Arrest Affidavit Report

Case Report # 2026-00045523

NARRATIVE

On April 30, 2026, at 21:57 hours, I Deputy D. Coon #6379 responded to Vero Beach Police Department at 1055 20<sup>th</sup> St in Indian River County in reference to a Harassment call.

Upon arrival, I met with Chad Alan Baesman. Chad is the complainant and victim. He stated the following in summary:

Chad has been dating Naline Brits for over a year. Naline has one child from a previous relationship. The father of Naline's daughter is Bobby Dean Martin. Naline and Bobby split custody of their five-year-old daughter, which is mostly uneventful. However, Chad now lives with Naline and her daughter. Bobby allegedly disapproves of Naline's relationship with Chad and Chad's indirect involvement/presence in the daughter's life. This sparked a long series of harassing text-messages that Bobby sent to Chad, which began on March 8, 2026. The text-message remarks continuous include rude and antagonistic comments towards Chad, with Bobby's paranoid suspicions that Chad is conspiring to bar Bobby from child custody. Chad had responded twice to the long string of text messages, merely suggesting legal mediation regarding the child custody situation. However, Chad insists that there is no legitimate reason for Bobby to be sending these messages of any kind to Chad; Chad is not the legal parent and has no other connection to Bobby. Chad expressed that this long string of hateful unprovoked text-messages has caused him severe emotional distress. Bobby's latest string of messages today included challenging Chad to a fist fight. Although Bobby cleverly does not ever mention actual bodily harm, it was at this point that Chad finally decided to contact police. Chad wishes to pursue charges against Bobby Dean Martin for the continued harassment.

Chad showed me the text-message string on his iPhone. Screenshots were taken and dates/timestamps were inspected. Since Chad wished for no further contact with Bobby, Chad sent the following text-message to Bobby's cellphone (772) 269-7455 in my direct presence at 23:12 hours:

**NARRATIVE (Continuation)**

*"Please do not contact me anymore; this includes text message, phone calls, social media, email, in person. Do not contact me anymore."*

Without delay or any perceived reflection, Bobby continued text-messaging Chad with more antagonizing remarks. This continued in my presence and up until 23:44 hours. Bobby sent approximately eleven text-messages to Chad after the request to stop.

I then contacted Bobby Dean Martin at his home at 1041 2<sup>nd</sup> St in Vero Beach. During a consensual encounter in his driveway, Bobby was extremely forthcoming with deputies. He appeared to be under the influence of a stimulant as he stood restless and kept fidgeting. Bobby acknowledged his former relationship with Naline and the troublesome custody arrangement. He also acknowledged his strong contempt for Chad and explained how Chad was a threat to Bobby's child custody. Bobby acknowledged his Boost cellphone (772) 269-7455 number and being in sole control of his Boost cellphone. Bobby admitted to sending the long string of text-messages that commenced on March 08, 2026, and Bobby provided his context and rational for sending the antagonizing messages. Finally, Bobby acknowledged receiving Chad's final text-message at 23:12 hours tonight with the request for Bobby to end future contact. Screen shots of this text-message were shown to Bobby, and he ultimately admitted to sending more text-messages to Chad after Chad's request to stop.

Based on my investigation, it was determined that there was probable cause that Bobby Dean Martin harassed Chad Alan Baesman for approximately seven weeks. Bobby's course of conduct included a relentless series of text-messages that were unprovoked or reciprocated. The messages included indirect and vague threats of violence. As Chad has become a blatant target of Bobby's frustration, Chad has developed a reasonable fear for his safety. Therefore, Bobby is considered a credible threat to Chad. I placed Bobby Dean Martin under arrest for Cyberstalking, F.S.S. 784.048 (2).

NARRATIVE (Continuation)

Upon conducting a search incident to arrest, I discovered a 4-inch pink straw in Bobby's front-left pant pocket. A white powder residue to could clearly be seen on the inside wall of the cut straw. Based on my training-knowledge and experience, I determined this straw to be an improvised device for inhaling or snorting illicit drugs. Bobby acknowledged that the straw was used for consuming cocaine. Using a Sirchie Cocaine ID Swipe, the presumptive test showed a positive blue indicator for cocaine. Therefore, Bobby was also charged with Possession of Drug Paraphernalia, F.S.S. 893.147.

Case Report # **2026-00045567**

**NARRATIVE**

On May 1, 2026, at approximately 0203 hours, while conducting routine patrol in the area of Oslo Road and 27<sup>th</sup> Avenue SW, Vero Beach, Florida, 32962, I observed a white Honda Civic bearing Florida Tag "DM61FI" drive west bound with out any rear brake light or tail lights activated on the vehicle.

I conducted a traffic stop on the vehicle, which the vehicle pulled over in the center left turn lane of Oslo Road. Upon approach of the vehicle, I observed a female driver and male passenger. The driver rolled down the windows, I could smell the distinct odor of an alcoholic beverage emitting from the inside of the vehicle. I then asked the driver for her required documents. I identified the driver as Ms. Megan Fothergill (arrestee) by her Florida Driver's License.

Megan's eyes were glossy and watery, her speech was also very slow and slightly slurred. Megan stated they were leaving her residence and going to his hotel around the area of interstate 95. I requested Megan to step out of the vehicle, while conversating with Megan I continued to smell the overwhelming odor of alcoholic beverage emitting from her breath. Megan advised me she consumed 1 beer, and 1 shot of liquor while at Speakeasy the Bar.

I explained my concern for her ability to safely operate a motor vehicle and requested Megan to complete Standard Field Sobriety Exercises (SFSE's), which agreed to complete.

The first exercise I administered was the Horizontal Gaze Nystagmus exercise. I explained the instructions to Megan who stated she understood and did not have any questions. I observed Megan's pupils were of approximately equal size and tracked simultaneously. During this exercise, I observed the following clues of impairment: Lack of Smooth Pursuit, Distinct and Sustained Nystagmus at Maximum Deviation and an angle of Onset Prior to forty-five degrees in both eyes. Megan's angel of onset was approximately 35 degrees. During this exercise Megan had an orbital sway. I also observed Lack of convergence (LOC).

The second exercise I administered was the Walk and Turn (WAT). I explained and demonstrated the exercise to Megan. I instructed Megan to stand in the starting position, which Megan had extreme difficulty standing in the starting position and continuously attempted to start the exercise before all instructions were provided. Megan asked multiple times how many steps she was meant to take, which she was provided the instructions over again each time she asked. The following clues of impairment were observed: Megan couldn't balance during instruction, started to soon, missed heal to toe, turned improperly, stepped off the line, used her arms for balance. Megan did not complete this exercise to

The third exercise I administered was the one leg stand (OLS). I explained and demonstrated the exercise to Megan, which she stated she understood and didn't have any questions. Megan put her foot down at 3 seconds which is prior before the allotted time. Megan continued to attempt the exercise and was unable to keep her foot at 6 inches above the ground. Megan used her arms to help her balance. Megan had a slight front to back sway. Megan did not complete this exercise to standard.

Megan was placed under arrest for Driving under the influence and transported to the Indian River County Jail Complex. Megan refused to provide a sample of her breath to determine its alcoholic content. Megan was read implied consent by Deputy Salomon, and Megan still refused to provide a sample.

Megan was ultimately charged with Driving under the influence, and refusal to submit to testing. Megan was processed into Indian River County Jail and held on a total bond of \$1,000.00

Megan was issued the following citations DUI(AM5WF9E), Refusal to submit to breath Test (AMNZ0YE), and No Brake/ Turn Signal Lighted (AMNZ0XE).

Megan's vehicle was removed from the scene by Richelle Baldwin who is the registered owner.

Case Report # 2026-00045568

NARRATIVE

On Friday, May 1, 2026, at approximately 0200 hours, I, Deputy M. Neill #6317 responded to [REDACTED] in reference to disturbance.

Upon being dispatched to the call, it was originally labeled a harassing phone call. The complainant, Mr. Richard Budryk called in to report that his wife's new boyfriend was calling and threatening to respond to the scene. I called Mr. Budryk to speak to him about the issue. While on the phone with him, his wife was yelling for law enforcement to respond. Mr. Budryk then stated that Ms. Budryk was also requesting that I respond to the scene so that I could speak to her.

Upon my arrival I made contact with Mr. Budryk and Ms. Budryk. Both were standing at the end of the driveway, waiting for law enforcement.

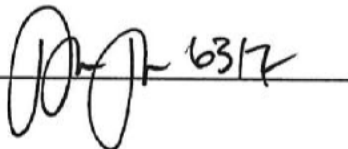

I originally made contact with Mr. Budryk first. He advised that he was in a "physical" disturbance with Ms. Budryk, but it was merely to get her phone. He advised that they were going through a divorce, and Ms. Budryk has been seeing other people. He stated he wanted to see her phone to see who she had been talking too and what she was saying to other people.

I then made contact with Ms. Budryk. She stated that she was sleeping in her children's bedroom at the above residence in order to avoid contact with Mr. Budryk. [REDACTED] when she heard Mr. Budryk attempting to enter the room. He attempted to forcibly enter the bedroom until he obtained an Allen key, and was able to unlock the bedroom. He entered the bedroom, questioning who she was speaking to. After this brief argument, he then stated that he wanted to have sexual intercourse with Ms. Budryk. Mr. Budryk grabbed Ms. Budryk's pants and pulled them down. Ms. Budryk stated "no" multiple times. Mr. Budryk grabbed and pulled her pants down multiple times as Ms. Budryk was simultaneously pulling her pants up and squeezing her legs together to prevent anything sexual from occurring. During this time, Mr. Budryk had his left hand on her right upper chest, attempting to restrain her movement as he was pulling her pants down. Ms. Budryk then walked out of the bedroom and into the master bedroom. Mr. Budryk followed her in to the master bedroom. The disturbance then focused on to Ms. Budryk's phone. Mr. Budryk was able to physically remove Ms. Budryk's phone from her hand while in the master bedroom. There, continued argument over who she was speaking to ensued. Mr. Budryk pushed her and then threw her phone on the ground with force, in efforts to break it. Ms. Budryk believes that Mr. Budryk was breaking her phone so that she could not call 911 to report the disturbance. This is due to [REDACTED] during prior disturbances where she has been the complainant. After Mr. Budryk broke her phone, she attempted to use the Alexa device located within the master bedroom. She asked Alexa to [REDACTED] Mr. Budryk then attempted to prevent this and get Alexa to start playing music instead. After Mr. Budryk was satisfied that the phone was broken, then returned the phone to Ms. Budryk. She then ran back towards the children's bedroom and plugged the phone in to a charger to see if it would turn back on. Mr. Budryk followed her back to the child's bedroom. There he grabbed her by the head and forced her on to the bed. While holding her head, he stated "I should beat your head in to this wall". This action made it again where Ms. Budryk was not free to leave and her movement restricted. Mr. Budryk released Ms. Budryk at this point and this seemed to conclude the disturbance. Ms. Budryk remained at the

residence until Mr. Budryk called law enforcement.

Ms. Budryk had a 3 inch by 5-inch red area on her chest. There was a slight abrasion on the upper part of the redness. Ms. Budryk was also missing two fingernails from the disturbance. They appeared to have been ripped or shattered off. Ms. Budryk's phone was also completely shattered. The front and back of the phone had been destroyed so bad that the phone will not power on anymore.

Ms. Budryk allowed me entry in to the residence. While inside the residence, she showed me where everything occurred at. Looking at the children's bedroom door, there appeared to be fresh pry marks from someone attempting to use a tool to enter in to the bedroom. Near the master bedroom door, I observed one fingernail that was from Ms. Budryk on the floor. Near the railing for the balcony, again near the bedroom door, I located an Allen key that is typically used to unlock household door knobs. Within the master bedroom, I located another fingernail on the floor, near the master bedroom hallway to the master bathroom. Ms. Budryk advised the fingernail was located right next to where Mr. Budryk threw her phone, shattering it.

I spoke with Mr. Budryk. He was advised of his Miranda Rights. He advised he understood his rights and was willing to speak to me about the incident. Mr. Budryk advised that he and Ms. Budryk have been going through a divorce, which is set to finalize in 25 days. Mr. Budryk stated that they both have been seeing other people, but both have broken it off with those people. She has been distancing herself recently and has mentioned another guy named Chris (Christian Prado), and how she was seeing him. Ms. Budryk told Mr. Budryk that Chris was on his way over and that he would take care of the issue with him. Mr. Budryk advised that he was in fear of Chris coming over, and wanted to know what was really happening. He admitted that Ms. Budryk was sleeping inside of their children's bedroom and that the door was locked. He stated that he did not physically break in to the bedroom or attempt to pry it open, he merely used the Allen key to unlock the door. After a brief argument in the bedroom, they went to the master bedroom. There he attempted to grab the phone from her. During the struggle over the phone, the phone went flying and shattered. He did not attempt to physically shatter or break the phone, and that it was an accident. Mr. Budryk again confirmed that things did get physical fighting over the phone but could not specify what he meant by getting physical. He denied hitting her or touching her, but specifically used the term physical. Mr. Budryk denied Ms. Budryk ever expressing or advising that she was going to or wanted to [REDACTED]. He stated that Ms. Budryk never attempted to use the Alexa to [REDACTED] either. Mr. Budryk denied wanting to have sexual intercourse with her or attempting to remove her pants. Mr. Budryk then went outside, still anticipating that the Chris subject was still coming. As I arrived on scene, he put his items down thinking he was going to have to confront him, only for it to be law enforcement arriving. When asked if Ms. Budryk was physical with him, he replied back with stating he does not remember her being physical with him.

Mr. Budryk had a small laceration on his left shin. He had no other marks or bruising on his body.

Mr. Budryk consented to going through his phone with him being present. First, we went through the messages he was sending to Chris. At 0117 hours, Mr. Budryk messages Chris on Textnow, telling him to stop contacting Ms.

Budryk. A conversation goes back and forth between the two, where Mr. Budryk is the primary aggressor in the conversation using profane language, instigating the conversation. Secondly, Mr. Budryk allows us to go through his Alexa application on his phone. Under the REQUEST tab in the app, it is documented that a response of "No" is heard at 0135 hours. This prompted Alexa to ask "what can I help you with". The next request is "Play music Alexa, Alexa". Alexa responds with here's a mix on Amazon music, playing on kitchen. The next response heard is "Stop", followed by another response of "stop".

Looking at the history of calls at the location, Ms. Budryk has called law enforcement twice reporting instances with Mr. Budryk. On April 3<sup>rd</sup>, 2026 Ms. Budryk called in to report that Mr. Budryk was preventing her from leaving and was threatening her. This was documented under case number 2026-35081 where both parties agreed to separate for the evening. On February 18<sup>th</sup>, 2026, Ms. Budryk called in advising that Mr. Budryk was threatening to kill her. Law enforcement arrived and confirmed that it was a verbal disturbance. This was documented in call 2026-18578.

Both Mr. Budryk and Ms. Budryk are legally married as husband and wife. [REDACTED]

Based on the above statements, and physical evidence on scene, I believe there is probable cause to arrest Mr. Richard Budryk for False Imprisonment, pursuant to FSS 787.02.1a, Tampering with or harass a witness, pursuant to FSS 914.22.1e, and for Battery – Domestic Violence, pursuant to FSS 784.03.1a1.

Case Report # **2026-00045763**

**NARRATIVE**

On May 1<sup>st</sup>, 2026, at 1304 hours, I responded to Burlington located at 5950 20<sup>th</sup> St, Vero Beach, FL 32966 in reference to a shoplifting.

Upon arrival, I made contact with store manager, Steve Hutchinson, who advised that a male attempted to steal multiple purses and clothing items and fled west bound on foot behind Lowe's. Steve was advised by one his workers, Sharonda Roberts, that she witnessed a male concealing merchandise on his person. Steve attempted to stop the suspect while exiting the store by yelling "Yo" while outside the store past all points of sale. The suspect looked at Steve and fled on foot.

The suspect was later identified as Raul Suarez-Polo and will further be referred to Raul for the duration of the report.

Via camera footage of the store, Steve provided me with an image of Raul which included him to be wearing a distinct white fedora, glasses, baggy dress shirt, and baggy jeans. While in the commission of the crime in the store, Raul was also wearing a dark in color, open fingered glove similar to a gym lifting glove. Additional deputies arrived on scene which the photo was relayed for possible future apprehension.

I made contact with the witnessing worker, Sharonda, who advised the following in summary:

Sharonda was walking around the store when she passed Raul in the women's dress section putting merchandise down the front of his pants and up his shirt. Shandra could not identify the exact pieces of merchandise that were concealed; however, Raul was taking items out of his cart and concealing them on his person rather than taking merchandise off the rack directly.

Camera footage would confirm that Sharonda did stop observe Raul both times, with the second time showing Shandra and Steve following Raul out of the store. Prior to exiting the store, Raul left the cart that was full of merchandise and fled the scene on foot, leaving the cart in the store. On the outdoor camera, footage shows Raul turn back towards Steve and then start running. At the point of time where Steve said "Yo" is when Raul fled the scene on foot.

In the cart that Steve stated was left in the store by Raul I observed the following merchandise:

- (2) White Michael Kors Purse: \$60 each (Security Locking Device Removed)
- White Guess Purse (Security Locking Device Removed) \$30
- Blue Long Sleeve Shirt \$10

NARRATIVE (Continuation)

Steve stated that due to his experience with shoplifters, they will typically grab a back pack to place the stolen items in to quickly exit the store with merchandise.

Steve advised that Raul removed the locking device that secures the purses on the rack to prevent them from being stolen off the rack. To steal the purses, Steve advised Raul first had to disconnect the locking mechanism of the rope that holds the purses on rack. Second, on the actual purse contains a security lock monitor that alarms when exiting the store from the scanners at the exit, which also needs to be removed.

Camera footage displayed Raul disabling the locking mechanism to the rope that secures the purses on the shelf. Cameras were not able to capture Raul dismantling the security alarm system tags off the purses. Cameras could not capture the movements of Raul in the women's dress section, but show Raul looking down and fidgeting around. Being that this was the only point in the store that could not capture Raul's movements, in the women's dressing area is where Raul dismantled the security alarm system tags off the purses.

I observed Steve anti-locking mechanism device. Steve stated that locking mechanism that locks the rope that binds all the purses together is inserted into the device which then unlocks the mechanism, freeing the rope that binds all the purses. Steve stated that the devices are used to take off the security tags to evade detection from the scanners while entering and/or leaving the store. Steve stated that if the security tag is removed the alarm scanners will not go off.

After reviewing camera footage, Steve and I observed the locking mechanisms that were recorded to be tampered with on film. I observed the same purses that were attempted to be stolen and that were shown to be manipulated by Raul were all tampered and broken. The other locking mechanisms of purses untouched by Raul were not tampered. The locking mechanisms were damaged beyond repair and were approximately \$200 to fix.

While on scene at Burlington, I was advised by Deputy Whittington that Raul was detained and was in possession of anti-shoplifting devices.

Steve was given an Axon community request link to upload all the footage that entailed the crime.

Deputy Whittington advised me that Raul was concealing his white fedora in his pants. Raul's appearance to be identified included Raul's distinct white fedora. Raul attempted to conceal his fedora to prevent law enforcement apprehension.

I made contact with Raul and Corporal Portocarrero translated the interview.

Raul was advised his Miranda Rights, acknowledged them, and wished to speak.

Raul initially stated that he did not take anything from the store and that no one ever told him to stop. Raul acknowledged and identified that the devices on his person were used for anti-shoplifting detection, but stated that he did not use them. Raul eventually admitted to using the anti-shoplifting devices, but stated that he never stole anything, leaving all merchandise inside. Raul admitted to being scared and regretted what he did which is why he fled on foot.

Case Report # 2026-00045763

NARRATIVE (Continuation)

The anti-shoplifting device included a device similar in appearance to Steve's device, metal hook, and a box cutter.

Raul initially stated that he intended to buy the items in his cart. Raul had \$32 on his person to which he could not have paid for the items that were in his cart at the store, resulting in his intent to steal.

No evidence of additional merchandise that was concealed on Raul's person was found. No potential stolen merchandise was located around the premises.

In Raul's back pocket was a dark in color lifting glove with the fingers open. I observed Raul to be wearing this glove on camera while in the store and manipulating purses.

At the jail, Raul stated that there was a male in the store named Peter ("Popo") who was also from Cuba who was his getaway driver. Raul stated that Popo and him were going to sell the money from the stolen merchandise to send back to Cuba. When questioned about why Pop was in the store being that Popo was the getaway driver, Raul did not know why Popo was in the store.

Steve advised that when he went to confront Raul while leaving the store, a male attempted to ask Steve a question to distract Steve from apprehending Raul. The male was identified to be a heavier set, Hispanic male with little hair; however, he was not located. Raul additionally stated to Corporal Portocarrero that he was accompanied by another person, but they left him.

Raul initially indicated that his operation of retail was apart of a theft ring as Raul was contracted out by a male named "Alberto" who Raul met in Miami who pays Raul to steal merchandise from stores. Alberto pays Raul \$20 an hour to steal from stores.

Raul back tracked on his statements and ultimately stated that today's incident was performed by himself and only himself, but could not explain to why if it was not a theft ring, Raul would have coordinated plan to steal included a getaway driver.

Raul was booked into Indian River County Jail without further incident and was charged with the following charges:

- FSS 812.015.7 Use Anti-Shoplifting Device (No Bond)
- FSS 812.015 Attempted Shoplifting (Bond: \$150)
- FSS Criminal Mischief (Bond: \$500)

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-0799

REPORT DATE: 05/01/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On \_\_\_\_\_, at \_\_\_\_\_ (Specifically include facts constituting cause for arrest.)

On Friday, May 1st, 2026 at approximately 1329 hours, I responded to the intersection of S Fleming Street and Sebastian Boulevard in reference to an accident with major roadblocks.

Upon my arrival, I made contact with Officer B. Kieser who was conducting the crash investigation at the time. During this investigation, I observed a male later identified to be Joseph Brazill (suspect) standing near his vehicle appearing confused.

Joseph was then asked by officers to stand in the grass until EMS could arrive on scene due to Joseph previously stating that he was injured. While Joseph was walking off the roadway, I observed him stumble a few times. Once Joseph was on the shoulder of the roadway, he began to stare off towards the roadway while beginning to lose his balance.

Officer Sposato then asked Joseph if he has had anything to drink today, to which Joseph stated he had two drinks just prior to the crash. EMS then arrived on scene and ensured Joseph was not suffering from any sort of head injuries. Joseph then declined to be transported to the hospital, and EMS released him.

Officer B. Kieser then began to ask Joseph questions regarding the crash. Joseph stated he had a green light, so he was pressing on his gas (going approximately 25 mph) when he then made impact with the vehicle in front of him. It should be noted during this crash investigation Joseph had slurred speech, and his eyes were extremely glossy. While Joseph was explaining what happened, he was having difficulty standing upright.

Due to my observations above, paired with the fact that Joseph previously stated he had been drinking, I had reasonable belief that Joseph was under the influence of alcohol. I explained to Joseph that the crash investigation by Officer B. Kieser was now complete, and I will now be conducting a DUI investigation. Post Miranda, Joseph stated he was at the Tiki Bar and Grill in Sebastian approximately 30 minutes prior to the crash. Joseph further explained he had two vodka martinis. Once Joseph left the bar, the crash occurred.

Joseph then consented to complete field sobriety exercises when the following was observed:

Exercise 1: Horizontal Gaze Nystagmus (HGN). During this exercise, Joseph failed to stand upright with his feet together and hands by his side. I observed Joseph constantly swaying and leaning forward. Joseph had to use one hand on his chin to keep from moving his head during each pass. I observed both of Joseph's eyes have lack of smooth pursuit.

Exercise 2: Walk and Turn. During this exercise, Joseph was unable to get into the proper starting position. Before the instructions were directed to Joseph, he began to falsely start multiple times. Due to Joseph consistently falling over, and tripping over his feet, this exercise was not completed.

No further exercises were completed due to the circumstances of Joseph physically being unable to stand without guidance. Joseph was then placed under arrest for driving under the influence resulting in property damage.

Joseph was medically cleared and transported to the Indian river county jail where he conducted a breath alcohol test. Joseph blew a 0.085.

Arrest Affidavit Report

Case Report # 2026-00045912

NARRATIVE

On May 1<sup>st</sup>, 2026, at approximately 1455 hours, I responded to [REDACTED] reference to a disturbance requiring EMS.

Upon arrival, I made contact with Liam Brodie, who stated that earlier in the day his grandparents, Susan and Kirk Miller, went out to dinner with friends and locked him out of the residence. Brodie advised that upon their return, he engaged in a verbal argument with Susan after his grandparents learned he had skipped school. Brodie stated that while he was standing in the middle of the living room, Susan threatened multiple times to hit him due to his behavior. Brodie further stated he told her to "go ahead," at which point Susan grabbed a glass lamp and struck him, causing a small laceration to his left forearm. Brodie then contacted [REDACTED]

I then made contact with Kirk Miller, who was cleaning broken glass from the living room floor. Kirk stated he had been in his bedroom watching television and did not witness the incident, but did hear a verbal altercation between Susan and Brodie regarding him skipping school. Upon hearing glass break, Kirk exited his room and observed Susan standing in the living room with broken glass on the floor. Kirk further stated that arguments between Susan and Brodie are an ongoing issue, noting that Brodie's mother is incarcerated in North Carolina for second-degree murder. He added that Brodie has been using drugs and that his father is not involved in his life.

I then made contact with Susan Miller, who stated that upon returning home, she engaged in a verbal argument with Brodie regarding him skipping school. Susan stated that Brodie entered the residence in an aggressive manner, causing her to fear for her safety due to prior incidents in North Carolina where Brodie had allegedly pinned her against a wall. Susan stated she became fearful, retrieved a glass lamp, and struck him. Upon further questioning, Susan stated that she and Brodie were approximately six feet apart in the living room. When asked what she did as Brodie approached her, Susan stated she turned around, unplugged a crystal lamp from behind a furniture stand, and used it to strike him. During the interview, I observed a small bloody laceration on Susan's left ankle.

After reviewing the evidence and statements gather on scene, the following was concluded. Susan stated she was in fear of imminent harm; however, she also stated that she and Brodie were approximately six feet apart at the time. She further stated that she turned away, unplugged a lamp from behind a furniture stand, and then used it to strike Brodie. Based on this sequence of events, Susan had sufficient time to disengage rather than use force. Additionally, her account was inconsistent with her initial statement of a reasonable claim of self-defense, given the distance between her and Brodie and the time required to retrieve and use the lamp.

Based on the totality of the circumstances, Susan Miller was taken into custody and transported to the Indian River County Jail on the charge of Battery (Domestic Violence), in violation of F.S.S. 784.03(1)(a)1.

AGENCY CASE #: 26-0801

REPORT DATE: 05/01/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 05/01/2026 at 22:47 (Specifically include facts constituting cause for arrest.)

On May 1, 2026, at approximately 2052 hours, I was dispatched to [redacted] regarding a disturbance between the two parents. Dispatch advised that the caller was one of the daughters.

Upon arrival, I made contact with one of David Hernandez's daughters, whom I had contact with in the past. She was standing on the road. She stated that April Fritz, the stepmother, was sitting on the front porch. As I approached the residence, I saw April get up and enter the home. I followed because she closed the door behind her. After opening the door, two little girls came running with tears in their eyes. I assured the little girls (April's daughters) that everything was okay. I saw April go into the room where David was sitting on the bed. I separated the parties.

I spoke to David first, who summarized the following: he said that April and he had been arguing, and that April had accused him of cheating on her. As they argued in the bedroom, he said that April "slapped the shit out of him." David followed up and said that after that, April tried to open up the gun safe, and he slapped her arm to get her away from the gun safe.

I then made contact with one of the witnesses, Alexandra Hernandez, who summarized that her father and April had been arguing for days, she then heard a faint slap coming from her father's bedroom, and she heard him say, "why did you do that, I didn't do anything." There was more arguing when her father walked out of the room, and April followed closely behind him. According to Alexandria, April got into her dad's face,, and David pushed her away, which led to April falling to the ground.

When speaking to April, she stated at first that David had thrown her across the room and then she stated that he never touched her. I tried asking April for her side of the story. April admitted at one point that she slapped him and then denied it. April was not really forthcoming with information.

During my investigation, I determined that April was the primary aggressor in this incident. April was taken into custody and placed in mechanical restraints, double locked.

April was charged with battery with the enhancement of domestic violence, FSS 784.03.

April was transported to the Indian River County Jail without any further incident.

Arrest Affidavit Report

Case Report # 2026-00045974

NARRATIVE

On Saturday, May 2, 2026 at approximately 0018 hours I responded to 14510 U.S. Highway 1, Sebastian in reference to a disturbance. Upon my arrival I spoke with complainant/victim, Sergio De La Cruz Segura who advised me of the incident.

Sergio told me that he and his wife/suspect, Daisy De La Cruz Segura had an argument at Captain Hiram's as they were leaving that originated allegedly with Sergio talking to another female. Sergio and Daisy have been married for six years [REDACTED]

Sergio said as they were leaving Daisy got into her cousin's car but Sergio allegedly escorted Daisy to their vehicle. Sergio told me that Daisy got into their vehicle willingly.

Sergio told me that as they were going back home to [REDACTED] on U.S. Highway 1, Sebastian, Daisy allegedly started kicking Sergio in the right side of his rib cage as he drove the vehicle home. Sergio said as he continued driving Daisy attempted to open the car door while the vehicle was in motion at approximately 55 miles an hour.

Sergio told me that he pulled Daisy back in the vehicle while driving and then had to pull over again at 14510 U.S. Highway 1, Sebastian at the North County Park at the North County Line. Sergio told me that Daisy then ran out of the vehicle and ran towards the river rolling down and embankment approximately 20' down the hill scraping herself up. Sergio said Daisy ran off and then later came back.

Sergio had an approximately 1"x 8" red mark on the right side of his rib cage consistent with Sergio's allegations of F.S.S.-784.03 Battery.

Upon speaking with Daisy, Daisy told me to believe whatever her husband said. Daisy was not cooperative and several times told me to just arrest her. Upon reading her Miranda she told me how could she even answer being "drunk". I then reread Miranda with Daisy refusing to answer me.

Prior to the implied evoking of Daisy's Miranda Rights she did tell me that she had been drinking tequila drinking 3-4 buckets.

Daisy was arrested, handcuffed, searched and transported to the Indian River County Jail charged with 784.03 Battery (Domestic Violence).

At the jail she told Deputy Rodriguez that she did not hit her husband Sergio.

Photographs were also taken by Deputy Rodriguez of Daisy with a slight redness under her neck, slight bruising on her right shoulder, bruising on her right bicep (inner) and several scrapes on her back.

The preceding is true to the best of my knowledge or belief

Arrest Affidavit Report

Case Report # 2026-00046003

NARRATIVE

On Saturday, May 2, 2026, at approximately 0222 hours, I was dispatched to Rack'm Billiards located at 13527 US Highway 1 in reference to an exhibition of a weapon. Dispatch advised that the subject with the firearm left the location in an older white pick-up truck.

While en route to the location I observed an older white pick-up truck traveling southbound on US Highway 1 approaching Barber Street. Deputy Le advised that he had the vehicle on radar traveling at 80 MPH in the posted 50 MPH zone. Deputy Perez and I conducted a traffic stop on the vehicle as it pulled into the 711 located at 8850 US Highway 1.

Due to the allegations made by the caller a felony traffic stop was conducted. While the driver was being taken into custody, he spontaneously uttered that a subject pulled a knife on him and that he was just trying to get away. The driver was secured in the rear of Corporal Chamberlain's vehicle.

Following the conclusion of the felony traffic stop I made contact with the driver who identified himself as Justin Morgan Jr. via his Florida driver's license. Morgan was advised of his Miranda Rights which he acknowledged an understanding of and stated he was willing to speak with me.

Morgan stated he was at Rack'm Billiards and was involved in a disturbance with another subject. Morgan stated the disturbance was settled down, but as he walked to his vehicle the male aggressively approached him in the packing lot. Morgan stated he was in fear of the subject and ran away from him. Morgan stated he got into his vehicle and fled the area southbound on US Highway 1. I asked Morgan if he ever drew a firearm in this incident. Morgan stated he did not and his firearm was secured in his vehicle the entire time. Morgan additionally advised Deputy Le that he had a firearm tucked in between the seats while being taken into custody. Morgan later stated he purchased the firearm from his uncle who lives in Illinois.

While I was interviewing Morgan, Deputy Le utilized his K9 partner to conducted an open-air sniff of Morgan's vehicle for narcotics. Deputy Le advised his K9 partner alerted to the odor of narcotics within the vehicle. Deputy Le conducted a search of the vehicle and located a Kel Tec 9mm pistol tucked in between the front seats within immediate reach of Morgan while he was operating the vehicle.

A criminal history was run on Morgan via dispatch. Dispatch advised that Morgan had been adjudicated delinquent on 08/21/2017. Due to Morgan's adjudicated delinquent status, it is unlawful for him to possess a firearm under the age of 24 years old. At the time of this contact Morgan was 23 years old and knowingly

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 202600834 REPORT DATE: 05/02/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **05/02/2026**, at **15:45** (Specifically include facts constituting cause for arrest.)

**DRIVING WHILE LICENSE SUSPENDED/CANCELLED/ REVOKED (w/ knowledge) in that the Defendant was:**

- Driving and in actual physical control;
- Of a motor vehicle;
- Upon a public road/ highway of this state to wit Indian River Blvd & Royal Palm Blvd.;
- While license suspended/ cancelled/ revoked; and
- With knowledge to wit Defendant received notice by court order or prior UTC in reference to 04/11/2026 Susp 6.0 mos for Driving w/ unlawful BAC (.08% or above) UTC AN530XE

=====

On 05/02/26, I, Ofcr. S. Gonzalez (471), was traveling behind the Defendant on Indian River Boulevard at Royal Palm Boulevard in the City of Vero Beach, Indian River County, Florida.

I conducted a license and registration check by running the Defendant's license plate and received a query response indicating that the Defendant's license was suspended. Furthermore, the query response indicated that the Defendant had knowledge of the suspension via court order or prior Uniform Traffic Citation.

Specifically, the Defendant's license was suspended as of 04/11/26 for DUI (operating a vehicle with an unlawful blood-alcohol level of .08% or above) and was issued DUI Citation no.: AN530XE. Additionally, no permit had been issued nor a license received.

I initiated a traffic stop by activating the emergency lights on my fully marked police vehicle. Upon coming to a complete stop, I exited my vehicle, made contact with the Defendant on the driver's side of his vehicle, and observed that the Defendant was seated in the driver's seat behind the steering wheel.

Upon request, the Defendant provided me with his Indiana driver's license, with which I positively identified him. When asked, the Defendant stated that he had moved to Florida and had been living in the state for three (3) months, providing an address in Okeechobee, Florida.

I informed the Defendant of the reason for the stop and instructed him to wait in his vehicle while I conducted a check of the Defendant's Indiana license, which subsequently revealed that it was also invalid.

I instructed the Defendant to exit his vehicle and once he was out of the vehicle, I inquired about the DUI arrest that resulted in the suspension of his driving privileges. The Defendant informed me that he had been arrested in St. Lucie County and had a breath alcohol level of .152.

Therefore, based on the totality of the foregoing, I took the Defendant into custody placing him under arrest for Driving While License Suspended/Cancelled/Revoked (with knowledge) and informing him accordingly. I then transported the Defendant to the Indian River County Jail without incident.

The foregoing occurred within the City of Vero Beach, Indian River County, Florida, and was recorded with my body-worn camera; the footage was subsequently uploaded to a secure server.

NARRATIVE

On Saturday May 2, 2026, at approximately 1806 hours, I Deputy B. Givens responded to the 4500 block 34<sup>th</sup> Avenue in reference to a traffic stop.

Upon my arrival, I made contact with Deputy Consalo, who stated the follow in substance: He conducted a traffic stop on a gold color Nissan sedan bearing FL/ 98FBAB, for a window tint violation. Upon making contact with the driver of the suspect vehicle, Deputy Consalo was met with an overwhelming odor of raw marijuana emitting from the vehicle.

I was advised of the other multiple violation that were observed from the vehicle which displayed: illegal window tint on the side window which was tested with a tint meter reading 16% and behind the driver and side window adjacent to the driver side with a reading of 3%, and unassigned tag on the vehicle bearing tag #98FBAB, and two open alcoholic beverage containers in the vehicle.

I was informed that the driver, Bobby King Jr, was in possession of green leafy substance that appeared to be marijuana.

Before questioning I read Bobby his Miranda rights to which he waived his rights and agreed to speak with me.

I asked Bobby if he possess a medical marijuana card which he stated yes but he was not in possession of it at the time. I asked Bobby did he buy the marijuana from a marijuana dispensary and he stated no, he bought it from his cousin.

The marijuana was confiscated and placed in the back of my agency vehicle for testing. A marijuana drug field test kit was utilized, resulting in a positive test results indicating the presence of marijuana.

A vehicle search was conducted and later discovered a red cup, with a dark liquid cool to the touch. While removing the cup from the vehicle I observed the cup sweating from the ice inside with a strong alcoholic smell.

Based on my investigation and evidence collected, Bobby was placed in custody for the following charges:

Fss: 893.13: Possession of marijuana not more than 20 grams

Fss: 300.07: 2 counts of possession of open container in motor vehicle

Fss: 320:261: Attached registration license plate not assigned

Case Report # 2026-00046209

NARRATIVE

On May 2<sup>nd</sup>, 2026, at approximately 1816 hours, Deputy T. Goodrich was dispatched to the area of 20<sup>th</sup> Ave. and 4<sup>th</sup> St., Vero Beach in reference to a reckless driver. The caller was identified as Toia Armstrong. She reported a black Chevrolet pickup bearing Florida registration NBTB28 was traveling south on 20<sup>th</sup> Ave and was unable to maintain its lane. Deputy Goodrich was in the area and quickly began driving southbound behind the vehicle in the area of the 500 block of 20<sup>th</sup> Ave.

Deputy Goodrich monitored operation of the Chevrolet pickup, where he observed the vehicle struggle to maintain it the marked lane while traveling south on 20<sup>th</sup> Ave. Deputy Goodrich reported the vehicle crossed over the white fog line 3 times, and the yellow center lines 1 time. Due to this, he activated his lights and siren in the area of 1400 block of 20<sup>th</sup> Ave. SW., where the vehicle came to a final stop in the 1500 block.

Deputy Goodrich made contact with the operator, who was identified as Jeremy Diehl. Jeremy was the sole occupant of the vehicle. Deputy Goodrich noted while speaking with Jeremy he had bloodshot and watery eyes and slurred speech. Deputy Goodrich requested Jeremy's license and registration, where Jeremy handed Deputy Goodrich his credit card. Deputy Goodrich was standing on the driver's side of the vehicle directly in front of Jeremy.

I arrived on scene at around this point, where I approached the passenger side. I observed what I believed to be Jeremy informing Deputy Goodrich of a firearm within the vehicle, due to seeing him point to something, and then Deputy Goodrich said something to the effect of "do not reach for it." I noted the window to be up, where I knocked on it and Jeremy began to move to lower it. While he was doing so, I noted his movements were extremely slow and delayed. I thanked him for lowering the window, where I noted he responded with slurred speech and a thick tongue. I also observed his eyes to be glassy and blood shot. Within the short interaction, I also smelled an odor of an alcoholic beverage emitting from his vehicle as he spoke. I observed a black pistol on the transmission bump directly to the right of Jeremy's right leg, within his immediate grabbing area. I observed the pistol have an extra magazine affixed to the holster.

Deputy Goodrich requested Jeremy to step out of the vehicle, where Jeremy did not comply. He questioned why, and began to slowly move his hands towards his steering wheel. I moved to the driver's side of the vehicle where Jeremy was given two more orders to step out of the vehicle, where he did not move to comply. He was questioning our orders, and not moving to comply. Due to the fear of the situation escalating due to my belief Jeremy was under the influence of alcohol, and passively resisting I believed we were in a possibly lethal situation and was concerned for Deputy Goodrich's safety and mines. Due to the passive resistance, Deputy Goodrich and I took control of Jeremy and

removed him from the vehicle and escorted him to the ground.

Jeremy was immediately placed into handcuffs (double locked/checked for fit). Jeremy was in a prone position on the ground, where we requested him to stand up. He continued to fail to comply with our commands and requests. Jeremy was ultimately transferred to his side in a recovery style position due to his non-compliance. Deputy Goodrich and I made multiple attempts to pick Jeremy up and move him, however, due to his overall size this was difficult. He was making his body stiff and rigid, where it was very difficult to move him. When we attempted to bend his legs in, he would stiffen them up.

I moved Deputy Goodrich's agency vehicle and mine where we had to close traffic in the southbound lane of 20<sup>th</sup> Ave. SW due to Jeremy's non-compliance and to provide a safety zone for all involved deputies and Jeremy. Multiple neighbors exited their residence and began watching the interaction due to the disruption to the neighborhood.

I removed the Smith and Wesson pistol from the vehicle. It should be noted, the firearm was within the immediate grabbing area and right arms reach of Jeremy's seated position. The firearm was loaded with a magazine but did not have a round in the chamber. Notable, the holster featured a compartment for a second magazine, which there was a second magazine. The firearm was on the transmission bump, and secured it within my agency vehicle. I ultimately conducted a check of the firearms serial number HKR7306. The firearm was not stolen.

While waiting for additional units, Deputy Goodrich read Jeremy his Miranda rights, where he stated he did not want to speak. Jeremy was yelling at deputies asking where his car was, despite laying approximately 2 feet from it within his line of sight.

Due to Jeremy's continued non-compliance and resistance with orders to get into a seated position to get into an agency vehicle, Deputy M. Gadacz and Lt. K. Jaworski responded to the scene to utilize a wrap device. Jeremy began to comply with law enforcement when other units arrived. Jeremy was stood up with assistance and walked to the agency vehicle. It should be noted, while Jeremy was walking, he was unable to lift his feet up, and step, and was extremely off balance. I observed what appeared to be a stain on Jeremy's pants, which appeared to be in the area of his gentiles, consistent with urine. As Jeremy spoke during the incident, I noted the odor of an alcoholic beverage grow stronger as he spoke and as I was near him.

Jeremy was placed under arrest, and transported to the Indian River County Jail.

While at the IRC SO Jail, Jeremy was brought to the DUI investigation room. I re-read Jeremy his

Miranda warnings, where he did not respond to this. I explained to Jeremy why he was under arrest, and my suspicious that he was under the influence of alcohol. I explained I was requesting him to submit to Standardized Field Sobriety Exercises. I explained if he did not submit to the exercises, I would be forced to make a charging decision based on my observations thus far. He stated he would not conduct the exercises.

Corrections Deputy M. Rodriguez conducted the breath test with Jeremy. Jeremy was read the Statutory Right and Consent form, where he refused to consent to the breath test. I noted in Jeremy's DAVID history, it stated he had a prior suspension for refusal to submit to breath, urine, or blood test.

I conducted a review of Jeremy's criminal history while at IRCSO Jail. He was found guilty of DUI in Florida in 1999 and 2001. Therefore, this is a third offense in more than 10 years.

NARRATIVE

On May 2, 2026 at approximately 18:26 hours, I responded to [REDACTED] in reference to a physical domestic disturbance call for service.

Upon my arrival, I spoke to the complainant who was also the victim. The complainant was later identified as Megan Beatrice Turner. Megan stated she had been in a physical altercation with her boyfriend, Justin Ray Flannery. Megan stated Justin was no longer on scene and had left the area on foot.

Megan stated while she was inside the residence, she asked Justin to start making dinner so she could tend to their children's needs. Megan stated Justin advised he was not making any dinner and Justin then started to become argumentative with her. Megan stated Justin was laying on the couch when their [REDACTED] began to climb on him for attention. Megan stated Justin got upset and began to get mad that the child that was trying to climb on him. Megan stated that he [REDACTED] walked into the room to remove [REDACTED] from Justin and get [REDACTED] away from that situation. Megan stated Justin got mad at [REDACTED] for trying to move the child away from him. Megan stated Justin stormed out of the residence after [REDACTED] and began to yell at [REDACTED]

Megan stated when tensions started to escalate and Justin was upset, she walked out of the residence along with the rest of [REDACTED] to remove them away from the situation. Megan stated while she was outside with [REDACTED] and [REDACTED] Justin locked the front door and did not allow them back inside the residence. Megan stated while she was locked out of her residence with [REDACTED] she attempted to find another way inside to get the door unlocked. Megan stated she opened the window just to the left of the front door to try and get inside. Megan stated she was able to push the window up just enough so she could fit herself through it and get into the residence. Megan stated while she was entering back into the residence through the window, Justin used both of his hands and placed them on her chest and forcibly pushed her back outside the window. Megan stated the force of Justin's push made her fall backwards and trip over a chair outside the window. After this occurred, Megan stated she called law enforcement. Megan stated after the incident occurred Justin left the scene and walked away from the residence.

While on scene, Megan had visible redness on her chest and a bloody cut on her knee. Megan stated the injuries she sustained were a direct result from Justin's physical and aggressive behavior towards her. K9 deputy, W. Shaw arrived on scene to assist and located Justin (suspect), down the street and detained him. Justin was placed into custody and set into a marked agency issued patrol vehicle. Justin was later brought back to the residence where the investigation continued.

After questioning Megan separately, I then questioned [REDACTED] who stated [REDACTED] was on scene and involved in the incident. observed Justin use both his hands to push her back outside [redacted] stated [redacted] saw Megan fall down to her knees.

Both [redacted] and Megan were questioned separately and each of their statements aligned and collaborated with one another.

Furthermore, I walked outside where Justin was detained. I read Justin his Miranda Warnings and he stated he understood them. After some hesitancy, Justin stated he would speak with Law Enforcement. Post Miranda, Justin stated Megan asked him to make dinner and he stated he would not because they never eat all the food. Justin stated he locked his family outside because he didn't want to deal with the situation anymore. Justin stated he closed the window Megan was trying to get in through. Justin denied any allegation of pushing Megan or causing any injuries to her. Justin stated he knew Megan was calling Law Enforcement and continued to leave the scene on foot to get away from the situation.

Due to the Victim and witness statement, as well as present visible injuries on scene, I determined Justin to be the primary aggressor.

Justin was transported to the Indian River County Jail.

This entire interaction was captured on my agency issued Axon body worn camera.

Case Report # 2026-00046218

NARRATIVE

On Saturday 05/02/2026, at approximately 1858, I was dispatched to [REDACTED] in reference to a disturbance.

Upon arrival I made contact with the complainant, Sherie Jean Case, and the subject, Paul Aldeo Boucher, outside of the residence. Case alleged that Boucher had punched her in the face, thrown her against the wall inside the bedroom of the residence and choked her. I observed swelling and redness on Case's face on her left cheek, as-well as a popped blood vessel in the left eye of Case. Based on the circumstances I detained Boucher while I conducted a further investigation. I also had Fire Rescue respond out to conduct a medical evaluation on Case given her injuries.

I asked Case to walk me through what had occurred tonight, Case stated that Boucher and herself had consumed alcohol and Boucher suddenly became upset with her while he was on the phone with his sister. Case advised that Boucher has an abusive history with her and randomly gets angry. Case stated she wanted to talk to Boucher because Boucher's sister made statements stating that Case is crazy and not good for him. While case was trying to talk to Boucher he grabbed her and threw her into the wall, punched her the face and put her in a choke hold. After separating from Boucher she [REDACTED] and followed Boucher out of the residence.

I observed redness and scrapes on the right arm of Case, as-well as a bruise on her right shoulder. Additionally, I observed a small hematoma above Case's right breast by her collar bone. There was also redness around Case's neck. I took pictures of all the areas listed above. Additionally, I had Case show me the bedroom where the incident occurred and I located a circular hole in the wall by the bed. Case was unable to recall how exactly the damage got on the wall.

Case was asked by deputies if she felt any difficulty breathing or if she felt she was going to pass out, to which she stated she felt weak and had difficulty recalling the details of the incident. I also observed hemorrhage in her left eye indicative of blood flow being interrupted by strangulation.

I then spoke with Boucher and advised him of his Miranda rights, which he voluntarily waived to speak with me. Boucher stated that he and Case where intoxicated and that he was trying to separate himself from Case. Boucher was lying down in his bed while Case continued to try to talk to him. Boucher stated he covered his head with a pillow trying to block out Case, which prompted Case to go to the right side of the bed and hit his right upper thigh. Boucher stated that he was laying on his right side and kicked out to the right, striking Case, but did not know where he hit Case with his foot. I observed redness on the upper thigh of Boucher however when I asked how Boucher got the redness he stated it was a sunburn from being outside. I asked Boucher if he struck Case or put her into a chokehold, to which he denied the accusations. I then asked Boucher how the damage to the wall occurred, which he stated Case punched

the wall in anger. I did not observe any redness or marks on the hands of Case. I questioned Boucher how long he had been in an intimate relationship with Case, which he stated that they had been together for 5 years [REDACTED]

At the time of this investigation, Case advised me that Boucher knowingly and intentionally put her into a choke hold and as a result impeded her normal breathing and blood circulation, causing hemorrhage in her left eye and visible redness on her neck. This occurred while Boucher and Case where in an intimate relationship residing together in the same single dwelling unit as a family.

Based on the totality of the circumstances, I placed Paul Aldeo Boucher under arrest for the following offenses:

- F.S.S. 784.041.2a[9049] – Domestic Violence - Battery by Strangulation

Boucher was transported to the Indian River County Jail without further incident.

Case Report # 2026-00046260

NARRATIVE

On May 2, 2026, at approximately 2048 hours, I responded to the intersection of 12<sup>th</sup> Street and 41<sup>st</sup> Avenue, Vero Beach, Florida, in reference to a suspicious vehicle.

Prior to my arrival, The Indian River County Sheriff's Office Dispatch informed the caller informed them that there was white male slumped over the wheel in his vehicle, blocking the road.

Upon arrival, I observed a silver Honda 2-door bearing Florida tag PQU5P stationary facing east across 41<sup>st</sup> Avenue, which runs north and south.

I approached the vehicle and observed a white male, later identified as Eduardo Nascimento passed out inside the vehicle. I shook Eduardo several times to wake him up. I began asking Eduardo several questions to rule out if he was having a medical issue. As Eduardo turned and spoke, it was evident by his slurred speech, blood shot water eyes, and the strong odor of an alcoholic beverage emanating from his breath, that he was under the influence.

Due to Eduardo's vehicle blocking a lane of traffic, and the keys inside the ignition, I had Eduardo exit the vehicle. Due to Eduardo's level of intoxication, he could barely exit the vehicle, he swayed and had to lean against the vehicle to balance himself.

I asked Eduardo how much he drank tonight, he stated, a little. Eduardo had difficulty answering basic questions and believed that he was on 41<sup>st</sup> Street, by his girlfriend's house, which was miles away.

I asked Eduardo if he would conduct road side exercise's, he advised he was not drunk, and did not drink. I informed Eduardo that he already informed me he had been drinking. I asked Eduardo again if he would submit to road side exercise's, he refused. I read Eduardo "Taylor Warning's" and he continued to refuse. Based upon the totality of the evidence I placed Eduardo in custody for DUI, at which point Eduardo was place in handcuff restraints checked for proper fit and placed in the rear of my patrol car.

Next to Eduardo's car was an empty bottle of 99 Watermelon Liqueur, which read 49.5% ALC/ VOL. Inside Eduardo's car was a full bottle of 99 Cinnamon Liqueur, which read 49.5% ALC/ VOL.

Eduardo was transported to the county jail for booking.

Deputy Gadacz remained on scene and waited for City Cab towing to pick-up Eduardo's vehicle. City Cab towing was given a tow receipt, one was placed into Eduardo's property at the jail, and another was placed into records.

At the county jail Deputy Cazares #5932 requested Eduardo to provide a lawful breath sample. He refused to provide a lawful breath sample. Eduardo was read implied consent. Eduardo refused to provide a lawful breath sample again after being read implied consent.

It should be noted Eduardo has prior DUI convictions and Prior refusal to submit convictions:

Case Report # 2026-00046266

**NARRATIVE**

On Saturday, May 2, 2026, at 2135 hours I Deputy Apollon responded to [REDACTED] in reference to disturbance.

Upon arrival, I observed a gray color pickup truck stopped in the middle of 41st Street, unoccupied, with both the driver and passenger doors left open. As I approached the vehicle, I heard yelling coming from the north side of 43rd Avenue behind a fence line. I then observed a white male, later identified as Aaron Bronson, wearing a gray sweater, blue jeans, brown boots, and a black baseball cap. Bronson appeared out of breath and was near a gate yelling for help.

I made contact with Bronson, who stated he had been chased by his friend, George Murphy, who he described as wearing a gray shirt and dark gray shorts. Bronson advised Murphy had been driving Bronson's vehicle recklessly on 41st Street, doing donuts in the roadway and nearly striking a stop sign. Bronson stated Murphy was acting irrationally and appeared to be under the influence of crack cocaine.

Bronson stated Murphy became upset because Murphy believed Bronson had Murphy's girlfriend's phone. Bronson told Murphy the phone in his possession was his own personal phone; however, Murphy forcibly snatched the phone from Bronson's hand and shattered the front screen. Bronson further stated he attempted multiple times to escape from the vehicle, but Murphy grabbed Bronson by the back of his pants and prevented him from leaving. Bronson stated he attempted to grab the steering wheel in an effort to stop the vehicle from moving. Once the vehicle stopped, Bronson fled on foot to escape Murphy. Bronson stated Murphy then chased him around the lake area located behind the gate, causing Bronson to yell for help.

During a search of the vehicle, Deputy Consalo located a broken crack pipe on the passenger seat and a metal "Chore Boy" scouring pad on the driver-side floorboard, both commonly used as drug paraphernalia for ingesting narcotics. The items were collected and submitted into evidence for processing.

I then made contact with George Murphy, who was acting erratically, was uncooperative, and displayed behavior consistent with being under the influence of an unknown controlled substance. Deputy Chamberlain gave Murphy verbal commands to sit on the sidewalk; however, Murphy repeatedly failed to comply and stood up without instruction. Due to Murphy's erratic behavior and for officer safety, Murphy was detained and placed in the rear seat of my patrol vehicle.

I read Murphy his Miranda warnings, which he stated he understood and agreed to speak to me. When asked if he had been driving the vehicle, Murphy admitted he had been operating it. Murphy stated he and Bronson were traveling from Fort Pierce to obtain narcotics. When asked what led to the altercation, Murphy stated he believed Bronson had his girlfriend's phone and admitted he "freaked out." Murphy further stated he was under the influence

of narcotics and admitted that was the reason for his behavior.

Based on the totality of the circumstances, probable cause was established to arrest George Murphy for the following offenses:

F.S.S. 812.131(2)(b) – Robbery by Sudden Snatching (Without Firearm or Weapon):

Murphy intentionally and unlawfully took Aaron Bronson's cell phone directly from Bronson's person by sudden snatching. The property taken had value, and Bronson was aware of the taking as it occurred. Murphy acted with the intent to temporarily or permanently deprive Bronson of his property.

Arrest Affidavit Report

Case Report # 2026-00046287

NARRATIVE

On May 3<sup>rd</sup>, 2026, at approximately 2307 hours, I responded [redacted] reference to a disturbance in progress.

While en route, dispatch advised that a Spanish-speaking caller reported observing a white male wearing a white shirt physically battering a white female wearing a red dress by punching her and forcing her to the ground.

Upon arrival, I heard doors slamming and a female crying. I then made contact in the driveway with a white female, later identified as Kristin Smith Hutchins, who was wearing a red dress. Kristin appeared visibly upset and was crying. I observed fresh injuries, including scratches, a small swelling on her forehead, bloody abrasions on her forearms, and dirt on the back of her shirt, consistent with being thrown on the ground.

When asked what occurred, Kristin stated that her husband struck her while she was attempting to get into a van belonging to a friend of hers. Kristin stated she did not wish to press charges. She appeared to be under the influence of alcohol, as evidenced by slurred speech and the odor of an alcoholic beverage emitting from her breath.

Shortly thereafter, her husband, John Alden Hutchins, exited the residence wearing a white shirt with apparent blood stains. John also appeared to be under the influence of alcohol, as indicated by the odor of an alcoholic beverage emitting from his breath. While speaking with John, I observed fresh scratches on his left elbow and right forearm. When asked about the incident, John stated he had been involved in a verbal argument with Kristin because she was attempting to get into a van with her drug dealer. When asked about his injuries, John stated he did not know how they occurred and speculated they may have been caused by the van.

I then made contact with the reporting party, later identified as Gustavo Mendez, at 1546 43rd Avenue. Mendez and his wife stated they heard a verbal disturbance coming from the location of the incident. Upon looking toward the area, they observed Kristin attempting to enter a van parked in the roadway. They further observed a white male wearing a white shirt pull Kristin away from the van and slam her to the ground approximately three times. Mendez stated the male then punched Kristin multiple times while she was on the ground.

Mendez agreed to participate in a show-up. With the assistance of additional deputies, John was positioned in front of a marked patrol vehicle, unhandcuffed, and illuminated by ambient lighting. I then drove past John with Mendez seated in the rear of my patrol vehicle. Mendez positively identified John as the individual he observed battering Kristin.

Based on the totality of the circumstances, including the victim's statement, visible injuries consistent with a physical altercation, the independent eyewitness account, and the positive identification, John was placed under arrest. He was handcuffed and secured in the rear of my patrol vehicle.

While in the patrol vehicle, John was advised of his Miranda rights, which he stated he understood and agreed to waive. During a post-Miranda interview, John initially denied any physical altercation. However, when confronted with the eyewitness statements, he admitted to pulling Kristin away from the van but denied striking her, claiming

Arrest Affidavit Report

Case Report # 2026-00046307

NARRATIVE

On Sunday, May 3, 2026, at approximately 0005 hours, I responded to the 7400 block of 66<sup>th</sup> Avenue in reference to a vehicle blocking the roadway.

Upon arrival, I observed a black Hyundai Sonata stopped in the middle of the travel lane stopped. I made contact was made with Deputy McGinnis who was already on scene. Deputy McGinnis advised that multiple subjects were within the vehicle and unresponsive. I approached the vehicle and observed the driver and front seat passenger passed out. I began knocking on the window in an attempt to wake the driver up. The driver side rear door opened and the back seat passenger was asked to wake the driver. The passenger began shaking the driver and calling his name in an attempt to wake him up. Eventually the driver woke up but would not open his door or roll down the window. I opened the driver's door due to the vehicle having dark tint and being unable to see the driver's movement within the vehicle.

I immediately observed the driver to have bloodshot and watery eyes and the odor of an alcoholic beverage emitting from within the vehicle. I asked the driver what was going on and he responded "you already know." I advised the driver that I did not know and asked him why he was parked in the middle of the roadway. The driver appeared confused and stated he was not in a roadway. I requested the driver to turn off the vehicle and step out. The driver was ordered to walk to the rear of his vehicle so I could speak with him.

While walking the driver was unsteady on his feet and struggled to maintain his balance. The driver provided me his Florida driver's license which identified him as Darlyn Rubi. While speaking with Rubi I smelt the distinct odor of an alcoholic beverage emitting from his breath as he spoke. I also observed Ruby to have slurred speech and slow response. I asked Rubi where he was heading and he stated he was heading to 761 18<sup>th</sup> Place which was his residence. Rubi stated he was coming from The Grove which is a bar located in downtown Vero however, Rubi was traveling northbound on 66<sup>th</sup> Avenue approaching the City of Sebastian.

Based on my observations I believed Rubi to be driving under the influence of alcohol. Rubi was advised of his Miranda Rights and post Miranda he refused to speak with me. Rubi was requested to submit to standardized field sobriety exercises, but he refused. Rubi was advised of his Taylor Warnings and again asked to submit to standardized field sobriety exercises. Rubi again refused.

Based on my observations of Rubi he was placed under arrest for driving under the influence and transported to the Indian River County Jail. Upon arrival at the Indian River County Jail Rubi was requested to submit a breath sample by Deputy Rodriguez. Rubi provided two samples of his breath which were .181 and .173 which both exceeded the legal limit of .08.

I opened the driver's door due to the vehicle having dark tint and being unable to see the driver's movement within the vehicle.

I removed the driver from the vehicle and was speaking with the driver while Deputy Perez was in contact with the passenger. While speaking with the driver I observed Deputy Perez draw her firearm and yell at the passenger to "drop it." I repositioned to where Deputy Perez was standing and observed a black semi-automatic pistol on the center console which was not previously there. I moved to the passenger side of the vehicle and ordered the passenger to keep his hands up and not reach for the gun. The passenger was ordered to exit the vehicle. While the subject was exiting the vehicle he struggled to maintain his balance. The subject was taken into custody and walked to my patrol vehicle. While walking the subject to my patrol vehicle he struggled to maintain his balance causing me to have to support him to stop him from falling. I ordered the subject to lean against my patrol vehicle to I could conduct a pat down for additional weapons. The subject tensed up and attempted to push back into me as I guided him to my vehicle. The subject was forcibly placed on my vehicle and ordered not to move.

Based on the probable cause for arrest for resisting without violence I conducted a search of the subject's person. I located his wallet which contained his Florida driver's license. The subject was identified as Jair Chico Garcia. While searching Chico's person I smelt the distinct odor of an alcoholic beverage emitting from his person. I also observed Chico to have slurred speech, slowed response, and bloodshot watery eyes.

Based on my observations of Chico I determined he was under the influence of alcohol to a level which impaired his normal faculties. Deputy Perez advised me that as she was next to the vehicle she observed Chico draw the firearm from his waistband and hold it in his hand. It was only when Deputy Perez ordered Chico to drop the firearm that he put it down. I retrieved the firearm from the vehicle which was a Glock 19 which was loaded with a round in the chamber making it readily accessible for immediate discharge. Deputy Perez transported Chico to the Indian River County Jail and advised me as she drove to the jail the smell of an alcoholic beverage became

stronger within her patrol vehicle. It should be noted that Chico was the only person transported in Deputy Perez's patrol car.

Based on my observations I found Chico to be in violation of F.S.S. 790.151 use of a firearm while under the influence due to the firearm being readily accessible for immediate discharge and in Chico's hand. Additionally I found probable cause for resisting without violence due to Chico disobeying my lawful command to lean against my patrol vehicle and physically resisting my attempt to make him do so.

AGENCY CASE #: 2026000837

REPORT DATE: 05/03/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
On 05/03/2026, at 00:42 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

I responded to Ofc. W. Brumley's traffic stop at the 2200 block of 20th Street. Ofc. W. Brumley advised he observed a black Chevrolet Camaro (FL tag #: RYKY85) traveling south near the 2500 block of US-1. Ofc. W. Brumley advised he observed the black Camaro traveling onto 14th Avenue (over the train tracks) and observed the front driver side door open while the vehicle was being operated. Ofc. W. Brumley then stated the front driver side door eventually was closed and he continued following behind the vehicle southbound on 14th Avenue. Ofc. W. Brumley observed the black Camaro fail to maintain it's lane of travel, noticing it swerving to the right, almost hitting the curb on several occasions. Ofc. W. Brumley noted that there were vehicles parked on the side street lots during that time. The Camaro then approached the intersection at 14th Avenue and 20th Street where Ofc. W. Brumley observed the vehicle stop over the pedestrian crosswalk (had a red traffic light), almost entering the intersection. Ofc. W. Brumley then observed the black Camaro make a right turn onto 20th Street, traveling west. Ofc. W. Brumley stated that the black Camaro continued to fail to maintain it's lane of travel which prompted the traffic stop. Ofc. W. Brumley stated he activated his patrol lights near the 1700 block of 20th Street, however the vehicle continued traveling west, traveling in the middle and right lane. Ofc. W. Brumley stated he activated his siren to capture the drivers attention, which the vehicle eventually came to a stop at Tallahassee Ave (22nd Avenue) and 20th Street.

As I approached the traffic stop, I observed Ofc. W. Brumley on the right passenger side speaking with the front driver and front passenger. I approached the driver side, which at the time the window was rolled up. Ofc. W. Brumley advised the driver spoke Spanish and requested to have the driver exit the vehicle and to obtain his identification/information. In knocking on the front driver side window, I observed the driver reach for his vehicle keys and attempt to turn the vehicle on. At that time, I opened the front driver side door and requested the driver to exit the vehicle. The driver continued attempting to reach for the ignition and reach within the vehicle, to which I requested he exit once again. The driver then complied and walked to the rear of the black Camaro. I then briefly advised the driver the reason for the stop and requested his identification. The driver stated he did not have it with him but stated he did have a Florida drivers license. The driver/defendant verbally identified himself as Julio Cesar Rodriguez Palacios (H/M DOB: 01/01/1989). In giving dispatch the defendant's information, they were unable to locate any identification or drivers license for him. In asking for a social security number, he stated he did not know it.

It should be noted that while speaking and standing in front of the defendant, I smelled a moderate odor of an alcoholic beverage emanating from his person and mouth. The defendant displayed red, glossy, watery eyes and had slurred speech. The defendant stated he had left a place called "La Mexicana" and when asking him how many alcoholic beverages he had consumed, he responded by pointing and stating he lived somewhere out west, failing to answer the question. I then asked the defendant the same question again to which, he stated he only consumed "one" alcoholic beverage, specifically stating it was "tequila" and used his hands to demonstrated the size of the beverage he had consumed. The defendant also mentioned that the female passenger was his girlfriend.

Based on Ofc. W. Brumley's observations and my observations, I had reasonable suspicion to believe that the defendant was impaired. I then informed the defendant that I would be conducting Standard Field Sobriety Exercises. I asked the defendant if he had any illnesses, pain, or disabilities to which he denied. He also denied taking any prescribed medication.

I then began the Standard Field Sobriety Exercises. Each exercise was demonstrated and explained [in Spanish] to the defendant prior to having him perform them and he stated that he understood them. The defendant was given the option to keep his shoes on or remove them for the exercises. The defendant kept his shoes on.

The results of the field sobriety exercises are as follows:

HGN (Horizontal Gaze Nystagmus)

- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes)
- Slight front to back swaying
- Trouble following red stimuli
- Head movement

WALK AND TURN - Instructions had to be repeated multiple times

- Did not remain in starting position during instruction phase
- Began exercise prior to being instructed (multiple times)
- Interrupted during instruction phase
- Conducted 10 steps on initial instead of the instructed 9 steps
- Improper turn ; other than instructed

- Used arms for balance
- Stepped off line
- Missed heel-to-toe

ONE LEG STAND (Right Leg) - Instructions had to be repeated multiple times

Based on the foregoing, I placed the defendant (Julio Cesar Rodriguez Palacios) under arrest at 01:15 hours, for Driving Under the Influence (DUI) and informed him accordingly.

I then made contact with the female passenger, who was identified as Grethel Guilmar Morales Chamorro (H/F DOB: 01/31/1984). The female passenger stated that the defendant did not possess a drivers license and was undocumented, also adding that he was from Mexico. Based on the inability to find any record of the defendant through our dispatch center, inability to locate a license on the defendant's possession at the time, and Chamorro's statement, it was determined the defendant to be operating a motor vehicle with No Valid Drivers License - Never had one issued.

The defendant was transported to the Indian River County Jail for booking and processing. The defendant was then placed in the Indian River County Jail Intox Room under video surveillance. After an approximate 20 minute observation period (observation began at 0141 hours), I asked the defendant if he would provide a sample of his breath for the purpose of determining its alcohol content [in Spanish] to which the defendant refused. I then read the defendant Implied Consent [in Spanish] and asked the defendant if he would provide a sample of his breath for the purpose of determining its alcohol content to which the defendant refused again.

The Defendant was issued the following citations for this incident:

Case Report # **2026-00046331**

**NARRATIVE**

On Sunday, May 3, 2026, at approximately 02:26 hours, I responded to 9097 20th Street (7-Eleven) in reference to an incident involving a reckless driver nearly colliding with the caller. I established contact with Alex Polatzl, the 911 caller, who reported that he was turning west onto State Road 60 (20th Street) when a red vehicle almost struck his SUV. Mr. Polatzl observed the driver park the vehicle and exit without apparent issues with balance. The individual was later identified as Gwendolyn Behen. While gathering information from Mr. Polatzl, Ms. Behen exited the store appearing unsteady; she missed her car door handle three times while entering her vehicle. Ms. Behen exhibited signs of intoxication, including impaired balance and unusual behavior.

I observed Ms. Behen enter her motor vehicle and drive away from the scene. Based on the statements provided by the witness and my own observations, I commenced following the vehicle to monitor its driving patterns. As I continued to follow the vehicle, I noted the following observations:

- The vehicle was weaving in and out the lane sometimes veering outside of the fog line on several occasions.
- The driver was unable to maintain the vehicle in the middle of the lane, therefore the driver was displaying patterns of swerving.
- The vehicle made a left turn and almost caused a crash with another motor vehicle because the driver made a wide turn.
- The driver was observed running the red light at the intersection of 94<sup>th</sup> Drive and State Road 60 (20<sup>th</sup> Street).
- Once I made contact with the driver, she displayed unusual behavior.
- The driver appeared to be impaired.

Based on my observations and the vehicle running the red light, I initiated a traffic stop on a red Acura bearing Florida license tag RQNI50. Upon stopping the vehicle, the driver was identified as Ms. Gwendolyn Behen. During the interaction, I observed that her eyes appeared watery, with pupils that were constricted. Her speech was slurred, and she mumbled while speaking to me. I requested that Ms. Behen exit her vehicle due to concerns that she might be under the influence of alcohol or drugs, and to prevent her from potentially driving away and creating a public safety issue. When asked, Ms. Behen reported having taken medication earlier in the day, approximately around noon. I inquired if she wished to participate in field sobriety exercises, to which she agreed.

Before beginning the exercise, Ms. Gwendolyn Behen was asked if she had any medical problems and she replied that she did not.

**HORIZONTAL GAZE NYSTAGMUS EXERCISE**

Prior to attempting this exercise, Ms. Gwendolyn Behen indicated she did not have any medical problems that would have prevented her from performing the exercise. It was determined that she was not wearing contacts. Her eyes were checked and they displayed equal tracking and her pupils were equal sizes. Ms. Gwendolyn Behen was instructed to follow the stimulus with her eyes only, keeping her head still. After stating that she understood the instructions, Ms. Gwendolyn Behen attempted this exercise. No resting nystagmus was observed.

The results of this exercise displayed 2 of the 6 possible clues.

- A lack of smooth pursuit in the left eye
- A lack of smooth pursuit in the right eye

During this exercise she had to be reminded to keep her head still and it was noted she displayed an orbital sway. I did not observe Horizontal Gate Nystagmus at Maximum Deviation, Onset of Nystagmus Prior to 45 degrees, or Vertical Gaze Nystagmus.

After the ninth step she was to stop and turn around keeping her lead foot on the ground, taking several small steps with the other foot to turn around. After turning around, she was to take nine steps in a heel-to-toe manner back along the line, in the direction she had come from. Ms. Gwendolyn Behen was further instructed to watch her feet at all times while walking, keep her arms down to her side, and to count her steps out loud. After the exercise was demonstrated Ms. Gwendolyn Behen stated that she understood the instructions and was instructed to begin the exercise.

The results of this exercise displayed 7 of the 8 possible clues:

- Cannot keep balance while listening to the instructions.
- Starts too soon.
- Stops while walking.
  - She stopped twice while walking.
- Does not touch heel-to-toe.
  - On the first set of steps, she did not touch heel-to-toe on steps 1, 2, 3, 4, 5, 6, 7, 8 and 9.

Case Report # 2026-00046331

**NARRATIVE (Continuation)**

The first, second, third, fourth, fifth and sixth times, she missed touching her nose with the finger.

The first, second, third, fourth, fifth and sixth times, she didn't bring her arms down after touching her nose with the finger.

She failed to tilt her head when told to begin. She was swaying during the exercise.

**MODIFIED ROMBERG EXERCISE**

Prior to attempting this exercise, Ms. Gwendolyn Behen indicated she did not have any medical problems that would have prevented her from performing the exercise. She was instructed to stand with her feet together and keep her arms at her sides during the exercise. She was told not to begin until instructed and after the exercise had been demonstrated.

When instructed to start, Ms. Gwendolyn Behen was told to tilt her head back slightly, close her eyes and remain in that position until 30 seconds had passed. She was instructed to say 'stop' when 30 seconds had passed, after which she could open her eyes. She was further instructed to keep her eyes closed during the exercise. After the exercise was demonstrated Ms. Gwendolyn Behen stated that she understood the instructions and was asked to begin.

Ms. Gwendolyn Behen completed the task and stopped after counting 20 seconds and stated she was done. She started the exercise too soon. She was swaying front to back during the exercise. She was making noises during the exercise.

Behen was transported to the Indian River County Jail. A lawful test of her breath for the purpose of determining alcohol content was requested. Behen blew .000 and .000 which was inconsistent with her level of impairment. Suspecting drug use, I requested Lt. K. Jaworski (DRE #31515) to respond to the jail to conduct a drug influence evaluation. Lt. Jaworski completed the evaluation and advised that in his opinion as a certified DRE, Behen is under the influence of a CNS Depressant and a Narcotic Analgesic. He stated that she is unable to drive a vehicle safely. A urine sample was requested by Behen stated she could not urinate.

Based on all the evidence gathered Gwendolyn Behen is in violation of F.S.S. 316.193(1)(A) (Driving Under the Influence).

Case Report # 2026-00046348

NARRATIVE

On May 3<sup>rd</sup>, 2026, at 0345 hours, I conducted a traffic stop on a grey Kia sedan bearing FL/RWJG41, at the 4400 block of US Highway 1, for a window tint violation. Upon making contact with the occupants of the vehicle, I requested the driver to roll the windows down too which he complied. After rolling down the passenger side rear window, I observed an opened NÜTRL vodka seltzer can in the rear passenger cup holders. After observing the open alcoholic container, I requested the driver to provide me with a valid driver's license too which he complied. After identifying the driver as Spencer Deshon Faison, via his FL issued driver's license, I requested that he step out of the vehicle, too which he also complied.

After having the driver, Faison, and the front seat passenger, Jarvis Levon Hicks, exit the vehicle, I explained to both occupants that it's a violation of FSS 316.1936(2)(A), to possess an open alcoholic container in a motor vehicle while in operation. Faison explained that he had just dropped some female passengers off and he alleged that they were the subjects drinking the vodka seltzer. I informed Faison that regardless who was allegedly drinking the beverage, that it was still a violation of the aforementioned FSS; and additionally, an open container of alcohol in plain view within a vehicle provides law enforcement probable cause to search the vehicle.

While searching the suspect vehicle, I located a green leafy substance I suspected to be loose marijuana (commonly referred to as shake), under the driver's seat, not in an original dispensary container. I then utilized an agency issued field drug test kit, to test the suspected marijuana. The field drug test kit provided a positive test result for the presence of THC. I requested Public Safety Dispatch (PSD) to run Faison through FCIC/NCIC databases. It should be noted that Faison possessed a medical marijuana card in his wallet, however, PSD advised that Faison did not possess a valid medical marijuana card. Additionally, PSD advised that Faison was on probation or supervised release status under the supervision of the FL Dept of Corrections, for the felonious charge, aggravated assault w/ a deadly weapon w/o the intent to kill.

Faison was subsequently detained without incident. Through my investigation, I found Spencer Deshon Faison, to be in violation of;

- FSS 893.13(6)(B), possession of marijuana not more than 20g. (reference citation #ANHAVRE)
- FSS 948.06, probation of felony probation

Arrest Affidavit Report

Case Report # 2026-00046402

NARRATIVE

On Sunday, May 3, 2026, at approximately 0914 hours, I responded to the McDonald's restaurant located at 5875 20th Street, Vero Beach, FL, in reference to a battery call for service.

Prior to my arrival, dispatch provided a description of the suspect, and deputies began checking the surrounding area. Several bystanders observed the subject running nearby; however, the initial search was unsuccessful.

Upon arrival, I made contact with several employees to gather further information regarding the incident. The employees provided an updated description of the suspect as an older female with short hair, wearing a purple shirt and blue jeans, and carrying a beige bag. I broadcast the updated description.

Several patrons inside the restaurant appeared visibly shaken by the incident. Two unidentified patrons advised they were familiar with the suspect and identified her as "Angela Story." During this time, I briefly made contact with the victim and inquired whether she wished to pursue charges. She confirmed that she did want to prosecute. Further broadcast the name provided.

Due to the short time lapse and the possibility of the suspect still being in the area, I cleared the scene temporarily and began searching for her. During the secondary search, it was discovered that a vehicle registered to Angela Story was located near the Harbour Freight store at 2006 58th Avenue, a short distance from the initial incident. A deputy checked the vehicle and confirmed it was unoccupied.

An extensive search of the area yielded negative results, and I returned to the restaurant to gather statements and evidence related to the incident.

I then made contact with the victim, Aline Etienne. Aline advised that a subject, later identified as Angela Story, was causing a disturbance inside the restaurant. She stated that she and another manager approached Angela and asked her to leave. Aline advised that Angela became irate and began yelling racial expletives. During the altercation, Angela grabbed a beverage and threw it at her; however, the beverage did not make contact and fell to the ground. Aline further advised that Angela then lunged at her, grabbed her face near the jaw area, and forcefully pushed her head backward. Angela then exited the restaurant while continuing to yell racial expletives, including statements such as "black people don't belong here."

Due to Aline having limited English proficiency, her sworn statement was translated by another manager, identified as Dumas Lauzin. Dumas swore that his translation was true and accurate.

After completing the statement, Dumas provided surveillance footage from inside the restaurant for my review. In the video, I observed Angela make a purchase at the kiosk, proceed to the counter to pick up her item, and then sit in the dining area. After a period of time, Aline and another manager approached Angela and began speaking with her. Angela suddenly became visibly agitated, stood up, and threw the beverage. She then lunged at Aline, grabbed her face, and forcefully pushed her head backward, causing Aline to momentarily lose her balance and sway backward. The force of the contact appeared significant. I immediately asked Aline if she required medical attention; she declined and stated she only experienced an "itchy" sensation to her face.

NARRATIVE (Continuation)

I obtained a digital copy of the surveillance video and uploaded it to Axon Evidence.

I conducted a CAD, NCIC, and DAVID inquiry for Angela Story and the associated Florida tag (#56VCBZ). Through this inquiry, I confirmed Angela Story as the registered owner of the vehicle. I also used her Florida driver's license photograph to confirm she was the same individual observed in the surveillance footage.

After gathering the necessary evidence, I cleared the scene and responded to the Harbour Freight location in an attempt to locate Angela. The vehicle remained unoccupied, and I cleared the area.

At approximately 1216 hours on the same date, I returned to the Harbour Freight location for a second attempt. Upon arrival, I observed an individual seated in the driver's seat of the vehicle. The individual matched the previously provided description, including short hair, a purple shirt, blue jeans, and possession of a beige purse.

I notified dispatch and made contact with the individual. Upon opening the driver's side door, I immediately recognized her as Angela Story. I addressed her by name, and she confirmed her identity.

I advised Angela of the reason for my contact and began questioning her about the incident. Angela admitted to being present at the restaurant and stated that an employee had been belligerent toward her. As I attempted to ask follow-up questions, Angela stated she no longer wished to speak and asked if I was going to arrest her, adding, "just arrest me."

Based on the totality of the circumstances, I asked Angela to step out of the vehicle and placed her in handcuffs in order to conduct a show-up identification. While escorting her to my patrol vehicle, I asked if she had any contraband on her person. At that point, Angela became increasingly belligerent, yelling "I don't want to talk," and began pulling away from me.

To maintain control, I pressed Angela against my patrol vehicle and advised dispatch of the escalating situation. Upon the arrival of a backup unit, Angela was secured in the rear of the patrol vehicle. Due to her continued aggressive and uncooperative behavior, a show-up identification could not be safely conducted.

Angela was taken into custody. Probable cause was established based on her admission of being present at the scene, the surveillance video, and the statements provided by the victim and witnesses.

Angela was transported to the Indian River County Jail, where she was charged with the following Florida State Statutes:

- F.S.S. 784.03(1)(a)(1) – Battery (Touch or Strike)

AGENCY CASE #: 2026000842

REPORT DATE: 05/03/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: On 05/03/2026, at 20:05 (Specifically include facts constituting cause for arrest.)

I responded to a suspicious person call at 655 18th Place in reference to a possible white male wearing a yellow top and dark pants in the backyard. As I approached the front of the residence on foot, I made contact with the homeowner, Fernando Coll (W/M DOB: 05/18/1969). Coll stated the subject was still in his backyard and stated he had last seen the subject near their mango tree.

As I walked to the backyard, Cpl. Dominguez (#498) approached from the north rear side of the residence and advised he observed a white female concealing herself as she was crouched down behind a plant, near the shed. In making contact with the female, she stated she was looking for her cat. She then stated she is currently sleeping in a tent behind Walmart (1750 US-1). The female then rambled on about needing to find her cat due to her leaving the city but she displayed nervous behavior while speaking with me. The female began breathing heavy, sweating, pacing, and her statements were disorganized. The female was identified as Sarah Carmichael Kelly (W/F DOB: 12/31/1976).

I then made contact with Coll and his wife, Alejandra Coll (W/F DOB: 11/01/1960). Alejandra stated that she observed Kelly wandering in her backyard and observed her behaving strange and "speaking" to the plants.

Based on the Kelly's behavior, in that she concealed herself behind the plant while Cpl. Dominguez walked towards her, the close proximity to the homeowners shed, and inability to dispel Kelly's presence on the property, Kelly was placed under arrest for Loitering and Prowling F.S.S. 856.021.

Post Miranda, Kelly continued rambling on about her life while I attempted to ask how she had entered the backyard. Eventually she stated she was planning on leaving Vero Beach and wanted to conduct a walk through. Kelly also mentioned she was trying to look for her dog, however she previously stated she was looking for her cat. Kelly stated she walked from US-1 to the residence (655 18th Place) but then stated she walked from the area of Walmart (1750 US-1).

It should be noted that earlier tonight, at approximately 1918 hours, I had responded to an incident at 1706 US-1 (CVS) pertaining to Kelly. At that time, the store manager had shown me video footage of a female with a yellow shirt, black leggings, brown hair in a bun, which matched Kelly's description. Kelly confirmed she had been at CVS. However, in the video footage, she was not seen carrying a cat or dog at that time.

Kelly was transported to the Indian River County Jail for booking and processing and to be held on a \$150.00 bond.

BWC footage is available on evidence library.

Case Report # **2026-00046580**

**NARRATIVE**

On May 3<sup>rd</sup>, 2026, at 2111 hours, I responded to the 8200 block of Oslo Road Southwest, Vero Beach, Florida, in reference to a DUI investigation.

Upon arrival, I made contact with Sergeant Flores who informed me of the following information paraphrased:

*On May 3, 2026 at 2111 hours I was on patrol driving west on Oslo Road behind a white F-150 pickup. I then observed this pickup drive left of center into oncoming traffic and then drive back into its travel lane. It now had my attention and I observed it to be an out of State tag with the second letter in the sequence scratched out. The truck then drove straight up to 65 MPH in the posted 45 MPH zone. It also again crossed the center line.*

*I activated my emergency equipment and the vehicle yielded on 82<sup>nd</sup> Ave SW and Oslo Road. I approached the driver and asked for his license, registration and insurance. The driver produced his Alabama learner's license. I could smell the strong odor of and alcoholic beverage emitting from the truck. There were 2 other passengers and I asked the driver if he had been drinking today and he said no. I could see that he had watery eyes. I then asked if anyone else in the truck has been drinking and the passenger stated no. I even stated that I could smell the strong odor and it was still denied.*

*I then went back to my patrol car and started running checks on all occupants until Corporal Ballester arrived.*

I then made contact with the driver, Jesus Aaron Estrada, and began my DUI investigation. I asked him if he had any alcoholic drinks tonight and Estrada stated that he did drank two beers earlier. While interviewing him, I detected a strong odor of an alcoholic beverage emitting from his person. I also observed Estrada to have glassy eyes and slurred speech. I asked Estrada if he was willing to participate in a series of field sobriety tests, to which he agreed to.

I asked Estrada a series of medical questions to ensure he could participate in field sobriety exercises. Estrada stated that he did not have any medical or physical problems that could limit his ability to perform these exercises.

All field sobriety exercises were explained and demonstrated proficiently prior to Estrada beginning each exercise, and I confirmed he understood the instructions prior to the start of each exercise. the following were performed.

1. HORIZONTAL GAZE NYSTAGMUS – Resting nystagmus was observed. Equal pupil size was observed in both eyes. Estrada had difficulties tracking with his eyes as he kept moving his head to track. Distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior to 45 degrees was observed at an estimated 30-degree angle. Vertical Gaze Nystagmus was not observed.
2. WALK AND TURN- A straight white fog line was used for this test. When asked, Estrada stated that he had no orthopedic issues and would prefer to conduct the exercise with his sandals instead of his boots. Estrada understood the instructions and performed the exercise with his sandals. Estrada began to walk facing north and missed several heel-to-toe steps. He stepped out of line a couple of times, and walked to step tenth and asked if that was it or if he had to turn around. Estrada then rotated in a circle and continued

to walk south until he reached his ninth step. Estrada missed a couple of steps.

3. ONE LEG STAND – During this exercise, Estrada elevated his left feet and swayed to his left and right a couple of times. Estrada was unable to count to 30 before time ran out, and he did not look at his foot for the entirety of the exercise as instructed. Estrada was unable to complete this exercise.
4. FINGER TO NOSE – Estrada was instructed on how to perform this exercise, which he understood and had no questions about. When instructed to touch his nose with the tip of his right finger, Estrada touched the bridge of his nose but corrected himself immediately. Estrada was able to complete the sequence of this exercise and almost used the incorrect finger to touch his nose but corrected himself. Overall, Estrada performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on April 3<sup>rd</sup>, 2026, the defendant was in actual physical control of a motor vehicle while under the influence of alcohol, beverages, and/or controlled substances and was impaired beyond his normal faculties, incapable of operating a vehicle safely. I took Estrada into custody without incident and transported him to the Indian River County Jail for booking. After arriving at the jail, I was informed that Estrada had agreed to provide a breath sample. At the conclusion of the test, the breath sample showed Brown had a breath alcohol concentration (BrAC) of 0.199 grams per 210 liters of breath and 0.199 grams per 210 liters of breath.

At the conclusion of my investigation, I determined that probable cause exist that Jesus Aaron Estrada, was in violation of FSS 316.193(1) – Driving Under the Influence.

Case Report # **2026-00046563**

**NARRATIVE**

On May 3, 2026, at 2011 Hours, I responded to 4495 US Highway 1 (Wawa) in reference to a disturbance. Prior to arrival, I was informed via dispatch the disturbance was in regards to a black female and black male fighting. The female customer informed the caller, a black male tried getting in the back of her vehicle (in the back parking lot).

Upon arrival, I was informed the male involved was walking away from towards Old Dixie. The male had to be asked to stop. I asked the male if he could explain what happened. The male advised he was confused assumed a family member/ friend came to pick him up. He opened the back door of a vehicle and stated he apologized. The male was identified as Andre Dante Townsend.

I then made contact with the female who was in the vehicle. The female was identified as Texaner Foster. Foster advised she arrived on the store and parked in the back of the store. She made a call to her boyfriend at 7:59PM. She remained in her vehicle and stated she observed the male identified as Andre pacing up and down the sidewalk of the store. She remained in her vehicle for a couple of minutes. She then realized the male she had previously seen pacing was now at the rear right back door. Andre had opened the rear right back door. Foster describes Andre as placing his upper body into her vehicle. Foster then called her boyfriend back at 8:04PM after the incident occurred. In the time frame of five minutes of Foster getting there remaining in her vehicle, Andre walked up to her vehicle and opened her door.

Foster advised she has a CCW and draw her gun due to the uncertainties or intentions Ander had for entering her vehicle.

I then returned to Andre and read him Miranda Warnings. Andre advised he understood and stated he thought someone had come to pick him up. He claimed he had several subjects state they were picking him up, but was unable to say who they were. Andre was asked why he would not verify who was inside the vehicle prior to opening the door, he claimed he could not see well.

I then made contact with the caller, the store manager, Anna Johnson. I observed video surveillance in which Andre is seen pacing the back of the store prior to Foster arriving. Andre was seen picking up a black bag and moving it from one side of the store end to the other. He continues to pace around. He then picks up the bag again and then begins to walk towards Foster's vehicle. Andre is seen going in between two vehicles and Foster's rear right door opens. Foster is seen in her vehicle reacting and turning towards the back of her vehicle. Andre is then seen walking away from Foster's vehicle and Foster is seen exiting her driver side door and exchanging words with Andre.

Based on the fact Andre willfully entered into Foster's vehicle by opening her rear right door and entered her vehicle (by placing his upper body inside) without authorization while Texaner Foster was inside of her vehicle, Andre Townsend was placed under arrest for trespassing of an occupied conveyance and transported to Indian

River County Jail.

Due to a minor cut on his eyebrow (not sustained during this disturbance) the jail nurse advised Andre needed medical clearance.

Andre was transported to Cleveland Clinic Indian River Hospital. Once at the hospital, Andre expressed he did not appreciate being handcuffed and was informed he had to remain handcuffed (only one hand was cuffed to the bed). Andre became agitated and eventually began moving off the hospital bed. When asked to remain on the bed as I and Deputy Consalo attempted to handcuff both his hands, Andre stood up and began resisting. Andre tensed up and began to pull his arms away from one another. Andrea was given several commands to stop resisting. Andre continued to disobey lawful commands and was eventually tased to gain compliance. I was informed during our attempts to restrain Andre when he stood off the bed, Andre drove his knee into Deputy Consalo's left thigh in his inner thigh.

Andre was once again transported to Indian River County Jail and was additionally charged with resisting without violence and battery on law enforcement.

Case Report # 2026-00046600

**NARRATIVE**

On May 3<sup>rd</sup>, 2026 at approximately 2258 hours, I was dispatched to a disturbance at the Chevron Station located at 755 4<sup>th</sup> St., Vero Beach, FL. The calling party was identified as Sarah McKay.

Upon arrival, Deputy Goodrich along with other deputies were on scene investigating. The preliminary investigation resulted in the following information: A female and male, identified as Malorine Garcia Obispo and her live in partner, identified as Johan Velez. They were in an Uber, which dropped them off at the gas station, despite the gas station not being the ordered an intended location. The two adults had three minor children with them. They walked up to a parked black Cadillac SUV and attempted to open to door handle, to gain access to the vehicle. It was determined they believed this car to be the Uber, but were mistaken due to heavy intoxication due to alcohol. A store clerk, identified as Pamela Montoya, stated Johan pushed Malorine to the ground in the parking lot. She explained they were yelling and causing a disturbance prior to law enforcement arrival. The video depicts both parties engaged in a pushing/shoving match, including animated arm movements indicative of yelling, and walking in small circles near and around one another. This is all consistent body language with a disturbance. This disturbance was captured on video, which was uploaded to Evidence.com via a community link.

While this information was being gathered Deputy Goodrich and Deputy Gadacz were with both parties and the three children. Ultimately, the choice was made to sperate the parties for a domestic violence investigation.

At this point, I walked over to the east end of the parking lot, where I instructed deputies to separate the adults. They initially separated, however, when law enforcement went to speak with Malorine, Johan began to approach from behind. I issued him multiple warnings to back up and told him to go to the front of a parked agency vehicle, which was a safe distance from the female. He stated he would stand right where he was and would not move. He was standing chest to chest with me, where I instructed him to back up. He refused. As a result, I handcuffed him (double locked/checked for fit).

Throughout the interaction, I noted both parties to have blood shot and glassy eyes, a strong odor of an alcoholic beverage coming from them as they spoke, and slurred speech and circling thoughts. All of these observations are consistent with intoxication due to alcohol.

Therefore, Johan was intoxicated in public, at a gas station, where he caused a public disturbance resulting [REDACTED] along with continuing the disturbance while deputies were engaged in lawful law enforcement activities. He also chose to actively resist my lawful orders to back up and not interfere with my investigation.

Case Report # 2026-00046600

NARRATIVE

On Sunday, May 4<sup>th</sup> 2026, at approximately 2258 hours I was dispatched to 755 4<sup>th</sup> Street, Vero Beach in reference to a disturbance at the Chevron Gas station.

Upon arrival I made contact with the gas station clerk, Pamela Montoya who advised the following:

Two unknown subjects, a male and female, along with 3 children were in the gas station parking lot and causing a disturbance on the property. She saw the subjects pull into the gas station, get out of an Uber and begin to cause a disturbance with another driver that was at the gas station. She heard the male yell, "get off me, get off me" and the two continued to get into a small shoving match and continue to argue with another subject that was driving the vehicle. The male and female were under the assumption that the other subject's vehicle at the gas station was their Uber driver coming to pick them up. When the male attempted to open the back right passenger door to get into the vehicle, the female went up to him and grabbed his arm to stop him. The male pushed her away from him while the male continued to talk to the driver of the vehicle. The driver of the vehicle thought the male was attempting to steal her car and continued to step out of the vehicle and argue within the parking lot.

Upon arriving to the scene, contact was made with all parties and an initial investigation yielded the following results:

One party involved was a male and female, later identified as Malorine Obispo, and her boyfriend, Johan Velez. The two live together and share three kids who were also on scene. Them along with their kids were inside of an Uber, which dropped them off at Chevron due to not being able to take them to their home. Johan saw a black SUV and assumed this was the other Uber driver they ordered to take them home from the gas station. Johan attempted to open the door handle, but the two did not realize this was not their Uber due to their levels of intoxication.

While this initial investigation was being conducted, myself and Deputy Gadacz were with both parties and the three children. Attempts were made to sperate the parties for a domestic violence investigation, however both Johan and Malorine continued to refuse multiple lawful orders to stay where they were and stop moving around the scene.

We were able to shortly separate the parties, however when other law enforcement officers went to speak with Malorine, Johan began to approach from behind us. Deputy M. Ciofalo advised he issued him multiple warnings to back up and told him to go to the front of a parked agency vehicle, which was a safe distance from the female. He then stated, he would stand right where he was and would not move. As a result, Johan was handcuffed (double locked and checked for fit).

As Johan was being arrested, Malorine began yelling and screaming in front of me. She began to yell at the children and knock their hands away as the children attempted to calm her down. It should be noted, she was primarily speaking Spanish, and no deputies on scene speak this language. Due to her behavior, I was told to handcuff Malorine by K9 Deputy B. McKay. As I grabbed her, she continued to scream and yell, along with slightly pulling away from me. She was ultimately placed under arrest (double locked and checked for fit).

Throughout the investigation, both parties had blood shot and glassy eyes. A strong odor of an alcoholic beverage was coming from both Johan and Malorine as they spoke, along with slurred speech and repetitiveness. All of these

observations by myself and other deputies on scene were consistent with intoxication due to alcohol.

During the investigation, Malorine was under intoxication in public, at an operating business, where she caused a public disturbance resulting [REDACTED]. She continued the disturbance and refused multiple lawful orders while law enforcement was investigating a possible domestic violence.

Malorine was transported to IRCSO Jail by Deputy M. Ciofalo. While at the jail, Cpl. A. Ballester assisted with translation to gather further information from Malorine. She was unable to say her own cell phone number due to the level of intoxication. She was also unable to explain what her job was beyond the word "Toyota".

Based upon the following facts listed above, Malorine Obispo was placed under arrest pursuant to F.S.S. 856.011[3245] – Disorderly Intoxication Public Place Cause Disturbance.

AGENCY CASE #: 2026000844

REPORT DATE: 05/04/2026

TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:  
 On **05/04/2026** , at **00:41** (Specifically include facts constituting cause for arrest.)

On 5/4/26 at approximately 0041 hours, I, Officer W. Brumley responded to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with a white female, identified as Shannon Schwing (defendant), who stated she just got home from work and saw her boyfriend's, later identified as Eric Styles (victim), phone ringing and did not know who it was. As the defendant was looking through the victims phone she found out he was cheating on her. The defendant confronted the victim and an argument ensued. The defendant stated they were in the kitchen due to their daughter being asleep in their room. The defendant stated she threw the victims phone on the ground, breaking the phone, and told the victim to leave and pushed him as he was walking out the door. She also stated the victim never hit her.

Indian River County Deputys located the victim and his vehicle, a blue nissan bearing FL tag# .BX67SD, at 1201 Old Dixie HWY (7-Eleven). I responded to 7-Eleven and made contact with the victim, who stated the defendant got mad about something on his phone, threw it on the ground and began hitting him in the face and head with both hands while the were balled into a fist. He also stated he never hit the defendant.

While speaking with the victim, I observed his left ear to have a cut at the top and was bleeding down the left side of his face.

I responded back to the residence to speak with the victims mother (identified as Tammy Styles) after the victim stated she witnessed what occurred. It should be noted Tammy initially told me she did not see anything happen between the two. When I asked Tammy again if she saw what happened, she stated she only observed the defendant grabbing the victims hair and hitting his face with both hands.

Based on the totality of the circumstance I determined the defendant to be the primary aggressor. The defendant was placed under arrest for violation of FSS. 784.03(1A1) Battery Touch Or Strike DV.

This event was captured on my BWC and uploaded to Evidence Library.

Case Report # 2026-00046647

NARRATIVE

On May 4<sup>th</sup>, 2026, at approximately 0302 hours, I was on routine patrol in the area of 9<sup>th</sup> St. SW., Vero Beach traveling north near the intersection of Old Dixie Highway SW. I noted the person riding the bike did not have a rear flashing red light or solid red light illuminated. Due to this, I conducted a U-Turn.

I observed two parties, one walking and one on an electric bike, moving southbound on 9<sup>th</sup> St. SW. The two turned to travel north on Old Dixie Highway SW and then they cut across the road to the sidewalk on the southbound side of the roadway. I noticed the person on the bike was further ahead of the person walking and this gap was growing. As I drove up to the two parties the person on the bike, later identified as Darrell Barton, was significantly in front of the person walking.

I activated my emergency lights to conduct a traffic stop on Darrell (biker) for lack of a rear red light, where I observed what appeared to be a shiny small wrapper drop to the ground from what appeared to be the left side of Darrell's body. The item dropped onto the side walk. I noted Darrell continued to bike forward placing distance between him and the dropped object. I activated my siren signaling Darrell to stop, where he came to a slow rest. It should be noted, Darrell was not biking at significant speed, therefore, there was no need for a delay in his stopping from the time of activating my lights to final rest.

I parked my agency vehicle, and immediately began to locate the dropped item. I observed what appeared to be a small piece of a gum wrapper which contained a clear crystal-like rock on the sidewalk approximately 10-15 behind Darrell. This was immediately recognized to be consistent with methamphetamine. I picked this item up and secured it. Deputy Lowell would arrive at this time and began to speak with Darrell. It should be noted, the location of the suspected methamphetamine had not been walked past by the 2<sup>nd</sup> person Darrell was traveling with, therefore the 2<sup>nd</sup> person did not drop the narcotics. The 2<sup>nd</sup> person did eventually walk by me and ask if he was free to leave, which I stated yes, and he promptly left.

As soon as the encounter began with Darrell, he began to question why he was being stopped and bothered. I did inform him the reason for the stop, the lack of the rear red light, which he stated he had one; however, he in-fact did not. I asked Darrell if he dropped anything, where he immediately began to get defensive and raised his voice.

I field tested the suspected methamphetamine, which resulted in a positive field test. This was photographed and uploaded to Evidence.com. The narcotics were seized, along with the wrapped, and placed in my agency vehicle.

I handcuffed Darrell with two pairs due to tightness in his shoulder (double locked/checked for fit). Darrell was ultimately read his Miranda warnings, where he agreed to speak with us. He denied

ownership of the methamphetamine and attempted to say someone else dropped it, along with blaming his friend for dropping it. I explained I watched it fall of his person, however, he continued to deny this throughout the interaction. I asked where the two came from which he stated 7/11 on the corner of Highland Dr. SW and Old Dixie. He stated he bought a red Gatorade. This was not in his possession nor belongs when searched. I asked him to stick out his tongue, where I noted his tongue was not red, in-fact I observed whiteness in the rear of his tongue near his tonsils. This did not seem consistent with drinking a colored sports drink moments before the interaction.

Darrell's person and property including his bag were searched. This resulted in negative findings of narcotics. We did locate multiple suboxone strips in the correct prescription packaging. I did observe a small yellow torch lighter, which is consistent with methamphetamine use. This is known through training and experience due to the fact that this type of lighter allows users to have a stronger hotter flame to light the methamphetamine pipe.

Darrell was advised he was under arrest and transported to IRCSO Jail. Darrell was issued Citation AMNZ8NE for possession of a controlled substance which was placed in his property at the jail.
