Arrest Affidavit Report

Case Report # 2026-00104100

NARRATIVE

On September 28, 2026, at approximately 0135 hours, I conducted a traffic stop at 800 Old Dixie Highway in reference to an improper vehicle tail light violation involving a Volvo bearing Florida tag UTG928.

Upon making contact with the driver, later identified as Chelsey Nicole Salyer, I observed that she appeared very frantic and defensive. I informed Salyer of the reason for the stop and requested her credentials. While on the phone with her "husband," Ryan Holmes, Salyer asked Holmes if he could bring her driver's license, which she stated was at home. Holmes denied her request and remained on the phone.

Salyer provided me with her name while continuing to appear nervous and defensive. Salyer stated she was attempting to pick up a friend who was supposed to be at the location when she arrived.

I returned to my patrol vehicle and conducted a records check of Salyer. After locating her information in our agency database, I returned to Salyer and verified her information. I requested her vehicle registration and proof of insurance. Due to Salyer's nervous and defensive demeanor, I removed her from the vehicle. I asked her if there was anything inside the vehicle of which I should be aware. Salyer stated there was not. I then asked Salyer for consent to search the vehicle, to which Holmes, while still on the phone, instructed her to "tell them to get a dog." Salyer denied consent.

While running Salyer's driver's license information through Indian River County Public Safety Dispatch, dispatch advised that Salyer was currently on probation. The probation information indicated the following: reference case number 2500611 for the offense of possession of cocaine; a probation start date of September 11, 2025; and an end date of September 11, 2029. The imposed conditions included a curfew from 2200 hours to 0600 hours and random drug testing. Based on these imposed conditions, Salyer appeared to be in violation of her probation conditions by driving to pick up an unknown friend at approximately 0135 hours.

Canine Handler McKay utilized his assigned canine to conduct a free-air sniff of the vehicle. Canine Handler McKay subsequently informed me that the canine had alerted to the presence of narcotics. While I was issuing Salyer a warning for the traffic violation, Canine Handler McKay and R.T. conducted a search of the vehicle.

The search yielded a pack containing 305 cigarettes, a center-console box containing two needle plungers, folded aluminum foil with black and brown burn residue, and a bottle cap with a wet piece of cotton adhered to it. Based on my training and experience the cotton ball and aluminum foil are used to consumed narcotics. After which a field test of the substance on the foil yield positive for the presence of fentanyl. The outer portion of the cigarette box contained a plastic wrapper, which is commonly found around cigarette packs. Salyer's driver's license was located between the cigarette box and the plastic wrapper.

I then read Salyer her Miranda rights. Salyer waived her rights and agreed to speak with me. When asked about the items located inside the vehicle, Salyer became defensive and stated the items belonged to a friend who had stolen them from her the previous day. Salyer then stated her friend had made it up to her today by providing her with more drugs. Salyer further stated that her driver's license had been missing and that her friend had likely placed it

inside the vehicle.

Salyer also stated that her friend most likely left the items inside the vehicle while she was driving her friend around because her friend gets "tricked out," also known as slang for engaging in sex work.

Salyer's statements became inconsistent due to stating it was at her house and asking Holmes to bring it to her and then stating it was lost for a while after it was found with paraphernalia. Salyer continued to make statements like "my drugs were at home", "I shoots it I don't smoke it", she also stated the last time she used drugs was "yesterday."

The contents of the aluminum foil and the cotton were field-tested. Both items yielded a positive result for fentanyl.

Salyer was placed under arrest and informed that she was in violation of the following:

1. F.S.S. 893.146.1 – Possession of Drug Paraphernalia and/or Use – Bond \$500.
2. F.S.S. 948.06F – Violation of Probation Felony – No Bond.

On September 28, 2026, at 0752 hours, I was at the Cumberland Farms located at 880 27th Avenue Southwest patrolling the area. I walked inside Cumberland Farms and was approached by Michaelle Johnson, who is an employee of the business. Michaelle advised the following verbally:

On this date, just prior to my arrival inside the store, Michaelle was working and walking around the store. While walking around the store, Michaelle observed a white male, later identified as Joshua Sauls, enter the store. Michaelle watched Joshua walk around the store and select one breakfast croissant sandwich valued at approximately \$3.69 and one slice of a breakfast pizza valued at approximately \$2.99. After Joshua selected these two items, he went to the men's restroom. Michaelle confirmed Joshua never went to the cash register to render payment for the merchandise before going to the restroom.

Michaelle stated Joshua remained in the restroom until I entered the store. Michaelle informed me at this time, it had been more than a couple of minutes since Joshua entered the restroom with the merchandise and she was fearful he was eating the food. Michaelle stated on behalf of Cumberland Farms, she desired prosecution for this incident.

While inside the store, I walked inside the men's restroom and observed someone, which was Joshua, sitting on the toilet in the only stall of the men's restroom with the door closed. There was only one person in the stall. I could hear what sounded like someone was eating, so I announced "Sheriff's Office" and Joshua said "hello". I asked Joshua if he had come in with pizza and other items and he responded "mhm". I told Joshua the staff inside the store was waiting for him to pay for the merchandise. Joshua did not respond to this, so I asked him if he was coming out of the restroom to pay soon and he said yes. Approximately six minutes went by as I waited for Joshua to exit the restroom. During these six minutes, no one else went in or out of the men's restroom and I maintained visual contact of the restroom at all times.

Joshua eventually exited the restroom and immediately walked straight to the exit door on the south west side of the store. Joshua opened the door to exit the store, but was stopped by D/S A. Binner and I. At this time, Joshua had passed all points of sale and had not rendered payment for the merchandise he had selected prior to going to the restroom. As I began speaking with Joshua, it was very apparent he was under the influence of illegal narcotics or alcohol. Joshua was unsteady on his feet, constantly swaying, profusely sweating, had red shot glassy eyes, and was slurring his speech.

I asked Joshua if he was going to pay for the merchandise, but he said he could not. Joshua then stated he consumed "DXM". I asked Joshua what "DXM" was and he said it was cough and cold medicine. I then verbally advised Joshua his Miranda Rights, which he stated he understood and waived.

Post Miranda, Joshua was asked which merchandise he selected from the store and walked into the restroom with and he said he did not know. I gave Joshua another opportunity to tell me what merchandise he selected and

walked into the restroom with, but he still claimed he did not know.

Joshua then paused for a long moment and admitted he took a sandwich. I informed Joshua I could see crumbs on his lips and he said he knew and also said "I've got it" and reached for his pocket. Joshua was immediately handcuffed and I searched the pocket he was reaching to, which revealed a Cumberland Farm's breakfast croissant sandwich.

The sandwich was shown to Michaelle and she confirmed that was the sandwich she observed Joshua enter the restroom with. Joshua later advised he took the sandwich and went to the restroom without paying for the food. Joshua was asked about the pizza slice he took, but he stated once more he "did not even know". At a later time, Joshua admitted to taking both the breakfast sandwich and pizza slice into the restroom. Joshua also admitting to eating the slice of pizza in the restroom and that he knew he could not pay for the merchandise prior to selecting the merchandise.

While D/S A. Binner was on scene, he went into the restroom and confirmed there was an empty box for a pizza slice in the trash can of the stall Joshua was in. D/S A. Binner reviewed store camera footage and confirmed at approximately 0740 hours, Joshua entered the store, took the two items of food, failed to render payment for them, and entered the restroom. D/S A. Binner confirmed Joshua remained in the restroom until I walked into the store and never paid for the items.

Based on the information above, I found probable cause Joshua was in violation of F.S.S 812. 015; shoplifting/retail theft. Since Joshua was uncooperative during the investigation and not forthcoming with information, he was arrested and not issued a notice to appear. Joshua was later transported to the Indian River County Jail without incident.

Arrest Affidavit ReportCase Report # **2026-00104247****NARRATIVE**

On 09/28/2026 at approximately 1050 hours, I Deputy Austin Binner assisted Deputy Ernesto Macias who was working a detail at Indian River Cleveland Clinic Hospital, located at 1000 36th St Vero Beach, FL.

Prior to my arrival, Deputy Macias informed Indian River County Dispatch that he had a male detained, and requested a road unit to respond to transport the individual to Indian River County Jail. Deputy Macias informed me probable cause as follows:

A black male, later identified as Johnny Lee Johnson Junior had been discharged from the emergency room at the hospital. Deputy Macias was informed by hospital staff that Johnny was refusing to leave the emergency room hallway, after being served his discharge paperwork. Additionally, hospital staff informed Deputy Macias that Johnny was yelling and becoming argumentative with staff, after being told to leave the property. After multiple attempts to have Johnny leave the property on his own will, Deputy Macias was informed to make contact with Johnny.

Deputy Macias advised me that he verbally told Johnny to leave the property multiple times, with Johnny refusing to leave. Johnny was taken into custody without incident, and Deputy Macias had requested for another unit to transport Johnny to Indian River County Jail. Custody of Johnny was transferred to myself, as I made contact with both Johnny and Deputy Macias at the Ambulance Emergency department drop off loop, located on the Western part of the property.

Due to Deputy Macias's above-mentioned recollection of the incident, I found Johnny in violation of FSS 810.08(2)(a)- Trespassing of a Structure or Conveyance.

Johnny was transported and booked into the Indian River County Jail for the following charge:

1 CT FSS 810.08(2)(a)- Trespassing of a Structure or Conveyance (\$500 Bond).

Arrest Affidavit Report

Case Report # 2026-00104429

NARRATIVE

On Monday, September 28, 2026, at 1729 hours, I Deputy Apollon responded to [REDACTED] in reference to disturbance.

Upon arrival, I made contact with Harrison Keller, who stated he and his [REDACTED] became involved in a verbal argument that later became physical. Harrison stated he discovered messages on [REDACTED] Harrison advised he and [REDACTED]

Harrison stated [REDACTED] pointed her cellular phone in his face, at which time he snatched the phone from her hand. Harrison stated he then used both hands to push [REDACTED] out of his pathway. Harrison stated, "I was just defending myself."

I then made contact with [REDACTED] who stated Harrison put his hands on her during the argument. I observed a red mark resembling a small scratch on [REDACTED] upper right arm.

[REDACTED] stated that when Harrison arrived home from work at approximately 1715 hours, she confronted him after [REDACTED] stated Harrison snatched the cellular phone from her hand, grabbed her with open hands, and pushed her in the chest area.

[REDACTED] stated the incident occurred inside the bedroom [REDACTED] further stated Harrison pushed her onto the bed and then grabbed her again with open hands. [REDACTED] stated Harrison's fingertips pinned her down onto the bed. [REDACTED] stated Harrison eventually released her and then threw the belongings she had been packing onto the bedroom floor.

Based on the totality of the circumstances, [REDACTED] statements, the visible red mark/scratch observed on her upper right arm, and Harrison's admission that he intentionally pushed [REDACTED] with both hands, I determined there was probable cause to believe Harrison intentionally touched or struck [REDACTED] against her will, in violation of Florida Statute 784.03, Battery.

Although Harrison stated he was defending himself, he stated [REDACTED] pointed a cellular phone in his face and did not report that [REDACTED] struck or used physical force against him prior to him pushing her. Based on the statements provided and the physical evidence observed, I determined Harrison was the primary aggressor and probable cause existed for Battery – Domestic Violence.

On Monday, September 28, 2026 at approximately 2028 hours I was dispatched to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with two individuals [REDACTED] and Ariyah Brown who were sitting inside of a [REDACTED]

Both parties were separated and interviewed, [REDACTED] provided the following statement in summary about the incident:

[REDACTED] The two do not live together nor do they have any children in common. [REDACTED] arrived at the parking lot of Ariyah's residence, 2660 68th Sq, to pick up some of his belongings. A verbal altercation ensued outside of the residence in the parking lot over [REDACTED] Ariyah exited her residence with bags of [REDACTED] clothing items he was attempting to retrieve. Ariyah began to throw the items on the ground, and threw clothing items at [REDACTED] face, striking him. [REDACTED] attempted to leave the area in his vehicle, worrying about the cops getting called. This prompted Ariyah to get into [REDACTED] vehicle and sit inside of the passenger seat, asking him to talk to her about [REDACTED] As things were starting to calm down, is when law enforcement arrived. It should be noted that [REDACTED] made a comment about while I was asking him questions, stating he did not want to get her in trouble.

Ariyah corroborated [REDACTED] recollection of events, however when I began to question her about some of the scratches on her arms and neck, she began to elaborate on parts [REDACTED] left out of his statement.

In a post-Miranda interview, Ariyah agreed to speak with me and provided further context into how she got the scratches on her arms and neck. She initiated a physical altercation with [REDACTED] by throwing his clothing items at him, and hitting him with a bag she was using to carry the clothing items with. She advised she got the scratches on her arms and neck from [REDACTED] as he was attempting to defend himself from her attacks. She was extremely upset at [REDACTED] over [REDACTED] and was the only party of the incident who was attempting to strike the other.

Based on my investigation, Ariyah was identified as the primary aggressor of this incident was placed under arrest pursuant to F.S.S. 784.03.1a1 – Battery Touch or Strike (Dating Violence related).

Ariyah was transport to Indian River County Jail without incident.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 9/29/26 at approximately hours, I Ofc. Kriegner responded to Cumberland Farms (1690 US1) in reference to a subject trespassing on the property.

Upon arrival, I located a green Ford SUV (FL tag# 80EPUZ), parked in a parking spot on the north side of the building. I was informed that staff at Cumberland Farms wished for the driver of the vehicle (identified as Justin Smith) to be trespassed from the property.

I approached the vehicle and observed Justin apparently asleep inside and was the sole occupant. After announcing our presence Ofc. Brumley and I spoke with Justin and informed him of the trespass. During this time, Ofc. Brumley observed what appeared to be a solid object inside a sock, in the center console area. When asked what was inside the sock, Justin responded saying "Fuck, that's not mine" and stated the object was a "meth pipe". Justin was instructed to exit the vehicle and was detained pending further investigation.

Justin was questioned post-Miranda and stated the pipe that was located contained methamphetamine. The contents of the pipe were field tested and showed a positive result for methamphetamine.

The vehicle was searched, and I located a small amount of marijuana in a "305" cigarette carton, along with s small clear bag containing a crystal like substance that was field tested and showed a positive result of methamphetamine, and a glass pipe with residue of a leafy green substance inside.

Justin was placed under arrest for FSS 893.147 Possession of Paraphernalia and FSS 893.13 Possession of a Controlled Substance and transported to the Indian River County Jail without incident.

The vehicle was secured and left in the parking spot at Cumberland Farms.

The marijuana and two pipes were collected and submitted into Evidence/Property.

The incident was captured on my BWC.

Arrest Affidavit Report

Case Report # 2026-00104545

NARRATIVE

On Tuesday, 09/29/2026, at approximately 0240, I was conducting marked uniformed foot patrol in the area of 2610 42nd street, Vero Beach, Florida 32967. Just east of the residence, there is an abandoned RV owned by Terry Lee Vanmeter who resides at 4215 25th Avenue, Vero Beach, Florida 32967. Based on previous law enforcement contact with Vanmeter, Vanmeter told me that he does not want anyone staying in his abandoned RV and that law enforcement needs to remove them upon contact.

Deputy McPeek observed the subject, Michael Jerome Sailor, sleeping in the back of the RV, which prompted law enforcement contact for a trespassing investigation. As Deputy McPeek spoke with Sailor, I went around the outside of the RV and made contact with Sailor. Sailor got up from where he was sleeping and I observed a small plastic baggie with a white powdery substance, which based on my training and experience, I believed to be crack-cocaine. Sailor was detained for further investigation and advised his Miranda rights by Deputy McPeek, Sailor voluntarily waived them and agreed to speak with law enforcement.

Sailor declined ownership of the plastic baggie and stated it was someone else's who sleeps there. I asked Sailor why he was sleeping on-top of it, which he stated he was tired. Sailor then asked me to let him go and offered to tell me who the owner of the plastic baggie was, which he then stated he knew it was the people residing at 2610 42nd street. Sailor continued to change his story several times through our interaction.

On 09/06/2026, Sailor was arrested for possession of drug paraphernalia by Deputy McPeek and I. Sailor was pacing around outside of 2610 42nd street and had a crack pipe in his possession. Based on this interaction with Sailor I believed the substance in the plastic baggie he was sleeping on-top of was crack-cocaine. Subsequently, I utilized an agency issued test kit and was able to retrieve multiple samples from the baggie. I tested a small amount of the powder collected from inside the bag with Cobalt (a chemical liquid which turns blue upon contact with cocaine). The powder immediately turned bright blue upon contact with the Cobalt. I then tested the inside of the baggie and the remaining powder inside of the baggie, which also immediately turned blue, indicating a presumptive field test positive for cocaine.

During this investigation, Sailor was in direct physical control of the plastic baggie and was the only person inside the abandoned RV upon contact with law enforcement. Sailor advised he was there by himself attempting to sleep.

Based on the totality of the circumstances, I placed Michael Jerome Sailor under arrest for a violation of the following Florida State Statutes:
