Arrest Affidavit Report

Case Report # 2025-00028073

NARRATIVE

On March 17th, 2025 at approximately 1605 hours, I responded to a call of the reckless driver. Public Safety Dispatch advised that a witness observed a vehicle traveling recklessly

The vehicle was described by witness Philip Kolar to be a white in color Ford pickup bearing partial Florida tag "71F" with the words "white pony" on the vehicle. Kolar stated to dispatch the vehicle was traveling all over the road and struck a guardrail near 66th Avenue and State Road 60. A FLOCK ALPR (automated license plate reader) captured the vehicle, a white in color Ford pickup truck bearing Florida tag 71FBAC with the words "white pony" scratched on the tailgate, traveling northbound on 66th Avenue and State Road 60 at 1551 hours.

Sergeant J. Kirby caught up to the vehicle as it was traveling north at the 4300 block of 66th Avenue and confirmed the Florida tag provided to dispatch, 71FBAC, and the "white pony" words which were on the tailgate. Sgt. Kirby then observed the vehicle weaving within its lane and at one point, enter the bicycle lane. Sgt. Kirby conducted a traffic stop on the vehicle at the 5700 block of 66th Avenue. Prior to my arrival, I spoke with Kolar via phone and he was unsure if the vehicle struck a guardrail or the tire struck a curb.

Upon arrival, I immediately began to inspect the vehicle for crash damage. I did not observe any crash damage to the vehicle. I then began to interact with the driver, who was already identified as Nelson Aguilar, date of birth January 19th, 1990 via his Florida driver's license by Sergeant Kirby. Deputy L. McCullough was also on scene. Sgt. Kirby detected the odor of an alcoholic beverage emanating from Aguilar's person.

Aguilar admitted to drinking one and half beers earlier in the day and was merely tired.

As I began to interact with Aguilar, I detected the overwhelming odor of an alcoholic beverage emanating from his breath and person. I became concerned Aguilar was impaired beyond his normal faculties by alcoholic beverages or chemical or controlled substances. To dispel my concerns, I asked Aguilar if he would participate in a series of standardized field sobriety exercises, to which he agreed. Next, I asked Aguilar a series of medical questions to ensure he could participate in field sobriety exercises.

All field sobriety exercises were explained and demonstrated proficiently prior to Aguilar beginning each exercise and I confirmed he understood the instructions prior to the start of each exercise. Aguilar removed his sunglasses and I observed his eyes were extremely bloodshot and watery.

The following exercises were performed:

- 1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-degrees was observed at an

estimated forty degree angle. Vertical Gaze Nystagmus was not observed.

2.) WALK AND TURN - A straight line of duct tape was used for the exercise. When asked, Aguilar agreed with me that the line was straight and flat. On the first nine steps, Aguilar missed heel to toe and stepped off the line. On the second nine steps, Aguilar missed heel to toe and stepped off the line.

3.) ONE LEG STAND - Aguilar put his foot down, used his arms to balance and swayed while balancing.

Overall, Aguilar performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on March 17th, 2025, Nelson Aguilar was in actual physical control of a motor vehicle while under the influence of alcohol beverages and/or a chemical or controlled substance and was impaired beyond his normal faculties, incapable of operating a vehicle safely.

Aguilar was arrested for DUI at 1640 hours and was advised of the charge. I took Aguilar into custody without incident and transported him to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff Rudolph advised me that Aguilar agreed to provide a breath sample. At the conclusion of the test, the breath sample showed Aguilar had a breath alcohol concentration (BrAC) of .191 grams per 210 liters of breath and .188 grams per 210 liters of breath, an unlawful BAC.

D/S McCullough conducted a vehicle inventory and discovered six "99 Proof" brand mini liquor bottles in the front seat. "99 proof" is an inexpensive alcoholic beverage with 49.5% alcohol by volume.

Based upon my investigation, I charged Aguilar with the following:

F.S.S. 316.193(4) – DUI (.15 or higher)

Case Report # 2025-00027976

NARRATIVE

On Monday, March 17, 2025 at 1102 hours, I responded to the 100 block of 20th Avenue SW to assist Sgt D. Rodriguez on a traffic stop.

Sgt D. Rodriguez was traveling North on 20th Avenue SW when he approached a male and female riding bicycles. As he reached close proximity with the subjects, A loud audible "Bang" was heard which sounded similar to a gunshot. This drew Sgt D. Rodriguez to the male bicycle rider who was now visibly digging into his pants.

On my arrival, I observed both the male and female in the prone position next to their bicycles. I approached and while speaking to the male, I asked him if he had any weapons or sharp objects that would stick or poke me. The male who was identified as Hartley Sanchez stated he had two syringes in his left front pocket and a pocket knife in his right front pocket but no firearm. As I was patting Sanchez down for weapons, Sgt D. Rodriguez observed a small plastic baggy of a yellow rock like substance underneath the bicycle that Sanchez was riding. This substance was tested with an agency approved test kit and indicated a positive reaction to Methamphetamines. After a thorough search I revealed two unused syringes in the left front pocket of Sanchez along with two folded up pieces of aluminum foil. The aluminum foil when opened had a dark burnt residue on the inside. This aluminum foil along with the syringes and Methamphetamines are commonly used to prepare the drugs for intravenous injection.

I read Sanchez his Miranda warnings and he agreed to speak with me. Sanchez stated that his drug of choice is in fact Methamphetamines however stopped short of admitting the baggy found under his bicycle was his. When asked if he was diabetic to explain the syringes he stated he was not.

Based on the totality, I found Sanchez in violation of FSS 893.147 possession of drug paraphernalia and FSS 893.13 possession of a controlled substance (Methamphetamines). Sanchez was issued Uniform Traffic Citation AJ5T24E for possession of a controlled substance.

I transported Sanchez to the Indian River County jail without incident.

Case Report # 2025-00027988

NARRATIVE

On the afternoon of 03/17/25, I responded to the 9600 block of Water Vliet Avenue in reference to conducting a DUI investigation. Upon my arrival I made contact with Deputy Frank Scianimanico. He explained that the defendant had been involved in a crash in the city limits of Sebastian (SEBASTIAN PD CASE# 2025-0451), fled the scene and was involved in a second crash approximately fifty feet north of the intersection of CR 512 and Water Vliet Avenue. According to Deputy Scianimanico the defendant continued to drive northbound after striking the second vehicle and finally came to rest in the 9600 block of Water Vliet. Deputy Scianimanico stated the defendant was the only occupant of the vehicle when he approached it. He also informed me the second driver Mr. Carlos Garcia followed the defendant's vehicle to the point of final stop while speaking to [REDACTED]. I was then informed the defendant was displaying indicators of severe intoxication such as strong odor of an alcoholic beverage emitting from his person and breath while very unsteady on his feet. He also admitted to drinking alcohol.

At the time of my initial arrival, I observed a white male sitting on the ground at the rear of a white Dodge Ram pickup whom I later learned was the defendant. I could see the defendant was swaying slightly while seated. As I approached the defendant to begin speaking to him, I could smell the strong odor of an alcoholic beverage emitting from his person from approximately two feet away. The odor got stronger as I got closer to him and began to speak to him at which time, I could smell it on this breath as well. As I began to speak with him, I noticed his speech to be slurred and mumbled. I explained to him that I would be conducting a DUI investigation and advised him of his Miranda Rights from a pre-printed card. He stated he understood his rights and refused to answer any questions.

I then asked the defendant to stand up at which time I observed that he was very unstable on his feet and had difficulty balancing himself. I instructed him to sit on the rear bumper of his truck to which he complied. I then conducted the Horizontal Gaze Nystagmus (HGN), while looking at his eyes I observed them to be extremely red, glassy, and bloodshot. I observed the lack of smooth pursuit in both eyes. I also observed the onset of nystagmus prior to forty-five degrees (approximately thirty degrees) in both eyes. There was distinct and sustained nystagmus present at maximum deviation in both eyes as well. Finally, I observed Vertical Nystagmus in both eyes as well.

I asked the defendant to take two steps away from his truck which he was unable to do without being unsteady on his feet. For safety reasons I utilized alternative exercises to prevent the defendant from falling while attempting to walk as he was very unsteady.

The next task I asked the defendant to perform was to stand with his feet together and tilt head back while reciting the alphabet from the letter "E" to "P." When the defendant tilted his head back, he became unbalanced and nearly fell. He was unable to follow my instructions on two attempts. On each attempt he stated letters out of order and did not stop at "P."

The next task requested of the defendant was for him to count backwards from 87 to 68. He began by counting

backwards stating "6, 5, 4, 3, 2." He then stopped and stated he couldn't count backwards."1

The final exercise I requested the defendant was the finger count which I explained and demonstrated. I asked the defendant to start by touching his index finger to his thumb and counting "1," middle finger to thumb counting "2," ring finger to thumb counting "3," then little finger/pinky to thumb counting "4," then returning starting with his little finger/pinky to thumb "4," ring finger to thumb "3," middle finger to thumb "2," and ending with index finger to thumb "1." The defendant was unable to follow my instructions on two attempts.

I then placed the defendant under arrest and transported him to the county jail. Once at the jail he was requested to submit to a chemical breath test to determine its alcoholic content by Corrections Deputy B. Rudolph. The defendant submitted to the test and the results were .244 BrAC and .226 BrAC. He was further processed and held in lieu of a \$1,000 bond.

NARRATIVE

On March 17, 2025 I responded to 245 19th Ave reference to an auto burg past. On arrival I contacted victim Ashlie Sanchez. Stolen from her vehicle were her purse and which contained her credit cards. The PNC debit card was used at the Dollar General at 950 Dixie Hwy SW. The card was used to purchase \$165.85 worth of gift cards. I reviewed video which showed a white female with Reddish hair blue greens and dark boots. The female used an orange in color PNC bank card for the transaction. Sergeant David Rodriguez observed a female on a bike matching her description. The location of the traffic stop was in the area of the auto burglary 100 20th Ave SW. He observed that credit cards were discarded in the immediate area. She was detained until I arrived. The credit cards were in my victim's name. Four credit cards in total were recovered. Elizabeth Greer was identified and detained. I read her Miranda rights which she waived. I asked her about her using the cards at the Dollar General she denied that she did. I asked her if she dropped the cards on found she denied doing it. The cards had no fresh moisture or dirt on them. She was placed under arrest and transported to the jail Greer will be charged with fraudulent use of credit and possession of a stolen credit cards.

Case leared by arrest.

Case Report # 2025-00027839

NARRATIVE

On Monday, March 17, 2025, at approximately 0050 hours, I responded to the Vero Beach ER located at, 660 S U.S. Highway 1, Vero Beach Florida, in reference to a disturbance.

Upon arrival, I made contact with the security officer for Vero Beach ER (victim), Thomas McDermott, who stated he was in an altercation with an unknown white male later identified as James Flynn. Thomas stated, James came into the facility requesting to [REDACTED]. Due to protocol, Thomas is required to check bags before allowing people into the ER. Thomas checked James's bag and found various tools that could be used as weapons and told him those were not allowed inside the facility. Thomas told him he could receive treatment if he was able to get rid of the bag. James became argumentative at this and started to aggressively come towards him. As James came into Thomas's personal space, Thomas stretched out his arm, placing his hand on James' chest and telling him he needed to leave. James became increasingly upset and started yelling at Thomas, saying things like "this is fucking stupid". Thomas pointed out the door telling him to leave again. James became combative, grabbing Thomas by both of his arms. James's hands slipped and he then grabbed Thomas by the wrist. Thomas grabbed James by his shirt in self-defense, to get James off of him and pushed him out the door telling him to leave.

I made contact with witness, Michelle Somers, who reiterated what Thomas stated. Michelle stated she observed James become combative with Thomas first.

Deputy K. Kramer located James on 4th Street near Old Dixie approximately 1.5 miles away from the incident location. As soon as Deputy K. Kramer stopped out with him, he said he was involved in a disturbance at the incident location.

I made contact with James, who stated post Miranda that he was asked to leave by Thomas but he did not agree with this. James said Thomas grabbed him so hard he "got him up on one his tippy-toes" to make him leave. James said out of self-defense he grabbed Thomas by the arms and wrist.

There is no video footage at this time.

At the time of the incident, Thomas was on duty as a security guard for the Vero Beach ER. Thomas was wearing a uniform that had at least one patch visible that clearly identified him as a licensed security officer and was acting in the lawful performance of his duties.

I observed a few small scratches approximately 2 inches in length and slight swelling to Thomas' right wrist.

Based on the totality of circumstances to include, statements made by all parties, including an independent witness, Thomas being clearly marked as a security officer and James admitting to grabbing Thomas, I find James Flynn, to be in violation of Battery of a law enforcement officer or other specified personal (security officer) pursuant to F.S.S. 784.07 (2b).

Case Report # 2025-00028126

NARRATIVE

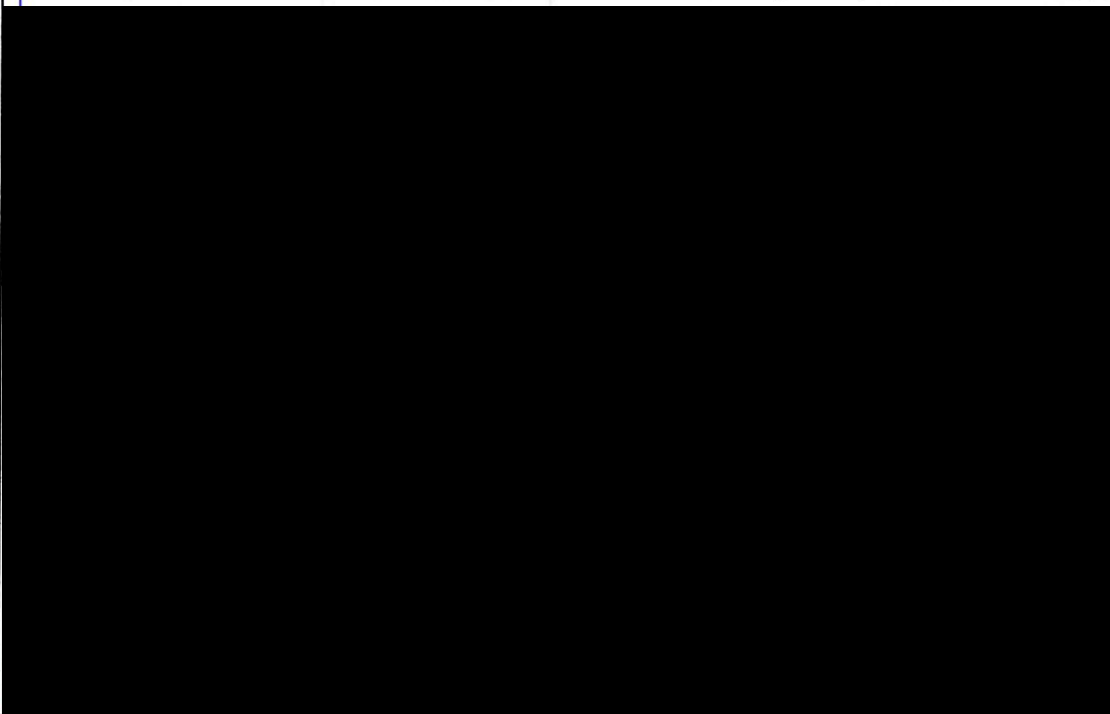

On Monday, March 17th, 2025 at approximately 1919 hours, I, Deputy Sheriff Ramiro Doval was attempting to locate a vehicle which Vero Beach Police Department BOLO'd (Be On The Lookout) out to Indian River County Sheriff's Office in reference to a stolen vehicle. The stolen vehicle was a Silver 2004 Honda CRV bearing Florida-tag #BV88FP.

The last known location of the vehicle was westbound on 58th Avenue on State Road 60. I was stationary at the 8800 block of State Road 60 when I observed a matching description of the vehicle traveling westbound, coming to the intersection of 90th Avenue and State Road 60. Prior to getting behind the vehicle, I was advised the vehicle was being driven by Derek Gray, who was a habitual traffic offender.

I ran the tag on vehicle, IRCSO dispatch confirmed it was the vehicle.

As the vehicle passed me, I was able to get behind the vehicle and observe two occupants in the vehicle, a male and a female. The vehicle was in the middle of the intersection, the light turned red and then continued to turn onto 90th Avenue from State Road 60. I activated my emergency lights to conduct a traffic stop on the vehicle. The vehicle turned into Howard Johnson's parking lot and stopped.

I withdrew my agency issued firearm from my holster and pointed it towards the occupants of the vehicle and waited for backup units. Once units arrived, a felony stop was conducted and both subjects were removed from the vehicle and detained. The driver was later identified as Derek Ray Gray DOB: 11/16/1989. His name and date of birth was ran and it was revealed his license has been suspended since 2017. I ran him through FCIC/NCIC the following was read;

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

POSSESSION OF MARIJUANA (less than 20g.) in that the Defendant was:

- Knowingly in actual or constructive possession
- Of 20 grams or less of a material, compound, mixture or preparation which contained cannabis, commonly known as marijuana, a controlled substance
- Contrary to Florida Statute 893.13(6)(b). (1 DEG MISD)

=====

On 03/18/25 I, Ofcr. S. Gonzalez (471), was stationary on the shoulder at the intersection of southbound Indian River Boulevard and the Merrill P. Barber Bridge when I observed the Defendant drive past me traveling south in the curb lane.

What drew my attention to the Defendant's vehicle was that I observed that the left headlight was out and, as he passed me, I noted that the vehicle's tag light was out as well.

I initiated a traffic stop by activating the emergency lights on my fully marked police vehicle; final stop was on 21st Street and Indian River Boulevard.

I approached the Defendant's vehicle on the passenger side and upon arriving at the passenger door. Upon making contact with the driver, I immediately detected a very strong odor that based on my training and experience I recognized to be cannabis. In addition, I observed what I recognized to be 2 small "blunts" in a cup ash tray in the center console.

A "blunt" refers to a cigar hollowed out and filled with cannabis, as opposed to a joint which is typically rolled with thin, paper-like material.

I asked the Defendant for his license and registration which he was able to provide. I positively identified the Defendant as TERRANCE KENNARD HODGES by his Florida drivers license.

After confirming that the information on his license was current and correct and clarifying that the vehicle belongs to his mother, I asked the Defendant how much marijuana he had in the vehicle.

The Defendant stated that he only had the two blunts as he pointed to the cup ash tray in the center console.

I then had the Defendant exit the vehicle and stand on the sidewalk while I waited for an additional unit to respond. While waiting, I patted the Defendant down for weapons and found none.

I then engaged the Defendant with some small talk

I asked the Defendant where he obtained the cannabis and when was the last time he smoked. The Defendant stated that he had been at his cousin's house where he had obtained and had been smoking cannabis and that he had last smoked an hour prior to being stopped.

While speaking with the Defendant, he had his hands in his pockets and started reaching into the waist band of his shorts.

I instructed the Defendant to keep his hands out of his pockets and shorts. For my safety, I asked the Defendant to show me what he had in his pockets. Upon doing so, the Defendant pulled out what appeared to be several wrappers from the front pocket of the hoodie. However, I caught a glimpse of what appeared to be a greenish sandwich bag.

Based on my training and experience, I was aware that such sandwich bags are typically used to contain cannabis.

Upon closed inspection of the items, I observed that sandwich bag contained a green leafy plant-like material which I recognized to be cannabis a/k/a marijuana. When I asked him about the cannabis in the baggie, the Defendant stated that he got it from his cousin.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

I then detained the Defendant until an additional unit arrived to back me up. Ofcr. H. Hogue arrived on scene moments after I secured the Defendant and while I was escorting him to my vehicle.

A subsequent search of the vehicle yielded no additional drugs, however, I did locate a single 9mm hollow point round in the change holder of the center console.

I subsequently Mirandized the Defendant and he agreed to speak with me.

When I asked the Defendant about the round that I located, he stated that it belonged to his cousin who owns firearms and who had also been in his car earlier.

Based on a totality of the foregoing, I had probable cause to believe that the Defendant was in possession of less than 20g of cannabis and I informed the Defendant accordingly.

I made four attempts to contact the registered owner by telephone to give them an opportunity to retrieve the vehicle, however, my calls went straight to voicemail each time.

The foregoing occurred within the City of Vero Beach, Indian River County, Florida.

The Defendant was subsequently transported to the Indian River County Jail where he was turned over to the custody and control of the Indian River County Jail.

The vehicle was towed inventoried by Ofcr. Hogue and subsequently released to and towed from the scene by Jerry's Towing.

The foregoing was recorded with the use of in-car and body-worn cameras which were later uploaded to a secure server.

The Defendant was issued UTC AL1MB3E for the defective headlight and Criminal UTC AL1MB4E for Possession of Cannabis <20g.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

BATTERY in that the Defendant did:

- Actually and intentionally;
- Touch or strike the Victim, Tina J. Hunt;
- Against her will; and
- Contrary to Florida Statute 784.03(1).

On 03/17/2025 I, Ofcr. S. Gonzalez (471), was dispatched to the Veteran's Housing complex located at [REDACTED] regarding a disturbance.

Upon arrival, I made contact with Witness-1, Eduardo Serrano, who informed me that the residents down by [REDACTED] had been in an argument with another resident over a package having been tampered with but that the incident had been resolved.

I then walked over to [REDACTED] along with Ofcr. H. Hogue who had responded as backup.

I made contact with the Victim, Tina Hunt as well as Witness-2, Roger Nettles who were sitting in front of their respective units. The Victim stated that the Defendant came over and an argument ensued because the Defendant believed and accused Mr. Nettles of having tampered with a package that had been delivered and left at his door earlier in the day.

Ms. Hunt stated that, during the argument, the Defendant pushed her multiple times. Out of concern for her safety and to defend herself, Ms. Hunt retrieved a walking stick to ward off the Defendant who pushed her again before leaving and walking back to his apartment.

Mr. Nettles corroborated Ms. Hunt's statement regarding why the argument started and further stated that he saw the Defendant push Ms. Hunt and that, Witness-1 Mr. Serrano also witnessed the Defendant push Ms. Hunt.

Ofcr. Hogue and I then made contact with the Defendant at [REDACTED] and asked him about the incident. After going off on a tangent about his service and life, the Defendant vehemently denied having pushed Ms. Hunt and claimed that the accusation was racially motivated and part of a concerted effort to get rid of him (kicked out of his apartment).

I left the Defendant with Ofcr. Hogue and K-9 handler Hatfield while I went to speak with Mr. Serrano a second time.

Mr. Serrano corroborated Ms. Hunt and Mr. Nettles' statements in that he stated that he was present during the argument and observed the Defendant push Ms. Hunt and that she retrieved her walking stick from her apartment and raised it in a cross-body defensive manner and that the Defendant pushed her again after she had retrieved her walking stick before walking back to his apartment.

Based on the totality of the foregoing, I had probable cause to believe that the Defendant committed the offense of Battery upon Ms. Hunt.

I then returned to the Defendant and took him into custody placing him under arrest. While taking him into custody, the Defendant tensed up and tried to pull away. However, after being warned not to resist, the Defendant was taken into custody without further issue.

The foregoing occurred within the City of Vero Beach, Indian River County, Florida.

The Defendant was transported to the Indian River County Jail where he was turned over to corrections personnel.

AGENCY CASE #: 2025000550

REPORT DATE: 03/17/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On 03/17/2025, at 19:12 (Specifically include facts constituting cause for arrest.)

On 03/17/2025 at 19:12 hours, I Officer A. Gonzalez, responded to 1852 20th Ave, in reference to a stolen vehicle. Upon arrival I made contact with John Bernaquer. John advised that he had let his roommate, Derick Gray, use his vehicle (a silver 2004 Toyota CRV baring Florida Tag BV88FP), this morning to go to the store and he never returned. John continued to state that he only gave Derick permission to use the car for an hour, this morning at 08:00 hours, to go to the store and come back. John also advised that Derick had John's phone and wallet. I attempted to call the phone number belonging to John that was currently in Derick's possession and got no answer.

John stated that he wished to report the vehicle stolen as Derick was supposed to return the vehicle at 09:00 hours this morning (03/17/2025).

The vehicle was entered into FCIC/NCIC as stolen. At 19:31 hours, The Indian River County Sheriff's Office conducted a traffic stop on the vehicle on the 9000 block of SR60. Derick was driving the vehicle and had a white female, Tina Hobgood, as the passenger.

Post Miranda warning, Derick stated that John gave him permission to take the vehicle earlier, and was just returning Tina back home. Derick acknowledged that John gave him permission to use the vehicle this morning because he had an interview at around 07:30 hours and then had to "take care of the vehicle". Derick advised that John gave him permission to use the vehicle as long as he was back before it got dark, but John advised that was not accurate.

Upon detention of the vehicle and it's occupants, I was able to find a white in color rock like substance in a small glass jar. This jar was in the front passenger side seat. Alongside the jar there was multiple pairs of socks, a pocket knife, a tampon, and a key card to a room at the Howard Johnson. Because of the feminine products and the location of the bag I read Tina Hobgood her Miranda warning, and questioned her about the contents of the bag. Tina advised that what was in the glass jar was Methamphetamine, and it did not belong to her. Tina advised that the bag was not her bag at first but then admitted that although the bag was not her bag she had been using it. Tina then continued to state that Derick threw that glass jar into her bag soon after picking her up. According to Tina Derick told her "we are going to get high", took the jar out of his pocket, and tossed it into the bag she had been using which was open and on the passenger side floor. Tina also advised that Derick had stuffed some more narcotics "under him", when they got pulled over, although The Indian River County Sheriff's Office Deputies and myself searched the vehicle and were unable to find what she was talking about, Tina was adamant that there was more substances wrapped in a paper under where Derick was. I had Tina point out in the vehicle exactly where and I was able to retrieve a receipt containing a white rock like substance and a white powder.

Field Testing of the substances in question yielded positive for the presence of Fentanyl for the white powder substance and positive for Methamphetamine on the white rock like substances.

Derick was transported to the Indian River County Jail for Violation of Florida State Statutes 893.13 (1a1) Possession of a Controlled Substance x3 and 812.014(26C) Grand Theft of a Motor Vehicle to be held on No Bond.

REPORT DATE: 03/17/2025

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law: 03/17/2025 20:28
On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 17 March 2025, at approximately 1810 hrs, I, a police officer for Sebastian, responded to 2001 US HWY 1 for a theft.

While en route, dispatch advised us there was a white male concealing merchandise in the store and was heading towards the general merchandise doors.

Upon arrival, I waited outside the store for the male, later identified as Corey Keith, to exit. Once Corey exited the store, Walmart loss prevention associate Dawn Ethier identified him to me. At that point, I identified myself to Corey and requested him to stop and speak with me, to which he complied.

Post Miranda, I asked Corey what had occurred inside the store. Corey stated he stole four calculators, which were located in his black shoulder bag. I asked Corey why he took these items, and he stated it was a stupid mistake and he was going to sell them to try and make some money. Corey stated he is unemployed and homeless. I placed Corey in handcuffs and returned him to the loss prevention office, where I was able to speak with Dawn. Corey did not wish to provide a written statement at this time.

Dawn stated she observed Corey on camera select the calculators off the shelf. Dawn stated these calculators have a security device to deter theft, and it requires a store associate to unlock it. Dawn stated at this time, she went to the floor to survey him further. Dawn stated while watching him, she saw him conceal the merchandise on his person. Dawn stated she followed him to the front of the store, where he exited the store with the following items that were not paid for:

2 - Texas Instrument TI-84 Plus CE Graphing calculators valued at \$149.00 each.

1 - Texas Instrument TI-84 Plus Graphing calculator valued at \$139.00

1- Texas Instrument TI-83 Plus Graphing Calculator valued at \$104.00

The total value of merchandise is \$541.00.

Dawn provided me a written sworn statement.

Corey was placed under arrest for the following charges:

FSS 812.015 Retail Theft: Corey knowingly and intentionally removed the merchandise from the shelf, bypassing the security measures Walmart has in place. Corey then Knowingly and willingly concealed the item with the intent to remove the items from the store without paying the full retail value of the merchandise. By doing so, Corey deprived Walmart of the full retail value of the merchandise.

Corey was transported to the Indian River County Jail with no further incident.
