The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On , at (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 11/02/26, I, Ofc. Neary, conducted a traffic stop on a black Honda bearing FL tag #KQNK84 at 17th Street and Commerce Avenue. I conducted the traffic stop for an expired decal sticker (10/26) & for failing to stop and yield at the 1800 block of US Hwy 1.

Upon making contact with the driver, identified as Amanda Maiden, I advised her of the reason for the traffic stop. While standing outside the driver's side window, I detected a strong odor of marijuana emitting from inside the vehicle. I asked the Defendant whether she possessed a valid medical marijuana card, to which she stated that she did not. I then asked when she had last smoked marijuana. The Defendant stated that she wanted to be "honest" and admitted to smoking earlier that day. She subsequently showed me a smoked blunt.

I instructed the Defendant to exit the vehicle and asked whether there was anything else illegal inside the vehicle that would be discovered during a search. The Defendant stated that there was not.

During a subsequent probable cause search of the vehicle, I located a small, clear plastic baggie inside a backpack that was on the passsenger front seat. The baggie contained four small orange pills and one blue pill. I utilized Drugs.com to assist in identifying the pills as Xanax.

Based on these findings, the Defendant was placed under arrest.

While seated in the rear of my patrol vehicle, I read the Defendant her Miranda rights. The Defendant stated that she understood her rights and agreed to speak with me. When questioned about the backpack, the Defendant confirmed that it belonged to her and took ownership of the pills and the backpack. She further stated that she had been clean for several years but described herself as a "pill head." The Defendant explained that when someone offered her Xanax, she was unable to refuse.

Subsequently, due to the established ownership and possession of the Xanax, I established probable cause to believe the Defendant was in possession of a controlled substance without a valid prescription or other legal authorization (FSS 893.13(6)(A).

The Defendant was subsequently transported to the Indian River County Jail without incident. The incident was recorded on my department-issued body-worn camera, and the footage was uploaded to a secure department server.

NARRATIVE

On Monday, November 2, 2026, at approximately 1754 hours, Corporal Hackett and I responded to 2700 9th Street SW, Vero Beach, Florida, in reference to a motor vehicle crash involving unknown injuries.

Upon arrival, I made contact with Michele Orwan, hereafter referred to as Michele, who stated the following in substance:

She was driving home from a friend's residence and intended to stop at Little Caesars to purchase a pizza before returning home. While traveling southbound on 27th Avenue, she missed her intended turn and inadvertently drove her vehicle into a large puddle of water. Michele admitted she was operating the vehicle at the time of the crash.

During my investigation, I observed Michele's 2011 blue Nissan, bearing FL tag (PIYL81), submerged in water. Michele was visibly soaked from exiting the vehicle following the crash. It was later determined, no other vehicles were involved, no reported injuries and Michele 2011 blue Nissan was the only property which was damaged.

While speaking with Michele, I observed she had watery eyes and slurred speech. I also detected a distinct odor of an alcoholic beverage emanating from her breath. When asked whether she had consumed alcohol, Michele responded yes. When asked how much alcohol she had consumed, she stated she had consumed only one alcoholic beverage.

Based on my observations and the indicators of impairment, I requested Michele submit to Standardized Field Sobriety Exercises (SFSEs), to which she agreed. Before administering the exercises, I asked Michele about her medical history. She denied having any medical conditions and none of her responses would affect her ability to perform the exercises.

I advised Michele of her constitutional rights using an agency-issued Miranda warnings card. Michele stated she understood her rights and wished to speak with me regarding the incident. During questioning, she again admitted to consuming one alcoholic beverage and again admitting she was driving the vehicle at the time of the accident, prior to the administration of the Standardized Field Sobriety Exercises.

The first exercise administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Michele, and she stated she understood them.

Before administering the exercise, I observed that Michele's pupils were approximately equal in size and her eyes tracked equally. I did not observe resting nystagmus.

During the exercise, I observed the following clues of impairment:

1. Lack of smooth pursuit in both eyes.

2. Distinct and sustained nystagmus at maximum deviation in both eyes.

3. Onset of nystagmus prior to 45 degrees in both eyes.

The second exercise administered was the Walk-and-Turn exercise. I directed Michele into the instructional starting position, explained and demonstrated the exercise, and asked whether she understood the instructions. Michele stated she understood and had no questions.

During the instructional phase, I observed the following clue of impairment:

1. Inability to maintain balance while listening to instructions.

2. Started too soon. (Twice)

During the walking phase, I observed the following clues of impairment:

1. Missed heel-to-toe contact.

2. Stopped while walking.

4. Stepped off the designated line.

5. Used arms for balance.

6. Took an incorrect number of steps.

7. Improper Turn.

The third exercise administered was the One-Leg Stand exercise. I explained and demonstrated the exercise to Michele. She stated she understood the instructions and had no questions.

Michele began the exercise by raising her left foot off the ground. During the exercise, I observed her swaying from side to side and using her arms for balance. She also put her foot down before completing the exercise, which caused her to hop losing her balance. It should be noted during this exercise she stated she suffered from Neuropathy. Michele became visibly frustrated while attempting to follow the instructions and was unable to complete the exercise as demonstrated.

Based on the totality of the circumstances, including Michele's physical indicators of impairment, statements regarding alcohol consumption, and performance during the Standardized Field Sobriety Exercises, Cpl. Hackett and I determined there was probable cause to believe Michele was operating a motor vehicle while under the

influence of alcohol.

In accordance with Rene Castillo v. State (2025), Michele's admission of operating her vehicle pre and post Miranda satisfies the element of actual physical control in conjunction with the observed physical indicators of impairment. Michele was placed under arrest for Driving Under the Influence (DUI) and transported to the Indian River County Jail Complex.

Upon arrival to the Indian River County Jail, I made contact with Stephanie via phone who stated the following in substance: She witnessed Michele operating her vehicle during the time of the accident. She observed Michele vehicle submerged under water and attempted to help Michele off of the front driver seat Michele vehicle.

At the jail, Deputy Hiss requested Michele provide a breath sample to determine her breath-alcohol concentration. Michele agreed to provide the samples and provided the following breath-test results:

- First sample: 0.170 g/210L
- Second sample: 0.169 g/210L

Both samples were above the legal limit of 0.08 grams of alcohol.

While searching Michele's bag prior to transport to the jail, I located a receipt from Dom's LLC documenting the purchase of the following alcoholic beverages:

- Three HH Coors Light
- Two HH Budweiser
- Two Well Vodka

The receipt reflected a total purchase amount of $20.75.

When questioned about the receipt which was date on November 2, 2026 at approximately 1618 hours and the quantity of alcoholic beverages purchased, Michele initially stated the beverages were intended for other individuals. During this conversation, Michele acknowledged consuming more than one alcoholic beverage,

contradicting her earlier statements she had consumed only one alcoholic beverage.

Michele's vehicle was removed from the scene by Fire House Towing.

Based on the above investigation, Michele was charged with Driving Under the Influence with a blood-alcohol level (BAL) or breath-alcohol level of 0.15 or higher in violation of Florida Statute § 316.193(4)., and was issued the applicable DUI citation (ANHCFLE).

Michele was booked into the Indian River County Jail Complex, where she was held on a $1,000 bond.

Michele's vehicle was removed from the scene by Fire House Towing.

This incident was recorded via BWC.

This case is cleared by arrest.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **11/02/2026** , at **04:14** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On November 2nd, 2026, at 0414 hours I was traveling west bound on 20th Place approaching U.S. Highway 1, when I observed a male sleeping under the awning located on the west side of Intercoastal Financial Group, 655 21st street. This establishment has a blanket trespass-after-warning affidavit, and is on a keep watch list due to homeless activity.

Before making contact, I was able to recognize the individual under the awning as Werner Ruegner from previous law enforcement interactions. Ruegner was issued a trespass after warning on 10/27/2026 by law enforcement (reference case# 26-010440). Upon speaking with the individual, I was able to confirm his identity through dispatch.

Ruegner was placed under arrest and transported to the Indian River County Jail.

Ruegner was charged with trespass after warning.

Ruegner's property was photographed, collected, and turned into property for safe keeping.

This incident was recorded on my department issued body worn camera and was uploaded along with pictures of Ruegner's belongings to evidence library.
