Case Report # 2026-00040899

NARRATIVE

On 04/19/2026, at approximately 0755 hours, I responded to the Indian River County Jail in reference to a Criminal Mischief. Upon arrival on scene, I made contact with Correctional Deputy, Sgt Cocetta While. Sgt While advised me there was incident involving a currently incarcerated inmate identified as Tara Sages.

I was advised the inmate was being housed in cell [REDACTED]. At approximately 0725 hours, the inmate used a department of corrections tablet to cause damage to the glass window located in the center of the cell door. The inmate used the tabled, and repeatedly smashed it into the glass window of the door, causing it to crack. The replacement cost of the glass window is approximately 700.00 dollars.

The incident was captured on video.

Sgt While will provide me with a copy of the surveillance video when available.

Tara Sages did willfully and maliciously cause damage to property belonging to the Indian River County Sheriff's Office.

Tara is being charged with the offense of Criminal Mischief less that 1000.00 dollars.

This case is cleared arrest, closed.

Arrest Affidavit Report

Case Report # 2026-00040101

NARRATIVE

On April 17, 2026, at approximately 0751 hours, I was conducting routine patrol in the area of U.S Highway 1 and Spring Lake Drive. While conducting routine patrol, I observed a 2017 white Ford F450 bearing a Florida tag of RYKD13 hauling a black homemade trailer that bore a Florida tag of Ky713B. The truck was paced driving at 62 miles per hour northbound on U.S Highway 1 and the speed limit was posted at 45 miles per hour. Let it be noted, my agency issued marked patrol vehicle was just calibrated on April 15, 2026, and the vehicle was paced for approximately half a mile.

Based on the infraction I observed, a traffic stop was conducted on the truck mentioned above. When I approached the truck, I observed a total of seven occupants in the vehicle. I introduced myself to the occupants of the vehicle and informed them of the reason of the stop. The front passenger of the vehicle, later identified as Jorge Rodriguez-Mejia, was able to speak limited English and none of the other occupants could speak English.

I asked Jorge if anyone in the vehicle had licenses or any forms of official identification and he said yes. The driver, Hector Quintanilla-Villalob, and Jose provided me Florida driver's licenses. A rear passenger, later identified as Bonerge Rodriguez-Mejia, provided me a United States of America employment authorization card. I noticed the card was valid from July 27, 2023, until July 26, 2025. Jose spontaneously uttered that Bonerge was worried because of his legal status.

Due to there being seven occupants in the vehicle and having very limited communication with them, I requested another deputy to assist me with my stop. I stayed at the vehicle until D/S C. Portocarrero later arrived on scene for officer safety reasons. Once D/S C. Portocarrero arrived on scene, I asked him to see if the other passengers had any forms of identification and returned to my vehicle to continue my traffic stop.

Once inside my vehicle, I began writing a written warning for Hector. As I was writing the warning, D/S C. Portocarrero approached me and provided Honduras identifications for Brayan Oviedo and Henry Rodriguez-Rodriguez. D/S C. Portocarrero went back to the truck and received a passport from Evaristo Rodriguez-Villanueva. As D/S C. Portocarrero was giving me Evaristo's passport, he informed me Bonerge, Brayan, and Oviedo were running from the vehicle into a woodline. D/S C. Portocarrero informed me during the stop, he had told the passengers to stay in the truck.

Other deputies and resources were requested to the scene. A while later, Bonerge was found by assisting deputies and he was detained. Bonerge was transported back to where I was and he was arrested. Bonerge advised he thought he was going to be deported, so he ran from the traffic stop.

Based on the information above, I found Bonerge to be in violation of F.S.S 843.02; resisting an officer without violence. Bonerge was later transported to the Indian River County Jail without incident.

Case Report # 2026-00040128

NARRATIVE

On Friday, April 17, 2026, at approximately 0925 hours, I responded to [REDACTED] in reference to a theft.

Upon arrival I made contact with the complainant, Earlene Andrews, and she advised the following:

She has a caregiver around the clock. On Wednesday, April 15, 2026, she went to the bank and withdrew \$1000 in cash. She put \$500 in her safe and kept \$500 in her wallet. On the following day around noon, she noticed that \$500 in her wallet was missing. Upon returning home she reviewed the surveillance footage to learn that one of her caregivers, Jamie Fraser, reached into her wallet in the pocketbook while she was sleeping and took \$500 out. Fraser has only been with her about 2 weeks and she covers night shift between 1800 hours and 0600 hours. She made Fraser's boss aware about the incident and wished to press charges against her.

I reviewed the surveillance footage on her tablet and it revealed the following:

Fraser walked into Andrews' bedroom around 2307 hours on Wednesday night. She then opened up jewelry boxes and drawers in the room, but did not seem like taking anything. She then reached into Andrews' pocketbook which was next to Andrews on the bed. She took Andrews' wallet out and disappeared from the camera view after placing it in her right jacket pocket. It is unknown when the wallet was placed back in the pocketbook.

Andrews called Fraser's employer, Teresa Stine, and reported the incident. Stine went to Fraser's home and confronted about it. Fraser admitted to taking money from Andrews, but she only took \$400. Fraser told Stine that she stole the money to pay the rent.

Fraser agreed to meet with me at the sheriff's office parking lot.

Post Miranda, Fraser admitted to taking \$400 from Andrews' wallet Wednesday night.

At 1201 hours, I placed Fraser under arrest and transported her to the county jail without incident.

No further information.

Arrest Affidavit Report

Case Report # 2026-00040406

NARRATIVE

On April 17, 2026, at approximately 1850 hours, I responded to 1104 Spyglass Lane, Vero Beach, FL., to serve VBPD Warrant # 202605649 to Joseph A. Baird (W/M, 7/4/57).

Upon arrival, I observed 1104 Spyglass Lane to be on the second floor. I knocked on the door and received no answer. Deputy Green then spoke to the neighbors on the first floor and they advised they recently saw Baird on his balcony and verified that Baird's vehicle was parked in the carport. After numerous attempts at announcing my presence as an Indian River County Deputy, I looked inside a small window of the residence and observed the back screen door be opened, confirming what the downstairs neighbors advised. I then observed who I believed to be Baird poke his head around the corner of a wall. Once he noticed me looking through the window, he pulled his head back behind the wall to conceal himself. Additional announcements were made identifying myself as a Deputy.

Deputy Magill and Corporal Chamberlain arrived on scene to assist in calling Baird out of the residence. The small window was able to be opened and additional attempts to have Baird step outside were met with negative results. RTCC provided us with Baird's number, however, when we tried to call the first time, Baird hung up, and the calls that followed immediately went to voicemail. Sergeant D. Rodriguez arrived on scene and with the assistance of Deputy Magill, utilized breaching tools in efforts to gain entry into the residence. Once the front door was opened, Baird appeared at the doorway where he was taken into custody.

Baird advised he was sorry and that he was calling his attorney and family. There was a strong odor of alcohol emitting from Baird's person. Baird was placed inside my agency issued patrol car and transported to the IRCSO County Jail without inside. He was then transferred over to Booking Deputies.

This incident was recorded on my agency issued body worn camera.

This case is CLEARED BY ARREST CLOSED.

The preceding is true to the best of my knowledge or belief

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 2026000727

REPORT DATE: 04/17/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 04/17/2026, at 21:55 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I was conducting a routine patrol near the 4000 block of Ocean Drive when I observed a possible disturbance between a male and female in the parking lot of the boardwalk access. Prior to making contact with both subjects, I observed the female kick her leg up and flare her arms up towards the male, who was standing near her vicinity. I also heard loud talking but was unsure what the conversation entailed. Based on the nature of my observances, I turned around and attempted to make contact with the two subjects to investigate a possible disturbance.

As I turned my patrol vehicle around, I noticed the male walking away from the black SUV and towards his improperly parked truck. The male acknowledged my presence and pointed towards the female's location. I observed the black SUV's (FL tag # 81DNHC) rear tail lights illuminated which indicated to me that the vehicle's engine was on and ultimately decided to make contact with the female in the black SUV first. I activated my emergency response vehicle patrol lights, parked my vehicle near the rear of the black SUV, and was wearing my standard issued police uniform that clearly identified me as law enforcement at that time. In approaching the driver side of the black SUV, I observed the front driver side door wide open and the female standing next to the front driver side. The female began laughing and then sat in the front drivers seat as I relayed information to dispatch.

Before being able to speak to the female, she immediately placed one foot outside of the door and asked "Is there a problem?" It should be noted that the female was holding her cell phone in her left hand then transitioned it to her right hand. I informed the female I was conducting a welfare check due to my observations between the male and she. The female claimed to be "dancing" so I asked her once more if she was okay. In doing so, the female aggressively stood up from the front drivers seat, lunging her entire body towards me, closing the distance we had. I took a step back and made it known to the female not to approach me. The females eyes were wide, she was sweating as her entire face was shiny, and she appeared agitated as her voice became louder.

It should be noted that when the female lunged her body towards me, she had her cell phone in her right hand (which could potentially be used as a weapon) when she approached me in an aggressive manner and she was in close proximity to her vehicle at the time (unknown what other potential threats/weapons could be accessible to her). Based on the circumstances up to this point, I had reasonable fear that she could carry out an act of violence towards me at that time. The female then attempted to get into her front driver seat and attempted to close the door. It should be noted that I refrained the female from closing the door, removed her from the vehicle, and placed in her handcuffs. It should also be noted that back-up officers were en route to my location at that time.

As I guided the female to the rear of my patrol vehicle, she continued speaking loudly and being belligerent. Once the female was secured in my patrol vehicle, I made contact with the male half as I had not dispelled the possibility of a disturbance due to the lack of cooperation from the female. The male half was later identified as Ricardo Machado Jr. (W/M DOB: 03/15/2007). Machado denied the female having any mental health issues.

I did attempt to speak to the female in two separate occasions while she was in the rear of my patrol vehicle but due to her physical and verbal behaviors, I was unable to carry out a conversation with her. The female would interrupt, yell, look away while speaking to her, roll her eyes, make sarcastic comments, and vigorously shake her legs, making noise.

The female was later identified as Teresa Eve Garza (W/F DOB: 04/03/1977).

Due to the uncertainty and potential for the female to act upon violence towards me with the nature of her physical and verbal behavior, she was placed under arrest for Assault on Law Enforcement F.S.S. 784.07(2A). The female is to be held on a \$1,000.00 bond.

BWC footage and in-car camera footage is available on evidence library.

Case Report # 2026-00040455

NARRATIVE

On Friday, April 17th, 2026 at approximately 2316 hours I was dispatched [REDACTED]

Upon arrival I made contact with one of the residents in the home, Heather Frost who advised the following:

[REDACTED] When Heather was outside walking the dogs, she observed Kerwin running out of the house, followed by her mother, Paige Moyers following behind him. Kerwin was yelling out to Heather, "call the cops", [REDACTED]

[REDACTED] Heather stated her mother is crazy and continues to hit and grab Kerwin on multiple occasions due to accusations of cheating on her.

I made contact with Kerwin, and initially observed the collar of his t-shirt to be stretched out, he advised the following:

He had been in a verbal disagreement with his girlfriend Paige, due to her accusing him of cheating on her. While she was yelling at him about the accusations of cheating, she grabbed him by the collar of his shirt and pulled him towards her. Kerwin pushed away Paige's arm in attempt to get away and ran outside of the house to get away from Paige. This is not the first time the two have gotten into a fight, and it happens frequently. [REDACTED]

I made contact with Paige, who advised the following:

She confronted Kerwin about the accusations of cheating and accused Kerwin of pushing her. After he pushed her, she grabbed him by the shirt and pulled him towards her. When he ran out of the house, she did not chase him but rather "walked" after him because she loves him and did not want him to leave the residence. Paige did not have any bruising or observable injuries on her body from the incident. Paige claimed she only grabbed him by the shirt after Kerwin pushed her away from him. [REDACTED] and the two often get into physical altercations.

Based on the evidence on scene: Kerwin's t-shirt collar being stretched out, combined with lack of evidence for Paige's claims of him pushing her, and Heather's testimony of seeing Kerwin running way from Paige away from the house. Paige was identified as the primary aggressor in the incident and placed under arrest for FSS 784.03.1a1[2560] Battery Touch or Strike.

AGENCY CASE #: 2026000729

REPORT DATE: 04/18/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **04/18/2026**, at **02:15** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I conducted a traffic stop on a white Tesla bearing Florida tag # XK0GV in the parking lot of 1838 US-1 (IHOP). Prior to the stop, I observed the Tesla traveling west bound on Merrill P Barber Bridge. The Tesla was in the second lane from the median to turn south onto Indian River Boulevard when I observed it improperly switch lanes around a dark colored truck at the traffic light, then take off at a high rate of speed. Due to the traffic device turning red, I lost sight of the Tesla and had a delay in continuing my observations of the vehicle. I relayed the information to officers in the area to be on the look out.

I eventually located the vehicle passing the 2100 block of Indian River Boulevard [southbound] from a distance. While attempting to catch up to the vehicle, I observed the vehicle fail to maintain it's lane of travel [right lane]. The Tesla entered the right turn lane which is used to turn into the 2001 Indian River Boulevard plaza but then quickly switched back to the south travel lane and then as it approached 20th Street, I observed it enter the right turn lane to head west onto 20th Street. I eventually caught up to the Tesla and continued observing its driving pattern at 6th Avenue and 20th Street. The vehicle continued west bound, failing to maintain its lane of travel. The Tesla approached 20th Street and US-1 where I observed it make a left turn to travel south onto US-1 [left lane]. The Tesla quickly moved into the right lane again, failing to maintain it's lane of travel as the vehicle moved into the left lane and then back to the right lane. The Tesla then conducted a rapid maneuver, making an improper left turn from the farthest right lane as it entered the parking lot of 1838 US-1 (IHOP). Based on my observation, a traffic stop was conducted.

Once stopped, I made contact with the driver (drivers side) and two additional passengers. The driver/defendant was later identified as Frederick Ballard (W/M DOB: 04/01/2003) by his Florida drivers license.

I requested the defendant to provide me with his documents and while standing by the front driver side and speaking with the defendant, I noticed a moderate odor of an alcoholic beverage emanating from within the vehicle and possibly from his person. I noticed the defendant had slowed exaggerated speech and lethargic, slowed movement. The defendant also had glossy, red, watery eyes. Based on these observations, I had reasonable suspicion to believe that the defendant was impaired and requested that he exit the vehicle. When the defendant exited the vehicle, he had some imbalance when he stood up from the front seat.

Once outside of the vehicle, I confirmed the odor of an alcoholic beverage to be coming from the defendant's person which was moderate. I informed the defendant the reason for the stop and he stated "I was only trying to go to IHOP so I can get my friends some food." In asking the defendant where they were coming from, the defendant failed to answer my question and instead told me he lived in Lakewood Park and that his friends lived in Ft. Pierce. I asked the defendant the same question again, where he then stated "we just came from Grind and Grape" and denied being at any other location. The defendant then stated that the reason he went to IHOP was because he was "trying to sober up." The defendant then mentioned to me that he "only had two drinks tonight" and that he had consumed them "about 40 minutes ago."

I then informed the Defendant that I would be conducting Standard Field Sobriety Exercises. I asked the Defendant if he had any illnesses, pain, or disabilities to which he denied but stated he had [REDACTED]

I then began the Standard Field Sobriety Exercises. Each exercise was demonstrated and explained to the defendant prior to having him perform them and he stated that he understood them. The defendant was given the option to keep his shoes on or remove them for the exercises. The defendant kept his shoes on.

The results of the field sobriety exercises are as follows:

HGN (Horizontal Gaze Nystagmus)

- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes)
- Slight front to back swaying
- Trouble following red stimuli

WALK AND TURN - Instructions had to be repeated multiple times

- Did not remain in starting position during instruction phase
- Began exercise prior to being instructed
- Imbalance on initial step 3
- Did not touch heel-to-toe on initial step 4, 5, 7, and 8
- Conducted 8 steps on initial instead of the instructed 9 steps
- Stopped during exercise
- Improper turn ; other than instructed

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **04/18/2026**, at **04:50** (Specifically include facts constituting cause for arrest.)

On April 18, 2026, at approximately 0333 hours, I was conducting an area check at 1979 US Hwy 1, the old World Bank vacant building. While conducting the area check, I observed two males sleeping on the north side of the building.

I made contact with both males in a consensual encounter. Both males were able to provide identification. Corey Dennis (suspect) provided his Florida Identification card. A query through Dispatch showed that Corey had a warrant out of Monroe County, the victim for violation of probation.

After confirmation was received, Corey was placed in mechanical restraints, double locked and searched. Corey was taken into custody for FSS. 948.06, violation of probation.

Corey was transported to the Indian River County Jail without any further incidents.

Arrest Affidavit Report

Case Report # 2026-00040466

NARRATIVE

On Saturday, April 18, 2026 at 0018 hours, I Deputy Apollon responded to [REDACTED] in reference to stabbing.

Upon my arrival, I observed an adult Hispanic male later identified as Ricardo Macias, standing outside wearing gray shorts, brown sandals, and no shirt. I made contact with Ricardo, who stated he had been involved in a physical altercation with [REDACTED] Pedro Gomez Mojica, [REDACTED]

It should be noted that I observed Ricardo to have visible injuries, specifically a laceration to his upper lip on the left side, which was actively bleeding.

While speaking with Ricardo, I questioned how he sustained his injuries. Ricardo stated he had been inside his room playing music at a high volume; when Pedro began banging and kicking it on the exterior of his door, demanding that he turn the music down. Ricardo admitted that his music was too loud and acknowledged he was in the wrong.

Deputy Perez made contact with a witness, identified as the landlord, Luis Santos Godines. Luis advised he was awakened from his sleep due to the noise of a disturbance occurring outside. Luis stated he observed both Ricardo and Pedro engaged in a verbal argument. He further stated he witnessed Pedro pick up a red gas can and strike Ricardo in the shoulder/shoulder blade area. Luis then observed Pedro strike Ricardo in the face with his fist. Luis stated he intervened and told both parties to stop, at which point he heard Ricardo say he was going to call law enforcement.

Luis advised he has known Ricardo for approximately three to four years, and that Pedro had only recently moved in within the past few weeks. When asked who initiated the physical altercation, Luis stated he did not observe the beginning of the incident, as he was awakened by the commotion.

Deputy Perez then made contact with Pedro as he only spoke Spanish. Pedro stated to Deputy Perez that he was upset due to Ricardo's disruptive music. Pedro advised he went and attempted to make contact with Ricardo to request that he turn his music down. Pedro advised Ricardo ignored his requests. Pedro returned to his residence and advised shortly thereafter; Ricardo arrived at Pedro's door and began calling him derogatory terms and shouting that if he did not exit his residence, Ricardo would break down Pedro's door and come in.

Pedro continued, expressing that whenever he opened his door and stood in the threshold of his doorway, he observed Ricardo to shout multiple times that he was going to kill him, and began swinging a knife in his hand towards Pedro. Pedro advised he raised his hands in a defensive motion in an attempt to stop/block Pedro from stabbing him. Pedro advised while shielding himself, he sustained an injuring to his right hand. It should be noted that deputies observed Pedro to have a puncture wound, consistent with Pedro's allegations.

Arrest Affidavit Report

Case Report # 2026-00040466

NARRATIVE (Continuation)

Pedro advised he defended himself by striking Ricardo with a gas can and punching him in the face; ultimately resulting in disarming Ricardo, stopping his attack. Shortly after the physical altercation subsided, Pedro photographed the knife Ricardo used during the incident. It should be noted that in the photograph Pedro took, deputies observed the knife to be located on the ground just outside Pedro's front door, corroborating Pedro's account of where the incident took place. Pedro continued, stating that after he took several photographs of the knife and Ricardo after the incident, he observed Ricardo to retrieve the knife from the ground and hand it to their landlord, Luis.

After speaking with Pedro, Deputy Perez later re-contacted Luis regarding the location of the knife allegedly used during the incident. Luis denied witnessing Ricardo stab Pedro or seeing a knife being used. Luis also denied hearing Ricardo make any threats to kill Pedro; however, Luis did state that after the altercation subsided, Ricardo approached him and handed him a knife. Luis stated he took possession of the knife and threw it underneath a couch inside the residence.

Based on the totality of the investigation, including witness statements and the physical evidence observed, probable cause was established. Prior to asking further investigative questions, Ricardo was advised of his Miranda rights. Ricardo stated he understood his rights and declined to provide any further statements. Ricardo was then detained and placed in handcuffs. Due to the severity of the injury, Ricardo was transported to Cleveland Clinic for medical evaluation and treatment, where he received stitches for the laceration to his lip. Ricardo was subsequently medically cleared prior to transport to the detention facility.

Through my investigation, I found that Ricardo Macias did knowingly and intentionally arrange the means or measures necessary to commit murder by possessing an opened pocket knife in his hand while repeatedly expressing his malice intention to kill Pedro Gomez Mojica; while effectively stabbing Pedro with said knife, causing bodily harm. Additionally, Ricardo entered the threshold of Pedro's dwelling/structure, while expressing the intent to commit a crime; and committed a battery therein. Furthermore, Ricardo knowingly concealed and transferred physical evidence, to wit: a knife, by handing it to another individual in an attempt to impair / conceal its availability during the investigation charges:

- Criminal Attempt First Degree Felony – FSS 777.04 (1)
- Burglary of a Dwelling / Structure / Conveyance while Armed – FSS 810.02(2)(b)
- Tampering with or Fabricating Physical Evidence – FSS 918.13

Ricardo Macias was placed under arrest without incident and transported for processing.

Arrest Affidavit Report

Case Report # 2026-00040749

NARRATIVE

On April 18, 2026, at approximately 1944 hours, I observed a white Dodge pick-up bearing Florida tag IR48MB, traveling south on 90th Avenue at a high rate of speed, which I visually estimated to be 50 MPH in a posted 35 MPH zone.

I initiated my STALKER RADAR DSR 2X SN: DB031280, and confirmed the vehicles speed to be 49 MPH. After confirming the violation, I initiated a traffic stop at 90th Avenue and 12th Street, Vero Beach, Florida, on the white Dodge pick-up bearing Florida tag IR48MB, by activating the overhead emergency lights on my marked patrol car.

I approached the passenger side of the vehicle wearing my agency issued uniform and made contact with the driver, identified by his Mexican identification card, as Juan Jose Garcia Calderon, and the passenger, later identified as Eduardo Francisco Solares. I requested Juan's driver's license, registration, and proof of insurance.

Due to the language barrier between the two individuals, I requested Corporal Ballester to my traffic stop. While I was waiting for Corporal Ballester to arrive, Eduardo was going through the glove box and I was able to verify the registration and insurance for the vehicle.

When Corporal Ballester arrived, I asked him to get Eduardo's full name for me, because he was not wearing his seat belt, and there were open bottles of beer by his feet.

As I conducted my traffic stop, which I confirmed Juan has never had a driver's license. Corporal Ballester a designated immigration officer assigned to the 287(g) Task Force began his investigation into the immigration status of both men.

I informed Corporal Ballester that I was going to arrest Juan for violation of Florida State Statute 322.03(1), NO DL NEVER ISSUED, and issue him a citation for violation of Florida State Statute 316.189(2)(b) SPEEDING.

I removed Juan from the vehicle, placed him in handcuff restraints, checked for proper fit and placed him in the rear of my vehicle.

Corporal Ballester and I removed Eduardo from the vehicle, search incident to his arrest, a small bag of a white powdery substance was located in Eduardo's wallet, that was removed from his pocket. I field tested the white powdery substance with an agency issued drug test kit, which provided a positive result for cocaine. The field weight of the cocaine with bag was 0.5 grams.

Deputy Lowell arrived on scene and turned the vehicle over to Jessica Garrido.

I transported both men to the county jail on local charges.

This investigation was captured on my body worn camera and the dash camera of my marked patrol car.

This investigation is cleared by arrest.

AGENCY CASE #: 26-0717 REPORT DATE: 04/18/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 04/18/2026, at 22:54 (Specifically include facts constituting cause for arrest.)

On 18 April 2026, at approximately 1926 hours, while traveling on Indian River Drive, I was flagged down in reference to a vehicle accident located at 700 Main Street (Sebastian Chamber of Commerce).

As I arrived, I observed a 1948 Chevy, bearing a FL license plate 2HTA, in the grass. There was a street lamp lying on the ground and a street sign. I observed the registered owner, identified as Stanley Kozlowski, standing next to the vehicle, speaking with the owner, identified as Danielle Diaz, of a 2022 Grey Nissan Pathfinder, bearing a FL license plate GMD832, that was damaged by the light pole Mr. Kozlowski hit.

I made contact with both parties to start the crash investigation, and I immediately could tell Mr. Kozlowski appeared intoxicated. Mr. Kozlowski's eyes were glassy, his speech was slurred, and the odor of an alcoholic beverage emitting from his mouth.

I asked what had occurred, and he stated he was traveling north on Indian River Drive when he lost control of his vehicle due to a steering malfunction.

Once I completed the crash investigation, I advised him that I had completed the crash investigation and was going to start a DUI investigation. I asked him if he would be willing to perform Field Sobriety exercises, and he stated that, due to his health, he was not sure if he would be able to conduct them. He stated he is a prior military and he has some physical "limitations". He stated he has issues with his eyes, feet, and hips.

I asked him what his eye issues consisted of, and he stated he had stigmatism in both eyes, and he wears contacts to help with the correction of this. I then asked him what he does for a living, and he stated he was a mechanic. I asked to clarify what health issues he had with his knees,

Due to the health issues provided and a consult with my supervisor, Officer Antosia, it was determined that I would provide Seated Battery exercises, and the natural stigmatism would not interfere with the Horizontal Gaze Nystagmus exercises. I went back and spoke with Mr. Kozlowski and offered these exercises, which he ultimately agreed to do.

Before starting the exercises, I read Mr. Kozlowski his Miranda rights and asked where he was coming from. He stated he had just left Tiki Bar, which is located at 1109 Indian River Drive, Sebastian, where he had 3 beers.

I asked him to sit on the push bumper of one of our marked police Ford Explorer interceptors. At first, he stated he wasn't sure if he would be able to, at which time I offered the back seat of the patrol vehicle with his legs out or a park bench that was there. He stated he would use the push bumper.

I started with the Horizontal Gaze Nystagmus exercises. I had equal pupil sizes. I observed a lack of smooth pursuit on the first two passes. I had nystagmus on both eyes on passes 3 and 4. I had Nystagmus prior to 45 and should have nystagmus going up with the stimulus, a red light attached to a black rod. I had to tell him not to move his head on several occasions throughout the exercises.

The next exercises I conducted was the finger to nose exercises. I explained to him I would read the directions, demonstrate the exercise, and then ask him to perform. He stated he understood. I put him in the starting position and instructed him to stay in that position until he was instructed otherwise. Again, he acknowledged he understood. At this point, I explained the exercise and then demonstrated what was required, and he stated he understood. I had to put him back in the starting position. I asked him to start the exercise.

First was the left finger; he missed his nose, felt around until he found it. He did not immediately put his hand back to his side as he was instructed. I asked him if he remembered the instructions, and he stated yes. I advised him to return his arm to his side. I again read the instructions to him before proceeding, and again he stated he understood. I continued with the exercises and told him to raise his right finger. Again, he did not immediately return it to his side as instructed, and he initially hit the bridge of his nose and not the tip. I told him his left and again did not immediately return it and stated I did not tell him to return.

On the right finger, he had to ask once more if it was touch and go or wait to be instructed. I again read the directions. On the last two passes, he completed the exercises as instructed.

The next exercises was the palm pat. I put him in the starting position by demonstrating how I needed him to be. He was instructed once again to stay in that position until instructed otherwise. I read the instruction and demonstrated the first part of the instructions. While demonstrating, he started to do it with me after being instructed to stay in the starting position until told to start. I then finished the instructions and proceeded to demonstrate how the complete exercise would look. I advised him to start the exercise, and he stated I didn't explain the one 1 and 2 part. I again demonstrated the exercise. I again had to put him back in the starting position before I demonstrated. Once he started the exercise, I had to

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **04/18/2026** , at **22:54** (Specifically include facts constituting cause for arrest.)

Tell him to speed up as he was keeping a constant pace and was turning his hands instead of keeping them as instructed.

The next exercise was a hand coordination exercise. I again put him in the starting position and advised him to stay in that position until I told him to start. I read the directions, explained each task, and demonstrated each task. While explaining and demonstrating the exercises, he attempted to start the exercise without being told, and I had to put him in the starting position. Once I told him to start the exercise, after the clap, he did not return to the position he had left before the clap, so when he ended, the hand position was not correct, and instead of counting 5,6,7,8 on the return, he counted 1,2,3,4.

Due to the totality of circumstances, I believed Mr. Kozlowski's faculties were impaired and should not have been operating a motor vehicle. I placed him under arrest and transported him to the Indian River County Jail without incident. Once at the jail, he was read implied consent by IRC SO Deputy Rodriguez #5661, and he refused to submit a breath sample.

Mr. Kozlowski was arrested for the following charges:

FSS 316.193 Driving under the influence - Mr. Kozlowski was operating a moving vehicle while under the influence of alcohol, impairing his normal faculties.

FSS 316.1939 Refusal to submit to testing - After being read the implied consent, knowing the consequences, he still denied a breath sample to register his BAC.

This incident was captured on my body-worn camera.

Case Report # 2026-00040779

NARRATIVE

On Saturday, 04/18/2026, at approximately 2110, I responded to 3700 U.S. Highway One, Vero Beach, Florida 32960, in reference to a reckless driving call regarding a white Toyota sedan bearing New York tag Marriott.

I located the vehicle, a white Toyota Avalon bearing New York tag Marriott, travelling northbound at 4500 U.S Highway One, Vero Beach, Florida 32960, and followed the vehicle to observe the driving pattern. While travelling north behind the vehicle, I observed the vehicle swaying left and right in the outside lane, crossing on the middle line and fog line multiple times, building probable cause for a potential violation of F.S.S. 316.089(1) – failing to drive in a single lane.

I conducted a traffic stop on the vehicle at 5300 U.S. Highway One, Vero Beach, Florida 32960. I made contact with the driver and sole occupant of the vehicle, Barbara Jean Marriott (identified by her New York driver's license) and observed Marriott's eyes to be bloodshot and watery. I requested Marriott to provide me with her license and vehicle documents; while collecting the requested items I asked Marriott where she was coming from. Marriot told me that she was coming from her friend's residence in Vero Beach, while she continued to look for her registration I asked her what she was doing at her friend's house. Marriot stated she was attending a cocktail party at her friend's house; I did not ask any further questions to Marriot and she later spontaneously uttered that she had a few glasses of wine to drink.

After conducting a query of her driver's license with the Indian River County Sheriff's Office Public Safety Dispatch, I asked Marriott if she would be willing to perform field sobriety exercises to evaluate her ability to operate a motor vehicle, which she voluntarily agreed to do.

I asked Marriott if she wore glasses or had any vision impairments, she stated she uses reading glasses but did not have an eye prescription. I asked Marriott if she had hit her head, had any previous head trauma or any medical issues [REDACTED] Marriott was asked if she has any issues walking or standing on her feet, Marriott stated she is very active in exercising and has no issues standing or walking.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes. During the exercise, I observed a lack of smooth pursuit in both eyes, I observed distinct and sustained Nystagmus at maximum deviation in both eyes, I observed Nystagmus prior to 45 degrees in both eyes. I did not observe any vertical gaze Nystagmus (VGN). During this exercise Marriott had 6 out of the 6 clues that indicate impairment.

The second exercise I demonstrated and explained was the Walk and Turn exercise. During the

instructional phase Marriott was unable to maintain the starting position and started the exercise without being told to do so. After providing the instructions and demonstration I asked Marriott if she understood the exercise and its instructions, to which she stated she did. I had to remind Marriott multiple times to get into the starting position. During the exercise Marriott stepped off the line, did not take the proper number of steps, did not take heel to toe steps, conducted an improper turn and utilized her arms to maintain balance. During this exercise Marriott had 7 out of the 8 clues that indicate impairment.

The third exercise I demonstrated and explained was the One-Legged Stand exercise. After acknowledging the instructions, Marriott was told to begin the exercise. Marriott used her arms to maintain balance, put her foot down, hopped on her one leg and switched feet and was swaying while attempting to balance herself. During this exercise Marriott had 4 out of the 4 clues that indicate impairment.

Based on the totality of the circumstances I placed Marriott under arrest for the following:

- F.S.S. 316.193.4 – DUI – 0.15 OR HIGHER

Marriott was transported to the Indian River County Jail without further incident.

At the Indian River County Jail booking staff requested Marriott provide a lawful breath sample, to which she agreed to comply. Her first breath sample was 0.187 g/210L of breath and her second breath sample was 0.195 g/210L of breath.

Arrest Affidavit Report

Case Report # 2026-00040780

NARRATIVE

On Saturday, April 18, 2026 at approximately 2120 hours I was dispatched to [REDACTED] in reference to a disturbance.

Upon arrival I made contact with the victim, Jennie Orelie who advised the following:

She was inside of her bedroom when she began to hear her other family members on the porch begin to argue. "Roasting sessions" were a common occurrence on the porch and sometimes things get out of hand and verbal or physical altercations break out frequently. Tonight, she began to hear the commotion outside get loud and when she went outside to confront the other family members. The family members on the porch in an argument included, Jabriya Orelie, J'siah Lubin, Robert Singletary, Ahrajah Singletary, and Brent Sauveur. All of these subjects were outside on the porch yelling at each other and causing a disturbance in the neighborhood. Jabriya continued to the side of the residence when she kicked over a trash can in the yard. After this the neighbors came outside and began yelling at her, this prompted the subjects on the porch to go over to Jabriya and attempt to calm her down. Jabriya continued to yell at them, "get out my face" and went inside the residence. Inside of the residence, Jennie's daughter, Jabriya Orelie, threatened her with a knife inside of the house. Holding the knife like "Michael Myers" above her head in a threatening gesture. Jabriya did not attempt to slash or stab Jennie with the knife nor did she make any comments about cutting or killing her. However, Jennie was in fear that her daughter was going to take action with the knife and was in fear for her life. The subjects that were on the porch, wrestled the knife away from Jabriya, and Jabriya continued to leave the residence, throw an iron board across the road and walk away with her boyfriend J'siah Lubin. [REDACTED]

The witnesses on scene were separated and statements were collected from all of them individually. All witnesses on scene corroborated the story Jennie gave me initially, some witnesses were not present during the incident involving the knife within the residence.

Robert Singletary was present outside and inside, he advised the following:

He along with the other subject were on the porch talking, when the conversation began to turn to personal insults. Jabriya along with her boyfriend began to get defensive and began to escalate the situation due to getting offended over comments being made on the porch. Jabriya got upset, went to the side of the house, knocked over the trash can, and kicked the side of the house. Jabriya continued to go back into the residence after the subjects in the house attempted to calm her down. Jabriya then grabbed a kitchen knife off the kitchen counter and began threatening Jennie inside the house. Robert along with the other subjects from outside wrestled the knife away from Jabriya and pushed her outside of the house.

Ahrajah Singletary was present outside and inside, she advised the following:

She along with the other subjects on the porch were outside talking when the conversation began to turn aggressive. All subjects on the porch were getting angry with each other. Jabriya continued to go on the side of the residence and push over the trash can, and hit the side of the house. Jabriya continued to go back into the residence and grab the kitchen knife, and threatened Jennie sing gestures with the knife. The knife was taken away from Jabriya by multiple residents

from within the house, and Jabriya then continued to leave the residence with her boyfriend J'siah Lubin.

Brent Sauveur was present outside and inside, he advised the following:

Him along with the other subjects on the porch were sitting outside and talking. The conversation began to turn to anger due to comments being made becoming more personal and rude. Jabriya began to take the most offense, and went to the side of the residence, pushed the trash can over and continued to go back inside after they tried to calm her down due to the commotion she was causing outside in the neighborhood. Jabriya continued back into the residence, grabbed a knife off the kitchen counter and threatened residents inside of the house, Jennie in particular. Jabriya made no specific threat verbally with the knife, but soon as she grabbed it. Jabriya was grabbed by multiple people inside the house and the knife was wrestled away from her.

Jaydah Singletary was only present outside, he advised the following:

She was outside on the porch during the initial start of the incident and began to feel threatened by Jabriya's boyfriend. She went inside and initially grabbed a kitchen knife and brought it outside on the porch and put it under her on the seat in case anyone attacked her. Jaydah later went back into the residence and put the knife away on the kitchen counter, and went back outside. This conversation outside escalated further, Jabriya continued to go to the side of the house and knock over the trash can and then go back into the residence after they attempted to calm her down outside. Jaydah remained outside after this occurred and did not see what occurred within the residence during the incident with the knife between Jabriya, Jennie and the others inside.

Jabriya along with her boyfriend, J'siah, were later located by other deputies in the area and brought back to the residence for questioning.

J'siah was present outside and inside after the incident with the knife, he advised the following:

Him along with the other aforementioned subjects were outside on the porch when everyone began "showing out". He was attempting to calm down Jabriya during the whole incident but she would not listen. He saw her go on the side of the residence and kick the trashcan, however after Jabriya went back inside the residence he remained outside for approximately 5 minutes. He did not recall ever seeing a knife within the hands of Jabriya. When he walked in the residence after hearing further commotion inside, he heard Jabriya repeatedly saying "get out of my face. The two continued to leave the residence and walk off down the street.

In a post-Miranda interview Jabriya advised the following:

She initially claimed there was no physical altercation that happened tonight, then continued to say her mother starting laying hands on her first. She initially claimed she did not grab any weapon at any time during the altercation, but then later advised she did grab a knife at one point during the incident in self-defense but only ever held the knife down. Everyone mad at her and they were getting in her way so she threw the knife in the kitchen. The incident turned physical

when she felt her mother was trying to embarrass her by yelling at her in front of the subject on the porch. When she went to go inside of the residence to gather her belongings and leave, after kicking the trashcan outside. Her mother, Jennie hit her with a closed fist. She claimed she did not have any intentions by grabbing the knife, and her sister bringing the knife outside started it all. She was the only one who saw her sister, Jaydah bring the knife outside, and she grabbed the same knife that her sister brought back into the residence.

Jabriya admitted to grabbing a knife inside of the residence due to her mother hitting her, however she advised she had no intentions in using it to harm her mother or anyone inside of the residence. She claims due to her sister bringing the knife outside first, and her mother hitting her inside of the residence, she was warranted to grab the knife in self-defense.

Based on my investigation and the totality of evidence from statements gathered from all witnesses on scene. Jabriya was identified as the primary aggressor and placed under arrest pursuant to F.S.S 784.021.1a[2558] Aggravated Assault With a Deadly Weapon Without The Intent To Kill, and transported to Indian River County Jail without incident.

The knife on scene was collected and placed into evidence for processing.

AGENCY CASE #: 2026000736

REPORT DATE: 04/19/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 04/19/2026, at 00:22 (Specifically include facts constituting cause for arrest.)

On 4/19/26 at approximately 0022 hours, I, Officer W. Brumley conducted a traffic stop in the 2100 block of 10th Ave, on a red Nissan bearing FL tag# FBMV97, in reference it having a headlight out and unable to maintain its lane of travel.

It should be noted, prior to initiating a traffic stop, I observed the above mentioned vehicle traveling northbound on US1 approaching the curve to head westbound on 21st street. The vehicle was in the left lane of travel, almost missing the curve, immediately jerk left to head westbound in the right hand lane. The vehicle then straddled the center line, separating the lanes. The vehicle then occupied the left lane and then occupied the right lane to turn onto 10th Ave, where I initiated a traffic stop.

Upon approach, I made contact with the driver and sole occupant of the vehicle, identified as Demonta Coe (defendant). After explaining the reason for the stop and after asking for the defendant driver's license, he handed me his debit card. The defendant kept stating he knew he needed to get his headlight fixed, he also stated he was coming from checkers. After trying to inquire about the defendants driving pattern, I noticed he did not seem to understand what I was saying and he started rambling, repeating himself, and not forming any coherent sentences. The defendant stated he did not have anything to drink tonight, however was unable to tell me where he left from to get to checkers. I explained to the defendant my fears of him being impaired and gave him a chance to perform the field sobriety exercises to dispel any fears I may have of him being impaired. The defendant stated he did not want to preform the exercises. After a consent search of the vehicle, the defendant also consented to a search of his person, however the defendant kept reaching in his pockets after being told not to. I grabbed the defendants right arm while a backup officer grabbed his left arm to keep him from reaching in his pockets, the defendant continued to attempt to reach in his pockets. At which point we attempted to detain the defendant and due to him continuing to tense up and pull his arms away from us, the defendant was placed on the ground where we were able to gain control and place him in cuffs.

Based on the forgoing the defendant was placed under arrest for violation of FSS. 316.193(1A) DUI And 843.02 Resist Officer Without Violence.

The defendant was transported to the Indian River County Jail without incident. While at the jail, the defendant was given another chance to preform the field sobriety exercises, to which he agreed and the results are as follows:

- Horizontal Gaze Nystagmus (HGN)
- noticeable front to back sway
 - equal tracking and pupil size (both eyes)
 - lack of smooth pursuit (both eyes)
 - distinct and sustained nystagmus at maximum deviation (both eyes)
 - onset of nystagmus prior to 45 degrees (both eyes)

- Walk and Turn
- missed heel to toe on all but the first step going out
 - missed heel to toe on all step except for the first one on the return
 - did more than 9 steps on the return
 - stepped off line multiple times
 - raised arms greater than six inches for balance

- One Leg Stand
- raised left leg to start
 - did not raise leg as instructed

It should also be noted while at the jail the defendant provided a sample of his breath. Both breath tests results were 0.000. The defendant also provided a sample of his urine.

Due to his breath samples being inconsistent with his level of impairment I requested a Drug Recognition Expert to respond. Lt. K. Jaworski with the Indian River County Sheriff's Office (DRE #31515) responded to the jail to conduct a drug influence evaluation. At the conclusion of the evaluation, Lt. Jaworski advised that in his opinion as a certified DRE, Coe is under the influence of cannabis and not safe to operate a vehicle.

Arrest Affidavit Report

Case Report # 2026-00040843

NARRATIVE

On Sunday, April 19, 2026 at approximately 0202 hours I conducted a traffic stop in the approximate area of the 1600 block of 27th Avenue.

I observed a black pickup truck traveling South on 27th Avenue with an inoperable, defective, or disabled passenger headlight. I conducted a U-Turn where I was directly behind the pickup truck which I noted resembled a vehicle Sebastian Police Department had issued a BOLO for earlier in the evening. The truck displayed a Texas license plate XLK7824 (Vin# 1GCPACED0TZ178418).

As the traffic light turned green and we both proceeded south I activated my emergency equipment where the vehicle came to a final stop, awkwardly placing it's passenger side far down an embankment/grade area of the roadway. Prior to exiting my patrol vehicle I noticed the driver to make several furtive movements, as if he was frantically moving around within the vehicle. As a result, I cautiously approached the driver side where I observed a white male who's hands were visibly shaking. I recognized this behavior to be indicative of criminal activity through my training and experience as this behavior is highly abnormal during a routine traffic stop – especially over a minor equipment violation.

I questioned the driver as to why he was so nervous; to which he informed me something about having an infection in his leg. I noted this was highly unusual as a response to nervousness displayed in his hands and arms. I further noticed the driver's eyes to be bloodshot and him to make several strange movements when retrieving the requested documentation from the center console.

I collected the identification of the male, now identified by Florida Driver's License (L384080690000) as Mr. Lonnie Gene Laflam Jr. It is noteworthy that Mr. Laflam Jr was the sole occupant of the vehicle.

As I returned to my patrol vehicle, I requested dispatch confirm with Sebastian Police Department regarding any criminal charges they may have, as this vehicle was determined to be the same as the BOLO issued. I also requested a narcotics k9 to respond in part due to the extremely unusual level of furtive movements – which the driver continued to make while I was in my patrol vehicle the second time – in addition to radio traffic regarding this individual to likely be under the influence of, or in possession, of fentanyl specifically.

During this process, Sebastian Police Department confirmed probable cause for arrest of Mr. Lonnie Laflam Jr for the crime of Domestic Violence – Assault. I then detained Mr. Laflam Jr as I continued my roadside investigation.

An Indian River County Sheriff's Office K9 unit responded to the scene and conducted a free air sniff of the vehicle, which yielded a positive alert for the presence of controlled substances.

Deputy Magill responded to the scene while I was continuing my traffic stop; below is his supplement;

NARRATIVE (Continuation)

“On April 19, 2026, at approximately 0202 hours, I responded to 1600 27th Avenue, Vero Beach, Florida, as back-up to a traffic stop that was conducted by Corporal Chamberlain. Upon arrival, Corporal Chamberlain had the driver, Lonnie, and sole occupant removed from the vehicle as he was conducting his traffic stop. I walked around the truck and observed burnt tinfoil on the passenger floor board. I informed Corporal Chamberlain of my observation, but informed him that K9 Deputy Shaw was on scene, so I would let him run his K9 around the truck.

K9 Deputy Shaw conducted a free air sniff of the vehicle with his K9 partner, and informed me that his K9 partner alerted to the vehicle. I opened the passenger door and unfolded the burnt tin foil I observed on the passenger floor board.

In the center console, I found a folded-up piece of paper with a gray and white powdery substance. As I was looking inside the paper, Corporal Chamberlain approached the vehicle and informed me the driver, Lonnie, informed him he only had a vape in the car. I informed Corporal Chamberlain that the powdery substance was located right next to the vape in the cup holder.

During the search of the vehicle, K9 Deputy Shaw located a glass smoking pipe under the driver’s seat.

I took the powdery substance to my vehicle, and utilized an agency issued fentanyl drug test kit, and tested the substance, which provided a positive result. I field weighed the fentanyl in the paper I located it in, which weighed 0.81 grams. I conducted a field test of the glass smoking pipe, with an agency cocaine test kit, and received a positive result.

I turned all items of evidence over to Corporal Chamberlain.

I remained on scene until Mikes Towing arrived, I provided the driver with a copy of the Tow Sheet.

This investigation was captured on my body worn camera.

This ends this Deputy’s involvement in this investigation.”

I informed Mr. Laflam Jr of his constitutionally protected rights in the form of a miranda warning. Following this, Mr. Laflam denied knowledge of the fentanyl in his vehicle, despite it being located directly next to his position within the vehicle and the pipe being under his seat, with apparently fresh residue.

Based on the results of my investigation, probable cause exists for the arrest of Mr. Lonnie Gene Laflam Jr for the crime of Possession of a Controlled Substance (F.S.S. 893.13) and Possession of drug paraphernalia (F.S.S. 893.147).

AGENCY CASE #: 26-0718

REPORT DATE: 04/19/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **04/19/2026**, at **03:03** (Specifically include facts constituting cause for arrest.)

On April 19, 2026, at approximately 0004 hours, I was dispatched to [REDACTED] regarding a disturbance between a mother and son.

Upon arrival, I made contact with Cheryl McCormick, the victim, who summarized the following: Cheryl was lying in bed when her son, Lonnie Lafam, the suspect, barged into her bedroom without her permission. Cheryl stated that Lonnie was yelling and demanding that she return his pain pills. Cheryl did not know what he was talking about. Cheryl wrote in her witness statement that Lonnie "stood up and he bowed up in front of me." Cheryl stated that she had a legitimate and genuine fear that Lonnie could and might hurt her. Lonnie did not say anything, but his posture, the way he closed the distance between them, and the rigid stance that Lonnie had with her made her fear for her life.

After Cheryl called the emergency number, Lonnie fled the residence in a black pickup truck with Texas plates on it. Dispatch was able to send out a BOLO with the vehicle description with Texas plate XLK7824.

At approximately 0211 hours, Dispatch advised that the Indian River Sheriff's Office deputy had conducted a traffic stop at the 1600 block of 27th Avenue in Vero Beach. The Sheriff officer arrested Lonnie for other unrelated drug charges.

Lonnie was transported to the county jail by the Sheriff's deputy.

Lonnie was charged with simple assault, FSS 784.011, with the enhancement of domestic violence.

Case Report # 2026-00040844

NARRATIVE

On April 19, 2026 at approximately 02:05, I was on routine patrol in the mall parking lot located at 6200 20th Street in the area of Casa Amigo's Restaurant due to a late party event. While on routine patrol, I observed a small green sedan (bearing FL tag BG64AF), exit through the parking lot at a high rate of speed with no rear tail lights on. The back of the vehicle was blacked out and not illuminated in any way, which posed a significant safety concern.

I followed the vehicle East through the parking lot and conducted a traffic stop. I activated my red and blue flashing lights on my marked agency issued patrol vehicle. I observed two individuals inside of the vehicle. I identified the driver to be a Hispanic Female and the passenger to be a Hispanic male.

The female driver was later identified in the investigation as Susana Celena San Martin Ramirez.

Upon my approach to the vehicle, Susana appeared to be heavily impaired by either drugs or alcohol. Susana made the effort to continue to drink a bunch of water while I was speaking with her, as well as burped a few times as if she was about to throw up. Susana had red glossy eyes and slurred speech while I spoke to her. I asked for all the necessary requirements; a valid driver's license, vehicle registration, and proof of vehicle insurance. Susana provided me with her driver's license and vehicle registration that did not come back to the correct vehicle. Susana was unable to provide her vehicle insurance.

I asked Susana to exit her vehicle and step back and stand in front of my marked agency issued patrol vehicle as I saw clear signs of impairment. I asked Susana if she had consumed any alcoholic beverages. Susana stated she consumed alcoholic beverages prior to driving her vehicle. I explained to Susana that I would like to conduct a series of standardized Field sobriety exercises (SFST's) to determine whether or not she was impaired. Susana stated that she would perform the exercises.

Susana stated she fully understood and spoke English, but preferred some of the instructions to be in elaborated in Spanish. Deputy A. Ballester was on scene to assist and explained the directions in Spanish. Susana stated she understood the instructions and still wanted to perform the exercises.

The first exercise I performed was the Horizontal gaze nystagmus (HGN). During this exercise, I informed Susana to follow the tip of my finger with her eyes and her eyes only without moving her head. Susana was unable to follow the tip of my finger without moving her head. During the exercise, I observed the lack of smooth pursuit in both eyes and saw both eyes bounce and jerk while following the tip of my finger. I observed a distinct jerking motion in Susana's eyes while she performed the exercise.

The second exercise I performed was the walk and turn. I gave Susana instructions how to perform the exercise and demonstrated. During this exercise, Susana was observed using her arms for balance. Susana was unable to touch her feet heel to toe as I instructed and demonstrated to her. Susana was unable to maintain her balance while walking down the straight visible white line on the flat level surface.

The third exercise I performed was the one leg stand. During this exercise I gave Susana instructions, as well as

demonstrated how to complete the exercise. I observed Susana swaying while trying to maintain balance. Susana was unable to hold her foot approximately six inches off the ground as I instructed her to do so. Susana put her foot down numerous times throughout the exercise and was unable to complete it. At one point when the exercise was started, Susana switched her feet.

The fourth and final exercise I performed was the finger to nose. I explained to Susana how the exercise was going to be performed and demonstrated so she could see. During this exercise, I observed Susana swaying. I observed Susana unable to touch the tip of her finger to the tip of her nose during the exercise.

Whichever exercise Susana needed help understanding and more clarification, Deputy A. Ballester explained to her in Spanish. Deputy Ballester stated she informed him that she had a clear understanding on how to complete it.

From my interaction with Susana and the totality of her performance on the exercises, it was evident that Susana was operating a motor vehicle under the influence of alcohol or drugs.

Susana was placed into custody and set into my marked agency issued patrol vehicle. Susana was read her Miranda Warnings and she advised she understood them. Post Miranda, Susana stated she did not want to speak with law enforcement anymore.

Furthermore, I gathered Susana's personal belongings out of her vehicle to bring with her to the jail. Susana's belongings included her cellphone and her personal hand-held wallet that was directly underneath her front driver's seat where she was sitting. Inside of the wallet were credit cards and other identifying information that had Susana's name on them. Inside of Susana's wallet was a clear plastic baggie with white powdery substance inside.

Upon arrival to the jail facility, the white powdery substance tested positive for methamphetamine and cocaine. The narcotics were tested using agency issued field test kits.

Inside the jail, Susana's money that was inside her wallet was being counted and sorted. There were currency bills rolled up inside of her wallet that had a significant amount of white substance on them. The white powder was again tested and tested positive for cocaine using cobalt liquid testing solution. Pictures of this incident were taken inside of the jail and uploaded to Axon Evidence.

While at the jail, Susana had the opportunity to submit to a lawful breath test. Susana provided two samples of her breath while at the jail.

Sample #1: 0.083

Sample #2: 0.084

The narcotics that Susana had in her possession were submitted into Crime Scene for Evidence.

AGENCY CASE #: 2026000738

REPORT DATE: 04/19/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 4/19/25 at approximately 0415 hours, I Ofc. Kriegner, was driving southbound on Ocean Drive when I approached the 4 way stop at the intersection of Ocean Drive and Beachland Boulevard. I observed a white sedan stop at the stop sign facing east on Beachland Boulevard. The vehicle stopped for a significant amount of time before continuing to drive. The vehicle then made a left onto Ocean Drive. At the 3400 block of Ocean Drive, the vehicle turned it's right blinker on, then the left before abruptly turning left onto Azalia Lane. The vehicle then turned around in a parking lot before traveling southbound on Ocean Drive. I observed the vehicle travel to Club Drive before making a left turn into a vacant driveway of a residence. The vehicle then turned back onto Club Drive traveling north. I also observed the vehicle to have improper taillights (left taillight was white not red).

I conducted a traffic stop at the intersection of Sandfly Lane and Club Drive. When I approached the driver's side of the vehicle, the driver (identified as Rigoberto Ortiz-Lopez via Florida DL, later correctly identified as Ulisis Ortiz-Lopez) and the passenger (identified as Alexis Olvera) stated they were trying to locate the beach. While Ulises spoke, his speech was slurred and his eyes were drooping and watery. When I requested his driver's license, he stated it was in the back seat, I requested him to grab it in order to identify him. He grabbed the backpack and attempted to hand it to me; I requested him to retrieve the driver's license from the backpack to which he stated it was actually in his pocket and handed me a driver's license from his pocket. After confirming through Vero Beach Communications, I was informed that Ulisis did not have a valid license. At this time I believed Ulisis to be under the influence and requested him submit to SFSTs to which he consented. Ofc. Hernandez conducted the SFSTs and I observed. The observations are as follows:

PROBABLE CAUSE STATEMENT

- During the Horizontal Gaze Nystagmus test
Unable to follow directions, turning head while following the light
Nystagmus was visible in both eyes at maximum deviation
During the Walk and Turn Test
Unable to follow directions, starting exercises before instructed
Using arms for balance
Not counting out loud
Incorrect number of steps (10 steps in both directions)
Improper turn
Stepped off the designated line at multiple steps
During the One Leg Stand Test
Started exercise before instructed
Unable to maintain balance
Not counting out loud
Using arms for balance
Unable to lift foot 6 inches from the ground
When foot fell to the ground, did not continue counting from where he left off, restarted count
Frequent stops
During the Finger to Nose Test
Did not bring fingers to nose

Based on my observations of the SFSTs, Ulisis was placed under arrest for violating FSS 316.193 DUI as well as FSS 322.03 Operating a Motor Vehicle without a valid license and was transported to the Indian River County Jail.

While in route to the jail, I asked him if I was pronouncing his name correctly to which he responded, "that's my brother's name". I then asked him if the driver's license that he provided to me was his. He did not respond. At the jail, he was correctly identified as Ulisis Ortiz-Lopez, via Rapid I.D. Due to providing a false identification, he was also charged with violating FSS 322.32 Unlawful Use of a License.

Jail staff conducted the Breath Alcohol Test, the first breath sample showed a reading of .209, the second breath sample showed a reading of .200.

Arrest Affidavit Report

Case Report # 2026-00041020

NARRATIVE

On Sunday, April 19, 2026, at approximately 1530 hours, I responded to 861 46th Avenue in reference to a residential burglary. Dispatch advised that an unknown female walked into the residence and began taking items out of the house. The female was wearing a purple dress and had sunglasses and blue hat on. Dispatch advised that the residence was a transitional housing unit and the female's name was Jennifer Rillhart (unsure of the spelling). The female then left in an orange Scion and drove towards 58th Avenue on 8th Street.

I observed an orange vehicle matching the description traveling west on 8th Street in the 5300 block. The driver was wearing a blue hat. I made a U-turn and got behind the vehicle, 2012 orange Chevrolet Sonic bearing FL tag JENL39, on 8th Street just east of 58th Avenue. I attempted to stop the vehicle as the light changed to green. The Sonic made a right turn and continued to travel north on 58th Avenue and finally came to a stop in the Sam's near the loading area. The driver, who was later identified as Jennifer Brillhart, exited the Sonic and began walking towards the entrance of the Sam's. I approached Brillhart and placed her in handcuffs. As soon as the second unit arrived on scene, I placed Brillhart in the back of my patrol vehicle. Brillhart appeared to be extremely incoherent. Brillhart began talking to herself and said things that did not make sense. She then advised that she only went there to pick up her belongings without me asking her about the incident.

Deputy Munni responded to the residence and took following statements from the residents and relayed them to me.

Brendon Collom stated he heard someone ring the doorbell. When he went to answer the door, he was greeted by an unknown female, who pushed her way passed him and went inside the residence. Collom stated the female then went to the back porch and started to grab various items (pool sticks, portable grill, pool chair), and saying that they were hers and she was taking them. Collom stated as she was grabbing the items, he would take them from her. Collom stated the female left through the front door and drove away.

Joseph Quinn stated he saw the unknown female enter the residence and start grabbing items as she was walking past them. Quinn stated he was not intimidated by her due to her age, and was taking the items from her as she was grabbing them.

House manager, Shaunna Fiveson, on duty stated the same as Collom and Quinn, but also said she learned the female was a past resident of the location and trespassed upon her moving out several months ago.

No one on scene knew who she was, as they moved into the rooming house after she moved out.

House owner, Lisa Isaac-Langley, stated she wanted to pursue charges.

Arrest Affidavit Report

Case Report # 2026-00041012

NARRATIVE

On April 19, 2026, at approximately 1454 hours, I arrived at [REDACTED] in reference to a welfare check. Upon my arrival, contact was made with Jessica Hall, who advised the following verbally:

Jessica was driving down 27th Avenue and when she reached 12th Square SW, she noticed a vehicle pulled over on the side of the road of the intersection. Jessica also noticed there was an adult woman out with a very young child, later identified as [REDACTED] on the corner of the intersection wearing nothing but a diaper. Jessica and her husband stopped their vehicle and approached the woman. The woman informed Jessica that [REDACTED] was running at the corner of the roadway right near traffic.

Jessica tried to speak to the child, but [REDACTED] did not speak. Jessica said [REDACTED] was no more than one to three feet away from being in the lane of traffic on [REDACTED]. Jessica then spoke with a resident in the area, Martha Salvador Trejo. Martha explained [REDACTED] lived at the home address mentioned above. Jessica then called law enforcement.

I then spoke with Martha who advised the following verbally:

Martha confirmed [REDACTED]. Martha informed me that this is a reoccurring issue with the family. Martha did not know the names of the people that lived at the address where [REDACTED] lived, but she said there are multiple children inside the home and they constantly get out and run into the middle of the roadway at the intersection of [REDACTED].

I immediately went up to the home address mentioned above and tried knocking on the door. The door was a glass door and see through, but there was a curtain in front of the door. A few moments after knocking another young juvenile, later identified as [REDACTED] came to the door. I tried speaking with [REDACTED] but [REDACTED] was unable to communicate and it was apparent [REDACTED] suffered from some sort of mental disability. I knocked hard on the door, but no adults were seen.

As I stood at the door, [REDACTED] came to the door again and this time, [REDACTED] was holding a knife with an approximately four-inch blade that was sharp in [REDACTED] hand. I immediately told [REDACTED] to drop the knife, but [REDACTED] did not, so I maneuvered my arm through a gap in the front door and grabbed the knife. [REDACTED] then ran away and I placed the knife away outside.

I then began calling through the gap of the door. I yelled "Sheriff's Office" and "Policia" multiple times very loud and no one answered. D/S K. Montgomery was on scene and was walking all around the property trying to knock on doors and windows. D/S K. Montgomery was unable to locate anyone.

While trying to continue to contact an adult, [REDACTED] kept coming to the door. At this time, I could see a second child, later identified as [REDACTED] in the home as well and playing in the living room. It was clear [REDACTED] also had a mental disability and was non verbal as well. Both children were running up furniture that was anywhere from two to four feet in height and were standing on them at their highest point rocking their

bodies back and forth. [REDACTED] was even climbing and standing on the home entertainment system where the television was.

A little while later, [REDACTED] came to the door. When [REDACTED] moved the curtain, I noticed [REDACTED] had another knife that had a blade of approximately fourteen to eighteen inches and was serrated in [REDACTED] hand. I immediately reached in the door and [REDACTED] reached with [REDACTED] hand holding the knife above [REDACTED] head with the knife pointed downwards. I was able to grab the knife and remove it from [REDACTED]. I was able to place the knife in a secure place outside.

Eventually, a woman later identified as Scarlett Perez-Garcia, appeared in the living room. I told Scarlett to open the door and she did. Scarlett was asked how many children she had and she said three. I asked Scarlett how many children were in the home and she three. At this time, [REDACTED] was still outside and safe, so I asked Scarlett again how many children she had. Scarlett looked around and a look of fear was seen and she asked where her third child was. I informed [REDACTED] that [REDACTED] was fine and was located outside the home near the roadway.

While speaking with Scarlett she was verbally advised her Miranda Rights. Scarlett said she understood them and wished to speak with me about the incident. Scarlett advised the following verbally post Miranda.

[REDACTED] Scarlett confirmed [REDACTED] [REDACTED] Scarlett informed me she was doing laundry in the back yard of the home and cleaning the home today. Scarlett had all three children in the living room and thought they were fine. Scarlett was asked what took so long for her to answer the door (it had been thirteen minutes since I had arrived on scene until she answered the door) and she said it was because she was doing the laundry outside in the back of the home.

I informed Scarlett that while trying to get her to answer the door, [REDACTED] had grabbed two knives and I had to grab them from [REDACTED]. Scarlett had no idea that this occurred. I told Scarlett that I watched [REDACTED] climb up furniture and put themselves in danger multiple times and she was completely unaware of this, but she did say she knows the children constantly do things like this. Lastly, I informed Scarlett where [REDACTED] was located and she said she had no idea how [REDACTED] ran out of the home because she had locked the front door. I informed Scarlett the handle of the door was unlocked and even though there was a chain on the top of the door, it was too long and created space for a small child to get through and that was how I was able to get the knives.

Upon further investigating this matter, I located three previous incidents at this location in which a child was found running in the street of the intersection mentioned above. The following incidents were 2025-135852, 2026-1666, and 2026-37723. Each incident involved one of the three children getting out of the home and a good Samaritan locating the children near the same intersection mentioned above. Law enforcement recovered the children each time and it was not until later that Scarlett would realize the child was missing. For two previous incidents, Scarlett mentioned that she thought the front door was secured and she would leave the children in the living room to do

play and the children would get out.

I continued speaking with Scarlett and she confirmed these incidents did occur. Scarlett said she located the children herself during these incidents. I informed Scarlett that I read the reports and each time, the children were located by a good Samaritan, and it was not until law enforcement arrived that she would be found and informed the children ran away. Scarlett ultimately said that was correct.

While inside the home, the home was in a complete disarray. There was trash all over the home and the home smelled of a foul odor I had never smelled before and could not describe. I did confirm there was food and water for the children. There were numerous trash bags that were in the kitchen, as well as two crates stacked on top of each other. Each crate had multiple puppies inside them.

The children did have a room and a bed to sleep in, but the bed did not have sheets and only had a blanket. I also noticed right next to where the children were standing, there were a pair of scissors on the ground and were accessible to the children. I asked Scarlett why there were scissors on the ground and the knives were accessible for [REDACTED] to grab and she did not have an answer.

Let it be noted, [REDACTED] Miguel Esquivel-Aparicio, lived at the home as well. Miguel was not present during this incident because he was at work. It was later confirmed by both Miguel and Scarlett that Scarlett never told him about the previous incidents before because she was too embarrassed and ashamed to tell him.

Also, it was approximately thirteen minutes from the time we tried getting Scarlett's attention at home until she had answered the door. The call originally came out at 1443 hours, therefore; there was at least a time delay of approximately twenty-four minutes in which Scarlett had no idea [REDACTED] had run from the road and wandered near an intersection. Let it be noted as well, the intersection the child was located at has a very high volume of vehicular traffic.

Based on the information above, I believe Scarlett willfully failed to provide the children with the care and supervision that a prudent person would consider essential for the well-being of the children. I believe the unsupervised activities Scarlett allowed constituted willful and wanton conduct that endangers the health or safety of the children. The things I observed the children do today could reasonably be expected to result in, serious physical or mental injury, or a substantial risk of death, to a child.

I found probable cause Scarlett was in violation of F.S.S 827.03.2D; neglect of a child without great bodily harm. Scarlett was subsequently arrested and was later transported to the Indian River County Jail without incident.

NARRATIVE

On Sunday, 04/19/2026, at approximately 1921, I was dispatched to 1705 38th lane, Vero Beach, Florida 32960, in reference to a trespassing investigation.

Upon arrival I located the suspect, identified as Alfred Lee Clark, inside of the residence which was under construction. Clark stated he was doing construction work on the residence and was given permission to be there by the property owner. Clark was unable to provide the name of the property owner, any phone numbers of the property owners or any documentation that would prove that he was allowed access to the facility. Deputy Consalo advised me that he spoke with Clark on 03/30/2026 referencing Indian River County Sheriff's Office (IRCSO) Case#2026-33546 and advised Clark that he needed to have documentation or verifiable information that the property owner allowed him onto the property or he would potentially be in violation of F.S.S. 810.08(2)(a) – Trespassing in a Structure or Conveyance.

I was advised by the IRCSO Public Safety Dispatch that there is an active Blanket Trespass Warning Referencing Case#2025-23577, where the property owner stated there is on-going issues with homeless people entering the property.

At the time of this investigation, Alfred Lee Clark was inside of the residence at 1705 38th lane and was unable to provide any documentation or verifiable proof that the property owner allowed him into the property. Clark was told previously by law enforcement on 03/30/2026 hat he was trespassing on the property and would be subject to arrest after receiving this warning.

Based on the totality of the circumstances, I placed Alfred Lee Clark under arrest for the following:

- F.S.S. 810.08(2)(a) – Trespassing in a Structure or Conveyance.

Clark was transported to the Indian River County Jail without further incident.

Arrest Affidavit Report

Case Report # 2026-00041121

NARRATIVE

On April 19th, 2026, at 2221 hours, I observed a green motorcycle with a blue headlight traveling at a high rate of speed, northbound on Indian River Boulevard from the 3700 block. It should be noted that Deputy Magill and Cpl. Ballester had just conducted a traffic stop on a green motorcycle with a distinctive blue colored headlight, at the 1600 block of Indian River Boulevard. As the motorcycle continued northbound from the 3700 block towards my direction, where I was sitting in the median of the roadway; I heard the motorcycle downshift and proceed to accelerate to speeds even more excessive than then previously traveling.

Just before the motorcycle passed me and was within a distance where the driver of the motorcycle could see my marked patrol vehicle facing southbound, sitting in the middle of the roadway, I visually estimated the motorcycle to be traveling at speeds excess of 120mph. As the driver passed me, he immediately braked to slow his speed. It should be noted that I observed the motorcycles rear brake light to be illuminated for the entire duration it took me to turn around on the motorcycle. After conducting a U-turn to attempt to catch up to the motorcycle, I accelerated to speeds as high as 97mph, and was still unable to close distance to affect a traffic stop on the motorcycle through the 4100 to 4500 block of Indian River Boulevard.

It should be noted that the posted speed limit was 45mph, and while traveling at 97mph, after the driver had already braked and let off the throttle, I was unable to get close enough to the motorcycle to conduct a traffic stop until just south of the intersection of Grand Harbor BLVD / Indian River BLVD. After conducting the traffic stop, the driver, later identified as Joshua Dustin Coburn, expressed that he was just pulled over for speeding and that he was sorry and was just trying to get home.

I detained Joshua without incident and placed him in the rear passenger compartment of my agency issued patrol vehicle where I advised him of his Miranda Rights. Post Miranda, Joshua expressed his understanding of his rights and agreed to speak with me. Joshua advised he was unsure of his speed as he expressed that he just tucked his head down, downshifted, and got on it, without looking at the speedometer. Joshua became argumentative and advised he believed he was being set up by law enforcement, due to him being pulled over, 22mins earlier. Joshua expressed his understanding that he was just cut a break by Deputy Magill and admitted that his actions were stupid.

Through my investigation, I found Joshua Dustin Coburn, to be in violation of;

- FSS 316.1922(1)(a), Dangerous excessive speeding – in excess of the speed limit (45mph) by 50mph or more (paced at 97mph). Citation #AMNZJ2E

Arrest Affidavit Report

Case Report # 2026-00041119

NARRATIVE

On Sunday, April 19, 2026 at approximately 2215 hours I was dispatched to [REDACTED] in reference to a disturbance. All parties on scene were separated and interviewed separately.

Upon arrival, I made contact with the suspect, Kaydin Goble who advised the following:

Her and her mother, Amanda Jackson was involved in a verbal disagreement over Kaydin's boyfriend, Josiah Hunt. Her mother was upset with Josiah staying the night for multiple nights in a row and approached her to talk. Amanda was screaming at her over her boyfriend and came to her room, got in her face and Kaydin continued to push her in the chest away from her. Following this push, Amanda began to punch Kaydin repeatedly in the face, making her fall to the ground. Amanda continued to get on top of her a punch her in her head. Josiah then got in between the two, a got Amanda off of Kaydin, and pushed her away from Kaydin. This resulted in a cut on the inside of her lip which was bleeding.

I made contact with Kaydin's boyfriend, Josiah who advised the following:

Kaydin and her mother, Amanda first started fighting via text while inside of the same house. Amanda came to the room they were in and got in Kaydin's face. Kaydin continued to push her Amanda in the chest, Amanda began to punch Kaydin in the head approximately 6 times, and Kaydin fell to the ground. Amanda continued to get on top of Kaydin and punch her in the head approximately 4 times. This is when he stepped in to break up the fight and push Amanda away from Kaydin, towards the bathroom.

I made contact with Amanda, who advised the following:

Her and her daughter, Kaydin were arguing via text message in the same house. She went to her room to talk to her in person. Kaydin continued to push her and then unprovoked punch her in the face multiple times. Once Kaydin punched her in the face, she punched her back in self-defense. The boyfriend then got into the middle of them and this is what resulted in Kaydin falling to the ground. She did not get on top of her daughter and continue punching her. This resulted in Amanda having observable injuries including a nose bleed and a scratch on the back of her left shoulder.

Amanda's son, Jace Mcmath (10 YOA) was present during the incident and corroborated with his mother's statements, offering the same recollection of events that took place during the incident.

Due to all parties involved advising that Kaydin was who pushed her mother first, she was identified by the primary aggressor for the incident and placed under arrest pursuant to F.S.S. 784.03.1a1[2560] – Battery Touch or Strike. Conflicting statements from all parties surrounded who was the first out of Amanda or Kaydin to punch the other first. It is certain that Kaydin was the first to push Amanda. Kaydin was transported to Indian River County Jail without incident.

REPORT DATE: 04/20/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **04/20/2026**, at **01:56** (Specifically include facts constituting cause for arrest.)

On Monday, April 20, 2026 at approximately 0156 hours, I was conducting an area check at 1001 Sebastian Blvd, Sebastian, FL 32958 (North County Library).

While conducting the area check, I observed a black male subject laying behind the bushes next to the building. I made contact with the subject who was identified through his Florida Driver's License as Kwamane Spear. Kwamane was ran by dispatch through ELVIS. Dispatch advised that Kwamane had a civil arrest pickup order for failure to pay child support in the amount of \$1500.00 issued by the Indian River County Sheriff's Office (Warrant number : 20181398FR).

A request for confirmation was sent to the Indian River Sheriff's Office and confirmed to be active.

Kwamane was placed into mechanical restraints and then transported to the Indian River County Jail without incident.

This concludes my involvement in this case.
