Arrest Affidavit Report

Case Report # 2024-00053662

NARRATIVE

On May 16th, 2024, at approximately 1137 hours I observed a black sport utility bearing Florida tag "CG98IL" fail to stop, for a stop sign at the 2800 block of 43rd Avenue. I activated my emergency lights conducting a traffic stop at the 2800 block of 41st Street.

I made contact with the driver who was identified as Philip Sam. It should be noted that I've previously given Sam a warning that his Florida driver's license was suspended. Sam admitted to me that his license status remained the same as our last encounter.

A query of Sam's Florida driver's license was completed using DAIVD. The results showed that Sam's license has been suspended since 7/6/2021.

Due to the above Sam was placed under arrest for driving while license suspended with knowledge.

Sam was transported to the Indian River County Jail without incident.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 05/17/2024, at 01:22 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On May 16th, 2024, at approximately 2343 hours, I observed a white 2006 Ford Pickup truck bearing FL tag KFGE27, drive behind a closed business at 730 S Fleming St. I began to follow the vehicle in question. Upon doing so, the vehicle stopped directly behind the business as I continued to pass it. I then observed the vehicle in question leave the parking lot of the business. I got behind the vehicle and observed the rear driver side taillight to be out. Due to this, I conducted a traffic stop on the vehicle at the intersection of Noah St and Carnation Dr.

I made contact with the two occupants of the vehicle. The driver was identified by his FL DL as Brett Geiger. I advised the Brett the reason for the traffic stop and requested all of his documents. While speaking with Brett, I observed him to be visibly nervous. His arms and forehead were sweaty and he was shaking while searching for his documents. While speaking with Brett, I asked him for consent to search his vehicle which he declined. I requested K9 Officer Irwin to respond to the scene to conduct a sniff of Brett's vehicle. Once Brett was able to give me his license and registration, I went back to my patrol vehicle to continue my traffic stop.

While at my patrol vehicle, K9 Officer Irwin arrived to the scene with his K9 partner Suma. I completed a written warning for Brett in reference to his taillight being out while Corporal Singh and Officer Irwin removed Brett and his passenger, later identified as Elena Sonntag, from the vehicle. Once in front of my patrol car, I explained the written warning to Brett in reference to my traffic investigation and began to investigate what he and Elena were doing behind the closed business, due to observing them behind the closed business at a time or manner not usual for law abiding individuals. Both Brett and Elena stated they were behind the business because they were dumpster diving. Both of them informed me they have been dumpster diving in Micco and had intentions of continuing to dumpster dive along Schumann Drive in the City of Sebastian.

It should be noted, during the course of my traffic and loitering and prowling investigation, I was informed by K9 Officer Irwin that his K9 Partner Suma alerted to the odor of narcotics in Brett's vehicle. Due to this, a probable cause search of the vehicle was conducted.

Upon conducting the search, Officer Irwin located a black pouch that was on Brett's lap prior to exiting the vehicle. Inside of the pouch was approximately 2 grams of a crystal rock like substance. Brett was immediately placed in mechanical restraints. Due to the substance being in the pouch that was on Brett's lap prior to exiting the vehicle, I conducted a probable cause search of his person. Inside of Brett's left front pocket, I located a broken glass pipe with burnt Chore boy residue used to smoke methamphetamine. It should be noted prior to me finding this pipe; Brett stated to me he had broken glass in his front right pocket. Officer Irwin and I continued to search the vehicle once Brett was secured. Upon doing so, we found a total of three syringes. Two of which were concealed inside of a lumbar support pillow located within elbow length of the driver. One of the syringes located in this pillow was loaded with a dark colored substance suspected to be heroine. The last syringe was located in a make shift tourniquet that was located behind the driver's seat. This syringe also had residue of a dark colored substance suspected to be heroine. The two syringes with the dark colored substance suspected to be heroine will be sent off for further testing.

Brett was advised of his Miranda Rights and agreed to speak with officers on scene. Post Miranda, I asked Brett if the black pouch observed on his lap was his to which he stated yes. Brett was asked when the last time he used any narcotics was, to which he stated earlier in the morning he smoked meth. I asked Brett about the all of the syringes that were located in his vehicle. Brett denied ownership of all of them and stated he uses the truck for work which his employees are in and out of all the time.

While on scene, Officer Irwin conducted a presumptive field test on the crystal rock like substance located inside of the pouch Brett claimed ownership of which tested positive for methamphetamine.

Due to locating methamphetamine inside of the pouch located on Brett's lap that he claimed ownership of post Miranda, as well as locating the broken glass pipe with burnt residue and Chore boy inside of his front right pocket, I found probable cause to place Brett under arrest for violation of FSS 893.13(6A) POSS OF CONTROLLED SUBSTANCE WO PRESCRIPTION and FSS 893.147(1) POSS OF DRUG PARAPHERNELIA.

Brett was transported to the Indian River County Jail without incident.
