Arrest Affidavit Report

Case Report # 2026-00111627

NARRATIVE

On Friday October 16, 2026, at approximately 0915 hours, I responded to the County Jail at 4055 41st Ave, which is a location within Indian River County, in reference to a Criminal Mischief.

Upon arrival I met with shift supervisor Lieutenant Tangle #4984, who advised Inmate Deschryver, Paul damaged a fire suppression system in his cell as he is currently incarcerated in Indian River County Jail. I then relocated to the Lieutenant's office where I reviewed video surveillance of the incident.

The following is a summary of the incident:

On October 16, 2026, at approximately 0832 hours Inmate Deschryver was observed looking up at the fire suppression system in Medical [REDACTED]. Deschryver then reaches up with his right hand and pushes the fire suppression system with enough force to pop the fire suppression system causing water to spray out of the head filling his cell with water. As a result, water flooded the jail cell and into the hallway of Medical. Due to this, the fire suppression system had to be shut off to the whole jail facility for the repair. This caused the jail to go on fire watch due to not having a working fire suppression system in the jail facility. This incident caused a thousand dollars in damages and repairs due to the fire head of the sprinkler being damaged. At the time of this report, water to the facility was still shut off.

While at the jail another incident occurred:

On October 16, 2026, at approximately 1015 hours Inmate Deschryver was observed standing on the metal sink in his new cell [REDACTED] located in alternative housing. Deschryver was observed reaching up to the light fixture and pressing with enough force causing the plastic light fixture to break into big and small pieces. The large piece was placed back into the lighting fixture by Deschryver while several of the smaller pieces were placed in the toilet or beside the toilet. As a result, the pieces were removed from the jail cell along with the fixture, causing three hundred dollars in damages due to the fixture having to be replaced.

Based on the above stated facts, the fact Deschryver intentionally and maliciously destroyed a fire suppression system in one cell, and a lighting fixture in another, the fact that Deschryver caused interruption of public service in the County Jail that required the fire suppression water to be shut off for an unbeknownst time and \$1,000 in damages. There is probable cause to believe Deschryver committed the following violations:

FSS 806.10 Preventing or Obstructing extinguishment of fire.

FSS 806.13(1)(b)(3) Criminal Mischief \$1000 or greater.

Arrest Affidavit Report

Case Report # 2026-00111534

NARRATIVE

On Friday, October 16, 2026, at approximately 0305 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of Oak Street and Lake Drive, Sebastian, Indian River County, Florida.

While traveling westbound on County Road 512, near Veterans Memorial Way, I observed a white dodge truck sitting on Veterans Memorial Way. With plenty of room on the two lanes going westbound, the vehicle failed to make its left turn and sat stationary until I passed by. After I passed by the vehicle, it pulled out on to the roadway. I then turned in to Ashbury Blvd to let the vehicle pass. After the vehicle passed by, I observed that it only had one working running light. The right running light was inoperable.

After getting closer to the vehicle, it made a right turn on to Easy Street. As the vehicle approached the stop sign at Easy Street and Lake Drive, it failed to stop prior to the white stop bar. The vehicle then made a left turn and a traffic stop was conducted.

While speaking to the driver, and sole occupant of the vehicle, I identified them as Mr. Barry Coburn by his Florida driver's license. Mr. Coburn advised that he was aware of his tail light being out as he was pulled over earlier in the night by the Vero Beach Police Department. Mr. Coburn showed me the warning that showed he was stopped on 10/15/2026 at 2200 hours.

While Mr. Coburn was gathering the rest of his documents, I noticed that he was breathing very rapidly, and kept shuffling items around as he looked for certain documents, appearing frantic at times. Mr. Coburn also provided an out-of-date registration. While speaking to Mr. Coburn he advised that he was heading home, and that the address on his license was up to date.

I queried the address that Mr. Coburn lives at to see where it was within the city of Sebastian. The address he advised that he lives at, and was heading too, was another mile down the street if he would have continued traveling westbound on County Road 512. Instead, Mr. Coburn started to drive on random streets as he was "heading home".

While conducting a check for warrants, drivers license status, and writing warnings for the violations observed, K9 Deputy Scott arrived. Deputy Scott deployed his narcotics trained canine to conduct a free air sniff of the vehicle. Deputy Scott advised that his canine provided a positive alert for the presence of narcotics within the vehicle.

During a probable cause search of the vehicle, a Sebastian Police Officer located a black open top container in the passenger rear side of the vehicle. Within the container was a orange prescription bottle, that had blue tape around where the prescription label used to be printed. Within the bottle was two clear baggies, both containing a crystal-like substance appearing to be methamphetamine. There was additionally a cut straw within the bottle.

Mr. Coburn was detained in handcuff restraints. Without informing Mr. Coburn what he was being detained for, Mr. Coburn yelled to someone on the phone "call my lawyer".

Case Report # 2026-00111906

NARRATIVE

On October 16, 2026, at approximately 1922 hours, I responded to 4325 65th Street, Vero Beach in reference to a Theft.

Upon arrival, I made contact with the complainant Michael Todd, who stated the following in substance: On September 20th 2026, his son Luke Todd, had stolen \$50 dollars from Good Shepard Church of God located in the same address listed above. He explained, Luke had taken the money from the church donation box and deposited the funds into his lunch account at Gifford Middle School. He confronted Luke in my presence and asked him if he had stolen the money from the church and Luke confessed and to the crime.

I then read Luke his Miranda warning and asked him to explain what happened. Luke stated the following in substance: He wanted money and so he walked in to the church September 20th 2026, saw the donation box and flipped over its contents. Luke saw the \$50 dollar bill fall on the ground and grabbed it. On September 22nd 2026, he deposited that money to his lunch account at his school, Gifford Middle School.

It should be noted, Luke Todd is currently on a Felony Probation in St. Lucie County reference to Case number: (562026CJ000220AXXXSL)

Case Report # 2026-00111998

NARRATIVE

On Saturday, October 17, 2026, at approximately 0012 hours, I was traveling North on 58th Avenue near 8th Street in Vero Beach, Florida, when I observed a grey in color SUV pass me at a high rate of speed southbound. I conducted a U-turn and got behind the vehicle, a gray in color Porsche Cayenne bearing Florida tag#: 83DUQR. While behind the vehicle, it continuously had its left turn signal on, and crossed the centerline approximately six times.

I conducted a traffic stop on the vehicle at 500 58th Avenue SW, where the vehicle pulled to the left turn lane. I made contact with the driver and sole occupant, Santos Cordero, whom was identified by his Florida driver's license. I had requested Cordero's registration and insurance, which he continued reaching around without producing the requested documents.

As I interacted with Cordero, I observed a heavy odor of an alcoholic beverage emitting from his breath, slurred speech, and glassy-watery eyes. I asked Cordero if he had consumed any alcoholic beverages to which he stated "I do not answer questions." I asked Mr. Cordero if he had any firearms or narcotics inside of the vehicle, again he stated "No, and again I do not answer questions."

Due to the fact Cordero exhibited signs of impairment, and continued to reach towards the passenger side of the vehicle I requested him exit his vehicle. Cordero repeatedly refused to comply with my commands to exit the vehicle. I informed Cordero that failing to comply with my command to exit the vehicle, he would be removed from the vehicle. Cordero continued to reach around inside of the vehicle, at which point I reached inside of the driver side window, opened his door, and removed him from the vehicle placing him into custody.

I informed Cordero of my observations of signs of impairment and requested he participate in standardized field sobriety exercises. Cordero refused at which time I gave him his Taylor Warning, that refusal to comply with the exercises I requested an arrest decision would be made based on my observations up unto this point. Cordero again refused the exercises.

Cordero was placed into Deputy Goodrich's patrol vehicle, at which time he stated he had a firearm inside of the brown bag on his passenger seat, and he possesses a concealed weapons permit.

Cordero was arrested for DUI at 0021 hours, and was advised of the charge. Deputy Goodrich transported Cordero to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff Cazares advised me that Cordero refused to provide a breath sample.

Case Report # 2026-00111958

NARRATIVE

On Friday, October 16, 2026, at approximately 2235 hours, I, Deputy M. Neill #6317 responded to the intersection of 14th Street and 43rd Avenue, Vero Beach, Indian River County, Florida, in reference to vehicle crash.

The Indian River County Sheriff's Office received multiple 911 calls in reference to a vehicle crash with unknown injuries. Upon my arrival, I assisted with shutting the roadway down and ensuring no further crashes occurred. Deputy Perez was on scene and initiated a crash investigation. In total, three vehicles were involved.

I spoke to the other two drivers that were involved in the crash. Based on speaking with them, and the physical damage with the vehicles, it appeared that V1 was a grey Chevy Tahoe, V2 was a red Hyundai car, and V3 was a white GMC Acadia. V1 and V2 were traveling southbound on 43rd Avenue. V2 slowed down to make a left turn and was struck in the rear by V1. This crash/impact resulted in V1 and V2 leaving their lanes and striking V3, that was traveling northbound.

Mr. Cory Jensen was identified as the driver of V1. Units on scene who spoke to Mr. Jensen believed that he was impaired and requested that I conduct a DUI investigation.

While standing around the scene, I observed Mr. Jensen walking around the scene. He was unsteady on his feet, and appeared to have mood swings. I could also hear a slur in his speech as he was speaking to others.

Once the crash investigation was complete, I made contact with Mr. Jensen. I identified myself and informed him that the crash investigation was over, and that a DUI investigation was now commencing. He was advised of his Miranda Rights. Mr. Jensen advised that he understood his rights and that he was willing to speak to me.

Mr. Jensen advised that he was driving V1 (a chevy Tahoe), and that it is registered to him. He advised he was traveling alone, southbound on 43rd Ave at 35MPH. Two vehicles in front of him were acting erratically, which resulted in him attempting to "thread the needle" between the two vehicles. He also stated that V2 slammed on their breaks for no apparent reason. No one else was within the vehicle and Mr. Jensen suffered no injuries from the crash. He confirmed that he did not hit his head during the crash and that his airbags did not deploy. Mr. Jensen advised that he had no physical disabilities other than "a bad hip and bad back". He confirmed that he has not drunken any alcohol, drugs, or prescribed narcotics (other than testosterone related medication).

While speaking to Mr. Jensen, I noticed a large slur in his speech, watery eyes, and an unsteady balance while speaking to me. At times he had a mood swing where he would become angry and then calm again.

I requested that Mr. Jensen perform Standardized Field Sobriety Exercises (SFSE's). He originally denied wanting to perform SFSE's. I explained the exercises and asked if we could start with the Horizontal Gaze Nystagmus (HGN). He agreed to this exercise.

Horizontal Gaze Nystagmus (6/6): Mr. Jensen had a lack of smooth pursuit, distinct and sustained nystagmus, and

nystagmus onset prior to a 45-degree angle in both eyes. He did not have a resting nystagmus in either eye. Both eyes tracked equally and had equal pupil size.

I then requested that Mr. Jensen perform the Walk and Turn Exercise. He agreed.

Walk and Turn (4/8): Mr. Jensen could not keep his balance while in the instructional stance, missed touching heel to toe on multiple steps, made an improper turn, and took too many steps (10 down and 10 back).

I then requested that Mr. Jensen perform the one leg stand exercise. He then stated he had more issues from his back and hip that he did not inform me of earlier, but advised he would perform the exercise.

One Leg Stand (3/4): Mr. Jensen hopped, put his foot down, and swayed while attempting to balance himself.

I then performed the Modified Rhomberg Exercise. This exercise had to be attempted three separate times as Mr. Jensen would state he understood the instructions, but failed to complete the exercise as instructed. On the third attempt, Mr. Jensen estimated the passing of 30 seconds at 22 seconds. During all three attempts, Mr. Jensen had eye lid tremors.

Based on my training and experience as a certified Drug Recognition Expert, I believe that Mr. Jensen is under the influence of some type of drug, which is impairing his normal faculties to safely operate a motor vehicle.

I placed Mr. Jensen under arrest. He was secured in handcuff restraints and escorted to my patrol vehicle. During a search of his person, on his right side in his shorts, in the small coin pocket, I located a small plastic that contained approximately 9 pills. Within the same pocket was a broken half of a pill, that appeared to be similar to the full-size pills located in the bag. After removing the plastic bag, I identified the markings on the pills as "GG249". Per Drugs.com, this pill was identified as Alprazolam 2mg, a schedule 4 controlled substance. In Mr. Jensen's left shorts pocket, I removed a large amount of currency. This currency was made up of \$100, \$20, \$10, \$5 and \$1 bills. In total Mr. Jensen had \$2,938.

After removing the pills from Mr. Jensen's pocket, I asked if he had a prescription for them. He advised that he did. I then asked if he would be able to provide proof of that prescription. He stated yes, but then stated that it was online. He also made the statement that he found the pills along the side of the roadway after the crash, later putting them in his pocket.

While conducting an inventory search of Mr. Jensen's vehicle, Corporal Chamberlain located a large bag of raw marijuana. This bag of marijuana was too big to fit on the digital scale that I had on scene, but based on the partial weight that could be captured, the marijuana weighed over 100 grams. The marijuana within the bag field tested presumptive positive as marijuana that contained THC. Within an apple phone box, I located a small amount of raw marijuana. This marijuana appeared to have some kind of coating on the marijuana. Upon field tested this

marijuana, it fields tested presumptive positive as having Fentanyl present. The total weight of the marijuana (coated with Fentanyl) was approximately 3 grams. Underneath the rear driver side floor mat, Deputy Perez located a 9MM pistol. This pistol had a live round in the chamber, as well as ammunition within the magazine.

I interviewed Mr. Jensen again. He denied ownership of the marijuana, laced marijuana, or firearm. Mr. Jensen advised that his girlfriend, who he broke up with two days ago, was using his vehicle yesterday. He knows that she used marijuana but does not know if she left marijuana within his vehicle. When informed that it was a large amount of marijuana, and a firearm in the vehicle, he advised that someone must have broken in to his vehicle and left those items in the vehicle.

Mr. Jensen is a 7-time convicted felon. His last felony conviction on 09/24/2012 for Burglary of an Occupied Dwelling. He was convicted of this charge under case number 562012CF002615AXXXXX,

Mr. Jensen was transported to the Cleveland Clinic Hospital for medical clearance. While at the jail, Mr. Jensen advised that he has a prior criminal history for possession of alprazolam and marijuana in the past. While casually conversing with Mr. Jensen, he asked for my name multiple times. He was informed of my name multiple times and continued to forget it. He also continued to forget what county we were in, and past conversations we had.

Mr. Jensen was then transported to the Indian River County Jail. While at the jail, Mr. Jensen provided two breath samples of 0.000 and 0.000. While completing jail paperwork, Mr. Jensen requested to use the restroom. I then requested a urine sample from Mr. Jensen. Mr. Jensen agreed. He was provided with an opportunity to provide a urine sample. He advised that he needed more time. He was allowed to drink water and wait in the area. He got up and informed jail deputies and I that he needed to pee again. He again either could not or would not provide a urine sample. He was informed he had until 0400 hours, which would have equated to approximately 45 minutes to provide a urine sample. During this time Mr. Jensen was advised of implied consent, and advised that not providing a urine sample would result as a refusal. At 0353 hours, Mr. Jensen called me over to state that he had to urinate, and was ready to provide a sample. Mr. Jensen was provided until 0405 hours, until he informed me that he would not be able to provide a sample. Since no sample was provided, it was deemed a refusal.

NARRATIVE

On Saturday, October 17, 2026, at approximately 0648 hours, I responded to [REDACTED] to a disturbance in progress.

Upon my arrival and as I approached the residence, I heard a very loud verbal argument happening between two males. In conjunction with the male's yelling, I heard a female screaming as well. As I got closer, I could see, [REDACTED] and the suspect, Kenneth Lewis, in a physical altercation in front of the residence. Suddenly the physical altercation went from in front of the residence to inside the residence as I approach. When I approached the front door area and was able to see inside the residence. I observed [REDACTED] holding Lewis back, as Lewis attempted two unsuccessful closed fist strikes to [REDACTED] head and face area. During this observed attempt I observed [REDACTED] to be in a defensive posture as to hold Lewis away and keep from getting struck. Lewis was also grabbing [REDACTED] shoulder as to keep him close in order to land the strike. Both parties immediately ceased their actions at the sight of me. I immediately interjected and asked [REDACTED] to step outside so I could begin inquiring about the incident.

As we walked outside, suddenly Lewis began walking at the front door without prompt. He was advised to cease his actions but ignored commands. Lewis began pasturing with his arms and closed fists as he began yelling incoherent statements. At the sight of Lewis' aggressive demeanor, I cease contact with [REDACTED] and walked over to Lewis to escort him to another location. As I grabbed Lewis' left wrist and left upper forearm. Lewis immediately tensed up and pulled his arm away from me. I advised Lewis to stop but he continued his actions. Lewis then attempted to pull his arm away from me with more force. At this time Deputy J. Crawford grabbed Lewis' right arm in an attempt to assist me in gaining control of Lewis. A physical altercation for control ensued between the three of us. After a brief moment we were able to gain control of Lewis and handcuff him. Lewis was escorted to the back of the patrol vehicle and secured in the back seat compartment.

Lewis was transported to the Indian River County Jail where he was turned over jail staff and charged with violating the following Florida State Statute:

- F.S.S. 843.02 Resisting an Officer without Violence

The incident was captured on my Axon body-worn camera.

Arrest Affidavit Report

Case Report # 2026-00112159

NARRATIVE

On 10/17/2026 at approximately 1319 hours, I responded to Snappy's Food Store located at 1196 Old Dixie Highway in reference to an individual trespassing at the location. Prior to my arrival, the complainant Fatima Shilpi informed Indian River County Emergency Dispatch the same subject that was previously trespassed on 10/17/2026 had returned to the property (Ref Case# 2026-112214).

Upon arrival, I observed the arrestee known to me from previous interactions as Clarence Barber standing in the North Parking lot of Snappy's Food Store wearing a blue/green color shirt, brown pants, and black sneakers. During my previous interaction with Clarence, he was verbally trespassed from Snappy's Food Store in my presence, and he had refused his own copy of the Trespass Warning issued by Deputy Jake Crawford (Case# 2026-112214). Due to my previous interaction, I placed Clarence into custody for trespassing on property after verbal warning without incident.

I spoke with Fatima via telecommunications in reference to my investigation. Fatima advised to me that she observed Clarence enter Snappy's Food Store while she was working her shift at approximately 1317 hours.

Due to the above aforementioned information, I established that Clarence was in violation of FSS 810.08.2b (Trespassing Occupied Structure or Conveyance).

Clarence is charged with the following:

FSS 810.08.2b- Trespassing Occupied Structure or Conveyance (1 CT) (\$500 Bond)

Arrest Affidavit Report

Case Report # 2026-00112232

NARRATIVE

On 10-17-2026 at approximately 1820 hours, I, Deputy M. Mangel #5949, responded to the area of milemarker 158 northbound Interstate 95, located within Indian River County, Florida to assist Deputy W. Coultry #6372 on a traffic stop.

Deputy Coultry received a license plate reader (LPR) hit, (a visual and/or audible alert triggered when an Automated License Plate Reader scans a license plate that matches an entry in a pre-loaded database, known as a hotlist or permit list), in reference to a wanted subject, Brianna Nicole Bryant (DOB: 02-11-1996). The associated vehicle tied to aforementioned subject was a 2020 blue Nissan sedan bearing Florida license plate FRFE73.

Deputy Coultry initiated a traffic stop and made contact with the driver who was identified via her Florida Driver's License and confirmed to be Brianna Bryant.

Deputy Coultry ran Brianna's name through the Indian River County Sheriff's Office Communications Center (dispatch) and they confirmed she had an active warrant out of Indian River County, warrant number WR120261699, date of warrant issued 10-09-2026, case number 2026-105316. charge of FSS 784.048.1B- UCR:Stalking-Misdemeanor (no bond).

When I arrived on scene I took Brianna into custody and transported her to the Indian River County jail where she was booked in on aforementioned warrant.

Arrest Affidavit Report

Case Report # 2026-00112264

NARRATIVE

On Saturday, October 17th 2026 at approximately 1938hrs, I Deputy Finkle was dispatched to the area of Old Dixie Hwy and 12th St for a reckless driving complaint in Vero Beach FL.

I was advised that a subject by the name of Megan Rion was on the line with Public Safety Dispatch advising she was behind a black/dark in color Kia Sportage and provided the Florida registration of (FL-39DSYP). The caller advised she was in a white in color VW SUV and advised the Kia was unable to maintain its lane.

The caller continued to provide updated locations which was currently south bound on Old Dixie Hwy at 4th St. Due to being on 27th Ave and 4th St, I proceeded south on 27th Ave to Oslo Rd, then east toward Old Dixie Hwy in an attempt to intercept and locate the Kia. As I was traveling east on Oslo Rd passing 11th Dr SW, I observed a dark in color Kia SUV approaching me going west bound. As I slowed down to see if the Kia matched the description and to confirm the registration, the kia began to turn north onto 11th Ct SW.

I looked back in my driver side mirror as we passed and visually observed a partial registration ending in SYP which was the last 3 on the registration the caller provided. I immediately slowed and awaiting westbound traffic to clear before turning north on 10th Ct SW. began canvassing the neighborhood for the vehicle.

As I was traveling west on 7th St SW approaching 11th Ct SW, I observed a vehicle backing into the driveway of 725 11th Ct SW. I pulled up and parked just north of the residence at which time the headlights of the vehicle turned off. I exited my patrol vehicle and as I approached the vehicle, I observed it to be a black in color Kia Sportage.

The driver door was open and a single black male occupant was in the driver seat. I called out to the male as I approached and said hi to him which he greeted me back in a friendly manner. He then asked me how I was doing to which I responded I was good and introduced myself as I approached the driver door. Up to this point, I was merely approaching to have a consensual encounter with the subject which is why I parked my vehicle away from his residence, not blocking his driveway and no emergency lights activated.

As I got to the open driver door, I was immediately met by an overwhelming odor of an alcoholic beverage emitting from inside the vehicle. I also immediately recognized the male to be slurring his words as he inquired why I was on his property. He then proceeded to ask what the problem was and he wanted to know. I informed the male, later identified by his Florida license as Charles Wimes about the call I received about his driving behavior.

Charles replied in a very apparent slurred manner that it was F'ed up and that hes 65 years old. I also

observed Charles to have appeared to have urinated on himself as the front of his pants in his groin region was wet as well as his zipper being down. Due to all the observations thus far, I developed reasonable suspicion that was Charles may be under the influence of alcohol beyond his ability to operate a vehicle safely.

Due to this, I requested another Deputy as I transitioned into a DUI investigation. I then looked at the rear license plate which matched that of the one given by the initial caller. I began conversating with Charles and observed him to have slow and lethargic movements, droopy eye lids, overly relaxed facial expressions and his eyes were red in color and glossy.

Charles became irritable and upset as he began making statements that he doesn't bother anyone and he is in his house that he built. I asked him for his driver's license which Charles became more upset and questioned why he needed it when he was at his house.

I informed Charles that I observed him driving on Oslo, observed him back into his driveway and that his vehicle matched the description given by the caller. Charles became even more argumentative, expressing his disagreement for the facts I was giving him. I asked Charles how much alcohol he has had to drink to which he stated he had a 4 pack of beer, then became agitated again. His speech stayed heavily slurred and I informed him I cpuld smell a strong odor of an alcoholic beverage coming from him that grew stringer as he spoke.

I pointed out to him that it appeared he urinated on himself to which he became defensive and stated he was a grown man. I then pointed out his zipper being down to which he pointed at me and asked if mine was down, which I stated it was not. He responded by stating okay then, get off me which did not make sense.

I then requested his driver's license numerous time which he argued about giving it. After multiple requests, he eventually provided it as he continued incoherently making statements about his displeasure.

Charles belligerent Ness continued as I explained why the encounter is happening once again. Upon explaining everything too him, he affirmed it all made sense as he was slumped over listening with his mouth open. I requested Charles to put his black in color flip flops on that were at his feet. He struggled for awhile trying to put them on due to poor coordination.

I then requested Charles to exit the vehicle to which he began refusing and stating he was going to call his sister. I instructed him numerous more times more times to exit which he refused. I then grabbed his arm and began assisting him out which he did not resist but was very unsteady on his feet causing me to

have to hold a good portion of his body weight up. Once out of the vehicle, I instructed Charles to walk to my patrol vehicle which he refused by standing there and trying to find his keys.

He retrieved his keys from his pocket and locked his vehicle. Upon instructing him again to walk to my vehicle, Charles began walking and immediately was very unsteady in his feet, almost falling over and tripping on himself.

Once at my patrol vehicle, Charles leaned his entire body back on my push bumper to support himself. I then requested him participate in Standardized Field Sobriety exercises to which he consented but continued to argue. Charles stated he has never has a traumatic brain injury or head trauma and does not wear contacts or glasses. He advised he has had a [REDACTED] in the past. Charles then advised again he had a 4 pack of beer a few hours prior while in his vehicle but threw the trash out before driving.

I attempted to conduct Horizontal Gaze Nystagmus however Charles would not follow instructions even though he stated he understood. He moved his head consistently and stopped following the stimulus, causing me to be unable to conduct the exercise.

I attempted to have him conduct the walk and turn exercise, however he could not get into the starting position due to being so unsteady on his feet. Due to my concern he would fall and get hurt, I stopped him from trying to get into the starting position.

I then attempted to conduct the Modified Romberg which Charles again, could not follow instructions. At one point he stumbled backwards and fell into my patrol vehicle. At this point, based on all of my observations I placed Charles under arrest for driving under the influence.

I then transported Charles to the Indian River County Jail where he was turned over to Jail staff who conducted Intox. I was advised Charles provided a sample showing a .21 BAC. I find probable cause for:

F.S.S- 316.193- Driving under the influence of alcohol with a BAC over .15

Case Report # 2026-00112305

NARRATIVE

On Saturday, October 17th, 2026 at approximately 2221 hours, your affiant, Detective Ramiro Doval #6244, along with [REDACTED] were patrolling the area of County Road 512 and Interstate 95, when your affiant observed a burgundy Chevrolet pickup truck bearing Florida tag #Y021RM traveling eastbound on County Road 512, approaching County Road 150. The vehicle failed to come to a stop at a steady red traffic light at the intersection of CR 510 and CR 512, which is in violation of 316.075(1)(c)(1).

Your affiant, along with [REDACTED] conducted a traffic stop at Barber Street, and CR 512 on the vehicle. Your affiant made contact with the driver and passenger of the vehicle. The driver, later identified as Miguel Pedro Garcia Dorantes was asked for his driver's license and registration, the documents were provided by Miguel to [REDACTED]

Your affiant observed the driver to be extremely nervous. Miguel's hands were visibly trembling, his forehead began to sweat and would not make eye contact with your affiant [REDACTED] Your affiant asked Miguel if there was any weapons or narcotics in the vehicle, he stated no.

Deputy Ricardo Ferrer arrived and deployed his K9 partner Mako to conduct a free air sniff of the vehicle. Deputy Ferrer advised your affiant Mako alerted to a positive alert for the presence of narcotics in the vehicle. Your affiant, Detective Rispoli and Deputy Ferrer searched the vehicle. Detective Rispoli advised your affiant, she located a small clear baggie of a crystal-like substance in the rear floor board hidden under a cupholder.

Your affiant collected the small baggie with a crystal-like substance. Due to my training and experience, the crystal-like substances appeared to be methamphetamine. The crystal-like substance was field tested which yielded a positive result for methamphetamine.

The baggie of methamphetamine weighed 1.16 grams.

At this time, your affiant placed Miguel Pedro Garcia Dorantes under arrest for the following offenses;

Count 1.) Violation of F.S.S. 893.13 (6)(A), possession of methamphetamine, when Miguel was found in possession of 1.16 grams.

Miguel was transported to the Indian River County Jail without incident.

Case Report # 2026-00112329

NARRATIVE

On Sunday, October 18, 2026, I observed a grey Hyundai Santa Fe fail to obey the stop sign at the intersection of 48th Street and 32nd Avenue. The vehicle made a left turn onto 32nd Avenue without making any attempts to stop. I then conducted a traffic stop at the 4700 block of 32nd Avenue on a grey Hyundai Santa Fe bearing Vermont Tag LAH995. Upon making contact with the driver, I identified myself and requested the driver's license, vehicle registration, and vehicle insurance. The driver was identified as Tamika Fadden by her Florida driver's license. Fadden gave me consent to search her vehicle. Before searching the vehicle Tamika showed me a glass pipe, she had in her center console.

Deputy Scott ran her information through dispatch while I searched her vehicle. In the center console I found a clear plastic baggy with what appeared as cocaine residue.

Post Miranda she agreed to speak with me. After further questioning she advised that she had cocaine and a pipe inside her car.

The white powdered substance tested positive from Cocaine.

Fadden was placed under arrest and transported to the Indian River County Jail.

Case Report # 2026-00112323

NARRATIVE

On October 18, 2026, at approximately 0003 hours, I responded to Seb Inlet 14251 Highway A1A, lot 5, in reference to Domestic Violence.

Upon arrival, I made contact with Dustin Rockenhaus who stated the following in substance: He was inside of the RV when he heard an argument between [REDACTED] and Paul. [REDACTED] yelled Dustin's name for help so he came out of the RV and he observed Paul swinging at [REDACTED] but did not see him strike her. Dustin then grabbed Paul and held him down to give [REDACTED] a chance to leave with [REDACTED] once Dustin let Paul go, he took off running towards the bathroom structure located in near the entrance of the camp site.

It should be noted, Paul was then located hidden inside of a bush near the bathroom structure.

I made contact with [REDACTED] who stated the following in substance: They were all in the RV drinking and Paul started to call her names making her feel uncomfortable. She then made the decision to leave with [REDACTED] due to Paul's behavior. Paul and her started to argue, and when she opened the vehicle's door in attempt to get in, he pulls her out by her hair and told her she wasn't leaving. After this happened Dustin grabbed Paul and held him so she could get in her car and leave.

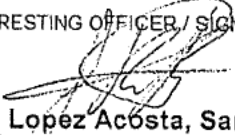

It should be noted, Paul and [REDACTED]

Paul G. Schoennagel, was read Miranda Rights and he said the following in substance: He explained he was not going to any detail of what happened tonight and would not incriminate himself. There was alcohol involved, there was an argument and Dustin and him got into a physical altercation. After they stopped being physical, he left and was later found in the bushes where he came out to give himself up.

Based on my investigation and all statements mentioned above, I find probable cause to charge Paul G. Schoennagel with False Imprisonment and Battery (Domestic Violence).

4055 41st Ave
Vero Beach, Florida 32960

Arrest Affidavit ReportCase Report # **2026-00112350****NARRATIVE**

On October 18th, 2026, at approximately 0156 hours, I was patrolling the 2600 block of 66th Avenue, Vero Beach, Florida, when I observed a white Chevrolet Equinox bearing Florida tag 13FBXJ with an apparently inoperative tag light. I positioned my patrol vehicle behind the Equinox and briefly turned off my headlights to check its rear tag illumination. I observed that the tag light was inoperative and the rear registration plate was not clearly legible from 50 feet to the rear, in violation of Florida Statute 316.221(2).

Before initiating a traffic stop, my license plate reader alerted to an expired registration. A query through D.A.V.I.D. confirmed that the registration had expired on March 28th, 2026. The query also identified Adrian Anthony Mitchell as the registered owner and showed his driver's license as suspended, with a suspension effective date of October 27th, 2025.

I conducted a traffic stop and identified the driver and sole occupant as Adrian Anthony Mitchell. The following statements are summarized in substance.

I informed Mitchell of the reason for the stop and requested his driver's license, registration, and proof of insurance. Mitchell stated that he had forgotten his wallet at home and could not locate the remaining documents because the vehicle belonged to his wife. Mitchell further stated that his driver's license should be valid because he was enrolled in Operation Green Light.

Through my prior work as a bailiff at the Indian River County Clerk of Court, I became familiar with Operation Green Light, which assists eligible individuals in resolving outstanding court obligations and addressing associated driver's license suspensions. Mitchell's statement indicated that he had taken steps to address his license status; however, D.A.V.I.D. continued to show his license as suspended.

A further review of Mitchell's driving record revealed suspension entries for "FAIL TO PAY CT FINANCIAL OBLIGATION," with effective dates of August 10th, 2026; May 11th, 2026; and October 27th, 2025.

The record also reflected guilty dispositions for driving while license suspended or revoked on December 31st, 2025, under citation AMNZ30E, and August 31st, 2021, under citation AECY3TE. Additionally, the record showed that Mitchell received citation AO5IR5E for driving while license suspended, revoked, or canceled in Brevard County, Florida, on August 17th, 2026.

Based on my investigation, I placed Mitchell under arrest for knowingly driving while his license was suspended. I removed him from the vehicle and secured him in handcuffs, which were checked for proper fit and double-locked. While I was placing Mitchell under arrest, he stated that he might be in possession of marijuana.

A search of Mitchell's person incident to arrest revealed a blue plastic bag labeled "Zkittlez," displaying a monkey graphic and containing fresh marijuana. A check through Indian River County Public Safety Dispatch indicated that Mitchell did not have a medical marijuana card on file.

Before the vehicle was towed, Deputy M. Neill and I conducted an inventory search of the vehicle. During the

inventory search, Deputy Neill located a small clear plastic bag containing a white powdery substance and a brown plastic bag labeled "Armenian Candy" next to it. Based on my training and experience, the appearance and consistency of the white powder were consistent with cocaine.

I held up the brown bag and asked Mitchell whether it was one of the bags he had been referring to as containing marijuana. Mitchell stated that it was.

I subsequently advised Mitchell of his Miranda rights. Mitchell stated that he understood his rights and agreed to speak with me. During the interview, Mitchell admitted that the marijuana belonged to him but denied knowledge of the cocaine.

Deputy Neill conducted a field test of the white powdery substance, which yielded a presumptive positive result for cocaine.

Based on the totality of the circumstances, Mitchell was transported to the Indian River County Jail on charges of:

1. Possession of a controlled substance, consistent with F.S.S. 893.13.(6)(d).
2. Possession of marijuana not more than 20 grams, consistent with F.S.S. 893.13.(6)(b).
3. Knowingly DWLSR (2nd conviction), consistent with F.S.S. 322.34(2)(b).

Arrest Affidavit Report

Case Report # 2026-00112310

NARRATIVE

On Saturday 10/17/2026, at appoxiamtely 2240, I responded to call for service at [REDACTED]

The caller, later identified as Luis Hernandez, called law enforcement after he suspected that a customer of his was a victim of domestic violence. Hernandez, who owns a local junk removal company, claims that he was contracted to [REDACTED] to pick up miscellaneous junk.

Hernandez identified his customer as "the [REDACTED] who lives there", and claimed that he it was unusual that [REDACTED] was ordering a junk pick-up late in the afternoon. Hernandez stated that the majority of the items he was supposed to collect was paint cans, brushes, and other items. However, the customer would later bring down clothes still on clothing hangers and pairs of shoes. Hernandez stated that this aroused his suspicion and that he thought it could be [REDACTED] related altercation.

After picking up the property, Hernandez received a call from a phone number with a [REDACTED] area code. The caller stated that it was his property that he wanted it back from Hernandez. The caller agreed to pay Hernandez to get the items back. Hernandez agreed and was later contacted agan by the [REDACTED]

The [REDACTED] called Hernandez and asked him not to bring the property back to the house. Hernandez reportedly expressed his concern for the [REDACTED] subject, as he stated something was wrong with [REDACTED] voice. Hernandez also stated that the [REDACTED] subject told him that the male subject broke [REDACTED] windows. Hernandez called law enforcement requesting that we check on his customer.

Corporal Chamberlain and I arrived at the residence and made contact with a [REDACTED] subject standing in the home's driveway. In the driveway with the subject, was a vehicle with a broken window and a juvenile sitting in the front seat. Glass could also be seen throughout the driveway and throughout the public roadway. In addition to this, the front door had apparent damage as if entry was forced, with pieces of wooden frame scattered in the front yard.

Corporal Chamberlain and I identified the [REDACTED] subject as [REDACTED] had observable injuries to [REDACTED] left arm and was visibly shaken. [REDACTED] originally refused to answer any questions, besides [REDACTED] basic identifiers. [REDACTED] originally stated that "nothing" had occurred and that [REDACTED] injuries were sustained from "falling".

Although [REDACTED] would not directly identify the subject, I was able to identify the subject as Wilkenson Myrtil [REDACTED] stated that Wilkenson [REDACTED]

In addition to this, I would later ask [REDACTED] where [REDACTED] would go after the incident. [REDACTED] would state that [REDACTED] did not know, as the often comes and goes from the [REDACTED]

NARRATIVE (Continuation)

residence with his whereabouts being unknown.

█████ had visible dirt and blood on █████ right pant leg and open wounds on █████ left arm. Small pieces of glass could be seen around the area of the wounds. It is important to note that this arm would have been closest to the driver side window which was shattered. After speaking with █████ about the situation for some time, █████ started referring to the suspect as "he" but would not refer to him by his name. █████ gave Corporal Chamberlain permission to speak with █████ in the front seat of the damaged vehicle.

The juvenile subject, identified as █████ claimed that █████ were seated inside the car when █████ broke the driver side window (Please See Complete Supplemental Authored by Corporal Chamberlain). █████ would later state that █████ was in fear that █████ "would get hurt". The injuries on █████ arm were consistent with the broken driver side window of the vehicle.

The vehicle which was parked in the driveway of the residence, displaying Florida Tag# █████ was sitting with the driver side door wide open. I collected photographs of the vehicle including the exterior and front passenger compartment.

Photographs were also taken of the debris field of glass that continued from the residence's driveway and across the roadway. Photographs and Body Worn Camera footage exists of this investigation.

█████ was presented with a victim's rights card, domestic violence brochure, and a lethality assessment was completed as required by policy.

A Department of Children and Families report was submitted under the following case number: 10451850.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **10/16/2026** , at **01:08** (Specifically include facts constituting cause for arrest.)

On 10/16/26, at approximately 0107 hours, while on routine patrol traveling southbound in the 2100 block of 34th Ave, approaching the intersection of 20th St and 34th Ave. I observed a white SUV that was traveling southbound on 33rd Ave fail to make a complete stop at the stop sign of 33rd Ave and 20th St. Once behind the vehicle (bearing FL Tag#DM40FF) traveling westbound on 20th St, I also observed the tag light to be non-functional.

I then initiated a vehicle stop by activating the emergency lights on my fully marked patrol vehicle and made contact with the driver and front passenger of the vehicle. Upon making contact with the driver of the vehicle, who I later identified as Christopher L. Edwards (DOB: 06/10/1983), I explained to him the reason for the stop. While speaking with Edwards, the passenger of the vehicle (later identified as Jean M. Fils-Amie; DOB: 05/12/1989), continued to state "this is crazy" multiple times. It should be noted Fils-Amie was exhibiting multiple signs of nervous behavior such as his face being sweaty, breathing heavily, shaky hands, and repeating the same statements multiple times while rocking his body back and forward. I questioned Fils-Amie on why he was so nervous and he advised he needed to pay his bondsman.

I then questioned Edwards if there was anything illegal in the vehicle to which he initially stated "nothing in here that I know of" then said "Man ima just be for real man, he just threw something in my god damn back seat." I then requested both Edwards and Fils-Amie to exit the vehicle. Fils-Amie advised he was just released from jail the day prior.

I then made contact with Edwards and requested consent to search his vehicle to which he agreed for me to do so. Before searching the vehicle, Edwards stated while being pulled over, Fils-Amie said to him that he had his "thing" on him and observed Fils-Amie break something that sounded like glass with his foot on the floorboard. Edwards stated Fils-Amie then attempted to hand something to him but denied taking it to which Fils-Amie then threw something towards the rear of the vehicle. Edwards explained Fils-Amie then became very nervous and that was the reason he was acting like that.

Upon searching the vehicle, I located multiple pieces of broken glass on the passenger side floorboard. I also located a large broken piece of glass containing burnt residue. Based on my training and experience, I identified the broken glass to be a broken glass pipe containing burnt residue (drug paraphernalia).

I then read Fils-Amie his Miranda Warnings to which he advised he understood and agreed to speak with me. Initially when I questioned Fils-Amie what was on the passenger side floorboard of the vehicle he advised it was broken glass. I asked him what he did to the glass he advised he stepped on it. I questioned Fils-Amie if the glass was a glass pipe to which he advised he was unsure on what it was but it looked like a light bulb. Fils-Amie then continued to state that he did nothing.

I then read Edwards his Miranda Warnings to which he advised he understood and wished to speak with me. Edwards advised he was leaving a friend's house where Fils-Amie was sleeping at inside his vehicle. Edwards said Fils-Amie was going to walk to Seven-Eleven but offered him a ride due to him already heading that way for \$10. Edwards said he then put his dog inside his vehicle and told Fils-Amie to get in. Edwards stated he removed some items from the passenger seat and placed them into the cup holder area for Fils-Amie to sit down. Edwards explained he then drove off and admitted to then running the stop sign at the intersection of 33rd Ave and 20th St where he then observed my patrol vehicle.

Edwards said as soon as I turned my emergency lights on, Fils-Amie began panicking and told him, "I got my thing on me again." Edwards stated Fils-Amie then began stomping on something on the passenger floorboard that sounded like glass breaking. Edwards said Fils-Amie attempted to hand him a piece of something but did not grab it. Edwards stated Fils-Amie then tossed something towards the rear of the vehicle and stated, "It's gone." Edwards said he told Fils-Amie what he did was on him and wanted no part in that. Edwards provided me with a sworn witness statement that was later submitted into records at the Vero Beach Police Department.

I then made contact with Fils-Amie to provide him another chance on explaining the incident to me. Fils-Amie then changed his story and advised upon entering the vehicle, Edwards moved things from the passenger seat to the passenger floorboard. Fils-Amie said once he got in the vehicle he observed something on the floor but was unsure what it was. Fils-Amie stated he then stepped on something and possibly broke the glass on the floorboard. Fils-Amie also advised the glass was possibly already broken upon entering the vehicle. It should be noted Fils-Amie statements were all inconsistent while interviewing him.

Based on the above mentioned circumstances, Fils-Amie was placed under arrest for violation of F.S.S.893.147 (1) Possession Of Drug Paraphernalia, and F.S.S.918.13 (1A) Tampering With Physical Evidence.

Edwards was later provided two VBPd warnings for the initial reason for the traffic stop reference (Warning# 119412, 119413).

Fills-Amie was then transported to the Indian River County Jail for booking and processing where he is held with no bond.

Evidence was later submitted into the Vero Beach Police Department Evidence.

VICTIM TO SUBJECT RELATIONSHIP									

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/17/2026** at **19:04**, at **[REDACTED]** (Specifically include facts constituting cause for arrest.)

On **10/17/2026** at approximately **1904** hours, I responded to a trespass call at **[REDACTED]**. The complainant advised that **[REDACTED]** Elizabeth, was previously issued a trespass and that she was at their back door.

On arrival, I made contact with the complainant who was later identified as **[REDACTED]** (W/M DOB: 01/11/1980) and **[REDACTED]** (W/F DOB: 05/02/1983). They reiterated that **[REDACTED]** who resides in apartment 6, was by their back door and had entered their porch. The complainant stated he had captured the incident on video.

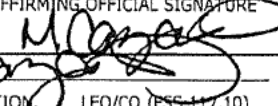

I then walked to the rear of the residence, where I observed a white female in a light colored night gown. The female was cooperative, placed in handcuffs, and escorted to my patrol vehicle. The female was identified as Elizabeth Goodrich (W/F DOB: 11/22/1956). It should be noted that I have had previous law enforcement interactions with this female and immediately was able to identify who she was.

I then returned to make contact with the complainant who showed me the video footage. In the video, I observed Goodrich walk towards the north side of the complainants residence. Goodrich then slowly made her way towards the complainants back porch and crouched down. Goodrich appeared to be speaking to herself and then lifted her middle finger up pointing it towards someone or something. Goodrich then turned around, making contact with the complainant through the screen door (screen door was closed at the time). Goodrich began talking to the complainant and then picked up a leaf rake that was on the complainants property, keeping it in her hand the entire time. Goodrich was seen entering the complainants porch as she used her legs to step over their 2-3 foot tall wall that separates the porch from the grass. In the video, the complainant is heard telling Goodrich she is not allowed on the property however, she did not make any effort in leaving. Goodrich then walked up to the back sliding door, where she told the complainant she would open the sliding door if she wanted too.

It should be noted, dispatch had advised that Goodrich had been trespassed by Cpl. J. Brumley on 10/14/2026.

Based on the foregoing, Goodrich was placed under arrest for trespass - occupied structure F.S.S. 810.08(2B). Goodrich was transported to the Indian River County Jail and to be held on a \$500.00 bond.

BWC footage and the complainants video footage is available on evidence library.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/18/2026**, at **01:03** (Specifically include facts constituting cause for arrest.)

On **01/03/2026** at approximately **0103** hours, I responded to a suspicious person call near the **1800** block of **6th Avenue**. The caller advised there was a white male with a bicycle and backpack on the side of the street and stated that the male appeared intoxicated. The caller also advised that the male had alcoholic beverages inside of his backpack and that the male was unable to stand up.

On arrival, I observed a white male lying on his back near the entrance of Our Savior Lutheran Church (1850 6th Avenue) off 6th Avenue. The male was wearing a black shirt, blue jeans, and I observed a black and brown backpack next to him. There was also a white and green Schwinn High Plains bicycle lying on the grass, within arms reach of the male. The male/defendant was later identified through his Florida Identification Card as Todd Szalowski (W/M DOB: 04/17/1980). As I made contact with the defendant, he acknowledged that the bicycle was his and that he was using it as a form of transportation.

In asking the defendant where he was coming from, he responded with "back front and front front." It should be noted that I had to repeat myself several times to the defendant as he was unable to answer the questions being asked. The defendant eventually stated he had went out to eat and grab a couple beers. The defendant stated he went to Publix and Walgreens and was on his way home. It should be noted that both businesses were closed as it was already past midnight. The defendant was unable to tell me where he was and was unable to tell me his home address, but repeatedly stated he was "just down the road." It should be noted that in speaking with the defendant, he had mushed mouth and slurred speech, making it difficult to understand him. The defendant had a strong odor of an alcoholic beverage emanating from his person and his blue jeans were soiled from the back. The defendant had difficulty maintaining his balance as he stood up from his lying position.

Based on the statements and my observations, I advised the defendant that I had concern he might be impaired and advised him I would be conducting Standardized Field Sobriety Exercises. The defendant refused to perform the exercises as requested to which, I advised him I would like to dispel any suspicion or concern of intoxication. The defendant was given multiple opportunities to perform the exercises however, he continuously interrupted me and refused to answer whether he was going to conduct the exercises or not. Based on the totality of circumstances, the defendant was placed in handcuffs while he sat on the ground. With the assistance of Ofc. Robertson, the defendant was stood up from the ground and guided to my patrol vehicle. It should be noted that the defendant had trouble maintaining his balance and we had to assist in preventing him from falling. The defendant was placed under arrest for Driving Under the Influence (DUI) - Bicycle and transported to the Indian River County Jail.

It should be noted that I observed in plain view an empty Rumble Minze 50mL bottle inside the right pocket of the black and brown backpack. There were additional unopened Dragon's Milk Reserve 12oz beer bottles inside of the backpack.

The defendant was then placed in the Indian River County Jail Intox Room under video surveillance. After an approximate 20 minute observation period (observation began at 0136 hours), I asked the defendant if he would provide a sample of his breath for the purpose of determining its alcohol content to which the defendant refused. I then attempted to read the defendant Implied Consent but he continuously interrupted me. I advised the defendant to remain quiet as I attempted to re-read Implied Consent but he did not listen and continued to speak over me. The defendant then refused to answer so I advised him that due to his lack of cooperation, his response would be classified as a refusal.

Based on a totality of the foregoing, the defendant was charged as follows:

F.S.S. 316.193(1A) DUI in that the Defendant was:

- Driving and/or in actual physical control of a motor vehicle / bicycle ;
- Under the influence of alcoholic beverages;
- Affected to the extent that the person's normal faculties were impaired.

F.S.S.316.1939 (1)(e) REFUSAL TO SUBMIT TO TESTING in that the Defendant:

- Refused to submit to a chemical or physical test of his breath; First Refusal
- Who, after having been so informed (Implied Consent), refused to submit to any such test when requested to do so by a law enforcement officer; physical test of his breath.

The Defendant was issued the following citations for this incident:

- Citation # AFVKLBE ; DUI F.S.S 316.193(1A).
- Citation # AO919JE ; REFUSAL TO SUBMIT F.S.S. 316.1939(1E)

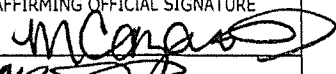

The Defendant was turned over to jail staff and to be held on a \$1,000.00 BOND.

BWC footage and in-car footage is available on Evidence Library. Photographs are available on the Responder Application.

VICTIM TO SUBJECT RELATIONSHIP							

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 10/16/2026, at approximately 0738 hours, I was dispatched to _____ in reference to a welfare check.

Officers responded to the complaint's address, 674 Crystal Mist Avenue, to make contact with him, later identified as Lee Reid. Upon arrival, Lee stated he has a close relationship with a female, _____

_____ Lee provided the following concerning text messages, which were all from today's date:

- 0244 hours: _____ sent a picture of herself to Lee. The picture showed both of _____ eyelids swollen and her bleeding from her left eyebrow.
- 0300: Messages were sent from _____ to Lee saying "don't call me anymore, don't text me anymore, and don't come this house anymore"
- 0305: _____ sent another picture of herself to Lee. The picture showed _____ bleeding more heavily from her left eyebrow

Based on these concerning text messages, and other concerning text messages and pictures from previous dates. Lee suspected _____ later identified as Kenneth Frederickson, was physically abusing her. While I made contact with Kenneth outside _____ Officer Vasquez (#449) made contact with _____ inside the residence, and noted the following:

_____ stated that at approximately 0200 hours on 10/16/26, Kenneth pushed her, causing her to fall in the kitchen and sustain a laceration near her left orbital bone. _____ stated that she did not wish to be transported to the hospital. However, Officers observed dried blood in and around her left eye socket, so medical services were requested."

"Attempts by Officers to obtain further information regarding the incident resulted in _____ crying and becoming unresponsive to further questioning. After sitting with _____ for some time, Officers observed that she began to open up and disclose additional information, stating that Kenneth had been abusing her for an extended period of time. Officers also observed bruising on _____ left arm that appeared consistent with someone grabbing her arm. The bruising was green and dark in color and ran along the bottom of her bicep. _____ further stated that she had endured _____

"Officers were advised by the complainant, Lee, that he had additional photographs of _____ from a prior incident. Officers viewed the photographs and observed that _____ appeared to have a black eye and facial swelling. Lee advised that he had been aware of the alleged abuse for approximately two years. However, _____ did not confirm or deny a specific timeline regarding the alleged abuse."

"Throughout the interaction, _____ displayed significant fear when Officers asked questions regarding the current incident or prior incidents involving Kenneth and any alleged battery or assault. When questioned about these incidents, _____ began crying and appeared to have difficulty speaking."

For more information, refer to Officer Vasquez's supplement report. I made contact with Kenneth, who stated the following in summary: On today's date, at approximately 0200 hours, he was laying inside his bedroom. Kenneth heard _____ attempting to get off of the couch to get something from the kitchen. Kenneth went out to the living room and offered to help _____ get what she needed. _____ refused Kenneth's help, got up, and while walking to the kitchen, fell and hit her head on the counter top. _____ refused to call EMS or go to the hospital.

The following should be noted: While being questioned, Kenneth was inconsistent in his wording of the incident. Specifically, in whether he "saw" or "heard" _____ fall. This happened multiple times, including when EMS was requesting medical information about _____ from him. Kenneth claimed he knew about _____ and Lee but, he did not care. Kenneth denied knowing about the text messages between Lee and _____ and denied ever abusing _____

Based on the totality of the circumstances including:

- Text messages sent from _____ to Lee of her physical injuries, during the estimated time of this incident.
- Lee receiving text messages like these in the past, all with similar injuries.
- During attempts to get _____ statement, her becoming unresponsive and unwilling answer questions.
- Once _____ did open up, _____ statement matching her physical injuries, and the physical state of the residence.
- _____ statements regarding being abused for an extended period of time, matching Lee's statements and timeline
- Finger tipped shape bruising, consistent with someone grabbing an arm located on _____ left bicep
- During continued questioning regarding alleged assault or abuse, _____ began to cry and unable was to answer questions

- Inconsistencies in Kenneth's statements

I find there is sufficient probable cause to charge Kenneth for being in violation of FSS: 784.03 (BATTERY TOUCH OR STRIKE). Kenneth was placed into mechanical restraints, which were double locked and checked for proper fit, and transported to the Indian River County Jail without incident.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 10/18/26 at approximately hours, I Ofc. Kriegner responded to the area of 43rd Avenue and State Road 60 in reference to a reckless vehicle (white Chevrolet Sedan FL tag# SJTG24) that was unable to maintain lanes.

Upon arriving at the area, I observed the vehicle stopped at a green light, obstructing traffic, in the right turning lane from 43d Avenue. I observed significant damage to the front left bumper, fender and driver's side door. I believed the vehicle had been involved in a crash, so I turned on my police lights attempting to alert the driver of my presence and to alert surrounding vehicles of the vehicle hazard. The vehicle then turned right and began traveling eastbound on State Route 60. The vehicle was serving in between lanes, unable to maintain them. I got behind the vehicle to initiate a traffic stop at the 4300 Block of State Route 60 for failure to maintain lanes. The vehicle continued eastbound and failed to stop for several streets before stopping in the roadway at the 3600 block of State Route 60.

I approached the vehicle, as the driver (identified as Nicole Colon) was rolling down her window. As I began to inquire about her driving pattern, I detected a strong odor of an alcoholic beverage emanating from inside the vehicle. Her speech was slurred and her eyes were watery and red. I asked Nicole to exit the vehicle and asked if she had consumed any alcohol recently. She responded no and stated she only consumed prescription _____ approximately 1 hour prior to the incident. As she spoke, I detected a strong odor of an alcoholic beverage emanating from her breath, she was unable to maintain balance and swayed as she stood. I requested Nicole perform Standard Field Sobriety Exercises to dispel my suspicion of her being under the influence and too impaired to drive. She consented and the results are as follows:

During Horizontal Gaze Nystagmus after stating she understood the directions:

Nicole was unable to maintain balance and swayed will standing
She failed to follow directions and turned her head to follow the stimulus
Nystagmus was present in both eyes

During the Walk and Turn after stating she understood the directions:

Nicole was unable to maintain balance
She was unable to maintain a straight path
She was instructed several times to count out loud during her steps
She was instructed multiple times about how to turn
She did not take the instructed number of steps in either direction

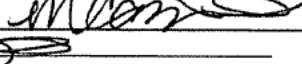

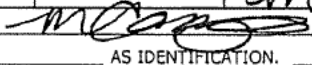

During the One Leg Stand after stating she understood the instructions:

Nicole was unable to maintain balance
She began to walk rather than remain standing with one leg lifted
She was given the instructions several times and continued to walk rather than stand with one leg lifted

Based on my observations and the totality of the circumstances, Nicole was placed under arrest for FSS 316.193 Driving Under the Influence and transported to the Indian River County Jail without incident. During an inventory search of the vehicle, approximately 8 empty bottles of "Sutter Home Pinot Grigio" bottles were located on the passenger's seat.

Jail staff conducted a Breathe Alcohol test. The first sample showed a result of 0.197 and the second was a 0.187.

The incident was captured on my BWC and in-car camera.
