Arrest Affidavit Report

Case Report # 2025-00081195

NARRATIVE

On Friday, August 1, 2025 at approximately 0144 hours, I responded to [REDACTED] in reference to a disturbance in progress.

[REDACTED] and stated [REDACTED] Mr. Ricki Solomon (Suspect), was upset and was making threats to [REDACTED] further stated there was a gun involved and informed the dispatcher that Mr. Solomon had fled the residence in his black Nissan Titan pick-up truck (Florida tag "16AQXG"). Deputies observed and intercepted the vehicle at the intersection of Oslo Road and 9<sup>th</sup> Court SW and conducted a felony traffic stop Mr. Solomon was seated in the driver's seat of the vehicle and was the sole occupant. Mr. Smith was wearing gloves on his hands, a black shirt and black shorts.

After Mr. Solomon was secured, Deputy Ballester and I cleared the vehicle where I observed a black "AK-47" style rifle lying on the back seat of the truck.

I responded to the residence and spoke with the caller [REDACTED] who stated the following in substance: [REDACTED] stated [REDACTED] was upset after being notified that [REDACTED] was potentially cheating on him, explaining that she was out of the city and he somehow knew her vehicle was being used around town [REDACTED] stated [REDACTED] could hear [REDACTED] on the phone with a female who [REDACTED] believed was [REDACTED] becomingly increasingly agitated. He then stated the following in summary "you are just like her", "she's fixing to find out," and at one point directed [REDACTED] and manipulated a firearm which [REDACTED] associated with him placing a round in the chamber. [REDACTED] provided me with a video [REDACTED] look while [REDACTED] was [REDACTED] in this video you can hear a clear and distinct sound of a firearm bolt being released [REDACTED] stated [REDACTED] left the residence wearing all black, no shoes and had gloves on his hands, [REDACTED] stated this was irregular, citing he rarely wore gloves and feared he was wearing them to not leave any fingerprints.

Mr. Solomon's words of threats, and manipulating the firearms presented the act and ability to carry out an immediate threat [REDACTED] further stated this behavior placed [REDACTED] in fear for [REDACTED] life, the life of [REDACTED] due to his reckless behavior. [REDACTED] stated [REDACTED] was unsure how [REDACTED] acquired the firearms, and mentioned he had owned firearms before, and they had been removed from his possession. [REDACTED] described two firearms, a black long gun with banana style clip and a two-tone handgun.

There was a [REDACTED] at the time of the incident. Mr. Solomon's malicious actions created an intentional well-founded fear and inflicted mental abuse [REDACTED]

I then responded back to the scene of the traffic stop. Deputy A. Ballester (6009) described the contents they had discovered inside the vehicle to include a black "AK-47" style rifle with an inserted magazine and no chambered round. A two-tone handgun with an inserted magazine and no chambered round. Inside a black bag located on the

## NARRATIVE (Continuation)

front seat was an additional rifle magazine and 'drum' style magazine.

I then transferred Mr. Solomon into my custody from Dep. Ballester. Mr. Solomon was searched and asked if he was advised of his Miranda rights. Mr. Solomon stated yes and briefly conversed with me before he invoked his fifth amendment right. While speaking with Mr. Solomon, I observed his eyes were glassy and watery. I could smell the distinct odor of alcohol emitting from his breath as he spoke with me.

Mr. Solomon was transported to the Indian River County Jail complex without further incident. Upon arrival to the Jail, Mr. Solomon was uncooperative with jail staff and refused to provide his basic information. I explained to Mr. Solomon I believed he was impaired and requested him to complete Standard Field Sobriety Exercises (SFSE's) which he refused. IRC jail staff advised Mr. Solomon refused to provide a sample of his breath after being advised of implied consent.

Based on the above statements of facts, observations and physical evidence, I developed probable cause to charge Mr. Solomon with 1 count of Aggravated Assault w/ Deadly weapon w/o Intent to kill, 4 counts of Child abuse, and Driving Under the Influence. Mr. Solomon was booked into the Indian River County Jail without further incident.

## Arrest Affidavit Report

Case Report # 2025-00081314

### NARRATIVE

On August 1st, 2025, at approximately 0900 hours I observed Gregory Moore who I knew had an active felony warrant. Moore was observed walking in the 2700 block of 43rd Street. I approached Moore and placed him into custody.

Moore admitted that the backpack he was wearing contained cocaine and fentanyl. Deputy K. Montgomery responded to the scene and read Moore Miranda warnings. Moore confirmed understanding his rights. Moore again admitted to being in possession of cocaine and fentanyl.

I conducted a search of Moore's black backpack. In a zippered pocket, I located a clear plastic bag containing a white, rock-like substance. In a separate zippered compartment, I found a small fabric zipper bag. Inside was small black metal container. Inside the container was a plastic bag containing a small white rock substance, a plastic bag containing a white powdery substance and burnt aluminum foil. Upon finding these items Moore identified each substance. Moore stated that both rock substances were cocaine and the white powdery substance was fentanyl. Moore confirmed that the aluminum foil is used to consume narcotics.

Deputy Montgomery searched Moore and located a glass pipe with a burnt residue inside Moore's sock. Based on my training and job experience I know the pipe is commonly used to consume crack cocaine.

Based on my training and job experience, I suspected the substances were cocaine and fentanyl. [REDACTED] responded to the scene taking the substances and later utilized an agency-issued drug test-kit with each substance found. The results for both rock-like substances were positive for cocaine and the powdery substance tested positive for fentanyl.

The cocaine was weighed together and was 0.83 grams. The fentanyl as packaged weighed 0.78 grams.

Based on the above findings, I determined that Moore was in violation of the following Florida State Statutes:

FSS 893.13, possession of cocaine.  
FSS 893.13, possession of fentanyl.  
FSS 893.147.1, possession of drug paraphernalia.

Moore was transported to the Indian River County Jail without incident.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **08/01/2025** at **11:22** (Specifically include facts constituting cause for arrest.)

On 8/1/25, at approximately 1122 hours, I Ofc. Kriegner, was traveling northbound on 14th Avenue when I observed a subject, Benjamin Daum (A1), to be on the property of 2160 14th avenue. I was previously made aware A1 was trespassed from the property.

Vero Beach Communications confirmed A1 was trespassed from all locations within the property boundaries on 4/4/25 (reference CFS# 040425-67). I also observed A1 to be illegally possessing a standard grey shopping cart with a blue label, engraved with the Walmart logo.

A1 was placed under arrest for FSS 810.092(b) for Trespass on property other than a structure or conveyance and FSS 506.509 for possession of the shopping cart.

A1 was transported to the Indian River County Sheriff's Office to be held with a \$1000 bond.

AGENCY CASE #: 2025001461

REPORT DATE: 08/01/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On 08/01/2025, at 14:06

(Specifically include facts constituting cause for arrest.)

On 8/1/25, at approximately 1406 hours, I Ofc. Krieger, responded to 1935 25th Avenue in reference to a disturbance.

Upon arriving on scene, I made contact with Melanie Tyler (V1), who advised her mother and herself had gotten into a verbal altercation when her mother Linda Tyler (A1), slapped her across her face. I did not observe any visible injury to V1's face. V1 stated that A1 became agitated with V1 about being present at the home. V1 informed me that her mom is "unwell" and continues to have mental episodes. V1 also stated that after A1 slapped her, she pushed or shoved one of V1's young daughters out of the way (Ava Andrews, DOB 1/28/2021) V1 then became very emotional.

I spoke with A1, who informed me that when she had arrived at the residence, V1 said to her "the house is mine" and got extremely close to her face. A1 advised that she attempted to guide V1 out of the way, at which time V1 said that she could not touch her. A1 stated that again V1 got extremely close to her face, at which time A1 slapped her across the face. A1 advised V1 continued to antagonize her by getting in her face. When A1 admitted to slapping V1, I advised her of her Miranda Warning before continuing questioning. A1 advised she understood and was willing to continue to speak with me. A1 again stated she did slap V1 across the face. A1 informed me that V1 does not live at the residence but that she and her children are is visiting.

I then spoke with Aiden Andrews (W1, DOB 9/16/2006), who informed me, he had heard a verbal altercation occurring but did not witness any physical altercation as he was in another room.

Addison Andrews (W2, DOB 10/20/2011) advised she was with her mother (V1) and her younger sisters, painting and eating, when V1 began texting her stepfather. W2 stated she observed V1 to look "mad" as she got up from the table and went outside where A1 was sitting at. W2 stated she followed V1 outside, where she observed V1 get close to A1 and stated she "got a little bit in her face but not too much" as they began arguing. W2 stated A1 pushed V1 and went inside the residence. W2 stated that inside the residence, they continued to argue when A1 slapped V1 "really hard" in the face. W2 stated that V1 then went outside the residence and contacted law enforcement; A1 followed V1 outside and began screaming for help when herself and V1 stood by the end of the driveway.

Due to statements made by all parties, A1 was arrested and charged with FSS 784.03 for Battery (Domestic Violence) and was transported to the Indian River County Jail to be held without bond.

A Domestic Violence Packet was completed by V1, a witness statement was completed by W2 and a DCF notification was made.

**Arrest Affidavit Report**Case Report # **2025-00081457****NARRATIVE**

On August 1<sup>st</sup>, 2025, at 1809 hours, while on patrol, I was alerted by my in-car-camera / LPR of a vehicle traveling in front of me, northbound on US Highway 1 bearing FL/ 17DMSY. The registered owner of the vehicle, Michael H. Williams, driver's license was suspended on 05/28/2024 due to a financial responsibility. I then conducted a traffic stop on the aforementioned vehicle and positively identified the driver as Michael H. Williams, via his FL driver's license.

I informed Michael for the reason of the traffic stop and he began to lie, stating that he did not have knowledge. I then conducted a query search on his license plate through IRCSO local databases and was able to confirm he was subject of a traffic stop and received a written warning by Deputy Barkwell on 03/18/2025, for DWLSR, reference IRCSO OCA:/ 2025-28364.

Through my investigation I found Michael H. Williams to be in violation of;

- FSS 322.34(2)(C) Knowingly DWLSR (3<sup>rd</sup> or subsequent conviction) reference citation #A9ZQQSE
  - A query through D. A. V. I. D. revealed Williams had two prior convictions for DWLSR. Williams was adjudicated guilty on 04/23/1997 for DWLSR in Arizona reference citation #0000 and again on 12/23/2015 for DWLSR in Pinellas, FL reference citation #A3M18GE
- FSS 324.221(2) Failure of owner/operator to maintain required insurance reference citation #A9ZQQE

## Arrest Affidavit Report

Case Report # 2025-00081471

## NARRATIVE

On 8/1/2025 at approximately 1855 hours, I responded to 850 Indian River Blvd in reference to a welfare check.

I was notified by dispatch that the caller advised a white female by the name of Carol in her 50's was lying on the ground near her vehicle and was possibly having a medical episode or under the influence. The caller then advised she had gotten in her vehicle and was driving off the roadway headed west bound on 8th St.

Upon arrival to the area, backup Deputy advised he saw a vehicle matching the description pull into the Speedway gas station located on 8th St and US Highway 1. I pulled into the establishment and observed a silver Toyota Rav4 bearing FL Tag #90CFBK the same tag and description provided by the caller.

I made contact with the driver of the vehicle to conduct a welfare check in order to ensure they were not ill, injured, or impaired. The driver was later identified as Caryl Riggio (suspect). Caryl appeared to be disoriented and I observed she had grass and dirt all over her body. Caryl's words were mumbled and slurred and her eyes were bloodshot. I asked Caryl if she was having a medical episode and needed any medical assistance, she advised she does not take any medication and does not have any known medical conditions. I asked Caryl where she was coming from and she advised the beach, I asked her if she was maybe dehydrated and she advised she had been drinking water all day. At this point, Caryl dispelled majority of my fears of being ill or injured at the time. I asked Caryl how much alcohol she consumed and she advised that she had a few drinks, due to being depressed as of lately. I requested Caryl to perform field sobriety exercises to determine if she could safely operate a motor vehicle. She agreed.

I asked Caryl to step out of the vehicle, she stumbled and I had to quickly grab her to prevent her from falling. She had difficulty standing on her own feet and stumbled to the front of my patrol vehicle. I then observed Caryl had defecated herself. I asked Caryl if she was diabetic, epileptic, or insulin dependant and she advised she was neither. I asked Caryl if she had any broken bones or injuries as of recent that could prevent her from performing physical exercises, she advised that she had not. I asked Caryl on a scale of 1-10 how intoxicated she believed she was and she stated she was a 4.

While explaining the horizontal gaze Nystagmus, Caryl had difficulty standing so I advised her to sit on the bumper of my patrol vehicle. While conducting the horizontal gaze Nystagmus, I observed Lack of smooth pursuit, distinct and sustained Nystagmus at maximum deviation, and onset of Nystagmus prior to the 45 degrees.

I attempted to conduct the walk and turn, however Caryl had difficulty standing in the starting position. I asked Caryl if she wanted to continue with the exercises, she advised there was no point as she would not be able to physically conduct them.

Based on the totality of the circumstances, I placed Caryl under arrest for Driving under the influence.

While conducting a search incident to arrest of her vehicle, Deputy Quaglia located an empty bottle of Tito's vodka lying in the floor board of the passenger seat.

Deputy Quaglia conducted an Inventory and had the vehicle towed by City Cab Towing. I contacted Caryl's sister Jayne Derocher to notify her mother of where the vehicle had been towed.

Caryl complained of a wrist injury and advised she believed it was broken, I transported Caryl to the Cleveland Clinic Emergency room for medical clearance.

Caryl was then transported to the Indian River County Jail without further incident.

I requested Caryl to provide a sample of her breath to determine the alcoholic content of her breath to which she consented. The results were 0.130/0.131.

Caryl was cited and charged with Driving under the influence.

## Arrest Affidavit Report

Case Report # 2025-00081565

### NARRATIVE

On Saturday, August 2, 2025, at approximately 0209 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of Oslo Road (9<sup>th</sup> Street SW) and US Highway 1, Vero Beach, Florida.

While conducting traffic enforcement in the area, I observed a white Honda CR-V traveling southbound on US highway 1. The Honda CR-V was traveling with only its running lights on and no headlights.

During the traffic stop, the driver, later identified as Mr. Eliot Cairns Shaw, had clues of impairment. He was unable to find his license, had poor dexterity and was fumbling with his phone, had a slurred speech and was incoherent at times, watery eyes, and the odor of alcohol emitting from his breath. Upon requesting him to exit the vehicle, he had difficulty walking, had an unsteady balance, and was using the vehicle as support to maintain his balance.

Mr. Cairns Shaw admitted to consuming two beers earlier in the day, but stated this was a long time ago.

I requested Mr. Cairns Shaw to complete Standardized Field Sobriety Exercises. Mr. Cairns Shaw refused the exercises. He was advised that I would have to make a determination as to whether or not he was safe to operator a motor vehicle. Furthermore, he was advised that if he refused to do SFSE's, that it would be used against him in court if an arrest was made. He stated he understood and again refused.

Mr. Cairns Shaw was then placed under arrest for Driving Under the Influence. He was transported to the Indian River County Jail. On the way to the jail, Mr. Cairns Shaw made a utterance that he had only consumed six drinks and did not understand how he was being arrested for DUI.

Mr. Cairns Shaw was asked to submit to a lawful test of his breath to determine its alcoholic content. Mr. Cairns Shaw refused to take the breath test. He was advised of implied consent. His response after being read implied consent was "Fuck you pussy". He was informed that anything but a yes would constitute as a no. He again continued using obscene language. The breath test was documented as a refusal.

Based on above information, I believe there is probable cause to arrest Mr. Eliot Cairns Shaw for the offense of Driving Under the Influence, pursuant to FSS 316.193.1a.

Case Report # 2025-00081583

NARRATIVE

On 8/2/2025 at approximately 0406 hours, I conducted a traffic stop at the intersection of Barber Bridge and Indian River Blvd on a red Honda Accord bearing FL Tag #BF99HI for tag not visible within 50 feet due to having a defective tag light.

Upon contact with the driver, later identified as Stacey Jones. I immediately smelled the odor of burnt marijuana emitting from within the vehicle. I asked Stacey if there were any weapons or narcotics in the vehicle. Stacey advised "is that probable cause", and began to smoke a black and mild cigarillo.

I requested a backup deputy to conduct a search of the vehicle. A Vero Beach Police Officer arrived on scene shortly after. Upon his arrival, I advised Stacey that I needed him to step out of the vehicle, he immediately grabbed his cellphone and began to call his mother. After multiple failed attempts to step out of the vehicle, I unlocked the passenger vehicle, shut the vehicle off, and removed his seatbelt. At this point in time Stacey stepped out and began to comply with my orders. I placed Stacey in handcuffs due to him resisting several orders and sat him on the bumper of my patrol vehicle after conducting a pat down for any weapons.

I asked Stacey if there were any narcotics were would they be, he advised that he had some liquor, less than 20 grams of marijuana in the vehicle along with some prescription medication that belonged to a male who was in his vehicle earlier.

A baggy containing a green leafy substance was located directly underneath the stereo of the vehicle along with seeds presumptive to be marijuana seeds. The prescription medication was located in the center console of the vehicle the bottles had a name belonging to Tobias Thomas and were picked up at a Lowell Pharmacy in Gainesville, FL. The medications were Amlodipine 10MG, and HCTZ 25MG. The pills within the bottles were cross referenced on the Pill Identifier website and matched the description provided on the pill bottles. These items were placed into Evidence at the Indian River County Sheriff's Office and are not controlled substances.

Stacey contacted a friend over the phone to take custody of his vehicle.

Stacey was placed under arrest for Possession of harmful new legend drug without prescription and turned over to the County Jail without further incident.

Arrest Affidavit Report

Case Report # 2025-00081727

NARRATIVE

On Saturday, August 2, 2025, at approximately 1658 hours, I responded to the 6700 block of 20th Street, Vero Beach, FL, to assist Deputy Ronald Thomas with a vehicle crash.

Upon arrival, I made contact with Deputy Thomas, who advised that the at-fault driver appeared to be possibly impaired. During the crash investigation, I observed that the driver, later identified as Krystal Lee Kirchmann, was unsteady on her feet and slurring her speech. I also overheard Krystal state that she was on several medications, which she had taken within the past seven hours. Krystal further mentioned [REDACTED] and had smoked earlier that day.

Following the conclusion of Deputy Thomas' crash investigation, I initiated an investigation into Krystal's possible impairment due to medication. I advised her that the crash portion of the investigation was complete and that I would now be evaluating her level of impairment.

I asked Krystal if she would be willing to submit to Field Sobriety Exercises (FSE), and she agreed.

I began by asking Krystal about her medical history. She informed me [REDACTED]

Field Sobriety Exercises:

1. Horizontal Gaze Nystagmus (HGN):

Krystal was given instructions and acknowledged understanding. She had difficulty keeping her head still and required several reminders to maintain head position while following the stimulus. She appeared unsteady on her feet and swayed during the exercise. I observed the following indicators: lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees. Additionally, vertical nystagmus was noted in both eyes.

2. Walk and Turn:

During initial instructions, Krystal appeared confused and required multiple explanations. While in the instructional stance, she struggled to maintain balance and swayed side to side. Once instructed to begin, she did not wait for the command to start. During the initial nine steps, she missed several heel-to-toe connections, used her arms for balance, and miscounted. She also made an improper turn and repeated similar errors on the return steps. Krystal requested to retry the exercise. After reinstruction, she performed the exercise again with the same indicators present.

3. One-Leg Stand:

### NARRATIVE (Continuation)

Krystal again showed signs of confusion and required reinstruction. Upon starting the exercise, she was unable to maintain balance beyond the 8th count, repeatedly put her foot down, and used her arms for balance. She never completed a full count to 30 and miscounted several times.

Based on Krystal's performance during the Field Sobriety Exercises, I determined that she was impaired and placed her under arrest for DUI. I requested that she submit to a breath alcohol concentration (BAC) test, to which she consented.

Prior to transport, Krystal was taken to Cleveland Clinic Vero Beach for medical clearance due to her involvement in the traffic crash. Once cleared, she was transported to the Indian River County Sheriff's Office Jail.

At the jail, Krystal provided two breath samples with results of .000 BAC and .000 BAC, as documented on the Breath Alcohol Test Affidavit completed by jail staff. Due to the negative BAC results, I contacted Deputy Sheriff Michael Neill, a certified Drug Recognition Expert (DRE) with the Indian River County Sheriff's Office.

Deputy Neill conducted a DRE evaluation and obtained a urine sample from Krystal, which was placed into evidence to be submitted to the lab for analysis. Based on his evaluation, Deputy Neill concluded that Krystal was under the influence of a Central Nervous System (CNS) Depressant and Cannabis to the extent that her normal faculties were impaired and she was unable to operate a motor vehicle safely.

Krystal Lee Kirchmann was charged with DUI under F.S.S. 316.193(1)(a) and issued citation #AJ8SWPE. She was also issued a written warning for following too closely, which contributed to the traffic crash.

The incident was recorded on my Axon body-worn camera, as well as the Axon Fleet 3 in-car camera system from Deputy Thomas' patrol vehicle.

Case Report # 2025-00081742

**NARRATIVE**

On Saturday, August 2, 2025, at approximately 1820 hours, I responded to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with the victim, Daniel Hall who stated his wife of seventeen years, Lee Hall came at him with a screwdriver. Daniel was all over the place when providing his statement and would not give detail.

Daniel was able to provide video footage that showed the following: Lee opens the door to the bedroom and is holding a screw driver with her right hand holding it by the metal end so the handle is facing up, after opening the door she walks forward a few steps and throws the screw driver at Daniel. In the video it does not show where Daniel was hit, Daniel stated the screw driver made contact with his right hip but did not leave a mark. The video continued, showing, Lee walking out of the room to clean up the glass in the hallway, throughout this time she says demeaning things like, "you're a piece of shit, you really are the worst". Lee comes back into the room with the dust pan filled with contents on the ground acting like she is going to pour it on Daniel. Daniel tells her to drop the pan and leave. Lee then walks out and comes back holding the screwdriver again by the metal side, she holds it over her head and aggressively walks towards him getting in his personal space. As she walks towards him, Daniel stands up off the bed and the video cuts down towards the floor. There is a sound of a tussle and then the video cuts back up to Lee's face where she is inches from Daniel. The video does not show Lee's hands as it is close to her face. Lee says, "I'm gonna do it". I paused the video and Daniel and asked him what Lee meant by this. Daniel stated Lee was trying to stab him with the screwdriver and this is what she meant by "I'm gonna do it". Daniel then starts pushing her out the door. In the video you hear Lee say, stop pushing me, Daniel replies saying he is getting her out of the bedroom for his own safety.

It should be noted that throughout the video Daniel does not say very much and only responds to Lee, he does not antagonize her or try to escalate the situation.

I made contact with Deputy Ortega, who stated while I was speaking with Daniel, Lee told him "I may or may not have said to Daniel that I was going to stab him with a knife".

I made contact with Lee who provided the following statement post Miranda. Lee stated, Daniel and her son Chase Hall were outside letting fireworks off while she was asleep on the couch. They came back inside and a verbal argument ensued. Lee stated she has been drinking and due to this and the stress she is under she cannot remember details of how the argument started. Lee stated nothing was physical during this time stating Daniel was walking back to their room when he knocked down a picture frame causing the glass to go onto the floor. Daniel was not near Lee when this happened and the glass or the frame did not hit her. Daniel walked into their room and locked it. Lee used a screwdriver to pick the lock and go inside the room. Lee stated after gaining entry into the room is when she said she was going to stab him with a knife, (this is not heard in the video that was

observed). Lee stated she is tired of Daniel saying mean things to her and constantly degrading her. Lee said Daniel got off the bed and came at her. I explained I had seen a video showing the opposite and Lee said she doesn't fully remember what happened.

Daniel was more forthcoming with information after I spoke with Lee. Daniel stated he went into the bedroom the first time to separate from Lee. Lee then opens the door with the screw driver and throws it at him. Daniel stated he was in fear for his immediate safety thinking she would stab him with the screw driver. This is why he called law enforcement. Daniel stated, Lee has said things like this in the past and over the last three days it has continued to escalate. Lee has pushed him and "gave him the old one, two". When asked to explain this Daniel stated Lee has pushed and punched him over the last few days and continues to "start shit".

It was determined Lee was the primary aggressor as Daniel tried to separate from the situation by locking her out of [REDACTED]

Due to the totality of circumstances to include, the video footage, statements made by both parties, Lee Hall throwing the screwdriver at Daniel hitting him in the right hip, Lee going up to Daniel getting in his personal space with the screw driver held over her head in an aggressive manner and her stating she was going to stab him post Miranda, I found probable cause pursuant to F.S.S. 784.03 for Battery by touch or strike (Domestic) and F.S.S. 784.021DV aggravated battery without intent to kill (Domestic).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 08/03/2025

at 00:59

(Specifically include facts constituting cause for arrest.)

On 08/03/25, at approximately 0059 hours, I, Ofc Aguilar, conducted a foot patrol at 925 Bougainvillea Ln. (Grind and Grape). On scene, while speaking with Grind and Grape security and the owner, a white male, later identified as Michael Capote (A1), approached and began bragging that he had been arrested several times in the past and that the State Attorney's office dropped the cases. A1 then expressed his dislike for law enforcement and asked why I was at Grind and Grape and not patrolling. While attempting to explain to A1, he then came within arm's reach and began smoking a cigarette. I then extended my arm and advised him not to come closer. A1 then began yelling that I had put my hands on him and again expressed his dislike for law-enforcement. While interacting with A1, I detected the strong odor of an alcoholic beverage emitting from his person and slurred speech. This interaction occurred in front of Grind and Grape on the sidewalk. Blake Miller (W1) who is a family friend of A1 attempted to separate A1 from the situation. I then observed W1 push A1 away from the scene and A1 attempted several advancements to where I was located. This continued for several minutes and I ignored A1 who continued to yell. I observed several customers look over at A1 yelling. A couple customers approached and advised me not to worry about the A1 and that they appreciated my presence. A1 was eventually assisted off the property by W1.

Several minutes went by and I was once again approached from behind by A1 who again got within arm's reach and began yelling his dislike for law enforcement. W1 once again pulled A1 off the property. I then observed A1 standing in front of 935 Bougainvillea Ln (Avedo El Coco International) and was once again yelling and creating a disturbance. I observed multiple customers, as they were entering look in his direction. I then observed multiple Grind and Grape security staff and bystanders attempt to calm A1 but were unsuccessful. I once again observed W1 attempting to hold A1 back.

I was still located near the front entrance of Grind and Grape alongside the owner who informed that she did not want A1 back on the property. A1's behavior continued and he walked to the 900 block of Bougainvillea Ln, directly in front of Grind and Grape while continuing to yell. I then informed A1 that he was not welcome on the property per the owner's request. He responded that he was on public property. Officer Retiro also informed A1 that he needed to go home. A1 ignored his request and walked onto the parking spaces owned by Grind and Grape. I advised A1 that he was not welcome on the property and he continued to ignore my warnings. A1 was then told to place his hands behind his back and that he was under arrest for violation of F.S.S. 810.08 Trespassing. While being escorted to my patrol vehicle, A1 braced against our efforts to get him into the vehicle.

While enroute to the Indian River County jail, A1 began, bragging that he does not work and makes his earnings suing law enforcement and that he was going to report me to ICE because of my Hispanic background. A1 was then transferred to jail staff without further incident. Body camera video of the incident was submitted into a secure file at the Vero Beach Police Department.

## Arrest Affidavit Report

Case Report # 2025-00081848

## NARRATIVE

On August 3, 2025, at approximately 0146 hours, I was patrolling south on 66<sup>th</sup> Avenue, at about the intersection of 66<sup>th</sup> Avenue and 81<sup>st</sup> Street, Vero Beach, Florida, when I observed at blue Hyundai bearing Florida tag KWIJ50 traveling north on 66<sup>th</sup> Avenue, at approximately 20-mph in a posted 45-mph zone, unable to maintain a lane.

I conducted a U-turn and got behind the aforementioned vehicle and conducted an NCIC/FCIC query of the Florida tag. Through the query I learned the registered owner had a suspended Florida drivers license. The registered owner, Miguel Duarte was notified about the suspension through a court order.

At the intersection of 66<sup>th</sup> Avenue and 85<sup>th</sup> Street, we were stopped at the red light facing north waiting for the light to change to green. When the light turned green Miguel accelerated to 55-mph in a posted 30-mph zone. After observing the traffic infraction and learning the registered owner was suspended, I conducted a traffic stop at 8900 66<sup>th</sup> Avenue, Sebastian, Florida.

I approached the passenger side of the vehicle, and made contact with Miguel. I immediately noticed his blood shot water eyes, and empty Modelo beer cans on the floor board. Miguel looked at me and began to exit the driver's side of the vehicle. I walked to the driver's side and made contact with Miguel; I could smell an alcoholic beverage emanating off of him.

I walked Miguel to my vehicle and had him sit on the bumper as I waited for another Deputy to arrive. When Corporal Munni arrived, I placed Miguel in hand-cuff restraints for Driving While License Suspended/ Revoked and suspicion of DUI, I checked the handcuffs for proper fit and placed him in the rear of my patrol car.

It should be noted, due to the language difference I did not conduct Standard Field Sobriety Exercises (SFSE) roadside.

At the Indian River County Jail, I utilized Deputy Quiroz to translate to Miguel for the SFSE.

I requested Miguel submit to the field sobriety exercises, he verbally stated that he would. Prior to beginning the exercises Miguel stated that he does not have any physical defects. I asked Miguel if he wore glasses or contacts, he informed me he did not.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN). I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes.

During his first attempt I observed a lack of smooth pursuit in both eyes, distinct and sustained Nystagmus at maximum deviation in both eyes, and Nystagmus prior to 45 degrees almost instantly. I observed vertical gaze Nystagmus in both eyes.

Throughout the first exercise, Miguel had to be reminded several times to not move his head.

The second exercise I demonstrated and explained was the Walk and Turn exercise. During the instructional phase Miguel had difficulty maintaining his balance, and staying in the position he was instructed to. He swayed side to side.

During his first set of nine steps, he stepped off of the line on step 5, During the second set of nine steps, he was

able keep his feet on the line.

During the instructional phase of the second exercise, Miguel had to be reminded to not start until told to due so, and remain in the position he was instructed.

The third exercise I demonstrated and explained was the One Leg Stand exercise.

During his first attempt he did not place his foot down. He kept an accurate count. Throughout the exercise he utilized his arms for balance and continually swayed, he had to be reminded to keep his arms at his side.

Based upon the totality of the evidence Miguel was informed he was being charged for violation of FSS 316.193(1) DUI. Upon completion of the exercises, Deputy Quiroz advised Miguel of his Miranda Warnings from his agency issued Miranda Card. I asked Deputy Quiroz if Miguel understood his rights and if he was willing to answer a few questions. Deputy Quiroz asked Miguel and he advised he did, and would answer my questions. I asked Miguel how many Modelo's he drank prior to being pulled over. Miguel advised he drank 4 Modelo's right before I pulled him over. I informed Miguel, even with all the cologne in the vehicle, I could smell the beer.

Miguel provided a lawful breath sample to Deputy Hiss ID# 5730. His first breath sample was 0.143 and his second breath sample was 0.125.

At the completion of the breath samples, to confirm that Miguel was knowingly DWLS/R, I asked Deputy Quiroz to ask Miguel if he was aware that his Florida driver's license was suspended/ revoked. Miguel informed us he was aware his license was suspended.

This investigation was captured on my agency issued body worn camera, and the front view camera of my marked patrol car.

The DUI packet for this case was submitted to records.

This investigation is cleared with the arrest of Miguel, for DUI, and driving while license suspended/ revoked.

AGENCY CASE #: 25-1369

REPORT DATE: 08/03/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 08/03/2025 at 03:42 (Specifically include facts constituting cause for arrest.)

On August 3, 2025, at approximately 0137 hours, while on routine patrol in my marked patrol vehicle, in the area of 600 Indian River Drive, Sebastian, Florida 32985 (Riverview Park), I observed a male sleeping on the concrete slab under a pavilion.

Due to sleeping on city-owned property being against Sebastian City Ordinance 74-4(14), I exited my patrol vehicle and approached the male. I observed the male lying on a brown tarp and using a backpack as a pillow. I observed the male's eyes shut. I addressed the male approximately three times before he woke up. Upon waking up, the male was irate and began to yell profanities at the officers. I advised the male that it was against city ordinance to sleep on city-owned property. The male stated it was public property, but was advised by officers that the property was owned by the City of Sebastian.

The male continued to argue with officers. At this time, I asked the male for his identification. The male reached into the top zipper pocket of his backpack and removed his Florida-issued identification card. The male threw the identification card onto the ground in front of him and yelled, "Here, piggy." I picked up the identification card and identified the male as Jonathan Marois (DOB 09/18/1970). I advised Jonathan that if he did not leave the park, he would be trespassing from the property. Jonathan continued to argue and yell profanities at officers. At this time, I made the decision to trespass Jonathan from the property. Jonathan stated he would like a copy of the trespass warning, but then changed his mind. Jonathan was provided with his identification card and advised he was now trespassing and to leave the property.

Jonathan was still on the property attempting to argue. Jonathan then began to say officers asked for his identification while he was in distress. Jonathan then exited the city property and asked what he was supposed to do. The officers advised Jonathan that if he went north or south one town, there are homeless shelters, or he could ask an open business if he could sleep on their property. Jonathan stated he did not want to do that, and he did not want to leave. Officers advised Jonathan that those were the only available options at the time. Jonathan then began to demand that officers just take him to jail. Jonathan was told several times that officers did not want to take him to jail, but rather, he should just leave the property. Jonathan then removed his backpack and lay on the sidewalk, demanding to go to jail. Officers requested for the on-shift supervisor to respond to the scene due to Jonathan's behavior.

Sergeant Melius arrived at the scene. Sergeant Melius advised Jonathan the same as the officers. Jonathan continued to demand to go to jail. Jonathan told Sergeant Melius he was going to go across the street to sleep and to come arrest him. Sergeant Melius told Jonathan that that is also city-owned property. Jonathan got up from the sidewalk and walked across Indian River Drive and lay down back onto city property. At this time, Jonathan was placed under arrest and placed into mechanical hand restraints, which were checked for proper fit and ensured to be double locked.

While being transported to the Indian River County Jail, Jonathan continued to be irate. Jonathan then became quiet. Upon shining my flashlight in the back seat, I observed Jonathan slumped forward. I stopped my patrol vehicle and opened the back door. Jonathan did not respond to me, but I observed him to be breathing and could see his eyelids flickering due to my flashlight. Jonathan refused medical treatment and said he was sleeping. Jonathan became upset when I asked for EMS to respond. Jonathan asked me why we were waiting for EMS. I advised Jonathan because he was pretending to pass out. Jonathan then became upset when I said he was pretending to pass out. Jonathan began to yell profanities and ask if I was going to beat him. I made the decision to continue to transport and disregard EMS.

Jonathan was then transferred into the custody of the Indian River County Jail.

On 8/2/2025 at approximately 2128 hours, I responded to 61 Woodland Dr in reference to an Auto Accident unknown injuries.

Upon arrival, I made contact with a white male wearing a blue shirt and dark colored jeans and a hat. He was walking on the shoulder of the roadway towards a gray BMW Sedan that had struck a tree. The male was later identified as Afortunado Sanchez. Hawk was in the area at the time of the crash and confirmed Afortunado was the male who stepped out of the gray BMW Sedan bearing FL Tag #KWF9. Upon arrival of backup Deputies, I made contact with the caller later identified as Yvonne Clayton she was the wheel witness and confirmed that Afortunado was the male behind the steering wheel as well.

EMS arrived on scene and Afortunado advised he did not need their services, I observed Afortunado sway back and forth as he attempted to balance himself. He had bloodshot eyes, mumbled and slurred speech and a wet stain near his groin area consistent with urinating himself. I could smell the strong and distinct odor of an alcoholic beverage emitting from his exhaled breath as he spoke with me.

I asked Afortunado about the crash, he advised he was traveling north bound on Woodland drive back to his residence, when all of a sudden a vehicle who was traveling south bound appeared to have come very close to him, he stated he swerved out of the way and over corrected causing him to veer off the roadway and strike a tree. I asked him if there were any other passengers in the vehicle, he advised he was the sole occupant.

I changed hats and advised Afortunado of this, I read him his Miranda rights and he advised he understood. I asked Afortunado on a scale of 1-10, 1 being completely sober and 10 black out drunk, how intoxicated he thought he was. Afortunado advised he was at a 5 on that scale. He stated he had about 5 16oz budlight beers about an hour and a half prior with a meal in between. I asked Afortunado if he was willing to perform field sobriety exercises to determine if he could safely operate a motor vehicle, and he agreed.

While explaining the horizontal gaze nystagmus exercise, Afortunado swayed while standing. Afortunado advised he understood the directions before I conducted the exercise. During the exercise, he exhibited a lack of smooth pursuit in both eyes and on-set prior to 45 degrees in both eyes and maximum deviation in both eyes. Afortunado showed six clues of impairment in total during the exercise.

While explaining the Walk and Turn exercise, Afortunado advised he understood the directions. He was unable to maintain his balance while listening to the directions. While performing the exercise he began before given all the instructions, he stopped to regain his balance, he did not touch heel to toe, used his arms/hands for balance (more than six inches from his body) and he turned incorrectly, He stepped off the line, and when he got to the tenth step he stood still for a prolonged period of time, Afortunado asked me what the directions were again, I told him to complete the exercise as he was instructed. Afortunado showed seven clues of impairment during this exercise.

After explaining and demonstrating the One Leg Stand Afortunado advised he understood. While performing the exercise, Afortunado swayed while balancing, and used his arms to balance (more than six inches from his body), and put his foot down multiple times. Afortunado showed three clues of impairment during the exercise.

At the conclusion of the exercises, I placed Afortunado under arrest for driving under the influence he was also cited for driving under the influence.

## Arrest Affidavit Report

Case Report # **2025-00081784**

### NARRATIVE (Continuation)

Afortunado's vehicle was towed by Firehouse towing, a search incident to arrest yielded no intoxicants in the vehicle.

Afortunado had left his cellphone, wallet, and Firearm at the Clubhouse where he had spent his evening. Deputy Quaglia transferred the firearm into my possession which was then submitted into Evidence for safe keeping at the Indian River County Sheriff's Office.

Afortunado was transported to the Cleveland Clinic Emergency room for medical clearance for having been involved in a crash with airbag deployments, and for complaints of chest pain.

Afortunado was later transported to the County Jail without further incident.

I requested Afortunado to submit a sample of his breath to determine the alcoholic content of his breath to which he agreed. His B.A.C was 0.06/0.061 approximately 8 hours after being placed under arrest. Afortunado's urine sample and blood were drawn at the Cleveland Clinic Emergency room shortly after our arrival for his medical clearance, a Formal subpoena request will have to be conducted for analysis of his Blood alcohol content levels closer to the time of arrest.

Afortunado was charged and cited for Driving under the influence, he advised he is a 100% disabled military veteran and with no prior convictions is requesting to be referred to Veteran's court.

REPORT DATE: 08/03/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On 08/03/2025 at 12:14 (Specifically include facts constituting cause for arrest.)

On 8/3/25, at approximately 1214 hours, I Ofc. Kriegner responded to 415 21st Street (Publix) in reference to a welfare check of an intoxicated female that had fallen inside the store.

Upon arriving on scene, I observed an older female, later identified as Deborah Beard via her FL Driver's License, swaying as she stood outside of Publix. As I approached Deborah, I observed her to be unable to maintain balance; she was asked several times to sit down on a nearby bench to maintain her safety. I also observed Deborah to have urinated on herself. I guided Deborah to the bench and assisted her as she sat down. As I assisted her, I could detect a strong odor of an alcoholic beverage emanating from her breath. I asked Deborah if she could provide her identification and she stood up and began looking for it in her personal belongings (a red bag). Deborah was assisted in locating her identification due to her being unable to maintain balance and a glass bottle of alcohol (Gekkeikan Junmai Sake) with a broken seal was found inside her bag. The bottle was approximately half full of alcohol. Deborah was informed it is unlawful to possess an open container of alcohol; however, she refused to surrender the bottle.

Deborah was placed under arrest for City Ordinance 6-10(a) Sale, possession, or consumption prohibited in parking lots and certain private places open to the public.

Upon placing her under arrest, Deborah's belongings were searched and 2 small open bottles of alcohol were found ("99" Peanut Butter Whiskey and "Svedka Strawberry Lemonade flavored Vodka).

Deborah was transported to the Indian River County Jail to be held with a bond amount of \$500.

AGENCY CASE #: 2025001469

REPORT DATE: 08/03/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On \_\_\_\_\_, at \_\_\_\_\_ (Specifically include facts constituting cause for arrest.)

On 08/03/2025 at approximately 1400 hours, I, Officer A. Gonzalez, responded to the area of 3400 block of Ocean Drive in reference to a physical altercation in progress involving two males. The initial caller was an employee at the Boiler who wanted both of the individuals trespassed from the property (3410 Ocean Dr ). Multiple bystanders waved down Officer Amburgey reporting that the subjects were actively fighting on the sidewalk and appeared to be intoxicated.

Officer Amburgey observed two white males later identified as Timothy Carmichael, and Jeremiah Layne-Goodman, in an active physical fight. Officer Amburgey observed Jeremiah hit Timothy in the face causing his hat to fly off his head. Timothy attempted to retreat putting his hands up in a defensive manner attempting to create space. Timothy had minor visible injuries consistent with a recent altercation, including redness to the face and abrasions on his arms and the bridge of his nose. The fight was taking place in plain view on a public sidewalk, causing disruption to several pedestrians and even traffic as a bystander got out of his vehicle to stop the altercation. The incident created a disturbance and was a risk to public safety. Officer Amburgey detained Jeremiah as I detained Timothy both parties ceased further incident. I detected a strong odor of alcoholic beverage emitting from both individuals, who displayed slurred speech, unsteady balance, and bloodshot, watery eyes.

A Witness, Ronald Wolf, who stopped his vehicle to help stop the fight, confirmed that both subjects were engaged in mutual combat and had been arguing loudly before the fight began. Neither party wished to pursue charges against the other; however, due to the public nature of the fight and their intoxicated states, both subjects were placed under arrest for Affray (F.S.S. 870.01) and Disorderly Intoxication (F.S.S. 856.011).

Both subjects are to be held on \$1000 bond each.

Both individuals were transported to the Indian River County Jail without incident. Timothy had to be transported to the Cleveland Clinic for Medical Clearance due to his level of intoxication.

AGENCY CASE #: 25-13772

REPORT DATE: 08/03/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On 08/03/2025 at 22:57, at (Specifically include facts constituting cause for arrest.)

On 8/3/2025 at approximately 2030hrs, I responded to a disturbance call at 834 Gilbert Street.

Upon arrival, I made contact with the initial caller Maria Hernandez. Maria stated her and her husband's family had family dinner at the above residence on today's date. Maria stated when standing outside, a male and female wearing a green dress (Later identified as Catherine Traband and Keith Beckett) walked by on the sidewalk in front of the residence and started stating racial slurs and yelling about her husband's truck being parked on the side of the road. The male and female were questioned by Maria as to why they were acting in the manner and Catherine proceeded to say "Fucking Spanish People". Catherine also said she hated the woman who lives on the property which is Maria's mother-in-law. Catherine continued about the family vehicles being at the residence and everyone complains about Maria's husband's white company van. While walking away, Maria stated Catherine continued to yell rude comments to everyone outside. Maria added Catherine yelled at another neighbor a few houses down while walking away. Maria stated that Catherine appeared to be extremely intoxicated.

Maria provided a photograph of Catherine and Keith, who were positively identified by Officer Keskinen based on several law enforcement related encounters with them.

Contact was made with the other neighbor, Joseph Nelson, who stated Catherine has been harassing him for over 3 years. Joseph stated on today's date Catherine came on his property after leaving the 834 Gilbert property and started cursing at him, calling him racial slurs and homophobic remarks and threatening him. Joseph instructed her to leave multiple times and he stated Catherine appeared to be heavily intoxicated. He also stated she was out of control. Joseph stated Catherine and Keith both went inside the residence at 856 Lance Street.

Officers then responded to 856 Lance Street, Catherine's address, and observed her inside the home through the unobstructed window wearing the same green dress seen in the picture.

Based on the totality of the circumstances, Catherine was taken into custody upon exiting the residence and placed under arrest for Disorderly Intoxication. Catherine continued to state she did nothing wrong and did not comment further about the incident. While in close proximity to Catherine, there was a strong odor of alcoholic beverage emitting from her breath as she spoke.

Catherine was charged with one count of F.S.S. 856.011 Disorderly Intoxication. Catherine was transported to IRC Jail without incident.

## NARRATIVE

On 8/3/2025 at approximately 2017 hours, I responded to 9490 108th Ave (Racetrac gas station) in reference to a Disturbance.

Upon arrival, I made contact with Leticia Gonzalez (victim), Leticia advised she was at Racetrac waiting on her brother-in-law, when the suspect later identified as Maria Ellis came up to her vehicle and struck her in the face for being owed \$40. I asked Leticia if any point she solicited Maria to fight and she advised she had not. Leticia advised she got punched too quick to know if it was open or closed fist. Leticia complained of pain but refused EMS, at the time of incident her face had no distinct marking. I photographed her face with the AXON capture app and uploaded into AXON evidence. Leticia was provided a victim's rights brochure containing the case number and my information.

I then made contact with the manager at Racetrac to review CCTV footage, at approximately 1955 hours timestamped I observed a white female matching Maria's clothing description and hair color walk up to the passenger side of Leticia's vehicle and wave her arms around. A short time later she is seen cocking her right hand back and reaching into Leticia's vehicle to strike her. Maria was then observed walking back to her vehicle parked right behind Leticia's vehicle and driving away.

Leticia advised she has known Maria her whole life because her uncle married Maria's aunt, so they are not blood related but rather associated by family. Leticia advised that Maria was driving a newer model SUV which is a rental. I asked Leticia if she knew where Maria was currently residing. Leticia advised she did not know the numerical address, however, she could take us to Maria's residence, in the VLE neighborhood, off 97th Ct. Leticia lead us to 8626 97th Ct and stated she was living in an RV, at this address. Corporal Lang and myself attempted to make contact with Maria however no one was home at the time, there was a Saturn SUV with a FL Tag that came back registered to Maria.

I conducted a query search of black Chevrolet SUV's on FLOCK that frequented the area of 108th Ave where the Racetrac is located and 101st Ave one of the north entrance's to the VLE neighborhood. Based on the timeline of the events Maria's black SUV is seen leaving the Racetrac on camera at approximately 1957 hours, at 1958 hours FLOCK LPR's capture a black Chevrolet Equinox bearing FL Tag #JLBX78 traveling east bound on County Road 512 and 108th Ave the corner of where the Racetrac is located. An NCIC query of that license plate revealed it is a rental vehicle registered to EAN Holdings.

At approximately 2158 hours, FLOCK license plate readers picked Maria's vehicle up at 2158 hours at the intersection of 58th Ave west bound, on County Road 510. Myself and north county units began to BOLO the area for the vehicle. Deputy Binner located the vehicle at 8530 US Hwy 1 (7/11 gas station) stationary occupied by multiple individuals to include Maria. We followed the vehicle into 62nd Ave and 85th St where we conducted a Felony traffic stop.

During an inventory of the vehicle, crack cocaine was located on the top of a 7/11 fountain drink cup, Maria advised if I could grab her cellphone and wallet from her purse, while doing so a crack pipe was located in her purse. During a post-Miranda interview Maria advised her cousin Leticia was in the truck however she did not strike her but rather gave her a hug which was not consistent with what was observed on CCTV footage, Maria denied any allegations of battering Leticia. When questioned about the crack cocaine she admitted to it belongs to her and not the driver her boyfriend Matthew Degroat.

Maria was placed under arrest and cited for Burglary of a conveyance with Battery, after entering the victim's vehicle and striking the victim in the face, Possession of Controlled substance, Smuggle controlled substance into county detention facility. Possession of paraphernalia. She was transported to the county jail, upon a search of her person by corrections Deputy Leca-Walsh it was discovered that she was concealing approximately 4 rocks of Fentanyl in her

## Arrest Affidavit Report

Case Report # 2025-00082074

## NARRATIVE

On 8/3/2025 at approximately 2200 hours, I responded to 58th Ave and 85th St in reference to an LPR hit regarding a vehicle involved in a felony crime, which occurred a couple hours prior.

Upon arrival to the area, Deputy Binner located the vehicle in question, which was a black Chevrolet Equinox bearing FL Tag #JLBX78 stationary at a 7-11 gas station (8530 US Hwy 1). I observed the driver to match the description of the white male who was present at the disturbance at Racetrac gas station (9490 108th Ave), and my suspect, who was in the passenger seat of the vehicle. The driver was later identified as Matthew Degroat (suspect).

Deputy Binner and myself followed the vehicle to the intersection of 62nd Ave and 85th St, where we waited on additional units to conduct a Felony Traffic stop. Corporal Lang advised the following

"On 08/04/25 at approximately 2205 hours I assisted felony traffic stop reference case # 2025-82074 in the 6200 Block of 84th Street.

Once on scene other deputies had a felony traffic stop in progress. The driver later identified as Matthew Degroat was the first person removed from the vehicle. Once Matthew was removed from the vehicle I secured him in handcuffs and searched him. While searching him he admitted he had a syringe in his right front pocket. I turned the pocket inside out and located an empty syringe in the pocket. Matthew was secured in the back seat of my patrol car while the remaining occupants were removed.

After all occupants were removed and secured, I spoke with Matthew. Prior to speaking with him I advised him of his Miranda rights from a pre-printed card. Matthew waived his rights and agreed to speak with me. I asked him about the syringe located in his front pocket. He stated it was his and he had used it to inject Methamphetamine earlier in the day. I had run Matthew through FCIC/NCIC and found he had an Identification card only. He had numerous suspensions to his driver's license in effect. I asked him if he knew his license was suspended. He said yes he did know. He said he was stopped the day prior while driving. He admitted to knowing that driving with a suspended license was a crime."

The vehicle was subsequently inventoried by Deputy Binner and Sergeant Thimmer. Deputy Binner located a glass pipe, lying on the driver's seat, with burnt ends on the glass pipe, which is a common device to smoke crack cocaine from, which I know through my training and experience. Let it be known, Matthew was the driver of the vehicle and the pipe was located in the driver's seat, where he was sitting, prior to law enforcement commanding him to exit.

I conducted an additional electronic query of Matthew's license and learned he was a Habitual Traffic Offender as of 11/15/2004 and notice was provided on 06/04/2009.

Matthew was subsequently placed under arrest and cited for Driving with a suspended License- Habitual Traffic Offender, and Possession of Drug Paraphernalia. He was turned over to the County Jail without further incident.
