Case Report # **2024-00048381**

NARRATIVE

On 05/02/24, I responded to the 7900 block of SR 60 in reference to a single vehicle crash. Upon my arrival at the scene, I spoke with the witness Joseph A. Tessier. Joseph stated he observed a black Mercedes-Benz traveling Westbound on State Road 60. Joseph had called 911 due to the Mercedes-Benz driving 20 miles per hour, and drifting left and right unable to maintain in one lane of travel. Joseph stated he continued to follow the vehicle. He stated the vehicle made a U-turn at 82nd Avenue changing its direction of travel to Eastbound on State Road 60.

Joseph stated he observed the vehicle continue to travel at 20 miles per hour, and unable to maintain its lane. Joseph advised the Mercedes-Benz suddenly accelerated driving over the median striking a speed limit sign. Joseph stated the vehicle continued to drive uncontrollably Eastbound in the Westbound lanes of State Road 60. Joseph stated the vehicle hit the curb in front of Faith Baptist Church coming to a stop.

After speaking with Joseph, I then spoke with Cheryl Ann Ferretti of the traffic accident. During the investigation of the traffic accident Cheryl stated she was the driver of the black Mercedes-Benz sedan. Cheryl stated she was on her way home from Pointe West Country Club. Cheryl spontaneously uttered while she was at the country club, she had two Gray Goose Cosmo's.

At the scene, I observed Cheryl unable to sign her name on the IRCFD Medic's computer to refuse medical transport to the ER. While I spoke with Cheryl, she has the odor of alcohol coming from her person. Once I completed my traffic investigation I read Cheryl her Miranda Rights, and she stated she understood her rights, and agreed to questioning. While explaining Cheryl's Miranda Rights I observed a brown liquid pooling under her. It was later determined that Cheryl had defecated in her pants.

I had asked Cheryl how many drinks she had while she was out to dinner, and she replied three. Later in the investigation Cheryl stated she had two drinks. Cheryl stated the last time she ate was 3pm on 05/02/2024, a chicken salad. Cheryl advised me she is not diabetic, and does not wear contacts.

I asked Cheryl if she was willing to do the Standardized Field Sobriety Tests. After asking her numerous times Cheryl stated she was willing to take the Standardized Field Sobriety Tests to check for indicators of impairment.

Corporal James Ooley explained the Horizontal-Gaze Nystagmus Test. During Corporal Ooley's explanation I observed Cheryl swaying and unsteady on her feet. During the administration of the test Cheryl was unable to follow directions after being explained the directions multiple times. The remaining Standardized Field Sobriety Tests were stopped due to safety concerns of Cheryl unable to stand without assistance.

Cheryl was transported to the Cleveland Clinic Indian River Hospital Emergency Room to be medically cleared. While at the Emergency Room Cheryl told medical staff she was unaware she had defecated in her pants. Cheryl then fell asleep in her hospital bed while waiting for medical clearance.

Once medically cleared, Cheryl was placed under arrest for DUI and transported to the Indian River County Jail where she was processed. While at the jail, she was met by Corrections Deputy Nicole Rentas. Rentas requested Cheryl to submit to

Case Report # 2024-00048489

NARRATIVE

On 05/03/2024 at approximately 0804 hours, I responded to [REDACTED] in reference to a disturbance.

Upon arrival, I made contact with Thomas Gagliardi identified by his FL DL (victim). Thomas advised he was involved in a verbal dispute with his wife later identified by her FL DL as Marris Gagliardi (suspect) because she was upset with their son, while arguing she became more aggressive and lunged towards him subsequently striking him causing a minor abrasion to the center of Thomas face right above his lip.

Deputies who arrived on scene prior to me interviewed their son later identified by his FL DL as David Gagliardi. David stated he believed his mother (Marris) was having an affair with one of the contractors who was at their residence installing the floor and that's when his mother (Maarit) became irate and began the verbal dispute. David advised while attempting to separate his mother (Maarit) from advancing at his father she managed to strike his father (Thomas) in the face. Thomas injury was consistent with statements provided by both Thomas and David.

I then made contact with Maarit and read her Miranda rights, I explained to her she was detained and not free to leave that is why she was being read her rights, she advised she understood. Maarit stated David became verbally abusive with the contractors and that made her upset, she became involved in a verbal argument with David and Thomas stepped in to defend David this caused her to become more angry and she stated she got into a physical altercation but did not admit to striking Thomas in the face.

I placed Marris in handcuffs and conducted a search of her person prior to placing her in the back of a patrol vehicle. Based on the totality of the circumstances, I determined Maarit to be the primary aggressor.

Maarit's son David is 35 years old revealing Maarit has been in a relationship with Thomas for atleast 35 years revealing she has clear knowledge of Thomas' age, due to Thomas being 77 years old Marris is being charged with Felony Battery on a person 65 years or older.

Maarit was transported and turned over to the county jail without further incident.

Thomas advised he would refuse to cooperate with prosecution, I explained to him under Florida state statute he could not sign a declination of intent with any Domestic Violence incident.

I digitally photographed the abrasion on Thomas face using the AXON capture app on my cellular device.

Thomas was provided a copy of the Domestic Violence victim's legal rights and remedies.

Case Report # 2024-00048563

NARRATIVE

On May 3rd, 2024, at approximately 1111 hours I observed a blue Cadillac SUV bearing FL tag ECTL14 traveling Southbound on US Highway 1. The vehicle was driving erratically, continually changing speeds and failing to maintain its lane.

I stopped the vehicle at 1075 S US Hwy 1 (Toyota). Upon approach, I made contact with the registered owner and sole occupant, Todd Roemer, who advised that he was traveling home. When I asked to consensually search the vehicle, Todd declined. K9 Deputy R. Ferrer responded to the scene and deployed his K9 partner Mako who positively alerted on the vehicle.

Located in the center console of Todd's vehicle, next to Todd's wallet containing his ID, was a clear container containing approximately .02g of a clear crystalline substance which field tested positive for methamphetamine. Next to this container was a used syringe and a cut straw.

On the passenger's side front floorboard I located a container of a prescription drug, Methocarbamol, that did not belong to him. Upon opening the bottle, I discovered one Alprazolam pill.

I advised Todd of his Miranda Warnings to which Todd advised there was nothing illegal in his vehicle, but that if there was something, it would be methamphetamine. Todd also advised deputies that the prescription medication belonged to his roommate who was deceased.

Todd was placed under arrest when probable cause was developed for two counts of Possession of a Controlled Substance (F.S.S. 893.13), and two counts of Possession of Drug Paraphernalia (893.147).

NARRATIVE

On May 3rd, 2024, at approximately 1120 hours, I responded to 800 43rd Avenue SW, Vero Beach, FL, in reference to a trespass.

Upon arrival, I made contact with bank manager, Maryanne Sweriduk, she advised there is a white Chevy pickup bearing FL / CF50VA parked behind the bank that has been stealing power from the business. Maryanne advised there was a trespass warning in place for Oliver Wickline who was the owner of the vehicle.

I then made contact with Oliver while he was walking on the property. I then ran Oliver's name through public safety dispatch and it was confirmed there is a trespass in place for him (2024-45524). I subsequently placed Oliver in custody. Oliver Wickline was transported to Indian River County Jail with no incident.

Case Report # 2024-00048773

NARRATIVE

On May 3rd, 2024, at approximately 2049 hours, I responded to [REDACTED] Sebastian, in reference to improper display of a firearm.

Upon arrival, I made contact with Deputy Consalo, who stated that witnesses Jordan Degraw and Calob Meston observed the Defendant Scott R. Ellis, walk towards Faith after an argument outside with a rifle in his hand.

I made contact with Scott, who was on his porch, Scott was placed into handcuffs and read Miranda Warning. Scott waived his rights and agreed to speak, Scott said that he and Faith had an argument over her dog being around his vehicle the day prior. Scott stated that he was having drinks with the neighbors at [REDACTED] Scott said that Faith approached them and began arguing with him, she then left and went to her house where she started yelling at him from her front door. When asked about the firearm, Scott stated he does not own a firearm, he only has a "dart gun" which he described as a white piece of PVC pipe. Scott stated several times what am I supposed to do, I have to protect myself. I asked Scott for consent to search his room for a firearm to which he consented.

While searching Scotts room, I located parts to a shotgun in his refrigerator and the barrel to the same shotgun in the closet right next to the refrigerator. I brought the shotgun outside to Scott, and asked him why he said he didn't own a firearm. Scott said he doesn't, he said it belonged to his grandfather. Scott stated the shotgun doesn't even fire, and he never brought it outside. When asked where he kept the shotgun, he said that it was probably under his bed, then changed his story and said part of it was in the refrigerator. When asked why it was in the refrigerator, he said that he knew Law Enforcement was coming and he put part of it in the refrigerator.

I spoke with Faith, who said that Scott, was yelling at her for allowing her dog near his car. Faith said that Scott was playing with her dog a few days prior and unraveled his leash allowing him to travel closer to his car and never fixed the leash. Faith said that he came over to her room and was yelling at her, Calob Meston came over and escorted Scott to his room. Scott then came back out with a rifle, Calob and Jordan yelled "he's got a gun, run". Faith said she looked and saw a gun in Scotts hand that looked like a shotgun, then ran and locked herself in her room.

Calob Meston, who resides in [REDACTED] stated that he saw Scott come out of his room with a rifle, heading towards Faith, so he yelled to Faith to run. Caleb then grabbed Scott and escorted him back to him room. Caleb said that Scott was holding a hunting style rifle but wasn't sure what color it was due to it being dark. Calob said that is looked like a long gun.

Jordan Degraw who resides in [REDACTED] said that he saw Scott come out of his room with a rifle heading towards Faith, so he yelled for Faith to run, then he ran and hid in [REDACTED] Jordan said that he wasn't sure what kind of gun it was but it looked like a dark in color rifle.

Jordan and Caleb stated that earlier in the evening while sitting outside with Scott, they were having some drinks. Scott was upset about Faith, and made a few comments about shooting Faith in the face.

Based on physical evidence, witness statements, victim statements, and statements from Scott he is being charged with

Case Report # 2024-00048816

NARRATIVE

On 05/03/2024, at approximately 2326 hours, while traveling southbound along the 1600 block of U.S. Highway 1, I observed a black SUV bearing Florida temporary tag (DPV9546), traveling in front of my patrol vehicle with inoperable rear tail lights. I also noticed that the tag light was not operable as well.

I attempted to conduct a traffic stop on the vehicle utilizing my emergency lights and sirens, but the vehicle failed to stop and continued driving southbound on U.S. Highway 1.

When the vehicle entered into the 1200 block of U.S. Highway 1, it came to a complete stop and I noticed a male passenger exit the vehicle and had to be instructed several times to get back inside. Due to standing at the rear passenger door, I observed that the female driver and male passenger switched seats.

At the time, Deputy Hatton and myself, conducted a felony stop and was able to detain both subjects.

I was informed by the driver that her name was Roselanda Larose D.O.B 11/30/1999 and the passenger was identified as Salomon Maradona D.O.B 02/11/1994 from his Haiti identification card.

Post Miranda Warnings, Larose stated that she is kind of scared of Law Enforcement and didn't feel like stopping, after seeing and hearing my emergency lights and sirens on my marked Indian River County Sheriff Office patrol vehicle. Larose then advised, that she currently has a valid Florida license, but left it at home.

After conducting a search through D.A.V.I.D. data base, I discovered that Larose has never been issued a license in the state of Florida.

Larose was transported to the Indian River County Jail for processing. At the jail, I was informed by booking Deputies, that Larose currently has a I.C.E. detainer in place, due to her previously being deported by the United States Immigration and Customs Enforcement.

Case Report # 2024-00048971

NARRATIVE

On Saturday, May 4, 2024, at approximately 1500 hours, I responded to Walmart, 5555 20th Street, in reference to a shoplifting that had just occurred.

Upon arrival, I made contact with Walmart Loss Prevention Associate, Lashawnda Ray, who advised me she had a female in custody for shoplifting.

Ray stated as she was watching CCTV of the self checkout area, she observed a female, later identified as, Cristina Lopez, under ring multiple items. Ray also stated she observed the female ringing up high dollar meats for only a few dollars. It was later learned that Lopez was swapping price tags for cheap meats, and placing the tags on the high dollar items. I was advised the transaction took place at the self checkout, before Lopez exited the store passing all points of sale. Ray stated she took the female into custody without incident.

Upon making contact with Lopez, she was advised of her Miranda Rights, to which she stated she understood and was willing to speak to me in regards to the incident. Lopez at first stated she thought the meats were just really cheap, but later admitted to switching the tags on them.

The total amount of items stolen/recovered was 23, for the amount of \$263.00.

Lopez was placed in hand restraints and transported to the Indian River County Jail for Petit Theft. Lopez was turned over to jail staff without incident.

Case Report # **2024-00049046**

NARRATIVE

On May 4th, 2024, at approximately 2026 hours, located at the 3700 block of US Highway 1, I observed a black Nissan 4-door bearing FL tag QDLK59 traveling southbound with a white light illuminating from the right tail light, displaying no red light. I initiated my emergency lights to conduct a traffic stop on the aforementioned vehicle.

Upon contact with the vehicle, I identified the driver and sole occupant to be Calvin Hendrieth. I notified Hendrieth for the reason of the stop as he advised me that the vehicle was his sister's and that the vehicle had been in an accident in March, hence the reason for the white light illuminating from the right tail light.

Hendrieth provided me with his driver's license, but failed to provide the registration and insurance for the vehicle, stating that his sister would have it.

I asked Hendrieth to step out of the vehicle to further discuss and acquire about the insurance and registration for the vehicle.

Hendrieth questioned why he had to get out of the vehicle as I advised him that I wanted to talk to him outside of the vehicle and for officer safety. Hendrieth became argumentative with me and stated that he did not need to get out of the vehicle because he was talking to me inside the vehicle already. Hendrieth became verbally combative with me stating that I did not have probable cause to ask him to step out of the vehicle. I advised Hendrieth that not obeying my orders would result in a resisting charge as I was giving lawful commands. Hendrieth became verbally aggressive with me, continuing to refuse to exit the vehicle. As I pulled on the door handle to open the door, Hendrieth sprung up out of his seat, continuing to yell and be verbally aggressive with me. Hendrieth was placed into hand restraints and while trying to put them on, Hendrieth started to try to walk away.

Hendrieth was taken into custody and transported to the Indian River County Jail.

Hendrieth was charged with FSS 843.02 Resisting Without Violence.

NARRATIVE

On 05/04/2024 I observed a Silver Nissan sedan travelling upon a public roadway with no tag. The vehicle was travelling Southbound on Old Dixie Highway approaching the intersection of 4th Street.

I initiated a traffic stop on the vehicle. As I approached the vehicle, I observed the arrestee Oswaldo A. Muria-Dimas in the driver seat. There were no other occupants in the vehicle. As I began my investigation Oswaldo advised me, he did not speak English. I requested for a Spanish speaking officer to assist me with the traffic stop due to language barrier.

Officer Gonzalez of the Vero Beach Police Department responded and translated for me.

During the investigation, Oswaldo stated he did not have a Florida Drivers license, and he has no form of identification on his person. Oswaldo provided a picture of a Venezuela id. Oswaldo stated he knew he was driving with no license, and the vehicle that he was operating had no registration.

A records check through dispatch revealed that Oswaldo has never been issued a driver's license in the state of Florida. There is no indication that he has had a valid driver's license in any state. A records check through dispatch and DAVID revealed that the vehicle Oswaldo was driving was unregistered. Oswaldo also admitted that the vehicle had not been registered yet and he was aware that it was not registered at the time he was operating it.

Oswaldo was taken into custody with no incident, and transported to the Indian River County Jail.

NARRATIVE

On May 4th, 2024, at approximately 2240 hours, I responded to [REDACTED] in reference to a disturbance. Upon arrival I made contact with Isabella Stump, who advised she has been arguing with her fiancé, Peyton Bazzell. I observed blood on the left side of her face and her left eyebrow area swollen, as well as blood on her lip. When asked about it, she stated she has no idea how she got the swollen eyebrow or where the blood came from. She stated Peyton has never been physical towards her. Isabella stated the argument became very heated and intense to the point of them being in each other's face, and stated Peyton came to her while she was lying on the bed and asked her to be quiet, and held his hand up. Cpl. Perez then spoke with Isabella, and observed dried blood on Isabella's left index finger, thumb, and under her fingernails. Isabella stated she and Peyton lived together at the apartment as a family, having moved from Georgia.

I spoke with Peyton who advised he and Isabella had been arguing, and he would try to hold down Isabella's arms so that it would not get physical. He stated Isabella punched him in the face with her hand that had the ring on it. I observed a laceration and dried blood on the left side of Peyton's face. When asked about Isabella's swollen eyebrow, he stated the floor in the home is slippery and at some point, during the argument she fell and hit her head. Peyton stated he did not want Isabella to go to jail even though she hit him.

Due to the statements provided, and physical evidence observed on scene, I determined Isabella to be the primary aggressor, at which time she was taken into custody. Isabella was transported to the Indian River County Jail without further incident, and charged with FSS 784.03 Battery DV.

Case Report # **2024-00049130**

NARRATIVE

On 05/05/2024, at approximately 0141 hours, while traveling northbound along the 1300 block of U.S. Highway 1, I observed a gray Dodge suv bearing Florida (JJWS64), failed to stop for a stop sign at the intersection of 14th Lane and U.S. Highway 1 and made a left turn to travel north on U.S. Highway 1.

It should be noted, at the above mention stop sign, there is a sign below advising that only right-hand turns are permitted onto U.S. Highway 1.

While observing the vehicle, I noticed that it accelerated at a high rate of speed, swerving from left to right, straddling the solid yellow line of the roadway. I had to accelerate my patrol vehicle to over 85 mph to catch up to the vehicle. I visually estimated that the vehicle as traveling over 100 mph in a posted 35 mph zone. When the vehicle came to a stop for a red-light at the intersection of 17th Street and U.S. Highway 1, I noticed that vehicle accelerated again at a high rate of speed and made a wide left turn onto 17th Street, weaving from left to right straddling both lanes of travel.

I conducted a traffic stop on the vehicle in the parking lot of 1235 16th Street.

Upon making contact with the driver of the vehicle, I noticed that he was having a difficult time, rolling down the driver's side window and rolled down both of the vehicle's rear windows twice. Due to seeing that the driver's door was unlock, I was able to pull on the handle and open the door. After opening the door, immediately smelled the odor of an alcoholic beverage along with burnt cannabis emitting from inside the cab of the vehicle. When the male driver made direct eye contact with me, I observed that both of his eyes were bloodshot red and glassy. At the time, I was able to identify the driver as Edson Sainnatus, from his Florida license.

During a brief conversation, Edson apologized for his driving and informed me that he recently smoked marijuana and had a few shots of Patron tequila, a few hours prior.

Next, I Edson that I would be conducting a D.U.I investigation, which he stated that he understood.

During the Horizontal Gaze Nystagmus Exercise, Edson showed a lack of smooth pursuit in both eyes, with distinct and sustained nystagmus at maximum deviation. I also observed an onset of nystagmus prior to 45 degrees. Due to standing directly in front of Edson, I continued to smell the strong odor of an alcoholic beverage and burnt marijuana emitting from his body.

During the demonstration and instructional phase of the Walk and Turn Exercise, Edson failed to place his feet in the starting position. During the exercise, Edson conducted 14 steps that were not heel to toe or straight in a line. Edson was not able to conduct the turn to start the second phase of the exercise. During the second portion, Edson conducted 13 steps, that were not heel to toe or straight in a line.

During One-Leg Stand Exercise, Edson's body was observed swaying from left to right. Throughout the exercise, Edson had to place both of his arms out to the side of his body to help maintain his balance.

The following exercise I explained and demonstrated was the finger to nose. After explaining and demonstrating the

Throughout the exercise, Edson's body swayed from front to back.

Based on my observations, Edson was placed under arrest and transported to the Indian River County Jail.

At the jail, Deputy Rodriguez requested Edson to submit to a lawful test of his breath for the purpose of determining its alcohol content. A lawful test of the Kings breath was obtained using an Intoxilyzer 8000 to determine its alcohol content. The results were 0.085 BrAC and 0.085 BrAC.

Case Report # 2024-00049138

NARRATIVE

On May 5th, 2024, at 0238 hours, I responded to [REDACTED] in reference to a past disturbance. Upon my arrival, I made contact with Zantara C. Henry who stated she was just involved in a physical altercation with Anquetta Taylor, at the [REDACTED]. Henry stated while she was working at the aforementioned business, she was standing at the rear door of the establishment, ensuring customers only utilized the rear door to exit the building. Henry stated she observed Taylor engage in a verbal altercation outside with two male subjects, causing Henry to intervene. Henry stated she approached Taylor and directed her to leave the property due to causing a disturbance. Henry advised Taylor stepped to her, engaging in a verbal altercation, and immediately punched her in the face, causing swelling to Henry's left eyebrow. Additionally, Henry stated that Taylor pulled out the entire right side of her hair's braids. I also observed Henry to have a busted top lip, and a small scratch to her right temple.

Henry described Taylor as a thin-build black female wearing a white t-shirt and black shorts. While I was on scene obtaining information from Henry, I advised additional units at the [REDACTED] of the suspect description. While on scene of the [REDACTED] location, assisting deputies made contact with Taylor at which point she provided them with a false name. Shortly after, assisting deputies realized Taylor provided them with a false name and detained her without further incident.

I then transported Henry to the location of the incident [REDACTED] to conduct a Show-up. Assisting deputies illuminated Taylor's face while I transported Henry, resulting in a positive identification. After returning Henry back to her residence, I then made contact with Taylor and advised her of her Miranda Rights from my agency issued Miranda Rights card. Post Miranda, Taylor acknowledged the understanding of her rights and wished to speak with me regarding the incident. Taylor's story mimicked Henry's, including the description of injuries Henry sustained. The only difference between Taylor's allegation was that Henry approached her and struck her in the face first.

Through my investigation, I found Taylor to be in violation of FSS 784.03 Battery, due to the Henry's injuries being consistent with both subjects allegations, and witness verification.

Case Report # 2024-00049140

NARRATIVE

On May 5th, 2024, at approximately 0245 hours, I observed a gray color sedan bearing Florida Tag RCQY84 at 1985 41st Avenue, Vero Beach, Florida, Taco Bell with a broken headlight. I then initiated a traffic stop which came to a final stop at the 2100 block of 18th Avenue.

Upon my approach, I made contact with the driver and sole occupant of the vehicle, a white male who identified himself as Joseph Cataldo. I advised Joseph of the reason for the traffic stop and requested that he provide me his identification. Joseph provided me with his Passport Card and his Medical Marijuana Card. When I asked him to provide me with his Florida Driver's License, he stated that he did not have it because he had previously been pulled over in Brevard County about thirty (30) minutes prior to my interaction with him and gave the Deputy his license but did not give it back to him.

While speaking with Joseph, I smelled the distinct odor of alcohol coming from inside of the vehicle. I also noticed that Joseph had glassy eyes. I asked Joseph where he was coming from. He stated that he was in Brevard for his friend's birthday party. When I asked him if he had anything to drink, he stated that he did not. I advised Joseph of the odor of alcohol coming from inside of the vehicle. I then asked Joseph again if he had any alcohol, he stated "Nothing substantial". When I asked him to tell me how much he had to drink, he stated "Maybe one beer six (6) hours ago". I then had Joseph exit the vehicle.

When I asked Joseph if he was willing to submit to Standard Field Sobriety Exercises, he stated that he would. The results of the Field Sobriety Exercises were as follows:

Horizontal Gaze Nystagmus:

- 1) Joseph's eyes had equal tracking and equal pupil size
- 2) Joseph's eyes lacked smooth pursuit
- 3) Joseph's eyes had distinct and sustained Nystagmus at maximum deviation in both eyes
- 4) Joseph's eyes had Nystagmus onset prior to 45 degree in both eyes.
- 5) Joseph's eyes did not have Vertical Gaze Nystagmus
- 6) Joseph continued to move his head throughout the exercise.

Walk and Turn:

- 1) Joseph began the excersice prior to getting into the position.
- 2) Joseph was unable to maintain his balance during the expination of the excersice.
- 3) Joseph left the position by placing his hands on his hips while I was explaining the excersice.
- 4) Joseph stepped off of the line on step number three (3).
- 5) Joseph did not turn according to how he was instructed.
- 6) Joseph did not touch heel to toe on steps two (2), four (4), and six (6) after the turn.
- 7) Joseph used his arms to balance while walking.

One Leg Stand:

- 1) Joseph began the exercise prior to being told to begin.
- 2) Joseph left the starting position by placing his hands together infront of his body.
- 3) Joseph lifted his right foot and began to count "One Mississippi, Two Mississippi, Three Mississippi".
- 4) Joseph hopped to maintain balance.
- 5) Joseph said "11 Mississippi, 12 Mississippi, 11 Mississippi".
- 6) Joseph did not look at his foot while counting.

While at the Indian River County Jail, Joseph refused to give a breath sample to determine the alcoholic contents of his breath.

On Sunday, May 5, 2024, at approximately 1350 hours, while conducting traffic enforcement near 2500 27th Avenue SW, Flock alerted me of a vehicle bearing an FL QSLU16 GMC Green in color with an expired registration.

I conducted a traffic stop and made contact with the driver, David Riendeau who also has a suspended license since 4/7/23.

David explained that he had no knowledge that his driver's license was suspended and he was also unable to provide proof of insurance.

David was searched through dispatch which resulted in his license being suspended. David also has an active protection order against him/no contact with Leesa Gabaud.

During the stop, I observed one female passenger in the front seat and two juvenile males in the rear seat. When asked the female juvenile for her name she stated that her name was Leesa Gabaud.

The protection order against David is from Saint Lucie County reference to case no: 562020DP000125AXXXXX.

Case Report # 2024-00049374

NARRATIVE

On Sunday, May 5th, 2024, at approximately 2002 hours, I responded to [REDACTED] in reference to an exhibition of a weapon call for service.

Upon my arrival, I made contact with the caller Daniel Lapinski, and the victim, Azariah Lapinski (further referred to as A.L.), at their residence [REDACTED].

A.L. advised me of the following: He was at the defendant's house later identified as Phillip Mccord, with his friend Kevin Harwood (DOB 11/30/1972), whom he has been friends with for approximately three years. A.L. advised he, Kevin, and Phillip all like rock n' roll music, and A.L. played the guitar for them at the Phillips house for approximately the past two months. A.L. said he brought his dinner with him to go play guitar and Phillip then offered him a soda. A.L. said he was accepting a soda from Phillip when he proceeded to make a joke somewhat to the effect of, "If you have food then I want it". While telling the joke about the food Phillip presented a gray pistol and further pointed it towards A.L.'s chest area. A.L. advised upon seeing the gun he recognized it as a real firearm and was terrified. A.L. said Phillip then sat down and observed the gun to be loaded with a bullet in the chamber. A.L. said Phillip then began to say he was sorry for his actions. A.L. immediately left and returned home to tell his father about the incident.

A.L. then advised just before he left Phillip's residence, Phillip told him due to being a veteran is aware of a reflex that could have caused him to shoot him if he had his finger on the trigger.

It appeared throughout my interaction with A.L. he was in fear and was unable to stand still while giving his statement, constantly stepping around in place.

Deputy Bennett made contact with Kevin who was present for the incident and witnessed Phillip point the pistol at A.L. Kevin's statement concurred with A.L.'s statement and he also provided a written statement which concurs.

Deputies then surrounded Phillip's house and made contact with him over the phone where he peacefully surrendered and was taken into custody.

I advised Phillip of his Miranda Rights from a prepared card which he verbally stated he understood and agreed to speak with me about the incident. Phillip advised he and A.L. were playing music at his residence. Phillip said he saw A.L. take out his food and thought he would play a trick on him. He then pulled out his weapon and pointed it at A.L. and told him to give him the food. Phillip advised he did not know why he pulled the gun on A.L. Phillip advised he could not recall if the gun was loaded or not. Phillip further advised the pistol he used was a .45 caliber semi-auto pistol.

Phillip gave deputies on scene consent to enter his home retrieve the firearm he used from his top dresser drawer in the master bedroom of his home.

Based on the above, I determined Phillip to violate F.S.S. 784.021.1a(2558) Agg Assault with a deadly weapon

On 05/02/2024 at 20:01 (Specifically include facts constituting cause for arrest.)

On 05/02/2024 at 2001 hours, I (Ofc Amburgey #438) responded to 1555 14th Ave in reference to a disturbance.

Once on scene I made contact with Stephanie Karam (Complainant), and Joseph McGee (Defendant). Karam stated that there was an argument between herself and McGee and as a result she wanted McGee trespassed from her residence.

I then conducted a records check on both subjects via Vero Beach Police Dispatch. VBPD Records advised that there was an active warrant (#2023269) out of Indian River County for Joseph McGee.

After the warrant was confirmed via VBPD Dispatch, McGee was taken into custody and transported to the Indian River County Jail for booking procedures without incident.

=====

On 05/04/2024 I, Ofcr. S. Gonzalez (471) was stationary at the west end of the Merrill P. Barber Bridge conducting laser speed enforcement on westbound traffic.

At approximately 0155 hrs., I observed a vehicle traveling west on the bridge in the median lane.

I visually estimated the vehicle's speed to be approximately 80 mph in a posted 45 mph zone.

I activated my handheld laser speed measuring device and acquired the vehicle in the reticle. I then activated my handheld laser, obtained a steady audible tone and digital reading of 81 mph.

As the vehicle approached, I radioed to Ofcr. C. Butterfield (428) that I had a vehicle traveling 81 mph; Ofcr. Butterfield advised that he would be on his way [to back me up].

As the vehicle approached the intersection, I was plainly visible on the shoulder of the road under the traffic light for westbound traffic coming off of the bridge.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

As the vehicle made its turn onto southbound Indian River Boulevard, I observed that it was a blue Chevrolet pickup truck. I then pulled out onto Indian River Boulevard and began to close on the truck.

Once behind the truck, I initiated a traffic stop by activating the emergency lights on my fully marked Vero Beach Police Department issued black and white Dodge Charger police vehicle.

Once my lights were activated, the vehicle feigned turning right onto Royal Palm Boulevard and but abruptly changed course and continued south on Indian River Boulevard as it accelerated at which time I activated my vehicle's emergency sirens as I continued behind the Defendant's vehicle.

I continued behind the vehicle in an attempt to catch up and get close enough to be able to read the license plate in order to call it out over my police radio to dispatch; however, the truck appeared to speed up even more and was now traveling at a very high rate of speed.

As we approached 18th Street, I backed off, informed Dispatch that I was not in pursuit as I pulled over to the side of the road and turned off my emergency lights.

It was at this time that I observed the truck go through the intersection at 17th Street and completely disregarding the steady read light. In addition, I observed the truck narrowly missed colliding with traffic entering the intersection from east and westbound 17th street from the Alma Lee Joy Bridge a/k/a 17th Street Bridge.

Furthermore, I observed that after taking what appeared to be evasive action to avoid colliding with traffic entering the intersection truck drive on to the shoulder after it cleared the intersection kicking up a cloud of dirt and grass appearing to lose control, however, the vehicle managed to recover and continued south on Indian River Boulevard; I lost I lost sight of the vehicle as it approached 12th Street

Having radioed the vehicle's description and last known direction of travel, I continued south on Indian River Boulevard without my lights and sirens in the last known direction of the vehicle in case the vehicle lost control or otherwise lost control or crashed.

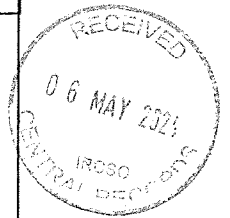

Upon coming to a stop at the red light at 12th Street and Indian River Boulevard, I over head on my police radio that the vehicle had lost control and crashed on southbound U.S.-1 in the area of 4th Street and that the Indian River County Sheriff's Office was on scene; I then responded to the scene.

Upon arrival on scene, I observed that Indian River County Deputies had a white male at gun point. I pulled up and assumed a cover position as the deputies gave the subject commands and assisted with detaining the subject whom I later positively identified as ANDREW R. SMITH by his Colorado license.

Once Mr. Smith was secured and placed in a deputy's vehicle, I assisted with clearing the vehicle itself which was now unoccupied.

Once the vehicle was cleared, I learned that another subject fled the scene and that Vero Beach K-9 handler J. Doty (434) had taken a subject into custody after a foot chase during which the subject was tased.

I subsequently identified the second subject as COLLIN R. SMITH (the "Defendant") by this Florida identification card.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

I then observed Ofcr. Doty and Ofcr. W. Brumley (482) escorting the Defendant towards me. Once I made contact with them, I stood by with the Defendant and listened to his make statements that he was very sorry, that he shouldn't have run but that he did because he did not want to go to jail.

In addition, while walking the Defendant to my police vehicle, I could detect a very strong odor of an alcoholic beverage emanating from his breath and person and over heard him state that he had been drinking.

A check of the Defendant's license revealed that his license had four (4) four suspensions for failing to pay a traffic fine on 07/12/18; 07/20/20; 08/08/23 and 03/25/24.

Once the Defendant was secured in the back of my police car, I made contact with Andrew Smith and Mirandized him. Mr. Smith acknowledged understanding his rights and agreed to speak with me.

Mr. Smith stated that the vehicle belonged to his father and that he and the Defendant had been on the beach drinking. Mr. Smith also stated that he had allowed the Defendant to drive because he did want to drive due to his alcohol consumption.

Mr. Smith also stated that once the Defendant began to flee, he repeatedly plead with the Defendant to stop and let him out of the vehicle but that the Defendant refused stating that he did not want to go to jail.

Mr. Smith told me that [because of the Defendant's action] he felt like a hostage.

Based on the totality of the foregoing, I placed the Defendant under arrest and transported him to the Indian River County Jail.

While en route to the jail, I was advised that a firearm was located on the driver-side floorboard under the pedals.

When questioned about the firearm, Mr. Smith emphatically stated that the firearm was not his and that he had been unaware that the Defendant had it.

Once at the jail, I administered Field Sobriety exercises on the Defendant.

WALK AND TURN (WAT) The instructions were explained to the Defendant who stated that he understood.

- Sstepped off the line during instruction phase
- tarted the exercised prematurely;
- Raised arms for balance through
- Failed to count steps aloud;
- 11 steps outbound;

HGN (Horizontal Gaze Nystagmus)

The instructions were explained to the Defendant who stated that he understood them.

- Noticeable back & forth sway;
- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes).

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

ONE LEG STAND (OLS) The instructions were explained to the Defendant who stated that he understood.

- Noticeable sway;
- Tried starting exercised before being told to do so
- Left leg up;
- Raised arms from sides greater than six (6) inches for balance
- Lost count

Upon concluding the FSE's, the Defendant was then turned over to C/O J. Cuevas of the Indian River County Jail who offered him an opportunity to provide two breath samples of his breath for the purpose of determining the alcoholic content of his breath. However, C/O Cuevas subsequently informed me that the Defendant refused to submit to a test of this breath.

The Defendant was then turned over to the custody and control of the Indian River County Jail.

The foregoing violation occurred within the City of Vero Beach, Indian River County, Florida.

My body-worn camera video as well as that of all other Vero Beach officers on scene was subsequently uploaded to a secure server.

The Defendant was issued the following citations: AJH05E (Unlawful Speed 81/450; AJH05SE (Driving While License Suspended); AFVKGME (DUI) and AJH05TE for Fleeing / Attempting to Elude.

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On May 4, 2024, at approximately 1519 hours, I was dispatched to Walmart, located at 2001 US Highway 1, regarding a shoplifting. The dispatcher advised that the suspect had run out the fire exit when being taken to the loss prevention office and had gotten into a white SUV.

Officer Brandes was first on scene. He observed a vehicle that fit the description given by dispatch. After leaving the Walmart parking lot, Officer Brandes conducted a traffic stop on US Highway 1 southbound. I arrived shortly after. The suspect was later identified as Jennifer A. Sanners. Jennifer matched the clothing description given by Christopher Matson, the loss prevention employee. Jennifer was asked to step out of the vehicle. Jennifer was detained and placed in mechanical restraints, double-locked. Jennifer was read Miranda Rights, to which she acknowledged her understanding.

Post Miranda reading, Jennifer admitted to being at Walmart and said she had bought the "wine coolers."

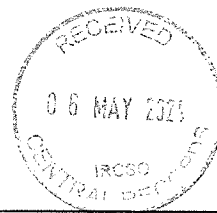

Christopher, a seasoned loss prevention officer, arrived at the scene and positively identified Jennifer as the individual who had bypassed all points of sale and had been escorted to the loss prevention office before making her escape through the fire exit. His identification was based on a comprehensive review of the security footage and his personal interaction with the suspect.

After speaking to Christopher who summarized the following, "I, APA Christopher Matson, working Loss Prevention for the Sebastian Florida Wal-Mart store #1068, was notified by associate Janice that a female subject entered the store today, 5/4/24, that had stolen wine on 5/2/24. I observed the female go straight to the Alcohol aisle where I observed her select 3 cartons of Oak Leak wine from the shelf and put them in her cart by her purse. I observed the female go to the soda aisle where she opened one and began to consume it. The female then concealed one of the wines into her purse and continued to consume the wine as she went into multiple aisles. The female also looked like she had a handful of pills as she was looking through her purse. The female finished the wine and discarded it on the shelf in the household chemicals and walked to the front of the store where she went to the Grocery self check out register 45. I observed the female only scan one wine and made sure she did not scan it more than once. The female paid for the one wine and proceeded to exit out the grocery exit. I waited outside on the sidewalk as the female exited the store, and I identified myself as Walmart loss prevention and asked to come back in the store and she asked why. I told her it was for the wine in her purse and asked her to come back in the store again and she said no and I said I'll call the police and then she said something along the lines of "oh I forgot I put that in there, I can pay for it." The female came back to the office as I notified Sebastian Police department. The female said she did not have her i.d and kept saying she had to be somewhere and I told her I have police coming to trespass her and she kept saying she had to go. She said she was going to leave and I said go ahead they will issue a warrant for you, because I can not make her stay, and she exited the office and went out the fire door that I had open for the police department. I notified Sebastian Police that she had left the store and they were able to pull her over on US 1. The total amount for the theft is \$4.92 for the two wine cartons. Walmart wishes to prosecute and trespass due to her being a repeat shoplifter."

Jennifer was charged with petit theft, FSS 812.014. The total amount of the theft came out to be 4.92 dollars. Jennifer was properly searched and placed in the back of a patrol car.

Jennifer was transported to the Indian River County Jail without any further incidents.

WHO IS PERSONALLY KNOWN TO ME OR HAS PRODUCED					AS IDENTIFICATION. LE

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

Committed the offense of DUI in that the Defendant was:

- Driving or in actual physical control of a motor vehicle upon a public road/ highway within this state;
- under the influence of alcoholic beverages;
- affected to the extent that the person's normal faculties were impaired;
- Determined to have a breath-alcohol level of 0.08 or more grams of alcohol per 210 liters of breath To wit the Defendant provided samples of .110 & .109, respectively

=====

On 05/05/24 at approximately 0130 hrs. I, Ofcr. S. Gonzalez (471) was stationary on Indian River Boulevard at the foot of the Merrill P. Barber Bridge facing south conducting stationary laser speed enforcement on westbound traffic when I observed the Defendant's vehicle traveling west on the bridge in the median lane.

I visually estimated the Defendant's speed to be approximately 70 mph in a posted 45 mph zone. I then activated my hand-held laser speed measuring device, obtained a steady audible tone and digital reading of 71 mph.

I then observed as the Defendant approached and came to a stop at the red light at the intersection and waited for the light to turn green. Once the light turned green, the Defendant made a right turn onto southbound Indian River Boulevard.

I caught up to the Defendant's vehicle and initiated a traffic stop by activating the emergency lights on my fully marked police vehicle. The Defendant pulled over and the final stop was made on southbound Indian River Boulevard at 24th Street at which time I exited my vehicle and approached the Defendant's vehicle on the driver side.

Upon making arriving at the driver-side door, I immediately detected and odor of an alcoholic beverage emanating from within the vehicle and noted that there were three total occupants in the vehicle.

I noted that a white male was seated in the front passenger seat and a white female was in the back seat behind the front seat passenger. I also noted that the Defendant was seated in the driver's seat and was the driver and in actual physical control of the vehicle.

I then asked the Defendant and requested his driver's license and registration.

Upon receiving the Defendant's license and registration and confirmed that the information was current and correct to which he stated that the information was correct. However, once at the jail, the Defendant provided an address other than the one on his license.

I then informed the Defendant as to the reason for the stop and if there was any reason for his speed; the Defendant stated that he did not have a reason for driving so fast.

I then asked the Defendant as to his whereabouts prior to being stopped. The Defendant stated that he and his passengers had been at an establishment called The Grind & Grape which is located at 925 Bougainvillea Lane in the City of Vero Beach.

After a brief conversation I retreated to my vehicle to conduct a driver's license, wants & warrants check and prepare a citation for the traffic violation. While awaiting a response on the Defendant's license, Ofcr. H. Hogue (468) arrived as routine back-up.

During my contact with the Defendant, I observed that his eyes were red and glassy and droopy or sleepy in appearance. I also noted that his speech and movements were slow and deliberate.

Upon being informed that the Defendant's license was valid and preparing his citation, I returned to the Defendant's vehicle and asked him to exit his vehicle; the Defendant complied and exited the vehicle willingly.

PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

PROBABLE CAUSE STATEMENT

Once out of the vehicle, I informed the Defendant of my observations and concerns and asked him to conduct Field Sobriety Exercises

As I spoke with the Defendant out of the vehicle, I noted that there was a moderate odor of an alcoholic beverage emanating from his person and breath.

I began by asking the Defendant if he was taking any medication and if he had any injuries illnesses or disabilities. Defendant stated that he was not taking any medications and did not have any illnesses or disabilities but informed me that he had an old knee injuries to his left knee, however, the injury did not preclude him from standing or walking.

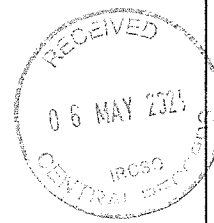

I then administered Field Sobriety Exercises ("FSE's")

The area was well lit and the ground was level and free of debris. An approximately 12 ft. length of masking tape was used for the walk and turn.

HGN (Horizontal Gaze Nystagmus)

The instructions were explained to the Defendant who stated that he understood them.

- Noticeable back & forth sway;
- Equal tracking and pupil size (Both eyes);
- Lack of smooth pursuit (Both eyes);
- Distinct and sustained nystagmus at maximum deviation (Both eyes);
- Onset of nystagmus prior to 45 degrees (Both eyes).

WALK AND TURN (WAT) The instructions were explained to the Defendant who stated that he understood them.

- Noticeable sway during instruction phase;
- Missed heel-to-toe 3 times outbound and two times on the return;
- Stepped off line 1 time out bound and 1 time on the return
- Improper turn (turned other than as instructed);
- Used arms for balance.

ONE LEG STAND (OLS) The instructions were explained to the Defendant who stated that he understood them.

- Noticeable sway;
- left leg up;
- Failed to raise leg as instructed.

Based on the foregoing, I placed the Defendant under arrest for DUI and informed him accordingly and was transported the Indian River County Jail.

After a 20 minute observation period, the breath test was administered.

The Defendant was asked to submit to a breath of his test for determining the alcoholic content of his breath. The Defendant was unsure so I read him Implied Consent in order to assist him in making a decision after which the Defendant agreed to submit to a test of his breath providing two samples of .110 and .109, respectively.

The Defendant was then turned over to the custody and control of detention personnel.

The foregoing violation occurred within the City of Vero Beach, Indian River County, Florida.

The stop and FSE's were recorded with the use of my body-worn camera, in-car camera Ofcr. Hogue's body-worn camera all of which were uploaded to a secure server.

The Defendant was issued DUI Citation no.: AFVKGNE in addition to UTC no. AJHV05VE for unlawful speed
