REPORT DATE: 08/08/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
On **08/07/2025**, at **23:36** (Specifically include facts constituting cause for arrest.)

On 8/7/25, at 2341 hours, I responded to 1314 20th St. (Irish American Club) in reference to a disturbance.

On scene I made contact with (V1) Rachel L. Morgan (DOB: 4/25/1992), (C1) Tyler J. Macfarland (DOB: 12/2/1984), and (C2) David Monrreal Jr. (DOB: 6/4/1999).

I noticed V1 holding the back of her head and continued to state that she had no recollection of what just occurred. I observed V1 had sustained injuries to the back of her head, elbow, and lip area.

C1 advised prior to my arrival all aforementioned people as well as V1's friend, (S1) Forrest T. Passaretti (DOB: 4/17/1995), were hanging out drinking at the Irish American Club. C1 further advised it was his first time meeting V1's friend, S1. C1 stated he overheard S1 call V1 a "bitch" to which it initiated a small argument between the two. C1 explained S1 and V1 then decided to go argue on the south west side of the Irish American Club in the alleyway. C1 said he then heard the argument escalating between S1 and V1 to which he and C2 then went over to see what was happening.

C1 explained he observed S1 and V1 standing close face to face and heard V1 say "if you are going to hit me then hit me." C1 advised he then observed S1, with a closed fist, punch V1 in the face causing her to fall backwards and hit her head on the ground. C1 stated he then rushed over and began to pull S1 off and away from V1. C1 said S1 then stood up and left the area in a white vehicle.

I then made contact with C2 who explained he was hanging out with the above mentioned group of friends and heard S1 call V1 a "bitch" which started an argument between the two. C2 stated S1 and V1 then walked to the south west side of Irish American Club in the alleyway where they continued to argue. C2 said he then heard the argument begin to escalate and went over with C1 to see what was happening. C2 advised he then observed S1 punch V1 in the face to which V1 then fell backwards and hit the back of her head on the ground. C2 explained C1 then rushed over to S1 and pulled S1 away from V1. C2 said S1 then left the area in his white vehicle.

I then responded to S1's residence and made contact with S1's roommate who confirmed S1 was inside the residence. I made contact with S1 and detained him for further investigation. I read S1 his Miranda Warning Rights to which he advised he understood and wished to speak with me.

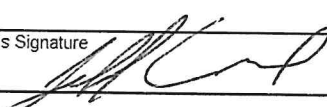

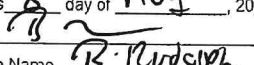

S1 explained he went to the Irish American Club earlier that night to say "hi" to V1. S1 stated he was talking to V1 and called her a "bitch" while at the Irish American Club. S1 advised he and V1 then began to argue. S1 said V1 then called him out into the alleyway where V1 then struck him four times with a closed fist on the left chin. S1 then stated "actually the first two times were to the body and the third time was to the face." S1 was unsure of exactly where he was hit. S1 explained after being hit he punched V1 in the face. S1 said C1 then began to punch and beat him to the ground. S1 was unable to provide further information.

Based on all parties' statements and my investigation I determined S1 to be in violation of F.S.S.784.03 (1A1) Battery- Touch or Strike, where I then placed S1 under arrest.

S1 was then transported to the Indian River County Jail for processing and booking where he is being held on a \$500 bond.

## Arrest Affidavit Report

Case Report # 2025-00083918

## NARRATIVE

On August 8<sup>th</sup>, 2025, at approximately 1122 hours, I responded to 400 Woodland Drive in reference to a medical assist.

Upon arrival I observed several people standing around a black in color Toyota passenger car (FL tag DY60KJ). I observed a white male occupant in the driver's seat who was unconscious and unresponsive. The keys of the vehicle were on top of the roof just above the driver's head within his grasp / reach. After several sternum rubs, the driver was observed to be breathing but was still unresponsive. I detected the heavy odor of an alcoholic beverage emanating from the driver's facial area. I observed a partially full Skol brand Vodka bottle wedged between the driver's right leg and the center console when I attempted to obtain a pulse. Rescue 1B arrived on scene and began to treat the driver. The driver was later identified as James Webb by his Florida ID card.

Witness Richard Mackowski initially observed Webb in the vehicle and thought he was looking at his phone. Mackowski then returned to the vehicle and observed Webb unresponsive in the driver's seat. Witness Holly White observed Webb in the driver's seat unresponsive [REDACTED]. Witness Scott Knauer observed the vehicle running with the keys in the ignition and the driver's door open. Knauer removed the keys, placed them on the roof and observed the same vodka bottle. The witnesses observed no other occupants in the vehicle.

I followed Rescue 1B to the hospital and rendezvoused with Webb in room 3. Webb still appeared impaired as he was slurring his words and I still detected the odor of an alcoholic beverage. At this point Webb still had an IV and numerous medical devices attached. Webb agreed to participate in the horizontal gaze nystagmus exercise while he was supine in the hospital bed. Dr. Jairo Ulloa entered the room and I exited, standing outside in the hallway near the room. Dr. Ulloa advised me that Webb was going to be immediately discharged, to which he was. I again asked Webb if he would participate in field sobriety exercises. Webb initially refused and was advised of his Taylor warning. Webb then agreed to participate.

I asked Webb a series of medical questions to ensure he could participate in field sobriety exercises. Webb stated that he [REDACTED], was not currently sick or injured, did not have epilepsy or diabetes. Webb mentioned he had a head injury a year ago from a car crash but did not suffer any effects to his eyes as a result. Webb does wear glasses.

All field sobriety exercises were explained and demonstrated proficiently prior to Webb beginning each exercise and I confirmed he understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - Webb removed his glasses. No resting nystagmus was observed. Both pupils appeared equal in size. Both eyes initially tracked equally but Webb would not follow the stimulus. Webb continued to not follow the stimulus as instructed and I was unable to observe a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation or an onset of nystagmus prior to 45 degrees. Vertical gaze nystagmus was not observed due to Webb not following the stimulus. I observed a 3" vertical and horizontal sway emanating from Webb as he stood. I continued to detect a strong odor of an alcoholic beverage emanating from Webb's facial area as I stood near him.
- 2.) WALK AND TURN - A straight line of duct tape was used for the exercise. When asked, Webb agreed with me that

the line was straight and flat. Webb was unable to follow instructions on the exercise, starting numerous times before he was instructed to start. Webb then stated he couldn't do the exercise because he was drunk.

3.) ONE LEG STAND - Webb was unable to complete the exercise and advised me to take him to jail.

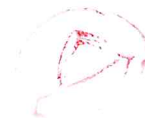

Overall, Webb performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on August 8<sup>th</sup>, 2025, James Webb was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond his normal faculties, incapable of operating a vehicle safely. Webb was arrested for DUI at 1255 hours and was advised of the charge. I took Webb into custody without incident and transported him to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff B. Rudolph advised me that Webb agreed to provide a breath sample. At the conclusion of the test, the breath sample showed Webb had a breath alcohol concentration (BrAC) of .191 grams per 210 liters of breath and .201 grams per 210 liters of breath.

Based upon my investigation, I charged Webb with the following:

F.S.S. 316.193(4) – DUI .15 or above

## Arrest Affidavit Report

Case Report # 2025-00084091

### NARRATIVE

On Friday, August 8, 2025, at 1913 hours, I conducted a traffic stop at the 9900 Block of US Highway 1 on a black Ford F150 bearing Florida tag KPCA16.

Prior to the traffic stop, I observed several vehicles traveling South bound on US Highway 1, slowing down. The vehicles slowing down were traveling in the right lane. The vehicles after slowing down turned on their turn signal and merge into the left lane. Once all the vehicles merged into the left lane, I was able to observed the black Ford F150 traveling in the right lane with it's hazard lights on. I got behind the vehicle and was able to determine the vehicle was traveling at much lower speed then the one indicated of 55MPH in that area.

I proceeded to conducted the traffic stop. I approached the driver and sole occupant of the vehicle. The male identified himself as Samuel Gabriel Lopez. I asked Lopez for his driver's license to which he replied he did not have it. I asked him to clarify if he did not have one or if he did not have it on his person. Lopez replied he did not have a driver's license. I checked his registration and insurance which were both in order. I checked Lopez's driver license status via dispatch. I was informed he had a valid ID card in the State of Florida.

I did a further check in DAVID and discovered, Lopez had been charged with driving while license cancel/revoked/suspended on January 14, 2025, in Brevard County under citation number AKEF40E. On DAVID, it shows Lopez was adjudicated guilty of the charge on February 10, 2025.

Lopez was placed under arrest for Driving while license cancel/revoked/suspended subsequent offense and transported to Indian River County Jail.

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00084102****NARRATIVE**

On Friday, August 8th, 2025 at 1947 hours, I responded to [REDACTED] in reference to a domestic disturbance. Prior to arrival, Public Safety Dispatch advised the victim, identified as Heather Llewellyn, stated she had just been struck in the face with a milk crate by her boyfriend, identified as Lane Ward, and was bleeding severely from her head.

Upon arrival, I made contact with Llewellyn, who I observed in a distraught state of being and bleeding from her forehead. Llewellyn stated she had gotten into a verbal argument with Ward in regards to her suspicion of him cheating on her. Llewellyn stated she observed text messages on Wards phone that showed he was contacting his ex-girlfriend. Llewellyn stated Ward became very upset throughout the conversation and began to throw a chair at her. Llewellyn stated Ward then picked up a milk crate and hit her in the head with it. Llewellyn continued to state Ward left [REDACTED] briefly and came back inside when he overheard she was going to call Law Enforcement. Llewellyn advised Ward began to grab her arms in the attempt to grab the phone from her as she called Law Enforcement and stated he would kill her if she continued to call Law Enforcement. Ward then proceeded to flee the scene. Llewellyn stated Ward was last seen wearing an orange t-shirt and blue jeans.

Throughout my intereaction with Llwellyn, I observed her to have bruises on both of her lower forearms, which were consistent with her statements. I further observed Llwellyn to have an open laceration on her forehead. Llwellyn informed me [REDACTED] and dating Ward for the past nine months. Llwellyn stated the couple also share an intimate relationship. Llwellyn provided me with a verbal sworn statement.

I then made contact with the property owner, identified as Crystal Morris. Morris provided me with video camera footage outside of the [REDACTED]. Through the video camera footage, I was able to overhear Llwellyn screaming for help. I then observed Ward leave [REDACTED].

K9 Deputy Mckay then advised he located Ward at 634 28th Avenue Southwest, where he was then placed in handcuffs.

I then made contact with Ward and advised him of his Miranda warnings, in which he acknowledged and continued to speak with me. Post Miranda, Ward stated he was involved in a verbal argument with Llwellyn due to accusations of cheating. Ward stated Llwellyn began to arm herself with a knife and threatened to stab him with the knife. Ward denied placing his hands on Llwellyn and stated he did not attempt to take her phone away as she called Law Enforcement. It should be noted that Ward did not sustain any injuries from this incident.

Due to the above-mentioned, I criminally charged Ward with the following charges:

F.S.S 784.045 Aggravated Battery

F.S.S 914.22.1e Hinder communication to 911

Ward was transported to the Indian River County Jail without further incident

AGENCY CASE #: 25-1410

REPORT DATE: 08/08/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 08/08/2025, at 20:46 (Specifically include facts constituting cause for arrest.)

On August 8th, 2025, at approximately 2020 hours, I was stationary at the intersection of Indian River Drive and Sebastian Boulevard stopped at the red light. The red light I was stopped for turned green, and I had a clear view of the traffic light for southbound US Highway 1 traffic. I could clearly see the light cycle for southbound traffic, to which I observed a 2020 white Jeep Gladiator fail to come to a stop for the red light. The light was completely red when the vehicle traveled through the intersection. Due to this, I conducted a traffic stop on the vehicle in the 800 block of US Highway 1.

Contact was made with the driver and passenger of the vehicle. The driver was identified by his Florida Driver's License as John Booth. I asked John if he knew the reason for the stop, to which he stated he failed to stop for the red light at the intersection of US Highway 1 and Sebastian Boulevard. When asked why, John stated he misjudged whether or not he would make it through before the red light. While speaking with John, I detected the odor of an alcoholic beverage emanating from the vehicle. I also observed John's speech to be slowed along with all of his movements. I also observed John's eyes to be watery glossy. John stated he was coming from a theatre in Vero Beach and only had one alcoholic beverage while there. Based on these observations, John was asked to step out of the vehicle.

It should be noted, John advised me he was armed with a handgun on his hip. For officer safety reasons, the handgun was removed from John's hip. While John was exiting the vehicle, I observed him to be unsteady on his feet and I had to physically direct him against his vehicle in order to remove the firearm from his hip. Once the firearm was removed from John's hip, he was instructed to stand by in the front of my vehicle.

John and I moved into the parking lot of 825 US Highway 1, away from traffic in order to conduct field sobriety exercises safely. I explained to John that based on my observations while speaking with him as well as him failing to judge the red light causing him to drive through it, I wished to perform a series of field sobriety exercises. John agreed to participate in the exercises. It should be noted, while speaking to John outside of his vehicle I could still detect the odor of an alcoholic beverage emanating from him as he spoke.

The first exercise conducted was the Horizontal Gaze Nystagmus exercise. Prior to the exercise beginning, I asked John if he wore glasses or contacts to which he stated he did not. I also asked John if he was diabetic to which he stated he was not. I asked John if he had any injuries to his head that I needed to be aware of as well, to which he stated he did not. During the course of the exercise, I observed the following: John was unable to stay still while following the stimulus; I observed his body to constantly be swaying. John did not have equal tracking in his eyes. John also had lack of smooth pursuit in both eyes while attempting to follow the stimulus. John was unable to completely follow my stimulus. John had to be reminded to follow the stimulus and to not move his head during the course of the exercise. John stated at one point during the exercise that he "lost the pen," referring to the stimulus.

The next exercise performed was the Walk and Turn exercise. Prior to beginning the exercise, I asked John if he had any mobility issues that would prevent him from being able to walk or turn to which he stated he did not. I also asked John if the line on the ground appeared to be a straight line to which he stated it did. John was then given the instructions for the starting position. John got into the starting position and was initially unable to stay in the position, however was able to stand after correcting himself. John was then verbally given the instructions for the exercise and then a demonstration of the exercise was also given. John stated he understood the instructions and did not wish for me to re-explain or re-demonstrate the exercise. During the exercise I observed the following: John did not touch heel to toe when taking his steps. John stepped off the line and made an improper at the end of the exercise.

The final exercise performed was the One Leg Stand exercise. John was again asked if he had physical limitations that would prevent him from performing this exercise to which he stated he did not. The exercise was explained and demonstrated to John. I asked John if he wished for me to redemonstrate or re-explain the exercise to which he stated he did not. I then instructed John to begin the exercise. Upon John beginning the exercise, he completely lifted his right foot off the ground rather than six inches off the ground as instructed and demonstrated to do so. John put his foot down and his arms back down after lifting them up, and requested that I re-explain the instructions for the exercise. The instructions were then re-explained to John and he restarted the exercise. During this exercise, I observed John to sway heavily while balancing, use his arms to balance and put his foot down.

Based on my observations while speaking with John at his vehicle and outside of his vehicle, which were his watery glossy eyes and the odor of an alcoholic beverage emanating from him as he spoke, as well as John's performance during the series of field sobriety exercises which he agreed to perform and understood, I determined John's normal faculties were impaired and therefore placed him under arrest for violation of FSS 316.193(1) DRIVING UNDER THE INFLUENCE.

John was transported to the Indian River County Jail without incident. While at the jail, Deputy Rodriguez of the Indian River County Sheriff's Office requested John submitted a lawful sample of his breath. Upon doing so, John agreed and the following were the results: .060 and .061.

**MARSY'S LAW?****ORIGINAL****AGENCY CASE #: 2025001512****REPORT DATE: 08/08/2025****TYPE: ARREST AFFIDAVIT**

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
On **08/08/2025**, at **20:39** (Specifically include facts constituting cause for arrest.)

**PROBABLE CAUSE STATEMENT**

On 08/08/25, at approximately 2033 hrs., I, Officer S. Gonzalez (471), along with Corporal O. Dominguez (498) and Officer P. Wickert (436), responded to a disturbance at the Rowdy Rooster, located at 1103 21st Street in Vero Beach, Indian River County, Florida.

While en route, dispatch further advised that the suspect was a brunette, white female wearing glasses, shorts, and a tan blouse, and was carrying a brown purse/bag and had been ejected from the Rowdy Rooster. She was reportedly caused a disturbance in the establishment and was escorted out into the parking lot where she then struck a vehicle. We received further information that the suspect had subsequently entered Rosie's Bar.

Upon arrival, I spoke with Alejandro, a security officer for the Rowdy Rooster, who reiterated that the suspect was highly intoxicated and had been causing a disturbance inside the establishment. Consequently, she was escorted to the parking lot. Once outside, she struck a vehicle, continued across the parking lot, and entered Rosie's Bar.

Based on this information, Corporal Dominguez and I entered Rosie's Bar and located the suspect. Bar staff immediately requested that we remove her for being unruly, which we did.

Upon observing the suspect, later identified as Amber Michele Zeman via her Florida Driver's License, I noted several signs of extreme intoxication consistent with my training and experience. She was very unsteady on her feet, her speech was slurred, and she appeared disoriented. I also detected a strong odor of alcoholic beverages emanating from her person and breath and she seemed unable to regulate her emotions, exhibiting erratic and unstable behavior.

I provided dispatch with Ms. Zeman's license information for a wants and warrants check. While awaiting the results, an Uber driver dropping off a customer offered to transport her home. After the check returned negative, I assisted Ms. Zeman into the Uber.

However, the Uber traveled approximately fifteen feet before stopping. The driver then requested that Ms. Zeman be removed from the vehicle due to her inability to pay for the ride and her unruly behavior.

I then assisted Ms. Zeman out of the Uber and guided her to my patrol vehicle, where I instructed her to sit on the ground. While she was seated, I attempted to obtain her address and a contact number for someone to pick her up. During this time, a bystander offered assistance. Despite my repeated attempts to gather the requested information, Ms. Zeman became increasingly agitated and loud.

Ms. Zeman then stood up and advanced toward me in what I perceived as an aggressive manner. This necessitated me stiff-arming her to maintain distance. At this point, with the assistance of Corporal Dominguez, I took Ms. Zeman into custody and placed her under arrest, informing her accordingly.

While attempting to escort Ms. Zeman to my patrol car, she went limp and dropped to the ground, becoming completely uncooperative. Both Officer Wickert and Corporal Dominguez were needed to load her into my patrol vehicle.

The foregoing occurred within the City of Vero Beach, Indian River County, Florida.

En route to the jail, Ms. Zeman began demanding my name. After I informed her it would be on her copy of the arrest affidavit, she started spitting on the patrol car's divider demanding that I tell her my name and calling me a racist. She remained completely unhinged throughout the transport, swearing and speaking in unintelligible tangents.

Upon arrival at the jail's sally port, Ms. Zeman attempted to manipulate her handcuffs under her legs by lying on her back. When I instructed her to stop, she began kicking the door window, causing it to visibly bow. I immediately exited my vehicle and removed Ms. Zeman from the back seat. She was extremely uncooperative and again dropped to the ground as I removed her, remaining prone as corrections staff responded.

As corrections staff attempted to gain control, Ms. Zeman resisted and spat at them, necessitating the application of a spit hood and placement in a restraint chair. At this point, she was completely out of control and was subsequently placed in an isolation cell.

During the inventory of Ms. Zeman's personal property from her purse, I discovered a small, clear plastic baggie containing a white powdery substance, which, based on my training and experience, I suspected to be cocaine. Additionally, I located a small, heart-shaped tin containing what I recognized as "Magic Mushrooms," also known as Psilocybin. I also found an amount of medical marijuana in a dispensary container, along with Ms. Zeman's medical marijuana card in her wallet.

I performed a Scott Reagent field test on the white powdery substance, which yielded a presumptive positive result for

AGENCY CASE #: 2025001513

REPORT DATE: 08/09/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **08/08/2025**, at **22:12** (Specifically include facts constituting cause for arrest.)

On 08/08/2025, at approximately 22:12 hours, I was dispatched to a traffic accident that occurred in the 3600 block of 16th Street. I arrived on scene and began to investigate the crash, which involved two vehicles. I first spoke to the two front occupants of V2. The occupants of V2 claimed that the driver of V1 had swerved into their lane, causing V2 to take an evasive maneuver. The evasive maneuver was not successful, and the occupants of V2 advised that V1 collided into the side of their vehicle. The occupants of V2 further advised me that they were traveling eastbound on 16th Street, and V1 was traveling westbound on 16th street when this accident occurred. I was able to assess the scene, and I noticed that the damage to the vehicles, the positioning of the vehicles, as well as the markings on the roadway, were all consistent with the account provided to me by the occupants of V2.

I then went to speak with the driver of V1, who I was able to identify as the defendant, Deborah Fong, by her Florida Driver's License. When I first approached Mrs. Fong, I observed that she was unsteady on her feet as she was retrieving items out of her vehicle, a grey Lincoln Utility (FL tag #11FCWE). I immediately noticed that Mrs. Fong's eyes were very glassy, and I could also smell a moderate odor of an alcoholic beverage emanating from her person while I spoke with her. At the time of my contact with Mrs. Fong, Mrs. Fong possessed the key fob to the Lincoln vehicle (which is registered to her). I began to interview Mrs. Fong to try to obtain her account of what occurred. Mrs. Fong admitted to me that she was operating the vehicle westbound on 16th Street when this accident occurred. When I tried to ask Mrs. Fong what caused the accident, Mrs. Fong told me that she had no clue, and she was unable to provide me with any explanatory details. Through further questioning, Mrs. Fong told me that she was attempting to return to her residence after leaving Filthy's Fine Cocktails & Beer. Mrs. Fong admitted that she consumed alcoholic beverages while at Filthy's, and she estimated to have consumed three bottles of Stella Artois beers.

Based on my observations, as well as the circumstances surrounding the accident, I had concerns that Mrs. Fong was impaired. I subsequently asked Mrs. Fong to perform a series of standardized field sobriety exercises to determine if she was able to safely operate a motor vehicle. Mrs. Fong was cooperative and advised that she would perform the exercises. I then explained and demonstrated each exercise individually before having Mrs. Fong perform them. I additionally had Mrs. Fong acknowledge that she understood each exercise before having her perform them. I observed the following:

#### Horizontal Gaze Nystagmus:

Mrs. Fong advised that she did not have any injuries or disabilities that would limit or hinder her. Mrs. Fong advised that she was wearing contacts, and that she wears the contacts for reading closely.

- Resting nystagmus was not present and Mrs. Fong's pupils were equal in size.
- I did observe the lack of smooth pursuit in both eyes. Notably, there was a significant delay in tracking displayed in both of Mrs. Fong's eyes.
- Distinct and sustained nystagmus at maximum deviation was observed in both eyes.
- I observed the onset of nystagmus prior to 45 degrees in both eyes.

#### Walk and Turn:

Mrs. Fong was wearing high heeled shoes and I offered her the opportunity to remove the shoes to perform the exercises. Mrs. Fong removed her shoes and agreed to perform the remaining exercises barefoot.

- Mrs. Fong struggled to maintain the starting position and would lose her balance.
- Mrs. Fong did not manage to touch her heel to her toes on almost all her steps.
- Mrs. Fong stepped off the line multiple times during the walk and turn.
- Mrs. Fong conducted 9 steps forward, asked for verification to turn on the ninth step, and conducted a proper turn.
- On the returning 9 steps, Mrs. Fong did not manage to touch her heel to her toes on almost all her steps.
- Mrs. Fong used her arms for balance during the exercise.

#### One Leg Stand:

- Mrs. Fong struggled to maintain her balance in the starting position. While providing her with the initial instructions, Mrs. Fong almost fell over entirely.
- Mrs. Fong struggled to maintain her balance while performing the exercise.
- Mrs. Fong used her arms for balance during portions of the exercise.
- Mrs. Fong lost her balance and placed her foot down on the ground multiple times. After placing her foot down, she would attempt to resume the position but failed to maintain the count out loud.

The entirety of these exercises were captured on my body worn camera.

At this time, based on the totality of my observations, I placed Mrs. Fong under arrest at 22:45 hours for driving under the influence of alcohol. I first transported Mrs. Fong to the Indian River Cleveland Clinic Hospital to obtain a medical clearance. Once cleared, I subsequently transported Mrs. Fong to the Indian River County Jail at 23:34 hours. While at the jail, I

## Arrest Affidavit Report

Case Report # 2025-00084165

### NARRATIVE

On Saturday, August 9th, 2025 at 0057 hours, I responded to [REDACTED] in reference to a domestic disturbance. Prior to arrival, Public Safety Dispatch advised the complainant, identified as Steven Pittman, stated he overheard his neighbors arguing from his backyard.

Upon arrival, I made contact with Pittman who directed me and Deputy Ciofalo to [REDACTED]

Upon approach, I overheard a male and a female verbally arguing. I made contact with the female, who was identified as Leah Meacham. Meacham stated she was in a verbal argument with her husband, identified as Johnny Peacock. Meacham stated Peacock had been heavily drinking throughout the evening and was being verbally abusive. Meacham stated Peacock began to get in her face and proceeded to push her down to the ground with both of his hands. Meacham stated she has been married to Peacock for nine months and have been [REDACTED]. The couple share an intimate relationship. Meacham provided me with a verbal sworn statement.

After speaking with Meacham, I made contact with a witness, identified as Anne Haroy. Haroy stated she observed Peacock get in Meachams face and push her with both of his hands. Haroy provided me with a verbal sworn statement.

I then made contact with Peacock and placed him in handcuffs. I then placed Peacock in the back of my marked patrol vehicle. I advised Peacock of his Miranda warnings, in which he acknowledged and continued to speak with me. Post Miranda, Peacock denied placing his hands on her however he acknowledged that it was a possibility because of how much he had been drinking and forgot what had happened.

Due to the above mentioned, I criminally charged Peacock with the following charges:

F.S.S 784.03 Battery

Peacock was transported to the Indian River County Jail without further incident

Arrest Affidavit Report

Case Report # 2025-00084166

NARRATIVE

On August 9<sup>th</sup>, 2025, at 0108 hours, I, Deputy J. Crawford 6196, responded to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with Kelli and Keith Kozak who live at 195 23<sup>rd</sup> Ave. Kelli advised [REDACTED] as she saw a domestic disturbance through the window that was occurring at her next door neighbor's house located [REDACTED] Kelli then heard a female outside yelling for help which prompted her husband, Keith, to go outside and help the female.

Keith stated he exited his residence as he heard the female screaming for help. Keith demonstrated what he saw in the front yard which included Keith motioning a man on top of the woman with his fist raised and other arm holding her down.

Kelli showed me her house cameras to which I heard the screams of a female which was later determined to be Brooke Frost, the female party involved. Brooke yells multiple times in the video including yelling to let her go and screaming to "call 911 he's beating my ass".

Brooke stated that herself and her boyfriend, Parker Harris, got into an argument which prompted her to wanting to leave the residence.

Brooke advised that the two had been [REDACTED] The two have been dating and having sexual intercourse for approximately six months, resulting in the situation to be classified as domestic violence.

Brooke stated that Parker took her phone from her and was refusing to give it back. Brooke told Parker that she wanted the phone to call 911. Brooke proceeded to gather her belongings including her purse and bag to leave for the night and to [REDACTED] from the neighbor's house.

Brooke stated that when she left the residence, Parker started to grab her purse from her. The purse was strapped across her body as Brooke attempted to hang onto her purse. The altercation lead to Parker getting on top of Frost and punching her in the back of the head. As Brooke tried to flee to the neighbor's house, Parker tried to grab Brooke, scratching her upper back and on the back of the shoulders.

Brooke stated that while the physical altercation occurred outside, she yelled out to call 911 again.

In all, Brooke had scratches to both of her legs, scratches on her upper back/shoulder, a cut to her collarbone, and a bump on the back of her head to which I observed.

Parker was read his Miranda Rights from my agency issued card to which he stated he acknowledge each right I read to him.

Parker stated that the disturbance started as he noticed his possessions going missing and expected Brooke of stealing from him.

Parker confronted Brooke about stealing his belongings. Parker started to go through her purse which he claimed to see his vape in her purse. Brooke then took her purse and exited the residence as Parker followed her. Parker admitted to

forcefully pulling the purse off Brooke which he agreed that she could have been cut from the forceful pull leading to explain the cut on her collar bone.

Parker also admitted that Brooke got the markings on her legs from the concrete in the driveway from the altercation. Parker acknowledged that Brooke was yelling to call 911. Parker gained possession of Brooke's purse and brought it back into the house which was inside as I arrived on scene.

Parker denied hindering Brooke's attempts to call 911 as Parker claimed he never restricted Brooke from calling 911 before the altercation. Parker advised that they share the phone as Parker pays the bill for it and uses it partially with Brooke using the phone mainly.

Parker was taken into custody and transported to the Indian River County Jail without further incident.

Parker was charged with Battery (Domestic Violence) and Robbery by Sudden Snatching Without Weapon for Brooke's purse.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave  
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00084203****NARRATIVE**

On August 9, 2025, at approximately 0324 hours, I was responding to [REDACTED] in reference to a disturbance.

Prior to my arrival, Indian River County Sheriff's Dispatch informed me that the caller was punched in the face, and the suspect was leaving the scene in a white SUV.

As I turned onto 31<sup>st</sup> Avenue, I proceeded south and observed a white SUV passing me north bound, the SUV made a right hand turn onto 44<sup>th</sup> Lane. I made a U-turn and activated my emergency lights to initiate a traffic stop on the white KIA SUV bearing Florida temporary tag DWP0717. The white KIA pulled into 3060 44<sup>th</sup> Lane, Vero Beach, Florida.

As I pulled behind the vehicle, a black female, later identified as Lakiesha Anderson was exiting the driver's side and walking towards the residence. I made contact with Lakiesha at the front door of the residence, where she was knocking on the door. I asked Lakiesha to step off the front porch several times and come talk to me. When Lakiesha ignored my commands and continued knocking on the front door, I informed her if she did not come down off the front porch, I was going to arrest her.

An individual from inside the residence opened the front door and Lakiesha pushed passed him and ran inside. I informed Corporal Hatton, who was arriving on scene to watch the front door. I ran around back to make sure Lakiesha did not exit a rear door. When I discovered there were no rear doors, I walked around front. Corporal Hatton and I knocked on the front door, and were let inside by one of the individuals who lived at the residence. We asked where Lakiesha was and everyone played stupid. I requested if I could look for her and was granted permission. I searched the first room and was met with negative results. Corporal Hatton informed me, he observed her in the bathroom. I entered into the bathroom and took Lakiesha into custody.

As we walked outside, the victim, Tiffany Adair arrived on scene and identified Lakiesha as the individual who struck her. I placed Lakiesha in the rear of my patrol car.

I made contact with Tiffany and asked her what occurred, Tiffany advised Lakiesha punched her twice, once in the mouth and once in the side of the head. Tiffany opened her mouth, which was bleeding, and I observed a cut inside her mouth next to her right K9 tooth. On the right side of Tiffany's face was a knot, which was consistent with being punched in the face. The cut on the inside of Tiffany's mouth was quite deep and would probably require stitches, but she declined EMS.

As I was talking to Tiffany, Richard McNeal arrived on scene. Tiffany advised Richard witnessed the incident. I asked Richard to explain what happened. Richard said Tiffany and him were out front listening to music, when Lakiesha arrived and walked over and reached around him and punched Tiffany. Richard said, he tried to get in front of Lakiesha to separate her, but she reached around him and struck Tiffany again. Richard's statement was consistent with Tiffany's injuries.

The white KIA that Lakiesha was driving was towed from the scene, due to Deputies not being able to make contact with the registered owner.

On September 9, 2020, Tiffany's Florida Driver's license was revoked for 60 months, and she was labeled a habitual traffic offender. On October 27, 2021, Tiffany was issued a Florida Identification Card. Based on this information she was charged accordingly.

Case Report # 2025-00084362

NARRATIVE

On Saturday, August 9<sup>th</sup>, 2025, at approximately 1442 hours, Corporal Barkwell and I responded to 11000 Highway A1A, in reference to an auto accident.

Upon arrival, I observed a black Chevrolet truck bearing FL tag: B0ATG0D, towing an ATV parked on the side of the road. After multiple attempts at knocking on the window, the driver, Craig Sanders, opened the door. When the door opened, I immediately smelled the burnt odor of marijuana emitting from the vehicle. Sanders appeared to be lethargic, and his face flush, with bloodshot eyes, despite the vehicle being on with the A/C running. I asked if he was ok, and he said "yeah, still shaken up". I asked Sanders for his license, registration and proof of insurance. I left Corporal Barkwell with Sanders, while Sanders was getting the information, to ensure the occupants of the blue Honda Pilot were ok. During that time, Corporal Barkwell stated Sanders had difficulty accessing his phone to get the insurance information. Sanders provided me with his driver's license. I asked Sanders for his registration in which he searched multiple places before providing it. Sanders was then told to turn his vehicle off and to step outside of the vehicle to stand on the sidewalk. While speaking to Sanders, I observed his speech to be slow, slurred and occasionally incoherent. There was also a large urine stain on the front of his pants.

Deputy Newman arrived on scene and completed the crash investigation. I then initiated a criminal investigation into DUI. While speaking to Sanders, I advised him of his Miranda rights. He stated he understood his rights and proceeded to answer my questions. Sanders stated he had not consumed alcoholic beverages or narcotics today. He last drank alcohol and smoked marijuana last night. He advised he had a medical marijuana card. During the interview, Sanders had difficulty keeping his eyes open and had a slight sway. At this point, Sanders was asked to complete field sobriety exercises. He was asked if there were any medical issues preventing him from completing the field sobriety exercises, which he said no.

The following standardized field sobriety exercises were conducted by Corporal Barkwell:

- 1) Walk and Turn (Divided Attention Exercise): After explaining the stance that the suspect was required to stand in, Corporal Barkwell asked if he understood, he advised he did. The suspect did not start prior to being instructed to, however, failed to follow the instructions with keeping his left foot planted behind the right, with his hands at his sides. After explaining the exercise, the suspect advised he did understand. The suspect did not count his steps out loud, then walked 10 down, and 9 out of 9 steps back. He did not have to stop or pause to steady themselves and did not lose balance or step off the line. He did not fail to walk heel to toe and did not use their arms for balance. The suspect did execute an incorrect turn. Corporal Barkwell had Sanders repeat the Walk and Turn. He counted his steps out loud but walked 10 steps down, executed an incorrect turn, and walked 10 steps back.
- 2) One Leg Stand (Divided Attention Exercise): After explaining the exercise to the suspect, he advised he did understand the instruction. The suspect did not sway while balancing and did not use their arms for balance. He did not shuffle or hop on their base foot. The suspect counted to ten and stopped. Sanders attempted the exercise again. During the exercise, his heel was partially resting on the ground, and he swayed when he reached twenty-

one thousand.

3) The Finger To Nose Evaluation (Divided Attention Exercise): After explaining the exercise to the suspect he advised he understood the instruction. While completing this exercise, the suspect's eyes did remain closed but his head was not tilted back. He did not sway back and forth or side to side. The suspect did fail to return their arm to the down position. The suspect's finger did touch something other than the tip of the nose. The suspect did hesitate finger placement and did not attempt to, or use the wrong hand.

Based on the aforementioned, I had probable cause to believe that Sanders was driving or in actual physical control of a vehicle within this state; and under the influence of alcoholic beverages, a chemical substance set forth in FSS 877.111, or a substance controlled under Chapter 893, which effected Sanders to the extent that his normal faculties were impaired.

Sanders was arrested and transported to Indian River County Jail for booking, where he was turned over to Corrections Deputies. He was then asked to perform the physical performance exercises again in which he stated yes. He advised he was in an accident on June 12, 2025 in which he herniated 13 discs.

I conducted the following standardized field sobriety exercises:

- 1) One Leg Stand (Divided Attention Exercise): After explaining the exercise to the suspect he advised they did understand the instruction. The suspect did sway while balancing and did not use their arms for balance. He did not shuffle or hop on their base foot. The suspect did put foot down before 30 seconds.
- 2) Walk and Turn (Divided Attention Exercise): After explaining the stance that the suspect was required to stand in, I asked if he understood, he advised he did. The suspect did not start prior to being instructed to but was unable to balance while listening to instructions. After explaining the exercise, the suspect advised he did understand. The suspect did go past 9 steps, stepped off the line and executed an improper turn.
- 3) The Finger To Nose Evaluation (Divided Attention Exercise): After explaining the exercise to the suspect he advised they understood the instruction. While completing this exercise, the suspect's eyes did remain closed but his head was not tilted back. They did not sway back and forth or side to side. The suspect did fail to return their arm to the down position. The suspect's finger did touch something other than the tip of the nose. The suspect did hesitate

finger placement and did not attempt to, or use the wrong hand.

Corrections Deputy Grandy requested Sanders submit to a chemical test of his breath in order to determine the presence of alcohol or controlled substances. Sanders did submit to this test.

Two independent samples of breath were collected by Corrections Deputy Grandy both of which were .000.

Due to the suspect providing two breath samples of .000, I requested Deputy James Ooley who is a certified Drug Recognition Expert to respond to the jail. Once at the jail, Deputy asked the suspect to participate in a Drug Influence Evaluation which he complied. Upon completion of the evaluation, Deputy Ooley advised me that the suspect is "under the influence of a CNS Stimulant and Cannabis and is unable to operate a motor vehicle safely."

Due to the totality of the circumstances, I believed Sanders violated F.S.S. 316.193(3)(C)(1) DUI – PROPERTY DAMAGE/PERSONAL INJURY

This incident was recorded on my Axon agency-issued body worn camera.

This case is CLEARED BY ARREST CLOSED.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On \_\_\_\_\_, at \_\_\_\_\_ (Specifically include facts constituting cause for arrest.)

On August 9th, 2025, at approximately 2015 hours, I was dispatched to \_\_\_\_\_ in reference to a disturbance.

Upon arrival, I made contact with the complainant at the end of her driveway, identified as Michelle Woods by her Florida Driver's License who stated the following:

Michelle stated her and her husband were both drinking alcoholic beverages throughout the day and arguing verbally. Michelle's husband is Mark Woods, identified by his Florida Driver's License. When her husband came home from hanging out with his friend, Mark went into their bed. When Michelle tried to get into the bed with Mark, Mark kicked Michelle out of the bed, causing her to fall to the ground on her injured foot. Michelle appeared to have a cast or brace on her foot due to a past injury. Michelle stated she had approximately nine alcoholic beverages throughout the day. Michelle stated Mark has hit her before and she is afraid to be in the home with him. Michelle declined EMS and no visible injuries from the incident were seen on her person. Michelle stated she was not feeling any injury and declined medical services multiple times. Michelle stated her and Mark have been married several years and \_\_\_\_\_

While Officer's spoke to Mark regarding the incident, he stated the following:

Mark stated Michelle and him were arguing throughout the day and they were both intoxicated and Michelle came into the bedroom after throwing things around the house and slamming doors. Mark stated he did use his foot to kick Michelle out of their bed after she attempted to get into bed with him. Mark stated he does not lie and was cooperative throughout the incident. Mark did appear intoxicated and smelled of alcoholic beverages but uncertain of how many he consumed.

Mark was placed into handcuffs and transported to Indian River County Jail for battery domestic violence (FSS 784.03 (1A1). A domestic violence packet was completed on scene and provided to the victim Michelle Woods. See Cpl. Singh supplement report for further.

This incident is cleared by arrest.

## Arrest Affidavit Report

Case Report # 2025-00084486

## NARRATIVE

On Saturday, August 9<sup>th</sup>, 2025, at approximately 2245 hours, I observed a black male riding a bicycle southbound in the 4600 block of 33<sup>rd</sup> Avenue. The bicycle had a blue rear light instead of a red light and was riding on the side of the road against the flow of traffic, which is incorrect for bicycle traffic.

I activated my red and blue lights and stopped the male, identified as Jay Williams Jr. As I began to speak to Jay, I could see him appearing to manipulate something near his right front pocket. Immediately after and in plain-view, I could see a glass pipe with bronze Chore Boy at the end of it sticking out of his front right pocket area. I immediately was able to identify the pipe as a device used to ingest illegal drugs, specifically Crack Cocaine. Jay was detained in handcuffs based on the presence of drug paraphernalia and a further search did not reveal any other contraband.

After a further inspection of the pipe, I could see residue on the inside of it indicating it was previously used. Post Miranda, Jay did not want to answer and questions.

I found probable cause to charge Jay with violation of F.S. 893.147.1B Possession of Drug Paraphernalia and transported him to the Indian River County Jail.

The preceding is true to the best of my knowledge or belief

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **08/09/2025**, at **22:55** (Specifically include facts constituting cause for arrest.)

On 08/09/2025, at approximately 22:55 hours, I conducted a traffic stop on a reckless driver in the 1400 block of Old Dixie Highway (reference VBPB case #2025001519). At the time of this stop there were two additional passengers inside the vehicle. During the course of this investigation, the back rear passenger (Bradley A. Matheny W/M DOB: 08/01/1991) was discovered to have a local warrant for his arrest.

An inquiry on Mr. Matheny through Vero Beach Police Dispatch revealed that he had a civil warrant for his arrest that originated out of Indian River County, FL. The warrant noted the following:

Indian River County Sheriff's Office (warrant number: 20141420FR) MISC: COC FAIL TO PAY SUPPORT BOND 1500 CASH PURGE CAN BE SERVED 7 DAYS A WEEK \*EXTRA FL ONLY\*

At 23:20 hours, a hit confirmation was received on the warrant and Mr. Matheny was subsequently placed under arrest. Mr. Matheny was then transported to the Indian River County Jail for booking and processing.

## MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 2025001519

REPORT DATE: 08/10/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
On **08/09/2025**, at **22:55** (Specifically include facts constituting cause for arrest.)

On 08/09/2025, at approximately 22:55 hours, I was patrolling near Dom's Bar (located at 1436 Old Dixie Highway). While I was in the area, I heard a vehicle begin to rev their engine loudly. I then looked over and observed that the noise was coming from a dark Toyota truck that was in the middle of both lanes on Old Dixie Highway. The truck was right next to Crest lawn Cemetery, and I witnessed the truck begin to spin out and perform circular rotations. The driver would intentionally drive the vehicle on the grass shoulder to cause the truck to lose traction, and then the driver would perform several complete rotations while veering across the grass and roadway. While doing so, the driver caused multiple drift marks along the grass shoulder adjacent to the cemetery. This display drew the attention of bystanders and prevented the normal flow of traffic on the roadway until the driver stopped.

After witnessing the violation, I exited the parking lot in my marked patrol vehicle and positioned myself directly behind the Toyota Tacoma (FL tag #QPU8R). I initiated a traffic stop for the reckless driving and the driver immediately pulled over in the 1400 block of Old Dixie Highway. I subsequently removed the driver, Austin J. Corripio, and placed him in handcuffs. Mr. Corripio was very apologetic and expressed remorse for his actions. Post-Miranda, Mr. Corripio admitted to his reckless driving, and he advised me that he performed the spins on a random urge to do so. Mr. Corripio's actions displayed willful disregard for the safety of traffic around him, as well as a blatant disregard for the city property he conducted the spins on. I advised Mr. Corripio that he was being placed under arrest for reckless driving involving minor property damage. I was later able to assess the damage, which consisted of multiple tread marks on small portions of grass. I estimated the damage to be less than \$200.00 in US currency.

At the time of this stop there were two additional passengers in the truck. The back rear passenger, Bradley A. Matheny, was discovered to have a local warrant for his arrest. An inquiry on Mr. Matheny through Vero Beach Police Dispatch revealed that he had a civil warrant for his arrest out of Indian River County, FL.

At 23:20 hours, a hit confirmation was received on the warrant and Mr. Matheny was subsequently placed under arrest (reference VBPD case #2025001520). Both Mr. Corripio and Mr. Matheny were transported to the Indian River County Jail for booking and processing.

Once at the jail, I issued Mr. Corripio FL UTC (#AL1MXJE) for the criminal violation.

## Arrest Affidavit Report

Case Report # **2025-00084601**

### NARRATIVE

On Sunday, August 10, 2025, at approximately 0803 hours, I responded to 4495 US Highway 1, Wawa, in reference to a pass occurred shoplifting involving a different case. While gathering information for another report a store employee informed Deputy Chamberlain and me of a theft in progress. The suspect was located in his vehicle, which was parked outside the store. We attempted to make contact with him; however, he proceeded to leave the location. As the vehicle departed, Deputy Chamberlain provided dispatch with the Florida tag number BH55CF, associated with a silver Honda.

Subsequently, I returned to my patrol vehicle in an effort to catch up to the suspect's vehicle. I observed it traveling southbound on US Highway 1 at a high rate of speed. The vehicle then navigated through the Citgo gas station located at 4105 US Highway 1, driving recklessly and subsequently making a northbound turn onto Old Dixie Highway. The vehicle then turned westbound onto 43rd Street, at which point I lost visual of the vehicle.

Deputy Haffield later located the suspect attempting to execute a U-turn at the intersection of 28th Avenue and 42nd Street. Upon my arrival, the vehicle tag BH55CF was confirmed as matching the information previously provided by Deputy Chamberlain.

Upon making contact with the driver, later identified as Scott L. Janovici, I informed him of the reason for the stop. He responded by stating, "I did not take a pack of air fresheners," and continued to deny any involvement in the theft from Wawa. I then returned to the Wawa to further investigate.

Upon my return, I spoke with Wawa employee Christina M. Northup, who indicated that she was processing the transaction for Scott L. Janovici at the cash register. She reported that, after paying for two different items, he exited the store, reached over with his right hand, and took a pack of Black Ice Little Trees Vent Wrap Car Freshener before leaving the premises. During the investigation, I reviewed the store's surveillance footage, which confirmed the details provided by Ms. Northup. Ms. Northup was able to positively identify Scott L. Janovici via the Axon dash camera photograph as the suspect.

I returned back to the 2800 BLK/42<sup>nd</sup> Street where the suspect was stopped, I read Mr. Janovici his Miranda rights, he assured me he understood them and agreed to speak with me on scene. Mr. Janovici, stated "I Don't steal" "What happened was, the last time I paid for it, I left it on the counter so, I was like ohh let me just grab it, you know?" Deputy Chamberlain asked Mr. Janovici where were the ones, he stole today Mr. Janovici stated "I tossed em on US 1, while I was driving".

Wawa reported the following items stolen:

Black Ice Little Trees Vent Wrap Car Freshener - \$3.99

## NARRATIVE (Continuation)

Wawa has a total loss of \$3.99

Considering all evidence presented, Scott L. Janovici temporally deprived Wawa of their property and concealed the item between his water bottle and passed all points of sale and made no attempt to pay for the item. Scott L. Janovici is in violation of Florida Statute 812.014 (3)(a) Petit theft.

AGENCY CASE #: 25-1426

REPORT DATE: 08/10/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
On **08/10/2025**, at **16:44** (Specifically include facts constituting cause for arrest.)

On Sunday, August 10, 2025, I was traveling northbound on Indian River Drive. I observed Sgt. Maison and Officer Smith struggling to detain a male, at which time I stopped out with them to assist with placing the male into handcuffs. This was in reference to case number 251425 the male was placed in the rear of my control car while officers completed their investigation of a disturbance at Earl's Hideaway 1405 in the River Dr., Sebastian, FL. The male was arrested by Officer Barton, at which time the female half of the disturbance was trespass from establishment and asked to leave several different times. The female was given several options, but was uncooperative.

The female was highly intoxicated, slurring her speech swaying, and had very watery eyes. The odor of an alcoholic beverage admitted from her breath as she spoke. The disturbance officers were originally called for and the continued actions of the female caused the bar patrons to take notice. The female continued to draw attention as she told officers to "fuck off". The female was asked to leave, contact a taxi company, friends, family, neighbors, or even get a hotel room, but refuse all of them. She stated she was going to sleep in her vehicle in the parking lot. She was informed again that she is no longer allowed on the property and need to leave. Several officers advised her of this and again, she refused and became belligerent with officers. Due to the female's level of intoxication, unwillingness to leave the property, she was placed on arrest.

The female was identified as Pamela Dollear, via her FLDL

The female was transported to the county jail without incident.

AGENCY CASE #: 25-1425 REPORT DATE: 08/10/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **08/10/2025**, at **16:03** (Specifically include facts constituting cause for arrest.)

On Sunday, August 10, 2025 at approximately 1603 hours, I responded to 1405 Indian River Dr, Sebastian, FL 32958 (Earl's Hideaway Lounge) for a disturbance.

Upon arrival, I made contact with staff who stated that they had witnessed an elderly male slap a [REDACTED] at the bar of Earl's they directed me to a subject sitting at a table in the east side of the bar. I then made contact with white male subject identified through his Florida Driver's License as Albert Henry Dollear. Albert was advised to come outside to talk, while speaking with Albert [REDACTED] approached the table and identified [REDACTED]

Albert was escorted to the outside parking lot while a second Officer stayed inside with [REDACTED] Albert was asked what had occurred inside and he stated nothing had occurred. Albert stated nothing physical occurred between him and [REDACTED]. Due to Officer safety concerns Officers conducted a pat down on Albert resulting in a Sig Sauer P365 9mm Handgun being found in his waistband.

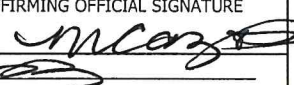

I then spoke with [REDACTED] who stated nothing happened and was uncooperative.

I then spoke with staff member Michael Rollins and management at the Earl's hideaway Lounge who provided me camera footage of the area. I observed Albert and [REDACTED] sitting at the bar having an argument. I then observed staff members approaching them and observed Albert bringing his hand back and slapping [REDACTED] on the neck.

At this time, due to finding a firearm concealed on Albert while inside a bar, observing the video footage and witnessing Albert strike [REDACTED] and a statement from an independent witness Michael Rollins I placed Albert under arrest for Domestic Violence Battery FSS 784.03(1)(A)(1) and carrying of a concealed firearm in specified areas FSS 790.06(12A).

Albert was transported to Indian River County Jail without incident.

AGENCY CASE #: 25-1427

REPORT DATE: 08/10/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law,  
On **08/10/2025** , at **22:59** (Specifically include facts constituting cause for arrest.)

On 8/10/25, at 2000 hours I responded to 1814 US 1, in reference to a disturbance.

Upon arrival, I met with Leslie who stated the following to me : Leslie was sitting at the bar and her friend James was outside. Leslie was speaking about a situation with another couple, who was across the bar. Leslie stated that she did not want a shot, when they offered, and said to them that they do not know the situation she was in, and that the male was being inappropriate. She then said that they were joking back and forth, trying to funny about the situation. At this point Brian walked up to the bar with his wife, and interrupted their conversation, being extremely rude to Leslie. Leslie told Brian to "Shut the fuck up" and continued saying insulting comments to Brian because he would not stop talking to her. Leslie then walked out of the restaurant. After coming back inside the restaurant, Leslie approached Brian with James next to her, and told Brian to state to James what he was saying to her before. Leslie stated she was called a "piece of shit". Leslie then states that Brian began speaking rudely again, then Brian got up and pushes James after Brian states that he would not repeat what he said to Leslie. Leslie stated Brian pushed James out of the door. Leslie then put herself in the middle of the fight, and she stated that Brian poured hot sauce onto James, and then pushed her in her chest. Leslie stated that she just wanted an apology for the way Brian was speaking to her.

Upon speaking with James, he stated the following: He walked into the restaurant and asked Brian to apologize to Leslie, he then got hot sauce thrown on him. Brian stated he does not know who threw hot sauce on him. James denied coming up to Brian and putting his hand on his shoulder and pulling him out of his chair. James asked Brian to come outside and talk to him and when James went outside and saw that Brian stuck his middle finger up at him through the glass door, he walked back inside. James then stated to Brian, "why don't you come do that outside?" at this point is when they began arguing and James punched Brian in his eye and in his mouth with a closed fist.

Upon speaking to Brian, he stated the following: He was talking to Leslie, telling her that she should not let people speak to her that way, when Leslie responded that it was not any of Brian's business and that he should shut his mouth. Brian responded with he was not involved and that she needed to figure out her own situation. After approximately fifteen minutes, Leslie came back in with James. Brian stated that James was accusing Brian of swearing at Leslie and that James wanted to fight Brian. Brian stated that James grabbed Brian by the shoulder and pulled him out of his chair. When Brian got out of his chair, is when James punched him in his eye with a closed fist, and then proceeded to punch Brian in his mouth with a closed fist. Brian stated everyone around them were pushing both parties away from each other and he cannot recall who threw salsa at James.

After speaking with the Bartender, Alyssa, she stated the following : She was outside, where James and Leslie walked out and she noticed that they were yelling at Brian to come outside, instigating a fight. Alyssa tried to stop the parties and separate them, but at this point James went through the door and punched Brian in the eye and in the mouth. Alyssa pushed Leslie and James out and locked the door then called law enforcement. Alyssa was an independent witness and was not related to either parties.

Due to no access to cameras in the restaurant. I will follow up with a supplement when this video becomes available. Due to the fact that Leslie is claiming she was pushed by Brian, and no witnesses attested to that claim, this investigation is on-going. Several other witnesses completed sworn statements.

Trespass warnings were issued to both Leslie and James.

## Arrest Affidavit Report

Case Report # 2025-00084804

### NARRATIVE

On Sunday, August 10<sup>th</sup>, 2025, at approximately 2214 hours, [REDACTED]  
[REDACTED] in reference to a disturbance in progress. (Statements are paraphrased)

While enroute, IRCSO Public Safety Dispatch stated it was regarding a female being aggressive.

I arrived and began to walk up to the front door, where I could hear what sounded like individuals yelling inside of the residence. At the front door, there is a window adjacent to it, where I could see the inside area. I could see a male, identified as Manuel Chavez Prado, sitting down next to the door and facing the opposite direction. I could see a sizeable amount of blood on the floor and a female, identified as Manuel's wife, Giannina Macias Arevalo, kneeling on the ground in front of Manuel. Manuel also appeared to be holding his left foot. When I began to knock on the front door, Giannina saw me and immediately ran away to a bathroom directly across the hallway and shut the door behind her. It is important to note I was at the residence earlier in the evening for a separate incident and was aware that Giannina only spoke Spanish. Manuel and Giannina's 17-year-old daughter, named Muriel Chaves Macias, opened the front door for me, where I began to speak to them.

When the door was opened, I could see Manuel's foot more clearly, where I noticed an extreme amount of fresh blood all over his left foot, the blood on the floor, and a t-shirt soaked in blood. At this point, I gathered from Manuel that Giannina attacked Muriel and him; however, when she attacked Manuel, she used a knife. Manuel's other 8-year-old daughter, Maritza Chaves Macias, was also inside of the residence. At this point, I had Manuel, Muriel, and Maritza exit the house for their safety. I was giving Giannina loud verbal commands in Spanish to communicate to her I was the Sheriff's Office and to exit the bathroom and come to me; however, she did not comply. It is important to note that the bathroom Giannina barricaded herself inside of was no more than 12 feet from me as I was shouting the commands to her to exit. She also witnessed me in a fully equipped Deputy Sheriff patrol uniform prior to her running away. Deputy Perez then arrived and took over with giving commands for her to come to us. I then walked to the exterior of the residence while Deputies Perez and Pollacek watched the front of the residence. After I walked to cover the rear of the residence, deputies entered the residence and took Giannina into custody.

During a security of sweep of the residence after Giannina was taken into custody, Deputy Pollacek observed blood on the kitchen cabinets beneath the countertop. In close proximity, Deputy Pollacek observed two knives lying on the floor.

Indian River County Fire/EMS arrived to render aid to Manuel. I began to question Manuel in the back of the ambulance about what occurred prior to my arrival and he told me Muriel and Giannina were involved in a disturbance about Giannina's infidelity towards Manuel. Due to Giannina being intoxicated and aggressive, she began to attack Muriel. Manuel intervened to protect his daughter, where Giannina began to attack him. She scratched Manuel in the front left chest and shoulder area and then proceeded to bite Manuel about a few inches from his right pectoral muscle. This occurred near the kitchen, so she immediately grabbed a large kitchen knife and stabbed Manuel on the top of his left foot through his

sandal. This caused severe bleeding and for his foot to be bandaged. Paramedics on scene told me the laceration was about an inch long. He also tracked blood after each of his steps due to the severity of the bleeding. After Giannina stabbed him with the knife, she immediately began to apologize. The scratches and biting inflicted by Giannina caused obvious markings in their respective areas consistent with his statement. Giannina and Manuel are currently married and share both Maritza and Muriel as biological children.

Deputy Perez read Giannina her Miranda Rights in Spanish, where she stated she was not willing to participate in any questioning. At the time of the arrest, Deputy Magill was authoring a search warrant to enter the residence and recover the knife involved.

Through the course of my investigation and the facts listed above, I found probable cause to charge Giannina with violation of F.S. 843.02 Resisting Arrest Without Violence, F.S. 784.03 Battery Touch or Strike, and F.S. 784.045.1A2 Aggravated Battery with a Deadly Weapon. Giannina was booked into the Indian River County Jail.

## Arrest Affidavit Report

Case Report # 2025-00084837

## NARRATIVE

On August 11<sup>th</sup>, 2025, at 0108 hours, I responded to 4495 US Highway 1, in reference to a disturbance. Upon my arrival, I made contact with the complainant, Caitlyn Brown, who advised she was just involved in a physical altercation with a male subject identified as Gregory Miller. Brown advised that she is homeless and that Miller had allowed her to sleep at his house, located at 4696 33<sup>rd</sup> Ave. Brown stated Miller had given her an ultimatum and stated that if she was going to sleep at his place of residency then she would "have to give him some pussy." Brown stated that she became upset from Miller's statement and stated that she was not going to sleep with him. Brown stated Miller responded by calling her a "cracker bitch" and had slapped her across the left side of her face, and pushed her to the ground by grabbing her throat.

It should be noted that I observed redness on her face and neck that was consistent with the allegation Brown had provided. I then went to the aforementioned location of the incident and made contact with Miller and read him his Miranda Rights. Miller expressed his understanding of his rights and agreed to speak with me post Miranda. Miller gave me 3 different stories, originally denying that Brown was ever at the aforementioned location. In Miller's 3<sup>rd</sup> statement, he advised that Brown and him were hanging out and had become upset due to the fact that he wouldn't give her "crack" to smoke, and she left the residence. Miller ultimately denied any allegations of battering Brown.

Through my investigation, I found Gregory Miller to be in violation of FSS 784.03, due to signs of injury that were consistent with Brown's statements, and the inconsistent statements provided by Miller.
