirt and white or lite colored pants.

While other deputies were bololing the area it was discovered that the male suspect left the scene and entered the McDonalds located at 5875 20th Street and dropped the backpack on a bench and left the store.

I responded to the McDonalds location and reviewed the in-store surveillance video and while reviewing the front counter video it could be seen that the white female that removed the suspects bike was at a kiosk with another female. At approximately 1302 hours Clark is seen entering the west side entry/exit door wearing the same black shirt, shorts, carrying the backpack and walks past the white females and walk in the main dining area, drops the backpack on the floor next to a chair. Clark then walks past the same two female subjects. The white female then exits the store in a hurried pace and exits the north side entry/exit door. A short time later, the same female reenters the store with a white male subject at a hurried pace. The male subject goes to the restroom area wearing a green shirt and long pants.

The male subject then exits the restroom area wearing a blue long sleeve shirt and long pants walks past the same two females enters the dining area and picks up the backpack off of the floor and exits the McDonalds. Clark is seen exiting the restroom area wearing a green long sleeve shirt. Clark then meets up with the two females and begins to speak with them. While speaking with the two female (Clark) the white male reenters the McDonald's restaurant and meets up with Clark and the female subject.

Clark was located behind the Aaron's rent to own store (4945 20th Street) by Deputy Munki and a show up was

ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On Sunday, June 28th, 2026 at approximately 1344 hours, I responded to the rear parking lot of Select Physical Therapist (1405 Indian River Drive) in reference to a crash involving a vehicle vs. motorcycle.

Upon my arrival, I made contact with the driver of the motorcycle, Manuel Gaspar who had major injuries to his knees. Manuel stated that he was proceeding straight ahead at slow speeds southbound on Indian River Drive, when a red SUV reversed into the roadway causing collision with his motorcycle. The motorcycle fell over, and Manuel fell off of the bike.

I then made contact with the driver of the SUV, Thane Bigwood. Thane had noticeable glossy eyes, and seemed to have a delay in answering questions for Officer Martinez who was conducting a crash investigation. It was determined while speaking with Thane that he was possibly under the influence due to the fact Thane was also leaving Earl's Bar at the time of the crash.

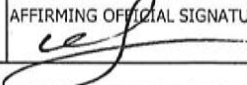

Once the crash investigation was completed, it was explained to Thane that the crash investigation was over and there will now be changing of the hats regarding an investigation for driving under the influence. Post Miranda, Thane stated he only had one beer at the bar. Thane further explained that he does not drink often, but him and his friend were celebrating a wedding. Thane then backtracked and stated he had two beers. Upon further questioning, Thane was continuously failing to make eye contact and had a delay in response to questions. Furthermore, Thane changed his story and stated that he had two 'Yuengling' beers at Earls, and prior in the day between 1000 1100 hours, he had a glass of champagne at the wedding.

Thane agreed to complete field sobriety exercises on scene. Thane stated he did not have any medical conditions or injuries that would hinder him from completing the exercises. The following is what I observed:

1. Horizontal Gaze Nystagmus (HGN)- During this exercise, Thane failed to stay steady on his feet. His body was continuously swaying indicating to officers that he was off balance. Thane had major nystagmus during the lack of smooth pursuit, maximum deviation, and prior to 45 degrees. I also observed slight jerking of the eyes during vertical nystagmus.
2. Walk and Turn- During this exercise, Thane did not have his arms down completely by his side during the instructions. Thane continuously failed to follow instructions by not stepping heel to toe, instead, Thane was placing his heel towards the ball of his foot. Thane was imbalanced during this exercise and would put his arms out away from his side for balance.
3. One Leg Stand- During this exercise, Thane placed his foot down two times and had to bring his foot back up. Thane was using his arms out away from his side to balance, and was habitually swaying during this exercise as well.
4. Finger to Nose- During this exercise, Thane failed to use the tip of his finger to touch his nose. While he was using the correct hand, Thane used the farther pad of his finger instead of the tip. Thane was also having difficulty balancing during this exercise as well.

It was determined after the sobriety exercises that Thane was unfit to drive a vehicle due to the clues and indications of him being under the influence. As a result of Thane causing a traffic crash with injuries while it was determined he was under the influence, Thane was placed into custody for DUI (F.S.S. 316.193(1)).

 On **06/28/2026** at **15:17** (Specifically Include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On **06/28/26** at approximately **1517** hours, I, **Officer Willis #467** responded to **Publix (415 21st St)** in reference to a trespass.

On scene, I made contact with the manager of Publix who stated that he observed a black male wearing an "Eagles" jersey enter the business and took a publix drinking cup. The male suspect left on foot towards Panera Bread (2001 Indian River Blvd) with two other black males. The manager said the black male suspect was trespassed last night for urinating in the store.

I canvassed the area and located three black males on the north side of Panera Bread near the dumpster. One of the black males was wearing a green "Eagles" shirt holding a Publix drinking cup and was later identified as Johnny Thomas DOB 10/01/1990 (defendant). A records check revealed that Thomas was previously trespassed at Publix by Officer Robertson #419 on 06/27/26.

I placed Thomas into custody and arrested him for **TRESPASSING ON PROPERTY AFTER WARNING**.

I then transported the defendant to the Indian River County Jail for booking procedures.

I also issued Thomas a new TAW for Publix.

The incident and arrest did occur in the city limits of Vero Beach, FL.

AGENCY CASE #: 26-002933

REPORT DATE: 06/28/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 06/28/2026, at 18:14 (Specifically include facts constituting cause for arrest.)

I responded to 1750 US-1 (Walmart) in reference to a shoplifting incident. Dispatch advised that a white female wearing a green sweater and blue shorts had taken meat and candy items without paying for them.

On arrival, I observed a female outside of the Walmart entrance (north side), pushing a Walmart cart, and matching the description provided. I made contact with the white female who was later identified as Shelly Freeman (W/F DOB: 06/01/1966). Freeman was advised the reason she was being detained and as I spoke with her, she displayed signs of nervousness. Freeman began to shake and pace around, and claimed she felt like she was having a panic attack and repeatedly asked if she was going to be arrested. While standing with Freeman, I noticed a gray Walmart bag which contained white sandwich bread and she had her purse directly next to the bag. She was also holding a Slurpee frozen drink in her hand.

Freeman then lifted her purse and Walmart bag, which I then observed a Black Box Cabernet Sauvignon wine beverage (Valued at \$4.97) and a Ribeye Steak pack (Valued at \$12.64) which had been concealed under the bags. Freeman immediately stated she had forgotten she had those items in the cart and then questioned whether she would be getting arrested.

Ofc. Kriegner made contact with the store manager/witness, Cristina Venoit (B/F DOB: 06/13/1990), and she advised that Freeman had taken multiple items such as, meat and candies. Venoit advised that if the merchandise value was over \$25.00, that she would like to prosecute and requested Freeman to be trespassed from the property.

In being informed of that information, I made contact with Freeman once again. Freeman came forward with telling me she did have more merchandise items in her purse. She had the following items in her purse:

- 1 Giant Hershey's Net Wt. 7.37 Oz. - Valued at \$4.52
1 Bag of Lindt Lindor Milk Chocolate Truffles Net Wt. 8.5 Oz. - Valued at \$10.97
1 bag of Roasted and Salted Pistachios Net Wt. 12 Oz. - Valued at \$11.94

The total amount for the five items was \$46.47.

Based on the foregoing, Freeman was placed under arrest for Shoplifting/Retail Theft - F.S.S. 812.014(3a) as she had concealed items under her bags, inside her purse as well as, passing all final points of sale to avoid payment. Freeman refused to be read her Miranda Rights and refused to speak with me.

Freeman was transported to the Indian River County Jail and to be held on a \$150.00 bond.

BWC footage, Walmart footage, and photographs are available on evidence library.

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-002943

REPORT DATE: 06/29/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **06/28/2026** at **23:08** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I conducted a traffic stop on a silver Hyundai four-door (FL tag # CW95UZ) at the 1900 block of US-1. Prior to the stop, I was stationary at the 2200 block of US-1 observing traffic traveling southbound on US-1. I noticed the silver Hyundai's headlight to be inoperable which violated F.S.S. 316.220. I then attempted to approach the vehicle and once I deemed it safe to conduct the stop, I activated my emergency lights at the 2000 block of US-1, where the silver Hyundai came to a stop in the parking lot of McDonald's (1925 US-1).

As I exited my vehicle, I observed three occupants and noticed the front driver and front passenger excessively moving around in the vehicle. Both the driver and front passenger opened their doors and continued searching within the vehicle. I made contact from the right passenger side of the vehicle and advised the reason for the stop. The front passenger stated he was the registered owner and admitted knowledge of the headlight violation. While speaking to the occupants, the driver and front passenger kept trying to exit the vehicle and had to be told to remain inside. I then asked the driver for his identification and additional documents, to which he stated the silver Hyundai was not his so I reiterated to him that he was in possession of the vehicle and I needed to obtain his information. The driver was later identified through his Florida drivers license as Terry Pullen (B/F DOB: 12/10/1959).

It should be noted that dispatch advised Pullen's Florida drivers license was not valid for the following reasons:

- 06/04/2026 SUS-06.0 MOS VIOL CHAPTER 893 CONTROLLED SUBSTAN 2601176
- 05/12/2026 FR-SUSP NON-JUDGEMENT SUSPENSION 755319193 FLORIDA AUTHORITIES ONLY-SEIZE FL TAG IF DRIVER IS OWNER OF VEHICLE

As I remained on the right side of the vehicle, Ofc. Doty arrived on scene to assist. The front passenger, Grady Roberts (B/M DOB: 08/04/1967), began excessively moving around again to which he was ordered to exit the vehicle. At the same time, Ofc. Doty observed the front driver (Pullen) reaching around his seat so he immediately walked towards the left side of the vehicle. Ofc. Doty ordered Pullen to stop reaching around and step out of the vehicle. Ofc. Doty observed Pullen attempt to conceal a small burnt pipe with black residue. Pullen had dropped the pipe on the ground, right next to the front driver side door and slightly underneath the vehicle. It should be noted that based on my training and experience, the burnt pipe is commonly used for ingesting, inhaling, or introducing illegal controlled substances into the body.

Post Miranda, Pullen admitted that the burnt pipe belonged to him and that he had it inside of his cigarette pack. Pullen denied trying to conceal it stating, he was trying to get a cigarette out of the box and the burnt pipe fell out. I then asked Pullen about the status of his driver's license to which, he stated that he did not know that his license was not valid however he had recently returned a license plate to the DMV due to having a seize tag order.

Based on the foregoing, Pullen was placed under arrest for Drug Paraphernalia - F.S.S. 893.147(1). Pullen was issued a citation (#AMZ972E) for Driving while License Suspended without Knowledge - F.S.S. 322.34(1) and was issued a citation (#AMZ973E) for Headlight ; at least one on each side of motor vehicle - F.S.S. 316.220.

Pullen was transported to the Indian River County Jail and to be held on a \$500.00 bond.

BWC footage, photographs, and evidence is available on evidence library.
