Arrest Affidavit Report

Case Report # 2026-00110234

NARRATIVE

On October 13, 2026 at approximately 1008 hours, I responded to 5555 20th Street, Vero Beach (Walmart) in reference to a retail theft.

While responding, loss prevention advised a white female wearing all black was taking items off the shelf and placing them in plastic Walmart grocery bags then into her cart. Loss prevention also advised the same female was also at the store on October 12, 2026 at approximately 0800 hours stealing items as well.

Upon arrival, loss prevention advised the female later identified as Chasya A. Strowd by her Florida driver's license, was exiting the store with a shopping cart full of items that she did not pay for. Sgt. Fricke made contact with Chasya, and placed her into physical hand restraints, then walked her to the loss prevention office.

While in the loss prevention office I read her Miranda Warning, to which she invoked her rights.

Loss Prevention Cecilee Ellis stated the following in a written statement;

- I, Cecilee Ellis working Asset Protection for Walmart was touring the store when I noticed a female I previously identified in a retail theft yesterday within Walmart. I observed the female taking merchandise from the salesfloor conceal it into Walmart plastic bags and place them into her cart. The female proceeded throughout the store doing this. The female then goes into Garden Center where she selected multiple garden pots and placed them into her cart. She then went back into the store where she selected a plastic tote container and concealed that into her cart. The female then proceeded to the front of the store where she bypassed all points of sale exiting out GM exit. I approached the female later identified as Chasya Strowd, identified myself as Walmart Asset Protection and escorted the female to the AP office with IRC SO. Due to the amount totaling \$483.54 for 34 items Walmart does wish to trespass and prosecute Chasya Strowd.

While speaking with Cecilee Ellis, she advised that Chasya had taken a large number of groceries, and other items the day prior with a total value that has yet to be concluded

Total value of items taken is \$483.54

Based on the video evidence, statements from loss prevention and Chasya walking out the store with the items passing all points of sale with the intent to deprive the store of the items full retail value she is being charged with one count of retail theft.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **10/13/2026** , at **20:00** (Specifically include facts constituting cause for arrest.)

On **10/13/26** at approximately **2000** hours, I, **Officer W. Brumley** conducted a traffic stop in about the **4200** block of **Atlantic BLVD** on a white 4 door sedan, bearing FL tag# **FCMM68**, in reference to the registered owner's license not being valid.

Upon approach, I made contact with the driver and sole occupant of the vehicle, identified as **Jean Fils-Amie JR** (defendant). After explaining the reason for the stop the defendant handed me his ID card. K-9 Ofc Doty observed a man made cigarette, on the defendants lap, and detected the odor of marijuana emanating from the driver side window from the lit cigarette, also known as a blunt. The defendant stated he did not have a medical marijuana card. The defendant then started acting erratically, bouncing around in his seat, reaching around the car and over into a pile of clothes and a backpack on his front passenger seat. The defendant exited the vehicle and was told to stand at the back of his vehicle where he instantly broke down crying and stretching out his arms across the trunk of his vehicle. Due to the defendant continuing to move and flailing around he was placed in handcuffs.

While the defendant was in handcuffs with his chest on the truck of the car, Ofc Wickert observed an unknown item in the defendants mouth. When asked about the unknown item, the defendant turned his head away from Ofc Wickert and as we attempted to extract the unknown item from the defendants mouth, he began pulling away and moving his head around so we would not be able to see it or extract it. Due to the defendants erratic movement we placed the defendant on the ground where we could better control the defendant. While on the ground a crunching noise could be heard/ felt in the defendants mouth. We eventually extracted a broken clear container with a black lid from the defendants mouth containing an unknown substance. EMS was called to respond to evaluate the defendant, he was taken to the Indian River Cleveland Clinic Hospital (IRCCH) for evaluation. EMS run# **26-28512**.

I conducted a probable cause search of the defendants vehicle and located a small black/red backpack on the rear passenger floorboard. I located a small oil stained pipe with a bowl on the end containing white residue, through my training and experience I identified this pipe to be equipment used to smoke illegal narcotics from, in the front smallest pocket of the backpack.

The oil stained pipe was field tested and had a positive reaction to the presence of Methamphetamine.

I left the scene to make contact with the defendant at the IRCCH. Post miranda the defendant stated not all of the clothes and backpacks in the car where his, however he was unable to tell me who those articles belong to. He also said he did not have anything in his mouth until he was laying on the ground, stating he saw the small container on the ground and wanted to bite down on it to cut up his mouth to get us in "trouble".

It should be noted I was advised from one of our SIU officers, per **DAVID** the defendant was notified of his license suspension on **05/04/2026** and went into effect on **05/26/2026** for fail to pay CT financial obligation. VBPD communications advised when I was on scene the defendants license was suspended on **5/26/26**.

Based on the forgoing the defendant was advised he was under arrest for violation of **FSS. 918.13(1A) Tampering With Physical Evidence, 893.147(1) Drug Paraphernalia, 843.02 Resisting Officer Without Violence, and 322.34(2B) DWLS With 2 Prior Convictions.**

This event was captured on my BWC and uploaded to Evidence Library. Evidence confiscated on scene has been entered into Evidence.

Arrest Affidavit Report

Case Report # 2026-00110485

NARRATIVE

On Tuesday, October 13, 2026 at approximately 2031 hours I was dispatched to intersection of 43rd Avenue and 20th Street in reference to an auto accident with no injuries. The caller, and victim, [REDACTED] advised she was rear ended at the intersection light of 43rd Ave and 20th Street while driving East by a red sedan [REDACTED] advised dispatch that the red sedan she was following that was involved in the crash was bearing FL tag #65DIGT, later identified as FL tag #65DIGP. While in route to this location, Indian River County Dispatch advised that one of the vehicles involved in this crash fled the scene after a short period of time, and the other vehicle was still following it. Both vehicles were located stopped in the middle of the road, at approximately the 750 block of US1, after the victim, [REDACTED] called back into dispatch and provided and updated location of the vehicle that fled from the original incident location. On scene a red sedan, could be observed with substantial damage to the front hood of the vehicle, which would also be consistent with being involved in a rear ending another vehicle. [REDACTED] vehicle, a black SUV bearing FL tag #PB2FH with damage to the rear end of the vehicle consistent with being involved in a rear end collision.

While speaking with the driver, Jamika Lamoreaux of the vehicle (Ford Focus FL tag #65DIGP) that fled the scene of the crash, I could smell a strong odor of an alcoholic beverage emitting from her breath. In the left rear passenger seat of the vehicle in accompany with Jamika, a young child, later identified as E. Titus 06/10/2020 was observed to be riding inside of the vehicle, after it fled the crash, and was not properly buckled into their child seat. It was observed that Jamika had watery eyes and spoke in a sluggish demeanor. Jamika was able to provide me with her driver's license, but shortly after she forgot she gave me her drivers license and attempted to give me her social security card. Deputy S. Lopez Acosta completed the crash investigation, and afterward's Jamika was advised she was now under investigation for DUI by myself. When asked, Jamika denied having consumed any alcoholic beverage tonight. Based on my observations, I asked Jamika to perform standard field sobriety exercises.

Before beginning the exercise, Jamika advised she did not have any underlying medical or physical conditions that would have prevented her from completing the exercises. Jamika advised she had no recent surgeries and was able to stand and walk for long periods of time.

HORIZONTAL GAZE NYSTAGMUS EXERCISE

Prior to attempting this exercise, Jamika indicated she did not have any medical problems that would have prevented her from performing the exercise. Her eyes were checked and they displayed equal tracking and her pupils were equal sizes. Jamika was instructed to follow the stimulus with her eyes only, keeping her head still. After stating that she understood the instructions, Jamika attempted this exercise. No resting nystagmus was observed.

The results of this exercise displayed 6 of the 6 possible clues.

- A lack of smooth pursuit in the left eye

WALK AND TURN EXERCISE

Prior to attempting this exercise, Jamika indicated she did not have any medical problems that would have prevented her from performing the exercise. Jamika was instructed to put her left foot on the line and her right foot in front of it with her right heel touching the toe of her left foot. She was instructed to stand in this manner with her hands to her sides until the exercise instructions were completed and the exercise demonstrated. Jamika was instructed not to begin the exercise until told to start. She was instructed to take nine steps along the line in a heel-to-toe manner. After the ninth step she was to stop and turn around keeping her lead foot on the ground, taking several small steps with the other foot to turn around. After turning around, she was to take nine steps in a heel-to-toe manner back along the line, in the direction she had come from. Jamika was further instructed to watch her feet at all times while walking, keep her arms down to her side, and to count her steps out loud. After the exercise was demonstrated, Jamika stated that she understood the instructions and was instructed to begin the exercise.

The results of this exercise displayed 2 of the 8 possible clues:

During the course of the exercise, Jamika missed stepping heel to toe while performing the exercise, and used her arms for balance.

exercise. Jamika was asked not to begin the exercise until instructed. She was instructed to raise the leg of her choice by approximately 6 inches off the ground. While holding that position, she was to keep her leg straight and count out loud in the following manner, one thousand one (one thousand one, one thousand two, one thousand three, ...) and so forth until instructed to stop (after 30 seconds). The exercise was demonstrated to Jamika to which she stated she understood.

After she indicated understanding the instructions, Jamika attempted the exercise and was wearing slides.

The result of this exercise displayed 4 of the 4 possible clues:

- Swayed while balancing during the exercise
- Put foot down during exercise
- Hopped during exercise
- Used arms for balance

Based on my observations, Jamika was arrested for DUI and transported to the Indian River County Jail without incident. As mentioned before, the original call for the auto accident occurred at the intersection of 43rd Ave and 20th Street, and [REDACTED] advised the vehicle continued East on 20th Street before hanging up with dispatch. When [REDACTED] called back into dispatch to relay and updated location of the vehicle at the 750 block of US1. Using Google maps, Jamika's vehicle continued to travel for approximately 4.2 miles after being involved in an auto accident while her minor child was passenger in the backseat unrestrained. While on scene, Jamika advised her son, [REDACTED] and in the course of events that occurred, driving while intoxicated, being involved in a car crash while unrestrained, and fleeing the scene of the crash, these events would have reasonably caused significant mental trauma to her child.

Upon arriving to the jail, Jamika was handed over to jail staff, Jamika refused to submit to a breath test while at the jail.
