Arrest Affidavit Report**Case Report # 2025-00120513****NARRATIVE**

On Friday, November 7, 2025 at approximately 1505 hours, I responded to the Indian River County Jail Complex located at 4055 41st Ave, Vero Beach in reference to a disturbance.

Upon my arrival I made contact with Lt. Dimino-Tillis who advised there were two inmates in the medical unit that got into a physical altercation. Lt. Dimino-Tillis showed me security footage from within the cell.

Inside the cell were Adriana Prince and Eden Archer. Adriana was on the floor in her blanket and Eden was standing up by the cell doorway. Adriana grabs Eden and pulls her towards the latrine. While doing so Eden's right side of her face/cheek area make contact with the latrine causing a deep laceration. Adriana then starts striking Eden with a closed fist multiple times to the face/upper body area. Before detention deputies arrive both separate and laid in a prone position.

Detention deputies secure both inmates and bring Eden to see medical for stitches.

Eden stated that Adriana was talking all crazy and told her to shut-up and that's when Adriana grabbed her. Then pulled her towards the toilet causing her face to strike the toilet area causing a deep laceration. Adriana then starts striking her multiple times. I asked Eden if it was with a closed fist or open fist and she said she was not sure. Eden stated that she wished to pursue charges.

1. Adriana Prince was detained in a jail at the Indian River County Jail Complex.
2. At the time, Adriana Prince committed aggravated battery against Eden Archer.
3. Edan Archer was a detainee in that facility.
4. Adriana did strike Eden against her will and caused a serious bodily injury. Eden received 5 stitches her face which cause a permanent disfigurement.

Adriana was charged with aggravated battery on a detainee.

Arrest Affidavit Report

Case Report # 2025-00120315

NARRATIVE

On November 7th, 2025, at approximately 0010 hours, I responded to the intersection of 58th Avenue and 20th Street in reference to a vehicle that was sitting at the stop light while the light was cycling several times. (Statements are paraphrased)

The vehicle was a white Jeep Cherokee and the caller stated they honked at the car as well and did not get the car to move. I arrived and observed the vehicle, which was parked in the northbound turn lane facing eastbound. I approached the driver window and observed a white female to be asleep. I had to knock on the window very hard to get her to wake up. When she finally woke up, she seemed extremely dazed and confused. She was also unable to follow simple instructions given to her by deputies. The female, to be later identified as Melissa Vasquez, was told to exit the vehicle. I noticed that she had pinpoint pupils, a droopy face, and she seemed to be somewhat out of it. Her speech seemed as if it could have been distorted as well. My overall opinion of her demeanor was that she seemed somber and confused. I asked her if she had consumed any drugs or alcohol and she told me she had not.

Due to my concerns that she was under the influence of drugs or alcohol, I asked her if she was willing to perform Field Sobriety Exercises (SFSEs) to make sure she was okay to drive and she agreed to. Melissa said she is not a diabetic and no issues with her legs that kept her from walking. Prior to starting the exercises, I read her Miranda Rights from an agency Miranda card. The exercises performed were the Horizontal Gaze Nystagmus, Walk and Turn, and the One Leg Stand. The results for the results are listed below:

Horizontal Gaze Nystagmus (HGN):

-No clues were observed during this exercise

Walk and Turn:

- She had trouble getting in the starting position
- She did not keep her lead foot planted when turning
- She did not walk heel to toe on several of her steps and stepped off the line
- She counted her steps but was quiet when doing so

One Leg Stand:

-The exercise had to explained and demonstrate several times for her

NARRATIVE (Continuation)

-After explaining the exercise to her, she began to walk in a line as if she was performing the walk and turn exercise. After a few steps, she needed to be stopped and redirected to the correct exercise.

-she lost her balance and put her foot down at number four, eight, and nine, which is when she stopped and kept her foot on the ground.

After conducting these exercises, I determined Melissa was far too impaired to be operating a motor vehicle and placed her under arrest for DUI. After obtaining her identification, it was revealed she only had a Florida ID Card and not a driver's license. After checking in DAVID (Driver and Vehicle Information Database), it showed her license was revoked as of 01/25/2013. Her most recent guilty conviction for driving while license suspended or revoked was 2/17/2017 out of Osceola County, FL. When Sgt. Fricke was conducting a search of her, she stated something to the effect of possibly having Xanax on her person. I asked her if she had taken any and she said she had earlier in the day.

Melissa was transported to the Indian River County Jail, where she participated in a breathalyzer test for the purposes of determining its alcohol content at the request of Deputy Rodriguez. Her first result was .000 and the second was .000. Due to these results, Lt. Jaworski responded to the jail to complete a Drug Recognition Expert Evaluation.

While awaiting Lt. Jaworski (DRE #31515), Melissa was seated in the dayroom and was repeatedly nodding off. It was at a point where corrections staff asked Deputy Mims to watch Melissa. Deputy Mims was trying to gather her current address, which she said was in Gifford. The address she gave us was '525 Monica Rose Drive', which is in Apopka, FL.

After conducting his evaluation, Lt. Jaworski determined she was under the influence of a narcotic analgesic.

After concluding my investigation, I charged Melissa with violation of FSS 316.193(1) Driving Under the Influence and FSS 322.34(2)(A) Knowingly Driving While License Revoked.

Arrest Affidavit Report

Case Report # 2025-00120303

NARRATIVE

On November 6, 2025, at approximately 2336 hours, I observed a white Dodge Dually bearing Florida tag ILNR52, traveling east on State Road 60, at 74th Avenue. As the vehicle passed, I was unable to see the driver, due to the darkness of the window tint.

Upon observing the violation of Florida State Statute 316.2953, I conducted a traffic stop for the violation. I made contact with the driver, Alejandro Landin-Diaz. I asked Alejandro for his license registration and proof of insurance. Alejandro informed me he did not have a license, and handed me his Mexican passport. While Alejandro was looking for his passport, I used my agency issued window tint meter and measured the window at 4%.

A query of the Florida tag ILNR52 on NCIC/ FCIC, revealed that there was a seize tag order if Alejandro's wife, Victoria Serrano was the operator. A further query revealed that there was no insurance on the aforementioned truck.

Based on the above facts, Alejandro was arrested for Florida State Statute 322.03(1) No valid DL Never Issued, 324.221(2) Failure of Owner Operator to Maintain Required Insurance, and given a written warning for Florida State Statute 316.2953 Tint.

This investigation was captured on my body worn camera.

This investigation is cleared by arrest.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00120590****NARRATIVE**

On Friday, November 7, 2025, at approximately 1929 hours, I, Deputy M. Neill #6317 responded to 530 21st Street SW, Vero Beach, Indian River County, Florida, 32962 in reference to a disturbance.

The caller was reporting a verbal disturbance with her son, Mr. Donald Hart Jr.

Upon my arrival, I heard a loud disturbance between multiple people at the residence. As I was walking up to the residence, I observed a male, later identified as Mr. Hart, poke a female (later identified as Ms. Rebecca Bergsten) in the face. As I got closer to Mr. Hart, he observed me and started to walk away. I address him with my taser out and ordered him to come to me. After originally complying with my orders, I attempted to detain Mr. Hart. This detention was due to me seeing him poke someone in the face as well as the flight risk he possess as he started to walk away after seeing law enforcement.

I grabbed Mr. Harts hands and placed them behind his back. While doing so, Mr. Hart tensed up and kept his arms fully extended outwards, still behind his back. As I was securing him in handcuffs, I had both hands in handcuff restraints. At they were not checked for proper fit and it was unknown if Mr. Hart was fully secured in handcuffs or not. Mr. Hart pulled his left arm up. At the time I believed he was attempting to escape or get out of handcuff restraints, especially since I was not aware if they were on complete enough to secure him, I conducted a leg sweep on the left side of Mr. Hart's person in order to take him to the ground to better have control over Mr. Hart. There I was able to secure his handcuffs and check them for proper fit. They were also double locked.

I made contact with the caller, Ms. Dorothy Hart. She advised that she was having a disturbance with her son. During the disturbance, he advised he would use physical violence against her. She separated and went to her vehicle until law enforcement arrived. Before law enforcement could arrive, a neighbor, Ms. Bergsten arrived and attempted to interject with Mr. Hart. This is when Mr. Hart struck Ms. Bergsten on her nose with his finger.

I spoke with Ms. Bergesten. She advised she lived a couple of houses down and could hear yelling and screaming coming from the residence. She heard Mr. Hart yell how he would physically hit Ms. Hart and became concerned. She walked over and observed Mr. Hart still yelling and screaming at Ms. Hart. While attempting to make sure Ms. Hart was safe, Mr. Hart became confrontational with Ms. Bergesten and poked her in the face. Ms. Bergesten advised she does not wish to press charges for the battery but advised the yelling and screaming that Mr. Hart did cause a disruption for the public, preventing the peace and quiet for others corrupting the public morals.

As I was transporting Mr. Hart to the Indian River County Jail, he was upset about being arrested but started to make threats and racial slurs at me. On three different occasions, Mr. Hart made threats of violence against me. The first was "You're gonna die if you do something to me Cracker". He then repeated this statement again. The second statement was "I outta punch you in your motherfucking mouth nigga". The third was "I'd beat your ass, take that goddamn motherfucking uniform off. You take that uniform and badge off I'd beat your tall ass....to sleep.... guarantee it". A few seconds later he said "Take your badge and your motherfucking green uniform off, I will beat your redneck monkey ass.... yeah pussy". He then said "that was not a threat, that's a promise, I know I could beat you".

He also stated "do I look like I follow rules bitch, I'm not an inmate, I'm a convict".

Mr. Hart later claimed that Ms. Bergesten and Ms. Hart put fingers in his face as well, but on one statement said they only put

Arrest Affidavit Report

Case Report # 2025-00120773

NARRATIVE

On Saturday, November 8, 2025 at approximately 0833 hours, Cpl. D. Moore and I responded to 8026 104th Court in reference to a suspicious vehicle.

While in the area we were unable to locate anyone who knew why the vehicle was there. The vehicle, a beige 2019, Toyota Tacoma bearing FL/GUNX46 was unoccupied. The registered owner of the vehicle, Jose Barrera, lives in Palm Beach County. I requested Indian River County Public Safety Dispatch to send a deputy from Palm Beach County to make contact with the owner. While we waited for further information from Palm Beach County Sheriff's Office (PBCSO), we returned to routine patrol operations.

At approximately 0946 hours PBCSO made contact with Jose Barrera, who advised the following:

His son Melvin Barrera was the one who had the truck and he would try to get in contact with him, if not he would come to Vero and get the truck himself.

Upon returning to the aforementioned area of the vehicle, we observed the truck pulling out of Vero Lake Estates onto County Road 512 heading West-bound. After observing the tag on the truck, it was verified that this was the vehicle from the earlier call. I believed that this truck also had window tint below the legal limit and initiated a traffic stop using my emergency lights. Using an agency issued window tint meter, it was verified that the truck had below the legal limit tint. The front passenger window adjacent to the driver's seat was 17% and the back passenger window was 4%. The Front windshield was also tinted below the AS1 line but we did not have the capability of testing for a percentage.

I asked the driver who was later identified as Melvin Barrera for his driver license, registration, and proof of insurance. Melvin stated that his driver's license was revoked and he knew for approximately 3 weeks. I inquired through DAVID and verified that his license was revoked as of 08/05/2025.

Melvin was placed under arrest for violating F.S.S. 322.34(2)(a), (knowingly driving while license suspended/revoked).

I transported Barrera to the Indian River County Jail without incident.

AGENCY CASE #: 25-2005

REPORT DATE: 11/08/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **11/08/2025**, at **13:05** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On 11/8/2025 at approximately 1305 hours, officers responded to a vehicle crash at Main Street and the railroad crossings, Sebastian, Indian River, Florida. During the crash investigation, Ofc Sanchez determined that the driver (Defendant) of one of the involved vehicles may be impaired. Ofc Sanchez was advised, by the driver (Fernando Munera) and passenger (Sandra Rodriguez) of the other involved vehicle, that the Defendant driving the vehicle that stuck them. During the crash investigation, Ofc Sanchez noted the Defendant had a moderate odor emitting from his person. The Defendant was unsteady on his feet, and swayed while standing. The Defendant repeatedly used the vehicle for support. The Defendant's eyes were glossy. Based on her training and experience, she believed the Defendant was impaired and called for a second unit.

Upon my arrival, Ofc Sanchez, she advised she had completed her crash investigation and relayed her observations to me. I then made contact with the Defendant and confirmed his identity by his Florida License. I then confirmed with him that Ofc Sanchez had completed the crash investigation. I further hen explained that I was now initiating a DUI investigation and then read the Defendant his Miranda Warnings. The Defendant stated he did not want to answer any questions without his attorney.

While interacting with the Defendant, I noted a moderate odor of an alcoholic beverage emitting from his person. The Defendant's eyes were glossy and his speech was slightly slurred while talking. The Defendant swayed slightly while standing.

I asked the Defendant to submit to a series of physical and verbal exercises to determine his ability understand and follow instruction. The Defendant submitted to the field exercises.

The first test administered to the Defendant was the Horizontal Gaze Nystagmus. During the instruction phase, the Defendant assumed the starting position without issue. During the testing phase, the Defendant displayed the following: Lack of smooth pursuit in both eyes, distinct nystagmus in both eyes at maximum deviation, and onset of nystagmus prior to 45 degrees.

The second exercise administered to the Defendant was the one leg stand. During the instruction phase, the Defendant was asked to assume the same starting position as previously instructed. This time, the Defendant appeared to have difficulty assuming the position. The Defendant was given several verbal instructions, along with my demonstration, before he was able to assume the starting position. One there, the Defendant was told to remain in that position. During the explanation of the instructions, the Defendant failed to keep his arms by his sides as instructed. Instead, he raised them up past 6 inches. At one point, he crossed his hands in front of his body and remained there for several moments.

During the exercise phase, the Defendant immediately raised his right arm past 6 inches for balance before returning it back to his side. At approximately the 14 second mark, the Defendant lost balance and placed his foot on the ground. The Defendant then raised his foot and continued counting. At the 25 second count, the Defendant again lost his balance, raised his arm, and placed his foot on the ground. At this, 30 seconds had elapsed and the exercise was ended.

I then administered the walk and turn exercise. During the instruction phase, the Defendant was able to assume the starting position and was told to remain in that position until told otherwise. During this, the Defendant started the exercise while I was still giving instructions. After this, the Defendant raised his arms from his side and stepped off the line to regain his balance.

During the exercise phase, the Defendant missed heel to toe on initial steps 1, 2, 3, and 4. Upon reaching the 9th step, the Defendant simply turned around instead of turning as instructed. The Defendant missed heel-to-toe on returning steps 1, 4, 7, and 9. The Defendant stepped off the line several times during the exercise. Upon completing the 9th return step, the Defendant looked at me and asked for clarification on the instructions. I advised the Defendant that he had to rely on the instructions I gave him earlier and he advised he didn't remember. The exercise was ended.

Upon completion of the SFSTs, it was determined the Defendant's normal faculties we impaired. The Defendant was taken into custody. The Defendant was medically cleared at Indian River Hospital due to be being involved in a crash as required by jail policy. Upon arrival at the county jail (2.5 hours after the crash), contact was made with Dep Hoxie. Dep Hoxie requested the Defendant submit to a test of his breath to determine its alcoholic content. The Defendant consented to the breath test. The results of the breath test was .131 and .128 BAC.

The Defendant was released into the custody of the IRC jail staff.

Case Report # 2025-00120939

NARRATIVE

On 11/08/2025, at approximately 1913 hours, I was dispatched to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with Anthony Mazzella, he advised that his wife (Jennifer Mazzella) started a disturbance with him and their kids and then left in an unknown direction. Mr. Mazzella advised that Mrs. Mazzella got home from work and was clearly agitated and had possibly already consumed alcohol. Mr. Mazzella advised she became irate with him as he is still unemployed and was not contributing to the home. He advised that during this argument Mrs. Mazzella swung on him with her hand and made contact with his nose, their son Juvenile JM is the one who stepped in between them in order to defuse the situation. Mr. Mazzella advised that Mrs. Mazzella got into her black Kia Forte bearing FL tag 08EBPD and left to possibly go buy more alcohol at the Publix Plaza located at 1451 Sebastian Blvd, Sebastian FL.

I examined Mr. Mazzella's nose and noticed a red mark where he advised that Mrs. Mazzella had struck him, he advised that this mark wasn't there before the altercation.

I had Deputy Estrella look for the vehicle at the Publix Plaza and he advised he located it in front of Ball Park liquor (9360 90th Ave, Sebastian FL).

I arrived at Ball Park Liquor and located Mrs. Mazzella standing in front of the store. I made contact with Mrs. Mazzella and took her into custody. I read Mrs. Mazzella Miranda warning and she advised she wished to speak with me. Mrs. Mazzella was clearly intoxicated and could only advise that she never hit him and that he was lying, she then began talking about him being unemployed.

Due to the statements provided by Mr. Mazzella and the physical evidence I found probable cause to charge Mrs. Mazzella with Battery DV F.S.S.(784.031a1).

Arrest Affidavit Report

Case Report # 2025-00120997

NARRATIVE

On Saturday, November 08, 2025, at approximately 2246 hours, I was monitoring East bound traffic near the 4300 block of 9th Street SW, Vero Beach, Florida. I observed a small silver in color sedan traveling at a high rate of speed, and visually estimated the vehicle at 67 miles per hour in a posted 45 mile per hour zone. I activated my agency issued in car Stalker DSR 2X radar unit which confirmed the vehicle was traveling 64 miles per hour. This was confirmed by the clear and consistent audio doppler tone, and visual reading on the display.

I conducted a U-turn to get behind the vehicle which was continuing eastbound never losing visual. As I approached the vehicle it began shifting lanes, accelerating, and then decelerating numerous times. As the vehicle continued East the speed continued at 60 miles per hour in the posted 45 mile per hour zone.

I ran the vehicles registration through F/NCIC which revealed the vehicle was out of Lakeland, Florida, and initiated a traffic stop on the vehicle at the 900 block of Old Dixie highway SW for the speed violations.

I approached the vehicle and made contact with the sole occupant and driver, Kody Dykman, who stated he was going to his brother's residence; however, stated he was unsure of the address.

I requested that Kody provide me with his license, registration, and Proof of Insurance for the vehicle, at which point, Kody handed me a Florida Learners permit. As I continued to speak with Kody he began profusely sweating, and appeared nervous. Kody then handed me a registration for a separate vehicle, resulting in me attempting to verify the registration that was attached was the correctly assigned tag for that vehicle.

Due to the fact that Kody was coming from Lakeland, Florida heading to an unknown location, was only operating the vehicle with a learner's permit, and his demeanor, I requested K9 Deputy McKay respond to conduct a walk around the vehicle with his K9.

I requested Kody to exit his vehicle to further question him on travel itinerary, and the reason for him operating the vehicle without a valid driver's license. Again, Kody stated he had left his residence in Lakeland, Florida, and was traveling to his brother's Residence, Kasey Dykman and was unaware of the location. I asked Kody if he had any weapons, narcotics, or other contraband inside of the vehicle. Kody began avoiding eye contact, and dodged my questions for stating he did not. I asked Kody for consent to search his vehicle to which he denied.

K9 Deputy McKay arrived on location, and utilizing his K9, ultimately informing me that K9 Tobi alerted

on the vehicle for the presence of narcotics. I subsequent search of Kody's vehicle revealed a make shift pipe between the passenger seat and the center console of the vehicle with residue which field test positive for Methamphetamine.

Due to the fact that Kody does not reside in the county a Notice to Appear was not issued and he was taken into custody. Due to the aforementioned facts and circumstances, I find probable cause to charge Kody with the following:

Case Report # 2025-00121013

NARRATIVE

On Saturday, November 8, 2025, at approximately 2339 hours, I was in the 500 block of Old Dixie Highway SW traveling southbound. A white dodge charger was in front of me traveling southbound. The vehicle had a FL tag of FBNA05. I conducted a registration check on the tag and I learned that the registered owner, Tawanna Whitfield, had an expired license. The license expired on 01/09/2024. We both went south through the light at Oslo Road and I also observed the rear windows to be up and they appeared to be illegal due to me not being able to see through them. I conducted a traffic stop in the 900 block of Old Dixie Highway SW.

As the driver was slowing down, I observed to what I believed to be a clear sandwich baggie that was tied fly out of the passenger window and land on the sidewalk. Due to this, I requested more units. A felony stop was conducted on the driver, later identified to be Garion Miller. Miller was taken into custody without incident. The vehicle was cleared and no other occupants were located.

I walked back to where I observed the bag fly out of the window and located a clear sandwich baggie that was tied in a knot. Inside the bag, I observed several small clear bags that contained a white substance. I also observed a larger pink plastic bag that also contained a white substance. The clear sandwich bag that contained the smaller bags was opened and I located a total of six bags. Five of the bags were small and clear and the sixth bag was larger than the smaller clear bags and was pink.

I field tested only one of the six bag due to them all having the same consistency and color. I field tested the substance that was inside of the pink bag and the white substance field tested positive for the presence of Fentanyl and Cocaine.

Assisting deputies searched the vehicle and nothing else was located. I tested the window tint on the front windows and the window tint was 2%.

I went and made contact with Miller who was secured in D/S Neill's patrol vehicle. I read Miller his Miranda Warning to which he acknowledged he understood. I informed him for the reason for the stop due to the registered owner's license being expired. I asked Miller who the registered owner was to him and he advised that it was his girlfriend. I then asked about what happened with the traffic stop. Miller asked if he was going to jail. I informed him that he is not free to leave; Miller then invoked his rights. No further questions were asked.

Due to the aforementioned facts, I found probable cause to arrest Miller for possession of cocaine, possession of Fentanyl, and tampering with evidence.

Arrest Affidavit Report

Case Report # 2025-00121054

NARRATIVE

On Sunday, November 9, 2025, at approximately 0203 hours, I, Deputy M. Neill #6317 conducted a traffic stop near 4th Street and Old Dixie Highway, Vero Beach, Indian River County, Florida, 32962 in reference to a speed violation.

While sitting just north of the intersection, I observed a large pick-up truck traveling at a high rate of speed southbound on Old Dixie Highway. I estimated the vehicles speed at 70MPH in a posted 40MPH zone. My in-car radar confirmed the vehicles speed at 73MPH.

Upon catching up to the vehicle, it made the right turn on to 4th Street. Upon doing so, the vehicle made a wide turn, and turned in to the oncoming lanes. The vehicle then made a left turn on to 9th Court. This is where I initiated my traffic stop.

As I was approaching the vehicle, I could hear a conversation between the driver, Mr. Christian Call, and another subject on the phone. The subject on the phone told Mr. Call to "Don't act drunk". While speaking to Mr. Call, I could smell the odor of burnt marijuana emitting from the vehicle. Mr. Call also had watery eyes, the odor of alcohol emitting from his breath, and a large slur in his speech. While obtaining documents he had poor dexterity and was clumsy.

I asked Mr. Call to exit the vehicle. Upon doing so he stumbled. There appeared to be a large wet stain on the back of his pants, consistent with someone urinating themselves. Mr. Call denied consuming any alcoholic beverages tonight. When asked when the last time she smoked marijuana was he responded with "I have a medical card". After being asked two other times he denied smoking marijuana.

Mr. Call completed Standardized Field Sobriety Exercises. These exercises go as follows:

Horizontal Gaze Nystagmus: (6/6) Mr. Call had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and nystagmus prior to a 45-degree angle. Mr. Call moved his head multiple times throughout the exercise, and had vertical gaze nystagmus. He did not have resting nystagmus. He did have equal pupil size and equal tracking.

Walk and Turn: (4/8) Mr. Call started before being instructed to do so, could not maintain the starting position while in the instructional phase, missed touching heel to toe, and turned incorrectly.

One Leg Stand: (3/4) Mr. Call raised his hands, put his foot down, and swayed while attempting to balance himself. This exercise had to be repeated three separate times as Mr. Call could not follow instructions.

Mr. Call was then placed under arrest for DUI. He was transported to the Indian River County Jail. While at the jail, Mr. Call refused to provide a breath sample. He was advised of implied consent. He advised he understood implied consent and again refused to provide a breath sample.

Arrest Affidavit Report

Case Report # 2025-00121155

NARRATIVE

On Sunday, November 9, 2025 at approximately 1217 hours, I responded to the residence of 12096 Highway A1A in reference to a residential burglary in progress.

It should be noted, prior to arrival dispatch/telecommunications was in landline with the complainant Steven Bailey. Bailey stated he arrived to the residence to conduct landscaping work and the bolt is cut. Bailey advised he has access to the cameras and that a vehicle arrived at 1150 hours. Bailey stated one male is wearing camo and one male is wearing blue. Bailey stated nobody should be on the property.

Upon my arrival, I made contact with Steven Bailey, whom advised me of the following:

He arrived to conduct landscaping work. Bailey stated he came to the residence yesterday to check the property and specifically recalled locking the chain around the gate a certain way. Bailey advised when he observed the chain, he noticed it to be cut and that it was re-wrapped around the gate in a "dummy lock" manner. Bailey informed me he notified the property manager, James Snyder, immediately and Snyder viewed the video footage that showed a vehicle arriving and two males wearing camo and one wearing blue near the garage on the property.

While conducting my interview and waiting for additional units to arrive, Bailey stated "here they come!". I reposition my agencies marked patrol vehicle #2210 in front of the gate to block off the entrance. I observed an older model black Chevrolet Silverado come to a complete stop. A W/M wearing all blue exited the front passenger seat and a W/M wearing all camouflage exited from the front driver's side seat. The W/M wearing all blue immediately walked to the rear of the pickup truck while I was attempting to speak with the W/M in camouflage. At this time additional units arrived and both parties were separated from one another. Cpl. D. Moore remained with the W/M, later identified as Jeffrey Ekblom by his Florida Drivers License, at the rear of the pickup truck.

The W/M wearing all camouflage was identified by his Florida Driver's License as Dustin Howell. Howell advised me that he and Ekblom were supposed to be here. Howell stated Ekblom was in contact with "Miguel" whom gave them access to the property to do cleanup and remove materials from the property. At this point, I read Howell his Miranda Rights from my agency issued Miranda Card. Howell stated he understood his rights and agreed to speak to me. Howell reiterated his statement about Ekblom and he having permission from Miguel. I asked Howell how the chain on the gate was cut, which he advised he was unsure and that it was already cut. I then stated, the gate opens outwards and asked who attempted to dummy-lock the gate by placing the chain around it, which he was unsure. Howell then advised he was removing property from the residence. I asked what was removed from the residence, and he stated "the black toolbox". I asked where this item was removed from, which he stated from the property. It should be noted, Howell had numerous Milwaukee Packout tool boxes with additional tools inside used for construction/handyman work. At this time, I ended my interview and observed a black toolbox laying in the bed of Howells black Chevrolet Silverado and strapped down to secure it. I observed several tools inside the toolbox.

I then made contact with Jeffrey Ekblom. Cpl D. Moore advised me Ekblom was read his Miranda Rights from an agency issued Miranda Card and that he understood his rights and agreed to speak to me. I asked Ekblom how long he and Howell had been on the property, which he stated a couple of hours. I asked who gave him permission, which he stated "Miguel".

NARRATIVE (Continuation)

Eklblom then stated he received permission to get beach access and pickup shells along with coconuts on the property. I asked Eklblom who cut the chain on the gate, which he stated it was already cut. I asked who dummy locked the gate with the chain, and Eklblom stated I was trying to ask trick questions.

Myself and additional Deputies then went to the residence to check for signs of forced entry. While walking towards the residence, I observed posted signage on the garage in front of the residence, which stated "Posted no trespassing. Keep Out" and "Warning security cameras in use". I observed the 3 garage bays to still be secured and locked, however on the eastern most wall of the garage structure was a door with a knob and lock. I observed the bottom half of the door to be cut. The cut on the door was square in shape and large enough to allow an individual to crawl inside. Upon shining my flashlight through the cut door, I observed drag marks on the ground indicating an item was dragged from within the garage to the door and removed. Myself and additional Deputies continued to the residence and noticed the front door was ajar. I observed several fresh footprints in the sand walkway leading to the stairs of the front door. Myself and additional Deputies cleared the residence and observed drywall scattered on the floors along with electrical wires/cables. It should be noted, the residence did not have furnishing and appeared to potentially be under construction.

I then spoke with James Snyder, Property manager, via phone whom advised nobody besides Steven Bailey is to have access to the property for any purpose.

Cpl. D. Moore informed me of the following:

While querying Eklblom through Indian River County Public Safety Dispatch, I received a response. They advised that Eklblom is currently classified as "inmate release status" this means that he was recently released from prison. The original offense was Burglary of an occupied dwelling. Eklblom overheard this transmission and explained that he burgled a person's residence due to them stealing \$3000.00 worth of drugs from him.

I, Cpl. L. Newberry informed Cpl. D. Moore to place Eklblom into custody. While restraining him, Eklblom dropped his wallet, (seemingly in an attempt to dispose of it) in the pond on the south side of the bridge. Officer James Zaremba of the Indian River Shores Public Safety Department recovered the wallet before it could be submerged and lost. After searching Eklblom, Cpl. D. Moore searched his brown wallet. Inside of the bill fold I found some small bills. In between some of the bills, I located a small plastic baggy containing a clear crystal-like substance. Prior to testing the substance, Cpl. D. Moore contacted Eklblom, who was now in the rear of my marked patrol vehicle #2210. Cpl. D. Moore asked Eklblom if the substance was Methamphetamine or Fentanyl. Eklblom advised it was Methamphetamine. Cpl. D. Moore asked him where he got the substance. He advised someone who owed him money paid him with the substance. Ofc. Zaremba provided with a drug testing kit that his agency supplied. Cpl. D. Moore tested the substance and received a presumptive positive for the presence of Methamphetamine. (The approximate weight will be included in the case report).

Eklblom was then transported to the Indian River County Jail for booking without incident.

Cpl. D. Moore remained on scene and contacted the property manager, James Snyder. Snyder advised the Husky toolbox in the rear of the suspect vehicle was his. He advised the property inside of the toolbox was also his. In total, he advised the

Based on the totality of the circumstances, I determined Howell and Ekblom had in their possession tools/equipment with intentions to utilize the tools to commit burglary.

Case Report # 2025-00121155

**NARRATIVE**

On Sunday, November 9, 2025 at approximately 1217 hours, I responded to the residence of 12096 Highway A1A in reference to a residential burglary in progress.

It should be noted, prior to arrival dispatch/telecommunications was in landline with the complainant Steven Bailey. Bailey stated he arrived to the residence to conduct landscaping work and the bolt is cut. Bailey advised he has access to the cameras and that a vehicle arrived at 1150 hours. Bailey stated one male is wearing camo and one male is wearing blue. Bailey stated nobody should be on the property.

Upon my arrival, I made contact with Steven Bailey, whom advised me of the following:

He arrived to conduct landscaping work. Bailey stated he came to the residence yesterday to check the property and specifically recalled locking the chain around the gate a certain way. Bailey advised when he observed the chain, he noticed it to be cut and that it was re-wrapped around the gate in a "dummy lock" manner. Bailey informed me he notified the property manager, James Snyder, immediately and Snyder viewed the video footage that showed a vehicle arriving and two males wearing camo and one wearing blue near the garage on the property.

While conducting my interview and waiting for additional units to arrive, Bailey stated "here they come!". I reposition my agencies marked patrol vehicle #2210 in front of the gate to block off the entrance. I observed an older model black Chevrolet Silverado come to a complete stop. A W/M wearing all blue exited the front passenger seat and a W/M wearing all camouflage exited from the front driver's side seat. The W/M wearing all blue immediately walked to the rear of the pickup truck while I was attempting to speak with the W/M in camouflage. At this time additional units arrived and both parties were separated from one another. Cpl. D. Moore remained with the W/M, later identified as Jeffrey Ekblom by his Florida Drivers License, at the rear of the pickup truck.

The W/M wearing all camouflage was identified by his Florida Driver's License as Dustin Howell. Howell advised me that he and Ekblom were supposed to be here. Howell stated Ekblom was in contact with "Miguel" whom gave them access to the property to do cleanup and remove materials from the property. At this point, I read Howell his Miranda Rights from my agency issued Miranda Card. Howell stated he understood his rights and agreed to speak to me. Howell reiterated his statement about Ekblom and he having permission from Miguel. I asked Howell how the chain on the gate was cut, which he advised he was unsure and that it was already cut. I then stated, the gate opens outwards and asked who attempted to dummy-lock the gate by placing the chain around it, which he was unsure. Howell then advised he was removing property from the residence. I asked what was removed from the residence, and he stated "the black toolbox". I asked where this item was removed from, which he stated from the property. It should be noted, Howell had numerous Milwaukee Packout tool boxes with additional tools inside used for construction/handyman work. At this time, I ended my interview and observed a black toolbox laying in the bed of Howells black Chevrolet Silverado and strapped down to secure it. I observed several tools inside the toolbox.

I then made contact with Jeffrey Ekblom. Cpl D. Moore advised me Ekblom was read his Miranda Rights from an agency issued Miranda Card and that he understood his rights and agreed to speak to me. I asked Ekblom how long he and Howell had been on the property, which he stated a couple of hours. I asked who gave him permission, which he stated "Miguel".

Eklblom then stated he received permission to get beach access and pickup shells along with coconuts on the property. I asked Eklblom who cut the chain on the gate, which he stated it was already cut. I asked who dummy locked the gate with the chain, and Eklblom stated I was trying to ask trick questions.

Myself and additional Deputies then went to the residence to check for signs of forced entry. While walking towards the residence, I observed posted signage on the garage in front of the residence, which stated "Posted no trespassing. Keep Out" and "Warning security cameras in use". I observed the 3 garage bays to still be secured and locked, however on the eastern most wall of the garage structure was a door with a knob and lock. I observed the bottom half of the door to be cut. The cut on the door was square in shape and large enough to allow an individual to crawl inside. Upon shining my flashlight through the cut door, I observed drag marks on the ground indicating an item was dragged from within the garage to the door and removed. Myself and additional Deputies continued to the residence and noticed the front door was ajar. I observed several fresh footprints in the sand walkway leading to the stairs of the front door. Myself and additional Deputies cleared the residence and observed drywall scattered on the floors along with electrical wires/cables. It should be noted, the residence did not have furnishing and appeared to potentially be under construction.

I then spoke with James Snyder, Property manager, via phone whom advised nobody besides Steven Bailey is to have access to the property for any purpose.

Howell was then placed in handcuffs and transported to the Indian River County Jail for booking without incident.

Cpl. D. Moore remained on scene and contacted the property manager, James Snyder. Snyder advised the Husky toolbox in the rear of the suspect vehicle was his. He advised the property inside of the toolbox was also his. In total, he advised the toolbox and the property inside was valued at approximately \$4500.00. He advised the door to the garage where the items were taken from would be approximately \$1000.00 to replace and the drywall inside of the garage that the suspects damaged would be again be approximately \$1000.00

Based on the totality of the circumstances, I determined Howell and Eklblom had in their possession tools/equipment with intentions to utilize the tools to commit burglary.

IT SHOULD BE NOTED, DUSTIN HOWELL IS CURRENTLY OUT ON BOND. COURT CASE #2025CF001270A. UNIFORM CASE NUMBER 312025CF001270AXXXVB. SEBASTIAN PD CASE #25-1969.

Howell was arrested for the following:

- (1) Burglary of an unoccupied dwelling/unarmed pursuant to F.S.S. 810.02.3b
- (2) Possession of Burglary Tools pursuant to F.S.S. 810.06

NARRATIVE

On November 9, 2025, at approximately 1911 hours, while at Walmart located at 5555 20th Street, I observed a male later identified as Albert Thomas, riding his bicycle on Walmart's property in front of the store. Albert was stopped in front Walmart, on their property, due to him being a suspect in a previous case I was still working.

While speaking with Albert, an FCIC/NCIC check was conducted via Teletype. The check revealed Albert was trespassed from Walmart on August 25, 2025 by Cpl. M. Baumann (see Indian River County Sheriff's Office case #2025-90814). When I informed Albert that he was trespassed from Walmart he said he knew, but he was only cutting through the property.

Next, contact was made with Walmart loss prevention employee Jacob Parker. Jacob was informed Albert was observed on Walmart property and he had an active trespass warning issued against him. Jacob confirmed he was able to prosecute on behalf of Walmart and desired prosecution for trespassing.

Based on the information above, I found probable cause Albert was in violation of F.S.S 810.08(2)(A), trespass of a structure after warning. Albert was arrested and was later transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2025-00121246

NARRATIVE

On Sunday, November 9, 2025, at approximately 1837 hours, I, Deputy M. Neill #6317 responded to 970 20th Avenue, Vero Beach, Indian River County, Florida, in reference to a hit and run investigation.

Prior to arriving on scene, Corporal Quaglia was on scene investigating a hit and run crash that occurred at 265 13th Manner (Indian River Apartment), Vero Beach, Indian River County, Florida. Corporal Quaglia spoke to a witness who resides at the apartment complex. They advised they observed a Gray Honda, bearing Florida tag 8251XT enter the apartment and run over a curb. The vehicle then attempted to park in a parking spot. The vehicle pulled forward and started to reverse. The vehicle reversed in to an unoccupied parked vehicle, causing damage to the vehicle. The witness attempted to obtain the information from the driver. The driver went in to an apartment, and within a minute or so returned carrying a child. As the female returned the caller advised to stop and wait. The female said "call the cops". The female put the child in the vehicle, not bucked in, and left the scene. It should be noted that the crash was captured on a in car dash camera, which also captured the tag. The complainant advised the female was a older white female, with gray hair, wearing a white top and gray overall style bottoms.

The registered owner of the vehicle is Ms. Bonnie Mercer, who resides at 970 20th Avenue. Upon arriving on scene, I observed the vehicle that was alleged to be in a crash in the driveway. As I approached the vehicle, I observed damage on the front right side of the vehicle. I went to knock on the door, and observed it to be slightly ajar. I knocked on the door and the female, later identified as Ms. Mercer. I advised her that I was their investigation a possible hit and run. Ms. Mercer advised she was at the Indian River Apartments but was not involved in a crash. She also denied having any children present with her. I pointed out the damage on the vehicle to Ms. Mercer. She advised this damage was old and did not occur today. I asked Ms. Mercer if there was any other damage on the vehicle before we walked around it. She stated "no". We then walked around the vehicle and observed fresh damage on the right rear of the vehicle. She advised she did know how the damage got there. She then changed her statement and said the damage was old.

While speaking to Ms. Mercer, I observed her stumbling, having soiled pants, watery eyes, the odor of an alcoholic beverage emitting from her breath.

During my conversation with Ms. Mercer, it was a consensual encounter. During this time Ms. Mercer went inside the residence on her own accord and returned with the vehicle keys. She came outside and unlocked her vehicle, maintaining possession of the keys, and went to the rear of her vehicle to start unloading laundry.

After obtaining more information from Deputy Quaglia, I started my DUI investigation. Ms. Mercer was advised of her Miranda Rights and informed of the DUI investigation. She advised she understood her rights and was willing to answer my statements. Post Miranda, Ms. Mercer still denied being involved in the crash and denied having a child present with her. She admitted to going to Indian River Apartments to drop a bag off to her child for a grandkid, but did not have a child present in the vehicle. She then came home. She admitted to having two alcoholic drinks earlier in the day. At approximately 1815 hours, Ms. Mercer had a white claw and a jack apple and ginger ale at the veteran's center. She also advised she believed it to be 2100 hours when it was only 1900 hours. Ms. Mercer

NARRATIVE (Continuation)

advised no one else has driven the vehicle today and she has not had anything to drink or eat since coming home. Originally, Ms. Mercer refused to do Standardized Field Sobriety Exercises (SFSE's). After being advised that it could be used against her in court if an arrest was made, she changed her mind and agreed to do SFSE's. They go as follows:

Horizontal Gaze Nystagmus: (6/6) Ms. Mercer had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and nystagmus prior to a 45-degree angle in both eyes. She also moved her head during the exercise and had a large four-inch sway to the left and back while standing still. She did not have resting nystagmus. She did have equal pupil size and equal tracking in both eyes.

Walk and Turn Exercise: (4/8): Ms. Mercer could not maintain the instructional stance, started before being instructed to do so, missed touching heel to toe on most steps, and stopped walking during the exercise.

One Leg Stand (3/4) Ms. Mercer put her foot down, swayed, and used her arms for balance during the exercise. She also started before being instructed to do so. She could not maintain balance with her foot in the air for more than two or three seconds at a time.

Based on the statements from the witness as well as my observations on scene, I placed Ms. Mercer under arrest for DUI and leaving the scene of an accident involving property damage.

After securing Ms. Mercer in my patrol vehicle, I went and made contact with her son, Mr. Devin Norling. He advised that Ms. Mercer went to the Indian River Apartments to pick up his son, O.N., and brought him back home. He was unaware at the time that she was intoxicated but heard from family members on scene that she was intoxicated. Ms. Mercer picked up O.N. and brought him back home to Mr. Norling.

Corporal Quaglia arrived on scene. He advised he spoke to other family members at the apartment complex where O.N. was retrieved from. Family members there observed that Ms. Mercer was intoxicated and advised her not to take the kid home and leave him there. Ms. Mercer then took the kid and left the residence. Corporal Quaglia also observed the damage on Ms. Mercer's vehicle. He advised the damage was consistent with the damage he observed on scene with the victim's vehicle.

Ms. Mercer was transported to the Indian River County jail. There Deputy Hiss requested Ms. Mercer to submit to a lawful breath test. She agreed. Ms. Mercer provided two breath samples of 0.148 and 0.150.

Based on the above information, I believe there is probable cause to arrest Ms. Mercer for Leaving the Scene of an Accident with property damage, pursuant to FSS 316.063.1, Driving Under the Influence (BAC 0.15 or Higher or Child under 18 in vehicle), pursuant to FSS 316.193.4, and Driving Under the Influence with Property Damage, pursuant to FSS 316.193.3c1.

Arrest Affidavit Report

Case Report # 2025-00121248

NARRATIVE

On 11/09/2025, at approximately 1831 hours, I was dispatched to the area of New York Ave and N Broadway St in Fellsmere FL in reference to a reckless driver call. The caller of this complaint advised she observed a white Chevy Silverado heading SB on N Broadway St, she advised this vehicle was all over the roadway, going up on curbs and going into on coming traffic. The complainant advised this Chevy Silverado bearing FL tag QUEE03 had stopped in front of 102 N Broadway St, Fellsemere FL, at this point the complainant stopped following the vehicle and left the area, the complainant advised she did not want contact with Law Enforcement.

Upon arrival on scene, I located the Chevy Silverado bearing FL tag QUEE03 parked in front of the exact location where the caller advised they had stopped. Upon driving by the vehicle, I noticed it was occupied and the headlights were on. At this time, I parked a block south of the vehicle to keep eyes on it and initiate a traffic stop once it becomes mobile. I observed the vehicle begin to drive south bound on N Broadway St, at this time based on the reports of reckless driving from a credible source, I initiated a traffic stop on this Chevy Silverado Infront of 44 N Broadway St, the vehicle pulled over to the right-hand side of the road and came to a stop. Upon walking up to the vehicle and having a clear view of all occupants through the rear window, I observed the driver of the vehicle later identified as (Ruben Torres) climb in the back seat of the vehicle and switch places with the rear right-side passenger (Christopher Hernandez) who climbed in the front driver seat of the vehicle in a clear attempt to disguise who the driver was from Law Enforcement. At this time I ordered Mr. Hernandez out of the vehicle and placed him in custody, I then ordered Mr. Torres out of the vehicle and had him sit on the curb, after getting him out of the vehicle I could smell the strong odor of alcohol emitting from his person, Mr. Torres began to stumble and almost fell over into the tree. I could not have a conversation with Mr. Torres as he was clearly intoxicated and could not form proper sentences or convey to me what was going on.

I placed Mr. Hernandez in the rear seat of my patrol car and read him Miranda warning, Mr. Hernandez agreed to talk with me. I asked Mr. Hernandez why he switched seats in the car after I stopped them, he did not answer the question and shrugged as though he didn't know why. I asked if Mr. Torres had instructed him to switch seats and he did not know. I asked Mr. Hernandez who was the owner of the vehicle and he advised his boss was and he had let them drive it around.

I suspected Mr. Torres of DUI as the driving pattern of the complainant indicated as such as well as his slurred speech, clumsy body movement and the strong smell of alcohol emitting from his person. I could not conduct SFST's on Mr. Torres as he had no idea what was going on and was not understanding what I was telling him or asking him even though I was speaking to him in Spanish. Deputy Estrella attempted to Mirandize Mr. Torres but he waived his rights. [REDACTED]

I inventoried the Chevy Silverado and discovered two empty Corona bottles in the driver side door, an open Modelo can in the rear right passenger side door and a empty Corona bottle and Modelo can on the rear right passenger side floor board. I took pictures of all of the alcohol bottles and uploaded them to Evidence.com

Based on the above, I found probable cause to place both Mr. Torres and Mr. Hernandez in custody. I transported both Mr. Hernandez and Mr. Torres to the Indian River County Jail. After arrival on scene Deputy Hiss as Mr. Torres to provide a breath sample, Deputy Hiss advised that Louis agreed to provide a breath

NARRATIVE

On 11/06/25 at approximately 1806 hours I was dispatched to the area of 8th Street and 6th Avenue for a report of a traffic crash with unknown injuries.

Upon my arrival I located two vehicles involved in the crash. One vehicle a Silver Hyundai was located on the north east corner of that intersection. It sustained heavy front-end damage. The second vehicle a Red Dodge Charger was located east on the intersection. It had run off the roadway to the south and was located on a canal bank. The occupants of both vehicles were out of the vehicles upon my arrival.

I spoke with the occupants of the Red Dodge Charger. A female later identified as Ryan Vegiard identified herself as the driver of the Red Dodge Charger. A check of the registration would show that vehicle registered to her. She told me she was east bound on 8th Street going through the intersection with 6th Avenue when the light changed to Green as she was halfway through the intersection. I questioned her about the light changing to Green as she was in the intersection. She would then state that the light was Green when she entered the intersection and changed to Yellow as she was about halfway through.

The Real Time Crime Center accessed traffic cameras at that intersection that showed the crash occur. The video showed the Red Dodge Charger east on 8th Street. It very clearly disregarded a log and steady red light at the intersection with 6th Avenue. As the Charger went through the intersection it crashed into the Hyundai that was proceeding north bound on 6th Avenue going through on a green light.

I went and spoke with Ryan about the information in the video. She still maintained that she thought her light was green and changed while she was in the intersection. While speaking with her I could smell the odor of an alcoholic beverage emitting from her breath. I asked her if she had consumed any alcoholic beverages. She told me she had four Mimosas this morning at approximately 0930 hours. She denied having any additional alcoholic beverages after that time. I informed her that I had concluded the accident investigation and I was not starting a criminal DUI investigation. She said she understood. I requested her to participate in standard field sobriety exercises. She agreed and the results are as follows.

The first exercise was the Horizontal Gaze Nystagmus. I asked Ryan if she wore glasses or contacts. She said she had prescription eyeglasses. She further stated she had not worn them in about three years. I asked if they were for near sighted or far sightedness. She didn't know. I asked if she was able to see my pen that I was holding in front of her eyes. She said yes, she could. During the exercise I observed the following:

- Both eyes tracked equally
- No smooth pursuit in either eye
- Distinct and sustained Nystagmus in both eyes at Maximum deviation
- Onset of nystagmus in both eyes prior to 45 degrees

The next exercise was the Walk and Turn. Prior to commencing the exercise, I first explained and then demonstrated the exercise. I asked Ryan if she had any balance problems or other issues that would prevent her from doing the exercise. She

said no she didn't. I asked if she was under a doctor's care for anything. [REDACTED] I asked if she took any medications for that. She said she was [REDACTED] She said she had taken the [REDACTED] and [REDACTED] this morning at an unknown time. I asked if she was injured in the crash. She said her left leg was hurting a little and she felt she was limping on it at one point. I asked if she wanted to try the exercise. She agreed to do so. During the exercise I observed the following:

- She was unable to maintain the starting position
- On the second set of Nine steps, she stepped off the line and missed heel to toe on step 2.

The final exercise was the One Leg Stand. Prior to administering the exercise, I explained and demonstrated the exercise. During the exercise I observed the following:

- While counting Ryan counted 1 2,000, 2, 2000, 3, 2,000 and so on to 5.
- She raised her arms away from her side
- She lost her balance and put her foot down

Based on the above facts I believed Ryan to be impaired by alcohol. She was placed under arrest for DUI. I read Ryan her Miranda rights from a pre-printed agency issued card. She waived her Miranda rights and agreed to speak with me. Post Miranda Ryan confirmed she was the driver of the vehicle. She also confirmed her alcohol consumption as having 4 Mimosas at about 0930 today. She denied any further alcohol intake.

Ryan was transported to Cleveland Clinic for Medical clearance. Once cleared she was transported to the Indian River County Jail. At the jail Ryan provided a breath sample that showed a breath alcohol content of .192 and .178

- Based on the above facts I charged Ryan with one count of DUI in violation of F.S.S 316.193 (1) (A)

MARSY'S LAW?

ORIGINAL

AGENCY CASE #: 25-2016

REPORT DATE: 11/09/2025 TYPE: ARREST AFFIDAVIT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **11/09/2025**, at **23:04** (Specifically include facts constituting cause for arrest.)

On Sunday, November 9, 2025 at approximately 2104 hours, I was conducting traffic enforcement on the corner of Englar Driver and George Street in Sebastian, Florida, 32958, when I observed a silver Nissan Versa bearing Florida tag # BZ82JH not come to a complete stop at a traffic-controlled device (stop sign).

I initiated a traffic stop on that vehicle at the corner of George Street and Bayharbor Terrace. I made contact with the driver who admitted he knew he did not stop. During our conversation I observed an open white claw container in the center cup holder of the vehicle. The driver then handed over his Driver License as well as the registration and insurance for the vehicle. I could see that the drivers' eyes were glossy and bloodshot indicating he may be under the influence of alcohol and or narcotics.

The driver, Daniel Talamantez, was identified by Florida Drivers Licenses by Sebastian Police Department Dispatch. At this time, I had Daniel step out of the vehicle to perform a set of Standardized Field Sobriety Tests, which he agreed to do. During the Horizontal Gaze Nystagmus Test, Daniel did not have equal tracking. Daniel also had jerk nystagmus during this exercise. I observed Daniel swaying towards and away from me during this exercise. We then went onto the walk and turn exercise. Daniel missed several heel to toe steps, he was stepping off the line, and during his turn he did it improperly. Daniel was given a second chance to perform this exercise and was met with the same results. I then had Daniel perform the last test (one leg stand). Daniel was unable to keep his foot up and let it down multiple times. Daniel also used his arms to balance. This concluded my Standardized Field Sobriety Test exercises.

Upon completion of the Standardized Field Sobriety Tests, K-9 Officer Smith arrived on scene. Officer Smith walked his K-9 dog, Ghost, around the vehicle. Officer Smith confirmed the vehicle hit positive. Officer Smith and #432 Officer Hatton searched the vehicle. During a search of the vehicle, Officers located multiple open alcohol containers, as well as a broken crack pipe stuffed inside the driver seat and small rocks of suspected cocaine throughout the vehicle. The small rocks of suspected cocaine were field tested and tested positive for cocaine. Daniel was then detained during the duration of the search of the vehicle. Daniel was read his Miranda Rights, which he acknowledged that he understood. Daniel asked what was going on and was told Officers located those items. Daniel said those were not his and that he does not do drugs. During a search incident to arrest on Daniels's person, a small clear bag of suspected cocaine was found in Daniels front right pocket.

Daniel was charged with FSS. 893.13(6)(A) Possession of cocaine, FSS. 893.147 (1) Possession of drug paraphernalia as well as two citations, one for failure to stop for a traffic-controlled device and one for open container in motor vehicle.
