Arrest Affidavit Report

Case Report # 2026-00079344

NARRATIVE

On July 25, 2026, at approximately 1413 hours, I was dispatched to 4215 25th Avenue in reference to a reported robbery.

Upon arrival, I made contact with the victim [REDACTED] who provided the following summarized statement:

[REDACTED] advised that she, a friend known to her as "Lavon," who later was confirmed to be identified as William Robertson, and the homeowner were sitting in the living room when Robertson suddenly demanded that she surrender her Venmo debit card. [REDACTED] refused, at which time Robertson grabbed her by the front of her shirt and threatened to "fuck her up" if she did not comply. Fearing for her safety, [REDACTED] handed Robertson her debit card. [REDACTED] asked Robertson why he was doing this and pleaded with him not to take the card. Robertson then demanded the personal identification number (PIN) for the debit card and again threatened to "fuck her up" if she refused. In fear of imminent bodily harm, [REDACTED] provided the PIN.

[REDACTED] advised that Robertson fled the residence on a powder blue Beach Cruisers bicycle. She described him as wearing a blue shirt, tan jeans, and a hat matching the color of his shirt. She further described him as approximately 6'3" tall, weighing over 200 pounds, and having a military-style haircut with the front portion flipped upward.

I assisted [REDACTED] in contacting her financial institution to place a hold on her debit card. During the call, bank representatives advised that a \$240 withdrawal had already been completed from her account at a PNC Bank ATM located in Vero Beach. The representative was unable to provide the exact ATM location. Through further investigation, including a Google search, I determined that the only PNC ATM in the immediate area was located inside the Wawa convenience store at 41st Street and US-1.

D/S Jake Crawford advised that he recognized the nickname "Lavon" and identified a possible suspect as William Robertson (DOB: 06/10/1971). D/S Crawford provided Robertson's Florida driver's license information. I obtained Robertson's driver's license photograph and presented it to [REDACTED] who immediately and positively identified Robertson as the individual who threatened her and forcibly took her debit card. I then separately presented the same photograph to witness Terry Van Meter, who also positively identified Robertson as the individual involved in the incident.

I interviewed Terry Van Meter, the homeowner, who stated he was present while Robertson and [REDACTED] argued about going to the gas station. Van Meter stated he intervened on multiple occasions because he feared Robertson was going to physically assault [REDACTED]. Van Meter expressed that he believed Robertson would have physically attacked [REDACTED] had he not been present, and that his presence was

the only factor preventing physical violence. Van Meter observed [REDACTED] hand Robertson the debit card but did not hear Robertson make any verbal threats toward her.

A BOLO was broadcast for Robertson, and I searched the surrounding area but was unable to locate him. I then responded to the Wawa convenience store where the PNC ATM was located and met with D/S Haffield. D/S Haffield attempted to obtain surveillance footage of Robertson using the ATM but was initially unable to locate video capturing the transaction.

D/S Haffield continued checking locations known to be frequented by Robertson while additional BOLO information was broadcast. D/S Haffield and Sergeant Fricke subsequently located Robertson at the Four Corner Store and attempted to detain and interview him. As deputies approached Robertson, he refused to comply with lawful commands. While deputies attempted to place him in handcuffs, Robertson actively resisted by pulling his arms away and engaging in a physical struggle. Robertson continued resisting and was ultimately taken to the ground. During the struggle, Robertson grabbed a deputy's portable radio microphone and pinned it beneath his body. Additional deputies responded to the scene and assisted in securing Robertson in handcuffs and placing him into a seated position.

While Robertson was seated and in custody, Sergeant Fricke placed her hand on Robertson's shoulder, at which time Robertson attempted to bite her hand.

While D/S Haffield was placing Robertson into a patrol vehicle, Robertson again actively resisted, causing D/S Haffield to become pinned against the vehicle's door frame. D/S Haffield sustained an injury to his shoulder and later sought medical evaluation at Cleveland Clinic.

Robertson also attempted to bite D/S Dyess while in the seated position. D/S Dyess had his hands on Robertson's shoulders to keep him upright and Robertson swung his head left and right in attempt to bite both of D/S Dyess's hands/wrists. During a search incident to arrest, D/S Dyess located two small bags containing a white powdery substance inside Robertson's pockets. After Robertson was removed from the rear seat of D/S Dyess's patrol vehicle, D/S Dyess discovered an additional bag containing a wet, chewed white powdery substance in the rear seat where Robertson had been detained. During the same search, D/S Dyess recovered a blue Venmo debit card bearing the name [REDACTED] from Robertson's person.

Robertson refused to answer any questions regarding this investigation. Due to injuries sustained during the incident, Robertson was transported by ambulance to Cleveland Clinic Emergency Department. Because of Robertson's continued combative behavior, his legs were secured with hobble

restraints during transport to prevent him from kicking.

Upon arrival at the emergency department, Robertson remained combative and uncooperative toward both law enforcement officers and hospital staff. At the request of hospital personnel, Robertson was secured to the hospital bed in handcuffs, and the hobble restraints remained in place due to his continued aggressive behavior.

I used a field expediate multi-drug test kit on one bag of the white powdery substance found to be on Robertson's person. The test kit showed the substance to be positive for Fentanyl. Lab tests were requested on the bags of white powdery substance when it was submitted to evidence.

At approximately 1800 hours, I followed up to the Wawa convenience store located at 41st Street and US-1 to conduct a review of surveillance footage. Upon reviewing the footage, I observed William Robertson arrive at the Wawa on the previously described powder blue Beach Cruisers bicycle. Robertson entered the store and utilized the PNC ATM at approximately the same time the unauthorized withdrawal occurred from [REDACTED] account. After completing the transaction, Robertson exited the store and departed on the same bicycle.

I then followed up at 3453 45th Street, where I conducted a follow-up interview with [REDACTED]. During the interview, [REDACTED] positively identified the blue Venmo debit card recovered from Robertson's person as the debit card taken from her during the robbery. [REDACTED] further expressed that she remained fearful of Robertson, both because of the threats made during the robbery and due to concerns of retaliation for contacting law enforcement and cooperating with the investigation. During the interview, [REDACTED] became visibly emotional, cried throughout portions of the conversation, and exhibited signs of emotional distress. I provided [REDACTED] with a Victim Rights brochure and the contact information for the Victim Advocate's Office. I encouraged her to contact victim services for additional assistance, particularly in light of her transient lifestyle and previous difficulty maintaining communication.

On July 26, 2026, at approximately 0540 hours, I was dispatched to the Indian River County Jail in reference to follow-up Case Number 2026-00079344. Upon arrival, jail staff advised that William Robertson had been found in possession of a controlled substance believed to be marijuana. Jail staff further advised that Robertson regurgitated a baggie containing an unknown substance. As staff entered the cell to recover the item, Robertson ingested the baggie before they could intervene. Due to the ingestion of the unknown substance, Robertson was transported to the emergency department.

It was confirmed through dispatch that Robertson was current out on bond Case# 2026-45480.

AGENCY CASE #: 26-1307

REPORT DATE: 07/28/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 07/28/2026, at 02:04 (Specifically include facts constituting cause for arrest.)

On July 27th, 2026, at approximately 2234 hours, I responded to 1235 Main Street in reference to a motorcycle crash. Communications advised that there was a male collapsed on the side of the road and it appeared he fell off of his bike.

Upon arrival, Officers found the defendant, later identified as Keith Patillo, with a bloody face and his clothing covered completely in dirt from driving onto the grass. Keith struck a sign on the shoulder of the road, causing minor damage to it. I made contact with Keith, who had originally given officers a false name. Keith provided the name William D Patillo with the date of birth 09/22/1958. Keith was asked several times whether he had any identification, and he denied it. While observing Keith's right pant leg, officers saw a square bulge, which appeared to resemble that of a wallet. Keith later admitted that his driver's license was inside the wallet. Keith stated that he had given his brother's name and did not have a valid reason for doing so. Keith was questioned about the crash, during which he stated that he was driving from visiting the ocean and playing pool at Earl's Hideaway in Sebastian, Florida. Keith stated that he lost control of the motorcycle and ran off the road onto the grass. EMS arrived on scene to evaluate Keith, and Keith refused to be checked out by EMS.

Keith was now off the motorcycle, leaning against the front bumper of Corporal Revis' patrol vehicle. It appeared Keith was using the vehicle for balance. When speaking with Keith, he didn't have difficulty recalling his route but stated he was "Leaving the Earls", which is a known bar in the city limits of Sebastian. While speaking with Keith, he had a strong odor of alcoholic beverage emitting from his breath as he spoke. Keith had balance issues throughout the conversation. Keith's eyes were slightly glossy.

Corporal Keskinen advised me he completed the crash investigation and informed Keith he was complete with it as well.

Keith was read his Miranda rights, and he stated that he understood. Keith stated that he was driving southbound on Main Street heading home after he had consumed a few Michelob Ultra beers at Earl's. Keith stated he was unaware of how big the beers were he consumed. I informed Keith that I was going to have him perform the sobriety field exercises which he refused. Keith was informed that if he refused the exercises, officers would have to make an arrest decision based on what was seen thus far. Keith reiterated that he was not going to do the exercises and stated something to the effect of "I'm not going to give you guys shit." Keith was then placed in mechanical restraints, which were checked for proper fit and arrested for driving under the influence with property damage. Keith was also arrested for giving LEO a false name.

Keith was searched for contraband and weapons, which yielded negative results. Keith was transported to Sebastian Medical Hospital, where he was evaluated and released to be transported to the Indian River County Jail.

Keith refused to perform the breath test while at the Indian River County Jail. Keith was also given an additional charge for DUI refusal, first offense.

Keith was given a citation for DUI property damage (DUI Citation Number ADI1XEE) and Keith was given a citation for refusal to submit (ANPZYIE).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 07/27/2026 , at 23:50 (Specifically include facts constituting cause for arrest.)

On July 27, 2026, at approximately 2350 hours, I Ofc. Herrera, responded to [REDACTED] in reference to a disturbance where the complainant got hit in the head by his [REDACTED] with a baseball bat.

On scene, the complainant, Brent M. Dugo (DOB: 10/27/1963) came out from the front door of the residence holding his head. I observed blood on his right arm and on the rag he was holding on the right side of his head. After the scene was secure EMS provided treatment to Dugo while I spoke with his [REDACTED]

I spoke with [REDACTED] she stated that Dugo was upset at her for not getting the food he specifically wanted. She stated that when she told him that she did not get the food he wanted, he became angry and started to throw the food she bought out the fridge and onto the ground. She stated that when they were in the kitchen he pushed her from behind and she fell onto her stomach and onto her [REDACTED]. She stated that she got back up and was headed towards the living room when he took a metal curtain rod that was over one of the hallways and struck her across the back [REDACTED] showed me her back and there was a red mark across her back matching her statements. [REDACTED] stated that after she was struck by the metal curtain rod, she pushed Dugo onto the ground, but he was able to grab and pull her by her hair. She stated that he then grabbed a baseball bat located by the front door, but she was able to grab it as well and when she pulled it out of his hands, it struck him. She stated that as she was on the couch, he threatened to shoot her and walked away to his room and she was in fear for her life, but he came back with his phone and he [REDACTED]. She stated that they have [REDACTED]

[REDACTED] I asked if she wanted medical attention and she agreed. She was looked at by one of the Indian River County Paramedics, but she did not want to be transported.

After a records check through Vero Beach Telecommunications, I was informed that there was an injunction in place and [REDACTED]

I then spoke with Dugo who was in the back of the ambulance. Dugo stated that he was upset that [REDACTED] did not get him the food he wanted to eat. He stated that he asked her to go to Wendy's but when he asked her where she went she told him that she went to Walmart. Dugo stated that he gave her approximately \$500.00 to buy food. He stated that when he found out that she didn't get what he wanted, he went to the fridge and started to throw the food out. He stated that she closed the fridge door and then he told her to get out of the kitchen. He stated that he shoved her out of the kitchen so that she would go to Wawa and grab him food. He stated that after he shoved her, she went to grab the baseball bat by the front door, she struck him with the baseball bat, he grabbed her by the ponytail, and they ended up on the couch. He stated he told her that he was over it and that he was going to [REDACTED]. Hugo informed me that [REDACTED]

Hugo was transported to Cleaveland Clinic Indian River Hospital by IRCFD (Run #26-20749) due to his wounds. The hospital conducted a CT scan and everything came back normal and Hugo was medically discharged.

Due to the information gathered from the two involved individuals, Brent M. Dugo was determined to be the primary aggressor. After Hugo was medically discharged, he was arrested for violation of Florida State Statue 784.045(1a2) - PERSON USES A DEADLY WEAPON and transported to the Indian River County Jail without further incidents.

[REDACTED] was given and filled out a domestic violence packet.

After completing a Domestic Violence Lethality Assessment, the victim is in a potentially lethal situation based on her score. The only thing she is worried about is that he will hurt her and her dog.

Photos of this incident were uploaded into Vero Beach Evidence Library via the Responder App.

This incident was captured on my BWC and uploaded into Vero Beach Evidence Library.

Arrest Affidavit Report

Case Report # 2026-00080158

NARRATIVE

On Tuesday, July 28, 2026, at approximately 0209 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of 4th Street and 20th Avenue, Vero Beach, Indian River County, Florida.

Prior to the traffic stop, I was near the intersection of 4th Street and Old Dixie Highway. I was approximately 100 yards away from a red Dodge Ram as it turned on to 4th Street. After making the turn, the vehicle accelerated and was traveling at a high rate of speed down 4th Street. I visually estimated the vehicles speed to be 60MPH. My in-car radar confirmed the vehicles speed to be 63MPH in a posted 35MPH zone.

Upon catching up to the vehicle near 4th Street and 20th Avenue, I conducted a traffic stop on the vehicle.

During the traffic stop, I made contact with the driver, who was identified as Mr. Michael McPhee. During the traffic stop I noticed that the Mr. McPhee had watery eyes, the odor of an alcoholic beverage emitting from his breath, and had poor dexterity looking for documents and turning the vehicle off. After I requested that Mr. McPhee step out of the vehicle, Mr. McPhee stumbled out of the vehicle, and needed to use the vehicle for assistance.

Once outside the vehicle, I could continue to smell the odor of an alcoholic beverage emitting from his breath. Mr. McPhee admitted to consuming three jack and cokes at the Speakeasy Bar earlier tonight. He advised all three drinks were consumed within an hour and a half of each other. Mr. McPhee also advised that he is normally taking [REDACTED] and took one dose earlier in the day.

Mr. McPhee agreed to perform Standardized Field Sobriety Exercises (SFSE's). They go as follows:

Horizontal Gaze Nystagmus (6/6): Mr. McPhee had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to a 45-degree angle in both eyes. Mr. McPhee did not have a resting nystagmus in either eye. He did have equal tracking and equal pupil size in both eyes. During the exercise, Mr. McPhee moved his head at times.

Walk and Turn (5/8): Mr. McPhee could not keep his stance in the instructional stance, did not touch heel to toe, took the incorrect number of steps, stepped off line, and made an improper turn.

During the exercise, Mr. McPhee complained about his past medical history playing an affect on his performance. We then transitioned over to Seated Battery Exercises.

Finger to Nose:

1. Left: Mr. McPhee hesitated, did not use his fingertip, and did not bring his finger down after the exercise
2. Right: Mr. McPhee hesitated, did not use his fingertip, and did not bring his finger down after the exercise

NARRATIVE (Continuation)

3. Left: Mr. McPhee did not bring his finger down after the exercise
4. Right: Mr. McPhee did not use his fingertip and did not bring down his finger after the exercise.
5. Right: Mr. McPhee did not use his fingertip and did not bring down his finger after the exercise.
6. Left: Mr. McPhee did not bring his finger down after the exercise.

Palm Pat: During the exercise, Mr. McPhee used a chop pat, failed to increase his speed during the exercise (even after being told to do so), and rotated his hands during the exercise.

Hand Coordination: Mr. McPhee started at the wrong time, made an improper return in Task 2, and did not return his left fist to his chest in task 3.

Based on my training and experience, I believe that Mr. McPhee is too impaired to safely operate a motor vehicle. He was placed under arrest for DUI.

Mr. McPhee was transported to the Indian River County Jail. While at the jail, he provided two breath tests of 0.119 and 0.129.

AGENCY CASE #: 26-1308

REPORT DATE: 07/28/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **07/28/2026** at **03:16** (Specifically include facts constituting cause for arrest.)

On July 28th, 2026, at approximately 0202 hours, I was dispatched to [REDACTED] in reference to a disturbance/fight. Sebastian Communications advised the female complainant stated a man put hands on her and threatened her as well.

Upon arrival, contact was made with the complainant, identified from previous law enforcement contacts as [REDACTED]. [REDACTED] appeared to be visibly upset and distraught upon initially making contact with her. [REDACTED] stated the following: All day today [REDACTED] William Holroyd, has been aggressive and agitated toward her due to her not getting him out of jail. According to [REDACTED] this behavior started when he got home from jail approximately 3 days ago. [REDACTED] stated William made comments to her such as "watch your back when you sleep." [REDACTED] informed that during the argument which ensued tonight, William grabbed her by the neck and strangled her while attempting to drag her in his room, causing her to feel like she was going to go unconscious. [REDACTED] had various red marks around her neck which were consistent with this statement as well as various scratches around her neck. [REDACTED] stated this also caused her necklace to be ripped off her neck as well. It should be noted that officers later located the necklace on the ground in the kitchen area of the residence, which is where [REDACTED] stated this took place. [REDACTED] also said she felt pain in her back while William was grabbing her. Upon lifting her shirt up, officers observed a horizontal scratch across her back. At some point during this, [REDACTED] stated William grabbed her by the vagina area causing his fingers to penetrate her.

Officers and deputies then attempted to make contact with William at the front of the residence. I knocked multiple times and identified myself as Sebastian Police Department and told William to come out. [REDACTED] informed officers prior to this that he was in the residence and locked himself in his room when she told him she was calling law enforcement. Officer Hatton also observed a movement through the front window of the residence as well before we attempted to make contact with him.

After more than 20 minutes of trying to get William to come out, he finally exited through the front door. There he was met with Sergeant Le of the Indian River County Sheriff's Office, who immediately placed William in mechanical restraints.

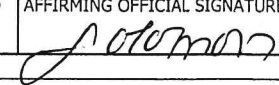

William was advised of his Miranda Rights at this time which he understood. Post Miranda, William stated [REDACTED] has been using his money, specifically while he was in jail. This caused a verbal altercation to ensue between the two of them in the afternoon. William then stated [REDACTED] wanted to leave the house and go to Fellsmere to buy drugs. According to William their next-door neighbor was going to take her, and he was trying to convince him not to. William stated she went anyway and during this time alone, he went to Walmart and then later returned to the residence. According to William, as soon as he got home he went to sleep and did not ever realize [REDACTED] returned to the residence. William denied ever putting his hands on [REDACTED] and when asked how the red marks appeared on her neck, he stated it was from her having sex with her boyfriend. However, her boyfriend was not at the residence at this time and the marks were fresh.

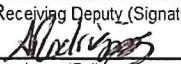

Based on the facts mentioned above and the totality of circumstances, I found probable cause to place William under arrest for violation of FSS 784.031(1) BATTERY BY STRANGULATION.

It should be noted that William is currently out on bond for a previous arrest earlier this year and [REDACTED] informed he's been arrested in the past for similar violence.

William was transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2026-00080507

NARRATIVE

On July 28, 2026, at 19:58 hours, I Deputy D. Coon #6379 conducted a traffic stop on silver 2006 Chevrolet HHR (FL Tag: E3790J) at 4945 20th St in Indian River County. The cause for the traffic stop was because I observed the silver Chevrolet being operated in a careless manner. Particularly, the silver Chevrolet merged right onto 20th St from 53rd Ave (with red light) and immediately entered the middle lane. The driver failed to yield, and the silver Chevrolet nearly struck another vehicle that was moving eastbound in the middle lane in front of me. The near-collision was captured on my Axon dash camera.

I identified the driver, Alexander Gabriel Stewart, by his FLHSMV records with the assistance of Dispatch. Alexander stated that he didn't have a driver license, but he added that he was recently granted a hardship driver license. Upon researching his Florida driver license, it was initially revoked on 06/12/2008 for a controlled substance violation. Several subsequent suspensions have occurred since, including two Indian River County traffic citations for Driving on a Suspended License on 12/06/2009 (UTC # 3491FVY) and 04/06/2012 (UTC # 9285SZS). Therefore, Alexander was aware that his license was invalid. I found no evidence of a hardship exception or any other restoration measure for his driver license. I placed Alexander Gabriel Stewart under arrest for F.S.S. 322.34 (2)(b)(1), Driving with a Suspended License (second or subsequent conviction), UTC # ANUOVOE.

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-1315

REPORT DATE: 07/28/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/28/2026** , at **21:15** (Specifically include facts constituting cause for arrest.)

On **7/28/2026** at approximately **2031** hours, I was traveling behind a gray Honda Civic bearing Florida Tag XDG898 traveling across the intersection of Sebastian Boulevard on Fleming Street.

While the vehicle approached the Y intersection of Fleming Street and Voçelle Avenue, the vehicle elected to turn right, continuing on Fleming Street. While navigating the right turn, the vehicle made a very wide right turn placing the entire vehicle into the oncoming lane of travel. There was another car approaching which appeared to have braked or slowed to avoid the collision. The Honda swerved back into the correct travel lane and continue on Fleming Street. Upon me passing the same area, there was no object, debris, or any item in the roadway the Honda may have been swerving to avoid colliding with. I queried the registration of the vehicle which yielded in the registered owner having no driver license number issued to them in the State of Florida.

I conducted a traffic stop on the vehicle and made contact with the operator and defendant, identified as Esteban Chiquin Caal, through a photo identification which appeared to be issued from the Republic of Guatemala. The address on the ID stated 208 Southeast St, Lake Worth, Florida. The defendant spoke very limited English. With the help of Officer Venegas who was translating, the defendant stated he did not have a driver license and does not have any papers to be in the United States. The defendant stated he has never had a driver license issued to him, currently lives in Fellsmere Florida, and stated he has lived in the United States for the last four years.

The defendant's name was queried through NCIC/FCIC which yielded in no Driver License being located for him.

The defendant was placed under arrest and charged with F.S.S. 322.03 No Driver License.

He was transported to the Indian River County Jail without incident.
