Arrest Affidavit Report

Case Report # 2025-00065360

NARRATIVE

On Sunday, June 22, 2025, at approximately 0000 hours, I responded to the County Jail located at 4055 41st Avenue, Vero Beach Florida in reference to a disturbance.

Upon arrival, I made contact with Lieutenant M. Stewart, who advised two of her inmates were involved in a physical altercation and there was video footage of the incident.

I made contact with the victim, Addison Cravenho, who provided the following statement. Addison said he was in his bed trying to sleep when, Julson Monfort started being loud and singing. Addison told him to quiet down which aggravated Julson. Julson walked over to him, pulling the blanket off and then ripping him off the bed by his feet. Once Addison was off of the bed, Julson started punching him multiple times. Addison put his arms over his head to protect his face as Julson continued to hit him. Addison stated the argument ended by Julson walking away, saying he went straight to report it to staff.

I made contact with the suspect, Julson who provided the following post Miranda. Julson stated Addison was upset with him because he was rapping. Julson said he went over to Addison and started hitting him. I asked if he pulled him off of the bed, he replied "yes". Julson said, "he was just trying to get me in trouble". I said, we are all responsible for our own actions and asked if Julson agreed, to which he stated, "yes".

Addison had the following injuries; a superficial laceration approximately two inches long to his left upper forehead near his hair line, a bump/contusion to the front center of his scalp, and a laceration to his left ear approximately 1 inch in length. I observed no injuries to Julson.

Due to the totality of circumstances to include the above statements, injuries, and both being incarcerated at the Indian River County Jail, I find probable cause for F.S.S. 784.082.3 Battery on Detained person.

The preceding is true to the best of my knowledge or belief

WHO IS PERSONALLY KNOWN TO ME OR HAS PRODUCED					AS IDENTIFICATION. ✓ LEO/CO (FSS 117.10)

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On 06/20/2025 , at 01:55 (Specifically include facts constituting cause for arrest.)

DUI (BAC .150 or higher) in that the Defendant was:

- Driving or in actual physical control of a motor vehicle upon a public road/ highway within this state, to wit US-1 and 20th Street;
- Under the influence of alcoholic beverages;
- Affected to the extent that the person's normal faculties were impaired; and
- Determined to have a breath-alcohol level of 0.08 or more grams of alcohol per 210 liters of breath To wit the Defendant provided samples of .190 & .201, respectively

=====

On 06/20/25 I, Ofcr. S. Gonzalez (471), was traveling north on US-1 at approximately 19th Street when I observed the Defendant traveling southbound on US-1 in the median lane make an improper u-turn at the 20th Street intersection over the double yellow line into and over the dedicated left turn lane from northbound US-1 to westbound 20th Street and into the northbound through lane before make a left turn onto westbound 20th Street from said through lane.

Upon seeing the foregoing infraction, I turned onto westbound 20th Street and caught up to and followed the Defendant before initiating a stop. I initiated a traffic stop by activating the emergency lights on my fully marked police vehicle and in response, the Defendant pulled over and stopped in the curb lane and stopped in front of the Indian River County Courthouse.

I exited my police vehicle and approached the Defendant's vehicle on the driver side and, as I did, observed that the Defendant was the sole occupant and driver. I further noted that the Defendant's dog (a Corgi) was in the passenger seat.

Upon making contact with the Defendant, I asked him for his driver's license and vehicle registration which he was able to provide.

After reviewing the information on the Defendant's license and registration, I informed the Defendant as to the reason for the stop. The Defendant acknowledged the infraction and attributed his actions to having been following the directions on his GPS.

As I stood at the driver door, I could detect a strong odor of an alcoholic beverage emanating from within the vehicle. I further noted that the Defendant's eyes were red and glassy and that his speech was notably slow and deliberate.

I then inquired as to the Defendant's whereabouts prior to being stopped. The Defendant gave me a vague response say that he had been in Vero Beach. However, after being asked to be more specific, the Defendant stated that he's been at the Boiler and Sol Mar. The Defendant also stated that he'd been under the [Barner] bridge fishing.

The Boiler is a bar located at 3410 Ocean Driver in Vero Beach. Sol Mar Cocktail Lounge is located at 2855 Ocean Drive, #B3 in Vero Beach. Both establishments are on the beach side of Vero Beach within less than a mile of each other.

Based on my observations, I had reasonable suspicion to believe that the Defendant might be impaired.

I then retreated to my vehicle to conduct a license and registration check as well as prepare a citation for the improper u-turn infraction. Also, I asked Ofcr. S. Hernandez (443) to respond to the scene as routine back up.

Upon Ofcr. Hernandez's arrival, I informed her of the situation and my observations and informed her that I intended to administer Field Sobriety Exercises ("FSE's") on the Defendant.

I then made contact with the Defendant and asked him to exit the vehicle. The Defendant initially balked at my request for him to exit his vehicle questioning the legality of my request but ultimately complied.

Once out of the vehicle, I informed the Defendant of my observations and that accordingly I had a concern that he might be impaired. I then asked the Defendant if he had any weapons on him. The Defendant stated that he had a firearm in a holster on his right side and two pocket knives. The firearm and knives were removed from the Defendant's person and placed in the vehicle for our collective safety.

Once the weapons were in the vehicle, I asked the Defendant how much he'd had to drink and he again balked and would not answer my question directly either by being evasive and/or providing vague responses. However, the Defendant ultimately stated that he's had two drinks, one at the Boiler and one at Sol Mar with his last drink having been consumed one hour prior to being stopped.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On 06/20/2025 at 01:55 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I then informed the Defendant that I would afford him the opportunity to dispel my concern by asking him to perform FSE's. Again, the Defendant balked at which point I informed the Defendant that if he refused to perform FSE's I would have to base my decision on how to proceed based on my observations to that point after which the Defendant ultimately agreed to perform FSE's

Before beginning FSE's, I asked the Defendant if he had any injuries, illnesses or disabilities to which he said he had none. I then also asked the Defendant if he took prescription or other medication to which he also said he did not.

The area was well lit, level and free of debris. An approximately 12 ft. length of blue masking tape was used for the Walk-and-Turn exercise.

HGN (Horizontal Gaze Nystagmus)

The instructions were explained to the Defendant who stated that he understood them.

- Noticeable back & forth sway;
- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes).

WALK AND TURN (WAT) The instructions were explained and partially demonstrated to the Defendant who stated that he understood them.

- Noticeable sway during instruction phase;
- Unable to maintain balance and stepped off the line twice during instruction phase;
- Missed heel-to-toe x2 outbound;
- Stepped off line x1
- Paused with each step to steady his balance.

ONE LEG STAND (OLS) The instructions were explained to the Defendant who stated that he understood them.

- Noticeable sway;
- Right leg up;
- Raise leg less than 6 inches and bent at the knee.
- Struggled to maintain balance.

FINGER-TO-NOSE

- Did not keep eyes closed throughout entirety of exercise;
- Touched side of nose with left finger other than pad of finger x2
- Touched under nose tip with right finger x1
- Touched side of nose with right finger x1

Based on the totality of the foregoing, I placed the Defendant under arrest for DUI and informed him accordingly.

The Defendant's vehicle was removed from the scene by Mike's Towing and the Defendant's dog was taken to the Humane Society by Officer Hernandez.

The Defendant was transported to the Indian River County Jail for the administration of a breath test and booking.

After a 20 minute observation, the Defendant was asked to submit to a test of their breath for the purpose of determining its alcoholic content.

The Defendant agreed a test of his breath however, he revealed that he had a pouch still in his mouth so the 20-minute observation had to be restarted; after the second 20-minute observation period the test was administered.

The Defendant provided two samples of .190 and .201, respectively.

At the conclusion of the breath test, the Defendant was read the test results and then turned over to the corrections deputies for further processing and booking.

The foregoing violations occurred within the City of Vero Beach, Indian River County, Florida.

The Defendant was issued DUI Citation no. AFVKJIE and UTC no. AL1MQ4E for the improper u-turn.

On Friday, June 20th 2025, at approximately 0904 hours, I responded to 8200 20th Street, Vero Beach, FL, to assist Deputy Lozada on an auto accident.

Upon my arrival I made contact with D/S Lozada who informed the operator of the vehicle at fault was identified as Francisco Escobedo Clemente. Upon D/S Lozada conducting his crash investigation Francisco openly admitted to being the operator of the vehicle. Francisco then informed D/S Lozada to never receiving or owning a Florida driver's license or any state. D/S Lozada verified through Public Safety Dispatch that Francisco never possessed a drivers license.

I find Francisco in violation of FSS 322.03(1) - DL- No Valid Drivers License.

Arrest Affidavit Report

Case Report # 2025-00064702

NARRATIVE

On Friday, June 20, 2025, at approximately 0758 hours, I responded to [REDACTED] in reference to [REDACTED] observed unsupervised and wandering in the street.

Upon arrival, I observed two [REDACTED] walking in a ditch near the roadway. They were later identified as [REDACTED] [REDACTED] was only wearing a soiled diaper, and [REDACTED] was dressed in extremely unkempt and dirty pajamas. Both children were barefoot.

As I parked my patrol vehicle, I observed an adult male—later identified as Kenneth J. Austin—speaking with the children. Kenneth advised that upon arriving home, he saw the children wandering around the street. While I was speaking with him, his wife, Melissa C. Austin, approached and began explaining what had occurred. Melissa stated that their neighbor, David Allen Foster, had reviewed his home surveillance footage and observed the two children wandering unsupervised around 0700 hours. David came outside, encountered Melissa, and asked her to [REDACTED]

Melissa informed me that she and others saw the children coming from [REDACTED] and described [REDACTED] as driving a gold-colored Chevrolet SUV with a handwritten license plate. Based on this description, I recognized the vehicle from a prior incident earlier that morning—Case #2025-64683 (Suspicious Vehicle)—where I made contact with Alexander W. Greene Jr. at the side of the road around 0730 hours. Mr. Greene had approached me alone with a gas can. He confirmed ownership of the vehicle, and I verified it through NCIC using his Florida driver's license photo. The check also revealed that Mr. Greene's license was suspended. I advised him of the suspension, after which he left the area on a bicycle. That call was cleared, and I then responded to the current call for service.

Given witness statements connecting the children to the address at [REDACTED] I approached the residence. Outside the front door, I observed numerous shards of broken glass scattered on the ground, creating a hazard—especially for the barefoot children. I asked [REDACTED] where [REDACTED] was, and [REDACTED] responded that [REDACTED] was at Walmart. I asked if anyone else was inside the home, to which [REDACTED] replied, "they are sleeping," but was unable to clarify who "they" referred to. [REDACTED] with [REDACTED] following, opened the unsecured front door, which had a broken locking mechanism.

Looking inside, I observed deplorable living conditions: garbage strewn about, flies throughout the space, and animal feces present. I announced myself several times without receiving any response. Once Deputy Baumann arrived on scene, we entered the residence to conduct a well-being check.

As we moved toward the rear of the residence, Tara Lynn Schnoor and Jaqueline A. Loudermilk emerged from a room, appearing recently awakened. I asked them about the children and Mr. Greene. Both women appeared confused and claimed the children were supposed to be under the supervision of Mr. Greene. When I informed them that the children had been found wandering unsupervised outside, they expressed shock and concern. I asked if Mr. Greene had asked them to watch the children; both adamantly denied this and stated they had no knowledge of Mr. Greene's whereabouts. They attempted to contact him via phone without success.

I exited the residence and contacted the Department of Children and Families (DCF) due to the apparent lack of supervision and hazardous living environment. Tara took temporary responsibility for the children while I continued

NARRATIVE (Continuation)

my investigation.

While outside, I observed Mr. Greene's vehicle turn onto the street. Upon seeing the patrol vehicles, the driver immediately reversed and fled the area at a high rate of speed. Deputy Baumann confirmed Mr. Greene was the driver. I pursued the vehicle in my patrol unit but quickly lost visual contact and was unable to locate him. See Deputy Baumann's supplement for details on his identification and his contact with DCF whom took possession of the children.

Shortly after returning to the residence, Deputy Baumann advised he had spoken with Mr. Greene by phone, and Mr. Greene agreed to return to the scene. Upon his arrival, I confirmed that he was the same individual from the earlier contact. I asked Mr. Greene if he was aware his children had been wandering in the street; he stated he had left them inside the home. I asked if he knew the door could not be locked, and he said he did not. Mr. Greene claimed he left the children in the care of Tara. When I confronted Tara again with this information, she once again adamantly denied that she had been asked to supervise the children, reiterating that she had been asleep and unaware that Mr. Greene had even left.

Considering My earlier encounter with Mr. Greene at a different location away from the residence, That the children had been observed unsupervised since approximately 0700 hours, and that no one had been left in charge of the children or informed they were responsible for their care, I found sufficient probable cause to arrest Mr. Greene under the following statutes: F.S.S. 827.03(2)(d) – Neglect of a Child Without Great Bodily Harm and F.S.S. 322.34(2)(a) – Driving While License Suspended with Knowledge (Citation #AKFRVZE)

Mr. Greene was taken into custody and transported to the Indian River County Sheriff's Office (IRCSO) Jail, where he was booked and turned over to correctional staff for further processing.

REPORT DATE: 06/20/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
06/20/2025 14:10

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 6/20/2025 at approximately 1410 hours, I responded to 105 B Marsh Street, Sebastian, Indian River, Florida in reference to an armed physical disturbance. Upon arrival, I made contact with witnesses (LaMario Smith and Raquel Solomon) who advised, via sworn statement, the following;

While outside their residence, they observed a verbal altercation at their neighbor's residence (105 B Marsh Street). The altercation involved two males; the Defendant and the Victim as well as a female (Meghan Lamb). During the altercation, one of the males (Victim Dahmir White) tried to leave the residence with Lamb. Smith tried to calm the Defendant down. When the Defendant observed White in Lamb's vehicle with Lamb, the Defendant ran towards the car. The Defendant then opened the vehicle door and began to hit White. The Defendant then dragged White out of the vehicle and the two fought in the roadway. After a short scuffle, the two shook hands and walked away from the residence together.

Upon speaking with Lamb, she was uncooperative with officers. She routinely complained that officers were just trying to put the Defendant back in Jail. Lamb did not cooperate with the investigation.

Contact was made with White and the Defendant as they walked nearby. White completed a written sworn statement which confirmed the following: Lamb picked White up and brought her, White, and the Defendant to her residence. Once there, a verbal altercation began between Lamb and the Defendant. During this, White and Lamb got in the car to leave. The Defendant opened the car door, struck White and dragged him from the vehicle. After a short altercation, White and the Defendant left the area together. White indicated in his statement he wanted to pursue criminal charges regarding this incident.

It should be noted that White had an abrasion on his knee and face consistent with being in a recent fight.

Post Miranda, the Defendant confirmed he had dragged White from the vehicle and hit him because he was leaving with Lamb. The Defendant knew his actions were wrong.

Based on the totality of the statements provided, to include Lamb's statements that she didn't want the Defendant arrested, along with the physical injuries noted, the Defendant was charged with simple battery.

The Defendant was transported to the Indian River Jail for processing.

It should be noted that during the course of the investigation, it was learned that the Defendant is on pretrial release in reference to an Indian River Clerk of Court case # 2024-CF-001460A (Felony Battery).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **06/20/2025** at **17:10** (Specifically include facts constituting cause for arrest.)

On June 20th, 2025, at approximately 1652 hours, I was dispatched to 2001 US Highway 1, Sebastian, Florida 32958 in reference to a suspicious person. Sebastian Communications advised there was a male seated outside with paint all over his face, possibly from inhaling it.

Upon arrival, contact was made with a white male who I observed to have gold paint all over his face. The male was identified by his name and date of birth as Harold Hare. I conducted a query of Harold's name via Sebastian Communications. Upon doing so, I was advised Harold had two active Civil Orders for Arrest out of Baker County, Florida in reference to failure to pay child support (CASE #022003DR0086, BOND \$2070 and CASE #022017DR0240, BOND \$1570). Upon confirming extradition, Harold was placed under arrest.

Harold was transported to the Indian River County Jail without incident.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00064952****NARRATIVE**

On Friday, June 20th, 2025 at approximately 1823 hours, I, Deputy Sheriff Ramiro Doval responded to 2180 58th Avenue, (Italian Grill), Vero Beach Florida in regard to a trespass complaint.

While enroute to the above location, I learned there was a white female at the establishment and was asked to leave several times by the manager and refused. The white female was disturbing and harassing other customers. The subject was wearing an orange-colored shirt with pajamas.

Upon arrival, I observed the female matching the description, later identified as Kathy Lynn O'neill, sitting at a table at Italian Grill. I made contact with Kathy, I advised her the reasoning I was there and while speaking to her appeared to be highly intoxicated. On the table was a few beer bottles, and an odor of an alcoholic beverage was emitting from her breath as she spoke to me.

I asked her why hasn't she left, if the manager already asked her to leave. She stated the manager told her he would call her a "Klub Kar" (taxi service). I then asked for her identification, she then became irate and was making small effort to provide her Identification. After several times asking for her Identification, she provided it.

At this time, I advised her while running her information through dispatch she can be escorted off the establishment. She slowly began to get up and gather her belongings, Kathy then stated she wanted her Identification back first before leaving. I advised her in the meantime she needs to be removed from the property. After multiple times telling her grab her belongings and vacate the premises, she stated "no".

At this time, she placed in handcuffs and was advised she was being placed under arrest for trespass after warning. Kathy was then escorted to my patrol vehicle and searched, while being searched she chose to use racial slurs against myself and Corporal Quinn Martin.

Kathy was transported to the Indian River County Jail. While in the sally port and being checked by medical staff. She was asked several medical questions at which time, she attempted to spit at the on-duty nurse, later identified as Brittany Thomas, in the jail. The saliva never reached Brittany due to her moving and evading the spit.

Detention Deputy Soloman and myself removed her from the immediate area and a spit mask was placed over her head.

Kathy was placed under arrest for the following offenses;

Count 1.) Violation of F.S.S 810.09 Trespass; after warning; when Kathy was asked to leave the aforementioned property multiple times and refused by the manager and Law enforcement.

Count 2.) Violation of F.S.S 784.011- Assault, when Kathy spat towards on duty nurse Brittany at the Indian River County Jail nearly missing the nurse.

NARRATIVE

On Friday, June 20, 2025, at approximately 1300 hours, I was notified that Jameon Boulware and his girlfriend, Nicole Decosta had active felony warrants out of North Carolina and were currently believed to be in Indian River County.

The local investigation, along with cooperation from the U.S. Marshal's Service and originating agency in North Carolina indicated that Boulware and Decosta were located in a trailer home at 1455 90th Avenue in Vero Beach. Both parties were wanted for North Carolina warrants for charges of Attempted First Degree Murder, Felony Conspiracy, and Boulware had an additional charge of Possession of a Firearm by a Convicted Felon.

Decosta was located and taken into custody without incident. A physical search for Boulware was conducted at 1455 90th Avenue, where the two suspects had been residing, but Boulware was not located. Note that while on scene, a neighbor approached us and stated Boulware was armed and carrying a hand gun.

Through a continued investigation and interviews with Decosta, it was learned that Boulware was staying at an address on Perch Lane in Sebastian. Decosta stated Boulware was with a female who was driving him around and she also stated Boulware was potentially armed with a handgun and was in possession of a large quantity of Methamphetamine.

Law enforcement located the address where Boulware was located, identified as 342 Perch Lane, Sebastian Florida. Surveillance was conducted with unmarked agency issued vehicles and Boulware was observed entering the back seat of a gray Nissan sedan bearing Florida tag BY77ED. A white female, identified as the registered owner, Kristina Laguerre, entered the front passenger seat, and a white male later identified as Jonathan Humphries, entered the driver seat.

The vehicle exited the driveway and traveled to Barber Street and turned southbound. The vehicle then turned on 70th Avenue. At this time a marked K9 unit pulled out behind the vehicle and I was directly behind the marked unit in my unmarked agency vehicle along with an additional unmarked vehicle behind my. Emergency lights were activated to conduct a traffic stop and a high risk vehicle stop was conducted due to the violent nature of Boulware's charges, his violent criminal history, and the investigations indications that he was armed with a firearm.

Both the driver and passenger were given commands separately and were removed from the vehicle. Commands were then given to Boulware who was still in the rear of the vehicle. He was instructed to exit the vehicle but would not exit. Several commands to exit were given but Boulware stated the child locks were activated and he could not open the door. He told law enforcement several times to approach the vehicle and open the door for him. Commands were given to Boulware to climb to the front seat and exit the open driver door but Boulware refused and verbally declined following the commands. This command was given several times but Boulware refused to comply and verbally declined each command. Due to Boulware resistance and refusal to follow lawful commands, pepperballs were deployed into the vehicle.

After pepperball deployment, Boulware immediately became compliant and climbed to the front of the vehicle and exited the driver door. Boulware was then taken into custody without further incident.

After the vehicle was cleared of all potential threats, Deputy McKay used his K9 partner to conduct a narcotics sniff of the vehicle and his K9 partner alerted to the odor of narcotics. While searching the back seat, I located a Newport cigarette carton which contained two separate bags of narcotics. The narcotics were concealed, wedged between

the back seat where the seatbelt retracts. The location where they were located was an obvious place of intentional concealment. One bag contained a large amount of white crystal like substance which I know through my training and experience to be Methamphetamine. The second bag contained a white/off white colored substance which was identified as MDMA (Molly).

Deputy Le used an agency issued field kit and the bag of Methamphetamine tested positive as Methamphetamine. He also used an agency issued field test kit and the bag of MDMA (Molly) tested positive as MDMA (Molly). He weighed the Methamphetamine using a digital scale which yielded results of 18.4 grams of Methamphetamine. He also weighed the MDMA (Molly) using the digital scale which yielded results of 5.0 grams.

Note that during surveillance, law enforcement observed all of the above individuals enter their respective positions in the vehicle and observed them in their original positions during the traffic stop. Also note that when the traffic stop was conducted, both the front driver and passenger were visible and were not seen reaching into the rear of the vehicle. The only individual in the back of the vehicle where the narcotics were located was Boulware, and the narcotics were in the immediate reach of Boulware. The possession of narcotics by Boulware was also corroborated by Decosta's original statements that he was in possession of a large amount of Methamphetamine.

During a recorded interview at the Indian River County Sheriff's Office, post Miranda, Boulware declined ownership of the narcotics. Boulware stated he smoke cigarettes, as the narcotics were located in a cigarette pack, but stated he smoke 305 brand cigarettes and not Newports. While on scene of the traffic stop, the female passenger stated she did not smoke cigarettes and only vapes, further indicating the narcotics, located directly where Boulware was seated, belonged to him.

Based on the above facts, Jameon Boulware was charged with the following:

Trafficking Methamphetamine (18.4 Grams), No bond.

Possession of a Controlled Substance (MDMA), No bond.

Resisting Arrest Without Violence, Bond: \$500.00

Fugitive From Justice (NC Warrants for Attempted 1st Degree Murder, Felony Conspiracy, Possession fo a Firearm by Convicted Felony).

Boulware was transported to the Indian River County Jail without incident. Boulware was issued to citation for Possession of a Controlled Substance (AF1V7YE, AF1V80E)

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **06/20/2025** at **21:13** (Specifically include facts constituting cause for arrest.)

On 06/20/2025, while on routine patrol traveling southbound on Indian River Blvd, I observed a light blue sedan traveling ahead of me in the far right lane. I observed the vehicle to not have a functioning tag light.

I initiated a vehicle stop by activating the emergency lights on my patrol vehicle. Once stopped, I made contact with the vehicle's driver. Upon making contact with the driver, later identified as Terry L. Sawyer (DOB: 7/11/1985), he stated "I'm not going to lie, I don't have a driver's license."

I then ran Sawyer's information through Vero Beach Communication which confirmed Sawyer did not have a valid Florida Driver's License and that it was suspended indefinitely on 06/24/2024. A DAVID query indicated Sawyer was previously convicted for driving while license suspended on 03/19/2024.

Sawyer was then placed under arrest for violation of F.S.S.322.34 (10B2) - Drive with Suspended Revoked License and issued a criminal citation (#AL1MQ6E). Sawyer was also issued a Warning for no tag light reference (Warning#W115964).

Sawyer was then transported to the Indian River County Jail for processing and booking held on a \$500 bond.

Arrest Affidavit Report

Case Report # 2025-00064854

NARRATIVE

On Friday, June 20th 2025, at approximately hours, I responded to 7900 8th Street, Vero Beach, FL, in reference to a suspicious incident.

Upon my arrival I observed trash and debris scattered throughout the front and side of the residence. It was advised through public safety dispatch advised the house was unoccupied. It was later determined that the owner was deceased. Upon canvassing the outer perimeter of the home, I observed a rear door with a small window broken out as if someone had forced entry. I began giving loud verbal commands announcing myself and proceeded to clear the residence with Corporal Hoffman.

Upon clearing the residence, it appeared as if everything was rummaged through and several things broken and was apparent subjects made entry and began damaging things thought the residence, the fence on the exterior of the residence leading into the back portion of the property containing several containers was broken and was apparent that it was broken with force.

Contact was made with the complainant Richard Moyer with the number supplied to me by public safety dispatch. Richard informed me the residence was broken into approximately two weeks prior to this incident and that the fence leading to the back of the property was still intact. Richard stated he used to be the caretaker for the deceased Thomas Zannuchi. When Thomas passed, Richard was going to buy the residence but the bank stated it would take six months to release the home to family members. Richard stated no one should have access to the residence besides the bank and his brother Peter Zannuchi. Richard stated the vehicles belonging to the deceased were placed the front entrance leading to the residence as well as in front of the shed with the tools so that no one could access to the house. Let it be known upon my arrival to the residence today there were no vehicles present.

Richard walked around the residence with me and stated he noticed a Suzuki bearing Vin # JSIVY51A812100384, a Red Ford F-150 bearing VIN 1FTRF12247NA84280, a Silver 2500 Dodge bearing VIN 3D7K528C45G797200, a 05 Forest River Camper bearing VIN # 4X4FCRM244P189566, a silver toolbox, a tractor with a bucket, 4 guitars, and stadium speakers were all missing.

Richard stated earlier on June 19th, 2025 he received a phone call from Nettles Towing employee Michael Wolff. Richard said he knows Michael and that Michael informed him that he was in possession of the RV that belong to Thomas from 7900 8th street and received it from Jesse Rodrigues. After a brief discussion they both decided the camper needed to be returned to the residence.

Michael arrived at the residence with the camper. I spoke with Michael and he stated he originally transported the camper to 6485 51st Ave, Jesse Rodrigues's fathers address. Michael also stated Todd Jenkins was in possession of the silver Dodge pickup that was confirmed by Corporal Hoffman. As Michael waited at the residence for Jesse to arrive, what he believed was Jesse's father came out

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00064914****NARRATIVE**

On June 20th, 2025, at 1701 hours, I conducted a traffic stop on a black in color Ford Thunderbird bearing FL/ DVY9602, at 807 Azalea Lane, in reference to a violation of FSS 316.605(1), display of an obscured/defaced tag. It should be noted that the FL temporary plate was defaced with black spray paint and duct tape; additionally, I observed the driver, Jesse Henry James Rodrigues, who is a habitual traffic offender and his Florida issued driver's license is currently suspended since 06/10/2024, enter the vehicle and begin driving westbound on Azalea Lane from the aforementioned address. Additionally, I was informed by detectives that Rodrigues was previously seen possessing a firearm, while he has 4 prior felony convictions.

Upon my approach of the vehicle, I observed Rodrigues to rapidly begin manipulating something near the center console of the vehicle. After issuing Rodrigues several verbal commands, I opened the driver door of the vehicle and removed Rodrigues from the vehicle. Assisting deputies and myself safely detained Rodrigues without incident. I then escorted Rodrigues back to the front of my patrol vehicle where I began searching is person prior to placing him in the rear passenger compartment of my agency issued patrol vehicle. While searching Rodrigues person, I located drug paraphernalia (glass bowl/smoking device with unknown burnt residue) in his front left pocket of the pants Rodrigues was wearing.

After placing Rodrigues in my patrol vehicle, I began searching the interior compartment of the suspect vehicle. While searching the vehicle, assisting deputies and myself located miscellaneous drug paraphernalia to include multiple bags of needles, torches, cut straws, and a glass pipe / smoking device also commonly referred to as a stem; a "loaded" syringe (a syringe containing blood and commonly heroine or fentanyl. Additionally, 2 prescription medication bottles prescribed to a different subject containing, Alprazolam (also known as Xanax) and Amoxicillin (an antibiotic only obtained through a prescription), a white plastic bag containing loose marijuana, a THC vape pen, and lastly a black powder firearm wedged between the center console where Rodrigues was previously seen frantically manipulating something upon my approach to the vehicle.

Through my investigation, I found Jesse Henry James Rodrigues to be in violation of 4 counts of FSS 893.13, possession of a controlled substance (1 misdemeanor count in reference to the possession of marijuana under 20g) (2 felony counts in reference to the possession of Alprazolam and the loaded syringe with unknown substance awaiting lab testing, and synthetic cannabinoid (THC Vape)); 3 counts of FSS 893.147(1)(B), possession of drug paraphernalia (needles/syringes, glass bowl, and glass pipe); 1 count of FSS 499.03(3), possession w/o intent to sell of legend drug w/o prescription, 1 count of FSS 322.34(5), operating a motor vehicle while suspended / habitual traffic offender (Per D.A.V.I.D., Rodrigues received a 5 year length suspension labeled as a HTO on 04/21/2021, reference citation # ADKMQUEE;) and lastly, 1 count of FSS 790.07(2) possessing a firearm during the commission of a felony.

I advised Rodrigues of his Miranda Rights too which he expressed his understanding. Post Miranda, Rodrigues advised he did not wish to speak with me.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00065060****NARRATIVE**

On June 20, 2025, at approximately 2231 hours, I responded to the area of 800 US Highway 1, Vero Beach, Florida, in reference to assisting Deputy Edwards, ID# 6151, and Detective Rispoli, ID# 5780, with a traffic stop.

Upon arrival, Deputy Edwards advised she and Detective Rispoli were traveling in Deputy Edwards' marked patrol vehicle, southbound on US Highway 1 just north of 17th Street, Vero Beach. At that time, they witnessed a white Ford SUV (bearing FL tag BH60NQ) attempt to make a left turn from Chef Lin's Bistro (located at 1850 US Highway 1) to travel southbound on US Highway 1. As the Ford SUV was turning, it almost struck Deputy Edwards' patrol vehicle. As the vehicle continued southbound on US Highway 1, it was unable to maintain a single lane. Deputy Edwards and Detective Rispoli subsequently conducted a traffic stop on the Ford SUV near 800 US Highway 1.

While speaking with Mr. Dubuque, Deputy Edwards and Detective Rispoli both stated they could smell the odor of an alcoholic beverage. They also advised me that Mr. Dubuque told them he was not going to preform Standardized Field Sobriety Exercises (SFSE's).

I then made contact with the driver, Mr. Michael Dubuque, who was standing outside the vehicle. While speaking with Mr. Dubuque, I could smell a strong odor of an alcoholic beverage coming from his person. As I continued speaking with him, the odor grew stronger. Additionally, Mr. Dubuque had glassy, watery eyes and slurred speech.

While talking to Mr. Dubuque, he stated he had been consuming alcoholic beverages since approximately 1200 hours. He advised he was at "Riverside," then went to the beach. He stated he drank several Busch Light beers and had "too many." Mr. Dubuque also advised that if he were to "blow" he would "blow over."

Based on my observations, I requested Mr. Dubuque preform Standardized Field Sobriety Exercises (SFSE's); however, Mr. Dubuque again stated he would not preform them.

Mr. Dubuque was subsequently placed under arrest for the offense of DUI. He was placed into handcuffs that were checked for proper fit and double-locked.

Additionally, during the investigation, Mr. Dubuque explained multiple times that he was going to leave Florida and also stated he was going to go to Costa Rica.

During a search of Mr. Dubuque's Ford SUV, I located a metal cup in the cupholder near the center console. There was a light brown liquid in the metal cup that smelled of a beverage containing liquor. Additionally, I located a red cooler in the backseat. Inside the cooler were numerous empty Busch Light cans with a large ice block. Another empty Busch Light can was located on the backseat floor behind the driver's seat.

Mr. Dubuque was subsequently transported to the Indian River County Jail, without incident.

After arriving at the jail, booking staff requested he provide a breath sample; however, Mr. Dubuque refused. He was read

Case Report # 2025-00065091

NARRATIVE

On June 21st, 2025, at approximately 0011 hours, I, Deputy Sheriff Ramiro Doval was dispatched to 6155 College Lane, Vero Beach FL in reference to a trespassing call.

Upon arrival on scene, I made contact with the security guard on site (Thomas Keane), he advised that a male (Velchazard Derisse) was back on the property after being trespassed and arrested multiple times for it.

I made contact with Derisse on the back side of the library, he was sitting on a bench by the back doors with his DVD player plugged into the electrical outlet attached to the building. I asked Derisse why he was back on the property, he advised he was homeless.

I had Indian River County dispatch run Derisse's name through NCIC/FCIC and they confirmed he had an active trespass warning from this property (reference case #2025-00056943)

After confirming Derisse had been previously trespassed from the property, I placed him in custody for the following offenses;

Count 1.) F.S.S 810.08- Criminal Trespass after warning, when Derisse trespassed on 6155 College Lane, Vero Beach once again reference case #2025-00056943)

Derisse was transported to the Indian River County Jail.

The preceding is true to the best of my knowledge or belief

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 6/21/25 at approximately 12:38am, I Officer Kriegner (492) conducted a traffic stop on a silver Kia Soul (bearing FL tag#GADG16) within the 1700 block of 20th St.

Prior to the stop, I observed that the Kia to not have a tail lamps or separate lamps placed as to illuminate with a white light the rear registration plate and render it clearly legible from a distance of 50 feet to the rear.

Upon making contact with the driver, later identified as David Mcelaney (by FL DL) (Wil now be refered to as S1) I informed him of my reason for the stop to which he acknowledged and stated that his vehicle has been having electrical issues.

A records check through Vero Beach Police Department Communications advised that S1 had a Writ of Bodily Attachment warrant out of Jacksonville for failure to pay child support (Warrant # C16002779 Purg \$1000.00)

Confirmation for the above-mentioned warrant was received and S1 was taken to Indian River County Jail without further incident.

AGENCY CASE #: 2025001229

REPORT DATE: 06/21/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
06/21/2025 00:42

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 06/21/25, at 0042 hours, I, Ofc. Kuehn, responded to 853 19th Street in reference to a report of a stolen vehicle. According to the caller, Alexander Knowles (DOD: 11/14/77) (V1), an acquaintance had taken his vehicle. V1 stated the person who took his vehicle was a "Noah" and described his vehicle as a 2015 light blue Nissan Versa. According to V1, the vehicle was taken over an hour ago with an unknown direction of travel.

Vehicle in question is a 2015 light blue Nissan Versa bearing Pennsylvania tag# LWZ7434. V1 gave an estimated value for his vehicle at approximately \$6,000.00. The registered owner for the aforementioned Pennsylvania tag comes back to V1.

On scene, I made contact with V1 who informed me that prior to contacting the police an acquaintance/roommate whom he identified as Noah Francis Charles Green (DOB: 11/14/77) had taken his vehicle without permission. According to V1, Mr. Green has been living with him for approximately the last two weeks. V1 stated Mr. Green is from Pennsylvania and brought him to Florida to "help him out." V1 stated that upon arriving to Florida he made it clear to Mr. Green he was not to drive his vehicle due to Mr. Green having a suspended driver's license. According to V1, prior to contacting the police he awoke in his apartment to find Mr. Green had left. V1 stated shortly after learning Mr. Green had left the apartment he discovered his vehicle was gone. V1 informed me that he attempted to contact Mr. Green via text message to return his vehicle however the message went unanswered.

On 06/21/25 at 0110 hours while still speaking with V1, I observed the aforementioned vehicle drive into the parking lot of the above listed apartment complex and observed a white male exit from the drivers seat who was later identified as Mr. Green by his Pennsylvania identification card. Mr. Green was immediately placed into handcuffs and informed he was being detained. I informed Mr. Green that he was being detained due to V1 accusing him of stealing his vehicle. Before speaking with Mr. Green about this incident, I read him his Miranda Warning from a prepared text. After reading Mr. Green his Miranda Warning he verbally acknowledge that he understood his rights and agreed to speak with me.

According to Mr. Green there was an understanding between he and V1 that he could use the aforementioned vehicle. Mr. Green explained that although he did not have permission from V1 to take his vehicle it was understood that he would use it on occasion.

I then made contact with V1 again and explained what had been told to me by Mr. Green. V1 was adamant that at no time while Mr. Green has been staying with V1 did he ever give him permission to use or take his vehicle and reiterated that it was explained to Mr. Green upon arriving to Florida that he was not to drive V1's vehicle due to having a suspended license.

While on scene, I located an identification card for Mr. Green (Pennsylvania ID # 33507977). On the top of the document it states "Identification Card" with a picture of Mr. Green. I ran the aforementioned number through Vero Beach Police Telecommunications and was later informed that Mr. Green had a suspended license out of Pennsylvania for a DUI related offense.

Mr. Green was later informed that he was under arrest for Grand Theft Motor Vehicle in violation of F.S.S. 812.014(2C6) and Driving While License Suspended/Revoked in violation of F.S.S 322.34(2A).

Mr. Green was also issued citation # AL1MQ7E for this incident.

This incident was captured on body worn camera and later downloaded into Evidence Library.

Case Report # 2025-00065100

NARRATIVE

On 06/21/25 at approximately 0124 hours I was dispatched to the area of 8160 130th Street in reference to a possible Auto Burglary at that location. The caller reported seeing a female subject inside his vehicle. Other callers reported the female ran down the street and was near the intersection of 129th Place and Roseland Rd.

When I arrived in the area of 129th Place and Roseland Rd I made contact with one of the callers Brandon Schlager. Brandon reported that his girlfriend Claudette Flores was having a mental health episode. He said he had been looking for her and located her car at that location pulled off to the side of the road. He said he then saw Claudette coming off 130th Street and walk back to her vehicle. He said she was in her car as we were speaking. I relocated to her vehicle which was parked off the side of the road in front of the Roseland United Methodist Church (12962 Roseland Rd). I approached the vehicle and made contact with a female in the driver seat. She was later identified as Claudette Flores. I knocked on the window and asked her to step out. She initially said she was out of gas and would not get out of the car. I asked her two more time to get out and she finally exited. Once she was out of the car she again repeated she was out of gas. She told me she wanted me to take her somewhere to get gas. I asked why she was getting into other peoples cars and on their property. She again said she was out of gas. She than asked me to put her in my car and take her somewhere. She became hostile and started swearing at me. She again asked to be put in the car and taken away. Due to her demeanor and hostility I placed her in handcuffs. I was attempting to put her in the back seat of my car and she would not step up into the vehicle. I told her several times to get in the car and she refused. I had to lift her up and push her into the back seat of the car. While attempting to get her in the car Claudette asked for her lawyer several times. After her request for a lawyer I did not attempt to speak with her about this case again.

Deputy Binner responded to the area of the reported Auto Burglary and made contact with the victim James Luihn. James relayed the following information to Deputy Binner. He said he was upstairs in his office working when he heard noise coming from his back patio slider door. He stated it sounded like someone was trying to open the door. James went to check the door and found no one around. He returned to his office and then heard noise at the front of the house. He looked out the front and saw a female seated in the driver seat of his car. He described his vehicle as a 2023 Black BMW 740 bearing Florida tag 23 DFVF. The rear brake lights were activated when he saw her. He said the vehicle was parked in his driveway and had been left unlocked. He went back inside to get his phone. When he went back out front the female had exited the car and was walking away. He yelled out to her that she was trespassing on private property. She turned back toward him and yelled back at him before walking south towards his neighbors house. It should be noted that his driveway area is well lit and he reported that he had a good view of the female when she turned back toward him. Deputy Binner brought James to my location for a show up with Claudette. Claudette was taken out of the vehicle and was standing next to the patrol car during the show up. James positively identified Claudette as the female he saw in his car. He does not know Claudette and he did not authorize her to be in his vehicle or on his property. James reported nothing was taken from his car.

While trying to get Claudette out of the car for the show up she was laying on her side in the back of the patrol car. Deputy Le and I tried to get her out. I told her to get out and she refused. I gave her a second order to get out and grabbed her right arm to begin escorting her out of the car. She then kicked me in the chest. Claudette was removed from the car and fell to the ground. Once on the ground she was told to stand up. She refused and told us to pick her up. Deputy Le and I picked her up and got her on her feet. Once she was standing she attempted to pull away from us. She repeatedly told us to get our hands off her. She also said she could kill us and that she had razor blades hidden on and in her body. After Claudette was secured in my car again I made contact with Brandon who had remained on scene. I informed him of Claudette's charges. When I told him she was bearing charged with Battery for kicking me, he said he saw her kick me.

Based on the above facts Claudette was charged with the following:

Arrest Affidavit Report

Case Report # 2025-00065128

NARRATIVE

On Saturday, June 21, 2025, at approximately 0335 hours, I was traveling southbound in the 5700 block of 58th Avenue when myself and Deputy Le observed a white in color Ford F-150 bearing FL tag # IL88ID failing to maintain a lane. The truck was traveling over the center line in between both southbound lanes. Deputy Le and I then continued to follow the truck where the truck was observed-swerving into the oncoming traffic lane. The truck continued to correct itself then swerved over the fog lane, almost leaving the roadway.

Deputy Le initiated a traffic stop on the vehicle at 42nd Lane and 58th Avenue. Upon making contact with the driver and sole occupant, Juan Carrillo Ponce, I observed him to have blood shot and watery eyes, slow and slurred speech, and I could smell the odor of an alcoholic beverage emitting from his person and his breath as he spoke. Deputy Le asked Carrillo Ponce how much he had to drink tonight and he stated 5 or 6 beers and that he started drinking at approximately 0000 hours. At that time Deputy Le requested Carrillo Ponce to preform Standardized Field Sobriety Exercises to which he stated he would. Deputy Le then requested Carrillo Ponce to exit the vehicle, once Carrillo Ponce exited the vehicle, he was requested to provide his driver's license, Carrillo Ponce stated he does not have a driver's license.

I then proceeded to conduct SFSE's. The first exercise I conducted was the horizontal gaze nystagmus. I explained the exercise to Carrillo Ponce and he verbally stated he understood. While conducting the exercise, I observed Carrillo Ponce to have a lack of smooth pursuit in both eyes, maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes. Carrillo Ponce was unable to keep his head still and his body swayed side to side during the duration of the exercise.

The second exercise I explained and demonstrated was the walk and turn, Carrillo Ponce verbally stated he understood. While performing this exercise, Carrillo Ponce missed heel to toe on every step, he completed 10 steps on the first pass, he did not turn around properly, and he missed heel to toe on every step on the second pass.

The third exercise explained and demonstrated was the one-leg stand. While performing this exercise, Carrillo Ponce used his arms for balance, put his foot down and then starred at me for direction, eventually Carrillo Ponce picked his foot up and continued the exercise.

The final exercise I explained and demonstrated was the finger-to-nose, Carrillo Ponce verbally stated he understood. While performing this exercise Carrillo Ponce failed to touch the tip of his finger to the tip of his nose on every attempt.

Carrillo Ponce was placed in mechanical hand restraints and transported to the Indian River County Jail. Once at the jail, Cpl. Williams #5693 requested Carrillo Ponce to submit a lawful breath sample to determine his breath alcohol content to which he stated he would. The results were .184 BrAC and .178 BrAC.

A query of Carrillo Ponce was ran through the Indian River County Public Safety Dispatch and DAVID and both

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00065078****NARRATIVE**

On Friday, June 20th, 2025, at approximately 2315 hours, I responded to a reported collision in the 200 block of Old Dixie Highway.

Upon arrival, I spoke with Deputy Martin, who informed me of the strong odor of an alcoholic beverage emanating from the driver's breath. The driver was subsequently identified as Ms. Layla S. Wilson, and operating a white 2018 Jeep bearing Florida license plate 61EVWI.

During my observations at the scene, I smelled a similar odor of an alcoholic beverage on Ms. Wilson's breath. She exhibited signs of impairment, including stumbling and an inability to stand without support from her vehicle. Additionally, her eyes appeared red and glossy. Deputy Muszynski conducted the civil crash investigation and completed the civil investigation. While on scene, I asked Ms. Wilson how did she end up crashing into the vehicle involved, she stated "I wish I could tell you" "I don't know how I got here".

I then informed Ms. Wilson that the nature of the investigation had shifted from civil to criminal, a transition commonly referred to as "Change of hats." Prior to any questioning or requests for statements, I administered her Miranda rights, to which she acknowledged her understanding. She consented to speak with me on scene.

I proceeded to inquire whether she would like to participate in Field Sobriety Exercises. Ms. Wilson did not explicitly state her willingness or reluctance to participate. In the course of her unclear response, she stated, "You might as well arrest me." Based on my observations and the evidence gathered, Ms. Wilson is not able to properly operate a motor vehicle on a roadway. Ms. Wilson was placed under arrest for Driving Under the Influence.

As a result of her involvement in the crash, she was secured in my agency's patrol vehicle and transported to the Indian River Cleveland Medical Center for medical clearance prior to jail. While at the medical facility, Ms. Wilson exhibited loud, disruptive, and discourteous behavior towards both the hospital staff and deputies present. She inaccurately stated that she had been at the hospital for two hours, despite it being approximately thirty minutes. Ms. Wilson stated the following statements on

several occasions: "We all know that I am drunk", "I know that I fucked up", "I shouldn't have drove", and "I know that I am drunk take me to jail, do what the fuck you have to do". It should be noted that an open mini bottle of Fireball liquor was found in her black purse on scene.

Ultimately, she accepted medical assistance in the hospital to which she received medical clearance to be transported to the jail. Ms. Wilson was subsequently transported to the Indian River County Jail without incident. While at the county jail, I was told by jail staff that Ms. Wilson refused to take the Breath test. Ms. Wilson was turned over to jail staff.

Based on the facts above Layla S. Wilson is in violation of F.S.S. 316.193(1) Driving Under the Influence.

Arrest Affidavit Report

Case Report # 2025-00065172

NARRATIVE

On Saturday, June 21, 2025, at approximately 0930 hours, I was patrolling the area of Genesee Lane, when I was flagged down by a male, who identified himself as Michael Visbal. Visbal was upset and claimed he was in an altercation with [REDACTED] Anthony Delia, just prior to my arrival.

Visbal stated he was walking his dog down in the roadway in front of [REDACTED] when Delia turned on to roadway in his vehicle. Visbal stated Delia was speeding and he confronted Delia over the speed. Delia stated he approached the driver seat window of Delia's vehicle, who was sitting in the driver's seat at the time. Visbal stated he struck the driver's window and yelled at Delia. Visbal demonstrated this by striking my patrol vehicle's window with his fist. Visbal stated Delia then drove away.

Contact was made with Delia at his residence [REDACTED] Delia stated when he turned onto the street, Visbal stood in front of his vehicle. The vehicle was a 2023 Land Rover Defender, bearing Florida registration 14BQYV. Delia stated Visbal then approached his driver's window and began to yell at him and struck the window, which was rolled up at the time. Delia stated he rolled down his window and Visbal continued to yell and curse at him. Delia stated Visbal then struck him on the chin with his fist while Delia was still sitting inside the vehicle. Delia stated he was the sole occupant at the time.

Delia stated he recorded the incident with his glasses, which he allowed me to review. The video showed Visbal standing in the middle of the roadway directly in front of Delia's vehicle. Visbal then approached the driver's window while yelling and raises both fists up towards the window. Visbal then struck the rolled-up window with his fist, one time. The window in then rolled down and Visbal is seen entering the occupied conveyance with his right arm by swinging his fist towards Delia's face. Delia can be heard several times stating he was just hit in the chin by Visbal. Visbal continued to yell and curse at Delia, who then drove away.

Contact was made with [REDACTED] Alan Morse, who was present during the incident. Morse stated he was standing in the drive way of [REDACTED] Morse stated Delia was speeding when he turned down the road, which appeared to upset Visbal. Morse stated Visbal did approach the driver's window of Delia's vehicle and was yelling at him. Morse stated he heard a loud noise, which he stated may have been from the window being struck, which he could not see. Morse stated he was facing the passenger side of the vehicle at the time and was unable to observe what was happening exactly due to his vantage point. Morse stated he told Visbal to stop yelling at Delia and did hear Delia state that he was hit by Visbal. Morse stated he did not witness any physical altercation.

Visbal was read Miranda warning from my Miranda card, which he stated he understood. Visbal stated he only struck the window and did not swing at Delia or attempt to strike or threaten him. Visbal was then showed the video and again denied striking or attempting to strike Delia.

I observed a red abrasion to the left side of Delia's chin, which did appear to be a fresh injury. Delia stated he did not have the injury prior to being struck by Visbal.

Visbal was taken into custody and transported to the Indian River County Jail, where he was charged with burglary with assault or battery.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **06/21/2025** , at **14:12** (Specifically include facts constituting cause for arrest.)

On 6/21/2025 at approximately 1411 hours, I was at the Speedway Gas Station (700 US1, Sebastian, Indian River, Florida). While there, I was approached by store associate Mary Dewitt who advised, via sworn statement, the following:

Dewitt observed a white female with red hair sitting on the curb in the parking lot of the buisness. The female is known to her as "Abigail". Dewitt believed Abigail is trespassed from the store and wants to pursue criminal charges regarding this.

I located the Defendant sitting on the curb on the south side parking lot of 700 US1. Upon speaking with the Defendant, I explained why I was there. Without asking, the Defendant stated she knew she had been trespassed but thought it was only for inside the store.

A check, via dispatch, revealed the Defendant had been issued a Trespass After Warning for this location on 5/9/2025 by SPD Officer Hatton (SPD TP25-0124).

The Defendant was taken into custody and transported to the Indian River Jail for processing.

Arrest Affidavit Report

Case Report # 2025-00065313

NARRATIVE

On June 21, 2025, at approximately 2006 hours I, Deputy Gabriel Muszynski, was dispatched to [REDACTED] in reference to a disturbance.

Upon my arrival, I made contact with the victim, Michelle Trio, who stated she and [REDACTED] Brianna Bassett, had gotten into a physical altercation. While talking to Trio, I observed multiple injuries on her person, including; a bloody nose, scratch marks to the upper left side of her forehead, scratch marks on her right forearm, scratch marks on her left wrist, and scratches on her left knee. Later during my investigation, a large bump formed on the left side of Trio's forehead and her noes began to show physical bruising and swelling. Trio's hands were covered in blood from her nose.

Trio stated that Bassett had come to her residence to argue about owing a witness, Bradley Roberts, money. During this argument, Bassett was yelling at Trio trying to initiate a fight between the two of them. Trio was able to provide a video of the events leading up to the altercation. In this video, the phone was being held by Trio down by her side and does not show what happened. I was able to listen to the video and I could hear Bassett screaming at Trio and Roberts about money. I could hear Bassett approaching Trio and getting louder. The phone then suddenly drops out of Trio's hand and I could hear Trio say, "Oh, Okay." I then heard the fight ensuing before the video cuts off. It should be noted that in the video, the phone appears to be motionless until it drops out of Trio's hand indicating that Bassett approached her and initiating the altercation which is when the phone is dropped and the fight could be heard.

I the spoke with Bassett who was walking out from her residence. Bassett was immediately detained and placed in the back of my patrol car. I read Bassett her Miranda Rights and post Miranda agreed to speak with me. Bassett stated that she and Trio had gotten into a verbal argument over owing Roberts money. Bassett continued to state that she had returned to her residence to take her jewelry out, "just in case," a fight ensued. Bassett then went back outside of the residence approached Trio and Roberts while yelling at them. Bassett stated that Trio initially threw the first punch and she defended herself. Bassett continued to state that she, "beat up," trio until another witness, Garrett Gomes, pulled her off of Trio. While speaking to Bassett, I observed scratch marks to her left knee and a small amount of blood on he right eye brow. Bassett stated that the blood was from the piercing she removed prior to the fight and the scratch on her knee was from tripping in her car port. Bassett continued to state neither injury was from the fight.

I was advised by K9 Deputy McKay that he interviewed the neighbors that were outside during the incident. He stated that there were multiple witnesses that saw the fight but no one saw who initiated it.

Due to statements made and evidence gathered, I find Brianna Bassett to be the primary aggressor in this incident and in violation of the following;

- FSS 784.03 Battery – Misdemeanor - \$500 Bond

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00065379****NARRATIVE**

On Sunday, June 22, 2025, at approximately 0112 hours, I was patrolling in the 2500 block of 45th Street when I observed a vehicle approach the stop sign at 28th court. The vehicle did not make any attempts to stop at the stop sign and turned west onto 45th Street. I conducted a traffic stop in the 3500 block of 45th Street on a gold Chevrolet bearing FL tag of JN139U.

I approached on the passenger side and observed a passenger later identified as Michael Sailor. As I was conversing with the driver who was later identified as David Golfe, I observed Sailor to have his left hand closed like a fist and his hand to be tucked under his left leg, in an attempt to conceal his hand. Also, while I was conversing with Golfe, I observed Sailor's breathing very heavily. Sailor's chest was rising and falling rapidly. After I received the documents I requested, D/S Le arrived on scene. D/S Le took over the traffic stop. While D/S Le was conversing with the occupants of the vehicle, D/S Le asked if he had consent to search the vehicle. Golfe advised that he did. The occupants were taken out of the vehicle.

I started my search on the passenger side of the vehicle. While searching, I located a small white rock that was located in a gap in between the left side of the passenger seat and the center console. Through my training and experience, I believed the white rock to be Cocaine.

I took the white rock and conducted a field test. The white rock tested positive for the presence of Cocaine.

Due to Sailor being located in the passenger seat, I observing his hand closed in a fist and it placed under his leg, Sailor was placed into handcuffs and searched. On Sailors person, I located a brass metal identified as Chore Boy in his right front pocket. Chore Boy is commonly used as a filter for smoking Cocaine in a glass pipe. I know this through my training and experience. In Sailor's left front pocket, I located a small broken glass pipe. The glass pipe had burnt Chore Boy and black residue on one end. I knew this glass pipe to be a "Crack Pipe", used to smoke Crack. I know this from my training and experience.

Sailor was read his Miranda Warning to which acknowledged he understood. Sailor denied that the crack rock that was located was his. I asked Sailor about his hand being closed and under his leg. Sailor advised he did have his hand the way I described it but did not have anything inside of it. When asked about the pipe located, Sailor advised that "I did find a crack pipe".

Due to where Sailor was sitting, the possession of his hand, and locating the crack rock in a location only he would've had access to, I found probable cause to arrest Sailor for possession of a controlled substance. Due to a search incident to arrest of Sailor and locating the crack pipe and Chore Boy, I found probable cause to arrest Sailor for possession of drug paraphernalia.

The preceding is true to the best of my knowledge or belief

AGENCY CASE #: 2025001234

REPORT DATE: 06/22/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On 06/22/2025, at 01:09 (Specifically include facts constituting cause for arrest.)

On 6/22/25, at approximately 2:19am, I, Ofc. Kriegner (492), responded to the 900 block of Causeway Boulevard to assist Ofc. Covarrubias (450) with his traffic stop investigation.

Upon my arrival, Ofc. Covarrubias informed that he observed a blue pickup truck do a "burnout" in the middle of the intersection of 17th street and Indian River Boulevard. Ofc. Covarrubias then stated the vehicle continued eastbound over the 17th St. Bridge at a high rate of speed. Ofc. Covarrubias said the vehicle then reached the intersection of A1A and East Causeway, and conducted a second "burnout" prior to traffic stop being initiated. Ofc. Covarrubias then made contact with the driver, David Hyatt.

I then made contact with David Hyatt (identified by FL DL; will now be referred to as A1), who was standing outside his vehicle (2022 Ford pickup truck bearing Florida tag# 61DFHK). While speaking with A1, I observed that A1 was swaying back and forth and had glossy red eyes. I also detected the strong odor of an alcoholic beverage emanating from his person. I asked A1 where he was coming from and A1 stated he was coming from "The Villas", slurring his words as he spoke. I asked A1 if he had consumed any alcohol today, to which he replied "Yes" and said that he only consumed 3 beers. Based on my observations and to ensure that A1 was capable of safely operating a motor vehicle, I requested that A1 perform a series of field sobriety exercises, to which he consented. A1 informed that [REDACTED]

The first exercise explained was the Horizontal Gaze Nystagmus. I advised A1 of the instructions, to which he said he understood prior to commencing the exercise. During the exercise, I observed the following:

- Lack of smooth pursuit in both eyes
- Swaying from front to back
- The inability to keep balance while standing
- A1 had difficulty tracking the stimulus

The next exercise was the walk and turn. Prior to beginning the exercise, I advised A1 of the instructions, to which he stated that he understood. During the exercise, I observed the following:

- Could not keep balance while listening to instructions
- Used arms to balance
- Stepped off the line
- Improper number of steps

A1 did not complete the exercise and stated that he did not want to continue. A1 completed up to the 6th step in the first sequence. A1 was asked if he wished to continue and was informed that we would have to make a decision based on our observations if he did not proceed. A1 once again refused to complete the exercises and was subsequently placed under arrest for Driving While Under the Influence. A1 was then transferred to the Indian River County Jail without further incident.

While at the jail, Ofc. Aguilar conducted a 20-minute observation of A1. After the observation period was complete, Ofc. Aguilar requested that A1 provide a lawful breath sample to determine his breath alcohol content. A1 agreed to provide a sample and the results are as follows:

- Subject Sample 1: 0.194
- Subject Sample 2: 0.188

I then informed A1 of his Miranda Rights, to which he stated he understood and agreed to answer questions. A1 said that he was coming from Vista Royale and that he consumed two "double Titos and cranberry".

A1 was also charged with FSS 316.191 for Racing a motor vehicle on a road or highway and transferred over to booking staff and body camera video of the incident was submitted into a secure file.

Case Report # 2025-00065396

NARRATIVE

On Sunday, June 22, 2025, at approximately 0240 hours, I responded to [REDACTED] in reference to a residential burglary.

Upon arrival, I made contact with the complainant/victim, Rodnesha McCarthy, who provided the following statement. Rodnesha stated the house was asleep when the suspect, Jacklene Desir, started banging on the front door. Rodnesha opened the door and asked what she was doing here, Jacklene told her she needed to see Jean Desir. Rodnesha immediately and told her to leave the residence. The other victim, Jalisa Wingfield came to the front door and Jacklene was told again to leave the residence. Jacklene pushed Jalisa out of the way and walked into the residence without permission, searching for Jean. Jacklene was given multiple warnings to leave. Once Jacklene had past the threshold into the occupied residence, Jacklene physically pushed Jalisa and a physical altercation ensued. Rodnesha was trying to get Jacklene off of Jalisa and during this, Jacklene bit her left pinky finger. Rodnesha stated she continuously told Jacklene to get out of the residence and Jacklene would reply, "no". Rodnesha stated she wanted to pursue criminal charges.

I made contact with Jalisa (homeowner) who swore and affirmed to the following statement. Jalisa came to the door and saw someone she knows as Jacklene who is her boyfriend's ex and the mother of her boyfriend's child. Jacklene was screaming and yelling for Jean to come to the door. Jalisa told Jacklene to leave, which was when Jacklene pushed Jalisa on her shoulders, causing her to become unstable and fall to the side. Jacklene barged past her into the residence without permission. Jalisa continued to tell Jacklene to leave and attempted to push Jacklene out of the residence but Jacklene continued to shove past her. Once Jacklene was in the living room, Jalisa stated, Jacklene "squared up" on her and started coming towards her to "fight". Jalisa stated, things became physical until Rodnesha was able to break up the fight. Jalisa and Jacklene were standing in Jalisa's living room, Jalisa grabbed a broom and once again told her to leave. Jalisa held the broom up threatening her again telling her to leave her residence, Jacklene told her, "No". Jalisa stated she swung the broom hitting Jacklene in the face, this finally got Jacklene to leave the residence.

I made contact with Jacklene who provided the following statement post Miranda. Jacklene stated she was at the residence to speak with the father of her children in reference to a parking sticker she needs for her vehicle. Jacklene stated Rodnesha came out and told her to leave but she said she needed to speak with Jean. Jalisa then came out of the residence and she asked again to speak with Jean. Jacklene stated she was pulled into the residence by the girls and "jumped". Stating Rodnesha and Jalisa started the fight, pulling her by her hair into the residence. Jacklene stated she was also hit by a broom which caused the bruise and lump to her eye.

I made contact with a witness, Jamal Queen who was adamant that Jacklene was not invited or pulled into the residence but rather she came in on her own accord, without permission and once inside the residence she became physical with both Jalisa and Rodnesha.

Deputy Martinez advised when speaking to Jacklene she spontaneously uttered "He was already awake when I went in there". When asking for clarification Jacklene repeated her statement saying, "yes when I went in there, he was awake". This was more consistent with the victim's statement.

Arrest Affidavit ReportCase Report # **2025-00065396****NARRATIVE (Continuation)**

There were injuries to all parties consistent with the statements provided.

Dispatch allowed me to review the [REDACTED] where you clearly hear Rodnesha saying, "you need to leave" all throughout the recording. At one point the dispatcher asked how Jacklene got in and Rodnesha stated, "my sister came outside and she pushed my sister to the side and she just barged her way in".

Due to the totality of circumstances to include, the statements provide, the injuries sustained by the victims and the fact that Jacklene unlawfully entered the dwelling without permission by using force to push past Jalisa and subsequently engaged in a physical altercation with both victims – I find probable cause for F.S.S. 810.02 residential burglary (occupied) and F.S.S. 784.03 simple battery.

Case Report # 2025-00065429

NARRATIVE

On Sunday, June 22, 2025, at approximately 0941 hours, I responded to [REDACTED] in reference to a residential burglary and theft.

Upon arrival, I made contact with the homeowner, Omar Alkayaly. Omar stated that at approximately 2330 hours the previous night, he was alerted by his video surveillance system that someone had entered his property. Upon reviewing the footage, Omar observed [REDACTED] James Ramon Cudlov, walk onto his property from 4th Street. James proceeded to the southwest corner of the residence and took a construction ladder that had been placed against the exterior wall of the house. He then dragged the ladder near the county easement by the roadway, placed it on the ground, appeared startled, and ran westbound on 4th Street without it. Moments later, James returned, picked the ladder back up, and walked eastbound down 4th Street carrying it.

Omar advised that he immediately recognized James as [REDACTED]. He stated that he has had brief interactions with James in the past and frequently sees him walking up and down 4th Street multiple times a day. Omar then showed me where the ladder had been stored—against the southwest exterior wall of the residence, beneath a permanently attached overhang. He explained that the ladder had been placed there after using it to repair a light fixture the previous day. I observed that the overhang provided coverage to the area below, and the surveillance camera which captured the incident was attached to the overhang itself. Photographs of the area and overhang were taken and uploaded using the Axon Capture App.

I reviewed the video footage provided by Omar. It showed a white male with long hair, wearing a dark-colored tank top and shorts, walking on 4th Street. The male looked toward the residence, stepped onto the property, and walked toward the southwest corner. Moments later, the same male could be seen dragging a ladder back across the property toward 4th Street. As he reached the easement area, the male appeared startled, dropped the ladder, and ran westbound. He returned shortly after, picked up the ladder again, and continued eastbound with it in tow. Omar was provided a link via the Axon Capture App, and the surveillance videos were successfully uploaded into evidence. The footage clearly showed the male entering the covered area beneath the overhang, where several other construction ladders were also visible and stored.

Omar identified the suspect as James and provided a description of his residence. I went to [REDACTED] the address Omar provided, and attempted to make contact, but no one answered the door. Omar advised that the ladder was valued at approximately \$170. He provided a sworn video statement attesting to the facts of the case.

Using DAVID, I searched the address and identified the suspect as James Ramon Cudlov using his Florida driver's license photograph. The male in the surveillance footage matched the distinct appearance of James, including a unique hairstyle not commonly seen. Based on this comparison and Omar's identification, I was confident in the suspect's identity.

I returned to Omar's residence and advised him of my attempt to make contact. Omar was adamant about pursuing criminal charges. With probable cause established for burglary and theft, I returned to James' residence and made contact. James opened the door and, before I could speak, immediately stated, "I have no statements," and closed the door. I informed James through the closed door that I would be pursuing an arrest warrant. As I began to walk

away, James reopened the door and asked what the warrant would be for. Since James voluntarily re-engaged and probable cause was already established, I attempted to take him into custody.

I grabbed James by the wrist, at which point he stiffened his arm, pushed against me in an attempt to break free, and began resisting. A brief struggle ensued on the porch, during which we fell onto patio furniture. James attempted to maneuver his left leg behind mine to take me to the ground. When this failed, I pinned him further into the furniture. I advised dispatch of the ongoing struggle. During the altercation, I observed James reaching toward my duty belt where my knife is secured. In response, I pinned his arm to gain pain compliance and regain control. James eventually complied, and I was able to place him in handcuffs without injury. He was escorted to the back of my patrol vehicle.

Once secured, I read James his Miranda Warnings, which he acknowledged and agreed to speak. Initially, James denied being in the area, claiming he had not left his home since 1900 hours the previous evening. I informed him that he was captured on video taking the ladder. After a brief discussion, James admitted to entering the property, taking the ladder from underneath the overhang, and storing it in his garage. He stated that he took the ladder to conceal it and would only return it if he was allowed to go free. After advising him that such an arrangement was not possible, James became uncooperative, and efforts to recover the stolen ladder were discontinued.

I transported James to the Indian River County Sheriff's Office Jail and turned him over to staff for processing. During the booking process, I observed that James provided a different name than the one associated with the driver's license photograph. My earlier DAVID search revealed two similar profiles: James Roman Cudilo (DL #C340456601610) and James R. Cudlov (DL #C341456601610), the latter lacking a photograph but linked to a silver Mercedes vehicle James had earlier confirmed owning.

The Cudilo profile contained accurate identifying information, including date of birth, social security number, and a recent photograph. The Cudlov profile lacked these details but had the Mercedes listed. When I confronted James, he initially insisted his name was James Roman Cudilo. When asked about the Cudlov name, he responded, "Yeah, that's my name." When asked what name appeared on his birth certificate, he replied, "James Roman Cudlov." I asked James to clarify the discrepancy. He sighed and admitted, "I used one of my aliases to hide the fact that I have a criminal record." James stated he used the name fraudulently to prevent FLDHSMV from linking him to his criminal past.

A criminal history check revealed that James had used multiple variations of his name in previous arrests, including James Cudlo. Charges on record included DUI, criminal impersonation, and a burglary dating back to June 10, 1988. A further comparison of the two DAVID profiles showed that the Cudilo profile had no vehicles registered to it, while the Cudlov profile was connected to the silver Mercedes via insurance records. No documentation of a legal name change was found in either profile. James also confirmed that no legal name change had ever been filed.

Printed copies of both DAVID profiles were attached to this report.

Once James' identity was confirmed, he was charged with the following: Burglary of an Unoccupied Dwelling,

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On 06/22/2025 at 13:59 (Specifically include facts constituting cause for arrest.)

I (Ofc Amburgey #438) responded to 3915 1st St SW in reference to a follow up investigation. Ofc. Kyle Kuehn was the initial investigating officer, he stated the following is his report.

"On 06/22/25, at 0216 hours, I, Ofc. Kuehn, was dispatched to [REDACTED] in reference to a suspicious incident. According to Vero Beach Police Telecommunications, they [REDACTED] and advised the caller stated " she thinks someone is in her house" and disconnected.

Upon arrival, I made contact with a Penny S. Mora (DOB: 09/20/03)(V1), Nohelani M. Goldie (DOB: 07/22/06)(V2) and a Alexandra L. Carson (DOB: 02/15/02)(W1). On scene, I first spoke with V1 who informed me that she was involved in an altercation with her brother whom she identified as Anthony L. Hodggood (DOB: 11/17/04). According to V1, she, V2, W1 and Mr. Hobgood were at her residence [REDACTED] hanging out when an argument ensued. V1 stated during the argument her brother, Mr. Hodggood, pushed her and placed both hands around her neck and choked her. V1 stated, later, in the altercation Mr. Hobgood placed her in a headlock with his arm around her neck and attempted to choke her. V1 also stated that during the altercation, Mr. Hobgood stepped on her bare foot and caused a minor injury to her toe.

V1's injury consisted of a small laceration to a toe on her right foot that appeared to have been bleeding.

It should be noted that when asked if V1's normal breathing or circulation was impeded while be choked by Mr. Hobgood her response was "I don't know it all happened so fast."

After speaking with V1, I made contact with W1. According to W1 she was present in the residence when the altercation between V1 and Mr. Hobgood occurred. According to W1, she witnessed V1 and her brother arguing "back and forth." W1 stated during the argument she witnessed Mr. Hobgood grab V1 by the neck and begin to choke her. Upon seeing V1 being choked, W1 and V2 intervened to separate them. W1 stated Mr. Hobgood became upset and began throwing things around the interior of the residence such as a table, two chairs and a glass vase. W1 stated Mr. Hobgood then exited the residence at which time, V1 locked him out of the house. While Mr. Hobgood was outside, W1 stated she heard V2, who was also outside, screaming at him to "stop."

After speaking with W1, I made contact with V2. V2 stated she was also present in the residence when the altercation between V1 and Mr. Hobgood occurred. According to V2, she and Mr. Hobgood are boyfriend and girlfriend who have been dating for approximately the last ten months but do not reside together. According to V2, she witnessed Mr. Hobgood choke V1 and push her. V2 stated she witnessed Mr. Hobgood throw a table and then exit the residence at which time she followed him outside to calm him down. V2 stated she witnessed Mr. Hobgood run towards V1's vehicle, a 2020 black Lexus Florida tag QSJR17, and throw garbage on it. V2 also stated she witnessed Mr. Hobgood punch the windows and kick the door. V2 stated Mr. Hobgood also picked up a cement paver and throw it at the V1's vehicle multiple times. V2 stated after damaging the vehicle Mr. Hobgood began to run south down 35th Avenue. V2 state she ran after Mr. Hobgood and was able to stop him from running into traffic. Upon catching up to Mr. Hobgood, V2 stated she was grabbed by the neck with one hand and choked. V2 also stated that Mr. Hobgood then slapped her with an opened hand and pushed her to the ground. V2 stated after he battered her, Mr. Hobgood fled the area on foot.

While speaking with V2, I did notice a red mark on the right side of her neck which she indicated was caused by Mr. Hobgood.

On scene I did observe the damage to V1's vehicle which consisted of a large dent to the passenger front fender, several dents to the passenger front door and several scratches/dents to the rear passenger fender. I also located a round cement paver in close proximity to the vehicle that appears to have caused the damage to the rear fender. At this time I do not have an estimate for the damage to the vehicle, however it appears as though it will cost more than \$1,000.00 to repair.

After speaking with all parties at the scene, V1 and V2 were issued domestic violence packets which were later turned in with this report. W1 completed a witness statement that was turned in with this report.

Due to Mr. Hobgood fleeing the scene prior to my arrival, I was unable to make contact with him. A bolo was issued for Mr. Hobgood and at the time of the report has not been located. There is probable cause for his arrest.

Photos and body worn camera footage of this incident have been downloaded into evidence library."

While conducting a follow up investigation, I, (Ofc Amburgey #438), made contact with Anthony Hodggood (Defendant) at 3915 1st St SW, Vero Beach, Fl. 32968. Hodggood stated that he wanted to turn himself in and was subsequently taken into custody and transported to the Indian River County Jail for booking procedures.

Hodggood is being charged with 1x felony / F.S.S 806.13(1b3) and 2x misdemeanor / F.S.S 784.03(1a1).

(Specifically include facts constituting cause for arrest.)

On June 22nd, 2025, at approximately 1450 hours, I responded to the intersection of Barber Street and Sebastian Boulevard in reference to an accident. While en-route, Sebastian Communications advised a male was unconscious behind the wheel of his vehicle after rear ending the other vehicle. The caller advised there was a small child inside of the vehicle the male was passed out in.

Upon arrival, I observed the two vehicles involved the accident, a 2007 brown GMC Yukon bearing Florida tag PWJL21 and a 2018 white Toyota Camry bearing Florida tag NNBS72. I proceeded to approach the Toyota Camry due to Sebastian Communications advising there was a male passed out behind the wheel. Upon doing so, I observed a black male in the driver seat completely passed out. In the back seat, I observed a [REDACTED] who was unsecured not wearing a seatbelt or in a child seat. Due to it being unknown whether or not the [REDACTED] was injured, [REDACTED] was immediately removed from the vehicle and safely secured in the back of my patrol car. Myself, Officer Antosia and K9 Officer Smith began to safely turn the vehicle off prior to waking the male up for officer safety reasons. Once the vehicle was safely shut off, the male, identified as Corey Ruth, was woken up. Corey appeared to be disorientated and not in the realization of being in an accident. Due to the heavy odor of an alcoholic beverage emanating from the car as well as the odor of burnt marijuana emanating from the vehicle, Corey was removed from the vehicle and placed into mechanical restraints. It should be noted, while attempting to put Corey in mechanical restraints, he began to tense his arms and pull away from myself and Officer Smith in an attempt to defeat our efforts to put him in handcuffs. He was escorted to the front of my patrol vehicle and upon doing so, Corey began to grab on to my push bumper while I was attempting to place his hand behind his back. Corey was given multiple commands to stop however he continued to try and defeat our efforts to handcuff him. Corey's hands were forcefully placed behind his back and into handcuffs.

Once out of the vehicle and in handcuffs, I continued to detect the heavy odor of an alcoholic beverage emanating from Corey's person as he spoke. Corey's eyes were also watery and glossy and his speech was also extremely slurred each time he spoke. Corey was asked where his driver's license could be located to which he stated he did not have a license. It was learned Corey has multiple suspensions and has not had a license since 2023. This was confirmed by Sebastian Communications, DAVID and ELVIS. Corey became uncooperative with officers and EMS while trying to check his vitals and therefore was placed into the back of my patrol vehicle. While officers were attempting to place him in the vehicle, Corey continued to tense his body and use his body weight to prevent officers from placing him inside of the vehicle. Once in the back of the vehicle, Corey began to scream and kick the door from the inside. Corey was instructed multiple times to stop and advised if he didn't, a hobble would be placed around his legs. Corey continued to disobey our commands and continued to kick the door from the inside aggressively. This forced officers on scene to place Corey's legs in a hobble.

According to Officer Buffington, who investigated the crash that occurred, the other driver of the vehicle, identified as Justin Grayam, observed Corey to be passed out behind the wheel. In an attempt to help Corey and [REDACTED] who was unsecured in the vehicle, Justin moved his vehicle in front of Corey's and exited to assist. That is when Corey rear ended Justin's vehicle causing minor damage to both vehicles. Due to what had occurred and Justin having children of his own inside his vehicle, he immediately called law enforcement and waited for our arrival. The total amount of damage caused by this crash amounts to \$5,000.

It is also important to note, the [REDACTED] inside of Corey's vehicle was identified as [REDACTED] at the time of this incident. As previously stated, [REDACTED] was located on scene in the backseat of the vehicle Corey was driving, unsecured and not in a seatbelt or car seat.

Based on the totality of circumstances, which include Corey being passed out behind the wheel in the driver seat after rear ending a vehicle in front of him causing damage to both vehicles, detecting the odor of an alcoholic beverage emanating from the vehicle and his person while observing him to have glossy and watery eyes and slurred speech, as well as tensing and pulling and attempting to defeat the efforts of officers placing him in handcuffs and inside the patrol vehicle, to include [REDACTED] being in the back of the vehicle unsecured while driving under the influence of alcohol, which is an intentional act that could reasonably be expected to result in physical injury to [REDACTED] and Corey admitting to not having a license which was confirmed upon conducting a query of his name through Sebastian Communications, ELVIS and DAVID, I found probable cause to place Corey under arrest for violation of FSS 316.193(3)(a)(b)(c)1 DUI CRASH-PROPERTY DAMAGE, FSS 322.34(2)(a) DRIVING WHILE LICENSE SUSPENDED WITH KNOWLEDGE, FSS 843.02 RESIST OFFICER WITHOUT VIOLENCE and FSS 827.03(2D) NEGLECT CHILD WITHOUT GREAT BODILY HARM.

Corey was transported to Cleveland Clinic to be medically cleared due to being in an accident. While at Cleveland Clinic, Corey began talking about a previous DUI charge from the past. While speaking about this, without being asked, Corey admitted to drinking alcohol earlier in the day and stated he knew he should not have been driving on today's date especially with his [REDACTED] in the car. Corey stated the mother of his child wanted him to take [REDACTED] which is why he did. Corey was not asked about any of this information and all of his statements were spontaneously uttered.

Corey was transported to the Indian River County Jail after being medically cleared. While at the jail, Corey continued to be uncooperative with deputies. Corey was given the opportunity to provide a lawful sample of his breath which he ultimately refused. Due to Corey's uncooperativeness through this entire incident, no field sobriety exercises were able to be performed.

Case Report # 2025-00065645

NARRATIVE

On Monday, June 23, 2025, at approximately 0049 hours, I responded to [REDACTED] in reference to a physical disturbance.

Cpl. Moon and I arrived at the aforementioned location and made contact with all involved parties. I met with the complainant, Alexis McCullough who stated the father of her child, Ashton Kalisz, had gotten into an argument. Alexis continued to state that she threw a small stuffed dog towards Ashton hitting him in his genitals, at which point Ashton got up from the bed and proceeded to choke Alexis with both hands around her throat. Alexis demonstrated how Ashton had choked her and stated that she was unable breath while she was being choked; however, did not lose consciousness.

Alexis further stated that she was holding her baby, A. McCullough (1-year-old) during this incident, and after Ashton had choked her, she proceeded out of the bedroom to seek help from her friends, Kalani Dye and Bradley Orne who were also inside of the residence. All parties stated that Ashton was very combative and highly intoxicated and began to proceed towards Alexis' grandmothers room stating the following, "fuck you, you stupid bitch, go kill yourself." Alexis stated Ashton continued to push passed everybody attempting to gain access to the grandmother's room at which point Bradley grabbed him to keep him from making entry to the room.

It should be noted that Ashton and Alexis have a child in common, A. McCullough (1-year-old), and are currently dating.

Alexis then stated that Ashton proceeded to hit her 2-year-old Pitbull (Biscuit) "Gorilla strikes" numerous times as she screamed at him to stop. Kalani stated Ashton stopped hitting Biscuit and proceeded to hit the 4.5-month-old Mountain Fyste/Pitbull mix causing the puppy to yelp and run away from being hit. Alexis stated that after "Biscuit" was hit she began to growl at Ashton due to the dog being hit approximately four separate times.

Kalani and Bradley stated that Ashton struck "Oreo" due to the puppy eating its feces.

It should be noted that as Cpl. Moon was speaking with Ashton regarding the incident both Cpl. Moon and I heard Ashton state that he hit both dogs.

Due to the fact that Ashton knowingly and intentionally choking Alexis preventing her from breathing, and intentionally causing excessive and repeated pain and suffering to both animals if find probable cause to charge Ashton with the following:

Count 1 &2: Cruelty to Animals.

Count 3: Battery by Strangulation, Domestic Violence.

Case Report # 2025-00065598

NARRATIVE

On June 22, 2025, at approximately 2143 hours, I arrived at 4290 2nd Avenue, in reference to a report of criminal mischief. Upon my arrival, contact was made with Adrian Lester, who advised the following verbally:

On this date, Adrian arrived at this location to visit Erika Horskin, who is his friend. While Adrian was with Erika, Adrian's ex-girlfriend he recently just broke up with, Antwana Taylor, began reaching out to him. Adrian would not answer the phone and ignored Antwana. A little while later, Adrian heard a noise outside Erika's home. Adrian said the noise he heard came from the same side of the home his rental vehicle, a white 2025 Nissan Altima that bore a Florida license plate of JKTN48 was parked. Adrian was able to look outside and he said he heard another noise and noticed someone with a white shirt running from the area where his rental vehicle was parked. Adrian said when he went outside he did not see anyone in the area so he checked the rental vehicle. Adrian noticed the rental vehicle's front and rear passenger side tires were deflated. Upon closed inspection, Adrian saw the tires had a very long gash in each one as if they were slashed.

Adrian stated no one had permission to damage the tires of his rental vehicle and he desired prosecution. Adrian estimated the damages caused to the tires was approximately \$450.00.

I then spoke to Erika. Erika confirmed while Adrian was at her home, Antwana was trying to reach Adrian by phone. Erika said she heard a noise outside where Adrian parked his vehicle, but she never saw anyone or anything outside. After the incident occurred, Erika said she began receiving messages from Antwana which she thought was odd.

While on scene, I confirmed both tires were damaged as stated above. Adrian was sent a screenshot of what he claimed was the video Antwana took after damaging his car, but all it showed was a picture of the rear of his vehicle.

On June 23, 2025, at approximately 0119 hours, I arrived at 1900 Woodland Circle, apartment 207, because Antwana requested to speak to me about the incident. Upon my arrival, contact was made Antwana and she was verbally advised her Miranda Rights, which she acknowledged and waived. Post Miranda, Antwana advised the following verbally:

Antwana said she never damaged the tires to Adrian's rental vehicle and did not know who did it. Antwana said she was with her cousin, Kaylee Bass, throughout the night and they had gone to another person's home. I explained to Antwana that there was a picture of Adrian's rental vehicle sent to someone and I asked permission to check her phone, which she allowed me to do so. Upon searching the photographs of the phone, I found the picture I had seen, which was taken in a live format. The time stamp was 2104 hours, which fell into the time frame Adrian believed the incident occurred. I asked Antwana to explain the photograph and she said Kaylee had found Adrian's vehicle and took a photograph of it and air dropped it to her.

I was able to locate Kaylee and spoke to her. I asked Kaylee if she took a photograph of Adrian's vehicle and she

said she did not. I told Kaylee that Antwana told me she did and airdropped the photograph to her. Kaylee allowed me to look at her phone and I did not see the photograph on her phone. Kaylee then said Antwana had found out Adrian had been cheating on her. Kaylee drove herself and Antwana around and they found Adrian's rental car parked at the location above. Antwana told Kaylee to stop and when Kaylee stopped the car, Antwana got out and approached the car. Antwana then took a knife and slashed Adrian's rental car's tires. Antwana ran back to the Kaylee's vehicle but stopped before she got in the car and took the photograph of Adrian's rental car with her phone and then got back into Kaylee's car.

Based on the information above, I found probable cause Antwana was in violation of F.S.S 806.13, criminal mischief less than \$1,000.00. Antwana was subsequently arrested and later transported to the Indian River County Jail without incident.
