Case Report # 2026-00097468

NARRATIVE

On September 10th, 2026, at approximately 1907 hours, your affiant was advised by Sergeant Brandon Dean to speak with him and a cooperating source in the 9000 BLK of Americana Way, in Vero Beach, FL.

Your affiant arrived and met with Sergeant Dean as well as the cooperating source (hereafter referred to as [REDACTED] who advised your affiant that they regularly purchase crack cocaine from an individual whom they know as, "Q," through -his phone number of [REDACTED]. Sergeant Dean advised your affiant that they had already contacted "Q" via phone to set up a controlled purchase in a "buy bust" style operation.

The [REDACTED] asked "Q" to bring \$300 USD worth of crack cocaine which the [REDACTED] told your affiant was approximately 6g or so. The [REDACTED] said [REDACTED]

The transaction was set to occur at the Vero Beach Inn and Suites located at 8797 20th St, Vero Beach, FL and would occur in the near future, that night, on September 10th. Through the use of investigative techniques, the target was identified as Quinton Briggs (DOB: 09/08/1986). The [REDACTED] was able to provide that Briggs lives in Fort Pierce, FL and is usually riding in his girlfriend's vehicle, although they weren't sure of a make or model. The [REDACTED] did however describe the vehicle as being either a newer gray or maroon colored sedan, similar in size to a Camry, although not a Toyota.

At 1936 hours, the [REDACTED] placed a controlled call to see where Briggs was which your affiant recorded. Briggs advised that he was on his way and passing Oslo Road. Your affiant was able to estimate that Briggs was approximately 15 minutes away based on knowledge of Indian River County. Multiple units were set up at the Vero Beach Inn and Suites to conduct a takedown of Briggs upon arrival.

At 1949 hours, Briggs called the [REDACTED] and said he was at the hotel. The [REDACTED] eventually told Briggs to wait for them near the pool and they would meet up with him. Units on scene radioed that a gray Nissan Altima had entered the parking lot. Sergeant Shane Joerger observed Briggs exit the front passenger seat of the vehicle and walk toward the middle courtyard area out of his view.

Detective Castano conducted a drive past the target vehicle which was a 2019 gray Nissan Altima bearing FL tag RRJYG30. Detective Castano observed Briggs standing in the middle of the courtyard just south of the pool area and drove past, before coming back for a secondary pass. By the time Detective Castano drove back around, Briggs had returned to the passenger side of the Altima.

While this was occurring, Briggs was placing multiple calls to the [REDACTED] in quick succession, although your affiant instructed the [REDACTED] not to answer.

Briggs was challenged by uniformed Indian River County Sheriff's Office Detectives and Deputies and did not comply with orders so he could be taken into custody. Detective Castano utilized his K9 partner to apprehend Briggs which was successful, and Briggs was taken into custody. Immediately after, the driver of the vehicle and registered owner, Marquita Lee, was taken into custody without incident.

NARRATIVE (Continuation)

The two were separated by personnel on scene.

Your affiant arrived on scene and was met by Sergeant Joerger who was in possession of a bag of an off-white, rocky substance, that your affiant believed to be crack cocaine based on training and experience. Your affiant estimated the crack cocaine in the baggie to be between 4g-6g which is consistent with what the [REDACTED] was slated to purchase.

Deputy Nunley provided an iPhone in a case that he said was in possession of Briggs. Your affiant confirmed the number of Briggs' phone to be the one the [REDACTED] was communicating with to facilitate the narcotics transaction. The bag of crack cocaine was located by Deputy Binner in the middle courtyard area of the hotel just south of the pool near a bench. Although nobody observed Briggs place the crack cocaine there, it was in close proximity to where he had been seen standing prior to arrest and was easily within throwing distance from where he was according to Sergeant Joerger.

Your affiant was informed by Sergeant Joerger that both Briggs and Lee were read their Miranda Rights and had been answering questions. Your affiant approached Briggs and asked him about the incident and why he was at the hotel. Briggs replied that he came to meet friends and provided the names of two males and one female, none of whom were the [REDACTED]. When confronted with the crack cocaine that was located, Briggs denied any knowledge or possession. Briggs did say that he was with his girlfriend and had been with her for approximately two years. Toward the end of the interview, Briggs affirmed that Lee had no involvement or knowledge of what was occurring.

Your affiant went to interview Lee and she was willing to speak. Your affiant asked Lee what she was doing and she said that she was driving her boyfriend, Briggs, to meet someone. When your affiant asked if it was to sell cocaine, she said it was. Your affiant asked how she knew this and Lee said she knew because she had previously seen Briggs sell cocaine to someone she knows as "Tina," and that's what he was doing before they were stopped. Lee admitted to driving Briggs to sell narcotics using a vehicle registered in her name.

Your affiant used a field test kit on the collected cocaine and it yielded a positive result for cocaine. Your affiant weighed the crack cocaine which was 5.15g which included the plastic baggie it came in.

Lee was arrested and charged with the following:

- FSS 893.13.1a1 Possession with Intent to Sell Schedule II – no bond

Lee was charged with the above crime reference FSS 777.011 Principle in the First Degree which allows anyone who aids an offense to be committed or attempted to be committed and may be charged as such.

Arrest Affidavit Report

Case Report # 2026-00063823

NARRATIVE

On May 28, 2026, I received an email from Ms. Battista who works at the State Attorney's Office for the county. Ms. Battista stated there was an attached petition by affidavit for order to show cause for a violation of an injunction. In simple terms this refers to the petitioner, [REDACTED] filing a violation with the court.

On June 12, 2026, Ms. Battista reached out again asking for an update in reference to the case. On June 15, 2026, I was able to look more into the case from the initial email, I did not understand she was asking for an investigation to be opened. On June 15, 2026, a criminal investigation was initiated under this case number.

Contact was not made with the victim until July 21, 2026 due to having the wrong contact information. A statement was taken from [REDACTED] on July 27, 2026. During this statement [REDACTED] says she is scared of [REDACTED] Richard Savage [REDACTED] and Richard are still currently [REDACTED] but [REDACTED] and [REDACTED] [REDACTED] stated Richard has been messaging her from different text now phone numbers and continues to harass her by blowing up her phone with threats. [REDACTED] stated she is in constant fear of Richard and expressed deep emotional concern for her safety.

[REDACTED] was visibly upset and at one point had to excuse herself to get a tissue. This has caused [REDACTED] a lot of emotional distress and she stated she is in fear every day and does not feel like she has the ability to move about freely in her town. [REDACTED] expressed that she is always looking over her shoulder and feeling like someone is watching her when she is out of the house at places like the grocery store, etc.

The text now number: 772-946-7013 was subpoenaed for subscriber information on August 12, 2026. There was a time lapse due to miscommunication. As of September 10, 2026 there has been no results. In reference to the above there is more detail in "Sides Supplement 1".

On Tuesday, September 8, 2026, [REDACTED] reached out to me via text message and stated that she was recently informed that Mr. Savage has been contacting [REDACTED] Robert Staggs (Bob) via Facebook messenger thinking it is [REDACTED] that he is speaking to. [REDACTED] stated these messages are from Mr. Savage's Facebook account: Richard Savage, with a Facebook profile picture of him shirtless.

On September 9, 2026, this Facebook account was preserved and a subpoena request was sent for subscriber information and IP Addresses.

On September 10, 2026, I made in person contact with Robert who provided the following statement. Robert stated he was on his Facebook account when he realized he had missed notifications on the messenger application. Robert stated he noticed this on September 8, 2026 and sent these to [REDACTED] Robert stated in no way did he contact Mr. Savage including messaging or sending a friend request. Robert made it clear that he and Mr. Savage do not get along due to him having to see Mr. Savage beat [REDACTED] in the past. Robert stated that when he went to look at the messages they were all very personal and seemed to be directed at [REDACTED]

None of these messages were responded to.

All of these messages have been added to evidence.com.

It should be noted Mr. Savage and [REDACTED]
Which would coincide with the messages above mentioning [REDACTED]

On September 10, 2026 during my conversation with Robert, he gave permission to message Mr. Savage from his account. All though he did not respond to these messages right away, Robert agreed on doing a controlled phone call. During this phone call, Robert asked Mr. Savage if he was trying to contact [REDACTED] Mr. Savage originally denied this via Facebook phone call. Robert called attempted a Facetime call via Facebook messenger and asked again who the messages were for. Robert is older and during this call he accidentally showed me in uniform during the call. Robert hung up when he was unsure of what to say. Shortly after, Mr. Savage called back via Facetime, Facebook messenger and started to deny all charges saying he would never contact [REDACTED] He then said he knew an officer was present and continued denying the allegation.

Due to him being aware of my presence already, I then took the phone and spoke with Mr. Savage. Mr. Savage, stated his roommate Jessica has access to his account. I asked if Mr. Jessica would be messaging [REDACTED] or anyone else and he stated "no". I then told him that there are multiple messages to Roberts account from Mr. Savages account that are acting like they are speaking to [REDACTED] Mr. Savage responds with "I thought she was messaging me." Mr. Savage continues saying he thought [REDACTED] was reaching out to him on [REDACTED] saying he thought he was responding to her. I then clarify saying that "so you were talking to her thinking that she was reaching out to you, you were talking to her?" Mr. Savage responds, "Yes ma'am". I continue saying "When you're not supposed to have any contact what so ever, you were talking to her?" Mr. Savage states "I dropped my restraining order". Later on, he says, "I thought this was her reaching out to me on [REDACTED] that is the only reason why I responded".

This conversation occurred on Facebook Messenger via the Facetime option and Mr. Savage had the ability to hang up at anytime and was not in my physical presence.

On September 10, 2026, I verified the injunction between Mr. Savage and [REDACTED] was still in effect. Under court case #312025DR535, the injunction is granted until July 1, 2031. The following term is listed within the injunction:

NARRATIVE (Continuation)

2. No contact. Respondent (Mr. Savage) shall have no contact with the petitioner unless otherwise provided in this section (there was no other stipulations listed). Respondent shall not directly or indirectly contact petitioner (██████).

A copy of this injunction has been attached. This was an extension of the original injunction that was filed in July of 2025. The extension was granted when both parties were present in court on July 1, 2026 by Honorary Judge White.

Due to the totality of the circumstances, Mr. Savage was advised in court in July 2025 and again on July 1, 2026, that he was to have no direct or indirect contact with ████████. Despite having knowledge of the injunction and its conditions, Mr. Savage admitted he responded to ████████ through Facebook Messenger. The content of the messages was personal in nature and included discussion of ████████ with Mr. Savage referring to ████████ as ████████ and acknowledging that Sunday was ████████. These details are consistent with ████████ statement regarding the communication and further establish that Mr. Savage knowingly engaged in contact with whom he believed was ████████. Based on the above facts and circumstances, I determined there is probable cause to believe Mr. Savage willfully violated the domestic violence injunction pursuant to F.S. 741.31(4)(a).

Arrest Affidavit Report

Case Report # 2026-00097596

NARRATIVE

On Friday, September 11th 2026 at approximately 0315hrs, I Deputy Finkle initiated a traffic stop on a bicycle in the 600blk of 27th Ave in Vero Beach Florida.

While traveling south on 27th Av, I observed an electric bicycle traveling north on the shoulder of the roadway. As I got closer, I observed the rider to appear to be standing, with neither of his hands on the handle bars as required by Florida statue. I made a u-turn after he had passed and initiated a traffic stop on the subject.

Once stopped, the bicycle operator who I identified as by his Florida ID card as Douglas Loseke (FL-L385527870000) began apologizing profusely before the interaction started. He exhibited extreme nervousness and repeated over himself that he was sorry and what he did was stupid. He then began pleading that he did not want to go to Jail at which time I inquired why he felt like he would go to Jail over a simple civil bicycle ticket.

He continued exhibiting very nervous and hyper behavior. Due to the behavior, I inquired if he had consumed any illegal drugs to which he denied. I then asked if he had anything illegal on his person to which he stated he did not as he continued moving all around, showing a clear inability to stay still as he refused to look at me and looked at the ground.

I asked for consent to search his bike and person to which he immediately denied consent. When I asked why, he then became silent, staring down and swaying side to side as if he was thinking. I informed him that if he had anything on him, I would do my best to work with him. Douglas then turned his body away from, begin fast walking toward the woods shouting he was going to throw up. I observed him begin reaching for his pants pockets and ordered him to stop and began chasing him.

As I approached him, it appeared as though he threw something into the woods. As I came upon him to place him in wrist restraints, he immediately fell to the ground and flailed. I placed him into wrist restraints and as I stood him up, he began repeating that he was sorry and he did not want to go back to prison because he had knives on his person. Once at the front of my patrol vehicle, I began an incident to arrest search and I located a fixed blade with a custom wooden handle resembling the appearance of a dagger, concealed in his front right lower pocket, as well as a leather sheath. I searched the wooded area where he walked into and could not locate whatever he discarded.

Douglas continued to plead with me not to take him to Jail and that he was sorry and his actions were stupid. I then informed him of his constitutionally protected rights under Miranda to which he stated he understood. I then inquired as to why he would try and run away from a lawful detention to which he advised again, that he did not want to go to Jail because he is a convicted felon and had knives, as he

continued apologizing.

I also located a folding utility knife in another pocket I did not believe constituted a weapon. I placed him in the prisoner transport area of my patrol vehicle and all of his belongings were turned over to a friend that was contacted on his behalf. I seized the fixed weapon to submit into evidence. While enroute to the Indian River County Jail, Douglas continued to plead for me not to charge him with the possession of the weapon. He affirmed to me that I was more than fair with him during the encounter and affirmed again that he walked away because he did not want to go to Jail for the knives. Due to Douglas's multiple statements of being fearful of being arrested due to being in possession of the knives, as well as try to walk away from the lawful traffic stop and appear to try and discard the knives into the woods, I find probable cause for the below charges:

F.S.S- 790.23.1a[2674]- Possess weapon by convicted felon

F.S.S- 843.02[3143]- Resist Officer without violence.

VICTIM LOCAL GOVERNMENT

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/11/2026** , at **03:05** (Specifically include facts constituting cause for arrest.)

On 9/11/26 at approximately 0305 hours, I, Officer W. Brumley conducted a traffic stop in the 1200 block of US1 on a white 4 door vehicle, bearing FL tag#MCJ570. In reference to a tag light being inoperable, making the license plate illegible 50 feet to the rear of the vehicle.

Upon approach of the vehicle, I explained the reason for the stop to the driver, identified as Ernest Lekser. It should be noted the defendant is known to use drugs and drive on a suspended license. The defendant stated his license was now valid. After the driver denied consent to search his vehicle and verifying his license was valid through VBPD communication. A Indian River County Sheriff Office Deputy was on scene and requested one of their K-9s for me for an exterior sniff of the vehicle. K-9 handler Wolf responded at approximately 0312 hours, while I was still working on a warning for the defendant. K-9 handler Wolf used his K-9 to conduct an exterior sniff of the vehicle to which his K-9 alerted.

Officer Hernandez and I conducted a search of the vehicle, I located a clear pink tinted glass pipe with a bowl on the end of it, wrapped in a black sock on the front passenger floor board. I located another clear glass pipe containing white residue in the passenger door panel. I also located a glass bong, in the pocket on the back of the passengers seat.

Officer Hernandez observed a black backpack on the floor board of the second row behind the driver seat. She located a small brown paper bag containing a clear glass pipe with white residue within, from the front big pocket of the backpack. She also located a long clear plastic tube with white residue, and a green glass pipe with white residue in the front pocket but in a separate smaller pocket of the backpack. Ofc Hernandez also located a small clear plastic baggie containing a white powder like substance in the center console.

Through my training and experience I identified all the pipes found to be equipment used to smoke illegal narcotics.

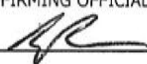

All aforementioned pipes were field tested, all but the pink tinted pipe had a positive reaction to the presence of methamphetamine. The white powder like substance was also field tested and had positive reaction to the presence of methamphetamine.

Post miranda the front passenger, identified as Eden Archer, stated none of the pipes were hers, the black backpack and all the pipes belonged to the defendant. She also stated the defendant recently started using meth again, however was unaware of the plastic baggie from the center console but stated it was the drivers. After Logging Eden's information with VBPD communication, they advised me she had an active warrant out of Indian River County for violation of probation.

Based on the forgoing the defendant was placed under arrest for violation of FSS. 948.06 Probation Violation, 893.147(1) Possession Of Drug Paraphernalia.

The defendant was transported to the Indian River County Jail without incident.

This event was captured on my BWC.

Vero Beach, Florida 32960**Arrest Affidavit Report**

Case Report # 2026-00097604

**NARRATIVE**

On September 11, 2026, at around 0508 hours, Cpl. Thomas and I were conducting a foot patrol at the Wawa located at 1180 US Highway 1, Vero Beach.

The store manager, identified as Amanda Phillips, observed a white female who had been previously trespassed from the property. I then witnessed the white female, identified by Florida ID card as Cheryl Anne Simmons, walking in front of the main entrance of the business which was occupied at the time. I conducted a query through FCIC/NCIC and confirmed Cheryl was trespassed at the aforementioned location to 10/25/2019 (reference case number 2019-193206).

Based on the above, it was determined an act of trespass after warning had occurred. I placed Cheryl under arrest for trespassing after warning and she was then transported to the Indian River County Jail without incident.

The preceding is true to the best of my knowledge or belief

VICTIM TO SUBJECT RELATIONSHIP						

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **09/11/2026** , at **12:40** (Specifically include facts constituting cause for arrest.)

On Friday, September 11, 2026, I responded to the area of Walmart, located at 2001 US 1, regarding a female who was reportedly committing theft and was leaving the store. While en route, the caller advised that the female had left the location in a white sedan and provided a physical description. The female was last seen wearing a pink shirt, black shorts, and a vest, which the caller advised she had removed. The female was later identified as Odalys Sanchez via her Florida Driver License.

The caller, Chris Matson, a Walmart Loss Prevention employee, stated he observed Odalys throughout the store. Chris stated he observed Odalys open several boxes of cereal, which she subsequently filled with various items and resealed with tape. The items consisted of laundry detergent, rice, clothing, coffee pods, seasoning, scissors, and cleaning supplies. Additionally, Chris stated he observed Odalys remove a pair of scissors from its packaging and use the scissors to remove UPC labels from several items. Prior to passing all points of sale, Odalys scanned and paid for the boxes of cereal containing the above items. Odalys then proceeded past all points of sale without making any attempt to pay for the remaining merchandise. Chris stated he attempted to stop Odalys, at which time she stated she was leaving and Walmart could keep all of the items. Odalys then left the shopping cart containing the merchandise near the exit of the business and left the area. Chris stated Odalys failed to pay for merchandise totaling \$173.82.

Using the physical description provided by the caller, other officers were able to locate the female prior to my arrival. Officers observed the female wearing the same clothing described above. As officers were arriving in the area, K9 Officer Irwin observed Odalys exiting the Walmart parking lot in a white sedan. After following the vehicle for a short distance, officers conducted a traffic stop due to the female driver matching the physical description provided by the caller. Prior to my arrival, Corporal McElvy read Odalys her Miranda Warning. Odalys stated she understood her rights and was willing to speak with officers.

Post-Miranda, Odalys refused to directly answer most questions and repeatedly stated she never left the store with any items. Odalys admitted she was inside Walmart and had been in the cereal aisle but refused to provide details regarding her actions. Odalys continued to refuse to admit to the actions described above, even after being advised that the incident had been captured on Walmart's security cameras and that officers had reviewed the footage.

Based on the above information, it was determined that Odalys committed petit theft. Odalys was placed in mechanical restraints, which were double-locked and checked for proper fit. Odalys was advised she was under arrest for petit theft and was transported to the Indian River County Jail without incident. It shall be noted while enroute to the jail, Odalys admitted her actions today were because her husband is sick and they are struggling financially.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/12/2026**, at **01:30** (Specifically include facts constituting cause for arrest.)

On **09/12/26**, at approximately **0130** hours, I responded to **2676 11th Ct** in reference to a suspicious person. On scene I made contact with the complainant who I later identified as, **Daniel S. Stidham (DOB: 03/17/1984)**.

Stidham advised he was nervous due to people being inside and outside his home without his permission. It should be noted while speaking with Stidham, he was very sweaty and anxious. Stidham then directed officers to multiple areas of his residence to which officers observed no other people. Stidham then advised his girlfriend and dog were also inside his house and requested we speak with her as well.

I then made contact with Stidham's girlfriend, Michele, who stated Stidham had been acting strange ever since she returned from work. Michele said Stidham does not usually act like that and was hallucinating, seeing people that were not really there. Michele explained they had only been together for four months and had never seen Stidham that way. Michele said she was unsure if Stidham had consumed any narcotics prior to are arrival.

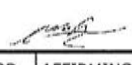

I then stepped outside to speak with Stidham further to which he then handed me a pill bottle and advised that was his prescribed medication. I then requested to search Stidham to which he consented to do so.

Upon searching Stidham's person, I located a burnt broken glass pipe located in his right rear pocket along with money. It should be noted the glass pipe had burnt residue along with (chore-boy) which is typically known to be used as a filter when consuming narcotics.

Stidham was then detained and read his Miranda Warning Rights to which he advised he understood and wished to speak with me. Stidham initially stated he was unsure of what the pipe was and it did not belong to him. Stidham then explained his girlfriend had purchased some "crack" earlier that day and planned to smoke it prior to them having sex. Stidham advised he was unsure how the pipe ended up in his pocket and never consumed any narcotics.

Stidham was then placed under arrest for violation of **F.S.S.893.147 (1) (Possession of Drug Paraphernalia)**.

Stidham was transported to Indian River County Jail for processing and booking where he is held on a \$500 bond.

Arrest Affidavit Report

Case Report # 2026-00098215

NARRATIVE

On September 12, 2026, at approximately 2003 hours, I responded to a disturbance at the Indian River County Jail.

The subject who I brought in to the Indian River County Jail on burglary and resisting charges, George G. Crosdale, became irate, very vocal, and disruptive while being processed. (Reference case # 2026-98172). Subsequently, Correction Deputy Hiss and Correction Deputy Toussaint were escorting Crosdale to a holding cell as [REDACTED] was in the hallway. [REDACTED] moved to the side to get gloves to assist with Crosdale, who had also previously tried to reach for a female Deputy as he passed her. As Crosdale got close enough to [REDACTED] he kicked [REDACTED] with [REDACTED] right leg to the back of [REDACTED] left leg.

Video footage of the incident was reviewed, showing what occurred. Correction Detective Kartak was informed of the incident and will provide video footage on Monday, September 14, 2026.

Based on the video footage and statements by Deputies involved, [REDACTED] who was in [REDACTED] agency-issued uniform with all proper insignias while performing [REDACTED] lawful job duties, was struck against [REDACTED] will by Crosdale.

I find probable cause to charge Crosdale with:

1. F.S.S. 784.07.2b – Battery on officer/firefighter/EMT, etc. No bond.

Arrest Affidavit Report

Case Report # 2026-00098172

NARRATIVE

On September 12, 2026, at approximately 1730 hours, I responded to [REDACTED] in reference to a residential burglary.

Prior to my arrival, a call for service of a traffic hazard stated a black male wearing a red shirt, dark pants, was in the middle of the road impeding traffic, approaching vehicles and staring them down. As Corporal Rollando arrived on scene, a resident of the aforementioned address flagged Corporal Rollando and stated a black male with a red shirt and khaki pants entered her residence, took a pattie, and left eastbound on 25th Street SW.

When I arrived on scene, I made contact with the victim, later identified as [REDACTED] who primarily spoke in Spanish. [REDACTED] informed me she was in her kitchen cooking, and all of a sudden, she looked over and an unknown male was in her residence and took an "empanada" (pattie). [REDACTED] stated she immediately grabbed his hands and asked, "What are you doing?" repeatedly. [REDACTED] then called for [REDACTED] later identified as Miguel Josue Ordaz, for help. Once Ordaz arrived, he was able to escort the suspect, later identified as George G. Crosdale, out of the residence and observed him walk eastbound on 25th Street SW.

As several deputies canvassed the area, a separate call for service stated a male a few blocks away was yelling and screaming in the street. The caller stated it was a neighbor who lived at 2470 12th Avenue SW. He described him as a black male, possibly wearing a red shirt and black pants. Deputy McKay arrived on scene and gave commands to get on the ground. Crosdale was subsequently placed in handcuff restraints.

I then asked [REDACTED] if she would be willing to conduct a show-up. [REDACTED] agreed and was read the show-up instructions, which she stated she understood. Upon arrival, [REDACTED] immediately gave a positive confirmation of the suspect who entered her residence.

Deputy Moon transported Crosdale to Cleveland Clinic Medical Center for medical clearance. Upon receiving medical clearance, Crosdale was informed I would be doing my best to gently place handcuffs back on without trying to hurt him. Crosdale, being mostly nonverbal, did not respond to commands or requests from law enforcement or medical staff. After making several attempts to place handcuffs on Crosdale, he began to pull away with his right hand and began to turn his body to face me. Crosdale was then placed up against the wall and instructed to stop pulling away. Crosdale began to use a higher level of resistance with his right hand. I called for another [deputy/unit] and informed Public Safety Dispatch that I required another unit due to Crosdale actively resisting. Crosdale was informed one last time to stop resisting, which he did not respond to, and was escorted to the ground, where I was able to properly detain him.

Based on the totality of the circumstances, Crosdale entered an occupied dwelling without invitation or consent; the entry was made stealthily to commit the crime of theft therein.

Arrest Affidavit Report

Case Report # 2026-00098224

NARRATIVE

On September 12, 2026, at 21:10 hours, I Deputy D. Coon #6379 conducted a security check of the Ryanwood Square Plaza at 2030 58th Ave in Indian River County. This is a busy shopping plaza in central-unincorporated Vero Beach that is prone to shoplifting and homeless activities.

While driving through the parking lot, I observed a lone adult female lying down beneath the store-front overhang of Publix. The female looked unkempt, and she was charging her cellphone with the exterior A/C ports of Publix. I stepped out with the subject and immediately identified her as Janie Edna Easling. Janie is a local homeless vagrant, and I have had several encounters with her while on patrol. Janie was not shopping at the plaza.

Dispatch confirmed Janie's identity and added that she was previously trespass-warned from the Ryanwood Shopping plaza on July 28, 2026. Ryanwood Square shopping plaza is currently owned by Regency Centers, a real estate investment trust in Jacksonville, FL. On 03/06/2018, Regency Centers' property management signed a blanket trespass agreement with the Indian River County Sheriff's Office for 24/7 proactive enforcement with an emphasis on homeless activities on the property (Case # 2018-00040080).

Based on the Janie's previous trespass warning, I placed her under arrest for Trespass After Warning, F.S.S. 810.09 (1)(a)(1).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **09/12/2026** at **21:36** (Specifically include facts constituting cause for arrest.)

On 9/12/26, at approximately 2136 hours, I responded to [REDACTED] in reference to a disturbance.

On scene I made contact with a white male, who I later identified as Blaise D. Storey (DOB: 07/17/1993), who advised he was just involved in an altercation. Blaise stated he had just returned from work and was in his room trying to get some sleep. Blaise said while doing so, his wife (Jessica P. Storey) and [REDACTED] were arguing inside his room. Blaise explained he then became irritated and stood up to walk out of the room. Blaise stated while attempting to exit the room, [REDACTED] slammed his room door closed causing the tip of the door to hit his nose area. Blaise advised he then became angry and opened the door. Blaise stated once the door was opened, he observed [REDACTED] to be standing in front of his room door still yelling at Jessica. Blaise stated he then pushed [REDACTED] back away from his room. It should be noted while speaking with Blaise I did not observe any injury to his nose area or face.

Blaise said [REDACTED] then intervened and approached him in an aggressive manner. Blaise explained due to [REDACTED] approaching him, he then pushed him back as well causing [REDACTED] to hit the ground. Blaise stated once the argument was over he walked out of the house with Jessica in an attempt to leave the residence. Blaise advised once inside his vehicle he noticed he was missing his cellphone to which he then attempted to go back inside to find his phone but was locked out. Shortly after law enforcement arrived.

I then made contact with Blaise's nephew, GS. GS stated he observed [REDACTED] and Jessica yelling back and forward at each other. GS said Blaise then came out of his room and pushed [REDACTED] causing her to fall to the ground. GS advised he then pushed [REDACTED] back as well causing him to fall to the ground as well. GS said he believes Blaise was hit by the bedroom door in the face but was not sure due to not seeing Blaise actually get hit. GS provided no further information.

I then made contact with [REDACTED] who explained he was in the living room listening to [REDACTED] and Jessica argue. [REDACTED] advised [REDACTED] then slammed the bedroom door and observed Blaise exit his room and push [REDACTED] backwards. [REDACTED] stated he then attempted to separate Blaise and [REDACTED] but was then pushed back by Blaise causing him to fall backwards and hit a corner of a wall making his right elbow area to bleed. [REDACTED] said he was pushed by Blaise a total of two times. It should be noted [REDACTED] was intoxicated and drinking a Budweiser beer while officers were on scene.

I then made contact with [REDACTED] who stated earlier that day, Jessica was sitting in the living room speaking with someone via phone. [REDACTED] said Jessica then became irritated due to her and [REDACTED] speaking too loudly while she was on the phone. [REDACTED] stated a verbal argument occurred between the two but later calmed down. [REDACTED] advised once Blaise returned home from work everything was fine and they all had dinner together. [REDACTED] said it was [REDACTED] who is incarcerated, and wanted Blaise to [REDACTED] stated once Blaise and Jessica were in their room, she was able to get [REDACTED] on the phone and wished to pass the phone to Blaise. [REDACTED] said she then opened Blaise's bedroom door and attempted to pass the phone to Blaise.

[REDACTED] explained Jessica then became very irritated and began screaming at her to get out. [REDACTED] said she was yelling back at Jessica to which Blaise then became upset and stood up. [REDACTED] stated once Blaise stood up, she left the room and closed the door. [REDACTED] said Blaise opened the bedroom door and pushed her back twice causing her to fall to the ground the last time. [REDACTED] provided no further information.

I then made contact with Jessica who explained earlier in the day, she was sitting in the living room talking on the phone. Jessica said [REDACTED] and [REDACTED] were in the living room making a lot of noise causing her not be able to hear her conversation. Jessica stated she became irritated and yelled at them. Jessica said [REDACTED] then became angry and started calling her names. Jessica stated she removed herself from the situation to which it later calmed down. Jessica advised once Blaise came home from work everyone ate dinner. Jessica said shortly after dinner, she and Blaise went to bed due to Blaise being tired from work.

Jessica explained once Blaise was starting to fall asleep [REDACTED] entered the room and was calling for Blaise. Jessica advised that irritated her and started yelling at her to exit the room. Jessica said Blaise then stood up and started walking towards the door. Jessica advised once Blaise was at the door [REDACTED] slammed the door closed causing the door to hit Blaise in the face area. Jessica stated [REDACTED] continued to yell at her to which Blaise then opened the door. Jessica said she did not observe what took place outside the bedroom due to her standing in the bedroom. Jessica advised she and Blaise eventually exited the residence and planned on leaving. Jessica explained Blaise was just trying to protect her from [REDACTED] doing anything to her.

Based on all parties' statements and my investigation I determined Blaise to be in violation of (Two counts) F.S.784.03 (1A1) Battery - Touch or Strike - Domestic Violence (2 counts).

A Domestic Violence Packet was issued to [REDACTED] and [REDACTED] explaining their rights and remedies.

Blaise was transported to the Indian River County Jail for booking and processing where he is held with no bond.

Arrest Affidavit Report

Case Report # 2026-00098231

NARRATIVE

On 09/12/26 at approximately 2201 hours I responded to [REDACTED] in reference to a Disturbance.

Upon my arrival I spoke with the complainant who was identified as [REDACTED]. [REDACTED] told me he had been involved in a physical altercation with [REDACTED] Donald Scali. [REDACTED] said Donald was involved in a verbal argument with his mother Theatha Richards. Donald was rude and disrespectful to his mother during that argument and [REDACTED] took exception to the way Donald addressed his mother. [REDACTED] explained that Donald and his girlfriend lived in a finished in law suite that was located in the car port of the residence on the east side. [REDACTED] said Donald and his girlfriend have access to the main residence through a door in the car port area. [REDACTED] said after the argument between Donald and Theatha, Donald went back to his room in the car port area. Donald said he went to Donald's room and knocked on the door. He informed Donald that he had thirty days to leave the residence. He said Donald then began to argue with him about being kicked out. [REDACTED] said he eventually walked away and tried to go back into the main residence. He said Donald followed him and would not allow him to close the door behind him as he entered the main residence. [REDACTED] said he kept trying to close the door and Donald kept trying to open it. He said Donald then pushed him and he reacted by taking him to the ground and holding him down. I asked [REDACTED] where on Donald's body he was holding him and he said he throat. [REDACTED] said he was not interfering with Donald's ability to breathe and he only held him for a second or two. [REDACTED] said his wife Theatha came out during the altercation and was able to physically separate them. [REDACTED] said he went back into the main residence and went to his bedroom. He said once he was there, he was joined by [REDACTED]. He said Donald then came into the residence and was trying to get into the bedroom. [REDACTED] said he and [REDACTED] were trying to keep Donald out of the bedroom. He said another physical altercation ensued as they tried to keep Donald out. [REDACTED] said he began wrestling with Donald. He said during that time he believes his arm was injured. I could see a laceration to his right forearm. [REDACTED] said [REDACTED] intervened again and broke the two of them up. Donald went back to his room and [REDACTED] contacted law enforcement. [REDACTED] said that he and [REDACTED] Theatha have been [REDACTED] He said Donald [REDACTED] for that entire time.

I then spoke with Theatha. She confirmed she had argued with Donald earlier. She said he was rude and disrespectful to her during the argument. Theatha said [REDACTED] was upset about the way Donald was treating her and he wanted to kick him out of the house. She told him they could all talk about it tomorrow. She said she went to go shower. When she was done, she heard arguing outside. She said she went outside to where the car port area and Donald and [REDACTED] were involved in a physical altercation. She said she didn't know who started it as she came out after it began. Theatha said she was able to separate the two and calm things down. She told [REDACTED] to go back inside the main residence, which he did. She said she was in the bedroom with [REDACTED] when Donald came in and continued the argument. Theatha said she got between both of them to try and keep them separated. She said they got to one another and began physically fighting once again. She said while trying to keep them separated she scratched her leg. She said neither one put their hands on her, she believes she bumped into the foot board on her bed. Theatha said she was able to separate the two a second time and Donald went back to his room. Theatha confirmed that Donald is her biological son. She said she [REDACTED] During that time [REDACTED]

I then spoke with Donald's younger brother Aiden. Aiden said he was in his room when he heard the first argument begin between Donald and [REDACTED]. He said he looked out his bedroom window and saw the two men in a physical altercation. He

said he didn't know who started it, but he saw them both pushing and shoving each other. He said he went outside and with the help of his mother they were able to separate the two parties. He said he went back inside the main residence to his room. He said a short time later Donald came into the residence and another argument began. He said he and his mother again had to separate the two men as they were engaged in a pushing and shoving match.

I then spoke with Donald. Prior to my conversation with him I read him his Miranda rights from an agency issued pre-printed card. Donald stated he understood his rights and was willing to waive them and speak with me. Donald confirmed he had been in an argument with his mother Theatha. He said that argument was over and they had ended things. He said he was in his room in the car port when [REDACTED] came and was aggressively banging on his door. Donald said he went out to speak with [REDACTED]. When he did so [REDACTED] got in his face and was screaming at him. He said [REDACTED] was yelling at him about disrespecting him and telling him he had thirty days to get out of the house. Donald said [REDACTED] then shoved him and he fell to the ground. He said [REDACTED] then choked him. Donald said he was able to breathe normally and he did not pass out or lose consciousness. Donald said that his mother and younger brother separated them. He said he went into the house after the argument to talk with [REDACTED]. He said once he did that another physical altercation occurred. He said [REDACTED] began pushing him again until they were separated by his mother and brother. I asked why he went into the house after the first altercation had ended. Donald at first was saying he wanted to talk with [REDACTED] but would then change his story and say he wanted to speak with his mother. He said he wasn't aware that his mother was trying to hold [REDACTED] back from getting to him. Donald stated that his fiancée Adriana was present in their room when the initial altercation started.

I then spoke with Adrianna Koester. She said that she and Donald were in their room when [REDACTED] came banging on the door. She said Donald went outside to see what he wanted. She said she couldn't hear what they were saying, but she said they were in each other's faces. She said they initially started the argument outside the door to their room. They would then move to the door that leads into the main house. Adriana said she wasn't sure how or why they ended up there. She said once there she lost sight of [REDACTED] as her view of him was blocked by objects. She said she saw [REDACTED] step forward and push Donald and he fell to the floor. I asked if it looked like [REDACTED] was trying to get back into the house. She said she couldn't tell. It should be noted that Adriana was looking through the open blinds on the door to their room at the time. The distance between their door and the door into the residence is about 10 feet.

Adriana seeing [REDACTED] push Donald is consistent with the story that [REDACTED] told as he was trying to get back into the house and Donald was trying to open the door to pursue him. This also contradicts Donald's story that he was pushed immediately outside the door to his room.

Based on the above facts I find probable cause to charge Donald with Battery DV in violation of F.S.S 784.03.

The preceding is true to the best of my knowledge or belief

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **09/13/2026**, at **03:14** (Specifically include facts constituting cause for arrest.)

On **09/13/2026** at approximately **0211** hours, I observed a **Gray Honda SUV** parked in a parking lot at **1200 US Highway 1**. The Honda had its running lights on, appeared to be running, and had the interior dome light on. It was occupied by at least two people.

I approached the driver window and made contact with one subject, identified as **Luc Smithson**, later confirmed through Florida Driver License Photograph. Smithson stated the two were there at "CJ's house" and Smithson was going to drive the passenger home.

Officer Venegas arrived on scene and walked to the passenger side of the vehicle. From his vantage point, Officer Venegas observed an open McCormick Vodka bottle standing up on the passenger floorboard that I was originally unable to see due to the driver's seating position. The bottle was between the passenger's feet. Officer Venegas asked the passenger for his name three separate times to which he ignored him. Officer Venegas advised the male to provide his name or he would be arrested.

I then looked at the passenger's face and immediately recognized him as **Javius Rackard**, whom I know to not be 21 years of age. I know Rackard's name and age due to him being arrested on **9/8/2026** on a traffic stop where I was present. On that same date, there was an open alcoholic beverage container inside the vehicle Rackard was operating, however he was not charged with it on that date.

I advised Rackard he was under arrest and to exit the vehicle which he complied with. According to Officer Venegas, Rackard appeared to be heavily intoxicated. Rackard was severely unsteady on his feet upon exiting the vehicle and needed to be helped up by Officers. Rackard's speech was slurred, his eyes were watery, and he had a strong odor of alcoholic beverage from his breath as he spoke.

Upon officers retrieving the bottle of suspected vodka, it had a strong odor of alcoholic beverage. Upon pouring it out, the odor remained consistent.

Rackard was transported to the Indian River County Jail where he was charged with Possession of Alcohol by a minor.

Rackard is currently out on bond for Indian River County Case **2026CT013622**.

On 09/13/2026, at approximately 1730 hours, I, Ofc. Herrera, responded to 4310 Bethel Creek Drive to assist Ofc. Mathews.

Ofc. Mathews noted the following in her report:

"On September 13, 2026, I, Officer M. Mathews (#473), responded to a reckless driving call aired by our central dispatch in reference to a grey Cadillac that was traveling eastbound on the 17th Street bridge that was reported by a concerned citizen who stated the grey Cadillac had a dent on the right rear on the vehicle and was missing the right side view mirror. I drove my marked patrol vehicle to the county line of Indian River Shores. I turned around and began traveling southbound on A1A. I saw the vehicle pass me at 4600 A1A traveling northbound. I activated my lights and made a U-turn. I activated my lights and sirens and attempted to make a traffic stop when the vehicle then sped up and hit the construction cones on the passenger side of the vehicle. The vehicle began driving onto the opposite side of the road into oncoming traffic. The vehicle made a left onto Bahia Mar Rd failing to stop at the red traffic light. The driver made a left onto Sunset Drive and began speeding down the road and swerving all over the road. The driver struck a mailbox and debris flew off the road. The driver began to break while approaching 4306 Bethel Drive and bailed out of the vehicle leaving the vehicle in drive.

I exited my patrol vehicle and jumped into the grey Cadillac putting the car into park and closing the vehicle's door.

I noticed that my BWC camera was dead, so I retrieved my spare battery and changed batteries while calling out my location of where the bail out of the vehicle was. As I changed my battery Pablo Ibarra began running from the rear of 4306 Bethel Creek Drive attempting to hop the gate. I then drew my service weapon giving verbal commands to stop running and get down. Pablo continued to run and scale the sea wall in the rear of the residence into the neighbor's property. I lost visual however I could hear a citizen giving commands for Pablo to get down. As I came to the front of the property, Officer T. Stewart (#428) was on the suspect handcuffing him and placing him into custody.

I placed the defendant Pablo Solares in the rear of my marked patrol vehicle awaiting Officer A. Herrera (#488) to transport to the Indian River County Jail.

My BWC was active."

Officer Aguilar noted the following in his supplemental report:

"On 09/13/26 at approximately 1655 hours, I, Ofc Aguilar responded to 4306 Bethel Creek in reference to a traffic stop investigation. On scene, I observed a brown Cadillac bearing (Florida tag# 03DJBH) that was driven onto the northwest yard of the above-mentioned residence.

I then observed Ofc. Mathews and Ofc. Stewart escorting a detained Hispanic male later identified as Pablo Solares Ibarra on Bethel Creek Dr. back to the Cadillac's location. Ibarra was a short, heavy set Hispanic male, wearing a long sleeve blue shirt and blue jeans. While speaking with Ibarra away from his vehicle, I detected the strong odor of an alcoholic beverage emitting from his person, slurred speech, and noticed he had red bloodshot watery eyes. I was informed that Ibarra was operating the Cadillac and after a traffic stop was initiated, he then fled from law enforcement and ditched his vehicle into the front yard of the residence.

Ibarra was the only occupant of the Cadillac and Upon further inspection of the vehicle, observed the following items: In the center console, I observed a glass Corona (12 FL. Oz) that was half filled and still cold to the touch. Next to the Corona there was a crushed and empty Modelo can alcoholic beverage. On the front passenger floorboard, I observed an opened box of 18 pack of Corona (12 FL. Oz).

Indian River Fire Rescue then arrived on scene and conducted a medical assessment on Ibarra.

Based on my observations and the mentioned circumstances in case number (26-007848), I then informed Ibarra that the crash portion of the incident was complete and that I was going to be conducting a criminal DUI investigation. Ibarra understood, I translated an agency issued Standardized Field Sobriety Test worksheet for instructions. I demonstrated each exercise and Ibarra stated he understood instructions prior to commencing each exercise.

Ibarra stated that he did not have any medical issues that would limit him from walking in a straight line or standing on a single leg. Ibarra informed that he was not wearing contacts and did not wear glasses. The results were as follows:

Horizontal Gaze Nystagmus

- * Lack of smooth pursuit in both eyes
- * Distinct and sustained Nystagmus at maximum deviation
- * Onset of Nystagmus prior to 45 degrees.

Walk and Turn

- * Stops while walking
- * Does not touch heel to toe
- * Steps off line

On **09/13/2026** at **16:25** (Specifically include facts constituting cause for arrest.)

* Uses arms to balance
* Improper turn
* Incorrect number of steps

One leg stand

* Puts foot down
* Ibarra did not look at foot while counting and stopped the exercise when he reached the count of 20.

Based on the above-mentioned circumstances, Ibarra was placed under arrest for violation of F.S.S. 316.193 DUI and other charges related to the case. Ibarra was then transferred to Ofc. Herrera.

Jorge Trujillo Martinez later arrived on scene and took possession of the Cadillac.

Body camera video of my involvement was submitted into a secure file at the Vero Beach Police Department."

Defendant Pablo Solares Ibarra violated Florida State Statute 316.1935, fleeing or eluding by knowingly and intentionally not stopping or pulling over from law enforcement in marked patrol vehicle after lights and sirens were activated to initiate a traffic stop.

Defendant Pablo Solares Ibarra violated Florida State Statute 843.02, resisting without violence by knowingly and intentionally fleeing on foot from a law enforcement officer after bailing out of the vehicle left in drive.

Defendant Pablo Solares Ibarra violated Florida State Statute 316.193 driving under the influence by knowingly and intentionally operating a motor vehicle under the influence on Jimmy Buffet Memorial Highway within the city limits of Vero Beach, Florida causing property damage.

Defendant Pablo Solares Ibarra violated Florida State Statute 316.1936, possession of a open container knowingly and intentionally operating a motor vehicle with a open bottle of corona beer in the cup holder to the right of the driver side seat.

Defendant Pablo Solares Ibarra violated Florida State Statute 316.192, reckless driving by operating his vehicle in a willful or wanton disregard for the safety of persons or property by hitting construction cones and hitting residential mailboxes and causing property damage while fleeing from law enforcement.

Defendant Pablo Solares Ibarra violated Florida State Statute 316.061 leaving the scene of an accident with property damage by knowingly and intentionally striking construction equipment and mailboxes causing debris to fly in the road way and on residential property.

Defendant Pablo Solares Ibarra violated Florida State Statute 322.03 no drivers license ever issued. Pablo Solares Ibarra knowingly and intentionally operated a motor vehicle in the state of Florida without ever having a drivers license being issued.

Based on the above-mentioned information, I transported Solares to Cleveland Clinic Indian River Hospital for medical clearance. Once medically cleared, I transported Solares to the Indian River County Jail for DUI testing.

Deputy Rentas conducted the DUI testing and Solares provided the following breath samples:

On September 13, 2026, at approximately 2015 hours, Sebastian Police Communications received a 911 call in reference to a reckless driver traveling south from the 2000 block of US Highway 1. Sebastian Communications advised the caller stated they were following a grey Dodge Dart bearing Florida tag RXLD42. While the caller was following, they observed the vehicle to be driving all over the road. Corporal Keskinen advised he located the vehicle in the 400 block of US Highway 1, where he initiated a traffic stop on the vehicle.

Upon my arrival I made contact with Corporal Keskinen who stated the following: "On 9/13/2026 at approximately 2015 hours, Sebastian Dispatch advised me of a reckless driver call where a gray Dodge Dart bearing Florida Tag RXLD42 was traveling south on US Highway 1 passing Jackson Street. The caller, Joseph Zailman, advised the vehicle was all over the road, swerving, and almost jumped the median. At the time of receiving the call, I was less than a mile away at US Highway 1 and Main Street. I parked my patrol vehicle and waiting for the suspect vehicle and the complainant to pass.

About a minute later, I observed the Dodge Dart bearing the same registration provided pass my location southbound. I also observed the complainant's vehicle, a Kia Soul, pass as well. I left my parked spot and began following the Dodge Dart. I was not able to immediately get behind the vehicle due to another vehicle being between mine and the Dodge. However, given the vehicle obscuring my view, I was still able to observe the Dodge dart drifting within the inside lane of US Highway 1 south. I then observed it leave its lane into the outside lane. I then positioned my vehicle behind it and to the right rear of it observing more driving behavior. I observed the vehicle still drifting into the outside lane a couple more times before correcting back into the appropriate lane it was traveling in. While following the vehicle, I did not observe any debris or other traffic hazards which would rationally explain the movement from the lane into the outside lane.

Based on the caller who was deemed reliable based on the information they provided and me observing firsthand the violations they described, I conducted a traffic stop on the vehicle by activating my emergency lights. After activating my emergency lights, the vehicle did not immediately yield, brake, or otherwise indicate with a turn signal it was going to pull over, despite there being several well-lit parking lots and businesses the vehicle could have stopped in. I activated my siren on two separate occasions signaling the driver to pull over which had no effect at first. After having my emergency equipment activated behind the vehicle for a period of time between 20-30 seconds, the vehicle finally activated its left turn signal and pulled over."

I made contact with the driver and sole occupant of the vehicle, identified by his Florida driver's license as Pablo Yaxel Mayea Jimenez. Due to Pablo not speaking or understanding English, this entire contact was in Spanish. Upon making contact with Pablo, I requested his registration and insurance which he was looking for. While Pablo was searching for his documents, I asked him why he was swerving on the road to which he advised me it was because he was tending to a call and was not paying attention. Officer Venegas began speaking to him as well and asked him if he had anything to drink to which he stated he did not. Pablo was subsequently removed from the vehicle at this time.

As Pablo exited his vehicle, I observed him to be uneasy on his feet, using the car to stand upright. Officer Venegas advised he observed an unopened Busch light on the driver side floorboard. Corporal Keskinen advised the Busch Light was warm. I instructed Pablo to stand in front of Corporal Keskinen's vehicle. I asked Pablo if he would be willing to conduct standardized field sobriety exercises to which he agreed to.

The first exercise conducted with Pablo was the Horizontal Gaze Nystagmus. I asked Pablo if he used any eyeglasses or if he had any physical capabilities that would prevent him from being able to do the standardized field sobriety exercises which he stated he did not. I explained the instructions to Pablo to which he verbally stated he understood. While explaining the instructions to Pablo, he had to be reminded to stand with his feet together and arms down by his side multiple times. During the actual exercise I observed the following: Lack of smooth pursuit in both eyes, equal tracking, equal pupil size, Onset nystagmus prior to 45 degrees in both eyes, as well as at maximum deviation in both eyes. Pablo also had to be reminded twice to not move his head during the exercise.

The second exercise conducted with Pablo was the walk and turn which was conducted on the solid yellow line on the road. I asked Pablo if he had any physical capabilities that would prevent him from being able to do the standardized field sobriety exercise which he stated he did not. I demonstrated to Pablo the starting position and advised him to stay in the starting position while I gave him instructions to the exercise. I explained the instructions to Pablo and demonstrated the exercise for him. While explaining the instructions, Pablo had to be reminded to stand in the starting position multiple times. Pablo had difficulty keeping his balance prior to starting the exercise. During the exercise I observed Pablo to have difficulty keeping his balance. Pablo also stepped off the line multiple times, made an incorrect turn, and had to be reminded to walk back another nine steps as he was instructed to do so.

The third exercise conducted with Pablo was the one leg stand. I instructed and demonstrated to Pablo the exercise multiple times to which Pablo stated he understood. During the exercise Pablo lifted his right foot and only counted up to 5 seconds, then put his foot down and stated he did not understand. Due to this, I attempted to explain and demonstrate the exercise to Pablo again to which he stated he understood, but if he did it wrong wanted me to correct him on it. Pablo proceeded to try and do the exercise again, but only counted up to 5 seconds before putting his foot down again.

Based on all of my observations on scene during the course of this investigation and the totality of circumstances, I found probable cause to place Pablo under arrest for violation of FSS 316.193 DUI.

Once in custody, I advised Pablo of his Miranda Rights which he understood and waived. Post Miranda warning, Pablo stated

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **09/13/2026**, at **20:41** (Specifically include facts constituting cause for arrest.)

the following: he was working in Palm Bay and while in Palm Bay, he had approximately eight Coronas. Pablo stated that the Busch Light that was on the floor board of the driver side was his and that a friend had given it to him.

Pablo was transported to the Indian River County Jail. Once at the jail, Deputy Rentas of the Indian River County Sheriff's Office requested Pablo to submit a lawful sample of his breath to determine its alcohol content. Pablo initially refused, however once he was read implied consent he agreed. Upon submitting a lawful sample of his breath, the following was his results: 0.132, 0.143.

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00098524****NARRATIVE**

On 9/13/2026 at approximately 2200 Hours, I was parked stationary along Interstate 95 near Mile Marker 151 conducting routine patrol.

I observed a black SUV traveling at a high rate of speed in the number one lane south on I95. I estimated the vehicle to be traveling in excess of 100mph in a posted 70mph zone. I then activated my agency issued Stalker Radar System to confirm. When activated the system emitted a loud, steady audible tone, confirming the radar signal and displayed a reading of 105mph.

I immediately activated my emergency lights and siren and attempted to conduct a traffic stop on the vehicle. The SUV (FL FVCN44) eventually came to a stop near MM148 and I identified the driver as Yesiney Lorenzo Del Castillo.

Castillo was placed under arrest for violation of F.S.S 316.1922 (1)(b) Dangerous and Excessive Speed. (Citation# ANUPUBE) and the vehicle was towed from the scene by Jerry's Towing.
