Arrest Affidavit Report

Case Report # **2026-00121453**

NARRATIVE

On Tuesday, November 10, 2026, at approximately 0234 hours, Deputy Gadacz and I were dispatched to [redacted] for a disturbance.

Upon arrival I saw the front door open and [redacted] standing in the living room of the house. I immediately noticed a laceration above his right eye along his eyebrow that was bleeding. He stated the following in substance: He was in his room when he heard [redacted] Bahja Green arguing with [redacted] Bernice Hicks about money. He heard his name being brought up in the argument, so he walked out of his room to tell them to leave him out of the argument. When he did Miss Green became upset with him and came at him aggressively trying to provoke him to hit her. He admitted he grabbed her in a bear hug from behind, to keep her from hitting him. She became more upset and starting hitting him by swinging her hands up to hit him in the face. At a point she grabbed a silver handle that was sitting on the counter in the bathroom where the altercation ended up and hit him in the face with it causing the laceration. He showed me that handle and the piece of plastic that broke off it during the altercation.

The plastic handle is described as plastic suction cup bathroom shower handle.

I spoke with Miss Green who stated the following in substance: Miss Hicks and her were having an argument over money [redacted] came out of his room and approached her aggressively and bear hugged her from behind. She tried getting him off by punching him and admitted to hitting him in the face but with her hands and nothing else. She stated he was behind her with his head on her left shoulder and she was punching him closed fist with her right hand. She had a small abrasion on the knuckles of her right hand. She also had an abrasion on her right hip that she stated came from him holding onto her.

I spoke with Miss Hicks who stated that she did not see anything and when asked about the argument she had with Miss Green, she didn't remember what they were talking about.

It should be known that [redacted]

Based on the above Miss Green did actually and intentionally touch or strike against the will of [redacted] or} did intentionally cause bodily harm to [redacted] Florida Statute 784.03(1), 741.28 and 741.283 (1 DEG MISD)

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 11/10/2026, at 19:20 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On November 10, 2026, at 19:20 hours, I, Officer Dietrich, responded to 2605 11th Avenue, in reference to a broken window. Upon arrival I approached the residence to make contact with the complainant Paige Fusco.

Once I located the residence behind a fenced area, I advised Fusco to open the gate for officers. Upon entering the fenced in area, I observed an adult male laying in a hammock in the front yard. The male was later identified to be 34-year-old Tyler Aycock. Upon speaking with Paige, she advised that her and her two-year-old daughter Aurora Aycock were sitting in the living room watching television. Fusco then heard a window on the west side of her house shatter. Fusco was unsure of how the window became broken, Fusco then called law enforcement. When I asked Fusco who Tyler was and why he was outside, she became visibly concerned. Fusco then explained that Aycock is the father of [redacted] and is only allowed to have supervised visits with Tyler Aycock's mother present and as long as Tyler stays sober. Fusco advised that Aycock struggles with alcohol abuse. Fusco advised there is a protection order against [redacted] who is currently away at her father's home. Fusco advised she did not know Aycock was coming and did not invite him. Fusco does not want Aycock to return to her residence until he is sober.
Upon asking Aycock if he knew what had happened to Fusco's window, Aycock was unsure. Through all my questioning, Aycock would refuse to give me a clear answer and at times would remain quiet. I was able to smell an odor of alcoholic beverage emanating from Aycock's breath.

I observed the shattered window had fallen into Fusco's bedroom. Aycock was the only individual in the front yard at the time of the incident. It should be noted that Aycock is suspected of breaking Fusco's window, but Fusco does not want to prosecute.

Upon running Aycock's information through dispatch, dispatch informed officers that Aycock had a warrant for his arrest, Aycock was detained at this time while the hit was being confirmed. Dispatch confirmed the warrant for Aycock, reference Saint Lucie County Sheriff's Office warrant number: 562023DR001598/ Writ of Bodily Attachment (Failure to pay child support) with a purge amount of $1500.00. Aycock was placed under arrest and taken to Indian River County Jail.

Case Report # **2026-00121864**

NARRATIVE

On Tuesday, November 10, 2026 at approximately 2104 hours I conducted a traffic stop in the area of 5800 20th Street, Vero Beach, Florida 32966.

I observed a red four door vehicle (Florida Registration# SRXS92 Vin# 1FADP3K26GL284214) travel south through the intersection of 58th / 20th Street without any illuminated headlights or taillights. I initiated a traffic stop with the final stop occurring within the Walmart parking lot.

I approached the passenger side of the vehicle where I was met with the passenger, Maria Perez Hernandez, who informed me that the driver did not speak English. I requested she provide her driver's license, where I was informed that Mrs. Rosa Micaela Hernandez Diaz (Driver) did not have a license to operate a vehicle. I clarified through her passenger that she meant that she did not have a license at all, to which I was answered in the affirmative.

I then requested the driver, Mrs. Rosa Micaela Hernandez Diaz, exit the vehicle while I awaited Cpl. A. Ballester to arrive for translation. Mrs. Rosa Micaela Hernandez Diaz was requested to provide any ID that she did have, to which I was provided a Georgia **Identification Card** (070121289).

Once Cpl. A. Ballester arrived, he conversed with Mrs. Rosa Micaela Hernandez Diaz, where she informed him that she was born in Georgia, grew up in Mexico, had been in Florida for approximately 3 months but has not yet made an effort to obtain a driver's license.

Due to her admittance to driving without any valid license ever having been issued, I placed her under arrest.

Mrs. Rosa Micaela Hernandez Diaz was transported to the Indian River County Jail and issued corresponding citations.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00121866**

NARRATIVE

On Tuesday, November 10th 2026 at approximately 2111hrs, I Deputy Finkle initiated a traffic stop on a vehicle in the 1900blk of 9th St SW in Vero Beach FL.

While traveling south on 20th Ave, I came to a stop at the intersection of 20th Ave and 5th St SW for a red light. While stationary, I observed a blue in color Dodge Charger (FL-SUUZ69) directly in front of me. Upon the light turning green, I heard a loud audible tone begin emitting from the rear of the Dodge that grew increasingly louder as the vehicle accelerated south on 20th Ave SW.

Based on my previous experience as a mechanic and certified state inspector for vehicles from Virginia, it was immediately apparent to me the exhaust system was not that of OEM or factory equipment. I then queried the registration through FCIC/NCIC as well as David which gave me the alert for the vehicle having no insurance on file. As we approached the intersection for 9th St SW and 20th Ave, the vehicle turned east and immediately applied the right turn signal to go south on 19th Ave SW.

Utilizing my emergency equipment, I initiated a traffic stop on the vehicle. The vehicle slowed and pulled into the parking lot of the BP gas station. It bypassed multiple safe spots to stop as it continued slow rolling through the parking lot before coming to a stop as a gas pump.

I approached the front passenger window and observed a single male occupant in the driver seat who immediately lit a cigarette and was digging in his wallet. I knocked on the window at which time the driver looked over at my and continued digging in his wallet. I continued knocking at which time he lowered the front passenger window. While waiting for the driver to lower the window, I requested K9 Deputy Mckay to respond.

I introduced myself to him and asked if he had proof of insurance for the vehicle as he was already handing me his driver's license without request. I immediately noticed his hands were trembling, his breathing was fast and heavy which was noticeable by the quick rising and falling of his chest. He was also sweating profusely, so much so that sweat droplets were forming and dripping off his nose.

I also observed an opened alcoholic twisted tea container in the center console cupholder. The driver, identified as Christopher Gable advised he did have insurance and began manipulating his cellphone. He was leaned over is center console and appeared he was trying to hide the twisted tea can with his right arm. I requested him to exit the vehicle at which time he began advising he was on his way to rehab for detox. I then requested he exit the vehicle again at which time he complied.

Upon exiting, Deputy Ciofalo asked consent to search Christophers person which he granted. I then requested Christopher to step to the front of my patrol vehicle and put out his cigarette which he did. Christopher continued looking for proof of his insurance at which time I informed him the reasons for the

stop and his modified exhaust being one of them. Christopher advised he was not arguing with me, but advised he bought the vehicle with the exhaust the way it was and advised he had paperwork showing that. I explained to him that he is responsible for his vehicle and that the modifications were his responsibility to fix.

I asked Christopher for consent to search his vehicle to which he stated he would not give consent to search. Christopher then showed me proof of his insurance for the vehicle. I then informed Christopher he could not have open alcohol in his vehicle to which he advised he just opened it. I then began inquiring about his consumption of the alcohol to which he advised he only drank a small portion of it and I could dump it out.

While questioning him on the alcohol consumption, I was informed by K9 Deputy Mckay that his k9 alerted to the vehicle, giving probable cause to search it. I informed Christopher I was going to be searching it and asked him to be honest and tell me if there is anything illegal in the vehicle to which he stated there was not, but appeared to start sweating even more, with visible sweat droplets falling and hitting his shirt.

I responded to the front passenger area of the vehicle and began searching. I started in the center console, then moved to the center dash area. While searching, I observed the area on the center console where a shifter would be to be missing the shifter. I then looked at the steering column and notice the gear shifter was mounted there, which did not make sense to me why the shifter bezel with the letters PRND was mounted in that location.

I began looking through small gaps underneath the bezel and observed aluminum foil as well as other items hidden under neath. I lifted up with light pressure causing the entire bezel to lift up, exposing underneath. I then observed a clear plastic baggie containing a white powdery substance that I immediately recognized to appear like fentanyl, as well as drug paraphernalia including a cut red straw with a white powdery residue and a metal straw with residue commonly used to smoke and/or snort drugs.

I placed the items on the driver seat at which time K9 Deputy McKay advised he located aluminum foil in the driver door that had burn marks constant with drug usage. Deputy Ciofalo was advised to place Christopher into custody which he did. I photographed the evidence on the driver seat and collected the baggie with white powdery to field test.

I requested Deputy Ciofalo to inform Christopher of his constitutional rights under Miranda which he advised he would. Due to having drug field test kits that I was not familiar with using, I requested Deputy

Ciofalo to test the substance for me while I went to speak with Christopher. I was informed by Deputy Ciofalo that he read Christopher his rights under Miranda.

I asked Christopher if he uses fentanyl to which he stated yes. He began advising he did not know anything was in the vehicle to which I stopped him and informed him that he already lied to me once, and asked him to give me the courtesy and respect by not continuing to lie. I informed him of everything that was found and where it was found.

Upon asking him to be honest and tell me he knew the drugs were in there, Christopher stated he was just scared. I clarified and asked him if he knew it was in the car to which he stated yes and he was sorry. He then began crying and stated he just wanted to get to rehab.

Christopher stated he smoked fentanyl at approximately 1900hrs this evening. I informed him that the baggie with the white powdery substance appeared to me to be fentanyl, and I asked him if it would test positive for fentanyl to which he stated yes. Christopher then admitted that he put the drugs under the bezel as he was slow rolling through the parking lot when I initiated the traffic stop.

I allowed Christopher to have his wife come and take possession of his vehicle. I placed Christopher in the transport area of my patrol vehicle and once secured, responded to the rear of my vehicle where I was informed and visually affirmed the powdery substance tested positive for Fentanyl with a weight of approximately .3 grams.

I collected all of the evidence and placed it all in the rear of my patrol vehicle. The rest of the vehicle was searched with negative results. Deputy Ciofalo remained on-scene to turn the vehicle over to Christophers spouse at which time I responded to the Indian River County Jail where Christopher was turned over to Jail staff without incident.

I find probable cause for:

F.S.S- 893.13- Possession of a controlled substance/Fentanyl

F.S.S- 893.147.1- Possession of drug paraphernalia

F.S.S- 316.272- Loud defective muffler

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00121873**

NARRATIVE

On Tuesday, 11/10/2026, at approximately 2130, I was conducting marked uniformed patrol at Wawa (4495 US Highway One, Vero Beach, Florida 32967), when I observed a white male wearing a grey shirt and camo pants, identified as Robert Chance St. John, who I know from previous law enforcement interactions (IRCSO Case#2026-100927) to be trespassed from the business.

When St. John saw my marked patrol vehicle enter the parking lot of the business, he immediately stopped what he was doing, got up and immediately attempted to exit the property. Approximately 30 minutes before this interaction, while I was inside the business, I observed St. John Walk around the side of the building. I attempted to catch up with him however he had already left the property and I was unsuccessful in locating him.

When I made contact with St. John, I informed him of his Miranda rights, which he voluntarily waived and agreed to speak with me. St. John advised he was released from the County Jail approximately a month ago and believed that the trespass was not still in effect because he had already been arrested once. I told St. John that he is trespassed from both Wawa and the Cumberland Farms across the street, on the east side of US Highway One, at which time he stated he doesn't go to Cumberland Farms due to the trespass. I asked St. John if he was ever given explicit permission to enter the Wawa property by store staff/management, at which time he stated he never received permission or had the trespass waived by store employees. Deputy McPeek arrived on scene and watched over St. John while I went inside the business to speak with the store manager.

I made contact with the store manager, Anna Johnson, and a store clerk at the front register of the business. Johnson and other staff confirmed that they never gave St. John permission to enter the business. I asked Johnson if the trespass was ever lifted, which she advised me that it was not. I quired Johnson through the Indian River County Public Safety Dispatch who confirmed the trespass was still active at the business (IRCSO Case#2026-45816).

Based on the totality of the circumstances, I placed Robert Chance St. John under arrest for a violation of the following offenses:

- F.S.S. 810.08.2b – Trespass (occupied conveyance or structure).

St. John was transported to the County Jail without further incident.

NARRATIVE

On November 10, 2026, I, Deputy M. Mangel #5949, responded to [redacted] to assist Deputy C. Perez #5744 with an investigation involving a reported domestic disturbance.

Deputy Perez advised that she had made contact with Kimberly Zuller (DOB: 05-29-1974) and Daniel Zuller (DOB: 09-04-1974) at the Vero Beach Camp, located at 8850 US Highway 1, regarding a separate call for service. Upon arrival, I made contact with Asher Zuller (DOB: 06-21-2003) and [redacted] whom were interviewed separately.

Deputy A. Consalo #5940 interviewed [redacted] who said the following:

[redacted] stated that at approximately 1300 hours on today's date, he had dropped a teacup from the second-story level of the residence onto the grass below for [redacted] Daniel, to retrieve. [redacted] stated that after Daniel struck him, he placed Daniel in a bear hug to restrain him and prevent further physical aggression. [redacted] maintained that he did not initiate the physical confrontation and that his actions were intended to prevent additional unwanted contact.

I separately interviewed Asher who advised that he personally witnessed the incident. Asher corroborated [redacted] account, specifically stating that he observed Kimberly slap [redacted] hand while attempting to knock away his cellular telephone. Asher further stated that he observed Daniel strike [redacted] while also attempting to dislodge the telephone.

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach, Florida 32960	Arrest Affidavit Report Case Report # **2026-00121891**

NARRATIVE

On November 11th, 2026, at approximately 0006 hours, K9 Deputy R.T. Williams observed a gray Dodge SUV bearing Florida registration CK68YH make an improper left-hand turn onto 9th St. SW traveling east. The improper turn was a prohibited left lane, out of Cumberland Farms located at 880 27th Ave. SW., Vero Beach. Due to this, Deputy Williams and I conducted a traffic stop in the 2000 block of 20th Ave. SW. I took over as primary for the traffic stop.

The operator of the vehicle was identified as Tracee Vogel. Tracee was informed the reason for the stop, and I requested her license, registration and insurance. While speaking with Tracee I observed a rear seat passenger on the passenger side of the vehicle, later identified as Mikhael Hale. I asked Tracee if there was anything illegal in the vehicle, while she was looking for her documents, she stated no. Tracee advised her insurance was on her cell phone and she would have to locate this within her device. I noted during the interaction Mikhael was speaking with Cpl. A. Ballester. Tracee explained she had picked Mikhael up as an uber driver, driven him to Cumberland Farms, and then was driving him back to his residence. I know Uber rides usually do not include two stops in a row, so this struck me as unusual. I am familiar with off-market uber groups on social media through my training and experience, where rides are exchanged for services, and or illicit narcotics.

I asked Tracee for consent to search the vehicle, which she declined. I asked her to exit the vehicle, with her phone in hand to continue looking for her insurance. Tracee did so, but continued to question why we were doing this. Her concerns grew louder and louder. Mikhael also began to question as to why he was being asked out of the car, however, he complied. Mikhael provided consent to frisk his person, which resulted in no discovery of weapons. They were both instructed to stand near the front of Deputy William's agency vehicle.

Deputy Williams' and his K9 partner conducted a free air sniff of the vehicle, while Tracee was attempting to locate her insurance. I was also radioing Tracee's information into IRCSO Channel 2, along with attempting to issue a citation for the improper left-hand turn. While doing such, Deputy Williams advised of a positive alert.

A search of the vehicle was conducted by Deputy Williams, K9 Deputy McKay, and myself. I located in the center console next to the driver's seat a blue leather zipper case. Within the case, was a green glasses case. I opened the green glasses case, where I observed a glass bubble pipe, with white crystals inside. This is consistent with a methamphetamine smoking device. Additionally, I observed a white small plastic baggie, which had white crystal-like residue. I also noted multiple loose pieces of clear crystal-like substance. These were collected and placed into the aforementioned baggie with white residue, and later field tested by myself. This resulted in a presumptive positive for methamphetamine.

This was also weighed on scene to be .7 grams. I also noted within the leather case a blue torch lighter, and a smaller black scale. The black scale had a white powdery residue on it, consistent with methamphetamine residue. Additionally observed was a glass spoon/scoop, which appeared to have white residue on it. All of these aforementioned items are consistent with methamphetamine consumption from my training and experience. These items were photographed and uploaded to Evidence.com.

I separated Tracee from Mikhael. Due to the findings within the vehicle, Mikhael was speaking with Cpl. Ballester. During the conversation Mikhael asked to smoke a cigarette. Cpl. Ballester asked for permission to retrieve the pack from Mikhael's pocket for his safety which he allowed. When Cpl. Ballester retrieved the cigarettes, he felt a "large solid object" in Mikhael's right front pocket. Mikhael granted Cpl. Ballester permission to remove this item out of his pants. This item was a green plastic straw, which had a brown/dark residue inside. This reside was later field tested, which resulted in a presumptive positive field test for cocaine. I know from training and experience crack cocaine users, and or methamphetamine users, commonly use straws as methods to inhale the narcotic smoke off of tin-foil.

Mikhael began speaking with Cpl. Ballester and I. I promptly gave him his Miranda rights. He explained the straw was not his, however, it was within his possession due to performing engine work earlier in the day. He stated he used the straw to locate a bolt. However, this did not make sense to me.

Cpl. Ballester would later advise me of these findings, where a more thorough search of Mikhael's person was conducted. During this time, Mikhael's hat was removed from his head. Within his hat, was a sealed Buprenorphine Naloxone 8mg/2mg film package. Mikhael admitted he was knowingly possessing this, and did not have a prescription. He stated he was holding it for the male who he resides with. I know from training and experience this is a medication prescribed to users of fentanyl/opioids who struggle with addiction. As such, this is a controlled substance, which is often times sold illegally to users and addicts. This medication is commonly referred to by its brand name of Suboxone and or Subs (for short). This was seized, along with the green straw, and photographs were taken and uploaded to Evidence.com.

Mikhael was ultimately detained in handcuffs by Cpl. Ballester (double locked/checked for fit). Mikhael was ultimately placed under arrest and transported to IRCSO Jail by Cpl. Ballester. Upon arrival at the jail, IRCSO Corrections Deputy Canales (ID: 6127) located a second open sealed Buprenorphine Naloxone 8mg/2mg film package in Mikhael's rear left pocket. This was seized and photographed.

Case Report # **2026-00121905**

NARRATIVE

On Wednesday, 11/11/2026, at approximately 0138, I was dispatched to Cleveland Clinic Indian River Hospital (1000 36th street, Vero Beach, Florida 32960), in reference to a physical disturbance.

Upon arrival I made contact with the suspect, Geary Wayne Ruble Jr, outside of the patient pavilion entrance to the emergency room. I immediately informed Ruble of his Miranda rights, which he voluntarily waived and agreed to speak with me. I asked Ruble to explain what was going on, which he stated that he got into an argument with [redacted] which turned physical. Ruble stated that [redacted] was upset about the medical diagnoses she had received and wanted to argue with him and the doctor. When Ruble and [redacted] disagreed, they continued to go back and forth. [redacted] wanted to leave the medical facility and attempted to contact Ruble's son, which upset him because his son does not have a valid driver's license. Ruble stated that he placed his hand on [redacted] chest just below her neck and pushed her while he attempted to grab the phone out of her hand. After he was able to grab ahold of the cell-phone, he then left the emergency room and put her cell-phone in his vehicle.

After gathering these details from Ruble, I went inside the lobby of the emergency room to watch the security camera footage. The security staff would not let my body camera capture the security camera on video because it violates their rules. When reviewing the video, I observed [redacted] gesture her middle finger at Ruble and then get on her cell-phone. After scrolling on her cell-phone, she attempted to make a phone call, which then prompted Ruble to walk towards her. I observed Ruble place his left hand on her neck and push her against the wall in the hallway, then grab her cell-phone out of her hands with his right hand. After Ruble successfully got the cell-phone out of her hand, he walked away.

Ruble advised me that he pays for the cell-phone and the phone bill is in his name. Ruble stated that he [redacted]

Ruble stated that he pays all the bills and [redacted] occasionally gives him money to help when she can afford to with her [redacted] I observed damage to the cell-phone however [redacted] advised that the damage was pre-existing prior to this incident.

Deputy McPeek was with [redacted] while I was reviewing the camera footage, I made contact with both Deputy McPeek and [redacted] in the emergency room [redacted] stated that Ruble very briefly put his hand around her neck to snatch the phone out of her hand. While Ruble had his hand on her neck, she could feel the pressure but did not believe her breathing was impeded. I did not observe any redness, swelling or marks consistent with strangulation.

Based on the totality of the circumstances during this investigation, I placed Geary Wayne Ruble Jr under

On November 11, 2026, I responded to the Cumberland Gas Station located at 1690 US Highway 1 within the city limits of Vero Beach, Florida in reference to a disturbance.

Upon my arrival[redacted]

[redacted] stated that last night her and Daniel went to [redacted] house and had food and drinks. They arrived back at [redacted] stated that Daniel was acting strange and seemed angry. [redacted] expressed she was not sure if it had anything to do with it being Veteran's Day and him being triggered since he served in the National Guard years ago. [redacted] stated she was on the bed in the room and Daniel became verbally aggressive with her and started arguing with her. [redacted] stated she went into the bathroom and locked the door and was taking a shower, trying to give Daniel time to cool off. [redacted] stated Daniel used a kitchen knife to pry the lock and open the bathroom door. [redacted] stated that she was scared and was attempting to use her phone to record and then [redacted] when Daniel took her phone from her. [redacted] stated that when he left the bathroom she ran to her pick up truck without shoes on. The truck was parked outside in the driveway within the gate [redacted] said, Daniel ran after her, however she had locked herself inside the truck before he could grab her. [redacted] stated at that time, Daniel had a knife and stabbed three of the tires of the truck. Daniel then began scratching the truck with knife and drilling holes into the frame. [redacted] stated she attempted to put the car in drive, when Daniel jumped into the bed of the truck and broke out the back trunk bed window with an asp [redacted] drove through her gate, causing front end damage to her truck to get away. Daniel jumped out the back of the truck. [redacted] stated she drove to the police department located at 1055 20th Street, and went inside. She did not see anyone and thought it was closed. [redacted] hen drove to Cumberland Farms and reported what happened to her to the teller inside the station.

While on scene I was able to see the Ford Truck with three slashed tires, several damages to the body of the truck, glass from the broken truck bed window in the trunk bed. The vehicles damages were consistent with her allegations.

[redacted] has red scrapes on both of her arms and bruising that was also consistent with her allegations of physical tussle with Daniel Hawkins.

A domestic violence packet was completed along with a sworn written statement was provided from [redacted]

This officer does find that probable cause exists for the arrest of Daniel J. Hawkins for violating the above listed Florida State Statutes.

Daniel Hawkins was searched and transported to Indian River County Jail in marked unit #87 by Officer T. Stewart (#428) without incident.

NARRATIVE

On November 11th, 2026, at 0630 hours, I responded alongside Corporal Rollando to Murphy USA gas station located at 5175 20th St, Vero Beach, in reference to a disturbance.

Upon arrival, I met with Corporal Hoffman, who had one female detained. The female, later identified as Kathryn Morgan, stated she was "high on adrenalin" and began speaking on changing topics.

I then spoke to [redacted] who stated he was sitting on his bicycle outside the Murphy gas station when he heard Ms. Morgan yelling profanities and walking towards him. [redacted] stated Ms. Morgan yelled she was going to "fuck [him] up" and continued to advance towards [redacted] until he feared imminent harm to his person and was forced to dismount his bicycle and step back from Ms. Morgan [redacted] stated Ms. Morgan continued to yell, curse, and threaten him from a distance of approximately 3-4 feet, but she never physically struck him.

[redacted] stated he would like move forward with pressing charges against Ms. Morgan for assault.

[redacted] stated Ms. Morgan eventually turned her attention to other patrons of Murphy USA, approaching several individuals at the gas station and yelling threats and obscenities at them [redacted] stated Ms. Morgan approached a male by his vehicle and threatened to fight him [redacted] stated Ms. Morgan then approached a lawn service crew, threatening to fight them and threatening to take one of their sweat shirts.

I then spoke with Ms. Karen Abell, manager at this Murphy USA location. Ms. Abell stated she was inside the gas station behind the counter, approximately 5 feet from where [redacted] was standing outdoors. Ms. Abell stated she witnessed Ms. Morgan approaching [redacted] in a threatening manner. Being that Ms. Abell was indoors, she stated she could not hear the verbal exchange, but stated Ms. Morgan's physical demeanor and expressions towards [redacted] was of a hostile manner.

Ms. Abell showed me video surveillance footage of the incident, in which I saw Ms. Morgan approaching [redacted] and [redacted] stepping off his bicycle and raising his hands in a defensive posture. The video footage further showed Ms. Morgan approaching two customers at the gas pumps as well as two other males walking out from the Murphy USA convenience store. Ms. Morgan is further seen approaching the lawn crew referenced by [redacted] and one of the males is seen withdrawing from her as she comes in close proximity to his subject.

Based on the above statements and the video evidence I reviewed, Ms. Morgan was placed under arrest for the following:

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
On 11/11/2026 , at 11:57 (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

On Wednesday, November 11, 2026, I was parked along the 400 block of Sebastian Boulevard when a motorist flagged me down and reported that a blue sedan had been driving in and out of its lane for approximately two miles. The motorist stated the vehicle had just passed my location and was continuing westbound on Sebastian Boulevard.

I proceeded westbound in an attempt to locate the vehicle. A short time later, I observed a blue sedan bearing Florida tag VI04T traveling westbound in the left lane. The vehicle was unable to maintain its lane, crossing both the solid yellow line and the white dashed lane markings several times within a short distance. The vehicle then entered the dedicated left-turn lane at Fleming Street before abruptly merging back into the left lane and continuing westbound. Based on these driving actions and my concern for the safety of other motorists, I activated the emergency lights on my marked patrol vehicle to initiate a traffic stop.

The vehicle then turned left onto Melrose Lane and appeared to pull over. However, its right-side tires completely left the paved roadway and onto the dirt shoulder near 827 Sebastian Boulevard. The driver then re-entered the roadway and continued southbound. The vehicle appeared to pull over a second time just north of Clearmont Street on Melrose Lane. As I attempted to exit my patrol vehicle, the sedan began moving southbound again. I activated my siren, which prompted the driver to stop once more. The vehicle ultimately came to a stop within the intersection of Melrose Lane and Clearmont Street.

While attempting to get the vehicle to stop, I observed what appeared to be dark-colored fabric hanging from the bottom of the driver's door. Upon exiting my patrol vehicle, I realized the fabric was the driver's clothing. I then approached the vehicle from the driver's side and made contact with the driver. During this interaction, I detected a strong odor of a fruity alcoholic beverage emitting from the driver. The odor increased in intensity as she spoke. Additionally, the driver had slurred speech, glassy eyes, forgetfulness and an inability to follow basic commands. The driver was identified as Siri Traynor via her Florida Driver License. Siri denied consuming any alcoholic beverages or medications and denied having any medical conditions that would alter or impair her ability to speak or operate a motor vehicle. Due to Siri's condition, I instructed her to remove the keys from the ignition for safety purposes. While attempting to locate the vehicle's registration, Siri appeared to forget which documents I had requested and instead handed me insurance paperwork containing her policy information. I then instructed Siri to lower the passenger-side window, as another officer was standing near that side of the vehicle. Siri was unable to lower the window for an extended period of time and appeared not to realize the vehicle was turned off and the key was no longer in the ignition. After noticing the key was missing, she placed it back into the ignition but continued struggling to lower the window, pressing the incorrect buttons several times.

Siri was again asked whether she had consumed any alcohol or drugs or had any medical conditions that could alter or impair her ability to operate a motor vehicle. She denied consuming alcohol or drugs and denied having any such medical conditions. However, she stated that she had consumed "Precious Blood" at church. Based on my training and understanding, Precious Blood is wine used during religious services and does contains alcohol.

Due to the above observations, I asked Siri if she would voluntarily participate in several tests to determine whether she was safe to operate a motor vehicle. Siri agreed. She was instructed to exit her vehicle and walk toward my marked patrol vehicle. Upon exiting, Siri appeared very unsteady on her feet and needed to grab onto her vehicle to maintain her balance.

I began conducting Standardized Field Sobriety Tests, beginning with the Horizontal Gaze Nystagmus test. Siri was wearing glasses and was instructed to remove them. She advised that she would not be able to see well without them. However, when asked and after being shown the stimulus, she was able to see it. It should be noted that the stimulus used was a black pen held against my raised right index finger, with no other fingers raised. I again observed that Siri had pinpoint pupils and glassy eyes. I provided her with the instructions and starting position for the test, and she stated she understood. However, Siri was unable to maintain the starting position and appeared to lose her balance several times. During the test, her pupils were equal in size, had equal tracking and showed no resting nystagmus. Both eyes had a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation and the onset of nystagmus prior to 45 degrees. Additionally, both eyes had vertical nystagmus. Siri also repeatedly moved her head while following the stimulus. Despite being reminded to follow the stimulus with her eyes only, she continued moving her head as I moved the stimulus.

I then explained the Walk-and-Turn test and provided Siri with instructions and a demonstration. She stated she understood. During the instruction phase, Siri was unable to maintain her balance, nearly fell several times and failed to remain in the starting position. During the test, Siri stepped off the line on every step, failed to touch heel-to-toe on every step, used her arms for balance throughout the test, stopped walking and performed an improper turn. It shall be noted the line used was high visibility orange tape which Siri stated she was able to clearly see before beginning.

I then explained the One-Leg Stand test and provided Siri with instructions and a demonstration. She stated she understood. While I was explaining the test, Siri was unable to maintain her balance or remain in the starting position. When instructed to begin, Siri took approximately eight seconds before starting the test. Siri then raised her right foot and lifted her dress up preventing her from keeping her arms at her sides. She was unable to maintain her balance and could only count to "one thousand" despite several attempts. Siri also failed to continue counting from where she had stopped and instead restarted her count each time her foot touched the ground. During the test, Siri appeared to use her arms for balance, swayed from side to side, repeatedly placed her foot on the ground and hopped.

Based on the totality of my observations, including Siri's driving behavior, physical indicators of impairment, statements and performance during the Standardized Field Sobriety Tests, I believed she was under the influence of alcohol and placed her under arrest.

Siri was then transported to the Indian River County Jail without incident.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **11/11/2026** , at **11:57** (Specifically include facts constituting cause for arrest.)

PROBABLE CAUSE STATEMENT

At the Indian River County Jail, Siri agreed to provide a sample of her breath. IRCSO Jail deputy P. Staff then used the Intoxilyzer 8000 SN - 80-001328 to obatin to breath samples.

At 1238 hours Siri provided a sample of 0.252
At 1242 hours Siri provided a sample of 0.242

INDIAN RIVER COUNTY SHERIFF'S OFFICE ARREST AFFIDAVIT 4055 41st Ave Vero Beach,. Florida 32960	Arrest Affidavit Report Case Report # **2026-00122108**

NARRATIVE

On 11/11/2026, I was assisting with a shoplifting at Best Buy (Case 2026-122088).

William Parsons was detained and Deputy Saint-Eloi informed me that William was wearing a brand new Tommy Hilfiger (TH) Polo Shirt (creases still present), a new TH hat and, new HT sunglasses. A male was also with him, identified as Bryan Green. There might be more TH items in the car.

I responded to Tommy Hilfiger at 1824 94TH A200, and made contact with employee, Dennis Rivera, who stated there was two males who matched William's and Bryan's description here earlier and was suspected of shoplifting.

Dennis reviewed the security footage and I observed the following:
William entered the store. William was walking around the store, grabbing various items of clothing and accessories. Bryan was seen handing William additional items of clothing at one point, then left. William proceeded grabbing more items and then left the store through the front door alone. He did so without paying for any of the items; passing all final points of sales at 1333 hours.

Deputy Saint-Eloi arrived at TH and informed me that Bryan gave him all the items WIlliam took. I observed numerous articles of clothing and the pair of sunglasses. Some tags were still present and other's were ripped off. All items were new and unused.

All items totaled 577.59$ USD. Dennis informed me that all items currently present match up to the items William was seen taking in the footage.

A criminal history inquiry was conducted by Jail Staff, who informed me William has had over 5 prior shoplifting convictions.

Due to the physical evidence, security footage, and his criminal history, probable cause exists to charge William with Felony Retail Theft.

NARRATIVE

November (6th)

On Wednesday, ~~July~~ 11, 2026, at approximately 1401 hours, I responded to 6156 20th Street (BestBuy) reference to a shoplifting in progress. Upon arrival, I was advised the subjects were still inside and to wait outside.

Once PSD was notified the subjects were walking out contact was made with loss prevention associates and the manager, who pointed out one of the suspects. Only one subject was located and detained at this time who was identified as Bryan Green. A short time later the other subject matching the description later identified as William Parsons was observed stealing was located inside of Lowes 6110 20th Street by Sergeant Scranton and Deputy Saint Eloi. Parsons was escorted outside and placed inside a marked IRC patrol vehicle. A search incident to arrest of the subject's black backpack that he was wearing reviled two items with SKU numbers belonging to BestBuy.

Jorge Carrillo stated he was observing CCTV live footage of two subjects who he had previous runs in with enter the store and began canvassing the rear of the store. Carrillo stated he observed Parsons who had a baseball cap on, sunglasses and a black backpack picking up items and believes he placed items inside the bag.

CCTV was reviewed and it appears that Parson placed items inside the backpack and exited the store passing all points of sale making no effort to purchase the items permanently depriving the retailer of the merchandise.

Parsons was advised of his Miranda Rights, which he stated she understood and was willing to speak to me. Parsons stated he was dropped off in a red pickup truck out west of town and then picked up and went to the Outlet Mall prior to coming to the aforementioned address. Parsons stated he went inside Tommy Hilfiger with a female who was not identified and Green but did not admit to stealing anything.

Items recovered and turned back to the victim are as follows:

JBL- Endurance Peak 3 valued at 109.95

SkullCandy- Push earbuds valued at 104.99

At the request of Carillo, Parsons was trespassed from aforementioned address, stated he understood the parameters of the trespass and was provided a copy of the trespass after warning.

PSD confirmed Parsons utilizing Criminal history records that he had 2+ convictions for retail theft from a merchant in Brevard County Florida.

Parsons was transported to the Indian River County Jail for violating F.S.S. 812.014.3c Petit Theft Merch, Fam, Transit 2+ Prior Conv.

Arrest Affidavit Report

Case Report # **2026-00122115**

NARRATIVE

On Wednesday, November 11, 2026, at approximately 1530 hours, I responded to 13600 US Highway 1 (Bealls Outlet) in reference to a shoplifting. Prior to my arrival, I was made aware by Public Safety Dispatch that the caller was observing remotely through surveillance cameras and observed an AC worker, later identified as Anthony Torres, placing several store items in an ac filter box.

Upon arrival, I was made aware by Deputy Finnegan, who was inside the store with the manager Michael Miller, that a male in an orange shirt just bypassed all points of sale with several items and was walking out the south exit as I pulled up.

I observed Torres, walking out with a shopping cart full of air filters from an HVAC system and a cardboard box beneath filters. I asked Torres what was in the box and he uncovered it revealing several store items which were later determined to be valued at $470.51. Torres was read his Miranda rights and declined to speak of the items.

I made contact with Miller inside the store who advised he observed a suitcase that he recognized as store inventory behind the store at approximately 1430 hours in the middle of a pile of AC filters. Miller stated that he opened the suitcase to find more store items which valued at $122.99 including the suitcase. Miller stated he brought the suitcase to his office and immediately called his loss prevention officer, who started reviewing the cameras. Miller stated he became aware that Torres was concealing items and observed him walk past all points of sale before being confronted by me.

Deputy Gruber discovered more store items on the passenger floorboard of Torres' van while conducting an inventory for the tow. Those items were confirmed to be taken from Bealls and valued at $108.03

Torres was transported to the Indian River County jail without further incident.
