REPORTING OFFICER & ID #
Martin, Quinn A422

NARRATIVE

On Friday, October 23, 2026, at approximately 1331 hours, I Corporal Martin, responded to 5230 US Highway 1 at the Publix store in reference to a reported disturbance in progress. Indian River County dispatch advised over channel 1 that a caller was reporting that a male in the store was threatening and screaming at people. Indian River dispatch advised that the call taker could hear the other male over the phone call stating "I'm gonna kill you nigga". I would further be advised that the male subject threatening people was described as a black male wearing a black in color shirt and shorts that were black in green in color and had a palm tree design.

Upon my arrival, I observed a black male wearing the previously mentioned clothing description in front of Mawk Wine and Spirits located at 5240 Unit 102 just north of the Publix store. I made contact with the male who appeared to be in a heightened state and asked him if he was inside of the Publix store. The male subject would state yes, but I was not able to understand what further he said due to him trying to eat and speak to me at the same time. I continued to further question the male subject, but the male would continue in his own line of questioning and not answer any of my questions. I explained to the male the reason as to why I was there, but the male further continued to not answer any of my questions. While trying to talk with the male; later identified as Johnny L. Johnson DOB: 09/25/1993, he attempted to walk around me as if he was going to walk away. I informed Johnson that he was currently under detainment at the time while I conducted my investigation into the reported assault and battery. Johnson would then state he was going to leave and began to gather his belongings as if he was going to leave after I informed him that he was under detainment. I then would place the male into handcuffs and with the assistance of another deputy place him into my marked vehicle while I left to speak with witnesses. Johnson would later still not provide me with a statement of what occurred inside of the Publix.

I first, spoke with the primary caller named Javon L. Dawkins, who is the manager of the Publix store. Dawkins informed me that the male I was speaking with was the male who entered the store and who he called about. Dawkins would state to me that Johnson entered the store and began to pay for his items. He observed the customer service representative tell Johnson that his card had declined the transaction. From that statement he observed Johnson begin to verbally threaten the worker and made movements that made him believe that he was going to hit the worker. Dawkins stated that he made contact with Johnson and asked him to calm down and leave the store. Dawkins would further state that Johnson then became aggressive towards him, and did the same movements that made him believe that he was about to be hit by Johnson. Dawkins would also state that Johnson threatened to kill him verbally. Dawkins would further state that he had to walk out the store for Johnson to follow him, and

leave the store as well.

I then, spoke with the customer service representative previously mentioned and identified him as Jeremy Hulme. Hulme stated that Johnson was trying to pay for items, and when his card declined, he became aggressive and began to yell at him. Hulme stated that Johnson would verbally threaten him, and began to act as if he was going to hit Hulme. Hulme stated that his manager Dawkins would step into the interaction, and Johnson would then begin to act aggressive and threatened Dawkins.

Due to the totality of the circumstances, that Johnny L. Johnson resisted a lawful order to remain where he was to conduct and complete a criminal investigation by a person defined in FSS 943.10. That Johnson was seen acting in a nature that could be described as corrupting the public morals, or outrage the sense of public decency, and affected the peace and quiet of persons who witnessed him, and engaged in conduct that constituted a breach of the peace. That during the breach of the peace, Johnson was on the premise of a licensed establishment as defined in FSS Chapter 509, and such conduct was creating a threat to the safety of persons on the premises. Johnson was placed under arrest for:

FSS 843.02 Resisting an Officer without violence misdemeanor with a bond status of $500.00 USD

FSS 877.03 Breach of the peace/ Disorderly conduct misdemeanor with a bond status of $150.00 USD

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00114692**

NARRATIVE

On October 23, 2026, at approximately 15:57hrs, I responded to 200 Grand Royale Circle, Unit 204 in reference to a disturbance. The caller [redacted] stated a male subject had attacked him, and that he needed medical attention.

Upon my arrival, White was being loaded in the back of an ambulance. I made contact, and immediately noticed [redacted] had severe swelling and several lacerations to his face. It should be noted, [redacted] right eye was swollen completely shut. When asked what took place [redacted] stated as he was traveling home on Indrio Road, he passed another motorist who was traveling slowly in the fast lane. [redacted] stated the male in the other vehicle then became belligerent, pulling up behind him at a red traffic light blowing the horn and making obscene gestures toward him. [redacted] stated he continued driving toward his house, and the other motorist continued following him all the way. [redacted] stated when he pulled into his community, he drove to the pool parking lot, as he did not want the other subject to know where he lived. [redacted] stated the other subject followed him all the way to the parking lot, and then both exited their vehicles. [redacted] stated he tried to ask the other male what the issue was, and stated the other male rushed him and began punching him in the face with closed fists. [redacted] said he fell to the ground, and the other male continued hitting him, and at one time ground his head into the pavement. [redacted] said he could only grab the male's arms with his hands in an effort to keep him from hitting him. [redacted] stated the male then returned to his vehicle, a black Kia SUV, and began leaving the parking lot, at which time [redacted] took a picture of the license plate. [redacted] was transported to Cleveland Clinic Hospital due to the extent of his injuries.

Other deputies were able to locate the suspect vehicle, along with the single occupant, identified as Eduardo Valido. Valido was found to have blood on his shirt, redness and abrasions on both hands, along with a contusion and redness above his right eye along his forehead, and dried blood on the bottom of his right shoe. Valido was read his Miranda Warnings from an agency issued Miranda Card and stated he understood his rights, but declined to provide a statement.

Upon review of camera footage from the incident, it depicted [redacted] parking within his community at a nearby pool parking area. Valido was seen arriving in his black SUV wearing an orange shirt, gray pants, and white shoes. [redacted] exited his vehicle and was approached by Valido, whom was then seen throwing several closed fists striking [redacted]

Based on the totality of the circumstances, Valido intentionally touched and struck [redacted] against his will and caused great bodily harm.

Valido was subsequently detained and transported to the Indian River County Jail for Aggravated battery pursuant to F.S.S. 784.041.1.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 10/23/2026 , at 20:25 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 10/23/26, at approximately 2025 hours, while on routine patrol traveling northbound in the 1300 block of 26th St, I observed a black pickup truck traveling southbound on 13th Ave. I then conducted a U-turn and observed the black pickup truck to have an illegible license plate from 50 feet due to the lack of lighting.

I then initiated a vehicle stop on the pickup truck (FL Tag#AG12CQ) by activating the emergency lights on my fully marked patrol vehicle and made contact with the driver and front passenger of the vehicle. Upon making contact with the driver of the vehicle, who I later identified as Cody J. Walker (DOB: 04/20/1989), I explained to him the reason for the stop. While speaking with Walker, I observed him exhibiting multiple signs of nervous behavior such as his face becoming sweaty, breathing heavily, and very shaky hands. I asked Walker why he was so nervous to which he advised he was just tired of being pulled over multiple times. Due to Walkers nervous behavior, I requested both occupants of the vehicle exit and stand by my patrol vehicle.

It should be noted that while at my patrol vehicle, the passenger (Andrea M. Adkins; DOB: 04/25/1968), became very nervous. She was unable to stand in one place and began walking in circles. I asked Walker if he consented to a search of his vehicle to which he denied me doing so. Adkins then approached my driver door and insisted I let her leave the traffic stop due to a new roommate being inside her home. I advised Adkins she was not free to leave until I completed my traffic stop. I then requested Indian River County Sheriff's Office K-9 to respond.

While attempting to complete the traffic warning, Adkins became agitated and continued to act like she was going to leave the scene. Due to me being the only Officer on scene at the time, I stepped out of my vehicle and stood by with Adkins until another Officer arrived on scene.

K-9 Deputy Shaw (5786) arrived on scene and conducted an open air sniff of the pickup truck to which he advised his K-9 positively alerted to the vehicle.

Prior to conducting a search of the vehicle, I questioned both Walker and Adkins if there was anything illegal in the vehicle that I should know about before I searched. Adkins stated she had methamphetamine located inside her purse as well as a pipe. I then detained Adkins.

While conducting a search of the vehicle, I located a black purse on the passenger seat. Inside the black purse I located in the main compartment, two un-used glass pipes, a small clear glass container containing crystal like substance, eleven SIM cards, cell phone, and $3,097.00 in cash (multiple different denominations). It should be noted Adkins also had a cell phone on her person. The crystal like substance later field-tested positive for the presence for of Methamphetamine.

I then read Adkins her Miranda Warning to which she advised she understood and wished to speak with me. I asked Adkins to describe her purse to which she advised it was a small black purse. Adkins stated she had roughly "$20 worth of meth" inside her purse and a glass pipe. Adkins also stated she had roughly $3,000 in cash inside her purse. I questioned Adkins on where she obtained the cash from to which she said the "Red Cross". Adkins provided no further information.

Based on the above mentioned circumstances, Adkins was placed under arrest for violation of F.S.S. 893.13(6a) Possession of Controlled Substance (Methamphetamine) (Citation#AO91A9E), and F.S.S. 893.147(1) Possession Of Drug Paraphernalia.

Walker was then issued a warning for the initial reason for stop reference VBPD Warning#119496.

Adkins was transported to the Indian River County Jail for processing and booking where she is held with no bond.

It should be noted, while at the jail, I interviewed Adkins in reference to the cash ($3097.00) located inside her purse. Adkins stated she obtained $4500 in cash from Red Cross in February for Hurricane Milton disaster relief. Adkins said she opened a bank account and placed the money into it around February. Adkins advised around April or May she withdrew the money and has held onto it since. I asked Adkins on why there was multiple denominations of currency to which she said her roommate had just paid her money for rent. Due to the narcotics, paraphernalia, two cell phones and multiple SIM cards located inside her purse, I provided a Notice of Seizure to Adkins for the $3,097.00 in cash. Adkins understood and signed the notice. Adkins was provided a copy of the Notice of Seizure.

All aforementioned property was later submitted into Evidence at the Vero Beach Police Department.

RELATIONSHIP UNKNOWN

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/23/2026**, at **21:15** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On October 23rd, 2026, at approximately 2115 hours, I, Ofc. Z. Dominguez, responded to 1025 Beachland Blvd (Mulligan's Beach House) in reference to a combative male causing a disturbance.

Upon arrival, I was directed inside by an employee to a combative male subject being restrained on the ground of the restaurant. I entered the restaurant and assisted in restraining the subject, later identified as Mark Engels. Engels was then removed from the restaurant and walked to my patrol vehicle. While walking to my patrol vehicle, Engels said that he was asked to leave by the victim [redacted]. Engels said he didn't understand why he was being asked to leave and refused. Engels said [redacted] approached him, asking him to leave a second time. Engels then said he punched [redacted] in the face before being "beat up" by [redacted] and another restaurant employee. I placed Engles in the back of my patrol vehicle and read him his Miranda Warning. Engles acknowledged and refused to speak with me. It should be noted that Engels had a visible cut and swelling under both eyes.

I then returned to the restaurant and spoke with [redacted] said that he was approached by two frequent patrons of the establishment, who claimed Engels was making misogynistic remarks and making patrons feel uncomfortable. [redacted] said he asked Engels to leave the bar due to him receiving complaints, to which Engels became angry and refused. [redacted] then approached Engels, asking him to leave again, at which time Engels punched him in the face with a closed fist. [redacted] said he defended himself, striking Engels back, knocking him down, and restraining him on the ground until law enforcement arrival. [redacted] sustained a visible cut to his lip, but didn't require EMS on scene. [redacted] also filled out a sworn witness statement regarding his involvement in the incident.

A witness, Heather Tatum, filled out a sworn witness statement on scene, concurring with [redacted] Tatum said [redacted] made himself known as the manager on duty, and asked Engels to leave due to irratic/loud behavior. Tatum said [redacted] walked around the bar to escort Engels out of the restaurant when Engels said "F*ck you" and punched him in the face. [redacted] responded by defending himself and law enforcement was called.

At this time, I placed Engels under arrest for F.S.S. 784.03 Battery and F.S.S. 856.011 Disorderly Intoxication.

Engels was then transported to Cleveland Clinic Indian River Hospital for medical clearance.

Engels was later transported to Indian River County Jail for booking, to be held on $1150 bond.

This incident was captured by my department issued Body Worn Camera (BWC) and uploaded to VBPD Evidence Library.

NARRATIVE

On Saturday, October 24, 2026 at approximately 0130 hours, I conducted a traffic enforcement stop on a black Harley-Davidson (FL / MKRS42) in the 1500 block of US Highway 1 in Sebastian, Florida.

I observed the motorcycle traveling at a high rate of speed and visually estimated it at 80 miles per hour. I activated my in-car Stalker DSR 2X (SN: DB017909) and captured the motorcycle at 84 miles per hour in a posted 35 mile per hour zone.

I identified the operator as Mr. Walter Dube (Arrestee). Walter had a valid driver's license with appropriate motorcycle endorsement. Walter stated he was coming from Rack Em'. His eyes were watery and glassy. Walter was evasive when I asked how many alcoholic beverages he had consumed, and never provided a straight answer.

Cpl. R. Thomas (6288) arrived on-scene and spoke with Walter. He directed Walter to get off his motorcycle. Walter got off slowly and held onto his handle bars for support. While speaking with Walter, I could smell the distinct odor of an alcoholic beverage emitting from his breath.

I requested Walter complete Standardized Field Sobriety Exercises (SFSE's) and he stated he had a pinched nerve in his back, and claimed that why he was holding onto the handlebars. I explained I was able to offer the NASBLA seated battery tasks and Walter agreed.

I began by asking the Pre-task questions. Walter stated his physical defects included his pinched nerve in his back, which he is prescribed [redacted]. He took his last dose at approximately 1700 hours. Walter is currently under the care of a doctor for the above condition.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) task. I explained the instructions to Walter who stated he understood. I observed his pupils were of equal size and tracked simultaneously. I did not observe resting nystagmus. I observed Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation and onset of nystagmus prior to 45 degrees (35). Walter did not have Vertical Gaze Nystagmus (VGN). Walter moved his head slightly during this task. TOTAL CLUES: 6

The second task I administered was the Finger to Nose (FTN) task. I explained and demonstrated the task to Walter who stated he understood the instructions. I clarified the "tip of finger" and "tip of nose" for Walter. During the instruction stage, Walter started at the wrong time before being prompted to do so. During the performance stage, I observed the following attempts:

L1: Missed Nose – Did not bring down

R2: Missed Nose – Did not bring down
L3: Missed Nose – Did not bring down
R4: Missed Nose – Did not bring down
R5: Wrong hand / Wrong finger – Did not bring down
L6: Wrong hand / Wrong finger – Did not bring down
TOTAL CLUES: 15

The third task I administered was the Palm Pat task. I explained and demonstrated the task to Walter who stated he understood the instructions. During the performance stage, Walter failed to count as instructed and did not increase speed. TOTAL CLUES: 2

The fourth task I administered was the Hand Coordination: I explained and demonstrated the task to Walther. Walter seemed confused and requested I provided the instructions a second time. During the instruction stage, Walter failed to maintain the instructed position and started attempting the task as I was providing the instructions. During the performance stage, I observed the following clues of impairment: Task 2 (Hand clapping) – Improper count and failed to return. Task 3 (Return steps) – did not return left fist to chest. TOTAL CLUES: 3. Walter made a comment regarding the complexity of this task and stated, "This would be hard to do sober."

Based on the above indicators of impairment, Walter was placed under arrest for driving under the influence (DUI). Walter was searched and transported to the Indian River County Jail Complex (IRCJC) without incident.

Upon arrival at the Jail Complex, Walter was searched and a twenty-minute observation period was initiated. At the expiration of this period, Walter was asked to provide a sample of his breath by Deputy F. Solomon (5815). Walter initially refused, and was advised of Implied Consent. Before Deputy Solomon could finish, Walter stated he would provide a sample. Walter provided the following two lawful samples of his breath: 0.093 g/210L and 0.102 g/210L.

Walter was ultimately charged with DUI w/ BrAC above 0.08 g/210L (ANHCEIE). Walter was issued a UTC for Speeding (AOCEY6E) with a mandatory court date (November 17, 2026 at 0830). Walter was held on a total bond of $500.

NARRATIVE

On 10/24/2026 at approximately 2150 Hours the Indian River County Communications Center began receiving multiple 911 calls in reference to a grey SUV driving down Interstate 95 in a reckless manner.

One caller stated the vehicle was speeding up and slowing down and failing to stay in a single lane. They continued to explain at one point the vehicle was swerving between all three lanes of the interstate narrowly missing multiple vehicles.

I located the vehicle near the Mile Marker 146. It was driving in the number 1 lane at an estimated speed of 40 mph in a posted 70 mph zone. While I followed behind the vehicle, I observed it cross both the fog line and the lane line. I initiated a traffic stop and identified the driver as Roberto Betancourt. While speaking with Roberto I detected the odor of an acholic beverage emitting from his breath. I asked Roberto to exit his vehicle to continue my investigation, which he complied. While roadside it was difficult to communicate with Roberto due to a language barrier. While attempting to speak with Roberto he was swaying and his eyes were bloodshot and watery. Roberto was placed under arrest for suspicion of DUI and transported to the Indian River County jail for additional testing.

Once at the Jail I requested to complete standardized field sobriety testing with Roberto. Jail staff assisted with translation to ensure all directions and requests were understood. During the Horizontal Gaze Nystagmus Exercise (HGN) I observed the following clues:

- Lack of smooth pursuit in both eyes
- Distinct and Sustained Nystagmus at Maximum Deviation in both eyes
- Onset of Nystagmus prior to 45 degrees in both eyes

A total of 6 clues were observed during the HGN exercise.

Next Roberto attempted the Walk-and-Turn exercise and the following clues were observed

- Could not maintain balance during instruction
- Stopped while walking
- Does not touch heel-to-toe
- Steps off the line
- Uses arms for balance

- Improper turn
- Incorrect number of steps

A total of 7 clues were observed during the Walk-and-Turn exercise.

Next Roberto attempted the One-Leg Stand and the following clues were observed

- Sways while balancing
- Uses arms for balance
- Puts foot down

A total of 3 clues were observed during the One-Leg Stand (OLS) exercise.

A breath sample was then requested and Roberto provided two sample showing a 0.146 and 0.156 Blood Alcohol Content (BAC).

Roberto was charged with the following:

DUI with BAC of 0.15 or Higher (Citation# ANHCFDE)

The initial traffic stop was recorded on my AXON Camera and all testing was recorded via the jail camera system.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 10/25/2026 , at 00:38 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On Saturday, October 24, 2026, at approximately 2213 hours, I was conducting an area check at Captain Hiram's Restaurant, located at 1606 Indian River Drive, Sebastian, Florida, 32958, when I was contacted by the resort manager, William Pence, and a security officer. They advised me that a female was passed out inside a running vehicle in the parking lot.

Upon making contact with the female, I observed her reclined in the driver's seat with her eyes closed and no apparent movement. The vehicle was running. I knocked firmly on the driver's side window several times before the female opened her eyes. She appeared startled and took several seconds to become aware of her surroundings. I identified myself as a police officer, after which several additional seconds passed before she opened the driver's side door.

As I spoke with the female, I detected a strong odor of an alcoholic beverage emanating from her breath. I also observed that her eyes were glossy and bloodshot. During our conversation, the female admitted that she had been drinking at the bar. She stated that she was resting inside her vehicle and did not intend to drive.

I explained to the female that, under Florida law, a person does not necessarily have to be observed driving a vehicle to be investigated for DUI. I further explained that, because the vehicle was running and she was seated in the driver's seat, her circumstances could constitute actual physical control of a motor vehicle. The female repeatedly stated that she was not driving and continued to dispute my explanation. I requested that she provide her driver's license, which she did. She was subsequently identified as Jennifer Martin.

While speaking with Jennifer, I observed her drop several items from the vehicle. When she exited the vehicle to retrieve the items, I observed her swaying back and forth as she attempted to pick them up from the ground.

I advised Jennifer that she could contact a friend or family member to pick her up rather than risk being taken to jail. Jennifer stated that she did not have anyone available to pick her up but would contact an Uber. After requesting an Uber, Jennifer continued to argue that she had done nothing wrong. I attempted several times to explain the circumstances of the investigation; however, she became increasingly irritated during these conversations.

Due to Jennifer's escalating agitation, I placed her in hand restraints while I repositioned my patrol vehicle to conduct standardized field sobriety exercises. Jennifer was advised of her Miranda rights and asked whether she was willing to participate in standardized field sobriety exercises (SFSEs). She agreed to participate and was subsequently uncuffed to perform the exercises.

Prior to administering the SFSE, I asked Jennifer whether she had any medical conditions that would affect her ability to perform the exercise. She stated that she did not. I also asked whether she wore contact lenses or glasses, to which she responded that she did not.

The first exercise administered was the Horizontal Gaze Nystagmus (HGN) test. I explained the instructions to Jennifer and directed her to stand with her feet together, keep her arms at her sides, and follow the tip of my pen with her eyes without moving her head. During the exercise, Jennifer repeatedly placed her hands behind her back and moved her head while attempting to follow the stimulus. I observed that her eyes did not track equally and that her eyes exhibited jerking movements while following the stimulus.

I explained the instructions for the Walk-and-Turn test, directing Jennifer to stand with her right foot in front of her left foot, with the heel of her right foot touching the toe of her left foot, and to maintain that position until instructed to begin. I instructed her to keep her arms at her sides, take nine heel-to-toe steps forward, turn while keeping her left foot planted, and take nine heel-to-toe steps back. I demonstrated the exercise and confirmed that she understood the instructions.

While I was demonstrating the exercise, Jennifer repeatedly swayed back and forth and stepped away from the designated line. She also began attempting to perform the exercise before I had finished demonstrating and explaining the instructions, requiring me to restart the demonstration several times. During the explanation, Jennifer repeatedly stated that she could not perform the exercise even when sober. Due to Jennifer's lack of cooperation with the exercise, officers discontinued the test.

Jennifer was subsequently placed in temporary restraints. The restraints were checked for proper fit and double-locked. She was then secured in the rear of my patrol vehicle and transported to the Indian River County Jail for breath testing.

Upon arrival at the jail, Jennifer was requested to submit to a breath test but refused.

Based on the totality of the circumstances, including Jennifer's admission to consuming alcohol, the strong odor of an alcoholic beverage emanating from her breath, her glossy and bloodshot eyes, her delayed responses upon being awakened, her observed swaying, and the observations made during the attempted standardized field sobriety exercises, I determined there was probable cause to charge Jennifer with Driving Under the Influence (DUI), in violation of Florida Statute 316.193(1)(a).

Additionally, Jennifer was charged with Refusal to Submit to Testing, in violation of Florida Statute 316.1939, based on her refusal to submit to the requested breath test.

NARRATIVE

On Saturday, October 24, 2026, at approximately 2345 hours, I conducted a traffic enforcement stop on a Black Kia SUV bearing Florida tag "RFGN60" in the area of Indian River Drive and Martin Ave, Sebastian, Florida, 32958.

The vehicle crossed over the double yellow dividing line into the oncoming lane of travel. I followed the vehicle and observed it swerving in its lane.

I conducted a traffic stop on the vehicle for the aforementioned violation. I observed a female driver and female passenger. The driver rolled down their window and I could smell the distinct odor of an alcoholic beverage emitting from the vehicle. I then asked the driver for her required documents. The driver was identified as Charity Gallagher (arrestee) by her Florida Driver's License. I observed Ms. Gallagher to have watery eyes, which were also slightly bloodshot. Ms. Gallagher stated she was going home from Earl's Bar. Ms. Gallagher stated her and friend went to the costume party at Captain Hiram's early where she drank a Bahama Mama, Gallagher stated she never really drinks.

I asked Ms. Gallagher to step out of the vehicle, and instructed her to walk towards the front of my patrol vehicle. I then requested Ms. Gallagher to submit to Standard Field Sobriety Exercises (SFSE's) to determine her ability to operate a motor vehicle safely which she agreed. Ms. Gallagher was asked if she had anything to prevent her from walking or standing or any major surgeries to her knee's, back, or neck and any other major medical history; Which she stated 4 years ago she had [redacted]

The first exercise I administered was the Horizontal Gaze Nystagmus exercise. I explained the instructions to Ms. Gallagher who stated she understood and did not have any questions. I observed Ms. Gallagher's pupils were of approximately equal size and tracked simultaneously. During this exercise, I observed the following clues of impairment: Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation and an angle of Onset Prior to forty-five degrees in both eyes. Ms. Gallagher had to be instructed not to move her head multiple times.

The second exercise I administered was the Walk and Turn (WAT). I explained and demonstrated the exercise to Ms. Gallagher. I instructed Ms. Gallagher to stand in the starting position, which Ms. Gallagher was unable to stand in the starting position. The following clues of impairment were observed. Missed heal to toe, turned improperly, stepped off the line, raised arms for balance, started to early, stopped walking. Ms. Gallagher did not complete this exercise to standard.

The third exercise I administered was the one leg stand (OLS). I explained and demonstrated the exercise to Ms. Gallagher. Ms. Gallagher put her foot down at 7 seconds and again at 10 seconds which is prior

before the allotted time, and used her arms to balance. Ms. Gallagher had a slight front to back sway. Ms. Gallagher did not complete this exercise to standard.

Ms. Gallagher was placed under arrest for Driving under the influence and transported to the Indian River County Jail Complex. Ms. Gallagher was searched by Deputy Salomon #5815 and a twenty-minute observation period began. Deputy Salomon requested Ms. Gallagher to provide a sample of her breath to determine its alcoholic content, which she agreed and provided the following samples: (0.000g/210L), (0.000g/210L) both samples are above below the legal limit. Ms. Gallaghers breath samples were not consistent with SFSE's and other observations on scene. I then requested urine from Ms. Gallagher, which she agreed and provided a sample to determine any other impairing substances.

Ms. Gallagher was ultimately charged with Driving under the influence. Ms. Gallagher was processed into Indian River County Jail and held on a total bond of $500.00.

Ms. Gallagher was issued the following citations DUI(AM5WFFE), Failure to move over (ANHB9UE).

Ms. Gallagher's vehicle was removed from scene by Collisons towing

This DUI investigation was captured on my AXON fleet and body worn camera.

NARRATIVE

On Sunday, October 25, 2026 at approximately 0113 hours, Cpl. R. Thomas (6288) conducted a traffic enforcement stop on a gold GMC pick-up (FL / MUT2) in the area of Jackson Street and US Highway 1 in Sebastian, Florida.

Cpl. Thomas stated he stopped the vehicle due to the tag lights being inoperable and failure to drive within a single lane. Cpl. Thomas explained to me he observed the vehicle leave the Earls Hideaway parking lot and veer towards the far-left lane as if it was going to make a U-turn, however it corrected back into the travel lane and nearly collided with a vehicle.

Cpl. Thomas and I made a driver's side approach and made contact with the driver and sole occupant of the vehicle, Mr. Joseph Williams (Arrestee). While standing at the driver's side window, I could smell the overwhelming odor of an alcoholic beverage emitting from the vehicle. Mr. Williams speech was slurred and he had difficulty finding the correct documents requested by Cpl. Thomas.

Mr. Williams stated to Cpl. Thomas and I he was coming from Earls Hideaway and headed to Rack em's and that he had consumed alcoholic beverages. Mr. Williams stated that even though he had consumed alcohol he was still safe to drive. Mr. Williams demeanor was honest, truthful and cooperative during our entire investigation.

I explained my concern for his ability to operate a motor vehicle and asked Mr. Williams to exit his vehicle. As he exited his vehicle his gait was uneasy. He stumbled as he stood near the front of my patrol car. I questioned Mr. Williams about his medical history. Mr. Williams did not provide any responses that would lead me to believe he would have physical difficulty performing the standardized Field Sobriety Exercises (SFSE's).

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the exercise to Mr. Williams who stated he understood the instructions. Mr. Williams pupils were of approximately equal size and tracked simultaneously. I did not observe resting nystagmus. I observed the following validated clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees (30). Mr. Williams did not have vertical gaze nystagmus (VGN). Mr. Williams had a visible sway and had to be reminded not to move his head during this exercise.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise to Mr. Williams who stated he understood the instructions and did not have any questions. During the instructional phase, Mr. Williams failed to maintain the starting position and stepped offline with his left foot. During the walking phase, I observed the following validated clues of

impairment: Stopped walking, used arms to balance, improper turn, incorrect number of steps (10 / 9), stepped offline and Missed heel to toe. Mr. Williams stopped after 10 steps and asked "was that 9?" Mr. Williams DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise to Mr. Williams who stated he understood the instructions and did not have any questions. Mr. Williams raised his left off the ground. I observed the following validated clues of impairment: Puts foot down, used arms to balance, swayed, and hopped. After approximately 5 seconds he lost his balance and nearly fell of, using his hands to touch the ground and prevent his fall. This exercise was stopped for safety purposes. Mr. William's DID NOT complete this exercise to standard.

The fourth exercise I administered was the Modified Romberg Balance (MRB) exercise. I explained the exercise to Mr. Williams who stated he understood the instructions and did not have any questions. During this exercise, Mr. Williams counted to "30 seconds" in the actual time of 43 seconds, OUTSIDE of the +/- 5 second variance allowed. Mr. Williams had to be reminded to count in his head and had a visible sway while attempting this exercise.

The fifth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise to Mr. Williams who stated he understood the instructions and did not have any questions. I observed the following indicators of impairment:

L1: Did not return (was prompted after 12 seconds)
R2: Did not return
L3: Did not return
R4: Did not return
R5: Did not return
L6: Smash / Did not return

Based on the above indicators and observations of impairment, Mr. Williams was placed under arrest for Driving under the influence. Mr. Williams was transported to the Indian River County Jail Complex without incident.

Upon arrival to the Jail complex, Mr. Williams was searched and Deputy F. Solomon (5815) initiated a twenty-minute observation period. At the expiration of this period, Mr. Williams was request to provide a sample of his breath to determine its alcohol content. Mr. Williams provided the following two (2) lawful samples of his breath: 0.098 g/210L and 0.097 g/210L.

Mr. Williams was ultimately charged with Driving under the influence with a BrAC above 0.08 g/210L (ANHCDEE). Mr. Williams was booked and held on a total bond of $500.

NARRATIVE

On Sunday, October 25, 2026, at approximately 0730 hours, I was responded to 8255 97th Court in reference to an unknown call. Prior to my arrival, I observed suspect, Karson Poole, pass my patrol vehicle heading east bound on 83rd Street approaching 91st Avenue on a black motorcycle. Poole is known to me due to prior calls at the above location and I was aware that he had an active warrant (BW202613225) Failure to appear FSS 843.15.1(b)(3163), original charges being operating a motorcycle without an endorsement, no valid driver's license and attached unassigned tag.

I observed Poole make a right turn onto 91st Avenue disregarding the stop sign and continue south-bound. I turned around and followed Poole. As I caught up to Poole at approximately the 7700 block of 91st Avenue, I observed Poole again disregard a stop sign and turn left onto 77th Street. I activated my emergency lights and conducted a traffic stop at 9000 77th Street. I made contact with Poole and requested his driver's license. Poole advised that he does not have a license. Upon further questioning, Poole stated that he has never been issued a license and has an appointment at the Department of Motor vehicles tomorrow to hopefully obtain his license.

Poole advised that he is aware that he should not be operating his motorcycle however he advised he got a call from his spouse asking him to come over.

Due to the above facts, Poole was taken into custody and transported to the Indian River County jail without further incident.
