MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 2026000596

REPORT DATE: 03/27/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 3/27/26 at approximately 0715 hours, I Ofc. Kriegner responded to Cumberland Farms (1690 US1) in reference to a subject causing disturbance and threatening people in the area.

Upon arrival, I observed an individual walking back and forth in the parking lot. The individuals on scene gestured towards the individual I needed to speak with. I spoke with Joseph Webb (arrestee, identified by name and DOB) who was quickly walking towards me. Joseph said he needed me to help him, and I asked him to explain what was going on. Joseph responded "they are raping me" while gesturing towards Cumberland farms. When I asked him to explain to me who was "raping him" he responded, "I don't know" and stated he had needle marks on his body from the alleged incident. Joseph requested EMS and was asked what he needed to be evaluated for, in order for dispatch to relay to EMS to determine response protocol; he responded with "I'm leaving" and proceeded to walk away from me. At this time, I did not have probable cause to detain him, and he was able to walk away freely.

Shortly after Joseph walked away, I was informed by Vero Beach Communications, Joseph had a Writ of Bodily Attachment, Failure to pay child support (warrant#2017727FR). Joseph was relocated by Ofc. Aguilar, in the parking lot of CVS (1706 US1). I arrived at CVS to speak with Joseph regarding the warrant. When Joseph was informed of the warrant and asked to place his hands behind his back, he attempted to flee on foot. To prevent Joseph from fleeing, Ofc. Aguilar grabbed him, and both were forced to the ground. Joseph began to fight with Ofc. Aguilar and I and refused to comply with commands. Joseph was asked several times to place his hands behind his back and each time he refused. Joseph began scratching and biting Ofc. Aguilar and myself. Joseph attempted to scratch my face and was able to scratch my neck and was able to bite my right pointer finger at the nail area. Due to the bite force, I did begin to bleed from the bite area. Ofc. Aguilar received a round bite wound on his left forearm and several scratches on his arms.

After Joseph was placed into hand restraints, he continued to resist and was placed into an agency issued "hobble" to prevent additional officer safety issues. While Joseph was searched, a blue colored pipe, containing what appeared to be residue of a substance, was found on his person.

Ofc. Aguilar and I were examined and treated by EMS on scene (run#8727) and advised to keep the wounds clean and the wounds were cleaned by hydrogen peroxide.

The warrant was confirmed by Vero Beach Communications and Joseph was placed under arrest for the Writ of bodily attachment, Failure to pay child support as well and Fss 843.01Resisting and officer with violence and Fss 893.147 Possession of drug paraphernalia. He was transported to the Indian River County Jail to be held without bond.

Photographs of officer's injuries were taken and will be submitted along with my BWC.

AGENCY CASE #: 2026000596

REPORT DATE: 03/27/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 3/27/26 at approximately 0715 hours, I Ofc. Kriegner responded to Cumberland Farms (1690 US1) in reference to a subject causing disturbance and threatening people in the area.

Upon arrival, I observed an individual walking back and forth in the parking lot. The individuals on scene gestured towards the individual I needed to speak with. I spoke with Joseph Webb (arrestee, identified by name and DOB) who was quickly walking towards me. Joseph said he needed me to help him, and I asked him to explain what was going on. Joseph responded "they are raping me" while gesturing towards Cumberland farms. When I asked him to explain to me who was "raping him" he responded, "I don't know" and stated he had needle marks on his body from the alleged incident. Joseph requested EMS and was asked what he needed to be evaluated for, in order for dispatch to relay to EMS to determine response protocol; he responded with "I'm leaving" and proceeded to walk away from me. At this time, I did not have probable cause to detain him, and he was able to walk away freely.

Shortly after Joseph walked away, I was informed by Vero Beach Communications, Joseph had a Writ of Bodily Attachment, Failure to pay child support (warrant#2017727FR). Joseph was relocated by Ofc. Aguilar, in the parking lot of CVS (1706 US1). I arrived at CVS to speak with Joseph regarding the warrant. When Joseph was informed of the warrant and asked to place his hands behind his back, he attempted to flee on foot. To prevent Joseph from fleeing, Ofc. Aguilar grabbed him, and was both were forced to the ground. Joseph began to fight with Ofc. Aguilar and I and refused to comply with commands. Joseph was asked several times to place his hands behind his back and each time he refused. Joseph began scratching and biting Ofc. Aguilar and myself. Joseph attempted to scratch my face and was able to scratch my neck and was able to bite my right pointer finger at the nail area. Due to the bite force, I did begin to bleed from the bite area. Ofc. Aguilar received a round bite wound on his left forearm and several scratches on his arms.

After Joseph was placed into hand restraints, he continued to resist and was placed into an agency issued "hobble" to prevent additional officer safety issues. While Joseph was searched, a blue colored pipe, containing what appeared to be residue of a substance, was found on his person.

Ofc. Aguilar and I were examined and treated by EMS on scene (run#8727) and advised to keep the wounds clean and the wounds were cleaned by hydrogen peroxide.

The warrant was confirmed by Vero Beach Communications and Joseph was placed under arrest for the Writ of bodily attachment, Failure to pay child support as well and Fss 843.01Resisting and officer with violence and Fss 893.147 Possession of drug paraphernalia. He was transported to the Indian River County Jail to be held without bond.

Photographs of officer's injuries were taken and will be submitted along with my BWC.

On the above date and time, Sebastian Police [redacted] in reference to a male subject who had attempted to break into a private residence [redacted] however confronted by a concerned citizen which initiated an altercation. Upon the call coming out, officers were provided a description of a white male, wearing jeans and a hat, carrying a backpack.

As I arrived to area with my emergency lights activated, I spotted a male subject matching the description provided, walking [redacted] coming from the incident location. That person, later identified as the defendant Cinaka Swensen, attempted to enter the backseat of another vehicle in the area.

Observing this, I exited my patrol vehicle and ordered the defendant to stop. The defendant continued his action and opened the rear passenger door, placed his backpack on the seat, then closed the door. The defendant then turned towards me to which he was then ordered to turn around to which he refused. I then grabbed the defendant's right arm in an attempt to turn him around to secure him in handcuffs to which the defendant pulled his arm out of my grasp. I then removed my taser and ordered him to the ground to which he complied.

Once secured in handcuffs and a search of his person was initiated, the defendant began to tense his body, rotate against officers, and refuse to follow simple commands. While placing the defendant into the vehicle, he again would tense and brace his body against the vehicle attempting to defeat officers actions. The defendant would exhibit this behavior a second time when officers attempted to readjust his handcuffs for better comfort and double lock them later during the call for service. However, on the second time, the defendant's actions were more aggressive, to the point officers had to deliver distractionary strikes to force the defendant back into the patrol vehicle.

During the event, met with the concerned citizen, Richard Kellett who introduced himself as the [redacted]. He stated he observed the defendant walking round the rear exterior of the building, close to the residences and within the curtilage of the apartments, also within close proximity of motor vehicles. Mr. Kellett then found the defendant sitting on the front porch of [redacted] who's resident is currently out of town.

These actions created a well established fear that the defendant would attempt to break into the apartment as he was in a place unusual to law-abiding individuals. When Mr. Kellett confronted the defendant, the defendant stood up and told him they were going to fight which is when law enforcement was notified.

Attempts were made to speak with the defendant however, he would raise his voice and talk over officers make simple conversation unsuccessful.

The defendant was charged with Loitering and Prowling and Resisting Arrest Without Violence.

Case Report # 2026-00032613

NARRATIVE

On 3/27/2026 at 1952 hours, I responded to 5555 20th St in reference to Shoplifting. Upon arrival, I met with Asset Protection S Ingo, who stated the Defendant, William Zura, came into Walmart on five separate occasions and stole multiple items.

S Ingo stated on 1/26/2026 at 1258 hours, the Defendant was observed skip scanning multiple items throughout the transaction and placing the items into grocery bags. The Defendant also did not scan Milk that was left in his cart. He then passed all points of final sale.

List of unrecovered items from 1/26/2026:

- 1.) 1 Gallon of Great Value 2% Milk (\$3.32 in value)
- 2.) 1 Classic Catalina Lite Salad Dressing (\$2.98 in value)
- 3.) 4 Idahoan Butter and Herb Mashed Potatoes (\$5.76 in value total)
- 4.) 1 Oregon Chai Tea Latte (\$4.76 in value)
- 5.) 1 All natural 80/20 Ground Beef Chuck (\$14.93 in value)

A total loss of \$31.75

S Ingo stated on 2/16/2026 at 1017 hours, the Defendant was observed skip scanning multiple items and placing the items into grocery bags. The Defendant then passed all points of final sale.

List of unrecovered items from 2/16/2026:

- 1.) Meguiar's Hot Rims Black Wheel Cleaner (\$4.00 in value)
- 2.) 1 Kraft LT Raspberry Vinaigrette (\$2.98 in value)
- 3.) 4 Oregon Chai Latte Concentrate (\$19.04 in value total)
- 4.) 1 Mainstays 4x6 Picture Frame (\$3.47 in value)

A total loss of \$29.49

The Defendant was observed on six total incidents on 1/23/2026, 1/26/2026, 2/16/2026, 2/18/2026, 2/22/2026, and 3/18/2026 completing transactions, passing all points of final sale, and not paying for multiple items. S Ingo requested that only two of the incidents be prosecuted as the dollar amount exceeded \$25.00 in loss in the aforementioned incidents.

Based on the above stated facts, S Ingo's sworn statement, and the fact that video surveillance footage corroborates the statement, there is probable cause to believe the Defendant committed Retail Theft which is a violation of FSS 812.015.

Case Report # 2026-00032644

NARRATIVE

On March 28, 2026 I responded to [REDACTED] in reference to an unknown disturbance.

When I arrived, I met with the caller Belen Comba Marin. Belen did not speak any English, and through a translation app, I was able to determine a domestic related incident occurred between her and her husband. Belen stated her husband left the house on foot just prior to our arrival. I did not observe any obvious injuries on Belen, and she declined EMS. While speaking with Belen, a silver Toyota truck pulled into the residence and Belen stated it was her husband returning.

I identified her husband as Bret Marsalis Marcot. Marcot stated he left the residence in an attempt to get away from Belen due to the argument escalating. [REDACTED]

[REDACTED] Marcot stated the arguing began earlier in the afternoon and continued until he fled the residence. Marcot stated the argument turned physical when Belen dumped a large bowl of ashes in his lap then used an open had to strike him in the back. Marcot then played multiple videos recorded from his cell phone. In the video I observed Belen following Marcot throughout the house yelling in an argumentative tone. The videos did not show Marcot responding and it appeared as if he was attempting to separate himself from Belen, but she continued to follow him around. In one video I observed Belen strike Marcot with what appeared to be an open hand multiple times. Marcot stated he turned his back towards Belen in an attempt to shield himself, and she struck him with her open hand. Another video showed Marcot seated in the backyard when Belen exited the residence and dumped what appeared to be ashes from a metal fire pit into Marcot's lap. No obvious injuries were observed on Marcot, and he also declined EMS while on scene.

Belen was advised of her Miranda Rights through translation to which she stated she understood. Belen was asked her version of events and she denied the video evidence and stated Marcot was the one provoking her.

Due to the video evidence provided on scene probable cause exists to charge Belen with the following:

F.S.S 784.03 Misdemeanor Battery (DV)

Belen was placed under arrest without incident and transported to the Indian River County Jail for processing

Arrest Affidavit Report

Case Report # 2026-00032670

NARRATIVE

On 3/28/2026 at approximately 0044 hours, I observed a Silver Mitsubishi Outlander bearing Texas Tag# PXP6187, travelling North on US-1 in the area of US-1 and Jackson Street. While driving behind the vehicle, I noticed it failing to maintain its course of travel in the right lane contrary to F.S.S. 316.089. I activated my Axon dash camera in my patrol vehicle. The vehicle continued to move from the right side of the lane back to the left several times. The driver side front and rear tires then crossed the center line, and the vehicle slowly corrected itself back to the far-right side of the right lane it was travelling in.

I initiated a traffic stop on the vehicle in the area of US-1 and Roseland Road. The vehicle pulled into Roseland Plaza parking lot before pulling over.

I made contact with the driver who identified himself as Leonardo Frias. While speaking with Frias I could smell an odor consistent with the smell commonly associated with the consumption of alcohol emitting from his breath and person. I asked Leonardo where he was heading, and he stated he was on his way to Melbourne, and just left Earl's Hideaway Lounge.

I asked Frias if he would be willing to perform Standardized Field Sobriety Exercises (SFSEs). Frias stated he would perform the exercises.

The first exercise conducted was the horizontal gaze nystagmus. I observed Frias to have a lack of smooth pursuit in both eyes, maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes.

The second exercise I explained and demonstrated was the walk and turn. While performing the exercise, Frias was unable to maintain balance during the instruction phase, stepped off the line, used his arms to balance, and missed heel to toe while taking steps during the test.

The third exercise I explained and demonstrated was the one-leg stand. While performing this exercise, Frias used his arms for balance, hopped during the test to maintain balance, and put his raised foot down twice.

At this time, I had probable cause to believe Frias was operating a motor vehicle while under the influence of alcohol. I placed Frias in mechanical wrist restraints checking for proper fit, and escorted him to my patrol vehicle. He was transported to the jail without incident. Frias was removed from the vehicle by jail staff, processed by them, and taken to the DUI investigation room to give a breath sample. It should be noted after approximately two minutes once jail staff removed Frias from my patrol vehicle, I opened the door to conduct a search of the back seats. While searching, a strong odor commonly associated with the consumption of alcoholic beverages was emitting from the rear passenger area of my patrol vehicle where Frias was prior.

D/S Hiss #5730 requested Frias to submit a lawful breath sample to determine his breath alcohol content to which he refused to give a sample.

Case Report # 2026-00032733

NARRATIVE

On March 28, 2026, at 0859 hours, I was dispatched to [REDACTED] in reference to a disturbance.

Upon my arrival, I made contact with Adrienne Brooks. Brooks stated she was sweeping and cleaning the residence when her girlfriend, Jazlyn O'Neal, attempted to have a conversation with her. Brooks advised she told O'Neal she would speak with her after she finished cleaning. Brooks stated O'Neal continued attempting to engage in conversation, which led to a verbal argument.

Brooks stated the argument then escalated, and O'Neal began yelling. Brooks advised that O'Neal then attempted to strike her but missed, after which O'Neal grabbed Brooks by the hair and pulled her around inside the apartment. Brooks stated she defended herself during the incident. Brooks also advised that her children witnessed the altercation.

I was able to make contact with O'Neal and she stated that she was in Melbourne and would come meet with me at Ruby Tuesday (13675 US HWY 1). Jazlyn O'Neal stated that Brooks began arguing with her about [REDACTED] money. O'Neal said she repeatedly asked Brooks to step outside so they would not argue in front of the children. She stated Brooks became confrontational while they were in the bathroom, and as they moved toward the door, the argument escalated into a physical altercation.

O'Neal stated that once they were on the patio, Brooks grabbed her by the hair, at which point O'Neal grabbed Brooks' hair in return. O'Neal reported that Brooks then began striking her in the ribs and face.

I obtained video footage from a downstairs resident. In the video, I observed Brooks on top of O'Neal, striking her multiple times. The two then stood up, stumbled onto the porch, and continued fighting.

AGENCY CASE #: 26-0580

REPORT DATE: 03/28/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On _____, at _____ (Specifically include facts constituting cause for arrest.)

On March 28th 2026, at approximately 1330 hours, I responded to Walmart 2001 US-1, in reference to a retail theft.

Upon arrival, I made contact with the complainant and loss prevention employee Dawn Ethier who reported an adult male, later identified as Jeffrey Reid, failed to properly pay for an item. Once Jeffrey exited the store, Dawn and another officer made contact with Jeffrey and brought him to the loss prevention office.

In the office, Dawn reviewed the stores video surveillance to which I observe Jeffrey select a portable air conditioning unit from the shelf valued at \$428.00. While walking down the aisle, a female who was walking with Jeffrey placed a separate bar code sticker on the box to the air conditioning unit. The female did this with no attempts at hiding her actions and in front of Jeffrey. The two of them proceeded to the self check out register. At the register, Jeffrey nor the female made any attempts at paying for the item in question. The two of them then walked over to the service desk where the female abandoned the shopping cart with the air conditioning unit. The female then exited the store to which Jeffrey took possession of the shopping cart with the said item.

Jeffrey proceeded to stand at the service desk and then went to the mens room, came out and went outside empty handed. Jeffrey then walked back and forth on the sidewalk, reentered the store and took the cart with the air conditioner in it and traveled to the garden center. Jeffrey then reentered the store with the cart and traveled through the back of the store to the grocery side and down the meat wall and into bakery/produce. Jeffrey then exited out of the grocery doors passing all points of sale making no attempt to purchase the unpaid air conditioner in the cart.

Post Miranda, Jeffrey denied selecting the item despite video evidence. At some point during the interview, Jeffrey ceased communication and requested to be transported to the jail.

Jeffrey was subsequently arrested for retail theft and transported to the Indian River County Jail where he was processed by the booking staff. While getting changed out, Corrections Deputy McNair monitored Jeffrey's movements. According to D/S McNair, as Jeffrey was bent over pulling up his underwear, a clear baggy with small crystal like substance inside fell between Jeffrey's buttocks.

At which time, D/S McNair brought this to my attention. I then field tested the substance to which the test kit presented positive for Crystal methamphetamine.

No further involvement from this officer.

Case Report # 2026-00032883

NARRATIVE

On March 28th, 2026, at approximately 2117 hours, I was traveling southbound near US Highway 1 and South Indian River Drive, Sebastian, Florida, when I witnessed a white Mercedes SUV (bearing FL tag FGX25) also traveling southbound.

K9 Deputy Le, ID# 5795, was traveling in the left lane and I was traveling in right lane. During that time, the white Mercedes was traveling in the left lane ahead of Deputy Le. I witnessed the white Mercedes failing to maintain a single lane – the vehicle crossed the dotted center line and the yellow line numerous times. The vehicle was also unable to maintain its speed.

Deputy Le then conducted a traffic stop on the vehicle in the area of US Highway 1 and Barber Street, Sebastian, and I assisted him on the traffic stop. I stood on the passenger side of the vehicle and Deputy Le approached the driver's side. The driver, and sole occupant, Ms. Andrea Larroude, appeared extremely confused. She began looking at me and appeared to be attempting to roll the window down. She began pushing different buttons, then rolled the driver's window down and began speaking with Deputy Le. While Ms. Larroude spoke with Deputy Le, I observed an open can of beer on the passenger floorboard.

I then walked to the driver's side of the vehicle. Ms. Larroude then stated she did not have a driver's license because it was suspended from a previous DUI. While Ms. Larroude was speaking, I could smell the odor of an alcoholic beverage coming from the interior of the vehicle. Additionally, Ms. Larroude had slurred speech. Deputy Le requested Ms. Larroude exit the vehicle.

I then began speaking with Ms. Larroude. While doing so, I observed that Ms. Larroude has glassy, watery eyes. The odor of an alcoholic beverage also grew stronger as Ms. Larroude spoke. Ms. Larroude also explained that she had consumed three glasses of wine at a party in Sebastian.

Based on my observations, I requested Ms. Larroude perform Standardized Field Sobriety Exercises (SFSE's) and she stated she would perform them. During the medical questionnaire, Ms. Larroude stated she is not ill or injured, is not seeing a doctor or dentist, and only takes vitamins.

The first exercise was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions for the exercise and Ms. Larroude stated she did not have any questions. During the exercise, Ms. Larroude had lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, onset of nystagmus prior to 45 degrees, and vertical gaze nystagmus in both her right and left eyes.

The next exercise was the Walk and Turn (WAT) exercise. While explaining the instructions for the exercise, Ms. Larroude attempted to begin the exercise before being told to do so. After I finished explaining the exercise, and demonstrating it, Ms. Larroude stated she did not have any questions. During the exercise, Ms. Larroude stepped off of the line, missed heel-to-toe, used her arms for balance, made an improper turn, and made the wrong number of steps.

The third exercise was the One Leg Stand (OLS) exercise. While explaining the instructions for the exercise, Ms. Larroude

attempted to begin the exercise before being told to do so. After I finished explaining the exercise, and demonstrating it, Ms. Larroude stated she did not have any questions. During the exercise, Ms. Larroude used her arms, put her foot down, and stated she couldn't complete the exercise, she then picked her foot up again and began hopping. After I advised Ms. Larroude that the exercise was concluded, she kept attempting to complete the exercise.

The fourth exercise was the Modified Romberg Balance exercise. I explained the instructions for the exercise and Ms. Larroude stated she did not have any questions. During the exercise, Ms. Larroude placed her hands behind her back, then estimated 30 seconds had elapsed after approximately 23 seconds.

Based on my observations, Ms. Larroude was placed under arrest for the offense of DUI. She was transported to the Indian River County Jail, without incident.

After arriving at the Indian River County Jail, booking staff requested Ms. Larroude provide a breath sample; however, she refused. Booking staff read her Implied Consent and requested a breath sample again. Ms. Larroude again refused.

An NCIC/FCIC query also revealed Ms. Larroude's driver license is suspended three times (reference case #: 450778349, case #: 753991585, case #: 753991583), canceled in December 2025 (reference FSS 322.08(7)), and revoked as of May 2025 (reference Citation/Case #: AKFZAOE) for 4 or more DUI's.

Ms. Larroude also has four prior DUI convictions from November 2024 (citation #: AKFZAOE), September 2005 (citation #: 6958XAD), August 2005 (citation #: 5805XAJ), and August 2001 (citation #: 480281X).

Ms. Larroude was issued four citations for: DUI (citation #: AM5WEQE), refusal to submit (citation #: AM5WERE), fail to maintain single lane (citation #: AHMSCDE), and DWLS with knowledge (citation #: AMOOCDE).

NARRATIVE

On Saturday, March 28, 2026 at approximately 2158 hours, I conducted a traffic enforcement stop on a blue Nissan SUV (FL / CL48XH) in the area of US Highway 1 and 20th Street in Vero Beach, Florida.

While conducting traffic enforcement in the vicinity of 17th Street and Old Dixie Highway, I observed the above vehicle make a wide right turn into the oncoming lane of traffic onto Old Dixie Highway. I continued to follow the vehicle and observed the vehicle make an improper turn onto 20th Street by turning into the middle lane of traffic, and as I followed the vehicle, I observed the vehicle cross over the white broken lane dividers three times on both sides of the lane. I initiated the traffic stop and the vehicle did not yield immediately.

Once the vehicle stopped, I conducted a driver's side approach and made contact with the driver, Mr. Paolo Piscitelli (Arrestee), who I identified by the Florida driver's license he provided me.

While speaking with Paolo, I observed his eyes were watery and glassy, his speech was mumbled and slurred and I could smell the distinct odor of an alcoholic beverage emitting from his breath.

I asked Paolo to exit his vehicle, which he did slowly and used his vehicle for support. When we were standing near the front of my car he leaned on my patrol vehicle for support.

Deputy Hitchcock arrived on scene and spoke with Paolo and confirmed my suspicions Paolo was operating his vehicle impaired.

I explained my concerns to Paolo for his ability to safely operate his motor vehicle and requested he complete Standard Field Sobriety Exercises (SFSE's), which he agreed. Paolo denied consuming any alcohol and stated he only drank water while at the bar.

I questioned Paolo about his medical history and he stated he [REDACTED] and he is prescribed [REDACTED]. Paolo stated he is a Handyman, and did not have any prior surgeries that would affect his general mobility.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I Explained the instructions to Paolo who stated he understood and did not have any questions. Paolo's pupils were of approximate equal size and tracked simultaneously. I did not observe resting nystagmus. I observed the following validated clues of impairment: Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation and Onset of Nystagmus Prior to 45 Degrees (40 Degrees). I did not observe Vertical Gaze Nystagmus (VGN). Paolo had to be instructed to not move his head and had a sway while attempting this exercise.

The second exercise I administered was the Walk and Turn (WAT) Exercise. I explained and

demonstrated the exercise for Paolo who stated he understood the instructions and did not have any questions. I instructed Paolo into the starting position and he began to walk the painted white line. During the instruction phase, I observed the following validated clues of impairment; Can't maintain starting position and beginning the exercise before being instructed to do so. During the walking phase I observed the following clues of impairment: Raised arms, missed heel to toe, stopped walking, Incorrect number of steps, and stepped offline. When Paolo stepped off-line, he stated "I know that looks bad!" Paolo DID NOT complete this exercise to standard.

The Third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise for Paolo who stated he understood the instructions and did not have any questions. Paolo began the exercise and raised his right foot off the ground. After approximately three (3) seconds he stumbled to his left. Paolo made several attempts at this exercise but was not able to complete it. During this exercise, I observed the following clues of impairment: Placed foot on the ground, used arms for balance, and swayed. During this exercise, Paolo stated "I don't know if I could do this anytime." Paolo did not complete this exercise to standard.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise for Paolo who stated he understood the instructions and did not have any questions. I observed the following indicator of impairment:

- L1: Pad of finger / Did not return
- R2: Pad of finger / Did not return
- L3: Cheek / search
- R4: Tip of finger
- R5: Pad of finger / Did not return
- L6: Pad / Search

The Fifth exercise I administered was the Modified Romberg Balance (MRB) exercise. I explained and demonstrated the exercise for Paolo who stated he understood the instructions and did not have any questions. On his first attempt, Paolo closed his eyes and immediately stumbled forward before being assisted by myself. On his second attempt, Paolo counted to 44 seconds.

Paolo stated several times he does not consume alcohol and stated his sister recently passed away due to alcohol abuse. He was very adamant he had not consumed alcohol this evening.

Based on the above indicators of impairment, I placed Paolo under arrest for Driving under the influence. Paolo was transported to the Indian River County Jail Complex without incident.

REPORT DATE: 03/29/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **03/29/2026** at **02:18** (Specifically include facts constituting cause for arrest.)

On **3/29/26**, at **0218** hours, I responded to **2440 De Soto Ave** in reference to a disturbance.

On scene I made contact with (V1) Olivia A. Gasparro (DOB: 07/18/1998) who advised her ex-boyfriend (D1) Beau T. Stevens (DOB: 05/18/1998) had just put his hands on her not allowing to leave his residence.

V1 explained on 3/27/26, she found out that D1 was actively cheating on her with another female. V1 advised she confronted D1 about him cheating to which it initiated an argument. V1 said during the argument D1 slapped her on the left side of her face. V1 advised she just wished to remove herself from that situation at the time and let it go.

V1 explained on 3/29/26, D1 contacted her via cell phone and convinced her to meet at his residence in an attempt to talk it out. V1 stated upon arrival to D1's residence, she observed D1 to be under the influence of what she assumed to be alcohol and was acting strange. V1 advised they started trying to talk to which he instantly became angry. V1 explained she wished to no longer talk to D1 and got into her vehicle.

V1 advised once she was in her vehicle, D1 stood between her driver side door and her vehicle blocking her from leaving. V1 said D1 then continued to argue with her and eventually reached over her and took her purse that contained her car keys and also attempted to take her phone as well but was unable to do so. V1 advised she was then unable to leave due to D1 having her vehicle keys. V1 explained D1 then poked the left side of her face "very hard".

V1 said D1 then jumped into her back seat directly behind the driver seat and grabbed her by the neck area. V1 stated D1 then started to punch her on her side/torso area with his fist multiple times. V1 advised D1 then jumped out of the vehicle just prior to Law Enforcement arrival. It should be noted I observed red makings to V1's neck area.

V1 then provided me camera footage that she recorded of the incident on her cell phone. On video I observed D1 standing between the driver side door and the vehicle blocking V1 from leaving. D1 is heard yelling at V1 in an aggressive manner. D1 is seen slamming the driver door then instantly opening it. After opening the door D1 is seen reaching in the vehicle and appears to hit V1 on her left side area. D1 then continues to yell at V1 in an aggressive manner while V1 asks D1 multiple times to let her leave.

D1 was then read his Miranda Warning Rights to which he advised he understood and wished to speak with me. D1 explained he invited V1 over to talk about his mom trying to forgive V1 for what she has done in the past. D1 said his mom reached out to him saying she wished to have V1 over for a family dinner. D1 stated V1 then came over and got into an argument with him. D1 advised he stood by her driver side door because he wanted to talk to her and grabbed her arms to move them to reach over her and grab her belongings. D1 said he understood V1 did not want to be touched at that time.

Based on both parties' statements and my investigation I determined D1 to be in violation of F.S.784.03 (1A1) - Battery Touch or Strike/Domestic Violence, where I then placed D1 under arrest.

A Domestic Violence Packet was issued to V1 explaining her rights and remedies.

D1 was then transported to the Indian River County Jail for processing and booking where he is held with no bond.

This incident was captured on bodycam.

Case Report # 2026-00032950

NARRATIVE

On Sunday, March 29, 2026 at approximately 0222 hours, I conducted a traffic enforcement stop on a silver Mercedes (FL / EAG7545) in the parking lot of "Speakeasy Club" located at 760 8th Court in Vero Beach, Florida.

Deputies responded to the above location in reference to a disturbance and located multiple intoxicated individuals in a disturbance in the parking lot. I observed a female move a vehicle into a parking stall and when she exited the vehicle, I could smell the overwhelming odor of an alcoholic beverage emitting from her person, her speech was slurred and her eyes were watery and bloodshot. She was an instigator in the disturbance and was told she needed to leave the property. She was explicitly warned not to drive, AND I stated she would be arrested for DUI and her vehicle would be towed.

A short while later, I observed the female enter the driver's seat of the vehicle and proceed to leave the parking space. She failed to stop at the stop sign and proceeded onto 8th Court from the parking lot. As I maneuvered behind her, she re-entered the parking lot from the northern entrance and quickly pulled into a parking stall.

As she exited the vehicle, she attempted to walk away. I called her back over and initiated a criminal investigation into Driving under the Influence. I identified her as Ms. Taylor Lowe (Arrestee) by her Florida driver's license. Ms. Lowe became extremely emotional and began to cry.

I questioned her about her medical history and she did not provide any responses that warranted further questioning other than a recent [REDACTED] Ms. Lowe was currently wearing her prescribed contacts.

I explained my concerns to Ms. Lowe for her ability to safely operate her motor vehicle and requested she complete Standard Field Sobriety Exercises (SFSE's), which she agreed. She stated she only had three drinks, which she claimed where "Nutri" beverages.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Ms. Lowe who stated she understood and did not have any questions. Ms. Lowe's pupils were of approximate equal size and tracked simultaneously. I did not observe resting nystagmus. I observed the following validated clues of impairment: Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation. I did not observe Vertical Gaze Nystagmus (VGN). Ms. Lowe had to be instructed to not move her head and had a sway while attempting this exercise. Ms. Lowe had difficulty tracking my Toxoptic pen light during this exercise. Ms. Lowe was also wearing large fake eyelashes and due to her emotional state and crying, her mascara made it difficult to clearly see her eyes.

The second exercise I administered was the Walk and Turn (WAT) Exercise. I explained and demonstrated the exercise for Ms. Lowe who stated she understood the instructions and did not have any

questions. I instructed Ms. Lowe into the starting position. During the instruction phase, I observed the following validated clue of impairment; Can't maintain starting position. During the walking phase I observed the following clues of impairment: missed heel to toe, Incorrect number of steps (11), Stopped walking and stepped offline. Ms. Lowe DID NOT complete this exercise to standard.

The Third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise for Ms. Lowe who stated she understood the instructions and did not have any questions. Ms. Lowe began the exercise and raised her right foot off the ground. Ms. Lowe had to be reminded of the instructions and started over. After approximately four (4) seconds she stumbled to her left. During this exercise, I observed the following clues of impairment: Placed foot on the ground, used arms for balance, and swayed. Ms. Lowe DID NOT complete this exercise to standard.

Deputy Henry (6339) conducted a subsequent round of the Horizontal Gaze Nystagmus (HGN) and Lack of Convergence (LOC) exercises. Deputy Henry stated he observed LOC in Ms. Lowe.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise for Ms. Lowe who stated she understood the instructions and did not have any questions. I observed the following indicators of impairment:

- L1: touched Left nostril
- R2: Pad of finger
- L3: Tip
- R4: Tip
- R5: Pad of finger / USED LEFT HAND
- L6: MOVED RIGHT INTIALLY / Pad

The Fifth exercise I administered was the Modified Romberg Balance (MRB) exercise. I explained and demonstrated the exercise for Ms. Lowe who stated she understood the instructions and did not have any questions. Ms. Lowe counted to "thirty" in the real time of twenty-eight seconds. This is within the allotted +/- 5 second variance.

Based on the above indicators of impairment, I placed Ms. Lowe under arrest for Driving under the influence and she was transported to the Indian River County Jail Complex without incident.

Upon arrival to the Jail, A twenty-minute observation period was initiated. After the observation period, Ms. Lowe provided the following two lawful samples of her breath: 0.196 g/210L and 0.197 g/210L.

Case Report # 2026-00032509

NARRATIVE

On Friday, March 27, 2026, I was dispatched to [REDACTED] in reference to a disturbance in progress.

Dispatch had stated they received a call from a pregnant female who was reporting a disturbance. The caller reported her Airbnb guest had stolen her phone and left the scene in a vehicle.

Upon arrival, I made contact with the victim, Emily Whitten, and her boyfriend, Christopher Jones. Emily stated the following: Approximately 10 minutes before she called, she arrived home with Christopher from the doctor's office. Emily is 21 weeks pregnant with Christopher's baby and is physically showing signs of a pregnancy. When they arrived home, their Airbnb guest, who was later identified as Heidi Lull, was standing in the yard and physically appeared to be upset. Heidi had rented a room from them on Airbnb, and was due to check in today at 1500 hours and check out on Sunday. When they exited the vehicle, Heidi began explaining how she was not satisfied with the room and how the photos listed on Airbnb do not accurately portray the room. Emily explained to Heidi that she was pregnant and did not want an argument. Heidi, still visibly upset, requested Emily do a walkthrough of the Airbnb with her. After the walkthrough, Heidi was still very upset. Emily stated Heidi kept moving toward her in such an aggressive manner she became concerned that Heidi was going to hit her. Emily then asked Heidi to leave but she continued to yell at her. Emily, with her phone in her hand, told Heidi she was going to call the police. That's when Heidi grabbed Emily's phone from her hand, ran to her vehicle, got in, and sped off north bound. Thus, preventing Emily from calling the police. Emily described the vehicle as a dark colored Toyota. Emily described Heidi as a white female in her 60's, very short silver hair, and was wearing all black athletic clothes. Right after Heidi left, Emily ran inside to get her boyfriend.

I then spoke to Christopher who provided the following statement: When they arrived back from the doctor's visit they observed Heidi in the front yard. Heidi was visibly upset. Christopher said Emily went to speak with Heidi and he went inside the residence. While inside, he began to hear yelling and shouting from the front yard. He began to walk outside to see what was going on and that's when Emily was quickly entering the home. Emily told him that Heidi stole her phone. He ran after the car in attempts to get a photo of the tag but the photo was not of good quality.

Emily reported having a light blue Verizon iPhone15 with a clear case on it – serial number C67N4D22HG / valued at least \$1000. The background on the home screen is her boyfriend and dog. Emily's location showed at the residence with a time delay of over 23 minutes. Emily attempted to call it but the phone went straight to voicemail. Myself and assisting deputies canvassed the front yard and down the street for the phone, but was unable to locate it. Emily has no additional ways to locate her phone.

Christopher showed me the photo he captured of the vehicle. Though I was unable to make out the tag, the photo was uploaded for RTCC. By the photo, the suspect vehicle appeared to be a dark colored Toyota Corolla or Camry.

At this point, Emily was able to signed into her Airbnb account on her laptop. I viewed Heidi's profile and confirmed her last name as Lull. I was also able to observe a profile photo and that she was from Venice, FL. Her profile pictured match the suspect description that was given to me by Emily and Christopher.

RTCC was able to locate Heidi's DL and vehicle information in DAVID. Per DAVID, Heidi has a residence in

NARRATIVE (Continuation)

Venice and has a grey Toyota 4D, bearing DN15TC, registered to her. I was able to confirm Heidi's identity by comparing the suspect descriptions given and her Airbnb profile photo to her DAVID photo.

On Sunday, March 29, 2026, I located Heidi's vehicle at Waldos, 3150 Ocean Drive. I spoke to the front desk employee who provided me with Heidi's room number. As I approached Heidi's room, I observed Heidi walking away. I called out Heidi's name and she turned toward me, acknowledging her identity. I placed my hand around Heidi wrist and told her to place her hands behind her back. That's when Heidi tensed up, and began pulling away and yelling for help. Heidi was advised she was under arrest. Heidi's actions began to gain attention from other hotel guest. Myself and assisting deputy provide several clear commands for Heidi to not resist and to place her hands behind her back. Ultimately, with resistance, Heidi was secured and transported to Indian River County Jail.

At the jail, I read Heidi her Miranda rights. Heidi could not provide a clear answer on if she understood her right's. I asked Heidi if she wanted to discuss the incident, in which she replied with "no".

Based on my investigation. I developed probable cause to charge Heidi Lull with violating FS. 812.131.2b Robbery by sudden snatching, FS. 784.045.2b Aggravated battery on a pregnant woman, FS. 812.014.2c Grand theft, FS. 914.22.1e Hinderance of 911, and FS.843.02 Resisting without violence.

Case Report # 2026-00033008

NARRATIVE

On Sunday March 29, 2026 at approximately 1000 hours, Cpl. Rollando and I responded to 927 14th Lane in reference to theft.

While enroute, fellow Indian River County Deputies and Vero Beach Police Officers provided information stating a white female wearing a pink shirt took someone's bag containing miscellaneous items and \$45, continuing north bound on US Highway 1.

Vero beach Police officers made contact with Diane Miller who matched the description provided at 1690 US Highway 1 (Cumberland Farms) in the north parking lot.

I then responded to Cumberland Farms where Miller was read Miranda Rights which she understood and stated the following:

Miller stated she was attending 927 14th Lane (Christ Fellowship Church) when she observed a bag in the chair next to her. Miller said when the service ended, she grabbed the bag and proceeded to walk out of the church. Miller told me she began to walk north bound on US highway 1 when the owner of the bag, Jerinae Speed stopped her and asked for her bag back which Miller obliged. Miller stated she knew the bag didn't belong to her but took it anyway's.

Indian River Deputy Mckay(5755) then drove back to the church and brought Speed to Cumberland farms for a show up, which Speed was able to positively identify Miller as the one who had possession of her bag. Speed also stated she noticed \$45 was missing from her bag.

I then placed Miller under arrest for Petit Theft. Miller was then transported to Indian River County Jail where she was turned over to the care and custody of the Correction Deputies without incident.

This interaction was captured with agency issued BWC.

AGENCY CASE #: 26-0584

REPORT DATE: 03/29/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **03/29/2026** , at **13:59** (Specifically include facts constituting cause for arrest.)

On Sunday, March 29, 2026, at approximately 1124 hours, I was conducting traffic enforcement in the 300 block of Sebastian Boulevard, Sebastian, Florida, 32958.

While running stationary radar I observed a white Nissan car bearing Florida tag #NNCX61 traveling at a high rate of speed westbound on Sebastian Boulevard. I estimated the speed to be 60 miles per hour which was consistent with my Applied Concepts DSR2x Radar SN/DB029573.

I then attempted to stop the vehicle by activating my lights and sirens, however I was met with negative results. I continued westbound while the vehicle was continuing to drive at speeds of 80 miles per hour plus. The vehicle eventually came to a stop at the corner of Sebastian Boulevard and Barber Street due to the light being red and multiple stopped vehicles at the light blocking the Nissans path of travel. The driver of the vehicle was identified by Florida Drivers license as Antonio Mojica. While attempting to get Antonio into a patrol vehicle he began resisting and trying to defeat officers' efforts to get him inside the vehicle.

While enroute to the county jail, Officer Goemans #437 was still on scene and advised he located an open alcohol container of mikes hard lemonade in the front cup holder.

Due to the information, above Antonio is being charged with FSS. 316.1935 (fleeing or attempting to elude a law enforcement officer), FSS 843.02 (resist officer without violence), as well as three citations for FSS 316.183 (2), (Unlawful speed), FSS. 316.1935 (Fleeing or attempting to elude a law enforcement officer), and FSS 316.1936 (Possession of open Container in motor vehicle).

Case Report # 2026-00033145

NARRATIVE

On March 29, 2026, at approximately 2010 hours, I responded to [REDACTED] in reference to a disturbance.

Upon arrival, I met with Ms. Margeaux Kimmer, who stated the following: She was in a verbal argument with her boyfriend, Mr. John Morabito, inside [REDACTED] bedroom. John wanted to talk to her, but Margeaux wanted to leave and she was packing her things to do so. John stood in the doorway to the bedroom, and would not let her get past him. As she approached John to leave, John pushed Margeaux and she pushed back. Eventually in this struggle she grabbed John by his pants to move him out of the doorway. Margeaux's daughter, Julie Hampton (Juvenile), was also inside the bedroom during this and unable to leave. Margeaux did not believe Julie saw the physical confrontation because Julie was crying and upset due to the arguing. After Margeaux got out of the room and in the front doorway, John pushed her again, and she fell over some furniture on the front porch. Margeaux confirmed her exit through the doorway was physically and intentionally blocked by John.

Margeaux did not have any injuries from this incident. She did have some scratches and bruising on both her forearms that appeared old. Margeaux confirmed she is in a romantic relationship with John [REDACTED]. Margeaux advised me Julie is seven years of age.

I tried to speak with Julie about the incident but she began crying every time I asked her questions about it. She shook her head "no" when I asked if she saw the physical confrontation between John and Margeaux.

I spoke with John who stated the following in a post-Miranda interview: He was trying to talk to Margeaux about issues regarding Julie in the bedroom. Margeaux was ignoring John and began packing her things, telling him she was going to leave. John stood between the doorway and Julie while trying to talk to her. John confirmed he believed Margeaux was trying to leave the bedroom and exit the residence. John claimed Margeaux had room to walk around him and out of the bedroom door. Margeaux approached John while trying to leave and pushed him. Eventually, Margeaux grabbed John's pants and moved him out of the way so she could exit the bedroom. John's pants appeared stretched out around the waist, consistent with his statement. He denied ever physically touching Margeaux in the bedroom or while on the front porch. John confirmed Julie was inside the bedroom during this as well.

John did not have any injuries from this incident [REDACTED]

Deputy T. Mims spoke with John's mother and sister as they were witnesses to the incident.

During Deputy Mims interview with Apolonija Morabito (John's sister) she advised the following. She was sitting in the living room when John and Margeaux starting arguing. She said John wanted to talk to Margeaux and work

NARRATIVE (Continuation)

things out, however Margeaux just wanted to leave. She could hear Margeaux yelling in the room, so she went in there to see what was going on. When she went to the room, she observed Margeaux flopped on the bed, and John standing in the doorway blocking the door, preventing anyone from entering or exiting the room. She did not witness them get physical with each other; she just heard a lot of yelling. She did state that Margeaux stated several times that she was taking her daughter and they were leaving, however John wanted to talk, and stood in the door preventing her from leaving so that she would talk to him.

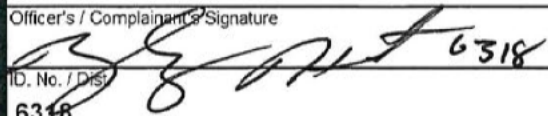

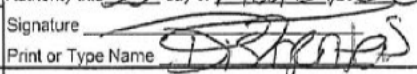

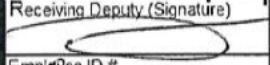

During Deputy Mim's interview with Laurie Morabito (John's mother), she stated that Margeaux came home from work and went to her room. John wanted to talk to Margeaux about their relationship, however Margeaux just wanted to leave. Laurie advised that she was standing in the hallway directly behind John, while Margeaux and her daughter were inside the bedroom. She stated Margeaux told John several times that she was packing some stuff so she and her daughter could leave. John wanted Margeaux to talk to him and work things out, but Margeaux just wanted to leave. Laurie stated John was standing directly in the doorway, blocking the door, preventing anyone from entering or exiting the room. Margeaux was standing inside the bedroom facing John, yelling at him to let her leave, however she was not able to see where Margeaux's daughter was standing. Laurie stated, based on where John was standing in the doorway, there was no way for Margeaux to freely exit the room without forcing her way passed John. Margeaux eventually was able to push John out of the way and exit the room.

Based on these circumstances, I established probable cause John committed the offense of False Imprisonment - Domestic Violence (FSS 787.02.1a). John intentionally blocked the doorway to the bedroom while Margeaux was trying to leave the residence with Julie. John was also charged with False Imprisonment of a Child under the age of 13 - Domestic Violence (FSS 787.02.1b). Due to conflicting statements regarding whether or not John pushed Margeaux during this incident I was unable to establish probable cause for the charge of Battery - Domestic Violence.

NARRATIVE

On Sunday, March 29, 2026 at approximately 1954 hours, I responded to the intersection of 10th Court SW and 9th Street in Vero Beach, Florida in reference to a Traffic Crash.

Upon arrival, I met with Deputy A. Henry (6339) who briefed me on the basic details of the crash. I then spoke with the driver, Mr. Kaleb Earman (Arrestee), who I identified by his Florida driver's license. While speaking with Kaleb, I observed his eyes were watery and glassy, his speech was mumbled and slurred. The weather conditions were windy, however once I was able to move Kaleb upwind from me, I could smell the distinct odor of an alcoholic beverage emitting from his breath. Kaleb's statement about the accident changed several times, and in plain view in his back seat, I observed a case of Twisted Teas

Deputy Henry completed his crash investigation and I informed Kaleb I would be conducting a criminal investigation and advised Kaleb of his rights in accordance with Miranda v. Arizona which he stated he understood.

Kaleb then stated he was coming from Planet Fitness. Kaleb stated he was driving, and was the only occupant in the vehicle. He stated when he went to make his left turn onto 10th Court SW, there were two parked vehicles he had to avoid striking.

Crash dynamics show Kaleb made a wide left turn striking the curb, causing damage to the curb. Tire marks through the dirt show the vehicle then crossed 10th Court onto the other side of the street and his vehicle entered a critical speed yaw, his right rear tire crossed the path of his front tire before coming to rest in the grass. Kaleb then drove his vehicle onto the street. Kaleb's vehicle had grass attached to the bottom side near his rear bumper and his right rear tire was deflated.

I explained to Kaleb I believed he was impaired and unable to operate his vehicle safely. I requested Kaleb complete Standard Field Sobriety Exercises (SFSE's) which he ultimately agreed to. Kaleb did make a statement saying "if you are going to arrest me just do it already!"

Kaleb was questioned about his medical history and claimed he was diagnosed with [REDACTED] but is not prescribed medication. Kaleb also stated he had stitches in his leg from a previous incident but that was several years prior. Kaleb denied being under the influence of any alcohol or substance. He then stated he doesn't smoke or drink. Kaleb also stated he was on probation, but I was unable to find any information regarding this statement in either Indian River or St. Lucie counties.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Kaleb who stated he understood. I observed Kaleb's pupils were of approximate equal size and his eyes tracked simultaneously. Kaleb did not have resting nystagmus. I observed the following validated clues of impairment: Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation, and an angle of onset prior to forty-

five (45) degrees (Thirty-five (35) degrees). Kaleb had difficulty focusing on my Toxoptic pen and would divert his focus to the patrol car behind me. Kaleb did not have Vertical Gaze Nystagmus (VGN).

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise to Kaleb who stated he understood the instructions. Kaleb had difficulty comprehending the instructions I was providing as I directed him into the starting position. During the instruction phase, I observed the following validated clue of impairment: Started prior to being instructed. During the walking phase I observed the following validated clues of impairment: Stopped walking to steady, stepped offline, missed heel to toe, Incorrect number of steps (19/20), Improper turn, and raised arms. Kaleb DID NOT complete this exercise to standard. Kaleb blamed the wind conditions affected his ability to complete this exercise. Weather forecast showed the wind at 11mph from the East with gusts up to 20 mph.

In between the exercise, Kaleb stated "Just arrest me right now, I am not on nothing, I promise!"

We relocated behind the leeward side of Deputy Henry's patrol vehicle where I administered the third exercise, the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise to Kaleb who stated he understood the instructions. Kaleb began by raising his right foot. After approximately 3 seconds he stopped counting aloud. I observed the following validated clues of impairment: Put foot down at nine (9) seconds and twenty-one (21) seconds, used arms to balance, and swayed. Kaleb DID NOT complete this exercise to standard.

While not in Actual physical control of a motor vehicle in the presence of Law Enforcement, Kaleb made self-admissions of driving prior to and after being advised of his Miranda Rights. Under Rene Castillo v. State of Florida (3D23-1693) the Third District Court of Appeals held: "Here, Castillo's admission to having been in actual control of the vehicle was constructively equivalent to it having occurred in Hechavarria's (the arresting officer) presence."

Kaleb was placed under arrest for Driving under the Influence, secured in handcuffs and placed in the rear seat of my patrol vehicle.

During a probable cause search of Kaleb's vehicle, I located several additional cans of Twisted Teas in a cooler on the front seat, both the cans and unopened pack in the back seat were cold to the touch. In the center console, I also located a Marijuana grinder with residue and several 'roaches' in a sealed glass jar. In the trunk, I located a Dollar General bag that contained more marijuana.

Kaleb was transported to the Indian River County Jail Complex without further incident. His attitude shifted dramatically from polite and cooperative to belligerent and verbally abusive.

Upon arrival at the jail complex, a twenty-minute observation period was initiated and Kaleb was requested to

provide a sample of his breath. Kaleb agreed and provided the following samples: 0.149 g/210L and 0.150 g/210L. Kaleb was ultimately charged with Driving Under the Influence with a BrAC above 0.15%, DUI causing property damage, Possession of Drug paraphernalia, possession of marijuana and possession of alcohol by a person under 21. Arrest Affidavit Report

Case Report # 2026-00033162

NARRATIVE

On March 29, 2026 at approximately 2107 Hours, I responded to the 6600 Block of Hwy 60 in Vero Beach, in reference to a hit and run crash. The complainant stated his vehicle was struck by a black truck, and the truck fled the scene without providing any information.

In the immediate area of the crash Deputy Edgar observed a truck matching the description of the vehicle that left the scene traveling at a high rate of speed. Deputy Edgar initiated a traffic stop on the truck, and detained the driver. See Deputy Edgar's supplemental for further information.

I made contact with the compliant at the scene of the original crash, and identified the driver as Jason Williams. Williams stated he was stopped at the intersection of HWY 60 and 66 Ave in the west bound lane. Williams then explained that a black pick-up truck struck the rear of his vehicle, causing functional damage. The driver of the truck then proceeded to turn left onto 66 Ave and fled the scene. Williams stated the driver never made any attempt to exchange any information with him, and appeared to be a middle-aged Hispanic male.

I then relocated to Deputy Edgar's traffic stop near the 800 Block of 61st Ave. I observed a black truck with significant front-end damage which matched the description provided by Williams. I identified the driver as Gerardo Alvarez using a Mexico Identification card found in his possession. While speaking with Alvarez, he had the odor of an alcoholic beverage coming from his person and he had difficulty maintaining his balance. Alvarez stated he has never been issued a driver's license from the state of Florida or any other state within the United States of America. Alvarez was placed under arrest and transported to the Indian River County Jail without incident. The truck Alvarez was operating was towed from the scene by Nettles Towing.

While at the jail Alvarez was advised of his Miranda Rights. Alvarez's rights were also read to him in Spanish to ensure he understood. Alvarez agreed to speak with me and when questioned confirmed he was in a crash earlier in the evening, and left the scene. Alvarez also admitted to having several alcoholic drinks throughout the night.

Due to observing several indicators of impairment, I requested Deputy Hackett's assistance. Deputy Hackett conducted Standard Field Sobriety Exercises (SFSE's). Deputy Hackett stated he observed the following indicators of impairment:

HGN – Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation and Onset of Nystagmus prior to 45 degrees.

Walk and Turn: Fail to Maintain starting position, missed heel to toe, stopped walking to steady and incorrect number of steps.

AGENCY CASE #: 26-0590

REPORT DATE: 03/29/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 03/30/2026 at 02:24 (Specifically Include facts constituting cause for arrest.)

On March 29th, 2026, at approximately 2247 hours, I was conducting stationary traffic enforcement in the area of Dempsey Avenue when I observed a blue Hyundai SUV bearing Florida registration 41EBHK, fail to stop at the stop sign or behind the stop bar located at the intersection of Braddock Street and Dempsey Avenue, Sebastian, Florida.

I conducted a traffic stop utilizing my overhead emergency lights and came to a final stop in the area of Dempsey Avenue and Durant Street.

While I was exiting my vehicle I observed a male driver begin looking back towards my vehicle and making furtive movements as if he was shoving something under the driver seat then he jumped over the center console to switch seats with a female passenger who got into the driver seat. I then approached on the passenger side and made contact with the male who was originally driving, Jeffery Ekblom, who stated he was sorry for switching seats and does not have a license.

Based on my observations and Ekblom, I ordered Ekblom to exit the vehicle which he originally froze and appeared to start reaching in between the seat and the center console putting me in fear he was going to arm himself, I gave Ekblom more verbal commands to stop reaching and had to physically pull him away to gain compliance and prevent further movements.

Ekblom was placed into mechanical hand restraints behind his back.

Prior to Ekblom being searched when asked if he had anything on his person he denied, then stated there was something in this pocket, which he motioned with his head towards his left front pocket of his shorts.

Inside of Ekblom's left front short pocket was a cigarette pack containing a plastic baggie with 17 grams of suspected crystal methamphetamine.

Ekblom confirmed it was meth and he was going to go to jail for a long time because he was already out on bond.

Ekblom was then placed into the rear seat of my patrol vehicle.

The female passenger who was now sitting in the driver seat was identified as Kristy Purvis by her Florida driver license.

In the rear passenger seat behind on passenger side was a female subject who was identified as Carol Hall by her Florida driver license.

Both Purvis and Hall exited the vehicle to conduct a search.

Myself, Officer Venegas, and Sergeant Melius conducted a search of the vehicle for additional contraband.

During the search of the vehicle, I located on the passenger side floor board, a brown coach zipper purse which contained two glass methamphetamine pipes, and one glass crack cocaine pipe with burnt residue and a lighter inside.

Purvis was detained and placed into mechanical hand restraints behind her back.

On the driver side of the vehicle, Officer Venegas located a glass crack pipe with burnt residue.

Officer Venegas located a brown purse on the rear seat underneath the passenger seat of the vehicle which yielded to a black zipper sunglass container with a cotton swab sticking out the side. Inside of the sunglass container was multiple hypodermic syringes, cotton swabs, a glass methamphetamine pipe, and a plastic baggie containing a small shard of suspected crystal methamphetamine less than 1 gram. Also located inside of the sunglass container was a plastic square container with additional small shards of suspected crystal methamphetamine.

Inside of the same brown purse, Officer Venegas located a plastic hospital band with Hall's name and information on it, as well as a prescription bottle with Hall's name on it with two unknown pills inside.

Hall was detained and placed into mechanical hand restraints behind her back.

Hall stated one of the pills was [redacted] which she stated she had a prescription for, and the other one was a baby aspirin. It should be noted the pill bottle was not for either medication.

Ekblom took ownership of the coach purse containing the meth and crack pipes that was located on the passenger side floorboard.

Purvis stated Ekblom began yelling at her to switch seats when he was being stopped and she became scared.

AGENCY CASE #: 26-0590

REPORT DATE: 03/29/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **03/30/2026** , at **02:24** (Specifically include facts constituting cause for arrest.)

Based on the totality of circumstances I determined Ekblom to be in violation of F.S.S 893.135(1)(f)(1) Trafficking in methamphetamine, over 14 grams, F.S.S 893.147, Possession of drug paraphernalia, F.S.S 322.34(2)(C) Driving while license suspended, 3rd or subsequent conviction, F.S.S 843.02, Resist officer without violence.

I also found Hall to be in violation of F.S.S 893.13(6)(A) Possession of controlled substance, methamphetamine, and F.S.S 893.147 Possession of drug paraphernalia.

Both Ekblom and Hall were transported to Indian River County Jail for processing.

While enroute to Indian River County Jail, Hall stated the sunglass container that was located inside of her purse was picked up from the floorboard of the car, and thought it was a pair of sunglasses.

The plastic baggie found inside of the cigarette pack was weighted and yielded to approximately 17 grams including package weight.

The suspected crystal methamphetamine inside of the plastic square container was field tested which yielded to a positive result for the presence of methamphetamine.

The plastic baggie containing 17 grams of suspected crystal methamphetamine was field tested which yielded to positive result for the presence of methamphetamine.

While at Indian River County Jail Ekblom was issued UTC AMZAMSE, driving while license suspended 3rd or subsequent conviction, UTC AMZAMTE failure to stop at stop sign, UTC AMZAMUE possession of controlled substance while in physical control of motor vehicle.

Hall was issued UTC AMZAMVE for possession of controlled substance while in physical control of motor vehicle.

AGENCY CASE #: 26-0590

REPORT DATE: 03/29/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 03/30/2026, at 01:05 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On March 29th, 2026, at approximately 2247 hours, I was conducting stationary traffic enforcement in the area of Dempsey Avenue when I observed a blue Hyundai SUV bearing Florida registration 41EBHK, fail to stop at the stop sign or behind the stop bar located at the intersection of Braddock Street and Dempsey Avenue, Sebastian, Florida.

I conducted a traffic stop utilizing my overhead emergency lights and came to a final stop in the area of Dempsey Avenue and Durant Street.

While I was exiting my vehicle I observed a male driver begin looking back towards my vehicle and making furtive movements as if he was shoving something under the driver seat then he jumped over the center console to switch seats with a female passenger who got into the driver seat. I then approached on the passenger side and made contact with the male who was originally driving, Jeffery Ekblom, who stated he was sorry for switching seats and does not have a license.

Based on my observations and Ekblom, I ordered Ekblom to exit the vehicle which he originally froze and appeared to start reaching in between the seat and the center console putting me in fear he was going to arm himself, I gave Ekblom more verbal commands to stop reaching and had to physically pull him away to gain compliance and prevent further movements.

Ekblom was placed into mechanical hand restraints behind his back.

Prior to Ekblom being searched when asked if he had anything on his person he denied, then stated there was something in this pocket, which he motioned with his head towards his left front pocket of his shorts.

Inside of Ekblom's left front short pocket was a cigarette pack containing a plastic baggie with 17 grams of suspected crystal methamphetamine.

Ekblom confirmed it was meth and he was going to go to jail for a long time because he was already out on bond.

Ekblom was then placed into the rear seat of my patrol vehicle.

The female passenger who was now sitting in the driver seat was identified as Kristy Purvis by her Florida driver license.

In the rear passenger seat behind on passenger side was a female subject who was identified as Carol Hall by her Florida driver license.

Both Purvis and Hall exited the vehicle to conduct a search.

Myself, Officer Venegas, and Sergeant Melius conducted a search of the vehicle for additional contraband.

During the search of the vehicle, I located on the passenger side floor board, a brown coach zipper purse which contained two glass methamphetamine pipes, and one glass crack cocaine pipe with burnt residue and a lighter inside.

Purvis was detained and placed into mechanical hand restraints behind her back.

On the driver side of the vehicle, Officer Venegas located a glass crack pipe with burnt residue.

Officer Venegas located a brown purse on the rear seat underneath the passenger seat of the vehicle which yielded to a black zipper sunglass container with a cotton swab sticking out the side. Inside of the sunglass container was multiple hypodermic syringes, cotton swabs, a glass methamphetamine pipe, and a plastic baggie containing a small shard of suspected crystal methamphetamine less than 1 gram. Also located inside of the sunglass container was a plastic square container with additional small shards of suspected crystal methamphetamine.

Inside of the same brown purse, Officer Venegas located a plastic hospital band with Hall's name and information on it, as well as a prescription bottle with Hall's name on it with two unknown pills inside.

Hall was detained and placed into mechanical hand restraints behind her back.

Hall stated one of the pills was [redacted] which she stated she had a prescription for, and the other one was a baby aspirin. It should be noted the pill bottle was not for either medication.

Ekblom took ownership of the coach purse containing the meth and crack pipes that was located on the passenger side floorboard.

Purvis stated Ekblom began yelling at her to switch seats when he was being stopped and she became scared.

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **03/30/2026** , at **01:05** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

Based on the totality of circumstances I determined Ekblom to be in violation of F.S.S 893.135(1)(f)(1) Trafficking in methamphetamine, over 14 grams, F.S.S 893.147, Possession of drug paraphernalia, F.S.S 322.34(2)(C) Driving while license suspended, 3rd or subsequent conviction, F.S.S 843.02, Resist officer without violence.

I also found Hall to be in violation of F.S.S 893.13(6)(A) Possession of controlled substance, methamphetamine, and F.S.S 893.147 Possession of drug paraphernalia.

Both Ekblom and Hall were transported to Indian River County Jail for processing.

While enroute to Indian River County Jail, Hall stated the sunglass container that was located inside of her purse was picked up from the floorboard of the car, and thought it was a pair of sunglasses.

The plastic baggie found inside of the cigarette pack was weighted and yielded to approximately 17 grams including package weight.

The suspected crystal methamphetamine inside of the plastic square container was field tested which yielded to a positive result for the presence of methamphetamine.

The plastic baggie containing 17 grams of suspected crystal methamphetamine was field tested which yielded to positive result for the presence of methamphetamine.

While at Indian River County Jail Ekblom was issued UTC AMZAMSE, driving while license suspended 3rd or subsequent conviction, UTC AMZAMTE failure to stop at stop sign, UTC AMZAMUE possession of controlled substance while in physical control of motor vehicle.
