Arrest Affidavit Report

Case Report # **2026-00113279**

NARRATIVE

On 10/20/2026, at 1249 hours, myself and Corporal Hatton responded to 4055 41st Avenue (Indian River County Jail) in reference to a disturbance between a corrections deputy and an inmate. I made contact with the jail supervisor, LT P. Loiseau, who pulled up the video camera footage captured inside of the cell.

In the camera footage, two corrections Deputies can be seen inside the cell, attempting to clean a mess that an inmate had made. The female inmate, identified as Angela Story, was standing in the back corner of the cell. The corrections deputy, later identified as [redacted] was observed to be holding [redacted] hand up towards inmate Story. Inmate Story was seen on video, intentionally swatting at [redacted] left hand, striking [redacted] wrist, causing it to go down. Inmate Story then backed into the wall and placed both of her hands up in a defensive manor before being restrained by corrections staff.

I made contact with [redacted] who stated that she was requested to enter [redacted] by another Deputy [redacted] stated that the other corrections deputy, Deputy L. Richard, told Inmate Story to go to the back of the cell and face the wall. [redacted] stated that Story was verbally aggressive toward [redacted] calling [redacted] names, and failing to comply as ordered by Deputy Richard. [redacted] stated [redacted] had put her hand up and Story slapped [redacted] hitting her on the left wrist. [redacted] then stated [redacted] and Deputy Richard attempted to and restrained Story.

I attempted to interview Inmate Story where while reading her Miranda Rights, she began to express not wanting to speak with me. Therefore, a statement was not collected.

Based on my investigation, I determined there was probable cause to charge Story with violation of FSS 784.07(2)(d) Battery on LEO.

Arrest Affidavit Report

Case Report # **2026-00113074**

NARRATIVE

On Tuesday October 20, 2026 at approximately 0033 hours, I observed a green Ford utility bearing Florida tag 80EPUZ, drive onto Old Dixie Highway from 10th lane without coming to a complete stop before driving onto a sidewalk violating Florida State Statute: (316.125).

A traffic stop was conducted at the 1200 block of Old Dixie Highway on the aforementioned vehicle.

Upon exiting my marked patrol vehicle, I walked to the passenger side B pillar, located between the front and rear seats, when I introduced myself as a Deputy with the Indian River County Sheriff's Office. While building rapport with the driver of the vehicle, Justin Smith, K9 Deputy B.Mckay observed Smith attempt to conceal an item with his right hand under his seat. Due to Smith continuing to fidget with an item, showing signs of nervousness, and Deputy Mckay's back being exposed to oncoming traffic, Smith was removed from the vehicle and safely placed in front of my patrol vehicle, away from possible oncoming traffic.

Deputy Mckay then conducted an open-air sniff with his K9 partner Tobi; who is specifically trained on narcotic detection and apprehension, in which Tobi showed a positive change of behavior when brought to the vehicle. At this time, the three other occupants of the vehicle were removed and also placed in a safe position, away from possible oncoming traffic.

Deputy Mckay and I proceeded to physically and visually check the vehicle. While searching the vehicle Deputy Mckay located a maroon cigarillo zipped plastic bag located between a towel and the driver seat, on the right part of the seat. Inside the maroon zipped bag was a small plastic bag with loose marijuana as well as a cloudy plastic bag with a small blue pill shaped item located within it. Also found inside the vehicle was a blue plastic straw cut approximately 2-3 inches with a white residue inside it, consisted with a "tooter". Due to my training and experience, I know this to be a common tool used to ingest methamphetamine. Upon searching a black bag located inside the vehicle I found multiple blue circular pill shaped items, which were identified as clonazepam inside a separate small plastic bag.

I then field tested the items which were discovered through the search which field tested positive for methamphetamine, marijuana, and ecstasy.

I then read Smith his Miranda Rights in which he declined to give a statement. Smith was subsequently placed under arrest and charged with two counts of possession of a controlled substance, FSS (893.13). Smith was transported to the jail where he was turned over to the care and custody of the Corrections Deputies without incident.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00113093**

NARRATIVE

On Tuesday, October 20, 2026 at approximately 0226 hours, I conducted a traffic enforcement stop on a silver Toyota Camry (FL / 08BUPT) near the 1200 block of 27th Avenue in Vero Beach, Florida.

I observed the above vehicle leave the vicinity of the Speakeasy Club located at 8th Street and 8th Court in Vero Beach. The Above vehicle was ahead of a silver mustang. I observed the Toyota fail to drive within its lane and left the roadway. I got directly behind the Toyota and continued to watch the vehicle as it left the roadway several times. I also observed swift and jerky turns, and frequent application of the brakes. Based on my training and experience, these are all indicators of impairment.

I activated my emergency lights and siren. The vehicle activated its turn signal and began to yield. As I approached the vehicle, I could smell the odor of burnt marijuana. I made contact with the driver, and registered owner of the vehicle, Ms. Melia McCance (Arrestee). I could smell the distinct odor of an alcoholic beverage emitting from the vehicle. I observed her eyes were watery, and her speech was heavily slurred and mumbled. When I asked for her documents, she provided her Florida driver's license, she then fumbled with her registration and insurance documents for several minutes. Melia stated she did not have a valid medical Marijuana card and denied ay marijuana in the vehicle.

I instructed Melia to make sure her vehicle was in park, and to turn of her engine and step out. When she exited her vehicle, she walked back to the push bumper of my car and asked if she could lean on my push bar for support.

Melia stated she was coming from speakeasy. She stated she consumed two (2) mixed drinks. I explained my concern for her ability to operate her motor vehicle and requested she complete Standardized Field Sobriety Exercises (SFSE's). Melia refused. Melia was provided a warning consistent with Taylor vs. State and advised that her refusal could be used against her criminally in court and my decision to arrest her would be based upon a totality of the circumstances. I explained to Melia in detail what I observed and offered her another opportunity to complete SFSE's. She again willfully refused.

Melia was placed under arrest for Driving Under the Influence (DUI) and transported to the Indian River County Jail.

Upon arrival to the jail complex, Melia was searched and a twenty-minute observation period was initiated. Upon expiration of this period, Melia was requested to provide a sample of her breath to determine its alcohol content. Melia refused and was advised of Implied Consent by Deputy N. Rentas (6001). Melia was requested a second time to provide a sample of her breath and again refused.

I also observed swift and jerky turns, and frequent application of the brakes. Based on my training and experience, these are all indicators of impairment.

I activated my emergency lights and siren. The vehicle activated its turn signal and began to yield. As I approached the vehicle, I could smell the odor of burnt marijuana. I made contact with the driver, and registered owner of the vehicle, Ms. Melia McCance (Arrestee). I could smell the distinct odor of an alcoholic beverage emitting from the vehicle. I observed her eyes were watery, and her speech was heavily slurred and mumbled. When I asked for her documents, she provided her Florida driver's license, she then fumbled with her registration and insurance documents for several minutes. Melia stated she did not have a valid medical Marijuana card and denied ay marijuana in the vehicle.

I instructed Melia to make sure her vehicle was in park, and to turn of her engine and step out. When she exited her vehicle, she walked back to the push bumper of my car and asked if she could lean on my push bar for support.

Melia stated she was coming from speakeasy. She stated she consumed two (2) mixed drinks. I explained my concern for her ability to operate her motor vehicle and requested she complete Standardized Field Sobriety Exercises (SFSE's). Melia refused. Melia was provided a warning consistent with Taylor vs. State and advised that her refusal could be used against her criminally in court and my decision to arrest her would be based upon a totality of the circumstances. I explained to Melia in detail what I observed and offered her another opportunity to complete SFSE's. She again willfully refused.

Melia was placed under arrest for Driving Under the Influence (DUI) and transported to the Indian River County Jail.

Upon arrival to the jail complex, Melia was searched and a twenty-minute observation period was initiated. Upon expiration of this period, Melia was requested to provide a sample of her breath to determine its alcohol content. Melia refused and was advised of Implied Consent by Deputy N. Rentas (6001). Melia was requested a second time to provide a sample of her breath and again refused.

NARRATIVE

On October 20, 2026, at approximately 0318 hours, I responded to 1180 US Highway 1 (WaWa) in reference to employees seeing a male asleep.

Upon my arrival, Sergeant Daugherty updated me on case and stated the following.

On October 20, 2026, Sergeant Daugherty responded to 1180 US Highway 1 (WaWa) in reference to employees seeing a male asleep in the driver seat of a vehicle parked at pump 7. They stated the vehicle was a gray Toyota SUV bearing Florida license plate AZ17GY. Upon arrival, Sergeant Daugherty observed a single vehicle at the gas pumps, which was confirmed to be the vehicle called in by the employees based on the description and license plate.

Sergeant Daugherty positioned his marked patrol vehicle behind the suspect vehicle and activated his cruise lights on his patrol car, which are red and blue lights. A white male was observed to be asleep in the driver seat and was the sole occupant. The vehicle was running upon approach.

Sergeant Daugherty called for another unit to position themselves in front of the suspect vehicle in case the driver attempted to drive off upon waking. The driver awoke and spoke with Sergeant Daugherty. Sergeant Daugherty asked for his identification, to which the driver looked around and stated he must have left it at home. The driver was later identified as Jon Bihun, a white male born February 26, 1995.

While speaking with Jon, Sergeant Daugherty observed him to be nervous as he was tense throughout the entire encounter. Sergeant Daugherty asked Jon if he was under the influence of any narcotics or alcohol, to which he responded he was not. He was asked if he was suffering from any medical conditions, to which he stated he was not.

Jon was asked to exit the vehicle, to which he complied. EMS was on scene and Jon agreed to have his vitals checked by EMS. While out of the vehicle, Sergeant Daugherty walked to the closed driver side door, which had the window down. In plain view, partially tucked in the driver seat was a glass pipe with a bulb on one end. The pipe was tucked between the seat cushion and back rest but was easily visible in plain view. The pipe contained a white residue. Sergeant Daugherty knows this item to be a common way to smoke methamphetamine, based on his training and experience. Additionally, Sergeant Daugherty was able to observe Jon's driver's license, in plain view, from his position. The driver's license was located in an open center console area under the radio. This would have been in plain view for Jon from his seat, which he earlier stated he could not locate his driver's license.

Based on these facts, Jon was detained after being cleared by EMS.

K9 Deputy Williams alerted me of the fact he located suspected methamphetamine within the vehicle

which was located in the center console. I then field tested the crystal-like substance, field tested positive for methamphetamine. I then packaged the narcotics and secured them in my vehicle.

Mr. Bihun was in sole possession of the vehicle, the paraphernalia and Methamphetamine were located within arm's reach.

Mr. Bihun was placed under arrest and transported to the Indian River County Jail Complex where he is held on a NO BOND Status. Mr. Bihun was issued a citation "ANUP2AE" for possession of controlled substance.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00113158**

NARRATIVE

On 10/20/2026, at approximately 0757 hours, I responded to Wal-Mart located at 5555 20th Street, Vero Beach, Florida in reference to a shoplifting.

Upon arrival, I met with Asset Protection Investigator (API) Sara Ingo and API Cecilee Ellis who advised that a suspect, who was later identified as Jakeisha Merci, concealed a pair of khaki pants at the self-checkout. The video showed Jakeisha scanning a pink sweatshirt and concealing the khaki pants in the pink sweatshirt. She then placed both items in a shopping bag without scanning the khaki pants. She then started to leave the store. API Ingo and API Ellis stopped her near the exit after passing all points of sale. They escorted her to the API office. Just a few seconds after entering the API office, Jakeisha said, "Fuck this, I'm out, I gotta call my mom" and left the office. As Ingo and Ellis followed her, Jakeisha began running toward the parking lot. She was observed getting into a black Chevrolet Impala bearing Florida tag PYIX02.

The vehicle description, suspect description, and tag were sent out to other units via dispatch. Deputy A. Saint-Eloi observed the vehicle on 43rd Street and Old Dixie Highway and conducted traffic stop. A photo of the suspect taken from the Wal-Mart video surveillance was made available to the other units as well. Deputy Saint-Eloi advised Jakeisha of her Miranda rights and she advised she understood. Post Miranda, Jakeisha admitted to being in the Wal-Mart and purchasing the pink sweatshirt. She said that she put the pants back on the shelf. A inventory of the vehicle revealed that the pants had been shoved under the front driver's seat.

Jakeisha was placed under arrest and transported to the Indian River County Jail for booking.

Video surveillance clearly shows Jakeisha concealing the khaki pants in the pink sweatshirt without scanning the pants and without paying for the pants. The receipt was recovered from Jakeisha when API Ingo confronted her and the receipt only shows that she paid for the sweatshirt. The video also shows that Jakeisha went into the API office and then fleeing from the office with API Ingo and API Ellis attempting to stop her. It also shows Jakeisha running to a black vehicle and leaving the area. API Ellis was able to get the tag from the vehicle which was the vehicle that Deputy Saint-Eloi stopped at 43rd Street and Old Dixie Highway.

API Ingo provided a sworn written statement of the events along with the video surveillance. API Ingo also advised that the pants were valued at $11.95.

Jakeisha committed the crime of shoplifting by concealing the pants at checkout and passing all points of sale. Jakeisha then committed the crime of Resisting a Storekeeper when she fled from the Asset Protection Investigators.

Arrest Affidavit Report

Case Report # **2026-00113311**

NARRATIVE

On Tuesday, October 20th 2026 at 1325 hours, I was sitting stationary, in the 6300 block of 66th Avenue facing south, positioned in the median. I observed a black vehicle driving north at a rate of speed I believed to be higher than the posted speed limit. I visually estimated the vehicle to be driving 65mph in the posted 45mph zone. I activated my Stalker Dual DSR 2x Radar front antenna in stationary/opposite direction to capture the vehicle's speed. I received a clear and consistent audio doppler tone paired with a visual readout of 65mph. As the vehicle passed me, I observed a black female driver, the hood to have a silver hood ornament and the rear end to be loaded down as if there was something heavy inside of the trunk area. I conducted a U-turn and began approaching the vehicle from behind. I lost sight of the vehicle for a short moment while behind another vehicle and upon seeing it again, I identified it based on the rear end, hood ornament and the same female driver I observed while the vehicle passed me.

I activated my emergency lights to conduct a traffic stop in the 7000 block of 66th Avenue. The suspect vehicle bearing FL/85DUHY pulled into the median and stopped. I contacted the driver, who identified herself via an old driver's license as "Katrina Rena Sowell". The driver's license she provided (FL/S400-516-68-926-0) was one of the former designs the State of Florida stopped using years ago. Further, the date of birth was listed as 11-26-1968 and the female I was speaking with appeared to be thirty to forty years of age. I returned to my unmarked Indian River County Sheriff's Office patrol vehicle and queried the vehicle's Florida tag and the provided license number via the Driver and Vehicle Information Database (D.A.V.I.D.). I observed the real Katrina Sowell to be unfamiliar to the woman I spoke with.

I returned to the vehicle and contacted the driver again. I asked her to verify her social security number to me so that I could verify her identity. She provided a physical copy. I took the social security card that she provided and it again bore the name "Katrina Rena Powell". I asked the driver to verify her social from memory. She correctly advised the first three numbers but she was "unable to recall" the remainder of "her" social security number. Due to this information I returned to my aforementioned patrol vehicle and obtained my agency issued Rapid ID device. I returned to the suspect vehicle again. I asked the driver to provide her fingerprints, she complied. I returned to my patrol vehicle and began typing citations out while I awaited the results. I received a "hit confirmation" alerting me that the driver I was speaking to was actually Donquesta Nequell Sowell born 6/8/1991.

I again contacted Sowell and asked her to step out of her vehicle. I asked her to stand at the front of my patrol vehicle. I asked her what her real name was and why she provided a false name. She revealed her real identity as Donquesta Sowell. Sowell then advised she provided a false name because she did not want to go to jail. Sowell then advised she has a suspended driver's license. While still on scene, I verified her driver's license is currently in a revoked status. Sowell informed me that Katrina Sowell is her mother. Katrina is also the owner of the vehicle.

Upon further inquiry of Sowell's driving history, I learned that she is currently serving a five-year Habitual Traffic Offender revocation (reference Indian River County citation number: A3BSNDP) beginning 8/15/2022. Sowell further has 12 total current revocations or suspensions that list the "reinstatement date" as "action required" meaning she has not cleared any of these prior suspensions or revocations through the Department of Highway Safety Motor Vehicle (DHSMV). 3 of the revocations were listed as Habitual Traffic offender.

Based on the information above, I found Donquesta Nequell Sowell to be in violation of F.S.S. 322.34.5 Driving while License

While en route to the Indian River County Jail, I read Sowell her Miranda Rights. She advised she understood them and she agreed to answer questions. I asked Sowell if she has ever used Katrina's driver's license during a traffic stop in the past. She advised she used Katrina's license when she was stopped while driving by a police officer of the Sebastian Police Department. Sowell advised she had not received a citation and it was not discovered during the traffic stop that she was providing a false name while detained.

Case Report # **2026-00113361**

NARRATIVE

On Tuesday October 20, 2026 at approximately 1522 hours Corporal Newberry and I responded to Wal-Mart located at 5555 State Rd 60, Vero Beach, FL, reference to a Shoplifting.

Upon arrival I made contact with Wal-Mart store manager Cecilee Ellis who stated the following in substance:

Sara Ingo, Asset Protection for Walmart, witnessed an unknown male, later identified by IRCSO as James J Washington, purposely select a bicycle off of the sales floor and walk out General Merchandise doors, passing all points, without attempting to pay for the merchandise. Subject is seen on CCTV entering the store at approximately 15:11:17hrs via General Merchandise side. Subject then makes way to our Sporting goods section where he will select an Ozark Trail Bicycle ($598.00) off of the top rack at 15:17:38hrs. Subject then continues throughout the store, enters the pharmacy area, and then out General merchandise doors at approximately 15:22hrs with the unpaid merchandise. Individual is then stopped by IRCSO for identification and recovery. Walmart wishes to Trespass and prosecute this individual for the $598.00 of unpaid merchandise.

During my investigation, I reviewed the store surveillance footage. The footage showed James Washington entering Wal-Mart walking around until he reaches the bike cycle department. He then selects an all-black bike, walks around the store until customer service employees were occupied before exiting the store and passing all points of sale without rendering payment for the merchandise in his possession. James was then detained and placed in handcuffs by IRCS Detectives upon my arrival.

Surveillance footage, photos and receipts was collected and uploaded into Evidence.com as evidence.

A Trespass After Warning (TAW) was issued to James Washington regarding the property of Wal-Mart located at 5555 20th Street, Vero Beach, FL. I provided James with his copy of the trespass warning. James acknowledged he understood he was trespassed from the location and stated he understood the parameters of the warning.

Based on my observations, the surveillance footage, the statements made by Sara, and the recovery of the merchandise. I determined probable cause existed to believe James Washington committed Retail Theft in violation of Florida Statute 812.015. Which prohibits knowingly obtaining or using the property of a merchant with the intent to deprive the merchant of possession, use, benefit, or full retail value without paying the purchase price.

Case Report # 2026-00113382

NARRATIVE

On Tuesday, October 20, 2026, at approximately 1611 hours, I was dispatched to [redacted] in reference to a disturbance.

Upon arrival, I made contact wit[redacted] who advised that he and Curtiesha Tate had been involved in a verbal altercation. [redacted] stated that Tate was attempting to change the lock on the residence when he gained entry into the home[redacted] advised that Tate became angry and attempted to stab him with a screwdriver she was holding[redacted] stated that while he was attempting to put on a light-colored collared shirt, Tate attempted to stab him with the screwdriver, making contact with his right arm.

During my investigation, I observed a minor laceration t[redacted]right arm, with a small amount of blood visible near the injury. I also observed multiple puncture holes on the upper right side of [redacted] light-colored collared shirt.

I made contact with Tate and advised her of her Miranda rights, which she acknowledged understanding. Tate agreed to speak with me regarding the incident. Tate stated that she was attempting to change the lock on the rear door of the residence using a screwdriver when she became upset and began throwing items outside the residence. Tate denied that any physical altercation occurred between her and [redacted]

I asked Tate whether the surveillance cameras inside the residence had captured the incident. Tate advised that the cameras would not have recorded the incident because she routinely turns them away. Tate explained that her mother has access to the surveillance system and that she turns the cameras to prevent her mother from observing [redacted]

I then questioned Tate regarding the injury to [redacted]right arm. Tate stated that she did not know how [redacted] sustained the injury and denied attempting to stab him with the screwdriver. When questioned about the puncture holes observed in [redacted] shirt, Tate admitted that she became angry and intentionally poked holes in the shirt while it was lying on the ground.

During the investigation, it was established that [redacted]

Based on [redacted] statements, my observations of the injury to his right arm, the puncture holes in his clothing, and Tate's admission that she intentionally punctured the shirt with a screwdriver, I determined that probable cause existed to believe Tate intentionally struck [redacted]ith the screwdriver, causing bodily injury.

Tate was placed under arrest for violation of Florida State Statute 784.045(1)(a)(2)- Aggravated Battery with a Deadly Weapon (Domestic Violence).

Arrest Affidavit Report

Case Report # **2026-00113414**

NARRATIVE

On October 20th, 2026, at 1800 hours, I responded alongside Corporal Ballester to [redacted] in reference to a residential burglary.

I met with Deputy Dyess who had a suspect, later identified as Keith Jones, in his vehicle. Deputy Dyess told me Mr. Jones was seen by several witnesses in the area pacing north and south on [redacted] Deputy Dyress stated Mr. Jones entered the garage of [redacted] via screen door and was met by the victim [redacted] as he was exiting.

I spoke with [redacted] who stated he witnessed an individual walking towards his garage. Upon exiting his residence, he encountered Mr. Jones walking out of his garage and continuing to walk past him down the driveway. [redacted] contacted law enforcement and guided deputies to the area where Mr. Jones was walking.

[redacted] stated he noticed damage to his garage screen door, noting the pole to be bent on the lower left side facing the garage [redacted] stated no items were taken from the garage, however, [redacted] would like to press charges for the damage to his screen door, which he valued at $300. I examined the garage door, where I noticed the lower left buckle released, a bend in the lower bar of the screen door. I further noticed dirt-filled shoe imprints left on the ground inside the garage by the entrance, in the area of the released left latch.

It was evident to me that an individual entered the dwelling by deliberately and intentionally using force to pry the lower left corner of the garage screen door.

I then spoke to a neighboring witness at [redacted] Bryan Shepaerd, who stated he saw Mr. Jones through his living room window walking up to his fence on the north side of his residence. Mr. Shepaerd stated he exited his house immediately and upon confronting Mr. Jones, Mr. Jones turned northbound and continued to walk up the street. No damage was noted at Mr. Shepaerd's property and no entry into his residence was noted.

I read Mr. Jones his Miranda rights. Mr. Jones stated he understood his rights and invoked. No further questioning was conducted.

I then spoke to a witness at [redacted], Ms. Mary Hyle, who stated she heard screaming outside starting around 1500 hours. Ms. Hyle witnessed Mr. Jones walking northbound up [redacted] walking up several residential driveways, looking at the widows of houses, as well as possibly into a neighbor's car parked in their driveway. Ms. Hyle Showed me video footage from her Ring camera on her cell phone, showing a white male with grey shorts and a black t shirt walking up [redacted] in

dispatched area. These clothes matched the clothes Mr. Jones was wearing at the time and it was evident to me that Mr. Jones was the individual seen in the video. Ms. Hyle stated she continued to hear and see the same male walking back and forth on [redacted] for the next two and half hours, yelling obscenities and walking into her neighbor's driveways. She stated she did see Mr. Jones at [redacted] property, however, did not see him walking into the garage.

Lastly, I approached Deputy Dyress' patrol vehicle, removed his shoes and placed them into evidence bags. Mr. Jones was placed into Corporal Ballester's patrol vehicle and transported to Indian River County Jail without incident and booked on the following charges.

1. Residential Burglary of An Occupied Dwelling, consistent with F.S.S. 810.02.3a
2. Misdemeanor Criminal Mischief over $200 under $1000, consistent with F. S.S. 806.13.1b

NARRATIVE (Continuation)

During an inventory search of Carlos's vehicle, I observed three open and empty containers of Stella Artois glass beer bottles inside a plastic bag. There were also two bottles inside to box still and the unopened bottles were chilled and frosted.

A query of Carlos's driver license revealed he is in possession of a learner's license. Carlos did not have a licensed driver in the vehicle with him at the time of this investigation.

Carlos was transported to the Indian River County Jail Complex (IRCJC) and was searched upon arrival. Corrections deputies initiated a twenty-minute observation period. At the expiration of this period, Carlos was requested to provide a sample of his breath to determine its alcohol content. Carlos provided the following two (2) lawful samples of his breath: 0.125 g/210L and 0.119 g/210L.

Carlos was ultimately charged with Driving under the Influence with a BrAC above 0.08 (ANHCEDE). Carlos received the following UTC's: Possession of an open container – Driver (AOCEXZE), Exceeding posted speed limit (AOCEYJE), and violation of Learners license restrictions (AOCEYIE).

Carlos was booked into the IRCJC and held on a total bond of $500.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00113492**

NARRATIVE

On Tuesday, October 20, 2026, at approximately 2145 hours, I, Deputy M. Neill #6317 responded to the area of County Road 510 (93rd Street) and Highway A1A, Indian River Shores, Indian River County, Florida, in reference to possible DUI driver.

The Indian River Shores Public Safety Department (IRSPD) responded to an original wellbeing call at the 7/11 located at 5050 Highway A1A. The caller reported that a white male, approximately in their 30s with a bald head, wearing black sweatpants and dark colored shirt appeared under the influence. The caller reported that the subject was operating a red GMC pickup truck, that had the tailgate down.

IRSPD responded to the area and was unable to locate the vehicle.

As I responded to the area and jurisdiction that we patrol, I located the vehicle just south of County Road 510 on Highway A1A. The vehicle was driving partially in the bicycle lane. Additionally the vehicle had turned on and off their high beams, for a unknown reason. They were approximately 200 feet away from another vehicle while doing so.

After turning around on the vehicle, it made a right and pulled in to the Wabasso Beach entrance. Due to the vehicle pulling in to a parking lot, I conducted a well being check on the driver due to the callers reasonable and credible information provided to law enforcement, as well as the driving pattern observed.

I activated my blue and red emergency lights as the vehicle was attempting to make a u-turn. The driver, later identified as Mr. Ryan Redline. Mr. Redline looked back at me as I was pulling him over. While approaching the vehicle, I could see Mr. Redline grinding his teeth (bruxism), squinting his face, and moving his arms rapidly, showing signs of restlessness. Upon approaching Mr. Redline, he advised that he was lost and was looking for Malabar road. When asked where on Malabar road he was going, he was not sure. While speaking to Mr. Redline, he had watery / bloodshot eyes, and dilated pupils. As Mr. Redline spoke, he had a thick slurred speech.

Based on my training and experience as a certified Drug Recognition Expert, I observed clues of impairment that concerned me about Mr. Redlines ability to safely operate a motor vehicle. For this reason, the well being check changed to a investigation for DUI.

I had Mr. Redline exit the vehicle, so I could gather his information and speak to him. After stepping back to my patrol vehicle, I requested his driver's license. Mr. Redline removed his wallet from his pants and produced a Florida ID card, identifying himself. he advised that he does not have a driver's license as he is not eligible to obtain one here. His Pennsylvania drivers license is suspended for DUI. While speaking to Mr. Redline, I observed a glass pipe sticking out of his left pants pocket. The pipe had a white residue within the pipe, consistent with cocaine or methamphetamine usage. Mr. Redline was secured in handcuff restraints so that a search of his person could be conducted. I removed the pipe out of his pocket. This pipe was later tested, and showed a field test presumptive positive for the presence of cocaine.

NARRATIVE (Continuation)

I advised Mr. Redline of his Miranda rights. Mr. Redline advised he understood his rights and was willing to speak to me. Mr. Redline advised he last used methamphetamine sometime this morning. He has not consumed any alcohol or illegal narcotics.

Mr. Redline confirmed that he was at the gas station where we received a call on him at. He advised that he was looking for money that had fallen out of his pocket, which is why he may have been seen as acting strange or weird. When he was driving, he confirmed that he was having difficulty maintaining a lane, but that was due to him attempting to read directions and drive at the same time.

Mr. Redline consented to Standardized Field Sobriety Exercises (SFSE's). They go as follows:

Horizontal Gaze Nystagmus (0/6): Mr. Redline did not have a lack of smooth pursuit, did not have a distinct and sustained nystagmus at maximum deviation, and did not have nystagmus onset prior to a 45-degree angle. He had equal tracking and equal pupil size. He did not have a resting or vertical nystagmus. Due to Mr. Redline's heigh, he had to be positioned to be leaning against my push bumper.

After HGN, I asked Mr. Redline when the last time he smoked marijuana was. Mr. Redline advised that he had just recently smoked marijuana. He was at another gas station, just prior to the one we received a call on him at, when he smoked the marijuana.

Walk and Turn (7/8); Mr. Redline could not maintain his stance while I was explaining the instructions, Mr. Redline stepped off line, used his arms for balance, stopped to steady multiple times, missed touching heel to toe multiple times, and did not perform a proper turn as he took one large step to turn around.

One Leg Stand (3/4): Mr. Redline put his foot down multiple times, swayed attempting to balance himself, and used his arms for balance. He also failed to look down at his feet throughout the exercise, and failed to property hold his leg out as instructed.

Modified Rhomberg: Mr. Redline estimated the passing of 30 seconds at 29 seconds. During this exercise, Mr. Redline had body tremors present.

Based on the clues of impairment observed, as well as indicators of impairment seen throughout the SFSE's, I placed Mr. Redline under arrest for DUI. He is also being charged with possession of drug paraphernalia.

Per DAVID, Mr. Redline has two prior Driving While License suspended charges. He also has one prior DUI. This arrest makes it his third or subsequent violation, as his Pennsylvania drivers license is suspended and he does not have a driving privilege to operate a motor vehicle within this state.

NARRATIVE (Continuation)

During a probable cause search of the vehicle, two needles were located within the driver's door cubby. A marijuana grinder was also located in the center console cubby area.

Mr. Redline was transported to the Indian River County Jail without incident.

While at the jail, Deputy Rentas requested Mr. Redline provide two breath samples to determine his breaths alcoholic content. Mr. Redline agreed. He provided two breath samples of 0.000 and 0.000. I then requested a urine sample from Mr. Redline. He advised he would need time to obtain a urine sample. Mr. Redline was provided over one hour to provide a urine sample. After the hour mark, I advised Mr. Redline that he would have to provide a urine sample or it would be deemed a refusal. Mr. Redline argued that he could not provide one at this time due to having kidney stones. Mr. Redline was advised of implied consent. He advised he understood implied consent and still could not provide a urine sample at this time.
