# Arrest Affidavit Report

Case Report # 2025-00092873

#### NARRATIVE

On Saturday, August 30, 2025, at approximately 0119 hours, I responded to the Indian River County Jail (4055 41st Avenue) in reference to a disturbance.

Upon arrival, contact was made with, Sgt. While who provided me with video of the disturbance. While viewing the video, I observed an inmate, later identified as Tammy Murphy, throw what appeared to be water on another inmate, later identified as Olivia Smith. It should be noted that Murphy was the only one observed in the video throwing water.

Contact was then made with Smith, who stated she was in her bed speaking with another inmate (Amanda) when Murphy approached Smith, she grabbed Smith's cup, and then proceeded to throw the water from inside the cup onto Smith. Smith continued to state that Murphy again filled up the cup with water and proceeded to throw water on her again. Smith stated she wished to press charges on Murphy as a result of the incident.

I then made contact with, Murphy; I read her Miranda Rights from my agency issued card. Once I finished reading Murphy her Miranda Rights, she stated she understood her rights and then spontaneously uttered "what just happened was self-defense." Murphy then declined to continue speaking with me without her lawyer present.

Based on the aforementioned facts, both Murphy and Smith being incarcerated at the Indian River County Jail, Murphy is found to be in violation of F.S.S. 784.082 – Battery on a Detained Person.

Defendant William Nicholas Katsanis violated Florida State Statue 812.014(2E1) by knowingly and intentionally permanently depriving the Shell Gas Station of a Budweiser beer and Natural Ice beer by walking past the point of sale without purchasing.

Defendant William Nicholas Katsanis violated Florida State Statue 810.09(2a) by knowingly and intentionally entering into the Shell Gas Station after being trespassed on for one year on July 28, 2025 and remaining inside the property to take a beer without purchasing it after the store manager instructed him he had been trespassed from the store and could not be there.

Defendant William Nicholas Katsanis violated the City of Vero Beach Ordinance 6-10 open container by being in possession of an alcoholic beverage or consume an alcoholic beverage while on the sidewalk in plain view of the public. Katsanis was drinking a Budweiser beer 24 ounce and began to pour it out upon arrival of the police to his location.

On August 29, 2025 I responded to 1615 US Hwy 1, Vero Beach, Florida 32960 in reference to a male that was previously trespassed from this location whom had just stolen beer.

Upon my arrival I made contact with Bobbi Sue Flores who is the manager of the Shell Gas Station. Flores stated that a hispanic male was in her store that had been previously trespassed. Flores stated she informed the male that he could not be in the store. Flores stated at this time he opened the beer fridge and took two beers and ran out of the store and jumped on his bicycle. Flores described the male and having on a tank top with a bandana and shorts.

Sergeant G. Plumb (#461) and Corporal J. Brumley (#415) were patrolling the area reference the BOLO given of the description of the male. They saw Nicholas William Katsanis three blocks down the street on 19th Street by the BP Gas station wearing a brown tank top, fishing cargos, a bicycle and a open Budweiser beer in his hand consuming it. When the officers approached he began to pour out the beer on the sidewalk.

I conducted a show up at 8:45am with Bobbi Sue Flores seated in the rear passenger seat of my marked patrol vehicle #54. Flores positively identified that Katsanis was the male that stole the beers from the store and was previously trespassed.

Upon doing a records check through Vero Beach Communications I was able to confirm that Katsanis was previously trespassed on July 28, 2025 under CFS #072825-50 by Badge ##449.

This officer does find probable cause for the arrest of Nicholas William Katsanis for Petit Theft, Open Container, and Trespass after warning.

Katsanis was handcuffed, searched, and transported to Indian River County Jail in marked patrol unit #54 without incident.

All of these incidents did occur within the city limits of Vero Beach.

My BWC was active during this entire investigation.

ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960

Case Report # 2025-00092760

#### NARRATIVE

On August 29, 2025, at approximately 1802 hours, I noticed a blue Mazda bearing Florida tag 68DTBW, at the 900 block of Old Dixie Highway, on the sidewalk.

As I drove by, I visually saw a male later identified as Ryan M. Hayden on the driver seat in actual physical control of the vehicle. When I exited my vehicle, Ryan stepped outside of the driver door and started walking away from the vehicle.

As I interacted with Hayden, I observed several physical signs of impairment: Hayden stepped out of the vehicle and was unsteady on his feet. Hayden was slurring his words and was emitting a strong odor of an alcoholic beverage from his person and his breath. Hayden immediately stated that he was not driving but rather pushing the vehicle off the road. Hayden stated that the passenger Joseph E. Archer, was driving not him. Hayden also stated that he does not have a valid driver's license. Hayden stated that he just got a DUI recently on August 23<sup>rd</sup>, 2025. After speaking with Archer, he stated that they came from the speak easy bar and that Hayden was driving because he does not have a valid license. Hayden admitted to drinking at the moose lounge and at the speak easy bar.

I became concerned Hayden was impaired beyond his normal faculties by alcoholic beverages or chemical or controlled substances.

To dispel my concerns, I asked Hayden if he would participate in a series of standardized field sobriety exercises, to which he agreed. Deputy Neill asked Hayden a series of medical questions to ensure he could participate in field sobriety exercises. Hayden stated that he had no physical defects, was not sick or injured, did not have epilepsy or diabetes, did not wear contacts but did wear glasses.

All field sobriety exercises were explained and demonstrated proficiently prior to Hayden beginning each exercise and I confirmed that Hayden understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed at an estimated 35-degree angle. Vertical Gaze Nystagmus was not observed due to Hayden not cooperating with the exercise.
- 2.) WALK AND TURN Hayden could not stand in the starting position, did not have his arms by his side, took 12 steps forward, did not step heal to toe, did not count out loud, was unsteady on his feet, did not take small series of steps on the turn, took 13 steps back in the opposite direction.

#### NARRATIVE (Continuation)

3.) ONE LEG STAND – did not extend his leg, was unsteady on his feet, his arms were above 6 inches from his side, placed his foot down at approximately 20 seconds, did not attempt to finish.

Overall, Hayden performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on August 29, 2025, Hayden was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

Hayden was arrested for DUI at 1849 hours and was advised of the charge. After searching Hayden and placing him in the back of my patrol vehicle. Deputy Neill asked if he had any contraband on his person. Based on the arrest, a search of the vehicle yielded and open container of an alcoholic beverage called Bush light. During the search a clear plastic bag was found under a Vape that appeared to be torn. In the center console area Deputy Neill found a clear plastic bag with a white powder like substance that appeared to have been ripped from the clear bag on the driver door. Inside the clear bag was a rolled-up dollar bill with the white powder like substance inside of it.

I then read Hayden his Miranda rights which he waived and agreed to speak with me. Post Miranda, Hayden stated that the Vape on the driver side was his, when asked about the clear bag, he stated it wasn't his, when asked what it was, he stated cocaine. When asked why it was on the driver side next to his Vape, he stated he doesn't know and once again blamed the passenger Archer.

Upon field testing the white powdery substance, it yielded positive results for cocaine.

I took Hayden into custody without incident and transported him to the Indian River County Jail.

After I arrived at the jail, Deputy Sheriff Hiss advised me that Hayden refused to provide a breath sample.

Based upon my investigation, I charged Hayden with the following:

- F.S.S. 316.193.1a Driving under the influence. Citation #AM5W7FE
- F.S.S. 322.34(2)(a) knowingly driving without a license. Citation # AG04IYE
- F.S.S. 893.13 possession of a controlled substance. Citation # AG04JPE

On 08/29/25, while on routine patrol traveling southbound on Indian River Blvd, I observed a grey sedan traveling ahead of me in the far right lane. I then conducted a registration check by running the vehicle license plate through the E.L.V.I.S database. Upon receipt of the query response, I learned that the registered owner of the vehicle did not have a valid driver's license.

I initiated a vehicle stop by activating the emergency lights on my patrol vehicle. Once stopped, I made contact with the vehicle's driver. Upon making contact with the driver, who I later identified as Christopher D. Williams (DOB: 10/01/1989), he immediately stated "I know I'm going to jail, I don't have a valid driver's license."

It should also be noted marijuana smoke was exiting from the vehicle upon approach of the passenger side. I questioned Williams if he had a Medical Marijuana card to which he stated he did not and explained he discarded/destroyed the marijuana he had into a bottle.

Williams then handed me a Florida ID card. I then ran Williams information through Vero Beach Communication which confirmed Williams did not have a valid Florida Driver's License and that it was suspended indefinitely on 06/02/2025.

Williams was then placed under arrest and issued a criminal citation (#ALZP6CE).

Williams was then transported to the Indian River County Jail for processing and booking held on a \$500 bond.

PROBABLE CAUSE STATEMENT

REPORT DATE: 08/30/2025 TYPE:

ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: 08/30/2025 On (Specifically include facts constituting cause for arrest.)

On August 29th, 2025, at approximately 2116 hours 1 responded to the area of 1451 Sebastian Boulevard, Sebastian, Florida, in refrence of a traffic accident.

Prior to arrival Sebastian Police Department dispatch advised the driver of the truck had gotten out of the vehicle and was stumbling around and falling on the ground.

I made contact with the suspect, Bradley Kettlewell, who was out of his vehicle and was shaking. I immediately detected the odor of an alcoholic beverage emitting from his person, Kettlewell also needed to support himself on the bed of his truck while speaking to myself. Officer Hatton then went onto the driver side of the truck and located a used syringe behind the driver seat. I then asked Kettlewell to place his hands behind his back which he turned around but tensed him arms and straightened them out, attempting to defeat myself and Officer Hatton placing him in handcuffs. Kettlewell was then placed into handcuffs and placed in the rear seat of my patrol vehicle. While in custody, Kettlewell was convulsing, drooping his head down, based of my training and experience these signs indicated to me Kettlewell was under the influence of an unknown narcotic.

Officer Hatton made contact with witness, Zachary Long, who stated he observed the truck strike the other vehicle, and continue driving in the parking lot and run over a curb. . Long stated he observed the truck park and Kettlewell exit the vehicle from the driver seat and stumble around. Long stated he saw Kettlewell fall and rest on the tailgate.

Sebastian River Medical Engine 15 responded on scene and was unable to get vitals on Kettlewell. While speaking to medical staff, Kettlewell admitted to using fentanyl prior to the accident. Engine 15 then transported Kettlewell to Sebastian River Medical Center for medical clearance at 2152 hours.

At 0105 hours Kettlewell was medically cleared by Sebastian River Medical Staff, I then transported Kettlewell to Indian River County Jail for processing.

At Indian River County Jail, Kettlewell agreed to preform field sobriety exercises.

The following exercises were performed:

- HORIZONTAL GAZE NYSTAGMUS No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed. Vertical Gaze Nystagmus was observed.
- WALK AND TURN A straight line of duct tape was used for the exercise . Kettlewell multiple times failed to maintain the starting position, and multiple times during the test stepped off line. Kettlewell moved his hands outward to keep his balance as well.
- 3.) ONE LEG STAND Kettlewell failed to maintain the starting position, Kettlewell utilized his arms for balance.

While at the jail, Deputy Sheriff J.Hiss, advised me that Kettlewell agreed to provide a breath, had a breath alcohol concentration of 0.00 grams per 210 liters of breath and 0.00 grams per 210 liters of breath.

Kettlewell then agreed to provide a urine sample.

Based upon my investigation, I found that Kettlewell was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

## NARRATIVE

On Saturday, August 30, 2025, at approximately 0200 hours, I was travelling North on 27<sup>th</sup> Avenue at the intersection of 16<sup>th</sup> Street, Vero Beach, Florida. As I approached the intersection, I observed a dark in color sedan travelling at a high rate of speed with white lights emitting from the wheels. The vehicle was driving so fast that it momentarily went Airbourne as it crossed the intersection.

I proceeded behind the vehicle as it continued West on 16<sup>th</sup> Street, visually estimating the vehicle to be travelling at 90 miles per hour. I activated my agency issued Stalker DSR 2X radar unit, at which point it confirmed the vehicle was travelling 92 miles per hour in a posted 30 mile per hour zone. This was confirmed by the visual reading on the unit along with the clear and consistent doppler tone.

The vehicle came to a stop at the intersection of 43<sup>rd</sup> Avenue and 16<sup>th</sup> Street due to a steady red light at which point I was able to get behind the vehicle initiating a traffic stop. The vehicle came to a final stop at the 5100 block of 16<sup>th</sup> Street. The driver was instructed to turn off the vehicle, and contact was made with the driver, Maximiliano Porras-Mendoza. Mendoza stated he had lost his driver's license as the reason he was unable to provide it to me; however, Mendoza provided me with a medical marijuana card.

Due to the fact that Mendoza was travelling in excess of 50 miles per hour over the posted speed limit, pursuant to Florida State Statute 316.1922 (1)(A) Mendoza was placed into custody.

Further investigation revealed that Mendoza has been suspended indefinitely most recently on 08/26/2025 for failure to pay traffic fine out of Martin County, Citation#: ALM6MCE with a notice provided date of 08/06/2025. Mendoza has also been suspended on 08/25/2025 out of Brevard County, citation#: ALC7AQE, 08/11/2025 out of St. Lucie County, Citation#: AIRI0WE, 07/28/2025 out of St. Lucie County, citation#: AL6QC9E.

It should be noted that there were no reinstatements to Mendoza's driver's license listed on DAVID, and his license was labeled as suspended indefinitely. It should also be noted that Mendoza had an old Florida driver's license in the center console with the corner cut off, and marker over the face stating suspended.

Due to the facts and circumstances previously mentioned, the fact Mendoza has been notified numerous times of his suspension, and was willingly operating his motor vehicle travelling in excess of 60 miles per hour over the posted speed limit, I find probable cause to charge Mendoza with the following:

Count 1: Dangerous Excessive Speeding, Citation#: AM2M1DE.

On 08/30/25, at approximately 0222 hours, 1 observed a silver Toyota bearing Florida tag#AG95TU approaching the intersection of 17th St and Indian River Blvd.

- I then conducted a registration check by running the vehicle license plate through the E.L.V.I.S database. Upon receipt of the query response, I learned that the registration of the vehicle expired on 08/23/2025.
- I initiated a vehicle stop by activating the emergency lights on my patrol vehicle. Once stopped, I made contact with the vehicle's driver who I later identified as Geneane M. Prominski (DOB: 08/23/1974) and the passenger (A1) Scott L. Marsano (DOB: 08/19/1976). It should be noted A1 stated "I have a Medical Marijuana card" and presented the card before any questioning.
- I then asked Prominski if she would consent to a search of the vehicle, which she denied. I then requested that K-9 Officer Doty respond to the scene. I requested both occupants to then step out of the vehicle. K-9 Officer Doty then utilized his K-9 partner and conducted an exterior sniff of the vehicle for the odor of illegal narcotics. K-9 Officer Doty stated that his K-9 partner positively alerted to the Toyota.
- A search of the vehicle was then done to which a small grey bag was located on the passenger side floorboard. Inside the small grey bag, a white marijuana container prescribed to A1 was located as well as a white pain reliever bottle containing white pain pills along with a clear baggie containing a crystal like substance inside. Based on my training and experience I believed the substance to be methamphetamine. The crystal substance later field-tested positive for the presence of methamphetamine. A1 was then detained for further investigation.
- A1 was then read his Miranda Warnings, which he understood and agreed to answer my questions. A1 stated the small grey bag belonged to him as well as the contents inside. A1 was then questioned about the white pain reliever bottle and stated "I grabbed that from the bathroom." A1 then said the pain reliever did not belong to him and was unaware of any contents inside the bottle.
- A1 was then placed under arrest for violation of F.S.S. 893.13(6a) Possession of Controlled Substance (Citation#ALZP6EE)
- A1 was then transported to Indian River County Jail for processing and booking where he is held with no bond.

REPORT DATE:

08/30/2025 TYPE:

ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: 08/30/2025 03:44 (Specifically include facts constituting cause for arrest.)

On 08/30/25 at approximately 0344 hours, 1, Ofc Aguilar, observed a dark colored SUV traveling at a high rate of speed northbound within the 2000 block of 27th Ave. The SUV then proceeded westbound on Aviation Blvd. and then made a southbound turn onto Airport Dr. I last observed the SUV make an eastbound turn into the nearby trailer park,

While canvassing the trailer park, I proceeded westbound on Aero Ln and observed a 2002 Chevy utility SUV (bearing Florida tag# 68BECD). The Chevy was parked facing northbound within the front yard of 43 Pathfinder Dr. and was unoccupied with no keys in the ignition. The engine compartment was smoking and as I was approaching the vehicle, I observed the silhouette of a figure running towards Airport Dr.

Further inspection of the vehicle revealed that the attached registration plate did not match the 2002 Chevy utility and upon query of the VIN number showed that, the vehicle was unregistered. While waiting for other units to arrive on scene, Cpl. D.Brumley (#462) observed a figure in all black running westbound within the area of Pro Flight Dr. and Flight Safety Dr. Cpl.D.Brumley then made contact with a male subject near 3600 Pro Flight Dr. that was inside the operational area of the Airport. Cpl.D.Brumley stated the male later identified as Arthur Sanders (A1) was walking westbound along the fence line (inside). It should be noted, there are multiple signs indicating," NO TRESSPASSING, This area is a designated operational area of an airport and anyone who trespasses on the property commits a felony". A1 explained that he was trying to get to 43rd Ave and that prior to the incident he was walking on the roadway and noticed multiple police vehicles in the area. A1 stated he believed the police were looking for someone and that he then became nervous and started running. A1 then ended up behind the fence line at the Vero Beach Airport.

I then placed A1 under arrest for violation of F.S.S.810.09 (2I1) Trespass Operational Area of Airport and then escorted him off the property. A search of A1 revealed that he had a set of vehicle keys that could be used to operate the above-mentioned 2002 Chevy. A1 was then read his Miranda Warnings, which he understood and refused to answer my questions. A1 the spontaneously uttered that he made a mistake and should not have come through there. A1 stated that he was not paying attention and was nervous.

A1 was then transported to the Indian River County Jail without further incident. Body camera video of the incident was submitted into a secure file at the Vero Beach Police Department.

## NARRATIVE

NANKATIVE	
On Saturday, August 30, 2025, at approximately 0541 hours, I responded to the Red Roof Inn located at 880 Street, Vero Beach, Florida, in reference to a disturbance.	0 20tl
Upon arrival, I made contact with Dameion Terrance Regoli at the front of the business. Dameion stated that been in with several subjects when they "jumped" him. The subjects were later identified as J Latayes Lewis, Quinten Clarence Jones, and Myron Anton Perry. Dameion provided a video-recorded state which in essence was as follows:	ovante
Earlier in the night, Jovante asked Dameion to drive to an unknown location in Brevard County to collect a owed to him for a drug sale. Myron accompanied him on the trip. They retrieved the money without incident which Myron asked to go to Fort Pierce to pick up his girlfriend. Dameion agreed. Upon returning to the Dameion gave Jovante the drug money. Upon inspecting the cash, Jovante became angry after discovering so it was counterfeit. A verbal argument ensued, during which Jovante suddenly snatched a fanny pack from Dardumped its contents on the floor, and rummaged through it.	t, after motel
Jovante then struck Dameion in the face with a closed fist ("left hook"), sparking a physical altercation. Q joined in, throwing Dameion to the ground. While Jovante was on top of Dameion striking him in the face, and body with closed fists, Quinten began kicking Dameion multiple times in the face, head, and body. Da was unsure if Myron took part in the battery but stated he observed Myron holding his cellphone durincident. Once the fight ended, Jovante pushed Dameion out of the room. Myron handed him back his cellph he was being forced out. Dameion retrieved his fanny pack but was unsure if all of its contents were recovere ther	meior
I next made contact with Deputy J. Martinez and Jovante, who were at the ground floor near I over Jovante state that the incident had only been a verbal argument. I then asked Jovante how Dameion sust visible contusions and redness to his face if it had only been verbal. Jovante replied something to the effect was combative," but refused to elaborate. Jovante then suggested I speak with the other occupants of	tained
Inside I made contact with Quinten, Myron, and Myron's girlfriend. All three claimed no knowled the incident. I returned downstairs and spoke again with Jovante. Moments later, Deputy Martinez placed Jovandouffs, and he was seated in the back of my patrol vehicle. I then read Jovante his Miranda Warnin Constitutional Rights. He acknowledged understanding them and invoked his rights.	nte in
Due to conflicting accounts, both Quinten and Myron were detained for show-up identification. Deputy C. (cransported Dameion to the location to conduct individual show-ups. (See Deputy Ortega's supplemental reported details.) Dameion positively identified all three subjects.	Ortega ort for
Following the positive identification, I advised Quinten of his Miranda rights. He acknowledged understanding agreed to speak. Quinten denied any involvement, claiming he was in the bathroom during the incident and came out afterward. He said Myron would corroborate his account.	ig and I only

#### NARRATIVE (Continuation)

I then stood by while Deputy B. Nunley interviewed Myron. Myron's statement contradicted Quinten's. Myron stated that Quinten was present in the main area during the altercation, not in the bathroom. Myron also confirmed a physical altercation occurred between Jovante and Dameion but would not elaborate on Quinten's role.

Based on the victim's sworn statement, physical evidence, and the inconsistencies between Quinten and Myron's statements, I established probable cause for violations of FSS 784.03 (Simple Battery) and placed both Jovante and Quinten under arrest.

Dameion was evaluated by Indian River County Fire Rescue at the scene and declined further medical treatment.

#### Disposition:

- Jovante Latayes Lewis and Quinten Clarence Jones were transported to the Indian River County Jail, charged accordingly, and turned over to jail staff for processing.
- Myron Anton Perry was released on scene due to lack of evidence of his involvement.

The incident was captured on my Axon body-worn camera.

#### Arrest Affidavit Report

Case Report # 2025-00092934

#### NARRATIVE

On Saturday, August 30, 2025, at approximately 0541 hours, I responded to the Red Roof Inn located at 8800 20th

Upon arrival, I made contact with Dameion Terrance Regoli at the front of the business. Dameion stated that he had

Latayes Lewis, Quinten Clarence Jones, and Myron Anton Perry. Dameion provided a video-recorded statement,

with several subjects when they "jumped" him. The subjects were later identified as Jovante

which in essence was as follows:	,
Earlier in the night, Jovante asked Dameion to drive to an unknown owed to him for a drug sale. Myron accompanied him on the trip. #### NARRATIVE (Continuation)

I then stood by while Deputy B. Nunley interviewed Myron. Myron's statement contradicted Quinten's. Myron stated that Quinten was present in the main area during the altercation, not in the bathroom. Myron also confirmed a physical altercation occurred between Jovante and Dameion but would not elaborate on Quinten's role.

Based on the victim's sworn statement, physical evidence, and the inconsistencies between Quinten and Myron's statements, I established probable cause for violations of FSS 784.03 (Simple Battery) and placed both Jovante and Quinten under arrest.

Dameion was evaluated by Indian River County Fire Rescue at the scene and declined further medical treatment.

#### Disposition:

- Jovante Latayes Lewis and Quinten Clarence Jones were transported to the Indian River County Jail, charged accordingly, and turned over to jail staff for processing.
- Myron Anton Perry was released on scene due to lack of evidence of his involvement.

The incident was captured on my Axon body-worn camera.

AGENCY CASE #: 25-1560 REPORT DATE: 08/30/2025 TYPE: ARREST AFFIDAVIT

	The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  08/30/2025  On , at (Specifically include facts constituting cause for arrest.)
	On August 30, 2025, at approximately 1441 hours, Corporal Dean and I responded to a disturbance call for service at EMS contacted the Sebastian Police Department. The complainant informed EMS was in dire need or the police after being involved in a disturbance with his son.
SESTATEMENT	Unon my arrival, I met with the complainant and victim, Gerard Laferriere, who stated the following:  Corey Laferriere. Corey had been drinking a lot of alcohol and was very intoxicated. They became involved in a verbal argument because Corey wanted to go somewhere in Gerard's car. This was impossible due to Corey's level of intoxication and not having a driver's license. Corey took his car keys and entered the vehicle, locking the doors behind him. Gerard stood outside the vehicle, pleading with Corey. In an apparent fit of anger, Gerard observed Corey punch the radio using his left hand. The radio was mounted in the dashboard of the vehicle. Corey damaged the radio, causing the faceplate to become detached from the dashboard of the vehicle. Gerard estimated that this was approximately \$200.00 in damage. Corey eventually exited the vehicle. They both went back inside the apartment where the disturbance continued. Gerard alleged that Corey pushed him into the wall. He was able to get away from Corey and go into his room, calling for help using his emergence medical alert device. EMS arrived a short time later, and he advised them that he needed police.
PROBABLE CAUSE STATEMENT	I observed no physical sign of injury to Gerard as he was being evaluated by EMS on scene. He did complain of pain in his right shoulder. Gerard seemed very panicked and upset. He was talking loudly, and I could see his hands quivering.
	I then spoke with Corey, who stated the following: he went out to lunch with and was drinking alcohol. He does not normally drink, and this usually leads to confrontation. When here was some arguing, but nothing was physical. He was adamant that he had not hit anyone or anything. Specifically, the radio in the car, which he claimed was broken by Gerard months prior.
	I observed swelling, cuts, and redness on Corey's left hand. Specifically, his index and middle finger knuckles clearly indicated to me that he recently suffered some type of trauma. Post Miranda, I questioned him about the injury to his hand. He was again insisting that he would not hit anything out of frustration or anger. As I spoke with Corey, his speech was slurred, and he seemed to have difficulty maintaining his balance. His eyes appeared glossy, and he smelled of alcohol. These were obvious indications that Corey was under the influence.
	I observed the interior of Gerard vehicle. The radio faceplate was lying on the front passenger floor. There was a crack in the dashboard near where the radio should be mounted.
	Based totality of the circumstances, Probable cause existed that Corey did willfully and maliciously damage the car radio belonging to his father, Gerard. Causing \$200.00 in damage.

AGENCY CASE #: 25-1562

PROBABLE CAUSE STATEMENT

REPORT DATE:

08/30/2025

TYPE:

ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

08/30/2025

08/30/2025

22:44

(Specifically Include facts constituting cause for arrest.)

On Saturday, August 30, 2025 at approximately 2105 hours, I responded to 1606 Indian River Drive, Sebastian, Florida, 32958, (Captain Hirams) in reference to a unruly customer.

Upon my arrival, I made contact with Tanya Koerber (Manager). Tanya stated Corrine Gilroy who was identified by Florida Driver License, was being unruly inside the restaurant and would not leave the premises.

As I was speaking with Tanya, Corrine was present and was being assisted by security so she would not fall. Corrine took a seat that security brought out front of the restaurant for her. Corrine was waiting for an Uber to come pick her up and drive her home due to her being intoxicated. While Corrine was waiting for her Uber, Tanya stated she wanted Corrine trespassed from the property.

I issued Corrine a trespass warning form and gave her a copy. Corrine began to argue with me that she wanted the first copy I filled out. Due to that copy having an error I filled out a new copy which I stated is the updated copy that I can give to her. She continued to argue about wanting the first copy. Corrine then started to use profanity towards myself and Corporal McElvy #482.

When Corrine's Uber driver arrived, she stood up and began to walk to the car. As she was walking past me, she pushed me in my left shoulder. Officer Hatton #432, Corporal McElvy, and myself took Corrine into custody for Battery on a Law Enforcement Officer and Resisting without violence. Corrine was placed into temporary hand restraints that were checked for size and double locked.

Let it be documented, Gemma Philips another manager of the restaurant and head of security Vincent Nitti were present and witnessed Corrine push me as she passed by me on her way to the Uber. Both witnesses were identified by Florida Driver License.

Corrine was transported to Indian River County Jail without further incident.

# INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960

#### Arrest Affidavit Report

Case Report # 2025-00093159

#### NARRATIVE

On Saturday, August 30, 2025, at approximately 2234 hours, I, Deputy M. Neill #6317 responded to 1096 24th Place SW, Vero Beach, Indian River County, Florida, 32962 in reference to a battery.

Deputies originally responded out to the area for a suspicious person. While patrolling the area, another deputy observed two subjects at the above address. One of the subjects matching the description of the original reported suspicious person. Upon stopping out with the subjects, it appeared that a battery had occurred as the male subject had a torn shirt and marks around his neck.

I arrived on scene and made contact Mr. Joshua Manning. He advised he and his wife got in to an argument after his wife accused him of having an affair. Mr. Manning attempted to leave the area to de-escalate the situation. Upon doing so, Ms. Miranda Haffield pulled his shirt as he was walking backwards. As he continued to walk backwards, he tripped and fell on to his back. While on the ground Ms. Haffield got on top of him and pinned him down, not allowing him to leave or get up. After a few minutes, she got off of him. Moments later is when law enforcement arrived.

Mr. Manning had a red mark on his right collar bone. Additionally, his shirt was ripped in two different areas and he had dirt on the back of his shirt.

After being advised of her Miranda Rights, Ms. Haffield advised she was willing to speak to law enforcement. Ms. Haffield advised she believes her husband is having an affair with the nanny, and confronted him about it. Mr. Manning attempted to walk away, which frustrated her. She stated she did not want the conversation to end and pursued him to obtain an answer. In doing so, she reached out and grabbed his arm, to prevent him from leaving. It is unknown how his shirt became ripped in the process. Mr. Manning fell down. Ms. Haffield then got on top of him, again to prevent him from leaving while she questioned him.

Both Mr. Manning and Ms. Haffield are legally married as husband and wife.

Based on the above statements and physical evidence, I believe there is probable cause to arrest Ms. Haffield for the offense of Battery – Domestic Violence, pursuant to FSS 784.03.1a1.

#### Arrest Affidavit Report

Case Report # 2025-00093198

#### NARRATIVE

On August 31, 2025, at approximately 0053 hours, I conducted a traffic stop at the 2700 block of Oslo Road.

I noticed a vehicle with a head light out, I turned around on the vehicle at the 2000 block of Oslo Road, and got behind it headed westbound on Oslo Road. While I was calling out traffic I observed the passenger, later identified as Tina Hobgood turn sideways facing the driver and appeared to be digging between the set and the center console. As I approached the vehicle and Hobgood immediately began to demand I hurry up because she wants to get a drink.

At this time Deputy Neill approaches the vehicle and takes tina out the vehicle and places her in handcuff restraints. Deputy Neill later stated that he immediately saw in plain view a crack pipe on the floor board of the passenger side.

The driver identified as Thomas Mills, was taken out of the vehicle and consented to a search. During the search, I found the crack pipe, and multiple used and unused pieces of chroe boy, which I know from knowledge and experience to be used on a crack pipe to smoke crack cocaine.

I then read Hobgood her Miranda rights which she waived and agreed to speak. Hobgood stated that it was Mills crack pipe not hers and that she doesn't know where that came from. Hobgood then went on a rant about how she has a new crack pipe back at the house and that nothing in the vehicle is hers.

Based on the totality of the circumstances, Hobgood had constructive possession of drug paraphernalia since she was the passenger and knew the item was there. Hobgood also had the ability to exercise control over the drug paraphernalia.

Based on the facts listed above I have probable cause to charge Hobgood with:

1. F.S.S. 893.147.1 Possession of drug paraphernalia

Mills was given a verbal warning for the headlight violation, Hobgood was taken to the Indian River County jail for booking.

The preceding is true to the best of my knowledge or belief	Sworn and Subscribed before me this	215 day of Proch

#### MARSY'S LAW?

#### ORIGINAL

AGENCY CASE #: 25-1563 REPORT DATE: 08/31/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

08/31/2025
04:07

On , at (Specifically Include facts constituting cause for arrest.)

On August 30, 2025, at approximately 2341 hours, I was traveling southbound on Barber Street, Sebastian, Florida 32958, approaching the intersection of Rose Arbor Drive, Sebastian, Florida 32958. As I drove past the intersection, I observed a grey sedan run the stop sign on Rose Arbor Drive. I observed the vehicle turn northbound on Barber Street. The grey sedan's turn was wide, and the front bumper of the vehicle passed over the center line. Due to this, I had to swerve my marked patrol vehicle off the roadway to avoid a collision with the grey sedan.

I made a U-turn on Barber Street and began to catch up to the grey sedan, which made a left-hand turn into Cumberland Farms (957 Sebastian Boulevard, Sebastian, Florida 32958). I activated my emergency lights on my marked patrol vehicle (Sebastian Police Department unit 75) and conducted a traffic stop on the grey sedan.

I observed the vehicle to have four passengers in the rear seat, the driver, and a front-seat passenger. Due to the number of individuals in the vehicle, I requested another officer. As I approached the vehicle, I detected the odor of burnt marijuana emitting from the vehicle. Due to this, I requested a third officer to respond. I then approached the driver's side of the vehicle. I observed four females in the rear seat, a male driver, and a male in the passenger seat. I observed none of the females in the rear seat to have seatbelts on. All of the individuals in the vehicle looked to be under the age of 20. I then identified the driver by name and date of birth as Alexander J. Trotter (DOB 02/19/2008, a white male). I asked all of the other occupants their ages and discovered that only two of the females in the rear seat were adults. While Alexander gathered his driver's license, I observed a female in the rear seat hand a small black bag to the front seat passenger. I observed the front seat passenger place the black bag into the glove box.

Upon the arrival of Corporal McElvy #482 and Officer Smith #K959, I verbally commanded all occupants to exit the vehicle. I advised all occupants that I detected the odor of burnt marijuana emitting from the vehicle. I advised all occupants that a search of the vehicle would be completed. All of the occupants looked nervous and concerned when advised that a search would be completed. Upon the arrival of Sergeant Melius #208, Sergeant Melius and I began the search of the vehicle. I located the small black bag in the glovebox of the vehicle. Inside the black bag, I located two clear Ziplock bags containing marijuana bundles, a blue prescription pill bottle without any labels, containing 4.5 blue-tinted pills, a black scale, rolling paper, and a lighter. I also discovered a black wallet inside the bag. Upon inspection of the wallet, I discovered a Florida-issued driver's license. The diver's license belonged to Aaliyah Katarina Petito (DOB 11/22/2006). I identified Aaliyah by her diver's license photo as one of the females in the rear seat.

I observed the pills to be tinted blue, with an M inscribed in a square on one side and the number 15 and a horizontal line on the other.

Using the black scale located inside the black bag, I weighed the marijuana bags. With the ziplock bag, the first bag weighed 30 grams, and the second bag weighed 8.8 grams. I then spoke with Sergeant Melius, due to his training and experience as a narcotics detective, about the items inside the black bag. Sergeant Melius advised that, based on the hard, glassy exterior of the pills and the type of pill, he suspected it to be a counterfeit pressed pill. These types of pills are commonly bought and sold on the streets and known to contain a mixture of Fentanyl and methamphetamine. Sergeant Melius advised that the price of the pills ranges from \$35.00 to \$50.00 USD per pill. Based on this, the total cost of the pills would be \$157.50 to \$225.00 USD. Sergeant Melius advised that the price of marijuana per gram is between \$20.00 and \$25.00 USD. The price for the total 38.8 grams would be between \$770.00 and \$962.50 USD. Sergeant Melius and I conducted a preliminary field test on the pills. The test resulted in positive results for the presence of fentanyl

I then approached Aaliyah and asked her what her first name was. She stated it was Aaliyah.

During my search of the vehicle, Corporal McElvy and Officer Smith began to gather the occupant's information. Upon returning to my patrol vehicle, Corporal McElvy approached me and asked what I had found in the vehicle. When I showed Corporal McElvy the Florida-issued driver's license, she stated that the female had told Corporal McElvy her name was Hannah C. Vaghn (DOB 11/23/2006). Due to Aaliyah lying to Corporal McElvy about her name while she was detained, Corporal McElvy walked back over to Aaliyah. I then heard Sergeant Melius and Corporal McElvy yell Stop. I looked up and observed Aaliyah running away and Sergeant Melius and Corporal McElvy chasing her.

I then began to chase Aaliyah. Aaliyah ran south toward an alleyway behind Cumberland Farms. Aaliyah then jumped over a ditch and began to run north to the front of a strip mall. Aaliyah then began to run west parallel with Sebastian Boulevard. Sergeant Melius was able to catch up to Aaliyah and detain her. Aaliyah was pulling her arms away from Sergeant Melius as he attempted to place her in Mechanical hand restraints. Sergeant Melius was successful in placing Aaliyah into mechanical hand restraints. Aaliyah was then walked back to the scene. During this, Aaliyah was yelling that this was because she was black and black lives matter.

Once back at the scene, Aaliyah continued to attempt to resist and refused to obey any verbal commands. She had to be pulled into the back seat of my patrol vehicle, where she continued to be irate and began striking the partition between the rear seat and the driver's seat.

## INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT

4055 41st Ave Vero Beach, Florida 32960

#### Arrest Affidavit Report

Case Report # 2025-00093275

#### NARRATIVE

On Sunday, August 31, 2025, at approximately 0609 hours, I responded to the 9400 block of State Route 60, Vero Beach, Florida, to assist Corporal J. Lang with a traffic stop he had conducted on a 2015 Nissan Altima bearing Florida tag DCB6228.

Upon arrival, I made contact with Corporal Lang, who updated me on the status of the incident. Corporal Lang advised that the driver had presented a Texas identification card (#50876460) and that he believed the driver did not possess a valid driver's license. Corporal Lang further advised that the probable cause for the stop was the driver's failure to stop at two red traffic signals. Corporal Lang transferred probable cause to me, and I began my investigation into the infractions under Florida State Statutes.

The driver was identified as Roberquis Esteban Castro-Lopez. Upon contact, I asked if he possessed a valid driver's license, to which Roberquis stated he did not. I asked if he had ever been issued a valid driver's license in any state, and he confirmed he had not. I requested that he step out of the vehicle, at which time I observed the following indicators: red, glassy, and bloodshot eyes; slightly slurred speech; and an odor of an alcoholic beverage emitting from his breath and person.

Roberquis was placed in the back of my patrol vehicle pending confirmation from dispatch on his driver's license status. Dispatch later confirmed through NLETS and NCIC that Roberquis did not possess a valid driver's license. I then advised him that I would be conducting a DUI investigation based on my observations.

I asked Roberquis if he had consumed any alcoholic beverages, and he admitted to drinking three to four beers at approximately 0300 hours that morning. I asked if he was willing to perform standardized field sobriety exercises (FSE), and he agreed. He was asked all pertinent medical questions and reported no medical conditions, medications, or physical limitations that would prevent him from completing the exercises.

For the Horizontal Gaze Nystagmus exercise, Roberquis was instructed on the procedure and acknowledged understanding. He had difficulty keeping his head still while following the stimulus, requiring multiple reminders. He was unsteady on his feet and swayed throughout the exercise. I observed lack of smooth pursuit in both eyes, distinct nystagmus at maximum deviation, onset prior to 45 degrees in both eyes, and slight vertical nystagmus.

For the Walk and Turn exercise, Roberquis demonstrated confusion during the instructional phase, requiring reinstruction. He began the test prematurely before being told to start. During the first nine steps, he missed several heel-to-toe touches, used his arms for balance, and counted incorrectly. He performed an improper turn and, on the return nine steps, again missed heel-to-toe touches, used his arms for balance, and miscounted steps.

For the One-Leg Stand exercise, Roberquis again demonstrated confusion during the instructions and required clarification. Once he acknowledged understanding, he began the exercise. He was unable to maintain balance, repeatedly used his arms for balance, and failed to hold his foot at the proper height, although he was able to complete the exercise.

Based on his performance on the FSEs, I determined that Roberquis was impaired. He was placed under arrest for

DUI and transported to the Indian River County Jail for further testing.

At the jail, Roberquis submitted to a breath test. His 20-minute observation period began at 0620 hours and ended at 0640 hours. He provided two breath samples, which yielded results of 0.059 BAC and 0.056 BAC. The Breath Alcohol Test Affidavit, provided by jail staff, will be included in this case file.

Roberguis Esteban Castro-Lonez was charged with DIII (ESS 316 102(1)

Driver's License / Never Issued (F.S.S. 322.03(1), citation #AKFRW7E), and given a citation for Failure to Stop a Steady Red Signal (F.S.S. 316.075(1)(c)(1), citation #AKFRW8E).
Jerry's Towing took possession of the vehicle due to no licensed driver being present at the scene and its drive being placed into custody.
This incident was recorded on my Axon body-worn camera and Axon Fleet 3 in-car audio/video system.

reference to a criminal mischief complaint. Upon arrival, I made contact with the complainant (Hosie Brown) who advised, via sworn statement, the following:

Upon arriving at his residence this morning, he discovered his girlfriend (Defendant) had broken a window to enter the residence. Once inside, she poured bleach and vinegar on his clothing, which was in his dresser drawer, destroying them. Brown also discovered his toiletry items skewed about in the bathtub and appeared to have been soaked by an unknown chemical. Brown indicated the total damage was approximately \$400. Brown last observed his property undamaged on 8/30/2025 at approximately 2130 hours.

Upon inspection of the bathroom, I located items that appeared to be consistent with men's toiletry items (creams, clippers, etc) in the bathtub. Several of the cardboard boxes appeared stained. A nearby bottle of fluid was located on the sink of the bathroom which appeared to be the same coloring as the stained items in the tub. In the bedroom, I noted a strong odor of bleach and vinegar. Upon opening three of the dresser drawers, which were full of folded men's clothing, I noted several of the items were discolored (consistent with bleach being poured on them). Additionally, a strong odor of bleach and vinegar was emanating from the drawers. There was a nearby bottles of bleach and vinegar on the bed and Brown's dresser where his clothing had been stored.

Upon the Defendant's arrival, who I recognized from a previous encounter, she was read her Miranda rights. Post Miranda, the Defendant confirmed she poured the chemicals on Browns items for retribution for an altercation the two had earlier. The Defendant didn't believe she did anything wrong as she had purchased the items for Brown. It was confirmed that the Defendant and Brown are not married and anything given to Brown was a gift.

As Brown wanted to pursue criminal charges regarding this incident, the Defendant was taken into custody and transported to the Indian River Jail for processing.

Case Report # 2025-00093357 Vero Beach, Florida 32960

Arrest Affidavit Report

#### WELL THE NARRATIVE

On August 31, 2025, at approximately 14:44hrs, I responded to the south county line of Old Dixie Highway, underneath the U S Highway 1 underpass, in reference to a disturbance. The victim, Alex Bittner, stated he was struck in the face by a male subject at his homeless camp.

Upon arrival, I made contact with Bittner, who stated while he was inside his tent, several subjects arrived at his homeless camp, and were attempting to take his dog. Bittner stated he was asleep, when one of the male subjects hit him in the face. I observed blood coming from around Bittner's left eye.

Bittner's ex-girlfriend, Marcialee Chasteen, was also on scene when deputies arrived. Chasteen stated her sister, Nashaunn Taylor, who resided at the same camp as Bittner, came to her residence advising Bittner was mistreating the dog. Chasteen stated she drove Taylor back to the entrance of the camp on Old Dixie Highway, and advised her daughter, Alyssa Puga, and her daughter's boyfriend, Shawn Smith, followed behind them in another vehicle. Chasteen stated as Puga and Smith were attempting to retrieve the dog, Smith and Bittner began having an altercation, during which Smith punched Bittner in the face. Chasteen stated Smith and Puga then left in Smith's vehicle, likely going back to her residence at 1904 2nd Avenue SW.

I met Chasteen at her 2<sup>nd</sup> Avenue SW address, and she advised me Smith and Puga had just left to go to the store. Chasteen called Puga and asked them to return to her house to speak with me. Upon their arrival, I separated Puga and Smith. I spoke with Smith first and asked him what happened. Smith stated he traveled to the homeless camp with everyone else from Chasteen's residence in an effort to retrieve the dog. Smith stated when they arrived at the camp, he and Puga made their way to Bittner's tent, where Bittner and the dog were located inside. Smith stated he unzipped the tent door, and started to enter, where he was confronted by Bittner. Smith stated Bittner shoved him a couple of times, and Smith asked him to keep his hands off. Smith stated after Bittner shoved him the second time, with a closed right fist, he punched Bittner one time in the face, causing Bittner to take a couple of steps back. Smith stated he then attempted to retrieve the dog from a kennel and hand him to Puga, at which time Bittner started throwing rocks at all subjects, causing everyone to leave the area.

I then spoke with Puga, who stated as they all arrived at the camp, she and Smith attempted to enter Bittner's tent to get the dog, when Bittner began shoving Smith. Puga stated Smith warned Bittner several times to stop shoving him, and then struck Bittner in the face. Puga stated Bittner then began throwing the rocks, at which time they left without the dog.

With the statements provided, I determine Smith violated FSS 784.03 - Battery

Smith was placed under arrest and transported to the Indian River County Jail without incident.

#### NARRATIVE

On August 31, 2025, at approximately 1811 hours, I arrived at the Hampton Inn located at 9350 19th Lane, in reference to a disturbance. Upon my arrival, contact was made with Cameron Brown, who advised the following

Cameron had rented a room from the hotel mentioned above with his girlfriend of approximately five years,  Lorelia Siano, whom  Cameron said his and Lorelia's friend,  Luis Hernandez-Torres, had come to the hotel to hang out as well.
On this date, Cameron said he and Lorelia were playing a game in their room and they were drinking alcoholic beverages. Cameron advised during the game, Lorelia mentioned she would not marry him now if he proposed to her, which started an argument. Cameron said the argument was verbal only and nothing physical occurred.
I then spoke to Lorelia who advised the following verbally:
Lorelia confirmed she and Cameron's relationship and on this date, she and Cameron were playing a game in the room and they both had been drinking alcoholic beverages. Cameron began getting angry during the game and she told him she would not marry him today because of the he was acting. Cameron became even more mad and Lorelia said she and Cameron have had issues with having arguments becoming physical in the past, so she wanted to leave the room.
When Lorelia tried to get up to leave, Cameron bit her on the cuticle of her right thumb. Lorelia said Cameron did not release pressure while he was biting her and it hurt her, so she bit him on his right arm to make him stop. Once Lorelia bit Cameron, he stopped biting her, but he then grabbed Lorelia by her hair and drug her onto the bed. Cameron then ran to the hotel room door and stood in front of it. It should be noted, Luis had left the room just prior to the argument becoming physical.
Lorelia said she wanted to go into the bathroom to get away from Cameron and he even blocked her from going in the restroom. Cameron kept telling Lorelia she could not leave, but then Luis came into the room. Cameron cleared the door for Cameron to enter, but Cameron then blocked the door again. Lorelia tried pushing past Cameron to get out of the room, but he just kept blocking the door and would not move. Cameron then told Lorelia she would need to call the hotel or law enforcement to leave, so she used the hotel phone to call the front desk. Lorelia said she started speaking to a hotel employee and told them there was a fight in the room and then Cameron came over, took the phone to check she actually made a call and hung the phone up. Cameron then allowed Lorelia to leave the room and everyone went downstairs because the hotel staff said they called law enforcement. Lorelia informed me Cameron stood in front of the hotel door and would not let her leave for approximately ten minutes.
While speaking to Lorelia, I observed her thumb nail to be a purple color and it appeared to be bruised. Lorelia's thumb also was swollen. Lorelia was offered medical services, which she refused. Lorelia also had a few blood stains on the collar of her shirt. Lorelia informed me she had been struck by Cameron in the mouth approximately

a week ago in another jurisdiction during a physical argument and it caused her to bleed from her gums. When Lorelia bit Cameron today, she said she started bleeding from her gums again because her injury was not fully healed.

After speaking to Lorelia, I spoke to Luis. Luis advised the following verbally:

Luis advised he had come over to the hotel to hang out with Cameron and Lorelia. Luis mentioned Cameron began getting angry and a verbal argument ensued between Cameron and Lorelia, which is not uncommon. Luis said Cameron had broken Lorelia's phone charger when trying to charge his phone, so he went to go get her another charger for Lorelia since her phone was low in battery and she wanted to leave. Luis confirmed he was not in the hotel room to see anything physical occur, but when he did get back into the hotel room, Cameron stood in front of the door. Luis stated Lorelia was wanting to leave the room and Cameron would not let her leave and kept begging for her to stay. Luis said this went on for approximately five minutes and Cameron finally told Lorelia that she would need to call the hotel staff or law enforcement to leave. Luis confirmed Lorelia called the hotel staff, but Cameron did not believe she actually called. Cameron went over and took the phone from Lorelia and when he realized she had called the staff, he hung up the phone and everyone went downstairs.

Based on the information above, contact was made with Cameron once more and he was verbally advised his Miranda Rights. Cameron stated he understood his rights and waived them. Cameron advised the following post Miranda:

At first, Cameron claimed the argument was verbal only and any marks she had shown me were from an argument that turned physical between the two of them approximately one week ago. Cameron did not admit to dragging Lorelia by her hair. I asked Cameron if he bit Lorelia, but he denied it. I asked Cameron if Lorelia bit him and he denied it as well. I checked Cameron's right arm and I observed two red marks that were in a crescent shape as if he was bit, exactly where Lorelia said she bit him. Cameron claimed he did not know what I was talking about, and then said the injury was from the week prior. Cameron then asked if Lorelia wanted to leave and he said yes, but he did not want her to leave. Cameron went on to say during the argument, Lorelia told him she was going to leave. This made Cameron upset and he begged her not to go. Cameron did not say he stood in front of the door originally, but he did say he stood in front of the bathroom door, which was next to the hotel room door. Cameron went on to explain he told Lorelia she could not leave and would not let her leave the room. Cameron confirmed he told Lorelia that she needed to call the front desk or law enforcement in order for him to allow her to leave and she made a phone call, but he thought she was not actually calling someone. When Cameron took the phone from Lorelia, he spoke to staff from the hotel and he let Lorelia leave the room.

Based on the information above, I found probable cause Cameron was in violation of F.S.S 784.03.1A1, simple battery touch or strike (domestic violence related) and F.S.S 787.02.1A; kidnap or false imprisonment of an adult. Cameron was arrested and later transported to the Indian River County Jail without incident.

Arrest Affidavit Report

### NARRATIVE

On Sunday, August 31, 2025, at approximately 1912 hours, I, Deputy M. Neill #6317 responded to the BP gas station located at 1999 9th Street SW (Oslo Road), Vero Beach, Indian River County, Florida, 32962 in reference to a disturbance.

Upon my arrival I made contact with the complainant. He advised he observed two subjects come stumbling in to the store attempting to purchase more alcohol. He observed a child in the vehicle. The complainant was concerned that the subjects were driving while intoxicated and there being a child present and confronted the subjects. After the confrontation, it became physical between the parties. The complainant attempted to prevent the driver of the vehicle from leaving. The driver drove over a curb and left the scene. The complainant obtained a tag number. It should also be noted that the complainant did not wish to pursue charges for battery.

After obtaining the tag, I recognized that the vehicle was owned by Mr. John Glassett, who lived nearby. While in the area, I observed Mr. Glassett driving southbound on 13<sup>th</sup> Avenue SW, approaching 13<sup>th</sup> Street SW. I initiated a traffic stop to conduct a battery investigation as well as check the well being of the driver.

I made contact with Mr. Glassett, who was slow to pull over. He advised he was involved in a verbal disturbance at the BP but denied it being physical. While speaking to Mr. Glassett, I observed watery eyes, a slight slur in his speech, and the odor of alcohol emitting from his breath. He admitted to consuming two alcoholic beers earlier in the day as well as taking

Mr. Glassett agreed to perform Satanized Field Sobriety Exercises. They go as follows:

Horizontal Gaze Nystagmus (6/6): Mr. Glassett had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and nystagmus prior to a 45-degree onset in both eyes. He did not display resting nystagmus and had equal tracking and pupil size.

Walk and Turn (3/8): Mr. Glassett could not maintain his balance while in the instructional stance, missed touching heel to toe, and stepped off line. Mr. Glassett only took three steps before stopping after he fell off line. Mr. Glassett stopped, faced away, and placed his hands behind his back without any instructions from me. I asked Mr. Glassett if he was completed, to which he did not respond. Mr. Glassett finally advised he was not going to perform the exerises anymore. I informed Mr. Glassett that if he refused to do SFSE's, that it would be used against him in court if an arrest was made. He advised he understood and again refused to continue with SFSE's.

Mr. Glassett was placed under arrest for Driving Under the Influence. It should be noted that at the time of the traffic stop, there was not a child in the vehicle.

In the center console of the vehicle was an open, half-drunk can of beer. This beer was still cold to the touch and had condensation on it.

Mr. Glassett was transported to the Indian River County jail without incident. There he provided two breath samples of 0.222 and 0.216.

Case Report # 2025-00093508

### NARRATIVE

On Monday, September 1, 2025 at approximately 0148 hours, I responded to Dale Wimbrow Park located at 11805 Roseland Road in Sebastian, Florida in reference to a suspicious vehicle.

Upon my arrival, Deputy A. Muraca (5701) had stopped out with a black Chevrolet Silverado bearing Florida tag "08ANRL." As I approached, I observed a female wearing a black shirt and black leggings with a black purse slung across her body exit the driver's seat of the Silverado, as she walked towards me, she placed her hands up and stated "I wasn't driving!" I could immediately smell the overwhelming odor of an alcoholic beverage emitting from her person as I walked by her. I identified her as Ms. Jodie Lucas (Arrestee) by the Florida driver's license she provided me. Jodie was stumbling as she walked and constantly leaned onto her truck for support. Jodie's speech was slurred and her eyers were watery and glassy.

I observed the front passenger tire of the Silverado was flat, had a large puncture mark and was unseated from the rim. Looking through the driver side window, in plain view, I observed a clear plastic cup with a straw in the center console. I introduced myself and attempted to speak to Jodie and began by asking her general questions about where she was coming and going. Jodie was confrontational and vague with her statements, she stated to me she had just gotten off work at "The Crab Stop" thirty minutes ago. Jodie was unable to tell me what time it was and guessed it was after midnight. The actual time was approximately 0200 hours. The Crab Stop closes at 2000 hours on Sunday evenings.

I then attempted to speak with a female passenger who was seated nearby, however she was uncooperative and repeatedly stated she was not involved with the vehicle and she walked to the park. I then went back over to Jodie to ask further clarifying questions, she then stated to me she got a ride there and the truck has been sitting there for 8-10 hours, however I felt the engine compartment of the truck and it was still hot.

Based on my training and experience, I had suspicion to believe Jodie was impaired on alcohol and requested she complete Standard Field Sobriety Exercises (SFSE's). Before I could finish my sentence, Jodie refused and interrupted me and she stated "Just take me to jail then!" I provided Jodie a "Taylor Warning" and presented the totality of circumstances regarding my investigation. Jodie continued to speak over me and subsequently refused to complete SFSE's.

I placed Jodie under arrest for Driving under the influence and secured her in handcuffs. A probable cause search of the Silverado yielded the following: one (1) large plastic cup containing a red fruity alcoholic beverage suspected to be cranberry juice mixed with an unknown alcoholic beverage and one (1) smaller plastic cup with and amber colored alcoholic beverage that smelled of cinnamon. Jodie was uncooperative when asked about the location of the keys to the Silverado, claiming she wasn't driving the vehicle.

# NARRATIVE (Continuation)

Mr. Thomas McNeil, Jodie's significant other arrived on scene to take possession of the truck and wallet. He located the keys to the Silverado inside of the purse she was carrying across her body.

Due to the nature of her tight clothing, Prior to placing Jodie in the rear of my vehicle, I asked Jodie if she had anything on her person and she stated "no."

Jodie was transported to the Indian River County Jail without further incident. Upon arrival to the Jail, Jodie was searched by Deputy Solomon (5815) in the Sally port receiving area. Once inside the facility, Jodie was placed on a body scanner which revealed an anomaly on the scan of her person. A further search by jail staff yielded a glass smoking pipe with residue and a small clear plastic baggy containing small white rocks. Both the glass smoking device and white rocks field tested presumptive positive for Cocaine. The total weight of the FTP cocaine with bag was 0.46 grams.

Jodie was uncooperative, argumentive and hostile towards jail staff. Deputy Solomon requested Jodie to provide sample of her breath which she refused. Deputy Solomon advised Jodie of implied consent and she still refused.

Jodie was subsequently charged with Possession of Cocaine (NO BOND), Introduction of a Controlled Substance into a County Detention Facility (NOBOND), Possession of Drug paraphernalia (\$500), and Driving Under the Influence (\$1000). Jodie was issued the following Citations: DUI (AM5W7HE), Possession of Controlled substance (AF1VA2E), Possession of Open Container in parked motor vehicle (AF1VA1E).

Jodie was booked into the Indian River County Jail without further incident.

### Arrest Affidavit Report

Case Report # 2025-00093514

### NARRATIVE

On September 1, 2025, at approximately 0230 hours, I observed a vehicle blacked out at 5175 20<sup>th</sup> Avenue, Vero Beach, Florida. I advised Indian River County Public Safety dispatch of a suspicious vehicle bearing Florida tag FAUZ93, past the stop sign with a sole occupant sleeping in the vehicle.

The driver later identified as Pierre C. Cauvin, was sitting in the driver seat in actual physical control of the vehicle while on a roadway. I made contact with Cauvin and asked if he was ok. Cauvin stated that he just drove to the 711-gas station from his house and while on his way back got tired and decided to stop and rest. After running a query of Cauvin's driver's license, Indian River County Public Safety dispatch advised that his license was suspended indefinitely as of August 5<sup>th</sup> 2025. Cauvin has multiple suspensions, most recently being on August 4<sup>th</sup> and July 28<sup>th</sup> 2025.

When asked if he knew his license was suspended, Cauvin denied it multiple times, but after explaining why his lies did not make sense, he admitted to knowing his license was suspended. Cauvin stated that his payment was due in June 2025, and knew that his license would be suspended if he did not make the payments. Cauvin has knowledge of how and why his license has been suspended five times, therefore as a prudent person he knew that his license would be suspended for nonpayment of financial responsibility.

nonpayment of financial responsibility.
Based on the facts listed above, I find probable cause to charge Cauvin with:  1. F.S.S. 322.34(2)(a) Driving while license is suspended or revoked. Citation # AG04JQE. Bond \$500

### Arrest Affidavit Report

Case Report # 2025-00093542

### NARRATIVE

On Monday, September 1, 2025, at approximately 0441 hours, I, Deputy M. Neill #6317 was on patrol when I observed a white Chevrolet Malibu sitting stationary at a green light at the intersection of 12<sup>th</sup> Street and Old Dixie Highway, Vero Beach, Indian River County, Florida.

I had just cleared another call and looked to the north to see a vehicle sitting with the break lights illuminated at a green intersection. I traveled northbound to get closer to the vehicle. Upon getting behind the vehicle, it had still not moved for the green light. Upon notifying the Indian River County Sheriffs Office Communications Center about the incident, the light had cycled to red. I stopped out with the vehicle and observed a single occupant driver, sitting reclined back in the drivers seat asleep at the wheel. The vehicle was on, and in drive. I could see chest rise and fall on the driver, indicating that they were breathing at a normal rate.

Upon looking around the vehicle, I observed clear plastic cups laying on the rear floorboard behind the driver's seat. These cups are commonly used for drinking alcoholic beverages.

I waited for another unit to arrive before attempted to awake the driver, to avoid a pursuit or a unnecessary crash. Upon waking the driver, he became started taking the foot off the break. He rolled forward multiple feet, nearly crashing in to the patrol vehicle in front of him. He then grabbed the gear shifter and put the car in reverse, after being advised to put the vehicle in park. He struggled to control the gear shifter and use basic motor skills.

After the subject became responsive, I noticed bloodshot watery eyes on the driver. He was then asked to exit the vehicle. Upon exiting the vehicle, he was slow to exit, had poor balance and had to use the vehicle and deputies for assistance.

While at the rear of the vehicle, I asked the driver, later identified as Mr. Pondexter Weathers to provide some type of identification. He provided a Florida ID card. Upon him making multiple movements with his hands and his pants, he was asked to stand still and lean against the vehicle. Upon speaking to him I could smell the odor of alcohol emitting from his breath.

Mr. Weathers then took flight by fleeing on foot to the west, attempting to escape law enforcement. I was able to quickly grab ahold of his shirt, which threw him off balance, resulting in him falling to the ground. While on the ground, Mr. Weathers continued to resist by failing to place his arms behind his back. Another deputy and myself were able to apprehend Mr. Weathers in handcuff restraints.

During a search incident arrest of Mr. Weathers, I located plastic packaging for marijuana in his left jean pants pocket. Within the packaging was 0.1 of Field Test Presumptive Positive Fentanyl, 7.8 grams of Field Test Presumptive Positive of 3,4-Methylenedioxymethamphetamine (MDMA), and three pills identified as Oxycodone Hydrochloride 5mg per Drugs.com.

Per FCIC/NCIC, Mr. Weathers only possesses an ID card within the State of Florida. His driving privileges have been suspended. He has four prior DWLSR convictions per DAVID, and with this being a DUI arrest, he will be

### NARRATIVE

On September 1st,	2025, at approximate	y 1149 hours,	I responded to

in reference to a disturbance in

Arrest Affidavit Report

Upon arrival, I spoke with resident Andrew Riffey. Riffey stated that Jason Nesbitt came on the property of the home that he and his father (Jason Riffey) rent, destroyed a mailbox and was banging on the door. Public Safety Dispatch confirmed Nesbitt was trespassed from the residence by IRCSO case report 2024-89336 by D/S T. Lowell. The complainant in this case report was Jason Riffey, Andrew's father, who also lives at the residence. Andrew was on the phone with his father and confirmed Jason wished to move forward on charges of trespassing and criminal mischief.

I observed a plastic mailbox in pieces scattered throughout the driveway and front yard. Riffey then showed me a video that confirmed his accounts of the events. Riffey estimated the plastic mailbox was worth approximately \$150.00 dollars.

In the video, Nesbitt is walking northbound on 20<sup>th</sup> Avenue when he approached another renter at the residence, Makaley Nichols, who was walking her dog. Initially it appeared Nesbitt does not enter the property and has a brief conversation with Makaley. Makaley then goes back inside the residence and Nesbitt then destroys the mailbox residence by smashing it on the driveway. Nesbitt then enters a carport underneath the residence (inside the curtilage) and bangs on Makaley's door. This area is a carport / common area where there is a washer and dryer as the residence is two floors. Nesbitt goes back and forth and enters the carport multiple times. Upon viewing the video, I immediately recognized Jason Nesbitt as Jason Lee Nesbitt, date of birth 10/4/1976, as he is known to me via past IRCSO cases.

I then spoke with resident Makaley Nichols who confirmed she wished to move forward on criminal charges of trespassing and criminal mischief against Nesbitt. Makaley stated she was walking her dog when Nesbitt approached her and became very angry, leading to his actions of destroying the mailbox.

Deputies E. Macias and E. Brashears canvassed the area and made contact with Nesbitt at the 2700 block of 1st Street Southwest. I cleared the scene and made contact with Nesbitt who was detained in handcuffs. I read Nesbitt his Miranda rights, which he waived. Nesbitt stated he was invited by Makaley over to the residence. Nesbitt then admitted to destroying the mailbox and returning the property to attempt to speak with Makaley. D/S Brashears mentioned that Nesbitt initially stated he only asked Makaley for a water as he was walking down the road and made no mention of being summoned to the residence.

I placed Nesbitt under arrest for the following charges:

F.S.S. 810.08 - Trespass structure or conveyance

F.S.S. 806.13.1b1 – Criminal Mischief (under \$200.00)

I transported Nesbitt to the Indian River County Jail without incident.

TYPE:

ARREST AFFIDAVIT

The un	dersigned certifies an	d swears	that he/she l	has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On	09/01/2025	, at	15:05	(Specifically include facts constituting cause for arrest.)

On Monday September 1, 2025 I responded to WalMart located at 2001 US 1 Sebastian, FI, 32958 in reference to a wellness check.

Upon arrival at the above location, I made contact with a female identified as Jessica Zingarellia via her Florida Driver License.

Prior to my arrival, it was reported that Jessica was inside the store consuming alcohol in the presence of two young children. When I located her, she was outside in the parking lot loading items into her vehicle. I observed two children seated inside the vehicle at that time. While speaking with Jessica, I detected the odor of an alcoholic beverage emanating from her person as she spoke. After advising her of her Miranda rights, she admitted to having consumed one alcoholic beverage earlier in the day but denied consuming any alcohol inside the store. A search with consent of her purse revealed two open containers of alcohol, which Jessica stated were from a party the previous day.

Jessica displayed signs of impairment, including unsteady balance, slurred speech, and an inability to recall basic information such as the children's dates of birth or the current time.

While investigating the incident it was revealed that Jessica had been trespassed from this Walmart location on December 16, 2022. When questioned, she acknowledged the trespass warning but claimed she believed it had only been valid for one year.

Due to her unlawful entry into the business after being formally trespassed, Jessica was placed under arrest for trespassing after warning. She was then transported to the Indian River County Jail without incident.

On 1 September 2025, at approximately 2133 hrs, 1, a police officer for Sebastian, responded to the intersection of Laconia Street and Rosebush Street for a 911 open line.

While en route, dispatch advised they could hear several people yelling and crying. Dispatch advised the call was plotted to several locations in that general area. Cpl. Revis was the first officer on scene and advised that he was out with two females, Melana Christianson and her mother, Snezana Jankovic, on Laconia just south of Rosebush, and Ofc. Vazquez was with a male, Snezana's boyfriend, John McCullers.

Upon my arrival, I requested Melana to come to my vehicle to speak with her about what occurred. Melana was highly intoxicated and visibly upset. Melana stated that John tried to strangle her while in the vehicle. Melana stated they went to dinner in Vero Beach, and while on the way home, she was in the front passenger seat, and a family friend, Sebastian Cutchall, was driving. Melana stated John was in the rear passenger seat, and Snezana was in the driver's rear seat of the vehicle. Melana stated she was having a verbal argument with Snezana about her father. Melana stated that for no reason, John reached around the seat between the pillar and the seat and placed his hand on her throat for approximately 15 seconds. Melana stated that during this altercation, Snezana started to yell at John to let Melana go. Melana stated her air flow was restricted. I checked Melana's throat, but did not see marks that would align with Melana being strangled. Melana was complaining about her shoulder and arm hurting. I requested several times to contact EMS, and she denied each time.

After speaking with Snezana and Melana, I returned to speak with Melana in reference to the claims Snezana made. I asked Melana if she had hit Snezana. Melana stated she did get into a physical altercation with Snezana. Melana stated that at this point, while John had his hands on her throat, she turned around and started to punch whoever was in reach behind her to "defend herself".

I then spoke with Snezana, who stated she was in a physical altercation with Melana that started in Vero. Snezana stated that as they were leaving the restaurant and walking to the truck, Melana was upset over her father. Snezana stated that Melana punched her in the left ear. Snezana stated that during the trip home, they had to stop so Melana could vomit. Snezana stated that Melana started to get physical with her again. Snezana stated that during the altercation, Melana punched her, breaking her glasses. Snezana stated that once they arrived in Sebastian, they came to a stop at the intersection of Laconia and Roseland Road. Snezana stated that Melana jumped out of the truck. Snezana said she got out of the truck to make sure Melana was safe due to the intoxication level, and Melana again started to become physical, punching and slapping her. I asked Snezana about the claim Melana made, and Snezana stated that at no time did John put his hands on Melana. Snezana had red marks on her face and left ear consistent with being hit. Melana refused medical treatment and was adamant she did not want to press charges.

I then spoke with John, who was not forthcoming. John stated that they went out to eat, and Snezana had a verbal altercation with Melana. John stated that at no point did he see it get physical.

I then spoke with Sebastian, who stated that Melana and Snezana got into a physical disturbance on the way home from dinner. Sebastian stated that while at dinner, Melana was upset about her father. Sebastian stated that while on the way home, they had to stop so Melana could vomit. Sebastian stated Snezana got out of the truck to check on her, and Melana attempted to punch her. Sebastian stated during the drive, Melana continued to attempt to punch her. I asked Sebastian if he saw John attempt to strangle Melana, and he stated no. Sebastian said once they arrived in Sebastian, they came to the stop sign at Laconia and Roseland, and Melana jumped out of the truck while it was stopped. Sebastian said Snezana followed her to make sure she was safe. Sebastian stated he did not see any further physical contact between them, but it was dark.

Due to the statements made by all parties involved and the marks on Snezana, I placed Melana under arrest for the following charge:

FSS 784.03 Domestic Violence - Battery: Melana knowingly and intentionally struck Snezana against her will. Due to Snezana being Melana's biological mother, Domestic Violence is appropriate.

Melana was placed into mechanical restraints, searched by a female officer, and placed into my patrol vehicle. Melana was transported to the INdian River County Jail without incident.
