Case Report # 2026-00107732

**NARRATIVE**

On Tuesday, October 6th, 2026 at approximately 2310 hours, I made contact with Gwendolyn Dale Behen.

Upon a teletype query via Indian River Public Safety Dispatch, it was revealed Behen had an active warrant (VP202606737) out of Indian River County for FSS 948.06 (Violation of Probation).

Behen was placed under arrest and transported to the Indian River County Jail where she was held on no bond.

Arrest Affidavit Report

Case Report # 2026-00107722

NARRATIVE

On Tuesday, October 6, 2026, at approximately 2143 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the Home Depot located at 13361 US Highway 1, Sebastian, Indian River County, Florida.

While on patrol, I observed a white male operating a gas-powered scooter. Based on my previous interactions with similar scooters, I know that these scooters are above 50CC's and due to its engine abilities, are considered a motor vehicle. The driver was operating this scooter at night, without any lights on, and in the bicycle lane of the roadway.

I activated my blue lights and conducted a traffic stop on the driver. Upon informing him for the stop, he questioned it and stated that the scooter was "90 CC's", and did not think it was a vehicle. I requested the drivers license or ID. The driver, was identified by his Florida ID card as being Mr. Patrick Thom.

I went back and conducted a FCIC/NCIC check on Mr. Thom. He currently has a suspended license with the following suspensions:

Based on Mr. Thom being labeled a Habitual Traffic Offender, as well as operating a vehicle upon the roadway, he was placed under arrest. He was secured in handcuff restraints and placed in the back of my patrol vehicle.

Upon running the VIN for the scooter, I confirmed that it was not registered. Where the VIN was located, the manufacturer confirmed that the scooter is 99 CC's. Based on this information, Mr. Thom is also required to have a motorcycle endorsement, which he does not.

Upon searching the backpack that Mr. Thom identified as his, I located a blue cut straw that was approximately four inches in length. Upon looking in to the straw, I could see a clear crystal substance within the straw. I field tested the substance for the presence of methamphetamine, and received a positive alert.

Mr. Thom was transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2026-00107525

NARRATIVE

On 10/6/2026 at 1250 hours, I responded to [REDACTED] in reference to a disturbance.

On arrival, I first met with [REDACTED] who stated the following in summary:

Him and [REDACTED] were in an altercation in their car [REDACTED]

All three of them were in the car driving nearby 20TH AVE SW / OSLO Rd. They were having a heated verbal argument and [REDACTED] took her energy drink and purposefully spilled it all over his lap and chest while he was driving. In response and to get her to stop, he open handily hit her in the chest. She started texting a friend, so he slapped the phone out of her hand. She got upset and started hitting him in the head with the energy drink and sprayed it all over the car. He grabbed the bottle and threw it out the window. He had to pull over and to get her to calm down, he hit her several more times in the chest and head. She started attacking him then and scratching him all over his face and chest. The two of them continued to argue until they got home to the aforementioned house.

I observed a bruise/bump on his upper right forehead, several scratches/abrasions all over his face and neck, as well as a cut lip.

I next spoke with [REDACTED] Cpl Hoffman mirandized [REDACTED] this was due to her stating she has to go to work. She attempted to leave, so she was informed she was detained due to reasonable suspicion of DV Battery. She was willing to speak with me and stated the following in summary:

She, her daughter, and the [REDACTED] were driving around together. The two of them were in a heated verbal argument. Because she was upset, she purposely poured her drink all of his lap while he was driving. As a response, he hit her in the chest and then slapped her phone out of her hand. They continued to argue and shortly after, he hit her in the head (banged it on the car) and caused her earrings to rip out. She has a history of being a victim of domestic abuse, so she started hitting and scratching him back .

I observed redness on her face and upper chest area, as well as abrasions to where her earrings were.

When I spoke with the [REDACTED] they stated they witnessed only a verbal argument and nothing physical.

Due to my investigation, both parties' statements and visible injuries, it was determined [REDACTED] was the primary aggressor but [REDACTED] also responded with more force than reasonable for self-defense.

Both parties were charged with Battery, Simple Touch / Strike - Domestic Violence.

The preceding is true to the best of my knowledge or belief

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation or law:
On **10/06/2026**, at **08:51** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

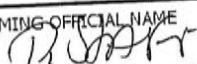

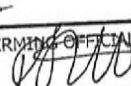

On the above date and time, your affiant was conducting a speed enforcement on Mockingbird and Banyan, for the Beachland School Zone. At approximately 8:51am I observed a bronze colored van approaching my location from the south. The vehicle was visually estimated to be traveling at 30mph, which is in excess of the posted speed limit of 15mph for the Beachland School Zone. The school zone on Mockingbird is identified by a large DOT sign on the eastside of Mockingbird just north of Beachland Blvd which states that from 7:45am until 9:00am on Monday thru Friday, the school zone speed limit is 15mph. The defendants vehicle drove past the posted sign, which is when I visually estimated the vehicles speed to be 30mph. I placed the aiming reticle for my Stalker RLR Lidar device on the front bumper of the vehicle and activated the laser. I got a solid acquisition tone and a digital speed display of 30mph. I activated my emergency lights and pulled in behind the van as it drove past me. The van stopped and I called in the vehicles tag to dispatch. The FL tag affixed to the rear of the van is 14E-LSJ. I approached the driver side door and made contact with the driver. I introduced myself and told him the reason for the stop. I asked for his drivers license and the driver told me that he did not have his wallet with him. I then asked him if he had any form of identification on him. He told me that he did not. I then asked him if he has a drivers license and he told me that he does not.

I asked the driver to give me his name, date of birth, and local address. He told me that his name is Jesus Robledo and that his date of birth is 4/16/1987. He said that he rents a room at 2704 Brantley Rd in Fort Pierce, Florida. I told him that I would need someone with a drivers license to come to the scene and take possession of the vehicle. He said that he contacted the registered owner, and that she was on the way from Fort Pierce. I then asked him if he had any form of identification at all. He said that he did not. Ofc. Aguilar, who had responded to the scene to assist with interpreting for me, told me that Mr. Robledo told him that he did not possess any official identification at all.

Ofc Scroggin, a Task Force Officer, with Immigration and Customs Enforcement, responded to the scene and contacted the local ICE office. He provided them with the information that we had for Mr. Robledo. Ofc. Scroggin was told that ICE would be placing a detainer hold on Mr. Robledo.

Mr. Robledo was placed under arrest for driving without a drivers license and transported to the Indian River County Jail to be held for Immigration. At the jail, Mr. Robledo was given his copies of the two citations that he was issued. One for speeding in a school zone (A09183E) and the second, for driving without a valid drivers license (A09182E).

The entire incident occurred within the Corporate City Limits of Vero Beach in Indian River County, Florida.
This concludes my involvement in this case.

MARSY'S LAW

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/06/2026** , at **17:59** (Specifically include facts constituting cause for arrest.)

On October 6th, 2026, at approximately 1737 hours, officers responded to [REDACTED] in reference to a standby. While enroute Sebastian Communications informed officers that the female subject later identified as Alexis Garcia, had hit a car with her vehicle and left the residence.

Upon arrival, officers made contact with the victim, identified a [REDACTED] who stated the following: [REDACTED] and Alexis were in the process of [REDACTED] Alexis arrived at the residence in the process and told [REDACTED] to leave, which he agreed to do, not allowing him to grab all of his belongings. Alexis began to yell at [REDACTED] and throw some of his belongings out on the street before getting in her vehicle and leaving. The vehicle in question is a 2018 black Dodge Journey bearing Florida tag DZ10FR. [REDACTED] informed officers Alexis went down the road before turning around and speeding back down towards him. According to [REDACTED] Alexis was driving the vehicle in a reckless manner on their residential street and at one point, she began driving the vehicle towards him. This created a well-rounded fear in [REDACTED] that he was going to be struck by the vehicle Alexis was driving. [REDACTED] was able to move out of the way, which caused Alexis to strike a grey Dodge Challenger parked on the side of the road. Alexis continued to drive away immediately after causing the minor crash.

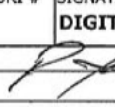

Contact was made with a witness, identified as [REDACTED] was at the residence to assist [REDACTED] He witnessed this incident occur and stated the following: [REDACTED] and Alexis were arguing and during this, Alexis threw a drink at [REDACTED] and chased him around [REDACTED] vehicle. According to [REDACTED] Alexis then got in her vehicle and left. [REDACTED] stated Alexis then turned around and came back down the road, still in her vehicle. [REDACTED] informed officers that Alexis appeared to intentionally drive the vehicle with the intent to hit [REDACTED] but instead side swiped [REDACTED] vehicle instead. It should be noted, [REDACTED] was in the vehicle at the time Alexis struck it and left.

Officers also spoke to another witness, identified as Lisa Schreiber. Lisa stated she is a neighbor who witnessed the incident occur. According to Lisa, she came home and observed Alexis and [REDACTED] arguing. Lisa stated she watched Alexis begin to throw [REDACTED] belongings on to the roadway while still yelling at him. Lisa informed officers she watched Alexis get in her vehicle and drive away while still throwing things in the direction of [REDACTED] After briefly peeling off the street, Lisa observed Alexis turn her vehicle around and drive in the direction of [REDACTED] aiming for him." Lisa further informed officers that instead of successfully striking [REDACTED] Alexis struck the side of [REDACTED] vehicle, which was parked by the residence. Lisa stated Alexis continued to circle around the neighborhood briefly before ultimately leaving the scene.

Officers began attempting to locate Alexis and the vehicle in question. Officer Keiser was able to locate Alexis driving on Roseland Road, Sebastian, Florida 32958. Officer Keiser initiated a high-risk traffic stop and safely took Alexis into custody. Alexis was advised of her Miranda Rights which she understood. Post Miranda, Alexis stated she was not trying to run [REDACTED] over and stated he had jumped in front of her car. Alexis thought she hit [REDACTED] belongings that were on the road and was unaware she had struck the side of the vehicle. Alexis ultimately acknowledged striking something with the vehicle she was driving however did not know exactly what it was, as well as leaving after the fact.

Based on the totality of circumstances, witness statements on scene and the facts mentioned above, I determined Alexis intentionally and unlawfully threatened by act with a motor vehicle which can be used as a deadly weapon, to do violence to [REDACTED] which she had the ability and opportunity to do driving the motor vehicle, and clearly had the intent based on her actions creating a well-rounded fear in [REDACTED] that violence was imminent, ultimately causing a crash instead which Alexis left the scene of rather than staying and waiting for law enforcement. As a result, I found probable cause to place Alexis under arrest for violating FSS 784.021 (1A) AGGRAVATED ASSAULT WITH A DEADLY WEAPON WITHOUT INTENT TO KILL AND FSS 316.061(1) LEAVING THE SCENE-PROPERTY DAMAGE.

Alexis was transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2026-00107269

NARRATIVE

On Tuesday, 10/06/2026, at approximately 0217, I was on marked uniformed foot patrol at 4326 27th Avenue, Vero Beach, Florida 32967. I made contact with the property owner, Tiki Taujuan Cobbs, reference IRC SO Case#2026-107269, where Cobbs advised me that he was having issues with people coming onto his property who do not live there. Cobbs stated he wanted law enforcement to patrol the area and remove people who do not have legal standing to be on the property. Additionally, I made contact with Cobbs outside his business, Player's Pool Lounge (4066 Old Dixie Highway, Vero Beach, Florida 32967), on Saturday, 10/03/2026. Cobbs again advised me that he wanted Law Enforcement to stop people from partying outside the residence and remove people who are not lawfully on the property (IRC SO Case#2026-106248).

Prior to my approach to the residence, I was parked down the street observing pedestrian and vehicle traffic occurring on the roadway outside of the residence. From previous arrests and investigations, I know the area around the residence to sell illegal substances and drug paraphernalia. I observed several hand-to-hand transactions while parked down the road. One individual walked down the road after leaving 4326 27th Avenue and approached my patrol vehicle. I observed her drop a glass pipe, which based on my training and experience I recognized as a crack-pipe. The pipe had a presumptive field test positive for crack-cocaine. Post Miranda the individual informed me that there were on-going drug transactions and that she had just traded marijuana for the crack-pipe. She advised me that people were currently at the residence selling and consuming illegal drugs.

While approaching the property, I observed a grey Kia sedan bearing Florida tag #DS28UL, parked in the driveway of the property. I have conducted foot patrol on a majority of the nights that I am on-duty for the last several weeks and I did not recognize this vehicle to belong to any of the tenants on the property.

I approached the passenger side of the vehicle and attempted to make contact with the driver, Lamar Jones. I clearly identified myself as a law enforcement officer and as a Deputy with the Indian River County Sheriff's Office. When Jones rolled the passenger side window down partially, I asked Jones why he was on the property because I did not recognize him. Jones asked me why I was on the property and I informed him that the property owner allowed me on the property. Jones asked me if he was required to speak with me, which I told him the encounter was entirely consensual and that he did not have to as he was not being detained. While speaking with Jones, I looked inside the vehicle and observed a small zip-lock baggie with white powder on the zip-locking feature, as-well as a white substance, which based on my training and experience, I immediately recognized as an illicit controlled substance. While I was speaking with Jones, he noticed that I was looking inside the vehicle and had a

NARRATIVE (Continuation)

furtive movement where he took his cellphone and placed on top of the plastic baggie in order to conceal it from me. I notified Deputy Austin Cox that I observed something in the vehicle and to watch the driver side. I re-positioned myself to the driver door and opened it, then informed Jones that he was detained for an investigation. I gave Jones lawful orders to exit the vehicle and Jones refused my directives. I grabbed control of Jones's arm while calling for additional units due to the vehicle being on and able to be driven off should Jones access the shifter. Jones continued to resist my lawful commands to exit the vehicle. Jones also attempted to close the car door while I was ordering him out of the vehicle. I afforded Jones multiple opportunities to exit the vehicle while explaining the situation. Deputy Cox and I began to grab ahold of Jones to start extracting him from the vehicle after he persistently refused to obey lawful commands. Jones weighs approximately 400 lbs and is taller than Deputy Cox and I. Deputy Cox attempted to control Jones legs while I worked on Jones arms and upper body to remove him the vehicle. Jones pulled away from both of us and continued to resist arrest. Deputy Cox and I got Jones halfway out of the vehicle; however, he then used his size and weight advantage to force himself back into the driver's seat. I pulled my taser and issued Jones a warning that he would get tased, Jones still did not comply after I brandished my taser. I put my taser back in the holster and continued to try to extract Jones from the vehicle, however after my attempts of extraction failed, I discharged my taser twice. The first prong went into Jones's stomach and leg, I then assessed Jones for the effects of the taser and continued to work him out of the vehicle. I observed that the taser was in-effective due to Jones's loose clothing, which I discharged another prong into Jones, which had successful Neuromuscular Incapacitation (NMI). Jones was assisted out of the vehicle and onto the ground while he was experiencing NMI. When the taser stopped its cycle, Jones refused to turn on-to his stomach and appeared to start to posture himself to physically resist Deputy Cox and I. I gave Jones another warning to comply with lawful commands or I would re-activate my taser. Jones continued to resist my lawful directives, which prompted me to utilize the taser again to gain compliance. Jones experienced successful NMI again, which while under NMI he was rolled onto his stomach. When the taser stopped its cycle again, Jones tucked his arms under his stomach and continued resisting arrest. I worked on gaining control of Jones's right arm while Deputy Cox worked on Jones's left arm. Deputy Cox saw that Jones was going to attempt to physically resist arrest by posturing into a fighting stance again, which Deputy Cox then delivered a pain compliance technique known as a knee spike to Jones's left side rib-cage area. After delivering the technique, Deputy Cox gained control of Jones's arm and he was successful placed into handcuffs and taken into custody.

I rolled Jones onto his side and attempted to get him up so that he would not have any difficulty breathing or further issues resulting from the interaction. Jones was rolled onto his side and Indian

Arrest Affidavit Report

Case Report # 2026-00107269

NARRATIVE (Continuation)

River County Fire Rescue was dispatched to the scene for medical evaluation. Jones was searched incident to arrest and placed into the back of a marked patrol vehicle. Jones declined to be transported by Paramedics to Cleveland Clinic Indian River Hospital.

I walked back to the vehicle Jones's was in control of to conduct a search based on plain-view of the suspected illicit substances. The zip-lock baggie that I observed in plain-view inside the center consol had 5 white pills inside of it, an additional white pill was located on the driver floorboard at the brake pedal. Sergeant Lee field tested the pills and was able to identify them as oxycodone. The oxycodone was placed into an evidence bag and secured inside me of agency patrol vehicle. Jones's vehicle was given to his brother after the search was completed.

Jones was transported to Cleveland Clinic Indian River Hospital by Deputy Neill for medical clearance. After receiving medical clearance, I escorted Jones back to my agency patrol vehicle and advised him of his Miranda rights, which he voluntarily waived and agreed to speak with me. I asked Jones if he takes any medications for medical issues, which he stated he takes [REDACTED]

[REDACTED] I asked Jones if he had any medication with him inside the vehicle or on his person, to which he stated he did not. I asked Jones when the last time he took his medication was, which he stated that it had been a while and he wasn't sure. I asked Jones if he had his prescribed medication at all and he advised me he did not.

Based on the totality of the circumstances, Lamar Jones was placed under arrest for a violation of the following Florida State Statutes:

- F.S.S. 893.13 – Possession of a Controlled Substance.
- F.S.S. F.S.S. 843.02 – Resist arrest without violence.

Jones was transported to the Indian River County Jail without further incident.
