The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **08/24/2026** , at **00:05** (Specifically include facts constituting cause for arrest.)

On 08/24/2026, at approximately 00:05 hours, I observed a silver Hyundai sedan (displaying FL tag #46AUGE) traveling at a high rate of speed in the 2000 block of US-1. I visually estimated the vehicle to be traveling approximately 55 MPH in a 35 MPH zone. I tried to catch up with the vehicle when the driver initiated a right turn onto 17th Street to continue westbound from US-1. While I was in the lane adjacent to the vehicle, I passed the driver's side, and I was able to get a clear look into the vehicle through the driver's side window. The window did not have any screening tint, and I observed a black male driver with long dreads and a snapback hat operating the vehicle. I noticed that the male driver did not have his seat belt on as he was leaned forward to perform the right turn. I maintained visual on the vehicle as I tried to position myself behind the vehicle. The vehicle continued west before turning south onto Old Dixie Highway. While traveling behind the vehicle in the 1300 block of Old Dixie Highway, I utilized my in-car radar to obtain a speed measurement on the vehicle. My radar fluctuated and provided me with a reading that climbed past 50 MPH in a 35 MPH zone. I subsequently initiated a traffic stop on the vehicle for the violations as the driver tried to pull into the 7-Eleven located at 1201 Old Dixie Highway.

The vehicle pulled next to the gas pumps, and the driver abruptly shifted the vehicle into park. Through the back windshield of the vehicle, I observed the male driver climb into the back seat of the car, and a female passenger climb into the driver's seat. When I approached the vehicle, the windows were still rolled up, and the male was moving a lot in the back seat of the vehicle. The male was bent forward, and I had to order him to place his hands on the headrest where I could see them. At this time, I was provided back up by Deputies that were present near the gas station, as well as an additional officer from my agency. The female and male occupants were removed from the vehicle and detained.

As I was present with the female passenger, she uttered to me that she wasn't sure why the male was acting out with such nervousness. She uttered that the male did not have a valid license, and that he may have weed but she believed that he had a medical card. The male, who I recognized to be the original driver of the vehicle, was identified as Tramon McCarthy (B/M DOB: 05/28/1998). While speaking to Mr. McCarthy, he admitted that he did not have a valid driver's license, and he stated that he was never issued one. When asked if he had a valid Medical Marijuana Card, he claimed that he just applied for one but had not received it yet. Mr. McCarthy could not provide me with a valid card at the time of this stop. I walked Mr. McCarthy to the front of my patrol vehicle and performed a pat down for any weapons. I felt the bulge of what I recognized to be an electronic vape device in his front pocket. Mr. McCarthy allowed me to retrieve the device, which was revealed to be a THC infused vape device.

I then approached the vehicle and assessed the areas where there was a lot of unknown movement by Mr. McCarthy and the female. I detected an odor of Marijuana coming from the interior of the vehicle, and there were rolling papers, lighters, and a white container in the vehicle. I recognized the white container to be commonly used to store Marijuana flower. This container did not have an appropriate prescription label listing the authorized user, and I later discovered that the container contained shake residue from Marijuana. I also observed that both of the seat belts in the front portion of the vehicle were fastened, consistent with the subjects sitting in front of the belts while they were fastened behind them and not being appropriately used.

The female was taken out of handcuffs when the scene was finally controlled with backup officers present. The female informed me that this vehicle was a rental, which listed her as the designated user. The female had an electronic lease agreement on her phone, but she did not have a physical copy that I could look over. While speaking to the female, she provided me with consent to search the car as well.

During my search of the vehicle, I observed that there was a drawstring bag on the backseat with a McDonalds insignia. Inside the bag I located the following:

- Ziploc bag containing white rectangular pills with "V 2090" imprinted on the pills. I was able to identify the pills to be Alprazolam.
- A twisted plastic bag containing circular, multi-colored pills. From my training and experience, I recognized the coloration and physical form of the pills to be a street form of MDMA/Ecstasy.
- Three jars containing an unknown crystallized substance, which were inside of a THC crystal bottle labeled as "Triple Entendre X3 Scoopy Noopers". I recognized the contents to be some form of THC crystal/diamonds, which is a highly potent and concentrated form of THC that is designed to provide the user with an intense high.
- A white plastic container containing approximately 6-8 Grams of Marijuana flower with plastic wrapping. This container was not an appropriate prescription bottle, and it did not have a label that listed an authorized user.
- Two orange prescription bottles. The first bottle was an empty Walmart bottle with the label missing. The second bottle was a [REDACTED] that was prescribed to Mr. McCarthy.
- An unusually large quantity of plastic wrapping paper and an additional "80 count" box of Ziploc bags that was heavily used.
- A small black digital scale with a faint amount of unknown powder residue on the scale.
- Pay stubs addressed to "Tramon McCarthy" with his Social Security Number listed.
- and personal items consisting of male clothing, toothbrushes, and male deodorant.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On **08/24/2026** , at **00:05** (Specifically include facts constituting cause for arrest.)

It should be noted that I also located two cell phones inside the vehicle which Mr. McCarthy claimed ownership of.

While processing the scene, I asked the female if the black bag with the McDonalds logo belonged to her. The female advised that this bag belonged to Mr. McCarthy. Post-Miranda, Mr. McCarthy claimed ownership of the Marijuana products that were located inside of his bag. Mr. McCarthy told me that he does not have any narcotics prescribed to him. When confronted with the presence of narcotics in his bag, Mr. McCarthy denies ownership of the narcotics and claimed that the narcotics and the bag belong to his "brother". When asked for his brother's name, he told me that it was just a friend and not his biological brother. Mr. McCarthy did not provide a name for his "friend".

I conducted a records check on Mr. McCarthy and discovered that Mr. McCarthy had several suspensions to his license, including the following:

Mr. McCarthy also had prior drug offenses, consisting of Unlawful Possession of Marijuana and Possession of Drug Paraphernalia (dated from 10/30/2015), and two counts of Possession of a Controlled Substance (dated from 07/16/2019). According to my dispatch, Mr. McCarthy had a Medical Marijuana Card. It is unknown if Mr. McCarthy ever received delivery of the card. Mr. McCarthy also had several violations pertaining to the possession, packaging, transportation, and required identification for the Marijuana products he possessed.

Mr. McCarthy was placed under arrest for knowingly operating on a suspended license and drug related offenses. I then transported Mr. McCarthy to the Indian River County Jail.

At the jail, Corrections Deputies provided Mr. McCarthy with a procedural warning to disclose if he possessed any weapons or contraband on his person. Mr. McCarthy was provided with this warning prior to being removed from the rear transport cage of my patrol vehicle inside of the sally port. Mr. McCarthy told deputies that he did not possess any sharps, weapons, or drugs, and he was walked into the secured intake portion of the jail. Once inside, deputies discovered a plastic bundle (containing a crystal powder) concealed inside of Mr. McCarthy's right shoe. I obtained custody of the contraband and included it with the additional narcotics for further processing. While processing the evidence, I noted the following:

-The plastic bundle that was discovered in Mr. McCarthy's shoe had a total packaged weight of approximately 1.1 grams of an unknown crystal powder substance. The crystal powder was tested and provided a very strong positive reaction for the presence of Fentanyl.

-The Ziploc bag containing several white rectangular pills with "V 2090" imprints (suspected Alprazolam) were examined for total weight. I estimated there to be greater than 30 pills and the total packaged weight was approximately 16.7 grams. While looking over the pills, I noticed that the quality of the imprinting was poor, and there was slight discoloration in the pills. I had raised suspicion of the contents and performed chemical field tests. A portion of a pill was broken and pulverized for a chemical field test. The contents provided a positive reaction for the presence of Fentanyl. A second test was attempted on a separate pill; however, this test kit tore during processing and leaked out. The leaked content provided a slight positive reaction for the presence of Fentanyl. Based on this finding, a third test was performed. The two pills that were tested were broken down and pulverized. I then performed a subsequent test and had a delayed strong reaction for the presence of Fentanyl in the contents of the pills. This affirmed that these pills were likely pressed pills laced with Fentanyl.

-The twisted plastic bag containing circular, multi-colored pills weighed approximately 4.3 grams with the packaging. The contents (suspected to be a street form of MDMA/Ecstasy) were tested and provided a strong positive reaction for the presence of Amphetamines.

-The THC crystals/diamonds will be sent to the drug lab for further testing, given that I am unable to perform any field test to determine the true concentration levels.

-I also recognized from my training and experience that the digital scale, the large bundles of plastic wrap, the Ziploc bags, and the presence of more than one cell phone are strong indicators for street level drug distribution and sales. The quantity and diversity of the narcotics that were recovered are also inconsistent with individual, personal use, and they are consistent with street level, drug distribution.

Based on these facts and findings, the defendant was charged with the following:

-Knowingly operating a vehicle with a suspended/revoked license.

-Introduction of a controlled substance into a correctional facility, as well as Possession of a controlled substance (in reference to the plastic bundle of suspected Fentanyl from the defendant's shoe. Approximately 1.1 grams- total package weight).

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00090625****NARRATIVE**

On August 24th, 2026, at approximately 0350 hours, I was driving in the 2000 block of 14th Ave, Vero Beach. I observed a gray Nissan Altima bearing Florida registration SRQG29. I noted the front driver's window had extremely dark window tint where I could not see through it. I also noted, the rear driver's side window was down/not there and I could see into the car, where I noted a check engine light was lit. The vehicle also had heavy front-end damage on the hood of the vehicle. The damage had the hood of the vehicle lifted up, therefore, making it very identifiable. I conducted a query of the plate through FCIC/NCIC, which resulted the vehicle to be registered to RP Rental Company out of Orlando, FL. Due to this, I began to follow the vehicle directly behind it in my fully marked agency vehicle to see where it was traveling.

The vehicle drove north to the intersection with 23rd St., where the Nissan turned right (eastbound), and then left onto U.S. Highway 1 to travel north. I noted the vehicle was driving at a slow rate of speed. As we approached the railroad tracks near the intersection with U.S. Highway 1, the Nissan stopped at a green light, while my agency vehicle was stopped next to it on the passenger side. The Nissan then turned left and began to travel north on U.S. Highway 1. I also turned left, where I observed the Nissan turn right onto 26th St. traveling eastbound. I passed the 26th St. to continue to 28th St., where I conducted a U-Turn and began to monitor northbound traffic on U.S. Highway 1, in an anticipation for the Nissan to drive by me. After a small amount of time, the vehicle did not pass, where I drove south on U.S. Highway 1. I noted as I drove by 26th St. I observed the Nissan's heavy front-end damage to be backed into 2566 26th St., which is at the time was closed mechanic shop business. I drove east on 26th St., where I observed the vehicle to be occupied by two adult males. I conducted a U-Turn on 26th St., where I activated my emergency lights.

As I drove down 26th St., I believed there was a clear attempt to evade law enforcement along with the window tint violation, I feared for my officer safety. According to my prior training and experience, I believed criminal activity such as auto-burglary's and or other felonious activities were afoot. As such, I drove toward the passenger side of the vehicle, and activated my emergency lights. I exited my vehicle, and approached the passenger side, where the passenger, later identified as Benjamin Dominguez, opened the door. Due to the dark window tint, and my being alone, I issued verbal commands to both parties to put their hands up on the dash board and steering wheel and remain like such until my backup arrived. I radioed IRCSD Dispatch for additional units and requested Vero Beach Police Department response.

Ultimately, while waiting for backup, Benjamin and the driver, later identified as Giulliano Alvarez, were both questioning what I was doing and making statements as they were not doing anything wrong.

Giullianno kept removing his hands from the steering wheel, where I continued to have to issue verbal commands for him to put his hands back. Giullianno also could not sit still and was laying down in his seat and then sitting up. All of these behaviors exhibited signs of clear nervousness to me. I asked both parties if there was anything illegal, and or weapons, which they stated no. They stated to me while waiting for backup that they were not from Vero and were here to meet a girl.

Of note, while standing on the passenger side with the front passenger door opened, I noted multiple pairs of black rubber gloves on the floor. This observation furthered my belief burglarious activities were afoot.

Ultimately, Deputy M. Gadacz and Ofc. W. Brumley (VBPD) arrived on scene to assist. I asked Benjamin to step out of the vehicle. I asked Benjamin for consent to frisk him, which he stated he did not consent to searches. I asked him for consent to frisk him, which he stated he would allow. I frisked his person, which resulted in no findings. Ofc. Brumley had Giullianno step out of the vehicle and performed a frisk of his person. When Giullianno opened the driver's door he left it open.

I informed Giullianno the reason for the stop (window tint), and asked him for his driver's license, which he did produce. I noted while speaking with him a black ash tray in the driver's door cup holder. I could see directly into the ash tray, where I observed what appeared to be multiple marijuana cigarette ends, referred to as roaches. I told Giullianno this observation, which he admitted to this. I asked Giullianno if he had a medical marijuana card, which he stated no. This was later confirmed by IRC SO Dispatch that he did not have a medical marijuana card. At a later point in the investigation, I dumped the ash tray, which resulted in 3 small plastic corner baggies. Corner baggies are a known method to possess illegal narcotics, such as methamphetamine, fentanyl and or cocaine/crack cocaine. These corner baggies, were incredibly small, and had no residue.

Due to the observation of marijuana, I conducted a probable cause search of the vehicle. During the search of the vehicle, I located a plastic shopping baggy on the floor of the front driver's floor, which had marijuana in it. This item was seized. This was shown to Giullianno, where he stated he did not have marijuana in the car. I then noticed a bullet hole in the B pillar of the Nissan on the driver's side, near the rear driver's side window. Of note, the bullet hole was facing inward, as though someone had shot at the vehicle. A small amount of red brown stain, believed to be dried blood, was located on the B pillar. I noted fresh glass particples all throughout the vehicle, as though the window had been shot out. All throughout the driver's floor of the vehicle was green leafy substance consistent with marijuana shake. Also observed were black cloth face coverings, which covered the entire head. These are commonly used in auto burglaries to conceal all identifying features. A later test of the window tint on

the front driver's side window resulted in 15 percent two times.

Due to the observation of the bullet hole, I detained Giulliano in handcuffs (double locked/checked for fit), due to fear for my safety and other officer's safety. I believed the discovery of a firearm was imminent. At around this time, Giulliano was read his Miranda warnings line by line, which he stated he understood.

I conducted a probable cause search of Giulliano. During the search of his person, I located in his zipper sweat pant pocket, I discovered the plastic body of pen, and a burnt piece of tin foil with a black residue on it. As soon as I touched these items, Giulliano stated it was a straw. I know from my training and experience these two items are consistent with smoking methamphetamine, therefore, these two items are narcotic paraphernalia. Giulliano stated post Miranda he last smoke methamphetamine 1 day ago. The substance inside the straw and the substance on the tinfoil were later field tested, which resulted in presumptive positive for methamphetamine. This was photographed and uploaded to evidence.com.

Ofc. Brumley to conduct a secondary search of the vehicle. Ofc. Brumley advised he discovered a United States Postal Service Arrow Key on the floor board of front passenger side of the vehicle. I know from my training and experience as a prior detective, that arrow keys are property of the United States Postal Service and unlock mail boxes based on geographical service areas of the postal service. Possession of these keys are commonly used by persons who break into USPS Mail Boxes, steal mail for the intent to commit check fraud, check washing, and other thefts as mail theft. This item was seized for further investigation by IRCISO CID and the United States Postal Inspector. This was photographed and uploaded to evidence.com.

Ultimately, Giulliano was placed under arrest and escorted to the rear of my agency vehicle. He was search prior to being placed in the vehicle. While Giulliano was in the vehicle, he stated he does not smoke methamphetamine, and the paraphernalia was not his.

During the search of Giulliano's wallet, I discovered a North Carolina Driver's Licenses. I radioed the number 000078967456. IRCISO Dispatch advised NC did not return for this number. Of note, the picture on the license was Giulliano, however, the name was Wesley Turner with a date of birth of June 17th, 2001. A later check conducted of NCIC/FCIC resulted in no response for this name and date of birth combination out of NC.

I spoke with Benjamin, the passenger. I read him his Miranda rights, where he explained the following. He stated he knows Giulliano to smoke methamphetamine, and use fentanyl. He explained he also

knew Giullianno had an incident in Brevard County or somewhere else in FL, on August 22nd or 23rd. He explained Giullianno sells marijuana, and was involved in a disturbance where he was shot at. He explained Giullianno told him he was robbed, and that a black male shot at Giullianno one time. Benjamin explained Giullianno told him his vehicle was covered in marijuana as a result of this. Benjamin also explained on yesterday's date, Giullianno was high on fentanyl at a 7/11 near Orlando or Brevard Count, where he practically overdosed. He explained Giullianno lost his firearm, by leaving it in the bathroom. Benjamin explained he knew Giullianno had possession of this vehicle for approximately the last week, and rents it from a guy in Orlando for a couple of hundred dollars for the week.

I attempted to speak with Benjamin about the female he was intending to meet on this evening. He stated the females name was Amanda. I asked him to provide me texts, phone calls, and or Instagram messages. However, Benjamin was unable to provide me any proof of such. Giullianno did not provide me any clear details throughout the interaction about the females he was intending to meet.

Giullianno's property was gathered from the search of the vehicle, which included his wallet, two cell phones, and other items. Giullianno was transported to IRC SO Jail. Prior to transport, I asked Giullianno if he had any narcotics hidden on his person, which he stated no. I asked him multiple times, which he stated no every time.

Upon arrival to IRC SO Jail, I further inventoried his wallet, where I discovered two credit/debit cards which were not in his name. These two were seized for safe keeping. Additionally discovered was a second drivers license from the state of North Carolina, again with Giullianno's photo on it. This identification had number 000078967853 on it. Also had a name of Christopher Tagle and a date of birth of February 20th, 2002. The drivers license number was called into IRC SO Dispatch, which resulted in no record out of NC. Additionally, FCIC/NCIC query conducted by myself resulted in no findings for the name and date of birth combination out of North Carolina.

While in the booking process, I heard a loud commotion at the booking desk. My attention was drawn to Giullianno who was resisting the corrections deputies as they were attempting to remove his socks. Ultimately, Giullianno was controlled by myself and corrections deputies, and the socks were taken. Within the sock was 5 small baggies of a white powdery substance in residue amounts. These 5 individual baggies were field tested, which all resulted in presumptive positive fentanyl. This was photographed and uploaded to evidence.com.

Giullianno was issued citation ANUP9KE for the possession of a controlled substance (Fentanyl) and a civil citation ANUP9LE for the window tint violation.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **08/24/2026**, at **18:01** (Specifically include facts constituting cause for arrest.)

On August 24th, 2026, at approximately 1754 hours, I was traveling east in the 600 block of Sebastian Boulevard. While traveling east, I observed a gray 2011 Buick Regal bearing Florida tag 98GBTJ also traveling east in front of me. Upon conducting a query of the vehicle's tag via law enforcement database ELVIS, I learned the registered owner, Daniel Talamantez Jr, has an active felony warrant of out of Indian River County reference SPD case 25-1445, for Ct. 1 POSS OF A FIREARM; AMMO; ELECTRIC WEAPON; OR CONCEALED WEAPON BY CONVICTED FELON (WARRANT #2026757, BOND \$20,000). This was also confirmed by Sebastian Communications. Due to this a traffic stop was initiated.

Contact was made with the driver, who I positively identified from prior law enforcement contacts as Daniel Talamantez Jr. Daniel was removed from the vehicle and taken into custody at this time.

Upon Sebastian Communications receiving hit confirmation, Daniel was transported to the Indian River County Jail without incident.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00090889****NARRATIVE**

On August 24, 2026, at approximately 1811 hours, I responded to the business of Vero Orthopedics located at 3955 Indian River Boulevard in reference to a white male harassing staff and customers for money.

After making contact with staff members, I was advised the male had left the property walking south. I circulated the area and located the male subject walking through the parking lot of Cleveland Clinic located at 1000 36th Street, Vero Beach, Florida.

I made contact with the subject who was identified as Matthew Goewey. Goewey stated he was trying to get money to get a bus ticket back to Punta Gorda where he use to live. I asked Goewey if had any weapons or illegal narcotics on his person, and he said no. Goewey gave verbal consent to search his person for illegal narcotics and weapons.

During a search of his person, I located a glass smoking pipe in the front right pocket of his shorts. Goewey stated someone gave him the pipe and he used it to smoke crack and weed earlier in the day.

I conducted a field test of the pipe using an agency issued field test kit (#33), which yielded a presumptive positive for Fentanyl. It was also tested for crack cocaine with negative results.

Post Miranda, Goewey again admitted to using the pipe to smoke crack and weed, he advised everything is laced with Fentanyl so that is why it is testing positive for Fentanyl.

Goewey was subsequently arrested and charged with Possession of Controlled Substance (FSS 893.13, No Bond) and Possession of Drug Paraphernalia (FSS 893.147, \$500 Bond). Goewey was transported to the Indian River County Jail without incident.

Case Report # 2026-00090815

NARRATIVE

On August 24th, 2026, I, Deputy C. Greeley #6038, responded to 5950 20th Street (Burlington) in reference to a shoplifting.

Upon arrival, I spoke with the loss prevention of "Burlington" Steve Hutchinson. He explained a female entered 'Burlington' between approximately 1345 and 1400 hours. The female was seen wearing dark colored pants, gray sneakers, and a plaid t-shirt.

After the female entered the store, she grabbed a shopping cart and began walking throughout various aisles. The female was then seen walking throughout the store and placing items into two large black bags. The bags were seen placed in the front of the shopping cart, as the female placed various items into it.

The female then spent approximately one hour within the store, walking through various aisles, and then passed all points of sale and exited the store. At no point did the female attempt to purchase any of the items concealed within the large black bag.

Steve was unable to provide which exact items were taken from the store; however, he was able to provide store footage of this incident.

Moments later, law enforcement located a female matching the description in the area of this incident.

The female, who was observed wearing the same clothing as identified as, Teresa Fogarty.

Teresa was located with two black bags which were also seen on camera. I discovered within both bags various items of clothing and electronics. Only five items were identified as 'Burlington's', which were: bathing suit tops \$16.99, two towels \$7.99, and power bank charger \$12.99, the total value \$44.90.

Post Miranda, Teresa admitted to taking the items because she doesn't have anything. She stated her memory was not very clearly and believed she was in a different store. She then admitted to taking the items and not paying for any of them.

Based on my investigation, I find probable cause that Teresa violated F.S.S. 812.015 Shoplifting. Teresa knowingly deprived 'Burlington' of their property, concealed the items, and then placed all points of sale.

**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2026-00090932****NARRATIVE**

On August 24, 2026, at 20:42 hours, I Deputy D. Coon #6379 conducted a security check of Calmar shopping center at 5555 20th St in Indian River County. While driving through the parking lot, I was flagged down by Calmar employee, Derek Antonia Graham. Derek is a Calmar 'greeter', and he is typically posted at the grocery-side entrance/exit. He noticed a white female subject that was trespass-warned earlier today, and he asked me to investigate.

I then spoke with Calmar's Asset Protection Investigator, Sara Rene Bingo (AKA: "Scottie"). Scottie validated Derek's suspicion and added that the white female was a shoplifting suspect from earlier today. Deputy D. Harvey #6377 was summoned to Calmar during that incident at approximately 16:04 hours (Case # 2026-00090852). Deputy D. Harvey identified the white female as Kelly Marie Evans. Although Kelly was not arrested during that call, Deputy Harvey issued Kelly a formal trespass warning. Kelly received a copy of the trespass affidavit and left Calmar's property as requested. Scottie showed me a picture of Kelly from that incident; Kelly was wearing camouflage pants, black tank top, and a blue bandana on her head.

While reviewing this data, Kelly exited the grocery-side doors. She was wearing the same clothing and matched the photo that Scottie shared with me. I detained her based on reasonable suspicion that she was trespassing after warning. I then identified Kelly by her FOLSOM records. Kelly's trespass affidavit had not been processed by IRC SO Central Records yet; however, I was able to read Deputy Harvey's case report from his trespass call with Kelly. In that report, Deputy Harvey clearly stated the circumstances for his call to Calmar and the subsequent trespass warning that he issued to Kelly.

Based on the circumstances, there was probable cause that Kelly Marie Evans was trespassing at Calmar. I placed her under arrest for Trespass After Warning, U.S.A. 810.09 (1)(a)(1).

Arrest Affidavit Report

Case Report # 2026-00090936

NARRATIVE

On Monday, August 24, 2026, at approximately 2112 hours, I, Deputy M. Neill #6317 conducted a traffic stop near the intersection of 65th Street and 66th Avenue, Sebastian, Indian River County, Florida, in reference to a vehicle not being able to maintain its lane.

While driving northbound on 66th Avenue, I was behind a red Toyota pickup truck. While behind the pickup truck, the vehicle was unable to maintain its lane while driving. The vehicle crossed in to the other lane of travel and then in to the bike lane. After correcting itself, the vehicle continued driving north. This was only momentarily until the vehicle left its lane of travel and started to drive in to the bike lane. The vehicle traveled in the bike lane for approximately one quarter mile before correcting itself again.

I conducted a traffic stop to check the well being of the driver.

After initiated the traffic stop, I made contact with the driver. While speaking to the driver I observed that they had blood shot and watery eyes. I obtained the driver's license of the driver, who was identified as Mr. Nash Fuller. Mr. Fuller was visibly shaking and appeared to have rigid movements.

Based on the clues of impairment, I requested Mr. Fuller to exit the vehicle. While outside of the vehicle, I inquired about why Mr. Fuller would have bloodshot watery eyes. He stated he has Dengue Fever, and that's why he has the following indicators. I requested Mr. Fuller to complete Standardized Field Sobriety Exercises (SFSE's). Mr. Fuller's initial statement was that he will provide a breath test. I explained to Mr. Fuller that I could not just administer a breath test. He then agreed to perform the SFSE's.

The SFSE's go as follows:

Horizontal Gaze Nystagmus (0/6): Mr. Fuller did not have a lack of smooth pursuit, did not have a distinct and sustained nystagmus at maximum deviation, and did not have an onset of nystagmus prior to a 45-degree angle. He did not have vertical gaze nystagmus. He did have equal tracking and equal pupil sizes. His pupils were dilated, based on my training and experience. He did not have a resting nystagmus.

Walk and Turn (3/8): Mr. Fuller could not keep his balance while in the instructional stance, stopped walking to steady, and used his arms for balance. Mr. Fuller was making rigid steps during the exercise.

One leg stand (4/4): Mr. Fuller swayed while attempting to balance himself, used his arms for balance, hopped, and put his foot down during the exercise.

I then allowed Mr. Fuller to call his father at his request. His father confirmed that Mr. Fuller went to a walk in clinic to be seen due to having weakness and a fever.

NARRATIVE (Continuation)

I then had Mr. Fuller open his mouth. I noticed that he had a dry mouth, which Mr. Fuller confirmed.

I then moved on to the Modified Rhomberg Exercise: Mr. Fuller estimated the passing of 30 seconds internally in his head at 46 seconds. During this exercise, I noticed full body tremors, rigidity, and eyelid tremors.

I then completed the Finger to Nose Exercise. This goes as follows:

Left: Mr. Fuller missed touching the tip of his finger to the tip of his nose. He also held his finger and had stiff movements

Right: Mr. Fuller missed touching the tip of his finger to the tip of his nose

Left: Mr. Fuller missed touching the tip of his finger to the tip of his nose. He also held his finger to his nose.

Right: Mr. Fuller missed touching the tip of his finger to the tip of his nose.

Right: Mr. Fuller missed touching the tip of his finger to the tip of his nose.

Left: Mr. Fuller touched the tip of his finger to the tip of his nose.

Based on the clues of impairment, I decided to place Mr. Fuller under arrest for DUI. Prior to arresting him, I had him continue with the exercises so that I could put gloves on [REDACTED]

Mr. Fuller was placed under arrest and transported to the Indian River County Jail. While at the jail, Mr. Fuller provided two breath samples of 0.000 and 0.000. Mr. Fuller also provided a urine sample. Deputy Hackett, a Drug Recognition Expert, responded to the jail to do a drug influence evaluation. At the conclusion of the evaluation, Deputy Hackett advised he believes in his opinion that Mr. Fuller is under the influence of Cannabis and is unable to safely operate a motor vehicle.
