Arrest Affidavit Report

Case Report # 2026-00105996

NARRATIVE

On Friday October 2nd, 2026 I responded to the Indian river county jail in reference to a disturbance. Upon my arrival I made contact with Sergeant Tankersley and Sergeant While along with [REDACTED] (victim). I was given two general request forms that appears to be authored by current Inmate Antonio Mojica (subject). The first request was written on September 28th 2026 at 1:21 pm which stated the following "[REDACTED] u better watch your back everywhere you go because I know u are scared of me think that I'm going to hit u or something". The second request was sent on October 1st, 2026 at 1255 pm which stated the following "[REDACTED] u multiples hits on your Head better watch your back I'm telling u , that u might think it a joke but it not . "

The request forms are sent through the inmate tablet system smart communications. Each inmate is assigned one of these tablets to which they make their own private password so no other inmate can log onto their account.

Antonio Mojica is being charged with F.S.S. 836.10.2a: written threats to kill or cause bodily harm.

The preceding is true to the best of my knowledge or belief

Arrest Affidavit Report

Case Report # 2026-00105823

NARRATIVE

On Friday, October 2, 2026, at approximately 0000 hours, I, Deputy M. Neill #6317 conducted a traffic stop near 14599 US Highway 1, Sebastian, Indian River County, Florida.

Prior to the traffic stop, I was traveling northbound on US Highway 1 as I passed by the Bay Street Pharmacy located at 7746 Bay Street, Sebastian, Florida. While doing so, I observed a blue Ford pickup truck parked in the middle of the parking lot with its lights on. There was a white male walking around the vehicle, looking around. There was an additional white female in the passenger seat of the vehicle.

Once I was able to get back in to the area where the vehicle was, the vehicle started to move, leaving the parking lot. Sitting in the area, the vehicle left the parking lot and pulled on to Bay Street. The vehicle then failed to come to a full and complete stop in motion at the stop sign on Bay Street to enter on to US Highway 1. A traffic stop was conducted for the stop sign violation.

Once the vehicle was pulled over, I identified the driver by his Florida driver's license. While speaking to him, he had trouble locating his phone to pull up his insurance information. He requested to exit the vehicle to go to the passenger side to look for his phone. He was granted permission to exit his vehicle and go to the passenger side. While on the passenger side, the driver opened the door and located his phone.

With the door still open, I could see two items that I believed to be drug paraphernalia in plain view. The first appeared to be a blue straw that was wedged near the floorboard and the center console. The straw was only a few inches in length, abnormal for a typical straw. The second straw was on the floorboard, directly near the passenger's purse. This blue straw was longer, but had a diagonal cut in the straw. On the cut was a white powder and burn residue from heating the straw.

Once another deputy arrived, I moved the passenger and driver to the front of my vehicle. The front passenger was identified as Ms. Angela Powers. Ms. Powers was found to also have an active warrant out of Indian River County and was placed under arrest for that warrant.

During a probable cause search of the vehicle, I located a plastic container on the very top part of the purse. Within that container was a clear plastic baggie with a white powder substance within it, consistent with being cocaine (approximately 1 gram). Within the purse was a pink metal straw, consistent with the blue one located wedged in to the center console area.

After removing the blue metal straw that was wedged, I also located a digital scale, and a large amount of tin foil that had been cut in to smaller strips (typically to use for drug usage). One piece of tin foil was already burnt and folded. After unfolding the tin foil, I located an orange substance that was slightly burnt. Based on my field training and experience, I believed this substance to be Fentanyl (approximately 0.2 grams worth).

NARRATIVE (Continuation)

Based on my training and experience as a Certified Drug Recognition Expert, six years of sworn law enforcement experience, including narcotics investigations, participation in the execution of narcotics related search warrants, the arrests involving controlled substances, and the identification and handling of suspected narcotics, I am familiar with the appearance, packing, and methods commonly used to possess and distribute cocaine and fentanyl.

On the driver's side of the vehicle, I located a small piece of methamphetamine. There was dirt, debris, and grime over this narcotic leaving me to believe that it had been there for some time.

I advised Ms. Powers of her Miranda Rights. She advised that she understood her rights and was willing to speak to me. She denied ownership of the purse or narcotics within the vehicle, saying the purse belonged to Crystal. She did confirm that they were out driving and were looking at a rocket when I observed them at a closed business. They had just picked up Taco Bell and were going home to eat it.

I advised the driver of his Miranda Rights. He advised that he understood his rights and was willing to speak to me. He confirmed that the purse belonged Ms. Powers, but then stated he was not one hundred percent positive. He confirmed that they had just gotten food and stopped when they observed a rocket in the air.

Based on the location as to where the purse was, which was between Ms. Powers legs on the floor during my initial contact, the cocaine being directly on top of the purse in a clear container, the drug paraphernalia being directly near the purse and directly next to the Taco Bell that they had just purchased, as well as the other drug paraphernalia and suspected Fentanyl, Ms. Powers would have been the only subject to have access to the narcotics or be able to attempt to hide the narcotics in the vehicle prior to the traffic stop. For this reason, she is being charged with Possession of Cocaine, Possession of a Controlled Substance (Fentanyl), and Possession of Drug Paraphernalia.

Ms. Powers was transported to the Indian River County Jail without issue.

Arrest Affidavit Report

Case Report # 2026-00106148

NARRATIVE

On Friday, October 2nd 2026 at approximately 1828hrs, I Deputy Finkle responded to the area of the 800blk of 27th Ave in Vero Beach FL for a shoplifting.

An employee from Cumberland Farms reported a female wearing a white shirt, shorts and white shoes had stolen a drink and sandwich from the store and left on foot going north. The caller advised the female was Sophia Ly and had that information as she was trespassed from the property earlier that same day. I was Informed by RTTC that they observed the female walking north on 27th Ave in the 700blk.

I observed Deputy Apollon initiate his emergency lights and a female matching Sophia's description walking north on 27th Ave in the 700blk. I arrived out with Deputy Apollon who had just made contact with Sophia. I informed Deputy Apollon to respond back to Cumberland Farms to inquire if charges wanted to be pressed. I then made contact with Sophia, who I identified by her verbal omission. I informed her of her constitutionally protected rights under Miranda to which she verbally stated she understood.

As I investigated the shoplifting, Sophia admitted to stealing a sandwich and drink and she showed me the sandwich. I detained her in wrist restraints and placed her in the prisoner transport area of my patrol vehicle. I was then notified that Cumberland Farms did not wish to press charges for the shoplifting or trespassing.

Sophia was let out of my patrol vehicle and I informed her that charges were not being pressed upon her and removed the wrist restraints. I walked to the front of my patrol vehicle where I asked Sophia if everything on my hood was her stuff to which she stated it was. I then asked her if I could look through it to which she stated yes and made the spontaneous utterance that there was tinfoil in it.

I asked if there was anything on it to which she stated not really and attempted to go retrieve it from a green Publix bag before I stopped her. Due to this information and from my training and experience regarding tinfoil being a common item used to heat up and smoke illegal drugs from, I developed Probable cause to search her belongings.

Inside the Green bag I located a section of aluminum foil which had been folded numerous times indication it was being utilized as a storage device. I observed it to have several burn marks, even further indicating drug use. I asked her what she smoked out of it to which she advised she smokes her medication. When asked what her medication is, she stated Ice. I clarified by asking her if she was referring to methamphetamine to which she affirmed. I began unwrapping the foil which produced a clear in color liquid, indicative of methamphetamine that has been melted and turned to a liquid.

I retrieved a drug test kit from my patrol vehicle and upon field testing the liquid inside the aluminum foil, it showed an immediate presumptive positive for methamphetamine. I took Sophia into custody for

Case Report # 2026-00106196

NARRATIVE

Origin:

On 10/02/2026, I received a call for service related to a possible domestic disturbance at [REDACTED]. The caller, later identified as [REDACTED] after hearing and observing a physical altercation between [REDACTED]. Upon my arrival to the residence, Deputy Santiago and Corporal Thomas had already arrived and separated all parties. The victim, later identified as [REDACTED] was waiting inside [REDACTED] home with three juvenile subjects. The suspect, later identified as Daniel Gomez-Bolom, was standing in the driveway.

Suspect Statements:

Before entering the residence, Corporal Ballester and I attempted to speak with the suspect. Bolom, who's primary language is Spanish, spoke while Corporal Ballester translated. Bolom originally stated that he and [REDACTED] had been hugging, and that there had been no physical altercation. However, as Corporal Ballester attempted to ask further questions, Bolom would only answer in short sentences in Spanish. In addition to this, Bolom also showed signs of intoxication. This included red and watery eyes and unsteadiness on his feet. For the majority of the questioning, Bolom supported himself by leaning on the hood of the vehicle. I decided to enter the residence to speak with potential witnesses.

Witness Statements:

The first witness I spoke with was the [REDACTED] of both the victim and the suspect, [REDACTED] [REDACTED] who is [REDACTED] years old, stated that he was asleep when he was awoken by [REDACTED]. [REDACTED] stated that he immediately got out of bed and was ushered to the area of the residence's laundry room, where [REDACTED] were verbally arguing. [REDACTED] stated that he pre-emptively placed himself between Bolom and the victim, in an attempt to prevent Bolom from battering her. When asked, [REDACTED] stated that Bolom was actively trying to approach the victim, despite the physical separation. [REDACTED] also stated that it had been some time since law enforcement was called to [REDACTED] home, but acknowledged that verbal altercations happened routinely. [REDACTED] also stated that Bolom regularly drinks and that this is often a component of these verbal altercations. Although [REDACTED] stated he heard the altercation upon his arrival, he stated that he did not see any physical assault occur.

The second witness I spoke with was the [REDACTED] of both the victim and the suspect, [REDACTED] [REDACTED], who is [REDACTED] years old, stated that she was sitting in the living room when

the altercation began. [REDACTED] stated that she was sitting on the couch when Bolom entered the room and got onto his knees in front of the victim on the couch. [REDACTED] claimed that Bolom was begging for forgiveness for [REDACTED] that had occurred earlier this year. [REDACTED] stated that Bolom continued to follow the victim around the room, and began yelling at her while she at the table in the living room. [REDACTED] stated that things escalated when Bolom grabbed the victim by the throat and hip and forced her to the ground. [REDACTED] stated that she was in fear of the suspect and fled to [REDACTED]'s room for assistance. When asked if [REDACTED] was in fear of Bolom, she stated yes. When asked why, [REDACTED] told me that Bolom has previously hit her with a belt and phone charging cables. [REDACTED] was visibly distraught at the time of the interview and was actively crying while speaking with responding deputies.

Victim's Summary:

After speaking with both witnesses, I spoke with [REDACTED] who was identified as the victim, [REDACTED] confirmed both of the accounts given by the witnesses, including the physical battering as described by [REDACTED]. [REDACTED] stated that she had been injured by the suspect, and showed prominent bruising around her collar bone and neck area. This included bruising on the left and right side of her neck. [REDACTED] stated that she did not feel dizzy at the time of the assault and she also stated that her breathing was not impeded. [REDACTED] agreed to allow photographs to be taken of her injuries.

Relationship:

Victim's Condition:

At the time of the report, [REDACTED] was visibly shaken. [REDACTED] eyes were watering and she displayed moderate levels of bruising around her neck and collar bone.

Medical Treatment:

[REDACTED] denied medical treatment at the scene. Bolom was also examined for offensive and defensive wounds, and none were apparent.

The victim, later identified as [REDACTED] was waiting inside [REDACTED] home with three juvenile subjects. The suspect, later identified as Daniel Gomez-Bolom, was standing in the driveway.

Suspect Statements:

Before entering the residence, Corporal Ballester and I attempted to speak with the suspect. Bolom, who's primary language is Spanish, spoke while Corporal Ballester translated. Bolom originally stated that he and [REDACTED] had been hugging, and that there had been no physical altercation. However, as Corporal Ballester attempted to ask further questions, Bolom would only answer in short sentences in Spanish. In addition to this, Bolom also showed signs of intoxication. This included red and watery eyes and unsteadiness on his feet. For the majority of the questioning, Bolom supported himself by leaning on the hood of the vehicle. I decided to enter the residence to speak with potential witnesses.

Witness Statements:

The first witness I spoke with was the [REDACTED] of both the victim and the suspect, [REDACTED] who is [REDACTED] years old, stated that he was asleep when he was awoken by [REDACTED]. [REDACTED] stated that he immediately got out of bed and was ushered to the area of the residence's laundry room, where [REDACTED] were verbally arguing. [REDACTED] stated that he pre-emptively placed himself between Bolom and the victim, in an attempt to prevent Bolom from battering her. When asked, [REDACTED] stated that Bolom was actively trying to approach the victim, despite the physical separation. [REDACTED] also stated that it had been some time since law enforcement was called to [REDACTED] home, but acknowledged that verbal altercations happened routinely. [REDACTED] also stated that Bolom regularly drinks and that this is often a component of these verbal altercations. Although [REDACTED] stated he heard the altercation upon his arrival, he stated that he did not see any physical assault occur.

The second witness I spoke with was the [REDACTED] of both the victim and the suspect, [REDACTED] who is [REDACTED] years old, stated that she was sitting in the living room when

the altercation began. [REDACTED] stated that she was sitting on the couch when Bolom entered the room and got onto his knees in front of the victim on the couch. [REDACTED] claimed that Bolom was begging for forgiveness for [REDACTED] that had occurred earlier this year. [REDACTED] stated that Bolom continued to follow the victim around the room, and began yelling at her while she at the table in the living room. [REDACTED] stated that things escalated when Bolom grabbed the victim by the throat and hip and forced her to the ground. [REDACTED] stated that she was in fear of the suspect and fled to [REDACTED]'s room for assistance. When asked if [REDACTED] was in fear of Bolom, she stated yes. When asked why, [REDACTED] told me that Bolom has previously hit her with a belt and phone charging cables. [REDACTED] was visibly distraught at the time of the interview and was actively crying while speaking with responding deputies.

Victim's Summary:

After speaking with both witnesses, I spoke with [REDACTED] who was identified as the victim, [REDACTED] confirmed both of the accounts given by the witnesses, including the physical battering as described by [REDACTED]. [REDACTED] stated that she had been injured by the suspect, and showed prominent bruising around her collar bone and neck area. This included bruising on the left and right side of her neck. [REDACTED] stated that she did not feel dizzy at the time of the assault and she also stated that her breathing was not impeded. [REDACTED] agreed to allow photographs to be taken of her injuries.

Relationship:

Victim's Condition:

At the time of the report, [REDACTED] was visibly shaken. [REDACTED] eyes were watering and she displayed moderate levels of bruising around her neck and collar bone.

Medical Treatment:

[REDACTED] denied medical treatment at the scene. Bolom was also examined for offensive and defensive wounds, and none were apparent.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **10/02/2026**, at **21:53** (Specifically include facts constituting cause for arrest.)

On 10/2/26 at approximately 2153 hours, VBPD Dispatch received a call from a citizen complainant regarding a subject at the fishing pier underneath the Merrill Barber Bridge offering weed and other narcotics to bystanders on the pier.

VBPD SIU Detective [REDACTED] and I, VBPD SIU Detective [REDACTED] were on duty in a plain clothes / undercover capacity and overheard the call for service. I directed responding officers to make telephone contact with the complainant, and Detective [REDACTED] and I responded to begin surveillance.

VBPD Officer S. Hernandez established telephone contact with the reporting party, John Owle, who stated the suspect offered him an unknown liquid in a small plastic vial. The suspect also informed Owle that he had ecstasy on his person. The suspects were last seen at the westernmost end of the fishing pier. Owle described two suspects as follows;

1. White male, approximately 40 years old, approximately five feet tall, and wearing a black and gray hoodie and black pants. This subject possessed a rolling cart with fishing gear.
2. White male, between 40 and 50 years old, approximately six feet tall, wearing a black tank top and black pants.

Upon arrival, Detective [REDACTED] and I established a plan of action to conduct surveillance [REDACTED] Prior to conducting surveillance [REDACTED]

Once all units were in position, Detective [REDACTED] and I began walking down the fishing pier. There were approximately 5 subjects all located towards the westernmost end of the pier. There were no subjects present that matched the description of subject 2, however, there was one subject present who closely resembled the description of subject 1, later identified as the defendant, Richard Youst Jr., W/M DOB 1/1/74. Youst was positioned by himself, approximately 30-40 feet away from the other approximately 4 subjects.

Detective [REDACTED] and I stayed in the area [REDACTED]

[REDACTED] then stated he possessed approximately 1 gram of "Meth" (Methamphetamine), [REDACTED]

I informed Youst that [REDACTED] After approximately one to two minutes, Youst then handed me a small blue and white plastic Advil container, which I opened and observed a small plastic baggie of a white/clear crystalline substance. I then [REDACTED] at which point detective [REDACTED] and I ended the encounter and walked away.

It should be noted that this incident occurred within 1000 feet of both Riverside Park, a municipal public park, and the Vero Beach Dog Park.

I provided Officer Hernandez the purchased suspected Methamphetamine once Youst was in custody. Officer Hernandez field tested the suspected Methamphetamine, which did provide a positive reaction for Methamphetamine, a Schedule II controlled substance in the State of Florida.

Due to the above information, probable cause exists for Sale of Controlled Substance within 1000 feet of a Municipal Park F.S.S. 893.13.(1c1) (NO BOND). Youst was issued Florida Criminal UTC "AO917PE" for this offense.

Youst was transported to the Indian River County Jail without incident.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **10/02/2026**, at **23:51** (Specifically include facts constituting cause for arrest.)

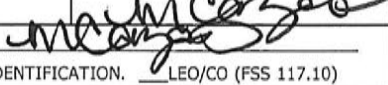

On **10/02/2026** at approximately **2336** hours, **I, Ofc. Herrera**, responded to **3341 Bridge Plaza Drive (Riverside Cafe)**, in reference to a severely intoxicated Hispanic male with no shirt on yelling and trying to fight everyone in the middle of the road.

On scene, I observed a Hispanic male with no shirt in the middle of the road walking through moving vehicles. I made contact with the Hispanic male, who was very uncooperative and having a difficult time talking and walking straight. His speech was slurred and I could smell the scent of an alcoholic beverage emitting from his person. I attempted to speak with him, but he would not cooperate. As I attempted to speak with him, he would make irrelevant comments pertaining to his race and his reproductive system, failing to answer the questions asked. He eventually provided his name and date of birth before being placed inside my patrol vehicle. The Hispanic male was identified as **Santiago A. Francisco (DOB: 10/08/1994)**, via name and date of birth.

Based on the totality of circumstances, **Santiago A. Francisco** was arrested for violation of **F.S.S. 856.011 Disorderly Intoxication**. Francisco endangered the safety of the people and the property and was intoxicated in a public place causing a public disturbance.

Francisco was transported to the Indian River County Jail without further incident and to be held on a **\$150.00** bond.

This incident was captured on my BWC and uploaded to the Vero Beach Evidence Library.

Arrest Affidavit Report

Case Report # 2026-00106402

NARRATIVE

On Saturday, October 3, 2026, at approximately 1510 hours, I responded to Target, 5800 20th Street, in reference to a shoplifting.

Upon arrival, I made contact with Target Loss Prevention Associate, who advised me he observed two females concealing items together and ultimately passing all points of sale.

I was shown CCTV footage, which shows both females walking around the store and concealing multiple items into reusable bags, as well as selecting a case of water.

One of the females, later identified as Nancy Foster, paid for the case of water at the self-checkout, while the other female, later identified as Cassandra Rivera, pushed the cart out of the store, passing all points of sale with the concealed merchandise in the bag.

Both suspects checked out together.

Contact was made with the suspects, Cassandra Rivera, and her mother, Nancy Foster. Both were advised of their Miranda Rights, and both stated they understood their rights and were willing to speak to me.

Foster stated she had nothing to do with the incident and paid for her water.

Rivera did not make any statement in regard to the theft.

1 item was paid for (case of water), while 9 items were stolen/recovered. Total value of recovered merchandise is \$145.80.

Both females were taken into custody and transported to the Indian River County Jail for Petit Theft.

Both were turned over to jail staff without incident.

Case Report # 2026-00106401

NARRATIVE

On October 3rd 2026 at approximately 1455 hours, I was dispatched the [REDACTED] in reference to a disturbance.

Upon arrival I could see [REDACTED] carry a baseball bat following [REDACTED] who was carrying an Xbox from the residence. I made contact with both individuals was attempted to separate them and have [REDACTED] put down the bat.

I first spoke with [REDACTED] who stated that her and [REDACTED] were not in a domestic relationship they would [REDACTED] [REDACTED] said she had stayed the night with [REDACTED] and they had a verbal argument over an Xbox. She stated she had bought the Xbox and the [REDACTED] had agreed to make the payments but did not make any payments.

Next, I spoke with [REDACTED] who claimed that [REDACTED] sat outside her house from 1200 hour until 0400 or 0500 hours, at which time she invited [REDACTED] in and they [REDACTED] This lasted until 0900 hours at which time [REDACTED] left. She returned around 1200 hours and at about 1500 hours they begin arguing over text messages that [REDACTED] saw on [REDACTED]s phone. The verbal argument became escalated and [REDACTED] stated that [REDACTED] grabbed a bottle of alcohol "swinging it around".

[REDACTED] said she grabbed the baseball bat from behind the door in the hallway and they continued to argue. [REDACTED] Camilla Mohammed pulled into the driveway that caused [REDACTED] to put down the bottle. At some point [REDACTED] picked up a steel guitar and "swung" it at her, striking her possibly as she tried to grabbed it. [REDACTED] then threw the guitar on the floor causing it to break and ran outside with the Xbox.

During my interview [REDACTED] become very agitated and was reluctant to walk me through the sequence of events. It was difficult to get a detailed walkthrough of events due to her behavior.

[REDACTED] had a scrape on her knuckle.

I went back to [REDACTED] and asked for a more detailed version of events she insisted she had stayed all night and had woken just prior to our arrival. She did say she saw some things on [REDACTED]s phone that had started the argument. [REDACTED] stated [REDACTED] grabbed bat from the hallway and walked into the room holding the bat saying that she was going to "kill her". [REDACTED] said she did think [REDACTED] was capable and meant what she said but continued to get dressed and continue to argue. She then got into the hallway and was trying to get out of the house but [REDACTED] would run from the front door to the side door preventing her from leaving. She was able to get out the side door and [REDACTED] hit her with the bat on the back and arm. I asked [REDACTED] if she ever picked up a liquor bottle or a steel guitar and she said she did

not think she did but really could not remember.

I spoke with Camilla Mohammed who [REDACTED] and arrived towards the end. She said when she arrived she could see [REDACTED] in the door with a liquor bottle and [REDACTED] on the porch with the baseball bat. They were having a verbal argument, then both went back inside. She could no longer see them but could hear a scuffle and stuff being thrown on the ground.

I watched a video from the [REDACTED] from the ring doorbell but the door was open only showing the front part of the hallway. The video showed [REDACTED] with the bat, back out of the front door onto the porch. [REDACTED] came to the front door tried to close it. Then you see [REDACTED] yelling into the first room, hitting the wall with the bat and the video cuts again and you can see [REDACTED] holding the bat and a liquor bottle. The video would cut in and out only recording small clips. An axon community link was provided for the video to be uploaded.

Both parties said they would like to press charges, I had them fill out written incident statements then both parties were arrested and transported to the County Jail without incident.

Photos of the injured areas on each party were photographed at the County Jail.

Both parties expressed that they are not in a relationship and [REDACTED]

Arrest Affidavit Report

Case Report # 2026-00106401

NARRATIVE

On October 3rd 2026 at approximately 1455 hours, I was dispatched the [REDACTED] in reference to a disturbance.

Upon arrival I could see [REDACTED] carry a baseball bat following [REDACTED] who was carrying an Xbox from the residence. I made contact with both individuals was attempted to separate them and have [REDACTED] put down the bat.

I first spoke with [REDACTED] who stated that her and [REDACTED] were not in a domestic relationship they would [REDACTED] said she had stayed the night with [REDACTED] and they had a verbal argument over an Xbox. She stated she had bought the Xbox and the [REDACTED] had agreed to make the payments but did not make any payments.

Next, I spoke with [REDACTED] who claimed that [REDACTED] sat outside her house from 1200 hour until 0400 or 0500 hours, at which time she invited [REDACTED] in and they [REDACTED] This lasted until 0900 hours at which time [REDACTED] left. She returned around 1200 hours and at about 1500 hours they begin arguing over text messages that [REDACTED] saw on [REDACTED] s phone. The verbal argument became escalated and [REDACTED] stated that [REDACTED] grabbed a bottle of alcohol "swinging it around".

[REDACTED] said she grabbed the baseball bat from behind the door in the hallway and they continued to argue. [REDACTED] Camilla Mohammed pulled into the driveway that caused [REDACTED] to put down the bottle. At some point [REDACTED] picked up a steel guitar and "swung" it at her, striking her possibly as she tried to grab it. [REDACTED] then threw the guitar on the floor causing it to break and ran outside with the Xbox.

During my interview [REDACTED] become very agitated and was reluctant to walk me through the sequence of events. It was difficult to get a detailed walkthrough of events due to her behavior.

[REDACTED] had a scrape on her knuckle.

I went back to [REDACTED] and asked for a more detailed version of events she insisted she had stayed all night and had woken just prior to our arrival. She did say she saw some things on [REDACTED] s phone that had started the argument. [REDACTED] stated [REDACTED] grabbed bat from the hallway and walked into the room holding the bat saying that she was going to "kill her" [REDACTED] said she did think [REDACTED] was capable and meant what she said but continued to get dressed and continue to argue. She then got into the hallway and was trying to get out of the house but [REDACTED] would run from the front door to the side door preventing her from leaving. She was able to get out the side door and [REDACTED] hit her with the bat on the back and arm. I asked [REDACTED] if she ever picked up a liquor bottle or a steel guitar and she said she did

not think she did but really could not remember.

I spoke with Camilla Mohammed who [REDACTED] and arrived towards the end. She said when she arrived she could see [REDACTED] in the door with a liquor bottle and [REDACTED] on the porch with the baseball bat. They were having a verbal argument, then both went back inside. She could no longer see them but could hear a scuffle and stuff being thrown on the ground.

I watched a video from the [REDACTED] from the ring doorbell but the door was open only showing the front part of the hallway. The video showed [REDACTED] with the bat, back out of the front door onto the porch. [REDACTED] came to the front door tried to close it. Then you see [REDACTED] yelling into the first room, hitting the wall with the bat and the video cuts again and you can see [REDACTED] holding the bat and a liquor bottle. The video would cut in and out only recording small clips. An axon community link was provided for the video to be uploaded.

Both parties said they would like to press charges, I had them fill out written incident statements then both parties were arrested and transported to the County Jail without incident.

Photos of the injured areas on each party were photographed at the County Jail.

Both parties expressed that they are not in a relationship and [REDACTED]

[REDACTED] did actually and intentionally touch or strike [REDACTED] against the will of [REDACTED] and in doing so used a Baseball bat, a deadly weapon. Florida Statute 784.045(1)(a)2 and (2)

Arrest Affidavit Report

Case Report # 2026-00106520

NARRATIVE

On Saturday, October 3, 2026 approximately at 2138 hours, while your affiant was stationary at the intersection of Oslo Road and U.S. Highway 1 awaiting for the traffic signal to change green. I observed a blue Chevy blazer, bearing Florida tag CS29JN, run through the intersection while the traffic signal was on a steady red.

Your affiant conducted a traffic stop on the aforementioned vehicle in the 100 block of U.S. Highway 1. I made contact with the driver, who was later identified as Kayla Cordaro. I immediately noticed Cordaro was nervous and had multiple "track" marks on both arms. Your affiant continued to inform Cordaro the reason for the traffic stop. She stated she was "sorry" that she ran the red light but it was due to her brakes on her vehicle not properly working.

I asked Cordaro for consent to the search the vehicle, her response was, "no". Deputy Apollon responded to the traffic stop to be the primary deputy. While Dep. Apollon was completing citations, I deployed my certified canine partner Sunny for an exterior sniff of the vehicle.

Sunny alerted to the odor of narcotics emanating from the vehicle. A search of the vehicle was conducted. Once the search was concluded, in the driver's rear passenger seat, Cordaro's purse was located and inside the purse was several hypodermic needles. There was a purple pouch that had used hypodermic needles, homemade tourniquet, and a plastic spoon with a white powder residue on it. This purse was identified as Cordaro's purse by locating debit/credit cards.

Post Miranda, Cordaro stated she uses drugs and her drug of choice was opioids. She also stated she "shoots" up her drugs by using a hypodermic needle even though she is a diabetic. Cordaro was asked if she had any narcotics on her person, she stated that there was some in her bra. Cordaro said she had fentanyl in her bra, which was retrieved by herself.

The narcotics were field tested by Deputy Ciofalo, which tested positive for fentanyl. Cordaro was transported to the Indian River County Jail without incident.

Cordaro was issued a citation, F.S.S. 893.13, Possession of a controlled substance.

Arrest Affidavit Report

Case Report # 2026-00106526

NARRATIVE

On Saturday, October 3rd 2026 at approximately 2155hrs, I Deputy Finkle conducted a traffic stop at 700 Old Dixie Hwy.

Prior to the stop, I was traveling north on Old Dixie Hwy in the 600blk when I observed a single vehicle traveling south. As the vehicle approached me, I observed it veer to the right and exit the asphalt almost completely into the grass, leaving only a small amount of the driver side tires remaining on the roadway.

As the vehicle passed me, I observed it in my driver side mirror continue operating off the roadway in the grass. I made a U-turn in the roadway and began catching up to the vehicle to initiate a traffic stop. As I caught up to the vehicle, It turned west onto 7th PI SW and pulled next to the residence at 321 7th PI SW. I activated my emergency equipment and approached the front passenger door which had the window slightly rolled down.

I observed the driver, and sole occupant of the vehicle to be staring at me and not wearing a safety belt. I requested the driver's documentation at which time it became immediately apparent there was a language barrier. I asked him for his license in Spanish to which he advised he did not have one, but had a passport located in his residence that he was parked next too.

Inside the vehicle was a large German Sheppard as well as numerous open alcoholic beverages on the passenger floorboard. I observed an open Modelo can, open glass bottles of Budweiser as well as others. I could smell a strong odor of an alcoholic beverage emitting from inside the vehicle through the slightly rolled down window. I also observed the male driver to not be wearing a seat belt.

I instructed the driver to exit the vehicle and walk to the front of my patrol vehicle which he did. While standing there, another Deputy arrived who spoke a little Spanish. I was able to obtain the driver's name as Irving Gabriel Obando Villarreal with a date of birth of 03/27/1998 from him writing it down. Using broken Spanish, I was able to gather that Irving advised he had consumed 10 beers.

Due to the complexity of a DUI investigation, I requested Cpl. Ballester to respond to translate for me. While standing by with Irving as he continuously spoke in Spanish, I could smell a very strong odor of an alcoholic beverage emitting from his person that grew increasingly stronger as he spoke. Once he arrived, I confirmed with Irving that he consumed 10 beers approximately 1 hour prior to driving. I asked if he would be willing to perform Standardized Field Sobriety Exercises to which he stated yes.

While utilizing Deputy Ballester for the remainder of the encounter to transplant, I began asking my post exercise questions. Irving was not wearing any glasses or contacts and advised he did not have any problems with his eyes. He also advised he has never had any serious head injuries or brain trauma. Irving stated he did not have any physical disabilities that would prevent him from walking, standing,

turning or balancing. He also advised he is not dyslexic or color blind. I then began SFSE's.

Horizontal Gaze Nystagmus: I instructed him into the starting position for the exercise by placing his feet together, heels and toes touching and arms down by his side. Utilizing a pen that emits a green light, I asked if he could see it to which he stated yes. I then instructed him to touch it with his finger to show me he could see it to which he did. I informed him I would be moving the stimulus across his face, side to side and he is to follow it with his eyes only, keeping his head still. He verbally stated he understood.

I placed the stimulus approximately 12 to 15 inches from his face, slightly above eye level. I then checked for signs of medical conditions. He had equal pupal size, did not have resting nystagmus and both of his eyes tracked equally. I then conducted the exercise. Irving had a lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation and onset of nystagmus prior to 45 degrees. During the exercise, Irving swayed side to side significantly and I observed him to have red and glossed over eyes.

Clues 6 of 6

Vertical Gaze Nystagmus: I then conducted VGN which showed a positive indication in both eyes.

Walk and Turn: Irving was wearing gym shorts, no shirt with untied work boots and socks. I informed him to remove his shoes prior to the exercises as I did not want him to trip on his laces. Utilizing the double solid yellow divider line in the middle of the roadway, Irving agreed he could see the line and agreed it was flat and debris free. I instructed him into the starting position and instructed to remain in it, and to not start the exercise until told to do so. Irving verbally stated he understood. As I began to explain the instruction for the walking phase, Irving attempted to start the exercise early, forcing me to instruct him not too. As I attempted to demonstrate the exercise, Irving fell out of the starting position and when he attempted to correct himself, he placed his feet incorrectly having to be corrected.

I then demonstrated the exercise for him and upon completion, he advised he understood and did not have any questions. I then informed him he could begin. Irving missed heel to toe on the first set of 9 steps, took 10 steps instead of 9, stopped walking and conducted an improper turn.

Clues: 6 of 8

Once Leg Stand: I instructed Irving into the starting position and explained the instructions to him. Upon demonstrating the exercise, he stated he understood and did not have any questions. I instructed him he could begin. I observed only one clue during this exercise which was Irving swaying. I was informed by Cpl. Ballester that during the exercise, Irving counted incorrectly at times and skipped over numbers.

**NARRATIVE (Continuation)**

Upon concluding SFSE's, I administered the finger to nose dexterity exercise. I explained the instructions to Irving and affirmed a second time that he is to immediately return his arms back down to his side upon each set of instruction. I also verified with him that he is to touch the tip of his nose with the tip of his finger.

Irving advised he understood all the instructions and was instructed to begin. The first pass with his left finger, he touched the top of his lip, moved his finger to his left nostril and then onto the tip of his nose with the pad of his finger. He then stayed in that position for an extended period of time before being reminded to return it. Irving then used the pad of his finger to touch the underside of his nose and tip of his nose during the remainder of the exercise.

Upon completion of the exercises, I found probable cause for driving under the influence and placed Irving into custody. I transported him to Indian River County Jail where Jail staff conducted Intox. His two breath samples provided were .191BAC and .183BAC. I find probable cause for the below charges:

F.S.S- 316.193- DUI with BAC of 0.15 or higher

F.S.S- 322.03- No Valid DL

Arrest Affidavit Report

Case Report # 2026-00105934

NARRATIVE

On Friday October 2, 2026, at approximately 0831 hours,

I conducted a child abuse investigation.

I was initially requested to come to the 800 wing of the campus by school nurse Linda Rios. Upon arrival, I was told [REDACTED] grader [REDACTED] had welt/red mark on [REDACTED] forehead. [REDACTED] told Nurse Rios he sustained this injury from an adult male [REDACTED] later identified as Anthony Buffuto.

I interviewed [REDACTED] at school, where [REDACTED] told me the following paraphrased: [REDACTED] and [REDACTED] and [REDACTED] Anthony [REDACTED] a 2-story apartment [REDACTED] was getting ready for school upstairs (On October 2nd) when [REDACTED] and [REDACTED] had a verbal argument. The argument became loud, which woke up Anthony who was sleeping in a bedroom nearby. Anthony became upset over being awakened and proceeded to yell at [REDACTED] Anthony then grabbed [REDACTED] and dragged [REDACTED] down the stairs, against [REDACTED] will. As this was going on, [REDACTED] was telling Anthony to stop. Once down the stairs, Anthony tossed [REDACTED] forcefully where [REDACTED] collided into a sofa [REDACTED]'s head struck the sofa's armrest on [REDACTED] forehead. The impact caused [REDACTED] pain and a welt to form. During the physical altercation, [REDACTED] was scared and afraid to tell Anthony to release him or to resist. Anthony often drinks, however it is unknown if he was intoxicated during this incident. Anthony is a guest in the home, has no blood relation to either [REDACTED] or [REDACTED] and [REDACTED] and Anthony are friends only. There is no history of batteries or domestic violence between anyone [REDACTED] initially reported this incident to a behavior tech in [REDACTED] Troy Embrey.

I observed an approximate inch to inch ½ red swollen welt on [REDACTED]'s forehead, toward the left side (photographed).

I then spoke with [REDACTED] on the phone on two separate occasions. [REDACTED] was aware and observed the incident [REDACTED] reported [REDACTED] confirmed and corroborated [REDACTED]'s account of the physical altercation between [REDACTED] and Anthony. She also reported there is no physical altercation history between the three of them.

I informed [REDACTED] that [REDACTED] was describing being battered and she was corroborating it. I asked [REDACTED] if she wished to cooperate and pursue criminal charges. Multiple times, she would tell me initially she couldn't answer the question and/or did not know what to say. Ultimately, [REDACTED] would tell me she did not wish to pursue charges at the end of our initial phone call.

I informed [REDACTED] I was obligated to conduct an investigation given the victim is a child ([REDACTED] years old at time of incident).

Cpl. Barcaro made contact with Anthony for an interview at his work, Jersey Mike's, 1225 US1 STE 1, Vero Beach, FL 32960. Cpl. Barcaro reported to me Anthony's summarized statement: Anthony has been [REDACTED] with [REDACTED] and [REDACTED] [REDACTED] was being defiant and refusing to go to school. In efforts to force [REDACTED] to go to school, Anthony grabbed [REDACTED] and forced [REDACTED] down the stairs. He then let go of [REDACTED] and [REDACTED] fell on the sofa on [REDACTED] back.

At the conclusion of my investigation with the victim's visible injury and [REDACTED] corroboration I determined probable cause for Anthony, reference child abuse, in violation of FL SS 827.03.2c Child Abuse W/O Great Bodily Harm.

Case Report # 2026-00106537

**NARRATIVE**

On October 3rd, 2026, at approximately 2223 hours, I was dispatched to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with Anthony Baffuto, who is the victim's [REDACTED] and [REDACTED] at the aforementioned location and was standing outside walking on the sidewalk. Anthony mentioned the following in substance: He had just gotten [REDACTED] from work, entered the house and walked towards [REDACTED]'s room. Her room was closed, he opened the door and she asked him to knock on before entering. Anthony closed the door and tried knocking first, she asked him to leave her alone but then invited him in. Once Anthony was inside of the bedroom, they started arguing about a current DCF case they have active between them and [REDACTED]. He started to elevate his voice and she then hit Anthony in the arm which caused him to grab her and throw her on the bed, [REDACTED] then kick him off with her leg. Isabella who is [REDACTED] heard the shouting and asked them to stop.

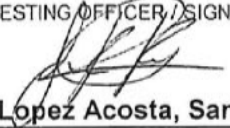

I made contact with [REDACTED] who stated the following in substance: She was in her room and she heard Anthony come [REDACTED] from work and saw him open her bedroom door. When he opened the door, she asked him to knock before entering the room. Anthony closed the door and knocked on the door and she asked him to leave her alone, but then invited him in to the room to talk. Anthony came in and closed the door behind him, and she started talking to him about DCF coming to inspect the house tomorrow morning (10/04/2026) in reference to a case involving Anthony and [REDACTED]. The conversation scaled and they started to argue which then led Anthony to grab her by her upper arms and throw her on the bed, she then reacted by kicking him off of her. [REDACTED] Isabella heard the incident and asked them to stop screaming.

It should be noted, Anthony was asked to explain once again and he advised she never hit him in the arm after thinking about it. Isabella also mentioned, she never saw them get physical.

Based on my investigation of the events, I found probable cause for Battery (Domestic Violence), based on Anthony grabbing and throwing [REDACTED] in to the bed without consent.

Case Report # 2026-00106564

NARRATIVE

On October 4th, 2026, at 0119 hours, I responded to [REDACTED] in reference to a disturbance. Upon my arrival, I made contact with Devan Lydick, who advised the complainant, later identified as Evelino Salazar, had arrived at the aforementioned location and refused to leave after becoming intoxicated and aggressive towards other subjects in the residence. Lydick advised Salazar is the [REDACTED] of [REDACTED], and that the two of them [REDACTED] prompting Salazar's behavior. Lydick stated Salazar had previously attempted to leave the residence and began walking northbound in the middle of the roadway instead of letting one of the subjects give him a ride home. Fearful for his wellbeing due to his level of intoxication, Lydick stated, [REDACTED] Jose Mendina, Janet Ferrer, and herself walked with Salazar and attempted to convince him to come back to the residence.

Lydick continued and stated while the 4 of them walked northbound with Salazar and attempted to redirect him back to the residence, Salazar became irate and attempted to physically attack Jose. Lydick advised [REDACTED] stepped between the two male subjects in an attempt to prevent them from fighting when Salazar shoved [REDACTED] on her chest, causing her to fall onto the ground.

After speaking with Lydick, I made contact with [REDACTED] who provided me with a corroborating statement. [REDACTED] advised Salazar and her [REDACTED] and that this was not the first time that Salazar had placed his hands on her. [REDACTED] advised while Salazar was advancing towards Jose in an aggressive demeanor, she stepped in front of him in an attempt to deescalate Salazar. [REDACTED] advised Salazar responded by using both his hands and pressing against her chest, shoving her to the ground; causing her to fall into the small ditch on the side of the road. [REDACTED] advised that Jose, Janet, and Lydick were all witnesses to Salazar shoving her. It should be noted that [REDACTED] advised she did not sustain any injury as a result of being pushed to the ground. After speaking with [REDACTED] I went and made contact with Jose and Janet separately; both of whom also provided corroborating witness statements.

After speaking with the victim and 3 witnesses, I went and made contact with Salazar, detained him and placed him in the rear of my agency issued patrol vehicle. After securing Salazar, I advised him of his Miranda Rights, to which he refused to advise if he understood said rights and continuously interrupted me. Assisting deputies remained on scene and completed the necessary domestic violence documentation while I transported Salazar to the Indian River County Jail without incident.

Through my investigation, I found Evelio A. Salazar, to be in violation of;

- FSS 784.03, Battery (DV)

Case Report # 2026-00106634

NARRATIVE

On Sunday, October, 4th, 2026, at approximately 1145 hours while traveling south on the 10000 block of County Road 507 in Fellsmere, Florida. Corporal M. Baumann and I observed a heavy amount of smoke on the road way. Once I got closer, I could smell what seemed to be exhaust fumes. I observed a vehicle through the smoke but could not make out a vehicle type or color through the dense smoke. I increased my speed and got behind the Vehicle and could see it was a Black Chevrolet Pick up truck that was emitting heavy smoke continually from the exhaust. The truck turned west on 101st street and I turned on my emergency lights and initiated a traffic stop.

Upon my approach of the vehicle, I made contact with the driver Luis Rios and informed him of my reason for stop. Rios stated the vehicle had a broken injector, he lived right around the corner and was just driving to his friends to pick up a washer and dryer.

I then asked Rios for his driver's license, registration, and proof of insurance. Rios stated "I'm not going to lie to you I do not have a driver's license and I'm habitual."

I then checked Rios drivers license status by name and date of birth through Public Safety Dispatch, and DAVID which showed Rios driver's license status was suspended habitual status.

Due to the following Rios was taken into custody and charged with

F.S.S. 322.34.5 Drive a motor vehicle on public roads while your driver license is revoked as a Habitual Traffic Offender.

The preceding is true to the best of my knowledge or belief

On **10/04/2026** , at **16:26** (Specifically include facts constituting cause for arrest.)

On October 4th, 2026, at approximately 1312 hours, I was dispatched to Walmart, 2001 US Highway 1 in reference to a possible shoplifting.

Upon arrival, made contact With Dawn Ethier, a loss prevention employee who stated the following "I, APA Dawn Ethier, working Loss Prevention for the Sebastian Florida Wal-Mart store #1068 was walking the floor when I came across this female that I had seen a few days earlier concealing items that I did not see selection on. On this day I had seen this female making selections in the health and beauty isles and after making selections she then travels to the stationary isle where she concealed some of the items and then she went to the domestic isles where she concealed additional items from health and beauty area and selected an item and placed it under her black bag. She then traveled to the clearance isle where she made a selection and placed it under black bag as well. At this point the female traveled to the garden center where she checked out at the register failing to take anything out of her black bag or taking the items out from under the black bag. When the female renders payment and exits out of the garden center passing all points of sale myself and my witness approach and ask her to come back inside with me. I then made contact with the Nicole Kyper, the female in question, and placed he in mechanical restraints. Before questioning I read Nicole her Maranda rights. Nicole stated she under stood. Post Maranda, Nicole explained she took the items in question, but only did it for her children due to their father being in the hospital.

While searching Nicole's belongings I found a medication bottle that had no prescription label. The medication was identified as Alprazolam. Arrest Affidavit Report

Case Report # 2026-00106767

NARRATIVE

On October 4th, 2026, at approximately 1930 hours, I was located in the area of Cumberland Farms, 890 9th St. SW, Vero Beach. I observed a Chevrolet SUV bearing Florida registration CX93RM. I conducted a random query of the registration plate through NCIC/FCIC, which resulted in the registered owner, Steven Valdivia, license being suspended. The suspension was placed into effect on September 9th, 2026, in reference to case#: 756943097. The vehicle drove by my agency vehicle in such a manner, where I observed a male to match Steven's description driving the car in the parking lot of the gas station.

The vehicle turned north on 27th Ave. SW, where I conducted a traffic stop in the 600 block. I walked up to the driver's side window and said "Steven", to which he replied yes. I asked for his license, registration, and insurance. Steven questioned the reason for the stop, and while doing so his tone grew louder and more aggravated. I asked if he had anything illegal in the vehicle, which he stated no. Due to his tone of voice, and the possible criminal violation, I asked him to step out of the vehicle, where he complied.

Sgt. D. Farinacci and K9 Deputy McKay arrived on scene at around this time to assist. Steven was continuing to question his suspension, where I explained, I would return to my vehicle and provide him more information now that backup arrived. Prior to doing this, I asked if law enforcement could search the car. Steven got upset, and did not give a clear answer. We took the lack of answer as a no.

I returned to my vehicle to query Steven's license and write him a citation. While doing this Deputy McKay and his K9 partner conducted a free air sniff of the vehicle. Deputy McKay advised of a positive alert.

Due to the positive alert, a probable cause search of the vehicle commenced by Deputy McKay and I. Deputy McKay located a 305-cigarette box in a pocket on the driver's side door which contained a small corner baggie of a crystal-like substance. This substance was weighed to be .3 grams, and later field tested presumptive positive for methamphetamine. Deputy McKay located in the door pocket next to the cigarette box was broken glass orange color bubble smoking pipe with residue. I located in the center console a full glass bubble pipe with white residue. These two items are consistent with methamphetamine smoking devices. Photographs were taken of this and uploaded to Evidence.com.

Steven was detained in handcuffs (double locked/checked for fit) pursuant these findings. A search of his person was conducted which resulted in no additional findings.

Steven was read his Miranda rights where he stated he did not want to talk. Steven was driven to IRCISO Jail. During the ride, Steven continued to question his suspended license. He stated he would

not be driving if he knew he was suspended, and stated he had a recent slip up in relation to drug addiction. Steven explained he lives in a sober house. It should be noted, I did not ask any questions of Steven in relation to the drugs, I only discussed the licenses suspension as it is a civil violation. Steven offered up the information regarding the possession of narcotics willing and voluntarily. Steven was transported to IRC SO Jail.

Steven was issued ANHBUJE for the controlled substance violation and ANHBUKE for the unknowingly driving while license suspended.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **10/04/2026**, at **23:00** (Specifically include facts constituting cause for arrest.)

On **10/04/2026** at approximately 2300 hours, I was traveling southbound on 14th Avenue behind a white Honda Pilot (FL tag # DM40FF). At that time, I conducted a query search of the vehicle's license plate on ELVIS which alerted that the vehicle had an expired vehicle registration as of 09/20/2026. Based on the foregoing, a traffic stop was conducted at the 1800 block of 14th Avenue.

In approaching the passenger side of the vehicle, I observed a three occupants in the vehicle. The driver was identified as Christopher Edwards (B/M DOB: 06/10/1983), the front passenger was identified as Lisa Stroyek (W/F DOB: 01/15/1982) and the right rear passenger was identified as Africa Thomas (B/F DOB: 11/21/1985).

Upon speaking with the driver, Edwards, he advised he was aware of the expired registration. Edwards was forthcoming with letting me know he had a "roach," which is a small leftover end of a joint or blunt [rolled up cannabis cigarette] and held it up with his hand. Edwards also mentioned having loose "weed," which is also known as green leafy plant material, in the front driver side door handle and stated that his medical marijuana card was expired. All occupants were removed from the vehicle and a probable cause search was conducted with the assistance of Ofc. Wickert.

During that time, Ofc. Wickert notified me that he had located a pipe with white and brown residue inside a blue small bag. Based on my training and experience, this item is commonly used for smoking illegal substances which often leave a distinct white, yellowish, brown, or black buildup.

Ofc. Wickert advised that the blue bag was located where the right rear passenger (Africa Thomas) had been sitting. Based on these findings, a search of Thomas' person was conducted with no additional findings. Thomas initially denied the pipe with residue belonged to her however, she spontaneously uttered that the keys inside of the blue bag belonged to her son and took ownership of the blue bag.

Thomas was placed under arrest for Drug Paraphernalia F.S.S. 893.147(1) and transported to the Indian River County Jail to be held on a \$500.00 bond.

BWC footage was uploaded to evidence library and photographs of items seized during the traffic stop were uploaded to the Responder application. Items seized were turned into Evidence.
