The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **08/21/2026** , at **12:39** (Specifically include facts constituting cause for arrest.)

On August 21, 2026, at approximately 1116 hours, I was conducting a proactive area check of 530 Barber Street (Hardee Park).

I observed a male (Terry Sartain), sleeping on one of the wooden park benches located inside the park. The male was in violation of city ordinance Sec 70-7 (D)(1). The male was laying on his back on the bench, on top of a piece of cardboard, with a pillow under his head. The male appeared to be bedding down in the park as he came prepared with a pillow and cardboard mat.

Upon making contact with the male, he was advised he was in violation of city ordinance and therefor cannot be sleeping in the park. The male stated he was trying to get rid of the noise of the trains and stated "you know what I'm talking about". I advised the male I have no idea what he is talking about and asked the male for his identification. The male replied he does not comply with the gay police. The male was advised again I need to see his identification which he stated he was not going to provide it.

The male then proceeded to get aggressive in his tone, gave me a deep stare, got off the bench and walked towards me. I moved out of his path, told him he is not free to leave and is detained. When I grabbed the male's arm, his body tensed, and I felt him slightly pull his hand away as I attempted to gain control. The male was placed into handcuffs which were double locked and checked for fit.

During the search of the male, his Florida identification card was located and he was run through FCIC/NCIC. The male was identified as Terry Sartain by his FL ID card.

Terry was transported to the Indian River County Jail for resisting w/o violence (FSS 843.02).

This incident is cleared by arrest.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On 08/21/2026, at approximately 1128 hours, I was dispatched to 2001 US1, Sebastian FL (Walmart), in reference to a shoplifting. While enroute, Sebastian Communications advised there was one male in the office who stole from the store, and Walmart wants to prosecute and trespass him.

Upon arrival, I made contact with the complainant and Loss Prevention Officer, later identified as Christopher Matson, who stated the following via sworn written statement: "I, APA Christopher Matson, working Loss Prevention for the Sebastian Florida Wal-Mart store #1068, was notified on 8/21/26 of a male subject who had skip scanned the day before had just entered the store. I went to the sales floor and observed the subject walking to the Grocery Dept. The subject selected items around the store including a container of Ice Cream and walks to the front where the grocery self-checkouts are and selects a warm Rotisserie from the display by the self-checkouts and puts it in his cart. The subject goes to register 44 in the self-checkout where he begins to scan his milk and juice. The subject made no attempt to scan the ice cream or the rotisserie chicken and conceals them into a shopping bag. The subject then exits out the grocery door, passing all points of sales as I approach him on the sidewalk and identified myself as loss prevention and asked him to come back into the store. The subject came back and \$ was recovered from the incident."

I placed the suspect, later identified by name and DOB as Joshua Moore, into mechanical restraints, which were double locked and checked for proper fit, and detained him. I then reviewed the camera footage provided by Walmart, which showed the following: A male, matching Joshua's physical and clothing description, later identified to be Joshua, at the self-checkout area of the store. Joshua placed 1 great value strawberry ice cream (\$3.32) and 1 bag of deli chicken (\$5.97) inside of Walmart bag (totaling \$9.71). Joshua did not pay for items listed, and passed all points of sale of the business.

I read Joshua his Miranda rights, one at a time, to which Joshua stated he understood. Post Miranda, Joshua stated the following in summary: Joshua did not intentionally take the items. Joshua thought the lady next to his self-checkout machine paid for the items previously listed, and that's why he did not pay for the items. The lady did not tell Joshua that she paid for the items, Joshua only assumed she did.

The following should be noted: The video footage provided by Walmart did not show any interaction between Joshua and the lady next to his self-checkout machine. Also, the woman never touched, or went near Joshua's shopping cart.

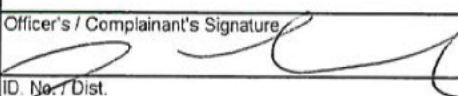

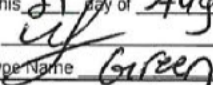

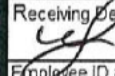

Based on the statements made by Chris and Joshua, as well as the video footage provided by Walmart, and the totality of the circumstances, I find there is sufficient probable cause to charge Joshua with the crime of FSS 812.014(3A): SHOPLIFTING.

Joshua was placed under arrest, and transported to the Indian River County Jail without incident.

Arrest Affidavit Report

Case Report # 2026-00089665

NARRATIVE

On August 21st, 2026, at 1052 hours, I responded to Burlington located at 5950 20th Street, Vero Beach, Florida 32966 in reference to a shoplifting. Dispatch advised that a homeless male exchanged his old clothes with new clothes and fled the scene on a e-bike with large wheels. The suspect was said to be a white, homeless male with brown hair and a scruffy beard.

Upon arrival, I made contact with lost prevention security, Steven Hutchinson, who advised that a male came into the store and had gone into the changing room and changed into new, unpurchased clothes. While attempting to leaving the store in the new outfit, Steven confronted the suspect. Prior to the suspect's entry into the changing room, the security scanners alerted to merchandise which were concluded to be because of the new shoes the suspect had with him. The male stated to Steven that the scanner alarm went off when he entered Burlington, turning away from Steven and fleeing the scene.

I viewed Burlington's surveillance footage and observed the suspect enter the store in a light brown shirt and green BDU pants. The male then walks around the store and acquires gray textured pants and a navy-blue shirt. The male enters the changing room changing into the clothes he had retrieved from Burlington.

Steven stated that the suspect put his old clothes on hangars, leaving them in the changing room. Steven had packaged the old clothes (same ones I observed in the video) in a Burlington bag which were submitted to crime scene.

Steven was provided an Axon Community Link to attach the footage to the case file.

Steven additionally added that the suspect tried steal a pair of shoes worth \$12.99; however, left them behind and did not steal them.

I took a picture of the suspect and sent it to Corporal Macias who was in the area. Corporal Macias located the suspect at iHop, 8800 20th Street. The suspect was detained and identified as Devlyn Denedios Ferguson.

Steven advised that the gray pants that were stolen equaled \$10.99 and the navy shirt equaled \$29.99 for a total of \$40.98 for stolen merchandise.

I made contact with Devlyn at iHop and observed the same eBike that was pictured with Devlyn on scene at Burlington.

Devlyn was read his Miranda Rights from my agency issued card. Devlyn agreed to speak to me and stated that he did not want to incriminate himself, but advised that his clothes were dirty and needed new ones.

Devlyn was taken into custody and transported to the Indian River County Jail without further incident.

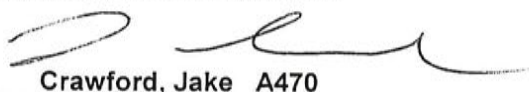

Devlyn was charged in violation of FSS 812.015 Retail Theft/Shoplifting for the following:

Devlyn knowingly and unlawfully obtained/used the gray pants and shorts of Burlington.

Devlyn did so with intent to permanently deprive Burlington of their right to the property and any benefit from it.

Arrest Affidavit Report

Case Report # 2026-00089688

NARRATIVE

On Friday, August 21, 2026 at approximately 11:59 AM, I responded to the 6900 block of US Highway 1, Vero Beach, FL in reference to two-vehicle crash with unknown injuries. Indian River County Sheriff's Office Public Safety Dispatch received a [REDACTED] call from the caller later identified as, Robert Edward Buckman.

Buckman advised the crash involved his vehicle, a blue Volkswagen Jetta and a dark red/burgundy Jeep with the possible first three license plate tag characters, "BSW". Prior to my arrival, Buckman further stated to IRCSO Public Safety Dispatch the driver of the Jeep then fled the scene southbound on US Highway 1. Additionally, Buckman complained of both neck and back pain as a result of the impact.

Upon my arrival, I observed a light blue Volkswagen Jetta, Florida registration CV75GW, occupying the left (eastbound) turn lane at the intersection of US Highway 1 and 69th Street. The Jetta had significant damage to its rear bumper. I also observed signs of red transfer paint to the rear bumper. The estimated cost of repair to the rear bumper was \$5,000.00.

Indian River County Fire Rescue Firefighter/Paramedics were giving medical aid Buckman as he was still seated in the driver seat of the Volkswagen. Paramedics were placing a neck collar on Buckman to minimize the amount of movement. Buckman was later transported by ambulance to Cleveland Clinic Indian River Hospital Emergency Department for treatment. While at the emergency department, Buckman continued to state of pain in his neck and back, possibly a pinched nerve.

Buckman stated prior to the impact, his vehicle was occupying the inside travel lane of southbound US Highway 1. Buckman was at a complete stop due to the red traffic signal at the intersection of 69th Street. The rear of Buckman's Volkswagen was then impacted by the red Jeep. The driver of the red Jeep then fled southbound on US Highway 1, but before doing so Buckman was able to describe the driver of the Jeep as a white male, approximately 70 years of age with white hair.

With the assistance of the Indian River County Sheriff's Office Real Time Crime Center and the Flock cameras were able to capture a picture of the red Jeep. The vehicle was identified as a 2016 Jeep Patriot with a Tennessee license plate tag attached to its rear, plate number BFW1892.

At 12:37 PM, Deputy Makenzie Baumann advised she located the Jeep southbound on 43rd Avenue approaching the intersection of 53rd Street. Deputy M. Baumann conducted a traffic stop on the Jeep and made with the driver, later identified as Matthew Paul Gilligan (DOB 07/28/1971).

Deputy M. Baumann then stated the following:

"On August 21st, at approximately 1236 hours, The Real Time Crime Center advised the vehicle in question hit Flock at 43rd Avenue and 41st Street two minutes. At approximately 1237 hours, I observed the vehicle at 43rd Avenue and 53rd Street. I turned around behind the vehicle and activated my emergency lights.

The vehicle turned West Bound on 53rd Street. After a few feet, the vehicle began slowing down. After activating the horn, the vehicle came to a complete stop. I observed a male reaching around his vehicle. I approached the passenger side of the vehicle and made contact with a white male. I explained to the male the reason for the stop. The male began to reach around the vehicle again. I advised him to stop, to which he complied. When another deputy arrived on scene, I had him exit the vehicle and approach the front of my patrol vehicle.

NARRATIVE (Continuation)

I had the male place his hands on my patrol vehicle and asked if he had anything on his person. The male replied yes, then advised he has "coke" (Cocaine). When asked where, he advised his left pocket. I asked the male if it was contained in a bag, he stated no, it's a "rock", then stated it is Crack Cocaine. The male also stated he has a "pipe" in the pocket as well. I removed all items from his pocket and placed it into a bag, secured in my patrol vehicle. Dep. Luther arrived on scene and took possession of the white male.

I brought the narcotics, glass pipe, and lighter, to the Indian River Crime Scene Building. I field tested the narcotic, which field tested positive for Cocaine-Crack. I weighed Crack Cocaine, which weighed .18g. The total package weight came out to be 13.82g. The evidence was secured in an evidence locker."

I then responded Deputy M. Baumann's location where I observed Gilligan in mechanical restraints. Contact was made with Gilligan and he was read his Miranda Warning from a prepared card. Gilligan stated he understood, waived his rights to counsel and stated he would speak with me.

Gilligan admitted he was the driver and sole occupant of Jeep at the time of the crash. Gilligan further stated the vehicle in front of him stopped quickly and he impacted the rear of it. After waiting for a moment, Gilligan then left the scene. Gilligan stated he did not render aid or exchange information with Buckman prior to leaving the scene.

Gilligan was then taken into custody and transported to the Indian River County Sheriff's Office Jail without incident.

Gilligan was arrested for the following:

- F.S. 316.061(1) - Leaving Scene of Accident with Property Damage
- F.S. 316.027(2)(a) - Leaving Scene of Accident with Injury
- F.S. 893.13 - Possession of Controlled Substance

NARRATIVE

On August 21st, 2026, at 1909 hours, Deputy Trainee S. Acosta and I responded to 8800 20th Street, Vero Beach, Florida, in reference to a threat of suicide.

While en route, I was advised that a 62-year-old white female, identified as Joan Gatto, was heavily intoxicated and making suicidal threats. Gatto was last seen wearing a white shirt and black pants.

Upon arrival, I made contact with Gatto's daughter, Amanda Simpson, who was standing in front of Gatto as she sat in the stairwell. Gatto was wearing clothing matching the description provided above. As I approached them, I observed Gatto kick Simpson in the leg and tell her to get away from her.

Upon making contact with Gatto, I detected a strong odor of an alcoholic beverage emitting from her person. I also observed a large blue vodka bottle approximately one-quarter empty next to her. Deputy Trainee Acosta and I attempted to speak with Gatto by asking how she was doing and why she was crying. Gatto was minimally responsive; however, she stated that she was tired of life and wanted to drink until she dies.

Simpson informed us that, prior to our arrival, she and her father had been speaking with Gatto near her hotel room. During the conversation, Gatto reportedly made several statements indicating that she was tired of life and wanted to drink until she dies. Based on the statements provided and Gatto's emotional state, law enforcement placed Gatto under a [REDACTED] and took her into custody. Gatto was subsequently transported to [REDACTED]

Prior to transport, Gatto slipped one of her hands out of the handcuffs. Deputies attempted to gain Gatto's compliance so she could be properly restrained. Gatto refused to comply, requiring deputies to physically control her hands and place them behind her back, where she was secured in handcuffs. No injuries observed or reported.

Upon arrival at [REDACTED] Gatto was placed in the care of medical staff, particularly [REDACTED]. As Deputy Trainee Acosta and I were leaving, we heard a commotion coming from Gatto's emergency room. As we approached the room [REDACTED] exited and informed us that Gatto had kicked her in the chest and attempted to pull her hair [REDACTED] stated that she wished to pursue charges.

Contact was made with medical staff member Aliyah Hall, and security officer Alexander Carmen, who were inside the room when the incident occurred. Both witnesses corroborated [REDACTED] account of the incident.

Hospital staff medically cleared Gatto, after which she was transported to the Indian River County Jail for the following charges:

1. Battery touch or strike, consistent with F.S.S. 784.07(1)(c).

On Friday, August 21, 2026, at approximately 2112 hours, I deputy McPeek was dispatched to the area of 42nd Place and 38th Avenue, Vero Beach Florida 32960 for a disturbance.

She told him to get out of the car and he refused to get out. During the argument while they were still sitting in the vehicle he reached over and punched her 1-time closed fist in her face with his right hand. He eventually got out of the car when she threatened to call law enforcement and told him she was going to drive him to the Sheriff's office. Mr. Comery and her have been [REDACTED]

I observed on the left side of her face on her upper lip she had a small abrasion and on her lower lip inside her mouth she had a small cut. On both her upper and lower lips were slightly swollen. She advised that she wanted to pursue charges for Battery.

I completed a Domestic violence lethality assessment that showed [REDACTED] was not in a potentially lethal situation. She was provided with a victim rights and remedies brochure.

While talking to her I was advised Deputy Yerian located Mr. Comery on 43rd Street and 36th court. I responded to that location and spoke with Mr. Comery. I advised him of his constitutional rights via a Miranda warning, he stated the following in substance: They got into a verbal argument because an ex-girlfriend called his phone. [REDACTED] became upset and started arguing with him. She originally was going to take him to the Sheriff's office but then decided she changed her mind and pulled over at the dispatched location. He stated she tried to push him on his head and neck to get him out of the car and snatched his phone when he tried to [REDACTED]. He stated he recorded the entire argument; I watch the videos on his phone with his consent. I didn't observe any crime on the recording. He didn't have any injuries, redness, or anything to support his claims. I called and spoke with the call taker and asked if they heard anything that sounded like the phone being snatched, they advised they did not, and that it just sounded like the phone was just hung up.

Pictures were taken of [REDACTED] injuries and uploaded Via the Axon capture app.

Based on the above Oshane Comery did actually and intentionally touch or strike [REDACTED] against the will of [REDACTED] or did intentionally cause bodily harm to [REDACTED] was a family or household member (Girlfriend) of Oshane Comery, contrary to Florida Statute 784.03(1),

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On **08/22/2026**, at **00:21** (Specifically include facts constituting cause for arrest.)

On 08/22/2026, at approximately 00:21 hours, I was on routine patrol when I observed a grey Lexus SUV (displaying FL tag #53AEQM) traveling eastbound in the 700 block of Royal Palm Point. I was traveling westbound and noticed that the vehicle was rolling on a flat front tire. The motorist then pulled over near the intersection of 8th Avenue and Royal Palm Boulevard and appeared to be disabled. I subsequently pulled behind the vehicle and stepped out to assist the motorist. I spoke with the driver behind the wheel, who was later identified as the defendant (Ms. Dempsey), who I will further refer to as D1. When D1 exited from the vehicle, she had poor balance and stumbled to her side. I then noticed that she had slurred speech, and that she would repeat herself frequently. I then assessed the damage with D1, where I discovered that both front tires on her vehicle were flat with significant damage. The tire tread had almost ripped off completely, and the vehicle was riding on the two front rims. I also noticed minor damage to the front bumper. D1 was surprised to see the damage, and she was unaware of how she obtained the two flat tires.

While speaking with D1, I detected a moderate odor of an alcoholic beverage emanating from her breath as I stood a few feet away. I asked D1 where she was coming from, and she claimed, "out west". She later informed me that she came from Riverside Caf and stated that she consumed two cocktail beverages there.

Based on my observations, I was concerned that D1 was impaired, and I asked D1 to perform a series of standardized field sobriety exercises to determine if she was able to safely operate a motor vehicle. D1 agreed to perform the exercises. I then explained and demonstrated each exercise before having the D1 perform them. I additionally had D1 acknowledge that she understood each exercise before having her perform them. I observed the following:

Horizontal Gaze Nystagmus:

- Resting nystagmus was not present and Mr. Ingrahm's pupils were equal in size.
- I observed distinct and sustained Nystagmus at maximum deviation in both eyes.
- I did observe the lack of smooth pursuit in both eyes.
- I observed the onset of nystagmus prior to 45 degrees in both eyes.
- While performing this exercise, D1 displayed an orbital sway while she was standing upright.
- D1 utilized her head on a couple occasions to follow the stimulus. She had to be advised of the instructions more than once.

Walk and Turn:

- D1 could not maintain the starting position despite extensive efforts to provide her with careful instruction. While providing instructions, D1 kept looking down at the ground or would become easily distracted.
- D1 started the exercise without being told to start multiple times. It took several minutes to get D1 to concentrate and listen to my instructions. D1 repeatedly interrupted by getting distracted or attempting to perform the exercise without being told to do so. I was able to explain the exercise, and D1 expressed that she wished to perform it.
- When instructed to start, D1 performed approximately 18 steps forward. The steps were performed in a rushed manner, and D1 failed to touch her heel to her toes on almost every step. D1 did not count out loud in the appropriate manner while performing the exercise, and she stepped off the line more than once.
- D1 performed a turn and then exceeded nine steps on the way back. D1 performed approximately 20 steps back at a fast pace. These steps were performed improperly, and she did not count out loud.

One Leg Stand:

- D1 was unable to listen to instructions despite numerous attempts to gain her attention and provide her with clear directions. I provided D1 with step-by-step instructions and I had her verify that she understood how to perform each portion of this exercise. D1 stated that she was willing to perform the exercise, and I instructed her to begin while being timed. D1 then stood with both feet planted on the ground, and her hands bent at her sides with the palms facing out. D1 did not count out loud as she was instructed. I told D1 once again that she could begin and asked if she understood the instructions. D1 told me she understood and then continued to maintain this awkward position. D1 failed this exercise very poorly and could not perform it remotely close to how she was instructed.

At this time, based on the totality of my observations, I placed D1 under arrest at 00:56 hours for driving under the influence of alcohol. The entirety of the field sobriety exercises was captured on my body worn camera and the dash camera on my patrol vehicle.

At 01:02 hours, I transported D1 to the Indian River County Jail. Once at the Indian River County Jail, I completed a twenty-minute observation period on D1. She was then walked to the Intoxilyzer room at the Indian River County Jail. Corrections Deputy, Deputy M. Rodriguez (ID 5661), was present with me as the breath test was performed. At approximately 01:33 hours, D1 provided me with two successful samples of her breath with the alcohol content of 0.285 and 0.286 g/210L. It should be noted that D1 had to provide a total of three samples, the third sample was prompted from the Intoxilyzer. I issued her FL DUI UTC (AFVKL1E) for violation of FSS 316.193(4) Driving Under the Influence of Alcohol (greater than 0.15).

D1 was then transferred to the custody of the Indian River County Jail.

Case Report # 2026-00090042

NARRATIVE

On August 22nd 2026 at approximately 0749 hours, I was dispatched to [REDACTED] in reference to a residential burglary in progress.

The residence is known to be a rooming, house where the residents rent separate rooms inside the house. Upon arrival observed several people standing outside and could hear yelling. I separated the parties as soon as I approached the residence.

I spoke with [REDACTED] who made the following summarized statement:

Earlier that morning, [REDACTED] saw Franklin Akins junior outside sleeping in his truck with the music playing. [REDACTED] Went outside and got a cigarette from Franklin, then return to her room in the residence.

A short time later, [REDACTED] Heard yelling, screaming, and cussing from whom she believed to be Franklin. Franklin then forced the door open and entered her room. Once inside Franklin struck [REDACTED] On the right side of her face with a closed fist. Franklin also struck her on the left shoulder while she had her hands up trying to protect herself. [REDACTED] fell backwards onto the bed, Franklin then grabbed her by the ankles and attempted to pull her off the bed. Franklin eventually let go of her ankles, left the room, walk down the hallway and then went back outside to his truck while continuing to yell and cuss. [REDACTED]

I next spoke with Tanya Whitehead, who made the following summarize statement: Tanya woke up after hearing yelling. She opened her door and looked down the hallway, Tanya saw Franklin banging and kicking on [REDACTED] door until the door busted opened. Kanye then saw Franklin inside [REDACTED] room. Tanya witnessed Franklin hitting [REDACTED] falling his arms at her while [REDACTED] had her hands up protecting her face. Tanya then saw [REDACTED] on the bed and saw Franklin pulling her by her ankles. Franklin left the room and went outside while Tanya was yelling at him to stop.

I spoke with another resident in the house who did not wish to be identified he stated he did not witness the incident. There was also a male inside of Tanya's room and he stated he did not witness the incident.

Then spoke with Franklin Akins Jr. who made the following summarize statement: Franklin stated he had been outside in his truck listening to music and had no memory of what happened. I asked Franklin what happened again and how [REDACTED] door was damaged, but Franklin stated he did not know.

Franklin then began accusing the residents of stealing from him and stated they stole approximately \$400 from him. I asked Franklin to explain again what he remembered from happening that morning.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On Saturday, August 22nd, 2026 at approximately 0944 hours, I responded to Walmart (2001 US Highway 1) in reference to a retail theft in progress.

Prior to my arrival, dispatch advised to me that Loss Prevention Officer Chris Matson (complainant), advised of a black male wearing a black shirt, camo shorts, and a red and white hat placing multiple items into his pocket and shopping bags, but did not pay for said items. Chris stated the male continued to walk through the store and go through the garden section, exiting the building, and placing the items into a black sedan towards the old car wash.

Upon my arrival, I observed a male who matched the description near the old car wash placing items into the trunk of a black sedan. I made contact with the male and placed him into mechanical restraints which were checked for proper fit and double locked. I explained to the male, who was later identified to be Randall Knight (arrestee), that he is currently being detained for a retail theft investigation. During this encounter, Randall spontaneously uttered that he will go back and pay for the items, and to please not arrest him for stealing.

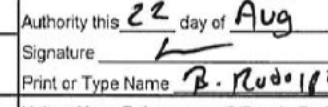

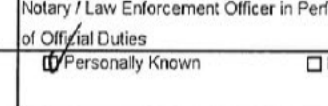

I then made contact with Chris who stated the following in summary:

Chris was advised that a male (Randall) had taken grocery bags from a checkout line when he entered the business. Chris began following Randall to which he observed Randall taking multiple items and placing them into the grocery bags. Chris also observed Randall taking numerous items, taking the tag off, and concealing them in his pocket. Randall then made his way throughout the store and exited through the garden section, without attempting to pay for the items and passing all points of sale.

Post Miranda, Randall stated that he did take multiple items from Walmart. Randall admitted to concealing the items inside of the Walmart bags, into his pocket, and into his fanny pack.

The total amount stolen was \$58.55. Randall was placed under arrest under F.S.S. 812.014(3A) for Retail Theft.

Case Report # 2026-00090136

NARRATIVE

On August 22, 2026, at approximately 1208 hours, Corporal Baumann and I were dispatched to [REDACTED] in reference to a disturbance.

I arrived on scene and observed [REDACTED] exit the residence prior to me approaching the door. [REDACTED] was still on the phone with the Public Safety Dispatch (PSD) Section when she exited the residence. [REDACTED] stated "They're in there" and pointed towards the rear of the residence. I asked [REDACTED] if they were fighting to which she responded "No".

I made entry into the residence where I observed two male arguing, they were later identified as Deshone Streeter and Deonte Streeter. I quickly separated both males. After Deonte exited the residence to speak with further responding deputies, Deshone began to pace in-between the bed and the dresser. Deshone appeared visibly and emotionally aggravated. When asked what they were arguing about Deshone stated "I don't know bro, they just keep saying slick stuff to me." Deshone confirmed nothing physical occurred between them. I asked Deshone to relocate to the living room. Deshone complied and sat on the couch and began to speak with further responding deputies.

I then made contact with Deonte and [REDACTED] informed me [REDACTED] were arguing over boiled eggs. [REDACTED] initially informed me nothing physical occurred, but later stated she was pushed. [REDACTED] stated she was pushed as she got in-between Deshone and Deonte to prevent a physical altercation from occurring. [REDACTED] then informed me it was a forceful push. [REDACTED] demonstrated to me. I observed [REDACTED] using both hands make a forceful pushing motion. [REDACTED] stated while Deshone is 18 he still actively resides within the residence.

Deonte provided me his side. Deonte stated him and Deshone were arguing over boiled eggs. It then began to escalate from the boiled eggs argument to Deshone's attitude towards [REDACTED]. Deonte began to back away slowly towards [REDACTED] bedroom. Deonte observed [REDACTED] step in front of him to prevent a physical altercation from occurring. Deonte then stated he watched as Deshone pushed [REDACTED] forcefully in an attempt to remove her from the situation.

Deshone was transported to the Indian River County Jail where he was turned over to booking staff without incident.

Based on the totality of the circumstances and direct witness statements Deshone Streeter did and knowingly violate Florida State Statute 784.03.1 as he intentionally and forcefully pushed [REDACTED] against her will.

Case Report # 2026-00090138

NARRATIVE

On Saturday, August 22, 2026 at approximately 1222 hours, I responded to [REDACTED] in reference to a suspicious person call for service.

Upon arrival, I made contact with the complainant/victim, [REDACTED] advised that he observed a thin build white male arrive with a "TV monitor" in tow, [REDACTED] which is the residence just south from his. As our conversation continued [REDACTED] believed that the male might have stolen the item [REDACTED] continued to say that the male was possibly the subject who had entered his exterior laundry room and taken items. I inquired with [REDACTED] when this incident occurred and he informed me it occurred the previous day, on August 21st, 2026.

Upon hearing this information, I had [REDACTED] escort me to the area in question. We then walked down his driveway between his residence and a large privacy fence bordering the [REDACTED] We walked to the back of the residence and he walked me to a laundry room that was attached to the residence but did not have an entrance directly to the home. The laundry room had an overhang that extended past the exterior wall and was secured by a door with a lock on it.

[REDACTED] went on to explain that the male then continued under the overhang to his rear entry door, opened it and began entering the residence past the threshold of the residence. As the male entered the residence [REDACTED] noticed that the male had red "solo" type cups and a packet of soap in his hand. [REDACTED] further explained that he observed the male through the rear glass door and was not initially suspicious because he believed the male could have been one of his grandson's friends coming over. Only after the male entered the residence, he realized the male was not known to him and immediately got up from the couch he was sitting in and began pushing the male out of the residence. Upon this action the male began to retreat out the residence towards the backyard. [REDACTED] then observe the male grab a bicycle, retreat back through the driveway and left the area in an unknown direction. Photographs of the areas in question were taken with the Axon application and uploaded to Axon's evidence site.

[REDACTED] continued to believe that the male he initially called about was the subject observed during the incident. [REDACTED] believed that his neighbor across the street might know his name. He consulted with him but he could not remember. The neighbor then walked back to his residence and spoke with another unidentified subject who possibly lived at the [REDACTED] The unidentified subject walked across the street, but never made direct contact with us but did state under his breath, that was "Michael Conn." Due to previous interactions I've had with Michael Bryan Conn at [REDACTED], I walked over to the residence to inquire if Conn was home.

As I walked over, I made contact with Conn's girlfriend, Ashley Danielle Ward, in the front yard of the residence. I asked Ward if Conn was home and she confirmed he was. I then requested of Ward if she could go get him so I could speak to him. Ward agreed and retreated to the residence to retrieve Conn.

As I stood in the sidewalk in front of the residence, Conn walked over to me and we began to speak. I inquired with Conn if he had been at his neighbor's property the previous day and he confirmed he had been. I then inquired about the red cups and the soap to which he responded knowing about them. Conn stated something to the effect of "I was

being stupid." Due to his affirmative statements, I requested another unit to assist me.

As I waited for a back-up unit, Conn began stating he was going to go inside. His behavior was calm but erratic continuously saying he wanted to go inside. Due to his behavior, I detained him, placed him in handcuffs and escorted him to my patrol vehicle that was parked at [REDACTED] residence.

Once Conn was secured, I read him his Miranda Warnings of Constitutional Rights, he acknowledged understanding them and agreed to speak to me.

I questioned Conn about the incident the previous day. Conn admitted he did go over to [REDACTED] residence. Entered and removed the red cups as well as the soap packet from the secured laundry room. Conn further explained he took the soap to "wash" his hands with. Conn could not fully explain why he took the red cups. As the inquiry continued Conn explained that he went over to the [REDACTED] residence because he believed Ward was there. Conn believed Ward and [REDACTED] were having an affair. He wanted to confront [REDACTED] and felt jealousy about the theoretical affair. Conn stated he did not have proof of the affair and only believed it was happening. Conn confirmed that his intention when he entered the residence was to confront [REDACTED] and get into a physical altercation with him. Conn admitted wanting to do harm to [REDACTED] and acknowledged that [REDACTED] size would have most likely ended in himself being hurt in the process. Explaining his abrupt departure at the sight of [REDACTED]

Conn showed remorse during our interview and he was given the opportunity to write an apology letter to [REDACTED]. Conn agreed and wrote the apology letter. Conn apologized in regards to the incident and expressed remorse. The letter was placed in as evidence at the Indian River County Sheriff's Officer evidence unit.

[REDACTED] requested that Conn be trespassed from his property. Conn acknowledged understanding the trespass. A Trespass form was completed [REDACTED] signed it and both were provided a copy for their records.

Due to the stolen items being left behind as Conn retreated from the residence. I was able to photograph them. The photographs taken with the Axon application and uploaded to Axon's evidence site.

Conn was transported to the Indian River County jail turned over to jail staff for further processing.

Conn was ultimately charged for violating Florida State Statutes:

- F.S.S. 810.02 (3)(a) Burglary of an occupied dwelling unarmed
- F.S.S. 810.02 (3)(b) Burglary of an unoccupied dwelling unarmed

Case Report # 2026-00090244

NARRATIVE

On Saturday, 08/22/2026, at approximately 1923, I was dispatched to 3750 45th street, Vero Beach, Florida 32967, in reference to a trespassing call.

The Property owner advised the Indian River County Sheriff's Office Public Safety Dispatch that she has a blanket trespass warning in place for the property and that a party was being hosted on the property that she wanted shutdown.

Upon my arrival, Deputy Mcpeek and Deputy Schultz where at the stage on the property speaking with the hosts of the party about the situation. While I was pulling into the property, I observed a yellow golfcart half on the sidewalk and half on the roadway of 45th street, which then went over the sidewalk and pulled into the property. When entering the property, the driver of the yellow golf cart pulled next to Deputy Mcpeek and began to confront Deputy Mcpeek, upset that law enforcement was there to shut-down the event. As I approached the golf cart I observed two open containers of Miller High Life beer, one being empty and the other half full. The driver, identified as Simeon Jimell Drisdorn, had previous contact Deputy Mackenzie Baumann with the Indian River County Sheriff's Office and was advised he could not operate the golfcart on the roadway due to his license being suspended as of 10/14/2020. I then ran Drisdorn through the Indian River County Sheriff's Office Public Safety Dispatch which verified his license was still currently suspended. Additionally the golf-cart is not a registered vehicle within the State of Florida.

Based on the aforementioned circumstances, I ordered Drisdorn to step out of the golf-cart to which he became combative. Drisdorn eventually complied after Deputy Mcpeek and I grabbed his arms and started to pull him out of the golf-cart. I told Drisdorn to place his hands behind his back as he was being detained, to which he pulled his left arm away from me to prevent me from being able to control and handcuff him. I pulled out my agency issued taser 10 and advised him that if he continued to resist, he would be tased, at which time Drisdorn put his hands behind his back and complied. Drisdorn was asked for his name and date of birth, which he initially refused to provide, then when he did state his name, he refused to spell his name and would not further identify himself. Drisdorn was then afforded two more opportunities to properly identify himself and cooperate otherwise he could face additional legal consequences. When Drisdorn was provided with his options, he still continued to spell his name and properly identify himself.

Based on the totality of the circumstances, Simeon Jimell Drisdorn was placed under arrest for the following offenses:

- F.S.S. 322.34.2a – Driving while license suspended/revoked 1st conviction.
- F.S.S. 316.193.2b2 – DUI Drugs or Alcohol.
- F.S.S. 843.02 – Resist Officer without Violence.

Deputy Mcpeek transported Drisdorn to the Indian River County Jail without further issue while I waited for Drisdorn's vehicle to be towed by the next rotation wrecker service of the Indian River County Sheriff's Office Public Safety Dispatch. Approximately 39 minutes later I arrived at the County Jail to process Drisdorn.

I advised Drisdorn of his Miranda Rights, which he voluntarily waived and agreed to speak with me. Drisdorn advised that he consumed the beers that were on his golfcart but did not believe he was intoxicated. Drisdorn had the odor of an alcoholic beverage emitting from him and I observed his eyes to be extremely bloodshot red and watery. Drisdorn's speech was also slurred. I asked Drisdorn if he would be willing to voluntarily complete field sobriety exercises to determine if he was able to operate a vehicle, to which he agreed.

Drisdorn advised that he had a [REDACTED] Drisdorn stated he has no issues standing or walking, no issues with his legs and that he did not suffer any head trauma recently. Drisdorn had on glasses but did not have any issue with his eyes and took his glasses off to complete the exercises.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes. During the exercise, I observed a lack of smooth pursuit in both eyes, I observed distinct and sustained Nystagmus at maximum deviation in both eyes, I observed Nystagmus prior to 45 degrees in both eyes. I did not observe any vertical gaze Nystagmus (VGN). During this exercise Drisdorn had 6 out of the 6 clues that indicate impairment.

The second exercise I demonstrated and explained was the Walk and Turn exercise. During the instructional phase Drisdorn was unable to maintain the starting position and started the exercise without being told to do so. I had to instruct Drisdorn several times to wait for me to tell him to begin and to get back into the proper starting position before he was able to begin. While maintain the starting position Drisdorn continued to lose balance. After providing the instructions and demonstration I asked Drisdorn if he understood the exercise and its instructions, to which he stated he did. During the

exercise Drisdorn stepped off the line, did not take the proper number of steps, did not take heel to toe steps, conducted an improper turn and utilized his arms to maintain balance. During this exercise Drisdorn had 8 out of the 8 clues that indicate impairment.

The third exercise I demonstrated and explained was the One-Legged Stand exercise. After acknowledging the instructions, Drisdorn was told to begin the exercise. Drisdorn used his arms to maintain balance, put his foot down, hopped on his one leg, and was swaying while attempting to balance himself. During this exercise Drisdorn had 4 out of the 4 clues that indicate impairment.

Drisdorn voluntarily provided a sample of his breath, which on both samples blew 0.00. Based on this information I requested a Drug Recognition Expert (DRE) due to Drisdorn's performance on the exercises and statements made during the investigation. I was informed that no DRE was available to further the investigation. I then asked Drisdorn to provide a sample of his urine, to which he declined to do. Drisdorn was then read implied consent and advised of the consequences for refusing, which after being informed of implied consent he agreed to provide a urine sample. Once the urine sample was collected, I secured it in the evidence packaging and it was sent to a lab for analysis.

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:
 On **08/22/2026**, at **23:36** (Specifically include facts constituting cause for arrest.)

On 08/22/2026, at approximately 23:36 hours, I was on routine patrol when I observed a male on a bicycle near the front entrance to the 7-Eleven (located at 2296 US-1). The bicycle accurately matched the description from a previous report of a stolen bicycle (reference VBPD case #26-006345).

On 08/22/2026, at approximately 02:11 hours, a black "Huffy" bicycle with distinguishable stickers was reported stolen at this same 7-Eleven location. The bicycle possessed more than 20 stickers on the frame, with a Vero Beach Police Department morale sticker on the front of the frame. The victim stated that a black male subject took his bicycle while it was left unattended in front of the store. The victim was inside of the store at the time that the theft occurred, and the victim stated that the suspect was not authorized to take the bicycle.

I then stepped out and made contact with the subject that was in possession of the bicycle. I examined the bike and noted that it was a black "Huffy" bike with the same stickers, including the Vero Beach Police sticker on the front frame. At this time, the defendant was detained for further investigation.

The defendant was identified as Juan Delacruz Santana Urena (B/M DOB: 05/25/1986). A records check on Mr. Santana revealed that he was previously issued a trespass warning from this 7-Eleven. The trespass warning was issued from another officer on 09/23/2025.

Contact was then made with the original victim, and he responded to the scene. The victim confirmed that this bicycle belonged to him, and custody was returned to the rightful owner. The victim stated that he did not wish to prosecute for the theft, and that he simply wanted to have his property returned. The victim completed a withdrawal of complaint form.

Mr. Santana was advised that he was being placed under arrest for trespassing after warning. I subsequently transported Mr. Santana to the Indian River County Jail for booking and processing. My agency BWC was utilized for this investigation, and the footage was later submitted to Evidence Library.

Arrest Affidavit Report

Case Report # 2026-00090304

NARRATIVE

On Saturday, August 22nd 2026 at approximately 2332hrs, I Deputy Finkle responded to the residence of 750 13th St SW in Vero Beach FL for a disturbance.

I was informed that a subject known as Lane was advised that two males were on the property harassing him. I was informed that the caller advised one of the males was intoxicated and that another male usually carries a firearm on his person. Once on-scene, I entered upon the property where I did not encounter any subjects outside.

As I walked toward the front of the residence, I observed a Tan in color Chevy pickup idling in the driveway with its lights off, but engine on. I approached the front passenger window and observed two adult males occupying the front driver and front passenger seat, appearing unconscious inside.

I immediately observed opened Bud Light cans in the cupholders. I walked to the driver window at which time I began knocking on the driver window as another Deputy had knocked on the passenger window. After multiple knocking attempts, the subject in the driver seat began to gain consciousness, sat up forward and rolled the window partially down. As the window rolled down, I was met by an overwhelming odor of an alcoholic beverage emitting from inside the vehicle.

I asked the subject in the driver seat, later identified by his Florida License (O216552760990) as Michael Ogborn if he was the one who called to which slurred that someone did. I asked him to turn the truck off and step out of the vehicle to which he asked why, at which time I informed him I believed he and the passenger were intoxicated and I did not want him behind the wheel of the vehicle to which he stated yeah, no problem.

Mr. Ogborn turned the truck off, removed the keys from the ignition and exited the vehicle very slowly. I observed his eyes to appear red and glossy and his movements to be slow and lethargic. Once out of the vehicle, he walked slowly to the front.

Mr. Ogborn advised that he and the subject in the vehicle were no okay to drive and were going to take a nap. I then asked him if he has been drinking a little too much to which he stated "yeah pretty much". He advised he had been to this property twice today and arrived at approximately 2100hrs to drop a female off.

I then asked If he was just sitting in the truck drinking the Bud Lights to which he stated "we were having a few drinks while we were here but yeah". Mr. Ogborn then began advising he owns the property and has been going through an eviction with the tenants, has spend most of the day at the property cleaning as well as talking about other civil issues with the tenants. While speaking to him, I could smell a strong

odor of an alcoholic beverage emitting from his person that grew increasingly stronger as he spoke.

I asked Mr. Ogborn for his driver's license to which he requested to know why, and if he had committed a crime. I then informed him that based on my observations thus far, I believed he was to impaired to be operating a motor vehicle and that he was in physical and actual control of the vehicle. He then argued he was on private property at which time I informed him that it did not matter. He then advised I gave him a valid reason, pulled out his wallet and attempted to give me a debt card.

After holding the debt card for a moment, he retracted it and eventually located his license which he gave to me. Due to the location of the investigation with multiple occupants in the residence, I asked Mr. Ogborn to walk down the driveway to the front of my patrol vehicle which he complied with. He did advise he has trouble walking which I observed him to walk very slow, with a slight limp and appeared slightly unsteady on his feet.

Once at the front of my patrol vehicle, Michael and I began conversating about the events that occurred tonight at which time I informed him that another Deputy was investigating the disturbance and my focus was now on his impairment and being in physical control of the vehicle. Mr. Ogborn argued the fact that he was on private property and I had to explain to him multiple times that he cannot be in control of a motor vehicle with normal faculties to impaired to operate it.

I informed him of my observations thus far again, including him appearing unconscious in the vehicle, open alcohol in the vehicle, the strong odor of an alcoholic beverage emitting from his person as he spoke, his red in color glossy eyes and his slow lethargic movements. I requested he submit to Standardized Field Sobriety Exercises at which time he stated that the exercises were designed for people to fail. I informed him that they were not, and it was to give him the opportunity to dispel my suspicion that he is to impaired to be operating a motor vehicle.

I gave Mr. Ogborn multiple opportunities to perform the exercises at which time he refused. I then informed him that if he refused to participate in SFSE's, I would have to base my arrest decision off of my observations thus far. Mr. Ogborn again refused. Due to all of my observations, I find probable cause to believe that Mr. Ogborn was in actual physical control of a vehicle while impaired by alcohol to the extent that his normal faculties are impaired.

I took Mr. Ogborn into custody and transported him to the Indian River County Jail. While enroute, Mr. Ogborn stated numerous times that he only drank half of a Bud Light beer. Once at the Jail, he was turned over to jail staff at which time I was informed that he refused to provide a breath sample. Due to Mr. Ogborn refusing to provide a breath sample required by Florida State Statue, I find probable cause for

Case Report # 2026-00090315

NARRATIVE

Zachary L. Spagnuolo was arrested on August 23rd, 2026, on felony charges under case number 2026-90315.

On August 24th, 2026, I became aware of an active protection order (23000859DV11) containing provisions prohibiting Zachary from possessing, having custody of, or exercising control over any firearm or ammunition.

During the August 23rd, 2026 incident, multiple witnesses reported observing Zachary in possession of a firearm, which he threatened to use against the other involved subjects. The firearm was subsequently recovered from the scene and submitted into evidence.

Based on the active protection order and witness statements establishing Zachary's possession and control of the firearm, I find probable cause to charge Zachary Spagnuolo with Violation of a Protection Order, consistent with F.S.S. 741.31(4)(a).

Case Report # 2026-00090315

NARRATIVE

On August 23, 2026, at 0019 hours, Deputy Lopez and I responded to [REDACTED] in reference to a disturbance in progress.

As we arrived on scene, I was flagged down by two white males, identified as Tristen and Logan, who were standing outside the residence located at [REDACTED]. Upon making contact, I observed that one of the males had a ripped shirt, which appeared consistent with his involvement in a recent physical altercation. Both males informed me that they had received a text message from a woman named [REDACTED] inviting them to the residence where the incident occurred.

Tristen and Logan stated that upon arriving, they entered the residence and made contact with a male later identified as Zachary Spagnoulo, whom they described as aggressive. Both stated that Zachary began physically assaulting them, resulting in all three males becoming involved in a physical altercation. They stated the altercation continued until Zachary attempted to retrieve a firearm and threatened to shoot them, at which point Tristen and Logan fled the residence and ran down the street.

While I was gathering information, two white females, later identified as Carla Zito and Natalia Gonzalez, ran from the residence at [REDACTED] and made contact with us. They stated that [REDACTED] was actively being assaulted by Zachary in the backyard of the residence.

All units on scene immediately responded to the residence and entered the backyard, where we observed Zachary pinning [REDACTED] against a hammock. Although my view was partially obstructed, based on the positioning of the parties and the shadows visible through the hammock, I observed Zachary's hands positioned near [REDACTED] neck or upper chest area. Zachary was subsequently taken to the ground and placed in handcuffs.

All involved parties were separated, and independent interviews were conducted.

I made contact with [REDACTED] who repeatedly stated that we had saved her life and described Zachary as a "maniac." [REDACTED] stated that [REDACTED]

[REDACTED] stated that Zachary had not been invited to Carla's residence. According to [REDACTED] after Zachary arrived, the situation escalated and Zachary became involved in a physical altercation with Tristen and Logan. Once the altercation ceased, Zachary began looking around and asking where his "piece" was, which [REDACTED] understood to mean his firearm.

[REDACTED] stated that Zachary punched her in the stomach and yelled profanities at her. Zachary then pinned her against the hammock and placed his hands on her upper chest area, preventing her from moving away from his grasp. [REDACTED] repeatedly asked Zachary to stop and allow her to get away from him; however, Zachary refused and continued to physically restrain her.

I observed that [REDACTED] shirt was ripped and that she had redness to her chest area, as well as a small red bruise on

the left side of her rib cage. These observations were consistent with [REDACTED] account of the physical altercation. [REDACTED] further stated that Zachary had been asked to leave the residence several times but refused to do so.

I then made contact with Carla, who stated that she had not invited Zachary to the party and had instead invited Tristen and Logan. Carla stated that Tristen and Logan entered the residence through the front door while Zachary was already in the backyard. According to Carla, Zachary began instigating a confrontation, which resulted in a physical altercation between the three males on the south side of the backyard.

Carla stated that during the incident, Zachary threatened to shoot everyone inside the residence while patting himself down as though he was searching for a firearm on his person, making her and the others believe that he was armed, due to the fact that they know him to always carry his personal firearm on his person. Carla stated that Zachary's actions and statements caused her to fear for her life and the life of her daughter, Natalia. Carla and Natalia subsequently fled the residence and contacted law enforcement down the street to report what was occurring.

During my interview, Carla further stated that although Zachary had not been invited to the party, they did not immediately ask him to leave because they were afraid of how he would react due to their knowledge of his aggressive behavior. Carla stated they initially attempted to avoid confronting Zachary while evaluating his behavior until they felt they could safely ask him to leave. However, the situation escalated quickly and resulted in the physical altercation. Carla yelled at Zachary to leave several times but he refused to do so, and remained in her residence arguing and battering [REDACTED]

I then interviewed Natalia, who stated that she was inside the residence when she heard a commotion coming from the backyard. When she went outside, she did not initially observe anything; however, she continued hearing a commotion coming from the front of the residence.

Natalia stated that she and [REDACTED] observed a firearm and pocket knife on the ground near the patio door, after the physical altercation had occurred. Natalia stated they heard Zachary repeatedly asking, "Where's my piece?" and threatening to shoot everyone [REDACTED] and Natalia then retrieved the firearm and knife and placed them near a shed in the backyard.

Natalia further stated that throughout the incident, Zachary was behaving aggressively and even pushed her mother, Carla to the side, as he was walking throughout their house escalating the situation. Natalia stated that [REDACTED] and Zachary later began arguing near the hammock where she observed [REDACTED] on the ground with Zachary on top of her actively arguing and fighting, making her believe that [REDACTED] was being assaulted. Natalia then fled the residence to locate law enforcement.

Carla later confirmed Natalia statements.

While on scene, I located a white-and-black firearm and a green pocket knife next to the shed in the backyard.

NARRATIVE

On 08-23-2026 at approximately 0251 hours, I, Deputy M. Mangel #5949, was dispatched to [REDACTED] in reference to a disturbance. The caller was a [REDACTED] who advised [REDACTED] had been caught cheating and had taken the cell phones inside the residence.

Upon arrival, I made contact at the front door with a male who identified himself as [REDACTED] was wearing shorts and no shirt. I observed two small cuts/scratches on his left forearm with a small amount of light pink blood present [REDACTED] advised he and his wife had been involved in an argument and that she was inside the residence.

I entered the residence and made contact with Megan Hughart (DOB: 08-25-1985), who was crying and visibly upset. Megan advised she and [REDACTED]

Megan stated that approximately two days ago, she discovered photographs of women's breasts on [REDACTED] cell phone and confronted him about cheating, which he denied.

Megan stated that this evening she was lying in their bedroom when [REDACTED] cell phone repeatedly alerted due to his blood sugar being elevated. Megan picked up the phone and looked through it, locating additional photographs of nude women. Megan stated she believed the photographs confirmed [REDACTED] was cheating and became upset.

Megan stated she had [REDACTED] assist her with taking screenshots of the photographs so she would have proof [REDACTED] then took the phone from her, and Megan attempted to get it back. When [REDACTED] refused to return the phone [REDACTED] went to a neighbor's residence to contact law enforcement.

Megan denied that anything physical occurred between her and [REDACTED] I did not observe any visible injuries on Megan.

I then spoke with [REDACTED] who stated Megan became upset after locating a nude photograph on his cell phone [REDACTED] stated the photograph was from a female with an OnlyFans account and that he paid for the photograph, which downloaded to his phone.

[REDACTED] Afterward, Megan accused him of cheating [REDACTED] stated he did not want to continue arguing and went into the spare bedroom at approximately midnight.

[REDACTED] stated that at approximately 0230 hours, Megan entered the spare bedroom, got on top of him, and continued accusing him of cheating. [REDACTED] stated Megan attempted to take his cell phone and scratched him multiple times while doing so [REDACTED] further stated Megan grabbed and squeezed his testicles extremely hard, causing him significant pain.

NARRATIVE (Continuation)

██████████ stated ██████████ went to a neighbor's residence to contact law enforcement because he would not give Megan the phone. ██████████ also stated Megan had been consuming alcohol throughout the evening and was intoxicated.

I observed multiple scratch marks on ██████████ lower back and neck, along with the previously observed cuts/scratches to his left forearm. Christopher stated he was experiencing the most pain in his testicles.

I spoke with ██████████, who confirmed Megan located inappropriate photographs of women on ██████████ cell phone. ██████████ stated she was assisting Megan with taking screenshots when Christopher took the phone away. ██████████ stated ██████████ and Megan followed ██████████ into the bedroom and attempted to pry the phone away from him. ██████████ then went to a neighbor's residence and contacted law enforcement.

Photographs of ██████████ visible injuries were taken and later uploaded via Axon Capture.

Based on my investigation and the totality of the circumstances, I determined probable cause existed to charge Megan with Battery – Domestic Violence pursuant to F.S.S. 784.03(1)(a). ██████████ statements regarding being scratched were consistent with the injuries I observed, and ██████████ corroborated that Megan followed ██████████ into the bedroom and physically attempted to take the phone from him.

Pursuant to F.S.S. 784.03(1)(a), battery occurs when a person actually and intentionally touches or strikes another person against that person's will or intentionally causes bodily harm to another person. ██████████ therefore, they meet the definition of family or household members pursuant to F.S.S. 741.28.

Megan was taken into custody and transported to the Indian River County Jail where she was booked in for Battery-Domestic Violence.

Arrest Affidavit Report

Case Report # 2026-00090349

NARRATIVE

On Sunday, August 23, 2026, at approximately 0355 hours, I was patrolling in the 2300 block of 43rd street when I observed a vehicle driving behind me. I turned south onto 28th Court and the vehicle continued to follow me all the way to the end of that street where it connects to 42nd street and 28th avenue.

I pulled across the street into a church overflow parking lot and turned around. The vehicle immediately pulled off the road in front of the stop sign on 42nd street. I sat and watch the car for a few minutes and when no one got out of the car I pulled up to see if the driver was okay, I did not activate any of my emergency equipment. As I approached the vehicle the driver and sole occupant, later identified as Latoya Ross rolled her window down. I immediately noticed her depressed facial features and lethargic movements. I asked if she was okay, and as she spoke, I could hear her speech was slurred and slowed. I asked how many alcoholic beverages she had consumed, and she responded with not too many.

I pulled my patrol car behind her and approached the vehicle again. While I was at the driver's window, I could smell a strong odor of an alcoholic beverage coming from the vehicle. I observed on the passenger seat a partially empty bottle of liquor that she said was from awhile ago. The vehicle was still on and running while I was talking to her. She stated that she had gone to Wawa to get \$10 worth of gas for her car, yet she was driving towards Wawa and not from it. I asked her out of the car to conduct field sobriety exercises, to which she complied.

The following exercises were conducted on a flat level asphalt surface with a solid visible line, the divider line in the center of the road. She was wearing pants, a t-shirt, and croc slides that she removed for the walk and turn. She stated that she has had [REDACTED] in the past that could affect her balance.

Horizontal gaze nystagmus: I held my pen approximately 12-15 inches away from her face slightly above eye level. I did not observe resting gaze nystagmus, her pupils were of equal size, and tracked equally. I observed a lack of smooth pursuit in both eyes, a distinct and sustained nystagmus at maximum deviation in both eyes, and the onset of nystagmus prior to 45 degrees in both eyes. I did not observe vertical gaze nystagmus. Totalling 6 out of the 6 possible clues.

Walk and turn: I instructed and demonstrated the following: She is to stand in the starting position and remain in that position until told to start the test. The starting position is her left foot on the line with her right foot in front of her left in a heel-to-toe manner, with her arms down by her side. She started the test before being told to start, and she lost her balance and stopped standing in the starting position. I continued that when told to start the test she is to take 9 heel-to-toe steps along the line, on her 9th step

leave her forward foot on the line and with her back foot take a series of short steps to turn around and take 9 more heel-to-toe steps back along the same line. During the exercise she is to look down at her feet, count her steps out loud, keep her hands down by her side, and once she starts the exercise don't stop until the exercise is complete. Once she started the exercise, I observed she took the wrong number of steps both down and back. She missed heel-to-toe on almost every step. She stepped off the line. She conducted an improper turn. Totaling 6 out of 8 possible clues.

One leg stand: She attempted this exercise but within the first few seconds she used her arms for balance and put her foot down and said she can't complete this exercise. Totaling 2 out of the 4 possible clues.

She was placed under arrest for driving under the influence of alcohol and transported to the jail where a 20-minute observation period was observed. She provided a breath sample into the intox machine that showed on the first attempt a purged sample. On the other two breaths both showed a reading of .272 grams per 210 liters of breath.

She has multiple driving under the influence convictions most are over 10 years old with the most recent arrest in 2025.

Based on the above Latoya Ross did drive or was in actual physical control of a vehicle, while under the influence of alcoholic beverages or chemical substances as set forth in Florida Statute 877.111, or a controlled substance as set forth in Chapter 893 or any combination thereof, and was affected to the extent that his or her normal faculties were impaired; or while having a blood alcohol level of .08 or more grams of alcohol per 100 milliliters of blood or breath alcohol level of .08 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1). (MISD) and during the course of driving a vehicle while under the influence of alcoholic beverages, or chemical substances as set forth in Florida Statute 877.111, or a controlled substance as set forth in Chapter 893 or any combination thereof, was accompanied in the vehicle by a person under the age of 18 years or did have a blood alcohol level of .15 or more grams of alcohol per 100 milliliters of blood or breath alcohol level of .15 or more grams of alcohol per 210 liters of breath, contrary to Florida Statute 316.193(1) and (4). PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe that the above named defendant committed the following violation of law:

On _____, at _____ (Specifically include facts constituting cause for arrest.)

On August 23, 2026, at approximately 1355 hours, I responded to the area of 3200 Riverside Park, in reference to a welfare check on a Thomas Leininger who was driving a silver Tahoe, bearing a South Carolina tag number of 929CMD. Leininger's mother called the VBPB Communications Department stating Leininger was posting videos on his Youtube channel making threats and appeared to be highly intoxicated. Leininger's mother stated the background looked like he was at Riverside Park.

Upon my arrival, I searched the area of Riverside Park, but I did not locate any vehicles matching the above description. While still searching the park the VBPB Communications Department stated they received a call matching the description of Thomas Leininger being in the area of 14th Ave and 16th street.

I was stopped at the red traffic signal at the intersection of 16th street and Old Dixie Highway (westbound) when I observed a silver Tahoe make an illegal you turn at the same intersection. The traffic signal turned green and I proceeded to drive through the intersection and I pulled behind the silver Tahoe and observed a South Carolina tag number of 929CMD. The driver pulled into the Mobile Gas Station (1401 16th street), and immediately got out of the drivers seat. I got out of my marked patrol unit and yelled out Thomas". The male was wearing a black shirt and black pants and turned around and said yes. I confirmed the male was Thomas Leininger. When I approached Leininger he was swaying back and forth, had red glossy eyes, and had a strong odor of alcohol coming from his person. I told Leininger I suspect him being under the influence of alcohol, and he immediately yelled out, "I only had a few shots." I then stated again I suspect him being under the influence of alcohol while operating a motor vehicle and asked him if he would be willing to perform a series of exercises to see if he is able to safely operate a motor vehicle. Leininger stated he would be willing.

The first exercise I demonstrated to Leininger was the Horizontal Gaze Nystagmus (HGN). While performing the HGN on Leininger I observed involuntary jerking and distinct eye movement at maximum deviation.

The next exercise I demonstrated was the Walk-and-Turn. I had to repeat myself several times while demonstrating this exercise. I asked Leininger to not move while I was demonstrating and to just observe, but he repeatedly attempted the exercise while I was trying to demonstrate. When it was Leininger's turn to perform the Walk-and-Turn he kept moving his hands from his side to put them straight out in the air to attempt to keep his balance. Leininger was instructed to count to nine, but went over nine steps. Leininger also was counting faster then his actual steps. Leininger failed to keep his balance on the line that he was instructed to stay on.

The last exercise I demonstrated was the One-Leg Stand. While I was providing Leininger the instructions to this exercise he kept being easily distracted and kept trying to have a side conversation with the other officer on scene. I instructed Leininger to pick any foot, his right or left, and lift the foot of his choosing about six inches off the ground. I proceed to instruct while the foot is elevated off the ground to look down at his foot and count out loud. Leininger started this exercise before I told him to begin. Leininger continued to count even when being told to stop, and he did not look down at his foot while counting.

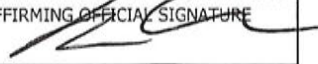

At this time Leininger was placed under arrest for violation of FSS number 316.193. While transporting Leininger to the Indian River County Jail Leininger made spontaneous comments such as, "I have been taking shots all day long today."

When we arrived at the jail I conducted a 20 minute observation on Leininger. After Leininger's observation period ended Officer Gonzalez of the VBPB asked Leininger if he would be willing to provide samples of his breath. Leininger agreed to providing a breath sample.

Breath sample #1- 0.151

Breath sample #2- 0.154

Leininger was also issue a DUI citation (5666-XFE). Leininger is being held at the county jail with a bond of \$1000.

Case Report # 2026-00090539

NARRATIVE

On Sunday, 08/23/2026, at approximately 1925, I was dispatched to 5700 38th Place, Vero Beach, Florida 32966, in reference to an auto accident with no injuries.

Upon arrival I made contact with David Walter Melnick, the driver of a Silver Ford F150 bearing Florida tag #51BTZT. I could smell the odor of an alcoholic beverage emitting from Melnick, who refused to make eye contact with me and had glassy, watery eyes. Based on my observations I waited for an additional unit to come on scene. Deputy Christman and Corporal Thomas arrived at the scene of the crash and stated that they would handle the civil crash portion of the incident. After the civil crash investigation was completed, I approached Melnick and advised him that my role in this investigation was criminal in nature, that the civil part was conducted by other deputies and the crash was transitioning to a criminal investigation for suspicion of driving while under the influence.

Once Melnick acknowledged my involvement in this investigation, I advised him of his Miranda rights, which he voluntarily agreed and waived to speak with me. When asked if he consumed alcohol, Melnick stated he consumed two screw drivers (vodka and orange juice) at approximately 1700 hours. Melnick estimated the time to be 1930 and stated he felt that he was ok to operate a vehicle. Melnick agreed to perform field sobriety exercises voluntarily. Melnick stated he has [REDACTED]

[REDACTED] Melnick stated he has no issues standing or walking and that he is very active. Melnick was not wearing glasses nor is he prescribed any glasses.

The first exercise I demonstrated and explained was the Horizontal Gaze Nystagmus (HGN) exercise. I had to complete multiple additional passes during the exercise because Melnick was unable to keep his focus on the tip of my pen, as-well as he could not keep his head from moving. I had to correct Melnick several times during this exercise and Melnick had extreme difficulty focusing on the tip of the pen at the start of the exercise. After correcting his behavior, I was able to conduct the exercise. I observed equal pupil size, equal tracking, and no resting Nystagmus in both eyes. During the exercise, I observed a lack of smooth pursuit in both eyes, I observed distinct and sustained Nystagmus at maximum deviation in both eyes, I observed Nystagmus prior to 45 degrees in both eyes.

The second exercise I demonstrated and explained was the Walk and Turn exercise. During the instructional phase Melnick was unable to maintain the starting position and started the exercise without being told to do so. I had to instruct Melnick several times to wait for me to tell him to begin and to get back into the proper starting position before he was able to begin. While maintain the starting position Melnick continued to lose balance. After providing the instructions and demonstration I asked Melnick if he understood the exercise and its instructions, to which he stated he did. During the exercise Melnick

stepped off the line, did not take the proper number of steps, did not take heel to toe steps, did not conduct a turn at all, did not complete 9 steps back after taking the incorrect number of steps forward and utilized his arms to maintain balance. During this exercise Melnick had 8 out of the 8 clues that indicate impairment.

The third exercise I demonstrated and explained was the One-Legged Stand exercise. After acknowledging the instructions, Melnick was told to begin the exercise. Melnick used his arms to maintain balance, put his foot down, hopped on his one leg, and was swaying while attempting to balance himself. The aforementioned behavior occurred while Melnick attempted the exercise 3 times. Based on my observations I determined Melnick was unable to safely complete this exercise. During this exercise Melnick had 4 out of the 4 clues that indicate impairment.

Based on the totality of the circumstances, I placed David Walter Melnick under arrest for a violation of the following offenses:

- F.S.S. 316.193.3c1 – DUI Damage to property or person

Melnick was transported to the Indian River County Jail without further incident. While at the County Jail Melnick was asked to provide a lawful sample of his breath, to which he complied. His first breath sample was 0.136 g/210L of breath and his second breath sample was 0.129 g/210L of breath.

Arrest Affidavit Report

Case Report # 2026-00090568

NARRATIVE

On August 23rd, 2026, at approximately 2045 hours, Deputy Lopez and I responded to the Walmart located at 5555 20th Street, Vero Beach, Florida, in reference to reported shoplifting incidents.

Upon arrival, I made contact with Walmart employee Sara Ingo, who informed me that she wished to report four separate shoplifting incidents on behalf of Walmart involving Dennigs Breslin and his wife, Kristina Bove. Ingo stated that both subjects were captured on surveillance footage stealing merchandise during four separate incidents. Ingo provided surveillance footage and written statements documenting the dates, times, circumstances, and merchandise associated with each incident.

After reviewing the surveillance footage and written statements, it was determined that Breslin was suspected of committing retail theft on four separate occasions, while Bove was suspected of participating in three of the incidents.

Ingo showed me surveillance footage from the different incidents, during which I observed Breslin and Bove, on multiple occasions, failing to pay for merchandise before exiting the store. Ingo identified Breslin through Walmart's internal database and confirmed his identity through an Indian River County Sheriff's Office arrest search, which revealed a prior arrest dated August 7th, 2025, under case number 2025-83129.

Ingo also showed me surveillance footage depicting both subjects leaving the store in a dark blue Kia Sorento. The vehicle's license plate was not visible in the footage.

Through information obtained during Ingo's investigation, I was able to track the suspected vehicle to 830 Langrove Avenue Southwest, Vero Beach, Florida. Assisting deputies responded to that location and located a vehicle matching the description backed into the driveway. The vehicle displayed Florida registration 40BXNY. A query through Indian River County Public Safety Dispatch revealed the registered owner to be Kristina Bove. A subsequent query through D.A.V.I.D. provided a photograph of Bove, which matched the female depicted in Walmart's surveillance footage.

Ingo provided written statements documenting the dates, times, observations, and merchandise stolen during each incident. Ingo further stated that Walmart wished to prosecute both subjects. The incidents were documented as follows:

August 23rd, 2026 – 1440 hours

Breslin approached register 5 and began scanning merchandise. During the transaction, Breslin scanned and paid for certain merchandise while intentionally failing to scan other items. Breslin subsequently passed all points of sale and exited the store with unpaid merchandise.

The stolen merchandise consisted of:

- 1 Carbone Roasted Garlic Sauce

Breslin and Bove, who were later identified by IRCSO deputies, approached register 30 with a shopping cart containing merchandise. During the transaction, Bove scanned merchandise and placed it back into the shopping cart. Bove was observed stacking items together and scanning only one of the two items before handing them to Breslin, who placed both items into a Walmart bag.

After paying for selected merchandise, Breslin and Bove exited the store and passed all points of sale without paying for the remaining merchandise.

The stolen merchandise consisted of:

Breslin and Bove, who were later identified by IRCSO deputies, approached register 5 with a shopping cart containing merchandise. During the transaction, Bove was observed organizing unscanned merchandise in the cart and placing it near merchandise that had already been scanned. Breslin then placed Walmart bags over the unscanned merchandise, concealing it from view.

After paying for selected merchandise, both subjects exited the store and passed all points of sale without paying for the concealed merchandise.

The stolen merchandise consisted of:

NARRATIVE (Continuation)

Breslin and Bove, who were later identified by IRCSO deputies, approached register 23 and took turns scanning merchandise. During the transaction, Bove picked up a pair of unscanned baby shoes as if she were going to scan them but instead placed them back into the shopping cart without scanning them.

Breslin subsequently placed Walmart bags over the baby shoes, concealing them from view. Breslin then retrieved the shoes from underneath the bags and placed them inside a Walmart bag. Additionally, Bove handed Breslin a pair of unscanned pants, which Breslin placed inside a Walmart bag.

Both subjects exited the store and passed all points of sale without paying for the merchandise.

The stolen merchandise consisted of:

- 1 Wonder Nation Boys' School Uniform Flat Front Pants
- 1 pair of baby/toddler shoes

Total value of unrecovered merchandise: \$19.98.

Deputy Lopez and I subsequently responded to Breslin and Bove's residence, located at 830 Langrove Avenue Southwest, and attempted to make contact with both subjects. Deputies observed moving shadows inside the residence; however, no one initially answered the door despite our attempts to make contact.

Eventually, Bove opened the door. When asked where Breslin was, Bove indicated that he was standing nearby inside the residence. Deputies asked Breslin to step outside, and he complied. Breslin was detained in handcuffs and placed in the rear of my patrol vehicle.

I asked Bove for permission to enter the residence to speak with her, and she consented. I informed Bove that we were investigating multiple thefts from Walmart in which she and Breslin had been captured on surveillance footage. I advised Bove of her Miranda rights. Bove stated that she understood her rights and agreed to speak with me.

When asked why they initially did not answer the door, Bove stated that Breslin suffered from anxiety and that they were scared. Bove further stated that they were experiencing financial hardship and had resorted to stealing necessary items.

Bove had her 8-year-old child inside the residence and was holding her toddler, who appeared to be ill at the time. Based on the totality of the circumstances, I elected to issue Bove a Notice to Appear (NTA). Bove was advised of her court date and the consequences of failing to appear. Bove stated that she understood, signed the NTA, and was provided with a copy.

I then made contact with Breslin and advised him of his Miranda rights. Breslin stated that he understood his rights and agreed to speak with me. Breslin stated that he became fearful when deputies arrived and wanted the situation to go away. Breslin further admitted that he knew what they had done was wrong and stated that they had been

Based on my review of the surveillance footage, Walmart's documented loss information, the identification of Breslin, and the totality of the investigation, I developed probable cause to charge Breslin with four counts of retail theft, in violation of F.S.S. 812.015.

Breslin was subsequently transported to the Indian River County Jail without incident.

Arrest Affidavit ReportCase Report # **2026-00090585****NARRATIVE**

On Sunday, August 23, 2026 at approximately 2225 I observed a suspicious vehicle in the rear parking lot of Howard Johnson, 1985 90th Avenue, Vero Beach, Florida 32966.

I approached the Black Kia sedan bearing Georgia Registration number SKW0774 (VIN# KNAG64J70S5392545). I observed the windows to be extremely dark, I illuminated the interior of the vehicle with my flash light. I observed a black female seated in the driver's seat smoking a cigarette. I further observed an open alcoholic beverage with a very prevalent "12% ABV" displayed. Possession of an open alcoholic beverage within a motor vehicle is unlawful within Indian River County under County Code Section 300.07.

"Section 300.07. - Possession or consumption in public prohibited.

(1)It is unlawful for any person to possess or consume any alcoholic beverages in any cup, glass, or open can, or other open or unsealed container, on the streets, sidewalks, alleys, parks, vacant lots, or in places solely licensed to vend alcoholic beverages for consumption off the premises within the unincorporated areas of Indian River County.

(2)It shall be unlawful for any person occupying a motor vehicle that is driven, stopped, standing or parked on any public street, road, highway, alley, or other public right-of-way within the incorporated areas of Indian River County to possess or consume any alcoholic beverages in or from any cup, glass, open can, open bottle or other open container.

(3)With respect to possession of open containers of alcoholic beverages in vehicles, the provisions of state law shall supersede and control the provisions of this Code."

As I began speaking with the female, who identified herself by the name of "Roberta L Martin" DOB "July 27, 1988" – this identity, in addition to other identities used by the defendant were later determined to be fictitious in nature. I conducted an FCIC/NCIC query through dispatch, where I was informed this individual showed no active want/warrant.

I rounded the passenger to driver side of the vehicle as Ms. "Roberta Martin" exited, attempting to distance herself from the vehicle. As I did so, I observed a small plastic wrapper illuminated in the door handle, directly next to the sole occupant "Roberta Martin". I asked what the pills contained within were, as I observed them to be consistent with ecstasy; as the pills had no readily identifying markings, were yellow and pink respectively, and they were in no readily identifiable packaging. These indicators led me to believe they were likely a controlled substance – specifically pressed pills which through my training and experience I know to frequently be manufactured as party drugs such as methamphetamine, MDMA/Ecstasy, or fentanyl.

**NARRATIVE (Continuation)**

While asking this, I directed Ms. "Roberta Martin" to pour out the alcoholic beverage. During this, she consumed a portion of the beverage. Ms. "Roberta Martin" then tilted the can in such a manner that left the lip of the can upward, which would not allow all of the beverage to be poured out. At some point, Ms. "Roberta Martin" then grabbed the two pills and the cellophane style wrapper and concealed them. By doing so she intentionally, and unlawfully, violated Florida State Statute 918.13; Tampering with Evidence - by concealment.

During this, Ms. "Roberta Martin" informed me the pills were ecstasy. I asked where they went, to which she produced them and placed them on the rear of the vehicle.

Ms. "Roberta Martin" was again requested to pour out the remaining alcohol in the beverage, to which she attempted to drink more of it. At this point, I decided to place her in to an investigative detention to preserve evidence as she had already tampered with the pills, and now was continuing the county ordinance violation in my presence. During this, she refused to release her cell phone from her hand; which necessitated me using force to remove it from her grasp.

As I was doing this, a male who later claimed to have no knowledge of the female's name, no idea who rented the car, and no information began approaching me. This male was warned to stay back 25 feet or he would be arrested.

I kept Ms. "Roberta Martin" detained in handcuffs until another unit, Deputy M. Gadacz, arrived on scene. I instructed Deputy Gadacz to remain with the female until I returned with my patrol vehicle.

Upon my return I conducted a thorough search of the vehicle where Ms. "Roberta Martin" was the sole occupant of. It is noteworthy the seat was forward and consistent with a smaller stature individual driving. This search revealed no further narcotics; however, several items were discovered which led me to believe the female I had in custody, may be involved in fraud related activities. I discovered a printer, a software disc which led me to believe its function was writing checks, several pages of blank checks, numerous documents containing the personal information of multiple individuals, a debit card with an unknown male's name on it, and a cashed check for over one-thousand dollars to a business.

As Sergeant D. Flores arrived on scene, I conducted a field test of the pills I discovered, which yielded a field presumptive positive for the presence of MDMA/Ecstasy/Methamphetamine by a distinct blue coloration change.

I informed Ms. "Roberta Martin" she was under arrest. It should be noted that the female's overall demeanor, shifting gaze, inconsistent speech pattern, and repetition of unrelated facts led me to believe she was intentionally lying regarding her identity. I distinctly remember making a comment regarding this to other units on scene.

I then approached the rear of my patrol vehicle where I had placed Ms. "Roberta Martin". I informed her of her

constitutionally protected rights in the form of a Miranda Warning, where I asked if she understood her rights, to which she replied in the affirmative.

I began my line of questioning with her by asking directly what her name was, to which she stated she was going to be honest and that her name was actually "Ashley Daniel Dixon" born 10-28-1995, who resides at 1921 Bel Aire Drive, Timmons ville, South Carolina.

This name was also determined to be fictitious in nature. For the purposes of continuity, I will now refer to Ms. Martin as Ms. Dixon.

I later conducted an FCIC/NCIC query of this name at the jail, receiving no return.

While speaking with "Ms. Dixon", she informed me of the following in substance:

Ms. Dixon lied about her name being Roberta Martin because she did not know if her license was still valid. Ms. Dixon further informed me she had consumed ecstasy in South Carolina before driving the 10 hours it took her to arrive in Indian River County, where she obtained the alcoholic beverage within the last hour and had consumed a few sips of. Ms. Dixon then informed me that she was aware the ecstasy was in her vehicle and she used it whenever she ran out of Adderall, as it has a similar effect on her.

Ms. Dixon further informed me she was a social media influencer and had taken the printer and associated paperwork from a previous hotel; and that she had the checks because they do payroll.

The defendant informed me she had facilitated the rental vehicle under a false name during my investigation. As a result of my suspicion of identity theft or fraud, I briefly counted names and other personal identifiable information on several documents which I recovered such as:

1. TYRONE DURANT (Debit Card XXXX-XXXX-XXXX [REDACTED])
2. Megan Rae Powell (Located on an arrest warrant COPY found within the vehicle)
3. Tylesha K. Lucas SCDMV document
4. Tanisha Cooper SCDMV document

Finding that the defendant had personal identifiable information including the name, address, birth date, debit card with full number, address, and vehicle information of numerous individuals, I determined additional cause for arrest for Unlawful possession of the personal identification information of another person.

Ms. Dixon repeatedly made obsessive comments regarding needing her phone. I know through my training and

experience in felony and misdemeanor investigations that individuals engaged in fraud related activities routinely store evidentiary materials on their cell phones, ranging from transfers, pictures, and text messages regarding the criminal acts.

I then transported Ms. "Dixon" to the Indian River County Sheriff's Office jail complex where I conducted an FCIC/NCIC query of the name I was given, finding no return. A "No return" is often indicative of someone attempting to conceal their identity from law enforcement as they have utilized the information of another incorrectly.

Once at the Indian River County Sheriff's Office Jail Complex, I informed her that she would be held until her identity was confirmed. After a prolonged silence, she finally identified herself by her true name, Ms. Sky Nykia Griffith, Born 10-25-1995.

Ms. Griffith was found to have a no extradition warrant from South Carolina.

Based on the results of my investigation, I determined probable cause for violations of the following Florida State Statutes and Indian River County Ordinance Violations:

1. Possession of a Control Substance F.S.S. 893.13 (F3)
2. Tampering with Evidence F.S.S. 918.13 (F3)
3. False ID LEO F.S.S. 901.36 (M)

5. Unlawful Possession of the personal identification of another person 817.5685(3a) (M).
6. County Ordinance Violation 300.07 Open Container in motor vehicle.

After confirming Ms. Sky Nykia Griffith's true identity, she was booked in to the Indian River County Sheriff's Office Jail Complex.

All items seized were entered to evidence at Crime Scene. A separate case for the investigation in to the elements discovered of fraud was generated.

NARRATIVE

On Monday, August 24, 2026 at approximately 0141 hours I stopped out at 13527 U.S. Highway 1, 2b, Sebastian (Rack'm-Riverwalk Plaza) during a routine patrol in my marked patrol vehicle with my cruise lights activated I noticed a vehicle parked in the fire lane.

I could see witness, Kristen Anne McGrath appearing to trying to get subject, Timothy Scott Lopez in the vehicle due to being highly intoxicated. All parties were under the awning of the establishment. Lopez was slurring is words and was unsteady on his feet appearing to be upset he was being asked to leave and seeming if more irritated that I had arrived.

Suspect, Daniel Joseph Dubois was also intoxicated slurring his words and unsteady on his feet but seemed to be trying to get Lopez to walk to the vehicle as well.

I eventually asked for another unit asking dispatch to send if possible a Sebastian Police Officer to assist me due to two highly intoxicated males.

While waiting for back up I asked Dubois to back up twice with Dubois reluctantly taking one to two steps back but continued to stand his ground facing me. Dubois was asked to stop putting his hands in his pockets as Dubois continued to take items out of his short pockets without being asked to do so placing his items on a chair.

Dubois complained of a look that I allegedly gave him and squared his shoulder towards me. As Sebastian Police were arriving on scene Subject, Lopez lost his balance stumbling and fell to the concrete hitting his head.

As I walked towards Lopez, Dubois put his right arm in front of me as I told him approximately four times to step away from me while Dubois right arm was still raised in front of me.

I then grabbed Dubois right arm placing him in an arm bar behind his back and placed him into handcuffs with the assistance of Sebastian Police Officers.

Dubois was arrested, handcuffed, searched and transported to the Indian River County Jail charged with F.S.S.-843.021 Resisting without Violence and F.S.S.- 856.01 Disorderly Intoxication.

Arrest Affidavit Report

Case Report # 2026-00090619

NARRATIVE

On Monday, 08/24/2026, at approximately 0226, I was conducting marked uniformed patrol in the area of 5300 US Highway One, Vero Beach, Florida 32967, when I observed a blue Toyota Camry bearing Florida tag FFIK45 at the stop-sign that leads onto 53rd street from the Shell Gas Station (5325 US-1, Vero Beach, FL 32967). Deputy Matthew Davis advised me at 0220 that he observed the vehicle in the parking lot of the closed business. Deputy McPeck and I approached the vehicle and observed the driver (identified as Kenneth Jerome Holmes II) slumped over behind the wheel.

Deputy McPeck and I woke up Holmes and told him to put the car in park. I asked Holmes what he had going on, to which he immediately stated he was drunk. To clarify, I asked Holmes if he just advised me, he was drunk, to which he stated he was drunk but as of 2 hours ago. I had Holmes exit the vehicle and walk over to my marked patrol vehicle, at which time I advised him of his Miranda rights, which he voluntarily waived and agreed to speak with me. Holmes stated he left a friend's house in Sebastian where he had a shot and a half of Remy Martin. Holmes advised he felt tired so he pulled into the business to rest and was in the process of leaving the business, when he started scrolling on his phone at the stop-sign and fell asleep. Holmes advised me the vehicle belonged to his friend but his friend allowed him to use the vehicle while he was homeless. While speaking with Holmes I asked if he would give me consent to search his vehicle and I thoroughly explained at length that it would be strictly voluntarily, that he did not have to say yes and that if he did say yes, he could revoke his consent at any point in time. Holmes voluntarily gave me consent to search the vehicle.

Upon conducting a search of the vehicle, inside the center consol of the vehicle I located brass knuckles. I requested a criminal history inquiry on Holmes through the Indian River County Sheriff's Office Public Safety Dispatch, where I was later advised he was a 7-time convicted felon. While continuing my search of the vehicle I located a scale behind the front passenger seat inside the back pocket. This back pocket of the passenger seat is immediately accessible by the driver. I observed the scale to have a brown tar like residue as-well as a white powdery substance on it, utilizing an agency issued multi-test kit I was able to get a presumptive positive hit on the residue for fentanyl.

A query into Holmes's driver's license through the Indian River County Sheriff's Office Public Safety Dispatch revealed that his driver's license was suspended as of 08/24/2026. I asked Holmes about the status of his driver's license, which he stated he knew his license was going to be suspended on Monday due to not paying traffic citations he received. Holmes specifically stated that he received a notice from the court earlier in the week about his license pending suspension on Monday if he did not take action to pay off the citations.

While I conducted a search of the vehicle, Deputy Christman and Deputy McPeck conducted

NARRATIVE (Continuation)

standardized field sobriety exercises to determine if any impairment was present on Holmes. I was advised by both deputies that they believed Holmes was impaired but not to the threshold that would impede his normal abilities.

Based on the items located inside the vehicle, I developed probable cause for arrest on Kenneth Jerome Holmes II for violations of Florida State Statute 790.23.1a – Possession of a weapon/ammo by convicted felon and 893.147.1B – Possession of Drug Paraphernalia.

A search incident to arrest on Holmes's person located 7 grams of suspected methamphetamine, 2 grams of suspected crack-cocaine, as-well as a small amount of marijuana. Utilizing an agency issued multi-test kit on the suspected crack-cocaine revealed a presumptive field positive test for Fentanyl. Additionally, I tested the suspected crack-cocaine utilizing Cobalt, which immediately turned blue on contact, indicating a presumptive field positive test for cocaine. Corporal Ron Thomas utilized an agency issued methamphetamine test kit to test the suspected methamphetamine, which turned purple indicating a presumptive field test positive for methamphetamine.

Based on the totality of the circumstances during this investigation, Kenneth Jerome Holmes II was placed under arrest for a violation of the following offenses:

- F.S.S. 790.23.1a – Possession of a weapon/ammo by convicted felon.
- F.S.S. 893.13 – Possession of a control substances (Two Counts).
- F.S.S. 893.147.1B – Possession of Drug Paraphernalia.
- F.S.S. 893.13.6b – Possession of Marijuana not more than 20 grams.

Holmes was transported to the Indian River County Jail without further incident.
