AGENCY CASE #: 26-004907

REPORT DATE: 07/31/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/31/2026** at **22:33** (Specifically include facts constituting cause for arrest.)

On July 31st, 2026, at approximately 2015 hours, I, Ofc. Z. Dominguez, responded to [REDACTED] in reference to a disturbance.

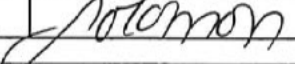

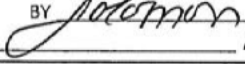

Upon arrival, I observed the witness, Richard Schlitt, and victim [REDACTED] in a verbal altercation with the suspect, Paul Luther. Schlitt and [REDACTED] were in the doorway of a truck, parked in the driveway of the residence, while Luther was in the driver's seat. All parties were then separated and removed from the truck. I first spoke with Luther, who was Mirandized, acknowledged his rights, and agreed to speak with me. Luther advised he was in a verbal altercation with [REDACTED] regarding her dog. Luther claims he became annoyed and attempted to leave for the night. Luther also said [REDACTED] continuously asked him to stay and followed him outside to his vehicle. Luther said he got into the drivers seat of his vehicle reached towards his center console area for a Smith & Wesson 38 Revolver, and pointed it straight up into the air. Luther then claims he fired a single "warning shot" into the air, hoping [REDACTED] would leave him alone, and that "he meant business". Luther then made claims indicative of harming himself and said he held the firearm to side of his head prior to law enforcement arrival.

I then spoke with [REDACTED] who advised she was in a verbal altercation with [REDACTED] Luther. [REDACTED] claims they engaged in a verbal altercation over her dog, when Luther attempted to leave [REDACTED] said she followed Luther outside and continued arguing in the doorway of the truck. [REDACTED] then claims Luther reached to his right and pulled out a firearm. [REDACTED] said Luther pointed the gun straight into the air and fired a single round. I then asked [REDACTED] if this sequence of events put her in fear to which she replied "yes". More specifically [REDACTED] stated she was in fear after Luther fired the gunshot into the air. At this time, the neighbor, Schlitt, heard the disturbance and walked over to the truck. [REDACTED] said Luther then pointed the firearm at the side of his head and made suicidal remarks before law enforcement arrival.

I then spoke with Schlitt who advised he was across the street when he heard [REDACTED] and Luther in a verbal altercation. Schlitt then claims he heard a singular gunshot and walked towards the two subjects. Schlitt said he observed Luther with a firearm pointed at the side of his head and said he was making suicidal statements.

At this time, I placed Luther under arrest for assault with a deadly weapon without intent to kill and discharge of a firearm on residential property, in violation of F.S.S. 784.021(1A)) and F.S.S. 790.15(1). Luther was transported to Indian River County Jail for booking, no bond.

MARSY'S LAW?

AGENCY CASE #: 26-1339

REPORT DATE: 07/31/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **07/31/2026** at **21:16** (Specifically include facts constituting cause for arrest.)

On July 31st, 2026, at approximately 2113 hours, I responded to 2001 US Highway 1, Sebastian, Florida 32958 (Walmart) in reference to a shoplifting in progress. While en-route, Sebastian Communications advised Walmart loss prevention observed a white male wearing a tan shirt price swapping items. When loss prevention attempted to stop him, he took off running with a shopping cart down isle two.

Upon my arrival at 2116 hours, a Walmart employee began flagging me down and pointing at the male in question. I observed the male quickly conceal himself in between two vehicles and then pop back out from in between them. The male immediately began saying he didn't do anything. I ordered the male to stop and upon approaching him to put his hands behind his back. It should be noted that this male pointed out by Walmart staff matched the exact description also provided on the phone. I grabbed the male and attempted to detain him in mechanical restraints. It was at this time that the male began to tense his arms and pull away from me, attempting to defeat my efforts in placing him in mechanical restraints. At this point the male forced me to escort him to the ground. Once on the ground, he continued to tense his arms and attempt to defeat efforts of placing him in custody. The male was given multiple commands to stop resisting and was even warned he would be taken to the ground prior to doing so if he continued to resist, which he did. Bystanders around me were also telling the male to stop resisting law enforcement as well. The male eventually was secured in mechanical restraints and brought up in the seated position.

In between the two vehicles I observed the male quickly conceal himself between, I located a plastic Walmart bag underneath a vehicle parked next to the suspects. Inside this bag was a bass system, with a different price tag sticker for a Salsa Bowl instead. Sergeant Mellius advised he also located a black flashlight in the bushes next to these two vehicles as well. Both of these items appeared to have been discarded in an attempt for them to be concealed.

The male was identified by his Florida driver's license as Kristopher Martin. I advised Kristopher of his Miranda Rights which he understood. Post Miranda, Kristopher denied taking items from Walmart. Kristopher insisted that he paid for items in the shopping cart. I asked Kristopher why he resisted my efforts in stopping him to which he stated he panicked and he did not know what he did wrong. I also asked Kristopher about the bag containing the bass system located underneath a vehicle that's not his, to which he stated he dropped it and forgot that he did. Kristopher denied switching price tags on any items as well.

Contact was made with Walmart loss prevention APA Dawn Ethier, who stated the following: "I, APA Dawn Ethier, working Loss Prevention for the Sebastian Florida Wal-Mart store #1068 was walking the floor when I came across this male that I had seen days earlier ticket switch an automotive speaker with a cheaper sticker. I kept surveillance on him as he made selections in automotive and sporting good and selected a flashlight and a bass system, he then traveled through the isles placing the sticker on the bass system and tearing the flashlight out of the package and putting it on his person. The Bass system from automotive with the last four upc of 5979 and a price of \$64.86 and the flashlight with the last four upc of 8196 with a price of \$44.88. When he was scanning his items, I could pull the transaction up on my phone to see that he did put the sticker on the item and rang it up for the lower price. After making payment this male then exited out of the grocery doors with the items where myself and my witness approach him and ask for a receipt and he denied and took off in the parking lot. The total amount for this incident is \$109.74."

It should be noted that the flash light mentioned in APA Dawn's statement is the same flashlight Kristopher attempted to conceal in the bushes, next to where he attempted to conceal the bag containing the bass system. These items are all pieces of evidence pertaining to the theft investigation.

APA Dawn showed me video of this incident as well. In the video Kristopher is seen scanning the salsa bowl sticker on the bass system which is cheaper in price, rather than the actual bar code for the item.

Sebastian Communications ran a criminal history check of Kristopher, which revealed he has three prior convictions for petit theft. The first conviction was on January 5th, 2006, the second on November 11th, 2012, and the third being on July 31st, 2024. These are all out of Brevard County.

Based on the facts mentioned above and the totality of circumstances, I found probable cause to place Kristopher under arrest for violation of FSS 812.014(2F) PETIT THEFT MORE THAN \$100 LESS THAN \$750 (2+ PRIOR CONVICTIONS), FSS 918.13(1A) TAMPERING WITH EVIDENCE and FSS 843.02 RESIST OFFICER WO VIOLENCE.

Kristopher was transported to the Indian River County Jail without incident.

Arrest Affidavit Report**Case Report # 2026-00081808****NARRATIVE**

On Saturday August 1, 2026 at approximately 0215 hours, I observed a red Mercedes-Benz bearing Florida tag# FMLG72 driving south bound on Old Dixie Highway. Upon a FCIC/NCIC query it was revealed the registered owner had a suspended drivers license. A traffic stop was conducted at the 800 block of Old Dixie Highway, Vero Beach.

Upon approaching the B pillar of the passenger side of the vehicle I observed the registered owner of the vehicle in the driver seat along with three other occupants inside the vehicle. While speaking to the driver, I smelt the fumes of previously burnt Marijuana and observed a small burnt Marijuana cigarette (roach) in an ash tray located in a cup holder in the center console.

I ordered each occupant out of the vehicle individually. Left rear passenger, Khalil Dorvilien was informed he would be searched upon exiting the vehicle. While searching the black hooded jacket Dorvilien was wearing, I found a green circular pill shaped item located in the center pocket.

I then read Dorvilien his Miranda Rights in which he understood and stated the following:

Dorvilien stated the jacket belonged to him, but he hadn't worn it in along time. Dorvilien said he wasn't sure how the green pill ended up inside the pocket of his jacket. Dorvilien told me he only smokes marijuana and he is unsure what the pill could be.

Upon using an agency issued drug test kit, the green pill tested presumably positive for Amphetamine, a scheduled two controlled substance.

Dorvilien was placed under arrest for possession of controlled substance, FSS 893.13.

Dorvilien was then transported to the Indian River County Jail where he was turned over to the care and custody of the Correction's Deputies without incident.

I ordered each occupant out of the vehicle individually. The right rear passenger, Gabriella Mendez was informed she would be searched upon exiting the vehicle. Mendez stated she was not going to allow us to search her because she was a female and I was a male. Mendez was informed she was going to be searched or she will be arrested. Mendez said she would rather go to jail. Subsequently Mendez was then searched. I Located in the right rear pocket of the black shorts she was wearing was a North Carolina driver's license (000007816944) bearing the name, Isabella Jolie Roberts with a date of birth of October 5, 2001.

I then read Mendez her Miranda Rights in which she understood and stated the following:

Mendez stated she was aware of having possession of the counterfeit identification, Mendez told me even though she is in possession of the identification she has never used it.

Mendez was then placed under arrest for possessing or displaying a blank, forged, stolen, fictitious, counterfeit, or unlawfully issued driver's license of identification card: FSS 322.212(1)(a).

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 26-004949

REPORT DATE: 08/01/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **08/01/2026**, at **21:05** (Specifically include facts constituting cause for arrest.)

On **08/01/2026**, at approximately **2105** hours, while on routine patrol stopped at the intersection of Highland Ave and 14th Ave facing southbound. I observed a silver pickup truck with a non-functional front right headlight.

I initiated a vehicle stop by activating the emergency lights on my patrol vehicle. Once stopped, I made contact with the vehicle's driver. Upon making contact with the driver, who I later identified as George W. Murphy (DOB: 9/23/1982) I explained to him the reason for the stop to which he advised he understood. Murphy immediately began to show signs of nervous behavior, sweating profusely from the head area and arms, as well as trembling hands. I questioned Murphy on my observations of him to which he advised his A/C did not work and was nervous. I asked Murphy to then exit the vehicle.

I then made contact with the passenger of the vehicle who I later identified as, Amy L. Welsh (DOB: 12/22/1985) and requested she exit the vehicle. I later asked Murphy to search his vehicle, and provided consent to do so.

Upon search of the front passenger side of the vehicle, I located a glass pipe containing burnt residue on the floorboard of the vehicle. It should be noted after completing my search of the vehicle, I walked over to the front of my patrol vehicle where Welsh was standing to which she voluntarily stated "what paraphernalia" while detaining her.

I read Welsh her Miranda Warning Rights to which she advised she understood and wished to speak with me. I questioned Welsh what was inside the vehicle to which she stated "a crack pipe". I advised Welsh I located a pipe on the front passenger side floorboard and she stated it belonged to her.

Welsh was then placed under arrest for violation of F.S.S.893.147 (1) - Use Or Possession Of Drug Paraphernalia.

Welsh was then transported to Indian River County Jail for processing and booking where she is held on a \$500 bond.

Murphy was later issued a Warning for violation of F.S.S.316.220 Headlights At Least 1 on Each Side of Motor Vehicle, Showing a White Light (VBPD Warning#W118550).

Arrest Affidavit Report

Case Report # **2026-00082279**

NARRATIVE

On Sunday, August 2, 2026, at approximately 1836 hours, I was in the 2700 block of 43rd Street when I observed a vehicle at that I believed to have illegal window tint. I lost eyesight of the vehicle and then reacquired the vehicle at 28th CT and 45th Street. I conducted a traffic stop at 3500 45th Street.

As I approached the vehicle, I observed the front passenger moving around near her left hip area. I made contact with the driver which was identified by his FL drivers as Jerry Bryant; the passenger was identified as Lisa Stroyek. As I conversed with Bryant, I observed Bryant to have a green leafy substance on his black shirt that I believed to be marijuana due to my training and experience. I asked Bryant if he had an active medical marijuana card and he advised that he did not. I asked if they were smoking and Bryant advised that he was. I asked if there was anything else inside of the vehicle and Bryant advised there was weed in the vehicle. Bryant opened the center console compartment and retrieved a plastic Tupperware container that was holding a green leafy substance that I believed to be marijuana based on my training and experience. D/S Cox arrived on scene and due to the marijuana being located, a search of the vehicle was conducted. I requested the occupants out of the vehicle.

I went to the passenger side of the vehicle and rolled the window down. I utilized my agency issued window tint meter and the front passenger window tint read 5%. I searched the passenger compartment area and did not locate anything. I went to the driver's side of the vehicle and located a black grocery bag that was stuffed into a pocket below the steering wheel. The black bag was tied in a knot. I opened the bag and located two clear plastic bags that contained colorful small pills. Based on my training and experience, I believed the pills to be ecstasy. Due to locating those items, Stroyek and Bryant were placed into handcuffs. D/S Cox read both Stroyek and Bryant their Miranda Warning and both parties agreed they understood.

I interviewed Bryant. Bryant denied ownership of the ecstasy and the crack located on Stroyek. Bryant advised that he did not give or tell her to place the crack into her underwear.

While I was interviewing Bryant, Bryant advised that he in fact did have an active medical marijuana card. I asked dispatch to research his medical marijuana card and they advised he did have an active card.

Inside of the bags of ecstasy, I counted approximately 32 pills, field tested positive for the presence of MDMA, and weighed approximately 9.68 grams in its original packaging.

Kramer arrived on scene and conducted a search of Stroyek. Inside Stroyek's bladder area, Cpl. Kramer located five small clear plastic bags that contained a white rock substance. MARSY'S LAW?

AGENCY CASE #: 26-1352

REPORT DATE: 08/02/2026 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **08/02/2026** , at **23:25** (Specifically include facts constituting cause for arrest.)

On August 2nd, 2026, at approximately 2144 hours, I responded to the business of Walmart, located at 2001 US Highway 1, Sebastian, Florida in reference to a theft.

Prior to arrival, Sebastian Police Department dispatch relayed that the suspect, who was later identified as Lindsey Theissen, was leaving the store and heading into the parking lot. Sebastian Police Department dispatch provided a description of the suspect as a white female wearing all pink with a white hat and walking between aisles in the parking lot.

Theissen was located and detained by Officer Hatton prior to my arrival.

I made contact with the complainant, Dawn Ethier, who provided statement:

"I, APA Dawn Ethier, working Loss Prevention for the Sebastian Florida Wal-Mart store #1068 was walking the floor when I came across this female making selections in cosmetics and holding the items in her hands close to small backpack. She then travels through health and beauty and to the front registers in the grocery self checkout where she begins to scan her items and when the cashier was not looking in her direction, she would run the clothing across the scanner without scanning it. The register prompted for a missed scan item which is when an item goes across the scanner and does not scan, the cashier went to the register and corrected it and she continued to not scan all of her items. She was taking so long to scan her items that the register timed out and she had to restart over. She took some items out of the bags and scanned them and then just put bags from one cart to the other without scanning. In the end she paid and then took one of the items that she did not scan and bagged it and put it in her cart. Once payment is made and she exits out of the grocery door passing all points of sale myself and my witness approach her and ask her to come back inside with me. When we head back to my office, she does not stay in the office she goes to the front of the store to the grocery door. I asked her to come back with me and she refused and walked off into the parking lot where Officers met up with her. The items that did not get paid for were some body jewelry with the last four upc of 7310 and a price of \$13.00, a pair of sunglasses with the last four upc of 6820 and a price of \$10.97, a zip up hoodie with the last four upc of 2017 and a price of \$16.98, a blouse with the last upc of 3976 and a price of \$8.98, a tee shirt with the last four upc of 3790 and a price of \$8.98, a baby doll blouse with the last four upc of 0060 and a price of \$11.00, and a junior baby tee shirt with a last four upc of 9590 and a price of \$4.98. The total amount for this incident is \$74.89."

The total loss for Walmart was \$74.89

I then made contact with Theissen. Post Miranda, Theissen denied stealing anything and stated she might have accidentally forgot to scan a t shirt but was willing to pay for it. Theissen stated she was also being rushed by her ride at the time and might have made a mistake.

Based on the totality of circumstances I determined Theissen to be in violation of F.S.S 812.014(2)(F) for Petit theft under \$100 first offense.

Theissen was placed under arrest and transported to Indian River County Jail for processing.

NARRATIVE

On Sunday, August 2, 2026, at approximately 2331 hours, I was traveling south on Old Dixie in the 1200 block. In front of me, I observed a red Cadillac traveling south bound. I observed the vehicle did not have any tag lights illuminating the license plate. Both I and the red Cadillac came to a solid red signal at 8th Street and Old Dixie. I activated my dash camera and turned my headlights off to verify the tag lights were not activated. I observed no lights illuminating the license plate. I conducted a traffic stop in the 800 block of Old Dixie highway.

I made contact with the driver, Jeffery Kuhns. While I was conversing with Kuhns, I observed him to be nervous. Kuhns would not make eye contact with me and I observed his hands to be shaking. Due to the nervousness, I requested consent to search Kuhns's vehicle. Consent was denied. D/S Henry arrived on scene. I requested Kuhns to step out of the vehicle and walk back to my vehicle. I gave D/S Henry Kuhns's drivers license and requested he run him license through dispatch and write a warning for the tag lights.

As D/S Henry was completing he task I asked him to do, I deployed my narcotics certified canine partner Tobi. The vehicle was a red Cadillac CS5 bearing FL tag of IQBM49. I deployed Tobi on the driver rear side of the vehicle. Tobi brought me to the driver's front door that had the window down. Tobi showed me a change in behavior that is consistent of him being in an odor he is trained to detect.

A search was conducted of the vehicle. As I started, Kuhns asked if he could retrieve a cigarette from the vehicle. I advised him that I would retrieve him one. I located the cigarette box in the driver's door pocket. Inside of the pack, I observed a clear plastic bag that contained a white powdery substance that I believed to be cocaine based on training and experience. Kuhns was placed in handcuffs. I went back to the vehicle and located a yellow pill with the imprint of (051) on one side. I believed the pill to be Tadalafil based on experience. On the passenger floor board was a small cooler. In the front pocket, I located a black bag and inside of the bag, I located a white tube. Inside of the tube, I located a green leafy substance that I believed to be marijuana based on my training and experience. Nothing else was located inside of the vehicle.

I read Kuhns his Miranda Warning to which he acknowledged he understood. I asked Kuhns about the cigarette pack and what was inside of it. Kuhns advised that I knew what was inside of it. I asked Kuhns what it was due to me not field testing it yet. Kuhns stopped answering and invoked his rights. No further questions were asked.

Kuhns advised that he could not breathe and D/S Henry requested EMS to arrive on scene. EMS arrived on scene and transported Kuhns to the hospital. I was advised by D/S Henry that while at the hospital, Kuhns advised nurses that he has been using cocaine all day.

I took photos of the items located and uploaded them to Axon.

I field tested the white powder and it tested positive for the presence of cocaine and weighed 1.07 grams in its original packaging.

Through Drugs.com, I identified the yellow pill to be Tadalafil 20mg. Drugs.com advised that the pill was not a controlled

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00082343****NARRATIVE**

On Monday, August 3, 2026, at approximately 0052 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of Highland Drive SE and S US Highway 1, Vero Beach, Indian River County, Florida.

Prior to the traffic stop, I observed a green Ford Explorer leave the business complex near US Highway 1 and 9th Street SW (Oslo Road). After coming out of the complex, the vehicle began traveling southbound on US highway 1. While going southbound, the vehicle hit the white line on the left side of its lane.

After coming up behind the vehicle, I observed that the vehicle had Florida tag CP08GE attached to the vehicle. Upon running the tag, it came back to a 1993 Blue Chevrolet Pickup truck.

I conducted a traffic stop on the vehicle based on the tag not being assigned to the correct vehicle.

Upon conducting the traffic stop, I made contact with the driver, who is the owner of tag CP08GE. She advised that she recently purchased the vehicle yesterday and put her old tag on this vehicle so that he could drive it around until she goes to the DMV tomorrow. While speaking to her, I noticed that she had watery eyes. While at the window, I could smell the odor of an alcoholic beverage emitting from the vehicle. Ms. Haynes was also speaking very fast, cutting me off, and appeared restless. Ms. Haynes kept moving her mouth, as she appeared to be biting the right side of her gum or teeth, similar to bruxism. There was an open corona beer in the center console and the front passenger had a white Styrofoam cup that appeared to have some kind of liquor within it.

Once another unit arrived on scene, I had the driver step out of the vehicle. Upon her stepping out, a rolled up \$1 bill fell out of the vehicle as she stepped out of the vehicle.

Based on my training and experience, I know that rolled up \$1 bills are consistent with people using them to consume cocaine by snorting it. This paired with my training and experience as a Drug Recognition Expert, Ms. Haynes has similar clues of impairment with someone being under the influence of a CNS Stimulant, such as cocaine.

After opening the \$1 bill, I observed a white powder within the bill. I was able to take some powder from within the \$1 bill and place it in to a drug test kit. The powder field tested presumptive positive as being cocaine based.

I conducted a probable cause search of the vehicle. On the front passenger side of the vehicle, I noticed a plastic wrapper with the end twisted off. This is consistent with someone packaging narcotics, for either use, sale, or transportation. On the front passenger floorboard was a small bag that had a white powder residue inside, consistent with being cocaine.

I then searched the passenger, who was identified as Mr. Aaron Lofton. During a search of his person, I located a small plastic bag that had a blue powder substance within it. This bag was removed from his left sock. Mr. Lofton was detained and placed in to a patrol vehicle.

NARRATIVE (Continuation)

I advised Mr. Lofton of his Miranda Rights. During the process, Mr. Lofton did not say yes or no that he was willing to speak to me. Mr. Lofton then asked what did I want to know. I informed Mr. Lofton of my question, which was whether or not the substance was Fentanyl or Cocaine. That way he could make a determination as to if he was going to speak to me or not. Mr. Lofton then stated that he was holding the substance for a friend, who was meeting up with a girl and did not want to have it on him. Mr. Lofton put it in his sock, and he forgot about it until I searched him. He is not aware what the substance is.

The substance later field tested presumptive positive as being Fentanyl. It weighs approximately 1 gram in the packaging.

Mr. Lofton were transported to the Indian River County Jail without incident.
