**INDIAN RIVER COUNTY SHERIFF'S OFFICE****ARREST AFFIDAVIT**4055 41st Ave
Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00034650****NARRATIVE**

On April 3, 2025, at approximately 1224 hours I responded to [REDACTED] in reference to a suspicious incident.

Upon arrival, I met with the complainant, Jason Nesbitt, who advised that they were at a [REDACTED] and witnessed a [REDACTED] who was unresponsive and he had reason to believe [REDACTED] had been sexually battered. I followed Jason to the location of the [REDACTED] later identified as [REDACTED], who was being pushed out of the woods in a wheelchair by an individual also later identified as Tyrone Smith.

Tyrone advised that [REDACTED] became unresponsive while in his camp site, stating that [REDACTED] is [REDACTED] and [REDACTED] condition has been declining within the past hour. [REDACTED] was transported by EMS to CCIRH for further treatment.

While interviewing Tyrone he advised that he suspected that [REDACTED] was a drug user in the past but to his knowledge [REDACTED] had not used drug recently. Tyrone was adamant that the reason for [REDACTED] decline in health was due to [REDACTED] at which point he removed [REDACTED] from a bag that was hanging from the wheelchair to prove [REDACTED] As I continued to speak with Tyrone, I noticed a white and red object that appeared to be a folded-up piece of paper protruding from his sock.

As the investigation continued, additional information was obtained indicating that drugs may have played a role in this situation.

I received consent to search Tyrone but was unable to find anything in his sock. Tyrone advised that he had a tag that was in his sock but he removed it prior to my search and discarded of it in a trash pile.

While canvassing the area where Tyrone was seen walking, I located a green leash next to the woods that Tyrone used previously to turn his dog over to animal control. Next to the green leash I discovered a white and red folded-up piece of cardboard matching the description of what I observed protruding from Tyrone's sock. I unfolded the cardboard and discovered a white crystalline substance which was field tested and showed positive for amphetamine.

I then read Tyrone Miranda Warnings using my agency issued Miranda card to which he stated he understood. I further questioned Tyrone about what was in his sock. Tyrone was not consistent with his description of the paper like object, stating that it was of green and black color, then stating it was black and red. Eventually, Tyrone admitted to taking the folded cardboard out of [REDACTED] bag because he was afraid [REDACTED] would get in trouble for it, and put it in the woods to conceal it from law enforcement. When asked what was inside the cardboard, Tyrone stated that he would guess that it was methamphetamine.

Based on the totality of the evidence, Tyrone Smith was arrested and charged with the following;

F.S.S. 893.13 – Possession of a Controlled Substance

F.S.S. 918.13 – Tamper with or Destroy Evidence

Arrest Affidavit ReportCase Report # **2025-00034647****NARRATIVE**

On Thursday, April 3, 2025, at approximately 1600 hours, I observed a black Mazda SUV bearing FL/VVX68 exiting driving through the exit way of CVS at the 5800 block of 20th Street.

While operating my unmarked agency issued vehicle, I observed the male driver, wearing a blue shirt, sunglasses, and a baseball cap and identified him as Stephen Gee. I knew Gee to have an expired license and an active felony warrant for Intent to Sell, Manufacture, or Deliver a Schedule I or II Narcotic, Possession of Marijuana Under 20 Grams, and Tampering with Evidence. I maintained visual of the vehicle and Deputy Castano and Sergeant Joerger positioned their marked patrol vehicles behind the suspect vehicle as it continued on the roadway. The vehicle began traveling northbound on 58th Avenue from 20th Street and Deputy Castano and Sergeant Joerger activated their emergency lights to conduct a traffic stop on the vehicle.

The vehicle entered a shopping plaza on the east side of 58th Avenue but continued driving past several viable places to stop. Deputy Castano observed Gee reaching around in the vehicle while he continued driving and disregarding the traffic stop. He continued driving down parking aisles and Deputy Castano and Sergeant Joerger began activating their emergency sirens. The vehicle continued driving down the parking aisle until Sergeant Joerger positioned his marked vehicle to the side of the suspect vehicle. The suspect vehicle then came to a stop. Deputy Castano, Sergeant Joerger, and I began making verbal contact with the driver, Gee, and gave him commands to exit the vehicle and he complied.

Gee was then placed in mechanical hand restraints and taken into custody. Deputy Castano stood by with the passenger, who was identified as Jayd Kotrady, who is the registered owner of the suspect vehicle. Deputy Castano alerted me that he observed illegal narcotics in the driver door pocket, which Gee left opened after he exited. I observed the narcotics, which was a small bag of a white powdery substance which I know through my training and experience to be Cocaine. The bag of Cocaine was located in a plastic cup which was placed in the door pocket. Also in the cup was a large quantity of empty small plastic bags which I know through my training and experience are commonly used for the packaging of illegal narcotics for sales purposes. The Cocaine and bags were located within immediate and direct reach of Gee and would not have been accessible to Kotrady. The bag containing the Cocaine was marked with a number/price (50), indicating a currency amount.

Kotrady exited the vehicle and was separated from Gee. Sergeant Joerger also read Gee his Miranda warning from an agency issued Miranda card. Prior to searching the car, I asked Gee what was in the driver door pocket and asked him to verify that there was no Fentanyl in the bag located in the door pocket to avoid coming in contact with the dangerous substance. Gee stated there was no Fentanyl and it was only Cocaine.

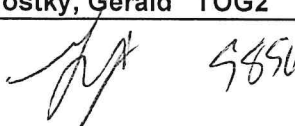

I then conducted a search of the vehicle and located a digital scale in the center console of the vehicle within reach of both the driver and passenger. I know through my training and experience that individuals who sell illegal narcotics commonly carry scales in order weigh out the narcotics for distribution.

In the front of the center console in an open pocket, I also located an additional bag of the same white powdery substance. The bag was also the same size as the first bag located. The bag of Cocaine was located in a place where both Gee and Kotrady had immediate and direct access to. The bag was marked with an "M" in marker.

I also located a cardboard Tootsie Roll currency bank on the passenger floor board which was located at the feet of Kotrady. The coin bank had a white top which was closed. Upon opening the coin bank, I located an additional bag of the same size which contained the same white powdery substance as the first two bags which I know through my

training and experience to be Cocaine. There was also a small number of empty packaging clear plastic bags consistent with the others located in the car. Also in the coin bank, there were two vape pens, one which was pink and one which was a pinkish blue color.

Upon searching the rear of the vehicle, I located a soft cooler which was zippered shut. After opening the cooler, which was filled with ice, water, and drinks, I observed a glass jar with a plastic gum container sealed inside. It is not common for individuals to store packaged gum in sealed mason jars for any explainable reason. I removed the gum container from the mason jar and opened the gum container which was filled with loose Marijuana.

I asked Gee who had packed the cooler and he originally stated Kotrady did. He shortly after then stated he packed the cooler. I also asked him if he vapes and what color his vapes were and he stated they were green. He also stated Kotrady uses vapes.

It must be noted that in the original investigation which led to Gee's felony warrant, a traffic stop was conducted on the same suspect vehicle which Gee was again driving. It was found during the investigation that Gee had been in possession of Cocaine and Marijuana. The bags containing the Cocaine had numbers/prices signifying a currency amount similar to the markings located on the bag of Cocaine positioned in the driver door pocket during today's incident. The packaging bags also located during the original incident were the same size and style of the bags located during today's incident.

Deputy Castano then conducted an interview with Kotrady in the Criminal Investigations Division Office. Kotrady denied ownership of all narcotics in the vehicle, but stated she may test positive on a drug test for Cocaine because Gee may have kissed her while he had cocaine in his mouth. She also stated the two vape pens located in the container by her feet belonged to her but she was not aware Cocaine was inside.

Detective Seldes then conducted an interview with Gee. Gee admitted that the Cocaine in the driver door pocket was his and referenced it as a "50 bag." He stated he was only aware of the Cocaine located in the door pocket, but was unaware of the two additional bags of Cocaine located. He also stated he was unaware of the digital scale that was located. Gee also admitted that he sells Cocaine that is in his possession and stated Kotrady has been with him during prior sales of Cocaine. See Detective Zach Seldes' supplement for further interview details.

Based on the above, Stephen Gee was charged with Possession of a Controlled Substance with Intent to Sell.

The narcotics located were field tested and tested positive for the presence of Cocaine. The narcotics were also weighed as follows:

Cocaine located in the driver door pocket: .65 grams

Cocaine located in the center console: .51 grams

Cocaine located in Tootsie Roll coin bank on passenger floor board: .93 grams

Marijuana: 13 grams

Once at the jail, corrections Deputy Hiss conducted a thorough search of Gee and had him remove his clothing per policy and procedure to dress him in jail attire. Deputy Hiss stated that while removing Gee's clothing, a black fabric bag fell out of his shorts. Inside the cloth bag was a clear plastic bag which contained six (6) smaller bags of a white powdery substance consistent with that which was located in the vehicle and tested positive for Cocaine. The bags

were also small square bags, the same as those located during the initial search, and they had red and blue markings in marker the same as the bags of Cocaine located in the original search. When Deputy Hiss attempted to question Gee about the Cocaine, he stated it was not his.

Also note that Gee was asked several times by arresting deputies if he had any more narcotics concealed on his person or concealed inside his body and Gee stated he did not. Gee was also searched by several deputies, several times, but the contraband was in a highly concealed location.

Gee was additionally charged with F.S.S. 955.22.1h: Smuggle Contraband or Controlled Substance into a County Detention Facility

Gee was also served his active felony warrant for:
Intent to Sell, Manufacture, or Deliver a Schedule I or II Narcotic
Possession of Marijuana Under 20 Grams

Arrest Affidavit Report

Case Report # 2025-00034674

NARRATIVE

On April 3, 2024 at approximately 1742 hours, I responded to the area of 2000 9th Street SW, Vero Beach in reference to an auto accident with unknown injury. While enroute dispatch advised there was a female riding an electric scooter, who had been struck and was not wearing a helmet.

On my arrival, I observed a female later identified by her Florida driver's license as Clara Davis, who was being treated by Indian River County Fire Rescue 4.

I then made contact with Angulus Milsaint, the driver of a red Hyundai Kona bearing Florida tag RFGM15. Milsaint stated he was traveling west on 9th Street SW when a female on an electric bicycle came into his lane of travel in the crosswalk area. Milsaint stated he had a green traffic light to keep proceeding westbound when the female came across the crosswalk, he swerved to the right in an attempt to avoid striking the bicyclist. However, Davis struck the back driver side of his vehicle.

As I interacted with Davis, I observed several physical signs of impairment: Davis was unsteady on her feet, glassy red eyes and the smell of an alcoholic beverage emitting from her person.

I became concerned Davis was impaired beyond her normal faculties by alcoholic beverages or chemically controlled substance. I advised Davis, I was no longer working a traffic crash investigation and I was switching hats to work a DUI investigation. I then read Davis Miranda Warnings, Davis stated she understood her right and wished to answer questions.

To dispel my concerns, I asked Davis if she would participate in a series of standardized field sobriety exercises, to which Davis agreed. I asked Davis a series of medical questions to ensure she could participate in field sobriety exercises. Davis stated that she had [REDACTED] approximately [REDACTED] ago, no injuries to her knees or ankles, and she was wearing glasses. I asked Davis if she was able to perform standardized field sobriety exercises, she advised yes.

All field sobriety exercises were explained and demonstrated proficiently prior to Davis beginning each exercise and I confirmed Davis understood the instructions prior to the start of each exercise.

The following exercises were performed:

1.) HORIZONTAL GAZE NYSTAGMUS - No resting nystagmus was observed. Equal pupil size and equal tracking was observed in both eyes. I observed a lack of smooth pursuit in both eyes; distinct and sustained nystagmus at maximum deviation was observed in both eyes; the onset of nystagmus prior 45-

degrees was observed. Vertical Gaze Nystagmus was observed in both eyes. I had to request Davis to follow the tip of the stimulus multiple times and not move her head.

2.) WALK AND TURN – During the Walk and Turn Exercise, I explained and demonstrated the task, and Davis stated she understood. Davis was unable to maintain her balance in the instructed position, and began the exercise before being informed to begin. During the exercise, Davis missed heel-to-toe, stepped off the line, and used her arms for balance. Davis took 15 steps instead of 9 on her first pass. Davis also made an improper turn. On the second set of steps, Davis again missed heel-to-toe, and was unable to maintain her balance. Due to Davis' severe inability to maintain her balance, which almost causing her to fall into the roadway, I instructed her to cease this exercise out of concerns for her safety.

3.) ONE LEG STAND- Prior to beginning this exercise I explained and demonstrated the exercise, at which point, Davis stated she understood. I instructed Davis to count in this manner, 1001,1002,1003 etc., until told to stop. Davis was instructed to begin the exercise, at which point she was unable to follow the given instructions. Davis only counted to 1003 and stopped. She was unable to maintain balance, and kept putting her foot down, hopped, and put her foot down. Due to safety concerns, I instructed Davis to cease the exercise in order to prevent her from causing injury to herself.

Overall, Davis performed poorly on all field sobriety exercises.

Based upon my investigation, probable cause exists that on April 3, 2025, Davis was in actual physical control of a bicycle operating in the roadway, while under the influence of alcohol beverages and was impaired beyond her normal faculties, incapable of operating a bicycle safely.

Davis was arrested for DUI at 1815 hours, and was advised of the charge. I took Davis into custody without incident and transported Davis to the Cleveland Clinic Indian River Hospital for medical clearance due to her involvement in an accident. It should be noted that Davis was released from Cleveland Clinic Indian River Hospital, at 2027 hours, two hours after she was taken into custody. Once Medically cleared Davis was transported to the Indian River County Jail for booking.

After I arrived at the jail, Deputy Sheriff Solomon advised me that Davis agreed to provide a breath sample at 2112 hours. At the conclusion of the test, the breath sample showed Davis had a breath alcohol concentration (BrAC) of .072grams per 210 liters of breath and .071 grams per 210 liters of

breath.

It should be noted that due the time of arrest being at 1815 hours, and the time the breath sample was collected at 2112 hours, it is reasonable to assume that Davis's Blood Alcohol Content was above 0.08% at the time of the accident. This is due to the Alcohol Metabolic Attrition rate of 0.015% per hour over a course of approximately three hours. This would place Davis' BAC at approximately .116 at the time of arrest.

Based upon my investigation, I charged Davis with the following:

Count 1: FSS 316.193(1)-DUI alcohol or drugs (bicycle). Davis was issued DUI/Alcohol Citation AJ5S9YE, for the incident.

Vero Beach, Florida 32960**Arrest Affidavit Report**Case Report # **2025-00034733****NARRATIVE**

On Thursday, April 3, 2025, at approximately 2010 hours, while sitting at the intersection of 66th Avenue and 20th Street in the northbound left turn lane. I observed the vehicle directly in-front of my marked agency issued patrol vehicle occupying the left turn lane and stationery at the solid red light. The vehicle was a white ford f150 bearing Florida Plate (45ANQJ). The vehicle proceeded to drive forward into the intersection of 66th avenue and 20th street and made a left turn onto 20th street where it continued westbound while the left turn light was still solid red.

I conducted a traffic stop on the vehicle at the 6500 BLK of 20th street where I made contact with the driver. The driver later identified as Heron Lucas Morales via his Mexico ID Card. Morales advised he did not have a Driver's License. Morales advised he had never been issued a Driver's License in any state and that he was not a US Citizen. I ran Morales through Dispatch where it was confirmed that Morales did not posses a Valid Driver's License.

At this time, Morales was asked to exit the vehicle and was placed into handcuffs. Morales was escorted to the passenger rear of my marked agency issued patrol vehicle where he was searched. I placed Morales into the passenger rear of my marked agency issued patrol vehicle and transported to the Indian River County Jail without incident.

Due to the evidence found on scene I charged Defendant Heron Lucas Morales with F.S.S 322.03 No Valid DL – Never Issued. Citation Number (AKFS0VE). I also issued a citation for Fail to obey traffic control device F.S.S 316.074 Citation Number (AKFS0WE) to Defendant Heron Lucas Morales.
