The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **09/23/2026**, at **06:09** (Specifically include facts constituting cause for arrest.)

On September 23, 2026, at approximately 0218 hours, I observed a gold Hyundai sedan driving northbound in the 1800 block of U.S. Highway 1, Sebastian, Florida 32958. I observed the vehicle bearing California registration plate 8VU457. Upon running the vehicle's registration plate through the Sebastian Police Department's Dispatch Center, they advised that the registration plate was expired as of 04/08/2023.

Due to the registration plate being expired for over six months, I activated my patrol vehicle emergency lights and conducted a traffic stop on the vehicle. As I approached the vehicle, I observed a white female in the driver's seat and a male in the front passenger seat of the vehicle. I requested that the female driver provide me with her valid driver's license, the vehicle's current proof of registration, and proof of current insurance for the vehicle. The female stated she did not have a driver's license. I asked the female to further explain what she meant by saying she did not have a driver's license. The female stated her driver's license was suspended. I asked the female if she had the vehicle registration or insurance. The female stated she did not, because the vehicle was not registered or insured.

At this time, Officer Glines #404 arrived on scene. Officer Glines advised me that the registration decals on the registration plate stated it did not expire until November of 2026. I asked the female how she had current registration decals if her registration was not current. The female stated she made the stickers. I asked the female if the registration plate belonged to the vehicle, and she stated it did not.

I then identified the female as Carrie Ann Takacs (DOB 11/09/1969) by her name and date of birth. I identified the male as Billy John Turner by his Florida-issued driver's license. The Sebastian Police Department's dispatch center advised that Carrie was a habitual traffic offender in the state of Florida as of 10/06/2025. I ran the vehicle's VIN number 5NPEB4AC6BH173186. The dispatch center advised the VIN came back to the Hyundai, and its previous registration plate FNCZ13 was canceled. The dispatch center also advised they had no proof of insurance on file for the vehicle.

I requested that Carrie exit the vehicle. Carrie complied and exited the vehicle. I then detained Carrie and placed her into mechanical hand restraints. Carrie was then placed into the rear seat of my patrol vehicle. I then read Carrie her Miranda warning. Carrie stated she understood her rights and wished to speak with me. Carrie stated her license has been suspended out of Pennsylvania due to traffic fines since she was in her twenties. Carrie stated she has lived in Florida since 2010. Carrie stated she has been arrested and convicted of driving while her license was suspended three times in Florida. Carrie stated that two of the arrests and convictions were in Indian River County, Florida. Carrie stated she purchased the vehicle from a male named Kenny, but because she was still making payments on the vehicle, she did not have the title to the vehicle. Carrie also stated she did not have a bill of sale for the vehicle. Carrie stated the registration plate for the vehicle belonged to an old roommate and did not belong to the vehicle. Carrie stated the registration decals were fraudulent, and she made them. When asked how she made them, Carrie stated she used sticky red paper and pre-cut letters and numbers that she purchased at Walmart. When asked, Carrie also stated she used to do cocaine.

Billy was removed from the vehicle, and an inventory search was completed prior to the vehicle being towed. During the search, Officer Glines discovered a clear pink pill container on the front passenger seat. Upon inspection of the pill container, Officer Glines observed several different pills and another clear, crystal-like substance that he knew from his training and experience to be suspected methamphetamine. Officer Glines advised me of his discovery.

I asked Carrie about the pink pill bottle, and she stated she did not know what I was talking about. Carrie stated it was probably her kids'. Carrie stated she would have to see it to determine if it was hers. I showed Carrie the pink pill bottle, and she denied it was hers.

Due to the pink pill bottle being discovered in the seat Billy was sitting in, he was placed into mechanical hand restraints. Billy denied the pink pill bottle was his.

At this time, Brevard County Sheriff's Deputy Hudson arrived to conduct a search of Carrie's person. Deputy Hudson advised me that, while searching Carrie, Carrie told her the pink pill bottle was in a purse she took from a bar, and it did not belong to Billy.

I then spoke to Carrie about this. Carrie stated that while at a bar named "Bottom's Up," she observed a black handbag that was left unoccupied for several hours. Carrie stated as she left the bar, she took the handbag. Carrie stated that she then drove from the bar to a gas station in Sebastian. Carrie stated that when she left the gas station and began to drive north on U.S. Highway 1, she opened the handbag and observed the pill bottle. Carrie at first stated she did not know what the substance was, but later told Officer Glines she knew it was methamphetamine and she was going to give it to a friend she knew used methamphetamine. Carrie stated that while she was looking at the pill bottle, I activated my patrol vehicle's emergency lights. Carrie stated it scared her, and she threw the pill bottle onto the passenger side of the vehicle. Carrie stated the black handbag was in her vehicle in the rear seat by the center console of the vehicle. When asked what else was in the handbag, Carrie stated a torch lighter and a glass meth pipe. Officer Glines located the handbag and discovered a meth pipe with burnt residue, two torch lighters, a cut blue straw with white residue, a metal push rod, and a small container with residue.

Officer Glines conducted a preliminary field test of the suspect methamphetamine. The preliminary field test was positive.

At this time, Billy was released, and Carrie was placed under arrest.

Carrie was transported to the Indian River County Jail without incident.

No further actions were taken by this officer.

Arrest Affidavit Report

Case Report # 2026-00102402

NARRATIVE

On Wednesday, September 23, 2026, at approximately 1830 hours, I was patrolling in the area of the 2900 block of 49th street, Vero Beach, FL, 32966, when my Axon License plate reader read a hit for a suspended license on a FL registration of QCLK51. The registered owner of that vehicle Brandon Lee Walker was showing suspended as of August, 26th, 2026, and confirmed through DAVID. As I was turning around the vehicle pulled off the shoulder of 49th street and turned onto 29th avenue. I caught up to the vehicle as it pulled into the driveway of 4725 30th avenue. The driver exited the vehicle and I confirmed the driver was the registered owner based on his DMV photo and his descriptors.

I activated my emergency lights and conducted a traffic stop. I confirmed he was the registered owner by his name, date of birth, and his own admission. I advised him he was suspended and at first, he denied knowing he was suspended but later admitted that he knew he was suspended because he was stopped in St. Lucie County and written a citation for driving while suspended on September, 9th, 2026, reference St. Lucie court case number: 2026CT001857 A, and citation number: ANXG1XE, and that his license was cut by the deputy that stopped him.

Based on the above Mr. Walker did drive a motor vehicle upon a highway of the State of Florida, while his/her driver's license was canceled, suspended or revoked and Mr. Walker knew of such cancellation, suspension or revocation, contrary to Florida Statute 322.34(2)(a). (2 DEG MISD)

On **09/23/2026** , at **19:35** (Specifically include facts constituting cause for arrest.)

On Wednesday, September 23, 2026, at approximately 1935 hours, I responded to [REDACTED] for a physical disturbance in progress.

Upon arrival, I made contact with the complainant, identified through her Kentucky Drivers License as Donna Dobbs. Donna stated that [REDACTED] were in a physical disturbance inside the residence.

I then made contact with a subject inside the residence identified through his Florida Drivers License as James Schultz. James stated that he and [REDACTED] had gotten into an altercation and that he was ready to go to jail. When I asked what had occurred, James told me that he and [REDACTED] were in [REDACTED] arguing when he picked up a pair of underwear and slapped her across the face with them. This action resulted in [REDACTED] identified as [REDACTED] to begin hitting him in the face with open hands. James stated that he then pushed her and that she pushed him back. James stated that after this, they both ceased hitting each other and waited for Law Enforcement to arrive.

Officers interviewed the other party identified through her Florida Drivers License as [REDACTED] stated that James and her had gotten into a verbal argument and that he had hit her in the face causing her to hit him back.

I inspected both parties for injuries but found no visible marks on either subjects.

Officers then interviewed Donna Dobbs who was the original caller of this incident. Donna stated that she heard a commotion coming from James and [REDACTED]. When she checked on them she saw James push [REDACTED] and then [REDACTED] push James back. [REDACTED] then told her to [REDACTED] before closing the door to the bedroom. Donna ran outside and [REDACTED]

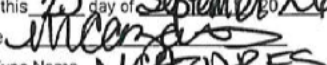

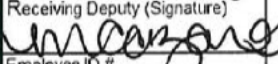

Neither [REDACTED] or James wished to provide a statement regarding the incident.

At this time, I found James to be the primary aggressor and placed him into mechanical restraints. James was placed into the back of my patrol vehicle and transported to the Indian River County Jail without incident.

James admitted to hitting [REDACTED] first during the altercation. Donna a witness stated that she observed James shoving [REDACTED] first. [REDACTED] Due to these facts and circumstances, I find probable cause to arrest James for Battery Domestic Violence (FSS 784.03(1A1)).

Case Report # 2026-00102445

NARRATIVE

On Wednesday, 09/23/2026, at approximately 2005, I responded to Riverside Medical Center, 777 37th street, Vero Beach, Florida 32960, in reference to a suspicious person.

Upon arrival I made contact with the complainant, Rene Jordan Colon, outside of the main entrance to the facility. Colon stated the subject, Angel Luis Rivera Santiago, started to pull on locked doors of the facility, bang aggressively on the glass and then make vulgar and aggressive statements to him in Spanish. Colon explained that other staff saw the behavior and became scared, causing them to hide within the facility behind locked doors. Colon notified his supervisor, who told him to contact law enforcement. Colon stated he believed Santiago was intoxicated based on the odor of alcohol emitting from him. Colon advised Santiago had been on the property for the last few hours and had previously been told to leave after he was found sleeping in one of the lobbies of the facility while they were closing for business.

I then spoke with Santiago, who had slurred speech and a strong odor of alcohol coming from him. Santiago stated that he needed a ride to get home from the facility and that he believed the staff were trashy people. While speaking with Santiago he continued to yell at the staff members and call them names. Santiago advised Deputy McPeck and I that he had consumed 2 to 3 alcoholic beverages but would not provide a timeframe as to when he consumed them. An inquiry into Santiago's information revealed he was on felony probation for grand theft auto and driving while under the influence. The following was advised on a NCIC/FCIC return:

Department of Corrections Probation for offense Grand Theft Motor Vehicle with special conditions of no driving, driver's license suspended, no consumption of alcohol/drugs.

I was unable to access the Indian River Clerk of Court records as they were sealed from the public. After reviewing Santiago's criminal history, I observed his probation status was in effect until October 2029.

I asked Santiago if he was on probation, to which he stated he was still actively on probation. Santiago acknowledged that he gets tested for the presence of alcohol and drugs and knew that his conditions would be violated if he consumed alcohol. Santiago then repeatedly asked Deputy McPeck and I to let him have one free chance so that he did not have to go back to jail.

Based on the totality of the circumstances in this investigation, Angel Luis Rivera Santiago was placed under arrest for the following offenses:

- F.S.S. 948.06F – Violation of Felony Probation.

Case Report # 2026-00102475

NARRATIVE

On Wednesday, September 23, 2026, at approximately 2207 hours, Corporal R. Thomas and I responded to the Suds N Shine Carwash located at 60 43rd Ave, Vero Beach, Florida 32968, in reference to an Indecent act.

I was informed by Public Safety Dispatch that the complainant stated there was a male in red shirt and white pants by the vacuums with his pants down exposing himself.

Upon my arrival I observed a male matching the description standing by the vacuums behind the carwash. I identified this male as Kenneth Patrician by his Florida Drivers License.

Patrician stated the following in summary: He is homeless and sits at the carwash some nights because he feels safe there. He had been there tonight for about three hours, and has been sitting at the vacuums the whole time, minus one time where he walked to the wood line behind the property to urinate. While at the carwash, he had not seen or interacted with anyone else.

I then made contact with the complainant [REDACTED] who stated the following in summary: She had arrived at the car wash to clean her car and seen a man sitting at the vacuums in a red shirt and white pants. She nodded her head at the man and he nodded back as a greeting. After cleaning her car, the machine shut off and she heard the man talking. She looked over at the man and saw him with one leg up on the concrete ledge where the vacuum is located, his pants down and his hand on his penis moving in an up and down motion. She recognized the motion as one consistent with a male pleasuring himself sexually, which she described with the term "masterbating." She immediately got into her car and [REDACTED] While on the phone the male started walking towards her so she left the parking lot out of fear.

I spoke with Patrician again, and he continued to deny the allegations. When asked why someone would say they had seen him with his pants down and touching himself, he stated, "They may have been confused I was probably adjusting myself or scratching." He reiterated he never had his pants down while at the carwash.

While speaking with Patrician, Corporal Thomas observed an elastic band around the mid thigh to knee area underneath his sweatpants. The band was consistent with his underwear still down around his knees inside his sweatpants.

I made contact with the owner of the car wash, to get access to the security camera footage. The owner provided the footage via a community request sent using Axon Capture. Upon review of the footage, I observed Patrician walking around by the vacuum cleaners, and at one point, he deliberately lowered

Case Report # 2026-00102485

NARRATIVE

On September 23rd, 2026, at 2249 hours, I responded to [REDACTED] in reference to a disturbance. Upon my arrival, I made contact with the complainant who advised her [REDACTED] had contacted her and requested the complainant to [REDACTED] in reference to [REDACTED] Aaron Alexander Roberson, punching her in the face. After briefly speaking with the complainant, I went and made contact with [REDACTED] in the driveway of the aforementioned address. It should be noted that I immediately noticed [REDACTED] chest to be bright red and flushed with several tiny red spots, also known as petechiae. I informed [REDACTED] the reason for contact and she stated she was not involved in a disturbance with Aaron and that everything was fine.

I then made contact with the complainant who advised she did not hear an altercation occur between the two of them, however [REDACTED] had contacted her and stated she had been choked and punch by Aaron. After speaking with the complainant, I went and made contact with [REDACTED] again.

[REDACTED] initially stated that the two of them were hugging and fell onto the floor. She then contradicted herself by stated her baby had projectile vomited all over the floor and after she mopped the floor, Aaron and her engaged in a verbal altercation in reference to going through each other's phones.

[REDACTED] advised whenever Aaron attempted to take possession of his phone back, he pulled on the phone while she was holding onto it, causing both of them to fall on the wet / freshly mopped floor. After speaking with [REDACTED] I attempted to make contact with Aaron, by knocking the door of the residence. After several unsuccessful attempts, I requested [REDACTED] go inside and ask Aaron to step outside and speak with deputies; too which she agreed to.

[REDACTED] went back inside the residence and made contact with Aaron. I observed the two of them exit a bedroom and made visual contact with Aaron. While Aaron and I maintained eye contact, I motioned for him to exit the residence. Aaron then turned his back to me and step behind a door, out of sight and continued to speak with [REDACTED]. It should be noted that I was able to maintain visual contact with [REDACTED] while the two of them continued to speak. [REDACTED] became visibly upset and defensive. I heard [REDACTED] express that she did not contact law enforcement.

Once Aaron finally exited the residence, assisting deputies explained the reason for contact and Aaron agreed to speak with us. Aaron denied being involved in any altercation with [REDACTED] and stated he had video evidence of such. I then asked Aaron if he would be willing to show us the video, he mentioned that he could. Aaron then willing retrieved his silver iPhone from his left shorts pocket and began to play and show two separate videos to law enforcement.

Aaron then started playing a video where I heard and observed him to be recording [REDACTED]. While the video began to play, Aaron stated it was a video of him sitting on the couch. While the video

continued to play, I heard [REDACTED] crying hysterically, and stating "you just knocked the fuck out of me." Aaron could be heard on video replying "I didn't knock you out." Then [REDACTED] was heard stating "yeah you did." Then Aaron could be heard responding "bitch I-." Then Aaron stopped playing the video and advised that was all the video footage he had. I then requested to watch the video and advised that assisting units and myself had heard [REDACTED] state in the video that he had knocked her out. Aaron then continued to play the video where I heard [REDACTED] state "my lip is busted." Aaron responded in the video by stating "mine too." I then heard [REDACTED] on video advise and how Aaron grabbed her arm and left a bruise, while simultaneously pointing to the inside of her right bicep.

I then requested to watch the video again too which Aaron refused and expressed that he was cooperating. I informed Aaron that we just heard and observed [REDACTED] state on video, that he had busted her lip. Aaron responded by stating that [REDACTED] didn't say he busted her lip, and then asked if [REDACTED] had a busted lip, and continued by stated he did not have a busted lip. It should be noted that I later confirmed that Aaron did not have a busted lip nor did he have any obvious signs of injury.

I then went and made contact with [REDACTED] again, and requested she show me the inside of her lip. [REDACTED] agreed and then rolled the inside of her bottom lip out where I observed two bloodied spots on the inside of her bottom lip. I then requested to see the inside of her top lip where she concealed the top right corner of her lip with her finger multiple times before finally moving her finger out of the way where I was able to clearly observe her top lip to be bleeding and cut open. In addition to her busted lips, I observed more bruising and petechiae on the inside of her right bicep, exactly where [REDACTED] was seen in the video pointing to.

After confirming [REDACTED] had the injuries, she expressed she had in the partial video that Aaron willingly showed us, I detained Aaron and advised him of his Miranda Rights. Post Miranda, Aaron expressed his understanding of his rights and refused to speak with law enforcement. Through my investigation, I found Aaron Alexander Roberson, to be in violation of FSS 784.03, Battery (Domestic Violence). It should be noted that after securing Aaron in the rear passenger compartment of my agency issued patrol vehicle, Lt. Clark overheard [REDACTED] call the Aaron's mother on the phone and put the phone on speaker [REDACTED] then told Lt. Clark that she was on the phone with Aaron's mother, and during the conversation the person on the other end of the phone said the male called her about an hour ago and told her that the couple was fighting.

Arrest Affidavit Report

Case Report # 2026-00102506

NARRATIVE

On Thursday, September 24, 2026, at approximately 0100 hours, Deputy Yerian and I were foot patrolling in the area of the 4300 block of 27th, avenue, Vero Beach, FL, 32967 when I observed a red sedan stop in the middle of the roadway, after a few seconds, it jolted backwards almost hitting a trash can then jolted forward and back as it pulled into the driveway of 4315 27th avenue.

We watched the vehicle for a second and heard individuals talking loudly in the vehicle. As we approached the vehicle I observed in the back seat an open bottle of liquor in the back seat. The passengers were startled and they started making furtive movements in the vehicle. The driver Tina Hobgood was asked to exit the vehicle, when she did a burnt glass smoking device commonly referred to as a stem was observed on the driver's seat where she was sitting, that from my training and experience is used for smoking controlled substances.

The front seat passenger Arnaldo Sanchez Soto started to reach for the glass pipe and was told not to touch it, but he grabbed the glass pipe and tried to hide it by wrapping his whole hand around it, I was able to stop him and had him drop it back on the seat.

Based on the above Arnaldo did with knowledge that a criminal investigation by a law enforcement agency, is pending or is about to be instituted, did conceal, or attempted to remove the paraphernalia with the purpose to impair its verity or availability in such proceeding or investigation; contrary to Florida Statute 918.13(1)(a). (3 DEG FEL) (LEVEL 3)

The preceding is true to the best of my knowledge or belief
