Arrest Affidavit Report

Case Report # 2026-00103990

NARRATIVE

On September 27, 2026, at approximately 1604 hours, Cpl. Martin and I responded to the Indian River County Jail (4055 41st Street) in reference to a disturbance.

Upon arrival, I made contact with [REDACTED]. [REDACTED] stated she was in her cell talking to her cellmates about coffee. [REDACTED] stated there is an inmate in the cell next to her, Angeline Presume, whom has issues with her and the females in her cell. [REDACTED] stated that Presume always thinks everyone is saying her name and talking about her. Between 1500 and 1530 hours, Presume was out of her cell and approached [REDACTED] while she was in her cell. Presume was arguing with [REDACTED] and during the course of the argument Presume spit on [REDACTED]. [REDACTED] stated this was an intentional act. [REDACTED] stated Presume gathered saliva in her mouth and intentionally aimed to spit onto her. The saliva landed on her face in the corner of her right eye, on the right side of her nose, and on the left side of her face near her nose and cheek area. [REDACTED] wiped the spit off with a towel. All of [REDACTED]'s cell mates were present during the incident.

I then spoke with Tiffany Clark. Clark stated there is previous disputes between [REDACTED] and Presume. Clark stated she was washing a cup in her cell during the incident. She stated Presume walked over to her cell while she was having a conversation with her cellmates about coffee. Clark stated Presume started a verbal argument with [REDACTED]. During this argument Presume spit through the cell door on [REDACTED]. After the argument, Presume walked away.

I then spoke with Lakiesha Anderson. Anderson stated [REDACTED] and Presume were arguing through the cell door. During the argument, Presume spit on [REDACTED]. Anderson stated this was intentional because she gathered the saliva in her mouth spit in the direction of [REDACTED]. Anderson was asked how far Presume was from [REDACTED] and demonstrated approximately two feet apart.

I then spoke with Sheila Cisnero, whom stated she was in the cell with [REDACTED] and her other cellmates during the incident. Cisnero stated [REDACTED] was spit on by another female inmate during an argument. Cisnero stated she was unsure of the name of the person who spit on [REDACTED] however, stated it was a female whom was tall, black and skinny.

Employees of the Indian River County Jail provided me video footage of the incident. While reviewing the footage, I observed Presume standing outside of a cell arguing with someone. I could not visually identify who was in the cell. While continuing to watch the video, I observed Presume slightly lean back and then push her head forward in the direction of the cell. This appeared to be the moment Presume spit on [REDACTED].

Lastly, I spoke with Angeline Presume. I read presume her Miranda Rights. Presume stated she

Arrest Affidavit Report

Case Report # 2026-00103011

NARRATIVE

On Friday, September 25, 2026, at approximately 0156 hours, Deputy Perez and I were dispatched to [REDACTED] for a suspicious person.

Upon arrival I came in contact with Jamar Preacher who was standing in front of the listed address under the front porch overhang. He stated the following in substance: He was standing outside in the area of 26th avenue and 43rd street when he observed someone on a bicycle riding around, a few moments later he saw a man with a firearm coming towards him so he ran. He ran to the listed address because he knows who lives there. He stated he knocked but no one answered so he opened it. He stated he thought the door was unlocked but, in his adrenalin, he must have pushed too hard to get the door open. The door jamb was split vertically and appeared to have been forced open. Based on the extent of the damage, the approximate repair cost is between \$300-\$500 for the parts and labor.

Mr. Preacher admitted that he had smoked MDMA (3,4-methylenedioxymethamphetamine) a few hours ago, that he had a marijuana cigarette in his pocket, and he didn't have a medical marijuana card. During a search of his person a small baggie with a powder substance was located, Mr. Preacher was advised of his Constitutional rights via a Miranda warning where he admitted the baggie contained MDMA (3,4-methylenedioxymethamphetamine). I also located a half-smoked marijuana Cigarette in his cargo pocket where he said it was.

The residence listed above was occupied by three adults [REDACTED] and Janice L Simmons who [REDACTED], and Octavius Jones who is visiting, along with three juvenile children.

Deputy Perez interviewed the occupants of the residence

Mr. [REDACTED] stated he was in the kitchen when he heard a loud sound at the door when the door came open. He and Octavius tried to push Mr. Preacher out while telling him to leave. He advised he told Mr. Preacher multiple times to leave but he was not leaving.

Octavius stated he was on the couch when he heard the loud noise at the door when Mr. Preacher pushed open the door. He and Mr. [REDACTED] tried to push Mr. Preacher out but he forced his way in and sat down, saying someone was trying to kill him.

Miss Simmons stated she was in the bedroom when she heard the loud noise and Mr. [REDACTED] and Octavius telling Mr. Preacher to get out. She watched Mr. Preacher push his way past the two and sat on a table talking about someone trying to shoot him. She also told Mr. Preacher to leave multiple times and he did not leave.

Arrest Affidavit Report

Case Report # 2026-00103032

NARRATIVE

On September 25th, 2026, at 0418 hours, while on patrol in my marked agency issued patrol vehicle, I approached the intersection of 4th Street and 27th Avenue. While approaching the traffic signal, I heard a vehicle accelerate and observed a silver in color BMW sedan traveling southbound on 27th Avenue, drive through the aforementioned intersection. It should be noted that whenever the suspect vehicle passed through the intersection, traffic traveling southbound on 27th Avenue had a steady red traffic signal. After observing the FSS 316.074(1) violation, I conducted a left hand turn to travel southbound on 27th Avenue, and attempted to conduct a traffic stop on the silver BMW sedan bearing FL/CX79RN at the 100 block of 27th Avenue.

Upon activating my emergency red and blue lights in my agency issued law enforcement patrol vehicle, with agency jurisdictional markings prominently displayed on the vehicle, I observed the suspect vehicle continue to travel southbound on 27th Avenue at the same speed they were traveling prior to the traffic stop. After passing multiple streets where the suspect vehicle could've safely pulled off the roadway, the suspect vehicle continued to travel southbound without pressing the brakes or attempting to slow down. After affording the driver ample time and space to safely stop the vehicle, I activated my emergency siren while my emergency lights were activated. Upon approaching approximately, the 200 block of 27th Ave SW, while my emergency lights and sirens were activated, I observed the suspect vehicle accelerate at a rapid speed and continue to travel southbound; at which time I disengaged from pursuing the vehicle and deactivated all emergency lighting and siren equipment. I continued to follow the vehicle southbound where I observed the vehicle surpass an estimated 90mph speed in a posted 45mph zone; demonstrating a wanton disregard for the safety of persons or property in the area.

Once the vehicle approached the intersection of 5th Street SW and 27th Avenue SW, I observed the vehicle conduct a reckless right hand turn to travel westbound on 5th Street SW. It should be noted that the roadway was wet from recent rainfall. I continued to follow the vehicle from a distance and observed the vehicle traveling at excess speeds on the wet roadway approaching the 3500 block of 5th Street SW. The suspect vehicle then conducted a left hand turn to travel southbound on 35th Avenue SW. Upon my entry into the neighborhood, Public Safety Dispatch advised the registered owner of the vehicle could be identified as Zachary Santana, and that his address, 3490 7th Place SW, was located near the dead end of 35th Ave SW. While canvassing the neighborhood for the suspect vehicle, it should be noted I observed black tire marks traveling eastbound on 7th Place SW, in the intersection of 35th Ave SW and 7th PI SW; towards the registered owners residence.

As I approached Zachary's residence, I observed two male subjects sitting near a large pond located in the rear of the residence. As I exited my patrol vehicle and approached the two subjects, I located the suspect vehicle to be parked behind the residence. While maintaining visual of the vehicle, I

observed the interior lights of the vehicle to still be activated, indicated someone had just recently entered / exited the vehicle. I then directed the two subjects over to my patrol vehicle and requested additional units who arrived on scene to stand by with the suspect vehicle.

After establishing scene security once additional units arrived on scene, I separated the two male subjects and began to interview the two of them separately. I first made contact with the male subject identified as Nathan Toliver. Nathan advised that the other male subject and him had been at the aforementioned property for a short period of time and stated law enforcement arrived on scene just shortly after he and the other male arrived. Nathan denied observing the suspect vehicle arrive at the aforementioned location and stated he believed the vehicle belonged to a subject identified as Santana.

After speaking with Nathan, I made contact with the other male subject, Jose Fuentes. Jose contradicted Nathan's statements and advised the two of them had been present at the residence for an extended period of time and that both of them witnessed the suspect vehicle arrive and park behind the residence. Jose advised the suspect vehicle belonged to Zachary Santana and that he had previously seen him in the city of Vero Beach earlier in the night at several bars.

After speaking with Nathan and Jose, I approached the suspect vehicle and observed an ID access badge of sorts hanging from the rearview mirror, made out to the registered owner, Zachary Santana. In addition to the ID badge, there was a cellphone in the floorboard of the driver's seat. I then requested additional units to standby with the vehicle while I attempted to make contact with subjects inside the residence. Upon knocking on the door to the residence, I was greeted by a male subject in his underwear, who appeared to be startled at the sight of law enforcement. The male subject identified himself as Ernesto Santana, Zachary's father.

While speaking with Ernesto, he confirmed Zachary owned and operated a silver BMW sedan. Ernesto advised he was unsure if Zachary was home and stated he had previously gone to bed, knowing Zachary was not home. Ernesto then willingly went back inside the home to check and see if Zachary was present inside the residence. Shortly after, Ernesto exited the residence and advised that Zachary was home and laying in bed in his bedroom. I explained the reason for contact and how the driver of Zachary's silver BMW had just attempted to flee and elude law enforcement. Ernesto then advised he would be willing reentered his home and request Zachary to exit the residence and speak with law enforcement. Ernesto then exited the residence again and advised he spoke with Zachary and advised he refused to exit the residence due to being scared. I then requested Ernesto to ask Zachary if he would be willing to speak with law enforcement inside. Ernesto reentered his home then shortly after opened the door and advised he was permitting law enforcement to enter his home and speak with Zachary. Prior to entering

the residence, I requested Ernesto to call Zachary's phone, too which he agreed. It should be noted that whenever Ernesto attempted to call his son's cell phone, the phone laying in the floorboard of the driver's seat of the vehicle, began to ring.

Upon making contact with Zachary, it should be noted that I observed a BMW key sitting on his nightstand by his bedside. I then advised him of his Miranda Rights, too which he expressed his understanding of his rights, and agreed to speak with me. Post Miranda, Zachary was questioned as to why he ran from law enforcement. Zachary placed his face in his hands and began shaking his head. Zachary stated that he was scared and that he did not have any idea as to why he was being pulled over. Zachary stated he was driving the speed limit and stated that he knew he did not run a red light or commit any traffic violation. Zachary continued and expressed he had no idea why there were red and blue lights behind him. Zachary was questioned again as to why he ran from law enforcement. Zachary repeated again, that he had no idea why there were red and blue lights behind him. Zachary then stated his previous contact with law enforcement was unpleasant, possibly indicated that that was the reasoning as to why he refused to pull over.

After speaking with Zachary and him admitting post Miranda that he was driving the suspect vehicle and refused to pull over, I detained him without further incident. Zachary was placed in the rear passenger compartment of my agency issued patrol vehicle and transported to the Indian River County Jail. Prior to being transported Zachary requested to take possession of his cell phone. Assisting deputies then showed Zachary the same phone that was located inside the suspect vehicle and Zachary advised that the phone belonged to him. It should be noted that while transporting Zachary to the jail, the interior of my patrol vehicle was consumed by the overwhelming odor of alcohol. Upon our arrival to the jail, I made contact with Zachary and readvised him of his Miranda Rights. Post Miranda, Zachary now refused to speak with me. I then informed Zachary I would be conducting a DUI investigation; too which he refused to participate. IRC SO Deputy P. Staff then began her investigation too which Zachary also refused to participate. Zachary was advised that he had a prior suspension for refusal to submit to lawful test of breath, urine, blood and that he would face an enhancement if he subsequently refused. Zachary advised that he would not participate. Zachary was read implied consent, expressed his understanding, and again refused.

Through my investigation, I found Zachary Santana to be in violation of;

Arrest Affidavit Report

Case Report # 2026-00103384

NARRATIVE

On September 25, 2026, at 20:05 hours, I Deputy D. Coon #6379 responded to Walmart at 5555 20th St in Indian River County in reference to a Suspicious Incident involving a male in the men's restroom. The complainant, Cady Lynn McGathy, is a Walmart employee. She informed dispatch that a white male in a blue shirt was slumped over in a bathroom stall. Cady added that she suspected that the male was getting high in the bathroom stall.

Upon arrival, I made contact with Cady and Asset Protection Agent, Sara "Scottie" Ingo. They were standing outside the men's restroom that is located at the Grocery-side entrance of Walmart. After entering the men's room, I announced myself as 'Sheriff's Office', but I received no response. The handicapped stall was locked, so I peered over the stall wall and observed a shirtless white adult man sitting on the handicap toilet. His pants were pulled up, and he was not actively using the toilet. He was initially responsive, but not coherent. I instructed the man to open the stall door. He was hesitant, but eventually he opened the door after flushing the toilet.

The subject, Chase Taylor Shepherd, exited the stall and was not having a medical emergency. He appeared lethargic and confused. I entered the handicap stall and observed a red men's wallet lying on the handicap sink. Immediately beside the wallet was a small square sheet of aluminum foil and black straw. The foil had a burnt brown waxy substance that was melted to the surface. The straw was cut down to approximately 3-inches and was partially melted. Based on my training-knowledge and experience, I suspected that the foil and straw were devices to smoke illicit substances. I further suspected that Chase was smoking fentanyl based on the evidence observed so far. I asked Chase if this was his wallet, and he acknowledged that it was. I placed him in handcuffs and read him Miranda rights. Chase acknowledged his understanding of Miranda rights and agreed to speak with me.

Chase stated that he was on his way home from work when the city bus dropped him off near Walmart. He stated that he needed to use the restroom, and that he had no intentions of shopping. He denied that the aluminum foil or straw belonged to him, despite his wallet lying next to it. Chase added that the foil and straw were lying on the sink when he entered the bathroom. I asked him why he was in the bathroom so long, and he stated that he was waiting for the bus. Chase denied using drugs at Walmart.

I removed a small section of the aluminum foil and conducted a Sirchie presumptive field test. The brown waxy substance field-tested positive for fentanyl. Based on my investigation, there is probable cause to believe that Chase Taylor Shepherd was using the restroom stall to consume illicit drugs. Furthermore, probable cause exists that the aluminum foil and melted straw belong to Chase. I placed him under arrest for Possession of Drug Paraphernalia, F.S.S. 893.147 (1). No other contraband was found on his person at the time of his arrest.

I transported Chase to the Indian River County jail, where his custody was relinquished jail deputies. Upon inspection of the contents of Chase's wallet, a folded-up piece of aluminum foil was discovered.

Arrest Affidavit Report

Case Report # 2026-00103457

NARRATIVE

On 9/26/2026 at approximately 0026 hours, I was patrolling in the area of County Road 512 and 101st Avenue. Detective Magill Badge# 6298 advised over the radio that he was behind a vehicle in the area of 101st Avenue and 93rd Street, that he believed was an impaired driver. Deputy Magill advised he had probable cause for a traffic stop, due to the vehicle failing to maintain a single lane contrary to F.S.S. 316.089.

I got behind the vehicle in the area of 100th Avenue and 87th Street. The vehicle was a white Saturn SUV bearing Florida tag# KE668R. I initiated a traffic stop in the area of 100th Avenue and 86th Street. I made contact with the driver and she identified herself as Katonia Rodriguez via her Florida ID card. Katonia stated she didn't have a valid license, at the moment. While speaking with Katonia, I could smell a strong odor associated with the consumption of an alcoholic beverages emitting from her person and the vehicle. I asked Katonia if she had consumed any alcohol today, and she said yes.

I had Public Safety Dispatch run a license inquiry on Katonia. Public Safety Dispatch advised Katonia's current driver's license status was revoked as a habitual traffic offender on 1/15/2025 for a period of 60 months.

As I interacted with Katonia, I observed several physical signs of impairment: Katonia's speech was slurred while speaking with me. She had watery eyes. Her pupils were dilated, and she stated her eyes were sensitive to the light from my flashlight.

I became concerned Katonia was impaired beyond her normal faculties by alcoholic beverages or chemical or controlled substances.

To dispel my concerns, I asked Katonia if she would participate in a series of standardized field sobriety exercises, to which she agreed, but said she had issues with her right leg. I asked Katonia if she had any medical issues, and she said just high blood pressure.

All field sobriety exercises were explained and demonstrated proficiently prior to her beginning each exercise and I confirmed Katonia understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes. While attempting to find nystagmus prior to 45 degrees, Katonia stated she no longer could do the test, and stepped backwards. Katonia was unable to allow me to finish the exercise. It should be noted during the duration of the exercise I had to tell Katonia numerous times to keep her head still.

Case Report # 2026-00103457

NARRATIVE (Continuation)

2.) WALK AND TURN – Katonia was instructed to imagine a straight line for this exercise due to the road being unpaved. During the instruction phase of the exercise, Katonia stated her left leg had issues, contrary to when she originally stated she had issues with her right leg. Katonia was unable to get into the starting positioning of the exercise. Katonia stated, "I can't do it, I'm already going to jail." This concluded the exercise, and no other exercises were performed.

At this time, I believed Katonia was purposely refusing to participate in an attempt to hide her level of impairment. I decided I would attempt to ask Katonia more specific questions about the alcohol she consumed, therefore I advised Katonia her Miranda Rights off of my Indian River County Sheriff's Office Miranda Rights card. Katonia stated she understood her rights, and didn't wish to answer any questions I had for her.

Based upon my investigation, probable cause exists that on 9/26/2026, Katonia was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond her normal faculties, incapable of operating a vehicle safely.

Katonia was arrested for DUI at 0046 hours and was advised of the charges. I took Katonia into custody without incident and transported her to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff Rentas Badge# 6001 advised me that Katonia agreed to provide a breath sample. At the conclusion of the test, the breath sample showed Katonia had a breath alcohol concentration (BrAC) of 0.317 grams per 210 liters of breath and 0.311 grams per 210 liters of breath.

Based upon my investigation, I charged Katonia with the following:

F.S.S. 316.193(4)	DUI WITH B.A.C. OF 0.15 OR HIGHER	BOND- \$1,000.00
F.S.S. 322.34.5	Driving While License Suspended Habitual Traffic Offender	No Bond

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/26/2026** , at **01:49** (Specifically include facts constituting cause for arrest.)

On 9/26/26, at approximately 0149 hours, while on routine patrol traveling northbound in the 3500 block of US Hwy 1, I observed a grey Chevy pickup traveling ahead of me bearing FL Tag# (CG08WL). I then conducted a registration check by running the vehicle's plate through the E.L.V.I.S database. Upon receipt of the query response, I learned that the registration of the vehicle expired on 04/29/2026.

I then initiated a vehicle stop by activating the emergency lights on my patrol vehicle and made contact with the driver. Upon making contact with the driver, who was later identified as Braiden E. Hunt (DOB: 04/29/2005), I explained to him the reason for the stop and requested his driver's license. Hunt advised he was aware his registration was expired.

I then made contact with the front passenger of the vehicle, who was later identified as Evelyn N. Slavens (DOB: 07/04/2006), as well as the rear left passenger (Natalia M. Gonzalez; DOB: 06/08/2006), and the rear right passenger (Lilly J. Strazzulla; DOB: 04/11/2007). All advised they had just left Dom's Bar.

I explained Hunt I detected an odor of marijuana coming from the vehicle and questioned if he had anything illegal inside his vehicle. Hunt stated he did not have any marijuana but did have a handgun in the center console. I later requested Hunt to exit his vehicle as well as all other passengers.

Once Hunt exited the vehicle, Ofc. Herrera questioned Hunt if he had anything illegal on his person to which Hunt advised that he did have a bag of marijuana in his left front pocket. Hunt was asked if he had a Medical Marijuana card to which he advised he did not. It should be noted the bag was a small white bag of marijuana.

Ofc. Herrera then conducted a search of the vehicle and located two tetrahydrocannabinol (THC) vapes. Ofc. Herrera said a black vape was located in the front passenger seat in the crevasse between the seats on the left side and a white vape was in the rear left side on the floor board.

I then made contact with Hunt and read him his Miranda Warning Rights to which he advised he understood and wished to speak with me. I questioned Hunt about the two vapes located inside his vehicle to which he stated they did not belong to him and did not know who they belonged to. Hunt provided no further information.

I then made contact with Slavens and read her Miranda Warning Rights to which she advised she understood and wished to speak with me. I questioned Slavens about the two vapes located inside the vehicle, one of them being located around her seating area. Slavens explained she was unaware of any vapes being inside the vehicle and denied ownership of the vapes.

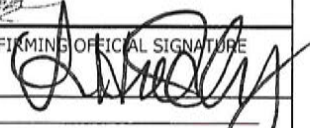

I then spoke with Strazzulla and read her Miranda Warning Rights to which she advised she understood and wished to speak with me. I questioned Strazzulla about the two vapes located inside the vehicle to which she claimed ownership of the black vape. I asked Strazzulla what the vape contained inside to which she stated it was THC. I asked where she purchased the vape from and she advised from a "plug". I explained to Strazzulla where the vape was located and said she did not own the vape I was holding in my hand but owned one identical to it located in her purse inside the vehicle. I later conducted a search of Strazzulla's small brown purse located on the rear seat of the vehicle. Inside the main compartment of the bag was what appeared to be three black vapes containing THC. I asked Strazzulla if the purse belonged to her to which she advised it did. I asked Strazzulla if she obtained a medical marijuana card to which she stated she did not.

I then made contact with Gonzalez and read her Miranda Warning rights to which she advised she understood and wished to speak with me. I questioned Gonzalez about the two vapes located inside the vehicle to which she immediately claimed ownership of the white vape and advised it was a THC vape. Gonzalez said she took them from a friend who purchased it from a medical marijuana dispensary. I asked Gonzalez if she had a medical marijuana card to which she advised she did not. I later conducted a search of Gonzalez' brown Coach purse that was located on the rear seat of the vehicle. Inside the purse I located a white vape cartridge containing THC as well as a multi-colored vape inside a small compartment of the purse also containing THC. Gonzalez advised the purse belonged to her and was aware of all the vapes in her bag.

Based on the above mentioned investigation, Gonzalez and Strazzulla were placed under arrest for violation of F.S.S.893.13 (6A) - Possession of Controlled Substance (Tetrahydrocannabinol) reference (citation#A0916SE, A0916TE). Hunt was issued a citation for the initial reason for the stop reference (citation# A0916RE).

Gonzalez and Strazzulla were then transported to Indian River County jail for processing and booking where they are being held with no bond.

All aforementioned property was later submitted into Evidence at the Vero Beach Police Department.

I asked Strazzulla if the purse belonged to her to which she advised it did. I asked Strazzulla if she obtained a medical marijuana card to which she stated she did not.

I then made contact with Gonzalez and read her Miranda Warning rights to which she advised she understood and wished to speak with me. I questioned Gonzalez about the two vapes located inside the vehicle to which she immediately claimed ownership of the white vape and advised it was a THC vape. Gonzalez said she took them from a friend who purchased it from a medical marijuana dispensary. I asked Gonzalez if she had a medical marijuana card to which she advised she did not. I later conducted a search of Gonzalez' brown Coach purse that was located on the rear seat of the vehicle. Inside the purse I located a white vape cartridge containing THC as well as a multi-colored vape inside a small compartment of the purse also containing THC. Gonzalez advised the purse belonged to her and was aware of all the vapes in her bag.

Based on the above mentioned investigation, Gonzalez and Strazzulla were placed under arrest for violation of F.S.S.893.13 (6A) - Possession of Controlled Substance (Tetrahydrocannabinol) reference (citation#A0916SE, A0916TE). Hunt was issued a citation for the initial reason for the stop reference (citation# A0916RE).

Gonzalez and Strazulla were then transported to Indian River County jail for processing and booking where they are being held with no bond.

All aforementioned property was later submitted into Evidence at the Vero Beach Police Department.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/26/2026** , at **06:27** (Specifically include facts constituting cause for arrest.)

On September 26, 2026, at approximately 0353 hours, I was dispatched to [REDACTED] in reference to a physical disturbance. Prior to my arrival, the Sebastian Police Department's Dispatch Center advised that the female caller stated a male was bleeding and they were now separated.

Upon my arrival, I observed Officer Harris standing with a male whom I knew to be Keith Leo McIsaac (FL DL #M392039110000) due to many other incidents at the residence. I observed Keith to have a large amount of blood coming from a laceration on his forehead. I also observed officers making contact with the female half at the front door of the residence. I observed the female half to be [REDACTED] whom I identified due to many other incidents at the residence. I observed [REDACTED] to have dried blood on her arms and on one of her feet. I observed redness on [REDACTED]'s neck consistent with being choked. Once officers detained [REDACTED] and removed her from the residence, I approached Keith and conducted an interview.

Keith stated he was sleeping and then [REDACTED] woke him up. Keith stated they then began to "tussle." Keith stated that's all he could remember due to the incident taking place so fast.

I then went to where [REDACTED] was sitting with officers. I observed Officer Zamora #451 advising [REDACTED] of her Miranda warning. [REDACTED] stated she understood and would speak with officers. I asked [REDACTED] what occurred. [REDACTED] stated that while she and Keith were sleeping in [REDACTED], Keith stuck her with his elbow while remaining asleep. [REDACTED] stated that, due to this and Keith's snoring, she was unable to sleep. [REDACTED] stated she then attempted to wake Keith up, but he would not. [REDACTED] stated she began to attempt to shake Keith awake, and he finally woke up. [REDACTED] stated once Keith was awake, they began to argue, and she asked him to go sleep on the couch so she could sleep. [REDACTED] stated Keith went to the couch, and she brought him a pillow and blanket. [REDACTED] stated that while attempting to give Keith the blanket, he became irate and grabbed her by the throat. [REDACTED] stated that Keith pushed her backward by her throat into a wall. [REDACTED] stated that on the wall was a mounted display of her son's Nerf guns. [REDACTED] stated that Keith pushed her into the display and was yelling, "This time you're getting hurt." [REDACTED] stated that, with his free arm, Keith was holding onto her. [REDACTED] stated she then bit Keith in her left forearm in an attempt to get him to stop attacking her. [REDACTED] stated her biting Keith worked, and he let go. [REDACTED] stated she then began to push Keith through the kitchen in an attempt to get him out of the front door. [REDACTED] stated they continued to struggle until they reached the front door. [REDACTED] stated that once at the front door, she was able to successfully push Keith outside, at which time she [REDACTED] stated that when Keith grabbed her by her neck and pushed her against the wall, it cut off her airway, making it so she could not breathe.

When asked about the laceration on Keith's forehead, [REDACTED] stated it may have occurred while she was attempting to push Keith out of the house.

I then went back to Keith and observed a bite mark on his left forearm where [REDACTED] had described it being. I again attempted to conduct a further interview with Keith, but he was unable to provide any further details. When asked about red marks on [REDACTED]'s neck, Keith stated he was defending himself from her, and it may have happened while he was doing so, but he was unsure.

I then asked [REDACTED] if officers could enter her residence and observe the scene inside. [REDACTED] provided officers consent to enter the residence. Once inside the residence, I observed, in the living room, a blanket and pillow in a chair across from the couch. I observed the wall with the Nerf gun display, and I observed it to appear to be displaced. I then observed a blood trail leading from the wall with the display into the kitchen and to the front door of the residence.

Officer Zamora and Officer Venegas attempted to complete an interview with Keith. Keith was still unable to provide any details on the incident and continually changed the details he would provide. Keith stated that [REDACTED] woke up and attacked him. Keith stated that it happened so fast that he could not remember anything.

When asked, [REDACTED] and Keith both stated they [REDACTED] for three years and have since [REDACTED] but still have [REDACTED] and will [REDACTED] for weeks at a time.

At this time, based on the interviews, physical evidence at the scene, and the injuries, Keith was placed under arrest. Keith was placed into mechanical hand restraints that were ensured to be double-locked and properly fitted.

Keith was transported to Orlando Health Hospital, where he was treated for his injuries.

Keith was then transported to the Indian River County Jail.

Arrest Affidavit Report

Case Report # 2026-00103541

NARRATIVE

On 9/26/2026 at 0734 hours, I responded to 1210 14TH AV SW in reference to a past disturbance.

Upon arrival, I made contact with [REDACTED] who stated the following in summary:

Last night around 2200 hours, [REDACTED] and her [REDACTED], Joshua Mace, were consuming alcohol and had a fight. She does not remember how the argument started but Joshua became physical with her and pushed her against the hallway wall and wrapped one hand around her neck. She stated she was gasping for air and could not breathe - she did not experience any other symptoms. This lasted for approximately 20 seconds before, in an act of self-defense, the only thing she could do was head-butt him back, striking him in the face. He let go. She moved to the living room to start collecting her belongings when he came up to her and started hitting and kicking her. Joshua kept getting more irate, knocking over plants and other household items before eventually leaving to an unknown address. Her and Josh have [REDACTED] and been [REDACTED]. She does not believe she has any bruises or markings from the event "I am hard to bruise."

I observed her neck and saw some minor bruising on the left lateral side as well as overall slight redness. She is denying EMS or medical treatment. The house smelled like alcoholic beverage and I noticed multiple plants and other items skewed around the house and knocked over.

I called Joshua and attempted to get him to meet with me, as he is refusing to tell me his address and just that he is in "lakewood park" and that his teeth are knocked out. With the assistance of Sgt Scranton, Joshua agreed to meet at Dollar General at 27th AV SW / County line.

I made contact with Joshua, who stated the following in summary:

He and his [REDACTED] were hanging out last night. After his mother left at dinner, he told her he was going to a friends house and he'll be back later. She got upset and then head-butted him in the face, causing his front two fake teeth to be dislodged, which he showed me. Everything else was verbal and yelling, she left and then he left after. He didn't want to call the police and just wanted her to get out of his house.

When I brought up the bruising on her neck, he informed me he has no idea how or what could have happened to cause that.

Due to my investigation, statement's and [REDACTED]'s bruising, probable cause exists to charge Joshua with Battery - Domestic Violence by Strangulation, as he intentionally caused harm by restricting her normal breathing and airway, causing her to gasp for air.

While on scene of this disturbance, I spoke to the caller, named [REDACTED] [REDACTED] said her [REDACTED] was at the beach here with his [REDACTED] named Kyle Campbell. [REDACTED] arrived because she said she was concerned that her [REDACTED] was alone on the beach and that Kyle was at Beach Bites possibly talking to a female. [REDACTED] engaged in a disturbance with a woman at Beach Bites, which was the reason for our response (See #2026-103582). [REDACTED]'s name is [REDACTED].

After running [REDACTED] on IRCSO Channel 2, it was revealed that [REDACTED] is a protected person in a domestic violence injunction, with Kyle being the respondent. This injunction was signed by Judge Victoria Griffin on June 11th, 2025 and is active until June 10th, 2030, in Indian River County. This injunction's case number is 31-1-2025-DR-000455.

While speaking with [REDACTED], she showed deputies Kyle's contact in her phone, listed as "Demon Die Aka Kyle Campbell" with the phone number (772) 228-0742. On the call history with Kyle's number there was around 30 calls in the month of September. Several of the calls were labelled as incoming with the rest being outgoing. One of the most recent incoming calls was on September 23rd, 2026, at 2107 hours lasting for 49 minutes. [REDACTED] said that her and Kyle have spoken to each other on the phone.

I called Kyle's number, which when he answered confirmed it was him. Kyle and I arranged to meet in the parking lot of South Beach, 1704 Ocean Drive, Vero Beach, FL. Kyle and I spoke post Miranda, where I asked him about these phone calls. Kyle denied speaking to [REDACTED] on the phone and said his [REDACTED] has called her in the past on his phone or he has called her phone to just speak to his [REDACTED]. He told me that regarding [REDACTED] Kyle and [REDACTED] indirectly communicate through [REDACTED] in a third-party manner about [REDACTED].

Per the injunction term two regarding no contact, it states the following:

"Unless otherwise provided herein, responded shall have no contact with petitioner. Responded shall not directly or indirectly in person, by mail, e-mail, fax, telephone, through another person, or in any other manner."

Based on my investigation, I found probable cause to charge Kyle with violation of FSS 741.31(4)(a) Violation of an Injunction for Domestic Violence.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/26/2026** , at **18:44** (Specifically include facts constituting cause for arrest.)

On September 26th, 2026 at approximately 1844 hours, officers were dispatched to the 1600 block of Indian River Drive, Sebastian, Florida 32958, in reference to a disturbance. While enroute Sebastian Communications informed officers that there was a male on the sidewalk fighting with a male in a white SUV.

While enroute, Officer Venegas and I were flagged down by a white BMW SUV, which matched the description of the car involved in the incident, at the intersection of Main Street and Cross Street, Sebastian, Florida 32958. We made contact with the driver, who identified himself to be [REDACTED] stated the following: while at [REDACTED] residence, located at [REDACTED] his [REDACTED] later identified as Yusef A. Fergany, began to act erratic and man handle [REDACTED] by pushing him to the ground. Yusef subsequently snatched [REDACTED]'s phone out of his hand and left the house on foot. [REDACTED] had cuts and minor bleeding on his hand consistent with his telling of the incident. [REDACTED] then got into his white BMW SUV and began to look for Yusef to retrieve his phone. When [REDACTED] located Yusef, he began to scream at [REDACTED] and tried blocking his path of travel in front of his car. [REDACTED] was able to get away and subsequently drove to the Sebastian Police Department to contact law enforcement due to not having his phone. [REDACTED] informed officers that Yusef was mentally sick and [REDACTED]

Officer Hatton advised over SPD Channel 1 he was able to locate and detain Yusef at 1580 US Highway 1, Sebastian, Florida 32958, (The Sandbar Beach Club at Captain Hiram's Resort).

Officer Venegas and I attempted to read Yusef his Miranda Warnings to which Yusef stated he did not understand. Yusef began to spontaneously ramble and state that he was a scientist and worked for marketing and informed officers that we could not arrest him. Yusef did not give officers the opportunity to speak with him in regards to this incident.

Based on the totality of circumstances and the facts mentioned above which include Yusef actually and intentionally touching [REDACTED] against his will, causing [REDACTED] to have minor cuts and bleeding on his hand, and Yusef being [REDACTED] I found probable cause to arrest Yusef under FSS. 784.03(1A1) BATTERY TOUCH OR STRIKE (Domestic Violence).

Yusef was transported to Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2026-00103719

NARRATIVE

On Saturday, September 26, 2026 at approximately 1945 hours, I conducted a traffic enforcement stop on a silver Hyundai SUV (50FPUY) in the 1600 block of US Highway 1 in Vero Beach, Florida.

I received an alert from my AXON mounter in-car camera's automatic license plate reader (ALPR) regarding the above vehicle. I verified the information against the FCIC/NCIC database, confirming the registered owner was in possession of an "ID CARD ONLY."

The vehicle attempted to cut through the parking lot of the Mattress Store, which was closed at the time. I initiated my emergency lights and the vehicle yielded. I made contact with the driver, who I identified as Mr. Willie Tumblin (Arrestee), the registered owner of the vehicle. When I asked Mr. Tumblin for his license and registration documentation, he stated he did not have one. I asked if he had any documents with his name and he handed me a Florida Identification card.

Mr. Tumblin was instructed to exit his vehicle. Deputy J. Sibole arrived on scene and stood by with Mr. Tumblin near the front of my patrol car. I queried Mr. Tumblin's information through D.A.V.I.D. which showed Mr. Tumblin was arrested for Driving Under the Influence (DUI) (AM5WDXE) and possession of a controlled substance (ANHC02E) on June 9, 2026 and on July 7, 2026 was adjudicated guilty including a 6-month suspension.

Based on the above information, I established probable cause that Mr. Tumblin was operating a motor vehicle upon the roadways with knowledge that his license was revoked. Mr. Tumblin was placed under arrest.

During an inventory of Mr. Tumblin's vehicle, I located a bag on the backseat, within immediate reach of Mr. Tumblin. Inside this bag, I located two (2) sealed Naloxone (Narcan) and a small bottle of "Advil." This bottle typically holds small round reddish brown 200 mg pills; however, it contained white oblong pills. These pills were stamped with an "I 8." Upon examination of the pills, I observed several inconsistencies, including incomplete stamps, and the edges of the pills were not clean and uniformed in their appearance.

I took a pill from the bottle and placed it into a new, unused Fentanyl / Heroin test kit. I crushed the pill inside the kit and removed the large pieces. Using the powder that remained inside the kit, I broke the ampule and the liquid turned and amber / brown color. Consistent with a positive result for Fentanyl. I then used a multi-drug test kit, wiping the broken edge of the pill against the test surface. After I cracked the ampules, it turned blue and orange, again consistent with a reaction to Fentanyl. I also used a cocaine wipe, which turned blue after contact with the broken edges of the pill. The bottle contained 7 pills with a total weight of 5.80 grams.

NARRATIVE (Continuation)

I advised Mr. Tumblin of his rights in accordance with Miranda V. Arizona. Mr. Tumblin stated the pills in the container were gabapentin or Advil. A google search of "what does Gabapentin look like?" revealed "Gabapentin typically comes as an oblong capsule in shades of yellow, beige, or brown-yellow, or as an oval/white tablet depending on the dosage and manufacture." This was inconsistent with Mr. Tumblin's statement. When questioned about the Narcan, Mr. Tumblin stated he was prescribed oxycodone for his back pain.

Based on the above additional information, I established probable cause to charge Mr. Tumblin with possession of a controlled substance and Trafficking Fentanyl 4 grams or more.

Mr. Tumblin was transported to the Indian River County Jail Complex without further incident. Mr. Tumblin was ultimately charged with: Trafficking Fentanyl four (4) grams or more, possession of a controlled substance, and driving while license revoked with knowledge and held on a NO BOND status.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/26/2026** , at **22:53** (Specifically include facts constituting cause for arrest.)

On September 26th, 2026, at approximately 2254 hours, I, Ofc. Z. Dominguez, responded to 1436 Old Dixie Hwy (Dom's Bar) in reference to a female trespassing.

Upon arrival, I made contact with Dom's Security, Richard Savage. Savage advised that the defendant, Angela Labolt, was trespassed from the property and returned. Savage said Labolt returned to the property after law enforcement cleared the scene, and was causing a disturbance. Savage said Labolt walked back on the property, approached him by the front door, and punched him in the stomach three times. Savage then called law enforcement, and officers arrived on scene. Savage also said that Labolt was being disorderly, taking her pants off, and urinating in the parking lot prior to my arrival.

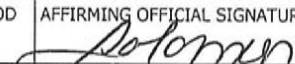

As I was speaking to Savage, I observed Labolt on the northern corner of Dom's Bar property, and approached her.

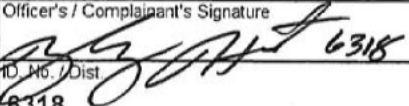

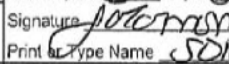

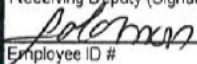

Labolt was then placed under arrest for Trespass after Warning and Disorderly Intoxication in Public Causing a Disturbance, in violation of F.S.S. 810.09(2A) and 856.011.

It should be noted that approximately 30 minutes prior to this incident, myself and additional officers responded to Dom's Bar, in reference to the defendant, Angela Labolt, being intoxicated and causing a disturbance. Dom's security requested she be removed from the property; however, she remained on scene after law enforcement asked her to leave. Dom's security then requested for Labolt to be trespassed. Labolt was issued a trespass warning and officers visually saw her leave the property of Dom's before clearing the scene.

Labolt was then transported to Indian River County Jail for booking, \$650 bond.

This incident was captured by my department issued Body Worn Camera (BWC) and uploaded to VBPD Evidence Library.

Arrest Affidavit Report

Case Report # 2026-00103775

NARRATIVE

On Saturday, September 26, 2026 at approximately 2318 hours, I responded to 3870 46th Street in Vero Beach, Florida in reference to a traffic crash with injuries.

Upon arrival, I met with Deputy T. Mims and Deputy A. Cox. Deputy Cox was the primary investigator for the traffic crash, he stated to me when he arrived on scene, he observed the driver, identified as Ms. Norma Morgan (Arrestee) operating the vehicle. During the course of his investigation, he observed signs of impairment including odor of alcohol, and slurred speech.

I went over to speak with Norma who was seated in passenger seat of the blue Hyundai sedan (FL / DH37WF) registered to her. In the rear seat of the vehicle, I could see a Sprite bottle and alcohol bottle that appeared to be partially consumed. Norma was speaking with an unknown person on the phone. During her conversation, I could smell the distinct odor of an alcoholic beverage and her speech was heavily slurred.

I observed scene of the crash involving the semi-truck as well as the point of impact in the cracked windshield where Norma's passengers head struck the windshield in the collision. Deputy Cox estimated the damage amount to be approximately \$15,000.00. The passenger was transported via ambulance to Indian River Medical Center – Cleveland Clinic to receive treatment for her injuries. Refer to Deputy Cox's crash report for further details.

I introduced myself, and explained that Deputy Cox had completed his crash investigation, and that I would be conducting a criminal investigation into Driving Under the Influence (DUI). I advised Norma of her rights in accordance with Miranda v. Arizona which she stated she understood.

Norma stated she had been drinking with members of her family. Initially she stated she had a couple drinks, then clarified her statement to say she only had one (1) drink. She stated to me she was drinking vodka and sprite.

I explained my concern for her ability to operate her motor vehicle and requested she complete Standardized Field Sobriety Exercises (SFSE's). Initially, Norma appeared cooperative and agreed to do them, however, she became emotional and retracted her statement. I explained the totality of the circumstances regarding my suspicions, including her slurred speech, the odor of alcoholic beverage emitting from her breath and her admission of alcohol consumption and she hesitated for several minutes. Norma was provided multiple opportunities to complete SFSE's and was ultimately issued a warning in accordance with Taylor v. State. After this explanation and warning, Norma still refused to complete the exercises and was placed under arrest for DUI.

Norma was transported to the Indian River Medical Center – Cleveland Clinic for medical clearance

before being transported to the Indian River County Jail Complex.

Upon arrival to the Indian River County Jail Complex, Norma was searched and a twenty-minute observation period was initiated. After the expiration of the observation period, Norma was requested to provide a sample of her breath to determine its alcohol content. Norma provided the following valid samples: 0.133 g/210L and 0.135 g/210L.

A query of D.A.V.I.D. revealed Norma has a prior DUI (1269XCL) on October 8, 2019 and Refusal to Submit suspension (1269XCL) on September 8, 2019.

Norma was ultimately charged with: Driving under the influence w/ priors (ANHCDXE), and DUI with property damage or injury to another person (ANUPHDE). Norma was held on a total bond of \$1,750.

Case Report # 2026-00103803

NARRATIVE

On September 27th, 2026 at approximately 0055 hours, I was dispatched to 1214 37th Ave. SW., Vero Beach for a report of a disturbance. The calling party was identified as [REDACTED] advised her [REDACTED] later identified as Fredy Oliva Lorenty, had pushed her down. It should be noted, it was later learned Fredy and [REDACTED] are [REDACTED] and [REDACTED]

I responded, where I began speaking with [REDACTED] [REDACTED] explained she had left the residence to do laundry, due to their laundry machine breaking. She explained she came home; she observed Fredy outside drinking alcohol. She explained she believes he is drinking very frequently. [REDACTED] explained her and Fredy got into a disturbance over the drinking and his kids. She believes Fredy's children are parasites.

Ultimately, [REDACTED] explained Fredy pushed her on her chest, where she fell down. She explained the two were facing each other, where Fredy took his hands and pushed her chest and she fell. She explained she fell backwards. She explained this happened outside the residence, in front near the driveway. She showed me a red mark/scrape on her right knee/shin, which appeared consistent with scrapping it on the ground. As a result, this was photographed and uploaded to Evidence.com.

[REDACTED] explained her [REDACTED] identified as John Garcia, and another male, later identified as Manuel Martinez Martinez witnessed the incident. She explained the two would lie and attempt to cover for Fredy.

I then went and interviewed Fredy who was speaking with Deputy Edgar. I asked Fredy what happened. He explained a similar story to [REDACTED]'s. He explained [REDACTED] had left the residence to go do laundry. He explained she returned approximately 6 hours later, and was extremely intoxicated. He explained she began to yell at him outside, where he was with his friend. He explained [REDACTED] was yelling. I asked if anything physical happened, which he stated no. He then stated he had video camera system and offered to show the video.

Fredy opened his application, which he originally stated was not functioning. However, I asked him to show me the app, and the video capture history, which he did so. He explained I could look at the application, where he handed me his phone. He stood next to me, while I reviewed the video captures within his security camera application. I ultimately discovered a video, which appeared to be captured around 0053 hours. It should be noted the video camera angle covered the front driveway, which was the described location of the incident.

I observed [REDACTED] sitting in a foldable lawn chair, where I could hear and see she was yelling at

Fredy/anyone outside. At one point in the video, I observed Fredy approach her, and extend his hands, where he pushed her backwards while she was seated in the chair. She fell backwards, and the chair rolled over, which made her do a complete flip. I observed this was directly next to a small bonfire, which was illuminated in the driveway. She was not pushed into the fire; however, it was very close to where she was pushed. I then observed what appeared to be 3 men, grab Fredy and pull him away and attempt to restrain him. These men were identified as Manuel John.

I asked Fredy why I see him pushing [REDACTED] in the video, which he stated she pushed him first. I explained I did not see this, nor did he disclose that to me when interviewing him. As such, I detained him in handcuffs (double locked/checked for fit). He was then secured in the rear of Deputy Edgar's vehicle.

I read Fredy his Miranda rights, where he stated he did not wish to speak with me. Ultimately, Fredy was placed under arrest. I spoke briefly with Manuel, who explained [REDACTED] was talking and yelling a lot of insults to Fredy. I explained that does not give a husband a right to batter his wife.

It should be noted, Fredy [REDACTED] and Manuel, were all intoxicated due to alcohol. Fredy and Manuel had red/bloodshot eyes, odor of alcohol, and slurred speech. Additionally, [REDACTED] had incredibly slurred speech while speaking with her, which made her difficult to understand at times.

Fredy was driven to IRCSO Jail. Due to the fact Fredy invoked his right to remain silent, I did not have the opportunity to attempt to retrieve the video of the incident for upload to Evidence.com.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/27/2026** , at **01:38** (Specifically include facts constituting cause for arrest.)

On **9/27/26**, at approximately **0138** hours, while on routine patrol traveling westbound in the **1100** block of **20th St**, I observed a red Ford SUV traveling ahead of me in the far right lane bearing FL Tag# (**RZZB58**). Once approaching the intersection of **20th St** and **Commerce Ave**, I observed the red SUV traveling in both the right lane and left lane failing to maintain a single lane of travel. Once at the intersection the red SUV then conducted the lane change to the left lane using no signal.

I then initiated a vehicle stop by activating the emergency lights on my fully marked patrol vehicle and made contact with the driver. Upon making contact with the driver, who I later identified as **Justin V. Ariles** (DOB: **11/08/1997**), I explained to him the reason for the stop and requested his driver's license. Ariles advised due to the curvature of the road, he had a difficult time maintaining his lane to which he then conducted that lane change in the middle of the intersection.

Upon approaching the passenger window, it should be noted I observed smoke coming from the inside of the SUV and a strong odor of marijuana was coming from the inside of the vehicle. While at the passenger window, I observed in plain view multiple burnt cigar ends (also known as roaches) located on the dashboard of the vehicle. I questioned Ariles if the burnt cigar ends contained marijuana to which he confirmed they did. I requested Ariles provide me his Medical Marijuana card to which he then handed me an expired one (Exp: **08/14/2026**). I advised Ariles that his card was expired and stated he was going through a rough time. While speaking with Ariles, I observed him exhibiting multiple signs of nervous behavior such as his forehead being sweaty, as well as shaky hands, and heavy breathing.

I then requested Ariles to exit his vehicle to which he did so. Once out of the vehicle, I questioned Ariles on why he was so nervous and sweating and advised he did not like the "police". I asked Ariles if there was anything illegal inside of his vehicle to which he denied there being so.

While conducting a search of the vehicle, I located multiple Narcan (Naloxone Hydrochloride) sprays inside of the center console as well as under the driver seat. I then located two individual green rectangular pills bearing a pill stamp of (**R 0 3 9**) in the center console to which I later identified them to be Alprazolam (Schedule 4 Controlled Substance). It should be noted while searching the vehicle I questioned Ariles if he was prescribed any medication and advised he was not.

I then located a red straw containing a white powdery substance on top of the rear seat. Based on my training and experience, I identified the straw to be drug paraphernalia which is commonly used to ingest powdery substances through the nasal cavity.

I then read Ariles his Miranda Warning to which he advised he understood and did not wish to speak with me. Ariles was then placed under arrest without further incident. While at the rear of my vehicle conducting a search of Ariles person, I located inside his left sock two small clear plastic baggies. One baggie contained a white crystal like substance. The substance later field-tested positive for the presence of Cocaine. The second baggie contained a small pink round pill bearing pill stamp (**K 56**), which I later identified it to be Oxycodone Hydrochloride.

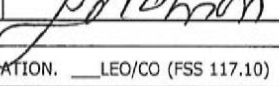

Based on the above mentioned circumstances, Ariles was placed under arrest for violation of F.S.S. 893.13(6a) - Possession of Controlled Substance (Cocaine) (Citation# **AO916VE**), F.S.S. 893.13(6a) - Possession of Controlled Substance (Oxycodone Hydrochloride) (Citation# **AO916WE**), F.S.S. 893.13(6a) - Possession of Controlled Substance (Alprazolam) (Citation# **AO916XE**), and F.S.S.893.147 (1) Possession of Drug Paraphernalia.

Ariles was later issued a warning for the initial reason for the stop reference VBPD Warning# (**W119240**).

Ariles was transported to Indian River County Jail for processing and booking where he is held with no bond.

All aforementioned property was later submitted into Vero Beach Police Department Evidence.

Case Report # 2026-00103832

NARRATIVE

On Sunday, September 27, 2026 at approximately 0452 hours, I responded to 1385 20th Avenue SW in Vero Beach, Florida in reference to a traffic collision with unknown injuries.

Upon my arrival, I observed a silver (FL / NKLP45) had collided with the front porch of a single-family dwelling. Roadway evidence was observed where the vehicle left the travel lane, collided with a stop sign and ultimately made contact with the house. I met with Deputy M. Ciofalo who was assigned to investigate the collision. Deputy Ciofalo told me upon his arrival, Mr. Jean Damis (Arrestee) was outside of his vehicle, but stated he was driving. During his investigation, Deputy Ciofalo noted several indicators of impairment including slurred speech and inability to formulate proper sentences and an odor of alcohol.

I made contact with Jean who was on the phone with an unknown person. I could smell the distinct odor of an alcoholic beverage emitting from his person. The odor was heavy and prominent. His speech was slurred and mumbled. I also observed his eyes to be watery and glassy. Jean was also leaning on Deputy Ciofalo's vehicle for support.

I introduced myself and explained that Deputy Ciofalo had concluded his crash investigation and that I would be conducting a criminal investigation for driving under the influence (DUI). I advised Jean of his rights in accordance with Miranda v. Arizona which he stated he understood.

Jean stated confirmed to me he was driving and the sole occupant of his vehicle. He was heading home from dropping off a friend and was traveling North on 20th Avenue. Jean stated he lost control after manipulating his phone, the wheel turned and he crashed into the house. While speaking with Jean, I continued to smell the prominent odor of an alcoholic beverage emitting from his breath. Jean stated he was "DJ'ing" at a party. When asked if he consumed any alcohol, he stated he had 1 drink. He then clarified that he was drinking Vodka mixed with red bull.

I explained my concern for his ability to operate his motor vehicle and requested Jean complete Standardized Field Sobriety Exercises (SFSE's) which he agreed. I questioned Jean about his medical history and asked if he had any medical conditions. Jean stated he had diabetes. When I asked which type, he responded Type A. He further stated he regulates his blood sugar level with water, and he last check his blood glucose level approximately 6 months ago. When asked about any recent surgeries he stated he had a rod in his leg, he pointed to his right leg, and stated it was from a car accident 15 years ago.

The first exercise I administered was the Horizontal Gaze Nystagmus exercise. I explained the exercise to Jean who stated he understood the instructions. I observed Jean's pupils were of approximately equal size and tracked simultaneously. Jean did not have resting nystagmus. During this exercise, I observed

the following validated clues of impairment: Lack of smooth pursuit, Distinct and sustained nystagmus at maximum deviation and an angle of onset prior to 45 degrees (Immediate). Jean had to be reminded not to move his head, had difficulty tracking the stimulus and had an orbital sway while completing this exercise.

The second exercise I administered was the Walk and Turn (WAT) exercise. I directed Jean into the starting position and provided the instructions and demonstrated the exercise, which he stated he understood and did not have any questions. While explaining the remainder of the exercise, Jean failed to maintain the starting position and began to walk the line prior to being instructed. During the walking phase, I observed the following validated clues of impairment: Missed heel to toe, Incorrect number of steps (10/12), improper turn (lost balance), stepped offline, and used arms to balance. Jean DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I directed Jean into the starting position. I explained and demonstrated the exercise to Jean who stated he understood the exercise and did not have any questions. Jean began the exercise by raising his right foot off the ground and I observed the following validated clues of impairment: After approximately 10 seconds he placed his foot on the ground. During this exercise, Jean placed his foot on the ground 6 times, used his arms to balance, and swayed. Jean DID NOT complete this exercise to standard.

Based on the above indicators of impairment and in accordance with Rene Castillo V. State (2025), Jean's statement to Deputy Ciofalo regarding operation of his vehicle, and Jean's post Miranda admission satisfies the elements of "Actual Physical Control" and Jean was placed under arrest for Driving under the influence.

Deputy Ciofalo estimated the structural damage to the house at approximately \$5,000 and to the county stop sign at approximately \$500.

Jean was transported to Indian River Medical Hospital – Cleveland Clinic for medical clearance. Jean refused all treatment and was discharged against medical advice. Jean was transported to the Indian River County Jail Complex without incident.

Upon arrival to the jail, Jean was searched and a twenty-minute observation period was initiated by corrections staff. At the expiration of the observation period, Jean was requested to provide a sample of his breath to determine its alcohol content. Jean was initially hesitant but reluctantly agreed. Jean provided the following two (2) lawful samples of his breath: 0.103 g/210L and 0.100 g/210L. This sample was collected approximately three hours after the crash was reported.

Arrest Affidavit Report

Case Report # 2026-00103981

NARRATIVE

On 9/27/2026 at 14:38, I responded to 210 Highlands Drive SE in reference to a Suspicious Person.

The 911 caller reported that a white male on an E-Bike resembled a subject she thought was wanted in Palm Beach for Shooting Cats.

While in the area, I observed a white male on a Black Bike heading east on 23RD PL SW, and made a right, heading north on 11TH CT SW, failing to stop at the Stop Sign. I followed the bike; he was continuing on 23RD ST SW. He was swerving throughout the entire roadway, going back and forth from the left side of the road (oncoming traffic) back to the right. He made a right hand turn on 15 TH AV SW and continued the swerving pattern, riding onto oncoming traffic. He made a U-Turn on 15TH AV SW due to cars blocking the road and continued south, heading my direction.

I activated my emergency lights and sirens in my marked patrol vehicle and yelled out the window for him to stop when he passed my left. I positioned my vehicle for the traffic stop, and got out to approach him. Myself and D/S Dyerr were on scene. Before I could fully introduce myself and the reason for the stop, he became irate and started yelling at cursing at me, appearing rude, angry and disrespectful immediately. I informed him for the reason of the stop, violating FSS 316.2065 and failing to keep to the right of the roadway. He continued to curse at deputies and refused to produce any identification, after being asked multiple times.

D/S Dyerr asked for his name to which the subject responded, "Scott Lee". This was confirmed several times including the spelling. He responded no when asked if he had a FL Driver's License. Scott would not provide his address, a photo of any identification, or social security number. When asked if he ever had another ID or DL card in any state, he responded New Hampshire only. IRCISO dispatch informed me no record of Scott Lee with the given DOB was found for Florida or New Hampshire. Scott was asked again multiple times what his name was, an address, if he had a Florida ID, a photo of his identification, or social security card, to which he kept responding with profanity and "Scott Lee" multiple times. Scott kept demanding to leave, to which he was told multiple times we are trying to confirm his identity and that he is detained / not free to go. Scott continued to curse at deputies, record, and yell. Scott asked me if he was going to receive a citation, to which I responded yes. He told me he would refuse to pay the citation and he would just rip it up, and continue to ride his bike in the same manner.

As we were unable to confirm the subject's identity for a traffic citation, another unit with RAPID ID arrived. When the deputy was bringing out the scanner, Scott told the deputy he will not be touched, cursed more, told us to take him to jail, and refused to cooperate any further. Scott was instructed to place his hands behind his back. While applying the handcuffs, Scott lurched forward slightly and clenched his fists and locking his arms, preventing me from tightening one of the cuffs. I instructed him to stop resisting, stop clenching, to which he refused and kept his arms locked and tried to move forward. Due to his movement's, I was still unable to secure the handcuffs and he refused to comply. With the help of D/S Dyerr, Scott was assisted to the ground (while still actively locking up his arms) onto his stomach where better control of his arms could be obtained. The handcuff's were then applied, tightened and double locked, but he still would not relax his arms or unclench his fists, making the process difficult. During this time, he was given commands to stop resisting and unclenching his fists but did not comply.

A search incident to arrest of the bike was conducted and an FL Marijuana ID card with the name "Scott Paul Lefebvre" and the photo of the subject was found. A search through IRCISO and Dispatch resulted in a Valid FL DL and the male was identified.

Scott was charged with violating:

FSS 901.36 - False Name Given to LEO While Detained as he knowingly and intentionally gave a false last name to law

VICTIM TO SUBJECT RELATIONSHIP

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/27/2026**, at **20:36** (Specifically include facts constituting cause for arrest.)

On September 27th, 2026, at approximately 2036 hours, I, Ofc. Z. Dominguez, responded to the area of 2009 14th Avenue, in reference to a disturbance.

Upon arrival, I attempted to speak with the defendant, later identified as Amber Drane. As I approached Drane, she appeared nervous and attempted to walk away from me. I asked Drane multiple times to stop, in order to conduct my investigation regarding the disturbance. I asked for Drane to identify herself, to which she replied, "No, I don't have to." I then advised Drane that due to myself and other officers conducting an investigation, she is required by law to identify herself. It should be noted, while speaking with Drane, I observed her speech to be slurred and a fruity odor of an alcoholic beverage emitted from her breath. I continued to give Drane numerous opportunities to identify herself or provide me with her name, to which she refused. I also asked Drane what took place prior to law enforcement arrival, to which she wouldn't answer and said "law enforcement isn't helping her from being stalked."

At this time, I detained Drane and placed her in handcuffs due to her refusing to identify herself and further investigate the disturbance. Once in handcuffs, I asked Drane where her ID was. Drane said her Driver's License was in her purse and gave me permission to retrieve it.

I then spoke with the two witnesses, Erin Reyes, and Michael Reyes. Erin and Michael both said they heard two women yelling in the area of 1314 20th Street (Irish American Pub) while they were driving southbound on 14th Avenue. Erin and Michael said they then saw Drane running after an unidentified female. Michael said the unidentified female ran up to their vehicle, pulled on the door handle frantically, and said "help me, she's crazy". Michael and Erin pulled over and said they tried to separate the two due to the unidentified female appearing scared. While Erin and Michael stood with the unidentified female, Drane continued yelling at her, causing a further disturbance. Erin and Michael observed blood on Drane's eyebrow area, were concerned for the safety of the unidentified female, and called law enforcement. I asked Michael if the unidentified female was still nearby to obtain her statement, but he advised the female had already left with her husband prior to law enforcement arrival.

I then returned to my patrol vehicle where Drane was standing outside. Drane was asked where the bleeding came from and said she got into a fight with her friend. At this time, I placed Drane under arrest for Disorderly Intoxication in Public Causing Disturbance and Resisting Arrest without Violence, in violation of F.S.S. 856.011 and 843.02.

Ofc. Flores then arrived on scene and conducted a search of Drane's person. While searching her, Ofc. Flores discovered a clear baggie containing a white powdery substance in Drane's front left shorts pocket. A field test of the white powdery substance showed positive results for cocaine.

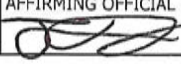

At this time, I Mirandized Drane, who acknowledged her rights and agreed to speak with me. Drane advised that she and a friend were at the Irish American Club drinking alcohol, when they both exited together. When asked why she was chasing the other female, Drane advised that "she's my girl friend" and that it was normal. I then asked what the clear baggie with white powdery substance in her pocket was, to which she replied "weed". I asked Drane where she obtained the bag from, and she said she "doesn't know" who gave it to her.

Drane was also charged with Possession Controlled Substance without Prescription, in violation of F.S.S. 893.13(6A) and issued a Criminal Citation (#AO916YE).

Drane's jacket and purse were placed in her locked vehicle for safekeeping.

Drane was transported to the Indian River County Jail for booking, no bond.

This incident was captured by my department issued Body Worn Camera (BWC) and uploaded to VBPD Evidence Library.

Arrest Affidavit Report

Case Report # 2026-00104074

NARRATIVE

On 9/27/2026 at 2153 hours, I responded to the Indian River County Jail at 4055 41st Ave in Indian River County, FL in reference to a Miscellaneous call.

Upon arrival, Amber Drane, hereafter referred to as the Defendant, was currently in the booking process for outstanding charges stemming from an incident that occurred in Vero Beach PD's jurisdiction. The Defendant's charges were as follows:

FSS 856.011 Disorderly Intoxication
FSS 843.02 Resisting without Violence
FSS 893.13(6)(a) Possession of Controlled Substance

While the Defendant was being booked, D/S Hiss requested a DNA sample and gave the Defendant an opportunity to provide a sample. The Defendant refused.

Based on the above stated facts, the fact that the Defendant willfully refused to give a DNA sample as required by a violation of FSS 893, there is probable cause to believe the Defendant committed Refused to Provide a DNA Sample pursuant to FSS 943.325(15)(a).

The preceding is true to the best of my knowledge or belief
