The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 10/31/2026 , at 00:28 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On October 31, 2026, at 0028 hours, I Officer. Dietrich responded to Grind and Grape 925 Bougainvillea Lane, in reference to a disturbance. Upon arrival I made contact with fellow officers along with two employees and witnesses, later identified as Demir Steers and Farai Wade.

Wade informed me he was tasked to remove an individual (later identified as Austin Storey) from the establishment due to being too intoxicated. Wade asked Storey to close his tab, Storey proceeded to the outside bar top. While walking to the register Storey proceeded to throw a chair, along with shoving a table towards the direction of Steers. Wade along with Steers proceeded to grab Storey by the shoulders and escort him out of the establishment. Once Storey was removed with force, Storey took the beer that was in his hand and proceeded to throw the bottle at Wade, striking Wade in the upper left arm.

Wade did not have any injuries, but I was able to observe liquid marks on Wade's sleeve indicating a bottle had struck his sleeve. Pictures were collected of Wade's sleeve.

Storey was placed under arrest and transported to the Indian River County Jail.

Storey was charged with one misdemeanor as follows F.S.S. 856.011 disorderly intoxication.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 10/30/2026 , at 13:11 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On October 30, 2026, at approximately 1236 hours, officers were dispatched to 175 Chaloupe Terrace, Sebastian, Florida 32958, in reference to an agency assist with animal control.

Upon arrival, Officer Sposato made contact with the complainant, identified by his Florida-issued driver's license as [redacted] stated the following: [redacted] who is a sergeant with animal control, arrived on the scene at approximately 1228 to assist Officer F. Bohannon on a call regarding a cat. [redacted] made contact with what he described to be a white male with brown hair in a ponytail, wearing a Hawaiian shirt and a scar above his right eye. While speaking with the male, he began to become argumentative and loud and began to act aggressively towards [redacted] and his partner. The suspect then began to point at [redacted] with a finger to point at and touch [redacted] body-worn camera, which prompted [redacted] to tell the suspect not to touch him. The suspect then yelled at both officers to get off of his property.

It is to be noted that upon [redacted] arrival, it was established that he was an animal control officer, which was clearly noticeable given the animal control patches and insignia he was wearing, as well as the outer carrier vest [redacted] and Officer Bohannon wore.

Upon arrival, I attempted to make contact with the suspect, who was identified as Damon C. Depew, by knocking on his door at his residence twice and received no answer. Damon yelled from inside the house to come back with a warrant. I then went back to get sworn written statements from both animal control officers when Damon came outside and began to call for the officers. Officer Martinez, Officer Spasato, and I walked up to the residence and began to talk with Damon. Damon then began to close the outside door, and Officer Martinez then grabbed Damon to place him under arrest. Damon began tensing and attempting to pull away from officers, attempting to resist arrest. Officers were able to place Damon in handcuffs, which were checked for proper fit and double-locked.

Damon was informed of his Miranda rights and, post-Miranda, stated that he did touch Sergeant [redacted] body-worn camera.

Due to the facts listed above, Damon actually and intentionally touched Sergeant [redacted] body-worn camera against his will, while Sergeant [redacted] was a licensed animal control officer who was clearly wearing an animal control uniform and was acting within the lawful performance of his duties while the battery was committed. As well as Damon resisting Officers while actively being arrested, I found probable cause to arrest Damon under the following:
FSS.784.07 BATTERY ON OTHER SPECIFIED PERSONNEL
FSS 843.02 RESISTING W/O VIOLENCE.

Damon was transported to the Indian River County Sheriff's Office Jail without incident. This case will be cleared via arrest.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00117311**

NARRATIVE

On October 30, 2026, at 05:24 hours, I Deputy D. Coon #6379 conducted a security check of the Indian River Square plaza at 5970 20th St in Indian River County. Upon driving through the parking lot, I observed an unkempt male sleeping underneath the storefront overhang of Bealls. The male appeared homeless.

Upon closer inspection, I identified the male as Jesse Ian Virgin from several previous encounters. Jesse is a local homeless vagrant that wanders the commercial shopping district of unincorporated Vero Beach. He had no money this morning, and businesses at the plaza were not open.

Indian River Square shopping plaza is owned and managed by Kite Realty Group, a real estate investment trust company in Indianapolis, IN. They are listed with the Indian River County Property Appraisers as *KRG Indian River LLC*. The plaza includes several shops and a large parking lot. Kite Realty Group updated their blanket trespass agreement with IRCSO on 07/01/2025 and pre-authorized 24-hour enforcement on the property with an emphasis on homeless activities (IRCSO Case # 2025-00070206).

IRCSO records revealed that I had issued a formal trespass warning to Jesse on October 20, 2026 for sleeping in the same plaza. Therefore, I placed Jesse under arrest for Trespass After Warning, F.S.S. 810.09 (1)(a)(1).

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **10/30/2026**, at **04:28** (Specifically include facts constituting cause for arrest.)

On 10/30/26, at approximately 0428 hours, I observed a black male located at 1838 US Hwy 1 (IHOP). I was able to identify the male as Christopher E. Reeves (DOB: 05/15/1976) from multiple previous encounters. I previously learned from VBPD's Special Investigation Unit that Reeves had a warrant for his arrest out of Indian River County for violation of probation. I then detained Reeves due to the aforementioned information.

I ran Reeves information through Vero Beach Communications. VBPD Communications advised Reeves had an active warrant for his arrest issued by Indian River County Sheriff's Office for VOP- Driving with License Suspended and Use or Possess Drug Paraphernalia. IRCSO warrant #120260501 was confirmed by VBPD Communications through teletype with IRCSO Operator Autumn M (Warrant #120260501, PCN #T122710978, date of warrant 10/23/2026, No Bond).

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00117295**

NARRATIVE

On Friday, 10/30/2026, at approximately 0130 hours, myself and Corporal Lang observed a gray sedan, identified later as a Toyota Camry (Florida license plate: RPUB06), pull out of the Wawa gas station at 1180 US Highway 1 without operating headlights or tail lamps during night time operation. I observed the sedan turn northbound onto US 1 and then turn westbound onto 12th Street, still without operating headlights or tail lamps. The vehicle turned on the headlights and tail lamps before turning into the parking lot of Planet Fitness at 1225 US Highway 1, where I conducted a traffic stop.

I made contact with the driver, identified using his Florida driver's license, as Tyler Sampson. When asked for his license, vehicle registration and proof of insurance, Sampson only produced his driver's license. There was an odor of alcoholic beverage coming from inside the vehicle and when asked, Sampson stated he was previously at the Speakeasy Bar and that he only had one drink a couple hours ago. Sampson was asked and consented to perform standardized field sobriety exercises. Prior to beginning the exercises, Sampson was asked about recent head injury or car crash involvement, to which Sampson denied both. During the exercises, I confirmed an odor of alcoholic beverage was coming from Sampson's breath.

Prior to the exercise, Sampson's eyes were checked for equal size, light reactivity and equal tracking, On the horizontal gaze nystagmus exercises, Sampson showed clues of lack of smooth pursuit and distinct and sustained nystagmus at maximum deviation in both eyes.

Prior to Sampson conducting the exercise, I explained and demonstrated the exercise. During the walk and turn exercise, Sampson showed clues of unable to maintain balance during instruction phase, used arms for balance, and incorrect number of steps.

Prior to Sampson conducting the exercise, I explained and demonstrated the exercise. During the one leg stand exercise, Sampson did not show any observable clues. Sampson only got to 15, indicating a slow internal clock.

Due to Sampson's poor performance on the standardized field sobriety exercises, Sampson was taken into custody. During a post Miranda interview with Sampson, he stated that he had one vodka cranberry and that he was called to pick someone up from the gas station.

During a tow inventory of Sampson's vehicle, Deputies located multiple empty cans and an empty bottle of alcoholic beverage.

Sampson did consent to provide a breath sample for testing. On the first breath sample, Sampson had a BrAC of 0.090g/210L and a second sample showing a BrAC of 0.091g/210L

Based on my investigation, I believe there is probable cause to charge Sampson with a violation of FSS 316.193 (Driving under the influence).

Arrest Affidavit Report

Case Report # **2026-00118104**

NARRATIVE

On Saturday, 10/31/2026, at approximately 2248, I was dispatched to 4000 56th Avenue, Vero Beach, Florida 32967, in reference to an illegal dumping.

Upon arrival, I located an entrance to a secured, fenced off property, which I verified to be property of the Vero Beach Airport via Indian River County Property Appraisers. Additionally, during this investigation, I contacted the Vero Beach Police Department and provided them with my location, which they confirmed is property of the Vero Beach Airport. The chain securing the gate had been cut so that the property could be access, the property also had posted trespass notice signs periodically on the fence. I walked back into the property and discovered a grey pick-up truck bearing Florida tag FPTD23, a boat trailer with no vin, and a boat with Florida hull number #FL8751FU, stuck in the mud. Using google maps, I estimated the distance inside the property to be around 200-300 feet. The boat had a ratchet strap attached to it's hull and another end attached to a tree deep within the wood-line. Based on the tire marks in the mud, the boat and boat trailer's position where consistent with the movement of using the ratchet strap to remove the boat from the trailer. After the boat was removed from the trailer, you could see tire marks leading the truck, where it got stuck attempting to make a U-turn to exit the property. The trailer was dismounted from the truck due it also being stuck in the mud; however, the truck was still unable to get out of the mud, and subsequently had dug the tires into a deep hole.

I quired the truck through the Indian River County Sheriff's Office, which revealed the truck was registered to Linda Jeane Lupinski at 4012 57th Terrance, Vero Beach, Florida 32966. Deputy McPeek responded out to the address to make contact with Lupinski, while I responded out to 5760 39th Street, to make contact with [redacted] The individual [redacted] refused to provide his information, wishing to remain anonymous. The complainant did advise me that he went back to the trail because he heard a loud engine and believed a vehicle was stuck, at which time he discovered the vehicle stuck in the mud. The complaint stated he made the decision to [redacted] because he believed that the boat was being dumped so that the boat trailer could be scrapped.

After meeting with the complainant of this incident, I met with Deputy McPeek at 4012 57th Terrance. The residents of 4012 57th Terrance advised that the driver and subject, Aaron Scott Bennett, no longer resided at the residence and was with his step-father. While at the residence, I was able to get into contact with Lupinski over the phone. Lupinski advised that she did not possess or manage the truck because Bennett makes the payments and is responsible for the truck. Lupinski attempted to contact Bennett about the situation, which Bennett got upset with her over the phone and told her that he ran out of gas. Lupinski provided me with Bennett's cell-phone number.

I made contact with Bennett over the phone and he advised me that his truck got stuck. I told Bennett that

he needed to meet with law enforcement, which he then advised me his address was 4 Aero Lane, Vero Beach, Florida 32967. Bennett stated that he knew nothing about the boat or the boat trailer and declined possessing or owning either of them.

I had the Indian River County Sheriff's Office Public Safety Dispatch query the FL number on the boat, which returned to a Jeffery Allen Williams in Apopka, Florida. I requested Apopka Police Department to respond out to Williams's address to ascertain if he knew the location of his boat and boat trailer. Apopka Police made contact with Williams and provided me with his contact information. I reached Williams over the phone and he advised me that he left his boat on a property in Titusville, where he used to reside with his family 10 years ago. Williams stated that he never sold the boat or gave it to any of his family and that he noticed it had gone missing. Williams advised he paid $1,500.00 for the boat and would like to report it stolen. I relayed this information to Apopka Police Department who stated they would take a report and reach out to me with their case number. At the time of this investigation, the boat is not currently reported stolen and the report is still waiting to be filed by Williams.

Deputy McPeek and I responded out to 4 Aero Lane, Vero Beach, Florida 32960, to make contact with Bennett. When Bennett came to the door, I immediately advised him of his Miranda rights, which he voluntarily waived and agreed to speak with me. I asked Bennett to explain what was going on with his pick-up truck, which he replied that he went into the property to turn around because he left something at his residence. When I asked Bennett about the boat and trailer, he stated that he saw it on the property when he went to turn around but did not touch it. Bennett became defensive when I stated that he drove much deeper into the property than necessary to make a u-turn and refused to explain why he drove so deep into the property. I confronted Bennett about the tire marks leading from underneath the boat, the boat trailer, and to the position where his truck got stuck. Bennett explained that when he saw the boat and boat trailer in the property, he decided that he was going to take the boat trailer. I pressed further into the fact that the tire marks where not consistent with his story, which then Bennett stated that the boat was on the trailer and already attached to the tree when he decided to try to take the trailer. Bennett advised the boat was already coming off the trailer and that he pulled it off when trying to get the trailer. I again confronted Bennett about the inconsistency with the tire marks and his story, I also explained to Bennett that I wanted the truth about the boat because the owner wanted to report it stolen.

When Bennett was advised that the owner of the boat wanted to report it stolen, he stated he purchased the boat and trailer on facebook 3 years ago in Melbourne Florida. Bennett explained that he purchased the boat and the boat trailer for $200 and kept it at his residence ever since he purchased it. Bennett further explained that he intended on leaving the boat behind on the Airport property and leaving with the

On October 31, 2026, at approximately 2226 hours, I was dispatched to 1055 20th St in reference to a harassment call.

Upon arrival, I made contact with the complainant [redacted] who stated the following in substance: [redacted] Christopher Brian Wirgau identified by Michigan ID card, had been stalking her for months since [redacted] May of 2026. They both lived in Michigan and prior moving to Florida, she filed an order of protection against Christopher and it was granted on April 2nd 2026. She moved to Florida in June and Christopher started to frequently show up uninvited to her parents' house. While she was here in Florida, she had to contact Christopher and ask him to stop harassing her family and advised him that she no longer lived there. [redacted] mentioned her address to get him to stop showing up at her parents' house. He continued to text and call her repeatedly.

On August 15th, 2026 he took the bus from Michigan to Florida continuing to pursue his relationship with [redacted] allowed him to stay at her home from the aforementioned date to October 11,2026, when she advised him to leave the house and cut communications with her. [redacted] continued to show up un announced to her house on the following dates, October 18, 21, 24, 25 and the 31st. NARRATIVE

On Saturday, October 31, 2026, at approximately 2354 hours, I observed a black in color Toyota sedan bearing Florida tag#: 15DJKB, traveling southbound on U.S. Highway 1 near Vista Royal at a high rate of speed. As I approached the vehicle, I visually estimated the vehicle to be traveling 75 miles per hour in a posted 45 mile per hour zone, at which time I paced the vehicle to confirm my estimation. The vehicle continues to cross over from the far-left lane into the middle lane numerous times.

Due to the vehicles driving pattern I conducted a traffic stop at the 900 block of U.S. Highway 1, Vero Beach, Florida. The vehicle came to a stop in the Walgreens parking lot located at 915 S U.S. Highway 1, Vero Beach, Florida, where I made contact with the driver and sole occupant of the vehicle. The driver, Dominic Bryan, was identified by his Florida driver's license.

As I interacted with Bryant, I observed several physical signs of impairment: slow motor skills, glassy-watery eyes, slurred speech, inability to multi-task, and an odor of an alcoholic beverage emitting from his breath. Bryant continued to look for his registration and insurance then would stop and look at his debit cards inside of his wallet. I asked Bryant when the last time he had consumed alcohol was, to which he stated "a little while ago" as he was coming from a friend's residence.

I became concerned Bryant was impaired beyond his normal faculties by alcoholic beverages or chemical or controlled substances.

To dispel my concerns, I asked Bryant if he would participate in a series of standardized field sobriety exercises, to which declined. I advised Bryant of his Taylor warning, and that shall he refuse to partake in the exercises I had requested an arrest decision would be made based on the totality of circumstances I had observed up unto that point.

Based upon my investigation, probable cause exists that on Saturday, October 31, 2026, Bryant was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

Bryant was arrested for DUI at 0001 hours and was advised of the charge. I took Bryant into custody without incident. D/S Apollon transported Bryant to the Indian River County Jail for booking. D/S Apollon informed me after his arrival at the County Jail, Deputy Sheriff Canales informed him that Bryant refused to provide a breath sample.

Based upon my investigation, I charged Bryant with the following:

F.S.S. 316.193.1A- DUI, Alcohol or Drugs. Citation#: ANHCDTE.

F.S.S. 316.1939.1D- Refusal to Submit to BAL Testing, Citation#: ANHCDWE.

Bryant was also issued a written warning for the traffic infractions.

PROBABLE CAUSE STATEMENT

On 31 October 2026 at approximately 2106 hours, I responded to 1063 Persian Lane, Sebastian, Florida, for a physical disturbance.

While en route, dispatch advised that the caller/victim, identified as [redacted] was in a physical disturbance with the subject, Ronald Herndon. They stated [redacted] said he was able to get On 31 October 2026 at approximately 2106 hours, I responded to 1063 Persian Lane, Sebastian, Florida, for a physical disturbance.

While en route, dispatch advised that the caller/victim, identified as [redacted] was in a physical disturbance with the subject, Ronald Herndon. They stated [redacted] said he was able to get Ronald out of the house and that Ronald was currently banging on the front door.

Upon arrival, Ofc. Smith had already detained Ronald in the driveway of the residence and was attempting to get his version of what had occurred; however, he was too intoxicated to answer any questions.

I spoke with [redacted] identified as Cianna Herndon.

Cianna stated they had arrived home from Tricker treating with their daughter, and her father Ronald was already at the house. She stated Ronald was very intoxicated and started to call her belligerent names while she was attempting to tend to her daughter. Cianna stated she told Ronald to leave several times since he doesn't reside at that address; however, he continued to yell at her. She stated that [redacted] at this point got involved in an attempt to get him removed from the house, and this made him more irate. At this time, he physically grabbed [redacted] by the shirt. She stated that [redacted] then punched Ronald in an attempt to get him away. Cianna stated that at this time she tried to get in between the two, and Ronald threw a punch at [redacted] She said [redacted] was able to go out of the back door, at which time Ronald went out the front door. She said she locked the doors and called the police.

I asked Cianna if Ronald regularly comes over, and she stated yes; he lives across the street, and normally it's not a problem except when he is intoxicated. I asked if she was ever struck during the altercation, and she said no; only [redacted] was.

I then spoke with [redacted] about what had occurred, and he stated that when they got home Roanld was highly intoxicated and started an argument with Cianna. He said that after Cianna told him to leave several times, he attempted to help Cianna by telling Ronald to leave the house. He said this made Ronald more upset; he came at him and grabbed his shirt with both hands. [redacted] stated he punched Ronald in an attempt to get him off him, at which time Cianna attempted to separate them. [redacted] said Ronald then punched him, yelling Let's take this outside. [redacted] thought if he went outside, he would be able to get Ronald outside. [redacted] said he went out of the back door, and Ronald went to the front door and exited.

Due to the statements made by Cianna and [redacted] I found probable cause to place Ronald under arrest for the following charges:

* FSS 784.03 Battery - Ronald intentionally and actually touched and struck [redacted] against his will by initially grabbing his shirt and then punching him.

Ronald was placed in my patrol car and transported to the INdian River County Jail without incident.

Case Report # **2026-00118010**

NARRATIVE

On Saturday, October 31, 2026, at approximately 1921 hours, I was patrolling the area of the 3200 block of 45th street, Vero Beach, FL, 32967, when my Axon license plate reader hit on Florida registration of STQN55 as a revoked drivers license. I ran the tag and confirmed the registered owner, Shateranee Bass did not have a valid drivers license. I conducted a traffic stop based on the reasonable suspicion the driver was the registered owner of the vehicle under Kansas v. Glover.

I made contact with the driver and immediately confirmed that Miss Bass was the driver based on the DMV photo. I asked her to confirm that she was the registered owner and she said she was. I advised her that she was suspended and she said she couldn't have been because she has her license, and provided me with a Florida issued license. Her license showed an issue date of 12/21/2020 and a replacement date of 04/23/2026, and the corner was not cut. It also showed a "for business purposes only until 04/06/2027. She was also not wearing her seat belt as it was buckled in, the shoulder strap was behind her and she was sitting on the lap belt portion.

She stated that she was not driving for business purposes and that she was on her way to a party. She later admitted by spontaneous utterance that she knew she wasn't supposed to be driving.

She was stopped and issued a citation for unknowingly driving while license suspended on 04/18/2026, reference court case number 312026TR005779, citation number ANHAS5E. She failed to pay the court fees and a suspension was issued on 09/29/2026. A Habitual traffic offender status was issued to her on 08/31/2026 reference the same court case number 312026TR005779 and citation number ANHAS5E.

She has a prior Driving while license suspended / canceled conviction out of St. Lucie County FL on 8/14/2023, reference court case number 2023CT001927, citation number AHU242E. from that case she was found guilty of a felony traffic violation of driving while license permanently revoked reference court case number 2023CF002227.

She has three prior Driving while license suspended / canceled conviction out of Martin County FL reference court cases:

22000766CTAXMX, Citation number ADUTC5E from 03/27/2022.

21002146CTAXMX, citation number A3HIJEP from 09/16/2021.

Case Report # **2026-00117911**

NARRATIVE

On October 31, 2026, at approximately 1542 hours, I responded to the area of 4th Street and US Route 1 in regards to an Auto Accident Unknown Injuries (AAUNK).

Upon my arrival, I located a male, alter identified as Ramon Rosa Lopez-Diaz, standing along the roadside away from a blue Ford Explorer involved in the traffic crash.

During my investigation, I observed a Florida License Plate bearing registration XP49A affixed to the rear of the blue Ford Explorer.

A Records Inquiry revealed that the aforementioned Florida Registration was assigned to a Black Chevrolet pickup truck rather than a blue Ford Explorer on which it was displayed.

Additionally, after conducting an FCIC/NCIC and Driver and Motor Vehicle Information Database (DAVID) check, I determined that the Ford Explorer was not registered. It should be noted the black Chevrolet Pickup truck was also assigned to Ramon's name in DAVID.

Following the crash, Ramon was transported to the Indian River County Vero Emergency Room (HCA). At the hospital, I advised Ramon of his Constitutional Rights in the form of a Miranda warning utilizing the google translation app. Ramon informed me he understood his rights.

During the subsequent interview, Ramon stated that he did not have insurance coverage for the Ford Explorer. Ramon further explained that his pickup truck had broken down, so he removed the plate from the pickup truck and attached it to the Ford Explorer for temporary use. Ramon also acknowledged that he knew he could not lawfully operate a vehicle without valid insurance.

It should be noted Ramon was placed in mechanical hand restraints after he was discharged due to medical procedures being completed.

Ramon was transported to the Indian River County Jail where he was turned over to booking staff without further incident.

Based on the totality of the circumstances, Ramon did and knowingly violate 320.261 and 320.02 as he knowingly attached a license plate not assigned to the Ford Explorer and operated a motor vehicle that was unregistered. Ramon did and knowingly violate Florida State Statute 324.221 as Ramon operated a motor vehicle with no insurance in the State of Florida.

Arrest Affidavit Report

Case Report # **2026-00117888**

NARRATIVE

On October 31, 2026, at approximately 1418 hours, I responded to [redacted] in reference to a motor vehicle crash.

Upon arrival, I met with Deputy Tommy Byrd, who stated Richard Perkins drove his vehicle, a white 2023 Toyota Four Runner (FL: LP906Y), into a house. I observed the vehicle to have severe front-end damage and the front wall of the house caved in. I met with Richard who stated he had no injuries and did not want to go to the hospital. Richard had no apparent injuries and was seated in a chair in the upright position. Richard went on to state that he was attempting to pull into a parking place to park when the accelerator was stuck in the down right position causing the vehicle to accelerate forward out of his control into the house.

While attempting to stand Richard up he was very unsteady on his feet and fell over forcing me to catch him, setting him on the ground before assisting in lifting him back upright to the chair. While catching Richard from falling he sustained a minor laceration to his arm. Medics were immediately notified and rendered aid to the open laceration.

At the conclusion of the crash investigation, I advised Richard that I suspected he was under the influence of alcohol due to his blood shot glossy eyes, pinpoint pupils, slurred speech and the strong odor of an alcoholic beverage emanating from his breath to which I detected while standing next to Richard in the open air away from others. I asked Richard if he was diabetic or had any previous head injuries, he stated no to both. I asked if he hit his head during the crash, he confirmed he did not.

I asked Richard if he had consumed any drugs or alcohol today, he said no.

After a few minutes, Deputy Trevor Kramer and I, helped Richard back to his feet and with our assistance guided him to a flat, paved surface that was clear of all debris in the parking spot to conduct standardized field sobriety tests (SFST).

During the observation phase, I attempted to get Richard in the starting position with his feet together and hands down by his side. He stated he was unable to do that due to recent knee surgery. I was able to confirm with Richard that he was in a comfortable position similar to the starting position that was within his capabilities. While in this position he continued to sway and step out of position. I continued to detect the odor of an alcoholic beverage emanating from his breath.

I asked Richard again he had diabetes or any head injuries, he confirmed he did not. I asked Richard if he wore any contacts or glasses, he stated yes and that he was far sighted. I asked Richard if he could see the tip of my white pen, which I used as a stimulus for the horizontal gaze nystagmus exercise, he

confirmed he could see it and touched it with the tip of his finger when asked to do so.

During the horizontal gaze nystagmus exercise, Richard was unable to follow the stimulus with his eyes and failed to comply with further instructions. Due to Richard's inability to stand or follow instructions all SFST's were concluded and Richard was placed back in the chair.

I located the home owner, [redacted] who was home during the crash who stated he observed Richard in the driving seat of the vehicle after watching his wall cave in and exiting the house.

Given the facts, Richard was placed under arrest for violating Florida State Statute 316.193.3c1 and issued criminal citation ANHCFEE for DUI damage to property or person of another and was transported to the Cleveland Clinic Hospital for medical clearance before getting transported to Indian River County Jail.

It should be noted that at the time of departing the Cleveland Clinic Hospital at 1707 hours, Richard showed signs that greater stability, less slurred speech and improved walking capabilities.

Once at the Indian River County Jail, Richard was able to stand and walk under his own power and continued to make cognitive improvements.

Richard agreed to submit a breath sample where jail staff completed the breath test procedure. The test resulted in Richard's blood alcohol content to be .058 per 210 milliliters of breath, on breath sample 1 and .059 per 210 milliliters of breath, on breath sample 2 at 1817 hours.

It should be noted that his breath sample was provided roughly 4 hours after the time of the initial report.

An accident report was completed by Civilian Traffic Technician C. Huskins.

Axon body worn cameras were utilized during this incident.

NARRATIVE

On 10/31/2026 at approximately 1218 hours, I was approached by Mr. Nicholas Tucker who informed me he is the bank manager of Sea Coast Bank (1206 US Highway 1). Mr. Tucker informed me a male was asked to leave the property multiple times, and was still on property refusing to leave after verbal warning.

Mr. Tucker advised the following occurred prior to making contact with myself.

While working his shift at Sea Coast Bank, Mr. Tucker observed a male wearing dark clothing standing in the front of the bank near bushes. Mr. Tucker advised the male he described was acting strange, and making his staff feel uncomfortable. As Mr. Tucker approached the male, the male concealed himself behind the bushes he was standing near to hide. Mr. Tucker informed the male to leave the property or he would be trespassed. Mr. Tucker stated he observed the male walk to the dumpster at the North East corner of Sea Coast Bank property, and remained at the location. Mr. Tucker requested I speak with the male subject to have him leave the property.

Prior to making contact with the male, I observe him place an opened alcoholic beverage by his feet and attempted to conceal it by standing in front of it. I informed the male that I was requested to advised him to leave the property, and to empty his alcoholic beverage. The male identified himself as Masumur Rahman by his Florida issued Driver's License. After multiple attempts requesting Masumur to leave the property on his own will after verbal warning from both myself, and Mr. Tucker. Masumur refused multiple times after verbal warning, and was taken into custody without incident and transported to the Indian River County Jail.

Due to the above aforementioned information Masumur is charged with the following:

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00117778**

NARRATIVE

October 31, 2026, at approximately 0901, I was conducting traffic enforcement along US1 Route One when I observed a White Cadillac SUV bearing Florida License Plate FPTD64 utilize the merge lane to bypass the slower traffic.

As the vehicle made a eastbound turn onto 8th Street I visually estimated the vehicle to be traveling at 42 MPH in a posted 30 MPH zone. I activated my Stalker Dual DSR Radar which displayed the vehicles speed at 43 MPH and provided an audio doppler tone that matched.

The vehicle made a northbound turn on 6th Ave and approached the 12th Street light which was displaying a yellow light. As the light turned red the vehicles front tires were still behind the solid white stop bar. The vehicle proceeded through the intersection at which point I initiated a traffic stop.

I made contact with the driver of the vehicle who was identified as Timea Dobossy by her expired Green Card.

Timea also provided me with the following:

- A Social Security Card dating 2019
- European Union Identification
- Two Passports
- Immigration Documents
- An expired International Driver License
- A Department of Defense dependent identification card

All aforementioned documents provided show Timea has been residing within the United States for a prolonged period of time.

Timea stated she did not have a United State Driver License and has been living and residing in the United States for approximately eight years.

Timea was run through the Driver and Motor Vehicle Database (DAVID) and FCIC/NCIC. All returned with no results for a Driver License.

Timea called her husband who is the registered owner of the vehicle and provided me her phone as

NARRATIVE (Continuation)

Timea was having a difficult time understanding the traffic related questions I asked her.

Troy Du Rocher informed me that Timea has been living in the United States for the past eight years and has not obtained a Florida Driver License because they were waiting for her English proficienty to get better. Troy and Timea both informed me they last exited and re entered the United States in February which is eight months ago. Additionally Troy informed me they purchased a home in February within Ft Pierce.

I placed Timea in mechanical hand restraints and secured her in my patrol vehicle.

Timea was transported to the Indian River County Jail where she was turned over to booking staff without further incident.

Based on Timea Statements and documents, along with the totality of the circumstances, Timea did violate Florida State Statute 320.03 as she has been operating a motor vehicle in the State of Florida without a valid driver license after claiming residency eight years ago.

STRANGER

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 10/31/2026 , at 19:27 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On October 31st, 2026, at 19:27 hours, I Officer. Dietrich responded to Riverside Cafe, 3341 Bridge Plaza Drive, in reference to a follow up for case #26-010617. Upon arrival I made contact with the manager, Steven Citowitz.

Citowitz advised me he was reviewing security camera footage to find out how a window was broken early this morning. Upon reviewing the footage, I observed a male I recognized from a previous incident, who was identified as Tate Williams. Williams was involved in a disturbance early this morning at Riverside Cafe, resulting in Williams being arrested (reference case #26-010617).

Upon reviewing security camera footage, I observed the following:

At 01:16:15 hours, Williams was observed outside on the porch, located on the north side of the establishment. Williams was in an argument with another individual. After Williams was done arguing, he proceeds towards a door that leads back inside. While walking towards the door, Williams was observed punching a window causing it to shatter. The glass from the window fell inside the establishment almost harming the DJ and the people standing around the DJ. Williams then walked into the establishment where it was difficult to determine where he went after he walked into a large crowd of guests.

The security camera footage was recorded on my department issued body worn camera. Pictures were also taken of the damaged window.

Citowitz advised a rough estimate of the window to be $300.00. Citowitz informed me that the window will be repaired tomorrow and he will provide me with a statement after the repair is complete.

Williams is currently in custody at the Indian River County Jail. As a result of my follow up investigation, this affidavit was drafted to include the additional offense. Williams will receive an additional charge for violation of F.S.S 806.13(1B2) Criminal mischief more the $200.00 less than $1000.00.

The security camera footage along with the pictures were uploaded to evidence library.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 10/31/2026 at 02:13 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 10/31/26 at approximately 0213 hours, I, Officer W. Brumley conducted a traffic stop in the 2000 block of 11th Ave on a white toyota pick up truck, bearing FL tag#XKG895, in reference to driving on the wrong side of the road.

Prior to my traffic stop, I observed the above mentioned vehicle driving eastbound in the westbound lanes of travel of 20th Pl approaching the intersection of 20th Pl and 11th Ave. It should be noted 20th Pl is a one way road, westbound traffic only, I was in the far most left lane and the above vehicle was directly in front of me, as it is facing eastbound.

I conducted a traffic stop on the vehicle as it turned southbound on 11th Ave. Upon approach I informed the driver and sole occupant of the vehicle, Pedro Hernandez Santana (defendant), the reason for the stop and he stated he just didn't have his glasses on. The defendant stated he just left a bar on the west side of the train tracks, although he was unable to tell me which bar he was coming from. The defendant then stated he had "a couple of beers" while at the bar. I observed the defendants eyes to be glossy and his speech to be slightly slurred. Upon having the defendant step out of the vehicle and while talking with him I could detect the odor of an alcoholic beverage emanating from his breath as he spoke. He agreed to perform the Standard Field Sobriety Exercises to dispel any fears I may have of him being impaired. Each exercise was explained and demonstrated prior to having the defendant perform them. After each exercise he stated he understood the instructions.

The results of the field sobriety exercises are as follows:

HGN (Horizontal Gaze Nystagmus)

- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes)
- Constant head movement
- Slight side to side sway

WALK AND TURN

- Began exercise prior to being instructed, it should be noted at this time he missed heel to toe on all steps.
- Used arms for balance at beginning

ONE LEG STAND (Left Leg)

- Didn't lift leg to height as instructed
- Put foot down
- Raised arms slightly for balance

Based on the foregoing, the defendant was placed under arrest for violation of FSS. 316.193(1A) DUI. The defendant was transported to the Indian River County Jail without incident. He was also issued a DUI citation. Cittation# AFVKLDE.

It should be noted the defendant agreed to show me the charge on his phone from the bar, the charged showed the amount of approximately $60 from the Stamp Bar 2 hours prior to our interaction.

While at the jail the defendant was given an opportunity to provide a sample of his breath. The results of his sample were, sample #1 .090 and sample #2 .081.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00117697**

NARRATIVE

On Saturday, October 31, 2026, at approximately 0212 hours, I responded to 3206 45th street, Vero Beach, FL, 32967, to assist LT Clark with a suspicious person out side of Smith's Grocery.

Upon arrival I observed a male later identified as Darius Reynolds sitting on a recycling bin outside the front of the store. The store was currently closed, all the lights were off, and the store was locked.

Mr. Reynolds appeared to be intoxicated due to his slurred speech, glassy bloodshot eyes, depressed facial features, and a strong odor of an alcoholic beverage coming from him that grew stronger as he spoke. When he was asked off the can he was unsteady on his feet. Sitting next to him on the window sill of the stores front bay window was an un opened can of an alcoholic beverage "Four Loko". The can appeared to still be cold based on the excessive buildup of condensation on the sides of the can.

While talking to Mr. Reynolds he continued to raise his voice, yell profanities, and was very animated while he talked. The front of the store was in view of the public road, both 45th street and 32nd avenue. Bystanders were looking in Mr. Reynolds direction when they walked by.

Lt. Clark advised me he observed Mr. Reynolds right up on the store, under the overhand pf the entrance, looking into the store windows with his hands on the bars of the window, see Lt Clarks supplement for further.

Mr. Reynolds was advised of his constitutional rights via a Miranda warning, to which he exercised his rights and stated he does not want to talk to us. He then started asking questions and I asked him if he wished to talk to us now after he exercised his rights, and he advised he did in fact want to talk to us now. He was asked why he was at the store after hours, he was unable to provide a reasonable explanation to why he was there. He just stated that he had no right to be there. He also stated that he was a drinker so he was looking in the store.

Based on the above Mr. Reynolds was intoxicated and endangered the safety of another person or property, or was intoxicated or drank an alcoholic beverage in a public place or in or upon a public conveyance and caused a public disturbance, contrary to Florida Statute 856.011(1). (2 DEG MISD)

He did unlawfully loiter or prowl in a place, at a time or in a manner not usual for law abiding individuals, under circumstances that warrant a justifiable and reasonable alarm or immediate concern for the safety of persons or property in the vicinity, contrary to Florida Statute 856.021. (2 DEG MISD)

NARRATIVE

On Sunday, November 1, 2026, at approximately 2102 hours, I responded to Pelican Laundromat, located at 9406 U.S. Highway 1, Sebastian, Indian River County, Florida, 32958, in reference to an automobile accident, leaving the scene.

Upon arrival, I made contact with [redacted] (Victim), who stated the following in substance: She came to the laundromat to wash her clothing, and parked her vehicle in the front row, closest to the building. She owned a white Toyota Corolla, bearing Florida tag SREI21. She came out of the laundromat and saw red plastic on the ground near the rear of her vehicle. Upon a closer look, she discovered her vehicle had been struck on the rear driver's side of the vehicle. She did not know who hit her car, but knew it had to be at the laundromat, because of her taillight plastic was on the ground. She made contact with the owner of the laundromat, and requested he look at the camera footage. She wanted to pursue charges against the person that struck her vehicle.

I then made contact with Mr. Steve Sabino (Subject), who stated the following in substance: He was the owner of Pelican Laundromat, and had access to the surveillance camera footage. He reviewed the footage and observed a gray Ford Maverick pickup truck parked in the lot. He watched as the driver of the pickup truck backed out of his parking space and struck the white Toyota. The driver of the truck got out and looked at the damage, then got back into his truck and drove away. He recognized the driver of the pickup truck as a customer of his laundromat, and believed his name was "Patrick."

I reviewed the surveillance camera footage, and observed the following: The white Toyota Corolla belonging to [redacted] was parked facing south in a spot close to the building. Across the parking lot was a gray Ford pickup truck, parked facing the north. I observed the reverse lights on the pickup truck, and watched as it backed out of the parking spot and struck the Toyota. I observed the Toyota rock in the video as a result of the collision. The pickup truck moved forward for a small distance, and the driver exited the pickup truck. The driver then walked to the back of his truck and looked at the damage to the vehicle. The driver then got back into his vehicle and left the scene.

A community request was created, via Axon Capture, and provided to Mr. Sabino for the collection of the surveillance video. I utilized Axon Capture and photographed the Toyota Corolla on scene, and uploaded the photographs to the digital evidence locker.

While investigating the crash, a Ford Maverick was located on a license plate reader, which matched the vehicle involved. The registered owner of the vehicle was Mr. Patrick Mullin (Arrestee). I travelled to his residence, located at 101 Turtle Run Drive, Apartment 106, in Sebastian. Upon my arrival, I observed a gray Ford Maverick, bearing Florida tag CG08IP, parked in the parking lot. I observed damage to the rear driver's side of the pickup truck, to include a broken taillight and dent on the rear bumper. The damage observed was consistent with the

crash at the laundromat. I photographed the pickup truck and uploaded the photographs to the digital evidence locker via Axon Capture.

I then made contact with Mr. Mullin, who stated the following in substance: He was the owner of the gray Ford Maverick parked in the lot. He went to the Pelican Laundromat earlier to dry his clothes. As he was leaving, he felt his vehicle "tap" something. He got out and did not see any damage, so he left to go home and watch the game. While he was home, he consumed alcoholic beverages and went to bed.

Based on the above, it was determined an act of leaving the scene of a crash with property damage had occurred. Due to the damage to both vehicles, the surveillance camera footage, and the statements provided, probable cause was established for the arrest of Mr. Mullin. He was placed in handcuffs, which were checked for proper fit and double-locked. He was placed in the back of my patrol vehicle and transported to Cleveland Clinic Hospital for medical assessment and clearance. After clearance was obtained, he was transported to the county jail. He was issued a Uniform Traffic Citation (ANHATIE) for Leaving the Scene of a Crash Without Giving Information.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **11/02/2026** , at **01:12** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On November 1, 2026, at approximately 2319 hours, I responded to 462 Tulip Drive, Sebastian, Florida, in reference to a disturbance.

Upon my arrival, I observed the garage door beginning to open. I could hear both a male and female voice coming from inside the residence. I announced my presence and instructed both individuals to separate due to the nature of the call. The male exited and stood in the front yard, while the female remained inside the garage.

Once Officer Didier arrived on scene, I asked him to remain with the male, who was later identified as Anthony Justus, while I entered the garage to speak with the female, who was identified as Emily Justus.

Emily stated that earlier in the evening, she and Anthony had gone out together. Upon returning home, Emily went out to the back porch while Anthony left the residence. Emily stated that when Anthony returned, he would not allow her to enter their shared residence. Emily advised that the incident was verbal in nature and that nothing physical occurred between them.

Sebastian Police Department Dispatch conducted a records check on Anthony, which revealed an outstanding warrant through Indian River County. The warrant was listed as warrant number 120251195 and included one count of FSS 784.03(1)(a)(1), Battery, and one count of FSS 877.03, Disorderly Conduct.

The warrant was confirmed active by Sebastian Police Department Dispatch. Anthony was subsequently placed in mechanical restraints, which were checked for proper fit and double-locked. Anthony was then secured in the rear of my patrol vehicle and transported to the Indian River County Jail without further incident.

NARRATIVE

On Sunday, November 1, 2026, at approximately 2148 hours, I was patrolling the area of the 4700 block of 32nd avenue, Vero Beach, Florida, 32967, when I observed a white female riding a bicycle on the road way with no front or rear lights affixed to the bike. It should be noted that I was in uniform driving my agency issued marked patrol vehicle, when I activated me emergency lights to conduct a traffic stop.

The rider of the bicycle was identified as Christina May Rivas-Zeledon, while talking with her a burnt glass smoking devise was observed in her left hand, that I can say from my training and experience is used for drug consumption. She advised that she also had on in a cigarette pack in her bra. She pulled out the pack of cigarettes and In the pack was another burnt glass smoking device that had a white powder residue along the sides of the stem.

She was advised of her constitutional rights via a Miranda warning, she admitted that she smoked earlier in the day.

The glass stems were field tested that showed a presumptive positive for cocaine.

With their permission, Corporal Chamberlain and I opened the front door and ordered Bustamante to step outside.

As I attempted to secure Bustamante and pat him down for weapons, he tensed his body. I ordered him to stop tensing, at which point he drove his body backward against me, resisting my attempts to secure him. I performed a takedown and secured him in handcuffs.

[redacted] She explained that they were involved in a verbal argument, during which Bustamante began throwing a beer can and other items at her.

During the altercation, Bustamante pushed [redacted] causing her to lose her balance and fall to the floor. [redacted] stated that she has medical issues involving her back and neck that contributed to her losing her balance. Bustamante also headbutted the left side of her forehead and attempted to knee her in the side. [redacted] grabbed his leg, preventing him from striking her with his knee.

Crystal intervened, helped [redacted] get up from the floor, and accompanied her outside. Crystal also called [redacted] asking him to respond and help defuse the situation.

When [redacted] arrived, he entered the residence, where Bustamante remained. [redacted] then reentered the residence while [redacted] was inside. During the ongoing argument, Bustamante grabbed a knife and walked toward [redacted] while stating, "You want some?" Bustamante held the knife with the blade pointed backward in a stabbing position. [redacted] stepped between [redacted] and Bustamante, at which point Bustamante stated, "Do you want some too?" [redacted] and [redacted] then exited the residence and remained outside until law enforcement arrived.

I interviewed Crystal, [redacted] and [redacted] independently. Their accounts were consistent regarding the events they described. I observed what appeared to be a minor injury to the left side of [redacted] face and forehead while being treated by EMS on scene.

Inside the residence, I observed wet flooring in the living room and kitchen, along with several items scattered across the living room floor. These observations were consistent with the reported altercation.

I advised Bustamante of his Miranda rights. He stated that he understood his rights and invoked them. No further questioning was conducted.

Bustamante's actions of approaching [redacted] while holding a knife in a stabbing position and making a threatening statement, followed by directing a similar threat toward [redacted] when she intervened, demonstrated an apparent ability to carry out the threats. These circumstances were sufficient to induce a well-founded fear of imminent violence in a reasonable person in each victim's position.

Based on the statements obtained, [redacted] apparent injury, my observations inside the residence, and Bustamante's resistance during his detention, Bustamante was transported to the Indian River County Jail and booked on the following charges:

REPORTING OFFICER & ID #: [redacted]

NARRATIVE

On November 1st, 2026, at approximately 2010 hours, I was dispatched to 1340 4th Ct., Vero Beach, in reference to a disturbance. The calling party was identified as Sharon Wille. Sharon reported her son, identified as Jonathan Meeker was involved in a verbal and physical disturbance.

I responded to the residence, where I began speaking with Jonathan. While speaking with him, he began to drink vodka from a small plastic bottle, which is commonly referred to as a shooter. I noted he was highly intoxicated due to alcohol consumption. I noted he spoke with slurred speech, had glassy eyes, and had a strong odor of alcohol emitting from her person as he spoke. I observed Sharon, where I requested the two separate.

Jonathan granted consent for me to frisk his person, which resulted in no findings. Jonathan walked to the front of the house, where we began to speak. He explained he was not involved in a disturbance with anyone inside. He explained multiple times over this was his sister's house, later identified as Rachel Burral. He explained there were no issues happening. While speaking with Jonathan it was clear to me, he was intoxicated due to him repeating the same thought process over and over again. He also showed slight mood swings toward me and the interaction. Ultimately, K9 Deputy McKay arrived on scene to assist, where he remained with Jonathan while I spoke to Sharon.

Sharon explained Jonathan started a physical disturbance between his sister. He explained the two were pushing and shoving each other. She also explained Jonathan had been walking around the neighborhood and the surrounding area on today's date. Of note, Indian River County has had a flood advisory and heavy thunder storms throughout the day. Sharon explained Jonathan returned to the residence soaking wet, and drinking alcohol. She explained he stated his intent to shower, however, he then began screaming and yelling about "faggots" in his bedroom. She explained his screaming and yelling caused her to believe he had an inability to function in society due to alcohol.

Sharon also explained she was scared to put her back towards Jonathan due to his mood. She explained he was volatile and was unable to control his emotions. I asked Sharon if Jonathan had impaired judgment, an inability to make decisions, and a risk of self-neglect. She stated yes to all of the above due to his alcohol consumption.

Sharon also attempted to contact Rachel; however, she did not answer the phone. There was no video evidence of a physical disturbance.

I then returned to speak with Jonathan. I asked him if he drinks alcohol regularly, which he stated yes. He stated he drank alcohol today, however, assured me he was not under the influence. Jonathan was

offered voluntary admission to the hospital for detox, which he declined.

I ultimately advised Jonathan to stand up and turn around. He did so, but as he stood up, he began to posture towards me as though he was going to strike me. His gaze in my direction changed to what I perceived as a thousand-yard stare, thus from my training and experience a pre-fight indicator. Due to this, I quickly handcuffed him (double locked/checked for fit) and advised him he was detained pursuant a Marchman act.

I escorted Jonathan over my vehicle alone. I began to search his person pursuant to Sheriff's Office policy prior to transport to Cleveland Clinic. During this time period, I felt Jonathan's body tense up and push back towards me. Due to this, I put my hand on the back of Jonathan's head in order to control his body and pushed him forward to obtain law enforcement advantage as I was alone. I then escorted Jonathan to the rear passenger side door of my vehicle. During the search of his person, a small white baggie container a green leafy substance consistent with marijuana was discovered.

I opened the door, where I advised him to take a seat. He sat halfway inside the vehicle, while keeping his right foot on the ground, and his left foot inside the vehicle. I instructed him multiple times to go inside the vehicle. He stated something to the effect of no, and told me to get more police present. As he said this he stood up and took a step towards me. I immediately took this as a threat of violence.

It should be noted, at this time, I was alone as Deputy McKay was inside the house and I was outside. I put my hands up in an attempt to push Jonathan into the vehicle. As I did this, his buttocks went onto the seat, where he then began kick his legs. I stuck my hands out in an attempt to grab his legs to control him. However, Jonathan continued to kick his feet and his foot made contact with the direct center of my face, upper lip, and nose. This immediately caused pain and a burning sensation to my face. It should be noted, at the time of Jonathan's kicking he was wearing slide flip flops. When he kicked me in the face, one fell off. Due to being struck, I advised him he was under arrest, and pushed him into to the rear passenger seat. He ultimately lost his balance, and rolled over where I was able to shut the door.

I radioed Deputy McKay to come to my location to assist. Deputy McKay and I informed Sharon of the battery on a law enforcement officer charge, and the discovery of marijuana. She explained the marijuana was Rachel's which Rachel had a prescription for. I stated he was not allowed to possess it unless he had a medical marijuana card. IRCSO Channel 2 conducted a query of Jonathan for a medical marijuana card, which resulted in no findings; therefore, he was not allowed to possess marijuana.

NARRATIVE (Continuation)

Jonathan was driven to IRCSO Jail. While driving him to jail in the area of the 3700 block of U.S. Highway 1, he began to bang his head off the plastic partition. He did this multiple times, where I had to pull over due to a self-harm concern. Jonathan was placed in the wrap by deputies, where he was replaced into my agency vehicle. I would provide Jonathan his Miranda rights.

While in-route to the jail, Jonathan began to yell racial and homophobic slurs at me, and questioned my nationality.

Ultimately, Jonathan was turned over to IRCSO Corrections Deputies. When Jonathan was being removed from the vehicle by corrections deputies, Jonathan was asked if he had anything on him. He disclosed to the deputies he had his sisters weed on him. This statement proves knowledge of his possession.

The marijuana was weighed, which resulted in 9.3 grams. Photographs were taken of the packaging and uploaded to Evidence.com. Of note, the packaging stated this was marijuana from an authorized dispensary, and was 3.5 grams.

The Defendant acknowledged that she was driving while knowing of such cancellation, suspension, revocation, or suspension or revocation equivalent status, in that Ofcr. A. Luna 9445), also with the Vero Beach Police Department had stopped her previously for the same offense and had informed her of same. Therefore, the Defendant was cited for knowingly operating her motor vehicle upon the highways of this state while such license or privilege was canceled, suspended, or revoked, or who did not have a license but was under license suspension or revocation equivalent status, for a reason specified in Florida Statute 322.34(10)(a)1 through 6, in violation of Florida Statute 322.34(2) and 322.34(10)(b)1and contrary to the form of the Statute in such case made and provided, and against the peace and dignity of the State of Florida.

On 11/01/26 I and other officers of the Vero Beach Police Department responded to the parking lot of the Fresh Market located in the Treasure Coast Plaza at 526 21st Street regarding a vehicle which had been left in the parking lot in the throughway obstructing traffic. A registration check showed that the vehicle was registered to the Defendant and that the Defendant had an active arrest warrant out of Indian River County for arrest for Driving With License Suspended entered by the Honorable Robyn Stone on 10/06/26.

While on scene, the Defendant arrived in an Uber at which time she was taken into custody. Once the warrant was confirmed, the Defendant was transported to the Indian River County Jail without incident.

The foregoing occurred within the City of Vero Beach, Indian River County, Florida.

Contact with the Defendant was recorded with the use of Affiant's body-worn camera which was uploaded to a secure server.

VICTIM TO SUBJECT RELATIONSHIP

STRANGER

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **11/01/2026**, at **01:48** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On November 1, 2026, at 0148 hours I was located at Grind and Grape 925 Bougainvillea Lane. While I was standing in the parking lot to the west of the establishment, I observed a Black in color Toyota Tundra (bearing Florida license plate# PN621G) backing out of a parking space. While the black Toyota was backing out of the parking space, I observed the vehicle make contact with its right rear bumper striking the right rear bumper of a white in color Range Rover (bearing Florida license plate# JQ7SH). The Toyota then drove west bound on Bougainvillea Lane (an eastbound only roadway) without attempting to stop at the scene to assess for damage.

After observing the Toyota leaving the scene of the crash, fellow officers and I ran towards the truck as the driver continued driving the wrong way. We demanded the driver of the Toyota to stop and he complied.

While I was conducting my hit and run investigation, I was able to identify the driver to be Joab Hoyos. Hoyos and the passenger both acknowledged they had thought they hit another car. The Range Rover sustained minor damage estimating around $300.00 worth. After completing my hit and run investigation, I had suspicion of Hoyos to be possibly intoxicated due to his slow response time to answering questions, along with his eyes being glossy and bloodshot.

I then transitioned from investigating a crash to investigating an impaired driver. Upon asking Hoyos if he would be willing to conduct the standardized field sobriety exercises, he denied. I then read Hoyos his Taylor warning where Hoyos then advised he did want to conduct the standardized field sobriety exercises. Each exercise was explained and demonstrated prior to having the defendant perform them. After each exercise was explained, Hoyos stated he understood the instruction.

The results of the field sobriety exercises are as follows:

HGN(Horizontal Gaze Nystagmus)
- **Questioned the instructions**
- **Swaying back and forth**
- **Lack of smooth pursuit**
- **Distinct and sustained nystagmus at maximum deviation (both eyes)**
- **Onset nystagmus prior to 45 degrees (both eyes)**
- **Constant head movement**

Walk and Turn
- **Questioned the instructions**
- **Used arms to balance**
- **Made multiple wide steps**

One Leg Stand (Left Leg)
- **Questioned the instructions**
- **Counted "one thousand 15" twice**
- **Stopped counting at one thousand 23**

After conducting the exercises, I placed Hoyos under arrest. Hoyos was transported to the Indian River County Jail without incident. While at the jail Hoyos was given an opportunity to provide a sample of his breath. The results of his sample were sample #1 0.170 and sample #2 0.173.

Based on the foregoing, Hoyos was charged for violation of FSS. 316.193(4) DUI 0.15 or higher, along with FSS 316.061(1) Leave scene of crash with property damage. Hoyos was also issued a DUI citation along with a citation for leaving the scene of a crash. Citation#AFVKLEE and citation# AO91BGE.

Pictures were taken of the damage on both vehicles. The footage from my body worn camera and photos were uploaded to evidence library.
