Arrest Affidavit Report

Case Report # 2026-00105414

NARRATIVE

On October 1st, 2026, at approximately 0300 hours, I responded to [REDACTED] in reference to a stolen vehicle.

Upon arrival, I made contact with [REDACTED] and Craig Corley, who stated David Prince stole [REDACTED] 2010 silver Chrysler Town and County minivan [REDACTED] stated on September 30th at approximately 2000 hours, Prince came to the residence to help move some items. At that time, [REDACTED] stated Prince took the vehicle keys off the coffee table and left with the Chrysler van without permission. [REDACTED] stated she did not realize the vehicle was missing until she came outside to retrieve something from it later in the night.

[REDACTED] stated she wished to pursue charges for her stolen vehicle and signed a sworn Stolen Vehicle Affidavit. The 2010 silver Chrysler Town and County minivan [REDACTED] was subsequently entered into NCIC/FCIC, as stolen.

At approximately 0406 hours, Deputy Estrella, ID# 6212, located the 2010 silver Chrysler Town and County minivan [REDACTED] parked, unoccupied, at 230 28th Road SW. Deputies subsequently located Prince at the residence and placed him under arrest.

Additionally [REDACTED] was transported to 230 28th Road SW for a show up. [REDACTED] subsequently positively identified David Patrick Prince (DOB: 12-25-2003) as the individual that stole her vehicle.

During a search of Prince's person, the key to the vehicle was located in his pocket. A tan-colored container was also located in Prince's pocket. Inside the container was folded aluminum foil, and as I unfolded the foil, a small, clear rock-type substance fell out of the foil. Based on my training and experience, I believed the rock-like substance to be methamphetamine.

During a post-Miranda interview, Prince stated the rock-like substance in the tan container was "ice," which is a common term for methamphetamine. Prince also stated he had permission to take the vehicle, but his story was incoherent.

Based on statements collected, and evidence gathered, Prince did commit the offenses of grand theft auto and possession of a controlled substance.

Prince was issued one citation for possession of a controlled substance (citation #: ANUORDE).

Arrest Affidavit Report

Case Report # 2026-00105455

NARRATIVE

On October 1, 2026, at approximately 0622 hours, I was exiting the 7-Eleven parking lot when I observed a black in color sedan bearing Florida License Plate 11CITR pass the solid white stop bar proceeding into the crosswalk before making a stop.

Through a check of FCIC/NCIC and DAVID I learned the vehicle had a financial reasonability suspension with a seize tag order. I observed no owner driver license attached. Furthermore, deputies observed a broken tag light.

I conducted a traffic stop at the intersection of 26th Street and 74th Ave. The vehicle began to stop then slowly rolled forward multiple times.

I made contact with the driver and discovered he only had a passport from Guatemala as a form of identification. The suspect who was identified as Miguel Lux Tojin stated he has been operating a vehicle for the past four years without a valid Florida Driver License. Miguel could not obtain a valid Florida Driver License due to his immigration status.

When deputies informed Miguel it is a crime to operate a motor vehicle in the state of Florida without a valid license, Miguel nodded his head.

Based on the totality of the circumstances Miguel Lux Tojin did and knowingly violate Florida State Statute 322.03.1 as Miguel knowingly operated a motor vehicle without a valid license.

On 10/1/26, at approximately 0950 hours, I responded to 946 Roseland Road in reference to a flag down.

The complainant stated a white male, later identified as Christopher Nadeua, was stopping traffic in the area by walking into the roadway and attempting to get vehicles to slow down. The complainant stated he slowed down to ask Christopher if he was okay. Christopher then began banging on the complainant's truck door, at which point the complainant drove away.

Upon my arrival, I did not observe anyone in the roadway. I staged approximately 50 feet away and monitored the residence. After several minutes, I observed Christopher walk down his driveway carrying a red bucket. Christopher placed the bucket at the bottom of the driveway and walked back toward his garage. Christopher then returned to the bottom of the driveway, looked around, grabbed the bucket, and ran toward the roadway.

Christopher threw the items contained inside the bucket onto the roadway. He then exited the roadway and ran back toward his garage. Christopher subsequently walked back into the roadway, at which point officers approached him after he had walked back into his garage.

Upon contact with Christopher, he immediately began explaining why there were stones in the roadway. Christopher stated that earlier, a truck had been driving by and dropped the stones into the roadway. I advised Christopher that I had personally observed him throw the stones into the roadway from the bucket just moments prior. Christopher became defensive and stated he had not thrown the stones into the roadway. Christopher then stated that if officers did not have a search warrant, we were not allowed on his property.

As I was investigating the reported offense, I advised Christopher that he needed to identify himself. Christopher stated, "Chris," followed by an unintelligible last name, and then began quickly walking away from officers toward his open garage.

Officers gave Christopher commands to "Stop," but Christopher continued walking toward his open garage. Officers immediately went hands-on with Christopher and attempted to gain control of him in order to place him in mechanical restraints. Christopher immediately tensed his body as officers attempted to control his arms and shoulders. Christopher then pushed officers away and continued toward his open garage.

Officers again attempted to gain control of Christopher. Christopher twisted out of the officers' grips and squatted down in a fighting stance and began swinging his fists. Christopher struck [REDACTED] in the chest with his right arm. Christopher continued attempting to strike officers with his fists before running into his open garage toward a doorway leading into the residence.

As Christopher crossed the threshold into the residence [REDACTED] deployed his TASER. The TASER was ineffective, as Christopher continued moving and attempting to enter through the doorway. I then deployed my TASER, which was effective in stopping Christopher's active resistance.

Christopher was subsequently placed into mechanical restraints and seated while awaiting the arrival of EMS. Christopher stated several times that he did not want to be evaluated by EMS.

It should be noted that the stones Christopher threw into the roadway appeared to be the same type of stones and color located in the garden area in front of his residence. [REDACTED] form will be provided to jail staff due to Christopher's observed behavior of repeatedly entering the roadway, creating a potential danger to himself and motorists. Christopher also threw stones into the roadway, creating a potential hazard to passing motorists.

Christopher struck an officer and will be charged with F.S.S. 784.07(2)(b), Battery on a Law Enforcement Officer, and F.S.S. 843.01, Resisting an Officer with Violence. Christopher knowingly and willfully opposed officers while I was conducting an investigation by refusing to identify himself and subsequently engaging in a physical altercation with law enforcement. Christopher was also issued Citation #A01M8CE.

Case Report # 2026-00105757

NARRATIVE

On Thursday, October 1, 2026 at approximately 1849 hours, I conducted a traffic enforcement stop on a blue Acura RDX SUV (FL / 90EBMZ) in the parking lot of NAPA Auto parts located at 4445 20th Street in Vero Beach, Florida.

I observed the above vehicle traveling eastbound on 20th Street through the intersection of 66th Avenue at a high rate of speed. I visually estimated the vehicles speed to be 70 miles per hour. I captured the vehicle on my front radar antennae activated in the moving-opposite configuration, the vehicle was travelling 71 miles per hour in a posted 45 mile per hour zone.

I immediately activated my emergency lights and attempted to catch the vehicle which continued traveling East, ultimately reaching a top speed of 72 miles per hour in a posted 45 per hour zone. My emergency lights and siren were activated and the vehicle did not yield until approximately the 4300 block of 20th Street. The vehicle mad an abrupt lane change across multiple lanes and pulled into the Napa Auto parts store parking lot.

As I approached the vehicle, the driver, later identified as Ms. Kimberly Yates (Arrestee) by her Florida driver's license, opened her door and attempted to exit her vehicle. I could immediately smell the distinct odor of an alcoholic beverage emitting from the vehicle. Ms. Yates eyes were watery and glassy, and her range of emotions fluctuated as we spoke. She used her hands to cover her mouth as she spoke.

I requested her documentation and it took an extended period of time to find the proper documents.

I instructed Kimberly to step out of the vehicle. Once outside of her vehicle, I continued to smell the strong odor of alcohol emitting from her breath. Kimberly's emotions fluctuated from Indifferent, anxious, joking, and crying.

I asked Kimberly how much alcohol she had consumed and she stated "Not a drop!"

I explained the totality of the circumstances and my concern for her ability to operate her motor vehicle. I requested she complete Standardized Field Sobriety Exercises (SFSE's) which she agreed. I questioned Kimberly about her medical history and she stated she [REDACTED] approximately 9 months prior. She stated she does not use assistive devices. Kimberly had glasses, which she stated were progressive and prescription. Kimberly denied being a diabetic and agreed she was in fair overall health.

The first exercise I administered was the Horizontal Gaze Nystagmus (HGN) exercise. I explained the instructions to Kimberly who had difficulty keeping her feet together, which she blamed on her [REDACTED]

[REDACTED] Kimberly stated she understood the instructions I provided. I observed her pupils were of approximately equal size, and tracked simultaneously. Kimberly did not have resting nystagmus. I

observed the following validated clues of impairment: Lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation and angle of onset prior to 45 degrees (40 degrees). Kimberly had an orbital sway and had to be instructed not to move her head and had difficulty tracking my Toxoptic pen.

I then attempted to administer the Walk and Turn (WAT) exercise. While attempting to instruct Kimberly into the starting position, she claimed she was unable to attempt the exercise due to her [REDACTED]

I then attempted to administer the One Leg Stand (OLS) exercise. I instructed Kimberly into the starting position and as I provided the instructions, she again claimed she was unable to attempt this exercise due to her previous [REDACTED]

I then offered her the opportunity to complete the N.A.S.B.L.A. Seated Battery, which she agreed. I directed Kimberly to sit on the bumper of my patrol vehicle and provided her the initial task instructions. Kimberly stated she was stable and I noted my observations from the previous administration of HGN.

The first exercise Seated Battery task I administered was the Finger to Nose (FTN) Task. I explained the instructions to Kimberly who stated she understood. Kimberly was unable to follow my instructions and started at the wrong time. Kimberly began by touching her nose and holding her finger smashed into her nose without prompting. I explained the instructions to Kimberly a second time and she stated she understood the instructions. I observed the following:

L1: Used pad, did not return
R2: Used pad, missed tip, did not bring down
L3: Used pad
L6: Missed tip

I then administered the Palm Pat Task. I explained and demonstrated the task to Kimberly who stated she understood the instructions. During the instruction stage, Kimberly was unable to follow directions and deviated from the starting position. During the performance stage, Kimberly conducted multiple improper pats, including failing to turn her hand over and "Chomping" like an alligator. Kimberly also stopped the exercise, prior to being instructed to do so.

I then administered the Hand coordination task. I explained the instructions to Kimberly who stated she understood. During the performance stage in Task 1, I observed an improper touch. During task 2, Kimberly did not perform. During task 3, Kimberly completed an improper touch and did not return her left fist to her chest.

Based on all the above indicators of impairment, I established probable cause for driving under the

Kimberly was transported to the Indian River County Jail Complex. Upon arrival she was searched and a twenty-minute observation period was initiated by Deputy. F. Case Report # 2026-00105764

NARRATIVE

On October 1, 2026, at approximately 1920 hours, I observed a silver Nissan traveling east bound on 53rd Street approaching Old Dixie Highway traveling at a high rate of speed. I received a tone on my agency issued Applied Concepts Stalker DSR 2x Radar that was consistent with a vehicle traveling at speed higher than that of the posted speed limit. I observed a speed measurement of 79 MPH in a posted 45MPH zone.

I conducted a traffic stop on the vehicle, and made contact with the driver and sole occupant of the vehicle Austin Scent. I requested his driver's license, registration, and proof of insurance. While speaking with Scent, I could detect the strong odor of cannabis emitting from the vehicle. I asked Scent if there were any firearms or illegal narcotics in the vehicle. He said no, and when I asked him about the odor of cannabis, he advised he use to have a medical marijuana card but it recently expired. He then stated he did not have any cannabis in the vehicle, and that had recently smoked marijuana in the vehicle. I asked Scent for consent to search the vehicle, and he granted consent.

Scent provided me a copy of his registration, and stated he did not have his license on him but he had a picture of it. He also stated that he would have to look up his insurance information on his phone. As I was running his information, I requested Scent to step out of the vehicle to allow for me to search the vehicle. At this time, he advised he no longer wished for me to search the vehicle.

I requested for a K9 deputy to respond, and K9 Deputy Scott responded to the scene with his K9 partner Echo. K9 Deputy Scott deployed his K9 partner and conducted a K9 sniff of the vehicle, which resulted in a positive hit for narcotics.

During a search of the vehicle, a white vial was located in the center cup holder that contained a green leafy substance believed to be cannabis. K9 Deputy Scott field tested the substance which yielded a presumptive positive for Fentanyl.

Based on my investigation I determined there was probable cause to arrest and charge Austin Scent

Case Report # 2026-00105768

NARRATIVE

On October 1, 2026, at approximately 1929 hours, I responded to Gifford Park (4701 43rd Avenue, Vero Beach, Florida, 32967) in reference to a disturbance requiring EMS.

Upon arrival, I met with Ms. Oreal Clark who was attending a football game and found a [REDACTED] there that was crying and upset. The [REDACTED] was stating that [REDACTED] attacked [REDACTED] and kicked [REDACTED] out of the house.

Due to the victim in this incident being a [REDACTED] they will be referred to as [REDACTED]

I met with [REDACTED] who stated the following [REDACTED] left [REDACTED] home shortly before because [REDACTED] Gloria Oscar, kicked [REDACTED] out. [REDACTED] stated Gloria was upset with [REDACTED] because [REDACTED] was caught allegedly talking to an older boy on the phone. [REDACTED] also got into trouble at school today, and said someone threw an apple at [REDACTED] head. Gloria started chasing [REDACTED] around the house, telling [REDACTED] to leave, as the argument escalated. Gloria began trying to punch and slap [REDACTED] in the face. Eventually, one of Gloria's strikes hit [REDACTED] in the forehead. Gloria was holding her cellphone during this strike and the cellphone also hit [REDACTED] in the head. [REDACTED] pointed me to [REDACTED] forehead where a lump was forming. [REDACTED] stated that [REDACTED] was pushing Gloria away from [REDACTED] during the attack, but no other physical contact occurred. [REDACTED] left and walked to the park to find a bathroom.

Indian River County Fire Rescue arrived and did not believe [REDACTED] needed to go the hospital. [REDACTED] did not want to go to the hospital. Based on the information [REDACTED] provided me, I was able to determine [REDACTED] likely resided at [REDACTED]. I drove [REDACTED] here and myself and Deputy Cox made contact with Gloria. At this point, the lump on [REDACTED] forehead had swollen to near golf ball-sized.

Deputy Cox was inside the residence talking to [REDACTED] Malia, when Gloria invited me inside. I greeted Gloria, and she asked me how [REDACTED] was doing. I explained to Gloria what [REDACTED] told me and she said she may have accidentally hit [REDACTED] with the phone, then told me she did not hit her with a phone. I did not mention anything about a [REDACTED] being hit with a phone prior.

Deputy Cox was still talking to Malia, and Malia was explaining that [REDACTED] and Gloria were in a fight that was upsetting her. Gloria asked Malia if she saw her hit [REDACTED] and Malia replied "you were trying to". Gloria began guiding what Malia was telling us and Malia eventually said Gloria was just throwing things at [REDACTED]

I redirected Gloria to talk to me, and read her a Miranda warning. Gloria explained the following about what happened: She told me she has been upset with [REDACTED] over her talking to older boys on [REDACTED] phone, and getting into trouble at school. She began chasing [REDACTED] around the house telling [REDACTED] to go take a walk, to deescalate the argument. She thinks she may have accidentally hit [REDACTED] with the phone as she was trying to usher [REDACTED] outside, but if she did, did not think it was hard enough to cause the injury to [REDACTED] forehead. Gloria changed her story several times to state she did not hit [REDACTED] and tried to blame the injury on the apple thrown at her head at school. Gloria stated there

was no injury to [REDACTED] forehead when she got home from school, and later tried to change that story as well.

Based on these circumstances, I was able to establish probable cause to arrest Gloria for child abuse without great bodily harm in accordance with FSS 827.03.2c. Gloria intentionally struck [REDACTED] while either actively attacking [REDACTED] or trying to push [REDACTED] with a phone in her hand, causing physical injury to [REDACTED]. While the argument leading to the physical altercation began over [REDACTED] recent potential misbehaviors, Gloria did not claim to be dealing out a form of corporal punishment while striking [REDACTED] with the phone. Nor would a reasonable parent deem striking [REDACTED] in the forehead with a cellphone a justifiable punishment.

Arrest Affidavit Report

Case Report # 2026-00105823

NARRATIVE

On Friday, October 2, 2026, at approximately 0000 hours, I, Deputy M. Neill #6317 conducted a traffic stop near 14599 US Highway 1, Sebastian, Indian River County, Florida.

Prior to the traffic stop, I was traveling northbound on US Highway 1 as I passed by the Bay Street Pharmacy located at 7746 Bay Street, Sebastian, Florida. While doing so, I observed a blue Ford pickup truck parked in the middle of the parking lot with its lights on. There was a white male walking around the vehicle, looking around. There was an additional white female in the passenger seat of the vehicle.

Once I was able to get back in to the area where the vehicle was, the vehicle started to move, leaving the parking lot. Sitting in the area, the vehicle left the parking lot and pulled on to Bay Street. The vehicle then failed to come to a full and complete stop in motion at the stop sign on Bay Street to enter on to US Highway 1. A traffic stop was conducted for the stop sign violation.

Once the vehicle was pulled over, I identified the driver by his Florida driver's license. While speaking to him, he had trouble locating his phone to pull up his insurance information. He requested to exit the vehicle to go to the passenger side to look for his phone. He was granted permission to exit his vehicle and go to the passenger side. While on the passenger side, the driver opened the door and located his phone.

With the door still open, I could see two items that I believed to be drug paraphernalia in plain view. The first appeared to be a blue straw that was wedged near the floorboard and the center console. The straw was only a few inches in length, abnormal for a typical straw. The second straw was on the floorboard, directly near the passenger's purse. This blue straw was longer, but had a diagonal cut in the straw. On the cut was a white powder and burn residue from heating the straw.

Once another deputy arrived, I moved the passenger and driver to the front of my vehicle. The front passenger was identified as Ms. Angela Powers. Ms. Powers was found to also have an active warrant out of Indian River County and was placed under arrest for that warrant.

During a probable cause search of the vehicle, I located a plastic container on the very top part of the purse. Within that container was a clear plastic baggie with a white powder substance within it, consistent with being cocaine (approximately 1 gram). Within the purse was a pink metal straw, consistent with the blue one located wedged in to the center console area.

After removing the blue metal straw that was wedged, I also located a digital scale, and a large amount of tin foil that had been cut in to smaller strips (typically to use for drug usage). One piece of tin foil was already burnt and folded. After unfolding the tin foil, I located an orange substance that was slightly burnt. Based on my field training and experience, I believed this substance to be Fentanyl (approximately 0.2 grams worth).

On the driver's side of the vehicle, I located a small piece of methamphetamine. There was dirt, debris, and grime

NARRATIVE (Continuation)

over this narcotic leaving me to believe that it had been there for some time.

I advised Ms. Powers of her Miranda Rights. She advised that she understood her rights and was willing to speak to me. She denied ownership of the purse or narcotics within the vehicle, saying the purse belonged to Crystal. She did confirm that they were out driving and were looking at a rocket when I observed them at a closed business. They had just picked up Taco Bell and were going home to eat it.

I advised the driver of his Miranda Rights. He advised that he understood his rights and was willing to speak to me. He confirmed that the purse belonged Ms. Powers, but then stated he was not one hundred percent positive. He confirmed that they had just gotten food and stopped when they observed a rocket in the air.

Based on the location as to where the purse was, which was between Ms. Powers legs on the floor during my initial contact, the cocaine being directly on top of the purse in a clear container, the drug paraphernalia being directly near the purse and directly next to the Taco Bell that they had just purchased, as well as the other drug paraphernalia and suspected Fentanyl, Ms. Powers would have been the only subject to have access to the narcotics or be able to attempt to hide the narcotics in the vehicle prior to the traffic stop. For this reason, she is being charged with Possession of Cocaine, Possession of a Controlled Substance (Fentanyl), and Possession of Drug Paraphernalia.

Ms. Powers was transported to the Indian River County Jail without issue.
