ORIGINAL

AGENCY CASE #: 26-001979

REPORT DATE: 06/18/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 06/18/2026, at 02:09 (Specifically include facts constituting cause for arrest.)

On 6/18/26 at approximately 0209 hours, I, Officer W. Brumley conducted a traffic stop on a white/ hispanic male in the 1100 of 16th Street in reference to the male riding a bicycle in the road without any lights on.

Upon approach, I made contact with the rider, identified as Angel Reyes (defendant), who stated he was just leaving the Howard Johnson (1725 US1) and heading home. It should be noted the Howard Johnson is a known location for drug activity.

The defendant denied consent to search his person however, he consented to a pat down. Upon conducting my pat down, I could feel in the defendants left pants pocket an object that resembled a pipe. The defendant stated it was a pen and that he also has a piece of paper in his pocket. The defendant agreed to turn his pockets inside out, at which point I observed a hollow pen that had also been cut on both ends. It should be noted this is a method usually used to turn it into a pipe to smoke illegal narcotics out of. I also observed a wrapped up piece of tin foil in his hand, the defendant handed it to me to examine and upon unfolding the tin foil, I observed a small burn mark in the middle of the foil, usually a method as to burn the foil while illegal narcotics are inside to smoke it, along with a folded up piece of paper. After opening the piece of paper I also observed a white powder like substance and through my training an experience I identified it to be cocaine.

The defendant was then placed in handcuffs. Shortly after being placed in handcuffs, the defendant then slipped his left hand out of the handcuffs, grabbed the piece of tin foil off of the hood of my car and threw it. The defendant was then placed on the ground until Ofc Wickert, Ofc Robertson and I regained control of the defendant to place him back in handcuffs. The defendant was then placed in my patrol vehicle.

After an extensive search we were unable to locate the folded up tin foil. I conducted a field test of the hollow pen, which had a positive reaction to the presence of cocaine.

In fear of the defendant possibly swallowing the folded piece of tin foil, due to his hands being close to his face after being placed on the ground, he was transported to the Cleveland Clinic ER for medical clearance. At 0428 hours he was cleared and transported to the Indian River County Jail without incident.

Based on the totality of the circumstances the defendant was placed under arrest for violation of FSS. 918.13(1A) Tamper With Evidence, 893.147(1) Possession Of Drug Paraphernalia, And 843.02 Resisting W/O Violence.

This event was captured on my BWC and uploaded to Evidence Library along with the drug paraphernalia being placed in Evidence.

Case Report # 2026-00064829

NARRATIVE

On Thursday, 06/18/2026, at approximately 1853, I was dispatched to 3190 45<sup>th</sup> street, Vero Beach, Florida 32967 (Salt of The Earth Ministry), in reference to a criminal mischief.

Upon arrival I located the suspect, identified as Taneisha La'shae Cole, walking east bound on 45<sup>th</sup> street just east of the Ministry. I observed Cole's hands to be covered in white paint and detained her to conduct further investigation into this incident.

Cole stated she was confused why the Ministry called the police on her and stated that she did not do anything wrong. I asked Cole about the paint on her hands and she stated that she was painting her house down the street, however could not provide an address. I informed Cole of her Miranda rights which she invoked and refused to talk further about the situation. While I was speaking with Cole Sergeant Farinacci made contact with the complainant to figure out what occurred.

I met with Sergeant Farinacci and the complainant, Candy Hill, outside of the Ministry. Sergeant Farinacci advised me that the paint bucket was on the west side of the property, as I walked over to document it, I noticed a trail of paint leading out to 45<sup>th</sup> street, and discovered the sidewalk had been defaced with a large amount of paint. I made contact with the owner of the Ministry, Jimmie Hill, who stated he would like to press charges against Cole. Jimmie Hill advised me that Cole had previously defaced his church (IRCSO Case#2026-60201) where 21 signs at the church had been painted over. Jimmie Hill estimated the damage to the sidewalk and the cost to replace the paint that was taken from the property to be around \$700.00. At the time of this investigation the camera footage of the incident was unavailable, however Jimmie Hill stated he will provide a copy.

At the time of this incident, Cole entered the curtilage directly surrounding the south-west side of the building and while inside of the curtilage permanently deprived the Ministry of a paint bucket (estimated at approximately \$80.0). After depriving the Ministry of their property from the curtilage of the building, Cole then damaged the sidewalk surrounding the south-west side of the building causing approximately \$700.00 in damage to the sidewalk. Cole was aware the building was a religious Ministry at the time of this incident occurring.

Based on the totality of the circumstances, I placed Taneisha La'shae Cole under arrest for the following offenses:

- F.S.S. 810.02.4a – Burglary of an unoccupied structure – unarmed.
- F.S.S. 806.13.2 – Criminal Mischief to Church/Synagogue/Mosque or religious area.

Case Report # 2026-00064821

NARRATIVE

On Thursday, June 18<sup>th</sup>, 2026 at approximately 1832 hours I responded to the intersection of 53<sup>rd</sup> Street / US Highway 1 in reference to an auto accident unknown injuries. Upon arrival I observed the defendant Susana Teresa Della Fave speaking with Deputy Ferrer in front of her vehicle. I observed Susana leaning into Deputy Ferrer. I then observed Deputy Ferrer and Deputy Yerian securing her in handcuffs.

I approached Deputy Ferrer, Deputy Yerian, and Susana. I asked her if she was feeling okay and took custody of Susana and escorted her to the hood of my patrol vehicle. I smelled the strong odor of an alcoholic beverage emitting from Susana. When Susana spoke, I could smell the odor of an alcoholic beverage emitting from her breath. I observed Susana to have bloodshot and watery eyes. Susana was not cooperative and ignored instructions to remain seated on the hood of my patrol vehicle. Deputy Givens completed the traffic crash investigation and informed Susana that the traffic crash investigation was completed.

The crash investigation determined that Susana was driving and in actual physical control of a white 2015 Chevy Impala bearing FL Tag #LMM37. Susana was traveling northbound in the inside (left) lane of travel on US Highway 1 approaching 53<sup>rd</sup> Street. Susana drove front center into the rear center of a red 2013 Subaru Outback bearing FL Tag #CG15IP. The Subaru was being driven by Ramon Alexander Sarmiento. Sarmiento was stopped in traffic waiting to travel northbound. Sarmiento complained of body pain and advised that he would self-transport to the hospital. Both vehicles sustained disabling damage as a result of the collision. Susana was determined to be the at fault driver.

Deputy Ferrer and I attempted to advise Susana of her Miranda Warnings and she refused to listen, would not stop talking, and would not remain seated as instructed. I escorted Susana to the rear of my patrol vehicle and she had to be pulled. I instructed her to sit inside of my patrol vehicle and she initially sat inside of the vehicle and then began to exit and was shouting what did she do. I had to physically place her back inside of the patrol vehicle.

After a few minutes to allow Susana to compose herself Deputy Ferrer and I again attempted to advise Susana of her Miranda Warnings. She would not listen to us speak and attempted to step out of the patrol vehicle. While she was forcing herself out of my patrol vehicle, she kept pressing her legs against mine in an attempt to move me out of the way. When Deputy Ferrer attempted to advise her of her rights in Spanish, she stated that she would not listen or talk. I then requested Susana submit to the standardized field sobriety exercises and informed her that I would be conducting a DUI investigation. Susana then stated that she had a DUI before and that she would not. I attempted to advise her of her Taylor Warnings and she continued to be non-complaint with our instructions. After attempting to give her numerous chances to be compliant I informed Deputy Ferrer that this is a refusal. She refused to enter the patrol vehicle and began to grab onto my vest. Deputy Ferrer walked around to the other side of my patrol vehicle began to pull her into the rear seat. Susana would not let go of my vest and snapped my radio microphone from its clip. She refused to let go of my radio microphone and I had to forcefully remove it from her hands.

Inside of the vehicle in plain view one small empty bottle of Sutter Home Chardonnay wine was located on the rear passenger floorboard. On the front passenger floorboard three additional full bottles were located.

NARRATIVE (Continuation)

Deputy Ferrer provided the following written statement:

*"On Thursday June 18, 2026, I responded to an auto accident at the intersection of 53 street and US Highway 1. As I am approaching the crash, I see that both vehicles are facing north bond. It appeared as if the white sedan collided into the red SUV. The driver of the red SUV was out and walking around. The driver of the white sedan was still in the driver seat. I attempted to speak with the driver of the white sedan who was later identified as Susana Della Fave. As I am trying to ascertain if she needs medical attention, I am having a hard understanding her. Fave keeps trying to talk to me in English and Spanish however her words are slurred. I see that Fave has glassy eyes and is having a hard time maintaining her balance. Fave began to argue with the driver of the other vehicle so I put myself between them. Fave grabs both of my forearms and I immediately tried putting her against her vehicle and she fell down. Fave was picked up and placed in handcuffs. When she grabbed me, I could smell an odor of an alcoholic beverage emitting from her person. When I asked Fave how did the crash occur, she stated she was not involved in no crash.*

*I tried to read her the Miranda rights and she refused to listen or let me talk. She kept and yelling and trying to love around. I also tried to ask her if she was willing to conduct field sobriety exercises however once again, she refused to listen and would not let me talk to her. At one point Fave tried getting out of the vehicle. Deputy Ruiz told her to stay in the vehicle as he had to physically hold her from getting out. Fave then grabbed Deputy Ruiz's radio microphone and pulled it right off his uniform preventing him to using it. Deputy Ruiz had to physically pull her fingers off the mic. After Fave was in the back seat of the patrol vehicle she kept saying she was going to come back and get revenge on all of us.*

*It should be noted from the outside of the vehicle I saw am empty bottle of wine in the rear passenger floor board.*

*This concludes my involvement in this case."*

Based upon the totality of the evidence Susana was taken into custody for the following:

- FSS 316.193(1) – DUI
- FSS 784.07(2)(b) – Battery on a LEO
- FSS 843.02 – Resisting Arrest without violence

As a result of being in the collision Susana was transported to Cleveland Clinic for medical clearance. After being at the hospital for over 1 hour I asked Susana if she would voluntarily provide a blood sample, she initially stated that she would. I requested Deputy Pollacek bring a blood kit. Upon arrival with the blood kit, I again asked Susana if she would provide a voluntary blood sample, she stated that she wanted to be asked in Spanish. Detective Castano was working the emergency room detail. He asked Susana in Spanish, she stated that she would not. The emergency room nurse stated that Susana would be here for an unknown and extended time period. As a result, it was impractical and impossible to obtain a breath sample. I provided Detective Castano an implied consent card for blood.

At 2021 hours (1 hour and 16 minutes after arrival at the emergency room) Detective Castano asked Susana if she would

provide a blood sample, she stated no. Detective Castano read Susana implied consent for blood, she stated that she understood and again refused to provide a lawful blood sample. At the time we were in a medical facility to receive treatment and medical clearance. We were in the hospital for over an hour. Hospital staff advised it would be an extended period of time and they were unable to provide a time frame. It was impractical and impossible to request and obtain a breath sample.

I de-activated body camera briefly and gave a verbal notice of de-activation while inside of the emergency room in order to review my footage to complete my arrest affidavit and case report. While typing my report Susana stated, "Ruiz, you live in Vero Beach, I live in Vero Beach. I'm going to find you, I'm going to find where you live, and get you". Susana began to accuse me of placing her in this situation and denying her a phone call. I informed Susana previously that she could make a phone call at the Indian River County Jail and that she was not entitled to a phone call in the hospital. Susana began to become argumentative and I informed her that she was causing a public disturbance and that if she continued to do so she would face additional criminal charges. Due to her behavior and threats against me my body camera remained active for the remainder of the medical clearance.

Susana was additionally charged with violation of FSS 838.021(3)(b) – Corruption by threat against a public servant. While waiting for medical clearance Susana stated numerous times that she took prescription Xanax, Alprazolam, and Bupirone today. She also stated that she had consumed alcoholic beverages. These statements were spontaneous. I informed Susana numerous times that she would invoke her right to remain silent because she keeps making incriminating statements, despite this she continued to initiate conversations and make repeated statements numerous times.

Upon receiving medical clearance at 2300 hours Susana was transported to the Indian River County Jail for booking. The original call time was 1831 hours.

I conducted a query through D.A.V.I.D. and it revealed the following:

- 02/11/2019, Driving Under the Influence, Citation/Case #A66RT2E, ST LUCIE, Disposition: GUILTY

Susana was subsequently charged with violation of FSS 316.193(6) – DUI w/Priors.

At the county jail Susana was requested to provide a lawful breath sample by booking staff. Susana refused. She was read implied consent and she again refused. She was subsequently charged with violation of FSS 316.1939(1)(e) – Refusal to submit to testing.

Case Report # 2026-00064911

**NARRATIVE**

On June 18<sup>th</sup>, 2026, at 2314 hours, I was dispatched to [REDACTED] for a report of a physical disturbance. The reporting party was identified as Johnathan Patterson, who reported his ex-girlfriend, Maria Ancona, had come to the location and put her hands on him.

I responded, where I began speaking with Maria and her friend, who was identified as Alexis Walker. It should be noted, Maria exclaimed multiple time she would leave the location, and did not want any issues. Maria explained she had gone through a recent breakup with Johnathan and she did not understand why. She explained the two had resided together for 2.5 years at 9175 101<sup>st</sup> Ave., Vero Beach. She explained they had been in a long dating relationship until he abruptly left her. She explained she came to this location to confront him about his sudden leaving, and he pushed her. Alexis stated she observed the push. Deputy Goodrich arrived, where he remained with Maria and Alexis.

I went to speak with Johnathan. Johnathan explained throughout the day Maria had been calling his cell phone from a restricted number despite blocking her number. He explained she came to this location, where he is currently staying, and began screaming and acting erratic. She explained he came out of the residence, where they met in the driveway. He explained Maria began to push him and put her hands on him, where he attempted to control her and move her away from him. While speaking with Johnathan, there was a group of 3 other people, 2 adults and 1 juvenile. A male identified as Shawn Briggs, stated he took a video of the interaction on his cell phone. It should be noted, Johnathan advised the two had resided together in a home, and were most recently intimate during the beginning half of June 2026.

I interviewed Shawn where he explained Maria had come to the residence tonight and began causing a disturbance. He explained she attacked Johnathan first, where Johnathan attempted to stop the violence and restrain her/push her back. Shawn showed me 2 videos, where during these videos I observed Maria screaming very loudly. She was screaming "are you dead ass right now" repeatedly, and raising her hands up to strike Johnathan. Johnathan had to reach out multiple times to block her strikes/pushes. Johnathan lowered his guard while she continued to scream loudly, where she abruptly pushed him in his chest. In the second video, Johnathan appeared to be walking away, where Maria came up behind him, and pushed him in the back. He then turned around, and Maria began screaming at a very loud volume "I do not care." This video was uploaded via an Axon community link.

I then interviewed Kayla Kruschel. Kayla provided a similar statement regarding the events of this incident. She stated she witnessed the event. I did not interview a juvenile who was on scene, due to

the lack of a parent or guardian being present.

I went and spoke with Alexis again and advised her I saw the video of the incident. She changed her story stating she did not witness the physical altercation or push. It should be noted, she is visible in the video, but does appear to be on her cell phone and not paying attention at points.

I went and spoke with Maria again. I read Maria her Miranda rights, where she stated she understood them. I asked her about the incident again, and she explained again that Johnathan had recently broken up with her. She was asked who struck who first, where she stated she did push Johnathan first. She explained he then pushed her back. I explained I had a video of the incident. She stated Johnathan had battered her in the past, however, she never reported it because she did not want to get him in trouble.

Maria was subsequently handcuffed (double locked/checked for fit), and transported to IRCSO Jail.

Case Report # 2026-00064922

**NARRATIVE**

On June 19<sup>th</sup>, 2026, at 0031 hours, I was patrolling westbound on 20<sup>th</sup> Street near 66<sup>th</sup> Avenue in Vero Beach, Florida, when my License Plate Reader (LPR) alerted on a black Honda Accord bearing Florida tag JWIJ11. The alert indicated that the vehicle's registration had been expired for more than six months and that the registered owner's driver's license was suspended.

I conducted a traffic stop on the vehicle and made contact with the driver, who was identified as the registered owner, Dayana Yolani De Leon. I informed De Leon of the reason for the stop and requested her driver's license, registration, and proof of insurance.

De Leon stated that a law enforcement officer had previously taken her driver's license. When I asked why, she stated it was because her driver's license had expired. I then asked why she was operating a motor vehicle without a valid driver's license, and she stated that financial hardship had caused her to become homeless and live out of her vehicle.

I asked De Leon if the vehicle was insured. De Leon stated she had been unable to maintain insurance on the vehicle for approximately one year due to financial hardship. She further stated that she had recently obtained employment as a dental assistant and was waiting to receive income so she could obtain insurance coverage.

A check of De Leon's Florida driver's license through FCIC/NCIC and DHSMV records on D.A.V.I.D. confirmed that her driving privilege was suspended on June 6<sup>th</sup>, 2026, and her tag expired on June 6<sup>th</sup>, 2025. Based on De Leon's statements that she was aware her driver's license had previously been taken and the confirmed suspension status of her driving privilege, I determined that she knowingly operated a motor vehicle while her driver's license was suspended.

Based on the totality of the circumstances, I placed De Leon under arrest and transported her to the Indian River County Jail without incident for the following offenses:

- Knowingly Driving While License Suspended/Revoked, in violation of F.S.S. 322.34(2)(a).
- Failure of Owner to Maintain Required Security, in violation of F.S.S. 324.0221(2).

REPORT DATE: 06/19/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 06/18/2026, at 22:25 (Specifically include facts constituting cause for arrest.)

On June 18, 2026, at approximately 2225 hours I, Officer Robertson, responded to Cleveland Clinic Hospital located at 1000 36th Street in reference to an on-going domestic violence investigation.

Upon arrival, I met with Ofc. Hatfield (ID 416) and Ofc. Brumley (ID 482) who had already spoken with the victim, Amber Legare (V1), at the scene of the crime. The incident occurred at [REDACTED]

Ofc. Brumley told me there was probable cause to make an arrest on the suspect, Brandon Scotti, from the information provided by the victim and the evidence on scene. According to Ofc. Brumley, the victim stated that she was at "The Stamp", a local bar, with Scotti when he became jealous about a male friend. V1 left the bar to head to her car. V1's vehicle was in a parking lot located at [REDACTED]. Scotti's truck was also parked nearby. As V1 was walking to the car, Scotti confronted her and punched her in the face. V1 then wanted to get her cigarettes out of her vehicle, a black Chevrolet Blazer (bearing FL tag B3UUP). Scotti then punched the rear driver's side window on V1's vehicle, causing it to shatter. This resulted in a severe laceration to Scotti's left arm. Scotti then attempted to break the driver's window of V1's vehicle, which did not break but left streaks of Scotti's blood on the window. Scotti then got into his vehicle, a blue Toyota utility (bearing FL tag 546WW) to attempt to leave the scene. V1 tried to take a picture of Scotti's license plate before [REDACTED]. Upon observing V1 with her phone out, Scotti exited his truck and tackled V1 onto the gravel lot, leaving her with abrasions on her left elbow and right knee. Scotti then took V1's phone from her hand to prevent her from calling emergency services and threw the phone onto the ground, to try to break the phone.

Scotti stated at this moment he began to feel dizzy, due to blood loss, and asked V1 to take him to the emergency room. V1 then drove Scotti to the emergency room in Scotti's vehicle and took an uber back to her residence. V1's vehicle was left parked in the lot on [REDACTED].

At the location where V1 was tackled, Ofc. Hatfield noted a pair of brass knuckles covered in blood; it could not be confirmed if they were utilized in shattering the window, however, they were not used against V1.

During the course of the investigation, V1 advised officers that Scotti was her boyfriend and they had been dating for several months.

I met Scotti in the Emergency Room of Cleveland Clinic where he provided me with his name and date of birth to identify him. I attempted to gather Scotti's recollection of the incident, and he did not wish to speak to me. Scotti was advised of his Miranda Rights, and he informed me he did not wish to answer any of my questions. Based on the totality of the circumstances, including physical evidence, Scotti was taken into custody. Scotti was treated for his injuries and then transferred to Indian River County Jail.

BWC was recording during this incident and uploaded to the appropriate case file.

V1 was provided with a domestic violence packet and refused medical treatment on scene.

Scotti was charged under FSS:

- 914.22- Hindering communication to law enforcement
806.13 - Criminal Mischief Over \$200 less than \$1000
784.03 Touch or strike (dating violence)

Arrest Affidavit Report

Case Report # 2026-00065067

NARRATIVE

On Sunday, June 7, 2026, at approximately 0600 hours, I was conducting traffic enforcement in the 7300 block of State Road 60 (westbound) when I observed two subjects riding bicycles on the sidewalk without lights affixed to their bicycles. The male subject, later identified as Vishveshwar Elphick, waved at me as he passed my marked patrol vehicle while I was wearing my agency-issued uniform.

I made contact with the female subject, who identified herself as Kristyn Berky. Kristyn had a light in her hand; however, it was not affixed to her bicycle as required. I asked Kristyn for the identity of the male subject who had been riding with her, and she advised his name was "T.J." While speaking with Berky, I observed Elphick looking in our direction and appearing to pedal faster as he traveled eastbound on 20th Street.

I attempted to locate Elphick and observed him make a left turn from State Road 60 onto 58th Avenue, proceeding northbound. At approximately 0610 hours, I attempted to conduct a traffic stop on Elphick at the intersection of 26th Street and 58th Avenue; however, he refused to stop and continued northbound on 58th Avenue.

Elphick crossed 26th Street, looked back toward my marked patrol vehicle while my emergency lights were activated and entered a wooded area located on the northeast corner of the intersection. I pursued Elphick on foot into the wooded area while he remained on his bicycle. I gave him lawful commands to stop; however, he continued pedaling farther into the wooded area. I eventually lost sight of Elphick due to the darkness and dense vegetation.

I positively identified Elphick based on a recent shoplifting investigation at 9097 20th Street (7-Eleven), during which he was positively identified as the suspect through a photo lineup. I subsequently ran Elphick's information through dispatch, which confirmed he had two active warrants with this agency.

On Friday, June 19, 2026, at approximately 1050 hours, I responded to 4200 Atlantic Boulevard in reference to a follow-up investigation involving Vishveshwar Elphick for Resisting an Officer Without Violence and in an attempt to serve him with the active warrants he still had outstanding.

Upon my arrival, Corporal Hoffman and I entered the wooded area behind TD Bank. We located two subjects in the woods, one of whom was identified as Elphick, who was wearing a green jacket and had pink hair. Corporal Hoffman and I were both wearing our agency-issued uniforms and gave Elphick lawful commands to stop. Elphick looked back at us but continued running eastbound through the wooded area.

Deputy Greeley advised that Elphick exited the woods from the north side and ran back into the wooded area after observing law enforcement nearby. A perimeter was established, and several deputies entered the wooded area on foot in an attempt to locate Elphick.

After approximately 20 minutes of searching, I heard deputies giving loud verbal commands for Elphick to stop and not move. Corporal Quinn, who was wearing his agency-issued uniform, located Elphick and advised that

**NARRATIVE (Continuation)**

Elphick ignored his lawful commands and continued running southbound through the woods.

I responded to the area where the verbal commands were being given and observed Elphick exiting the wooded area. Elphick was then taken to the ground and placed in handcuffs without further incident.

Based on the above investigation, I found probable cause to believe that Vishveshwar Elphick violated Florida Statute 843.02, Resisting Officer Without Violence, by knowingly fleeing from law enforcement officers and refusing lawful commands to stop while officers were engaged in the lawful execution of their duties.

I arrested Vishveshwar Elphick for the following violation:

(2) F.S.S. 843.02 — Resisting Officer Without Violence

Elphick was transported to the Indian River County Jail without incident.

This case is cleared by ARREST.

Arrest Affidavit Report

Case Report # 2026-00065146

NARRATIVE

On Friday, June 19, 2026, at approximately 1708 hours, I responded to 4480 11<sup>th</sup> Pl SW, Vero Beach, Indian River Co. in reference to an auto accident with a possible impaired driver.

Upon arrival, I made contact with Aaron Zawistowski, who stated the following in summary:

His mother, Sylvia Kennedy witnessed his sister, Melissa Zawistowski, come over to the aforementioned address and crash into Aaron's car. This occurred while Melissa was trying to turn into the drive way. Melissa was driving her vehicle, a silver Buick sedan bearing FL registration CR96M. Sylvia came inside to report this to Adam. Adam came outside and found Melissa behind the wheel of her car, both vehicles still collided together. The seat was all the way back and she appeared intoxicated and confused. She then tried to reverse and almost collided with another car before Adam yelled at her to stop. She went inside and remained together with his mother. His mother watched her to ensure Melissa did not consume any alcohol or other substances after the crash- prior to Law Enforcement arrival for chain of custody purposes.

I observed Adam's vehicle to have damage and scratches to the right rear side and Melissa's vehicle to have damages and scratches to the left side, consistent with the story given. IRCSO RANGER1 assisted with the traffic crash report.

I made contact with Melissa who was sitting in her bedroom. I observed her to react slowly, unable to keep her body completely upright, have bloodshot and watery eyes. I asked her if she was involved in a car accident, to which she responded no and then stated she didn't remember what or if anything happened. I noticed her speech to be slurred and slow. I informed her the crash investigation was completed and I was now conducting a criminal investigation. I asked her how many alcoholic beverages she had consumed today, to which she responded none. It should be noted, after asking Melissa for the third time, she admitted to consuming "two" alcoholic beverages. When I asked her what kind (beer, wine, liquor), she responded, "two."

Melissa continued to answer my questions inappropriately or not respond at all. She had to be prompted several times to obtain a response.

I asked Melissa if she had any medical problems or physical impairments, to which she responded only abdominal pain. I asked Melissa if she would be willing to participate in Standardized Field Sobriety Exercises (SFSEs) to which she agreed. While Melissa was walking out to the garage, I noticed her to have an unsteady gait and could not walk in a straight line. I also detected the odor of alcoholic beverage coming from her person as she passed me.

- 1) Horizontal Gaze Nystagmus: During this exercise I observed 4 HGN clues. I explained the instructions and identified the stimulus as the tip of my index finger/end of the pen. She stated she understood the instructions. Her eyes tracked equally and her pupils were of equal size. She had lack of smooth pursuit in both eyes and onset of Nystagmus prior to 45 degrees. The stimulus distance was about 12-14" from her nose. It should be noted Melissa kept moving her head constantly and kept swaying. She stumbled multiple times and would no longer follow directions. She stopped following the stimulus before reaching maximum deviation.
- 2) One Leg Stand: I observed 4 clues. I demonstrated the exercise and explained the instructions. While explaining, Melissa started the exercises before I was finished explaining and could not maintain her balance. She kept stumbling, had an unsteady gait, and lifted her arms up. She stopped the test and could not continue.
- 3) Walk And Turn: Due to Melissa's inability to maintain balance and safely follow instructions during prior exercises, combined with her refusal and inability to continue, the Walk and Turn was not administered.

Based on my training, investigation, and totality of events – Melissa being in actual physical control of the vehicle aforementioned,

physical appearance and speech pattern, the odor of an unknown alcoholic beverage on her breath, and her performance on SFSEs - I believed sufficient probable cause existed to conclude she was under the influence of alcohol and/or chemical substance(s) which impaired her normal faculties to safely operate a motor vehicle.

Cpl. Szott informed me that an empty wine carton was found in Melissa's purse.

At the County Jail, the corrections deputies informed me that Melissa refused to submit to breath testing. Per IRCSO Dispatch and David, Melissa had one previous DUI charge, and one refusal to submit to breath testing, making this her second for both, reference past citation 5772XFE.

Melissa was charged and cited with DUI (2<sup>nd</sup> Offence) and DUI, Refusal to submit to testing (2<sup>nd</sup> offence).

Case Report # 2026-00065174

NARRATIVE

On June 19<sup>th</sup>, 2026, at 1807 hours, I responded to the 8000 block of 26<sup>th</sup> Street, Vero Beach, Florida, in reference to a traffic stop.

Upon arrival, I made contact with Detective D. Magill, who informed me that the passenger of the vehicle, later identified as Oscar Martinez Guzman, was obstructing his investigation by refusing to identify himself. Detective Magill requested assistance in removing the driver of the vehicle, later identified as Pablo Valentin Lopez Dominguez.

As I attempted to gain Dominguez's attention and direct him to open the driver's side door, he refused to comply and intentionally locked the vehicle as I attempted to open the door handle. While standing adjacent to the driver's side door, I reached through the partially open window in an attempt to unlock and open the door. At that time, Dominguez intentionally raised the driver's side window, causing it to close on my hand and nearly trapping my fingers between the window frame and the door.

Due to Dominguez's continued refusal to comply with lawful commands and his active efforts to prevent deputies from gaining access to the vehicle, Detective Magill shattered the rear passenger-side window to gain entry. The occupants were subsequently removed from the vehicle and taken into custody without further incident.

Based on Dominguez's actions in obstructing, resisting, and opposing deputies in the lawful execution of their duties, he was arrested and transported to the Indian River County Jail, where he was charged with Resisting an Officer Without Violence, in violation of F.S. 843.02.

Case Report # 2026-00065174

NARRATIVE

On June 19, 2026, at approximately 1807 hours, I conducted a traffic stop at 8000 26<sup>th</sup> Street, Vero Beach, Florida, on a tan Toyota Corolla bearing Florida tag 06FDTL for speeding.

I requested the front passenger's identification, later identified as Oscar Guzman Martinez, due to him not wearing his seat belt. He advised he did not have identification.

I returned to my vehicle to run an NCIC/FCIC query of Pablo. When my query was complete, I returned to the passenger side in an attempt to identify, Oscar.

Oscar informed Corporal Ballester that he did not have identification. I told Corporal Ballester to have Oscar exited the vehicle and provide me his information, Oscar refused and locked the door.

The rear passenger later identified as, Julio Entzin Santiz was asked to open his door, so we could attempt to open the front passenger door. Julio locked his door too.

Corporal Ballester asked the Pablo to open the doors, Pablo refused. Corporal Ballester attempted to unlock Pablo's door, at which point, Pablo rolled Corporal Ballester's arm up in the window. See Corporal Ballester's case supplement.

I moved to the driver's side of the vehicle, Corporal Ballester informed the occupants that if they did not open the door's we would break the window out. The occupants continued to refuse.

I approached the rear window behind the driver, and utilized a window breaker to gain entry into the vehicle. I reached through and unlocked the driver's door. Pablo, Oscar, and Julio were all placed into handcuff restraint's and placed into a patrol car.

It should be noted, several open containers were located inside the vehicle during the inventory search of the vehicle, prior to towing.

The three (3) men were subsequently taken into custody and transported to the Indian River County Jail without incident.

This incident was captured on body-worn camera.

Case Report # 2026-00065165

NARRATIVE

On 6/19/2026 at 1745 hours, I responded to 5555 20<sup>th</sup> St, which is a location within Indian River County, FL, for a Shoplifting.

Upon arrival, I met with Asset Protection (S. Ingo) who currently had the Defendant, Cnyah Morris, detained in the office for Shoplifting. S Ingo then completed a written statement and provided video surveillance footage of the following incidents:

April 16<sup>th</sup>, 2026-

The Defendant was observed on video surveillance footage completing a transaction at the self checkout register 29 without paying for 3 packages of Great Value Pudding (\$0.98 each)

May 14<sup>th</sup>, 2026

The Defendant was observed on video surveillance footage completing a transaction at the self checkout register 30 without paying for 3 packages of Great Value Pudding (\$0.98 each) and 2 gallons of Great Value 2% Milk (\$3.34 each).

May 21<sup>st</sup>, 2026

The Defendant was observed on video surveillance footage completing a transaction at the self checkout register 30 without paying for 2 items of women's clothing (\$4.98 each), 1 Glade Plugin refill (\$5.98 each), and 1 Febreze Air Freshener (\$6.44 each).

June 3<sup>rd</sup>, 2026

The Defendant was observed on video surveillance footage completing a transaction at the self checkout register 25 without paying for 1 Cetaphil Daily Moisturizer (\$14.12 each).

The total value of stolen items for the 5 incidents was \$59.52.

During each of these transactions, the Defendant scanned items using the Walmart App called "Scan and Go" to complete purchases at the self checkout. While at the self checkout, surveillance captured the above mentioned items that were not scanned during each of the incidents. Cynah then passed all points of sale without paying for said items.

Based on S Ingo's sworn statement, the video surveillance footage that corroborates her statement, there is probable cause to believe the Defendant committed Retail Theft (5 counts), which is a violation of FSS 812.015.

**Arrest Affidavit Report**

Case Report # **2026-00065185**

**NARRATIVE**

On Friday, June 19, 2026, at approximately 1859 hours, I, Deputy M. Neill #6317 responded to Publix, located at 810 S US Highway 1, Vero Beach, Indian River County, Florida, in reference to retail theft that had just occurred.

A manager at Publix called the Indian River County Public Safety Dispatch to report a theft at the store, that had just occurred. The manager reported that a black male, weighing approximately 300 pounds, wearing a black shirt and khaki shorts just walked out of the store with a grocery cart full of items, failing to pay for any of them. The advised that the male was last seen walking south towards the Nissan dealership.

I arrived to the area within just a minute or two of the caller reporting the incident. I observed the manager standing on the side walk to Oslo Road, pointing southbound, as if he was identifying where the suspect was. This direction was at the Nissan Dealership.

While within the Nissan dealership, I asked a bystander if they had seen anyone within the area pushing a grocery cart. A bystander advised they just observed a subject walking southbound still, through the parking lot, holding groceries. Once at the very southern part of the Nissan parking lot, I observed a heavy-set black male, wearing a white t-shirt and khaki shorts, holding a black t-shirt walking away.

I stopped my vehicle and gave a loud verbal command of "Sheriffs Office Stop" towards the male. The male disregarded the command and continued walking away. A second command was provided which resulted in the male stopping. I drew my agency issued Taser 10 at the male and gave him commands to get on the ground. The male failed to comply with multiple commands to get on the ground. I had to go hands on with the male and perform an Arm-Bar technic to get the male on the ground. Once on the ground, the male failed to place both of his hands behind his back. A wrist lock was performed on the subject's right wrist in order for him to place his left wrist behind his back. He was then secured in handcuff restraints and placed under arrest. The subject was later identified as Mr. Dominic Hagwood.

Once secured in the back of my patrol vehicle, I advised Mr. Hagwood of his Miranda Rights. Mr. Hagwood advised he understood his rights and was willing to answer some of my questions. He advised that he stole "Shrimp and beer" because he has a drug problem and needed the food. Mr. Hagwood advised that he dropped the food nearby, but could not specify a direct location where the food was located.

Doing a foot patrol of the area, I located multiple Publix bags of food near one of the vehicles within the Nissan dealership parking lot. The bags were within the area where Mr. Hagwood was coming from. The merchandise was recovered and returned back to Publix.

Once at Publix, the manager there confirmed that they wished to peruse criminal charges for theft. One manager advised that they were alerted to the theft by another manager from a different store. She observed Mr. Hagwood leave the store without making any attempts to purchase the items. Mr. Hagwood was seen loading multiple items within the shopping cart, and then going in to the bathroom. The other manager observed multiple Publix bags

contained within his pants pocket. Mr. Hagwood left the restroom and returned to the shopping cart. At some point, Mr. Hagwood bags all of the items within the cart and then leaves the store. Mr. Hagwood made no attempts to purchase the items.

Once outside the store, a different Publix manager followed Mr. Hagwood south around the parking lot for the entire business complex. Once this manager was able to catch up, Mr. Hagwood left the shopping cart with some items still within. Mr. Hagwood stated "you can have this stuff back" and left the location, still in possession of other merchandise.

- The following was stolen from Publix:
- U15 White Shrimp \$31.99
- S/L Hon Wheat Bread \$5.15
- Tates Chocolate chip cookies \$1.25
- Tide Pods Odor Oxi \$29.99
- Corona Extra LNNR \$29.99

Case Report # 2026-00065224

NARRATIVE

On June 19, 2026, at approximately 2140 hours, I responded to 3100 block of 41<sup>st</sup> Street, Vero Beach, Florida, in reference to a crash with injuries that resulted in a disturbance.

Upon my arrival, I made contact with Deputy Neill, to assist with scene safety and resource management. While on scene, I was informed one of the drivers involved was trapped in his vehicle and needed extraction.

After family members arrived on scene, Corporal Moon instructed them to move back while we secure the scene for fire rescue and EMS personnel. Two males and a female attempted to approach the trapped individual and were given multiple verbal commands to back up and not approach the scene any further.

The two males continued moving forward in an aggressive manner. Corporal Moon, Deputy Sibole, and I instructed them to move back while providing clear verbal commands. The female then gathered the two males and proceeded to walk away past the patrol vehicles and away from the scene as instructed.

Moments later, one of the males, later identified as Tyree Tramaine Stokes, walked back onto the scene while recording on his phone. Stokes was given verbal commands to move back past the patrol vehicle. Stokes ignored these commands and pushed forward. Stokes actions required the direction of multiple deputies to stop their on-scene duty and focus on his actions. Stokes interjected himself onto the scene multiple times after instructed otherwise.

At this time, Stokes was advised to back away or he would be taken into custody for interfering with the crash investigation. Stokes failed to comply. As I attempted to take Stokes into custody, he began actively resisting by pulling away, tensing his arms, and pushing away from Deputy Sibole and I while we attempted to place him in handcuffs.

Stokes was subsequently taken to the ground, where compliance was gained and handcuff were applied. Stokes was escorted to my patrol vehicle and informed of his charges.

Based on my investigation, I established probable cause to charge Stokes with:

1. F.S.S. 843.31(2)(a)(1) Interfere with first responder on duty.
2. F.S.S. 843.02 Resist officer without violence.

Case Report # 2026-00065258

**NARRATIVE**

On Saturday, June 20, 2026, at approximately 0030 hours, I conducted a traffic enforcement stop on a white Jeep SUV bearing Florida tag (RCQY08) in the area of Old Dixie Highway and 12<sup>th</sup> Street, Vero Beach, Florida, 32960.

The vehicle failed to move over of slow down while I finished a previous traffic stop, the vehicle was very close to my patrol vehicle which had emergency lights activated. I then followed the vehicle and observed it swerving in its lane.

I conducted a traffic stop on the vehicle for the aforementioned violation. I observed a female driver and female passenger. The driver rolled down their window half way, and refused to make eye contact. I could smell the distinct odor of an alcoholic beverage emitting from the vehicle. I then asked the driver for her required documents. The driver was identified as Ms. Lisa Harrington (arrestee) by her Florida Driver's License. While looking for her documents Ms. Harrington kept her head down, she struggled to unlock her phone using the pin-code in order to show me her current insurance.

Ms. Harrington's movements were lethargic, I requested Ms. Harrington to step out of the vehicle. While conversating with Ms. Harrington her speech was slow and slurred, her eyes were watery, and glassy, she had droopy eyelids. I continued to smell the odor of an alcoholic beverage emitting from her breath.

Ms. Harrington spontaneously uttered she would submit to Standard Field Sobriety Exercises (SFSE's) without me asking. I asked Ms. Harrington if she had anything to prevent her from walking or standing or any major surgeries to her knee's, back, or neck. She refused to answer and asked to get the exercises done.

The first exercise I administered was the Horizontal Gaze Nystagmus exercise. I explained the instructions to Ms. Harrington who stated she understood and did not have any questions. I observed Ms. Harrington's pupils were of approximately equal size and tracked simultaneously. During this exercise, I observed the following clues of impairment: Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation and an angle of Onset Prior to forty-five degrees in both eyes. Ms. Harrington had an immediate angle of onset 40 degrees. Ms. Harrington had to be instructed not to move her head.

The second exercise I administered was the Walk and Turn (WAT). I explained and demonstrated the exercise to Ms. Harrington. I instructed Ms. Harrington to stand in the starting position, which Ms. Harrington was unable to stand in the starting position. The following clues of impairment were observed. Missed heal to toe, turned improperly, stepped off the line, raised arms for balance, wrong

number of steps, stopped walking. Ms. Harrington did not complete this exercise to standard.

The third exercise I administered was the one leg stand (OLS). I explained and demonstrated the exercise to Ms. Harrington. Ms. Harrington put her foot down at 3 seconds which is prior before the allotted time, and used her arms to balance. Ms. Harrington had a slight front to back sway. Ms. Harrington did not complete this exercise to standard.

Ms. Harrington was placed under arrest for Driving under the influence and transported to the Indian River County Jail Complex. Ms. Harrington was searched by Deputy Salomon #5815 and a twenty-minute observation period began. Deputy Hiss #5730 requested Ms. Harrington to provide a sample of her breath to determine its alcoholic content, which she agreed and provided the following samples: (0.139g/210L), (0.142g/210L) both samples are above the legal limit.

Ms. Harrington was ultimately charged with Driving under the influence. Ms. Harrington was processed into Indian River County Jail and held on a total bond of \$500.00.

Ms. Harrington was issued the following citations DUI(AM5WFFE), Failure to move over (ANHB9UE).

Ms. Harrington's vehicle was removed from scene by her niece Ms. Cormonica Tory.

Arrest Affidavit Report

Case Report # 2026-00065347

NARRATIVE

On Saturday, 6/20/2026, at approximately 1035 hours I responded to the area of US Highway 1 and Oslo Road, in reference to a Flock License Plate Reader (LPR) hit for a vehicle where the registered owner had a felony warrant.

The vehicle is an Orange in color Jeep bearing Florida tag DQ57MI. The registered owner, Dawn Messineo-Jividen, had an active warrant out of Indian River County for felony petit theft. I located the vehicle driving South through the Publix parking lot located at 810 S US Highway 1. As I began to approach the vehicle in my fully marked patrol vehicle, the Jeep swiftly made a turn into a parking aisle before quickly pulling into a parking spot. I pulled behind the Jeep activating my vehicles emergency lights and siren. The driver, who I recognized to be Dawn, immediately exited the vehicle and fled on foot. Dawn attempted to hide behind another parked vehicle by crouching behind it. I, Corporal Rollando, a fully uniformed Deputy, made contact with Dawn giving her several commands to get on the ground. I grabbed Dawn by her wrist to which she repeatedly pulled away and yelled "get off me". I repeatedly ordered Dawn to get on the ground and place her hands behind her back. Dawn Continued to actively resist. I took Dawn to the ground continuing to advise her that she was under arrest.

Dawn was taken into custody and then transported to the Indian River County Jail.

Dawn was charged with violation of F.S. 843.02 Resist an Officer without violence.

End of report.

Case Report # 2026-00063858

**NARRATIVE**

On Saturday, 6/20/2026, at approximately 1030 hours a Flock License Plate Reader (LPR) recieved a hit for a vehicle in which the registered owner had an active felony warrant.

The vehicle was an orange in color Jeep bearing Florida tag DQ57MI. The registered owner is Dawn Messineo Jividen, to whom I am familiar with.

I located the vehicle driving through the Publix parking lot located at 810 South US Highway 1. Dawn was operating the vehicle and was taken into custody.

Dawn was transported to the Indian River County Jail.

Dawn was served with Indian River County warrant #WR2026638 for violation of F.S. 812.014(3)(C) felony petit theft.

End of report.

Arrest Affidavit Report

Case Report # 2026-00065516

NARRATIVE

On Saturday, June 20, 2026 at approximately 2100 hours, Deputy Estrella (6212) conducted a traffic enforcement stop on a black Honda Civic (FL / 89FPUX) in the 4300 block of 20<sup>th</sup> Street (Hwy 60) in Vero Beach, Florida.

Deputy Estrella stated he had observed the vehicle traveling East on with no headlights. While observing the vehicle, it came close to crashing multiple times with surrounding vehicles and failed to move over for an emergency vehicle with emergency lighting displayed while on a traffic stop. After making contact with the driver, Deputy Estrella observed indicators of impairment and requested my assistance.

I arrived on scene and made contact with the driver, who I identified as Mr. Michael O' Brien (Arrestee) by the Florida driver's license he provided. I could immediately smell the distinct odor of an alcoholic beverage emitting from his breath as he spoke, his eyes were watery and bloodshot and his speech was slurred. When I asked him how much alcohol he had consumed, Michael claimed he did not drink and was enrolled in Alcoholics Anonymous (AA). Michael was very "standoff-ish" in his behavior.

I explained to Michael that based on the driving pattern observed by Deputy Estrella and what I had observed, I believed he was impaired. Michael then stated he was looking at his phone, and that he was delivering food. I looked around his vehicle and observed multiple bags of previously consumed fast food locations. I asked him to show me in the application his delivery instructions and he refused, telling me to get a warrant.

I then asked Michael to exit his vehicle and he stated to me without prompting, "I am not doing a breathalyzer and I am not doing any Field Sobriety exercises. You can call my lawyer."

I explained my concern for his ability to drive a motor vehicle and requested Michael to complete Standard Field Sobriety Exercises (SFSE's). Michael initially refused and I provided Michael a warning in accordance with Taylor v. State, warning Michael that his refusal could be used against him in court. Michael became frustrated but ultimately decided to complete SFSE's.

I began by asking Michael about his medical history. Michael stated he is prescribed Lamictal (Anti-convulsant / Mood Stabilizer), Seroquel (Anti-psychotic), Lexapro (SSRI / Anti-depressant), Trazadone (Serotonin-modulating antidepressant). Michael stated he took his medication as prescribed and took his last dose at 5 pm. Michael stated he had previous injuries to his hands but nothing that would preclude him from completing the SFSE's.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Michael who stated he understood. Michael removed his glasses and stood in the instructed position. Michael had extreme difficulty following my stimulus and claimed to have Tourette's.

**NARRATIVE (Continuation)**

Michael did not disclose that information prior to the SFSE's. I observed Michael had Lack of smooth pursuit and distinct and sustained Nystagmus at maximum deviation. I was unable to complete the full exercise due to Michael's repeated inability to follow the stimulus. Michael also had to be reminded several times not to move his head.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise for Michael who stated he understood the instructions. I observed the following validated clues of impairment: During the instruction phase, Michael was instructed into the starting position. Prior to finishing the instructions, Michael began to walk down the line. I instructed him back into the position and finished the instructions. While explaining the remainder of the exercise instructions, Michael failed to maintain the starting position and stated "it's hard."

During the walking phase, Michael began the exercise from outside he instructed starting position and began counting on his right foot, ultimately leading to an incorrect number of steps (8) and an improper turn. Michael also failed to touch heel to toe on multiple steps, and stopped walking to steady himself after completing his improper turn. Michael DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise for Michael who stated he understood the instructions. Michael began by raising his left foot off the ground. I observed the following validated clues of impairment: Put Foot Down (3,9,15,19,23, 26), Used his arms for balance, swayed while completing the exercise and hopped to maintain his balance. Michael DID NOT complete this exercise to standard.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise for Michael who stated he understood the instructions. I specified the tip of the finger and tip of the nose in my demonstration. Michael used the pad of his finger on all 6 attempts. On R2, he used the 1<sup>st</sup> knuckle of his right finger. On L3, he touched the side of his nose.

The fifth exercise I administered was the Modified Romberg Balance (MRB) exercise. I explained and demonstrated the exercise for Michael who stated he understood the instructions. Michael was instructed to begin and counted 'using his mouth.' He counted to 30 seconds in the real time of 21 seconds, which is outside the allotted variance of +/- 5 seconds.

Base on the above observed indicators of impairment, Michael was placed under arrest for Driving Under the Influence and transported to the Indian River County Jail Complex (IRCJC).

Upon arrival to the IRCJC, Michael was searched by corrections staff and a twenty-minute observation period was initiated. After the expiration of the twenty-minute observation period, Michael was asked to

provide a sample of his breath to determine its alcohol content which he refused. Michael was advised of implied consent by Deputy N. Rentas (6001) and with full knowledge of the adverse consequences, Michael willfully refused to provide a sample.

Michael is currently out on Pre-trial release for Fraud – False Report (312026CF000498AXXXVB). This Charge constitutes a new law violation in violation of his conditions of pre-trial release.

Michael was ultimately charged WITH Driving Under the Influence (ANHCAPE) and Refusal to submit to BAC testing (ANHBAPE).

Case Report # 2026-00065522

NARRATIVE

On Saturday, June 20<sup>th</sup>, 2026 at approximately 2121 hours I was parked on the west side of Old Dixie Hwy just north of 16<sup>th</sup> Place facing southbound conducting traffic enforcement. I observed in my rearview mirror a white 2015 Jeep bearing FL Tag #13VBXE traveling southbound approaching my position. The Jeep was traveling with no headlamps or taillamps activated at night.

I pulled behind the vehicle and conducted a traffic stop at 16<sup>th</sup> Street / Old Dixie Hwy. I made a driver's side approach and made contact with the driver William Greenlief Gray III. I informed Gray for the reason for the traffic stop and he stated that he must have turned off the automatic feature. While speaking with Gray I could smell the strong odor of an alcoholic beverage emitting from the vehicle. Gray's speech was mumbled and partially slurred as he spoke. I observed Gray to have bloodshot and watery eyes. I asked Gray if he had consumed any alcoholic beverages, he stated that he had drank a glass of wine at a restaurant prior to this traffic stop.

When an additional unit arrived, I requested Gray exit his vehicle. When Gray exited the vehicle, he was slow motioned. I requested Gray follow me to behind my patrol vehicle. I asked Gray if he was a diabetic or epileptic and he stated that he was not. Gray advised that he used to wear glasses but that he currently does not because he had Lasik eye surgery. Gray advised that he takes prescription medications for his prostate and high blood pressure. Gray stated that he has discomfort with his feet due to a cancer that he beat. Gray advised that he was retired and that he is capable of operating a motor vehicle despite his complaints of his feet discomfort.

I requested Gray submit to the field sobriety exercises, he initially stated that he would not and mentioned discomfort in his mobility. I informed Gray that we could do the exercises from the seated position. I informed Gray that if he refused to submit to the field sobriety exercises his verbal statement could be used against him, he stated that he understood. I informed Gray that if he refused to submit to the field sobriety exercise that I would be forced to make a potential arrest decision from my observations alone. He advised that he understood and then agreed to perform the field sobriety exercises.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size and no resting Nystagmus. I attempted to check for equal tracking however Gray would not follow directions. I attempted several times and Gray would either not move his eyes, stop on his eye, or move his eyes ahead of the stimulus.

The second exercise I demonstrated and explained was the Modified Romberg Balance. During his first attempt he estimated the passage of 30 seconds in 39 seconds. I observed rapid eyelid tremors. When asked how he counted to 30 he advised that it was by 1, 2, 3, etc.

The third exercise I demonstrated and explained was the Finger to Nose exercise, I gave the following sequence:

- Left- Struck under the tip of nose.
- Right- Struck tip with pad of finger.
- Left- Correct
- Right- Struck under the tip with pad of finger.

The fourth exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I informed Gray that I wanted to give him another chance to complete this exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes. I observed a lack of smooth pursuit in both eyes, I observed distinct and sustained Nystagmus at maximum deviation in both eyes, and I observed Nystagmus prior to 45 degrees. I estimated the onset to be approximately 40 degrees. I did not observe vertical gaze Nystagmus (VGN).

Based upon the totality of the evidence Gray was taken into custody for violation of FSS 316.193(1)(a) – DUI. He was transported to the Indian River County Jail for booking.

At the county jail booking staff requested Gray provided a lawful breath sample and he agreed. His first breath sample was 0.085 and his second breath sample was 0.090.

Case Report # **2026-00065540**

**NARRATIVE**

On Saturday, June 20<sup>th</sup>, 2026, at approximately 2212 hours, I, Deputy M. Neill #6317 conducted a traffic stop near 27<sup>th</sup> Avenue SW and 9<sup>th</sup> Street SW (Oslo Road), Vero Beach, Indian River County, Florida.

Prior to the traffic stop, Deputy D. Robinson #4458 was working a off duty detail at the Skate Factory. Deputy Robinson provided a BOLO of a red Mazda SUV leaving the establishment without any lights on. He suspected that the occupants were under the influence based on their actions within the establishment. I was just north of the area at the time. I was able to catch up to the vehicle at 27<sup>th</sup> Avenue SW and 9<sup>th</sup> Street SW. The vehicle still did not have any rear lights on.

A traffic stop was conducted as the vehicle was pulling in to the Bradford Place neighborhood.

Once the vehicle was stopped, I made contact with the driver of the vehicle. He was later identified as Mr. Alexander Gibson by his California ID card. While speaking to Mr. Gibson, I could hear a slur in his speech, he had bloodshot / watery eyes, and the odor of an alcoholic beverage emitting from his breath.

I requested that Mr. Gibson exit the vehicle. Upon him exiting, he stumbled exiting the vehicle, nearly falling. While speaking with Mr. Gibson outside of the vehicle, I could still smell the odor of an alcoholic beverage still emitting from his breath.

I requested that Mr. Gibson perform Standardized Field Sobriety Exercises (SFSE's). They go as follows:

Horizontal Gaze Nystagmus (6/6) Mr. Gibson had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset nystagmus prior to a 45-degree angle in both eyes. Mr. Gibson did not have resting nystagmus. He had equal tracking and equal pupil size. Mr. Gibson advised that he did not have any medical conditions with his eyes and that. Although it was still present, the nystagmus was noticeably different in Mr. Gibson's left eye compared to his right eye.

Walk and Turn (3/8): Mr. Gibson failed to keep his balance while in the instructional stance, missed touching heel to toe on multiple steps, and made an improper turn (by lifting up his planter foot)

One Leg Stand (1/4): Mr. Gibson swayed while attempting to balance himself.

Based on the above clues, as well as my training and experience, I believe that Mr. Gibson was operating a vehicle while impaired. He was placed under arrest and secured in handcuff restraints.

Mr. Gibson was transported to the Indian River County Jail. On the way to the jail, Mr. Gibson spontaneously stated "I fucked up".

While at the jail, Mr. Gibson provided two breath samples of 0.115 and 0.111.

Case Report # 2026-00065590

NARRATIVE

On Sunday, June 21, 2026 at approximately 0124 hours, I observed a red Nissan Frontier (FL / HRJQ96) pick-up fail to come to a complete stop at the intersection of 8<sup>th</sup> Street and 8<sup>th</sup> Court in Vero Beach.

The vehicle passed the stop bar by nearly a car length and came to an abrupt stop. The vehicle then turned onto 8<sup>th</sup> Street. When it came to the intersection of 8<sup>th</sup> street and US Highway 1, it was again passed the stop bar. The vehicle then turned North and continued onto US Highway 1. As it traveled on Highway 1, it crossed into the bicycle lane twice. I initiated my emergency lights, and the vehicle pulled into the parking lot at Taco Bell. The vehicle then continued into the driver through. I activated my siren and the vehicle stopped. The vehicle then reversed and nearly struck my patrol car before attempting to pull into a parking tall.

I made contact with the driver and sole occupant of the vehicle, Mr. David Deiss (Arrestee) who I identified by the Florida Driver's License he provided to me. I could immediately smell the distinct odor of an alcoholic beverage emitting from his breath. His eyes were watery and glassy. His speech was mumbled and slurred.

I instructed David to turn his truck off. David stated he was coming from 'Speaks,' which is a popular bar near the area where he committed his initial traffic violation. David stated he had consumed three beers. I then instructed David to exit he vehicle. I observed his movements were slow and lethargic. David stumbled as he walked towards Deputy A. Henry.

I explained to David my concern for his ability to safely operate a motor vehicle and requested that he complete Standard Field Sobriety Exercises (SFSE's) to which David refused. I provided a warning in accordance with Taylor v State, regarding adverse consequences and again explained my concerns. I then explained I would be forced to make my decision based upon the totality of the circumstances. David acknowledged that he understood and still willfully refused to complete SFSE's.

David was placed under arrest and transported to the Indian River County Jail Complex (IRCJC). Upon arrival David was searched and a twenty-minute observation period was initiated. David was then requested to provide a sample of his breath and he refused. David was advised of Implied consent by Deputy J. Hiss. After being advised, David provided the following samples of his breath: 0.169 g/210L and 0.167 g/210L

A query of D.A.V.I.D. revealed David has a prior refusal to submit and was issued a 1-year suspension on 08/20/2023 under UTC: AIE06QE.

David was ultimately charged with Driving Under the Influence above 0.15% (ANHCAQE). David was also issued the following citations: Failure to stop at stop sign (ANHBARE) and Failure to drive within

ORIGINAL

AGENCY CASE #: 26-002350

REPORT DATE: 06/21/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **06/21/2026** , at **02:06** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On **06/21/26**, at **0210** hours, I responded to **1436 Old Dixie Hwy (Dom's Bar)** in reference to a male refusing to leave causing a disturbance.

On scene I made contact with Dom's security, Richard Savage (DOB: 07/02/1975) who pointed to the male causing the disturbance standing in front of the business by the front door. I then made contact with a Hispanic male who I later identified as, Gerardo Nieves (DOB: 08/29/1953). Nieves appeared to be arguing/yelling with a group of males in front of the bar.

I advised Nieves he needed to leave due to the bar security requesting him to do so multiple times. It should be noted while speaking with Nieves, he seemed very intoxicated and I could smell a strong odor of an alcoholic beverage emitting from his person. I also observed him to have slurred speech and he was unable to maintain his balance. Nieves acknowledged he had to leave and asked if he could gather his belongings. After Nieves gathered his belongings, I requested him to leave the property to which he continued to argue the reasoning.

Nieves continued to yell and make a scene after I requested him to leave multiple times to which he failed to do so.

Savage advised he requested Nieves to leave the property multiple times after Nieves caused a fight inside the bar as well as outside with multiple people.

Nieves continued to refuse to leave the property. Nieves stated "take me to jail then". After officers advising Nieves to leave multiple times and he refusing to do so, I placed Nieves under arrest in violation of F.S.S.856.011 - Disorderly Intox Public Place Cause Disturbance.

Nieves was then transported to Indian River County jail for processing and booking where he is being held on a \$150 bond.

Arrest Affidavit Report

Case Report # 2026-00065626

NARRATIVE

On Sunday, June 21<sup>st</sup>, 2026 at approximately 0538 hours, I conducted a traffic enforcement stop on a Black Ford F150 (FL / RIFA93) towing a personal watercraft (FL / LEQE72).

While working on paperwork and parked in the boat ramp at Main Street in Sebastian, Florida, I observed the above truck leave the parking lot and mis-navigate the turn. The truck then attempted to back-up. I followed the truck for several minutes. I watched the truck travel West onto Main Street, during which it crossed over the right shoulder line. The truck activated its turn signal to turn left onto Louisiana Avenue then continued straight. It made a left onto Cross Street and approached the stop sign at Palmetto Avenue. When it came to the stop sign, the truck failed to stop behind the stop bar. The truck turned left back onto Louisiana and eventually South onto US Highway 1. I then observed the truck swerve and leave its lane of travel. The trailer only had one working tail lamp on the driver's side, the passenger side lamp was hanging from its bracket.

While following the truck, Officer C. Hatton (432) from Sebastian Police Department called to inform me the driver he observed behind the wheel was intoxicated.

I stopped the truck and made contact with the Driver, who I identified as Mr. Ismael Hernandez Garay (Arrestee). While speaking with Ismael, I observed his eyes were watery, his speech was slurred and his breath had a distinct odor of an alcoholic beverage.

I explained the reason for the traffic stop and he stated he was looking at the GPS. When I asked him for a copy of his driver's license, he stated it was not in his possession. Ismael stated he had attended a meet up of boats and jet skis and had been on the water since approximately 1900 hours.

Ismael admitted to consuming several alcoholic beverages over the course of his time on the water by repeatedly stating "a little bit." But kept saying "I'm good to drive." When I asked Ismael when his last drink was, he stated "a few hours ago" and then clarified "4 hours ago" before he changed his answer to "2 hours ago." Ismael then stated he had four whiskey drinks. Ismael then stated, "I'm not drunk, I'm good!"

I asked Ismael where he felt his intoxication level was on a scale from 1-10 and he replied "8." I then explained my concern for his ability to operate a vehicle and requested him to complete Standard Field Sobriety Exercises (SFSE's). He replied "if you don't want me to drive, I won't drive!" He then stated to me that he depends on his license for work. Ismael agreed to complete SFSE's and I retrieved a pair of shoes for him from his truck.

I questioned Ismael about his medical history and no responses warranted further review.

NARRATIVE (Continuation)

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the exercise to Ismael who stated he understood the instructions. Ismael's pupils were of approximate equal size and he did not have resting nystagmus. I observed the following validated clues of impairment; Lack of smooth pursuit, Distinct and sustained nystagmus at maximum deviation and Onset of nystagmus prior to 45 degrees (35 degrees). I also observed Vertical Gaze Nystagmus. Ismael had to be reminded multiple times, not to move his head and had a sway while completing this exercise.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise to Ismael who stated he understood the instructions. I instructed Ismael into the starting position and did not observe any clues during the instructional phase. During the walking phase, I observed the following clues of impairment: Used arms for balance, incorrect number of steps, stopped walking to balance. Ismael began the exercise counting on his right foot. Ismael DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise to Ismael who stated he understood the instructions. Ismael raised his left foot off the ground. During this exercise, I observed the following validated clues of impairment: Put foot down, used arms to balance and swayed. Ismael also had to be reminded to count out loud, and only made it to 6 seconds during the 30 second time period. Ismael DID NOT complete this exercise to standard.

The fourth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise to Ismael who stated he understood the instructions. I clarified the directions and demonstrated the 'Tip of the finger and Tip of the nose. I observed the following indicators of impairment:

- L1- Bridge of Nose – Did not Return
- R2 – Pad of finger – Did not Return
- L3 - - Did not Return
- R4 – Pad of finger– Did not Return
- R5 – Pad of finger - - Did not Return

Arrest Affidavit Report

Case Report # 2026-00065692

NARRATIVE

On Sunday, June 21, 2026, at approximately 1014 hours, I responded to the intersection of 66th Avenue and State Road 60 in reference to a hit-and-run crash with possible injuries. I responded with my emergency lights and siren activated in my agency-marked patrol vehicle. Upon arriving at the intersection, I deactivated my siren but left my emergency lights activated.

Upon my arrival, I observed a white Nissan SUV bearing Florida tag QZZM82 with heavy rear-end damage traveling northbound on 66th Avenue. I made a U-turn and observed the vehicle enter the right-turn lane before veering left and making a left turn onto State Road 60 westbound.

I attempted to initiate a traffic stop in my marked Indian River County Sheriff's Office patrol vehicle, displaying agency insignia and jurisdictional markings, by activating my emergency lights and siren. The driver failed to stop and continued westbound on State Road 60 while driving erratically. I observed the Nissan SUV abruptly change lanes, cutting off another vehicle as it moved from the left lane into the right lane. As the driver approached 74th Avenue, he veered left and made a left turn onto 74th Avenue.

The driver then made the first right turn into the parking lot located at 1991 74th Avenue. The vehicle continued through the parking lot until it reached an area where it could not exit the premises. The driver then placed the vehicle in reverse while my patrol vehicle was positioned behind it.

I exited my patrol vehicle and issued verbal commands for the driver to exit the vehicle. The driver complied and was taken into custody without incident. The driver was identified as Wilson Lindor (DOB: 09/09/1981).

After exiting the vehicle, Lindor made a spontaneous utterance, stating he was scared and that another vehicle had rear-ended him at the intersection.

Lindor was transported to Cleveland Clinic Indian River Hospital for medical clearance.

I made contact with Deputy Hatton, who advised that the other vehicle involved in the crash remained on scene. Deputy Hatton stated the driver, Juan Roque, advised he was traveling eastbound on State Road 60 approaching the intersection of 66th Avenue in one of the outside lanes. Roque stated the Nissan was traveling eastbound in an inside lane and suddenly cut in front of his vehicle, causing the collision. After the crash, the driver of the Nissan exited his vehicle, briefly remained on scene, then re-entered the vehicle and fled southbound on 66th Avenue.

Deputy Hatton also advised that a witness, Mike Rozier, observed the crash. Deputy Hatton stated Rozier's account was consistent with Roque's statement and available video evidence

Based on my investigation, I determined probable cause existed to arrest Lindor for the following offenses:

- F.S.S. 316.1935(2) – Fleeing or Attempting to Elude a Law Enforcement Officer
- F.S.S. 316.061 – Leaving the Scene of a Crash Involving Property Damage

Arrest Affidavit Report

Case Report # 2026-00065852

NARRATIVE

On 6/21/2026 at approximately 2227 hours, I was dispatched to [redacted] in reference to a disturbance between Bradley Louks and Kathryn Louks. While enroute, Public Safety Dispatch stated Bradley was the caller, and said Kathryn has been hitting him.

When I arrived, I met Bradley at the front door. He stated while driving home from Fort Pierce, he and Kathryn got into an argument about his adult daughter renting an RV but not paying rent. The argument escalated into Kathryn hitting him in the face multiple times while trying to drive the vehicle. Once at the residence, Kathryn continued to be irate, and attacked him near the front door hitting him several more times. After the altercation, he locked himself in another room in the house [redacted]. He stated he and Kathryn have been married since 2018. I asked Bradley where Kathryn currently was in the residence, and he said she was in [redacted] bedroom currently in bed.

I made contact with Kathryn and had her and Bradley stand in the living room on separate sides until Cpl. K. Kramer arrived on scene. I asked Bradley and Kathryn if they would like medical attention while waiting, and they both declined EMS. Once Cpl. K. Kramer arrived, she took Kathryn outside to speak, and I continued speaking to Bradley.

Bradley showed me an open scrape that was bleeding on his left forearm, and multiple scratches on both arms. Bradley appeared to have no swelling or marks on his face despite previously saying he was struck in the face by Kathryn multiple times. Bradley showed me a small rip in the collar of his T-shirt that he said was from Kathryn during the altercation.

Bradley was able to show me camera footage from the security cameras. The footage begins with Kathryn in the driveway yelling at Bradley, and walks out of camera view. Another video shows Kathryn near the front door, and Bradley rushes into the view of the camera toward Kathryn grabbing her near the neck area. Kathryn can be seen trying to get out of Bradley's grasp by hitting and grabbing Bradley, and then they both fall onto the ground. The final video shows Bradley standing up and making a swift motion with his lower body where his hip goes forward, but the camera doesn't show Bradley's legs. Kathryn can't be seen on the video. He then walks off looking at his forearms, and the video ends. From the video footage inside the residence, it appears Bradley was the primary aggressor. Bradley's injuries on his arms appeared to be injuries consistent with defensive injuries someone would obtain while being a primary aggressor in a physical altercation.

Deputy K. Kramer came inside the residence and advised Kathryn stated the following:

Bradley was driving them home from Fort Pierce after consuming alcohol all day. During the car ride, Bradley and her got in an argument over him calling her adult mixed children "niggers." Bradley then hit her in the face multiple times while in the vehicle. When they returned home, Bradley attacked her again by grabbing her by the neck area. When she tried to defend herself, Bradley threw her on the ground. While on the ground, Bradley kicked her multiple times, and choked her restricting her ability to breathe until she was unconscious. When she woke up, she went to the bedroom to fall asleep until I arrived and made contact with her. Cpl. K. Kramer stated Kathryn had visible injuries near her right eye, and her lip was busted on the inside. Kathryn also had marks on her body from where Bradley was kicking her.

Due to all of the statements made, video evidence, and injuries on both Bradley and Kathryn, I had probable cause to believe Bradley was the primary aggressor.

I placed Bradley in mechanical wrist restraints and escorted him to my patrol vehicle. Bradley was transported to the

Arrest Affidavit Report

Case Report # 2026-00065865

NARRATIVE

On June 21, 2026, at 23:57 hours, I Deputy D. Coon #6379 conducted a security check of the Wawa convenience store at 1180 US Highway 1 in Indian River County. Wawa has a blanket trespass agreement with the Indian River County Sheriff's Office (IRCSO). This agreement pre-authorizes the IRCSO to proactively patrol the business property between the hours of 22:00 – 06:00, with the emphasis of deterring homeless activities on the property.

Upon arrival, I observed a lone female loitering along the south wall of the business building. I identified the female, Camilla Renee Brown, by her FLHSMV records. Camilla appeared unkempt and homeless. Camilla did not appear to be shopping, nor did she have adequate money to make any purchases inside the store. Dispatch reported that Camilla was issued a trespass warning from this Wawa on 03/11/2022 at 05:33 hours by Deputy K. Peach #6057 (IRCSO case # 2022-00027495). During my discussion with Camilla, she acknowledged that she had been previously trespassed from this business.

Based on the trespassing violation, I placed Camilla Renee Brown under arrest for Trespass After Warning, F.S.S. 810.09 (1)(a)(1).
