Arrest Affidavit Report

Case Report # 2026-00091973

NARRATIVE

On August 27th, 2026, at approximately 1000 hours, I was dispatched to the residence of [REDACTED] in reference to a Disturbance In Progress. While on the way to the call, the notes advise the subject was armed with a pipe.

Upon arrival, I first made contact with a witness, who stated a male named Justin, was "swinging" a pipe at the home owner [REDACTED]. I made contact with [REDACTED] who provided the following statement:

Justin Scott was recently released from prison. [REDACTED] allowed Scott to stay at his residence for a few days until he gets more resources. Scott has only been staying at the residence for five days and has not paid any bills. Prior to calling law enforcement, Scott began screaming [REDACTED] advised he was acting "crazy". This led [REDACTED] to tell Scott to retrieve his belongings and leave the residence.

While collecting his belongings, Scott began to take [REDACTED] property. [REDACTED] kept advising Scott to put them back. [REDACTED] then went to the back yard. Scott exited the residence and began to "attack" him. [REDACTED] described the attack as Scott tackled him and began stomping on his chest. While speaking with [REDACTED], I observed a shoe print on his shirt where he advised he was stomped on. Scott then backed away, but then grabbed a floor jack and attempted to throw it at [REDACTED]. Scott then grabbed a "pipe" and began to swing it towards [REDACTED] and the witness, Thomas Grimes left the residence, and believed Scott went back into the residence.

Grimes and [REDACTED] advised no one else should be inside the residence. [REDACTED] advised Scott may be in the room in the left hallway, first door on the right. [REDACTED] advised the back door to the residence is open. I made announcements and stated it is the Sheriff's Office. I stated Justin's named and advised him to come out with his hands up. Due to the window and door being opened, I knocked on the wall, and continued to give commands, with no answer. While making

announcements, I began to hear banging coming from the west side of the residence, leading me to believe Scott was inside.

Once more units arrived on scene, Dep. Newman, Dep. Gruber, K9 Dep Scott, and K9 Dep. Ferrer entered the house. While in the house, I heard Dep. Gruber give commands to a subject advising "show me your hands". After giving several commands, Scott was placed into handcuffs. While exiting the residence, Scott began to pull away from deputies while attempting to reach into his pockets. It took multiple deputies to search Scott due to him ignoring commands and attempting to pull away. Due to Scott continuously tensing his body and pulling away, Scott had to be placed on the ground and we had to use a "hobble", to secure his legs.

I spoke with [REDACTED] again and asked him to lift his shirt to see if there were marks from the stomping. When he lifted his shirt, I observed redness around his upper abdomen and his right side of the abdomen, which lines up with the shoe print on his shirt.

With the witness statement and evidence I found probable cause for Battery Touch or Strike and Assault With A Deadly Weapon, Without Intent To Kill. Due to Scott continuously pulling away from law enforcement to the point where a hobble was needed, I am also charging him with Resisting Law Enforcement Without Violence.

Due to Scott's erotic behavior, I transported him to Cleveland Clinic Hospital where he was admitted. While at the jail, there were notes added advising to call Department of Corrections. When I called, I was transferred to his Probation Officer, Guarino, who provided the following information:

Scott was recently convicted of Aggravated Assault With a Weapon, Possession of Firearm,

Battery, and Resisting, in April 2026. Scott was released on August 22nd. Guarino then asked if he had his ankle monitor, which he did not. Dep. Newman also advised he did not see it in the residence. Due to this information, I also find probable cause for Tampering With Electronical Device and Violation of Probation.

Once Scott was cleared, he was transported to the Indian River County Jail.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 8/28/26 at approximately 0229 hours, I Ofc. Kriegner responded to 3150 Ocean Drive (Driftwood Resort) in reference to an intoxicated female causing a disturbance in the front office of the resort.

Upon arrival, I observed a female, identified as Crystal Squires, sitting outside, on the property.

I spoke with a Driftwood employee, Frank Raymond, who stated Crystal was a guest at the resort and had called the front desk for assistance with a smoke detector in her room. When Frank arrived at her room (121A) she answered the door without clothing on. He asked her to put clothes on before he could assist her and asked her to call back when she was clothed. She called back and he went to her room again. When she answered the door, she became belligerent, screaming, yelling, and "slamming" the door before Frank could enter the room. She then left the room and began yelling and screaming outside, on the premises.

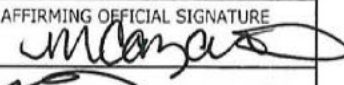

Officers spoke with two _____ that were present _____ who stated she had yelled and "chased" them around the area.

Frank also advised that approximately 1 hour prior to the disturbance, he located Crystal, naked, on the beach behind the resort. He assisted her off the beach and back to her room.

Crystal stated she had been intoxicated saying she was "very drunk"; and her speech was very slurred. I detected a strong odor of an alcoholic beverage emanating from her person.

Due to the totality of the circumstances, Crystal was placed under arrest for FSS 856.011 Disorderly Intoxication and transported to the Indian River County Jail without incident.

Case Report # 2026-00092362

NARRATIVE

On Friday, August 28, 2026, at approximately 0849 hours, I was dispatched to [REDACTED] in reference to a disturbance.

Upon my arrival, I made contact with [REDACTED] who advised that [REDACTED] stated that a verbal altercation occurred between her and Adrian.

[REDACTED] advised that while she was sitting on the couch, she informed Adrian that she was going to begin the eviction process to have him removed from the residence. [REDACTED] stated that Adrian became angry, and the two began yelling and cursing at each other. [REDACTED] stated that while she was seated on the couch holding a plate of food, Adrian told her to "shut the fuck up" and then slapped the plate, causing the food to fall from her hand and scatter throughout the area. [REDACTED] stated she then contacted law enforcement.

I entered the residence and observed food scattered in the area where [REDACTED] stated she had been sitting. I observed food on the blinds, the couch, and behind the couch, which was consistent with [REDACTED] statement.

I then made contact with Adrian outside the residence. Adrian stated that he and [REDACTED] had gotten into an argument because she was being verbally abusive toward him and was attempting to get him to leave the residence. Adrian stated that he became frustrated with the verbal abuse and told [REDACTED] to "shut the fuck up." Adrian stated that when [REDACTED] stood up while holding the plate of food, he slapped the plate out of her hand. Adrian later stated that he believed [REDACTED] was about to throw the food at him and that he pushed the plate out of her hand.

Based on the statements provided and the physical evidence observed at the scene, I found probable cause to believe Adrian Evans Jr. committed the offense of Simple Battery (Domestic Violence), in violation of FSS 784.03

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **08/28/2026**, at **09:49** (Specifically include facts constituting cause for arrest.)

On 08/28/26, at approximately 0931 hours, I, Ofc Aguilar responded to 3001 Riverside Park Dr. (Riverside Park) in reference to a trespassing. Prior to arrival, I contacted Ofc. Chimenti who informed that in a previous case (26-006708) that occurred on 08/27/26, a subject identified as Dennis M. Soltis (D.O.B. 11/20/1952) was issued a trespass warning for Riverside Park and to include other city parks mentioned in the trespass affidavit.

Upon arrival, I contacted Soltis near his vehicle. I then inquired about the trespass warning that was issued, Soltis' stated that he was only trespassed from Riverside Theatre. I then placed Soltis under arrest for violation of F.S.S. 810.08 Trespass in Structure or Conveyance.

Soltis was then transported to the Indian River County Jail without further incident.

Arrest Affidavit Report

Case Report # 2026-00092621

NARRATIVE

On August 28, 2026, at approximately 1800 hours, I responded to 90th Ave and Stoney Point Drive, Vero Beach, Florida, 32967, in reference to a crash.

Upon arrival I made contact with Deputy Schultz (6334) who was investigating a crash. While on scene I made contact with a white female identified as Ms. Bailey Richards (arrestee) I observed her to have watery bloodshot eyes, slurred speech, and I could smell the distinct odor of an alcoholic beverage emitting from her breath. Bailey was identified by her Indiana Driver's License after she provided Deputy Schultz with her information. Bailey was the driver of the white Jeep Wrangler bearing Indiana tag (VR6665) that was involved in the crash.

I identified myself to Bailey and advised her that I was conducting a criminal investigation for driving under the influence. Due to my observations, I requested Bailey to submit to Standardized Field Sobriety Exercises (SFSE's) to which she agreed. Bailey was questioned about her medical history and provided she has [REDACTED] She stated she wore glasses but only for reading. None of the provided responses would affect her ability to properly complete SFSE's.

Bailey stated she was coming home from the beach, where she consumed two alcoholic seltzers. Bailey said she rear-ended the vehicle in front of her due to another vehicle making a last minute turn.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Bailey which she stated she understood. Bailey's pupils were of approximately equal size and tracked simultaneously. I did not observe resting nystagmus. During this exercise, I observed the following clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of Nystagmus prior to 45 degrees at approximately 35 degrees.

The second exercise I administered was the Walk and Turn (WAT) exercise. Bailey was directed into the starting position and I explained and demonstrated the exercise to Bailey; who stated she understood the instructions and did not have any questions regarding the exercise. During the instructional phase, I observed the following validated clues of impairment: During the walking phase, I observed the following validated clues of impairment; Missed heel to toe. Bailey completed this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise to Bailey; who stated she understood the instructions and did not have any questions regarding the exercise. Bailey began the exercise by raising her left foot off of the ground. During this exercise, I did not observe any validated clues of impairment. Bailey had a side-to-side sway, and did

NARRATIVE (Continuation)

not look at her raised foot as instructed to do so.

The fourth exercise I administered was the Modified Romberg Balance. I explained the exercise to Bailey; who stated she understood the instructions and did not have any questions regarding the exercise. Bailey began the exercise and failed to following the instructions given. She was instructed to count in his head the passage of 30 seconds, which Bailey counted to 151 seconds. I stopped the exercise after 2 minutes had lapsed. I observed Bailey to have eyelid tremors while conducting this exercise.

The fifth exercise I administered was the Finger to Nose (FTN) exercise. I explained and demonstrated the exercise to Bailey; who stated she understood the instructions and did not have any questions regarding the exercise. I observed the following indicators of impairment:

L1: Pad side of nose
R2: Pad
L3: Pad
R4: Pad to bridge of nose
R5: Pad
L6: Pad

Based on the above indicators of impairment, Bailey was placed under arrest for Driving Under the Influence, Bailey was transported to the Indian River Jail Complex. Bailey was requested by Deputy Rentas(6001) to provide a sample of breath to determine its alcoholic content which she agreed. Bailey provided the following samples of breath: 0.132g/210L, 0.132g/210L.

Based on the above information Bailey was charged for Driving under the influence with property damage or personal injury reference Florida State Statue (316.193) (3). Bailey was issued the following citations DUI (ANHCD6E).

Open containers of approximately 7 cans of Super Lyte, which is a spiked vodka seltzer were located in a beach bag on the passenger floorboard, and another whole case of Super Lyte still cold in the box beside the beach bag.

Bailey's vehicle was removed from scene by Thunder Roads towing.

Bailey Richards is held at the Indian River County Jail Complex on a \$1000 dollar bond.

This investigation was captured on my AXON 4 body worn camera.

On August 28, 2026, I received a notification that the arrest warrant I filed for Ethan Fedon was approved.

Upon receiving the email, I checked FCIC/NCIC and observed that the Indian River County arrest warrant 312026MM001351A was active. I then responded to 159 Caprona Street, Sebastian, Florida 32958. Upon arrival, I made contact with Ethan Fedon, whom I identified by his Florida driver's license photo and a previous incident. Ethan was detained and placed into mechanical hand restraints. I then sent for confirmation.

Upon receiving confirmation, I placed Ethan under arrest and transported him to the Indian River County Jail without incident. No further actions were taken by this officer.

Arrest Affidavit Report

Case Report # 2026-00092668

NARRATIVE

On Friday, August 28, 2026 at approximately 2018 hours, I conducted a traffic enforcement stop on a bicycle near the 4300 block of 33rd Avenue in Vero Beach, Florida.

While waiting to turn onto 45th Street, I observed a bicyclist cross over 45th Street without using a marked crossing. The bicycle did not have any lights in the front or back. While crossing the street the bicyclist was almost struck by a passing vehicle.

As I got behind the bicyclist, I observed he was swerving. I activated my emergency lights. I observed the bicyclist come to a stop, stumble backwards and almost fall off of his bicycle. I observed a white can of "Colt 45" underneath the bicycle. I could see the condensation on the can.

I identified the male as Mr. Garrett James (Arrestee) by his Florida Identification card. While speaking with Mr. James, I could smell the distinct odor of an alcoholic beverage emitting from his breath. Mr. James swayed as he stood and eventually sat down on the grass without prompting. Mr. James eyes were water and glassy. Mr. James stated several times he was just trying to get home.

I attempted to ask Mr. James several times how much alcohol he consumed and he was evasive with his answers. Mr. James stated he only consumed the one alcoholic beverage he had with him.

I explained my concern for his ability to safely ride his bicycle and requested he complete Standard Field Sobriety Exercises (SFSE's) which Mr. James agreed to.

While questioning Mr. James about his medical history he began to be resistant.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN). I explained the exercise to Mr. James and asked if he understood the instructions. I asked Mr. James several times if he understood my instructions before receiving a verbal response. Mr. James could not follow my instructions, and stared straight ahead. I explained the instructions multiple times and confirmed he understood my instructions. Mr. James was unable to follow my stimulus. Mr. James was unable to complete this exercise.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise to Mr. James. I Instructed Mr. James into the starting position and he failed to maintain this position while I provided the remainder of the instructions. Mr. James began to walk prior to being instructed to do so. I instructed Mr. James back into the starting position and provided the instructions again. After the second set of instructions, I explained to Mr. James that I would only explain the instructions one more time and requested he pay close attention. Mr. James started a total of three times prior to being instructed. Based on the above exercises, I determined that Mr. James was impaired

and unable to complete these exercises as instructed.

Based on the above circumstances, I established probable cause to place Mr. James under arrest for Driving Under the Influence (DUI). Mr. James was placed under arrest and transported to the Indian River County Jail Complex without further incident.

Upon arrival at the Indian River Jail Complex, Mr. James was uncooperative with corrections staff and had difficulty following instructions. Mr. James was requested to provide a sample of his breath to determine its alcoholic content and he refused.

Mr. James was ultimately charged with DUI (ANHCD3E) and possession of an open alcoholic container in public. Mr. James was processed and held on a total bond of \$750.00

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **08/28/2026** , at **21:00** (Specifically include facts constituting cause for arrest.)

On 8/28/26, at 2100 hours, I responded to 2075 Indian River Blvd (Bonefish Grill) in reference to a drunk pedestrian.

On scene I made contact with complainant/Manager at Bonefish Grill who advised he observed a drunk hispanic male sitting on a bench drinking in front of the business yelling and wished him moved along. Upon approaching the male who I later identified as Michael P. Neira (DOB: 07/28/1972), I observed him yelling profanity aloud and holding a liquor bottle in his hands. Upon further inspection of the bottle, I determined it to be Jameson Irish Whiskey 1 Liter 40% ABV. It should be noted Neira became very argumentative and aggressive towards Law Enforcement when being detained.

Neira was then placed under arrest in violation of City Of Vero Beach Ordinance (CO5.01.B Sec. 6-6.). He was transported to Indian River County Jail for processing and booking where he is held on a \$150 bond.

Neira was later issued a trespass from the property reference VBPD TAW#VB1994.

On 08/28/2026, at approximately 2013 hours, I, Ofc. Herrera, responded to 4141 16th Street, in reference to a disturbance where a child was involved.

On scene, I spoke with the caller, Alyssa S. Watson (DOB: 01/30/2004). She stated she brought [REDACTED] to 4141 16th Street to see [REDACTED]. Alyssa stated that when they were leaving apt. 1001, [REDACTED] Marlin M. Cason-Morales (DOB: 01/21/2005), followed them down the stairs and kept asking [REDACTED] where he was going with the child. Alyssa stated that once Marlin realized that he was putting the child in the car, Marlin reached for the child, grabbed the child's wrist and started twisting it, trying to yank her away. She stated that [REDACTED] told Marlin to let go of the baby and then Marlin went under his arm and bit him. Alyssa stated that she was yelling at Marlin to stop grabbing the baby, that she was hurting her, and then Marlin bit [REDACTED] again. Alyssa stated that [REDACTED] told Marlin to let go of the baby and then pushed Marlin causing her to fall over. Alyssa stated that she unlocked her vehicle so that [REDACTED] and the child could get inside but as they were getting in the vehicle Marlin grabbed the child's arm and bit [REDACTED] for the third time. As I was speaking with her, I observed that [REDACTED] is in the vehicle with the child.

I then spoke with [REDACTED] he stated that he and Marlin made arrangements so that he could see his child. He stated that when it was time to go, he grabbed the child by holding her in front of him as if they were hugging each other. He stated that as he was walking towards the car, Marlin asked him where he was going. He stated that he told Marlin he was going to the car. He stated that Marlin grabbed the child and began to pull. He stated that he told her to let the child go but instead Marlin bit him. He showed me a small, fresh cut under his right arm. He stated that he tried to push her away by lifting his elbow up and turning back, trying to not drop the child, when Marlin bit him under his arm. He stated that he pushed Marlin away as he was walking towards the car and she fell on the ground. He stated that he didn't know where he pushed her, he was just trying to get her away from him and the child and into the vehicle. [REDACTED] stated that his reason for taking the child was that DCF reached out to him and informed him that Marlin's residence was not safe for the child.

I then walked over to Marlin and asked her about the incident. She stated that they agreed to meet at her residence at 1900 hours tonight so that [REDACTED] could see their child. She stated that he was trying to take the child from her. She stated that she grabbed the child so that [REDACTED] wouldn't take her, but he then turned around, grabbed her by the hair and pushed her to the floor. She showed me marks on the right side of her neck and she had dirt on her back. She also showed me that her right shoulder strap from her dress was broken. Marlin stated that as he was pushing her, she bit him on his arm.

After speaking to all parties involved, and due to the above-mentioned information, Marlin M. Cason-Morales was determined as the primary aggressor and arrested for violation of F.S.S. 784.01(1A1) Battery Touch or Strike, Domestic Violence, then later transported to the Indian River County Jail without further incident.

[REDACTED] received a victims rights brochure and filled out a Domestic Violence Packet.

This incident was reported to the Department of Children and Family online.

Photos of this incident were uploaded to the Vero Beach Evidence Library via the Responder App.

This incident was captured on my BWC and uploaded to the Vero Beach Evidence Library.

NARRATIVE

On August 28, 2026, at approximately 2055 hours, I observed a blue Ford sedan bearing Florida Tag # 6455VF, traveling south on US Highway 1 approaching the 8500 block. I observed the vehicle enter into the bike lane on the right side of the outer lane. The vehicle nearly side swiped a tree. The vehicle entered back into the outer south bound lane and entered into the right turn lane at the intersection of 85th Street. The vehicle turned right onto 85th Street, and again left the road way to the right and entered into the bike lane. I observed the vehicle swerve back to the left and then enter into the left turn lane at the intersection of 85th Street and 58th Avenue. The vehicle made a left turn onto to 58th Avenue, as the vehicle made the left turn, the vehicle turned wide, and exited the roadway on the right before swerving back left in the south bound lane of 58th Avenue. I observed the vehicle swerve from left to right crossing both the center line and the outside lane to the right of the roadway, I conducted a traffic stop on the vehicle. As I activated the emergency lights on my agency issued patrol vehicle, the vehicle continued to swerving from left to right and continued to drive south for approximately two blocks before it finally pulled over on the right shoulder. I made contact with the driver and sole occupant of the vehicle. The driver provided her Florida Driver's license and was identified as Penny Nowlin.

As I interacted with Penny Nowlin I observed several physical signs of impairment: Nowlin's pupils were almost pin point, she had slurred speech, and was unsteady on her feet.

I became concerned Nowlin was impaired beyond her normal faculties by alcoholic beverages or chemical or controlled substances.

To dispel my concerns, I asked Nowlin if she would participate in a series of standardized field sobriety exercises, to which she agreed. I asked Nowlin a series of medical questions to ensure she could participate in field sobriety exercises. Nowlin stated that she had no physical defects, was not sick or injured, did not have epilepsy or diabetes, did not wear contacts but wore glasses for reading. Nowlin stated she broke both her feet approximately 3 months ago, however she was able to walk, as she just walked around Walmart grocery shopping for approximately an hour.

All field sobriety exercises were explained and demonstrated proficiently prior to Nowlin beginning each exercise and I confirmed Nowlin understood the instructions prior to the start of each exercise.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was

observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed at an estimated 35 -degree angle. Vertical Gaze Nystagmus was present in both eyes. Nowlin kept looking away, saying she was tired and her eyes were dry.

- 2.) WALK AND TURN - A straight line of duct tape was used for the exercise. When asked, Nowlin agreed with me that the line was straight and flat. As Nowlin began the exercise, she immediately became unstable on her feet, lost her balance, and stepped off the line with her left foot. She attempted to begin walking two additional times and both times she stepped off the line and could not maintain her balance. Nowlin then stated she was ready for a third attempt. She began walking not putting her heel to toe as she walked. She was unsteady on her feet and stepped off the line with step 5,6,& 7. She made an improper turn and walked back approximately 9 steps without placing her feet heel to toe.
- 3.) ONE LEG STAND – Nowlin attempted to do the one leg stand. She was unable to keep her balance and stated she could do it if she could use her arms to balance herself. She attempted to perform the exercise with each foot and was unable to maintain her balance. She repeatedly placed her foot down and did not count out loud as instructed.

Overall, Nowlin performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on Friday August 28, 2026, Nowlin was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond their normal faculties, incapable of operating a vehicle safely.

Penny Nowlin was arrested for DUI at 2125 hours and was advised of the charge. I took Nowlin into custody without incident and transported her to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff Rentas advised me that Nowlin agreed to provide a breath sample. At the conclusion of the test, the breath sample showed Nowlin had a breath alcohol concentration (BrAC) of 000 grams per 210 liters of breath and 000 grams per 210 liters of breath. Nowlin provided a urine sample that will be submitted for urinalysis

to Deputy Sheriff Hackett. Nowlin agreed to DRE evaluation for possible chemical or controlled substance influence.

Based upon my investigation, I charged Nowlin with the following:

Count 1 FSS 316.193.1a DUI Influence of Alcohol or Drugs. Citation # ANUPHNE.

It should be noted Nowlin was found guilty of DUI on 4/26/2014 in Okeechobee (Citation # 5279XCF).

Case Report # 2026-00092744

NARRATIVE

On Saturday, August 29, 2026 at approximately 0042 hours, I responded to 6735 34th Terrace in Vero Beach, Florida in reference to a traffic stop conducted by Sgt. Q. Le.

Upon my arrival, Sgt. Le stated he stopped the Brown F150 (FL / JP478T) for traveling 83 miles per hour in posted 55 mile per hour zone. Sgt. Le told me he smelled the odor of alcohol, observed his eyes were watery and glassy and his speech was slurred. Sgt. Le told me, the driver, identified as Mr. Glenn Jenkins (Arrestee) was the sole occupant of the vehicle at the time of the traffic stop.

Upon my arrival, Mr. Jenkins was outside of his vehicle. He appeared uneasy on his feet and leaned on his truck for support when he moved around. I spoke with Mr. Jenkins and confirmed Sgt. Le's observation. Mr. Jenkins eyes were watery and bloodshot. His speech was extremely slurred and mumbled and I could smell the strong distinct odor of an alcoholic beverage.

When I asked Mr. Jenkins how much alcohol he consumed he stated none. When I challenged him on the odor of his breath, he turned away from me and avoided eye contact. Sgt. Le and I explained our concern for his ability to operate a motor vehicle and requested he complete Standardized Field Sobriety exercises (SFSE's). Mr. Jenkins initially refused and claimed he had back problems. He also claimed he was unable to stand on one leg. I offered him the opportunity to complete the N.A.S.B.L.A. seated battery tasks. Mr. Jenkins was still hesitant. Mr. Jenkins was explained in detail the totality of the circumstances behind the traffic stop and all observations of impairment. Mr. Jenkins was then issued a Taylor warning. Mr. Jenkins ultimately agreed to complete the N.A.S.B.L.A. seated battery tasks.

Mr. Jenkins was instructed to sit on his tailgate and I read the pre-task questions from the Field Sobriety Task Performance Sheet. Mr. Jenkins provided the following responses: Mr. Jenkins claimed he has a [REDACTED] Mr. Jenkins stated he ingested his last dose at approximately 1900 hours. [REDACTED] He has prescription glasses but chooses not to wear them. Mr. Jenkins is under the care of a dentist for on-going dental treatment. Mr. Jenkins denied consumption of any other drugs or medications other than what was disclosed.

The first task I administered was the Horizontal Gaze Nystagmus (HGN). I observed the following clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation and onset of nystagmus prior to 45 degrees (Immediate). I also observed Vertical Gaze Nystagmus (VGN). Mr. Jenkins had difficulty tracking my stimulus and had to be reminded not to move his head.

The second task I administered was the Finger to Nose (FTN). I explained and demonstrated the task to Mr. Jenkins who stated he understood the instructions. I observed the following clues of impairment

during the Instruction stage: Unable to follow instructions and started at wrong time. During the performance stage I observed the following clues of impairment: Did not close eyes, and did not tilt head.

L1: Missed nose – Did Not Return
R2: Searched – Missed nose – did not bring down
L3: Not fingertip
R4: Not fingertip
R5: Not Fingertip-Missed nose
L6: Performed to standard

The third task I administered was the palm pat. I explained and demonstrated the task to Mr. Jenkins who stated he understood the instructions. I observed the following clues of impairment in the performance stage: Rolled Hands, chopped pat, and did not increase speed.

The fourth task I administered was with Hand Coordination: During the instructional phase, I observed the following clues of impairment: Unable to follow instructions. I had to repeat the instructions more than three times for Mr. Jenkins. During the performance stage, I observed the following clues of impairment: Task 1 – Improper touch, Task 3 – Improper count, improper touch.

Based on the above performance of field sobriety tasks and observations, I established probable cause for Driving Under the Influence and placed Mr. Jenkins under arrest.

I transported Mr. Jenkins to the Indian River County Jail Complex without incident. Upon arrival, Mr. Jenkins was searched and a twenty-minute observation period was initiated. After the observation period, Mr. Jenkins was asked to provide a sample of his breath to determine its alcohol content. Mr. Jenkins refused and was advised of implied consent by Deputy Rentas (6001). Mr. Jenkins was asked a second time to provide a sample of his breath and willfully refused.

A query of D.A.V.I.D. shows Mr. Jenkins has a prior conviction for both DUI (AAO5LNE) and Refusal to submit to DUI testing.

Mr. Jenkins was ultimately charged with DUI (ANHCD5E) and Refusal to submit to DUI testing – 2nd or subsequent offense (ANUPH0E). Mr. Jenkins was issued a verbal warning by Sgt. Le for his speed infraction. Mr. Jenkins was held on a total bond of \$2,000.

Case Report # 2026-00092743

NARRATIVE

On Saturday, August 29, 2026, at approximately 0037 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of 101st Avenue and County Road 512, Vero Beach, Indian River County, Florida.

While traveling northbound on 101st Avenue, I approached the light at the intersection. I observed a grey Tesla traveling eastbound on County Road 512. I pulled on to County Road 512 just as the Tesla was passing me. This provided me with an opportunity to look inside of the vehicle. Due to the dark window tint, I was unable to look within the vehicle. As the vehicle passed by, it made an abrupt, sudden, and dramatic lane change. This lane change was so that they could make a U-turn. I got behind the vehicle and started to follow it, so that I could run the tag and gather intelligence on the vehicle. The vehicle came back to the intersection at 101st Avenue and County Road 512. The vehicle again made a vehicle dramatic left turn by violently grabbing the wheel and turning the vehicle.

While calling out the traffic stop, the driver pulled over at 9445 101st Avenue without me activating my lights or sirens. I then activated my blue emergency lights to conduct the traffic stop.

Upon making contact with the driver, I confirmed the illegal window tint. Using a tint meter, I confirmed the window tint on the driver's window to be 23%. While speaking to the driver I observed dilated pupils and watery eyes. I also observed multiple open packages of what I originally believed to be cough drop packs scattered throughout the vehicle.

I had the driver, who was identified as Mr. Luis Proano, exit the vehicle. Once he exited the vehicle, I questioned him about the open packages. He advised the packages were a "type of candy" he uses for dry mouth. Mr. Proano complained of dry mouth as we spoke. I was able to look and confirm Mr. Proano's dry mouth as well. Mr. Proano advised he has consumed approximately 27 of these candies today.

I had Mr. Proano perform Standardized Field Sobriety Exercise (SFSE's). They go as follows:

Horizontal Gaze Nystagmus (0/6): Mr. Proano did not have a lack of smooth pursuit, did not have a distinct and sustained nystagmus at maximum deviation, and did not have an onset of nystagmus prior to a 45 degree angle. Mr. Proano did have equal tracking and equal pupil size. He did not have a resting nystagmus. He moved his head multiple times throughout the exercise. He did not have VGN. While performing the exercise, Mr. Proano moved his eyebrows constantly for no known reason.

Walk and Turn (5/8): Mr. Proano could not keep his balance in the instructional stance, stopped walking to steady, missed touching heel to toe, used his arms for balance, and made an improper turn.

One leg stand (3/4): Mr. Proano swayed while attempting to balance himself, used his arms for balance, and hopped during the exercise.

NARRATIVE (Continuation)

Modified Rhomberg: I had Mr. Proano estimate the passing of 30 seconds internally with his eyes closed and his head tilted back. Mr. Proano estimated the passing of 30 seconds at 43 seconds. During this exercise I observed eye lid and body tremors on Mr. Proano.

Finger to nose:

Left: Mr. Proano used the pad of his finger to touch the tip of his nose. He also hesitated and held his finger.

Right: Mr. Proano used the nail of his finger to touch the tip of his nose. He also moved his head forward to his finger.

Left: Mr. Proano missed touching the tip of his finger to the tip of his nose. He also held his finger to his nose.

Right: Mr. Proano touched the tip of his finger to the tip of his nose. He moved his head to his finger during this attempt.

Right: Mr. Proano used the nail of his finger to touch the tip of his nose. He again moved his head towards his finger and held his finger to his nose.

Left: Mr. Proano touched the tip of his finger to the tip of his nose.

During this exercise I observed eye lid tremors again.

I advised Mr. Proano of his Miranda Rights. He advised he understood his rights and was willing to speak to me. Mr. Proano admitted to taking [REDACTED]

[REDACTED] His normally wakes up around noon as he does not get off work until later in the day. He again confirmed he took approximately 27 of those candies earlier today. Mr. Proano allowed me to enter his vehicle to see what he was taking. I located an empty package for Biotene Lozenges. There are no narcotics or substances that are within Biotene that appear to be impairing.

While interacting with Mr. Proano tonight, I noticed that he was talkative, had a dry mouth, exaggerated reflexes, eye lid tremors, redness to his nasal area, a runny nose, and was talkative throughout the traffic stop.

Based on my training and experience, I placed Mr. Proano under arrest for Driving Under the Influence. He was secured in handcuff restraints that were checked for proper fit and double locked. He was then secured in my patrol vehicle.

[REDACTED]

Mr. Proano's was transported to the Indian River County Jail. There he provided two breath samples of 0.000 and 0.000. I requested Mr. Proano provide a urine sample. He agreed and provided a urine sample.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **08/29/2026**, at **02:04** (Specifically include facts constituting cause for arrest.)

On 8/29/26, at approximately 0212 hours, I responded to 2296 US Hwy 1 (Seven Eleven) in reference to a disturbance.

On scene I made contact with a female, who I later identified as Katlynn M. Faith-Parrish (DOB: 10/19/200), who was standing at the intersection of 12th Ave and 21st St. Parrish advised she had just been in an altercation with [REDACTED]. Parrish explained she was at a bar with [REDACTED] and a female friend of hers drinking. Parrish said while at the bar, she was starting to become upset with [REDACTED] due to feeling like he was more interested in her friend.

Parrish stated due to [REDACTED] she becomes jealous very easily. Parrish explained once leaving the bar [REDACTED] got into the driver seat, her friend got into the front passenger seat, and she was in the back seat behind the driver of the vehicle. Parrish stated she immediately became upset due to wanting to be in the front next to [REDACTED] instead of her friend being in front.

Parrish said she then attempted to get into the front passenger seat when [REDACTED] pushed his hand towards her chest area hitting it and attempted to stop her from jumping into the front passenger seat. Parrish advised she then slapped [REDACTED] somewhere on his right side. Parrish stated [REDACTED] pulled into Seven Eleven where she then took the vehicle keys due to the vehicle insurance being in her name. It should be noted [REDACTED] is the only registered owner of the vehicle. It should also be noted Parrish stated this incident occurred while her friend was still in the front passenger seat. Parrish said she then walked away and began walking along US Hwy 1. I observed no injuries or marks to Parrish' person.

It should be noted while speaking with Parrish, I could smell a strong odor of an alcoholic beverage emitting from her person as well as slurred speech. Parrish later became very irate and aggressive towards Law Enforcement. Parrish's friend was not on scene or anywhere near the area. Parrish was not willing to provide me with any contact information for her friend.

I then made contact with [REDACTED] who explained he, Parrish, and Parrish's friend went to Riverside Cafe. [REDACTED] stated he was the designated driver for the night and had not consumed any alcohol due to looking after Parrish and her friend. [REDACTED] advised after Parrish started to become heavily intoxicated, he noticed her becoming upset. [REDACTED] said once leaving Riverside cafe, Parrish's friend jumped into the front passenger seat due to her being the person he was dropping off. [REDACTED] stated after dropping Parrish's friend off, Parrish started yelling at him saying "you want to fuck her." [REDACTED] said he told Parrish to shut up and stop talking to him.

[REDACTED] advised Parrish then slapped him on his right cheek area to which he then immediately pulled into the Seven Eleven parking lot [REDACTED]. Parrish grabbed the keys and walked away. [REDACTED] explained he never placed his hands anywhere near Parrish at any point in time. It should be noted while speaking with [REDACTED] I did not smell an odor of an alcoholic beverage emitting from his person. I observed minor redness to the right cheek area of [REDACTED] face.

Based on both parties' statements and my investigation I determined Parrish to be in violation of F.S.784.03 (1A1) - Battery Touch or Strike/Domestic Violence, where I then placed Parrish under arrest.

A Domestic Violence Packet was issued to [REDACTED] explaining his rights and remedies.

Parrish was then transported to the Indian River County Jail for processing and booking where she is held with no bond.

Case Report # 2026-00092891

NARRATIVE

On Saturday, August 29, 2026, at approximately 1413 hours, I was dispatched to 3850 11th Drive (Verity Apartments) in reference to a trespassing complaint.

Upon arrival, I made contact with Deputy Yerian, who advised that John Wartman was currently on the property. Deputy Yerian stated that Wartman had previously been trespassed from the property in July 2026 after repeatedly attempting to visit [REDACTED]. Deputy Yerian further advised that this has been an ongoing issue, with Wartman repeatedly returned to the property to see [REDACTED]. Deputy Yerian stated this was the fourth time Wartman had returned to the property.

I conducted a records search and located an active trespass warning associated with Wartman under case number 2026-74480. The trespass warning was issued on July 12, 2026, at approximately 2109 hours.

I then made contact with Wartman and asked him why he was on the property after having been trespassed. Wartman stated he was there to see [REDACTED]. Wartman explained that [REDACTED] had left him alone, and he came to the property to ask her why she had left him. Wartman further stated that he and [REDACTED] however, he believes they are still married under the Catholic religion. Wartman repeatedly stated that he came to the property to see [REDACTED] because he was alone.

Based on the information gathered and the active trespass warning, Wartman was placed under arrest for FSS 810.08- Trespass.

Wartman was transported to the Indian River County Jail without incident.

Case Report # 2026-00092984

NARRATIVE

On 8/29/2026 at approximately 2010 hours, I was dispatched to [REDACTED] stating [REDACTED] threatened her with a firearm. While enroute to the address, Public Safety Dispatch stated the neighbor had gone back inside her residence.

When I arrived, I was met outside in the street by [REDACTED]. She stated [REDACTED] identified as Christine Gasek, rang her doorbell at [REDACTED] attempting to make contact with her. [REDACTED] stated she was unable to answer the door before Christine started walking back to her residence at [REDACTED]. [REDACTED] said she approached Christine in the road apologizing that she couldn't answer the door in time. Christine then began yelling at her about a chicken of [REDACTED] that was in her yard. [REDACTED] said they began exchanging words, and Christine pulled out a small black firearm out of her left pocket. [REDACTED] stated Christine pointed it at her and said, "I came prepared for you this time." [REDACTED] said when she saw the firearm pointed at her, she stepped backwards in fear that Christine was going to cause physical harm to her by shooting her. [REDACTED] said after a few moments, Christine then retreated back to her property, and she didn't follow. After several more words were exchanged, Christine went back into her residence, and [REDACTED].

[REDACTED] stated she has had numerous issues with Christine in the past. On October 4, 2025, Carrie reported that Christine spit on her during a verbal altercation. The agency case number for the incident is 2025-107344. [REDACTED] stated the incident today could have potentially been captured on her cameras. She also said [REDACTED] Robert Doerr, was watching the cameras during the incident. [REDACTED] stated she wished to pursue criminal charges against Christine.

Robert stated he pulled up the camera live feed while [REDACTED] went outside to see why Christine knocked on their door due to the past incidents. He said he observed Christine and [REDACTED] get into a verbal disturbance in the road, however was unable to see when Christine pointed the firearm at [REDACTED] due to a tree blocking the view of the camera. Robert was able to show me the video footage of Christine walking up to their residence. It appeared Christine had a bulge of an object inside her sweatpants left pocket.

I spoke to Jeremy Moore, who lives at [REDACTED]. Jeremy stated he was outside while Christine was approaching [REDACTED] residence. Jeremy said he could hear Christine complaining about [REDACTED] chicken, however couldn't visually see Christine carrying a firearm. Jeremy stated he wasn't outside when the disturbance occurred in the road, nor did he hear it.

I made contact with Christine at her residence. Christine stated she went to [REDACTED] house to have her get the chicken off her property. [REDACTED] stated they then exchange words in a verbal confrontation. I read Christine her Miranda Rights from my Indian River County Sheriff's Office supplied Miranda Rights waring card. Christine stated she understood her rights, and agreed to continue speaking with me.

I asked Christine if she owns a firearm, and she stated, "No, well yes, but that was a BB gun." I asked Christine what she meant by that, and she said, "That I had," while physically pointing toward the road where [REDACTED] said the incident occurred. I asked Christine, "so you are confirming that you had a firearm or bb gun with you?" Christine said, "yes." I then asked Christine to explain what happened in the street, and she was unable to further explain. Christine said she believed she had video footage of the incident, and began trying to search for it on her phone. Christine showed me a video of her

leaving her residence to walk towards [REDACTED] residence. In the video, I was unable to observe anything in her pocket. The timestamp of the video was 1950 hours. Christine showed me another video with a timestamp of 1953 hours. In the video, Christine is walking back up her driveway. In her left pocket I observed a black handle sticking out that appeared to be a firearm grip with a magazine well protruding from the pocket. In the video [REDACTED] is in the roadway. I asked Christine if her camera captured any of the incident while they were both in the roadway, and she said I could look at her phone. I was unable to find any video footage between the 1950 and 1953 timestamps.

I asked Christine if at any point during the incident in the road if she pointed the BB gun at [REDACTED] and she said no. I asked Christine why she decided to take the BB gun with her while going to [REDACTED] residence, and she initially said for the chicken. Christine then quickly said the BB gun doesn't even function. Christine was asked if it doesn't work, why would she take it, and she stated, "I don't know, for protection." I asked Christine if she said anything directly to [REDACTED] during the incident, and she said, "Get your fucking chicken out of my yard." I asked if that was all she said, and she stated, "pretty much." Christine was unable to go into any further detail on what she said during the encounter.

Christine gave me permission to go inside the residence and find the BB gun. The BB gun was found inside the residence on the kitchen counter. It was a small black Walther BB gun that had the visual appearance of a real Walther model handgun. It should be noted the BB gun had an orange tip; however, it was dark at the time of the incident with poor lighting. The BB gun was collected.

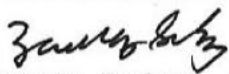

At this time, I had probable cause to believe Christine had committed aggravated assault pursuant to F.S.S. 784.021. I had probable cause to believe Christine had produced and pointed what was believed at the time by [REDACTED] to be a functioning firearm, causing [REDACTED] to believe she was in reasonable fear of imminent death or great bodily harm.

I placed Christine in mechanical restraints, and transported her to the Indian River County Jail without incident. Christine was booked on the following charges:

F.S.S.784.021 Aggravated Assault- No bond

Case Report # 2026-00092982

NARRATIVE

On August 29, 2026, at approximately 2014 hours, Cpl. Lang and I responded to the 1400 Block South Old Dixie Highway, in reference to a disturbance. The disturbance involved a white male subject whom threw an object at a vehicle. Prior to my arrival, deputies had a subject matching the description detained. The subject was identified as Thomas Hardenbergh.

Upon arrival, I made contact with a resident of the neighborhood whom stated his mother was involved in an incident on her way home. I then made contact with his mother, Christine Nobles, through a phone call. Nobles stated she was leaving the neighborhood, driving east on 14th Place SW. She then turned right to drive south on Old Dixie Highway. Nobles stated within a quarter of a mile she saw a man walking north whom stepped out in front of her car. Nobles stated in order to not hit the man, she swerved into the north bound lane. Noble was with her juvenile granddaughter, Braelyn Winfrey, at this time. Winfrey informed Noble that she saw an axe in the man's hand. Noble stated she was in shock from the man stepping in front of the vehicle and did not see an axe.

I then spoke with Winfrey, whom stated she saw the man step out in front of the car holding an axe up in their direction. She stated the axe was large and silver/grey in color.

I then spoke with the victim [REDACTED] stated he was driving south bound on Old Dixie Highway when he saw a man walking north on the side of the south bound lane. At approximately the 1400 block south, an object struck his vehicle. [REDACTED] stated it took him a second to process what happened. He realized the man walking on the side of the road threw something at his vehicle. [REDACTED] stated the object was large and looked like a blue bowling ball. The object hit the bottom half of the front windshield. After getting struck, [REDACTED] turned around and followed the man to confront him. [REDACTED] was driving north in the south bound lane to stay behind the man. While [REDACTED] was driving behind the man, he turned around, held an axe up, and started to approach [REDACTED] vehicle. [REDACTED] then put the vehicle in reverse to make a safe distance.

While looking at the vehicle, I observed a front windshield that was still intact; however, it was spiderwebbed starting at the center of the lower half. The spiderwebbing extended through the upper and outer parts of the windshield. The vehicle was a black 2007 Mercedes-Benz bearing Florida tag number [REDACTED]. [REDACTED] estimated the repairs of his vehicle will cost approximately \$2,000.

[REDACTED] stated the man was wearing a t-shirt and shorts. The man was approximately six feet tall. [REDACTED] stated he would be able to identify the man if he saw him. The show up instructions were completed with [REDACTED] whom stated he understood all of the instructions. [REDACTED] positively identified Thomas Hardenbergh to be the subject of the previously mentioned incidents.

NARRATIVE (Continuation)

I then spoke to Hardenbergh whom was read his Miranda rights, he stated he understood his rights and still wished to speak with me. Hardenbergh was walking north bound on the 1400 block of Old Dixie Highway carrying a soda bottle in his right hand. Hardenbergh stated while he was walking, he believes a vehicle hit the soda out of his hand. The soda was in a grocery bag. He stated he does not believe he was physically hit by the car and was not injured. He stated the vehicle was small and did not see if there was any damage on the vehicle. He then continued walking north bound, when he saw the car that hit his soda turn around and start following him. Hardenbergh stated the car was flashing their brights at him and he was scared. He stated that he started running eastbound on 14th Place SW. Hardenbergh stated never held an axe up in [REDACTED] direction. He stated was in trouble with law enforcement earlier for having an axe so he dropped somewhere along the road. He stated that during the time of this incident he did not have an axe on him.

A canvas was done by other deputies, a soda bottle, knife, and axe were recovered in the area. An image of the soda bottle was shown to Hardenbergh, which he stated belonged to him. [REDACTED] was also shown an image of the soda bottle and stated it appeared to be the object that struck his vehicle.

Based on the statements and evidence collected I have found probable cause to charge Thomas Hardenbergh with the following:

Shooting a Missile into Dwelling Vehicle Building or Aircraft, F.S.S 790.19

Criminal Mischief of \$1,000 or more, F.S.S 806.13.1b3

Arrest Affidavit Report

Case Report # 2026-00093012

NARRATIVE

On Saturday, August 29, 2026 at approximately 2311 hours, I conducted a traffic enforcement stop on a bicycle traveling westbound near the intersection of 30th Avenue on 45th Street in Vero Beach, Florida.

I observed a black male riding a bicycle at night without the proper lighting required by Florida state statutes. As I watched the bicycle travel, it was weaving back and forth on the sidewalk. I activated my emergency lights and stopped the rider, later identified as Mr. Johnny Andrews (Arrestee) by the information he provided me. While speaking with Johnny, I observed his eyes were watery and glassy, his pupils were dilated and I could smell the distinct strong odor of an alcoholic beverage emitting from his breath.

Johnny was argumentative about my probable cause to stop him, claiming that Judge Vaughn told him he could ride his bike on the sidewalk without lights, he also claimed he was heading to work and needed to go. When I asked Johnny how much alcohol he had consumed, he told me he was hanging out at the bar and he was unsure how many drinks he had.

I explained my concern for his ability to safely operate his bicycle and requested he complete Standardized Field Sobriety Exercises (SFSE's). Johnny continued to be argumentative and questioned my probable cause to stop him. After several minutes, of back and forth, Johnny ultimately agreed to complete SFSE's. Johnny was extremely talkative during this investigation.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I instructed Johnny to stand with his feet together and his arms by his side. Johnny had extreme difficulty following my instructions and had to be told multiple times not to move his head. Johnny had difficulty following my stimulus. I observed Lack of Smooth pursuit, but was unable to see any other clues due to Johnny's non-compliance. Johnny had a sway and failed to maintain the instructed position during this exercise. Johnny was extremely restless, and made several grinding movements with his mouth (Bruxism) and licked his lips.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise to Johnny and began by instructing him into the starting position. During the instructional phase, I observed the following validated clues of impairment: Failed to maintain the starting position and began before being instructed to do so. While explaining the instructions Johnny started to walk before being instructed to. During the walking phase, I observed the following validated clues of impairment: Used arms for balance, missed heel to toe, Improper turn, incorrect number of steps. Johnny DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise to Johnny and began by instructing him into the starting position. Johnny failed to maintain the instructed position. Johnny claimed he could not complete this exercise due to an injury with his leg, and I instructed Johnny to use his other leg. Johnny argued for several minutes including the length of the exercise and how long he needed to count.

NARRATIVE (Continuation)

Johnny ultimately attempted the exercise and I observed the following validated clues of impairment: Put foot down, sway and used arms for balance. Johnny DID NOT complete this exercise to standard.

Based upon the riding behaviors, physical observations and substandard performance of SFSE's, I established probable cause to place Johnny under arrest for Driving Under the Influence (DUI). When I placed Johnny under arrest, he physically resisted my efforts to place him in mechanical restraints and attempted to pull his arm away from me. I took firm control of Johnny and secured him without further incident. Johnny was transported to the Indian River County Jail Complex (IRCJC).

Upon arrival at the IRCJC, Johnny was searched and a twenty-minute observation period was initiated. At the completion of the observation period, Johnny was asked to provide a sample of his breath to determine its alcoholic content. Johnny provided the following samples of his breath 0.053g/210L and 0.059 g/210L. Based on the indicators and level of impairment, I offered Johnny the opportunity to participate in a Drug Influence Evaluation which he refused.

Johnny was ultimately charged with DUI (ANHCDGE) and resisting an officer without violence and held on a total bond of \$1000. Johnny was issued a uniform traffic citation for riding a bicycle with no lights (ANUPH1E).

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **08/30/2026**, at **00:13** (Specifically include facts constituting cause for arrest.)

On 08/30/2026, at approximately 0013 hours, I, Ofc. Herrera, responded to 3001 Riverside Park Drive, in reference to a crash involving a black Ford truck that other officers were BOLO'ing for after leaving Riverside Cafe (3341 Bridge Plaza Drive). Reference case #26-006872.

On arrival, I observed a black Ford truck (FL tag Z037NR), sideways in a ditch on the southeast corner of Riverside Park.

The officers on scene informed me that when they first arrived, Lawrence J.M. Compton (DOB: 06/03/1966), was behind the wheel and in the driver's seat. When I arrived, he was in the passenger seat closer to the window that was away from the water.

Michael S. Hooker (09/16/1966) and his wife, Barbara M. Hooker (10/11/1971), were at the location of this incident when it happened. They informed the officers on scene that they witnessed Compton behind the wheel and driving his vehicle through Riverside Park and watched him drive it into the ditch.

I attempted to communicate with Compton, but he was uncooperative and his speech was slurred. Once Indian River County Fire arrived on scene they were trying to communicate with Compton, but Compton kept asking why they were there if there was no fire and questioning why they had a ladder outside of his vehicle as they attempted to remove him from the vehicle. Compton was confused, disoriented and did not seem to know where he was and that he drove his vehicle through a park and into a ditch.

After Compton was removed from the vehicle and placed on a stretcher, he seemed agitated and uncooperative with EMS. As the paramedics were approaching their ambulance, they asked if we could stand by them since Compton was not cooperating and they feared he may become combative.

As I was next to Compton, I could smell the odor of alcohol emitting from his person and due to Compton needing medical attention, I was unable to perform standardized field sobriety exercises on scene.

Once Compton was inside of the ambulance, he continued to deny medical attention and did not want to go to the hospital. Ofc. Covarrubias and I were standing outside of the ambulance when Compton began to take the safety straps off and became aggressive. Ofc. Covarrubias and I stepped into the ambulance to restrain Compton when he pulled his right arm away from Ofc. Covarrubias and intentionally struck him in the chest area with his left hand. Compton was restrained to the stretcher and transported to Cleaveland Clinic Indian River Hospital (Run # 2026-23912).

At the hospital Compton continued to refuse medical attention and refused to answer any questions. Compton continued to be combative therefore he was restrained to the hospital bed. The hospital was unable to perform any of their interviews and gave me Compton's medical clearance.

As we are escorting Compton outside, I was holding him by his right arm, and he was having trouble walking straight and a hard time standing up straight.

Once we arrived at the Indian River County Jail, Compton was placed on video in the Intox room. D/S Rentas of the Indian River County Sheriff's Office who is a certified Breath Test Operator then asked Compton if he would provide a sample of his breath for the purpose of determining its alcohol content, which he then refused. D/S Rentas then read Compton Implied Consent which he then refused.

Based on my investigation, I determined Compton was in violation of:
F.S.S. 784.07(2B) Battery on law enforcement,
F.S.S. 316.193(3C1) DUI damage to property (Citation #AFVKL3E)
F.S.S. 316.1939(1D) Refusal to submit DUI testing, (second offense) (Citation #AMZ9F5E).

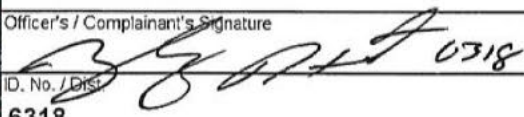

This incident was captured on my BWC and uploaded into Vero Beach Evidence Library.

Case Report # 2026-00093035

NARRATIVE

On Sunday, August 30, 2026 at approximately 0134 hours, I conducted a traffic enforcement on a gray Ford F150 (FL / DK36AH) near the intersection of SR-60 East and Indian River Boulevard in Vero Beach, Florida.

While traveling North on US Highway 1 near 41st Street, I observed a pick-up truck travel east on 41st Street towards Indian River Boulevard. When it reached Indian River Boulevard, the truck sat at the light for an unusual amount of time with no traffic. The truck then traveled South on Indian River Boulevard. I observed the truck weave within its lane several times and struggle to navigate the transition into the turn lane at the Merrill Barber Bridge. The truck came to a final rest approximately half a truck length past the marked stop bar in the intersection.

I activated my emergency lights and the truck yielded to the right shoulder. I made a driver's side approach, and as I approached the truck, I observed several Styrofoam "to-go" style cups that contained a yellow liquid. These drinks were fresh, as I could see the ice cubes and condensation on the cup. The cups appeared to be quickly stashed in an effort to hide them from view.

I made contact with the driver, Mr. Bruce Jackson (Arrestee) who I identified by the Florida Driver's license he provided me. While speaking with Bruce, I could smell the distinct odor of an alcoholic beverage emitting from his breath. His eyes were watery and his speech was slurred. I asked Bruce where he was coming from and the response was "down the street."

I direct Bruce to turn off his truck and step out to speak with me. He exited the vehicle slowly and walked slowly towards my patrol vehicle. Once outside of his truck, I continued to smell the strong odor of alcohol emitting from his breath as he spoke. I explained my concern for his ability to operate a motor vehicle and requested he complete Standard Field Sobriety Exercises (SFSE's) with me. Bruce stated "I'm safe to operate my vehicle" but ultimately agreed and was questioned about his medical history. Bruce did not provide any alarming responses that would preclude completion of the SFSE's. Bruce mentioned he had

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions and directed Bruce into the starting position. I instructed Bruce to remove his glasses and he stated "they are for the state." Bruce argued with me before ultimately removing his glasses. I the following validated clues of impairment: Lack of smooth pursuit, Distinct and sustained nystagmus at maximum deviation and onset of nystagmus prior to 45 degrees (30). I did not observe Vertical Gaze Nystagmus. Bruce had difficulty following instructions and had to be reminded several times not to move

his head.

The second exercise I administered was the Walk and Turn (WAT) exercise. I explained and demonstrated the exercise and instructed Bruce into the starting position. During the instructional Phase, I observed the following validated clue(s) of impairment: Began prior to being instructed (twice). During the walking phase, I observed the following validated clues of impairment: Stopped walking to steady, missed heel to toe, Incorrect number of steps (10/9), improper turn, and stepped offline. Bruce began by arguing about the condition of his feet, however failed to disclose any issues during the medical questioning. Bruce interrupted me and talked over me while attempting to explain the exercise. Bruce's steps were heavy and deliberate. Bruce DID NOT complete this exercise to standard.

The third exercise I administered was the One Leg Stand (OLS) exercise. I explained and demonstrated the exercise and instructed Bruce into the starting position. As I explained the exercise, Bruce proceeded to argue with me about the height of six inches as it pertained to the exercise. Bruce raised his Left foot off the ground for approximately 3 seconds before placing it on the ground and used his arms for balance. Bruce had to be reminded to look down at his feet and count aloud. After the time of the exercise, Bruce again looked down at his feet and said "I don't even know what six inches is!"

Based on the observed driving pattern, physical observations and substandard performance of SFSE's, I established probable cause to place Bruce under arrest for Driving Under the Influence. Bruce's passenger was released from the scene, and when she exited the truck, I observed another Styrofoam cup with the same-colored liquid in the passenger door panel. This cup smelled of alcohol and was discarded on the side of the road.

During a probable cause search of the truck, Deputy S. Eiswerth (6340) located an open bottle of Grey Goose Vodka and another bottle that contained a red liquid that smelled of alcohol as well.

Upon arrival to the Indian River County Jail Complex, Bruce was searched and a twenty-minute observation period was initiated. At the completion of this period, Bruce was requested to provide a sample of his breath to determine its alcoholic content. Bruce refused to cooperate with the correctional deputies' instructions and refused to follow their orders to facilitate the DUI investigation. Bruce refused to provide a sample of his breath and was advised of Implied consent by Deputy Rentas (6001). With full knowledge of the consequences, Bruce still refused to provide a sample.

A query of D.A.V.I.D. revealed Bruce has a prior DUI conviction (5803XDG) and prior refusal to submit Suspension (AAO5CKE).

Bruce was ultimately charged with DUI (ANHCDUE) and Refusal to submit to DUI testing 2nd or

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **08/30/2026** , at **13:20** (Specifically include facts constituting cause for arrest.)

On 08/30/26 at approximately 1320 hours, I, Ofc Aguilar responded to 1901 US Hwy 1 (BP gas station) in reference to a trespassing. The clerk, Atif Chaudhry informed Vero Beach Communications that the subject he was calling about is known as "Ozzy" and that he was standing by the dumpster wearing a white t-shirt and grey shorts.

It should be noted that there is a dumpster located on the southwest corner of the BP property. Upon arrival, I observed an individual matching that description standing on the west side of the dumpster. As I approached the dumpster, the subject then moved to the northside of the dumpster. I then came around the corner and contacted a subject known from previous law enforcement contacts as Kelly Oneill. I observed that Oneill was emitting the strong odor of alcoholic beverage from his person and was unsteady on his feet.

Oneill upon see me stated, "What the fuck do you want". I informed Oneill that the clerk requested that he be trespassed from the property. Oneill then motioned for us to walk towards the store. Oneill then proceeded to the front entrance, and I asked him to remain outside.

I then spoke with Chaudhry who requested that I trespass Oneill and remove him from the property. I then informed Oneill that he was trespassed, he then slowly walked across street, still exhibiting signs of being intoxicated. Oneill then sat on the sidewalk that is on the south side of 19th St. I again informed Oneill that he was trespassed for a year from the property, he responded by complaining about the length of time he was trespassed. Officers then left the scene.

At 1333 hours, Vero Beach Communications received a phone call from Chaudhry informing us that Oneill had returned onto the property and was inside the store. I then returned to the BP gas station where I observed Oneill walking alongside the building and then southbound through the parking lot. Oneill was then placed under arrest for violation of F.S.S. 810.08 Trespass in structure or conveyance. Oneill was then transported to the Indian River Cleveland clinic due to him being severely intoxicated and complaining of withdrawal symptoms. Oneill was medically cleared then transported to the Indian River County Jail without further incident.

Arrest Affidavit Report

Case Report # 2026-00093300

NARRATIVE

On Sunday, August 30th, 2026, at approximately 2330 hours, I, Deputy M. Neill #6317 responded to the 7/11 at 8530 US Highway 1, Vero Beach, Indian River County, Florida, in reference to reckless driver.

Ms. Madyn Waskiewicz [REDACTED] to report a reckless driver. She advised a small white sedan was unable to maintain its lane, as the vehicle was running off the roadway. She advised they were originally going Northbound on US1, until the vehicle pulled in to the above gas station. Ms. Waskiewicz did not stay in the area.

Deputy Mims responded to the 7/11 first. Upon his arrival he located a small white Toyota Corolla parked at the pump. He did not see anyone in or around the vehicle (as he drove by the rear of the vehicle). He continued around the store to see if maybe someone was within the store. As he drove by the front of the vehicle, he observed a black male, later identified as Mr. Cordarro Lockett, passed out in the driver's seat of the vehicle. The vehicle appeared to be, as the headlights were on. Deputy Mims advised me of his findings. Due to the vehicle likely being the same vehicle called in on about its driving pattern, there was a cause for concern about the driver being ill, injured, or impaired, based on the driving pattern and the observations made on scene. For the safety of the public and Mr. Lockett, the vehicle was boxed in to prevent flight, either it be intentional or inadvertently due to medical reasons.

Once the vehicle was boxed in, I approached the vehicle. Mr. Lockett was leaned back within his seat, as it was reclined backwards. He had his mouth wide open. Additionally, there appeared to be food residue on his shirt and seatbelt, that appeared to be vomit. The vehicle was also on and running. The vehicle was in park.

I knocked on the window in efforts to wake Mr. Lockett. It took multiple knocks for him to wake up. Once away, I observed a dazed look followed by uncertain hand movements. Mr. Lockett opened the door after I asked him to roll the window down. Mr. Lockett originally missed grabbing the door handle as he was attempting to open the door. Once the door was open, I could smell the odor of an alcoholic beverage emitting from the vehicle. Additionally, I observed bloodshot and watery eyes. As Mr. Lockett spoke, he had a very thick, slurred speech.

Based on the clues of impairment, I requested Mr. Lockett exit the vehicle and identify himself. Mr. Lockett grabbed his wallet from his back pants pocket. He removed a stack of cards from his wallet. As he was shuffling the cards to find his license, he dropped a bunch of cards after he had located his license. Mr. Lockett had a sway in his stance and appeared unsteady on his feet. I questioned Mr. Lockett with basic questions to gather a baseline for his cognitive awareness. Mr. Lockett advised that he was heading to work. He always starts work at 0700 in Vero beach. He also believed he was in Gifford as we were speaking to him. I asked if Mr. Lockett had any medical conditions. He stated no. [REDACTED]

[REDACTED] I asked what [REDACTED] I then went on and asked how much alcohol has Mr. Lockett consumed this evening. He advised "a little bit". I asked Mr. Lockett to describe what a "little bit" was. He again stated he had "a little bit".

I requested Mr. Lockett perform Standardized Field Sobriety Exercises (SFSE's) to ensure he was safe to drive and

operate a motor vehicle. Mr. Lockett agreed. The SFSE's go as follows:

Horizontal Gaze Nystagmus (2/6): Mr. Lockett had a lack of smooth pursuit in both eyes. Throughout the exercise, Mr. Lockett would not follow instructions and would look away from the stimulus. Mr. Lockett also could not keep his head still during this exercise and had a large sway in his stance. He had equal pupils and equal tracking. No resting nystagmus was observed.

Walk and Turn (7/8): Mr. Lockett could not keep his balance while in the instructional stance. He missed many heel to toe steps, stopped walking to steady himself multiple time, stepped off line multiple times, used his arms for balance multiple times, made an improper turn, and also took 41 steps down and 45 steps back instead of the 9 instructed steps to take.

One leg stand (4/4): Mr. Lockett swayed while attempting to balance himself, used his arms for balance, hopped, and put his foot down throughout the exercise.

Based on my training and experience, I believe that Mr. Lockett is impaired by drugs or alcohol and not able to safely operate a motor vehicle. He was then placed under arrest for DUI.

A search of his vehicle was conducted. Within the rear of the vehicle, I located a single unopened can of bud light. It was still cold to the touch and had condensation on the can.

Mr. Lockett was transported to the Indian River County Jail. There he provided two breath samples of 0.173 and 0.177.

Arrest Affidavit Report

Case Report # 2026-00093311

NARRATIVE

On Monday August 31, 2026 at approximately 0019 hours, Sergeant Daugherty (5978) observed a grey Toyota Tacoma bearing Florida tag CW75PU parked adjacent to normal parking spaces inside a small parking lot at 801 US Highway 1, Vero Beach. Upon contact with the driver and single occupant of the vehicle who identified himself as Troy Jensen via Florida identification card a FCIC/NCIC query discovered the defendant to not have a valid driver's license, it was canceled indefinitely on 01/12/2025 via DAVID. While speaking with the defendant, the defendant displayed slowed speech, nervousness, and sweating; all possible signs of impairment.

At this time the defendant was ordered out of the vehicle. while outside of the vehicle, Deputy Lang (6136) conducted Standardized Field Sobriety Tests (SFST) with the defendant. While the defendant was performing SFST's, K9 Deputy Williams (5528) and his K9 alerted on the vehicle. Subsequently the vehicle was searched. The search revealed a glass pipe with an unknown white matter inside located in the center console as well as a blue bag which contained a small blue container also with an unknown white matter inside located in the passenger door.

I, Deputy Sibole (6376) scraped the unknown white matter located on the blue container then placed in inside a department issued field test kit which revealed a field test positive (FTP) for Methamphetamine.

The defendant was placed under arrest for FSS (893.147 1B) possession of drug paraphernalia as well as FSS (322.34) Driving while license suspended or revoked. The defendant was transported to the Indian River County Jail where he was turned over to the care and custody of the Corrections Deputies without incident.
